Westmount Public Library Reports Circulation Down Due to War

Citizens of Westmount in 1943, showed just as great a variety in their choice of reading, as in past years, but the total circulation was less than the previous year, due to a loss of 6,664 readers in adult fiction, and a small decrease in the children's department was reported by Miss Kathleen Jenkins, Librarian, in the 44th annual report of the Westmount Public Library. On the other hand, the reading of adult non-fiction was increased by 1,226 she announced.

War conditions were thought to be the reason for this condition, as many members were obliged to leave Westmount, due to war services or changes in employment. On the whole, too, it was noticed that people spent less time in the Library, reading periodicals or studying reference books — widespread employment and domestic problems were undoubtedly factors here.

The total accessions for the year 1943 were 43,779 volumes, with 7,161 adult members and 1,569 juvenile members.

Approximately 205,634 books were loaned during the year a decrease of 6,682 of the previous year.

The one novel which readers preferred above all, was "The Robe," by Lloyd Douglas; scarcely less popular, were, "The Song of Bernadette," "The Nazarene," "The Apostle," "The Ship," a stirring tale of naval action in the Mediterranean.

Books on current affairs were always to the fore. Emily Hah's "The Soong Sisters," was asked for continually, as was also Smith's "Last Train From Berlin," and "Our Hearts Were Young and Gay," continued to give pleasure to readers, old and young.

It was noted that people read about Latin America a great deal (Continued on Page 2)

Memorial Service For Lt. Seth Taylor At St. Matthias

A memorial service was held in St. Matthias Church yesterday for Lieut. Seth Hutton Taylor, son of Mr. and Mrs. Seth C. H. Taylor, of 4061 Grey Avenue, who was killed on operational duty on Thursday last near Ontario, California, while serving with a fighter squadron of the United States Army Air Force. Rev. Gilbert Oliver, M.C., officiated at the service.

Born in Lincoln, Neb., in 1923, Lieutenant Taylor attended Westmount High School and McGill University. He enlisted in June, 1942.

F/O H. E. Holbrook Is Presumed Dead

F/O. Herbert Edward "Ted" Holbrook, R.C.A.F., who was previously reported missing after air operations over enemy territory, is now for official purposes presumed dead, according to an Air Force casualty list. F/O. Holbrook was the only son of Mr. and Mrs. C. H. Holbrook, 475 Grosvenor avenue. Attached to an all-Canadian Spitfire Squadron since going overseas in July, 1942. F/O. Holbrook had made many raids over the continent and was mentioned in a London Air Ministry despatch when he and another Canadian pilot completed a successful attack on an enemy truck convoy while on a tree-top assault in the Brest area. The other pilot was F/O. L. W. Powell of Picardville, Alberta. These two, the Air Ministry report added, were also present when a squadron of Spitfires attacked a tanker off the enemy coast setting it on fire.

F/O. Holbrook was a graduate of Westmount High School and was on the staff of the Royal Bank of Canada for four years prior to enlisting with the R.C.A.F. in August, 1942. Joining the McGill C.O.T.C. at the outbreak of war, he was commissioned with the Victoria Rifles and transferred to the air force. He received his wings at Uplands, Ont., on July 3, 1942.

Westmount Stamp Club Holds Contest

Next Thursday's meeting of the Westmount Stamp club to be held in the Victoria Hall will feature a special contest. The event will be for junior members and it will be the first part of a contest for the James Blackburn Memorial prize.

James Blackburn, a well known youngster around this city and a junior member of the stamp club, was drowned last summer while spending his holidays in the country. The mother of the young lad has donated a prize to be awarded to the junior members of the club and this will be the first of a series of competitions for the award.

Thursday's contest will be comprised of ten questions on general stamp lore, specializing on Canadian stamps

Yugoslavia Monarch Learns Flying From Westmount Airman

A Westmount R.C.A.F. Fighter Pilot, Flt.-Lt. William W. Swinden, who is attached to the R.A.F. in the Middle East, had the honor of training King Peter of Yugoslavia, who has recently received his Royal Air Force Wings in Cairo, Egypt.

Young Swinden, who is 27, who was entrusted in teaching a King to fly, is the son of Mr. and

Mrs. W. Swinden, of 3085 Cedar Avenue. He is a graduate of Westmount High School and Sir George Williams College, and holds a Bachelor of Commerce degree.

Flt.-Lt. Swinden enlisted in the R.C.A.F. in August 1940. He received his wings at Uplands, near Ottawa, on April 1, 1941, and was posted to an R.A.F. station for five months. Going on to the Middle East, he flew on operations with the Eighth Army during its retreat to El Alamein, Egypt, in 1942. Later that year, when General Montgomery struck back at the Germans and chased them from North Africa, Swinden helped to achieve the rout of Rommel's Afrika Korps as far as Tobruk, where having by that time completed an operational tour of duty, he was ordered back to Cairo.

From the Egyptian capital Swinden was posted to an R.A.F. station in the Anglo-Egyptian Sudan and thence to Rhodesia and Ismailia. He is now training European fliers of various nationalities, and some Australians, somewhere in Egypt.

An all-round sportsman in peacetime, when he played rugby for Westmount in the Big Four Rugby Union, basketball with the Senior Quebec Basketball League, and tennis at the Westmount Tennis Club, Flt.-Lt. Swinden is putting his sporting talents to good use in Egypt. According to letters received by his father, Bill now helps to organize sports on his station, including soccer and baseball matches. Lately with the help of equipment obtained from the Y.M.C.A. he has introduced lacrosse.

H. P. ILLSLEY OFFICIATES
A. C. Sqdn.-Ldr. H. P. Illsley, of No. 1, Westmount Air Cadet Squadron, was among the special guests on Saturday last, who attended the attestation ceremony in the Verdun High School, when three members were inducted.

Rotarians Follow Trail of Treasure

Silver dollars rewarded precocious members of the Rotary Club who satisfied the curiosity of P. J. McAndrews and his henchmen, S. B. Cuthbert and Cecil T. Medlar, at the luncheon meeting on Wednesday in the Oak Room of Victoria Hall.

Mr. McAndrews, in charge of the day's program, put on a replica of the Treasure Trail broadcast by the William Wrigley Jr. Company for which he is sales manager here. A wide variety of general knowledge and trick questions was put to the members. Those who answered correctly received a silver dollar and in very rare cases two such dollars. Those who tripped up received a war savings stamp.

The contest provided considerable hilarity and all present entered into the spirit of the affair.

Chester W. McBride, who incidentally answered his question all right, presided at the opening and closing stages of the meeting.

Gold Medalist Back From China

Ted Johnson, a graduate of Westmount High as a gold medalist and a graduate of McGill University is back in Canada after serving since 1935 as a Presbyterian missionary in China.

On Monday, he told the boys of Westmount High some of his experiences at an assembly.

"In many ways," Mr. Johnson declared, "China, with its 415 million people, is the greatest country in the world." He added that it would be a good thing when the Western world incorporated some Eastern customs into its mode of living.

The speaker told of some quaint Chinese customs which, he claimed, made more sense than many Canadian customs do.

"China," Mr. Johnson concluded, "needs assistance from the Western countries to overcome her many problems."

Percy Wright of Dixie says, "Phooey on Westmount, with their crows, etc., they should come to Dixie to see real game, as we saw a cock pheasant here on Friday last between Stony Point and Dixie.

Westmount in reply to Mr. Wright says, "Phooey to Dixie, that's the missing Westmount pheasant we have been looking for!"

