Two Of St. Johns Troopers Killed In A Collision

Special Train Carrying 22nd Regiment of Quebec City and Detachment of Royal Canadian Dragoons of St. Johns Collided With Freight Train at Sand Point, Some Sixty Miles West of Ottawa, This Morning—Were on Way to Petawawa for Annual Training.

(Associated Press Despatch) OTTAWA, Ont., July 25.—Two men are known to have been killed, also many horses, when a Canadian Pacific special train carrying the 22nd Regiment of Quebec City and a detachment of the Royal Canadian Dragoons of St. Johns, Que., collided with a freight train at Sand Point, some sixty miles west of here. Both are permanent units going to Petawawa for annual training. Of the dead, two have been identified as Chilian and Gordon, both of St. Johns, Que. The collision took place early this morning.

Both train crews were from Smith's Falls, the engineers being Kenny and Hamilton, the conductors Robertson and Fraser. The freight train was coming from Chalk river to Smith's Falls.

Locomotives Met Head-on

The two locomotives met head-on and are locked together. The two bodies so far recovered have been removed to the United Church at Sand Point.

The troop train carried the cars with the horses next to the tender. It is reported that seven horses were killed outright and others had to be shot. There were two hundred men on the train.

The occupants of the village, awakened by the crash shortly after daybreak, turned out to assist in the rescue work, and help has been rushed from nearby stations.

Three Seriously Injured

Late reports indicated no further killed, but three men are seriously injured.

The injured have been removed to Renfrew Hospital. The women of Sand Point served breakfast to the soldiers.

The scene of the wreck is about a mile from where the wreck occurred many years ago which has gone down in history as one of the great railway disasters in this country.

Information reaching the Department of National Defence indicates that the casualties among the horses will reach fifteen or more, most of whom were either killed or will have to be shot. The collision, the Department was informed, occurred at 6.05 daylight saving time.

Victims of Accident

The dead are: Corporal John Culinan, of St. Johns, Que., formerly of St. John, N.B.; Trooper Thomas Gordon, of St. Johns, Que., formerly of Muskego, Ontario.

The seriously injured are: James Doherty, St. Johns Barracks; Joseph Lamarche, St. Johns Barracks.

Slightly injured: A. Mayhew, scalp wound; Troopers Herbert and LeGere.

The long troop train of some nineteen cars was proceeding with the horse cars next to the tender and the members of the infantry and cavalry regiments, both of which are permanent troops, in coaches farther back. The freight was going from Chalk river to Smith's Falls. According to information from the railroad officials, both trains were moving at the time of the crash, although people in the vicinity did not think the troop train was going very fast if at all.

Before the two locomotives locked in a terrific crash, the crews of both jumped to safety. The engineer of the freight train was William Kenny and the conductor, John Robertson. The engineer of the troop train was A. Fraser and the conductor, Alexander Hamilton. All came from Smith's Falls.

INJURED WERE TAKEN TO HOSPITAL AT RENFREW

(Canadian Press Despatch) RENFREW, Ont., July 25.—Three troopers of the Royal Canadian Dragoons, St. Johns Barracks, Que., were brought to the Victoria Hospital here this morning with injuries received at the wreck of the troop train at Sand Point, Ont. James Doherty and Joseph Lamarche are severely hurt, but their condition is not considered critical. Trooper A. Mayhew, from the same corps, has a scalp wound, but will not have to remain in the hospital.

FRENCH ATLANTIC FLIGHT CALLED OFF

(Associated Press Cable) PARIS, July 25.—The Havas Agency announced late yesterday that it had been officially decided to give up the flight of Lieutenant Paulin Paris, now at Horta, in the Azores, on a transatlantic flight from France to the United States.

Lieut. Paris has been ordered back home because of the motor trouble which developed on the latter part of his hop to the Azores. It was said at the Ministry of Marine that since the voyage was interrupted by the motor difficulty, the object of the flight could not be attained. Lieut. Paris started, not on a sporting flight, it was explained, but on a serious experiment to determine whether a mail route by way of the Azores and Bermuda was practicable.

Denounces Kellogg Anti-War Pact As Move Which Is Not Honestly Meant

Recognized Organ of Steel and Coal Mining Interests of Germany Declares Pact Will Be Efficient Only When Powers Disarm.

(Associated Press Despatch) ESSEN, Germany, July 25.—The Deutsche Berwerts Zeitung, recognized organ of the steel and coal mining interests, published an editorial today which denounces the Kellogg anti-war treaty as a gesture "not honestly meant," because it provides no means for enforcement of its provisions. The editorial took up the idea of some other German newspapers that the pact will be efficient only when the powers disarm. It likens Germany to a defenceless person forced to lie down between the lion of armed neighbors and the lamb of the ideal of universal peace.

TOOK UP CUDGELS ON BEHALF OF DOMINIONS

Rt. Hon. Sir Hamar Greenwood Showed How Dominions Are Compelled to Fix Standards for Immigrants Seeking Admission.

(Associated Press Despatch) LONDON, July 26.—In the House of Commons last night Right Hon. Sir Hamar Greenwood took up the cudgels on behalf of the Dominions, making special reference to Canada. He showed how they are compelled to fix standards for immigrants seeking admission. The Dominions, he said, were the only part of the Allied world paying its debts to Britain.

The troopers were grooms in the horse cars which were upset when the troop train collided with a freight. Mayhew will be able to leave the hospital in a few hours, but the others will remain here.

THE WEATHER

FAIR AND WARM

Pressure is low from Ontario eastward, with a fairly deep depression centred southwest of Newfoundland. Pressure is high over the central portion of the continent and low over the Far West. The weather is warm in all provinces and thunder showers have occurred in Nova Scotia. Elsewhere the weather has been fair.

Forecast: Moderate winds, mostly westerly; fair and warm today and Thursday.

AVIATOR GIVES LIFE TO SAVE LARGE CROWD

Deliberately Chose to Crash Rather Than Endanger Lives of Onlookers at an Aviation Exhibition.

(Associated Press Despatch) MOSCOW, July 25.—A tragic story of the self-sacrificing death of Alieskov Pavloff, Soviet Russia's most prominent aviator, who is believed to have crashed deliberately rather than try to save his own life by endangering spectators at an aviation exhibition, is published by the Moscow newspapers today.

Pavloff was giving a stunt flying demonstration before high aviation authorities and foreign guests at Moscow's military airfield in a small monoplane of his own construction when the plane suddenly dived close to the ground and crashed a few yards from the spectators. The pilot was killed and his body buried beneath the smoking debris.

Some of the aviation experts who witnessed the disaster said that Pavloff could have saved his life by a forced landing among the spectators, but deliberately chose to crash rather than endanger the lives of the onlookers.

Plans are being made to give the aviator an impressive funeral.

WALES PAYS A HIGH TRIBUTE TO BALFOUR

Luncheon Given by British Academy to Celebrate Opening of a Permanent Home in Government Building.

LONDON, July 25.—The Prince of Wales, several foreign ambassadors, government ministers and a number of distinguished private citizens were present at the luncheon given by the British Academy yesterday to celebrate the opening of a permanent home in the government building and the eightieth birthday of the Academy.

Gold medals specially struck to commemorate the event were presented to the Earl of Balfour, the president; Harold Murray, son of Sir John Murray, who was the first editor of the Oxford dictionary; and Sir George Grier, the distinguished linguist and mathematician.

Proposing the Earl of Balfour's health, the Prince of Wales recalled that the president was a member of the British cabinet eight years before he himself was born, and for over half a century had maintained his high handicap at a lower level than he himself was likely to touch for some time to come.

Tribute was paid to the Earl's services to the nation and the peace of the world, as well as to learning and the arts, by the heir to the throne.

The aged Earl was much affected when he rose to reply, but he proceeded without any notes to speak in a light-hearted and philosophic mood on old age. He felt that any regard paid by the young was a very great compliment, and especially when expressed by the Prince of Wales, "the natural leader of our youth."

STOCKHOLM, July 25.—The health of Queen Victoria of Sweden, who recently returned to Stockholm from Rome, where she has been convalescing, is again reported failing.

JURY HOLDS NO ONE FOR DEATH AT CROSSING

Verdict of Accidental Death Returned at Inquest into Death of Joseph Morway, Eden, Vt., Killed by Train Near Sutton.

(Special to the Record)

SUTTON, July 25.—At the coroner's inquest into the death of Mr. Joseph Morway, aged 69, of Eden, Vermont, who was instantly killed about ten o'clock on Monday morning when the automobile in which he was driving was struck by the incoming Drummondville train, the jury brought in a verdict of accidental death. No blame was attached to the Canadian Pacific Railway, whose train it was which struck the deceased man.

The automobile was driven by Alfred Morway, son of the man killed, and a third man, Delard Bessette, also of Eden, Vt., was a passenger. They were en route to Granby. The train was in charge of Conductor James Massey, of Newport, Vt., and Engineer Sandy Hoseney, of Drummondville.

The inquest, which was held at the home of Mrs. Olive Jenne here, was in charge of the district coroner, with Mr. Arthur Darrah as foreman of the jury.

SEVERE 'QUAKE RECORDED

PONTA DELGADA, Island of St. Michael, Azores, July 25.—Reports from the Island of St. Michael state that a severe earthquake was felt last night at the Caldeiras Sulphur baths station near the centre of the island.

Rumor Of Assassination Of Mohammed Pasha Mahmoud, Egyptian Premier, Not Confirmed

London Daily Express This Morning Printed an Interview With Premier, Dated Alexandria, Which Paper Said Had Been Granted Yesterday Morning.

LONDON, July 25.—Rumors of the assassination of Mohammed Pasha Mahmoud, premier of Egypt, remained unsubstantiated today. A despatch from Jerusalem yesterday said: "An unconfirmed rumor from Jaffa says the Egyptian premier has been assassinated." The Daily Express this morning printed an interview with the Premier dated Alexandria, Egypt, which the paper said had been granted yesterday morning. There was no confirmation from any source of the rumored assassination.

The Premier was quoted in the Daily Express interview as reiterating his charge that the Wafd opposition party had tried to wreck the constitution, while Mahmoud himself was anxious to save the constitution. He disapproves, however, of the projected treaty which Sarwat Pasha, former Premier, had negotiated with Great Britain, especially the clause dealing with the army of occupation.

Mahmoud denied that he was emulating Premier Mussolini and Mustafa Kemal Pasha. "They," he said, "believe in dictatorships, I believe in a parliamentary regime."

Survivors Of North Pole Expedition Will Arrive At Narvik, Norway, Today

Swedish Noble Rescue Mission, Which Is Now at Tromsø, Will Fly Home by Way of Narvik and Lulea, Sweden.

(Associated Press Despatch) ARVIK, Norway, July 25.—The Citta di Milano, base ship of General Umberto Nobile's ill-fated polar expedition, is due here late this afternoon with the survivors of the Italia disaster. They are scheduled to leave for Italy at 6.30 p.m. in a reserved coach on an ordinary train.

The survivors will not pass Stockholm, and are most likely to take a route through Copenhagen, Gjedser, Denmark and Warnemunde, Germany. A representative from the Italian legation at Stockholm is awaiting the arrival of the survivors.

The Swedish Noble rescue mission, which is now at Tromsø, will fly home by way of Narvik and Lulea, Sweden.

