Freak Accident Badly Damages Resident's Auto

When a car backing out of a driveway on Mountain Avenue Westmount, just above Sherbrooke street, on Wednesday, backed into the automobile owned and driven by G. F. W. Kuhring, 4323 Montrose Ave., it was badly damaged. The front end of Mr. Kuhring's car was stove in, with the radiator being smashed.

The driver of the car backing out of the driveway was Mr. DeGruchy of Westmount Realities.

Local Robberies Believed Solved

The two Westmount armed robberies which took place last month are thought to have been solved with the arrest of two youthful thugs, Chief of Police R. H. Byford said today.

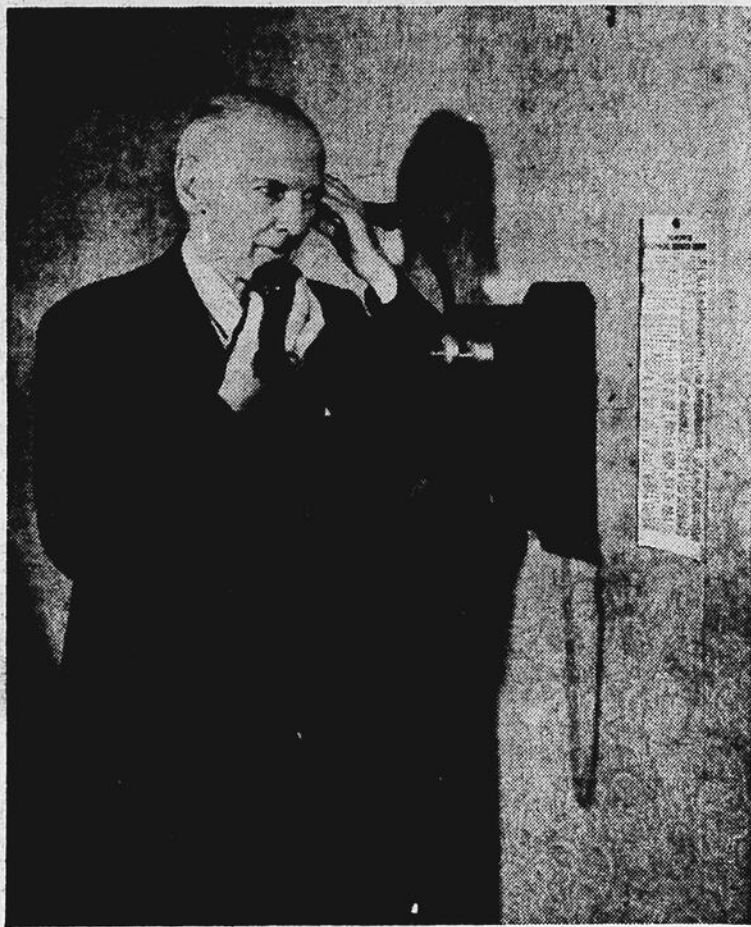

The two young men, Clifford Williams, 20, and Robert Lambert, 24, were picked up over the weekend by the Montreal Police.

Det. Lieut. Sylvio Longpre of the Montreal hold-up squad said the two were picked up in connection with twelve robberies, including the Westmount hold-ups, netting \$802.

The first robbery in Westmount took place on February 15 at the Metcalfe Pharmacy, 4451 St. Catherine street. Two young men entered the premises at 9 p.m., held up the proprietor and removed \$120 from the cash register.

The other robbery took place six days later at Seaton's Stationery Store, 1253 Greene avenue, when two young men armed with revolvers held up the store taking \$30.

Eleven charges will be laid against Williams and seven against Lambert. The Westmount charges will be lumped together with the others and made at the Montreal Police Station. They will be tried at the Criminal Courts.

Robert H. Neilson, of 10 Willow Avenue, Westmount, shows how the telephone of 1879 was used at his family's residence on Carlton Street, Toronto. His father, the late Hugh Neilson, was one of the first four telephone users in Toronto who pioneered the telephone industry there. After 74 years' continuous telephone service at the Carlton Street address, probably the longest on record anywhere, the remaining members of the Neilson family are now moving away. The telephone shown here is a wooden instrument and the two receivers attached could be used for either receiving or transmitting. The operator was signalled by a crank. Usually affixed beside the telephone was a list of subscribers—150 in 1879—which comprised the Toronto telephone directory of that day.

Municipal Association Calls Civil Defence Meeting

Lieut-Colonel J. Eric Slessor, E.D., Chairman of the Westmount Municipal Association, has announced that a public meeting has been called for Thursday, April 5, at 8:15 p.m. in Victoria Hall.

The purpose of the meeting is to explain the possible effects of atomic attack on the Metropolitan area, to describe the work already done by the Civil Defence Committee and to outline the duties and responsibilities of Westmount citizens in the organization which is now planned.

It is expected that Mayor J. S. Cameron of Westmount will announce the appointment of a Citizens Advisory Council and of a Chief Warden.

All members of the Westmount Municipal Association have been notified by letter from the President and among others specially invited to the meeting are Brig. Guy Gauvreau, C.B.E., D.S.O., Co-ordinator of Civil Defence of the Metropolitan area; representatives of G.O.C. Quebec Command; the R.M.R. and 3rd Field Engineers; and representatives from the Canadian Red Cross, St. John Ambulance Association, Women's Voluntary Services, Canadian Legion, Boy Scouts Association, the Westmount School Commissioners and the Catholic School Board, Rotary Club of Westmount, Westmount Women's Club, Westmount Y.M.C.A., Business Association of Westmount, City Improvement League, the Executive Director of the Canadian Federation of Mayors and Municipalities and the Secretary of the Union of Municipalities of Quebec Province, and others.

Read A Book
Asked for the recipe to his success Mr. Aldford's answer was he just read a book of directions and started taking pictures. But behind this modest reply lies a love of natural beauty. It was this love of flowers and the outdoors that caught his imagination and continues to spur him on.

New President, Ken Willock; Col. Cook Talks On Defence

Ken Willock was elected president of the Business Association of Westmount, at the annual meeting held on Wednesday night in the Oak Room of Victoria Hall.

Retiring president Paul Viau was thanked for his services by N. E. Ohman, one of the founders of the association and also a past president himself. Mr. Ohman presented Mr. Viau with a brief case as a token of appreciation from the members.

The meeting was well attended by a majority of the 104 in membership.

It was decided to increase the annual dues to \$10. J. P. Page brought up the question of parking fines and said that it was the feeling that business was being hurt as a result. The association will study the problem and make recommendations at the next monthly meeting in May which will take the form of a supper meeting with ladies being invited.

Miss F. Jobin was appointed chairman of the Tenants Committee, J. P. Page, will run the Bulletin, and Paul Viau is chairman of the Membership Committee.

A new Westmount business telephone directory will be issued for the Association this year.

The meeting expressed sympathy with Mr. and Mrs. C. A. James on the serious illness of Mrs. James, and also to the family of E. Gauthier, president of Westmount Plumbing, who passed away this week. Mr. Gauthier was a member of the association.

J. P. Page, chairman of the nominating committee, proposed the following list of officers for the ensuing year who were all elected.

President, K. Willock, of K. & W. Willock Sports Goods & Luggage; 1st Vice-Pres., N. Mitchell, of Mitchell Electric Appliances; 2nd Vice-Pres., A. du Bois, of du Bois Caterers; Hon. Sec., Bruce Johnston, of Johnston Men's Wear; Hon. Treas., Miss F. Jobin, of Francis Ladies Hairdressing; Secretary Treasurer, D. C. Kidd, Past President, P. Viau, of Viau, Kelly & Co. Insurance; Directors—Mrs. Payette, of Mariella Ladies Wear; Mrs. Chesmer, of Wendy's Silks; Miss Reid, of Mme Joel Ltd. Corsetiere; Mrs. Oram, of Evans Sisters School of the Dance, Miss Des Laurier, of France-Del Ladies Wear; A. Ross Grafton, Hardwood Flooring; W. J. Chatfield, Groceries; M. Hockmitz, of Westmount Stationery; H. Gershon, of Westmount Appliances & Sports; P. Kenwood, of Westmount Transfer & Storage; C. Demers, of Demers Limited, Grocers; M. Sackoransky, of May's Rite Fit Ladies Wear; R. Zoland, of Vogue Dressmaker's Supplies; A. E. Wilson, of Bank of Nova Scotia.

Lt.-Col. P. W. Cook, E.D., Director of Civil Defence, for the City of Westmount, was guest speaker and was introduced by N. E. Ohman and thanked by D. B. Ross.

Col. Cook told a gruesome tale of what would happen to Westmount if an atomic bomb fell this side of Windsor Street—everyone would be wiped out, and no defence efforts would be necessary.

Hobby Show at 'Y' Bigger and Better Is Crowd Verdict

This week, on Wednesday, at 8:30, the Lieutenant-Governor of Quebec, the Hon. Gaspard Fautoux, opened the Westmount Hobby Show for 1951. The show this year is as good as had been hoped.

The exhibits on display are tastefully arranged and well displayed. There are among them displays of more than ordinary talent. Some of the exhibits show an immense amount of preparation.

There are several interesting special exhibits at the Hobby Show including an exhibit by the blind, an exhibit by the library and an interesting exhibit by the R.C.A.F.

Even aside from the exhibits, the program is full of interest.

After the opening there was a girls gymnastic competition and a boys swim meet. Thursday afternoon was Games day and Thursday evening was the night of the fencing demonstration and boys' pentathlon.

Tonight after the boys' basketball there will be the big Music and Entertainment night. This is one of the biggest and most interesting events on the program.

Saturday afternoon is the Pet Show where every sort of pet is represented, including the mongrels and cats, and in the evening there will be an exciting gymnastic display.

At 8:15, The Hon. Douglas Abbott, M.P., will close the show and prizes will be presented.

The show this year is one of the biggest since its beginning and a lot of the credit is due to president Louise Tolstam.

Louise has been responsible for co-ordinating the work of the committees on arranging and publishing of the booklet, advertising, prizes, posters, blotters and signs, and publicising the show.

As a result she has been on call every day and, though the members of the committees themselves deserve the highest credit, all agree that Louise deserves special mention for the conscientious and thorough way she has carried out her job.

National Magazine Uses Westmount Man's Photo

A man, a camera and an ambition. That was Albert Aldford, of 396 Grosvenor Avenue, a year ago. Today national magazines are asking for his pictures.

Last year he was seized with an ambition to reproduce the beauty black and white photography will always miss.

Arming himself with a German-made camera, and a roll of 35 millimeter film, he took his first shot and had immediate success.

The picture, a scene of the family board laden with New Year's dinner, turned out so well it gave him enthusiasm and encouragement to start in earnest.

In April the slick cover magazine, Your Home and Garden, will use one of his shots for their front

Unity Boys' Club News

Next week will be one of the most eventful ones throughout the year for hundreds of thousands of boys all over Canada and the United States. It is Boys Club Week from Monday, April 2 to Sunday April 8. Special programs are being prepared by each club at the same time Unity is celebrating Parents Night or Sponsors Night so will every other boys club in Canada.

What does Unity Boys clubhouse mean? A place away from the dangers of the street, where there is friendliness, where pals can meet every afternoon and evening making new and interesting friends.

