SHAWVILLE'S MORLEY HODGINS

## Morley Hodgins "Citizen of the Year"

Born in Shawville on April 10, 1906, a son of Mr. and Mrs. R G Hodgins, Morley Hodgins is a 100% Shawville man. His sister, Roberta, is Mrs. Wynn Dickson of Pointe Claire and his brothers Riley and Melvin are in Cornwall and Brockville respectively, but Morley is in Shawville.

Married to the former Edith Caldwell, also of Shawville, they have two sons, Donald and David, both of whom work in the family lumber business here, as does David's wife, the former Sylvia Poisson.

Morley Hodgins Lumber Limited, one of Shawville's most basic industries, is also a major outlet for farm, garden, hardware and builders supplies in town but organizing and managing this enterprise has not prevented Morley from taking an active part in the various boards and councils responsible for the progress of this town for the past many years. On School Boards Morley shouldered tasks which others could not have managed. On the Pontiac Rural Telephone he has seen that company through difficulties and triumphs to come through tremendous growth and meet the challenge of the vastly increased communication needs of today. As a long time member of the Shawville Rotary Club he has been influencial in establishing Pontiac's oldest service club. He is a valued supporter of the Anglican Church.

Less known by his recent acquaintances are the facts that he was a keen hockey player in his own right, many years before he came back to the ice to coach teams in the Minor Hockey Club; and that though his piloting is now confined to powerful Johnson motors on his speed boats and his winter hobby of Snow Cruising, the jolly green Bronco he uses for every day travel and the sleek Thunderbird

### Dagg-Martin reception cancelled

The reception for William Dagg and Sandra Martin which had been planned for Saturday night May 20 has now been cancelled due to a death in the family.

## Centennial trip West for sisters

A 3 week unique family celebration was planned for 1967 by six surviving sisters, daughters of the late Mr. and Mrs. Alex Elliott of Clarendon, when they decided to travel by CNR to visit their only surviving brother Mr. Garfield Elliott of Herschel, Sask on May 2nd.

The sisters are Jennie, Mrs. Wm Webb of Bristol, Margaret, Mrs. Vincent Hodgins, Ida, Mrs. Lester Thacker, Iona, Mrs. Robert Thompson, Shawville, Amy, Mrs. Elmer Brisco of Renfrew and Winnifred, Mrs. Stanley Thacker of Portage du Fort.

The sisters were in the mood for celebrating and were to wear their Centennial costumes of 1867. When a few hours before they were to leave one sister Mrs. Vincent Hodgins became suddenly ill and was taken by ambulance to Civic Hospital where she was in a serious condition. Mrs. Iona Thompson, Mrs. Ida Thacker, Mrs. Amy Brisco and Mrs. Winnifred Thacker decided to continue with their plans while Mrs. Jennie Webb remained to be close to her sister.

A number of their friends accompanied them to Pembroke to wish them "Bon Voyage". A family gathering was held on Friday previous at the home of Mr. and Mrs. Edgar Connolly before their departure. We all join in wishing them a pleasant Centennial journey and safe return. Mrs. Hodgins' condition is improving.

## The time is now for action on the new route

A straight, safe, level, quick route into and out of Pontiac County is the aim of representatives of the Chambers of Commerce of Campbell's Bay, Shawville and Quyon who met Tuesday night in the High School at Shawville. Lloyd Balharrie brought maps which included the highway and a proposed new routing for a new highway. All present examined the new routing and agreed that it made very good sense from every point of view.

The new proposed route will be presented with a supporting brief to the Hon Ray Johnston at an early meeting and he will be asked to carry it forward to the proper authorities in Quebec. Early action on the project is to be the main ingredient of the request.

In considering the new routing, year round tourists and year round commercial traffic as well as day to day local use of the roads are all being given utmost consideration. The safety of every school child has been considered by the group to be just as important as the speed and safety of commercial users of the highway and also the growth and progress of the village of Quyon which, under the proposed plan, will not have its Main Street used as a throughway for every truck entering

Shawville Driving Club

## Harness races at Yarm Saturday

This Saturday, May 20, will be the first of three planned Harness Racing afternoons for the 1967 season at the Shawville Driving Club's Farm at Yarm, Que. Listed here are a few of the horses and owners who will face the starter at 2 pm this Saturday.

Little Sketch from Dr. John Findley's Stable in Arnprior; Josedale Allegro and Rob Ric from Gordon Davidson's Stable in Renfrew; Nibble Blue and Lynden Allen from Forest Lancaster's Stable in Aylmer; M B M and Glory Mir from the Plouffe Stable in Angers; Lee Van owned by Ray Sousineau of Shawville; Pontiac Nancy owned by Sterling Hobbs of Shawville and Sharp Adios owned by Dr R M Armitage of Shawville.

## Elsie Gibbons returned at Portage du Fort

Mrs. Gibbons was returned as Mayor of Portage du Fort in Monday's elections with 90 votes. Howard Brinkworth polled 63 and Dalton Eliiott 39 in the contest. For seat 1, J D McCallum was returned by acclamation. For seat 2 Wilmar Malette received 122 to M. Essiambre's 49 and for seat 3 Garnet McCallum won out 117 to Marcel Ouellette's 64.

## Edgar Lance elected mayor at Campbell's Bay

Elections in Campbell's Bay on Monday resulted in a Mayor's seat for Edgar Lance and Councillors places for Cecil (Puggy) Letts, Lloyd Kensley and Elvyn Frost. The votes cast were Lance 196, Wilson 189, Letts 206, Kensley 192, Frost 176, Vibert 137, Chretien 130, Laporte 103.