Good Report Heard At Church Meeting Of St. Andrew's

The annual meeting of St. Andrew's Church, Westmount, was held Monday night, beginning with a supper meeting under the auspices of the men of St. Andrew's. Following the supper devotional services were conducted by T. M. Barrington after which W. W. King, president of the board of managers, took the chair.

A. S. Fraser was elected president of the board for the current year with Howard M. Banks as vice-president. The following new members were elected to the board: Messrs. E. Carlyle Miller, Dr. Henry Brown, D. A. Paterson and George R. Atchison.

Encouraging reports were received from all organizations. The amount of \$27,153 was raised by the managers for local purposes while \$16,430 was sent to Toronto for missionary purposes and in addition \$2,173 was contributed by the Women's Missionary Society. 299 young men and young women of the congregation are on active service and their names appear on the honor roll of the church. Three Red Cross groups meet every week and have prepared thousands of articles for the men overseas.

Wm. Reid was re-elected as chairman of the missionary committee.

St. Luke's Paid Up Bills for 4 Years Burned at Annual Church Meeting

St. Luke's United Church held its annual congregational meeting on Friday evening, with the minister, Rev. R. E. Spencer, presiding. A large crowd was in attendance and encouraging reports in all departments were dramatically presented.

The Clerk of Session, G. E. Palmer, reported that 91 new members were received during the year. There are some 107 members and adherents serving in His Majesty's Forces, whose names are on the Honour Roll. The Ministers, Dr. E. J. Thompson, during the first half of the year, and Rev. R. E. Spencer, during the latter half, officiated at 37 baptisms, 25 weddings, and 17 funerals.

R. A. Notman gave the combined reports of the different organizations showing that there are departments which take care of all age groups from one year upwards. Highly educative and creative work is being carried on in each of these departments. Mrs. E. E. Clapham, President of the Red Cross Unit, reported a highly active year in which knitted articles, sewn articles, quilts, and forty thousand surgical dressings were completed and sent overseas. The War Services group, under the leadership of Mrs. H. F. Gill and Mrs. J. G. Pope, carried out a fine program of service to our boys overseas — 37 parcels were packed for Christmas and cigarettes sent regularly.

A tribute was paid to Mrs. J. H. Spence, retiring president of the Women's Association, for her fine work and leadership, and a promise of continued support was given to Mrs. J. M. Van Wagner, the new president.

Four new Elders were elected to the Session, namely: Messrs. A. B. Lindop, R. A. Notman, H. E. Vale, and E. C. Reid. Messrs. W. Fallow and K. C. Wright were elected to the Committee of

Glenn Torrance; D. R. Townsend; G. Horsley Townsend; W. Allan Traill; Dr. G. Edward Tremble; G. K. Trim; W. K. Trower; Percy Turcot; Hon. Mr. Justice Orville S. Tyndale; Dr. J. McK. Edward Anderson Addresses Tillers Of Victory Plots

That Victory Gardening is being taken seriously by the residents of N.D.G. received ample proof last week, when in spite of a heavy snowstorm more than three hundred garden enthusiasts attended the first of the series of winter meetings, which this year is being sponsored jointly by the N.D.G. Garden Club and the Victory Garden Section of the Community Garden League of Greater Montreal.

The joint chairmen of the meeting were Mr. L. Mowbray Clark, president of the club, and Captain Wm. Bowie, executive director of the Community Garden League, both of whom stressed in their opening remarks the importance of food production as a war effort.

The guest speaker was Edward Anderson, of the City of Westmount, who dealt principally with the construction, maintenance and care of hot-beds and cold frames, emphasizing how necessary they were to the Victory Gardener who sought healthy, early crops. Following Mr. Anderson's address, a short "question period" was held during which those attending the meeting were invited to ask questions of the speaker, these questions pertaining principally to the subject which he had chosen for his address.

WESTMOUNT PUBLIC

(Continued from Page 1)

and they were equally interested in the Russian subjects.

Normal purchases of books were kept up, although fewer books were available from Great Britain than in previous years, while those from the United States showed the effects of paper rationing and labor shortages, it was noted.

The privilege of summer loans for longer periods than the customary two weeks was continued, 2,367 older books were issued in this way, during July and August.

The circulation of periodicals and pamphlets was broadened considerably in 1943, with 1,868 being taken out for home reading. Particularly popular were Harper's Magazine, and the Atlantic Monthly, although Vogue was a close runner-up.

Loans of books in the French language amounted to 6,747, a slight decrease, and new titles were bought as they became available.

The year in the juvenile department had some encouraging aspects and it was noted the interest taken by the younger parents in encouraging the children to enrol in the Library.

The development of child reading was given attention to, and it was noticed that the aviation interest that held the boys for the past couple of years or so, had taken a definite drop, and some of them were leaning toward chemistry.

Those using the general reading room totalled 26,503 readers, a decrease of approximately 3,000 compared to 1942. Overdue notices sent out to delinquent borrowers numbered about 3,500.

Adult reference questions, requiring some amount of research numbered 568, many naturally concerned the war, others lay along more academic lines.

The display of small collections of books dealing with subjects of special interest were displayed on the counter at the front entrance making the resources of the Library more familiar to the reader.

As in the past years, members of the staff lectured in the McGill University Library School, while students from that school carried out practice work in the Westmount Library.

Book reviews and talks on library matters were given to Hi Y clubs, women's study groups and home and school associations, and co-operation was extended to Verdun, Notre Dame de Grace, and the Town of Mount Royal, in Library projects in those districts. Work was carried on with the Girl Guides in awarding Book Lovers badges, etc.

The Library was used throughout the year by members of all the armed services and many found the reading room a pleasant and quiet spot in which to spend free hours.

Reference was made to the great loss sustained by the Library in the death of A. D. Thornton, who both as Trustee, and then as chairman for twelve years, did so much to advance the cause of library service in this community, and his death six months ago ended a long career of public service to Westmount.

F.-Lt. Noseworthy Given Gold Wing

Flt.-Lt. H. H. Noseworthy, of Westmount, was among the six air crew personnel who received gold operational wings, signifying completion of a tour of operational duty overseas, at the Lachine Y Depot on Friday last. The presentation was made by Wing Cmdr. F. Belway, D.F.C., officer commanding the depot.

Flt.-Lt. Noseworthy, who made his tour with a night fighter squadron flying Havoc and Mosquito planes, is the son of Maj. S. C. Noseworthy, 29 Ramezay Road, who served with the Black Watch of Canada during the Great War. Born in Montreal 22 years ago, he attended Selwyn House and Bishop's College School, and studied one year at McGill University before enlisting in 1940. He graduated at Moncton, N.B., in March 1941 and went overseas immediately. He is home on leave at present and expects to return to operational duty shortly.

Sgt. R. Bird, R.N.Z.A.F., Speaks At 1st Company of Boys' Brigade

The 1st Company were highly honoured to have as their guest of the evening, Sgt. Richard Bird of the R.N.Z.A.F., formerly assistant Dominion Secretary of The Boys' Brigade in New Zealand. He had been attached to the permanent B.B. Staff for six years prior to enlistment and was thrilled to see the splendid performance put on by the 1st Company. His inspection was severe, however he was deeply impressed at the smartness of the uniform as well as their steadiness on parade. He took a portion of the drill period and also conducted the Physical Training Team.

