Ruby Brown honored

On Thursday, February 7th, members and friends of Bethel Pentecostal Tabernacle gathered to honour Mrs Joe Brown at the Recreation Center, Ladysmith.

Mrs Brown, the former Ruby Storey, is retiring as Treasurer of the Church after many years serving the congregation in that Office. The large company of well-wishers sat down to a bountiful turkey dinner catered by the TCRA in their Hall at Ladysmith.

Mrs R D Ellis pinned a beautiful corsage on the Guest of Honour following which Rev Ron Ellis paid tribute to Ruby and her long and unselfish service to the congregation. As a token of the high regard in which Ruby Brown is held a cheque was presented along with a suitably engraved plaque to commemorate the occasion. Wording on the plaque was "Presented to Ruby Brown in appreciation for 31 years of faithful service as Treasurer of Bethel Pentecostal Tabernacle 1942-1973."

Those assembled also showed appreciation for Ruby's husband, Mr Joe Brown, with a hearty round of applause. Music was supplied by Mrs Jack Stevens, Paul Ellis, and a girls Trio of Bonnie Sue Towell, Janet Marks, and Ann Stevens.

Brief addresses were given by H I Hobbs who recalled early days of the Pentecostal movement in Shawville, and by Donny Stevens and C G Crouse, who added a few amusing experiences.

A pleasant evening of Christian fellowship was brought to a close with the singing of the Doxology and closing prayer by Mr James Stevens.

Federal Agriculture Minister Eugene Whelan took time out from his hectic parliamentary duties last June to check grain growing on his farm near Windsor, Ont. March is Good Seed Month, and Mr Whelan reminds farmers to use Certified seed when planting their crops.

Tax rebates for farmers

by: Doug MacMillan

A number of farmers have already received tax rebates on 1972-1973 taxes. A fairly large number of farmers are not as yet on the eligible list and therefore have not received rebate application forms in the mail.

A farmer to be eligible for the tax rebate must have yearly farm sales of $1,000.00. Farmers who were not listed on the original list and who are qualified are being added to the eligible list. As soon as a farmer is added to the eligible list he will receive his tax rebate form in the mail. Farmers who have received rebate forms can be assured that their name is on the list. Farmers will not be notified as to whether they qualify for the rebate but qualified farmers will receive the rebate application form.

Farmers should keep in mind that rented land can be claimed for a tax rebate. In this case a farmer who qualifies for the rebate should pay the taxes on land he rents. If the owner pays the taxes he will not necessarily qualify for the rebate.

Any farmer who has not yet received rebate application forms and feels he is qualified should contact the Quebec Department of Agriculture office in Shawville. A number of farmers have already applied through the Shawville office and their cases are now being studied.

Quyon plans Centennial

BY: Wyman MacKechnie.

Mayor Wm Burke and members of Quyon Council and their wives entertained at a dinner Monday evening to announce plans to celebrate Quyon's Centennial in 1975.

Among the guests were Mr Tom Lefebvre, MP for Pontiac, and Mrs Lefebvre, Mr J G Lariviere, MLA for Pontiac and Pontiac County Warden, Mr Orla Young and Mrs Young.

Mayor Burke welcomed the guests and announced tentative plans for the coming festivities a year hence.

Mr Lefebvre, in promising his co-operation, outlined several federal programs designed to assist municipalities such as LIP grants, etc. He said he hoped to be able to announce shortly just what the NCC had in store for the extensive properties recently acquired in the area.

Mr Lariviere promised provincial support and held out hope that the new No 8 Highway from Quyon to Aylmer would be completed by 1975. Warden Young, who is also Mayor of Shawville, where such a successful centennial celebration was held last year, gave an interesting talk on the work that went on behind the scenes and offered much helpful advice.

Mayor Burke said committees would be formed shortly to lay definite plans. These will likely include a huge New Year's celebration with most of the activities being held during the summer of '75.

Some features suggested included an interdenominational church service, a parade, ball tournament on Quyon's excellent ball park and, of course, water activities of all kinds on the Ottawa River, which played such a vital role in Quyon's early history.

Pontiac proposal approved at Hull

Liaison officer to be appointed

Monday night, at the Gamelin School in Hull, Dickie Bowie, John Godmere and three hundred people from Pontiac County asked the Outaouais Regional School Board to accept the suggestion of the Education Minister which was made to Jean-Guy Lariviere last week.

