New Face At The Window

Appointed Postmaster at Shawville on July 18, was Ernest Lloyd Dean, a native of Shawville. He replaces Cliff Woodley, who retired from the Postal Service on that date. Ernie is a veteran of the RCAF, having served overseas during World War II in England and North Africa. He has been employed by Morley Hodgins Ltd. during the past four years. He is married to the former Sadie Francis of South Wales, and they have two children, Ann Marie, 12; and Arthur, 4.

Shawville Lets Contract For Sewer System

To Be Installed By December 5th for $257,000

The Conex Corporation of Montreal has been awarded the contract for the construction of sewer lines in Shawville. Contract price was $257,474.54. Work is to be started on Monday August 8 and is to be completed within 120 days, which means by December 5.

The bond issue, to pay for the sewer system, has been underwritten by J. F. Simard & Co. of Ottawa, at a price of 96.77 per hundred dollars. The bond issue total $377,000, some of which carries a rate of 5½%, and the remainder a rate of 5¾%. The lower rate bonds mature between 1961 and 1970; while those carrying the higher rate mature between 1971 and 1975. Bonds remaining outstanding at the end of 1975 will be refinanced at that time.

Laflamme New Crown Attorney

J. Oscar Laflamme, lawyer, of Campbell's Bay, has been appointed Crown Attorney for Pontiac County, effective July 16, according to an order of appointment issued by the Attorney General of Quebec. Mr. Laflamme replaces Edgar Allard in that appointment.

Paving Progress

The annual spate of road paving is progressing well. A start was made today on the Pickanock Road, from Shawville to a point beyond Yarm near William Hodgins farm. This follows paving done at Ladysmith, and other sections around the county. Work is being done by Dibblee Construction Co. Ltd., and trucks for hauling gravel and asphalt are being hired locally. Five are in use today. The asphalt machine is installed next to the gravel pit on Garnet Hodgins property at the 8th Line and Pickanock Road.

Fort Coulonge Police Chief Resigns; Provincials Fill In

Fort Coulonge loses its policeman, Real Valliere on Sunday of this week, following his resignation after three years of maintaining law and order in the Village. Tenders have been called by the Municipality for a new chief of police; and the closing date for tenders is next Monday.

To provide continuity of police protection, Fort Coulonge Council made application to the Quebec Provincial Police Detachment at Campbell's Bay for assistance. The Detachment in turn applied to Montreal Headquarters, with the result that two Montreal members of the QPP have been dispatched and arrived in Fort Coulonge on Tuesday. They are Sgt. Paul Quezel of the Constabulary; and Constable Jean-Paul Dalaire of the Traffic Department. They will remain in Coulonge "until things are settled", according to Det. Andre Audet of the Campbell's Bay Detachment. The period of time involved is expected to be a couple of weeks.

Mystery Car Gutted By Fire

An unidentified car, with Ontario registration C 40455, was completely burned out on the Portage Road about 5 miles from Shawville last Friday night. The car is a 1956 Meteor, painted black. Investigation was made on Saturday morning by Arthur Kingsbury of the QPP, and application made to Toronto for information as to ownership of the vehicle.

OUR MISTAKE

It was the John Slys whose 25th wedding anniversary was celebrated July 9, not the Secil Sly's as printed in The Equity.

School Renovation Contract Goes To Russell Judd

At a meeting of the Clarendon School Board held last night, Russell Judd's bid on renovations at Victoria Avenue School was accepted. The renovations are to the boiler room and to the hallways for the purposes of improping the fire protection features of the building. Contract price is $5,244.00. Work is to be started next week, and is to be completed before the start of school in September.

University Man Drowning Victim

John Edward Kennedy, 21 years old of Kingston Road, Scarboro, was drowned at Bryson Point, Fort Coulonge on July 27. He was the son of Mr. and Mrs. Lawrence Kennedy and was a student of Ottawa University.

Surviving as well as his parents are aunts and uncles in Fort Coulonge and cousins and an aunt in Val d'Or.

The funeral was from Ringrose brothers funeral home in Fort Coulonge to St. Peters Chuch. Reverend Roland Pilon officiated and pallbearers were Jerome Germain, Emmet Romain, Robert Romain, Earl and Jimmy Romain and Bert Cavanaugh.

Imprudent Driver Fined In Court

An accident occurred on Highway 8 at the intersection with the Portage Road on the outskirts of Shawville on Sunday, July 24 at 7:05 pm. Peter Chabot, age 50, of New Liskeard, Ont., was heading north alone on the Portage Road, and failed to stop at the Highway 8 intersection. It was estimated that he crossed the intersection at 50 m.p.h. His car was struck by a west bound car owned and operated by Francis Devlin, 31, of Bryson, who was accompanied by his wife. The Devlin car struck the Chabot vehicle at the rear fender and swung the car around. Damage to the Chabot car was estimated at $900; and to the Devlin car at $1,100. The accident was investigated by Lindon Young of the QPP, and Chabot was charged with imprudent driving. He later pleaded guilty in court at Campbell's Bay to this charge and was fined $20 and costs.

$10,606.00 FEDERAL GRANT

To Buy Equipment At Pontiac Hospital

The Board of Directors of Pontiac Community Hospital has announced the promise to the Hospital of a Federal grant amounting to $10,606.00, to be used for the purchase of the following equipment for the infant department of PCH. Two sterilizers (one is very large, and may require a special room to house it); refrigerator for baby formula; stationary bottle warmer; portable bottle warmer. This equipment will be purchased from American Sterilizer Corporation, and will be installed by them, probably towards the end of September. Administrator Barley states that when the new equipment is put into use, Pontiac Community Hospital, for its size, will have the best equipped infant department of any hospital in the Province of Quebec.