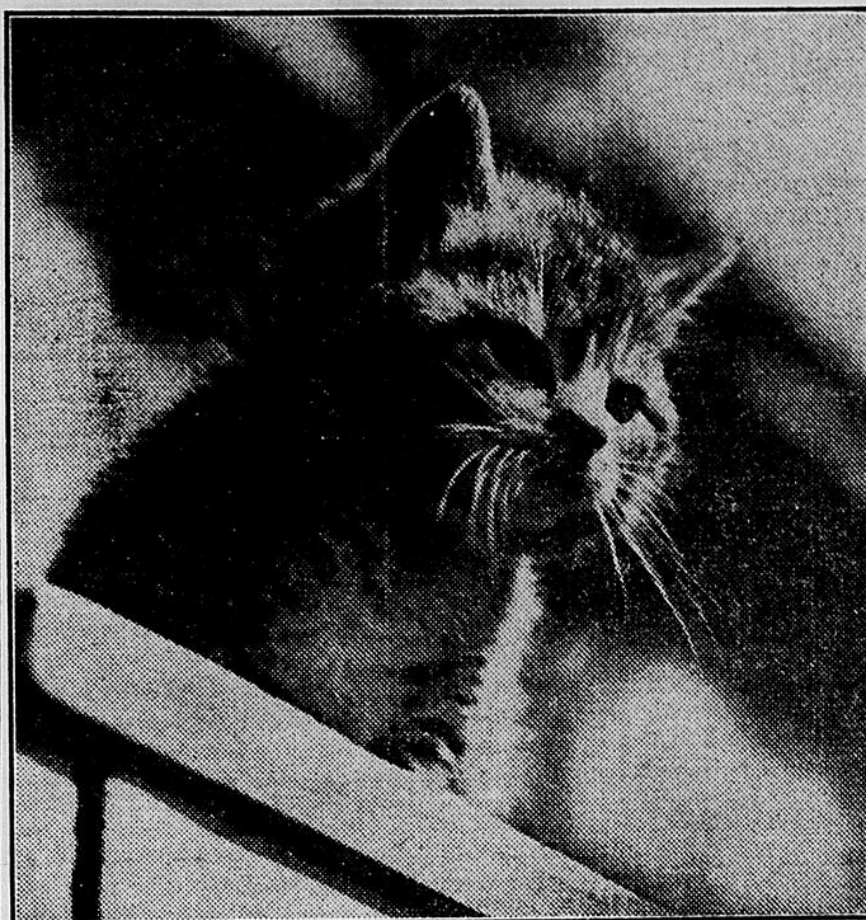

The Company is interviewing recruits who are interested in the brass band, having still a few openings left and any interested boys in the district may apply for an interview by calling Lieut. Chas. King at Y.O. 7572.

Saturday afternoon, the swimming class successfully passed

two certificates, these going to Pte. Elliott Parker and Pte. Leslie Parker. There are quite a few additional tests to be taken within the next few weeks and it is expected that this year's list will be the biggest yet. The Company swimming team, consisting of Sgt. E. Goring, Corps. Alan Keith, Robert Eastwood and Pte. Pete. Bailey are putting in as much time rehearsing as they possibly can, having in mind bringing the senior trophy home this year, in the Battalion competition.

The Hockey team will play the 10th Company Saturday night, and look forward to an exciting game. Col. Sgt. Eddie Goring will notify the team to turn out for a special practise before that date.

Company Bible Class was conducted by Lieut. Alex Upham last Sunday and will welcome Sgt. Richard Bird this week as a special guest. Captain Richardson will also take part.

The photographer caught an interesting subject when he clicked his lens on Tommy, a Westmount kitten as it watched the children skating in Queen Elizabeth Park.

Dr. F. W. Kerr To Speak On Mission Fields

On Sunday morning Rev. Dr. F. W. Kerr will preach on "Experiences on Mission Fields in Western Canada." In this sermon he will narrate some of his own experiences in order to illustrate the type of work done by our missionaries on pioneer fields. Dr. Kerr spent thirty years in the west and had experiences in mining camps, lumber camps and railway construction camps. One of his fields was within sight of Alaska. For several years he worked among men building railways and tunnels in the Rocky Mountains. It is the boast of the United Church that it leaves no field, however remote, not cared for at some time of the year. In the evening Dr. Kerr's topic will be "Mountains and Valleys."

Wing-Comdr. J. C. Binnie Made Honorary Member

An important addition to the list of members of the Westmount Municipal Association to whom the status of Honorary Membership is given for the duration, as set out in last week's issue of this paper is Wing Commander J. C. Binnie, who was secretary-treasurer of the association at the time of going on active service. Wing Commander Binnie is Senior Organization Officer of Uo. 2 Training Command H.Q., R.C.A.F., Winnipeg.

St. Leo's Scores Fifth Straight Win Over Staynors in Bantam League

Andy McGillis' St. Leo's Academy team scored their fifth straight win in the bantam section of the Westmount Municipal Hockey League when they downed the Staynor club 5-0 at the Staynor rink on Monday night. As this was a four point game, the Academy team gets credit for six wins without a defeat.

In other games played during the week the Academy team beat the Golden Eagles by a similar score on Saturday afternoon. Richard Lord's Staynor club outlasted the Sky Chiefs to chalk up a 3-1 win. The Golden Eagles won a four point game from the Sky Chiefs by a 4-1 score and the Mohawks won a four pointer

from the Regals by default.

The bantam section is scheduled to end this week-end with three games tonight and three more tomorrow afternoon. Two of tonight's games will be played at the Western rink with the Sky Chiefs playing St. Leo's Academy and the Regals taking on the Golden Eagles. Down at Staynor, the Mohawks play the home team.

Tomorrow afternoon the Golden Eagles meet the Staynor team in a four point game, the Regals play St. Leo's in a four pointer while the Mohawks and Sky Chiefs clash in another four pointer.

The following is the standing of the section including games played on Monday night, January 31st:

	Won	Lost	Pts.
St. Leo's	6	0	12
Golden Eagles	3	2	6
Mohawks	3	2	6
Staynor	3	3	6
Sky Chiefs	1	4	2

WESTMOUNT, FRIDAY, FEBRUARY 4, 1944

NOTHING TO WRITE ABOUT

MUCH of your chronicler's time is spent in futilely searching ideas that seem worth writing down. Some days nothing happens—nothing that we read, see, or hear kindles a spark. We read newspapers and magazines, meet people at lunch and dinner, travel between home and office, watch the birds and squirrels in the back yard, go to a hockey game, talk to taxi drivers, waiters, and waitresses, answer our mail and get our hair cut. There's not a line of copy in any of it. Occasionally we have good days. Everything turns to copy, and it seems as though we have tapped a new vein. Suddenly it gives out. Life is like that.

ABOUT ROAST BEEF

A LOCAL resident complains that the beef now available isn't as good as it might be, and that the restaurants seem able to serve better roast beef than can be purchased for the home. This is probably true, but it was also true to some extent before the war. Restaurants can usually supply better beef than the folks at home because the best beef has always been reserved for the best restaurants. It simply isn't available for housewives. Furthermore, unless the family or party is pretty large, the roast isn't big enough to be really good. Few household ovens can handle a big roast. To add a further complication to the trouble, it is said that horse meat will soon be placed on sale. Horse meat is good, hardly to be distinguished from good beef, but people don't like developing new habits of eating any more than they like new habits in other lines. The present meat shortage is due to the large demands made upon the available supply by the army and by shipments to Britain.