The proposal was for the Department to appoint a liaison officer to study the factors relating to the situation of a new high school for English speaking Catholic students in Pontiac County.

The motion was made by Mr Bowie and seconded by Lloyd Richards of Aylmer, who has repeatedly asked for more facts on the Pontiac problem. After making an amendment to the effect that the appointment would be made by the Department of Education and not the government, as originally worded in the motion, the motion was passed by a vote of 42 for and 10 against with two abstentions and one third of the school board not present.

The board had spent an hour hearing the people of Pontiac.

The situation was expertly handled by Mr Rivest the chairman of the board who reminded the delegates at various times that the decision to place the school in Fort Coulonge had been made by various other committees and advisors. Director General Mousseau remained silent during most of the meeting.

Mr Bowie felt that the site had been chosen by a recommendation from the Director General.

There was also considerable discussion about what Pontiac includes and a large group from the Quyon area insisted that they were part of Pontiac, despite imaginary lines which had been drawn from time to time by various offices.

Applause from the large delegation punctuated the well prepared addresses of both Dick Bowie and John Godmere, especially when Mr Godmere cried out in the large meeting room, "Pontiac is Pontiac- all of it!"

The Pontiac delegation went home in a mood of triumph, having won the first round of their battle for a new school. All they wanted from that meeting in Hull was approval of Mr Bowie's request for a liaison officer. Although the liaison officer would not be usurping any authority from the board and his recommendation would only be that and not binding, it nevertheless left a glimmer of hope in the hearts of the English Catholic parents of Pontiac County that the board in Hull might conceivable modify its earlier decision to place their new school in Fort Coulonge.

Having been informed of the passing of the motion at Hull, the Pontiac MNA, Jean-Guy Lariviere telephoned on Tuesday to Mr Jean-Claude Barrette, the private secretary of the Minister of Education in Quebec, who should appoint the liaison officer within a week or two.

Mr Bowie hopes that the research can be done by the officer and the recommendation made by the end of this year's school term.

In his heated speech on behalf of the hundreds of cheering Pontiac parents, Mr Godmere had stated that if they couldn't get their school in a place they considered to be reasonable they would not attend it at all. This was a clear indication that many Catholic families might find it necessary to switch their school taxes to the Protestant rolls.

"Pontiac Home for the Aged" now named and authorized

The good news from Quebec, relayed to THE EQUITY by Jean-Guy Lariviere, MNA, is that the Order in Council number 323-74, dated January 30th, authorized the establishment of a public institution in Shawville for the accommodation of old people.

And furthermore, the name of the institution is to be "Pontiac Home for the Aged", instead of "Reception Center" as it has previously been entitled by the CSSSO.

BRILLIANCE IS WHAT IS NEEDED

There were a few sour notes at the confrontation Monday night between the English Catholic parents of Pontiac County and the Regional School Board in Hull, but most of what transpired was very positive and very fruitful.

As the chairman stated it, the Pontiac parents were asking the board to modify an earlier decision, and the way he said it one could assume this was a request of immense proportions.

As the Pontiac parents stated their position, they were fighting the possible extinction of the English Catholic culture in Pontiac County.

Weighing the one possibility against the other, it becomes obvious that the modification of earlier decisions of the board is the lesser of two evils. In fact, as we have repeatedly declared in this column, it takes an intelligent man to make a decision and a brilliant man to change it in the light of more insight and information. We never said it just like that but the meaning is always the same, whatever words are used.

But, unfortunately, on the subject of intelligent and brilliant men, the two sour notes at the meeting were both sounded by ladies present. One was a woman in the Pontiac delegation who was so frustrated by her inability to understand the few French words spoken in a predominantly English language meeting that she shouted rudely to the speaker. Granted, she had come a long, long way, at her own expense, as had all the delegation from the farms and villages of PontiacCounty, and was under a certain strain in strange surroundings, but still everyone in the crowded room was just a little bit embarrassed by her remarks. It was a brief incident, best left unnoticed, but here we record it in hopes it wont happen again.