MANCHURIA IS DANGER SPOT IN FAR EAST

Representative of Japan States that His Government Intends to Maintain Hold in That Province Indefinitely.

(Associated Press Despatch) SEATTLE, Wash., July 25.—Characterizing Manchuria as "the danger spot of the Far East," Motomasa Zumoto, special representative of Japan at the Institute of International Relations here, told delegates last night that Japan intended to maintain her hold in that province indefinitely.

"China now is no more capable of effectively dealing with foreign aggression than twenty years ago," Zumoto said. "Therefore the responsibility of guarding Manchuria, the first line of Japan's national defence, rests with Japan. Japan's interests there are political and strategical as well as economic. 'If China really settles down to the task of setting her house in order and succeeds in becoming an orderly and united nation, with sufficient strength to ward off all foreign menace, Japan's position in the province will automatically become economic in nature.'"

Dr. Tasuku Hanada, of the University of Hawaii, said: "In spite of the bitter feeling caused by the immigration law, relations between Japan and the United States were never better than now. Peace in the Pacific," he said, "rests equally with China, Japan and the United States."

WELL KNOWN SHAWINIGAN FALLS MAN PASSES AWAY

Dr. J. A. Dufresne Was Mayor of Shawinigan Falls for Eight Years and a Former President of Union of Canadian Municipalities.

(Canadian Press Despatch) THREE RIVERS, Que., July 25.—Dr. J. A. Dufresne, for eight years mayor of Shawinigan Falls and a former president of the Union of Canadian Municipalities, passed away last night at his residence at Shawinigan.

He had been in poor health for the past two years. Born at Deschambault in 1869, he studied at the Three Rivers Seminary, Ste. Anne de la Pénitence College, Quebec Little Seminary and graduated as a physician at Laval University in 1895.

Conservative in politics, he was a popular platform speaker and unsuccessfully contested the provincial seat at St. Maurice in 1908, 1912 and 1924.

PRESENT PORTRAIT OF LATE EARL OF MINTO

WINNIPEG, July 25.—A magnificent life sized portrait of the late Earl of Minto, at one time Governor-General of Canada, has been presented to the Dominion archives. The portrait, which is the work of Miss Vignelli, an English artist, has been hung in the room devoted to governors-general. The dowager countess of Minto, widow of the late administrator, donated the gift to the nation.

ACCORD SIGNED IN REGARD TO TANGIER ZONE

Was Signed Today by Representatives of France, Spain, Italy and Great Britain.

(Associated Press Despatch) PARIS, July 25.—The accord fixing the status of the international zone of Tangier was formally signed today by representatives of France, Spain, Italy and Great Britain. The signatories to the pact were Philippe J. L. Berthelot, general secretary of the foreign office; Lord Crewe, British ambassador to France; Jose Maria Quinones de Leon, Spanish ambassador, and Count Manzoni, Italian ambassador.

The accord gives Spain control of the policing of Tangier and the international zone surrounding the city, with minor modifications to safeguard the rights of the other signatories. Italy is granted increased representation on the legislative body of the international zone, and will also be represented on the courts and similar tribunals.

The agreement will now be submitted to Belgium, the United States, Holland, Sweden and Portugal for their adhesion.

DECLARES KELLOGG PACT WILL CONSOLIDATE ALL WORLD PEACE MOVEMENTS

Official Organ of Vatican Says Treaty Will "Sanction Theoretically a Situation Which Responds to Historical Necessity."

(Associated Press Despatch) ROME, July 25.—Signing of the Kellogg anti-war pact will consolidate all movements for world peace in the opinion of Osservatore Romano, official organ of the Vatican.

The Journal says the treaty will "sanction theoretically a situation which responds to historical necessity." It adds: "Kellogg's name will pass into history when the pact assumes definite international jurisdictional form. New war would mean the end of Europe, as it would be torn between the two demolishing and contrasting forces of American plutocracy and Slavic Bolshevism. Peace must be kept if Europe is to retain her civilized primary which for so many centuries has been sanctioned and vivified by Christianity."

Two deaths from sunstroke and four drownings were the toll of another day of unrelenting heat. At Lucia, in Tuscany, and at Montecatini, in Piedmont, the thermometer hit 98. Rome sweltered with the mercury at 95.

Hon. Justice Duff And Eugene Lafleur Are Recommended For Dominion's Nominee For Permanent International Court Vacancy

At September Meeting of League Council Assembly, Various National Nominees Will Be Voted On at Joint Session, When the Judge Will Be Chosen.

(Canadian Press Despatch) OTTAWA, July 25.—The National Committee appointed by the Government to submit recommendations for Canada's nominee for the vacancy on the Permanent Court of International Justice have named Mr. Justice Duff, of the Supreme Court of Canada, and Eugene Lafleur, K.C., of Montreal. The vacancy was created by the recent resignation of John Bassett Moore, of the United States, the unexpired portion of the term for which he was appointed (until December 31, 1930) requires to be filled in, and to this end the various national groups in association in the League of Nations were asked to submit recommendations.

The Canadian Government appointed a committee of eminent jurists and lawyers, comprising His Lordship the Chief Justice, the Right Hon. Sir Robert Borden, Sir Lomer Gouin, and the Right Hon. Sir William Mullock, Chief Justice of the Supreme Court of Ontario. This committee accepted the duty of selecting Canada's nominee and reported recommending Mr. Justice Duff and Mr. Lafleur.

At the September meeting of the League Council Assembly the various national nominees will be voted on at a joint session, when the judge will be chosen.

Mr. Justice Duff, whose nomination together with that of Eugene Lafleur for the vacancy of the Permanent Court of International Justice was announced from Geneva last night, has been one of the justices of the Supreme Court of Canada since 1906. Like many other outstanding figures in Canadian jurisprudence, Mr. Justice Duff is a son of the manse. His father was the Rev. Charles Duff, M.A., and his mother Isabella Johnson. He was born two years prior to the coming into being of the Canadian Confederation, and is thus sixty-three years of age.

Eugene Lafleur, LL.D., is one of Canada's most noted lawyers. Rarely in recent years has a great constitutional case come up before the Supreme Court of Canada or the Privy Council of England that Mr. Lafleur has not been on one side or the other.

He was born in Longueuil, Que., in 1856, of Swiss descent. Educated at Montreal High School and McGill University, he was called to the Bar of Montreal in 1881 and created Queen's Counsel in 1899.

ROWING ACROSS ATLANTIC OCEAN

(Associated Press Despatch) ROSENHEIM, Bavaria, Germany, July 25.—Franz Romer, who left Lisbon on March 3rd in an attempt to row across the Atlantic in a collapsible boat, was several hundred miles southeast of Zermuda on July 18. This was reported to the firm here which built Romer's craft by the Jugo-Slavian steamer The Epidaurio. The radio despatch from the steamer said that Romer was sighted at 23 1/2 degrees north latitude and 58 degrees west longitude.

MONTREAL-NEW YORK FARE BY PLANE IS \$70

Canadian Colonial Airways Company to Inaugurate Passenger, Mail and Express Service Between Montreal and New York.

(Canadian Press Despatch) MONTREAL, Que., July 25.—Following a conference here yesterday, Major-General Sir John O'Ryan, president of the Colonial Airways in the United States, announced an arrangement with the Canadian Pacific Express, whereby the Canadian Colonial Airways, a subsidiary of the American Company, which has been awarded the Montreal-New York air mail service, will transport packages by plane between Montreal, Albany and New York. This service, it is expected, will open in September.

As things now stand, the Canadian Colonial planes will carry passengers, mail and express, the arrangement for the last named service having been the object of Sir John's visit.

Passenger fares from Montreal to New York for three hour trip will be around \$70. So far as Sir John can see at this time, the service will consist of one plane per day each way. Should the service develop so that more ships go into operation, the fares will be lowered according to the cut in overhead.

TRIESTE REGION CROPS SUFFER FROM HOT WAVE

Priest Organized a Public Procession to Pray for Rain.

ROME, July 25.—Crops in the Trieste region have suffered so much in the heat wave holding Italy in its grip that the parish priest of St. Vincent de Paul Church organized a public procession to pray for rain.

Two deaths from sunstroke and four drownings were the toll of another day of unrelenting heat. At Lucia, in Tuscany, and at Montecatini, in Piedmont, the thermometer hit 98. Rome sweltered with the mercury at 95.

Boy Will Have Leg Amputated

Seven-year-old Germaine Deslandes, of Mr. and Mrs. Wm. Deslandes, Major Avenue, Coaticook, was rushed to the St. Vincent de Paul Hospital in Sherbrooke on Saturday with a foot so badly fractured, mangled and torn that it is feared it will have to be amputated, and with a badly crushed face and head and fractured of both jaws, the victim of a painful and serious accident which occurred here near his home.

Little Germaine Deslandes was on a double wagon with his father, but when near their home the latter got out, having forgotten an errand, and told his son to drive the team home. As the wagon approached the house Germaine's little brother ran out and was eager to get on to the rig also. Germaine stopped the horses to help the little fellow mount, when suddenly the seat gave way and fell from the wagon to the edge of the cement sidewalk between the walk and the wagon wheels. The horses started off at the same time and Germaine's foot was caught in two wheels, being broken and badly mutilated from the knee down. In the fall from the cart he also suffered fractures of both jaws and injuries to his face and head.

Doctor Ovila Birs was called and at once had the child removed to the hospital in Sherbrooke, where he is now lying in a critical condition. It is stated at the hospital that it is practically certain that the leg will have to be amputated. Mrs. Deslandes is in Sherbrooke with her son.

TWO ARE BADLY INJURED NEAR COATICOOK

Condition of 6-Year-Old Daughter of Mr. and Mrs. F. L. Whiting, of Stanhope, Believed Hopeless as Result of Auto Accident—Mother and Father Also Injured—Little Boy May Have Leg Amputated as Result of Fall.

(Special to the Record)

COATICOOK, July 25.—The little six-year-old daughter of Mr. and Mrs. F. L. Whiting is in Nurse Chesley's Nursing Home on Elm street critically hurt, with little hope held for her recovery, as the result of a serious automobile accident which occurred about five o'clock yesterday afternoon at the intersection of the Coaticook-Norton Mills highway and the Green Road. Mrs. Whiting is also in the home, with critical injuries, though the exact extent of them is not known, while Mr. Whiting, who is a customs officer at Stanhope, near here, was in the home over night, but was allowed to return home this morning.

The accident happened when the Chevrolet sedan owned and driven by Mr. Whiting, with his wife and daughter driving in it also, met the Chevrolet touring car being driven by Mr. William Falconer with such impact that the former vehicle was completely overturned. The three occupants were pinned under it.

Mrs. Whiting sustained a badly hurt arm and other injuries, while her husband was quite seriously injured and shaken up. The child was injured most severely, however, and her condition this morning was head to be almost hopeless. Her head was badly smashed in and she was hurt internally. The child is unconscious, but Mrs. Whiting is suffering.

As soon as the accident had occurred medical aid was summoned, and Mrs. Whiting was removed to the office of Doctor Ovila Birs, Mr. Falconer to that of Doctor Thomas McDermid, and the little girl, Jean Whiting, to that of Doctor L. S. Planché. Upon examination it was necessary to remove all three patients to the nursing home.

Mr. Whiting's car was considerably damaged.