LORD HALIFAX'S SPEECH

LORD HALIFAX made a speech at Toronto the other day which, because of its vagueness, has unfortunately raised old issues that would have been better left sleeping until the war is won and over with. We don't say His Lordship has been intriguing on behalf of old-time imperialism, and we don't say he wants only to make Britain strong enough

to hold the balance of power between Russia and the United States; but His Lordship when he discusses such matters speaks from behind the eight ball for nobody has forgotten that he was a close associate of Chamberlain whom most of us would like to forget. He chose an inopportune time and place to put forward his ideas because of this country's relations with the United States and the other American nations — considerations that do not affect the other Dominions. Canada cannot be put into the position of having to submit to the opinion of a majority of the other members of the Commonwealth because of the possible consequences such obligation might have on our relations with our neighbour American nations, and indeed with Russia which, with the development of air transportation, will become almost as close a neighbour of ours as the United States. We think Lord Halifax should enlarge upon his remarks so that we can get a little clearer thinking on the matter.

INTEMPERATE LANGUAGE

SCANNING the columns of the newspapers and the livelier magazines these days, we are struck by the intemperance of language which characterizes so much of our political and social argument. It is not that the capitalists and the socialists come right out and call each other blackguards and scoundrels; it might be better if they did; but they cloak their opinions of one another in words which are meant to sting and infuriate, and which usually have exactly that effect. Nothing valuable can possibly come of an argument run on these lines.

The argument might get somewhere if a set of rules were imposed on it. If the parties to both sides of the quarrel, for instance, were bound to use no words which they were not prepared to justify on oath, and if they would agree to use no figures which they were not ready to submit to the inspection of a neutral group of auditors, we might hope to clear the air. Many cherished theories on both sides would vanish into air if they were once touched by the probing finger of reason; many accusations which are now accepted on one side or the other would be proven groundless.

We are rapidly approaching the point where the socialists will maintain flatly that all proprietors are exploiters, fattening on the labour of the workers, and the capitalists will maintain with equal vigour that all workers are parasites, leeching on the acumen and brains of the proprietors. Unless the language of the argument becomes more temperate, we shall never discover the balance which lies between these two dangerous half-truths. The dispute at present is like nothing so much as that in Aesop's fable of "The Belly And The Members."—Peterborough Examiner.

THE FORUM

Conducted by HOWARD S. ROSS, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

Says Churches Are Removed from People

Last Sunday was observed in many churches as Temperance Sunday. In an able and persuasive article, E. C. Urwin, secretary of the Methodist Social Service Committee, commends this observance. Mr. J. J. Lawson, in his telling biography, *A Man's Life*, speaks of the divided fellowship of the mining villages of Durham, one-half hinging on the village "pub," the other on the village "chapels." A recent inquiry by Mass Observation (Gallup poll) speaks of a similar situation in a Lancashire industrial town. "It is a long time since the masses of the people were more aloof from the Christian church. Somehow that gulf has to be bridged and those aloof from us to be won over, if the gospel is to do its work and sobriety increase in our land. The church must experiment in fresh ways of evangelism, going where the people are, in workshop, youth club and social center, until it convinces them that in the redeemed way of life, sober, upright and radiant, and in association with the redeemed community, there is a fairer prospect of fellowship for the sons and daughters of men than can be found anywhere else on earth." Dr. Edward Shillito. London, G. B.

Foresees Giants in Those Days

The man of 100 years from now will be 6 feet 3 inches tall, will not grow gray or fat, and will live to be 125 years old, James Shelby Thomas, former University of Chicago chemist and past president of the Chrysler Institute of engineering, told the American Chemical Society here last week. He will owe it all, Dr. Thomas said, to developments in medicine, chemistry and diet. He also told the chemists that there would be millions of new homes after the war costing only \$1,600, with amazing new features for pleasant and comfortable living.

Say Saving of Civilization Is Only Begun

Lord Wavell said further: "We are approaching the end of the struggle with Hitler. We are only at the beginning of the struggle to save civilization . . . The future of the world is going to depend on the efforts made and the wisdom shown by the two great nations whom this society represents . . . It seems to me that we have perhaps already made the first great step. The establishment of lease-lend is the first attempt on a great scale for many years to put principles and men's lives first and money second. It has always seemed to me a curious fact that money is forthcoming in any quantity for war but no nation has ever yet produced money on the same scale to fight the evils of peace — poverty, lack of education, unemployment, ill-health. . . In the country to which I go those evils of poverty, lack of education and disease have to be met possibly on a greater scale than anywhere else." —From address in London to Pilgrim Society.

Educators Accused Of Fraud

Educators take money under false pretenses if they offer as education answers to questions like what clothing to buy, what food to eat and how to pay for it, whether to rent or buy a house, how to select a wife, how many children to have and how to have them, whether or not to favor alliance with Britain or Russia

or a world organization for peace, whether to be for or against a closed shop, the sales tax, Mr. Roosevelt, or prohibition. So Robert Maynard Hutchins, president of the University of Chicago, declared last Sunday in an address at the winter convocation. People have lost faith in higher education, he said, because the colleges have given them what they want, an education designed to help adjust to environment, instead of what they need, an education with a perspective long enough to effect changes in environment. Only a liberal education, he declared, in which materialistic interests are subordinated, can hope to make the world a home for human beings.

Famine Hits Farmers First and Hardest

In India agricultural people suffer most. "Our investigations clearly show that the agricultural laborers are the worst sufferers in the present condition. Their proportion is 47.7 per cent. Next to them are the cultivators of the soil (owner cultivators and tenant cultivators) who form 25 per cent. Thus farm laborers and cultivators together account for 72.7 per cent. Petty traders number 7 per cent, beggars 6.6, fishermen 2.4 and others 10.7. The exodus of farm laborers from their place of work may adversely affect the prospects of the next crop. Moreover, it shows where the rot lies in our socio-economic system." —From report of department of anthropology of Calcutta University.

Macmillan Centenary Is Noted

The new book, *The House of Macmillan, 1843-1943*, by Charles Morgan is far from being a bare chronicle of a great publishing house. It brings many characters upon the scene, and most of all Daniel and Alexander Macmillan. It makes us know how the writers of the 19th century looked when they were not the great Tennyson or Arnold or Huxley, but young men with their life before them. The book tells how two Scottish youths, without any resources but their own native gifts, gathered around them in their Cambridge shop, and afterwards in London, their most varied and delightful friends. When we read of the friends of Johnson, or those others who met in the Mermaid Tavern, we can add to them the "Tobacco Parliament" of which Mr. Morgan speaks. It is a little thing but at once it opens a window into that age to discover that at the request of Tom Hughes a round table was made for those occasions by a member of the Working Men's College. Publishers will read the story of Daniel and Alexander Macmillan with admiration and profit, and "considering the issue of their conversation imitate their faith' and their greatness of mind." By Dr. Edward Shillito. London, G. B.

NOW ADOLF HAS TAKEN UP SMOKING, TOO

The Church Calls to Worship

Calvary Church

A special responsive Service of Dedication for all officers of Calvary Church will be a central feature of the morning worship on Sunday next at 11 a.m. The service will be conducted and the sermon delivered by the Minister, Capt. the Rev. T. W. Jones, M.A., D.D. The theme of the sermon, "Pull up the blinds," was suggested in a recent meeting of the young people of the congregation in a plea for Christian men and women to face the realities of these great days. It will be found that this realistic attitude to life will provide both inspiration and challenge to the earnest seeker. The preaching service will be followed by the Communion of The Lord's Supper, at which service the Deacons newly elected at the annual meeting of the Congregation will serve at The Lord's Table.

The Church School will meet in all departments at 10 o'clock.

