### World News In Brief

Paris — (AP) — Three fire companies were called out Sunday when an alarm went out from famed Notre Dame Cathedral. A lighted cigarette had ignited some waste paper in one of the towers, slightly damaging the wooden floor.

Hiroshima, Japan — (AP) — Twenty-three American seamen who walked off a freighter last week complaining they hadn't been paid in three months returned today to their posts aboard the Audrey II, Ralph Blake, American consul-general, said the crew returned after the consulate transmitted assurances from the ship's New York owners, Universal Oil Carriers, Inc., that wages were being called to Japan.

Manila. — (AP) — The Philippine army has banned showing of the Hollywood film "Viva Zapata" in Cebu City and other provincial towns on the grounds that it tends to endanger the security of the state. The film, which was shown in Manila recently after an earlier ban, deals with the life of a Mexican revolutionary general.

Moscow. — (AP) — The Supreme Soviet Sunday awarded the order of the red banner to the Crimean city of Sevastopol to commemorate the city's defence 100 years ago against British, French and Turkish forces in the Crimean War. Sevastopol held out 11 months against those attackers. Newspaper articles today compare that defence with the city's resistance against Hitler's armies in the Second World War.

Panama City, Panama — (AP) — Fire destroyed a block of frame houses in a crowded tenement district here Sunday, leaving more than 400 persons homeless. Twenty were treated at a hospital for injuries. The Red Cross provided temporary shelter for the homeless at the National Stadium.

Cincinnati — (AP) — Fluoridation of water will soon be as widespread as chlorination of water and pasteurization of milk, the president-elect of the American Dental Association says. Dr. Daniel F. Lynch said Sunday that 20,000,000 persons in 1,015 U.S. communities now drink fluoridated water, and the need for dental treatment of tooth decay and loss of teeth will be cut by more than 60 per cent.

## Early Estimates Place Property In Excess Of Hundred Million Dollars

### Churchill Not Likely To Resign

London — (AP) — A wholesale reshuffle brought seven new members into Prime Minister Churchill's Conservative cabinet today. A total of 17 other ministerial posts changed hands in a big shakeup seen by most political observers as a sign that Churchill's retirement is not in the cards at this time, although he will be 80 Nov. 30.

The most significance in this connection is attached to the appointment of Housing Minister Harold Macmillan to succeed retiring Earl Alexander as Minister of Defence. Macmillan, a 60-year-old book publisher, has been considered a likely successor to Anthony Eden as Foreign Secretary if and when the heir-apparent to the aged Churchill steps up into the premiership. But as the independent, usually well-informed Times comments:

"It is unthinkable that Sir Winston Churchill would have moved him to such a key post as the Minister of Defence if within a short time he were going to be moved out again."

It generally is conceded that Churchill will continue to head the government indefinitely in quest of what he has described as "this last great prize I seek to win"—lasting peace between the Western world and the Soviet Union.

In addition to Macmillan, other new cabinet members are: Minister of Housing and Local Government — Duncan Sandys, 46, Churchill's son-in-law.

Minister of Education — Sir David Eccles, 50, who managed arrangements for the coronation. Lord chancellor — Sir David Maxwell Fyfe, 53.

Minister of Food and Agriculture — Derick Heathcoat-Amory, 54.

Home Secretary and Minister of State for Welsh Affairs — Gwilym Lloyd-George, 59.

Osbert Peake, 57, Minister of Pensions and National Insurance. He already held the post; the shakeup gives him cabinet rank.

Four ministers who desired to return to private life resigned. They were: Alexander, 62-year-old wartime field marshal and post-war Governor-General of Canada, who quit the defence post; Lord Simonds, 72, Lord Chancellor; Sir Lionel Heald, 57, Attorney-General; Miss Florence Horsbrugh, 63, Minister of Education.

Toronto — (CP) — Central Ontario counted the worst flood toll in its history today as the full tragedy of Friday night's floods, born of Hurricane Hazel rain, was realized.

Dead were 55 persons, all but two identified. Missing and believed drowned were 30, and another 31 were listed simply as missing — a total of 116 who may have perished in the disaster.

All but a few were residents of Etobicoke, Weston and Woodbridge, suburbs of small homes along the Humber river, a usually shallow, orderly stream which runs into Lake Ontario near Toronto's western border.

Swollen to a torrent by 7.2 inches of rain Friday, the river burst its banks, swept across a bend in its course and devastated three streets in Etobicoke township — Raymore drive, Gilhaven drive and Kingdom street. On Raymore alone 19 homes were swept away, leaving only a rubble of foundations.

Authorities who had thought the casualty list of dead and missing stabilized at 85 were distressed Sunday night when it rose sharply as police and the Red Cross issued a new list of 31 additional missing in the hardest-hit area. Broadcast of earlier lists on radio and TV stations brought only a few reports that missing persons were safe.

While the lower Humber area was hardest hit the rambling river struck as far north as the Holland marsh, 35 miles north of Toronto, a rich-market garden area where 1,100 persons, most of them Dutch immigrants, were forced from their homes.

As the official search for bodies was halted at sundown Sunday, ghouls were reported busy in the Etobicoke area searching for bodies to rob of jewelry and money. RCMP and provincial police and RCAF and navy guards were rushed in, and special police were sworn.

It will be days before an accurate estimate of the damage can be made. Fred G. Gardiner, chairman of the metropolitan council, said guesses run as high as \$100,000,000.

Bridge and road repairs in the area west of Toronto will be costly. Destruction and damage to homes has yet to be assessed and the damage to highways and bridges north of the city, including the newly-built, four-lane Barrie highway, is extensive. At least 40 bridges were destroyed or damaged in central Ontario.

In the Holland marsh area the crop loss alone has been fixed at more than \$2,000,000. Some 465 families there, comprising about 1,100 persons, lost all their possessions and the district's main asset, its famous, rich, black loam, is covered with silt.

Metropolitan council will ask either the federal or provincial governments to appoint a commission to assess the Toronto area damage and will apply to the national relief fund, created with unspent funds from the 1950 Winnipeg flood, for assistance. Appeals also will be made to the federal and Ontario governments for help.

Premier Frost of Ontario announced a meeting between officials of flood-stricken municipalities and government officials to survey the damage. Assistance will be given municipalities which suffered damage in disaster proportions.

A relief fund was organized Sunday at an emergency meeting of the metropolitan council. A national appeal will be made for money to compensate flood victims for personal and property loss.

Toronto itself was virtually untouched by the storm. A few trees fell, and there was some power interruption but Torontonians went to bed Friday night without knowledge that a tragedy was taking place nearby.

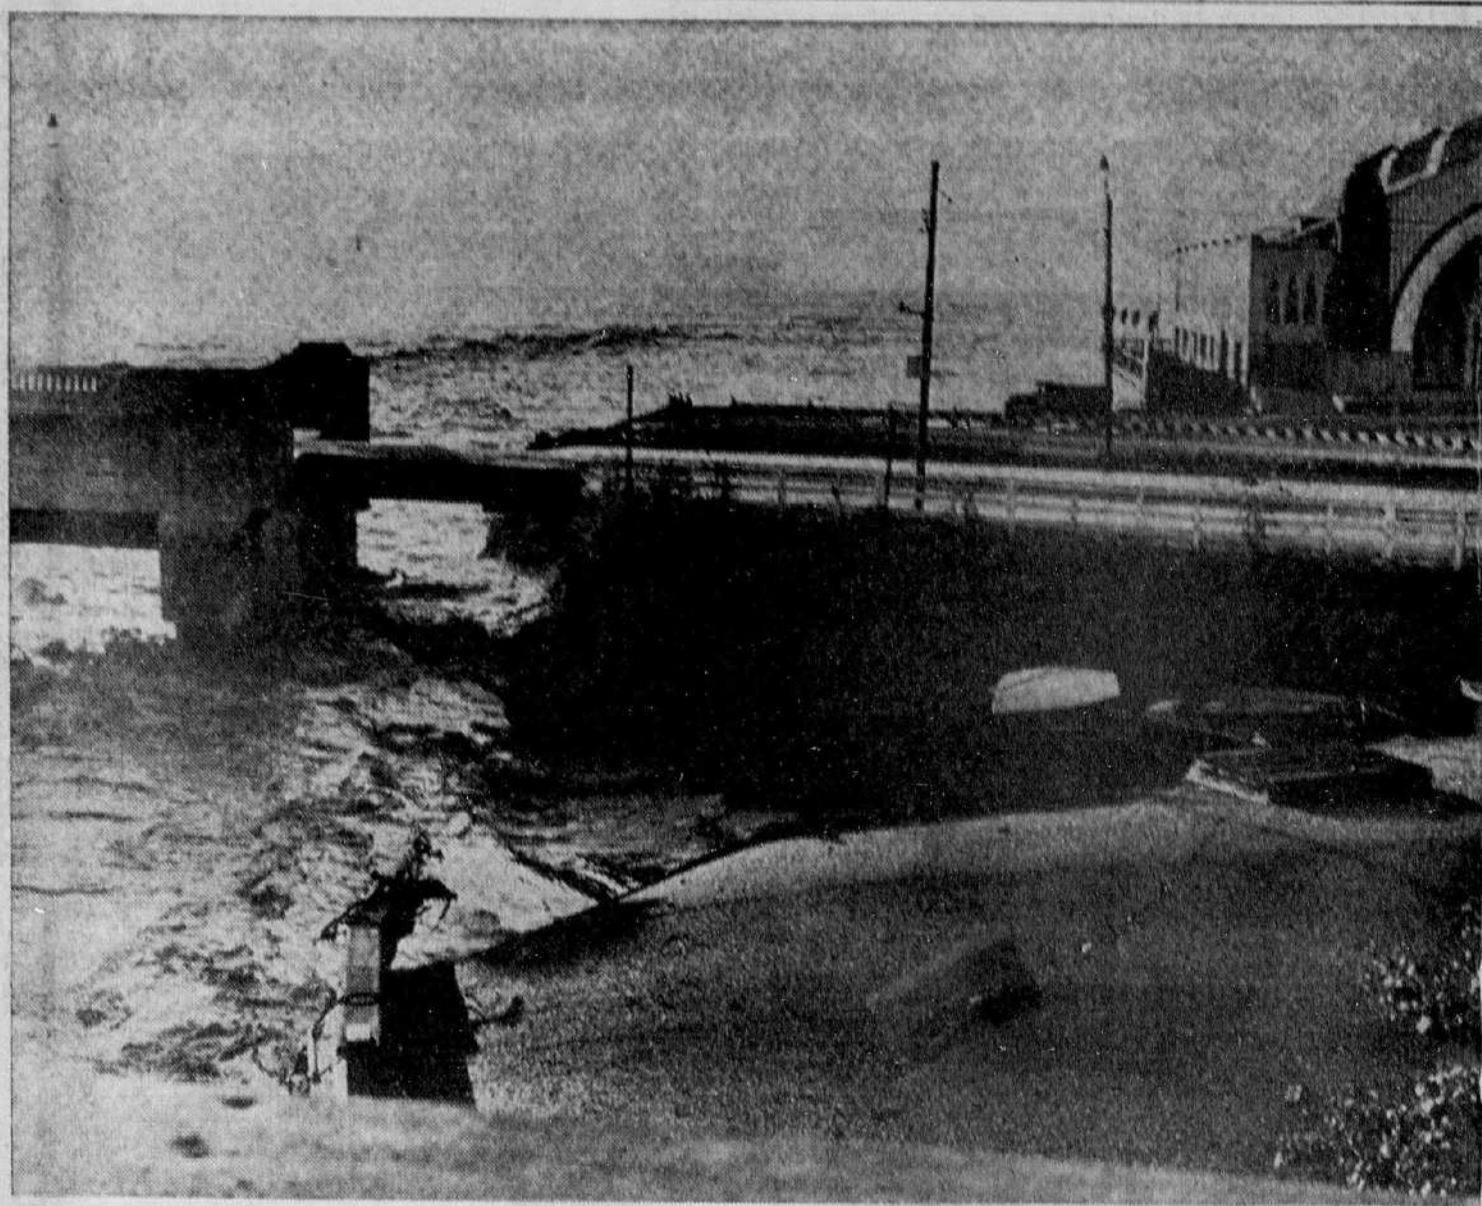

When the Noronic burned at the waterfront Sept. 17, 1949, with the loss of 119 lives, the disaster was a flash of fire in Toronto's front yard. It was instantly recognized as a tragedy.

Friday night people of the richly wooded Humber valley died alone or with their families, in their bedrooms as their homes were swept away or in the streets as they tried to escape.

Not until noon Saturday did Toronto begin to realize that the storm had brought death to so many. The confirmed death toll then was 15. It rose to 30 by nightfall and 45 by midnight. As more bodies were found Sunday the total gained steadily. Today Toronto awoke to the realization that a disaster of Noronic proportions had struck its western suburbs.

The city today was almost isolated from its western suburbs. A main artery at the waterfront, the Humber bridge, was washed out at the western end and a bally bridge was rushed to cover the gap. Traffic on other routes into the city was restricted but railways put on extra trains to

### Self-Styled Utah Hero Admits Fake

Salt Lake City — (AP) — Troubled Utah Republican party leaders meet in Salt Lake City tonight to consider the political fate of a man they thought only 48 hours ago to be a shoo-in for reelection to the federal congressional seat he now holds.

The meeting was hurriedly scheduled after Representative Douglas R. Stringfellow (Rep. Utah) Saturday night rocked the state with the disclosure that he was not, as he had claimed in many quarters including the Congressional Record, the hero of a secret, behind-the-lines mission into wartime Germany to capture atomic scientist Otto Hahn.

With tears running down his cheeks, the 32-year-old disabled veteran had appeared on a hastily arranged television program to say that his story of wartime cloak-and-dagger heroism — recounted "over a decade when I had made over 200 speeches in a single year."

The case recalled that of Canada's George Dupre, hero of Quentin Reynolds' book "The Man Who Wouldn't Talk." Dupre, who like Stringfellow made many speeches in the post-war period about his cloak-and-dagger experiences during the war, was exposed by a reporter for the Calgary Herald who recognized flaws in the stories on intelligence operations.

Stringfellow made his disclosure on the heels of a story published in the veterans edition of The Army Times, an unofficial Washington newspaper, which questioned the authenticity of his tale of wartime espionage.

"Like many other persons suddenly thrust into the limelight I rather trusted on the adulation and new-found popularity," he said sadly, reading to the television camera from a prepared statement.

"I fell into the trap which in part had been laid by my own glib tongue." Stringfellow offered to withdraw from the congressional race, but left the decision up to Utah's 128-member Republican state committee; hence tonight's meeting.

Local leaders were instructed to come to the meeting armed with a sample of opinion in their home districts. O. J. Wilkinson, state Republican chairman, said "a large volume" of the great number of telephone calls and telegrams received after the TV show indicated the callers would still vote for Stringfellow.

### Erie Mayor Arrested In Vice Raids

Erie, Pa. — (AP) — Mayor Thomas W. Flatley, under arrest with 44 other men on charges they are involved in a \$20,000,000-a-year gambling syndicate, Sunday signed a statement saying he never accepted any bribe money from gamblers.