Along with the above equipment, an order has also been placed with American Sterilizer Corporation for a new obstetrical table, to be installed at the same time, at a cost of $1,800.00.

The Hospital Board also has announced a donation to the hospital of $100, by the friends and relatives of the late R. W. Hodgins, to be applied to the purchase of a drinking fountain in the lobby of the hospital.

Quyon Fox Club Now Hunts Wolves

Night and morning around Quyon River and the Curley Lake region, wolves can be heard howling hungrily. But some are evidently not as hungry as they might be from reports received from that area this week.

Fox Club members have found deer killed by wolves in the vicinity. One of these slaughtered deer was discovered on a wolf hunt organized to track down a cattle killing pack which had killed two big calves and torn up two others on Russel Emmerson's farm in South Onslow.

This pack also killed one of Mr. Emmerson's collie dogs.

Mr. Emmerson was awakened about four o'clock on Friday morning, July 8th by the dogs barking and the cows bawling. He got up and when he came out of the house he saw one wolf eating a calf about a hundred feet from his barn. Having no rifle he drove to his neighbours, the Armstrongs, and they hunted the next few hours without luck.

That evening a few of the Fox Club members took up the chase. They got a couple of hounds and in a couple of hours they located some of the pack. The hounds gave chase and Terrence Mulligan wounded one of four he saw. Stan Langdon of Shawville also got a couple of running shots before the wolves took to the hills. One wolf was wounded but escaped with his life. Mr. Steele, who was also in the hunt, found the carcass of a deer a few days previous in the same area.

Nobody Hurt In Freak Skid

A freak accident happened near Wyman, on Highway 8, on Tuesday, Aug. 2, when a car owned and operated by Sidney O'Reilly of Kingston, Ont. skidded on the wet pavement at 1:05 in the afternoon, turned around and went over the embankment on the north side of the road, ending up in the bush, on its wheels and facing the road. Neither the driver nor his passenger were injured. Damage to the car was slight. The accident was investigated by Lindon Young of the QPP.

Fred Graham Resigns

Fred Graham, of Maryland, who was a member of the Bristol Protestant School Board, resigned from the Board, his resignation was accepted, and Bob Sheppard appointed to replace him. At the same meeting, Hilliard Beattie was named chairman of the Board to replace Marshall Laughren whose term of office expired at the end of June.

Children Break Into Norway Bay Hall

Two 12 year old residents at Norway Bay, were yesterday apprehended following breaking into the dance hall next door to Scobie House, owned by Scobie House propieter Henri Villeneuve.

Entrance to the building, for the purpose of taking soft drinks and chocolate bars from the booth inside the building, was gained by scaling the wall and roof and dropping through the ventilator via a rope tied to the ventilator. The youths had apparently entered the building over a period of two or three days, and were finally caught by Mr. Villeneuve. Investigation was conducted by Earl Bennett of the QPP and the youngsters released to the custody of their parents. No charges were laid.

FIRST THINGS FIRST

Here, in this column, we have urged people to do many things. We ask them to beware the pitfalls of dangerous driving, to avoid situations which lead to drownings, to exercise care in the use of farm machinery, to vote at elections of all kinds, to come to the Fair.

We have supported drives for a home for the aged, a wading pool for children, a nurses' residence, modern fire equipment, the Children's Home.

We have carried on long term campaigns to get the Province to take over winter maintenance of our highway, to get sanitary sewerage, to improve our schools, to encourage progress in Pontiac and eventual accrediation of our hospital.

Every organization from the Catholic Women's League to the Loyal Orange Lodge and including about a hundred others has had mention in this column and encouragement in this paper whenever their good works needed such support.

The school boards, councils, churches are all included in our policy to endorse every effort being made for the public welfare.

Today we would like to draw the attention of our readers to another local cause. The advertisement below provides the details and for those who don't know, the Devine family has been submerged with expenses in connection with the hospitalization of young Andy who was seriously injured in a tractor accident last month.

But aside from all these local needs which should claim our attention and yours, there is a supremely important matter which we should be attending to first and foremost. This matter relates to the continued existence of the race of human beings on this earth. If we are to have old folks homes, agricultural halls, and sewerage; if we are going to help our neighbors in distress, we must first of all have people and feel in some way assured that we will continue to have people.

The large advertisment at the right is there for you to read and we feel that above all other considerations this should claim your attention and your signature. Then it should be mailed either to our Member of Parliament, Paul Martineau or directly to the Prime Minister of Canada in Ottawa.

OPEN LETTER TO THE PRIME MINISTER

NUCLEAR WEAPONS FOR CANADA?

The Hon. John Diefenbaker, P.C., M.P.,
Prime Minister of Canada,
Ottawa.

Dear Mr. Diefenbaker:

The spread of nuclear weapons from nation to nation is causing world-wide apprehension. This fact gives particular importance to the deliberations now going on within our Government about Canada's possible adoption of these weapons. We urge that the Government decide that Canada's forces will not adopt these weapons, and that they will not be permitted within Canada's territorial limits.

It is said that Canada needs nuclear weapons for their deterrent value. We believe Canada's adoption of them would have disadvantages which far outweigh any such consideration.

