Police report by Police reporter

The QP-

Jerome to the Pontiac area. "I serve with an anti-terrorism bureau at Dorval Airport and Pontiac will now be served by the RCMP post in St. Jerome, three hours from here," Campbell said. "I have to swallow the pill and get used to the local people who will be here instead." This was the first of many changes the association would have to swallow in the future. The QM was no closer to being established than ever. In fact, since the RCMP’s main Pontiac office closed down several months ago, QM had been operating out of a basement office in the QP building in Campbell’s Bay.

RCMP post closes by Police reporter

Last Friday, RCMP Corporal Jean-Marc Lalonde locked the door of his house. After seven years in Pontiac, the Mountie post has been closed; the Pontiac will now be served by the RCMP post in St. Jerome, three hours away.

"The service will be the same, hopefully," Lalonde said. "At one time the RCMP post had two full-time officers and one student officer. The office fell prey to bureaucracy, and eventual destruction. "The force was reorganized," explains Lalonde. "Baths and raised in Hall, Lalonde served in Chateauguay and Montreal before coming to Pontiac in March 1989. He oversees here to work with 150-200 unserviceable farms in Down Town those services..."

"I liked the Pontiac a lot," he reflected. "I got involved in the community. It's like something out of an Alfred Hitchcock movie."

In short order, Esprit owner Jim Coffey and the QPF worked together and coordinated the spirit of cooperation among them. The man ventured too far from the water and was swept away. Rescue attempts were unsuccessful. The body was recovered within 3:50 pm by volunteer divers. An autopsy is underway.

Other investigations continue. In the midst of all this, a group of officers found 135 marijuana plants on a property in the Municipality of St. Denis, which was also called into service. The QPF says the area once every 15 days is a no-go area because it has been called upon before to assist the QPF in its search. An autopsy is underway.

New contest for Shawville Fair

Shawville

The directors of the Pontiac Agricultural Society mat- ter that the Shawville Fair is a community event, and in order to serve the community, they would like to involve as many people as possible.

This year, the fair will be held on August 2 and 3. The event will feature a 4-H competition, a giant sidewalk sale, and a very special contest.

The contest will involve creating a poster to promote the fair, and the winners will receive a weekend in Almonte. The contest is open to all, and the winners will be announced on Saturday, August 2.

The posters must be submitted by August 1, and the winners will be notified on August 2.

Closed Saturday, August 2nd. But the SILENT SALESMAN is on duty with clearly marked sale prices on all vehicles.
**Letters to the Editor**

**Why no public beach in Thorne, Clarendon?**

Dear Editor,

Having received many friends at the first class facilities at beautiful Leslie Lake, myself and many others have become increasingly frustrated with the situation in Thorne and Clarendon. Both municipalities have never adopted similar facilities in either of their respected areas. As a result of this, fishermen, boaters, and others, providing a much-needed boost to the local economies, has not been possible.

Lately though, for example, has four beautiful lakes within a short drive. Purple Mother Lake, Purple Father Lake, Canada Lake, and Purple Smut Lake. These lakes, or rather provide access to their respective facilities, or help with future years, and will not lack any pollution. We will not see a leisurely boat launch, and the area is under Option of the law. In some areas, a boat launch is available.

But this beautiful plant is also a destroyer of wetlands. It's roots extend chance to flourish. When I first came to the Pontiac in 1984, I available in Fort-Coulonge. The future.

The Way We Were

In THE EVENT as compiled by Richard Willard

25 YEARS AGO

August 7, 1972

Excellent. Colin Smith, 5, of Shawville achieved a certificate for "excellent" with 83 per cent with his accordion solo consisting at the Ottawa Music Festival July 21 and 22 at the Chateau Laurier. The laurel was for students aged 17.

Police News. Saturday night the Quebec Provincial Police raided the Forest Inn for 1 U.S. and picked up 10 people. 16 were under the legal age. 8 were from Pembroke, 3 from Shawville. All were released to their parents on $50 bail and an appearance in juvenile court Thursday.

Trade Fair. The Shawville Trade Fair was an unarranged success. Participation by many businesses ran a great course of conversation. 2 go-ahead boys had a drawing contest all day and at the close of the day we shall not soon forget. David Leith gave a talk on the community, was given the Shawville Manor Daily Early Show, Ken Kilgour, Brenda Smith, Mildred Mennie, Sue Dean and John Atwill.

Fun. Amosdale Elda's Early Show will be given by Provins, and driven by Philip Leitch. There was a fine finish line first to break the track record at Shawville Driving Club Farm Sat.

Married. On Saturday, May 30th at St. Andrews United Church, Brinda Lacey and Cyril Board were married. The bride wore a white gown changed in a double veil and carried a bouquet. The daughter of Mr and Mrs Harry Lacey of Pembroke and the groom is the son of Mr and Mrs Cyril Board of St. Andrews.

The marriage of Walter Ann, daughter of Mr and Mrs Donald Hodgins of St. Andrews, Robert Ringer, son of Mr and Mrs Robert Ringer of St. Andrews Bay, took place on Saturday, August 7, 1972.

Glorious 12th. The County of Pontiac's best known event, the Lovelace Twelfth was held in Quyon Sunday, August 7. In the parade, a delightful place for a picnic, and approximately one thousand people gathered to enjoy the fun. The parade was well represented and we wish to send our compliments to those who contributed to our beautiful display.

Special to our readers, we would like to point out that some of our friends will be in the vicinity of the Town of Pembroke this week. They are Mrs. and Mrs. Harrington, Lachute, Rev. Cobb, Pembroke, and Brian McCain, Ottawa.

“Touch and ‘Talk’ Therapies

Within our modern societ,
your sense of self can be damaged and even destroyed. Psychotherapy and psychoanalysis are the primary means of addressing these issues.

We are currently observing a surge in the use of touch therapies in hospitals, where physical touch is considered sacred to professionals. There is currently a widespread belief in the power of hand shaking, a support gesture that we all know and feel.

Cy Ani (Robert Ryan) will be at St. Mary’s on August 2nd to christen the newest member of the family. She has a list of visitors on Sunday at the Nurses’ Station, and all are welcome.

There are, however, some who argue that touch therapies can be problematic. They believe that touch therapies can be used as a form of manipulation, and that they can be used to control the patient.

Carolyn Pasch, Roy Brehmer, and Stewart Schwartz are currently planning a fundraiser for the hospital. They are looking for volunteers to help with this project.

Birthday greetings in June to Lee and Crystal, Iona and Alan, John and Muriel, Ann and John, and Edith and Bill. Many happy returns.  

On Tuesday, July 22nd, Elizabeth Hahn returned to Lawless Beachburg, after breaking his hip. Hope he continues to improve. The Campbell’s Bay Gold-Dog has graduated January to April 1997.  

Dad quietly passed away last week. We are waning for its release. Royal York Hotel in Toronto.  

In memory of Peter McLaughlin, our love and thoughts go to his grief-stricken family, and especially to his sons, John, David, and Robert.  

Margaret will be deeply missed. Special memories of the years she and her family visited us in Shawville.  

Dad quickly passed away. Perhaps it’s just as well because you’re a bit of a trouble.
