BANLIEUES

Les noms des municipalités sont inscrits par ordre alphabétique et les noms des rues sont en ordre alphabétique à l'intérieur de chaque banlieue. Les rues et les avenues désignées par des numéros sont insérées au début de chaque municipalité.

GUIDE DES RUES

La situation et la description de chaque rue sont indiquées. Les instructions pour trouver une rue sont clairement indiquées. Les rues transversales sont inscrites aux numéros réels, si possible, où elles croisent chacune des rues. Vous trouverez aussi une liste des nouvelles rues et celles nouvellement indentifiées dans la section "Liste Maîtresse des Rues".

CODE POSTAL

Votre code postal apparait après le nom de rue. — Servez-vous de votre code pour un service plus rapide de votre courrier.

RÉSIDENTS

Les numéros civiques sont disposés en ordre croissant suivis des noms des résidents et de leurs numéros de téléphone. Les numéros d'appartements sont imprimés en retrait du numéro civique.

MAISONS D'AFFAIRES

Le symbole > après un numéros civique signifie qu'il s'agit d'une compagnie ou d'un professionnel. Les numéros de suite, les numéros civiques, le nom de la compagnie et le numéro de téléphone sont indiqués de la même façon que pour les résidents.

ANNÉE D'EMMÉNAGEMENT

Les inscriptions et l'année d'emménagement à une adresse sont indiquées par un N pour 1985, 4 pour 1984, 3 pour 1983, etc. Ces caractères précèdent le numéro de téléphone. Ce code est enlevé après dix ans.

STATISTIQUES

Un total fixé par l'ordinateur à la fin de chaque rue, indique le nombre de résidences et de maisons d'affaires. *Différentes méthodes de sélection à l'intérieur de nos listes sont disponibles sur demande.*

SUBURBS

Municipalities are arranged in alphabetical order and streets are in alphabetical order within each suburb. Numeric streets and avenues are listed at the beginning of each municipality.

STREET GUIDE

The location and description of each street are shown. Directions for locating a street are clearly indicated. Cross streets are shown, when possible, at the actual numbers where they intersect. There is also a list of new and renamed streets in the Master Street Index Section.

POSTAL CODES

Postal Codes are shown after the street description. — Use the code for faster delivery of your mail.

HOUSEHOLDERS

Occupants, with their telephone numbers, are shown in ascending civic no. order on each street. Apartment numbers, if indicated, are indented.

BUSINESSES

The symbol > after a civic no. indicates a business or a professional listing. Suite no., civic no., business name, telephone numbers are printed as outlined for a householder.

YEAR OF OCCUPANCY

Listing and year of occupancy at an address are indicated by N for 1985; 4 for 1984; 3 for 1983, etc. These characters appear before the telephone numbers. This code is removed after ten years.

MARKETING STATISTICS

Computer counts for Householders and Businesses are shown at the end of each street. *Selective lists and studies are available on request.*