Republican District Attorney Damian McLaughlin of Erie county said that Flatley, a Democrat, told him that the money he received was earmarked for a political fund.

However, the district attorney said he has evidence that shows the mayor knew he was receiving bribe money from gamblers.

The defendants were arrested Saturday in a series of swift raids in this city of 130,000 on the shores of Lake Erie.

The district attorney said that six other men also will be arrested. The mayor is charged with accepting a \$300 bribe.

Other top figures arrested were: Jack Martin, chief police inspector, three counts of accepting bribes, three counts of conspiracy, and two counts of bribery.

Stanley Schwartz, a Democratic party leader, conspiracy to bribe a police officer.

Deward Camilli, a member of Erie's vice squad, four counts of conspiracy, and six counts of accepting bribes.

## Big Damage Suit Filed Over Strike

New York — (AP) — A truck strike hit the New York area's first full business day today as strikebound trucking firms planned to file a damage suit for \$10,000,000.

A prolonged strike was predicted by the employers' chief negotiator, Joseph M. Adelizi, when he announced that the suit would be filed. He said most employers will hold out against wage demands of the AFL Teamsters Union.

The only hope for getting the affected trucks rolling soon, he added, lies with federal intervention to end the "paralysis" which he said industries and stores will feel by Tuesday or Wednesday.

The strike applies to general cargo drivers and for the most part will stop industrial supplies, newspaper and imports and exports. Food, fuel and other necessities will not be involved, since they are handled by drivers covered by separate contracts.

When the strike began, the teamsters union figured more than 23,000 drivers would be involved. Since then, however, the union has signed contracts with a number of firms that agreed to the teamsters' terms. They include three big food chains.

The union figured these signs: Continued on Page 5.

## Plan Use Of Troops To Break Dockers Walk-Out

London — (AP) — The government today was reported ready to order 15,000 troops to work ships as the London dock strike spread to the Mersey waterfront at Liverpool and Birkenhead, threatening a creeping paralysis of British industry.

A further threat at Southampton, the big transatlantic liner port, was postponed, however. Workers there originally scheduled a mass meeting for this afternoon to decide whether to strike in support of the London workers, but union leaders succeeded in delaying the meeting until Tuesday.

## Plan Use Of Troops To Break Dockers Walk-Out

The disorganization caused by the dock strike in London is compounded by a wildcat bus strike, now in its sixth day, in defiance of union leaders.

Some 17,500 dock workers on the Liverpool and Birkenhead waterfronts voted Sunday night to halt work today, but Arthur Deakin, head of the big Transport and General Workers Union to which most of the Liverpool dockers belong, urged the men to ignore the strike call. Deakin termed the vote a "trick." It was claimed by a show of hands at a mass meeting.

With the Mersey dockers out, fewer than 31,000 of 75,000 dock workers in Britain are left to handle vital export cargoes and food imports.

There has been no sign of a break in the strike by more than 20,000 of London's 45,000 bus drivers and conductors. Half the city's 7,600 buses were off the streets this morning, throwing a heavy burden on the crowded subway lines.

## GOP Defeat Unlikely To Hit Eisenhower Policies

By C. R. BLACKBURN  
Canadian Press Staff Writer  
Washington — (AP) — To believe what one reads and hears in this capital is to believe the Republicans haven't a ghost of a chance in the mid-term elections Nov. 2.

Because the balance of power is so close in Congress where a few seats would put the Democrats back in power, this off-year election campaign is getting the full treatment.

News agencies and the larger newspaper groups and independent publications have veteran political reporters roaming the country with their ears to the grass roots listening for trends.

Almost invariably they report trends towards a return of the Democratic party which was pushed aside in 1952 after 20 years in control of the White House and 18 in Congress, where the Republicans won the off-year election in 1946 and held control for two years.

It is quite the usual thing for the party in power in the White House to lose some ground in the mid-term elections which come two years after the presidential elections.

But the Republicans have such a slim hold on both Senate and House—49 of 96 seats in the Senate and 218 of 435 in the House—that they can barely afford to lose a single seat.

There is not certainty that they will but even their leading party workers admit the possibility and they are "running

scared" as the commentators like to phrase it.

For Canadians and other people having close associations with the United States there seems little cause for concern. Canada has friends on both sides.

More important, President Eisenhower has friends on both sides.

Regardless of the outcome, Eisenhower will be president for another two years.

Naturally, as titular leader of the Republican party which made him president in 1952, Eisenhower wants to see his party in control of the legislative wing of government.

In fact, the almost unanimous forecasts of the experts, which flood the columns of the big eastern dailies, stress the likelihood of a Republican disappointment Nov. 2 but say little about what major differences a Democratic victory might mean to the administration, the American people and the rest of the world.

## Ohio River Is Cause Of Heavy Loss

Marietta, Ohio — (AP) — The Ohio river today dumped its flood waters down-river after chasing thousands from their homes in Pennsylvania, Ohio and West Virginia.

The worst of the flood seemed over, with the river falling at Wheeling, W. Va., after cresting there at 44.7 feet Sunday. It was that city's biggest flood since March 3, 1945, when the Ohio reached 47.3 feet.

With water trickling into streets and flooding basements in Marietta today, the weather bureau forecast a crest of 41 feet—five feet above flood level—by midnight tonight.

Some 25 families moved out of the lowlands to higher ground. Downtown merchants in this southeastern Ohio city of 16,000 hoisted stocks from basements to upper floors. But old-time residents thought the flood would cause little damage.

The final flood threat is expected at dawn 22, about midway between here and Huntington, W. Va., where the river is scheduled to crest at 45 feet Tuesday. Flood stage there is 44 feet.

Flood damage at Wheeling meanwhile was estimated in the millions by Col. J. L. Person, Ohio river division engineer.

More than 400 families left homes in Jefferson, Belmont and Monroe counties in Ohio during the week-end as rain water sent over Pennsylvania mountains by hurricane Hazel filled the Allegheny and Monongahela rivers. Those rivers join to form the Ohio at Pittsburgh. The Ohio crest at that point Saturday night was 32.5 feet, more than five feet above flood level, but damage was light.

Person credited flood control systems above Pittsburgh with saving the city some \$90,000,000. At least four persons were killed by turbulent waters in the Pittsburgh area.

### SUTTON— Legion To Have Poppy Campaign

Sutton, Oct. 18—Jack Hawley, chairman of the Legion's Poppy campaign committee in Sutton, has announced that twenty canvassers will start out on the an-

nual campaign on November 1. He said it was the hope of the committee that every business and every household in Sutton would be covered by the canvassers and that the response would be very near 100 percent.

The need this year is very great Mr. Hawley said. The demands on the Poppy Fund have been increasingly greater with each passing month. He made it clear that the Poppy Fund does not provide a regular source of assistance, but it does enable help to be given quickly in emergencies. In most cases, it takes time to arrange help through other organized charities, but the Poppy Fund is so constituted that the necessary help can be given in a matter of hours.

Mr. Hawley went on to point out that while the Poppy Fund is a national appeal, the money raised in Sutton area is used to help local people and does not go into a common national fund. This, however, is only one side of the Legion's national poppy campaign, he continued. "Our other objective is equally, if not more important. It is our aim," he said, "to have every citizen in Sutton wear a poppy on Poppy Day as a mark of honor and remembrance for those who lost their lives in two world wars."

## Apostolic Delegate Officially At Dedication Of Local University

The blessing of the new University of Sherbrooke yesterday afternoon highlighted a four-day visit to this district of Msgr. Giovanni Pannico, Apostolic Delegate to Canada, which opened Saturday afternoon and will conclude tomorrow morning.

The dedication ceremonies themselves were brief, but were attended by the leaders in religious, educational and governmental life of the community and were presided over by His Excellency, Most Reverend Georges Cabana, Archbishop of Sherbrooke and first Chancellor of the new University, which was established last spring out of St. Charles Borromeo Seminary.

Msgr. Pannico, making his first official visit to this district, arrived here on Saturday afternoon at four o'clock after a brief stop in Magog where he was welcomed by religious and civic dignitaries. At the Montclair Bridge on King Street West, he was met by a parade of various religious and public organizations, which comprised the Corps of Frontiersmen, the band of the University of Sherbrooke, the students of the University, the Catholic Scouts and Guides, the Daughters of Isabella, the Fourth Degree Knights of Columbus, the Sherbrooke Harmony Band, the Ste. Famille Parish Guards of East Angus and the Coaticook Zouaves, with the car carrying Msgr. Pannico winding up the procession.

Along a route on King Street West and Brooks Street North lined by school children and their teachers, the Apostolic Delegate proceeded to the Archbishop's Palace where he was received by Archbishop Cabana and other church dignitaries.

The reception was followed by a supper at the Palace. Yesterday morning, Msgr. Pannico officiated at a Pontifical High Mass at St. Michael's Cathedral. During his sermon, he warned Christians against bad books and declared that sacrilegious and vulgar and frivolous literature are the enemies of Jesus Christ.

The benediction of the new University of Sherbrooke followed a dinner held at the Archbishop's Palace, following which the recently-completed wing and the

## Two Meetings On Municipal Loan By-Laws Planned

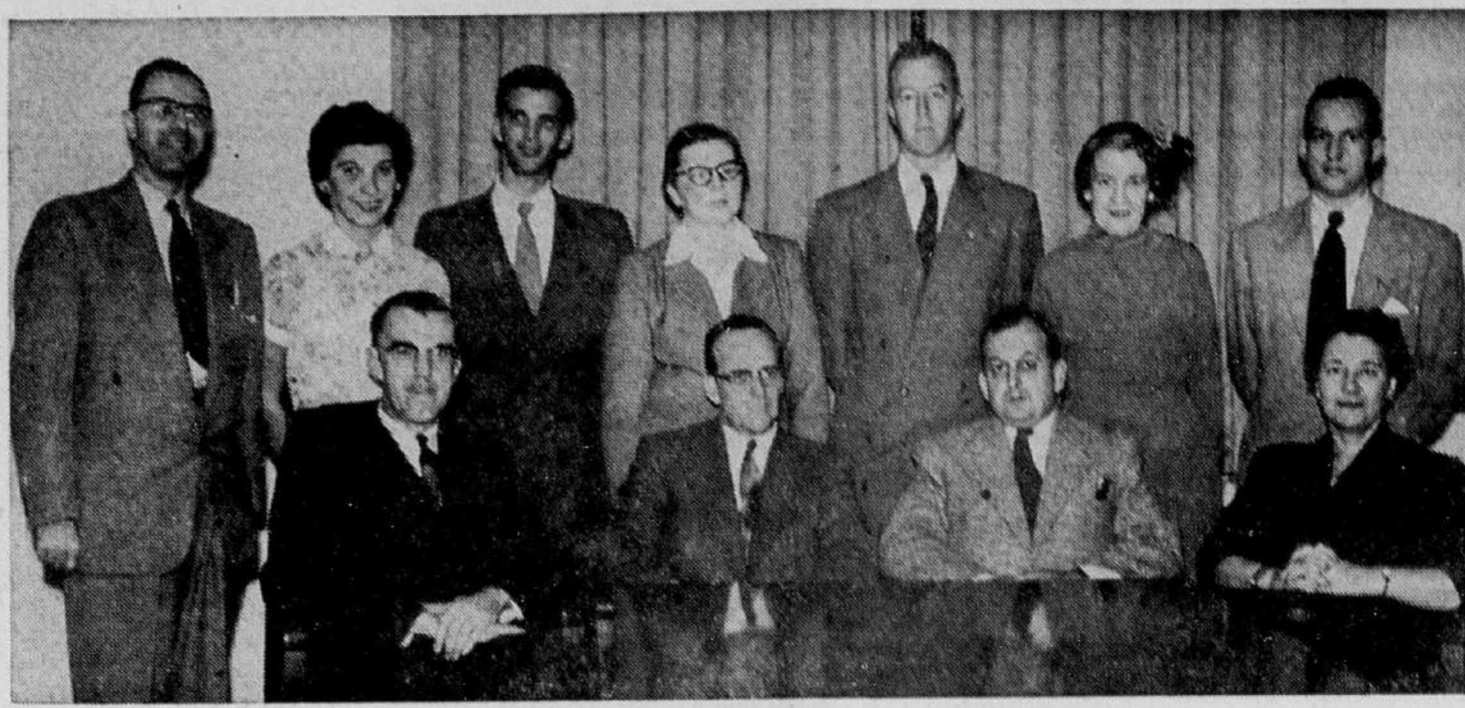

The Sherbrooke Chamber of Commerce will hold two meetings at the beginning of next week in the City Hall auditorium for the purpose of giving the property owners full information on the loan by-laws which will be submitted by City Council on October 27 next. All ratepayers of Sherbrooke and in particular members of the Chamber of Commerce are invited to these meetings which will be held on Tuesday and Thursday nights of next week.

According to what has already been explained, the Chamber of Commerce believes that they have a duty to fulfill. This duty consists in exhorting all property owners to give an opinion on these by-laws and with this in mind they decided that these meetings would help them fulfill their duty. The City Council will attend these meetings.

These meetings will be held in the regular manner of all public meetings of the Chamber of Commerce. They will be presided over by a representative of the Chamber of Commerce who will explain the purpose of the meeting, after which he will invite all competent persons to give a brief explanation of the by-laws. The study of each by-law will be followed by a period of questioning during which only written inquiries will be accepted. In this way everyone asking a question will be assured of having the exact answer.

In order to permit sufficient time for the study of these by-laws the Chamber has decided to divide this into two parts. At the first meeting on October 19 by-laws 834 and 835 will be studied. The first of these by-laws will authorize the borrowing of \$610,000 for permanent works such as sewers, the construction of water and gas lines, the paving of certain streets and the construction of sidewalks, a total of 114 items. The second by-law will authorize the loan of \$650,000 for the Electricity and Gas departments which will include the purchase of transformers and meters, and such work. On Thursday night property owners will be invited to study the last three by-laws.

In order to facilitate easy understanding of what goes on in the Chamber of Commerce has asked the City Council to place at the disposition of the property holders a certain number of copies of the by-laws. The ratepayers will then be able to follow the explanations and the information which will be given.

## Lennoxville Is Forced To Grant Building Permit

Judge Gaston Desmarais, handed down judgement on Saturday in Alden Lennox vs. The Town of Lennoxville, a case which passed before Superior Court some months ago.

The action was taken against the Town when they repeatedly refused to grant Mr. Lennox a building permit for reasons which they explained during the case. Judge Desmarais ordered the Town of Lennoxville to grant Mr. Lennox a permit within 15 days of receipt of judgement. The defendants were also ordered to pay all costs.

On September, 1953, Mr. Lennox first made application for a permit before the Town Council. A week later it was refused. At that time the plaintiff had an option on purchase of a piece of land. He bought these lots on September 17 of the same year. From September 8 to January 4, 1954, Mr. Lennox made repeated requests for a building permit, which was not granted.

In their defense the Town of Lennoxville maintained that the piece of land in question was frequently flooded and that it was hard to make sewer connections with the Lennoxville sewer line because the land was situated in a low lying area.