The second sour note was sounded by a woman on the school board who wanted to move the board away from the Pontiac delegation to take their vote on the Pontiac motion.. When there was opposition to her suggestion she blurted out that she had been going to support the motion but might not if she didn't get her way. She got her way but as it happened the motion would have passed easily, even without her grudging support. The sad part of that incident was that it reflected how lightly the plight of Pontiac students can be taken by at least one member of the school board in Hull, where decisions are made.

But the most unfortunate result of these two unusual, and untypical feminine outbursts, is that these are the things that spoil it for other women who try so hard to make a worthy contribution.

Much of the good work of the Citizens Committee has been done by the ladies, and there are also a lot of good feminine heads on school boards across the region. We only mention the exceptions to the rule as a reminder that generalizations are often made about women on the basis of the actions of one or two, regardless of the actions of the many.

Spreading love for "Valentine"

by: Gwen Wentworth.

The Students from Grade Six, Room 16, of the Dr S E McDowell Elementary School, presented a Valentine Programme on February 14, at the Ade Home for Senior Citizens.

The students presented three plays entitled: " The Robbery"- written by Scott Horner; "Valentine Sweethearts"- written by Nancy Rowat, Susan Paul, Nancy Wilson and "The Wish Washers". A poem entitled "A Valentine" was read by Monique Blanchette. Various songs were sung by members of the class. These included: "When You're Young", "One Tin Soldier", "Less of Me" and "I've Got the Joy". Master of ceremonies for the programme was Tommy Andai.

Following the programme students of the class presented all the senior citizens at the Home with a specially made Valentine and a valentine treat. They also served a lunch which was enjoyed by all.

To climax the Valentine project for the grade six students they were permitted to take valentines and treats to all the patients at the Community Hospital.

Our thanks to Mrs Marks and staff at the Ade Home and Hospital for enabling the students to take part in what they feel was a worth while project. The parents and Mrs Bretzlaff provided the transportation to and from the Home.

LETTERS TO THE EDITOR

February 19, 1974
Calumet Island, Quebec

AN OPEN LETTER TO MY SCHOOL COMMISSIONER-
MR MARCEL PIGEAULT, CALUMET ISLAND, P.Q.

I never doubted for one moment that when you were exposed to all of the true facts concerning the matter of the English Catholic High School, that we English Catholic residents of Calumet Island would receive proper representation through you.

You are to be congratulated for having the courage to reverse your previous stand on this matter and thereby greatly contributing to the cause of "Fairness" for all the English Catholics of Pontiac County .

We have made a small gain in our dispute with the Regional School Board, but like every journey, it must begin with that first step.

Now that the concept of a "Liaison Officer" to mediate in this matter has been accepted by the majority of English Catholic Parents and the CSRO, a spark of hope has been rekindled that the matter can eventually be resolved in a fair and democratic manner involving all of the English Catholic Parents of Pontiac County.

A valuable lesson has been taught to us all. We the citizens must take a greater interest in any and all elections within our Community, our Province and our Country.

I would hope that not one single seat on the Pontiac School Board is ever won again by acclamation. I believe that all eleven seats should be vigerously contested in each and every election and that the winner would be the best person to truly represent his or her community.

Knowing your competative spirit I know you would welcome such competition, and I am confident you would return your seat anyway.

I am very satisfied with you and your type of "Open minded" representation. Something that not every English Catholic ratepayer can say about some of their own school commissioners.

KEEP UP THE GOOD WORK AND ABOVE ALL KEEP YOUR OPEN-MINDED ATTITUDE.

Very sincerely
John A Codmere.

To The Equity

Dear Editor,

Regarding the "Old Bryson Building", I cannot give you much information, about the "Early Generations".

The only one of them I knew personally was James (Jimmy) George , who lived in the Bryson House, who now has a grandson living in Pembroke, and his name is James Bryson.

Now my opinion is- that I would be very pleased, to see this (Grand old mansion) (as we used to call it) renovated, or even tidied up some. I think the people of Fort Coulonge are very good, and will co-operate with Mr Amyotte who I know is a very good business man.

I live in the township of Chichester.

Signed: James Poirier.

Dear Friends:

QUEBEC JERSEY CATTLE CLUB CONVENTION
by: Robert Simpson, Sec.

We have just completed our Quebec Jersey Cattle Club Convention, some might think the big cities have more to offer in way of accomodations and entertainment, but they are mistaken for Shawville has plenty to offer.