> "The greatest danger of nuclear war is not that the Russians will attack. The greatest danger arises out of the likelihood of an accident. And, if measures are not taken soon to prevent nuclear weapons from coming into the possession of additional nations, the risks of accident will multiply in geometric proportion. Not only will it lie within the power of an unpredictable number of political and military leaders to trigger a holocaust, but a single rebellious military commander will be able to set the world in flames.
>
> "There can be no deterrent to war by accident.
>
> "Top priority in the formulation of new foreign policies must be a determined approach to prevent the further dissemination of nuclear weapons . . ."

We think these words, spoken by Adlai Stevenson on June 24, 1960, have a direct application to Canada.

Acceptance of nuclear weapons by Canada, whether under her own or under joint control with the United States, would:

1. Increase the probability of accidental war;

2. Pave the way for the allocation of these weapons to countries such as West Germany, with its disturbing hints of a resurgence of Nazism; it would also provide a strong motive for Russia to share her nuclear weapons with her satellites and with Communist China.

3. Considerably damage Canada's reputation as a constructive force in international affairs.

On the other hand, a Canadian "No" to these weapons would:

1. Avoid the above dangers;

2. Encourage other nations to renounce these weapons;

3. Enhance our opportunities for positive initiative both in the United Nations and in N.A.T.O., aimed at negotiated disarmament and prevention of nuclear war.

We were proud that our Government pressed France last autumn not to test her atomic bomb, and that Canada supported Ireland and others in the last United Nations General Assembly in urging a halt to the distribution of nuclear weapons to countries not already having them. We believe this positive policy should be extended.

For all these reasons, Mr. Prime Minister, we urge upon the Canadian Government in the strongest possible terms, that Canada say "No" to these weapons; that she say it clearly; and that she say it now.

Respectfully yours,

Rev. Dr. J. A. Boorman, United Theological College
Dr. Pierre Dansereau, Dean, Faculté des Sciences, Université de Montréal.

Tigers Trounce Sheenboro

Sunday July 17 at Shawville the Tigers trounced Sheenboro 9-1 in an Upper Ottawa League game before a slim crowd. Earl Powell pitched four scoreless innings, with Glenn Morrison and Bryan Murray dividing the last five innings. Wayne Chambelain was behind the plate. The losing pitcher was Ed Walker who went all the way with Jim Michaud as his battery mate.

Harv Smith and Chamberlain led the offensive with two hits, two runs, and two runs batted in apiece. The totals for Shawville were 9 runs, 10 hits, and 2 errors. For Sheen, one run, 2 hits, and five errors. The umpires were Elli Dale at the plate and Ron Richardson on the bases.

A week later in Quyon in a more exciting contest the tigers outlasted a determined Quyon crew to win 11-8. The game got undermay at four o'clock and the sun bothered the fielders, making it a game where almost anything could happen.

Paddy O'Donnel pitched two scoreless innings before giving away to Earl Powell who went on to pick up the win. Gil Fraser relieved Jim Marks on the Quyon mound. The catchers were Des Keon for the Flyers and Wayne Camberlain for the Tigers.

In the hitting department Tiger Glenn Morrison had four hits in five trips and scored four runs. Arnie Garrison slammed three hits, with Royce Richardson and Bruce Yemen getting two hits and two RBI's. Chamberlain also collected a pair of safe blows.

The game was close right to the finish, with Shawville nosing ahead by one run in the eighth and scoring two more in the ninth. Quyon had the tying run at bat in the ninth but failed to score. For Shawville it was 11 runs, 14 hits, and five errors. Quyon had 8 runs on 8 hits and five miscues. Bill Carswell umpired at home plate, and the bases were handled by Basil Alexander and Ellie Dale.

New Pastor At Campbell's Bay

Taking up residence at the United Church Manse, Campbell's Bay, at the beginning of July were Rev. and Mrs. George Clifford, with their baby daughter (11 weeks) Christina. Mr. Clifford, who was ordained at Sherbrooke, Que. this year has been associated with the pastoral charge of Harrington, Kilmar and Avoca, Que., during the past two years. The Clifford family is now on vacation in New York City for the month of August.

Shawville Recreation

Everyday Supervised Fun Enjoyed By Youngsters

An average of well over a hundred children have been showing up at the Shawville recreation ground everyday during July. July 7 was their biggest day with 131 children on hand to enjoy the activities. Favourites among the many types of recreation have been softball, boxing, water polo and other games in the pool and soccer.

All these organized games are only possible due to the presence at the playground of a trained leader.

The program was carried out every week day except for two and a half days when it rained.

A hundred and fifty children are now registered and these come and go as they will, some leaving town for cottages for short periods and returning later. The playground area has been improved by grass cutting, the erection of rope swings in the grove, the setting up of the softball backstops and the maintenance of the Rotary pool. This pool had to be closed for a short period so that glass from broken bottles could be cleaned out.

The children have been divided into teams of Reds, Blues and Greens. So far the Greens, captained by Garry Allan, are leading with 75 points. Allan Dean's Reds follow with 52 points and Blues are close behind with 50 points. George Findlay is the captain of the Blues.

The Recreation Commission has now sufficient equipment, according to leader Garry Nesseth, to function satisfactorily, however further donations which would keep the activities interesting and offer a variety to the children would be welcome.

