Shawville Fair

Paving progress

The road paving program for Pontiac has almost got off to a good start with newly covered examples in many parts of the County.

The ten wheelers were driving on one of the new roads near Quebec University at the time of the last column, and it was reported that the project was well under way.

Shawville Antique Car Festival

The Shawville Centennial Committee opened the Shawville Fair by holding the first Shawville antique car parade.

The parade started at 9 a.m. on August 26th and continued until 1 p.m. It consisted of 100 old cars, which included many antique vehicles and some old timers.

Mrs. Mitchum's 80th birthday

On August 10th, Mrs. Mitchum celebrated her 80th birthday at her home in Shawville.

The celebration included a cake cutting ceremony, a speech by a representative of the Shawville Centennial Committee, and a bouquet of flowers from her children.

The festivities were attended by many friends and family members of Mrs. Mitchum.

Plow-match will be October 6 at Ranger's

The first results to be reported are for the plow-match which was held on October 6th at Ranger's.

The plow-match consisted of 50 entries, with each entry being judged on the straightness of the plow path and the amount of soil disturbance.

The winners of the plow-match were announced on October 7th.

Where are they?

The Shawville Journal Committee has been busy collecting information on the whereabouts of former Shawville students.

Many former students have returned to Shawville for the fair, and the committee is working to compile a comprehensive list of their names and addresses.

Ladymish's third Antique Car Rally and homestead display

The third Antique Car Rally was held on August 12th and featured a variety of antique vehicles.

The rally included a display of antique vehicles and a homestead display, which featured old homesteads and rural artifacts.

The event was attended by many antique car enthusiasts and was considered a success by the organizers.
Let us try to decide the problem of amalgamation. The people have already established it as an issue for discussion, but is it not for the people themselves to decide when the time is right? It is crucial that we give the people the means and the opportunity to be heard. gobierno y las cosas que no se han de hacer ni de discutir. Y conocen la gente que llega a este mundo de la vida desde el seno de sus familias. La gente que está en el trabajo, la gente que vive en la ciudad, la gente que vive en el campo, todo el mundo. Y aunque estas cosas están en la mente de la gente, no las expresan.

El pueblo ha recogido y conservado a lo largo de los años mucha información sobre las cosas que se deben hacer y las que no deben hacer. Estos son los elementos básicos de la democracia.

EL PUEBLO CONSIDERA QUE...
The City of Hull will host the 1973 Men's Canadian All-Canada softball tournament and the best softball teams from across the country will compete in a 3-day tournament at the Hull Arena. The competition will be held in conjunction with other sports activities throughout the city, including the 1973 Men's Canadian Homecoming Celebration.

Bryson Centennial Homecoming Celebration

The 19th Quebec Provincial Plowing Match and the 1973 Men's Canadian Homecoming Celebration, many memories will be made by these people who were present.

Winter works at Campbell's Bay

For more information, contact Mss. Gray, nephew of the bride, Mrs Benny Duke, daughter in law, Mr and Mrs Gerald Pelletier have returned to Canada at 662 St Josephs Boulevard, Hull, phone 647-2721.

LaSalle - Charette wedding

A beautiful wedding was held in St. Thomas Church, Montreal, in honor of Ethnic day.

The Fireball was painted dark green with a red stripe. The Fireball was registered in the names of the bride and groom. They were standing in the most beautiful arrays. The bride was wearing a turquoise crêpe with little pink carnations. She was wearing a wedding veil.

The meeting opened in the post office. The minutes were read and approved. The convenors reports were read. The Research station will be used for another hundred years.

The course will take three weeks to complete. It was to be used for another hundred years.

LaSalle - Charette wedding

Given in marriage by her father the son of Mr and Mrs Margaret Long, cousin of the groom. He is a son of Mr and Mrs Dewitt Gray, nephew of tlie bride.

The bride was wearing a white full length gown of which she made and she made it herself. She was wearing a white blouse with little pink carnations. She was wearing a white blouse with little pink carnations. She was wearing a white blouse with little pink carnations.

It was to be used for another hundred years.

TIME NOW TO GET READY FOR SPRING BEAUTY

In the spring the gardener's heart turns to things of beauty, but if you want your gardens to be true to the promise of spring, you need to plan now. Some of you will be getting ready to re-plant your beds to fill in those bare spots, or maybe even making a new bed.

Some of you may be happy with your gardens as they are, but a few early bulbs may be blooming. It's time to get your garden plans together and to start thinking about what you want your beds to look like as they grow.

Some of you may be thinking about flowers for your gardens. How do you choose the right flowers for your beds? What do you need to consider when planting flowers?

Many gardeners don't actually know what they're planting. This is a common problem. When you don't know what you're planting, you can end up with flowers that don't match your garden's overall theme or style.

Some of you may be thinking about the planting season. When is the best time to plant flowers? What are the best times for planting bulbs?

Some of you may be thinking about care for your gardens. How do you care for your gardens to ensure that they remain healthy and beautiful throughout the season?

Some of you may be thinking about garden design. What are the best techniques for designing a garden that is both functional and beautiful?

Some of you may be thinking about garden maintenance. How do you keep your garden looking its best throughout the season?

Some of you may be thinking about garden supplies. What supplies do you need to have on hand to ensure that your garden is healthy and beautiful?

Some of you may be thinking about garden care. How do you keep your garden looking its best throughout the season?
