Bryson — Three women robbed Bryson Bar of a few thousand dol­lars Thursday afternoon.

The Pontiac MRC Sûreté du Québec spokesperson Michelle Larocque said that three women entered the bar around 11 p.m. and demanded that they be given a certain number of slaughters as well as preferential service in the future.

The tribute portion began shortly after 8 p.m. with Ottawa radio personality J.J. Clarke officiating. Stewart Griffin now places the opening at March of 2007.

Mrs. Claudia and her partner Senta were in Shawville on Thursday. We had a very nice dinner and talk about all the fun they had while down south. Mrs. Claudia and her partner Senta have been married for 50 years. They have three children and six grandchildren. They enjoy spending time with their family and friends. Senta is a retired teacher and Mrs. Claudia is a retired nurse. They both enjoy reading, gardening, and traveling. They have been to many different countries and have many wonderful memories. Mrs. Claudia and her partner Senta are always very kind and welcoming to everyone. They always have a warm smile and a friendly greeting. They love to share stories of their travels and adventures. It was a pleasure to spend time with them and learn more about their lives.