In rendering his judgement, Judge Desmarais, said that the action on the part of the Lennoxville Town Council was "illegal and arbitrary."

A. R. Tobin acted as attorney for Mr. Lennox while Harry Grundy, Q.C., represented the Town of Lennoxville.

## Plan Visit By President Of Consumer Group

Mrs. H. E. Vautelet, C. B. E., national president, Canadian Association of Consumers, will be guest speaker at Richmond branch meeting, to be held at St. Anne's Church Hall, Tuesday, October 26, at 3 p.m., and at Asbestos branch meeting, to be held in St. Augustine's Church Hall, October 26, at 8 p.m. All interested are welcome.

On Wednesday, October 27, at 8 p.m., Mrs. Vautelet will speak at the home of Mrs. E. A. Cooper, Dominion street, Sherbrooke, to a group of invited key women.

## Funeral Service On Wednesday For Mrs. F. H. Johnson

A funeral service for Mary Ellen Johnson, wife of the late Frank H. Johnson, will be held in St. George's Church, Lennoxville, at 2:30 p.m. Wednesday, Rev. Archdeacon Jones officiating.

Mrs. Johnson died in her 77th year at the Sherbrooke Hospital this morning following a brief illness. Born in Preston, England, she came to Canada in her twentieth year and married Frank H. Johnson in 1899. She spent much of her married life in Cornwall, Ontario, but following the death of her husband in 1934 returned to Lennoxville.

## More Canvassers Needed As Local Community Chest Campaign Starts

A vast army of voluntary workers today commences the job of canvassing for funds to permit the Red Feather Services to continue their operations for another year.

Campaign Chairman Harry Walker wishes to remind the people of Sherbrooke that these workers are all giving their time and efforts without any kind of remuneration beyond the wish that they may be able to do their share towards improving the opportunities for growth toward a mature Christian citizenship for our Young People.

It is the hope of the executive committee that the citizens will not only respond generously to the appeal, but that they will be considerate of the time of these workers, and not cause them unnecessary expenditure of time.

The campaign organizations include: "Mac" Bradshaw, co-chairman; F. L. Pearson, treasurer; Mrs. C. Buckland, secretary; J. E. Shortt, advertising and publicity; W. S. Sutherland and F. J. Sangster, co-chairmen, special gifts committee.

Lennoxville Library Board, under the chairmanship of Mrs. F. R. Pattison, will handle the Lennoxville canvass as a distinct unit, with Mr. D. Gray, acting as treasurer of the committee.

Special gifts canvassers are: J. G. Armitage, R. A. Badger, N. K. Baldwin, W. H. Bradley, C. M. Davis, W. M. Hall, C. E. Joslin, F. Keene, P. M. Robins, L. I. Rosenbloom, D. J. Salls, F. J. Sangster, Clinton E. Soles, D. A. Stevenson, W. S. Sutherland, J. H. Wark, L. M. Watson, R. A. Webster, F. L. Wilson, F. H. Wilson.

Y.M.C. Davison: H. J. Evans, Chairman.

W. H. Bradley, Q.C., captain, Douglas Howard, Harry Grundy, Don Johnson, Grodeon LeBaron, Maitland Soles.

Jay D. Joslin, captain; Robin Stewart, Forest Lord, Walter Mutchler, Jr., Romell Ouellette, Kenneth Strew.

A. S. Mitchell, captain; Jack Allen, Dr. H. T. Southwood, Frank Simms, Douglas Drummond, Paul McKenna.

Robert Chadsey, captain; Jas. Atto, Am. Aston, John Mathias, Dick Varney, Tom Duggan, Gaston Fautoux.

## Reception Opens Annual Symphony Group Campaign

At a tea served yesterday afternoon in the Mayfair Room of the New Sherbrooke Hotel, the Campaign Week of the Symphony Concerts was officially opened. Mrs. Real Lafond, president of the reception committee, and members of the executive committee, of which Dr. J. Olivier is president, received the campaign officers and their solicitors as they arrived.

Among the invited guests were Alderman Sylvio Rousseau, representing Mayor Emile Levesque, and Mrs. Rousseau, Georges Sylvester, N.P., representing the Hon. J. S. Bourque, Mrs. J. S. Bourque, Mr. and Mrs. Maurice Gingués, and Sylvio Lacharite, Director of the Symphony Orchestra.

In welcoming the group, Dr. Olivier outlined what was necessary to make the campaign a success. He asked that each be as co-operative and devoted to the cause as possible. Mrs. Raymond Provencher then gave the necessary information for a successful result to their campaign week. As in other years, the reserved tickets, which will include seats in the boxes, the first section, the first balcony, and the first two rows in the second balcony, will be sold for \$7.50. The \$5.00 tickets will give the holders the right to sit in the non-reserved seats in the general section, and in the central section of the second balcony. The side sections of the second balcony are reserved for holders of the three-dollar student tickets. All tickets are season tickets. People who held reserved tickets last year will be able to reclaim their same seats. If they desire a change, they should go as soon as possible to the secretary at Wilson's, on Wellington Street to make their new choice. New members will also be able to choose their seats during the Campaign Week.

Mrs. Provencher, president of the Campaign, asked all the ticket sellers to make a daily report to the Campaign Team Captains. She also called a meeting of all the captains, which will be held at 5 o'clock Thursday afternoon, at her residence on Portland Avenue.

Mr. Lacharite gave a brief review of the planned program for the season. The first concert will be held at the end of November, with Miss Maureen Forrester, contralto, as guest artist. At the end of February, young Monique Savary, accompanied by the Symphony Orchestra, will play Concerto No. 19, in F major by Mozart. And the violinist of international acclaim, Joseph Szigeti, will terminate the season in March 1955, by presenting a concert of Brahms.

At the close of this meeting, tea was served with Mrs. Horace Bous and Mrs. Lionel Prefontaine pouring the tea and coffee.

## Slight Damage In Rock Island Fire

Rock Island, Oct. 18. — What might have been a serious fire was averted by the prompt attention of the Rock Island fire department on Thursday afternoon, about tea time, when fire started in the cellar of Stanstead South parsonage, home of Rev. and Mrs. E. G. Tennessee.

The fire was located in a vent leading from the furnace to the living room, and was first noticed by the eldest Tennessee child, Sheila. Within minutes the firemen and engine were on hand, and quickly extinguished the blaze with very little damage done.

## Seekers Still Miss Most Of Lucky-\$\$\$\$

Friday, July 23 . . . five Lucky Dollars are being deposited by the Sherbrooke Daily Record. For their return, the Record is offering ten dollars for each Lucky Dollar.

Monday, October 18 . . . one Lucky Dollar is being deposited by the Sherbrooke Daily Record. For its return, the Record is offering ten dollars.

Eleven weeks this contest has been continuing. Seventy-seven Lucky Dollars have been spent. Nineteen Lucky Dollars have been returned. Today we offer the twelfth dollar in our current contest. We were supposed to have announced our twentieth winner today. Maybe she will come in tomorrow. Just between you readers and us, she had better show up tomorrow as the Lucky Dollar she holds will be void very soon after that date.

So, don't think we have let you down by not announcing that winner today as we promised. We will as soon as we can, if it's not too late. We just wanted to bring you up to date with our record today, so that you will know we have been pretty fair in the contest, and don't intend to pull the wool over anybody's eyes. The odds are still in your favor, so continue looking and keep it up.

On each publishing day until further notice the RECORD will select and publish a serial number taken from a Bank of Canada one dollar bill. Persons having possession of these "Lucky Dollars" may redeem them for ten dollars each.

The bills whose numbers have been selected will have been put in circulation throughout the Eastern Townships immediately before the serial numbers are published.

Winners must produce the "Lucky Dollars" within two weeks of the first publication date of the serial number, and the winning bill or bills must be accompanied by the regular weekly Record Crossword puzzle (or reasonable facsimile) at least 50% correctly completed.

If you have in your possession a dollar bill bearing a serial number published in the RECORD, telephone "Lucky Dollars," the Sherbrooke Daily Record, LO 9-3636 and arrange an appointment to exchange it for your reward.

If you live too far distant from the Record to make this convenient, send your "Lucky Dollar" and the crossword solution, to "Lucky Dollars," c/o the Sherbrooke Daily Record 119 Wellington street north, Sherbrooke.

The Record will not be responsible for "Lucky Dollars" delayed or lost in the mail.

All serial numbers not matched by the deadline automatically become inactive, and no payoff will be made on them. All "Lucky Dollars" and all other dollar bills submitted by persons who do not qualify for the reward will be returned to the owners after the serial numbers become inactive.

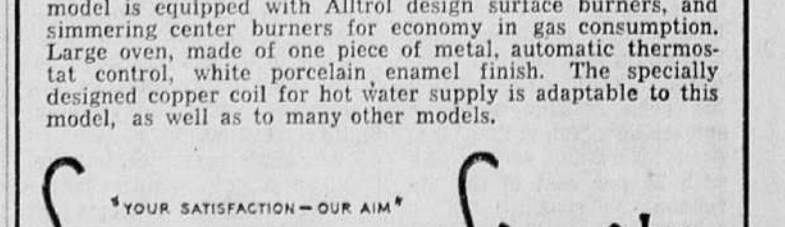

Employees of the Sherbrooke Record Co. and their immediate families are not eligible to win rewards for "Lucky Dollars."

## Nature Proves Her Might

Canada, until now, has escaped lightly. Not a bomb fell; not a shot was fired on her soil during the Two Wars. Earthquakes and hurricanes have all but passed the country by. There have been floods, especially those of British Columbia and Manitoba, and the Sarnia tornado, the work of a minute. Their damage has been considerable but the death toll surprisingly low.

It has been almost as though the Dominion were immune to the major catastrophes of Nature.

Now the hurricane has struck. Parts of Central and Eastern Ontario, particularly the Toronto and Belleville areas, have suffered heavily. In the Toronto district alone there have been fifty-five deaths, most of them by drowning.

The Humber and the Don have poured over their banks with a hurricane-accompanied rainfall by far the heaviest in half a century. Houses by the scores have been torn from their foundations; members of families swept apart; hundreds of individuals left homeless. Bridges have been torn down; motorists left, in some instances, clinging to trees in a manner reminiscent of a Florida-sweeping storm.

It is not only the death toll, serious as it is. The dreams of a small host of persons who lived in their suburban homes,

many of these homes new, most representing a large proportion of family savings, have been shattered.

These people, as Friday dawned, felt safe. Ontario was expected to experience only a swish of the Hazel skirt. Tragedy might strike in Asia or in Europe or even in the United States but Canada, it seemed, was different. And so, under Providence, it has been.

A civic emergency has been declared in Toronto. Offers of help have already reached Ontario from many parts of the country. An opportunity is here provided to prove once more the solidarity of Canadian feeling. When one part suffers no part can remain indifferent.

The United States seaboard, too, felt the devastating effects of the hurricane with many deaths from the Carolinas to New York. As one instance only, thousands of homes in South Carolina's beautiful Myrtle Beach were torn to shreds.

The hurricanes of this year, following higher paths in the Atlantic than those which shook Florida in other times, have done an immense amount of damage. The peninsular state has evolved an alert system of warnings but no accurate prediction of a hurricane's path have yet been made.

## Hesitate No Longer

Hardly noticed by the public through this year has been the inescapable fact that the seasonal pick-up in business did not erase the seriousness of the unemployment problem.

In July unemployment insurance benefit payments of \$12,760,098 were almost double last year's July total of \$7,148,024. In the first six months of this year such payments to insured unemployment workers — which certainly does not include all the unemployed — totalled \$146 million, exactly twice the amount paid out in the full year of 1951.

The most serious unemployment is in manufacturing. According to the Bureau of Statistics, manufacturing employment at July 1st was down by 5.2 per cent from the same date of 1953. In terms of jobs that means about 70,000 fewer people were working in manufacturing than at July 1, 1953, although in the intervening year many new plants had opened and

many other plants had expanded their facilities.

There are several factors working to create factory unemployment. One is high production costs — for which high federal taxation and increasing wage rates are largely responsible — that have priced Canadian goods out of foreign and domestic markets. Another is import competition, surplus goods entering Canada at low duty rates from the low-wage and mass-production countries.

In the late spring there was hope that a general improvement in economic conditions would ease unemployment. That has not occurred and it seems probable that the coming winter will, month by month see record numbers of jobless. Perhaps wages and taxes cannot be reduced but realistic tariff laws to restore more of the Canadian market to Canadian producers is one practical and immediately available corrective. Ottawa should hesitate no longer.

## The "Unforgivable" Whittled Down

As one enters middle-age there is one lesson, at least, that is learned. That is, that there are fewer persons and situations in the world which we can classify rigidly as being black or white, usually meaning bad or good. There is more gray.

It is easy to say: "he is a bad lot," or "she is a wonderful person." As the years increase we find that the bad lots often turn up trumps; that the wonderful persons frequently let others down. Character is not static; it is subject to an amazing degree of change and reputation, though often not a faithful reflection, following generally in its wake.

Most of us are intellectually lazy. Therefore, the generalization which leads

to white or black is much easier than a careful sifting which will probably produce gray.

It is the same with generalizations about races. People now are more and more inclined to reserve judgment. They do not accept, as they once did, the thought that the British are sportsmanlike; the Finns, honest; the negroes, lazy and so on. They watch the individual, instead.