Two accidents have been reported since the last issue of The Equity. On July 20, Jeannine Beaulieu, 11 years old, choked on a large piece of gum. She had just won a race among the ten and eleven year olds when the wad of gum became lodged in her throat. It was quickly removed and artificial respiration was applied. She was breathing freely after thirty seconds.

The second accident occured to Kenneth Scott, 10, on Tuesday, July 26. Kenny was one of the first down to the pool in the afternoon and cut his toe on glass from bottles which had been broken in the pool. The cut was taped and the foot raised to stop bleeding, then the foot was bandaged. It has healed quite well, according to the report of the recreation leader. The pool has been cleaned out over the past weekend.

Of all the children who take part in the recsreation program, two, Diane and Lorne Pirie, have attended every day since it started. Others who have been in on the fun very regularly are Walter and William Anderson, Gail, Michael, Brian and Desmond Allan, Jeanninne Beaulieu, Michael and Jerry Callaghan, Arthur Dean, Earleen and Linden Devine, Suzanne and Huguette Dubois, Brent Howard, Janet and Warren Hummel, David Rusentrom, Kenneth Scott, Gordon Strutt, Barry Thomas, Neil and Benny Tubman, Cathy, Mary Jane and Tom Tyler.

Children who haven't yet taken part in the recreation program are still invited to join at any time.

Party Honors Vadneau's Retiring From Hotel

A group of about one hundred and fifty people gathered at Mr. Alphonse Vadneau's Hall Sunday evening July 17th in honour of Mr. and Mrs. Eric Vadneau (Eric and Lola) who recently sold their hotel and retired, for the present time, to their cottage.

Mr. and Mrs. Vadneau were completely taken by surprise. Upon arrival at the hall Mrs. Elwood Presley presented Lola with a corsage of Red Roses; and Eric received a Carnation

Mr. Raymond Johnston, on behalf of their friends, presented Eric and Lola with a Chrome table and chairs, a Chrome Rocker and $85.00 in cash, in doing so Ray expressed the wish that the honoured guests would stay in Otter Lake among their friends for a good number of years; he also asked that the new Hotel Owners would be given the same co-operation as the previous owners had received. Eric thanked their friends and assured them that he would not leave Otter Lake; it is their intentions to move into their new Ranch House near the Hotel, when it reaches completion, in the near future.

Baseball Playoffs Start Sunday

The playoffs in the Upper Ottawa Valley Baseball League are scheduled to begin this Sunday at the homefields of the first and second place teams. At a league meeting held Tuesday evening in Campbell's Bay it was decided to have the first and third and second and fourth place teams play off in best of three semi-final sets, with the winners meeting in a best of five series for the League title.

The final order of finish in the League depends on the outcome of the Vinton at Quyon game this Saturday afternoon at 2 p.m. Vinton could finish in first if they win and score eighteen runs in the process; in second if they win with less than eighteen runs; and in third place behind Shawville if they lose. A Quyon victory would give them the last playoff position; a loss would leave Sheenboro in fourth place and Quyon would miss the playoffs.

One of the semi-finals is definitely scheduled for Campbell's Bay at 2:30 p.m. Sunday, and the other will be played in either Vinton or Shawville. Fans who wish to know where the Sunday game will be played will probably be able to find out by keeping their ears to the ground on Saturday evening, and it is hoped that information can be transmitted via radio station CHOV on Saturday evening (6:30 p.m.) and Sunday noon sportscast.

At the league meeting on Tuesday night a protest of the Vinton - Campbell's Bay game held July 24, on 11-8 by Vinton, was withdrawn by the Campbell's Bay club after lengthy discussion by the delegates of the five league teams.

Unofficial League Standing

	W	L	T	P
C. Bay	6	2	0	12
Shawville	5	2	1	11

Earl Hodgins Dies Following Stroke

William Bertal Earl Hodgins, 66, passed away in hospital following a stroke on July 17. He was born on July 5, 1894, in Clarendon, the son of William Adam Hodgins and the former Isabella Mary Smiley.

Mr. Hodgins was a lifelong resident of Shawville until his retirement to Aylmer three years ago He attendd St. Paul's Anglican Church in Shawville.

On September 15, 1945 at Otter Lake, the deceased married Stella Quaile who now survives at Aylmer. Also surviving are a step daughter, Mrs. Robert Moore (Fredda), two stepsons Cyril and Gilmour Black and brothers and sisters, Maye (Mrs. Armstrong) of Shawville; Hester (Mrs. Gordon Wilson) Pembroke, Maude (Mrs. Gordon Mee) of Ransonville, N. Y., Henry of Ottawa, Irene (Mrs. Charles Brown) Tavares, Florida, Nina (Mrs. Earl Wilson) Niagara Falls, N. Y., Sadie (Mrs. Henry Monford) Denver, Colorado, and six grandchildren and a number of nieces and nephews.

The funeral arrangements were by the Geo. Hynes & Son Funeral Home to St. Paul's Anglican Church on Wednesday afternoon, July 20. Interment was in the Village cemetery. Rev. J. Bovington of Aylmer officiated.

Pallbearers were Charles Dagg, Elwood Dale, Eason Hodgins, Allan Smith, Charles Imison and Henry Smiley.

Seventieth Birthday

The Ladies Aid of the Zions Lutheran Church, with Rev. and Mrs. Buehler and other friends and neighbours of Charles Schroeder Sr. in Ladysmith arranged a surprise party for him on his seventieth birthday. The celebration included gifts, many different kinds of cake with one large birthday cake trimmed with candles and fancy icing.