MOSQUITOES FOUND TO BE DOUBLY DANGEROUS

Can Cause Much Suffering By Bite

The ordinary mosquito is not content with injecting germs of disease into the blood. A burning, tormenting welt is left. The scratching of the bite often causes infection.

FLY-TOX will kill those germ-carrying mosquitoes, and is your protection against mosquito infection.

FLY-TOX superiority comes from its scientific development. It was developed at Mellon Institute of Industrial Research by Rex Research Fellowship. It is not only guaranteed to kill insects quickly and easily, but is also warranted to be harmless to mankind and animals, and to leave a cleanly, fragrant odor.

Many imitators are seeking to take advantage of FLY-TOX popularity. Do not be misled. Insist on the genuine. Your dealer sells FLY-TOX—Adv.

MELBOURNE

Funeral of Mrs. Randlett. The death occurred at her home in Melbourne on July 17th of Mrs. Wm. Randlett, nee Almina Clampt, of South Durham, at the age of seventy-seven years. She leaves to mourn her loss her aged husband, Mr. Wm. Randlett, two stepsons, Messrs. Donald Randlett, of Montreal, and Mr. Ernest Randlett, of Edmonton, Alta., and three sisters, Mrs. Reed, of Chicago, who was with her at the end, Mrs. Bairns, of California, and Mrs. J. Mitchell, of South Durham, who also assisted in the care of Mrs. Randlett during her last illness.

The funeral was held from her late residence on Thursday afternoon to the Melbourne United Church of which she had been a member for many years. Her pastor, the Rev. Mr. E. W. S. Coates, of Richmond, spoke words of comfort and hope to the bereaved ones. The hymns, "Rock of Ages" and "Safe in the Arms of Jesus" were rendered by the choir, and Mrs. Herriot, of Richmond, sang a solo. After the service the body was laid to rest in the Melbourne Cemetery by the six bearers, relatives of the deceased, Messrs. J. and W. Lyster, E. and B. Stimson, Ernest Pierce and Ed. Stimson.

General Notes. Recent guests of Mr. and Mrs. J. Mills, of Upper Melbourne, were Mr. and Mrs. C. C. Bullock, of Heathton, Que.; Mr. and Mrs. S. Wheeler and Mr. and Mrs. H. Dutton, of Northfield, Vt., and Mr. and Mrs. P. W. Miller and the Misses Lucy and Aileen Cross, of Ulverton.

GRANBY FLYING FIELD NOW IN GOOD SHAPE

License Received and Field Ready
for All Kinds of Flying—
French Financial Men Starting
Assembling Plant at Granby—
Sherbrooke Members Receive
Lessons.

GRANBY, July 25.—The aerodrome of the Granby Aero Club has been pronounced ready for all kinds of flying, as a result of being enlarged and put into good condition. The club has been licensed by the Government and progress for Granby as a centre for flying in Canada is assured.

Ground will be broken this week, it is expected, for an assembling plant for aeroplanes. This industry is being financed by a syndicate of Frenchmen, and the French Moisin, Spad and Farman planes will be assembled and made here. Thus industry is following flying, and Granby will receive extra work and business as a result of her efforts in the direction of aviation, as well as publicity and commerce. It is quite possible that still more industries will be founded here in connection with flying.

Last Saturday and Sunday a number of the twelve members of the Granby Club who come from Sherbrooke were here and received their first lesson in flying a Moth plane. Among these club members were Dr. W. E. Hume, Dr. W. E. Baker, and Messrs. Carl Skinner, Clifford Armitage, J. W. Hammond, L. Boisvert, F. O'Donnell and L. Morin. A number of ladies accompanied these members to Granby and enjoyed short pleasure trips, among these being Mrs. W. E. Hume, Miss Audrey McKee and Miss Deardon. The planes of the club are very busy these days, with demands for flights coming in in considerable numbers.

Miss Helen Shepard's remains were brought here for burial from Newport, Vt., on Monday.

The C. P. R. station in Abercorn was broken into on Saturday night. The till was robbed of the money in it. Mr. Reynolds and family were absent at the time. Mr. Carter, who was asleep upstairs, heard the robbers and on going down they took quick leave.

Mrs. Flora Jenne, of Newport, Vt., was visiting old friends here and in Sutton last week.

BROME SOCIAL AND GENERAL NOTES OF NEWS

Repairs Being Made to St. John's
Church—Sunday School Picnic
Held—Social and Personal
Notes from Brome.

BROME, July 25.—Mr. and Mrs. C. H. Frizzle and family were in Bondville on Sunday, guests of Mr. and Mrs. Thornton and Mr. Henry Cummings.

Mr. and Mrs. Thornton, accompanied by Miss Clarice Frizzle, motored to St. Albans on Thursday.

Mr. and Mrs. Menden Barnes, Mr. and Mrs. A. Ware and Mr. and Mrs. Peasley were in Bolton on Sunday visiting friends.

Miss Joyce Johnston entertained a few friends for tea on Thursday, the date being her birthday. Miss Joyce was the recipient of many pretty gifts.

Mr. and Mrs. Charles Eldridge and family were in Bolton on Sunday, guests of Mr. and Mrs. C. Shepherd. Mrs. J. Manzer Richard and daughters, of Springfield, Mass., are also guests at the same home.

Mrs. Addie Richard was a guest at the home of Mr. and Mrs. Samuel Fletcher last week.

Mrs. Bruce, of Benington, Vt., has been spending a few days with her grandmother, Mrs. Addie Richard, and other relatives.

Mr. and Mrs. Thomas Pratt and family and Mr. Eugene Shepherd, of Montreal, and Miss Maggie Shepherd, of Cowansville, were week-end guests at the home of Mr. and Mrs. Charles Eldridge.

Mrs. E. W. Patch, who has been spending the past week in Cowansville, with her sister, Mrs. E. Daine, returned home on Sunday.

Congratulations are extended to Misses Arlene Patch and Doris Salisbury and Master Billy Gedyne, who have successfully passed their grades at Knowlton High School.

Mr. Wilfred Ray and friend, of Boston, Mass., who have been spending two weeks' holidays at the home of Mr. and Mrs. E. W. Ray and other friends, returned home this week.

Mr. Wm. Pharaoh, who has been spending some time at the home of Mr. and Mrs. E. S. Chapman, returned to his home in Haverhill, Mass., this week.

Mr. and Mrs. James Patton and family accompanied by Mr. and Mrs. James Branson, had a pleasant outing on Sunday on Orford Mountain. After partaking of a delicious lunch, they started on their climb up the mountain a distance of four miles. The ladies soon abandoned the trip, but those who reached the summit were well repaid by the glorious view of the surrounding country. Mr. Patton almost an octogenarian, was the first to gain the peak. Though in his seventy-eighth year he accomplished the feat as easily as his two sons and was none the worse for the climb.

The next day he was in the hayfield at his usual work.

Rev. Wm. Gedyne and son, Billy, returned on Saturday from a pleasant motor trip to his old parish in Cartierville, Que., where they visited many of the old parishioners.

Mrs. George Sturevant entertained Mr. Gedyne and Mrs. Midgeley for dinner on Thursday.

The Ladies' Guild will meet at the home of Mrs. H. A. Smith on Wednesday afternoon.

Miss Emma Delaire, who has been spending a few days in Richmond with friends, returned home this week.

Miss Frances Barnes, of Montreal, and Miss H. Shepherd, of West Brome, were guests of Mrs. Elwin Wilson last week.

Mrs. F. A. Lafontaine is spending a few days with her sister, Mrs. Blanchard, of Knowlton.

Mrs. H. M. Farmer, of Montreal, was a guest at "Echo Hill Farm" returning to her home on Saturday accompanied by her niece, Miss Shirley Foster, who will spend a few days with friends there.

Mrs. Martha Shepherd is enjoying a pleasant holiday with friends in Boston, Mass.

Mr. and Mrs. Albert Gerwin and son and Mr. and Mrs. Halliburton, of Montreal and Mr. and Mrs. Perry and family, of West Brome, were Sunday guests of Mr. and Mrs. H. P. Dennis.

Mr. and Mrs. Andrew Libby, of Richmond, Vt., were Sunday guests at Riverside Cottage.

Thanks to the generosity of an anonymous friend who has taken a great interest in the little church here, and who often in his childhood days spent many pleasant days in the little village of Brome, and also to the willing work of the men of the parish, extensive repairs have been made to the outside of St. John's Church.

The annual Sunday school picnic of St. John's Church was held at Foster Church, Knowlton, through the kindness of Mrs. Foster, last week, when a large number attended and enjoyed themselves boating and bathing. After a bountiful lunch provided by the parents, races were held and prizes given by the parents and teachers, the successful competitors being Gertrude Eldridge, L. Daniels, L. Brisland, Eric Hollingsworth, Inez Vail and Gordon Midgeley. Many thanks are due those who kindly conveyed the children there and back.

The Junior Guild visited Venice, Vt., a lovely spot on the shores of Lake Champlain, this year for their annual picnic. The weather was ideal and a very happy day was spent by all.

Service in St. John's Church on Sunday next will be at 7.30 o'clock. There will be no service on Sunday, August 5, as Mr. Gedyne is leaving the first of the month for a two weeks' holiday.

ANXIETY FELT FOR MISSING MAN

Anxiety is felt for the safety of
Mr. Cecil Johnson, of this city, who
has wandered from his home and
was last seen on the Ascot road.
He has been missing since some time
between Saturday night and Sunday
morning. Mr. Johnson is subject to
weak spells and had not been in
good health of late.

When last seen the missing man
was wearing an iron grey suit. He
was a man of about six feet four
inches, weighing about one hundred
and eighty-five pounds. Anyone
knowing his whereabouts is asked to
communicate with his brother at
telephone 1422 or 2672, or with the
Chief of Police.

CONDITION OF YOUNG MEN IMPROVED

Reports from the St. Vincent de
Paul Hospital this morning state
that the Tougissant brothers and
W. Beaulieu, who were injured in
an auto accident between Windsor
Mills and Richmond on Sunday
afternoon, are fast recovering.

The young men were motoring
Sunday afternoon when the driver
of their car was unable to make a
sharp curve and, clearing a ditch,
crashed into a post.

TWO SLIGHT ACCIDENTS REPORTED YESTERDAY

While unloading pipe at the
Canadian National Railway yards
yesterday, Robert Armstrong, an
employee of the Superheater, was
struck by a locomotive and received
slight injuries to his arm. He was
brought to the Sherbrooke Hospital,
where an X-ray was made.

A slight accident occurred at the
Rand yesterday when a piece of
iron fell on Thomas Stewart, twenty-
two years of age, and injured
his arm. He was taken to the Sher-
brooke Hospital, where his injuries
were attended to.

Mr. E. Tincarre and Mrs. E.
Dorey were reported today to be
recovering. It will be remembered
that the car in which they were
riding left the road and crashed
into a post on the Cookshire Road
last Sunday evening, and they were
seriously injured.

