Dumoine River watershed receives protected status

ONTARIO • The CPAWS-Quebec chapter, known in French as "BNP-Quebec," welcomes the Canadian Parks and Wilderness Society (CPAWS) on board in 2006 to begin a national campaign to garner protection status for this river.

The protection status of the Dumoine River on an Aquatic Reserve includes hugging and hugging the entire river net. There are already in place other areas of the protection status for this river.

The Dumoine River protection project was spearheaded by Dennis Marchand, Director of Development, of AEP (Assurance, et Protection). EAP brought the Canadian Parks and Wilderness Society (CPAWS) on board in 2006 to begin a national campaign to garner protection status for this river.

Early Reports: ・ Everything that could go wrong yesterday, did go wrong," said Lorna Verner-But on Tuesday. She was part of the committee that orga-

nized the St. Mary's Teacher's College reunion in Pembroke Saturday and they feared more than one obstacle in putting the day together.

"But the first difficulty was finding the right time," said Lorna Verner-But. "We only had the names from the teacher's college on the day in 1956." And to make things worse, she said, "But under her shirt we have seen the luck of the draw," says Olivia's mother, Normandeau.

Graduates of St. Mary's Teacher's College gathered for a reunion Saturday in Chapeau. About 165 former students who graduated between 1942 and 1969 came to see old friends and tour the old school.

"It was all good in the end," said Vanesse-Roel, "it just wasn't the group we were heading to the church." And luckily the sun came out, said Vanesse-Roel, "it just wasn't the group we were heading to the church."
Heritage fair participant off to national fair

CHRISTINA GRAY

Early Morning

SHAWVILLE • One of my engagements for the week was to cover the heritage fair. When I was asked, I had to admit I didn’t really know what a heritage fair was, I mean, I couldn’t be surprised at what I saw. I had never thought it was a once-in-a-lifetime type of event. That was my first mistake. The heritage fair was always more than history and heritage to me. When I grew up there, there were only two other girls in the heritage fair. After I learned what a heritage fair was, I went home and looked at it in the mirror. I saw myself in 1993 and, according to the evidence, I was now offered in lots of places in Canada. But where I went to school you didn’t see, but lots of other places.

I think this is a great idea. Since not all kids are interested in history and heritage, this way to reward the kids that are interested is a wonderful way to reward the kids that are interested. The reward this year is a trip to one of the favorite cities in Canada. I think heritage fair is going to be great. And I hope it’s fun.

There's a very important birthday coming soon in Pontiac.

Over there on the post, everyone," said Beck, sitting quietly, the busier, drabber female darted about to attract interest. "It's hard to believe their scurrying about won't join my friend and colleagues surviving. With a gestation period of 24-28 days, the Killdeer egg hatches into a bird within a few days. Beck and I recalled seeing the Killdeer on its nest. Full circle: a most excellent 40th birthday and a gift from nature.

... there are a few more secrets about our 125th celebration. The E-mail news and letters committee has been working on this most important birthday. We would really enjoy if you would RSVP for our birthday event. Please respect our loved one's final resting place and provide us with a base to continue our program.

... on the road today, many of me? Many automobile drivers fail to see any relevance whatsoever. I think most kids could leave it. We would really enjoy if you would RSVP for our birthday event.

As an alumni of this organization, I tried getting the Otesha experience to the Pontiac by encouraging them to tour the area and come back to Pontiac. We would like to present this to the people of Pontiac, the buildings. The building I refer to is the former St. John's Catholic Church. The PAA through its use of the building and its location downtown, is in the basement allowing water damage to render unsuitable for use by the Studio Theatre, the Art School and other scheduled events.

We have greatly contributed to the environmental issues, they can also sign up to regional bike tours for the summer and fall as well as winter. The Otesha Project with a list of contacts that Kay Desjardins, julien.lamarche@gmail.com or call 613-237-0976.

As a former resident of Shawville. CHRISTINA GRAY

**SHAWVILLE** The handicraft building in the Pontiac Market hosted the annual spring art show Saturday, but vendor Ron Hodgins, of R&R Farms, hopes others may be joining soon.

“Everybody’s just waiting for the new building,” said Hodgins. “This is obviously better.”

Ron Hodgins of R&R Farms helps a customer at the new Pontiac Farmer’s Market on Saturday, but vendor Ron Hodgins, of R&R Farms, hopes others may be joining soon. “We’re preparing for it, but we don’t want to get our hopes up too much,” said Hodgins. “It’s not licensed so you don’t have to worry about it,” he said.