Several of the ladies present were members of the Lutheran Church Choir for many years and sang with Mr. Schroeder when he was a member for many years before he was disabled by a stroke five years ago. Their kind remembrance of Mr. Schroeder was a warm experience for him and his thanks are extended to the entire group.

Mrs. Lindsay Sends A Poem

Mrs. Mina Lindsay of Ottawa sends in the following verses clipped from the Cornwall Freeholder. They have been published in many papers over the past years, in fact thy have appeared in The Equity at least once before, however they are worth reprinting. The only pity of it is that those who read verses are not usually the ones who most need to be reminded of the message below.

Incidently, Mrs. Lindsay's letter contained several other interesting items. Mrs. Lindsay is the person who donated the Motto which was pictured on the wall behind Mr. and Mrs. Waterston of Brookdale Farm in a recent Equity Photo. Mrs Lindsay's daughter Naomi, is a missionary in Egypt and recently was introduced while waiting for a plane from Cairo to Beirut to another Canadian who turned out to be none other than a fellow Shawville native, a daughter of Dr. Earl McDowell!

Now here is the poem Mrs. Lindsay has asked us to reprint:

To Everyone Who Drives A Car

If everyone who drives a car
Could lie a month in bed,
With broken bones and stitched up wounds or fractures of the head,
And there endure the agonies
That many people do,
They'd never need preach safety
Any more to me or you.

If everyone could stand beside
The bed of some close friend,
And hear the Doctor say "No hope
Before the fatal end"
And see him there unconscious
Never knowing what took place
The laws and rules of traffic
I'm sure we'd soon embrace.

If everyone could meet
The wife and children left behind.
And step into the darkened home
Where once the sunlight shined,
And look upon "The Vacant Chair"
Where daddy used to sit,
I am sure each reckless driver
Would be forced to think a bit.

If everyone who takes the wheel
Would say a little prayer,
And keep in mind those in the car
Depending on his care,
And make a vow and pledge himself
To never take a chance,
The "Great Crusade" for safety
Would suddenly advance.

40th Anniversary For Irwin Smarts

Mr. and Mrs. Irwin Smart were entertained by their family at an anniversary dinner given in the Copeland Hotel, Pembroke and afterwards at the home of Mr. and Mrs. Lyall Smart for wedding cake and punch.

Mr. and Mrs. Smart were married forty years ago June 16. It was impossible for all members of the family to get together at that time so the dinner was held later in July.

Members of the family are Mr. and Mrs. Gerald Grant, Elmvale Acres, Mr. and Mrs. Clarence Little, Mr. and Mrs. Allan Smart, Starks Corners, Mr. and Mrs. Doug Thomas, Shawville, Miss Norma Smart, Toronto and Mr. and Mrs. Lyall Smart, Pembroke. There are fifteen grandchildren.

Dr. Beaudry Dies Aged 81

Dr. Odelon Beaudry, 81, of Chapeau died July 20. He was the son of the late Ernest Beaudry and the former Denise Magan, attended St. Alexis Montcalm Joliette schools and Montreal University, was a member of the Union St. Joseph.

Dr. Beaudry married Clara Ethier at St. Alexis who predeceased him. He is survived by a son Maurice Beaudry of Chapeau, daughters Francoise Beaudry Keon of Chapeau, Madeline Beaudry De Lisle of Montreal, brothers Joseph and James Beaudry of St. Alexis, sisters Mrs. Henry Beausejour and Miss Augustine Beaudry.

The funeral was from Ringrose Bros. Funeral Home at Campbell's Bay with Rev. D J. Harrington P. P. and pallbearers were Jean Beausejour, Rosaire Beaudry, Wallace McDonald, Art Meilleur, Thomas Sauve and Arthur Marcotte.

A Look At Canadian-U.S. Relations

By Paul Martineau, M.P.

Canadian - American relations have been much in the news. The discussions have been sparked by the Prime Minister's trip to Washington this spring when he conferred with President Eisenhower. The American President had extended this invitation to Mr. Diefenbaker sometime ago but recent developments at the Summit and an increase in world tension resulting from this failure have tremendously augmented the importance of the talks between the two leaders.

It was plain that Washington wished to emphasize the significance of the talks. Our Prime Minister was greeted in Washington with all the pomp and splendour usually reserved to heads of the Big Power States. In the terms of the newspaper and radio commentators, he was given the full treatment. This included a nineteen-gun salute upon his arrival at the Washington airport, a triumphal motor cade to the White House and the conferring of the highest diplomatic honours. These social functions culminated in a sumptuous dinner tendered by the President at the White House and which grouped one of the most glittering arrays of Washington personalities ever to meet at a State dinner.

It is reported that no Prime Minister had yet ever received such striking tribute in Washington.

The meeting between the two leaders was timely. There is an urgent necessity for the re-appraisal of relations between our two countries as world shaking events are altering the traditional pattern of alliances and friendships.

Some Canadians have asked themselves with anguish the following question in regard to their relations with the United States. Can Canada ever be anything other than a helpless buffer state in the American strategy of defence? In some ways this attitude has become almost a neurosis and this results from an inner conflict. While they consciously determine to be themselves that is to say authentic Canadians, yet all the time their self-conscious selves are being drawn into the American orbit.