ENTRIES BEING RECEIVED FOR "MISS SHERBROOKE" ELECTION

Many new entries were received
yesterday at Contest Headquarters
in the "Miss Sherbrooke" election,
which is to be one of the big fea-
tures for Friday of this year at the
Sherbrooke Fair. Eleven young
ladies were accepted in the contest,
all of whom at once made plans to
conduct an intensive campaign for
friendship points, which is the
method of determining the winners.
Some of these entrants were under
the impression that the contest was
one of beauty, but upon being told
that it was a popularity contest
only, they were even more enthu-
siastic, as they had been afraid that
they would be asked to appear in a
revue in bathing suits or displayed
in some manner offensive to them-
selves, parents and friends. The
contest committee members are
very anxious that it be understood
that winners in the contest are de-

CHECKING UP ON SPEEDING AND PARKING

Police Busy Stopping Parking
Over Regulation Period—
Twenty and Thirty Minute
Rules—Another Arrest for
Speeding.

Parking and speeding regulations
are being rigidly enforced by the
police department of the city this
week in a determined effort to con-
trol the traffic problem and make
travelling for both automobiles and
pedestrians more safe. The cam-
paign against speeding has been go-
ing on practically the whole sum-
mer, with a considerable number of
arrests and fines. Last night the
officers were again busy, and an-
other arrest was made for speeding
on King street west. The motorist
who was stopped was fined twelve
dollars in the Recorder's Court this
morning.

As to the parking regulations,
these are being enforced as the re-
sult of the resolution passed by the
city council at its last meeting, ask-
ing that the by-law be put into ef-
fect. A constable was stationed on
Wellington and King streets yester-
day and had a busy time checking
up the time during which automob-
iles were parked on those two
streets. The time limit is twenty
minutes for Wellington street north,
that is, from King street to the
north end of Wellington, and thirty
minutes for Wellington street south,
that is, from King street to Aberdeen
avenue. On King street, the twenty
minute limit applies to the part
from Wellington street over the
Aylmer bridge and up to Park ave-
nue, while the west end of the
street, above Wellington, has a thirty
minute limit. This morning a
three dollar fine was handed out by
the acting recorder for parking be-
yond the specified time.

FARMERS' FIELD DAY TO BE HELD ON AUGUST 9TH

Fourteenth Annual Outing for
Farmers Announced and a
General Invitation Issued—In-
teresting Programme Outlined,
Following Those of Previous
Years.

The fourteenth annual farmers'
field day at the Experimental Farm,
Lennoxville, will be held this year
on Thursday, August 9, for which
event Mr. J. A. McClary, superin-
tendent of the farm, and his assis-
tants, extend a cordial invitation to
every farmer and his family, as well
as all other citizens of the Eastern
Townships.

The programme will be similar to
other years, and will equally as in-
teresting or more so. The forenoon
will be spent in inspection of live
stock, poultry, farm crops, horticul-
ture and other lines of work. In
the afternoon addresses will be de-
livered by prominent speakers on
different agricultural subjects, both
French and English speeches being
on the programme. Sports on the
lawn will follow.

The Women's Institute will as
usual have a refreshment booth,
and the proceeds will be used for
prizes at the Short Course, which
is held at Lennoxville in the month
of January each year.

termined strictly by the number of
friendship points accrued to the cre-
dit of the contestants, and beauty
of face, figure or form does not
enter into the final decisions.
Word was received from Mr. Joe
Lightstone, resident manager of
His Majesty's Theatre, that his
theatre would award one silver lov-
ing cup to the winner of the "Miss
Sherbrooke" contest, and another
to the winner of the one hundred
per cent perfect baby contest.
Examinations were held again
yesterday in the baby clinic and
the babies were under the super-
vision of Drs. A. D. Berube and
DuRoi. In the morning and Dr.
DuRoi in the afternoon. From
the number of baby entries already
received, it is expected that the
clinic will have to remain in opera-
tion at least two weeks more.

HIGH SCHOOL PRINCIPAL AT ROTARY CLUB

Rev. Dr. J. W. Stevenson, Newly
Appointed to High School, Was
Speaker at Weekly Luncheon
—History and Importance of
Buttons Traced.

The Rotary Club, at its weekly
luncheon at the New Sherbrooke
House yesterday, heard for the
first time the new principal of the
Sherbrooke High School, the Rev.
J. W. Stevenson, D.D., who comes
here from Ormstown, Que. Con-
trary to expectations Dr. Steven-
son did not deal with an educational
subject, but declared that since the
weather was warm he had decided
to take up a light matter.

The subject was that of "But-
tons", of which article he had evi-
dently made a study out of curiosity.
To begin with the speaker declared
that though buttons might seem a
subject for women, it was in reality
a man's subject, for in these
days, what few clothes women did
wear, they managed to keep up
without buttons. It therefore re-
mained for the men to get practical
use out of them.

Declaring that buttons marked
progress from savagery to civiliza-
tion, he said that they had first
been used purely for ornamenta-
tion. With the advent of the loose
garment of Rome and Greece, they
went out of use, but came back
into use in the middle of the four-
teenth century, and were first used
for the practical purpose of holding
up clothing. They continued to be
used as ornament, also, however,
and it was said that Charles I dur-
ing his life spent five million dol-
lars on buttons for his fine clothes.

Dr. Stevenson next traced the
history of certain buttons. The first
of these were the buttons on a
man's coat-sleeves, the origin of
which was the necessity to button
the lace-cuff of years ago onto the
sleeves. The cuffs had now gone
out of use, but the buttons stayed.

The two buttons on the tails of a
frock coat had come from the nec-
essity of tying up coat tails when
men had to ride horse-back. The
buttons on the sides of a boy's short
trousers were a relic of the old
breeches. The fact that men's but-
tons were on the opposite side of
the garment to a woman's was ac-
countable by the fact that the
present arrangement had to be
made to enable men to draw their
swords more readily.

The Chinese native costume had
five buttons on the front, which
signified the five points of man-
nity, justice, order, prudence and
gratitude. Mr. K. E. Barrett moved
the resolution of thanks.

Before adjourning the Rotarians
rose and paid silent tribute for a
minute to the memory of Mrs. H.
D. Bayne, who had passed away
since the last meeting of the club.

CANADIAN JERSEY NEWS NOTES

Good news for Jersey breeders
is the report that Mr. Robert Davi-
son, of Portland, Oregon, has come
to Quebec and taken over the
estate of the late Mr. W. S. Davi-
son, of North Hatley. Since the
death of Mr. W. S. Davidson the
farm and herd have been very suc-
cessfully maintained under the
management of Mr. Chas. Thomas.
The farm is made up of over 500
acres situated on Lake Massawippi
and has always been considered one
of the most beautiful farm prop-
ositions in Eastern Canada. The
herd has long been known as one
of the best and numbers over 60
head of registered Jerseys. It is
good to know that Mr. R. Davidson
will, in future, reside at Siccavau
Lodge and that the present blood
lines in the Siccavau herd will not
only be maintained but perpetuated,
strengthened by new blood lines.

BUYS MARTIN FARM AND HERD

Further news of Quebec herds is
that Dr. J. J. Irwin, of Waterville,
Que., has purchased the farm and
registered Jersey herd established
by the late Mr. W. H. Martin, of
Warden, Que. This is the oldest
Jersey herd in the province and the
late Mr. Martin was the oldest
living Jersey breeder in Canada
until the time of his death on July
12th. The farm consists of over
500 acres, and while the herd was
the smallest it has been in many
years, it still numbers 80 registered
females. It will be built up to
over 60 head. Both product and
stock from this herd have long
been prominent in the biggest Que-
bec shows. Butter made from this
herd won the gold medal at the
Exhibition of 1904. Upwards of 30
farms in the immediate vicinity
have established Jersey herds from
foundation animals purchased from
the late Mr. Martin.

ANOTHER SHIPMENT ARRIVES

The third shipment of Island
bred Jerseys for Canada is now in
quarantine at Athena, N. J., and
will be shipped to the farm of their
owners, B. H. Bull & Son, Brampton,
as soon as the thirty day quaran-
tine period is up. This shipment
only numbers 65 head but brings
the number imported by Bull & Son
this year up to over 250 head, so
this has already been the biggest
year in the history of the Dominion
for Island bred Jersey. In this ship-
ment are 26 open and in calf heifers,
34 cows and four bulls.

ELECTRIC AND GAS REVENUE IS INCREASED

Satisfactory Report Shown by
City Departments for First Six
Months of Year—Total Revenue
Is \$222,979.30 Net—
Net Surplus Lower on Account
of Increased Expenses.

A gross surplus of \$124,589.95
and a net surplus, after various ad-
justments have been made, of
\$54,972.54, are reported by the city
Gas and Electric Department for
the first six months of 1928, ending
June 30 last. The total revenue
shows an increase, in comparison
with the corresponding months of
last year, of \$7,143.11, and an in-
crease of \$14,204.30 over the amount
figured upon in the budget
prepared at the beginning of the
year.

An increase in expenses for the
department for the six months
period is noted, this amounting to
\$13,880.37. The reason for this is
that the city has to buy a part of
its electric energy to serve its cus-
tomers until the new developments
at Westbury are completed.

The following is a table showing
the revenue and expenses of the
first six months of the current year:

Revenue, 1928	
Lighting	\$110,139.45
Heat	19,144.59
Electricity	98,072.20
Sundry	4,278.90
Total	\$231,635.14
Discount	8,655.89
Net total	\$222,979.30
Expenses, 1928	
Production	\$28,555.97
Distribution	12,545.51
General	16,815.33
Fixed charges	40,371.47
Total	\$98,389.35
Gross surplus	\$124,589.95
Net surplus	\$54,972.54

Of the surplus, five per cent goes
to the sinking fund reserve and \$80,
\$17.41 to depreciation and contribu-
tion to taxes, leaving a net surplus
of \$34,272.54.

Comparison to Last Year

The revenue in the first six
months of the year shows an in-
crease over last year (in the cor-
responding period) under each head,
light, heat, electrical power and sun-
dry. The figures for the year: Light,
\$106,454.24; heat, \$19,144.59; power,
\$99,246.71; sundry, \$2,168.30; total,
\$224,979.30. The discount figure
was \$8,443.08, leaving a net total
of \$216,536.22 revenue, or over
seven thousand dollars less than
this year.

Expenses last year amounted to
\$84,808.93, and the gross surplus to
\$128,367.97, or nearly four thou-
sand dollars greater than this year.
Last year five per cent was also
distributed to the reserve fund,
while \$38,168.50 went to depreci-
ation and taxes, leaving a net sur-
plus of \$90,204.17, as compared to
\$34,272.54 this year.

Mr. Dan H. Willey and wife at their
cottage on Cape Cod, Mass.

Mr. Geo. Martin, formerly known
here as "Forepaugh," now of Wor-
cester, Mass., has returned from a
visit here.

Mrs. Irving Davis has been quite
ill of late but is reported as a little
better.

Mr. Earl C. Scott and family re-
cently returned from a trip to Old
Orchard, the White Mountains and
Boston. Mr. Scott's mother, Mrs.
Doris, accompanied them.

The Annual Recital given by the
pupils of Miss Gertrude Gingras
was carried out in the Town Hall
on the evening of July 17th in an
unusually pleasing manner. Juniors,
intermediates and seniors all excel-
lently and showed improvement in the
past year. The careful work, cul-
ture and refinement was a credit to
teacher and pupils. The apprecia-
tion was shown by the large au-
dience that listened with marked at-
tention. Medals and prizes were
distributed by Miss Gingras to the
winners of the three grades. An
interesting feature of the evening
was the presentation of a beautiful
leather handbag by the pupils to
their teacher.