Everything just seems a wee bit different: The Ed and Ellen Place with its comfortable and good meals and congenial friendship, Telford's Pontiac House Hotel with simple rooms but newly painted and very clean and comfortable, the family all pitches in to make one's stay memorable and a better banquet would be hard to find. The Clarendon Hotel was comfortable and boasts a Hockey Great of the last decade, Frank Finnigan the proprietier, a most interesting character, the Hardy Plants greenhouses with the most colourful and most beautiful plants in the continent. Jersey breeders in the area are a great homespun lot with great backgrounds and intent on being tops for hospitality, bar none.

Even down to the Pontiac Printshop, small and crowded but, like a bee-hive with the activities of the Montreal Star, with Mr Horner and Mrs Dickson rushing here and there to gather local ads and news for the Equity a small but genuinely local newspaper that keeps a community well informed.

Looking for an answer, why, should this have been one of the better conventions and largest for some time, over 135 persons, one can only decide it is this deep honest genuniness that makes Shawville survive and of course the excellent town authorities headed by a retired Jersey breeder.

To one and all in Shawville, the Members of the Jersey Club, say thank you one and all for making this event the best ever.

Sincerely
Robert W Simpson

"COUNTY COUNCIL "

NOW OR NEVER

The County Council is legislated by the Municipal Code of Quebec. It is composed of the Mayors in office of all the local municipalities, who bear the title "County Councillor". The head of the County Council is called "The Warden" who is chosen from among the members who compose the Council.

County Council meets on the second Wednesday of each month of March, June, September and December. A special meeting may be convened at any time by The Warden, Sect'y Treas. or any 2 members.

One must assume that the original concept in the formation of such an organization was to:-
1) allow mayors the opportunity to meet, discuss and try to solve their many related problems.
2) be the instrument wherein an united body could approach all levels of Government on matters concerning the betterment of the county.

The foregoing is a thumb nail sketch of county council, which unfortunately is not known to many.

The usefulness of County Council has, in the past, been debatable for various reasons-
1) its lack of authority
2) it meets only 4 times a year
3) some municipalities consider it a financial burden
4) lack of interest or ability of some county councillors to debate problems or present projects.

It is true that a large number of County Councils, through their ineffectiveness, are practically inactive. Fortunately this criticism can not be said about the county council of Pontiac, where one finds it trying, within its limitations, to be effective entity.

The administrative problems of a municipality are ever increasing and are of a much more complex nature than they were twenty years ago, yes even ten or five years ago, they are changing daily. Those who are victorian in their thinking suggesting what was good a few years ago should be good enough for today are similar to an ostrich with its head buried in the sand.

One has to realize that the only instrument that can co-ordinate the many problems for the betterment of the county is "The County Council".

At nearly every meeting of the Pontiac County Council one will find the following in attendance:
1) The local press "The Equity" which by its editorials and news items is doing a good job in communicating the business of meetings and expressing its views on the necessity of a council.
2) The Federal and Provincial members of Parliament are there mainly to keep a finger on the pulse of the County and to enter into discussion on various types of Legislation, various projects, etc.

These people realize, only too well, how important County Council can be.

The Provincial Government has now given County Councils the task of enacting the new Legislation of Municipal evaluation.

The success of this task, will no doubt, be the instrument by which the Provincial Government will decide whether or not County Councils have the ability to accept more authority in the future.

It is hoped that every county councillor will approach the many problems, emanating from this new challenge with an open mind and that their decisions will be oriented to the overall picture rather than that of the individual.

This way County Council can prove to be a viable unit.

Should it fail it will be signing its own death warrant.

Success is within reach-grab it- or some one else will. THEN ALL IS LOST.

SIGNED: FRED METCALFE.

14 Feb 1974

Dear Editor:

The changing of the sign post which designates the county line for Pontiac is interesting and while the Quebec Roads Department are, no doubt, in possession of an advanced issue of a map defining new County borders The Quebec Municipal Board seems to be lagging in putting the new borders into effect.

This is not the only first for the Quebec Roads Department, the other is the new road sign going out of Hull towards Pontiac which reads "Chapeau 151 KM".

The Globe and Mail gave this sign prominence on its front page February 14, 1974 and captions a picture of the sign with "the new signs are being installed to familiarize motorists with the metric system expected to be in effect across Canada by the end of the decade."