It is a place to run and jump; play basketball, volley ball, hockey and other games, to take a shower bath, get a check-up from the "Doc". It is a place where one can curl up in a corner with a good book, play a game of checkers or just dream of camp next summer.

One can learn to make things with their hands or learn a craft through which they might become an expert. It is also a place to talk over problems with the leaders.

Does the Unity Boys Club mean this? If it does then the way to repay these advantages is with loyalty and support to the leaders, directors and to the name of the Unity Boys Club.

Sponsors' Night: Wednesday, April 4, 7.30 to 9 p.m. Members of the Rotary Club of Westmount will visit the clubhouse and play games with the Unity boys and girls. These will include checkers and ping pong in the gamesroom, volleyball in the gym. Tickets for the party will be on sale at the office.

Parents' Night: Friday, April 6, 8 p.m. Parents of Unity members are invited to a concert planned and staged by members. Admission prices will be ten cents for parents and five cents for members.

Friendship Night: Saturday, April 7, 7 p.m. All members of the Club may invite a boy or girl friend to come to the club with them. There will be entertainment and lots of fun. Members pay their admission and bring the friend free.

Church and Family Day: Sunday, April 8. All members are urged to attend church. No special program will be held on Sunday.

Games Party: The main event of the week was the games party held last Friday under the supervision of Bruce Campbell. Winners of this special event were: Bill Betts, Paul Hamilton, Terry Gray, Robert Doherty, Frank Svendsen, Diane Conroy, Diane Locksly, and Ruby Squires.

Basketball. Unity Girls won an easy game over St. Columba

Iverley President

Norman A. Fellowes, 589 Lansdowne Avenue, Westmount, who was elected president of the Iverley Community Centre at the annual meeting. He succeeds D. R. Anstice, who has served for the last three years.

J. H. Richardson, Businessman and Soldier, Dies

John Henry Richardson, a director of Acer McLernon Inc., and associated with the firm for more than 30 years, died suddenly on Sunday at his home, 457 Mount Stephen Avenue, Westmount, at the age of 65.

A native of Newry, Northern Ireland, he was educated at Portora Royal School, Enniskillen, Ireland, and came to Canada in 1906. He was superintendent at Peck Rolling Mills until 1914.

Posted to R.M.R.

In 1912 he was gazetted lieutenant in the Canadian Grenadier Guards and when the First World War broke out in 1914 he went on active service. He went overseas in 1915 with the 23rd Battalion and was posted to the Royal Montreal Regiment.

Returning to Canada in 1916 to help recruit the 24th Battalion "Kitchener's Own," he returned to France after a short period and rejoined the R.M.R., with which he served until wounded in 1918.

After the war, he joined Acer McLernon Inc.

Mr. Richardson was appointed second-in-command of the re-organized Royal Montreal Regiment in 1920 and remained active with the unit until he retired in 1933.

He was a member of United Services Club, Thistle Curling Club and Beaconsfield Golf Club.

Besides his wife, the former Euphemia Grieve Williamson, he leaves two sons, J. M. Richardson and T. W. A. Richardson, of Montreal; and two brothers, Thomas Richardson of Belfast, Northern Ireland, and George H. Richardson of Saskatoon.

A funeral service was held on Tuesday in St. Matthias Church with burial in Mount Royal Cemetery.

Youthful Pianist To Be Guest Artist

Joan Clithero, 11-year-old pianist, will be the guest artist at the annual concert of the Montreal Ladies Choir, to be held at Victoria Hall, Westmount, on April 10, at 8:30 p.m.

Conductor for the concert will be Clifford Johnston.

House by a score of 21-6. B. Wallace scored 8 points, J. Craig, 6; M. Kercher, 4; H. Craig, 2; and G. Lord 1 for Unity. K. O. Donnell scored 4 points and G. Brodeur and M. Broadbent, 1 each for St. Columba House.

Floor Hockey. Lyons Boys Club won a fast clean game over Unity by a score of 7 to 4. For Lyons Club, J. Stone scored 3 points, J. Kick, 2; and D. Marconi and F. Marconi, 1 each. T. Gray scored 2 points and R. Williams and M. Livingston, 1 point each for Unity.

ART FOR ART'S SAKE

The colourful career of Arthur Aurel "Art for Art's Sake" Voronka, the sage of St. Catherine street west, has taken another turn along the route which Arturo hopes will lead to dramatic fame and fortune. Our boy Arthur is now appearing in the melodramas at the Astor, those tear-rendering chiller-dillers in which the audience is asked to participate by hissing the villain, cheering the hero, and giving directions to the forces of good when they are earnestly pursuing the forces of evil.

Arturo, in a bit of astute casting, plays the role of an escaped convict with all the realism that can be expected from a former inmate of Westmount High School. But, while he starts off like the blackest blackguard, being deterred from committing a murder only by the horrified shouts of the audience, he winds up with a complete change of heart and seems ready to don a clerical collar when the final curtain descends on the Astor's band box sized stage.

Arthur's interest in things theatrical stems from his happy days at Westmount High. In 1925 he made his stage debut at Victoria Hall as a poorly disciplined air cadet in one of the most hilarious skits of the Purple and White Revue '45.

The following year, along with his inseparable crony John Clennel Dickens, now a student at Western University, he took command of the P & W and turned out a truly top-notch variety revue, the best high school production of its type which Montrealers have ever seen.

From there our hero went on to toil for the Canadian Art Theatre, portraying such roles as a big bad wolf in their children's classics which were staged at Victoria Hall on Saturday afternoons. In addition to the acting experience, Art picked up a lot of miscellaneous knowledge about behind the scenes dramatics in his months with the C.A.T. people.

Last year his career took another turn when he appeared in the non-speaking role of a waiter in one of Renaissance Films' productions, an artistic and financial flop which, nevertheless, gave Mr. V an opportunity to display his talents in a new medium. To the allegations made by cronies that he was merely a dumb waiter, Arturo gave only a shrug of his expressive shoulders.

Now, as escaped convict Jake Jordan, we see the Voronka histrionic talents in full bloom. The lad has plenty of desire and an almost fabulous capacity for work of any kind that happens to interest him. That combination could very well conceivably carry him to a lofty perch in the sometimes daffy, always fascinating world of entertainment.

Westmount 'Ace' To Be Supervisor Aircraft Output

Air Vice-Marshal Frank S. McGill, of 4 Grenville Place, Westmount, will according to an Ottawa report be named as supervisor of the greatest peacetime aircraft production in Canada.

Vice-Marshal McGill now 57 years of age is one of the greatest athletes produced here. He was a Canadian swimming champion, also a Montreal football and hockey star. He was awarded the Sir Vincent Meredith Trophy for the best all-round athlete in Montreal in 1914. He is an A.D.C. to His Excellency Viscount Alexander, Governor General of Canada.

As Air Member of Supply and Training for the R.C.A.F. in the Second World War he rendered outstanding service to Canada. He retired from service in 1945 and returned to business life.

In his new appointment he will be under the direction of Crawford Gordon, jr., Toronto industrialist, now Defence Production Co-ordinator in the new Defence Production Department.

The aircraft program in Canada, concentrating heavily on Jets, is likely to run between \$1,500,000 and \$2,000,000 in the next three years. About 3,000 new aircraft are likely to be produced.

was where he really became interested in floral photography. At the Spring show he took innumerable shots. On a trip to Toronto shortly afterwards a friend saw his work, urged him to take it to Your Home and Garden. Since that time they have used a number of his pictures and now the frontispiece for the April issue.

At present one of his marks is on display at the Montreal International Salon of Photography. Along with other well known photographers from many countries he was asked to submit his work for selection.

This is an honor for one who is still an amateur to be asked to go on show with the pundits of the photographic world.

On Display

His shot, Autumn Stillness, will be on show at the Museum of Fine Arts until March 23 where the exhibition is being held. It was taken 30 miles from here on the banks of the St. Lawrence River near the Rolland Paper Mills.

Autumn Stillness shows the sun's reflection across the still waters of the river with tinted leaves lying along the shore. Now he has been invited to show his work at the Toronto International Salon of Photography in April.

Among the 500 color shots Mr. Aldford has taken are scenes ranging from the Niagara Falls to the Canadian Rockies. His business as an agent and importer of European goods takes him the length and breadth of the land enabling him to mix his hobby with his business.

Of the 500 pictures taken, the ones he likes to take best are those of the flowers in Westmount. People have expressed surprise that Westmount could produce such beautiful flowers when Mr. Aldford showed them scenes from the city, he said.

Westmount's Flower Show Gives Nostalgic Spring Feeling

Local Lady Makes Up Pay Loss Of Hero

The gesture of Mrs. H. A. Lamb, of 216 Redfern avenue, Westmount, in forwarding a donation to James Clarkson, of Southport, England, to compensate the English laborer who had been docked in his pay for the time lost while he left his job to rescue a man from drowning will be applauded by all right thinking people.

When Mrs. Clarkson read of this obvious injustice she did not rest until the money was on its way to a Liverpool, England, newspaper, to be handed to the rescuer, whose efforts in saving a life apparently went unrewarded and unsung.

It is hoped that this tangible rebuke to Clarkson's employers will not go unnoticed. Mrs. Lamb is to be congratulated on the action taken.

Westmount's annual Spring flower show was opened to the public last week by Mayor Cameron. One of the features of the exhibition is a cross of white lilies, 17 feet in length, surrounded by decorative arrangements of hydrangeas. Top picture shows a particularly attractive collection in a Spring landscape scene.

Spring Flower Show Is Opened by Mayor Cameron

A large white cross of Easter lilies features the annual Spring show at the Westmount Conservatories which was opened officially in the Palm House by Mayor J. S. Cameron last Thursday.

The cross, centre piece of the show, is 17 feet long with a ten-foot arm. One hundred pots of lilies each with four or five blooms make it up.

Lying on a background of golden privet, wisteria and junipers, the cross commemorates Easter. The base is comprised of red, white and blue hydrangeas.

The cross motif of the show is used only when it coincides with Easter. Last year the theme was Dutch with tulips and a windmill.

Opposite the cross on the East side of the Palm House is a grouping of butterfly flowers against a background of flowering green shrubs, lilacs, jennista, laburnums and rhododendron.

Other groupings in the display include primula, cineraria and orchids. In all 15,000 bulbs have been used for the show. Most of these have been held back in the greenhouses as replacements over the month long period during which it is being held.

Mayor J. S. Cameron congratulated E. J. Anderson, superintendent of Parks and Playgrounds, at the work he and his staff of gardeners have done in preparing the show.

R. Panet Raymond, commissioner of the Parks and Playgrounds Department, stressed the advantages to a city of well laid out parks and gardens.

The show will remain open for approximately a month from 10 a.m. to 10 p.m. weekdays and 10 a.m. to 5 p.m. Sundays.

Among those present at the ceremony were Aldermen R. Campbell, R. Dean, H. L. Blatchford and J. S. B. Pemberton and their wives; T. J. Hughes, general manager of the city; A. W. D. Swan, secretary treasurer, and Mrs. Swan; Paul Viau, president

Rotary Fellowships Promote Understanding

The avowed purpose of the Rotary Foundation Fellowship, David Garfield, economic student at McGill, told the Westmount Rotary Club, is to promote international understanding through the interchange of students from one country to another.

Interpreting his own country, the United States, to the gathering he said Americans are apt to abuse their neighbor's feeling "with the same reckless abandon with which you would kick a football."