LENNOXVILLE ROAD

The excellent piece of highway between Sherbrooke and Lennoxville, all of which is in one or the other of these municipalities, is just now under discussion. The 20-mile speed rule applies to the whole of this road, most of which lies in the open country. The traffic officers have been checking up here of late, a number of fines have been imposed, including one on a Sherbrooke citizen for driving twenty-eight miles per hour. The Automobile Club officials have been discussing the matter and have concluded that the 30-mile limit should apply here, that to run only twenty miles per hour is to obstruct traffic and is unreasonable on this open piece of road. So an application has been sent to Quebec to have the limit changed. This, it is said, has been endorsed by the mayors of Sherbrooke and Lennoxville.

The request is reasonable. From the car barns on the Lennoxville Road to the actual entrance into the village of Lennoxville this highway is in the open country and twenty miles an hour is not a suitable speed regulation. Excessive speed should not be allowed, but this stretch of road should be treated as open country. The curve in this section of road, under the C.P.R. track has been protected by a dividing line which is good.

The Lennoxville Road situation is deserving of careful consideration and traffic here should be governed by practical rules.

IS THE CROW AS BLACK AS HE IS PAINTED

Ought war to be declared on the crow and should he be destroyed as far as possible? Sometime ago, Mr. T. Lee Quimby, in one of his articles in the Record, wrote of the crow. He admitted some of his failings, but did not condemn him.

Since then the Record has received from a reader the copy of a publication containing the very adverse opinion of Mr. Jack Miner.

Mr. Miner denounces the crow as a whole-sale murderer in the first degree, declares his depredations far outweigh his usefulness and maintains the birds he slaughters annually would, if left alone, do twice as much good in the destruction of insect pests as the crow could or would do.

Mr. Miner, in a recent article published in the magazine "Rod and Gun," has replied to those who declare a crow campaign is "interference with the balance of nature." He scouts the idea that man has no right to interfere with nature, and that crows were intended to act as they do. He asks whether it is interfering with nature to kill snakes and other animals dangerous to human life, and then proceeds to state that, no matter how intensive a war be waged against the crow, the black gentleman is too shrewd and wary a bird to be in danger of extermination. Crows, by their depredations, control poultry, song, insectivorous and game bird life, he says, why then, should man not control the crow?

"They are the shrewdest thieves of the bird family," says Mr. Miner. "I have had crows by the dozens," he adds, "and I will admit they are just as cute as they are black. But I never kept one to be more than a year old. Then he, like all the rest, died guilty of murder in the first degree."

A book entitled "Birds of Western Canada," issued by the Dominion Government says:

"Although the raven retreats before the advance of civilization, the crow increases. It is omnivorous, feeding readily on anything from carrion to sprouting corn. It is an open country bird and probably arrived in eastern Canada about the time of the first white man's clearing of the forest. In the West, where prairies and open spaces were the original condition of the country, it probably has always occurred, but it has increased enormously with cultivation. Nowadays, with much of the greater southern interior under cultivation undoubtedly many more can find support in the winter and return in the spring. As far as the crow is concerned, the primitive 'balance of nature' has been profoundly and irrevocably changed in its favor and it has increased abnormally."

"As an egg eater and young bird destroyer the crow is probably the very worst enemy of some of our largest and most useful wild birds. Throughout the spring and early summer, before the grasshoppers are out in number, the crow in the West makes its worst showing, and one that in the eyes of many, cancels all the good it may do at other times. Field observations show that crows destroy an astonishingly large proportion of the eggs of waterfowl and upland game. Probably in many cases, of the first layings of these birds scarcely one out of four is brought to hatching. Later broods, when the cover is better grown, fare better, but even they suffer severely and in any event several weeks are lost of the precious summer in which to mature and harden the young generation in preparation for the hardships of migration and winter. It is nothing uncommon to see newly hatched broods of ducks as late as the end of August, the results of several interruptions to breeding. A dozen nests may be found occupied one day and destroyed the next, with suggestions or evidence of crows about them. During the nesting season they hunt indefatigably for eggs and seem to favor them above all other food and the thoroughness with which they search all possible grounds only raises wonder that any are left to hatch."

"However good the crow may be as an insect destroyer, it is doubtful if it can, in this direction, replace the birds that it supplants. It will certainly take a number of crows to replace the work done by a covey of prairie chicken that one crow has destroyed and when the great number of other birds so destroyed are taken into consideration it is very questionable how far, it at all the evidence is in its favor."

troys are taken into consideration it is very questionable how far, it at all the evidence is in its favor."

This is a severe arraignment of the crow. It is discussing particularly the crow in the West. Are his habits different in the East? Has the crow any friends? If so now is the time for them to speak.

THE PRIVATE SECRETARY (By Dr. Frank Crane)

In a sense the private secretary occupies a position that is closer to you than that of any relative.

If she is an observant person she not only knows your habits and your little peculiarities but she knows the nature of your mind, she knows what you will do under certain circumstances. Sometimes her advice is more valuable to you than would be that of a wiser person.

A good private secretary is loyal to you and to your interests. She looks out after details that would be annoying to you.

She has her own life to live and her own interests to conserve, but in every way she places your welfare above her own.

If you have such a good and faithful secretary you are to be congratulated. It is she who will be responsible for much of your efficiency.

A man at the head of things must keep his eyes, necessarily, upon the main issues, and he is apt to overlook the details, but often it is these details that are of extreme importance.

If you forget some engagement or fail to answer a certain letter it might cause you considerable embarrassment. It is she who prods your memory and sees to it that these things are not overlooked.

Often she is one of the most important employees in your establishment and her place could not be easily filled.

It is well, therefore, to respect her personality and to pay her well. That you will always treat her courteously is assumed as a matter of course, but we are all too selfish and sometimes are inclined to impose upon those nearest us simply because they are always faithfully at their post.

Let her ever be reminded that you regard her with human sympathy and respect. If possible let her have some little interest in your business in order that she may still more regard your affairs as her own.

It may not be necessary or inevitable for you to fall in love with her, but at least you can treat her with all that respect which is due a woman.

Because of that womanly mind she perhaps understands you in some ways better than you do yourself, and because of her womanly intuition she can see pitfalls before you to which you would be blind.

She can have a genuine interest in your welfare without being in love with you. She can admire and respect you and still love some one else.

Who can tell how much the ways of business have been smoothed and bettered because of the private secretaries!

As with every other relation in life your relation with your private secretary cannot be kept wholesome unless you yourself are decent and straight.—Cpt. 1928.

PRESS COMMENT

THE MOVING-PICTURE PROBLEM.

(Brantford Expositor)
There is so much that is good in the pictures, and they give wholesome entertainment often to so many people, that they must be accepted as permanent contributions to contemporary life. Yet it is probably true that the directors or owners of the great moving picture plants, if that term might be applied to them, have failed to live up to their best opportunities, and are not showing any impressive initiative in rising to higher levels. Theoretically, there is a voluntary censorship which eliminates pictures that ought not to be shown. In practice every country, Province and State has to have a Board of Censors for self-protection against pictures which would be exhibited if it did not exist. This is in spite of the fact that there have been numerous evidences, both on the silver screen and the speaking stage, that clean plays have the longest life and the greatest popularity.

ACCIDENTAL DEATH IS VERDICT IN RICHMOND FATALITY

After an investigation was carried out, a verdict of accidental death was returned in the case of four-year-old Marcel Fontaine, of Richmond. This case was indeed a very sad one. The young child's nightgown in some manner caught fire and before the blaze could be extinguished he received fatal burns. His father, Mr. Omer Fontaine, brought him to the St. Vincent de Paul Hospital, where he died about eleven o'clock Tuesday morning.

COMPLAINTS AT FISH MEETING

Complaints are being voiced by residents and summer visitors at Lake Lester, near Coaticook, against certain people who have been netting the lake and catching hundreds of newly hatched fish lately. The Government hatchery is situated right on the lake, and many thousands of bass and lake trout were hatched this year. Right at the end of the lake where this hatchery is located, however, there have been large nets found stretched across the water, and at the present rate it will take little time to deplete the lake of its new fish. No steps have been taken as yet to prosecute the guilty party, but it is stated that formal complaints will be laid unless the illegal practice of netting is stopped.

MARRIAGES

BOGGS—WALKER

SHERBROOKE, Ont., July 23.—On Thursday, July 23, a quiet, but pretty, wedding was solemnized at the home of Mr. and Mrs. Stanley Boggs, Sherburne, in the presence of immediate relatives, when Edith Olive, daughter of Mr. and Mrs. Wm. R. Walker, of Farnham, Que., became the bride of Mr. James Philip Boggs, son of Mr. and Mrs. Samuel Boggs, of Acton, Ont.

The bride, who was given away by her brother-in-law, Mr. Stanley Boggs, wore a very pretty gown of maize georgette, trimmed with rhinestones, silver bandeau, shoes and hosiery to match, and carried a shower bouquet of ophelia roses and lilies-of-the-valley.

After the ceremony the guests repaired to the dining room where a dainty lunch was served. The color scheme was pink and white. The happy couple left early in the evening by motor for Niagara Falls and other American points, the bride travelling in a navy ensemble with hat and shoes to match. On their return they will reside on the groom's farm on the Twelfth Line of East Garafraxa.

COREY—WIGHTMAN

BEDFORD, Que., July 24.—On Saturday, July 24, at four o'clock in the afternoon, the United Church at Bedford was the scene of a very pretty wedding, when Miss Leila Wightman, third daughter of Mr. and Mrs. George Wightman, of Bedford, was united in marriage to Mr. Clair Corey, son of Mr. and Mrs. D. Corey, of Stanbridge East. The pastor of the United Church at Phillipsburg officiated in the absence of Rev. Mr. Lancaster. The bride wore a gown of white silk with lace and pearl trimmings, and a tulle veil with wreath of orange blossoms and ferns. The bridesmaid was Miss Muriel Wightman, sister of the bride, who wore a gown of white crepe and small veil and carried a bouquet of roses and ferns. Mr. H. Wilkins, of Abercorn, acted as best man. Following the wedding ceremony a reception was held at the home of the bride's parents after which Mr. and Mrs. Corey left by motor for Montreal. Going away the bride wore a gown of blue georgette with hat to match.

ROY—THIBEAULT

BEDFORD, July 24.—The marriage took place at the parish church at Sutton on Saturday morning, July 21st, the Rev. Father McGee officiating. Mr. Paul Omer Roy, agronomist for Missisquoi County, and son of Mr. and Mrs. L. Roy, of Quebec, to Miss Therese Thibault, daughter of Mr. and Mrs. Wilfrid Thibault, of Sutton. The marriage was celebrated at eight-thirty o'clock. The bride was accompanied to the altar by her father, while Mr. J. B. Gendron, of Bedford, accompanied the groom. Mr. and Mrs. Roy left by motor for Bedford they will take the Saguenay trip.

BOOTH—MARSHALL

WEST BROME, July 25.—On July 14 at 8 p.m. a very pretty wedding took place at the home of Mr. and Mrs. W. J. Marshall, when their daughter, Leona May, and Mr. Guy Booth, son of Mr. and Mrs. Gardner Marshall, of West Bolton, were united in marriage by the Rev. C. Huxtable, of South Stukely. The ceremony took place in the parlor under an arch of evergreens, ferns and June roses. The bride, who was given in marriage by her father, was prettily attired in her travelling gown of powder blue flat crepe, blue hat and carried a bouquet of carnations.