## A Centennial Picnic Park

Five members of the Municipal Centennial Committee are now making plans for the landscaping of a Centennial Picnic Park which is to be located on the now vacant Municipal property south of Willow Street and adjoining Highway 8.

Donations of trees, shrubs or flowers for the beautification of this project would be appreciated by the Committee as soon as possible. Only the promise of such is required now, but that must be done as soon as possible so that plans can be made for their proper arrangement.

Organizations or individuals donating will be notified when ground is prepared so that they may conduct their own tree planting ceremony if they wish.

Included in the plans are barbecues, picnic tables and benches many of which the Committee hopes will be donated.

It is hoped that every organization and many families will make some form of donation,

## Tom Sharpe, 88 years old, 53 years married this week

On Wed., May 17, 1879 in Caldwell a son was born to the late Thomas Sharpe and his wife the former Liza Jane Johncox. The boy was named Thomas after his father and was an adventurous lad who went North to prospect and had no inclination to settle down until he was well past thirty.

In 1914 he came home and bought the house and blacksmith of the late John Rennick, took up blacksmithing and on May 21st married Ida Mahlitz of Ladysmith who was working as a seamstress for the Sam Horners next door in Caldwell. This all was accomplished within a month and within two years they had two daughters followed by six more.

This week the Thomas Sharpes celebrated Tom's 88th birthday and their 53rd wedding anniversary. During the 53 years of marriage, Tom worked first as a blacksmith, then for the railroad and later as a steel sharpener on the dam construction job in Bryson from which job he retired at the age of 71. Now the couple lives in Shawville.

Their eight daughters are Lottie, Mrs. George Drummond of Bristol, Gladys, Mrs. Roy Hilton of Jackson, Michigan, Elva, Mrs. Dave McLaren of Toronto, Lois, Mrs. Glen Eligh of Toronto, Ruth, Mrs. Bill Lucas of Ohio who died as a result of an automobile accident several years ago, Grace, Mrs. John Dunlop of Russell, Ont., Betty, Mrs. Arthur Mackay of Charteris and Shirley, Mrs. Denis Murphy of Ottawa. There are also 22 grandchildren and four great grandchildren.

To Tom Sharpe we wish many returns of the 17th and to both Tom and Ida congratulations on the occasion of their anniversary on Sunday.

### Softball

Shawville Pontiacs Softball Team has started practices at Shawville Fair Grounds, nearly every evening. New players are always welcome.

## Central School Board names new teachers

## Bring cushions for open air concert by Community Band

With a few new members and a lot of new music, the Shawville Community Band will hold its first Centennial Year Open Air Concert on Sunday evening, May 28 at the Shawville Memorial Park.

For the occasion, the leader Mr. Ed Lydell will be in attendance though his activities with the Royal Canadian Mounted Police band have been more demanding than ever this season. The RCMP group has travelled widely and has much more rolling and playing to do before this big year is over but its leader still finds time to keep the Shawville players on their toes, in tune and forever expanding their horizons.

A special feature of the concert on the 28th will be music from the musical production "The Sound of Music", which has been occupying much of the band's practice time recently. As with all its outdoor concerts, this one will be free of charge and affords an opportunity for all to enjoy an evening of listening. There are few benches in the park and it would be advisable for people to bring lawn chairs or cushions or blankets to sit on. Porches surrounding the Memorial Park filled up very fast at the band's last outdoor concert there.

## Two 24-hour Hydro strikes

Seniority, better working conditions and a Province-wide wage scale are the three matters which have been put forth by Quebec Hydro employees sitting out the working day in cars surrounding the Shawville office. Their attitude towards local management is completely friendly and their understanding is that all essential services will be maintained and any emergency which might arise will be looked after, even when they are on strike.

The strike which is being staged in Shawville has caused more amusement than anything else, especially from the wording and execution of its black crayon on corrugated cardboard signs, but it is part of a Canadian Union of Public Employees strike against the Hydro all across Quebec. Instructions come from Montreal through the local representative, and as everyone in the Shawville office except Laurie Moore, Morley Wilson and Hewitt McCredie are mem-

## SOMETHING PERMANENT

When it's all over, what will be left to remember it by? We will not have built an edifice to commemorate Centennial. There will be no one thing to point at and say "That was our Centennial Project". So next year, and ten years from now, what will there be of permanence that can be said to have been brought about by the Centennial of Canada, right here in Shawville?

There is always an answer. The question wouldn't have been set down above if there wasn't an answer to set down below. As you read this you have probably thought of several things of permanence which will come out of Centennial celebrations.

Have you thought of the human resources; the discovery of talent for doing things which had never before been suspected? Had you thought of the confidence building in people who, before Centennial, would never have dreamed of undertaking such major plans as are now being organized?

A perfect case in point is the little pony exhibition which is being worked out for the enjoyment of the public on July first. At the first practice, each rider, without exception, said that his particular pony would not co-operate and that he as a rider was not capable of taking on such an assignment as riding in formation. Also most of them said that guiding their ponies about and carrying a banner at the same time would be impossible. It has now been discovered that every pony, without exception, can be taken through rather intricate formations, and that every rider without exception can no only ride with a banner in one hand but can do so in formation.

This little illustration is not an exception but exactly illustrates the pattern which is taking shape in every aspect of the town's Centennial planning, and not only in Shawville but in Campbell's Bay and Quyon and Portage du Fort and Bryson — wherever special plans are being made.