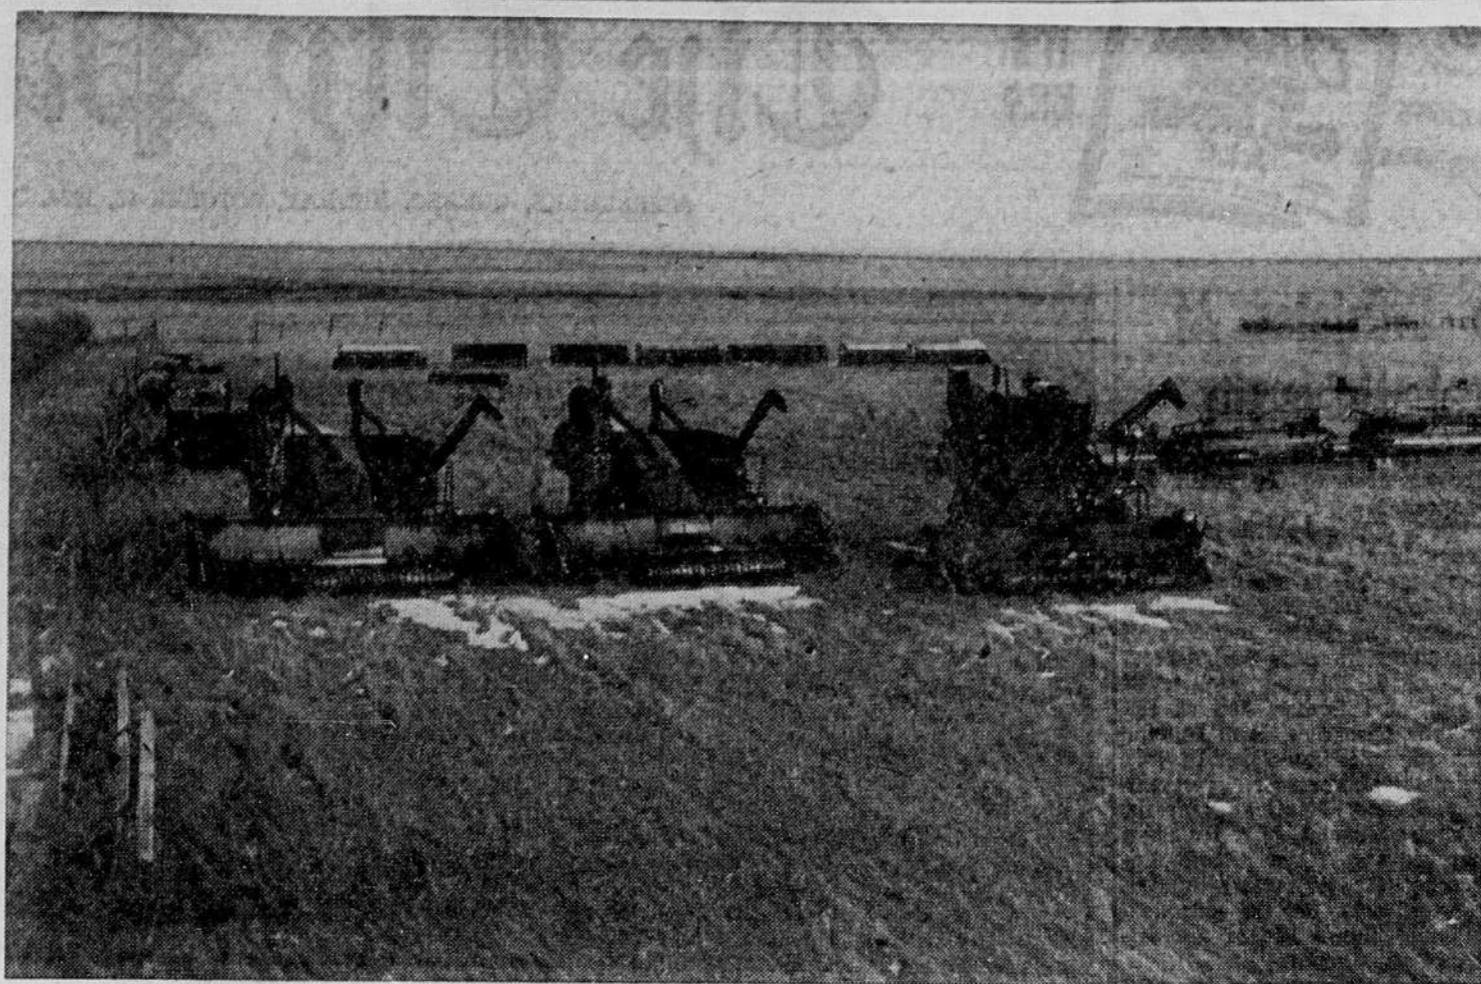

The Open Mind, giving the other fellow the benefit of the doubt, is gaining. More light is being shed on human behavior. An "unforgivable act" becomes understandable. Mentally, we put ourselves into the other fellow's shoes and find often that they fit.

## Mirror Of Opinion

**R. S. V. P.**  
Christian Science Monitor  
"First you start about a century ago," said the English gardener to the American who had asked how England grows beautiful lawns.  
The student organization and the principal of New Rochelle, New York, High School have invited student representatives from the high schools in Washington, Baltimore, and Milford, Delaware, where desegregation has been resisted, to come and see how "integration" has been working successfully with 25 per cent of the enrollment Negroes.  
This is a noble gesture, and behind it, without a doubt, stand some of the most hopeful and idealistic motives of youth. But when one more fact is supplied it becomes obvious that the idea falls short of reaching to the heart of the problem:

Negroes, says the dispatch from New Rochelle, have been welcome in the public schools as far back as anyone can remember — back to a time, we would guess, when they constituted no more than 1 per cent of the student body.  
Negroes in Washington, Baltimore, and Milford, Delaware, have not been welcome in the public schools as far back as anyone can remember. And the problem these communities face is not simple prejudice, but the prospect of rapid change from longheld concepts of what is proper.  
Nevertheless, we hope the invited high schools accept. We wish parents had been invited, too, and would go. The visit could not but contribute perspective. And perspective is a wonderful aid to any solution.

**"MONKEYING" AROUND?**  
Brockville Recorder and Times  
We have been interested in the past few months to find a considerable body of serious-minded, intelligent people who firmly believe that the consistently bad and unseasonable weather which we have experienced so far this year is in some way connected with man-made atomic and hydrogen explosions. Scientists, of course, deny that there is even the slightest relation between weather conditions and the release of nuclear energy through explosion.  
Nevertheless laymen, by and large, seem unconvinced. People seem to have the feeling that man is "monkeying" around with matters beyond his present ken.

**INDIANS PROSPER** — The Blood Indians, whose reserve southwest of Lethbridge is Canada's largest, are probably the Dominion's most prosperous tribesmen. Their 353,000-acre reserve, once centre of the Empire's largest wheat field, earned them \$425,000 last year in agricultural and grazing leases and oil-exploration permits. This battery of farm machinery owned by the Blood band has been used to help families on the reserve establish themselves as grain farmers. ## Poor Indians No Longer

## Oil Pouring Wealth Into Purses Of Alberta Tribes

By DON HANRIGHT  
Canadian Press Staff Writer  
Calgary — Oil is pouring gold into the purses of Alberta's Indians.  
Oil derricks and producing wells operating on Indian-reservation timber and wheat lands have moved Indians of some tribes close to independence although they still are government wards.

The federal government's financial responsibilities to the Alberta Indian have in some cases been reduced to education and a slim share of health and welfare. Even the old beef rations have been discontinued in some places.

Oil altered the picture — oil and the sagacity of tribal councils who refused to surrender treaty lands about 50 years ago and now are using their government-held funds for agricultural expansion and modern housing.

The 15,000 Indians of Alberta's nine tribes live on 71 reservations comprising approximately 1,400,000 acres. All but 274,883 acres was under oil and natural-gas leases or exploration permits last year.

They now have more than \$7,000,000 held in two accounts at Ottawa — nearly \$4,000,000 above the 1953 figure. This year, they are spending a total of \$1,544,600, seven times as much as last year.

The 23 producing oil wells on the Stony Plain reserve, 20 miles west of Edmonton, mean \$10,000 monthly for the Enoch band. The Enochs have a capital

account of \$600,000; and the band's council distributes roughly \$20 a month to each of its 258 members.

The Blood Indians on Canada's largest reserve, stretching 40 miles southwest from Lethbridge, are probably more prosperous than any.

Their 353,000-acre reserve, once the centre of the Empire's largest wheat field, last year earned them \$358,000 from agricultural and grazing leases and \$67,000 from exploration permits.

With a bank balance of \$663,000, the Bloods have established an ambition ranching and housing development which eventually will provide them with probably the highest standard of living enjoyed by any Canadian Indian.

Mineral rights on all reserve land have been surrendered to the federal Indian affairs branch which negotiates all sales and rentals. No Indian can make a contract.

Oil companies cannot hold exploration permits on more than four sections — 2,560 acres — of Indian reserve land. If they find oil or natural gas, they are entitled to lease not more than half the original exploration area. The other half can be taken up by another firm.

If and when oil or gas begins to flow, the company pays royalties of 15 per cent on natural gas and 12½ per cent on oil.

The price for exploration rights can be several thousand dollars

for 160 acres. This summer, the Peigan reserve 35 miles west of Lethbridge received \$10 an acre for rights on almost 5,000 acres.

Last year, all this earned a total of \$860,000 for Alberta Indians.

The development is not confined to Alberta. In Saskatchewan, there are some 65 contracts covering 500,000 reserve acres, and roughly 50,000 acres are under contract in Manitoba and Ontario. Oil wealth has come, too, to some tribes in north-eastern British Columbia.

The income is held in two accounts at Ottawa, earning five-per-cent interest. Into the capital

account goes "surrendered capital assets" — mostly sales of mineral and timber rights and land.

The revenue account holds revenue from petroleum and agricultural leases and rentals, the sale of farm products, fish, furs and souvenirs.

The capital account is held in reserve at Ottawa and can be tapped only for certain permanent improvements.

The amount that comes out of a band's revenue account and what is done with it is the business of the reserve's council. However, the government does not allow the fund to be depleted.

## Aussies Making Record Call For Davis Cup Seats

Sydney, Australia — The Davis Cup organizing committee will be forced to reject 12,000 applications for tickets to the tennis finals here next December.

The committee has done this after providing extra heating accommodation at Sydney's White City tennis courts and allowing only 18 inches of seating space in the stands for each ticket-holder.

A world record crowd of more than 22,000 will pay about \$310,000 to see the finals which, most likely, will be between the United States and Australia.

The chairman of the Davis Cup organizing committee, Esca Stephens, said there have been nearly 34,000 applications for seats at this year's Davis Cup final.

## Not One Tuna Caught By Rod And Reel In '54

Saint John, N.B. — Efforts to promote sport fishing for tuna in Bay of Fundy waters, where the big bluefin are known to abound, were disappointing this year. Commercial fishermen killed them in nets but not one was taken by rod and reel.

Hundreds of tuna enter the bay every summer to gorge on herring and mackerel, and optimists have talked of starting an annual competition near Grand Manan island in the wake of the international tournament at Wedgeport, N.S.

Marine biologists believe the tuna schools split at the tip of Nova Scotia, some riding off the famed Soldier's Rip and heading for St. Margaret's bay while others nudge into the Bay of Fundy.

Interest in establishing a game fishery off New Brunswick dates back to 1937. For two years anglers pulled in plenty of light tackle fish like pollock but no tuna. Then the matter was dropped until after the war, when the New Brunswick travel bureau noted numerous reports of blue-

emergency or routine, the men in charge of the cars open the racket making machinery to the limit and tear along like mad. When the taxi and other drivers join in it's like hell let loose.

But that's the New York way of doing things. Mayor Wagner could have told Mr. Morrison it wouldn't be New York without the noise.

### STUDY THIS HAND FOR GOOD BIDDING

Probably the most interesting feature of today's hand is the bidding. South's overall of one no-trump shows just about the same strength as an opening bid of one no-trump. Moreover, the bid guarantees at least one (usually two) sure stopper in the enemy's suit.

North knew that his partner had 16 to 18 points, balanced distribution, and at least three suits stopped. His own eight points in high cards might not be enough to make the combined total 26 points, but North was nevertheless right in jumping to game. His five-card suit might be useful, and his jack of spades was another important asset.

If North had raised to only two no-trump, South probably would have gone on to game anyway, but there was no reason for North to risk a pass. It doesn't pay to ask your partner to bid what you can bid all by yourself.

North naturally never considered a bid of two diamonds. Such a bid would indicate a long diamond suit in a hand that was far too weak to consider a game. In this case North had every reason to expect that South would have a fine play for game at no-trump.

West opened the eight of spades, dummy put up the jack, and East won with the ace. East returned the jack of hearts, knowing that the spade suit was pretty hopeless.

South won with the king of hearts, led a low diamond to the ace, and returned a diamond towards his queen, hoping to set up the rest of the suit. East won with the king of diamonds, however, and West's failure to follow suit showed the diamonds were not going to break.

East now returned another heart, and South had to decide whether or not to hold up. If he took the ace of hearts he would have no further stopper in the suit and might be swamped by heart tricks later on. Af-

ter some thought South decided to go up with the ace of hearts and hope that East had started with only two hearts.

Dealer next cashed the ace of clubs and let the eight of clubs ride to East's queen. East returned a diamond to South's queen, and declarer successfully finessed dummy's ten of clubs, cashed the king of clubs, and then finessed the ten of spades. Since East had discarded two spades on the clubs (in order to keep the jack of diamonds), South won three spade tricks and thus made his contract with an overtrick.

**CARD SENSE**  
Q—The bidding has been:  
North East South West  
1 Diamond Pass 1 Spade Pass  
2 Clubs Pass ?  
You, South, hold: Spades A-Q-J-9-3-2, Hearts 8-2, Diamonds Q-4, Clubs K-9-6. What do you do?  
A—Bid three spades. This jump bid by the responding hand is forcing. You expect to play the hand at four spades, perhaps more.

**TODAY'S QUESTION**  
The bidding is the same as in the question just answered. You, South, hold: Spades K-Q-7-3, Hearts 8-2, Diamonds J-5-4, Clubs A-J-6-2. What do you do?

## MIRROR OF OPINION

### MAN'S MUSING

Sydney Post-Record  
A shave sometimes seems like cleaning up the front yard. The old house may need reshingling but with the yard mown and raked the place looks more respectable. As with a yard so with a man's mug. With lather slapped on and the application of a razor, he looks better and feels better. A bit of psychological uplift, one might say. There is something to be said in favor of living-up to appearances.

### THE NOISIEST CITY

St. Thomas Times-Journal  
Which is the noisiest city in the world? According to Herbert Morrison, former British Foreign Secretary, this doubtful honor goes to New York. Mr. Morrison recently visited the U.S. metropolis and, on calling on Mayor Wagner to pay his respects and after discussing a variety of topics got this off his chest:  
"I have a complaint, Mr. Mayor," Mr. Morrison said. "All that horn-tooting around my hotel. Paris has stopped it, and I'm afraid that leaves New York probably the noisiest city in the world."  
"Well, er . . ." said Mayor Wagner, you see . . .  
"Now in London," Mr. Morrison cut in, "it's illegal to toot at night. You have to turn your lights on and off. And if a chap kicks up a row in the daytime, why a policeman would stop him and have a bit of a heart-to-heart talk."  
Other visitors to New York have uttered similar complaints about the unceasing racket created by sirens and motor car horns. It seems that every time the police, firemen or ambulance drivers answer a call, be it

## Bygone Days

### THIRTY YEARS AGO

From the Record of October 18, 1924  
Sidney Harrison, Alfred Deschambeau and B. Watkins alias Davies have been committed for trial in Montreal on a charge of murder following the death of F. X. Beauvais, Verdun storekeeper. Beauvais was found shot to death the night of September 8.

Joseph Valle, 45, an employee of Fraser Brace Company is in hospital today with numerous injuries received when he was hurled 75 feet by an accidental underground dynamite blast in Thetford Mines. His recovery is reported "uncertain."

### TWENTY YEARS AGO

From the Record of October 18, 1934  
Montreal's bookmakers have gone on strike. Frequent police raids of late have been a drastic drain on their pockets and they are getting rather worried. A five thousand dollar annual license for bookmaking establishments has been suggested by Alderman J. A. Brien.

Thirteen prisoners are scheduled to appear before the Court of King's Bench (St. Francis district) opening Nov. 6. Sheriff J. F. C. Lemieux has prepared a revision of last year's jury list.

### TEN YEARS AGO

From the Record of October 18, 1944  
Two men and two women — the men answering the description of the men who robbed the Mansenville branch of the Canadian Bank of Commerce, October 7 — are still at large after they assaulted Xavier Bombardier, of Magog, and made their get-away with his car. No trace of even the car has been found as yet.