Immediately after the ceremony the guests repaired to the dining room, which was prettily trimmed in pink and white. The large wedding cake adorned the center of the table.

Mr. Guy Booth and Mr. George Marshall, brother of the bride and groom, acted as ushers. Mrs. Nettie Crowhurst, of Foster, played the wedding march.

The couple left for a short motor trip the bride travelling in her travelling dress with blue hasha coat trimmed with sand fur.

The groom's gift to the ushers were silk pins and to the organist a bar pin. Wedding presents included cheques, silver and linen.

COATES—CAMPBELL

SCOTSTOWN, Que., July 25.—The marriage took place on Monday evening at eight o'clock of Miss Catherine Campbell, daughter of the late Mr. Kenneth Campbell and Mrs. Arthur Poitras, of this town, to Mr. Cecil R. Coates, son of the late Mr. Myron Coates and Mrs. Coates, of Goud. The ceremony took place at the home of the bride's mother in the presence of the relatives and friends of the bridal couple. Rev. J. W. MacLenn, of the United Church, performed the ceremony.

The house was prettily decorated for the occasion.

The bride was gowned in a dress of blue canton crepe, simply made, with rose on the shoulder. The bride and groom were attended by Mr. and Mrs. George Holley, of Goud Station. Mrs. Holley was dressed in a gown of blue silk, trimmed with white.

Following the ceremony a number

JOHN FRAPPIER CASE BEFORE MAGISTRATE

Preliminary Hearing Opened This Morning in Case for \$10,000 Conversion—R. L. Calder Represents Wood Pipe Company Against Accused, Kingscroft Man.

Preliminary hearing in the case for conversion of \$10,000 to his own use, against John Frappier, of Kingscroft, near Ayer's Cliff, opened in the Magistrate's Court before Judge Lemay this morning. The complainant in the case is Paschal Tache, of Montreal, the manager of the Standard Wood Pipe Company of Canada, Limited.

This morning the chief witness called was F. A. Perron, of St. Joseph d'Alma, district of Chicoutimi, manager of a branch bank in the district, to whom the ten thousand dollars which was converted, it is alleged, to Frappier's own use, should have been paid.

Mr. R. L. Calder, K.C., well-known Montreal counsel, acted for the complainant, while Mr. Antoine Rivard, of Sherbrooke, appeared for Frappier. The hearing was continued after the court had sat until well after noon.

John Frappier was arrested in the village of Kingscroft on May 28 last, by High Constable Philias Lantot, Sherbrooke, and G. Dupont, Pinkerton Agency detective, who were accompanied at the time by Mr. Calder. Frappier was brought to Sherbrooke where he was let out on \$10,000 bail by Joseph Lacombe, J.P. When the case first came before Judge Lemay, which was on May 30, bail was raised to \$4,000. Frappier is charged with having converted to his own use the sum of \$10,000, which he received from the Standard Wood Pipe Company on terms requiring him to pay over the same to Mr. Perron, this morning's witness.

Of invited guests arrived, when the reception was held, a buffet luncheon being served. Dancing was indulged in until the early morning hours.

The gifts were pretty and useful, consisting of china, glassware and linen. The happy couple left for a trip to Sherbrooke and other points, amid a shower of confetti and good wishes. Among those present from out-of-town at the reception were the Messrs. Grace, Bertina, Nellie, and Messrs. Johnnie, Clarence, Willis, Wallace, Charles and Holley Coates, brothers and sisters; Mrs. George Harrison, of Bury; Mr. and Mrs. William Coleman and sons, Earl and Glen, of Gould Station, and Mr. Dannie Campbell, of Dell.

SPRING HILL

Mr. Buchanan Died Suddenly

This community was very much shocked and saddened on Monday morning to learn of the sudden passing away of Mr. Neil Buchanan, of Scotstown, a former resident of this place, who was visiting old friends here over the week-end. Through not enjoying good health for some years past, Mr. Buchanan retired on Sunday night apparently in his usual state of health, but succumbed to heart failure early Monday morning. The remains were conveyed to his late home in Scotstown on Monday afternoon, where he is survived by his wife, two daughters and one son to whom the sympathy of the community is extended.

THE FAIR CO-ED

The Collegiate Laugh Riot.

THE PRANKS AND MORS OF COLLEGE LIFE WERE NEVER SO HILARIOUSLY BROUGHT TO THE SCREEN AS NOW IN MARION DAVIES' GREATEST COMEDY.

Mrs. S. S. Worthen entertained at a very delightful 500 party on Friday afternoon in honor of her friends, Mrs. Ernest Brown and Mrs. James Samson, of Montreal, and Mrs. Edgar Chadsey, of Lennoxville, who were in the city on their way to the North Hatley, 50c each. Cards were played at four tables, the prizes being won by Mrs. Ernest Brown and Mrs. W. E. Hurd. Delicious refreshments were served by the hostess, assisted by Mrs. C. L. Brown, Miss Evelyn Brown, of Lennoxville, and Master John Worthen.

Mr. and Mrs. Raymond Heath and two children, from Collinsville, Conn., are spending their vacation at the home of Mrs. Heath's parents, Mr. and Mrs. H. G. Buck.

Mrs. Ryan and young daughter, Barbara, from Framingham, Mass., were calling on friends in town on Saturday. Mrs. Ryan is the younger daughter of Mr. Richie Leavitt, a former Stanstead County resident.

Miss Lena Flaherty, of Sherbrooke, spent the week-end with her sister, Mrs. Edgar Chadsey, at the home of Mrs. A. E. Chadsey.

The friends of Mr. Lawson Clifford, an old resident of this place, will be sorry to hear of his serious illness.

Dr. C. O. Fraser, accompanied by Fred Wyman, Master Billy Wyman, Orange Slack and Mark Rexford, are on a fishing trip below Three Rivers.

Major and Mrs. Young and their two daughters, from North Bay, Ont., were recent guests of Mrs. Young's sister, Mrs. Hugh McFadden.

Mr. and Mrs. Robert Cromac, from Collinsville, Conn., who were on their wedding trip, spent a few days here guests of Mr. and Mrs. Raymond Heath, at the home of Mr. and Mrs. Henry Buck.

The salad ten at the United Church vestry was well attended. The proceeds were most satisfactory. At the business meeting the president of the Ladies' Aid asked that all those having work for the sale please bring it in as early as possible.

The first Troop of Boy Scouts and pack from Lennoxville are in camp at Round Bay. There are twenty-one in number. The weather has been ideal for camp life, and the boys are enjoying their outing.

Q.C.R. AND Y.M. AGAIN PLAYED A DRAW GAME

Two Teams Will Have to Meet a
Third Time in I.O.D.E. Shield
Competition.

After twenty minutes of overtime play at the Parade grounds last evening, the Q.C.R. and Y.M.C.A. soccer teams were unable to decide which was the better aggregation, for the score sheet at the close of play was blank. The game last evening was a replay between these two teams, made necessary by the scoreless tie they played in an I.O.D.E. shield contest earlier in the season.

There was a large crowd present on the side lines when the whistle started the game. As the play opened the Y.M. forwards carried the ball into the Q.C.R. territory, but B. Grimes cleared. The Railroaders retaliated and Stoyles was called upon to save several well played shots. The ball remained in the Y.M. territory, but the defence proved its worth and cleared many times. A pass from McNally to Pentland was intercepted by Joiner, and a Q.C. got two corners, but were unable to score. Play hovered around centre field until E. Webb broke through and gave Stoyles a hard shot to handle. Y.M. carried the ball up the field and got a corner, but failed to score. The play was very even, the ball travelling from end to end. E. Webb hit the cross bar and Jackson almost scored on the rebound.

The Y. forwards carried the ball down the field, but an offside spoiled their chances. Shortly afterwards Jackson missed a fine opportunity to tally when he kicked wide. Robertson got in a nice kick, but McGinty handled his difficult shot well. Play returned to the Railroaders' end and Gardner placed a fine kick in front of the goal. However, the defence again cleared. On a corner Jackson missed a good opportunity when he headed a ball over the net. H. Grimes made a nice run, but his pass was fumbled by his team mates. Play remained in the Y.M. territory and Jackson missed another chance when he kicked over the goal. The first half ended with no scores having been registered.

Second Period.

As the second half was under way the ball was in Y.M. hands. The forwards brought the ball down to the Railroaders' defence, but B. Grimes saved. H. Grime missed a fine opportunity when he kicked behind the goal and shortly after Bennett kicked over the goal posts. The ball travelled up and down the field with the Q.C.R. having a slight advantage. Y.M. carried the ball up the field, but the green-shirted defence held him. Webb had a clear shot, but Stoyles rushed out and checked him before he could get his shot away. Stoyles saved a hard shot from Pentland and right after Wootton headed the ball out of danger when Q.C. got a free kick. B. Grimes and E. Webb worked a two-man combination, but the latter missed a couple of chances to score when he kicked over the cross bar. Y.M. kept the ball in their opponents' territory, but were unable to open the scoring. Q.C.R. got a corner by the Y defence cleared and the Y forwards carried the ball up the field, where Grimes kicked out. The Y got a free kick outside the penalty area, but did not capitalize it. McGinty saved a hard shot and Robertson almost scored on the rebound. Y.M.C.A. appeared at this stage to be having the better of the play, but the Q.C. defence was strong. Jackson almost tallied with a hard shot, and immediately after Bennett failed to centre the ball and lost an opportunity. Hammond took the ball down, but his final kick was wide. Q.C. got a penalty kick when Wootton fouled Pentland, but the latter failed to win the game when he kicked over the goal. Y.M. then carried the ball down the field and got a corner, but could not convert.

TENNIS

**EIGHT SINGLES MATCHES TO-
DAY**
(Canadian Press Despatch)
TORONTO, July 25.—Eight matches in the men's open singles of the Canadian tennis championship will bring that event down to the quarter finals today. Players from east and west, as well as from the United States are among the sixteen survivors.

Jack Wright, of Montreal, the defending titleholder, meets a veteran Canadian Davis Cup player, C. K. F. Andrews, of Toronto, and Willard F. Crocker, of Montreal. Wright's Davis Cup partner, faces J. McCaughan, of Edmonton.

**CITY TOURNAMENT PROGRES-
SING VERY FAVORABLY.**
The members of the executive responsible for the City tournament, aided by the splendid playing conditions of the last week, have succeeded in running off several matches in which some very good and close tennis has been displayed.

Yesterday four events were staged, one ladies' singles, one men's singles, one mixed doubles and a Q.C. men's doubles.

In the first event Miss F. Miller defeated Miss B. Langis after three hard fought sets. Miss Miller took the first and final sets, dropping the second set. The scores of the sets were 6-3, 5-7, 7-5.

In the men's singles E. Hall had little difficulty in eliminating H. Crocheville in straight sets. The scores were 6-2, 6-0.

In the first match played in the mixed doubles event, Miss C. Adams and L. Wolfe experienced little trouble in defeating Miss M. Trudeau and J. A. Landry in two sets. The scores of this match were 6-3, 6-1.

In the last game of the day R. Langis and J. Coderre defeated R. Simoneau and J. Ruel in straight sets, by the score of 6-1, 6-2.

