Mrs. William Kennedy celebrates 85th birthday

On Saturday, February 1st the family of Mrs. William Kennedy gathered in her home to celebrate another occasion of her birthday. On behalf of the family her grandchild Timmy Kennedy presented her with a beautiful carpet purse. Following a few games of cards everyone enjoyed a delicious lunch of cold cuts. Out of town guests were her son and daughter-in-law Mr. and Mrs. P. J. Kennedy, also Mr. and Mrs. Urban Carleys of Mansfield and Pontefract. One of the guests was the women Brown is a daughter-in-law of the bridge builder.

I am an army engineer and have heard through various sources that the Red Bridge at Fort Coulonge, Que., is to be dismantled.

As I am doing now, I see the chance to speak up and support those who are the ones who know the facts as they have never see their ideas put into practice for their parents' opinions on curriculum. The experience will make them feel prepared for the world outside and to look at life perhaps in an advantageous position. Let us all respect and admire each other work on everyone's part.

The vote is not on whether or not water meters can be or should be installed in the town. The Town and City Act doesn’t require anything more than a decision of Council on that regulation — only on the rating of water supply by public housing. One other point that seems to have been overlooked in the kerfuffle is that no one — not all at the present administration — thinks that the installation of water meters is the whole answer to an occasional scarcity of water in some areas. The answer is produce (i.e. clean, filtered, potable water for farm or apartment) — and any of the presently wasted water that can be saved in the bank.

This week’s regular dinner meeting of the Aylmer-South River Recreation Club will be honored by an official visit from Dr. Armand Duval, of Ottawa, president-general of Société Richelieu, and Mr. Charles W. Loites, of Eastview, government-recognized. The dinner will be held at the British Hotel at Main Street at 6:30 p.m. Thursday. To the members desiring meals, no charge will be served by the society.

From all accounts young Audrey Simonds of St. Joseph’s College did very well with her contact in upholding the honour of Aylmer to the Catholic Secondary Students’ Federation. A public-speaking contest held at St. Joseph’s High School in Ottawa on February 7. Despite the fact that he was the youngest student competing against Grade XII and XIII pupils from Notre Dame College, Immaculata High School, Ottawa University High School, Inns Academy and Präzer.

Mr. and Mrs. Ira Whelan were hostess at her home, Tuesday, February 1st to the Fort Coulonge Women’s Institute meeting.

Mr. and Mrs. Judson acting secretary and Mrs. Lloyd Neville, treasurer assisting. Minutes of previous meetings were read and approved. The secretary read a letter from Maurice Lafond regarding a course offered and a letter will be written to Macdonald College for particulars — and any of the presently wasted water that can be saved in the bank.

The roll call was "a way to prevent accidents around the house". A donation of face cloths were given for Potato Community Hospital.

Mr. Ira Whelan combined a contact "Know your product". Guest speaker at the meeting was Mrs. Audrey Jacques, who is a graduate of Victoria Hospital, Renfrey, convent of Health & Welfare in the Prov. of Quebec. Mrs. Jacques is district Public Health nurse for Shawville. She spoke on Mental Health Conven- tion that she attended in Mon­ real. She was introduced by Mrs. W. D. Lough and thanked by Mrs. Lloyd Neville.

Mr. Anne Fumerton will be hostess for the March meeting which will be the annual. The meeting closed with the playing of W. E. I. collect and singing of the National anthem after which re­ presentations were served and a pleasant time enjoyed.

Poncic Hockey

Comets eke win to lead league

The deadlock is temporarily broken in Poncic League play by virtue of a slim win by Shawville over Quyon last Wednesday night. The score was 2-1, which places the Comets on top of the League.

In the second game lost Wednesday night, Calumet Island won their first game of the season against Shawville which went 1-0.

Fred Desahrats scored in the one for Campbell’s Bay to retain their unbeaten record. The game here on Friday night was a good one with the score 2-0 in favor of the Maze. Meanwhile, one of the Maze’s teams will have to withdraw from the league as a result of a league meeting held last Monday.

On Saturday morning, the Richmond Valley Senior Hockey League will have only one game left to play. The game here on Friday night will decide almost for sure in just what position the Poncic will finish. If they win their two remaining games, only Richmond Valley have three games left, including two with Carleton Place which could tie them at first place.

The league standings as of now are:

Aylmer Council held its regular meeting on February 3rd. Owing to the necessity of holding an election, Council is now in recess for the current year. As a consequence, only routine business was conducted this regular meeting.

On the agenda was the recognition of Mr. and Mrs. Charles B. Gilmour, who have been married for 50 years. The Mayor, Mrs. J. R. McLean, presented the Council with a resolution in honor of their anniversary.

They are to be congratulated on their beautiful home.

A very beautiful ceremony was conducted on Sunday Feb 9th in the Baptist Church. The wedding ceremony was performed in the Church of Canada in Queen, when Mr. Jack Wilson and Miss Dorothy Wilson were married. The couple had their first child, a baby girl, shortly after the wedding. The couple will reside in Queen.

The couple had a wonderful reception at the Queen Legion Hall on Monday night following their ceremony.

Mrs. and Miss Mrs. A. Swater were the matrons of honor.

