It is no longer an idle dream or boasting to affirm that *Fellowship Hypnotism*, whereby the will of one man can be made to control the will of another, is *united nature's forces*, will strengthen man and make his life not only enduring but happy. I have been successful in my experiments, and I then we recommend when vitality is on the wane, or when the organism becomes enfeebled.

TWO QUESTIONS EASILY ANSWERED.—Why should men wear beards. Because they are great protection to the throat and lungs, and add much to their personal appearance. Why should we wear Dr. Ayer's Medicinal Wafers? Because they are used for coughs, colds, tickling in the throat, hoarseness, &c., they act like charm. Ministers and Lawyers use them; physicians recommend them, and singers and public speakers say they are the very best. Sold by all the medicine dealers, and at 25 cts. per box.

Sold in Quebec by J. Mason & Co. W. Brunet, E. Giroux & Brother, J. E. Banks, McLeod, W. H. LaRoche, J. J. Veldin. at all medicine dealers.