Not only are people gaining new understanding of their own abilities but people are having their eyes opened about other people's capabilities. When it's all over, this new faith will still be with us. Everyone who has stretched his skills and talents to the limit for one big show this one big year will be left with these greater skills and talents. Next year and through all the future, when there is a thing to do, nobody will sit back and say that their particular pony just isn't up to it and that they can't make a go of it. Rather they will say, sure—let's go—we know we'll figure out a way—and furthermore we know some other people who can ensure its success—whatever it is.

That is one of the permanent things that we will be able to point to and say "Centennial brought us that —the self assurance that whatever we really want to do—there are people right here to do it and we know it can be done."

On Friday, May 8th, members of Radford Ladies Aid assembled at the home of Mrs. Perley Richardson, to honor her daughter, Mrs. Gilbert Finan, a recent bride.

Ernest Queale of Morehead section is a patient at the Community Hospital, as a result of an accident at his farm last Wednesday. It seems he attempted to step across the harrow as it was moving and his foot slipped off the bar and his left leg went underneath, fracturing two bones.

At four o'clock on Thursday afternoon, April 3th, at Yarm United Parsonage, Emble Lenora, eldest daughter of Mr. and Mrs. Perley Richardson of Radford and Gnr Gilbert Kenneth Finan, RCA, Camp Borden, son of Mr. and Mrs. George Finan, of South Porcupine, were united in Holy Bonds of Matrimony. Rev H G Steers officiated.

The following officers and convenors were elected at the Annual Convention of Women's Institutes of Pontiac County: President: Mrs. W. J Murray, Vice-Pres Mrs. C J Caldwell and Mrs. Jas G Bryson, sec-treas. Miss Abbie Pritchard, Convenors of Committees Mrs. R W Hodgins, Mrs. Hazelwood Elliott, Mrs. David Russell, Mrs. Earl Findlay, Mrs. Kenneth Smiley, Miss E M Edey.

May 10, 1917

John Foss, (of Wm Foss and Son, Ladysmith) came to town with his motor truck for the first time this season on Saturday. The fact would indicate that despite the late Spring, the road to Ladysmith which last fall was about the worst in the country, is getting safe for travel.

At the home of the bride's parents, Mr. and Mrs. Louis Wiggins, Bristol, on Wednesday May 2 their daughter Emma Bertha, and George Alfred, son of Mr. and Mrs. John D. Russell, Bristol were united in marriage by Rev F W K Harris, Presbyterian Church, Bristol.

Believe this if you like. The other day a farmer living in one of the adjacent townships to Arnprior brought a hog, a sack of beans and a bushel of wheat into town, and selling it bought a Ford, a new suit of clothes, a dress for his wife and each of his four daughters. The balance of his money after paying taxes and seventeen years back subscription to The Watchman, he put in the bank for safekeeping. He has two more hogs, but does not intend to sell them until the family is ready to take a trip to Europe to see the battlefield where the war is in progress. If that isn't prosperity, then what is it?

Notice re Cartage—in view of the great advance in prices and the consequent increase of living expenses, the undersigned have jointly agreed to increase their rates for cartage in Shawville in accordance with the following scale of prices: Parcels up to 100 lbs in weight 10c, parcels from 100 to 500 lbs 15c, for each additional 100 over, 500 lbs 2c. Stanley Langford and Lewis Cuthbertson. May 1, 1917.

## Quyon United Church celebrates Mothers' Day

Mother's Day in the church has become known as Family Life Sunday and was so observed in the United Church of Canada in Quyon.

Whitsuntide this year falling on the same Sunday as Mother's Day provided an opportunity to observe the ancient lessons of Pentecost with the more modern thought of Family Religious Life.

The service was conducted by the minister, the Rev Roy Huntly who was assisted in the service by Mr. James Horner who conducted the opening worship period.

The responsive Psalm was led by Miss Joyce Alexander, a member of the Senior Bible Class. The New Testament lesson was read by Mrs. Harper Young, a teacher in the Sunday school. The offering was received by the family of Mr. and Mrs. Raymond Davis and their two sons. A special event was a very beautiful solo by Mrs. Roy Huntly who sang "Father in Heaven" to the setting "Largo" from Xerxes" by G F Handel.

Dr Hudson presided at the organ.

Mr. Huntly took his subject from Deut. 4:9 "Take heed to thyself". He suggested that we might substitute "Watch out" for the text.

So many things in the home should be remembered. They are worth watching. They are worth continuing. One needs a high standard of love and a high quality of teaching in the home as well as in the church.

In all it was a worship service of blessing with an overflow congregation enjoying a happy occasion and a helpful service of worship.

## Mothers Day service held at St. Andrew's, Aylmer

Among those who attended the Coronation Chapter Church Service held in the Presbyterian St Andrew's Church in Aylmer on Sunday May 14th were Mr. and Mrs. Albert Martineau, Mr. and Mrs. John Telford and their son Glen and Mr Edey Campbell also Mr Keith Munroe and Rev R S Smith.

The service was conducted by the minister the Rev J L Burgess, assisted by Mr. H F Galloway who read the Lesson and Canon L E Crothers who offered prayer. The service was well attended.

After the service light refreshments were served in the Sunday School room by the kindness of the ladies of the church.

A very cordial vote of thanks was accorded the minister for his very fine service and to the Officials of the Church and to the ladies who so kindly provided the refreshments.

## Charteris

Mrs. Sophia Murdock spent last week in Ottawa.

