POTATO PANCAKES
Helen Shanks
4 raw potatoes
Butter, salt and pepper
1 egg white or 1/4 cup flour

Method: Peel and grate the potatoes. Melt butter in a pan and add grated potatoes. Season with salt and pepper. Stir well and place on a greased puff pastry or in a greased cake mold. Bake in a moderately hot oven, ten minutes. Serve the pastry with a rich sauce.

COLD, BUD? Just looking in to say "Kitty-biting 10th birthday" in a Hollywood pool is too much for a "Beau" of chilling breath. You make me say, "Hello, instead of "Bud."

COSTUME PAGEANT
In the fair town of Sisters, Nevada, were built out of bouquets. The costume pageant was open to all persons, no matter what sex they may be, who desire to participate. The dressings were made of various materials, flowers, leaves, and other natural objects. The participants were judged on their creativity, use of materials, and overall presentation. The winner was awarded a beautiful trophy.

New and Useful Tool
Door Stop
This tool is designed to prevent doors from slamming shut. It is made of heavy-duty metal and is adjustable to fit any door size. Simply place the tool against the door and adjust the pressure to your liking. The tool is easy to use and is a practical addition to any household.

SPILLING HEADACHE
Q. How can I draw out a splinter from my child's finger?
A. Try this method: a. Get a warm, wet towel and place it over the splintered finger. b. Apply a thin layer of vaseline to the area. c. Cover the area with a clean, sterile bandage. d. Check the area periodically to ensure the splinter is being drawn out. e. Apply gentle pressure to the area to help the splinter come out.

Home and Equipment For Doctor

Memorial Foundation, in memory of a doctor? This question was dis-

known as the Dr. C. M. Smith Memorial Foundation. States they have not had "not yet reached. In this situation Guy Irving Burch, director of the agricultural branch of the Dominion Department of Agriculture, has as its keystone the freedom of the peoples to determine the type of government they prefer. He contends that, instead of trying to save the whole world, the United States should concentrate on the development of better homes for the people of the world. This, he says, will be achieved by concentrating on the people in those countries that are capable of sustaining a democracy. He states that every country has a right to determine its own form of government, and that the United States should not try to impose its own form of government on other countries. He believes that this will lead to the development of a more peaceful world.

It is important for us to keep such countries out of Communist control. The chairman of the Democratic National Committee, Richard W. W. 1 at the time, stated that they have no desire to see the public accept the idea of a socialist government.

S})( Danger to Democracy

in World Population Boom

The inhumanity of the earth is increasing at a rate of 57 per cent. This is the rate at which it is increasing in the world. There are indications, however, that science and the world's peoples, particularly those in the underdeveloped countries, are making progress toward a solution of the problem. The present situation is analogous to the situation which existed in the United States during the Progressive Era. The farmers, who were largely responsible for the development of the United States, were the beneficiaries of this progress. In the United States, the farmers were able to increase their production of food and fiber, and the result was an increase in the population of the United States. The farmers were able to increase their production of food and fiber, and the result was an increase in the population of the United States.

Maple Syrup Yield

18.6 Per Cent

The agricultural branch of the Dominion Department of Agriculture has recently reported on the production of maple syrup. The report shows that the production of maple syrup in 1950 amounted to 2,442,000 gallons, or an increase of 18.6 per cent. This increase in the volume of production is an improvement over the previous year, which saw a decrease in the production of maple syrup. In fact, the 1950 estimate of the production of maple syrup was 1,940,000 gallons, which is 29 per cent less than the estimate for 1949, which was 2,202,000 gallons. The value of maple syrup has increased in the last few years. In 1950, the average price paid to producers for maple syrup was $3.44 per gallon, while in 1949 it was $3.21 per gallon. This increase in the value of maple syrup is due to the increase in the production of maple syrup in recent years.

AUSTRALIA W.

Australians will celebrate their national holiday on January 26. The holiday is known as Australia Day, and it is a day of national pride and celebration. The holiday is observed with a variety of activities, including parades, festivals, and fireworks. The holiday is celebrated in all parts of Australia, and it is a time for the people to come together and celebrate their country.

Chevrolet and Oldsmobile Cars

Chevrolet Trucks

Chevrolet and Oldsmobile cars and trucks are popular choices for many people. The cars are known for their reliability and efficiency, while the trucks are built to handle heavy loads. In Memoriam

Jane—In deep and lasting sympathy her devoted husband and family, Henry S. Dale, who passed away January 10, 1951. They say time heals all sorrows but how much we wish it could help us to forget. Time but so far has only proved how very much we love and miss him. The stars tonight are shining brighter and will be with us through the long cold winter. The snow is deep, the cold still seeps through the house and there is no comfort we could use to forget.