This, however, is an extreme view. Canadians discussing our relations with the United States should do so in a mature and independent way. They should have confidence in the vigour of our own nation and get on with the task of building this nation along the special lines which have been already staked out and in harmony with our traditions. It is useless to fuss and fret about American influence on Canadian culture Our own distinctive nationality can only be determined by discipline, independence and the effectiveness of our own thinking. Above all we must remember that a common purpose unites our two peoples. That purpose is to safeguard the values of freedom and democracy which we prize above everything else.

This is why despite differences in approach, our basic outlook is the same and talks between Government leaders can be held in all friendliness and frankness. This is precisely the atmosphere that prevailed during the whole of the meeting.

The two leaders held first of all private talks. In the course of these talks which lasted over 65 minutes there was a frank and informal discussion of the particular matters both economic and defence which are of vital interest to Canada.

The American President is said to have been most impressed by the Prime Minister's expose of these problems and to have given them the most sympathetic hearing. Following the private talks, meetings took place between the two leaders assisted by their technical and military advisers and the whole field of American-Canadian relations was reviewed.

The position of Canada within the NATO Alliance was fully discussed. The Prime Minister has urged with great emphasis the need for fuller consultations between all NATO nations. He recalled the purpose of the Alliance at its foundation 12 years ago. That effort was to marshall the forces of the free world of Western Europe and North America to re-organize defence on a concept of collective forces and thus to present an united front against the encroaching designs of Communist imperialism. Mr. Diefenbaker suggested that the goals of NATO be set out, both military and economic, and that a ten-year program be estabilished to work out these goals. He also felt that is was urgent to revitalize the consultative machinery of NATO. He stressed Canada's opposition to the idea that a directorate of the great powers composed of the United States, Great Britain and France take over the sole leadership of NATO, thus reducing the voices of the smaller nations of the Alliance to a mere consultative role. He suggested that the NATO nations prepare now for a heads-of-government meeting. He felt that this meeting could most appropriately be held in Canada and he asked President Eisenhower to accept this suggestion. The heads - of - government meeting would be an occasion to make a full study of the purposes of the Alliance, of bringing it up-to-date and for plannning future strategy. He felt that the preparatory work should be done through formal diplomatic channels and this after the failure of the Summit conference seems to signal a return to closed-door diplomacy.

Mr. Diefenbaker felt that it is necessary for the United States to work its way back out of the renewed cold war towards a lessening of tensions between East and West. The Summit conference had been a failure. The causes for this failure had now been fully discussed and it was time to forget about this failure and to get back to the business of normal relations between world powers. Efforts should be made to work out new arrangements .The latest Soviet disarmament proposals should be studied closely and objectively. It was in 1955 that the American President first placed before public opinion his proposal for the establishment of a system of aerial inspection in order to remove the threat of sudden attack.

The United States is still giving careful study to this open skies' proposal. It is a proposal that should be sponsored in the United Nations and Canada would hope to be one of the first in sponsoring the implementation of such a proposal. The ending of nuclear testing also remains the prime objective of the Western powers These matters are being submitted for fullest consideration to the Geneva Disarmament Conference. It has been reported that the Soviet Press has attacked the Prime Minister for expressing solidarity with United States policy and the Soviets state that the Canadian Government shares responsibility for the provocative action of American military leaders.

This is perhaps an indication of the effectiveness of the consultations that have taken palce between Mr. Eisenhower and Mr. Diefenbaker.

Canada has a special contribution to make. Her position within the Commonwealth and her standing with other small and medium powers of which she is one, particularly qualifies her to talk with influence and authority to the United States Moreover, Canada has been a leader in foreign aid programmes and many of the underdeveloped nations have received aid from Canada without any missgivings that affected their attitude in receiving gifts from larger countries such as the United States. Canada definately has a role to play. She has much to contribute. Her prestige in Washington and indeed throughout the world is high. Respect for Canada will be enhanced if our Government leaders make frequent use of talks as those that have taken place last weekend which frankly express the Canadian viewpoint.

Our two nations are bound together in their Defence and Economy but we wish to preserve our identity. Our sovereignty must be respected. We can put these ideas across and if we do, our relations will be all the better because they will be based on mutual respect. The Washington talks have done precisely this.

Arnprior Youth Charged Here

Kenneth Redtman, 20, of Arnprior, Ont, was charged on July 24 with imprudent driving when his car went into the ditch on the Litchfield Road north of the CNR tracks, and hit a hydro pole. The charge was made by Lindon Young of the QPP who was in the vicinity at the time looking for this driver who had been the subject of a complaint of endangering other vehicles on the road. He later pleaded guilty to the charge in court at Campbell's Bay, and was fined $20 and costs.

Waterways, Forests, Indians, Dominion Provincial Relations Occupy Paul Martineau

Parliament remains in session through the hot weate and our Member, Paul Martineau keeps busy both in and out of the House of Commons. His main business of recent date has been with the Dominion Provincial Conference but he has also taken time to speak up in favor of opening the Ottawa River for navigation, the importance of the forestry industry in his constituency, and to meet with two Indian Chiefs. The Indians Henry Polson and Orel McBride, represent a band of 400 Temiscamingue Indians with land grant problems. It seems that five square miles were granted to them eighty years ago with the authority to sell any of it to provide income for the tribe. Some was sold and the money kept in trust for the Indians by the Provincial government. Now the Indians want their money and have to go to their Federal Member, Mr. Martineau, because of some confusion they believe exists at Quebec.