The Pastor Dr. Jones, will also preach at the evening service at 7.30 p.m., the theme of the sermon being another Lesson for Life from the Parables of Jesus, the particular parable for this service being that of The Parable of The Talents — a lesson in privilege and responsibility.

The Young People's Union will meet in the Ladies' Parlours on Tuesday evening instead of the usual Monday evening, at 8.15 p.m. The big event of the evening will be a debate between a team from Cote des Neiges Y.P.U. and a team from Calvary Y.P.U. on the subject "Resolved that Sunday movies should be abolished." This should prove a very interesting evening and all young people are heartily invited to attend.

The Red Cross Group will meet on Tuesday as usual, from 10.30 a.m. to 4 p.m. Workers are urgently needed for this important branch of the service.

The regular monthly meeting of the Women's Missionary Society will be held on Wednesday at 8.15 p.m. The speaker of the evening will be the Rev. Ernest E. Long, B.A., B.D., the Minister of Fairmount-St. Giles United Church. Mrs. H. V. Driver is the convener of this meeting.

A Valentine Tea and Musical will be held on Thursday at 3.00 p.m. in the Ladies' Parlours, under the auspices of the Women's Association. All the ladies of the congregation and their friends are invited.

On Sunday and Monday, Feb. 13th and 14th, an inspiring ministry of Evangelism through Sacred Song will be rendered by "The Singing Strouds" the Rev. and Mrs. Victor Stroud, noted radio and operatic stars who have dedicated their God-given talents to the high service of winning men and women for Jesus Christ. They will sing inspiring Gospel Hymn messages at the Sunday morning service and will render a Sacred Recital at the Sunday evening service at 7.30.

On Monday night they will give another recital in the Church Auditorium at 8.30 p.m. This will be a complete evening's programme of solos and duets which will include the great soul-stirring and soul-winning favourite hymns which God has blessed. This is a rare opportunity to hear the Gospel sung by outstanding artists dedicated to the Ministry of Sacred Music. The Sunday services are free to all. Tickets for the Monday evening recital may be secured from members of the choir or Young People's Union of Calvary Church, or at the door.

Wonder if it is much consolation to the Neapolitans to reflect that even when burning Naples the Germans must still be saving the world from Bolshevism.

SERVICE OF SONG

Mr. and Mrs. Victor Stroud, who will open their service of song at Westmount Baptist Church on Sunday. Mr. Stroud is well-known as a lyric tenor and Mrs. Stroud as a mezzo soprano.

Dominion Douglas

In Dominion-Douglas Church next Sunday morning the minister, Rev. A. Lloyd Smith, will take as his theme: "The Christian in the Social Order," another in the series suggested by the Canadian Committee of the World Council of Churches.

Sunday School assemblies at 3.00 p.m. in all departments. This will be Missionary Sunday. Minister's Class for Church Membership will meet at the same hour.

In the evening, at 7.30, the special preacher will be Flight Lieutenant the Reverend Carl C. Dean, Protestant Chaplain at No. 1 Wireless School.

The Young People's Union will meet in Friendship Parlour at the close of the evening service.

Sewing circle meets every Monday at 2.00 p.m. and will welcome new members.

The Women's Missionary Society will hold its regular monthly meeting on Tuesday at 3.00 p.m. Mrs. R. DeWitt Scott will be the special speaker. Topic: "The Organization and Work of the W.M.S. of the United Church."

Every Wednesday the Red Cross meets in the gymnasium from 10.00 a.m. to 5.00 p.m., to sew and make surgical dressings. All women willing to work for an hour or two will be very welcome.

We live in deeds, not years: In thoughts, not breaths. In feelings, not in figures on a dial.

We should count time by heart-throbs.

Under the general title of "Religion in the News," he will deal with Sunday movies; should the Church be represented at the peace conferences and under the sub-title of "Religion Begins at Home" deal with some aspects of the missionary enterprise as represented in the oft-repeated phrase "Before we send missionaries to foreign countries should we not clean up our own backyard?"

Following the evening service. J. C. Scott will give a talk on moral appreciation illustrated by recordings, at the young people's "Fireside."

WEDDINGS

TARSHIS—BARANOVSKY

The marriage of Ethel, daughter of Mr. and Mrs. Joseph Baranovsky, to Robert Paul, son of Mr. and Mrs. Harry Tarshis, took place recently at the Montefiore Club. The Rev. Dr. Herman Abramowitz officiated, assisted by Cantor Nathan Mendelsohn.

The bride, who was given away by her father, wore a dress of dusty pink crepe with a matching hat and veil, and carried an ivory prayer book with a spray of white orchids as a marker. Her only attendant was Miss Sybil Samuels, who was maid of honor. She wore an orchid crepe dress with a matching hat and carried a nosegay of Queen Elizabeth roses and mauve Darwin tulips.

Mr. Lloyd Fisher, of Atlanta, Georgia, who is associated with the groom at Langley Field, Virginia, acted as best man.

Later the couple left for New York and Langley Field, Virginia, where the groom is a junior engineer with the National Advisory Committee of Aeronautics of the U.S.A.

SAUSAGE POCKETS

Make cakes from sausage meat about the size and shape of tea-biscuits. If the meat is a little stiff add enough milk to make the meat easy to shape. Core apples and cut in cross-wise slices. Split the sausage cake with a fairly broad knife, as you would split a biscuit to butter. Put an apple slice on each biscuit and press the edges together around the apple. Bake in a hot oven of 400 degrees for thirty minutes.

Dr. Currie Speaks To Club On Schools Of The Future

That the schools of the future must be so closely related to industry, that the transition from school to work can readily and smoothly accomplished, was the statement of Dr. Alexander Currie, Department of Education of McGill University.

Dr. Currie spoke to the Montreal Women's Club last Monday afternoon at the Mount Royal Hotel on the subject "New Horizons in Canadian Education." He began his lecture by citing the recent advances in education made in the British Isles, the United States and Canada, and pointed out that the new bill in the British House of Commons would reshape education in Britain. In the United States, he remarked, the movement was towards equalizing educational opportunities. Dr. Currie gave high praise to the recent Canadian and Newfoundland Educational report, declaring it the best of its kind ever produced. Improvements along educational lines in the various provinces included the granting of scholarships by the Ontario Provincial Government to needy boys and girls to enable them to complete

their High School and University education.

Before enumerating the more recent trends in education, Dr. Currie outlined our already existing institutional traditions which are composed of the French Classical College, the English speaking endowed (private) schools and the Community schools. He warned his audience that the new implements of our present generation, the radio, film and the controlled press are three powerful weapons which should be wisely administered if they are to prove a benefit and not a menace to society.

Dr. Currie placed great stress on the importance of health teaching in the schools. A noon-day lunch provided in the elementary schools would break down food prejudices, he affirmed. While the three R's were essential, yet art and music were required also and were instrumental in awakening the child to a sense of beauty. The schools of the future, he continued, must recover the sense of a moral order, a feeling for moral ethics, and young people must learn to use their leisure hours not entirely for amusement but also

At York Theatre

Shocking in its impact, absorbing in its admirably human and convincing story, RKO Radio's remarkable film production of "Behind the Rising Sun," affords a startling insight into Japan's ruthless motives, and is as well a notable piece of entertainment. The film is now playing at the York United Theatre until Friday night.

The picture, based on James R. Young's best selling book, presents a vivid and completely authentic cross-section of the Nipponese ideology.

It shows how the Japs live, peasant as well as rich man; and, more importantly, it shows us how their minds work and what they think.