Visitors at the home of Mr. and Mrs. Milton Hahn last Sunday were Mr. and Mrs. Clifford Hahn, Patsy, Pat and Pamella, Otter Lake and Mr. Carson Russell, Shawville.

Miss Jenny Walsh, Thorne Lake spent the weekend with Miss Shirley Hahn.

Mrs. Gerald Kelly attended her cousin's wedding while she was in Coaticook visiting with Mrs. Lottie Wallace and Eric.

Mr. and Mrs. Paul Bretzlaff, visited with Mrs. Lucy Crawford on Mother's Day.

Congratulations to Mr. and Mrs. Keith Harris who were married on Saturday.

Mr. and Mrs. L C Hodgins and girls visited with Mr. and Mrs. Norval McNeill on Sunday.

Mr. Rodney and Garry Kelly, Ottawa visited with Mr. and Mrs. G. W. Kelly.

## Engaged

Elizabeth Anne Marshall

Charles Franklin Dale

Miss Elizabeth Anne Marshall, daughter of Mr. and Mrs. Kenneth Marshall of Sherbrooke, Quebec and Mr. Charles Franklin Dale, son of Mrs. Hubert Dale and the late Mr. Dale of Shawville, Quebec whose engagement is announced. The wedding will take place July 22 at Plymouth United Church, Sherbrooke.

## The Gospel is theme for Christian Education Council

The Executive of the Pontiac Christian Education Council met Monday evening in the Wesleyan Methodist Church, Shawville with the President, Mrs. Hillis Graham in the chair.

Plans were formulated for the Annual Convention of the Council on Wednesday, November 1, in the Bethel Pentecostal Tabernacle, Shawville which will be attended by representative delegates from all activities of religious education in Pontiac County.

The theme of the Convention is "Communicating the Gospel". The afternoon session will consist of an address on that subject and discusion groups, followed by the annual business meeting.

In the evening there will be two selections by the ministerial choir. The second part of the theme development will be in the form of a panel discussion with a parent, a grandparent, a teacher and a youth participating under the presidency of a minister. They will be asked to bring out the subject "The Home and the Gospel".

A local member of the Quebec Older Boys' Parliament will make his report during the Convention.

## Local witnesses protest persecution of Portugese members

Roy Dumond, presiding minister of the Shawville congregation of Jehovah's Witnesses, reports that the 23 members assembled for the weekly ministry school session at the Kingdom Hall unanimously protest the persecution of Jehovah's Witnesses in Portugal.

Mr. Dumond says that the Supreme Court of Portugal on February 22 upheld the conviction of forty-nine Portugese Witnesses arrested in June 1965 for attending a Bible meeting. They make up the entire adult membership of the Feijo Congregation where police invaded a private home and broke up religious services. The members were charged with being guilty of a crime against the security of the state. Mr. Dumond says that the prosecution produced no witnesses to back up the charges and no evidence to show guilt at any time during the three-day trial, and that the Portugese press had not reported the Court's decision to the public. Mr. Dumond and his congregation are concerned for the families involved. Thirty-five of those convicted are women who will be taken away from their families. Two of the women are expectant mothers whose babies may be born in prison.

Terms of from one and a half to five and a half months have been set for thirty-nine of those convicted. Ten were given suspended sentences. All forty-nine were fined from $47 to $170 and must pay court costs of $35 each.

The hope was expressed that public awareness of the treatment of a minority group in Portugal might yet bring relief to the Witnesses there. Portugal seems a long way from Shawville but it is shocking for Canadians who enjoy freedom of worship to hear of this apparent persecution of a small religious group anywhere.

## Quyon Calf Club meeting

On May 15th, the monthly meeting of the Quyon Calf Club was held on the farm of Mr. and Mrs. Donald Duff, Maryland, whose son John is a member of the club.

In absence of the President Terry Dods, vice-president Chris Young conducted the meeting. Nineteen members were present including leader Mr. Ronald Mackechnie and Agronomist Mr. Doug MacMillan. Heather Mackechnie secretary-treasurer took the minutes of the meeting.

Judging was conducted by the members on four of Mr. Duff's prize Holsteins. Other matters such as a trip to Expo and crop fertilization were discussed.

Rev McColl invited the club to his home for a meeting in September and at the close of the meeting Mrs. Duff assisted by Janie served refreshments.

# Guides, Brownies and Rangers take part in Cookie Day

Saturday all the Brownies, Girl Guides and Rangers of Shawville were out selling Girl Guide Cookies.

The Brownies and the Guides sold their cookies right here in Shawville, and, per usual had no trouble selling all they had. The Rangers, following their ideal of looking out to a "wider world" went forth and sold their cookies to the very generous people of Vinton and Fort Coulonge.

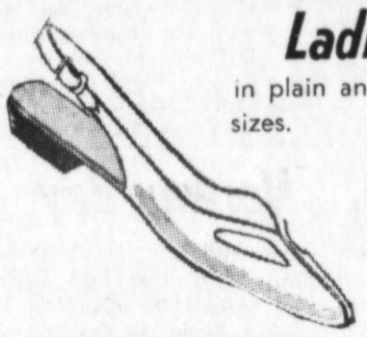

The profit earned from this cookie sale is divided between the units selling and the Executive Committee of Pontiac Division of the Girl Guides of Canada. The Executive uses their part of the money to help our Guiders (adult leaders in the movement) with training, advice, and all the latest information.