The little girl received a bouquet of roses. The reception was held at the Queen Legion Hall.

The happy couple will reside in Queen.

Agricultural Extension

Corn, corn, corn. That is a summary of the opening address of a Crop Improvement Conference in Toronto. The main topic of the conference was corn. The keynote speaker of the morning program, the speaker that had everyone sitting there in rapt attention talking in hushed tones, was a man that I have been attending these annual meetings of agriculture for some years and he is known in any topic at higher levels than any other person.

And the year, the unspoken ques- tion was "Should I grow corn?" This year, that question has changed to "How can I grow the best corn?" The enthusiasm was contagious. A hint of doubt, of scepticism that corn has a place in our northern cropping systems was gone.

A panel of practical growers gave opinions of their own successful corn-growing programs. College staff covered fertilizer requirements, choice of varieties, plant popula-
tions. Research men described new ideas in weed control and harvesting methods. Others dis- cussed the dollar and cents asso- ciated with corn in Quebec. I am sure there are many farmers who wish to see a successful planting of corn in the future. I am sure the choice beef can he pro-
duced with a good, home-grown corn silage. That corn has a place in our northern cropping systems was very noticeable at the meet-
ing held for the milk herd. The man who raises enough kernel content to finish his herd. The man who raises enough to feed his herd a complete ration for the milk-
gels. Also growing successful corn, I am sure, are those farmers who wish to see a complete production program around that crop, that corn has a place in our northern cropping systems.

And that goal is best reached by a program that addresses the need for corn all the way through full crop year. I am sure through the full crop year, I am sure that the choice beef can he pro-
duced with a good, home-grown corn silage. That corn has a place in our northern cropping systems was very noticeable at the meet-

The January meeting of the Quon W.I. was held at the home of Mrs. Bert Kennedy. Several members demonstrated a physical exercise to answer the question: "How do you stay in shape?" Thank you letters were read from a "shut-in" and from "Visitors in the House." It was decided that each member would be responsible for bringing a Christmas stocking. Also each member would bring to the March meeting a written program suitable for a meeting in the new year.

Our Special Prize for the Quon W.I. Fair will be announced shortly.

A letter of thanks is to be sent to the Pentecostal Church Board for their kindness in allowing the use of the Overseas Intermedial Church for the French Service which is nearing completion, with Mrs. Pearl Cook as teacher.

A short course in Dressmaking and Tailoring is to be given by Mrs. Bertha With sometime next month.

Mrs. Gordon and Mrs. Mac-Quarin at an O.C.S.W. meeting as a Nominating Committee. Mrs. Clark was chosen as a member for a two year term.

There will be no meeting in February. The Annual Meeting will be held on the second Monday in March at the home of Mrs. R. M. Hudson. Please bring in your Canada Packers labels.

The new Billy Graham feature length sound-motion picture, "Lucia," will be shown at 8:00 Sunday, February 17 in the Shawville High School auditorium.

This is the story of "Lucia" coming to the motion picture screens across with all of the pomp and glory that transcends its Latin setting, to embrace the spiritual needs that are common to every culture and time around the world.

"Lucia" was made in its entirety by World Wide Pictures' President, Dick Rees. The film is to be shown in seven languages, American, English, Spanish, German, Italian and French, and will be subtitled in Spanish, French and Italian, for overseas markets. The film is in color and has an authentic sound track.

The Paramount Pictures Corporation became a partial investor in the film and will handle its distribution in Canada.

PENTECOSTAL MEETING

The January meeting of the Quon W.I. was held at the home of Mrs. Bert Kennedy. Several members demonstrated a physical exercise to answer the question: "How do you stay in shape?" Thank you letters were read from a "shut-in" and from "Visitors in the House." It was decided that each member would be responsible for bringing a Christmas stocking. Also each member would bring to the March meeting a written program suitable for a meeting in the new year.

Our Special Prize for the Quon W.I. Fair will be announced shortly.

A letter of thanks is to be sent to the Pentecostal Church Board for their kindness in allowing the use of the Overseas Intermedial Church for the French Service which is nearing completion, with Mrs. Pearl Cook as teacher.

A short course in Dressmaking and Tailoring is to be given by Mrs. Bertha With sometime next month.

Mrs. Gordon and Mrs. Mac-Quarin at an O.C.S.W. meeting as a Nominating Committee. Mrs. Clark was chosen as a member for a two year term.

There will be no meeting in February. The Annual Meeting will be held on the second Monday in March at the home of Mrs. R. M. Hudson. Please bring in your Canada Packers labels.

Quon W. I. annual meeting

The new Billy Graham feature length sound-motion picture, "Lucia," will be shown at 8:00 Sunday, February 17 in the Shawville High School auditorium.

This is the story of "Lucia" coming to the motion picture screens across with all of the pomp and glory that transcends its Latin setting, to embrace the spiritual needs that are common to every culture and time around the world.

"Lucia" was made in its entirety by World Wide Pictures' President, Dick Rees. The film is to be shown in seven languages, American, English, Spanish, German, Italian and French, and will be subtitled in Spanish, French and Italian, for overseas markets. The film is in color and has an authentic sound track.

The Paramount Pictures Corporation became a partial investor in the film and will handle its distribution in Canada.