As presented on the screen, the frequently breath-taking story revolves about six characters, three Japs and three Americans. A prominent publisher, his American-educated son, and a pretty secretary are the Oriental trio; while an engineer, an athlete, and a newspaper woman comprise the Occidental threesome.

The transformation of the younger Japanese from an eager and sympathetic student into a cold-eyed and relentless army officer motivates much of the plot, as does the bitter course of events in relation to the Jap publisher's own outlook on life and honor.

NOW AT THE WESTMOUNT!

Humphrey Bogart in a scene from the hit film "Sahara," which is now playing at the Westmount United Theatre until Saturday night.

AT WESTMOUNT THEATRE

A magnificent love story, told against the flaming background of war, opens Sunday at the Westmount United Theatre, playing until Tuesday night. It is "First Comes Courage," a Columbia picturization of the best-seller "The Commandos," by Elliott Arnold. Merle Oberon and Brian Aherne play the leading roles,

including a murderous hand-to-hand duel between a Jap wrestler and an American boxer, feature the action of this notable film.

that of a pair of lovers who must sacrifice their love. They each give delicate and understanding performances, bringing close to the onlooker's heart the tragic problem of young lovers the world over today.

The story opens in the little village of Stavik. There is about this once happy and thriving Norwegian community an air of sullen resentment, the inhabitants in a pathetic state of silent fury. Their homes have been violated, their freedom crushed, by the brutal Nazi invaders.

One of the townspeople, the beautiful and high born Nicole Larsen (Merle Oberon), is held in contempt by her compatriots because they consider her a Quisling. Small wonder that they do, for she consorts with the Major of the German garrison. However, what they do not know, is that she is a member of the Norwegian underground, using Major Dichter (Carl Esmond) as a means of obtaining vital information.

This information is relayed to the British Intelligence in a novel manner. The town oculist, Dr. Aanrud (Fritz Leiber) writes coded messages in invisible ink, on the lenses of eyeglasses he makes for Norwegian fishermen, all members of the courageous group of underground workers.

When the German begins to suspect Nicole of betraying him, a British Commando is sent from London to dispose of the Nazi Major. The Commando turns out to be Capt. Allan Lowell (Brian Aherne) with whom Nicole had a brief but unforgettable romance in the happy days when Allan was free to take skiing vacations in Norway.

The lovers have a resumption of their romance. From then on

the story builds in action and suspense to the stirring climax, a Commando raid that is breath-taking in scope. The end is not a happy one, the lovers being parted by the exigencies of war, but it is certainly a logical ending.

The gentle people of the conquered Norwegian village are beautifully portrayed in "First Comes Courage." Crushed and beaten physically, their spirit

soars above the present tragedy, spurring them on to the kind of daring deeds that will stamp out the Nazi menace.

The latest speech of Generalissimo Franco says that his regime has always carried on "a purely Spanish tradition." Sure; inviting Germans and Italians in to overthrow the home government is just another old Spanish custom.

Golden Eagles Rack Up Eight Straight Wins Over Staynor's

Dougie Alexander's Golden Eagles continued along their unbeaten path in the juvenile section of the Westmount Municipal Hockey League as they racked up their eighth straight win at the expense of the Staynor team on Monday night by a 4-3 score. This was a close fit for the league leaders, as the home team held a 2-0 lead at one time and still held a goal lead well into the final stanza.

The Army and Monarch team also chalked up wins during the week in one of the best juvenile seasons in many years. The Army shut out the Staynor club 2-0 while the Monarchs downed the Army squad 3-1.

A last period counter by Jim deLalanne gave the Golden Eagles their 4-3 win over the Staynor team. In the early part of the games, goals by Paul Roman and Rupert Rubens had sent the home team into a two goal lead but the league leaders erased this advantage when Jackie McKissock and Frank Read banged in a pair of counters in the middle stanza.

The Staynor club went ahead when Earle MacDonald tallied, but their lead was short lived as Jack McKissock scored his second counter of the night and then deLalanne added the winning point.

Goals by Brewer and Crosby gave the Claremont Barracks team their 2-0 win over the Staynor club, the tallies coming in the first and third periods respectively.

The Monarchs and Claremont Barracks teams ploughed through plenty of snow on Monday night before the Monarchs walked off with a 3-1 win. Dick Mackinnon notched the first goal for the winners in the second period only to see Toms get the equalizer before the stanza ended.

The Monarchs won out in the final period when tallies by Ian Fraser and Glen Magee salted the game away. The win sent the Monarchs into second place in the section standing.

Frankie Read added three points to his collection and still leads the individual scoring brigade. The Golden Eagle player now has 19 points to his credit. Bill Coles of the Golden Eagles is in the runner-up spot with 13 points while teammate Jack McKissock is in third place with 11.

The Golden Eagles travel down to Staynor again this evening for another postponed game and then meet the Monarchs tomorrow afternoon at the Western

rink in a game starting at five o'clock. The final game of the schedule will be played on Monday evening when the Claremont Barracks team goes down to play the Staynor club on their home ice.

Weather permitting the play-offs will commence on Wednesday night with the Golden Eagles meeting the Monarchs in the first of a two out of three game series at the Western rink while the Army team plays the Staynor club on either the Western or Staynor rink on the same night. The Army-Staynor game will be a two game total goals to count series.

The following is the standing of the section including games played on Monday night, January 31st:

	Won	Lost	Pts.
Monarchs	5	3	11
Army	4	4	9
Staynor	3	5	6
Golden Eagles	8	0	16

Wireless Defeats Longue Pointe

The R.C.A.F. No. 1 Wireless School improved their position at the top of the Westmount Services Hockey League when they won their fifth straight game this week, defeating the Longue Pointe Ordnance outfit, 6-1.

Two leagues are slated to be played at the Provost Corps rink tonight, situated in the former Westmount Athletic Grounds, when the No. 4 Ordnance team meets the Longue Pointe Ordnance Depot, while the home team plays the R.C.A.F. No. 11 A.1 Division in the second game.

Other game scheduled for this week sees the Provost Corps playing the Longue Pointe team at the Wireless School rink on Tuesday night. This is the first game of a double-header with the league leading Wireless School team meeting the No. 11 A.1 Division in the night-cap.

On Thursday night, two games will be played at the Loyola rink with the No. 4 Ordnance team playing the R.C.A.F. No. 3 Training Command and the Longue Pointe team meeting the Wireless School.

Today, at the Forum, our Bantam A Dandies meet up with the formidable Catholic High School team in a crucial game that may just about decide the title. In the evening, our Bantam B youngsters will be out to take a fall out of the natty rigged Sky Chiefs. Saturday morning, the Intermural League will stage two games on the Academy rink with the Canadiens meeting up with the Rovers and Maroons clashing with Red Wings. On Wednesday, our Bantams journey down to Verdun where they will tackle St. Willibrords.

Odds and Ends

Milton Orr's Prima Donnas of fourth High has issued a challenge to the rest of the high school for a game to decide the school champions and it is my humble opinion that Milton is sticking his head out as one look at his prospective line up looks like they better start off with playing 1st grade. Catholic High will be our bantam opponents in Xavier Apostolate Winter Sports Carnival on the night of Friday the eighteenth at the Forum. — Our school skaters will attempt to wrestle some honors from the Mt. Saint Louis Carnival on Saturday afternoon, Feb. 19th, at the Forum. — Andre Sawyer has been signed to understudy Bobbie Harwood in the bantam nets. — Vic Walsh scored the first shutout of his young career when his mates plucked the Golden Eagles 5 to 0.