The Rangers will be using their money to help get themselves on their feet financially. The Ranger Company here in Shawville is very new, the seven founding members (14 to 18 yrs old) are very enthusiastic and full of ideas for fun and service. Two of their members have been chosen for special Girl Guide International camps this summer. It is from this age group that girls for all special camps and events will be chosen in future years.

The Guides will be using their Cookie money to help finance their trip to "EXPO". The Guide Company is planning on going to Montreal for three days, camping at St Leonard de Port Maurice, Montreal. This is going to be quite an expensive endeavor and the Guides are trying to raise money to help themselves, as well as very thankfully accepting the help they are receiving from the Local Association.

The Brownies have not yet decided what to do with their money, but whatever it is, it will be for the enjoyment of 35 little girls in brown uniforms.

Miss Helen Hodgins has taken a position in Shawville Community Hospital office for the summer months.

Mr. and Mrs. Fred Armstrong and family, Ottawa were weekend guests of her parents, Mr. and Mrs. Arthur Thompson.

Mr. and Mrs. Cliff McCredie and Heather of Montreal spent Sunday at their cottage.

The Bristol Women's Institute held their regular meeting at the home of Mrs. Earl Findlay with Mrs. George Drummond assisting. There was an excellent attendance. Plans were made to hold a card party in Bristol Hall Monday May 29th at 8:30 pm Mrs. Roland Russell convenor of Welfare and Health read an article on the high cost of drugs and the program was in charge of the treasurer Mrs. Thomas Macfarlane who read the history of The Bristol Branch since 1933. It was very interesting to hear what work had been done by the branch in former years.

A dutch auction was held, and a discussion on holding a Centennial Tea in July. Plans to be made at a later date.

## Otter Lake

Congratulations to Mr. and Mrs. Edmund O'Malley on the birth of a son in Pontiac Community Hospital.

A surprise anniversary party on the occasion of their 12th wedding anniversary and a birthday party for Donna who was 11 years old was held at the home of Mr. and Mrs. Percy Zacharias on Friday May 12th. Guests included Mr. and Mrs. Don Neville, Shirley and Betty, Kingston, Mr. and Mrs. Charlie Zacharias and Bonnie and Barry Shawville, Mr. and Mrs. Adolph Zimmerling, Mr. and Mrs. Clarence Pasch, Mr. and Mrs. Alfred Krutz, Shirley and Nancy, Mr. and Mrs. Helmut Erfle and family, Mrs. Fred Krutz, Mr. Otto Hahn, Mr. and Mrs. Hilgard Bretzlaff and boys, Mrs. Hannah Zacharias. Lunch was served, cards were played and everyone enjoyed themselves.

Mr. and Mrs. Don Neville, Shirley and Betty spent Mother's Day with her mother.

Mr. and Mrs. I. Richard spent Saturday in Arnprior celebrating their daughter (Edna) Mrs. Joe Richard's birthday at the home of Mr. and Mrs. Joe Richard where all their friends gathered and in the evening at Packingham at Mr. and Mrs. Arthur Richard's to celebrate Arthur's birthday.

Mrs. Austin Dagg spent Mother's Day with her mother, Mrs. Margaret Hynes, Allumette Island.

Mothers Day weekend visitors with Mr. and Mrs. Mack Mayhew were Raymond and wife Marg and 6 children, Edgar from Brockville.

## Sheriff escorts the newlyweds

The Sheriff used his now famous covered wagon to carry a young bride to the altar last week, and then to tour the town with the couple after the nuptial knot had been tied.

Marcel Laprade of the QPP was the lucky guy whose bride, Claire Morin, with her parents, Mr. and Mrs. Albert Morin, arrived at St John the Evangelist Church, Campbell's Bay on May 6th in the Sheriff's Centennial vehicle.

The latest addition to the colorful equipage is a chromed harness from Smith's renowned three generation harness shop in Shawville. Gerald Stewart undertook to take the horses to Fort Coulonge where Donald Paquette shod them as his donation to the County-wide project of sending the Sheriff to Expo by covered wagon. Other recent donations have been received from Councils of Chichester and Demers Centre and from Billy Hearty of Vinton and David Andrew Belanger of Campbell's Bay.

Joe's plans for travelling through Montreal, his reception at Expo and his accommodations there have not yet been affirmed but the committee in charge should make contact soon with Expo officials so the whole enterprise doesn't lose out at the crucial moment.

A Volkswagen Custom costs $1,798. (Maximum Suggested Retail Price). F.O.B. Port of Entry

Charles Haws keeps the Volkswagen just for the fun of it.

Charlie Haws lives in Toronto at 7292 Topping. He's in the real estate business. And obviously, he's good at it.

One day we passed his garage and this is what we saw. We were curious as to why a man who could afford a Rolls would have a Volkswagen. Instead of just guessing, we went right up and rang Charlie's door bell.

"Sir," we said, "would you mind telling us why you own a Volkswagen as well as a Rolls Royce?"

From here on we'll quote Charlie.

"I bought a Volkswagen when I started in business several years ago, and I have nothing but good things to say about it. I guess I bought it for economical reasons, but after awhile, I found it was really fun to drive...well anyway, I got lucky and started making more money than I ever dreamed I'd make, and I figured that everybody is entitled to one big luxury in his life. Mine was the Rolls Royce. But I never did get rid of the Volkswagen. And I'll tell you why. I still get a lot of fun out of driving it... you might say it keeps me young ...besides, these two cars make a great balance in my life. The Rolls reminds me how far I've come, and just as important, the Volkswagen reminds me of how I got there. I think that's healthy...."