Near-Disaster at Shawville United Church — Equity Photo

Rev. E.I. Johnston, minister, and Lem Hodgins, caretaker, examine the stove and serving trays in the Shawville United Church basement which very nearly caused a fire in the church last week. The walls above and to the left of the stove were blackened, scorched and blistered, and the curtain above the stove was dry as tinder and completely blackened inside, when the situation was discovered by Mrs. Lem Hodgins last Friday afternoon. Three of the four burners of the electric stove had been turned on, presumably by some young child, sometime Thursday. A stack of serving trays had been left on top of the burners, and while these didn't catch fire, the heat to which they were subjected, in effect roasted them, and caused a dense smoke which penetrated the entire building. They also must have transmitted a tremendous heat to the surrounding area of the kitchen, judging from the condition of the adjacent walls.Soot from the smoke has pene trated to every part of the church, and the entire building is now in the process of being cleaned, by Ontario Building Cleaners of Ottawa. The work is expected to be sufficiently far advanced so that a wedding, scheduled for Saturday, can take place. In the meantime, use of St. Paul's, Shawville, has been offered for any emergency. Church Service last Sunday was held at The High School, Shawville.

Red Sox 7 Tigers 4

George Gagnon paced the Campbell's Bay Red Sox to a 7-4 triumph over the Shawville Tigers in a tense Upper Ottawa League game last Sunday at the Bay. The strong righthander pitched nine innings of effective ball and hit too homers as the Red Sox gave warning that they could go all the way to the League title this year.

Earl Powell pitched all the way for Shawville, suffering his first loss in league competition since 1957. He allowed nine hits, walked four, and struck out seven batters while the Tiger infield had its worst game of the season. Gagnon had the same pitching totals as Powell, but had good success in scattering Shawville's nine hits, many of which were on the infield variety. Dennis Therien caught for the Bay, while Paddy O'Donnell took over catching duties for Shawville after Wayne Chamberlain was injured in the second inning.

Gagnon's first homerun was a two-run shot over the left field fence in the fourth inning to wipe out Tigers' 3-2 lead. He connected again in the eighth inning with the bases empty to break a 4-4 deadlock and score the winning run. Other Red Sox hitters were Del Romain with three hits and Elmer Belanger with two. O'Donnell, Richardson, and Sweetman each had a pair of hits for Shawville. The plate umpire was John Stafford.

Mr. and Mrs. Robert James of Hull Que. have recently purchased the Vadneau Hotel here, taking possession this weekend. Mr. and Mrs. Eric Vadneau, former owners have retired to their cottage; and enjoying a complete change Mr. and Mrs. Vadneau will move into their new home later this summer, which is presently under construction.

Through the efforts of local business men and campers at Green Lake, a splendid platform or wharf has been erected at the swimming place. The platform is 12 feet wide and extends into the lake 75 feet and has a diving tower at the outer end. At one side are two long seats for spectators or parents. A floating line has been set to keep youngsters from wandering out beyond their depth. The platform is planed 2 inch planks and rests on piers and is above the water level a couple of feet with ladders at convenient places.

Makes a man feel ten feet tall! What does? Why, having money in the bank, of course! When you've got a nice pad of savings behind you, you can take advantage of sale prices. And when you spot something you want, you can pay cash for it. Or, if someone in the family gets sick, it's nice to know the money is right there to look after him. The fact is, everything in life looks better when you've got cash in the bank. And it doesn't take long to run up a nice sum when you make small but regular deposits. Yes sir, money in the bank really does give a man that ten-feet tall feeling. Do you know where I save my money?

75 Years Ago

The proprietors of the Copeland House in Pembroke, the Messrs Murray, have begun the erection of a large wing to the hotel fronting on Main Street, and the old wooden buildings which now occupy the site are being demolished. The services of Mr. T. A. Mulligan have been engaged as manager for a term of several years.

Mr McCoshen's Black River drive has arrived at the head of the slide and a full load of boys came down Saturday evening, making things lively for awhile.

Miss Kate Stevenson teacher of the Protestant School in Fort Coulonge, had an examination of her pupils, when they were put through a severe drill by Rev. Mr. Gandier.

Some signs of prosperity noted in the lower end of the county. Old uncouth fences that have weathered the blast for years are giving place to neat board or the more substantial cedar log and rail structures. The old familiar gate equilibrated with stone, and once so universally used, is now rarely to be met with.

Various devices of handsome design and light now occupy the positions of those trusty yet odd-looking contrivances.

Mr. William Mee, of Clarendon, has a fine large barn nearly completed; Mr. James Hodgins of Shawville, is finishing a specious building which seems to be intended for driving shed and storehouse; Mr. George Morrison of Bristol is erecting a mammoth barn, which will be ready for the season's harvest. Messrs Grant Brothers also intend putting up a large barn.

Quyon W. I. Plans Beach Party

Hospital Central Unit Meeting

The regular meeting of the Central Unit of the Hospital Auxiliary was held in the Doctors' room on July 8th with eight members present.

The meeting was opened by the President leading in the saying of the Lord's Prayer.

Minutes of the previous meeting were approved as read.

Reports of the other Branches were read and were as follows:

Bristol: 151 Articles mended in April, May and June, 10 baby gowns, 2 baby undershirts and $7.40; Campbell's Bay: 12 baby gowns — $204.00; Clarendon: 5 diapers, 6 gowns, 1 pot holder, 1 baby jacket. Zion: 22 ice bag covers, 13 burn bandages, $20.00.