Mr. Garfield stated that developments of the last few years indicate a growing awareness of Canada on the part of his nation.

Industries had expanded since the turn of the century at a far greater rate than any other nation in the Western Hemisphere. The well-being of the individual had risen accordingly.

Smaller countries in the hemisphere, he pointed out, look to Canada and wish to duplicate its industrialization. "It appears a huge industrial market is not essential to industrial growth."

Mr. Garfield declared the industrial growth in Canada was a shot in the arm to U.S. economy. This has a doubly stimulating effect upon the imports of manufacturers.

He said a large volume of capital goods imports were required to expand industry. Higher incomes lead to increased demand for consumer goods.

Citing the other factors in America's increased interest in Canada he said they were Canada's boundless supply of iron ore and the much publicized St. Lawrence seaway.

Mr. Garfield added his country was conscious of the co-operation extended by Canada in respect to defence and rearmament. The So-

On the other hand if the City was only partially destroyed arrangements must be made to look after the survivors.

He laid particular emphasis on the necessity of conserving a supply of food, drugs, and cloth-

ing to be used in an emergency. Trucks and cars would also be required, he said.

Col. Cook stated, that in view of the fact that a public meeting had been called by Mayor Cameron, for next Thursday night, at which full details of civil defence plans for Westmount would be given, that he would confine his remarks to the general

scheme of defence, and the steps which could be taken by businessmen to help in the community effort.

He discussed the probability of attack here, the technical aspects of atomic warfare, calculated effects of an attack on the Montreal area, the casualties to be expected and the situation as to the responsibilities of Westmount.

Col. Cook also pointed out that there was a dual responsibility in civil defence. Westmount must organize to protect itself and must, in view of the agreement of mutual aid entered into between municipalities in the Metropolitan area, be also prepared to lend a hand in assisting other parts of the Island in the event of attack.

In training for civil defence the individual is actually looking after his own self preservation and by agreeing to give mutual aid to others he is assured that others will come to his or her aid in the event of attack on Westmount.

As leaders of business in the community, members of the Business Association had a responsibility to the community. They must be prepared to step in if the need arises, to handle supplies and organize the supplying of necessary food, drugs, and other commodities which would be needed in relief work.

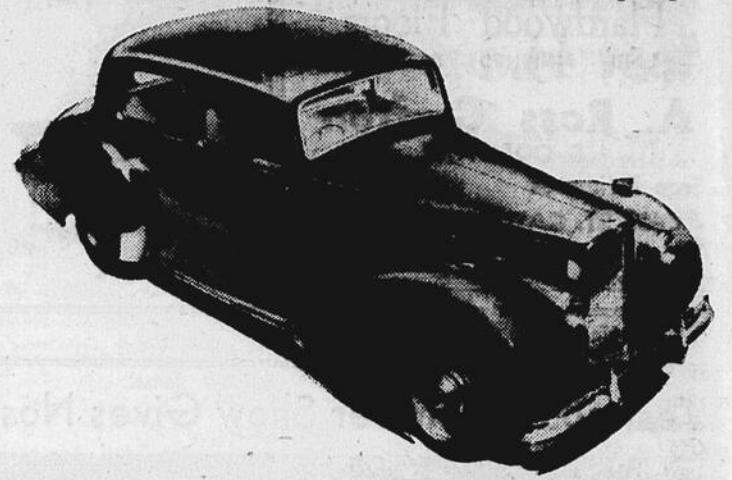

By virtue of their merchandising experience the businessman is particularly qualified to help in this respect.

Provision must also be made to cope with a situation which might arise in which there would be no power, no water, no telephone facilities, and almost complete disorganization of traffic with of course no organized food deliveries or distribution.

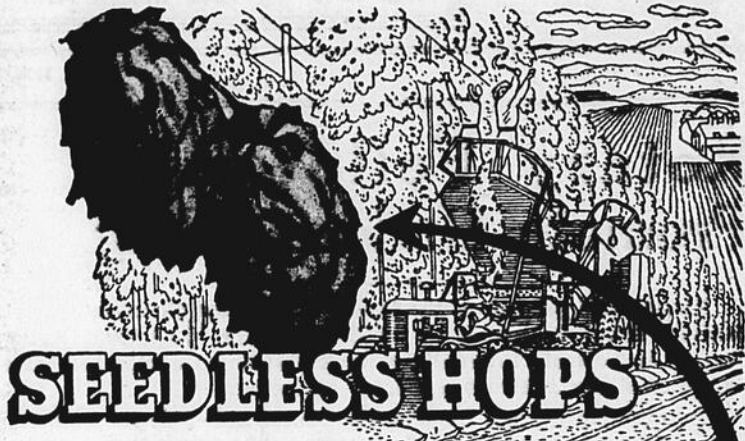

It is then of vital importance, that stocks of foodstuffs, drinkables, drugs, and medical supplies, tools, such as axes, saws, crowbars, sledge hammers, etc., be carefully stored away and protected. Builder's supplies, radio equipment, oil, gas, and vehicles will also be urgently required. Motor vehicles which can be used as ambulances will be pressed into use.

Col. Cook also advocated the necessity of citizens providing some sort of bomb shelter for

New, Distinctive Alvis Now On Display

The Alvis Three Litre Sedan, pictured above, is a car of character and distinction. The Alvis standard of quality is maintained and the interior has that satisfying air of refinement which comes from the use of high-grade leather for upholstery and walnut for the fascia board, door cappings and window mouldings. Among the many refinements are a sliding roof, sun visors, map pockets in the doors, easily detachable wheel spats and an ingenious spare wheel mounting. This car is now being shown at British and Continental Motor Sales Ltd., 4230 St. Catherine St. West, Westmount.

SEEDLESS HOPS

One of the five reasons for the rich, full body and popular flavour of O'KEEFE'S ALE

1

"QUICK-GRIND" MALT

At O'Keefe's we make our own malt from the finest barley, using only the ripest, plump barley grains, for which we pay premium prices. To preserve its fine flavour O'Keefe's "quick-grind" the malt at the last moment before it goes into the brew. This gives you the fine flavour and mellowness characteristic of O'Keefe's Ale.

ALWAYS ASK FOR UNION MADE

2

NATURAL YEAST

The yeast used in brewing O'Keefe's Ale is a natural by-product of the fermentation process; stored in a sterile refrigerated room to preserve its purity.

3

SEEDLESS HOPS

The finest seedless Kent, European and domestic hops are used in brewing O'Keefe's Ale. Picked at the exact moment of maturity and carefully blended in the brewing process, these seedless hops help to give O'Keefe's Ale its delicate tang and flavour. Removing the seed removes the bitterness leaving only the fine taste qualities of the hops.

4

NATURAL CARBONATION

Long fermentation is responsible for the natural carbonation which gives zest and sparkle to O'Keefe's Ale.

5

AGING

Time and nature age and mellow O'Keefe's. The result is an ale of rich, full body and pleasing flavour.

O'Keefe's EXTRA OLD STOCK ALE

ALVIS THREE LITRE

The new ALVIS Three Litre is a notable contribution to gracious motoring. Stylish and at the same time sensible, this classic among British cars combines a design and performance ahead of its time, with the individual appearance which has always characterized an ALVIS car. There are three models. A distinguished and practical Sedan, a handsome three-purpose convertible and a brilliant new sports car. Each is a thoroughbred and all bear the hallmark of ALVIS individuality.

Pedestrian Co-operation Needed Says Chief Byford

The civilian education course, ins and outs of traffic control signals, being conducted at the increasingly busy intersection of Sherbrooke street and Victoria avenue is moving ahead slowly, Chief of Police R. A. Byford disclosed today.

"Still a lot of co-operation needed," was Chief Byford's cryptic comment. Pedestrians do not realize the policeman standing amidst the traffic is there for their benefit and protection.

It's the mother with a pile of groceries in one arm and several children hanging on to the other who persists in dashing across the traffic-snarled artery that presents the problem to the policeman-instructor trying to keep a semblance of safety.

In the perennial problem of pedestrian versus automobile Chief Byford said the motorists are not giving due right of way to pedestrians.

When a pedestrian is on the road he has the right of way and the motorist is supposed to let him cross when lawfully in the crosswalk. It seems some motorists when behind their wheel would rather run the pedestrian down than give him deference.

For the benefit of both pedestrian and motorist Chief Byford quoted by-law 501, article 9, Traffic Control Signals. Anyone unsure of the law in this matter would be interested to know it says, "Whenever a driver or pedestrian, at an intersection, is directed to proceed or stop by a signal exhibiting a colored light, the following rules shall be observed:

"When facing a green light the driver or pedestrian may proceed but the driver must always yield the right of way to a pedestrian or vehicle lawfully within a crosswalk or intersection at the time such signal was exhibited.

"When facing a yellow light the driver or pedestrian must stop and must not enter the intersection or crosswalk until the green light appears, unless he is so near that a stop cannot be made in safety.

"When facing a red light the driver or pedestrian must stop and must not enter the inter-

their families. Reinforced basements would give some protection and excavation into hillsides might be possible for some residents. He outlined how a fairly satisfactory shelter could be constructed and he gave the chairman a copy of an instructional handbook on shelter construction which he said might be of interest to members.

In connection with community storage shelters, he warned that for inflammables dispersion was necessary, while for package goods, such as food, etc., centralization was needed.

He suggested that the Business Association might help by serving on committees on co-operative emergency storage.

We must "Be Prepared" Col. Cook said, stocks of all kinds will be needed immediately and urgently in the event of an attack or disaster.

"You must see to it that local supplies are available until outside aid is available" he said.

section or crosswalk until the green light appears."

Chief Byford stated co-operation is needed especially now that construction of the new bank on the Southeast corner of Sherbrooke and Victoria is causing congestion. Daily and sometimes hourly loads of material arrive which have to be unloaded with the truck parked in the street obstructing traffic.

He added that often trams ahead of schedule persist in stopping at the intersection to loose time. The result is a traffic pileup, especially on Victoria Avenue.

The human body is similar to a machine — its various parts are not wearproof. The only way to make the body continue to function well is to give it a rest once in a while.

Chairman DeLalanne Will Meet H. and S. Associations

Brigadier James A. DeLalanne, chairman of the Westmount Protestant Board of School Commissioners, told the Examiner that he is looking forward to meeting with parents and others interested at the annual meetings of the three Westmount Home and School Associations, which are scheduled to be held during April.

It will be recalled that in The Examiner of March 16, Mrs. R. Grant Reid, president of King's H. & S. Association, Sidney B. Fraser, president of Queen's H. & S. Association, and Mrs. Gordon C. Liersch, president of Roslyn H. & S. Association, all stated that they did not favor calling special meetings to discuss the change in the Montreal Central School Board set-up, but that full opportunity would be given members to go into the matter at the forthcoming annual meetings.

Lieut.-Col. J. Eric Slessor, president of Westmount Municipal Association, told the Examiner that his organization is not planning on calling a meeting on the educational changes brought about by recent legislation. Col Slessor pointed out that the Municipal Association nominated the board of school commissioners and that they had full confidence in the commissioners elected to do the best possible thing for Westmount. He thought that any questions to the commissioners should come through the Home and School Associations. The fullest information should be given so that all interested would have a thorough understanding of what is involved. Mr. DeLalanne, he said, would be present at the next executive meeting of the association on April 9, at which time the executive members would be brought up to date on what has happened and what is likely to happen in connection with Westmount Schools.