That's Charlie Haw's story.

Moral: Buy a Volkswagen. It will help you save up for a Rolls Royce.

## IN MEMORIAM

ACRES—In loving memory of a dear son and brother Norman who passed away May 16, 1961
Gone from us but leaving memories
Death can never take away
Memories that will always linger
While upon this earth we stay
Always remembered by
Mother, Dad, Martha and Henrietta 49802b

MOORE—In loving memory of David Moore who died May 20, 1957
Just a prayer from us who loved you
Precious memories kind and true
In our hearts you will live forever
Because we thought the world of you
Uncle Tom, Aunt Ethel and family

MOORE—In loving memory of David Moore who passed away in Belfast, Ireland on May 20, 1957
Nothing can ever take away
The love a heart holds dear
Fond memories linger every day
Remembrance keeps him near
Mom, Faye, Richard, Bert, Charles

THOMS—In loving memory of a dear mother and grandmother, Mrs. William Thoms who passed away May 19, 1965
In tears we saw you sinking
We watched you day by day
Our hearts were almost broken
You fought so hard to stay:
But when we saw you sleeping
So peacefully free from pain
We could not wish you back
To suffer that again.
Ever remembered by
Ruth, George and family
Vera, Reuben and family 6644x

## Norway Bay

Mr. and Mrs. D. Wilson and family spent the last weekend with Mrs. Ida McCredie and John from Niagara Falls.

Mr. and Mrs. Don Wylie spent Mother's Day with Mrs. Ida McCredie and John.

Mr. and Mrs. C. Spence of Montreal are at their cottage, the old Burnham Hall site, for a few days. Mr. Spence has made a lovely spot of that part of the Bay.

Mr. and Mrs. Kirby of Ottawa have been at their cottage on the wharf road for several days.

On Friday evening, May 12 a very pleasant evening was spent at the home of Mrs. Ida McCredie. Some 35 guests were present honoring Mrs. Maud R. Bailey's 84th birthday. Cards were played and then a guessing game where several prizes were won. Mrs. M. Stewart and Mrs. Fearl McNeill were hostesses. As the evening passed Mayor Murray called the attention of the guests; in a few well-chosen words Mrs. John McCredie presented a rocking chair to Mrs. Bailey on behalf of the gathering. Mrs. Bailey was also given a potted plant from St Andrew's Knox UCW. Mrs. Bailey expressed her gratitude for the gifts and the kindness of one and all. A beautiful meal which included every kind of sandwich and cake was topped by a lovely birthday cake. Several selections of music on fiddle and guitar were enjoyed. Sergeant R. C. and Mrs. Snow of Camp Petawawa and Mrs. Alex Weir of Renfrew were present at the gathering.

Mrs. Percy Ballantyne was in Ottawa this weekend attending a shower for her niece whose wedding will take place shortly ..

## THANK YOU

Sincere thanks to the electors of Campbell's Bay for their support in Monday's Municipal election. I will do my utmost to live up to your good faith in me.

## Pony Race entries extended to Saturday

Pony entries are coming in for the races which will be held during the Harness Race meet at the Shawville Driving Club Farm in Yarm on this coming Saturday, May 20. All it takes is a phone call to either Cliff Dale (647-2434) or Clive Smart 647-2807) to enter and the deadline for entries has been forwarded to noon on Saturday. The races will commence at two o'clock.

At press time entries have been received from Brian Sparrow of Ladysmith, Terry Dale of Otter Lake and Heman Walls, Blake Armitage, Jimmy Fletcher, Michael Richardson, Garry Smart, Lorne Smart, Charles Dickson, Brent Carson, Ronnie Sayles and Bruce Telford.

## Womens Institute one act plays

Three one act plays will be produced by three Women's Institutes on Saturday evening, June 10 at the Onslow Intermediate School, Quyon. At these performances an adjudication will be made which will decide which of the three will represent Pontiac County in the Provincial one act play competition which will be held at Macdonald College from July 11 to 14.

Taking part in the contest within Pontiac County are the Women's Institutes of Shawville, Bristol and Beechgrove, and the general public should find them most entertaining. As audience reaction is important to any performance, a good attendance would be most advantageous to all the groups concerned.

## Morley Hodgins

(Continued from page 1)

for more formal occasions, Morley also holds a pilot's licence for aircraft.

This, then, is our town's Citizen of the Year for 1966. During that year, 1966 he spent more time at the rink and held more conferences with engineers and ice plant people and generally burdened himself more with the chore of getting that artificial ice installed than any other one person. For this, and for the fact that he carried the burden uncomplaining and through a morass of complaints and with the vision of the completed enterprise always before him, and for the eventual realization of the vision—he was named Citizen of the Year.

The annual nomination of a Citizen of the Year in Shawville commenced six years ago with the naming of Dr Roland Armitage as Citizen of the Year in 1961, mainly for his work in organizing the building of the Agricultural Hall. Having a Citizen of the Year named in 1966 for the installation there of artificial ice brings once more to the public notice the importance of this Community Centre to the life of Shawville people.

This year, the day of the official opening of the Artificial Ice plant was the same day last year that the natural ice had melted and hockey was over for the season. This year, with artificial ice, the entire Minor Hockey schedule was played and a grand final playoff day was held as well as an Invitation Centennial Minor Tournament and also the completion of the figure skating season and their Spring Follies, after the date which closed skating in 1966.

