» Snow clearing

**Let's team up this winter!**

Did you know that it only takes a few simple things to help us clear snow more safely and effectively?

- **Place your garbage and recycling bins next to the sidewalk inside your property line.**
- **Do not park on the street until it has been cleared.**
- **Do not dump snow on public roads, sidewalks, recreational pathways, fire hydrants or any other public place or property without the owner's consent.**

**When do snow clearing operations start?**

Snow clearing operations begin as soon as more than five centimetres of snow have accumulated on the ground. De-icing starts as soon as the roads become slippery, at which point the crews start spreading melters and abrasives.

Routes are planned to ensure your safety, effective operations and swifter response times.

Once the snow stops falling, it can take up to:

- 16 hours to finish clearing the snow over the 2,717 km of roads if **less** than 25 cm fell; and
- 24 hours if **more** than 25 cm fell.

## >> **Gatineau Passes Go and Calls for Votes!**

### **A Vote a Day Until February 7!**

Gatineau urges each of its residents to vote for it **every day** on the [www.monopolyvote.ca](http://www.monopolyvote.ca) Web site until February 7, 2010 so it can earn a spot on the board for Place de la Promenade. The names of the cities that get picked and appear on the board will be unveiled in late June, and the new version of Monopoly Canada will be available in stores in the summer of 2010.

[Invite your families, friends and Facebook contacts](#) to vote every day for Gatineau at [MonopolyVote.ca](http://MonopolyVote.ca)!

**Your vote is very important!**

## >> **Ordre de Gatineau - Call for nominations**

For the sixth consecutive year, Gatineau will be paying tribute to some of its finest residents by awarding them its highest award, the Ordre de Gatineau.

This year, once again, we are looking for individuals who would deserve such an honour from Ville de Gatineau.

Help us find someone who stands out, and recommend him or her to the selection committee by submitting a duly completed file before March 5, 2010 demonstrating that the candidate meets the selection criteria.

You will find all of the details about making nominations at the [Ordre de Gatineau 2010 page](#).