Donnie Oakes is now a full fledged member of the R.C.A.F., having joined just recently. — Frankie Cliff is rounding into his old time form on the Bantam A defence and is beginning to use his weight to advantage in some fine blocking. — Our Senior B team still tops their league with three wins and no losses. A forecast of things to come: don't be surprised if on next school term you will see Jack Shannon, Bill Shannon and Milton Orr, three of the schools top-notch athletes performing for the Red and White of old McGill. — Mickey Bourassa, smart little pivot player of the Bantam B team, is in hot water on account of inefficiency in his school work and here's hoping he will smarten up before he gets the jersey bounce of his team. — Coach Andy McGillis makes it plain that he will not tolerate any players who don't backcheck and a few of the Senior B boys are likely to feel the full weight of his words when they find their names left off the line up. — Brother George has the Christian Brothers of the School hard at practice at the broom and ball game and yours truly is wondering when he is going to challenge the lay staff in a game or will they default as they have in the past when the annual challenge came up. How about it Mr. Healy, Mr. Keogh and Mr. Connolly? — There is not likely to be any Hockey Social at the end of this season. — Johnnie Chenier, former popular young athlete of the school is making a name for himself with the famous Oshawa Generals, Junior Hockey Club of the O.A.H.A. Johnnie scored four goals the other night in a regular schedule game. — Billy Melvin pudgy little winger of the Bantam B team, is show-

The second game of the twin bill will be an exhibition tilt between the Beavers and a team from the Prince Albert pee wee section.

The first game is scheduled to start at one-thirty, while the second game will get underway at two-fifteen.

Golden Eagles, Royals, Falcons Battling for Two Playoffs in Midget 'A'

The Golden Eagles, Royals and Falcons are still battling it out for the two play-offs berths in the midget "A" section of the Westmount Municipal Hockey League. The three clubs have been running neck-and-neck since the opening of the schedule and are all tied for the top position with ten points apiece.

All three clubs won games during the past week, the Falcons took one from the Olympics by default, the Golden Eagles eked out a 1-0 win over the Olympics while the Royals completed the cycle by handing the Falcons a 3-0 defeat.

George McLanders' third period tally gave the Golden Eagles their 1-0 victory over the Olympics in a game played on a snow covered rink.

Two goals by Bob Smith and a third by Bob Keefler were enough to bring the Royals their 3-0 win over the Falcons.

The Royals and Golden Eagles were slated to play on Wednesday night and that game should have broken the first place deadlock. The same two teams will play tomorrow afternoon at three o'clock at the Western rink in a postponed game.

The final game of the schedule is slated for Monday evening, when the Golden Eagles meet the Falcons in another postponed fixture.

These final three games will have an important bearing on the championship. If Golden Eagles win all three, and they have been undefeated so far, the Royals and Falcons will end up tied for second place and will have to play a sudden death game to decide which team will enter the play-offs. Upset wins by either the

Royals or Falcons would create various situations so that the final standing is really in doubt till Monday's game between the Falcons and Golden Eagles.

Jim McCarthy of the Falcons still has a comfortable lead in the individual scoring brigade with 18 points over the runner-up Bob Smith of the Royals. Smith has 13 points with Dave Manning of the Falcons in third place, with 12 points.

The standing of the section including games played on Monday night, January 31st, is as follows:

	G.	W.	L.	Pts.
Golden Eagles	6	4	0	10
Royals	7	5	2	10
Falcons	8	4	2	10
Olympics	9	0	9	0

The tenth form debate will be held on Monday, February 14, D. & D. president James Spencer has announced. The subject is: Resolved that wars can be abolished. Upholding the affirmative will be Ingor Jorgenson and Deborah Pierce. Peter Scott and Sam Freeman will be opposing them. President Jeems will be in the chair.

Vox Ducum

A biographical meeting will be held in Room 17 on Monday. At least one biographer from each class must attend.

Literary contributions are still flowing in at a very slow rate.

Hobby Show

Hobby Show President David Johnson has been working hard sending out letters to all the show's patrons, to paper controllers, to printers, and to all whose assistance is needed to make the show a success.

But Dave, ably assisted by vice-president Eleanor LaRiche, has done more than that. Practically all the Hobby Show committee has been chosen. In charge of the various departments are Robert Munro, Noelle Carter, Andrew Patterson, Alec Anderson, Bartholomew, two smaller paintings by Pepper, Pat Fitzgerald, Irvine Robertson, Peter Kindersley, Jim Henderson, Audrey Robinson, June Boyd, Jane Cameron, Noreen Smith, Susan Lapointe, Ann Rubenstein, Mona Cameron, Jerry McConnell, Shirley Dugan, Joe Duffin, Beverly Mace, Bob Lord, Joan Ross and Joan Ferrabee.

On the publicity staff are Derek

Ramsay, John Pepper, Barbara Lamb, and Pat McGoun.

Red Cross

Raffle tickets for J. D. Lawley's oil painting are going like wildfire. The tickets were handed out last Friday and the sponsors are confident that a good profit will be realized.

The drawing is scheduled to take place on February 11. At that time, two smaller paintings will be awarded to the boy and the girl who sell the most raffle tickets.

Skigulls

This is a big week-end for Westmount's skiers, the Skigulls. The boys leave for the Seigniory Club today to participate in the annual meet held there. Ever since these Seigniory Club meets were inaugurated Westmount has always been triumphant. This year they will clash with teams from L.C.C. and Glebe Collegiate, Ottawa, which is reputed to be the best cross-country school in the East.

The Skigulls are sending two four-man teams. On the first are Pete Johnson, the president of the Skigulls club, John Stark, John Turner Bone, and Dave Laurin. On the second team are Bob Overing, Ken Lindsay, John Houseman, who has been practicing regularly of late, and Dave Mackenzie, the man who was largely responsible for the success that the Skigulls dance was.

Tomorrow the cross-country race will be run and on Sunday the downhill and slalom will both be run.

Hi-Y

Highlight of last night's Hi-Y

meeting was the showing of 1,200 feet of film on the development of electric power.

Howard S. Ross, K.C., the Examiner's well-known columnist, addressed last Friday's joint Hi-Y meeting. His subject was "Modern Poetry" and he kept his audience in constant gales of laughter with his frequent witty remarks and quotations. Deborah Pierce introduced him in verse and Bob Sproule thanked him in prose. Barbara Baker led the devotional.

Another joint meeting will be held a week from today. The speaker will probably be J. M. C. Duckworth. If Mr. Duckworth speaks his subject will be "Boy and Girl Relations." A good attendance is expected.

Menorah Club

The next regular meeting will be held Tuesday. This will be a joint meeting with the Westhill Club. Frank Sharpe, of the junior high school, will speak.

Items

Tuesday's Senior A hockey game against Montreal High was postponed due to the labour meeting held at the Forum that night. The basketball team beat Lachine 39-26 last Friday. Star of the game was Ken Lindsay who sank 14 points. The team now stands with two wins and one loss. The next Park Slide night is scheduled for February 18.

Coming Events

This afternoon: Westmount vs. Westhill in Senior B basketball. This is a home game. The last home game of the season.

This evening: The Purple and White Revue.

Tonight: 10.00: The Purple and White dance. With the Modernaires.

Monday: W. H. S. vs. W.H.H.S. at Loyola in Senior B. hockey. The boys hope to win their first game.

Monday: Biographers meeting in Room 17.

Friday: Joint Hi-Y meeting.

Y's Chats

Another Westmount Y night at the Park Slide will be held on February 18. The last one was such a success that executive secretary Ernie Taylor decided that it would be criminal not to have another. This is the Friday closest to St. Valentine's Day. Tickets will be obtainable at the Y.