Three matches are scheduled to be played today. An interesting match should be witnessed in the ladies' singles when Miss C. Adams plays Miss J. A. Coderre. The match will be played at six o'clock on the Fairbanks courts. Two matches in mixed doubles are on the programme for today. They are Miss E. Crevier and R. Rouleau against Miss C. McRitchie and R. Langis in the first game, while Miss E. Salls and A. W. Reid will oppose Miss F. Miller and W. Miller in the other contest.

it into a goal as the whistle ended the ninety minutes of play.

Overtime Play.
After some discussion is was decided to play an overtime of ten minutes each way. Darkness was rapidly descending over the field, but the play, when resumed, was the same good brand as at the beginning. The ball travelled up and down the field in the overtime, but both defences showed up well. Y.M. got a corner, but failed to break the tie. Y.M. missed another chance to score on a corner. The teams changed ends but could not break into the score sheet, and the game ended in a scoreless tie.

At some future date the game will be replayed. The game was handled in a satisfactory manner by Mr. Davidson.

The line-ups were as follows:
Q.C.R.—Goal, McGinty; right back, B. Grimes; left back, A. McHardy; right half, Twyman; centre half, Scott; left half, Thorn; outside right, H. Grimes; inside right, Jackson; centre, E. Webb; inside left, McNally; outside left, Pentland.

Y.M.C.A.—Goal, Stoyles; right back, Wootton; left back, Joiner; right half, Westlake; centre half, Hayes; left half, W. Webb; outside right, Bennett; inside right, Rankin; centre, Hammond; inside left, Robertson; outside left, Gardner.

IMPORTS INCREASED AND EXPORTS DECREASED FOR YEAR ENDING JUNE 30TH

Imports into Canada During Past
Twelve Months Valued at
\$1,142,004,494.

(Canadian Press Despatch)
OTTAWA, July 25.—Increased imports and decreased domestic exports during the twelve month period ended June 30, 1928, as compared with the preceding twelve months, are shown in figures issued through the Dominion Bureau of Statistics. During the twelve months ended June 30 last, imports into Canada were to the value of \$1,142,004,494. During the twelve months period ended June 30, 1927, they were valued at \$1,005,254,279.

Domestic exports during the twelve months just ended reached a valuation of \$1,230,526,328, as compared with \$1,274,261,233 in the preceding twelve months.

For the first three months of the present fiscal year domestic exports were valued at \$284,117,730 and imports amounted to \$302,776,481.

**STRIKERS AND POLICE AT
BEDFORD HAD A CLASH**
Several Policemen Sustained In-
juries and Eight Mill Workers
or Their Sympathizers Arrested.

(Associated Press Despatch)
NEW BEDFORD, Mass., July 25.—This city was peaceful once more today after experiencing the most vigorous clash between striking textile workers and police since 28,000 mill operatives walked out fifteen weeks ago.

Five thousand persons last night watched reserves battle a crowd outside the Sharp mill, and when the fray had ended several policemen had sustained injuries of varying severity and eight mill workers or their sympathizers had been arrested.

The outbreak came shortly after a new offer from the state board of conciliation and arbitration at Boston to settle the controversy caused by the announcement of ten per cent wage cuts.

Electric Investors year ended June 30th earned \$2.97 a share against \$3.82 in year ended December 31st, 1927, and \$2.35 in 1926.

Imperial Tobacco of Canada calls stockholders meeting for August 10 to vote on a plan to authorize capital stock to 10,000,000 shares of \$5 par value from 7,600,000.

Daivson Chemical offers stockholders of Silica Corporation stock on holders right to subscribe to 80,000 basis of one Silica at \$25 for every five Daivson Chemical held. Rights expire August 29th. Offering underwritten at \$24 a share by bankers, who also have brought forty-nine per cent interest in European Silica Gel Corporation for \$2,500,000.

Twenty industrials 212.00, up 1.16; twenty railroads 137.25, up 0.60.

**RADIO CORPORATION DENIES
CHARGE OF A MONOPOLY**
Files Reply to Complaint Lodged
by Federal Trade Commission.

(Associated Press Despatch)
WASHINGTON, D.C., July 25.—The Radio Corporation of America yesterday filed a general denial to the Federal Trade Commission's complaint charging monopoly of the unfair trade practices in the distribution of vacuum tubes for radio sets through licensing agreements with twenty-five radio manufacturers. The Corporation asked dismissal of the complaint.

The answer was filed to the complaint issued by the commission on May 23rd in which it was charged that the Radio Corporation of America, the General Electric Company, the Westinghouse Electric and the American Telephone and Telegraph Company monopolized the sale of vacuum tubes, particularly the type of initial tubes with radio receiving sets.

**SHAWINIGAN TAKES OVER
LAURENTIDE CO. HOLDINGS**
Purchase Made for \$150 in Cash
and One Share of Shawinigan
Stock for Each Share of Lau-
rentide Power.

(Canadian Press Despatch)
MONTREAL, July 25.—The Montreal Gazette says today that it learned on good authority that the Laurentide Company has disposed of its holdings of Laurentide Power Company, Limited, to the Shawinigan Water and Power Company for \$150 in cash and one share of Shawinigan stock for each share of Laurentide Power.

The confirmation of this deal, the paper says, will come within a reasonably short time after the necessary meetings of shareholders have been held and the offering extended to shareholders in general.

The Laurentide Company, subsidiary of Canada Power and Paper Company, holds 72,000 shares of S. Power stock, the paper states, and adds "that it will be seen that it will receive 72,000 shares of Shawinigan stock, plus \$10,800,000 in cash."

**REGIMENT OF CHASSEURS
IN PORTUGAL TO BE DONE
AWAY WITH BY GOVERNMENT**

Decision Arrived at by Council of
Ministers Yesterday — Rebels
to Be Dealt With Later On.

(Associated Press Despatch)
LISBON, Portugal, July 25.—The regiment of chasseurs, in whose barracks last week's revolutionary attempt took form, is to be disbanded. This was decided by the council of ministers yesterday.

The authorities have opened an inquiry as to the source of the revolutionists' finances. The council of ministers has drafted a special special measure to apply to punishment of the authors of the revolt.

CANADA POWER WAS FEATURE AT MONTREAL

Prices Opened Relatively Higher
This Morning, But Market Con-
tinued Rather Quiet.

(Canadian Press Despatch)
MONTREAL, July 25.—The local stock market opened relatively higher this morning, but continued rather quiet. Canada Power and Paper, and Shawinigan, which are involved in the reported deal by which the Laurentide Company, a subsidiary of Canada Power and Paper, disposes of its holdings of Laurentide Power Company to the Shawinigan Water and Power Company, both opened higher and showed a fair amount of activity. Canada Power and Paper, yesterday's feature, again led the market in activity and opened 1/4 higher at 36 1/4, but later receded to 35 1/4. Shawinigan opened a quarter higher at 91, but dropped back to yesterday's close.

Brazilian was fairly active and was a quarter point higher at 55 3/8. Nickel opened 92 1/4, up a quarter, while Quebec Power was a half higher at 107. Montreal Power was weak 1 1/8 off on point, while Canada Car and Steel of Canada were fractionally lower.

**RADIO CORPORATION DENIES
CHARGE OF A MONOPOLY**
Files Reply to Complaint Lodged
by Federal Trade Commission.

(Associated Press Despatch)
WASHINGTON, D.C., July 25.—The Radio Corporation of America yesterday filed a general denial to the Federal Trade Commission's complaint charging monopoly of the unfair trade practices in the distribution of vacuum tubes for radio sets through licensing agreements with twenty-five radio manufacturers. The Corporation asked dismissal of the complaint.

The answer was filed to the complaint issued by the commission on May 23rd in which it was charged that the Radio Corporation of America, the General Electric Company, the Westinghouse Electric and the American Telephone and Telegraph Company monopolized the sale of vacuum tubes, particularly the type of initial tubes with radio receiving sets.

**SHAWINIGAN TAKES OVER
LAURENTIDE CO. HOLDINGS**
Purchase Made for \$150 in Cash
and One Share of Shawinigan
Stock for Each Share of Lau-
rentide Power.

(Canadian Press Despatch)
MONTREAL, July 25.—The Montreal Gazette says today that it learned on good authority that the Laurentide Company has disposed of its holdings of Laurentide Power Company, Limited, to the Shawinigan Water and Power Company for \$150 in cash and one share of Shawinigan stock for each share of Laurentide Power.

The confirmation of this deal, the paper says, will come within a reasonably short time after the necessary meetings of shareholders have been held and the offering extended to shareholders in general.

The Laurentide Company, subsidiary of Canada Power and Paper Company, holds 72,000 shares of S. Power stock, the paper states, and adds "that it will be seen that it will receive 72,000 shares of Shawinigan stock, plus \$10,800,000 in cash."

NEW YORK PRESS MARKET COMMENT

Furnished by
McManamy & Walsh.

The New York Financial Bureau says today:

"American Can has started its advance in a rather decided fashion, and while the prediction is not made, it would nevertheless be no surprise to find American Can in the current advance developing outlook for strength much as in the cases recently of Atlantic Refining, Montgomery Ward and Union Carbide. If actual decided improvement in earnings is to be the principal factor in the selection of issues to be bought at this time, then St. Paul preferred, while it is available below fifty cannot be overlooked. The recommendation to buy General Motors stands and is repeated. U. S. Leather earnings, however, allowing for a \$6 rate on the 'A' stock, showed close to an annual rate of \$9 a share on common. Further increase in earnings and further advance in the stock is expected."

Journal of Commerce—"The firming of quotations of securities during the past has had a profound effect upon market sentiment. The bearishness which was rampant a week ago has been largely dissipated, and in its place there is a general tone of cautious optimism, in the opinion of brokers."

Times—"In the money market there was no change yesterday. None of the movements in the market was important, and the moderately rapid decline which occurred in a handful of shares did little more than cancel the advances made in the same stocks during the day."

Wall Street Journal—"Buying activities in the better stocks displayed distinct broadening tendencies yesterday. Recent strength in various standard industrials was given greater authority by the re-appearance of good demand for the better grade of rails."

Pounds.

(Canadian Press Despatch)
VERDUN, Que., July 25.—While playing near the shore on Heron Island in the river St. Lawrence yesterday, several children noticed a seal on the shore. They gave chase. The seal slipped into the water and sank below the surface, only to reappear several yards away. The children put out in a rowboat, and followed the creature, which dived quickly and swam to a small island nearby, where the children easily killed it with oars.

The seal, which must have found its way up from the Gulf of St. Lawrence, was three and a half feet long and weighed sixty pounds.

HOME RUNS GAVE CARDS VICTORY OVER DODGERS

St. Louis Increased Lead in National League Race — Reds Took Phillies into Camp to Tune of 5 to 1.

(Associated Press Despatch) NEW YORK, July 25.—Facing possibly the crucial test of the campaign, the St. Louis Cardinals started their second eastern invasion with a victory over the Brooklyn Dodgers and stretched their lead over the field in the National race to four and a half games.

If the Cardinals can repeat the sensational drive they made through eastern opponents on their first swing around the Atlantic seaboard, there appears little chance that any rival can overtake them. In their first eastern trip the Cards won eleven games and lost only two. Chicago and Cincinnati, holding second and third places in the standings, have yet to prove that they are good road teams. Despite the weak spots at Boston and Philadelphia, the Cubs did not better than break even on their first invasion, and the Reds won only six games in fourteen, dropping four in a row to the Phillies.