I am wondering how we will be able to buy a dozen eggs in 1980, or what we will do with our inches, feet and yards, there'll be no more 1 acre lots, 100 acre farms, and what about our quarts of milk 40 oz and our quarts of beer 22 oz.

I think we are going to have more problems with the metric system than the small problem of changing county borders.

Yours truly
E B W Mulligan.

Grist and miscellaneous

On the subject of languages in Pontiac County, for the benefit of any of the city media people who think differently, there is no dissension here on that score. Witness the winter carnival at Bryson Lions field today, Wednesday, February 20, which includes six elementary schools, Calumets Island and St Jean Campbell's Bay which are French, Vinton and St John's Campbell's Bay which are English, and Bryson and Otter Lake which are bilingual, and all six of which have one common principal, Andre Pilon. Too bad the TV cameras and daily newspaper reporters wouldn't cover this event to find out how Pontiac people really think. We told the Time Magazine writer about it but doubt that it will get a mention in his article.

A man from Time Magazine phoned us at our busiest time of the week to find out all about people in Quebec who are dissatisfied with the way Quebec is treating them. Knowing Time Magazine from away back, we can expect a surprise when the story comes out.

People we could do without: those who call when we are not in and do not leave their names, and also those who drive slow moving and wide trucks on the highway and do not pull over from time to time to let traffic get past them.

We've noticed that the road sign at the Pontiac County border is still missing; can it be that the Voirie doesn't read THE EQUITY?

On "Town and Country" last week they had Bob Nixon who is the chief of the Liberal Party of Ontario so the regular Pontiac edition was cancelled. That's why Donat Leguerrier was not seen as previously announced. However, Mr Leguerrier will be asked back and we're looking forward to talking to him, especially since he was named as Pontiac's representative on the Zone Council of CTVO. In the meantime, if all goes as planned, Rev Ron Ellis of Shawville and Rev Charlie Boole of Campbell's Bay will be Mrs Dickson's Pontiac guests on this week's "Town and Country" show over Channel 5 at 2:30 Wednesday.

Elsewhere in this paper there is a coupon to fill out and send in if you are interested in getting a reprint of the late Archdeacon W H Naylor's book, " The Church in Clarendon" which is an interesting history of the whole area. If enough people show their interest St Paul's Parish Council will go ahead and have the reprint made. At least 500 requests are needed to proceed with the printing.

Arthur Kilgour, a well known and well liked member of the Shawville and Clarendon community, died suddenly while attending a hockey game Sunday evening. The arrangements are being made at Hayes Funeral Home for a funeral Wednesday afternoon.

The Quebec Civil Protection Association will be giving two rescue courses at the Shawville Fire Hall which are open to the public and especially members of the Shawville Fire Brigade. The first course will be Tuesday, Wednesday and Thursday, February 26, 27 and 28 at 7 pm and Saturday from 1:30 to 4 pm. The second course will be March 5, 6, 7, and 12, 13, and 14th at 7 pm. Only the first sixteen people will be accepted in each course. For more information please phone Edgar Schwartz at 647-2228 or Watt Taylor at 647-2723.

Recent cash donations to the Pontiac Community Hospital are Central Hospital Auxiliary for $500.00, Doug McMillan $10.00 and friends of the late Jack Argie $25.00.

Pontiacs in battle for second place

by: Brian Murray

The Intermediate "A" Hockey play-offs are just two weeks away and the Shawville Pontiacs are still struggling to hold onto second spot in the Ottawa District League.

Last week the Pontiacs, with Rick Borne in goal shut out Wendover Rockets 3-0 in Rockland. Good goaltending and tough defensive play seemed to indicate that the club was getting ready for play off time.

However on Sunday night the Pontiacs hosted the same Wendover Club and lost 3-1. Unfortunately, both teams were short of key personnel and it seemed to hurt the Pontiacs offensive effort.

Monday night Shawville travelled to Gatineau in one of three games this week and earned a 6-6 tie. In this outing the Pontiacs fell behind 4-1 after two periods and were being pushed around by the good sized Gatineau club. The third was a different matter as the Pontiacs finally decided to respond to coach Frasers urgings for more contact and hustle. Five goals in the final twenty minutes earned a valuable point for the locals in their battle to hold second place.

On Wednesday, February 20th the Pontiacs play at home against first place Embrum Panthers at 8 pm and on Sunday Wendover visits Shawville for a 7 pm game.