There was an error in the June report. $5. was credited to Clarendon when it should have been credited to Starks Corners.

A donation of $48.15 was given to the hospital to cover an invoice for gowns and flannelette.

The meeting was adjourned by the President.

Orangemen Parade At Shawville Equity Photo

The Orangemen's Parade, held this July 12 in Shawville, was, according to many spectators, one of the biggest and best in many a year. The weather, too, was perfect – until five p.m. when the traditional violent "July 12 storm" descended and drenched not a few celebrants. Host for the occasion was the Royal Enniskillen L.O.L. No. 27, of Shawville, and seen above are members of that Lodge, carrying their Lodge banner in the parade. Holding the banner are Roy Thoms and Joe Laframboise. Carrying supporting ropes at the rear are Stan Widdicombe and Garner Richardson; and at the front, Willie Lang and Cliff Campbell. Carrying the flag at the front is Marshall Chamberlain. Bringing up the rear are Harry Thompson, Master of the Lodge, followed by Norval Horner.

Letters To Editor

Wants To Know Why

July 11th, 1960,
Wyman, Quebec,

To the Editor of The Equity:

Regarding your editorial in ast edition of The Equity ..ting the orange men, ould you tell me why it is illegal to be an orange man n England? Why the Prince f Wales would not land at ingston under the orange lag. He ordered it taken down when they would not obey he ordered his ship out of the harbour. The author of this ncident is Donald Creighton noted historian who is often neard on radio and seen on T.V.

Another incident he mentioned was the decorating of the church in Toronto with the orange flag he (P.W.) went in the back door before he would lowr himslf to enter the door with the flag of the orange men over it?

Hope you will be able to give me the reasons for these doings. I will be watching for an answer in your valuable paper.

Sincerely,
Mrs. Harry Burton.

Ed. Note: Can anyone give Mrs. Burton an answer?

Rev. Elson Assists K. Musgrove At St. Lukes Decoration Day

The Annual Decoration Day service of St. Lukes Anglican Church, Eardley Que. was conducted by Mr. K. Musgrove, Lay Reader in the absence of Rev. E. N. McColl.

Rev. F. Elson of Quyon United Church assisted in the service which was very largely attended by friends from Quyon, Bristol, Aylmer, Ottawa, Kinburn, Arnprior, North Gower and Smith Falls.

It was an outdoor service and the situation of St. Lukes is an ideal one with a splendid view of the Laurentian Mountains on one side and Ottawa River on the other.

The Cemetery which is always well taken care of was indeed nice with flowers, laid in loving memory by friends, on every plot.

This decoration day service is on the last Sunday in July each year.

In Memoriam

CARSWELL—In loving memory of my dear father James Carswell who passed away August 5, 1958.
Two year have passed away
since that sad day
When one I loved was called
away.
—Daughter Janet. b

MOYLE—In loving memory of a dear husband and father Peter Moyle who passed away Aug. 1st, 1958.
"May his soul rest in peace"
—Wife and Family x

WOOLSEY—In sad and loving memory of a dear son and brother Wayne B. Woolsey, who passed away July 26th, 1959.
Calm and peaceful he is sleeping
Sweetest rest that follows pain
We who loved him sadly miss
him
But trust in God to meet
again.
We loved him, yes we loved him
But Jesus loved him more,
And now he waits to greet us
Upon the Heavenly shore.
—Sadly missed by

Plan For Farmers To Study In UK

The Canadian Federation of Agriculture's National Office in Ottawa has again received authorization from the Nuffield Foundation in the United Kingdom, to announce that applications will be received from young Canadian farmers who are interested in qualifying for the annual Nuffield Travelling Scholarships. These scholarships provide the opportunity for two young farmers to visit Great Britian early in 1961, all expenses paid, and for a period of six months to study all phases of agricultural practice and farming conditions there.

The deadline for these applications to be in the hands of the National organization is October 30, so applicants are urged to have their applications in the hands of their Provincial Federations as soon as possible. Immediately after this deadline, a national selection committee will study the applications and select two winners of the 1961 Nuffield awards.

The awards allow for six months of expense-free travel in Great Britian, during which time the winners will visit, and study outstanding farms with the aim to acquiring methods and techniques that will assist them upon their return to Canada. Applicants should be between the ages of 30 and 35, they should be now engaged in agriculture upon their return, and they should be the type of person who will feel free to pass along any new-found knowledge to others. Persons of either sex may apply, and all applicants must be citizens of Canada. They will leave Canada about the end of February, 1961, and return about the end of August 1961. Placement on farms in Great Britain is being arranged by the Nuffield Foundation in consulation with the National Farmers of England and Wales, the National Farmers Union of Scotland, and the Ulster Farmers Union, bearing in mind the type of agriculture practiced and preferred by the winning applicants.

Radford Auxiliary Donates $50.00 To Home For Aged

Mrs. Harry Eades entertained the ladies of the Radford Hospital Auxiliary and neighbours at her home, Wednesday afternoon, July 27, 1960. The hostess, assisted by her daughter Mrs. Ross Beck and friends served a delicious lunch.

The ladies enjoyed the time in friendly conversation. Mrs. Ranger auctioned the collection of articles, which Mrs. Eades had for the sale. Proceeds of sale $1250.

The business session was opened by repeating the Lords Prayer in unison. The minutes and treasurer's report were read and adopted.

Fees were 50c and collection $7.39.