Both Jack Sinclair's photography group and George Day's woodworkers will meet this Saturday morning at ten and the Listening Group will hold its weekly meeting on Tuesday evening. All three of these clubs want new members.

Two week-end parties were held at the Y last week-end. On Friday night the high school pupils resumed their weekly parties and on Saturday night the weekly servicemen's party was held. There will be no high school party this week due to the Purple and White Revue. However, the servicemen will gather tomorrow night.

The Y's Saturday morning hockey league is progressing. More referees are needed.

Panthers Down Staynors 4-3

Garth Gillhooly's Panthers climbed to within one game of the league leading Staynor club in the midget "B" section of the Westmount Municipal Hockey League, when they downed the Staynor team 4-3 at Westmount Park on Saturday afternoon. This was the first loss for Richard Lord's team this season.

Rene Chatelois starred for the Panthers tallying three of the winners four goals with Bob Putnam adding the final counter.

Ronnie Brambell banged into two goals for the Staynor club while Joe Carter added the other. The two clubs met again on

Wednesday night for the last scheduled game of the season at the Staynor rink. A win for the Panthers will place them in a first place tie with the Staynor club.

Regardless of the result, the two teams will meet in a two out of three game series for the midget "B" championship starting some time this week.

Wolfgang Simers and Jackie Martin, team-mates on the Staynor club, are the leading scorers in the section.

Ice Follies Re-open Sunday With New Glittering Cast

A glittering, all new creation of Ice Follies, the eighth edition of this amazing extravaganza on ice with more new faces, a larger cast, the most elaborate scenery and costumes and with an accent on production sequences, opens its 8-day stay at the Forum here on Sunday, running through Sunday, February 13 and with a special matinee on Saturday afternoon.

The glittering new revue has a wealth of talent not equalled in previous editions while the music, and themes of the ensemble creations have been continent-wide sensations.

One of the loveliest and brightest of the new stars in Ice Follies this year is 19-year old Hazel Franklin who last skated in Montreal 8 years ago. The talented English champion was then a sensation but now, with 8 solid years of coaching behind her, she has blossomed into being the most talked of skater of the day. Blond and beautiful Hazel will be seen in several of the elaborate production numbers but is said to be at her best in "Derby Day" which also features Ole Eriksen and Frank Niedermeyer as well as the Ice Follies and Eddie Shipstad and Oscar Johnson.

England's contribution to the latest edition of Ice Follies is by no means the only new celebrity in the coming show. Bobby Blake, who will be seen with Ruby Maxson as a featured pair in "Candyland"; Mary Robinette, a Toronto lovely, and who is featured in "18th Century Garden"; Michael Kirby, former Canadian champion and one of the world's most daring skaters; "Richard Rasmussen", whose identity is carefully guarded by Ice Follies

officials; the Vanity Fair Trio, Ginger Clayton, Shirley Halsted and Joanne Rupp; Roberta Barton and Jack Millikan, billed as the "Miltons"; being engaged after the sequences of Ice Follies had been determined and skaters weeded from hundreds of applicants, to fill the starring roles as written in the script.

The producers of Ice Follies went far afield this year to create the new show. They adapted many of the most spectacular features of stage and screen productions to ice and then added a wealth of gorgeous girls and original and brilliant showmanship to these thoughts to eventually emerge, after several months of rehearsals in California, with the amazing Ice Follies of 1944.

The production sequences are said to be totally different from anything iced in other years. "18th Century Gardens" will be the first of these ensembles to be seen during the Montreal engagement and Mary Robinette, Norah McCarthy, Michael Kirby, plus the Ice Follies will be seen in this spectacular feature which has a Corps de Ballet, Les Belles Filles, Mesdemoiselles des Rapiers, a Premiere Danseuse and Pas de Deux as sub-titles for the skaters to carry out the thought.

"Candyland" is the second of the production features and will offer Barbara Barclay, Alice Bartelme, Evelyn Battles, Lois Goeller, Alice Jean McKee, and Joan Pokorney as "Gingerbread Kids"; Phyllis Legg as "Miss Peppermint"; Ruby Maxson and Bobby Blake as "Babes in Candyland"; Roberta Barton and Ruth Hopkins as "Gumdrops"; Buddy Lalonde as the "Witch" and Osborne Colson as the Hunter.

"Derby Day" featuring Hazel

AT THE SNOWDON SATURDAY!

Basil Sydney and Nora Swinburne, with Wilfred Lawson in Eden Phillpott's hilarious London success, "The Farmer's Wife," starting Saturday at the Snowdon Theatre in conjunction with "Hi'ya Sailor," a musical comedy featuring Donald Woods, Elyse Knox, Phyllis Brooks, The Delta Rhythm Boys and Ray Eberle and his orchestra.

Franklin and the Ice Follies; "Grandma Gets Going", and "Sophisticated Lady" with Betty Atkinson will follow next in order.

"Reflections on Water", "Or-

PHYLLIS LEGG

mental Fantasy", with Norah McCarthy in the featured roll, "Tahiti", with Helen Brad, "Crazy Quilt Circus" and then the Finale wind up the impressive production sequences.

Panthers, Grads Beat Opponents

Ross Gillingham's Panthers and Pete Hennessey's Grads climbed into a tie for first place in the Prince Albert pee wee section of the Westmount Municipal Hockey League on Saturday morning when the two clubs won their respective games. The Panthers swamped Andy Cote's Spitfires 11-0 while the Grads beat Monty Dugan's Thunderbolts 7-2.

In the third game of the morning Jim Brow's Hurricanes eked out a 3-2 win over Eddie Whittemore's Tomahawks.

Eddie Lafontaine paced the Panthers to their 11-0 win over the Spitfires as he tallied five goals. Donnie MacDonald and Bob Forrest each added a pair of counters while Ernie Meyers and Pete Laberge picked up the other two.

Pete Hennessey led his team to victory over the Thunderbolts by scoring three goals while Ray Losito and Arthur Lallemande scored two each to account for the rest of the goals. Monty Dugan and Bob Gough scored for the losers who were shorthanded.

John Ferrabee, Leslie Ham and Tom Williamson counted a goal apiece as the Hurricanes downed the Tomahawks. Mike

Barnard and Jim Rockwell tallied for the losers.

Three more games will be played this week-end with the Hurricanes meeting the Thunderbolts in the first game, the Spitfires playing the Tomahawks in the second encounter while the two unbeaten clubs, Panthers and Grads, hook up in the night-cap.

Westmount Baptist

A program of unusual interest will be carried through in Westmount Baptist Church on Sunday by Mr. and Mrs. Victor Stroud who have come to be known as the Singing Strouds.

This talented and consecrated couple have been rendering unusually fine service across Canada in the ministry of song. Mr. Stroud has made a name for himself as a lyric tenor and Mrs. Stroud as a mezzo soprano.

At the morning service the couple will sing a duet and solo, while in the evening they will carry through the entire service in a glorious ministry of song supplemented by a brief address by Dr. Johnston entitled: "The New Song of the Redeemed".

The Strouds will also be present to sing and give personal testimony at the fireside which will follow the evening service.

The people of the city and community are urged to avail themselves of the privilege of hearing these gifted visitors sing the songs you love to hear.

The Pictou Highlanders have "adopted" a little crippled girl in Eastern Canada, and are paying for expert medical attention in an effort to cure the affliction that has injured her legs.

No one can save himself without God's help, and God will help each man who performs his own part.—Mary Baker Eddy.