Mr. DeLalanne wished to correct a remark credited to him in the Examiner of March 16 in which he was quoted as stating that the chief objection was the reduction of representatives on the Central Board from 2 in 12, to 1 in 16. Actually, said Dr. DeLalanne, Westmount has little to complain about in having one representative on a sixteen member board, as there are 25 member municipalities under the control of the Central Board.

In view of Montreal's greater representation, at least nine and probably more of the municipalities will have no representative, Mr. DeLalanne pointed out.

Conditions had changed greatly since Westmount first agreed to join in with the Central Board 25 years ago. At that time Westmount's financial contribution was a much larger percentage of the total funds handled by the gov-

Berkley Chadwick To Conduct Elgar Choir in Concert

Berkley Chadwick of Westmount, founder and conductor of the Montreal Elgar Choir, will conduct the choir in Sir Edward Elgar's inspired choral setting of Cardinal Newman's poem, "The Dream of Gerontius", to be sung in Erskine and American United Church on Wednesday night, April 4th, at 8:15.

Westmount artists assisting in this performance are Philip Neilson, bass, and Phillips Motley, organist of St. Andrew's United Church.

Margaret Ashmore, Quebec contralto, will sing the part of the Angel, and Kevin Doherty the tenor role of Gerontius. Doris Killam, the choir's permanent accompanist, will be at the piano.

Tickets may be purchased at the door.

Deadline Date Extended on 1951 Car, Drivers Licences

Westmount car owners and drivers have been given a respite by the provincial government in the matter of the deadline date for obtaining 1951 vehicle and driver's licences.

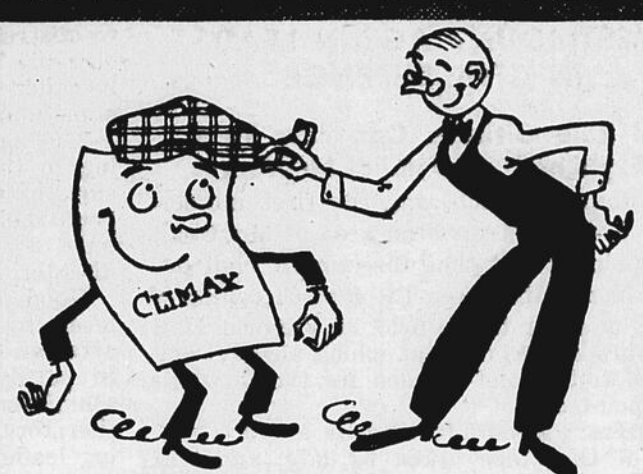

The Quebec Government Comptroller of Revenue has announced that the date limit for obtaining licences has been extended to April 30.

Normal deadline is February 28, but it was retarded to March 31, and now has been fixed for April 30.

BRAVE LETTER CARRIER SNATCHES SMALL BOY FROM FIERY DEATH

James Philpott, of Toronto, suffers severe burns rescuing youngster from blazing Scarboro home

1. Postman James Philpott, gray-haired veteran of two wars, was delivering mail on Meadow Avenue in Scarboro. While handing letters to a lady at one door, she suddenly pointed to a cottage-style house across the street. Flames were coming from several of the windows! Without a second's hesitation, Philpott dropped his mail-bag and raced across the road.

2. A roaring mass of flames met him as he wrenched open the front door. From a back room came the hysterical cries of a child — pathetic screams that gave Philpott new courage as he plunged into the inferno. Finally he found the 4-year-old boy huddled on the floor . . . the fire licking closer and closer to him. The back door was locked and Philpott, carrying the child, had to fight his way to the front again.

3. Despite the fury of the fire, he managed to calm the boy enough to find out that there were no others in the house. Then, although both had been burned by melted, falling paint, he dashed through three blazing rooms and out the front door to safety. We are indeed proud to add the name of James Philpott to the list of those who have won The Dow Award.

THE DOW AWARD is a citation presented for acts of outstanding heroism and includes, as a tangible expression of appreciation, a \$100 Canada Savings Bond. The Dow Award Committee, a group of editors of leading Canadian daily newspapers, selects Award winners from recommendations made by a nationally known news organization.

Guard Freedom Warns Rev. Jones

The freedom that democracies enjoy can no longer be taken for granted, Very Rev. T. W. Jones, of Calvary United Church, Westmount, told the Key Club of Montreal West High School and the St. George Kiwanis Club of Montreal Tuesday in the Queen's Hotel. He said that civilization was being tested as never before in history.

Dr. Jones said that Christian people could not be indifferent to the forces that threaten to disrupt home and family life, and they should not only make themselves aware of such forces but also seek to impress upon all people the need for constant vigilance. He said also that the open door of the school house was a guarantee of freedom, for truth sets men free from ignorance. The State must help in the high task of making it possible for every child to receive a good education, he added. Most of all the Church was the great bulwark of freedom for the individual and for society.

WESTMOUNT AGAIN LEADS IN CIVIL DEFENCE

Vital Role Citizens Can Play To Be Explained at Public Meeting

Westmount which was the first municipality in the Metropolitan area of Montreal, to appoint a full time director of civil defence has again taken the lead in calling a public meeting to be held in Victoria Hall on Thursday, April 5, at which an advisory council and a chief warden for the City will be appointed.

Citizens will be informed by Mayor Cameron of the steps taken to date, and will also be advised of what is expected of each and every resident of Westmount as his or her personal contribution to civil defence protection.

It is fitting that the meeting next Thursday should be under the auspices of Westmount Municipal Association, as good leadership is a first essential to the success of any civil defence effort.

Within the ranks of the Association there are many men and women well qualified to lend a hand in the planning and organization of a civil defence force.

The armed defence of Canada calls for the services of young men physically fit in every respect. Civil Defence is the responsibility of all citizens, men and women, who are not eligible for the armed services.

The aim of civil defence is to organize, train, and equip, a sufficient number of citizens to withstand and minimize the effects of an enemy attack on any of our towns and cities.

In the past it has been necessary for the enemy to beat our armed forces before any threat could be made upon the civil population. Today aircraft has made it possible to bomb the civil population long before the armed forces are even ready or in a position to engage the enemy.

Civil defence is therefore a very definite

part of the overall national defence program of Canada.

Service in the civil defence force is actually one of self preservation, as in serving for the good of the whole community, the individual serves his or her own personal interest.

First steps to be taken are planning, organization, recruiting and training, and the provision of the necessary requirements to meet disaster.

* * *

The result of any great disaster or attack on centres of population will be followed by distress and hardship for multitudes of citizens. Trained social service workers will be called upon to bolster morale in such circumstances.

The agreement by municipalities belonging to the Montreal Metropolitan Commission, of which Westmount is a member, to pool their resources in the event of any one of them suffering from attack or disaster is reassuring.

Good leadership will be necessary at all levels to meet disaster such as may occur, after an enemy attack using weapons aimed to paralyze civilian efforts such as the atomic bomb, nerve gasses, explosives, etc., therefore great care must be taken in selecting leaders.

* * *

In the Second World War, the Civilian Protection Committee, later renamed the Civil Defence Corps, started off with a great show of enthusiasm and members of the organization attended training courses with great regularity and became reasonably proficient in the work they would be called on to do in the event of an attack.

Then followed the difficult period, that of trying to hold the interest of the members after they had been trained.

One common complaint heard in Westmount and elsewhere on the Island of Montreal was that too much emphasis was placed on military drill.

This then is where leadership will be on trial and where strong personality will perhaps be of more value than battle experience.

However, finding suitable leaders in Westmount should be less difficult than in most localities, as there is an abundance of trained ex-armed forces officers residing here as well as some of the nation's top flight business executives.

* * *

It is hoped that Victoria Hall will be filled to capacity on Thursday evening to listen to the various speakers and learn something of the part the citizen of Westmount is expected to play in Civil Defence.

Good citizenship demands your presence.

Westmount Baptist

A Post-Easter Communion Service will be observed in Westmount Baptist Church Sunday morning. Dr. J. A. Johnston will preach. New members will be welcomed into the fellowship. It is expected that this gathering, which immediately follows our Lord's Passion and Resurrection, will be largely attended.

Twelve Young Men and Women, representing the Young People's Union of the Church, will carry the evening service as a Youth Platform of Christian Witness. A special feature of the program will be a Song Service, which will begin at 7.15.

On Thursday evening of this week Westmount Baptist will be hosts to the Chapel Choir of Wheaton College, Wheaton, Ill. This ensemble is composed of fully 40 voices and has earned for itself extensive recognition throughout the Country as a Choral Organization of outstanding ability.

Supper will be provided by the men of the Congregation, through the Social Committee of the Women's Association, on Thursday evening at 6 o'clock.

Westmount Park Emmanuel

In Westmount Park-Emmanuel Church, next Sunday, Dr. Campbell, will preach at both services, which will be broadcast. The morning theme will deal with Peter's great statement about Jesus, "He could not be holden of Death." And in the evening, the sermon will deal with the theme, "Eight days Later."

The Sunday Night Group will meet after the evening service.

The Ladies' Book Club will meet on Monday evening. Mrs. short books -- "Joy Street", by Walter Scott will review two Frances Parkinson Keyes, and "Morning Journey" by James Hilton.

The Women's Association will hold a Musicales and Sale of Work in Webster Hall Tuesday, April 10.

Association Hears Report, Talk On Mentally Retarded Children

At the first public meeting of the Association for the Help of Mentally Retarded Children, held recently in the auditorium of the Victoria School, 1822 St. Luke Street, the attendance showed a substantial increase in number over those attending the organizational meeting held some two months previously.

Mrs. M. L. Wollock, chairman, brought the listeners up to date on the goals and objectives of the Association. Among these are education of parents, and in turn, education of the public, early diagnosis, treatment, training and play, and residential facilities, preventive research, teacher training.

Mr. L. H. Hall, the association's secretary, reported on the activities of the steering committee, which meets bi-weekly. In addition to reports already submitted, Mr. Hall told the assembly of the acceptance by Mrs. C. M. Dupuis of the post of corresponding secretary, and of Mrs. H. Wiener, as head of the Ways and Means Committee, assisted by Mrs. A. S. Noad and Mrs. J. Phelan.

Mrs. Wollock explained the use of membership blanks issued to those present, and solicited suggestions and constructive criticism.

Mr. A. S. Noad introduced the guest speaker, Gerard Barbeau, Professor of Psychology at the University of Montreal, Director of Mont Providence in Riviere des Prairies, Technical Director for the preparation of teachers for the Mentally Retarded at Jacques Cartier Normal School, and Technical Director of the Pedagogical Institute in Westmount.

The speaker outlined the history of Mental Deficiency and illness through the centuries. In a very frank and sympathetic manner, he told parents and friends of the training possibilities of backward young people, and of the new concept of their contribution to the society in which they live. Mr. Barbeau was able to describe from his personal visits and studies, the various methods and achievements of Schools and Colonies, and he stressed several points of action: to educate the public; educate parents and relatives, and make related pamphlets, books, etc., available to them; teach acceptance and understandings of the retarded child; train teachers—to recognize and to train these children, and to use available public facilities to test and guide children, when in doubt.