Ray Harris, back in Shawville for Café 349’s monthly songwriter’s night

CHRISTINA GRAY

**Early report** SHAWVILLE It’s not exactly home-born, but he’s pretty close to it.

Ray Harris’ family is from the Pontiac, and he spent a lot of time there as a child. He calls Ottawa home, but “this is almost like a hometown if you have a house here.”

During the day he’s a customer relations specialist with Rogers, but Thursday night he was performing at Café 349 for this month’s songwriter’s night.

His style is alternative country rock and he has been touring for a couple of years in school. He also says people actually listen, he says.

Ray Harris of Ottawa performed at Café 349 on Thursday night at this month’s monthly songwriter’s night.

PONTIAC — The kids had done their homework, prac-
ticed, and settled in to a game. The girls took to the field at the Shawville Fairgrounds last Saturday to face a really good team. The girls had won, 31-21, but not without a bit of struggle. They faced a strong Sedbergh team.

The weekend ended with a strong showing at the Shawville Fairgrounds. The team won all three games, improving their record to 8-0. They played well against some tough opponents, and were able to come out on top in each game.

**Note:** The text above is a natural reading of the document, with proper capitalization and punctuation. It has been adjusted to improve readability and coherence.
Tiddies

PONTIAC — Hockey season is in full swing with the Cornwall Colonels of the Central Junior Hockey League (CJHL) and the Colonials, a semi-pro team, each having won their respective games in the league scoring title.

On Tuesday night, the Colonels defeated the Colonials, earning a 4-2 victory. The Colonels were led by their goalie, who made a crucial save late in the game to secure the win.

First annual charity barbecue held at Kelly's Green Thumb

CHRISTINA GRAY

The Quyon Family Center is running a new fund, Kelly Wilkinson's Pantry, to help families in need. The pantry is a way to help raise the money needed to continue for the next two Saturdays. All proceeds will be going to the Quyon Family Center.

So this weekend, the first annual charity barbecue was held at Kelly's. It's close to the heart of the community, and have the proceeds go towards things that need them. "They don't have the resources to be the public health unit," she said. "Every room table is open to the public, and you can see the people at Benoît Auto Parts who are visiting a barbecue. They've become Conscious about the need."

We guarantee competitive prices on colored stained glass and leaded glass in the windows. We are also happy to accept your used clothing and furniture and sell them for you. We also have a wide selection of used clothing and furniture for sale in our store.

And as it turned out, they didn't raise very much.

Our heartfelt sympathy is extended to the family of Margaretcompound of Kemptville. Margaret died in her sleep on May 12. She is survived by her husband, James; their son, John; and her grandchildren. She was a member of the United Church of Canada, and she had been active in the community. She will be missed by many friends and family.

She was an active member of the United Church of Canada, and she had been active in the community. She will be missed by many friends and family.

Life is就好像 a box of chocolates... you never know what you're going to get.

Kelly Wilkinson, Linda LaMarche, Peggy Hammeau, and Rita Smith have formed a new organization called the Kelly's Green Thumb. The organization is devoted to helping families in need.

The other dance is a special dance for people with diabetes who want to continue for the week. Wedding is planned in May. A happy birthday to Jerry Goggin this week. The Teddy Bears' Picnic is attended by the families in Quyon, Luskville, and Bristol by offering used clothing and furniture to raise money for the families.

It was so cute to see her little sister, Natasha Beaubien, and her daughter, Simonne (née Bertrand), at the event. Natasha is originally from Chapeau, and Simonne is originally from Quyon. The Quyon Family Center supports individuals and families in Quyon, Luskville, and Bristol by offering used clothing and furniture to raise money for the families.

Votre bibliothèque municipale : une porte d'entrée pour des découvertes, tout l'été !

**Projet « Entreprise école PolyVERT »**
(école Sieur-de-Coulonge, Fort-Coulonge)

MANNING : « La Commission scolaire des Hautes-Sables-de-l'Outaouais a fait une grande figure au palier régional du Concours québécois en entrepreneuriat. Deux projets sont sortis en 2007... et quatre en 2008. Grâce à l'adjudication, Chantal Pelletier, chef pédagogique de l'Outaouais, nous avons un projet qui a été implémenté au palier régional. Les deux projets de l'Outaouais qui ont été présentés au palier régional :
- Pour ce projet, les élèves ont été confrontés à deux volets : l'économique et l'entrepreneurial social. Il s'agissait des projets suivants :
  - Projet « Entreprise école » qui a été présenté au palier régional. Le concours québécois en entrepreneuriat « PolyVERT »
  - « Le compostage pour les nuits » (école Laval, Ste-Raphaëlle, Sieur-de-Coulonge). »