Arthur Sirois, of East Angus, will appear in Magistrate Court today on a charge of interfering with a police officer in connection with the recent assault of East Angus City of Police, Rosario Trudeau.

fin raiders entering weirs in Passamaquoddy bay, on Fundy western reaches.

In 1951 bureau officials had S. Johnston, a New Yorker, considerable tuna fishing experience, try to locate an equivalent of Soldier's Rip for New Brunswick. He fished Passamaquoddy four days without success but nevertheless said the large ones looked like real tuna ground and he advised fishermen to continue trying.

Later the Grand Manan Board of Trade offered a \$500 prize for the first tuna taken by rod and reel off this province and a provincial government outfit a 42-foot boat for that purpose.

Douglas Stults, an airline pilot from Moncton, won the award last year with a 540-pounder. Two more bluefin were landed and things looked so promising another boat was outfitted. Fishermen found too many tuna in herring nets but no more rose a baited hook.

The campaign has become largely confined to attempts at locating the channel through which most of the feeding tuna pass. To correlate information on sightings and kills, the travel bureau receives fishermen's reports from along the St. Andrews to St. Martins.

Local fish dealers who buy the occasional tuna taken from coastal weirs say they can sell a few but New Brunswick, a whole offers no large-scale demand for this product. The big markets for commercially caught tuna are in the United States and south shore Nova Scotia fishermen ship thousands of pounds annually in refrigerated transport.

### C. P. R. Public Relations Head Dies Suddenly

Montreal, Oct. 18. — J. Hugh Campbell, manager of the Canadian Pacific Railway's department of public relations since 1945, died suddenly in hospital here Saturday night at the age of 57.

As head of Canada's Wartime Information Board in Washington during World War II, an assignment in which he was entrusted with the responsibility of telling the story of the Canadian war effort to the American people, and in his duties with the Canadian Pacific, Mr. Campbell was known throughout the country.

Born at St. Catharines, Ont., on May 4, 1897, Mr. Campbell grew up in Macleod, Alta., where his father, the late W. M. Campbell, K. C., practised law. After service in France during the First World War as a cavalryman with Canadian and Imperial forces and following the abandonment of a Canadian expedition to Vladivostok, to which he was assigned, Mr. Campbell joined the Calgary Herald as a reporter.

He was telegraph editor for that paper when he joined the Canadian Pacific Railway as press representative at Vancouver in 1928. He served the C.P.R. at Winnipeg from 1929 until 1942 when he was loaned to the Canadian government to become director of the Wartime Information Board at Washington, public relations officer for the combined production and resources board and public relations officer for the Canadian joint staff of the army, navy and air force.

Upon being relieved of those wartime duties, Mr. Campbell came to Montreal to reorganize and manage the C.P.R.'s department of public relations.

Mr. Campbell is survived by his widow, the former Ruby Hennesel of Port Hawkesbury, N. S., a daughter, Carole, his mother, Mrs. W. M. Campbell, of Penticton, B.C., and a brother, Reginald, also of Penticton.

He was a member of the National Press Club, Washington, the Press Club, Winnipeg, the Rideau Club, Ottawa, and the St. James's Club in Montreal.

Funeral services will be held Tuesday at 2 p.m. at the chapel of Jos. C. Wray and Bro., Mountain street, and burial will be in Mount Royal Cemetery.

### Jury Begins Sheppard Case Today

Cleveland — (P) — The drama-packed murder case of Dr. Samuel H. Sheppard moved into the trial stage today with indications that a month or more may be required to exonerate or convict him.

The 30-year-old osteopath, accused of hacking his wife's face into an unrecognizable pulp, delivered an announcement of confidence as the trial date came up.

His brother, Dr. Stephen A. Sheppard, also an osteopath, quoted him as "welcoming the opportunity to have this trial and have the true facts presented."

Assistant County Prosecutor John J. Mahon announced he will pin much of his case on testimony of Miss Susan L. Hayes, 24, and Dr. Lester T. Hoversten.

Miss Hayes, auburn-haired and pretty, formerly worked as a technician at Bay View Hospital where Sheppard was on the staff. She admitted having been intimate with him in California last March after she moved there and he came out to take post-graduate work.

Dr. Hoversten, of Glendale, Calif., was a guest in Sheppard's lakefront home in suburban Bay Village for three days before the murder occurred July 4. But he was visiting other friends out of town on the murder night.

Mahon said the main points in his circumstantial case are:

1. Sheppard's own testimony at the coroner's inquest and a statement he made to investigators six days after his comely 31-year-old wife, Marilyn, was found dead in her blood-spattered bedroom.

2. The physical appearance of the home when police arrived.

Sheppard said he went to sleep on a downstairs couch and was awakened by his wife's cries for help. He dashed upstairs, saw a bushy-haired man in the bedroom, grappled with him and was knocked out, the osteopath told the coroner's inquest.

New York. — (AP) — Church World Service today announced that drugs and clothing worth \$109,607 are being rushed to flood victims in the Punjab section of West Pakistan. The church relief agency reported unprecedented floods in that area have swept away homes, livestock, food and clothing in more than 3,000 villages. Some supplies are being flown there to bolster immediately the fight against malaria, undernourishment and other ravages of the disaster.

likely to own a car and go to a university.

All his habits and tastes lie buried in nearly 300 pages of figures tabulated by the government's central statistical office and published today—the "Annual Abstract of Statistics."

In both 1938 and 1953, Britons consumed 25,000,000 barrels of beer and 10,000,000 gallons of spirits.

The average Briton worked one hour a week longer last year than he did in 1948. But he earned £9 9s a week against about £7 6d five years ago.

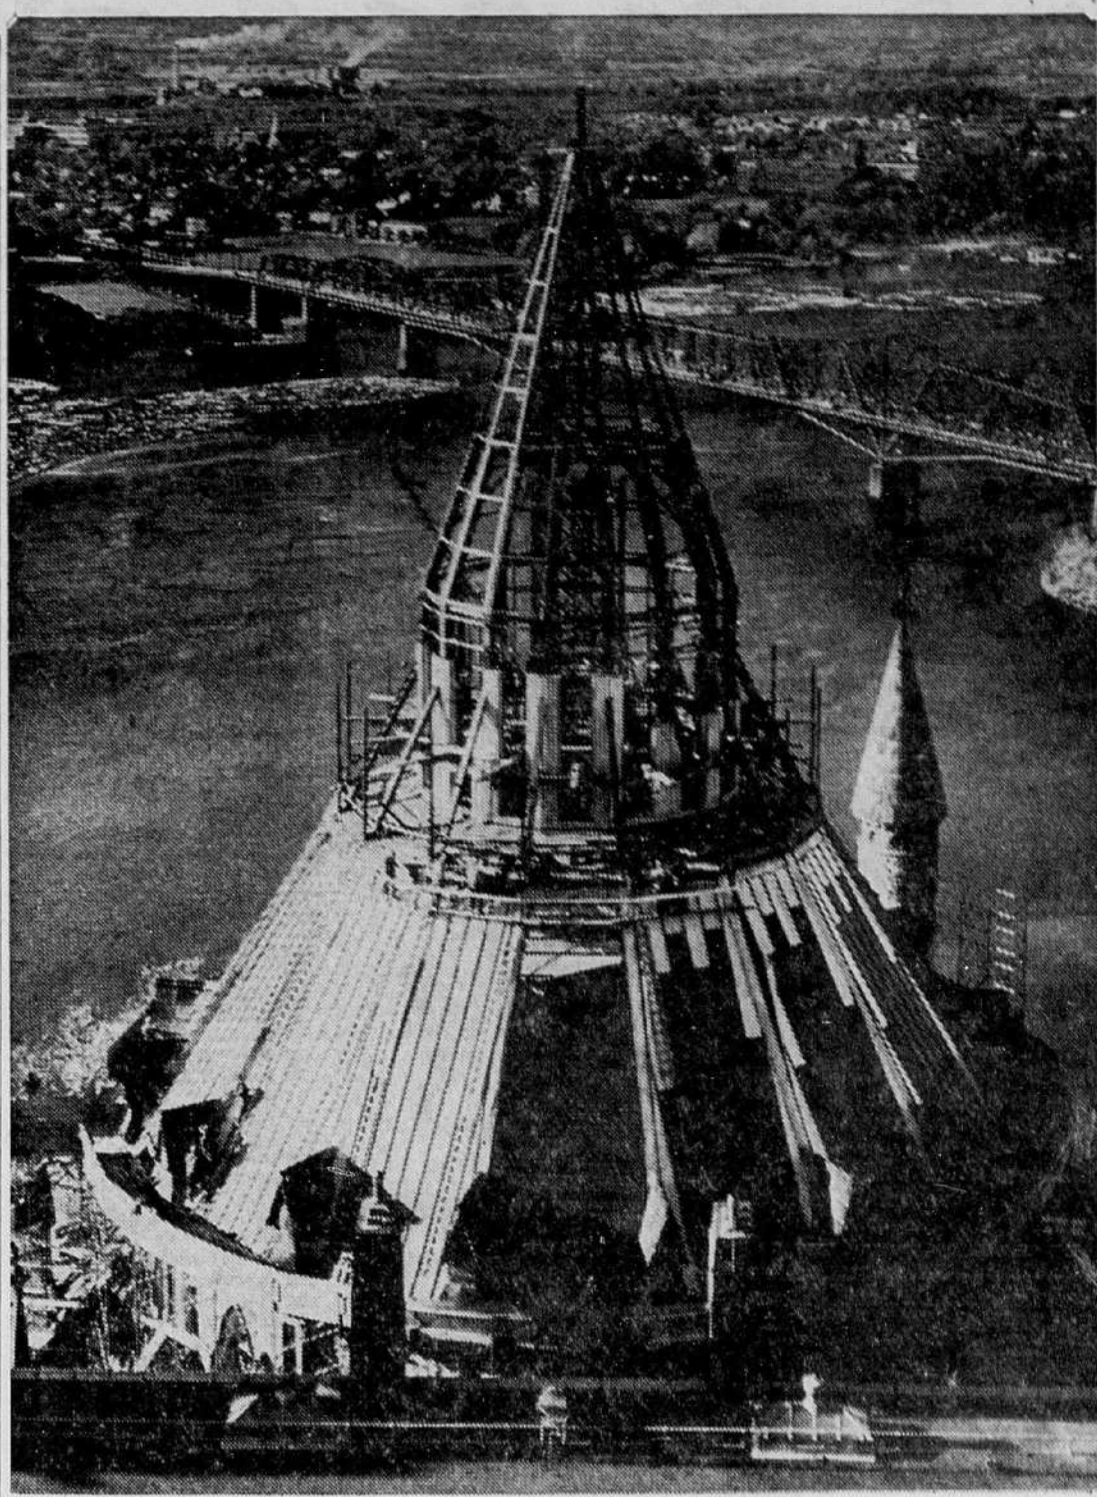

Crime rose, with indictable offences recorded by police soaring from 283,220 in 1938 to 472,989 in 1953.

### Youth Is Injured By Falling Rifle

A twenty-one-year-old youth was admitted to the Sherbrooke Hospital yesterday afternoon suffering from a gunshot wound in the right leg.

Wayne MacKay, of Bishopton, is reported to have been assisting "two girls over a fence" when his rifle, which he had earlier leaned against a tree, toppled, discharging as it fell.

He was brought to Sherbrooke by private car. His condition is said to be "satisfactory."

**Nairobi, Kenya — (Reuters)**—The staff of a Roman Catholic mission Saturday night locked themselves in a room behind a bolted door which withstood repeated battering by 100 attacking Mau Mau terrorists.

But the terrorists shot to death David Njeroge, a leading African lay preacher, in the grounds of the Riara mission, 15 miles north of Nairobi. They threw his body into one of 30 huts they set ablaze on the mission property.

### COWANSVILLE—

Mr. and Mrs. Albert Rollit and children, Carol and Peter, of Pointe Claire, spent Thursday with the former's sister, Mrs. G. A. Barker, and family.

Misses Eleanor Barker and Margaret Stevenson, of Macdonald College, spent a week-end at their homes here.

**ABANDONED CHILD** — Darlene Johnson, about 3, who was abandoned by her mother six weeks ago, makes her daily telephone call at lunch time to her foster father. The youngster was left to board at a neighbor's home for a few days and was never picked up. The Children's Aid Society, seeking information as to her mother's whereabouts, has placed the child in a temporary foster home. (CP Photo)

Mr. Ross Carson attended the Milk Producers' meeting in Montreal one day recently.

Friends of Mr. Merlin Richards are sorry to hear he is confined to his room with pneumonia, and is under the care of Dr. Chabot, of South Durham.

Mr. and Mrs. Roland Marcouillier and daughter, Louise, of Montreal, were recent guests of Mr. C. Cross and Miss B. Cross.

Deepest sympathy is extended to the family of Mr. Clem Montgomery, of South Durham, whose death occurred Sept. 20. Several from here attended the funeral.

Mr. and Mrs. Robert Giguere, little son, Michael, Miss Jeannine Fontaine, Mr. Clement Giguere and Mr. Curtis Cross spent an evening in Victoriaville.

Several playmates of Master Larry Skillen gathered at his home to help him celebrate his birthday.

Mrs. Earl Copping and daughter, Terry, and Miss Marion Waterhouse, of Windsor Mills, visited Mr. and Mrs. Merlin Richards one afternoon recently.

Mr. and Mrs. Calvin Fleming and Hartley were Sunday dinner guests of Mr. and Mrs. Garth Burrill and family, of Richmond.

Week-end guests of Mr. and Mrs. Merton Carson were the Misses Lydia and Eunice Hughes, Mrs. M. Church, Miss Isabelle Crowell, all of Montreal.

Mr. and Mrs. Lloyd Peat, of Norwich, Ont., were supper guests one evening at the home of Mr. and Mrs. Arthur Johnston.

Mrs. E. Vogelsanger and Mrs. M. W. Carson attended a W. I. meeting, held at the home of Mrs. Ernest Johnston, of South Durham.

### EARLY ESTIMATES

Continued from Page 1.

bring workers into the city. Volunteers began their third day of searching the Humber's banks near the worst-hit area in Etobicoke with the knowledge that at least 54 persons were dead or missing from short, crescent-shaped Raymore drive — more than half the 91 on the assessment roll. Eighteen bodies of Raymore residents were recovered Saturday and Sunday. More were seen awash in cellars Sunday night.

The toll in one house which disappeared completely was nine persons dead or missing, six of them children. The only known survivor of two related families is John Neil.

Those who came through alive told of others who would not leave their homes although they had been warned. They knew the river was rising but went to bed confident the danger was nothing more than a flooded cellar and they were used to those.

In 15 minutes the water rose rapidly and some houses were swept off their foundations and carried along the river toward Lake Ontario. The rest of the night was filled with splintering crashes as others slid off their foundations and smashed into each other.

**WAKE** — To Mr. and Mrs. F. R. Wake, at the Ottawa Civic Hospital on October 8, 1954, a son, brother for Drew, Ann and Harold.

### In Memoriam

**MORRISON** — In loving memory of our dear brother, Charles Morrison, who was called away so suddenly on October 16, 1953.