Mrs. J. M. Purcell To Represent Oral Club In Debating Contest

The annual meeting of the Oral Club was held on Monday evening in the St. Ignace Bourget School. The president, Miss B. Donald, reported that the Club had had a successful season under the instructorship of Mrs. Franco Consiglio. Among the highlights of the course given in public speaking was a round-table conference and a magazine-of-the-air. The president also reported that Mrs. J. M. Purcell would represent the Oral Club in the public speaking contest of the women's division of the Montreal Debating League to be held in April.

In the election of officers for the forthcoming season which followed, these were: Miss Eva Mitchell, president; Mrs. A. W. Paquin, vice-president; Miss B. Donald, immediate past president; Mrs. C. J. Kerlin, secretary; Mrs. J. J. Kelly, treasurer; Miss I. Boudreau, membership; and Miss Z. M. Reicker, publicity.

Homeopathic Auxiliary Receives Proceeds Of Speirs-Miller Show

At the monthly meeting of the Woman's Auxiliary of the Homeo-pathic Hospital, held recently in the A. R. Griffith Memorial Hall, Mrs. C. N. Knowles presided and reports were presented by the treasurer, Mrs. Gordon F. J. Glass, and various conveners of com-mittees. Mrs. C.R. Bronsdon, mem-bership secretary introduced the names of five new members who were welcomed by the president to the auxiliary.

In tribute to the long record of service to and support of the aux-iliary life memberships were be-stowed on Miss Laura Jenkin and Mrs. M. D. Cushing.

Mrs. Betty Speirs Miller at-tended the meeting and present-ed a report on the fashion show recently held under the auspices of the Speirs Miller Studic pro-ceeds from which were donated to the Woman's Auxiliary. A cheque for \$147. was handed by Mrs. Miller to the president and the grateful thanks of the mem-bers were accorded Mr. and Mrs. Peter Miller for their splendid ef-forts on behalf of the Homeo-pathic Hospital.

A motion to improve the fur-

nishings of the graduate nurses sitting room was carried, and it was decided to purchase a rug, drapes, cushions and overthrows at an approximate cost of \$300.00.

Fashions in Living Interesting Exhibit At Perfection Rug

"The first rug known to man-kind, woven of silk, silver and gold, and studded with precious stones, was valued at seven hundred and fifty thousand dollars," said Mr. Yaphe of Perfection Rug Com-pany on Tuesday, at the press preview of Perfection Rug Com-pany's "Fashions and Furnishings Through the Ages" . . . an exhibit of rooms, rugs and costumes of today and yesterday. "As you can see," Mr. Yaphe continued the price of carpeting has dropped considerably through the ages."

On exhibit are settings of the Elizabethan era, the Louis Quinze period and the sombre mood of the Victorian Age. And, of course, there are modern interiors . . . compact, utilitarian furnishings, mural-like draperies and carved broadloom. Then, there's the Nylon Age, showing nylon broadloom which is still, generally speaking, out of reach of most people.

Another display shows how car-peting is made, how the wool from the sheep is spun, woven and pro-cessed into beautiful broadloom as we know it today.

"Fashions and Furnishings Through the Ages" opened yester-day to the public and will be on view till Saturday, March 31, at the Perfection Rug Company on Stanley Street.

Blue Goose Aux. Arrange Party For Members' Day, List Donations

Members' Day of the Blue Goose Ladies' Auxiliary will be held on Wednesday, April 4, at 2.15 p.m., in the Brittany Room at the Mount Royal Hotel, when members and prospective members will be afforded an opportunity to meet in common interest.

Wives of recently initiated members of the Honorable Order of the Blue Goose, Quebec Pond, who are interested in joining the auxiliary, are cordially invited to be present at this meeting. Mrs. Alex. Avery, membership secretary, will be prepared to enroll new members.

Under the general convenership of Mrs. Chas. H. Wood and Mrs. LeBaron LeBlanc, a "Court Whist" has been arranged for those who desire to participate. Tea will be served at four o'clock, and prizes distributed. Mrs. J. J. Bonhomme, hospitality chairman, will supervise tea arrangements.

The president of the auxiliary, Mrs. Benoit Bertrand, will receive the guests and introduce new members, assisted by the vice-presidents Mrs. P. J. Ryan and Mrs. J. Hubert Lesperance, and the conveners Mrs. Wood and Mrs. LeBlanc.

Donations Voted

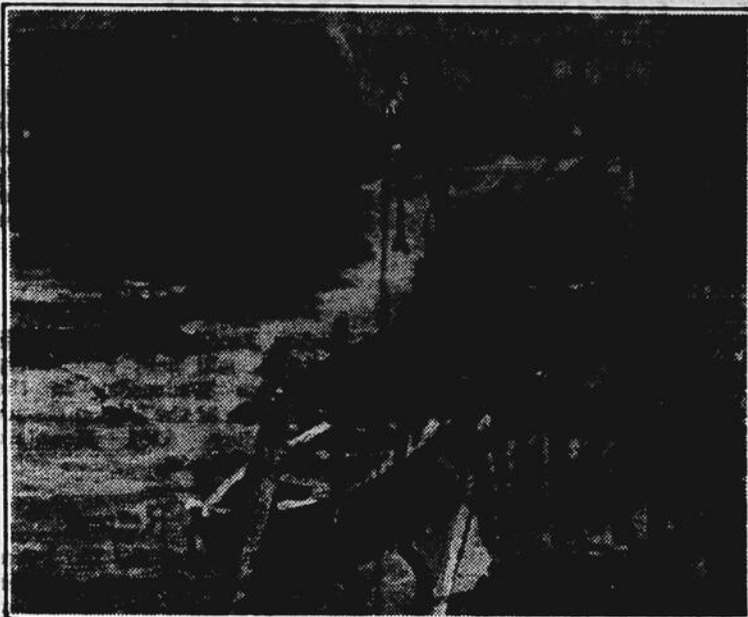

At a recent executive meeting, it was voted that proceeds from the Blue Goose Seventh Anniversary Card Party be distributed as follows:

\$400 to School for Crippled Children to purchase moveable beds for use at their new summer camp; \$50 to be sent to the "Star" Fresh-Air Fund; L'Oeuvre de la Soupe, \$50; MacKay Institute for Deaf Children, \$25; Petites Soeurs de L'Assomption, \$25, also approx. \$100 to be spent for the purchase of sun lamps required for arthritis sufferers in the home for the aged operated by the Little Sisters of the Poor on Seigneurs Street; \$25 to the Milk Fund, and 150 lbs. of Preserves which have already been delivered to the Franciscan Fathers on Dorchester Street to make sandwiches for distribution to the needy.

Annual Meeting

The annual meeting and tea will take place on Wednesday, April 25, at 2.30 p.m., in Salon "T", at the Mount Royal Hotel, when officers for the forthcoming season will be elected.

West End Artist's Work Now On View

A quiet Nova Scotian scene, "Cleaning Fish—Peggy's Cove", the above painting is from an exhibition of the works of Betty Galbraith-Cornell, which opened yesterday at the West End Art Gallery, Sherbrooke St., and continues for two weeks. Mrs. E. D. Cornell in private life, the artist is a resident of Metcalfe Avenue, Westmount. She studied in Montreal and has had several group and one-woman exhibitions here. Besides her landscapes, she does portraits, specializing in those of children. The present exhibition will include subjects from her many trips to Nova Scotia, Gaspé, and the Quebec countryside, as well as views of the city of Montreal.

Here's a new recipe using Rome Beauty cooking apples.

Apple Pie (Serves 6)

One recipe plain pastry (enough to make a two-crust pie), 6 Rome Beauty apples, 1/2 cup firmly packed brown sugar, 1/4 cup granulated sugar, 1/2 teaspoon nutmeg or cinnamon, 1/2 teaspoon grated lemon rind, 1/4 teaspoon salt, 2 tablespoons butter.

Line 9-inch pie pan with one-half the pastry, and fill with apples pared and sliced; sprinkle with mixture of sugar, spices, salt and lemon rind; dot with butter. Moisten edge of crust, cover with top crust and press edges together. Brush crust with milk. Bake in hot oven (450 degrees F.) for 10 minutes; reduce heat to moderate (350 degrees F.) and bake for 45 to 50 minutes. Garnish with 6 small hearts cut out with cookie cutter or sharp knife from thinly sliced cheese arranged in circle on top of crust.

Pork is another American favorite. So take a look at this unusual recipe.

Sweet-Sour Pork (Serves 4)

One pound lean pork shoulder, fat, salt, pepper, 1 cup bouillon, 2 medium-sized green peppers, 3 tablespoons chopped onion, 4 slices canned pineapple, 3 tablespoons cornstarch, 1/4 cup sugar, 1/4 cup vinegar, 2 teaspoons soy sauce, 1/2 cup pineapple syrup (from canned pineapple), 4 cups boiled rice.

Heat a little fat in a skillet and in it thoroughly brown the pork which has been cut in 1/2-inch cubes. Sprinkle well with salt and pepper. Add bouillon and cook, covered, over low heat for 20 minutes. Cut green peppers into 1-inch pieces and add; also add onions and pineapple slices cut into eighths. Cook another 10 minutes. Blend cornstarch with sugar, vinegar, soy sauce and pineapple syrup and add to mixture. Stir constantly until thickened. Cook 5 minutes longer, and add extra salt and pepper, if necessary. Serve in individual rice rings, or nests of boiled rice. For a buffet supper party, use one large bed of rice.

Conveners Are Named For Homoeopathic Aux. Annual Spring Bridge

The Annual Spring Bridge will be held on Tuesday, April 24 at 2.30 in the afternoon, at Trinity Memorial Hall, by the Woman's Auxiliary of the Homoeopathic Hospital.

The conveners are Mrs. Alex Smith and Mrs. Sydney P. Hill, and the refreshments will be in the hands of Mrs. E. W. Hunt and Mrs. H. Fetterly. Mrs. H. A. Holland and Mrs. R. S. Adrian will be in charge of the candy bar, and Mrs. W. G. Mitchell is convener for door prizes.

The ticket committee consists of Mrs. C. N. Knowles, president of the Auxiliary, Mrs. Sydney Hill, Mesdames, R. B. Hamilton, Geo. Leroux, M. Coyle, A. J. Goodenough, E. A. Rice, F. A. Smith, P. R. Aldred, T. E. Heron, Wm. G. Mitchell, M. Stoker, R. Jefferson, H. Fetterly, W. Hunt, H. A. Holland, W. Pirrie, E. D. Johnson, C. R. Bronson, W. Hatch, Gordon Glass, D. Drake, Geo. S. Morgan, H. Greaves, H. Thompson, E. M. Crawford, and Alex Smith. Mrs. George Mallinson is in charge of publicity.

In making punch, the wine and fruit juice should be mixed at least three hours before serving, during which time their flavors are sufficiently blended.

C. A. C. Reports

... on Their Milk Probs ...

During recent months, quite a lot has appeared in the newspapers concerning the question of combines and the injury which they can cause to the buying public. Just what is a combine? It is an agreement by several producers of the same article to sell these articles at a price common to them all, and even when the level of profits would justify a lowering of the price. The net result is that the ordinary consumer who buys these articles does not get the benefit of buying in a free market.

