MAKE A CHANGE

and make it now. Make a change from sickness to health; from impure blood and its many evil results, to a condition where each muscle, each nerve, and each drop of blood, does its work in its place.

Make a change in your habits of living; assist nature by taking a blood-purifier, and you will be well and strong again.

Right living, plain nourishing food, sleep, cleanliness, and the use of a blood-purifier of merit, are the means that must be used to get and keep, pure blood and good health. This is common sense. The blood-purifier you use should **be the best,** and this we claim you will find in

AYER'S SARSAPARILLA

A reasonable person wants reasons for any such broad statement, and these are ours.

Ayer's Sarsaparilla is a compound of unequalled strength, made from the best known blood purifying elements.

Its analysis by disinterested druggists and chemists prove this statement.

Its formula of composition has **never** been kept secret.

It was admitted to the World's Fair on its merits, where all other blood purifiers were barred out.

Physicians recommend it and use it in their practice.

Thousands have used it and have been cured.

If you have thoughtfully read this statement and feel that you need a blood medicine, we feel that you will endorse our claim of **the best,** and purchase and use