We little knew when we awoke that morn,  
The sorrow that day would bring,  
For the call was sudden, the shock severe;  
To part with the one we loved so dear,  
And wonder why you had to go,  
Without a chance to say good-bye,  
Sadly missed by,  
ANGUS, (Brother);  
CATHERINE & IRENE (Sisters);  
HOWARD WALKER, (Brother-in-law);  
JAIN & NORMAN (Nephews).

ities back to normal, he said.

The premier said government assistance, in whatever form it takes, will be forthcoming only to those municipalities that suffered damage of disaster proportions.

Toronto — (P) — The flood that swept over the Holland marsh and the watersheds of the Humber and Don rivers was the product of more than twice the heaviest rainfall ever before to pour down on that vast area.

From 6 a.m. Friday until midnight approximately seven inches of rain fell at Malton for a total of nearly 8.5 inches since Thursday morning.

It is estimated that approximately 322,000,000 tons of water spilled down from the skies over the watershed. The amount of water is measured on the basis of approximately 101 tons per inch of rainfall for each acre.

The rainfall measured at the meteorological office in central Toronto was approximately half as heavy as the fall at suburban Malton and along the Humber.

This is suggested as one reason why the city was unaware of

ings would return 8,000 to 10,000 strikers to their jobs today. Adelizi discounted the importance of these signings and said the union's estimate was exaggerated.

Seven companies that signed contracts were named in the damage suit, to be brought in behalf of nine operators. It also names the teamsters union, its international president, Dave Beck, and seven of the 12 striking locals.

The suit accuses the union of unfair labor practices and failure to bargain in good faith. It charges that the union and the companies that signed contracts conspired together to "seize and steal" business from firms holding out against union demands.

The union has insisted on a 25-cent hourly package increase. The employers' highest offer was a 10-cent package. The union rejected this as well as an employers' offer to submit the whole question to an arbitrator. Hourly wages now range from \$1.77 for helpers to \$2.21 for drivers of trailer trucks.

OBITUARIES

2155 BACHAND, PHONE 2-0874

Fitch Bay, Oct. 18 - The funeral of George Wesley Alger, who passed away suddenly at his home, was held in the United Church on Wednesday, September 15, Rev. Frank Stanton officiating.

The service was attended by a large number of friends and relatives and the many beautiful flowers were silent tributes of love and respect.

Bearers were, Avan Dolloff, Harry Minor, Raymond Pelkie, Ernest Webster, Robert Jones and Gordon Wilson. Several favorite hymns were played at the beginning and close of the service. Burial took place in Brookside cemetery.

Mr. Alger was born on July 23, 1899, at Maple Valley, the second son of the late George Alger and his wife, Ida Flanders. He lived at home until fourteen years ago, when he bought a place in Fitch Bay, where he lived alone until his death.

He leaves to mourn his passing, his mother, who is in very poor health, four sisters and four brothers. One brother, Grover, was accidentally drowned at Lemoges, Ont. Surviving are, Bertha, Mrs. Roy West, Claude and Avis Alger, of Fitch Bay, Roy, of Newport, Vt., Gordon and Carl, of Coventry, Vt., Verda, Mrs. K. Hutchins, and Mattie, Mrs. W. Gosney, of Georgeville, as well as three sisters-in-law, three brothers-in-law and several nieces and nephews.

Mr. Alger was a kind friend to all and his death will be mourned not only in his family circle, but by his friends in this place, where he was so well known.

W. C. T. U. Holds Busy Meeting At Huntingville

The October meeting of the Huntingville Women's Christian Temperance Union was held in the Huntingville Hall, Mrs. W. A. Henderson, the president, opened the meeting with a devotional period, with Mrs. E. Harrison at the piano.

An interesting article on the horror of life in the lives of an alcoholic's family was read. The tragedy lies in the fact that this was a true happening, which can happen again and again.

Mrs. Albert Day, a former member of the group, now residing in Ontario, still shows an interest in the group by sending items for the work.

Mrs. K. Hunting and Mrs. W. A. Henderson purchased material, made and partially filled 12 comfort bags for sailors. Mrs. E. Harrison will complete this work. Twenty-four towels were purchased for the use of the organization.

Mrs. Ashley Allison, another former member, sent a donation of her nylon flowercraft work. These found a ready sale and the group expressed their appreciation for this continued interest.

The temperance essays and poster work were discussed and thank-you notes from ill members were read. Mrs. R. Brown gave a satisfactory report on the recently-held chicken-pie supper, sponsored jointly with the Huntingville Ladies' Aid. Mrs. Harrison, as W.C.T.U. convener, thanked everyone for their generous support.

Films are to be secured in the near future to be shown in the hall. The roll call was answered by giving a hot supper dish recipe.

The meeting closed with the Mizpah benediction and a lunch

Marriages

HUBBARD - BURBRIDGE

Brome, Oct. 18 — The marriage of Miss Gladys Burbridge, daughter of the late W. E. Burbridge and of Mrs. W. Friend, of Ottawa, to Mr. Donald Hubbard, of Montreal, son of Mr. James Hubbard and the late Mrs. Hubbard, of Delson, was solemnized in St. John's Church, Brome, at two o'clock in the afternoon on Saturday, October 2. The Rev. F. W. Gedye officiated and Mrs. G. E. Soles presided at the organ.

The bride, given in marriage by Mr. W. Lynch, of Montreal, wore a dusty pink suit with navy accessories and a corsage of yellow gladioli.

Mrs. Charles Best, matron of honour for her sister wore a powder blue suit, with navy and pink accessories and a corsage of pink gladioli, and Miss Edna Logan, of Ottawa, as bridesmaid, wore a navy blue and white dress suit with white accessories and a corsage of white gladioli.

Mrs. Friend, the bride's mother, was in a royal blue dress with navy accessories and she wore a corsage of pink sweetheart roses.

Mr. Charles Best acted as best man and the usher was Mr. Roger Poulet.

A reception was held at the home of Mr. and Mrs. Charles Best in Brome. Later the couple left for a short honeymoon.

Out of town guests included Mrs. William Sutton, Mrs. W. Petts, Mrs. E. Sutton, Mr. and Mrs. John Hubbard and daughter, Miss Dorothy Hubbard, Mr. R. Hubbard and Miss Helen Hubbard, of Delson; Mr. and Mrs. V. Howard and daughter, Joan, Mr. and Mrs. P. Hubbard, Jr., Mrs. V. McGregor and Miss M. Brown of Montreal; Mrs. I. Logan and the Misses Evelyn and Margaret Logan, of Ottawa; Mr. and Mrs. E. Johnson and Mr. and Mrs. K. Johnson of Dunham.

COTE-ROUDEAU

Rock Island, Oct. 18. — The Church of St. Therese de l'Enfant Jesus was the scene of a pretty autumn wedding on Saturday morning, October 16, when at nine o'clock Marguerite Gerardine, daughter of Mr. and Mrs. Joseph Rondeau, of Rock Island, became the bride of Mr. Yves J. Cote, of Montreal, son of Mr. and Mrs. Amedee Cote, of Martinville, Quebec.

Rev. Father Chabot, parish priest, was celebrant of the nuptial mass and officiated at the double ring ceremony. The wedding music was played by Mrs. Jean Guy, with les Rosignols de l'Estrie choir rendering several selections. Autumn flowers were used to decorate the altar and communion table.

The bride was given away by her father and wore a gown of nylon tulle and rose point lace over bridal satin, designed with a double skirt of tulle and a fitted lace bodice, with a panel of tulle in the front finished with a Peter Pan collar and long lily point sleeves. Her veil of French imported nylon tulle, featuring hand painted roses and silver scroll embroidery, was held in place with a coronet of pearls and lace and she carried a colonial bouquet of American Beauty roses and pom-poms, tied with white satin streamers knotted with small blossoms. Her only ornament was a triple strand of pearls.

Miss Laura Beaulac, of Stanstead, and Miss Marie Carrier, of Coaticook, of the Enfant de Marie congregation, were the attendants. Both wore gowns of

pale blue taffeta, with overskirts of nylon tulle. The fitted bodices were finished with small bertha collars and puff sleeves. Their headresses were cornets of matching blue pom-poms.

Mr. Cote stood as witness for his son.

Mrs. Rondeau, mother of the bride, wore a frock of grey crepe, a navy blue velvet hat with pink feather trim, navy accessories and a corsage of American Beauty pom-poms.

Mrs. Cote, mother of the groom, was in a frock of grey crepe, with which she wore a black velvet hat and black accessories and a corsage of American Beauty pom-poms.

The reception was held at Kelley's, Crystal Brook farm, where a luncheon was served to upwards of 80 guests. The bride's table was effective with a white linen cover, centered with the three-tier wedding cake, made by the bride's mother and decorated in white with silver trim and topped with a miniature bride and groom under an arch of flowers. Autumn flowers completed the decorations.

Seated with the newly wedded couple were their parents, attendants and Mr. Hugo LePenna, Mayor of Beebe, and Mrs. LaPenna.

Later Mr. and Mrs. Cote left on their wedding trip by motor to Granby where they visited his sister, Rev. Sister Pierette Cote, R.N., of the staff of St. Joseph's hospital, Montreal, Cap de Madeleine and other places in Quebec.

For travelling the bride wore an autumn blue wool crepe suit, with a tangerine blouse and velvet hat, black accessories and a corsage of American Beauty roses, with a brown seal cape.

On their return they will reside in Montreal, where the groom is employed as technician with Quebec Hydro. Mr. and Mrs. Cote received numerous and lovely gifts. The groom's gift to the bride was a complete set of Belgian crystal stemware, and the bride's gift to the groom was jewellery.

The bride is a graduate of Ursuline convent, Stanstead and was employed on the office staff of the Spencer Supports, Rock Island. She is also a member of the Enfant de Marie congregation.

## Rev. Arthur Spensit Delivers Inspiring Altar Guild At Address At Waterloo Kiwanis Meeting Sutton Honors Miss N. Lahue

Waterloo, Oct. 18 — "Giving Thanks can be like issuing a bad check," stated Rev. Arthur Spensit at the weekly meeting of the Waterloo Kiwanis Club on Tuesday. "All the data is there but it can lack the signature which would be a thankful heart."

The speaker pointed out that the word thankfulness contained the word 'full' right in the middle, and in order to offer thanks to God for his many blessings, we must be full of thanksgiving ourselves.

"Let us thank God first of all for God," Kiwanian Art. Spensit continued, "and we should be thankful that we can worship God and that we have a God to worship. Then let us thank God for the Talent of Time. Each day is made up of twenty four strings of sixty jeweled minutes, in which we have time to work, to rest, to love, to worship, to play and to do good. Our third thanks should be for our health."

The speaker pointed out that while we may not think of ourselves as a specimen of perfect health, we must realize that things could be a lot worse, and that we do have much to thank God for. "Then let us thank God for our abilities, physical and spiritual, for our power to get wealth, and for the strength to know how to handle it. And let us not forget to offer thanks for Circumstances, for our environment, for our home, our neighbors, our church and our nation."

Rev. Art. Spensit continued by pointing out that the old saying, "Every cloud has a silver lining" is true, and we should be thankful that it is. "I cursed my shoes until I met a man with no feet!"

was one illustration the speaker used. Another apt illustration was 'Judge not by what some one else received, but what we deserve'.

"Yes, friends, ascribe thanks to God, realize that all comes from Him, every good and perfect gift. While the turkey and the pies are indeed a part of Thanksgiving Day, we should never forget to whom we owe this thanks, and to Whom we offer our heartfelt and sympathetic prayers of thankfulness."

The speaker, who was introduced by President Roger McKergow, was warmly thanked on behalf of the large gathering by Kiwanian Orval Lewis. At a short business meeting, it was decided to lend financial aid to the Flambeau Home in Bondville, in order that they may install a new heating system. Other business consisted of plans to attend the Interclub meeting at Sherbrooke on October 20, and large plans are being laid for the celebration of the tenth anniversary of the Waterloo Kiwanis Club on November 16.

Sutton, Oct. 18 — Miss Norma Lahue was feted prior to her approaching marriage at a tea given by the Altar Guild of Grace Anglican church, of which she is the retiring secretary.

The party was held in the home of Mrs. Donald Stuart, who was assisted by Mrs. Howard Owens. Flowers were tastefully arranged in the living room and the table was centered with a bouquet of blue lobelia and white alyssium.

On behalf of the members, Mrs. Donald Dow presented the gift of honor with a gift of cleaning accessories, with an accompanying poem composed by Miss E. Gatto. Following this Mrs. Owens made the presentation of an electric toaster. Miss Lahue accepted the gifts with very gracious thanks.

At the tea hour Mrs. Lahue poured and the ices were cut by Mrs. Sheldon Davis. Assisting in serving were the Misses Cath-

## Verney Mills At Granby Sold To Hafner Fabrics

Granby, Oct. 13 — The Verney Corporation, which has been in liquidation since early this year, has been sold to Hafner Fabrics of Canada Limited.

In making this announcement, Henry Hafner stated that the plant will be completely reorganized and new modern machinery will be installed. It is hoped that within two years the operating staff will include most of the three hundred previously employed by the Verney Mills.

When the mill is in full operation it will manufacture, drapery and upholstery materials, and elastic material for bathing suits. The company will continue to operate its plastics division in Brantford, Ont.

This acquisition was carried out by Nesbitt, Thomson and Co. Ltd., who state that they made a thorough investigation to locate suitable and experienced management for this type of textile operation.