As almost everyone contributed money or services to the artificial ice, and almost everyone benefits from it being here, almost everyone will rejoice in the recognition by the Chamber of Commerce of its importance to the community. The Chamber will be erecting a plaque at the Community Centre to commemorate the four men, (Carson, Hodgins, Morley Hodgins, Keith Horner, Bill Main) who formed the Artificial Ice Committee and worked unstintingly through every phase of the planning and final achievement of the plant. But the one who was chosen to be Citizen of the Year, for the most outstanding community service in the year of 1966 is Morley and a certificate will be presented to him at some suitable occasion during the current year.

# Portage du Fort's Mayor Elsie first one to go "on the wagon"

Sheriff Sloan's covered wagon itinerary is taking shape but he has still not heard from Montreal about accommodation at Expo. Meanwhile, various individuals and municipal councils are contributing towards his expenses along the way, as he drives from the uppermost corner of Pontiac County to Montreal.

Councils of Portage du Fort, Shawville, Waltham, Chichester, Demers Centre, and J C Bigras of Lakeside Hotel, Mrs. Fleming of Fairbanks Hotel, Joe Smiley and Mrs. Owen Toller are the most recent contributors towards the project.

On June 16th Sheriff Joe and his son Dominic will commence their covered wagon trek by visiting Rapides des Joachims for an overnight stay. On June 17 their journey will be put on tape by CHOV television in Pembroke and that night they will be in Chapeau overnight. The following week will find them in various Pontiac towns and on June 26th they will be on Parliament Hill in Ottawa from eleven am to one o'clock in the afternoon.

The night of June 26th will be spent in Masson where Sgt Paquette of the QPP formerly of Fort Coulonge is making arrangements. On June 27th Melvin Durocher, a teacher also formerly of Fort Coulonge is making arrangements for them to stay overnight in Montebello and Gilbert Arnold of Grenville has invited them for the 28th in that town where the horses will be reshod, courtesy of their host.

Crossing to Hawkesbury, the covered wagon will go on to Hudson for the night of the 29th as a guest of Hudson's 87 year old Mayor Dr Runnals.

But before all this commences, the very first Mayor to ride on the wagon will be appropriately, Pontiac's only lady mayor, Mrs. Gordon Gibbons of Portage du Fort, when she joins the Sheriff at the western limit of Portage du Fort on this coming Sunday, May 21 and rides with him into town.

# "To Bee or not to Bee"

To Bee or not to Bee was the question last Thursday and most members of the Chamber of Commerce decided not to, on account of the weather. However, those few hardy souls who did turn out got a good start on the clearing of the Shawville Chamber of Commerce Picnic Park.

Bill Main and Cliff Dale, Clarence Richardson with his chain saw and Freeman Grant with his axe managed to clear a fallen tree from the entrance road to the park and cut it up and remove it. Mickey Hodgins also turned up for work but as the grounds were very wet there was not too much to be done.

A search was made for the fallen outhouse but this was not found so now the Chamber of Commerce will either have to find or construct a new edifice for the comfort of visitors to this park.

There is still considerable work to be done to make the park ready for the hundreds of picnickers who use it every summer and the Chamber of Commerce will hold another Bee this Thursday, May 18, to which everyone is invited. As the Chamber does not own any implements, it would be a good thing for each man to bring his own rake, shovel or whatever he has to help. Further advice may be obtained from the vice-president, Bill Main or Cliff Dale.

## Picnic Park

(Continued from page 1)

so that after Centennial year has come and gone, all may be able to say "I helped create Shawville's Centennial Picnic Park".

Suggestions for donations are tulip bulbs or other perennial bulbs, annuals, flowering crabtrees, mountain ash, weeping willows, blue spruce, Quebec and Canadian flag, picnic tables and benches, materials to build barbecues and genuine good old fashioned volunteer labour! A donation of money for a tree to be purchased by the Committee at the proper time will also be acceptable. If you wish to assist in any of these ways telephone or write today stating your wishes to 647-2202 or Centennial Park Committee Box 339, Shawville, Que.

bers of the union, they have all taken part. Sitting out during the designated 24 hour periods have been four girls, and nineteen men, hoping that negotiations can be resumed and satisfactorily resolved in Montreal so that they can all go back to work. Inside the office at the corner of Centre and Victoria Avenue, the three members of the Supervisory staff carry on as best they can during these strike days. The first was last Friday and the second was this Tuesday. Meanwhile, there has been no inconvenience to customers because of these temporary walkouts.

## New route

(Continued from page 1)

and leaving Pontiac County.

The new route would take off from the present improved highway just west of John Belsher's BP station and go east on a continuation of the Graham line to the fourth line of Onslow, east on this line straight to Mohr's crossing with a short bit of new road to the railroad and thence along the railroad line to Breckenridge. From Breckenridge the present highway would be followed to the Eardly-Hull township line and from there a straight line along the Pink Road would go to the Mountain Road at the Gatineau Park end quite near Hull from where easy access would be achieved to Ottawa or up the Gatineau or into the city of Hull.

Statistics are being prepared in support of this new route which has been studied carefully and found to be practical in every respect. The crossing of the Quyon River is straight and comes at the rocky place at Gibsons. Argument could, it was agreed, take place incessantly on the good, better and best rerouting of the highway but at this time the urgency is to get it done soon and all three Chambers have agreed that now is the time for action.

## Pastoral comment...

The Birthday of
THE CHRISTIAN CHURCH
by Rev R S Smith

This is Ascension Day and I have just been requested to write the Pastoral Comment for next week.