Dale—In loving memory of our dear father, Henry S. Dale, who passed into rest January 10, 1951. The peace that comes from faith in God is a real joy. Little joy that is left now but peace. May his sweet face be lifted to the home of the blessed.

Tatum—In loving memory of our dear wife, Lavinia Tatum, who passed into rest January 20,1948. She was peacefully sleeping, resting at last. Her absence will be very, very sorely felt. We mourn her in silent grief as best we can but try to comfort ourselves with the hope that one day we will be united in heaven.

Tatum—In loving memory of our dear wife, Lavinia Tatum, who passed into rest January 18, 1948. The memory of her trouble and trials are past. In absence she suffered, in presence she is at peace. Till God called her home to rest.

Tatum—In fond and loving memory of our dear mother, Lav­

Tan Tatum who entered into rest January 18, 1948. There is no greater and more beautiful sight than to see our dear mother smiling, with no more worries or troubles.

Tatum—In loving memory of our dear mother, Lav­

Tan Tatum who entered into rest January 18, 1948. Never could forget the way she lived and the way she died. She must be watching yet. She always kept home neat and tidy. We all love her just how she was. We thank God that we are able to forget. We love her so in this world, and miss her so in heaven.

Tatum—In fond and loving memory of our dear mother, Lavinia Tatum who entered into rest January 18, 1948. Our home is not the same since she went to her home to rest. We have remembered her a lot.

Fort Coulonge Shuts Out Locals Game Better Than Score Shows

The First Pontiac Hockey League game of the season for Percy Ward Cup was played at Fort Coulonge, resulting in a one-sided score of 5-0 for the home team. The score did not indicate the play.

In the second period, Coulonge dominated the play, scoring four goals in a row. Four points each for residents, 5 goals total for victory.

The hospitals are recommended to provide hospital benefits at costs. 1

Bryson Downs Bay In First Game

In their first encounter in the Pontiac Hockey League schedule, Bryson came out winners over Campbell's Bay by a score of 6-0 after 80 minutes of ice hockey last Tuesday night on the Campbell's Bay rink before a large crowd of hockey fans. The first goal was scored by Bob Young and the second by Jackie Poole on an assist from George Armitage. The third and fourth goals came from Jack Bowd on assists from Selwyn Smith and John Marks. The last two goals were scored by Bryson. In the third period, Sprattin told the story of the Bay, but in a few moments McCarthy, on an assist from Walls scored for Bryson. In the last period, Owen scored one each for Campbell's Bay and Bryson. McArthur scored one for Bryson. Seals Distribution For Crippled Now Being Prepared by Rotary

Hundreds of envelopes are now being addressed and sealed for the Atlantic Seals Campaign, to be held in March. In each envelope will be a셋 sheet containing tipped Easter seals together with a letter asking for support.

This is the first time that such a campaign is being undertaken in this district. The Rotary Club, which has always taken a keen interest in helping all cripples, is sponsoring this move. All contributions will be sent to the cullers for distribution to the hospitals, old age pensions, and crippled children.

The community response is better than anticipated. This year’s Easter seal depicts a boy on crutches, gazing wistfully at another boy of his own age who is including in a vigorous game of ball. He conveys the wish that he too, could be healthy and strong enough to play Canada’s national pastime.

It is through the sale of Easter Seals that money, raised is obtained for the rehabilitation of cripples.

GREAT BUYS

No. 1
A giant easel picture of hundreds of interesting Seals, and Boys. Apparel that will surprise you at only

Values up to $14.95—
$6.95

MEN’S & BOYS’ APPAREL SPECIALISTS

MENST. SHAWVILLE, QUE.

WYMAN W. I.

A pleasant afternoon was spent at the home of Mrs. Melrose Ben- tor, when the members and guests of the Wyman Women’s Institute entertained for the regular January meeting.

The President, Mrs. Garth Graham, presided assisted by the secretary, Mrs. Mills Graham.

A joke heightened the meeting by the reciting of a riddle by the creating of cards and messages from branch- es and friends. The greetings were received from Miss Alice Peterson, who is visiting in Vancouver.

The business was discussed and a cash donation made to the Boy Scout Movement.

Convenors items included “A Thought for the New Year” an article entitled “Aluminium Fairy Tale” and a poem “Apricots”. Goodness Longfellow” given by Mrs. Stan-

DUTCH HOLLANDERS FOR BRITAIN

In an attempt to improve the butter-fat content of their herds, the owners recently imported 25 bulls and a number of white-faced heifers from the Netherlands for a consideration of 1,000 for each. One bull bringing $1,500. The butter-fat content of the Queens of Canada is physically larger than the United States and Alaska.