## WINTER PLAYGROUND PLANNEI

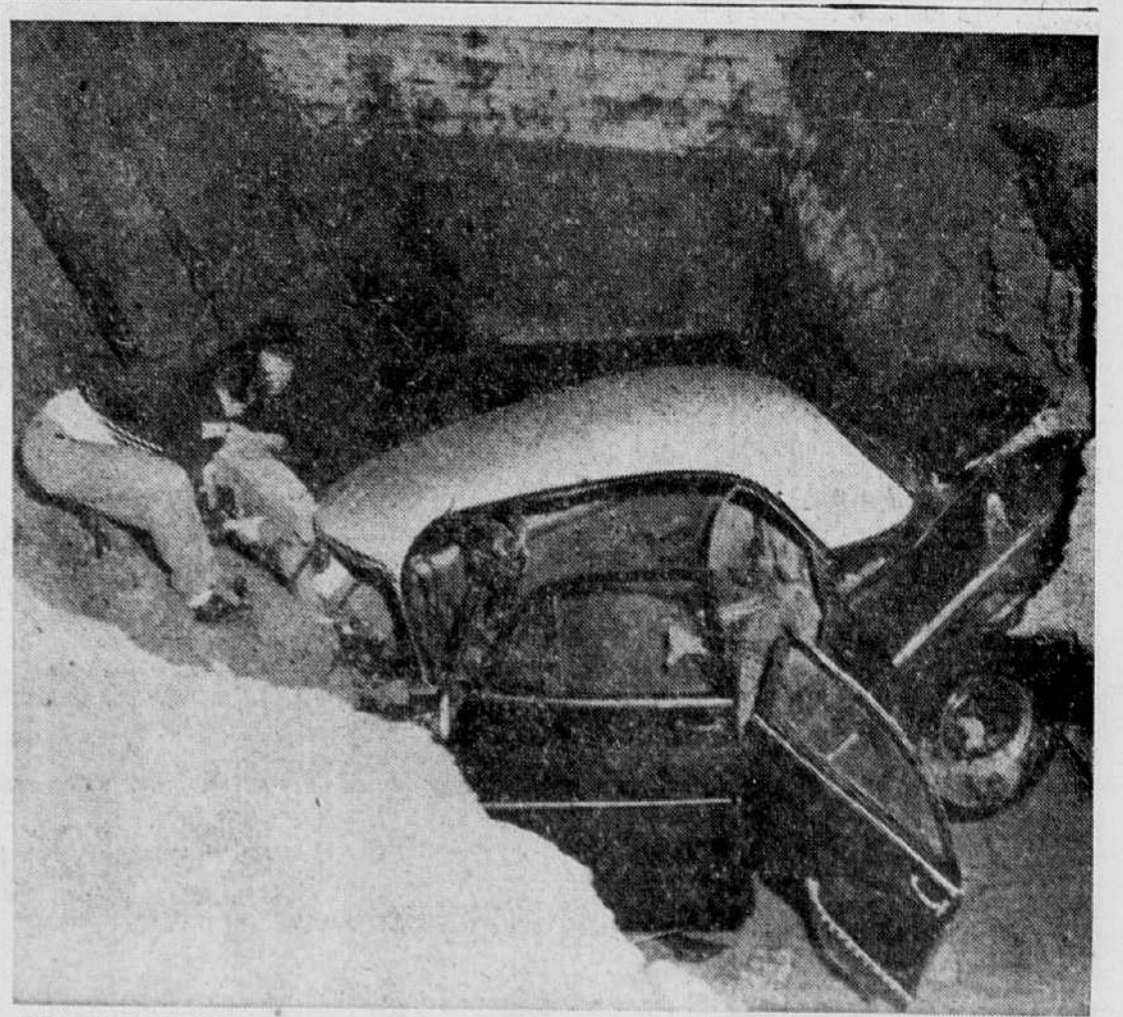

The management of the Granby zoo have made plans to provide space bordering the grounds for use as a winter playground for the children of Granby, where there will be all sorts of winter sports, such as skating, sliding and tobogganing with a sixty foot slide. This will afford them a wonderful opportunity to participate in winter sports.

The zoo is fast, becoming well known and many thousands visit every weekend. There are many new buildings now under construction, to house the animals who must have heated quarters for the winter. They are clean, comfortable and modern.

The long-awaited elephant will not make his appearance until the spring. His home has been started but will not be ready should the cold weather arrive soon, and for his well being it was decided to postpone his move until the spring.

**PARENT-TEACHERS**  
The Parent-Teachers Club of Derby Line met on Monday evening, October 12th, at the McDonald building, with a good number attending and were very much interested in a talk given by Mrs. Craig of Peacham, Vermont, on the history of the Parent-Teachers Association who explained how the money realized from the membership dues was used.

Mr. Craig also told about the different programs available to the Club, who were affiliated with the National Association, and gave out literature to the assembled group. She then invited anyone to ask questions, which she answered in a very understanding manner.

Mrs. Craig was introduced and thanked by the president, James Stevens, Jr. At the brief business session it was decided to vote at the November meeting whether or not to join the National Parents-Teachers Association. The November meeting will feature the annual dinner, to be served in the evening by the hot lunch committee, the date to be an-

nounced later and it is hoped to have Mrs. Buckland of Newport, as the guest speaker, who will speak on the new school plans.

The attendance hanner was won by the Grade I pupils. The meeting terminated by the serving of refreshment by the Grade 7 mothers.

**CATHOLIC WOMEN'S LEAGUE**  
The Catholic Women's League, Rock Island subdivision, held a meeting in the reception room of the Del Monty Hotel, Rock Island, on Tuesday evening, October 12, presided over by the President, Mrs. L. R. Waterman, who opened the meeting in the usual manner.

Miss Arlene Hand, Diocesan President of Sherbrooke, and Miss Yvette Campbell, also of Sherbrooke, were guest speakers, with the latter giving a very informative talk of the forming of study groups. Miss Hand spoke of the League and its spiritual needs and its chief objective which is Christian Unity of Sisterhood among the women, church, and many works that are required in Community living.

Mrs. Edward Bushnell, chairman of the Penny sale, a project which was so successful a year ago, and will be held again this year at the Knights of Columbus hall in Rock Island on October 28 at 8:00 in the evening. The chairman announced that the sale will be held on Standard time, and that there are several lovely, useful and attractive prizes to be given away. She also made arrangements for the sale of tickets which are now available from any members of this subdivision.

The meeting adjourned with prayer and refreshments were served from the linen covered table, where Mrs. James Perron poured. The other hostesses were Mrs. Floyd Webb, Mrs. Victor Federico and Mrs. Harold Rever.

**URSULINE CONVENT**  
The Ursuline Convent, Stanstead, held an Alumnae meeting of the executive on Tuesday afternoon, October 5. The President, Miss Marianna Genest, of Sherbrooke, was present, with Mrs. Eric Bethel, Vice pres., Miss Alice Gilmore, Treas. and Mrs. L. R. Waterman, recording sec'y. Plans were discussed for the coming Alumnae meeting, to be held in August 1955. In conclusion, tea was served in the Convent parlors by Rev. Sister of the Precious Blood.

The Ursuline convent opened its doors on September 8 for the 1954-55 year of school with an enrolment of 337 pupils, of these 192 are resident students and of that number, there are 8 girls from Hawaii and 1 Ukrainian, 49 half boarders, 70 day scholars and 36 children of Kindergarten age, 20 little girls and 16 little boys.

The Kindergarten was opened on September 18 and is a new venture for the Ursulines. The Reverend Sisters feel very satisfied and happy over the success that they have acquired in a short time. The annex for the kindergarden class is the house formerly occupied by the Duncalf family and is equipped with all modern and up-to-date needs for a happy and contented group of little folk.  
The Stanstead children attend

class in the morning and the Rock Island and Derby Line children in the afternoon.

# Larry Porter's Fingal Kan Winner Of Bradley Trophy

## Takes Championship Hunter Award Over Mrs. G. Jacobsen's Pandora; Dennis Moore Wins Wellington Cup

Fingal Kan, ace hunter from Larry Porter's St. Andrew's East stable, was the winner of the Dr. F. H. Bradley Memorial Trophy, as the top hunter in the Provincial Horse Show which closed here on Saturday night. The trophy is awarded on a point supremacy throughout the four day show. The reserve championship went to Pandora, owned and ridden by Mrs. George Jacobsen. Fingal Kan was ridden by Mrs. Schemitt.

The Wellington Service Challenge Trophy went to Dennis Moore, owned by J. A. Defosses and ridden by Ernest Stettler. This trophy is awarded to an Eastern Townships horse which has accumulated the most points during the summer show season. Dennis Moore garnered 207 points.

Saturday night's opening class was the Hunter Stake, the last hunter class for the Bradley trophy, was won by Fingal Kan while second place went to Blue Fern, owned by Hubert Stein and ridden by Percy Knott. Mr. H. J. O'Connell, sponsor of the \$100 stake, presented the prizes, for the class which saw nine competitors.

In the two hackney classes, one driven by owner and the other a sweepstake class, H. J. O'Connell and Lawrum Farms split the honours. In the harness hackney driven by the owner, Hawthorne Baskerville owned and driven by Mr. H. J. O'Connell took first prize, followed by Lawrum Leap Year driven by Mrs. L. Rumble who was awarded second ribbon.

Two local horses owned by Sterling Allatt and C. S. Ives took third and fourth ribbons respectively. In the Hackney sweepstake first place was taken by King's Counsel, owned by Bill Lawson. The second ribbon went to Star Spangled Banner owned and driven by H. J. O'Connell, whose horse Judication took third place.

The saddle horse class was swept by horses of Robert A. Campbell and ridden by Arthur Qualkinbush. The saddle horse stake was won by Bonnie Stonegate from the Campbell stable of Montreal, with 2nd place going to My Queen of All, owned and ridden by R. L. Bishop. The five gaited saddle horse class was won by Mr. Campbell's Doris Dodson who beat out Donna's Ace, owned by Miss Carolyn Place of Vermont and ridden by Ramona Reed. In winning the saddle horse stake Mr. Qualkinbush won the G. A. Brown Challenge trophy.

The equitation class was won by Miss Lilian Stein, one of the youngest competitors in the show. She was closely followed by Miss Yvette Perras and George Bishop. Miss Stein won a trophy donated by the Sherbrooke Saddle and Bridle Club.

In the Open Jumping stake, Hubert Stein's Blue Fern emerged the victor after a jump-off with Souvenir de Brandon, owned by J. A. Defosses, and The Sahara owned by Nu-Way Auto. In the first round of jumping these three horses emerged in a tie with four faults each. In the jump-off Blue Fern and Souvenir de Brandon each had no faults.

### Stanstead College Edges Verdun High

Stanstead—In a thrill-packed game held under ideal conditions here Saturday Stanstead College Senior Football team defeated powerful Verdun High School Senior "B" squad by a score of 21-18.

Prior to the game the Verdun squad had not been defeated and had not been scored on in their games this season.

The game opened with a spectacular series of plays by Verdun which scored them a touchdown and a convert in the first few minutes of play, but from then on, the play was evenly divided.

Stanstead evened the tally when R. Gleeson scored after a 70-yard run. At the end of the first half the score was 16-6 for the home team.

In the beginning of the second half, the visitors regained command of the play for a short time and scored 2 touchdowns, both of which were converted. The home team took control in the fourth quarter and with a touchdown made final score in the last few minutes of play.

Stevens was scorer for Verdun with Tsonos kicking converts.

Scorers for Stanstead team were Robert Stokes, of Bury, Ron Gleeson and Wayne Boyd, of St. Eustache. Alex Phillips, of Windsor Mills, is captain and quarterback for the red and white team.

In the second game of the day Stanstead Junior team made it a complete sweep for the home teams by defeating LHS a score of 16-5.

### France Beats Germany 3-1 In Soccer Match

Hanover, Germany — (AP) — France trounced West Germany's world championship soccer team 3-1 here Saturday. Halftime score was 2-0.

The German team won the 1954 title July 4 in Bern, Switzerland. Jacques Foix scored two goals for France and Jean Vincent counted one. Klaus Stuermer tallied for West Germany.

### Moscow Team Wins In England

Manchester, England — (AP) — The Moscow track team ended its tour of England Saturday with a 17-6 victory over a northern England team in drizzling rain and on an antiquated track which held performances far below international standards.

Russia's promising middle distance runner, Ardalion Ignatiev, ran the 220-yard dash in 21.9 for the best performance of the day. Considering the soggy track and the sharp bend he was forced to take, the time was good.

England's Gordon Pirie took the three-mile event in the disappointing time of 13:53.0. Russian Vladimir Kuc scratched from the event to rest for his meeting with Emil Zatopek in Prague this week.

### High Gun Wins Jockey Club Cup

New York — (AP) — King Ranch's High Gun scored an easy three-length victory Saturday in the \$82,250 Jockey Club Gold Cup before a crowd of 38,292 at Belmont Park. C. V. Whitney's Fisherman was second and Mrs. Philip Bieber's Bicarb third.

Eddie Arcaro, riding his fifth victory in this stake, sent High Gun into the lead almost at once and he remained there for the entire two miles, timed in 3:25 4/5 on a fast track.

An odds-on favorite, High Gun paid \$3.00, \$2.20 and \$2.10. Fisherman, who came from last place to bet second money, returned \$2.50 and \$2.30 and Bicarb paid \$2.40 to show.

The victory was worth \$55,150 for High Gun and raised his total 1954 earnings to \$314,550.

### Cockell May Meet Marciano In U.S.

Glasgow — (AP) — Don Cockell, British heavyweight boxing champion, is likely to meet champion Rocky Marciano in a world title bout at Las Vegas, Nev., early next year, Cockell's manager said Saturday.

Manager John Simpson said he will fly to the United States to discuss financial arrangements. "You can take it from me that Don is going to get a crack at the title," he said.

### HEADS REGISTRATION COMMITTEE

J. Emile Blais, vice-president of the Little Lake Fish and Game Club, has been named as chairman of the Eastern Townships Fish and Game Clubs' Association who will hold their annual convention at the New Sherbrooke Hotel on Sunday, October 24.

### Eight-Man Syndicate Makes Dramatic Last-Minute Purchase Of Athletics; Roy Mack Remains With New Group

Philadelphia — (AP) — An eight-man Philadelphia syndicate made a dramatic last-minute purchase of the Philadelphia Athletics Saturday night. The action saved American League baseball for this city and ended the baseball life of one of the game's greatest figures, 91-year-old Connie Mack.

Months of confusion and indecision over the status of the Athletics was ended when the syndicate of wealthy and prominent Philadelphians bought out Connie and his son, Earle Mack, and made a one-ninth partner of Roy Mack in a \$4,000,000 deal.

The syndicate moved with startling speed in concluding the deal that kept the A's from being transferred to Kansas City. Only last Tuesday the American League met in Chicago and approved sale of the club to Arnold Johnson, Chicago businessman who wanted to take major league baseball to Kansas City. Roy Mack was given until 11 a.m. EST today to make up his mind on whether to sell to Johnson.

The new group, which has asked President Will Harridge of the American League to approve the purchase agreement, paid Connie Sr., \$804,000 for his 302 shares, and gave Earle \$450,000 for his 163 shares. It assumed liability for a \$1,200,000 mortgage. Balance of the \$4,000,000 will be used to pay off other indebtedness and as working capital.

Roy was given \$450,000 for his 163 shares, but he re-invested \$250,000 in the new ownership group as a partner.

The new owners who plan to meet early this week to reorganize the club, elect officers and a board of directors, are: Arthur Gallagher, trucking firm executive and former national sculling champion; T. R. Hanff, investment man; Barney Fischer, oil and automobile industrialist; Isadore Sley, owner of the Racquet Garage Corp.; Morton Liebman, son of a Philadelphia department store magnate; Arthur Rosenberg, food chain executive; J. Rensel, Philadelphia advertising agency man; John Criscione, automobile dealer, and Roy Mack.

Johnson, who flew here late Sunday night in a desperate last-minute effort to forestall the Philadelphia deal, was stunned at the news Roy had signed away the team to the local group.

### Vancouver To Get \$3,000,000 Arena

Vancouver — (AP) — A \$3,000,000 hockey arena and auditorium may be constructed here, officials of the Pacific National Exhibition announced Sunday.

PNE president J. S. C. Moffitt said his organization has opened negotiations for purchase of a half interest in the Western Hockey League franchise held by Vancouver Canucks.

Mr. Moffitt said the coliseum, if built, would have 8,500 seats with facilities to increase the seating capacity to at least 10,000.

Sunday night in a desperate last-minute effort to forestall the Philadelphia deal, was stunned at the news Roy had signed away the team to the local group.

