Municipal Election Results

In the Equity last week it was reported that elections for councilor would take place in five municipalities. For the press we were advised that in Thetford, where Elbert Turcot and Walter Yach had been councilors for the last two years, Walter Yach withdrew, leaving Elbert Turcot elected by acclamation.

Results for the municipalities which held elections were:

Clarendon

Seat 5, Jas. Stanley was elected with a vote of 189, over Grand Rasoe, who previously held the seat receiving 56 votes.

The people of Clarington, one of the imperialistic areas, have always seemed to promise good citizenship for the people of the west, and one of helping in the direction would probably continue.

The direction of Canada's efforts on the international scene, particularly in the field of underdeveloped countries, may enable us to play an important part in stabilizing the peace and in contributing to the survival of the free world and its maintenance of peace depend on us.

The country's efforts on the international scene would be very little without the help of the east and the west.

The people of the west, and in our own country, must unite to do their part in the development of our country.
