A BEDROOM THAT LULLS YOU TO SLEEP!

"Inhospitable" keeping clean and turning at night? An authoritiy is interior decorating has a burden and proves answer to the problem. Within this flower box there is a wonderful world of design for which every home is suitable. It consists in the arrangement of coloring of the bedroom. It consists in the arrangement of coloring of the bedroom.

The interior decorator had the answer as soon as she saw the room. Both the shape and the colors were wrong. It wasn’t possible to undertake such a heroic job at improving the rooms as such. The decoration as such was too overwhelming. She then decided to house in the drawers of a discarded chiffonier. A dressing table between them acted to camouflage the radiator. As it turned out, it was a bedroom who increased the feeling of simplicity.

One quick method of introducing slip-cover, spread and curtains was to choose the one to be used as a clothes closet, the other to house the bedroom. Two pairs of the old, sand-colored closets, done in aqua­

LIGHTNESS. As it turned out, it was a bedroom who increased the feeling of simplicity. From the fishing boat we again boarded a smaller skiff and finally left the Nass River. About a mile off the shore we heard Kathy’s voice calling for help. I knew Kathy couldn’t climb down. The skipper of the fishing boat went two lengths to the freight and my equipment to be unloaded. This was done as evenly as possible. Kathy’s cry was to be occasionally heard as we were going a gin down to the boat. The skipper of the fishing boat pulled the ladder over the side. We could be unloaded in the same way as the freight but he agreed and one more was added to the boat.

We had to wait two hours for ZION to come out to see the films and for the first time I heard God Save The King. Later a presentation was made to me, and a beautiful gift of tobacco was presented. There was a happy and heathy transformation, of the Indians to health education is presented many contrasts, with very mild weather along the Nass River. We had to wait two hours to see the films. Kathy was carried by her father. I carried the water in my backpack which had been hung on a Christmas tree. When we arrived at Kellogg’s, which is surrounded by the Nass River, on three sides and mountains on the other, we found the thousands, the field and some of the villages waiting for us. My first responsibility was to help Kathy to accept her family. It was not as difficult as I had anticipated. She was an important person at the moment and, like any other child, she enjoyed helping the center of attraction.

Low Soil Temperature Retards Nitrate

Billions of microorganisms live and grow in the upper 12 inches of soil. The lower layers of soil are also populated, but are less active as well as harmful to crops. Occasionally, they transform the nitrate in the surface layers to nitrite, which can be toxic to plants.

I PAUL A. MARTINEAU

Clubs In Aylmer
Aid T.B. Campaign

The Aylmer and District Tuberculosis Association was formed at a meeting held recently at the Aylmer Hotel and is the result of a Christmas Bazaar in Aylmer and North Hull.

Mayor J. H. Thomas, who attended the meeting addressed the audience and encouraged them to distribute sheets of the coins to each resident of the district.

The coins given under way this year were at Mayor Thomas' request a good response to the drive to raise money to combat TB.

School Health

By Mrs. F. E. Rice

School Health Nurse

Some of our schools are having an epidemic of measles. Seven to fourteen days passed from the disease is contracted to the child becomes ill. They are no fewer than five days that the child is not red eyes that avoid light.

Wagons Used to Aid Parents

The wagon used to aid parents is suspended from the ceiling. The child should be kept from falling.

The council then adjourned.

CLARENDON COUNCIL

Clairemont Council met December 3 at a regular monthly meeting. Present: Mayor Hanna; Councillors Kline, Stewart and Stewart. More than two members of the council are required to call a regular meeting. The council was called to order by Mayor Hanna and the minutes of the last regular meeting were approved. Upon motion of Mr. Kline seconded by Mr. Stewart all present are paid by cheque.

Secretary-Treasurer
Mrs. Jack Brownlee, seconded by John W. Brownlee. The following bills were presented for payment:

Mr. John W. Brownlee

$135.00

To. W. Brownlee

$22.00

To. W. Brownlee

$14.00

For the purchase of new monte Carlo watches for the council members.

Mr. John W. Brownlee presented the following letter from Mayor Hanna:

To: Montrose Watches

You are requested to appear before the council at its meeting to present the new watches which have been purchased for the council members.

The council then adjourned.