The Government of Canada has certain laws against combines, but some quite legal agreements resemble combines so closely, that the mere consumer cannot see why they are considered fair practice. The Canadian Association of Consumers has brought the above facts to its members in some of its recent newsletters. Foremost among the seemingly legal "Combines" whose actions affect the consumer, are the Dairy Boards of the various Provinces. These Boards set the price at which milk may be sold in their own provinces and they are composed of representatives of the Milk Producers (the farmers) and the distributors (the dairies) with a government appointed chairman. Now milk is one food, essential to growth and health, for which there is no substitute. When most goods get too high in price, the average homemaker uses her ingenuity to find and buy a cheaper article. With milk alone, she cannot do this. Your reporter understands that it is the invariable rule, experienced by every one of the milk distributors in Montreal and elsewhere, that when milk prices increased, each increase brings a decline in consumption. This cut in the use of an essential food will eventually be reflected in the health of the people.

There have been some very curious results in certain provinces from actions of their Dairy Boards. For example, in one Province, a chain store system found a way to sell milk far below the current price fixed by the Provincial Board, pay more to the dairy farmer and still show a Board ordered them to discontinue good profit. Yet the Provincial this method of selling milk, because it would be unfair to the other less efficient milk vendors. Apparently fairness to the consumers did not enter into the picture. In another province a group of dairy farmers formed a trucking co-operative that cut the cost of milk deliveries. Here also the Provincial Board stepped in and refused permission to operate.

A Fair Deal For All

The Canadian Association of Consumers believes in a fair deal for all—and in the end everybody in Canada is a consumer. C.A.C. wants the farmer to be satisfied with the yield from his dairy herds, for these herds are vital to the health and prosperity of the country. C.A.C. also stands for fair practice in business and for their fair rewards to those in the business of delivering milk. But in both the provinces in which the above incidents took place, C.A.C. is fighting hard to get Consumer Representation on those Dairy Boards. The present make-up of the Boards is equivalent to having a representative of government and a representative of only one side in a labor dispute, sitting down to arbitrate without the vitally-interested third party. The Canadian Association of Consumers believes that the homemaker is the vitally interested third party in this matter of milk costs. Surely the limit of human contrivance has not been reached with the establishment of these boards; they alone cannot hold all the answers to the problem? Why not a Consumer Representative to bring a new approach to this problem of getting milk from the farm to the home? So C.A.C. wants a Consumer Representative on the Dairy Board of the Province of Quebec, but a much larger membership in this Province is needed before results such as this can be achieved. If you would like to see your views on this and other consumer matters brought to the right places, then send your membership fee (fifty cents a year) to the Provincial Treasurer, Mrs. E. K. Larsen, 4593 Hingston Avenue, N.D.G. You will be adding strength to a Consumer Voice which will speak for you.

Philanthropic Work of D.O.N. Reported at Annual Meeting

Co-operation of the Daughters of the Nile, Oasis Temple No. 46, Montreal, in efforts supporting the Shriners' Hospital for Crippled Children was indicated in the year's summary presented at the annual meeting held recently in Victoria Hall, Westmount, with Mrs. J. W. Dawes presiding.

Mrs. Wm. Houston, Orthopaedic chairman, reported that over 108 articles, including beadspreads, girls' dresses, nighties, hot water bottle covers, socks, caps, etc., had been donated to the hospital this past year. Parties for the children, at such feast days as Easter, Valentine and Hallowe'en had been arranged by the children, the Valentine Party being arranged by the Past Queen's Club No. 3.

Mrs. Ann Hulin was chairman of the Regalia Making and during the past year, over twenty five new pieces of regalia had been made in the Nile colours of green, white and yellow.

The daughters of the Nile in Montreal also contributed to the All Masons' Hospital Fund which helps defray expenses of the dental clinic, the occupational therapy room and the school room, also provides follow-up service for the children after they leave the hospital.

A contribution was also made to the Convalescent Relief Fund, through which it has been possible

to assist many crippled children of the out-patient's department by the purchasing of boots, cod liver oil, braces, supports, etc. This past year donations were also sent to the Winnipeg Relief Fund and the Rimouski Fire Victims Fund from Oasis Temple. At the suggestion of Mrs. J. W. Davies this year a Benevolent Fund has been started to which amounts will be added yearly.

It was unanimously voted at this meeting to present a sizeable cheque to the Shriners' Hospital for the purchasing of a Stryker Cast Cutter.

The following Line officers were elected: Jr. Past Queen, Mrs. J. W. Davies; Queen, Mrs. R. M. Bell; Pr. Royal, Mrs. David McGruer; Pr. Tirzah, Mrs. Helen Morgan; Pr. Badoura, Mrs. Jean Wood; Recorder, Mrs. Edna Tryhorn and Banker, Mrs. J. D. Clements. The installation of officers for the new year will be held in Victoria Hall, Westmount, Saturday evening, April 7, at 8.15 p.m.

American Club Groups Report Success of Year's Projects

Mrs. George G. Wakeman, retiring president, presided over the annual meeting of the American Women's Club held yesterday in the Ritz Carlton Hotel. All reports presented showed that the club year had been a busy one with activities of many kinds receiving the enthusiastic support of the membership.

Chairman of the finance committee, the treasurer, Mrs. Claude R. Blake, told of donations to the Local Council of Women, the Antiquarian and Numismatic Society, and the Canadian Cancer Society. With the club's surplus, three one-hundred-dollar Dominion of Canada Bonds had been purchased to add to the fund which is set aside to secure the financial stability of the club.

Mrs. Wm. Pead reported as chairman of the social service and post war departments that \$1,145 had been given in donations this year. The social service department had given \$815 to various groups and the post war department, \$330.

Club groups flourished, Miss Edna F. Martin, groups chairman, said in giving her report. The play reading group has made a study of famous ancient and modern plays about women with the help of their director, Mr. George Agar. The three book groups have been reading current biography as well as fiction; the persuasive speech group under the direction of Mrs. Franco Consiglio has combined the theory and practise of public speaking with a study of Parliamentary procedure; the hobby group has studied clay modelling, glove making, and the remodeling and making of hats in addition to making the decorations for the Christmas Toy Tea. The Play Better Bridge Group has been studying with Mrs. Joan M. Bayer as instructor; and the Marathon bridge group has had thirteen tables for each of its six meetings. At their closing luncheon in May, the money collected in fees this year will be turned over to the social service group.

The rummage sale, under the chairmanship of Mrs. H. H. Remine, and the annual bridge, of which Mrs. H. A. Sweeney was chairman, again provided the major proportion of the funds.

Mrs. Hector Campbell was in charge of sewing this year. The group made 13 bedjackets which were sent to the veterans at St. Hyacinthe, a number of articles of baby's clothing which were given to a D. P. mother, and 20 layettes distributed, comprising 540 articles of clothing and 80 toilet articles.

In concluding her report, Mrs. Pead said that the sewing group expected to meet next Fall in the new Y.W.C.A. building instead of in Channing Hall.

Mrs. F. E. Holland, program chairman, said that the 14 programs had been planned with a view to giving the club a year that was varied and had international scope. The speakers and programs have touched on the fields of home making, art, literature, the theatre, fashion and beauty.

The membership chairman, Mrs. J. F. Scandrett, reported that 15 new members had joined the club this year and had been welcomed at a New Members Tea on March 15.

The post war department devoted most of its attention to the St. Hyacinthe Veteran's Hospital. Three parties were held, and each time gifts of cigarette tobacco, playing cards, candy, and reading matter were left with the men. At Christmas boxes were sent to 13 chosen veterans.

Mrs. S. A. Macdonald, chairman of the Children's Library Committee, said that five new books have been added to the American Women's Club Book Shelf started three years ago. Reports were also given by the chairmen of standing committees: courtesy, Mrs. John F. McIntosh; hospitality, Mrs. F. G. McArthur; Montreal Council Representative, Mrs. Ray E. Powell; music, Mrs. Perry Preising; press, Mrs. J. C. Westaway; printing, Mrs. George J. Wood; reception, Mrs. Slayton; telephone, Mrs. J. B. Murphy;

tickets, Mrs. W. G. Penfield; visiting, Mrs. L. McCoy; and chairman of Toy Tea, Mrs. R. H. Benedict.

Offices Elected

The slate of officers presented by the chairman of the nominating committee, Mrs. Seth C. H. Taylor, at a previous meeting was unanimously approved and elected.

Officers named were: honorary president, Mrs. George G. Wakeman; president, Mrs. James B. White; first vice-president, Mrs. Ray E. Powell; second vice-presi-

dent, Mrs. Alan Chippindale; recording secretary, Mrs. F. D. Ackman; corresponding secretary, Mrs. J. C. Westaway; treasurer, Mrs. Claude R. Blake. Chairman of committees: membership, Mrs. J. F. Scandrett; music, Mrs. Perry Preising; reception, Mrs. Alan Slayton; program, Mrs. F. E. Holland; hospitality, Mrs. F. G. McArthur; social service, Mrs. Wm. Pead; groups, Miss Edna F. Martin; visiting, Mrs. W. V. Adams; courtesy, Mrs. J. F. McIntosh; press, Mrs. Aubrey D. Hunt; tickets, Mrs. W. G. Penfield; printing, Mrs. Joan M. Bayer; telephone, Mrs. G. M. Hawthorne.

Quebec Has Fixed Daylight Saving Time This Summer

The uncertainty which prevailed early in the season last year in Westmount and Montreal, over daylight saving time will not occur this year.

Minister of Municipal Affairs Dussault, of the Provincial Government at Quebec, has set the dates for daylight saving in the province with the commencing date being April 29 and terminating date September 30.

It will be recalled that last year daylight saving time was extended to the end of October.

Municipalities, however, will rule through their councils whether they want daylight saving time or not, the minister approval.

Previously, municipalities set their own dates for the start and end of daylight time, subject to the ministers approval.

The minister said he set the uniform date after receiving representations from the Quebec Union of County Councils and the Montreal Chamber of Commerce.

It is understood that an official announcement by the City of light saving time will be issued in Westmount on the subject of daylight saving time will be issued in the near future.

Memorial Chimes Are Presented At Service

On Sunday a set of Mass chimes were presented to the church by the sons and daughters of the late Mr. and Mrs. Arthur Jones, who were charter members of the Westmount Baptist congregation. Arthur Reginald Jones, eldest son, unveiled the gift, which was received by Dr. Johnston, who offered the dedication prayer. The family was also represented at the service by Mrs. Roy Walker of St. Lambert, and Mrs. Ewart Hinds of Westmount.

Walter Norman Jones of Chicago and Rev. J. Gordon Jones, O.B.E., minister of First Baptist Church, Calgary, Alta., participated.

The chimes are electronically equipped so that when amplified, they may be heard by the Community.

Christian Science

"Reality" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientists, on Sunday. The Golden Text is from James 1:17, "Every good gift and every perfect gift is from above, and cometh down from the Father of Lights, with whom is no variableness, neither shadow of turning."

Among the citations which comprise the Lesson-Sermon is the following from the Bible:—"And there sat a certain man at Lystra, impotent in his feet, being a cripple from his mother's womb, who never had walked: The same heard Paul speak: who steadfastly beholding him, and perceiving that he had faith to be healed, said with a loud voice, Stand upright on thy feet. And he leaped and walked." (Acts 14: 8 to 10.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science & Health with Key to the Scriptures" by Mary Baker Eddy:—"Rise in the strength of Spirit to resist all that is unlike good. God has made man capable of this, and nothing can vitiate the ability and power divinely bestowed on man. Reality is spiritual, harmonious, immutable, immortal, divine eternal."

viet menace was another evidence of Canada and the U.S. standing together.