Tickets are still on sale for the Pontiacs skating party and dance this Saturday, February 23rd.

Skating is from 9 to 10 pm and the dance follows.

A good turn out is expected for this evening. Help the hockey club and enjoy yourself at the same time.

Good weather for cook-out

Art Smart got a lot of help from his committee on Sunday's Shawville and District first outdoor weiner roast but the weather man was behind the idea 100%.

A large turn-out, approximately 175 people, brought their families by car, by foot and of course by snowmobile, to Sand Bay where a fire was cooking hot dogs and water was boiling for coffee.

The younger children, and some not so young, brought their flying saucers, crazy carpets and tobaggans to slide.

When all were full of hot dogs, coffee and pop the children still had marshmallows to roast and bags of chips for all.

The chips were donated by one of our members, Ray Newton. The pop was donated by Renfrew Bottling Works and the Snowmobile Club picked up the tab for all the rest of the food.

We hope the members will agree this should be an annual event.

Dods - Wright Wedding

In Toledo, Ohio, on December 22, 1973, Susan, daughter of Mr and Mrs William T Wright and Mr Douglas Dods of Ottawa, son of Mr and Mrs Earl Dods, were united in holy matrimony. Rev Don Sewell officiated.

The bride entered the room on the arm of her father and looked charming in a gown of white polyester satin, made along A lines with a floor length train and full sleeves gathered onto long tight cuffs. Crocheted twin lace in rose design and covered buttons trimmed the bodice and cuffs. Her short veil was held in place by a ruffle trimmed head band. She carried white gardenias, carnations and dyed baby's breath.

Miss Jan Wright attended her sister as maid of honour. Miss Betty Wright, sister of the bride and Miss Lois Dods, sister of the groom, were bridesmaids. The flower girl was Miss Ann Marie Wright, another sister of the bride.

The attendants wore identical floor length gowns of polyester satin, made along similar lines to that of the bride, designed with light blue tops and darker blue skirts, trimmed with off white twin lace and copen blue velvet sashes. Their head pieces were of copen blue velvet with velvet streamers and tiny pink roses. They carried salmon pink roses and dyed baby's breath. The flower girl carried a basket of multi-colored flowers.

Mr Dwight Dods of Ottawa acted as best man for his brother.

The ushers were Mr William Wright, brother of the bride and Dr W Prost, friend of the groom. Mr David Wright, Mr Danny Wright and Master Tommy Wright, brothers of the bride acted as junior ushers and ring-bearer, respectively.

Mr Peter Mearns of Montreal was pianist.

Following the ceremony about one hundred and fifty guests attended a reception in their honor. Mr Gordon Gray of Ottawa was guest speaker.

Following the reception, the happy couple left on a wedding trip to Southern Texas and other points in the USA, the bride travelling in a pink and green plaid suit.

Later they will take up residence in their new home at Manotick, Ontario.

Jehovah's Witnesses show continued growth

The formation of another congregation of Jehovah's witnesses in Ottawa on February 1, raises again the question of the continued growth and development of this religious movement.

The Religious Census of Canada showed only 6,689 Witnesses in 1921, whereas the 1971 Religious Census shows 174,810.

Local spokesman of the Witnesses attribute much of the growth to the strengthening effect of the groups' regular pattern of local and regional assemblies.

Two circuit assemblies for residents of the Ottawa Valley area are scheduled on the successive weekends of March 2, 3, and March 9, 10. They will be held in the Ottawa High School of Commerce.

Examination of the assembly program reveals no philosophical sermonizing or money drives, but down-to-earth, meaningful analysis and discussion of what a Christian should be doing in the modern world.

At the upcoming assemblies Witnesses will discuss:
1) how to best reach others with the good news.
2) using the Bible's teachings to solve daily problems
3) achieving unity among fellow believers.

This will be done by means of discourses, pantomimes demonstrations, experiences, panel discussions and interviews. At least 50 ministers from all walks of life will take part, including members from Shawville.

There will be an ordination and baptism service of new ministers on Sunday morning. Sunday's public talk at 1:55 pm is entitled: "Be Confident of Divine Victory!"

The public is invited to attend all sessions of the conventions which begin on Saturday at 9:00 am, and conclude on Sunday at 4:30 pm.