"I can't understand it," he said at the International Airport. "I offered Roy a much better deal. He would have been a vice-president at a high salary and a key factor in the Kansas City setup. I promised to give his son, Connie Mack 3rd, a five-year training course and make a baseball man out of him. I offered him the moon, and now what has he got, a one-ninth interest in nothing. His son won't have a chance in this group."

Roy has been guaranteed a one-year contract at his present \$25,000 salary by the new group.

## Canadiens Upset Red Wings 3-1 For Detroit's First Loss Of Season; Leafs Still Floundering Around

Conn Smythe's Toronto Maple Leafs haven't done a thing so far in the National Hockey League campaign to indicate their boss could have been wrong about them.

The outspoken Smythe predicted in a pre-season survey that the Leafs wouldn't finish any better than fourth. The way they've been playing they must believe it themselves.

The Leafs haven't won a game and only the fact that Chicago Black Hawks are floundering around as usual has kept them out of the cellar. The Leafs have managed two ties in their four games to keep a single point ahead of the sixth-place Hawks.

The Leafs had to settle for their second tie Sunday night when Boston Bruins snatched victory from them with little more than a minute to play. The tie came on top of a 4-2 defeat the New York Rangers handed Leafs in Toronto Saturday.

WINGS FINALLY BEATEN — The week-end was also noted for the first defeat of the season for the Stanley Cup champion Detroit Red Wings. They lost 3-1 to Montreal Canadiens in Detroit Saturday night. The champions came back Sunday night in Chicago to trounce the Black Hawks 5-2. It was the winless Hawks' fourth loss against one tie.

Montreal now is in first place by a single point over the Wings with New York and Boston tied for third, four points back of Detroit. The Leafs are in fifth place with two points.

The old manoeuvre of yanking a goalie for an extra forward in the dying seconds took away the Leafs' hopes for their first win. Rookie left winger Don McKenzie scored at 18:43 to enable Boston to tie the Leafs Sunday.

It was his fourth goal of the season. Leafs had held a one-goal lead from the second period when George Armstrong scored his first goal of the season.

## Athletics Outplay Quebec But Forced To Settle For Scoreless Tie; Meet Here Next Saturday

Quebec — (AP) — Sherbrooke Athletics Saturday outclassed the Quebec football club in a Quebec Rugby Football Union game but had to settle for a scoreless tie after losing the ball six times on penalties deep in Quebec territory.

The Athletics racked up 13 first downs to Quebec's four and quarterback John Boland completed six of nine pass attempts while the Quebec team fumbled all seven tries with Sherbrooke intercepting two to Quebec's one.

The teams now are tied for second place in the three-team QRFU eastern section, one point behind Trois-Rivieres Braves, who have finished their four-game schedule. The winner of next week's end counter at Sherbrooke will wind up in first place with the right to meet the winner of the four-team western section for the Quebec Senior "B" championship.

Allan Way missed what might have been a winning field goal for Quebec when his first-period kick hit the crossbar. Way with his quick kicks and long run-backs several times cleared the ball from Quebec territory and broke up Sherbrooke rallies.

Mac Cathcart did most of the long-gaining and kicking for Sherbrooke.

## Quebec Aces Climb Back Into Top Spot In Quebec Loop With Win Over Sags; Cats Blank Senators, Royals Win

The Quebec Aces, with veteran Ray Powell showing the way, have climbed back into undisputed possession of first place in the Quebec Hockey League.

Powell scored three of Quebec's four goals Sunday as the Aces turned back Chicoutimi Saguenens 4-3 in Chicoutimi. The win was the team's third in four starts and put them two points ahead of Ottawa and Shawinigan Falls.

Earl Johnson scored the other Quebec goal and Jacques Locas, Georges Roy and Germain Legere counted for Chicoutimi.

At Shawinigan Falls, the Cataracts handed the Ottawa Senators their first setback of the young season, winning 2-0. Goalie Bob Perreault was credited with his first shutout of the season, while Dick Wray and Connie Borden provided the goals. Bob Perreault got the shutout.

Montreal Royals won their first game of the season, scoring three times in the final period to defeat Valleyfield, 4-1. Kelly Burnett led the attack with a pair of goals, while Lulu Denis and Ray Laplante notched singletons, Jean Paul Bisailon scored for Valleyfield.

The win left Montreal in a fourth place tie with Chicoutimi and Valleyfield, each with two points.

# Two Spills Take Place In Week-End Racing Program

## Clever Volo And Advocate Divide Honors In Free-For-All Yesterday; Daily Double Pays Top Price Of \$92.00

Coombs' Garage entry of Clever Volo in the Free-for-all pace yesterday afternoon divided the honors with Advocate, owned by Henry Fortin of St. Gedeon and teamed by Lucien Denault, in the main feature of the week-end card presented by the Sherbrooke Racing Club. The local gelding won the first heat in 2:10 2/5 while Fortin's black gelding won in 2:10 3/5.

A four-horse spill in the seventh race Saturday sent two drivers to the hospital when the two teamsters locked wheels and the others piled into them. It was on the first trip around when Beth Song, Laurel Theresa, Maryland Port and Reawyn were in the mixup.

Only one spill was witnessed Sunday afternoon when Guy Desrochers, trying for a spot in the file, was thrown when he failed to make the opening. He was dazed by the spill but came up with only a bruised arm. He was driving Norma Knight.

On Saturday evening D. D. MacDonald's Lee Hall caused an upset when he crossed the wire to take second spot in the event, paying the top sum of \$33.70 on a place ticket. On a straight ticket Dr. Veilleux's George Brooke took the high in the seventh with \$37.90. The daily double paid \$106.20 when Peter Adeline, in the first, and Andy Kuno teamed up to pay their backers the high of the evening. The quinellas paid \$9.20 and \$25.40.

Yesterday afternoon El Morris and Leon Dewey paid their pickers the sum of \$92.00 for the double while the quinellas paid \$56.65 and \$18.10 in the seventh. The former paid \$22.20 for a straight bet, while Marland Land, owned by H. Gagnon, of Sherbrooke, upset the bettors by finishing second in the third race and paid \$44.60 and \$19.50 for show and place for the high of the afternoon.

Driver Amedee Beaudoin was fined Saturday evening for pulling his entry, Dewey Brooke, in the second race when he finished sixth in 2:16 and then in the second half he led the field home in 2:16 4/5 to cause an upset. Two other drivers were fined for interfering as the teamsters were going all out and caution, several times, was tossed to the winds.

The next program will be held Wednesday evening followed Saturday evening and Sunday afternoon. In the future only three cards will be presented on the above days.

## Bishop's University Gridders Wallop Macdonald Aggies 32-0 To Cop First Place In League

Ste. Anne de Bellevue — Bishop's University Gridders Saturday trampled the Macdonald College Aggies 32-0 in a regular Ottawa-St. Lawrence Valley Conference B section tilt played here, roaring into first place in the section with a two-point bulge over the Aggies.

The Gridders are undefeated and unscored upon in three starts this season. They hold a 12-0 win over R.M.C. and an exhibition 22-0 blanking of the Sherbrooke Athletics.

Saturday's game was Bishop's all the way, as the Purple and White crew surged to the fore early in the second quarter on unconverted touchdowns by fleet freshman fullback John Pratt, and added a rouge on a booming 48-yard punt by Laurie Hart to lead 11-0 at the half.

The Aggies threatened only once in the quarter as they marched to the Bishop's six yard line, but were stopped by a stout goal line stand there.

The Gridders forged further ahead in the third quarter as freshman end Don Stringer took a short pass from quarterback Murray Greenwood in the end zone, and then ran away with the game in a 16-point last quarter.

Warren Lynch, Bob Burt and Greenwood all scored majors in the last fifteen minutes, with Greenwood adding a convert to his final touch.

The Aggies were no match for the fast, hard-charging Ross-men, either on the ground, or through the air. The Gridders rolled up an impressive total of 411 yards, compared to the Aggies 200. Greenwood tossed 21 passes, completing 10, three of them good for majors.

Bishop's again threw up the solid defence which has become the trade mark of the squad this year, intercepting 6 Aggie passes, recovering two of the three Aggie fumbles and except for the one Aggie threat, keeping the home team pinned in to their own end of the field.

Although kept at bay throughout the first quarter, the Gridders came to life on the very first play of the second quarter, as Pratt took a hand-off from Greenwood on the Bishop's 30, crashed through the Macdonald line, and danced the remaining 80 yards to pay-dirt. Greenwood's attempted convert was blocked by Davidson for the Aggies.

Pratt got his second dazzling major of the game late in the quarter as he leaped high to snare a short pass from Greenwood off the open to the Macdo-

## Two Race Horses Pile Into Each Other, Break Necks

New York — (AP) — Two race horses were killed Sunday on Belmont Park's training track in an unusual head-on collision. An exercise boy, riding one of them, suffered two fractures of his left leg.

The horses, four-year-old Speedy Wave and two-year-old Star of Roses, were on the track for a workout. Star of Roses suddenly turned and started to run in the opposite direction. She met Speedy Wave head-on. Both animals fell, dead from broken necks.

## Maritime League Asks Permission To Raid Outlaws

New Glasgow — (AP) — The Antigonish-Pictou-Colchester Hockey League Sunday asked the Maritime Amateur Hockey Association executive to hold a special meeting to discuss "raiding" of players by Newfoundland clubs.

The Newfoundland league was approved for MAHA membership last season but did not apply and thus remained an outlaw loop.

## Verdun Downs Ottawa Seconds

Montreal — (AP) — Danny Johnson scored a touchdown and booted to the deadline Sunday to give Verdun Stampede all their points and led them to a 6-1 win over Ottawa Seconds in a senior Quebec Rugby Football Union game here.

Lakeshore Flyers assured themselves of at least a tie for first place by drubbing the tail-end Montreal Orfuns 23-6 in another game here.

## WEEK-END STARS

Bernie "Boom Boom" Geofirion, Montreal, who scored what proved to be the winning goal as Canadiens beat the Red Wings 3-1 at Detroit Saturday.

Danny Lewicki, New York, who scored the winning goal Saturday as the Rangers defeated Maple Leafs 4-2 in Toronto.

Alex Delvecchio, Detroit, who scored a goal and two assists Sunday as the Red Wings defeated the Black Hawks 5-2 at Chicago.

## Sam "The Rifle" Etcheverry Gives Top Hurling Performance As Als Wallop Cats 46-11; Argos Win 27-11

Old-time Montreal football fans fondly recall the 1931 season when Warren Stevens forward-passed the Winged Wheelers to a Grey Cup title. The Syracuse University grad passed Big Four clubs to infuriated frustration that year but he had nothing on Sam Etcheverry of Montreal Alouettes.

The Rifle twisted Hamilton Tiger-Cats' tails Saturday with one of the slickest exhibitions of passing the Big Four has seen. Everything was big about the game, played in Montreal.

Etcheverry threw five touchdown passes and completed 26 of 36 for a 586-yard gain through the air, believed to be a Big Four record. The Als ran up a 46-11 score, highest of the season in the professional league, and 21,066 fans looked on, top crowd in the East this year.

Toronto Still Hopeful — The Als now are six points up on the second-place Tiger-Cats and 10 ahead of Toronto Argonauts, who retained a mathematical chance of a playoff berth by downing Rough Riders 27-11 at Ottawa.

Hal Patterson, 22, import end from Kansas U., had two touchdowns for Als, one a 93-yard run-back after receiving Hamilton's second-half kickoff. On the other he took a 50-yard Etcheverry pass and ran another 55 yards.

Red O'Quinn and Larry Grigg each scored two majors, and Alex Webster and Joey Pal had one each. Etcheverry kicked six converts in seven attempts.

For Ticats, behind only 11-9 at the half, Tip Logan had a field goal and a field goal, and Merle Hapes scored a touchdown.

In Ottawa, quarter Nobby Wirkowski threw Argo touchdown passes to Gene Wilson and Johnny Fedosoff. Wilson scored another on the ground and Billy Cross had one. Norb Hecker had four converts and a field goal.

Bill Sowsalski and Tom McHugh scored Ottawa's majors. Calgary's Hopes Slim Western Interprovincial Union games Saturday saw Calgary Stampede practically eliminated from the three-team playoffs.

The Stamps were beaten 19-3 by Saskatchewan Roughriders in Regina, while Edmonton Eskimos walloped British Columbia Lions 31-3 in Edmonton.

Calgary meets the Blue Bombers in Winnipeg tonight in the Stamps' final game of the season, while Edmonton plays the Lions in Vancouver.

In the Senior Intercollegiate Union at Kingston, Queen's Golden Gaels played like champions Saturday to beat Toronto University 20-0. At London, University of Western Ontario Mustangs downed McGill Redmen 25-6.

## Army Topples Duke As Notre Dame Edges Michigan State; Oklahoma Wallops Kansas As Pitt Stops Navy

New York — (AP) — Onrushing Oklahoma, a team that can pile up big scores on sheer momentum, led a parade of favorites to victories Saturday as the ever-present upset finger pointed at three more power-houses of U.S. college football.

The Sooners, top-ranked team in the land, crushed helpless Kansas, 65-0. Wisconsin, UCLA and Ohio State, the numbers 2, 3 and 4 teams, also won, but Duke, Penn State and Navy lost.

Wisconsin whipped Purdue 20-6, and remained one of the favorites for the Big Ten title; UCLA clubbed Stanford 72-0, and Ohio State defeated Iowa 20-14.

Purdue was ranked No. 5 in last week's Associated Press poll of sports writers and sportsca-

sters, but it was the Boilermakers' misfortune to tangle with Wisconsin. Purdue isn't out of the race, but this defeat will hurt badly, while for Wisconsin the victory overcame one of the Badgers' big stumbling blocks.

Army took the measure of Duke 28-14. West Virginia knocked Penn State from the ranks of the unbeaten and now the Mountaineers rank as the top team in the east. Pitt, playing without head coach Red Dawson who is ailing, turned back Navy 21-19.

Notre Dame, fighting to regain lost prestige, won a sizzler from Michigan State, 20-19, after being two touchdowns down in the first quarter. The result prompted 26-year-old Terry Brennan, the Irish coach to comment:

"Games like this take 10 years off your life."

Oklahoma was flexing its muscles in its first Big Seven game of the season against Kansas and the 28,000 spectators on hand were treated to an awesome spectacle of power. After the first team scored four touch-downs, coach Bud Wilkinson sent in the second combination which also tallied three times. Wilkinson then dug down deep and inserted the third Sooner team and it, too, notched three scores.

Southern California licked Oregon 24-14 in the nationally televised game of the day.

## Willie Mays Still Belting Old Ball

San Juan, Puerto Rico — (AP) — Willie Mays, New York Giants star centre fielder, connected with two singles in five times at bat and scored two runs as he made his debut in winter baseball Sunday with the Santurce club. He also fanned twice.

## Hutchinson Signs With Seattle

Seattle — (AP) — Freddie Hutchinson, field pilot of Detroit Tigers for two seasons, came back home Saturday to sign as manager for three years of the Pacific Coast League Seattle Rainiers.

Hutchinson got his professional baseball start here, winning 25 games as a kid pitcher with the Rainiers in 1938.

At Seattle, Hutchinson, succeeds Jerry Priddy, Rainiers pilot for one season.