"It is," he said, "the strength of the British Commonwealth and the United States which deters the Soviet from conquest. The stronger we become the stronger the deterrent."

Mr. Garfield concluded by underlining the part Rotary could play by helping to strengthen the free world and strengthening the individual. Rotary's biggest part, he thought, was in the latter. He said, "If we get the man right we will get the world right."

Jack Goth, another Rotary Foundation Fellowship student at McGill was also introduced. The guest speaker was introduced by Walter Murray. Visiting Rotarians were introduced and welcomed by J. B. Burrows.

ST. MATTHIAS PACK VISITED

By Rev. Canon Olliver

Last Friday, being Good Friday, no meeting was held. The week before this, the Pack had a visit from the St. Matthias Group Committee who came to watch the program and see how things were carried out.

The Pack also had a visit from the chaplain, Rev. Canon Olliver, who spoke to the Cubs about Easter.

There were a couple of First Star tests passed and Ray Lawson completed his skipping which gives him his First Star and he will be presented with it tonight.

Tonight will be an open meeting with an interesting program. For

the next few weeks the Pack will be getting in some practice for the Parents Night it is hoped to hold in late April or early May.

Tops in Entertainment at Monkland

Betty Hutton and Fred Astaire sing and dance the sensational "Oh Them Dudes" number in this colorful scene from Paramount's fun-packed Technicolor musical "Let's Dance," which starts at the Monkland Theatre Saturday till Tuesday. Robert Taylor, in the unusual role of a full-blooded Indian, and Paula Raymond, fast-rising M-G-M newcomer, share the romantic interest in "Devil's Doorway," the second feature. The picture was filmed on location against awe-inspiring backgrounds of the Colorado Rockies.

Hutton, Astaire - Robert Taylor Star in Big Hit Show at Monkland

The top musical hit of the 1950 movie season is Paramount's song, dance and romance splashed Technicolor extravaganza, "Let's Dance," which starts Saturday until Tuesday at the Monkland Theatre. Starring Betty Hutton with the incomparable Fred Astaire, the picture is jam-packed with eye and ear-pleasing entertainment.

Studded with six catchy tunes by Frank Loesser, including the already popular "Why Fight the Feeling," the picture is a perfect showcase for the exciting talents of Miss Hutton and Astaire. Both are in top form, and several times the audience broke into spontaneous applause when they finished one of their spectacular dance routines.

An exception to most musicals, "Let's Dance" has a fast-paced, believable story to go with its songs and patter. Astaire plays a hooper who yearns for the day when he can retire and become a big-shot promoter, while Miss Hutton is seen as his partner who marries a Boston blue-blood. After he is killed in the war, she runs away to New York with her son and gets back into show business. When her inlaws attempt to take the child away from her, Astaire steps in and resumes his dancing career with Betty as his partner

— for life. Excellent supporting performances are turned in by Roland Young, Ruth Warrick, Lucile Watson and Gregory Moffett, a six-year-old youngster who almost steals the picture. Barton MacLane and Shepperd Strudwick also contribute fine portrayals.

Among the Frank Loesser songs in the picture are "Oh Them Dudes," sung and danced brilliantly by Miss Hutton and Astaire, "Can't Stop Talking," "Tunnel of Love," "The Hyacinth" and "Jack and the Beanstalk."

Knowingly directed by Norman Z. McLeod who kept the action fast-paced, "Let's Dance" is sheer entertainment from start to finish. And you can look for a repeat performance from Miss Hutton and Astaire in a future picture, if Paramount is interested in big box-office grosses.

Produced by Robert Fellows, "Let's Dance" was written for the screen by Allan Scott with additional dialogue by Dane Lusnier.

SECOND FEATURE

Keeping a firm hold on stardom for fifteen years would argue an above-average share of luck or an acute sense of "story." Robert Taylor, who emerged from Pomona College and obscurity in 1934, admits to the luck but disclaims any particular analytical story sense, a modesty belied by his roles in such out-of-the-ordinary-

Fran Warren At Seville Theatre

On Thursday, March 29, the Seville Theatre will present Fran Warren co-featured with popular recording artists Bob Hannon and Johnnie Ryan and starring T.V. comedian Harry Savoy.

Established as the Number One Girl Singer on the R.C.A. Victor Label plus the fact that she resembles a combination of Rita Hayworth and Susan Hayward, makes it easy to see why Fran Warren is destined for stardom.

On television she was a sensation on both the Milton Berle and Ed Sullivan television shows, thus prompting the famous columnist to become another of her powerful rooters. She was a big hit in her first Broadway showing as the singing lead in Mike Todd's musical smash "As The Girls Go" starring Bobby Clark. She has been a regular feature on important coast-to-coast radio programs such as the Vaughn Monroe Show, "Sing It Again" and The Henry Morgan Show.

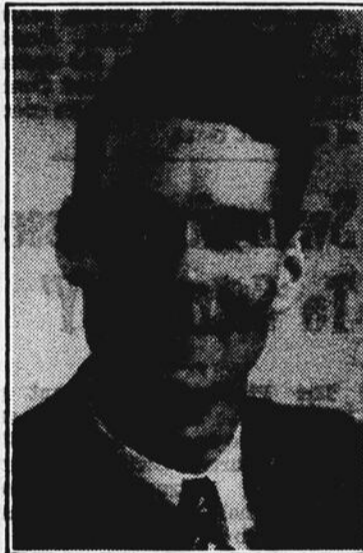

With this versatility and her wonderful singing range which finds her capable of singing ballads, torch songs and rhythm tunes with equal facility, Fran Warren is branded with greatness. She has a voice that is at once wistfully poignant and tinged with a glowing intensity of feeling.

run motion pictures as "Johnny Eager," "High Wall," "Undercurrent" and "Conspirator."

"As far as I am concerned," says Taylor, "a story should be believable but based on something different from the run-of-the-mill fictional plots. However, I don't pick 'em. As Spencer Tracy once said, I just act 'em!"

On the other hand, it seems that the star did pick his latest vehicle, M-G-M's realistic outdoor drama, "Devil's Doorway," in which he is seen in the unusual role of a Shoshone Indian.

Technicolor Musical Heads Bill Starting at Westmount Sunday

"The Toast of New Orleans," which starts Sunday at the Westmount Theatre, has fashioned a vehicle for the second appearance of Kathryn Grayson and Mario Lanza, who created a smashing success together as the singing sweethearts of "That Midnight Kiss." The new Technicolor musical also stars David Niven in a romantic triangle involving a glamorous opera star, her manager and an uninhibited fisherman of the Louisiana Cajun country.

Miss Grayson, of course, is Suzette, the opera star; Lanza, Pepe the singing fisherman; and Niven, Jacques, the impresario who persuades Pepe to train for a career with the New Orleans opera. Together with his disgusted Uncle

Nicky (J. Carrol Naish), Pepe gives up the carefree life of a fisherman to become a professional singer and "gentleman."

Tutored in the social graces by Suzette, Pepe gradually loses the natural charm and virility which attracted him to her in the first place, with the result that although he becomes a magnificent opera singer he no longer is a man. It takes the combined efforts of the self-sacrificing Jacques, Uncle Nicky and a couple of Pepe's old Cajun friends to wake up our hero. And in the final scenes, in which he enacts the passionate Naval officer of "Madame Butterfly," Pepe proves to Suzette that he can be both an opera-star and a satisfactory lover.

Canadiens Play Detroit At Forum Tomorrow Night

Canadiens will meet Detroit in the current series "A" playoffs for the Stanley Cup at the Forum on March 31, April 3 and 7. The first two games were played in Detroit who finished in first place

and therefore had the right to play the initial games on their home ice. The sixth and seventh games will be played in Detroit if necessary in the best out of seven tilts.

The winner of the Detroit-Canadien series will play the winner of the Toronto-Boston "B" series in the final.

Westm't Hockey Squad Trounces Hampst'd Champs

Westmount Junior High School hockey team has played two exhibition games with Hampstead Juvenile champions this week, at St. Laurent Arena. Both games were won by Westmount, the first by a 9-8 score and the second by 9 to 4.

In the first game played on Saturday Colin Grimson played in goal for Westmount. Hartly McKeown tallied four of the goals with Mac Ito, Jim Besant, Ross Southward, Skip Warnock and Don Raven getting one each.

In the second game played on Wednesday Coach Ross Rubenstein guarded the nets for W.H.S.

Don Raven and Hartly McKeown got two goals apiece and Bud Agnew, Skip Warnock, Mac Ito, Ross Southward scored one each. Donaldson a borrowed player from L.C.C. counted the other Westmount tally.

Swimming Classes To Start at 'Y'

The Physical Department of Westmount Y.M.C.A. has announced the opening dates for the Annual Learn-to-Swim Campaign. Swimming instructional classes will be held continuously from April 16 to June 22.

In making the announcement, Mr. Errol F. Smith, Chairman of the Physical Committee, stated that in view of the fact so many applicants could not be accommodated previously there will be two complete courses held this year. He also pointed out that the lessons are primarily for non-swimmers—both boys and girls from 6 to 12 years of age.

This is the fifteenth year these courses have been given. They are conducted in an effort to meet the growing need in Westmount to teach youngsters the proper fundamentals of swimming.

Trinity Team Had Impressive Season's Record

Champions of the N.D.G. Loop, the Wolf Cub Team of Trinity Memorial Church, are seen after winning the trophy. Playing a total of 8 games they ran up a score of 85 goals, lost no games and had only four goals scored against them. Recently they played the champions of the Snowdon loop and won that game too. Holding

the trophy are Councillor E. Mundy and coach F. H. Newman. Standing left to right: J. Brace, G. Smith, G. Stuart, R. Burnside, M. Warming-ton, R. Buckley, H. Doyle. Kneeling left to right: Capt. P. Lindsay, K. Bateman, B. Hutchison, B. Boyd, C. Bolton. Missing are J. Morrison and D. Shaw.

R.M.R. Rifle Team Lose Championship By Two Points

The Royal Montreal Regiment's senior rifle team closed out their schedule in the Military Rifle League last Wednesday evening by journeying down to Longue Point to meet the 25 C.O.D. boys.

As the section championship depended on the outcome of this match there was a little more than the usual tension apparent.

The result was in doubt until the last man had fired which in this case was Sergt. George Empe-ningham of 25- C.O.D. Incidentally George was a member of the 1950 Canadian Bisley team which went to England under command of Major Don Macrae of the R.M.R.'s. Sergt. Empe-ningham is an extremely steady and good shot and as expected he shot well and the Longue Point boys won by the narrow margin of two points 484 to 482 for R.M.R.

The R.M.R. scores were: Major Don Macrae 99; Sgt. Major Stan Baines 97; Sgt-Major Herb. Bent 96; Capt. Gordie Suggars and Corpl. Stewart Hamilton each scored 95. Capt. Gordie MacKen-zie was spare man with 93. Sgt. Jimmy O'Shaughnessy couldn't make the trip unfortunately.

Trinity Players To Stage Comedy

Trinity Players' final major offering for the season will be the comedy "George Washington Slept Here" by Moss Hart and George S. Kaufman.

Far from being an historical drama, the play is set in Bucks County, Pennsylvania, and is the story of the greatest mistake that a man can make — that of buying a house without consulting his wife. The history of the house goes back to Revolution days, and it looks every day of its age.