Home runs decided the issue at Brooklyn yesterday when the Cards nosed out a 2 to 1 victory over Uncle Robbie's struggling Dodgers. Jim Petty was in fine form, but Jim Bottomley's twenty-first homer of the season and Chick Hafey's fifteenth sent him to the showers with another defeat tacked on to his record. Wee Willie Sherdel held the Robins helpless except in the fourth, when a pass and two singles gave Brooklyn its only run.

The Reds moved to within a game of the idle Cubs by taking the Phillies into camp 5 to 1. Ephra Rixey holding the Quakers to six scattered hits. The Reds supported him sensationally in the field turning in four double plays.

Back on his home lot, John McGraw shook up the New York Giants' batting order and Larry Benton turned in a six to three victory over the onrushing Furies of Pittsburgh.

Joe Dawson, a pitcher when he's not an aviator, pitched well, except for the sixth inning, when the Giants scored five runs, three runs

coming home on McElt's home run. Benton was touched for twelve safeties, but they didn't mean much in the run column.

Jack Russell and the Boston Red Sox would have turned back the New York Yanks, American League champions, for the second day in a row, had their battle at Boston ended in the eighth inning. At the close of that frame Russell had outpitched Herb Pennock and the Sox were leading by 3 to 1. In the ninth, however, six hits, a sacrifice fly and a stolen base gave the Yanks four runs and the old ball game, 5 to 3.

ST. ROCH TRAVEL TO MAGOG THIS EVENING.

This evening the local St. Roch team will travel to Magog and continue their ancient rivalry. In the series already played between these two teams the locals have won two, lost one and tied one. The Magog Prue have a strong outfit and expect to wipe off the 2 to 1 defeat administered to them by the locals a short time ago.

Meek will in all probability hurl for Magog, while either Morin or LePage will pitch for St. Roch. On Thursday evening Capleton will provide the attraction at the Park Avenue ball park. The local fans will have another chance of witnessing the southpaw, Fisk, in action. Lowell and Dufour will be the battery for Capleton.

On Sunday the locals will be hosts to the visiting Drummondville team. This team is about on a par with Magog, and should provide a good game. On Sunday this strong aggregation defeated Magog 20 to 0 in Drummondville, while the Sunday before the two battled to a nine-inning one all deadlock. The pitchers for this game have not been named, although the local management is making an attempt to get "Heeny" Thormahlen to do the pitching for Sherbrooke.

CHALLENGER IS A MAN WITHOUT TEMPERAMENT

Unbelievable as It May Seem, Heeny Is Getting No Thrill Out of Meeting Tunney for World's Heavyweight Championship.

(Associated Press Despatch)

FAIR HAVEN, N.J., July 25.—A man without temperament—that is Tom Heeny, the rock-ribbed, barrel-chested New Zealander who tomorrow night battles Gene Tunney for the world's heavyweight championship.

Unbelievable as it may seem, Heeny is getting no thrill out of meeting the champion in a battle that may mean a million dollars for him and the title of world's champion.

"Blime me, if I can get what you Americans call a kick out of it," he says. "I guess I haven't got any of that temperament stuff in me. Meeting Tunney, of course, is a big chance for me—it may mean my financial independence, but I cannot get excited about it. It is just a sporting proposition. If I can't win I want to be a good loser."

Much has been written about Tunney's no-nonsense, his cool, calm collectiveness, his scholarly character and his knowledge of himself. Tunney may have all of that, but he has no corner on this market. Heeny has personality.

A Likable Character

In his training camp here, he has been accessible at all times. He might just as well be a horsehoof or a plumber that he used to be instead of the challenger for the world's heavyweight title as far as outside appearances go. He is as common as an old shoe with no contempt at highbrowedness, no desire to be out of the ordinary. He walks around the camp in a rumpled pair of old blue trousers, a pair of comfortable Oxfords run down at the heel, coatless and hatless and with a shirt open at the neck. He is always mixing with everybody, chatting about any question that comes up.

He is ever ready to do anything asked of him although at times the doing is inconvenient. Nobody can help liking him. The newspaper correspondents proclaim him as one of the most likable characters they ever met. His blue eyes look straight into yours and he talks simply and directly with flashes of true Irish wit.

Unaffected and approachable, Heeny has made a host of friends since he first hit America fifteen months ago and battled his way to a shot at the championship on sheer merit. He has not earned the title of "hard rock from down under" for nothing.

Today Heeny goes into seclusion, which his handlers think is a necessary part of the pre-battle programme. Heeny himself thinks it is silly, but he realizes that it is all a part of the bally-hoo and that he must conform to tradition.

If he had his own way about it, he would much prefer sitting out in the shade of the big pine tree out in the yard, or better still, sitting in the back room of an old-time saloon and "knocking over a few beers."

Comes from Old-Fashioned School Heeny comes from the old-fashioned school and believes in carrying out old-fashioned ideas about drinking beer or ale. He makes no defense of it. He likes his beer and doesn't care who knows it. In his training he drank a couple of pints of ale daily. If it were permitted by his handlers he would have consumed six pints.

Heeny finished his training yesterday, stepping through six rounds of gymnasium work with no boxing. He was in rollicking good humor after it was all over.

"Honestly, if it rains Thursday I'll feel like bursting out in a good cry," Heeny said. "I simply feel great right now."

With Tunney going to the battleground in an aeroplane, Heeny will go to the scene by boat. He has accepted the offer of Chris Schmidt, a resident of Rumson, a nearby village, to make the trip in Schmidt's yacht. They intend to leave Seabright during the morning, arriving in New York just in time to weigh in. Heeny expects to scale 198 pounds, but may go into the ring weighing two pounds heavier.

BERG AND PETROLLE MEET TOMORROW

(Associated Press Despatch) CHICAGO, Ill., July 25.—Jack Berg, English lightweight, will meet Billy Petrolle, of Fargo, N. D., tomorrow night for the right to battle Sammy Mandell for the title.

Promoter James Mulien has signed Mandell for a September bout to meet the winner of tomorrow night's scrap.

GOLF AS CHAMPIONS PLAY IT

PRACTICE SWINGS OFTEN RESULT IN THIS MANNER.

Do you advise frequent practice swings during the course of a round? Why or why not?

By LEO DIEGEL

Canadian Open Champion, Shawnee Open Champion and Illinois Open Champion, San Diego Open 1928, Tied for Long Beach Open.

It is a very bad and dangerous habit to fall into. It is bound to tire you out, and it will also get on the nerves of the people playing with you. Give a thought to the rights and feelings of others. A practice swing in between shots is justified at times, however, of you feel that you are not swinging well. But it may be dangerous, because people do not expect practice swings. I have seen five people hit by practice swings.

If you must indulge in an occasional practice swing be sure that no one is near enough to be struck by your club. The time to do your practicing is before the round starts. Another thing to be considered is that a practice swing does unnecessary damage to the turf. The turf has enough injuries inflicted upon it during the ordinary course of play without having to bear the brunt of practice swings.

COMPSON LEADS WALTER HAGEN BY ONE HOLE

Final Rounds of Challenge Match Will Be Played Today—Lanky British Pro Won Yesterday.

(Associated Press Despatch)

NEW YORK, N.Y., July 25.—Archie Compson, lanky British professional, has only to hold his own today to defeat Walter Hagen, holder of the British open championship, in their second seventy-two hole match of the year. Compson goes into the last half of the match, which will be played over the links of the Westchester-Biltmore Country Club today, with an advantage of one hole. The first thirty-six holes were played yesterday at the Sandy Burr Club, Wayland, Mass.

RESULTS OF BOUTS LAST NIGHT

The results of the fights last night are as follows:

Indianapolis—Roy, Wallace, Indianapolis, won from Bobby Williams, Syracuse, N. Y., 10 rounds.

Bobby Allen, Chicago, defeated Kid Woods, Indianapolis, 8 rounds.

Eddie Roberts, Indianapolis, outpointed Eddie Ammon, Cincinnati, 6 rounds.

Newark, N. J. — Johnnie Reno, Stockton, Calif., defeated Al Delmont, Newark, 8 rounds.

TUNNEY SAYS HE NEVER WAS IN BETTER SHAPE

Champion's Followers Are Confident that He Will Knock Out Heeny With Heavy Body Blows.

(Associated Press Despatch)

SPECULATOR, N.Y., July 25.—The end of Gene Tunney's struggle to remain on top of the fistie heap was but twenty-five hours away today when he ended training for the second defense of his heavyweight title against Tom Heeny in the Yankee Stadium, tomorrow night, with a four mile hike along the roads of his beloved Speculator.

For three months Tunney has toiled through a most rigorous training season and now, thanks to his own efforts alone, he is physically and mentally perfect for the fray with his rugged New Zealander challenger.

Though Tunney has fought but once since 1926, when he wrested his title from Jack Dempsey, the Manassa Mauler, to his opponent's four-teen bouts in the same space of time, he will enter the ring the better boxer of the two. He has probably gained in fistic science during his long lay-off, for he has always been a close student of his trade.

Is Quite Confident

Tunney claims he has never been stronger, that he is punching harder and he has confidently predicted that he will defeat Heeny, probably by a knockout.

During his long training siege during which he has never appeared outside of the ring in anything but a sweater, shabby linen trousers and an old pair of shoes, scarcely noble raiment for the ruler of fisticana, Tunney has been developing a pow-

erful right hand body punch, a blow which Heeny has always had great trouble fending.

He completed his ring practice yesterday afternoon by going two rounds each with his sparring partners.

"I am ready," Tunney said when he left the ring. "Heeny is a rugged fighter but I have complete confidence in my own ability. I am better than I was for Jack Dempsey last year."

Tunney's only companion today was Orin Nobles, Seattle, Wn. artist, who has been sharing the champion's Lakeside cabin for the past several weeks. Nobles will remain with Tunney until tomorrow morning, when the latter takes off from Lake Pleasant in a dual-motor-eg Sikorsky amphibian on a flight to New York, where he will weigh in at the Madison Square Garden at 2 p.m.

Though most of Tunney's advisers and thousands of his well wishers have pleaded with him to try a more common place means of travelling, he has remained obstinate.

Has Not Become Nervous

Unlike most boxers, Tunney has not become ill-tempered and nervous with the end of his training. He calmly went through his training yesterday, and last night he patiently conversed with well wishers until 9 p.m., when he retired to his cabin.

During the past week the camp has been marked by an exceptionally strong spirit of confidence regarding Tunney's chance to retain his title. All of his training associates, manager, trainer, seconds and sparring partners have predicted that Tunney will knock Heeny out during one of the early rounds of the fifteen round bout with heavy right hand body punches. This opinion has been shared by a majority of the newspapermen, most of whom came here after closely studying the challenger's work outs at Fair Haven, N.J.

"Certainly Where can we get postcards?"

LACROSSE
ST. PATS AND EAST SHERBROOKE IN IMPORTANT TILT THIS EVENING.
Whether St. Pats will clinch the championship title of the Junior Lacrosse League or whether East Sherbrooke will still remain in the running will be decided at the Parade grounds this evening. St. Pats are now in undisputed possession of first place in the league standing with four wins and no losses. They have two more games to play, one with East Sherbrooke and the other one with the Nationals. Should they lose these two, a tie between them and the boys from the East will result. A close game is expected and a large crowd will likely be on hand to witness this important contest.