The acid-tongued wife who was not consulted is played by Hazel Molson, and her husband by Harold Kelly. Alf. Redgell is the man of all work, and the love interest is provided by Stella Hopkin and Billy Rice. The play is being directed by Basil Donn, C.D.A., and is now in rehearsal. It will be presented Wednesday to Saturday, the 25th to 28th of April, at Trinity Memorial Church Hall.

Chimes Presented Sunday To Westm't Baptist Church

A set of chimes were dedicated at the morning service on Easter Sunday in Westmount Baptist Church.

The chimes are the gift of the family of the late Mr. and Mrs. Arthur Jones, who were charter members of the congregation.

Y.M.C.A. NOTES

PHYSICAL DEPARTMENT Gymnastic Club

More and more gymnasts are being drawn to the Club for their work-outs and the quality of gymnastics is picking up considerably. The Montreal "Y" team is putting finishing touches on their routines for the coming meet with Ottawa "Y" on the 7th of March. This will be the last meet before the Provincial Championships on April 21.

House League

Bruce Robertson has nosed out in front for the point race in the Saturday afternoon Hit-or-Miss Basketball House League. Robertson's total is now 25, followed by Doug Sellar with 22, Ian McIntosh with 21, and Nelson Creamer and Doug Reed tied with 12 points each. These points are computed on the basis of participation and games won, rather than points scored by the individual during the games.

Women's Swim Instruction

With summer just around the corner, the Friday night group of business girls, nurses, and housewives is growing in size and interest. Greg Titus, Chief Instructor for the periods, pointed out that those wishing to improve their stroke or learn to swim should get into the class as soon as possible.

Boys' and Girls' Learn-to-Swim

The dates have been announced for the Annual Learn-to-Swim Campaign. This year it will get underway much earlier than ever before in an effort to accommodate the over capacity registration which has resulted in previous years. The first course will be starting on Monday, April 16.

BOYS' PHYSICAL

Floor Hockey League

With only two games remaining in the Junior Boys' Floor Hockey League, the Braves are still holding down first place with a total of 166 points, closely followed by the Flyers with 153 points. These two top teams were chosen to represent the League in an exhibition game last night, as one of the features of the Hobby Show. The League will officially close on Saturday, April 7, with two games scheduled — Braves vs. Rockets and Flyers vs. Mohawks.

Basketball Tournament

Last Monday saw an all-day basketball tournament at Westmount "Y", with eight teams representing "Y" Branches all over the City. A double elimination tournament was played, with International "Y" taking top honours and N.D.G. "Y" winning the consolation play-off.

Midget Basketball

The Westmount "Y" Midgets, paced by the sharp-shooting of Randy Brooks, came through with a win over Rothesay Collegiate

School from New Brunswick, in an exhibition game last Tuesday afternoon. The "Y" team netted 36 points to R.C.S.'s 29. Brooks was high man for the winners, with 19 points, while Schofield accounted for 18 of the visitors' points.

YOUNG ADULT SECTION Art Class

All members of the art class journeyed to the Gallery last Wednesday to examine the Indian display. Regular instruction will resume next Wednesday at 8.00 p.m.

Square Dance Callers' Course

A series of six instructional periods on Square Dance calling will begin on Thursday, April 5, at 8.00 p.m. A limited number only can be accepted in the course. Members of the "Y" or community groups interested in learning to "call" are asked to contact the Program Department immediately.

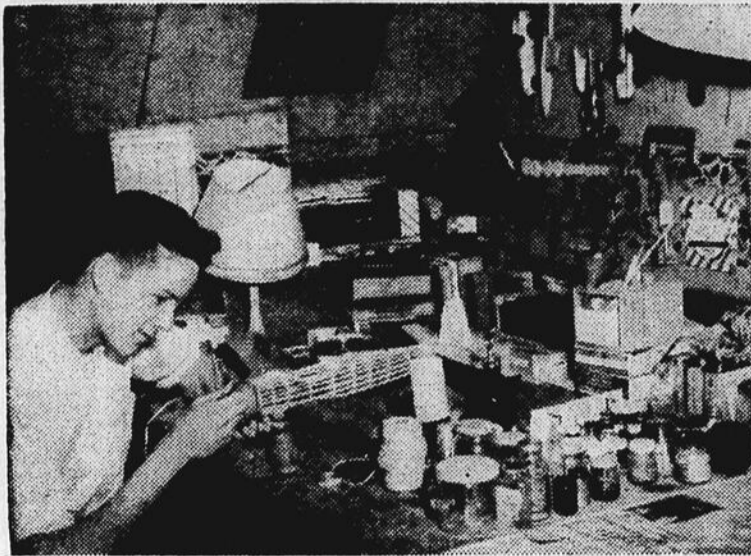

Calvary Cub Pack Resumes Activities on Monday Night

The Calvary Cub Pack will resume its activities on Monday April 2 at 7:00 p.m. All cubs are requested to attend

and any new chums who are 9 years of age and under 11 years are invited to come down sharp at seven o'clock.

Teddy Harrison, John Howard Clark and Hugh McGowan have been promoted to scouts.

Young Canada Shows Enterprise

John Moffitt, 16, of 3733 Westmount Boulevard, is seen in the above picture working on his scale model Ryan Navion which is entered in the Hobby Show which opened on Wednesday night at Westmount "Y". The show this year includes all types of models, photo sections, scrap books, stamp collections and many other hobby pursuits. The show which is well worth a visit will close tomorrow night.

Two Pedestrians Are Hit In Tram Mishaps

Two tram-pedestrian mishaps occurred last week when two people, one waiting for a tram and the other attempting to get aboard, were thrown to the ground.

R. Kirzen, of 492 Grosvenor avenue, was waiting on the Northeast traffic zone at Sherbrooke Street and Victoria Avenue, when he was knocked down by an approaching streetcar.

Police said that apparently Mr. Kirzen was standing too close to the tracks. The conductor, Mr. Z. Lamoureux, told police the injured man was attempting to cross to the South side of Sherbrooke Street and stepped into the tram's path.

Mr. Kirzen suffered only a scratched nose and bruised leg.

The other mishap took place at Sherbrooke Street and Greene Avenue when Miss Vivian Francis, of 2205 St. James Street, was thrown from the step of an East-bound streetcar.

She told police she was boarding the streetcar when two other pedestrians pushed on ahead of her. She was left standing on the step when the vehicle started off.

The conductor, learning she was there, jammed on the brakes throwing Miss Francis down on the road, she reported.

Well, I was finally forced into it! I have been threatening to make a cupboard under the basement stairs to use up some of the waste space but have just delayed doing it. Seeing my neighbor down the street mutilating his shrubs with a "brush cut" reminded me that I still had some pruning of my own to do. After looking in vain in the garage where the shears should have been, a whole hour was wasted poking around in the basement. They finally turned up beneath the watering hose under the steps.

Now that the cupboard is finished there will be two people happy—I'll have one shelf in the basement for garden tools brought indoors and my wife will have extra shelves for her preserves.

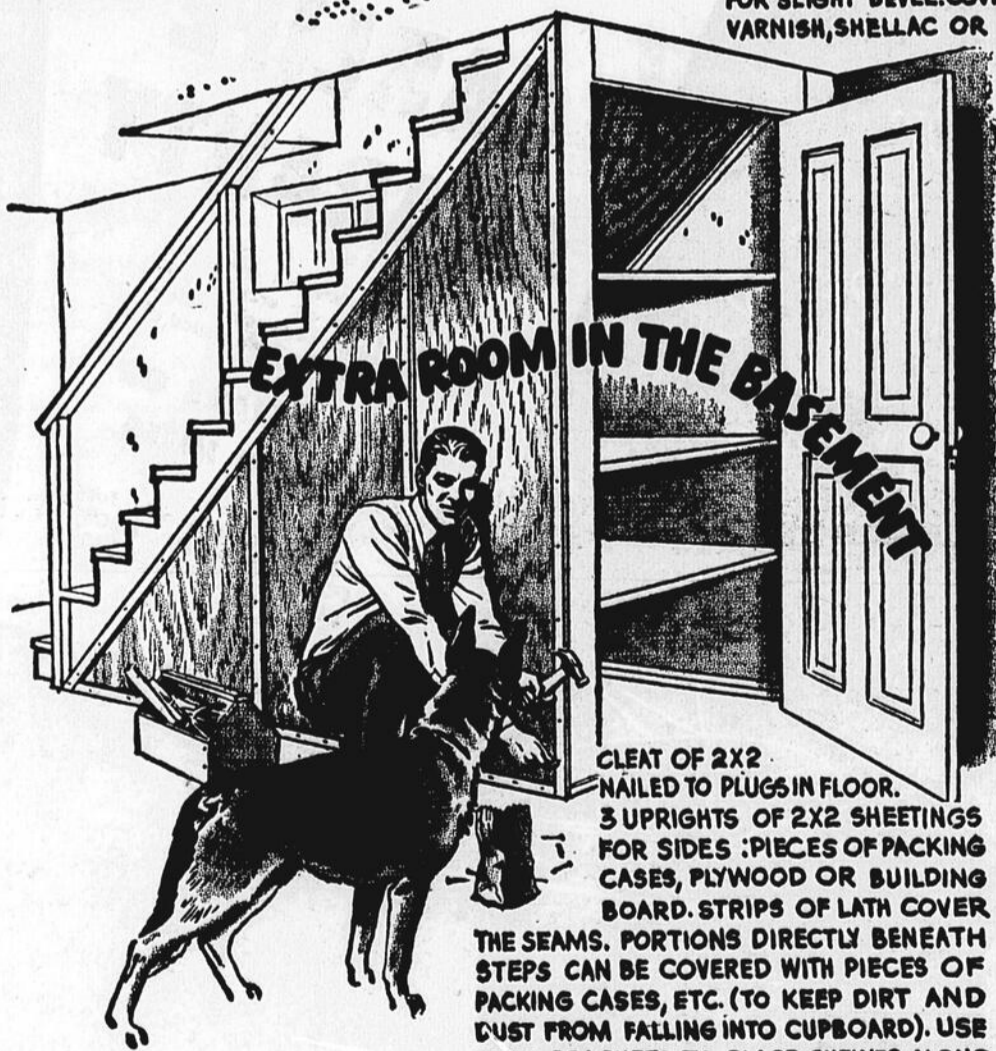

Back to School

I have always wanted one of the old-style commercial desks that used to abound in our secondary schools. Last week I struck "oil"! While visiting a class mate of mine who is now a high school principal, I happened to mention the fact. He didn't say anything immediately but later, as we toured the school, he ushered me into a dark storeroom and said, "Take your pick". There before my eyes were dozens of desks—just the kind I wanted. I went the whole "hog" and managed to crowd three in my car! The first one will be made into a utility table for my den.

Wallpaper to the Rescue

They say the youngest gets away with more than all the rest of the family put together! Maybe it's true. Junior avoided the woodshed after breaking the glass in his mother's serving tray by pointing out the fact the doily was badly stained anyway. It afforded a chance to use an idea I had noticed in a magazine some time ago—using wallpaper on a serving tray. We cleaned and sanded the base of the tray, carefully selected our paper, glued it firmly in place and bought a new glass. Now even mother is glad it was broken.

Let your first big scoop of the year be a flour scoop! It can be easily made from a tin can and, once started, you'll be amazed at the number of useful things you can make from the ordinary little tin can.