As the Ascension is the inevitable completion of the resurrection so is Pentecost the fulfilment of the promise made by Jesus in St John 14:16.

It should be noted that the word translated COMFORTOR in our King James Version (parakleaton) might better be translated advocate, as one who stands by to help. Even so, no other word, I think, will ever be as "The COMFORTOR" is to the Christian Church. In verse 17 He is named The Spirit of Truth. In verse 26, He is named The Holy Spirit, and in that personality we find Him portrayed in Acts chapter two.

Pentecost was, and is, The fulfilment of the promise of Our Lord. On this day we celebrate the Birthday of the Church. The day of Pentecost was the consummation of prolonged preparation! The development of religion as revealed in the Old Testament, the Life and death, the resurrection and ascension and exaltation of Our Lord: the prayers and expectations of the disciples were all part of that Preparation.

Pentecost was a manifestation of Spiritual Power-

Acts 2:2: "And there came out of the heaven a sound as of a rushing violent breath which filled the whole house where they were sitting." It was The BREATH OF GOD. It was not a natural wind. The Day of Pentecost was a Manifestation of Spiritual Power: The Holy Spirit came upon Jesus in the form of a dove, but He descended upon the disciples as a rushing violent breath and as fire. The sign of the Christian Church is FIRE. This holy fire appeared to sit upon EACH ONE OF THEM. The gift of the HOLY SPIRIT was to all but it was an individual gift to each.

The Day of Pentecost was a day of miracles! The disciples were baptized with spiritual fire and so were transformed. Onlookers were astonished and perplexed. Some scoffed, but they heard the gospel, and there were 3,000 conversions. There were daily additions too. Pentecost meant a new beginning for the disciples. It may be a time of new beginnings for us. If we receive The Breath of God, if we receive the Fire, we can be used to bring others to Jesus.

To glorify Him must be our purpose. Only when Jesus is Glorified in one's life can he receive The Gift for which Jesus prayed and which The Father gave that wonderful day.

Then with us, as with the disciples Pentecost will be a day of great joy and a day of loving service and Our Lord will be lifted up and God will be glorified.

## OBITUARY

### Herman Otto Thrun

Herman Otto Thrun passed away at the age of 90 at his home in Ladysmith after a long illness, April 30. The May 3rd funeral was arranged by W J Hayes and Son. The funeral service by Rev G O'Connor was at St. John's Lutheran Church with interment in the church cemetery. The pallbearers were Elwood Thrun, Ivan Thrun, Erhart Rueckwald, Maynard Bretzlaff, Ebert Turcotte and Richard Dahms.

Herman Thrun was the son of the late Otto Thrun and Agusta Rose. He was born May 14, 1876 in Detroit, Michigan and dedicated himself to farming his whole life. He was a life time member of St John's Lutheran Church and helped in its construction.

On Oct 20, 1904 in Ladysmith he married the late Louise Minna Rueckwald. He is survived by his son Verner of Ladysmith and his daughter, Mrs. Margaret Miekle of Arnprior, also by five grandchildren and one great grandchild as well as two brothers, Walter of Shawville and Otto of Toronto, and one sister Mrs. Lena Myers of Ladysmith.

## New look at the Mill

NEW GARDEN CENTRE

Before the turn of the century, James Ledes was running the Shawville Milling Company which didn't change hands until Mr. Earl Noel bought it in 1942 and Lloyd Stevens, of Carleton Place, was engaged as manager. In 1945 N. E. Lindsay of Renfrew and M. D. Anderson of Carp bought the Shawville Milling Company and have owned it ever since, continuing to change and progress with the changing times. Today, along with the cleaning and grinding and mixing of grain, the mill sells feed, seed and fertilizer and also is in the fuel oil business as Shell agents and do furnace installation and maintenance, and this year they have added a garden centre to their plant. Lloyd Stevens has an eight man and one woman staff including Mrs. Sophia McKinley, Jack Yemen, Glen Hodgins, Bill Orr, Clayton Hodgins, Bob Thomas, Hubert Hornner, Lawson Corrigan and Lyons Lucas with additional men during seasonal peaks. This week they are welcoming the public at an open house at their newly decorated premises, on Main Street or King Street, and right through the block between

## Report on Shawville Centennial Committee meeting

The Shawville Municipal Centennial Committee meeting Monday night received a report from Mrs. Don Paul on the progress of the Centennial Costume Ball. Tickets are going well, she reported, and several ladies have been added to the decoration committee. In this connection, Mrs. Hubert McCauley of that committee would be happy to receive any available garden furniture or trelisses or other early Canadian garden paraphernalia. The school gym and possibly an outdoor patio will be transformed into a nineteenth century garden.

Another interesting report was received from Bill Brandum of the Chariot Race committee. The Hilton Mines are donating materials and labor for the construction of two man drawn chariots. Each chariot will need a team of six men to draw and one man to drive (don't everyone speak at once). The races will take place on July first during the big Confederation Picnic in Shawville and teams wishing to take part are to put their names in to Box 339, Chariot Race, Shawville, Que. Any seven men can make up a team. This sport is entirely new to this area but has been played with great success in other parts and is guaranteed to become popular here as soon as it is tried out. Since there are no expert charioteers in Shawville, everyone starts out on the same footing. The course is not long, just one side of the track on the straightway in front of the stands at the fairgrounds will be used. So far only two teams have entered but there should be many more.

Prizes for the various events and contests on July first will be provided by the committee except where certain local businesses decide to give them.

Bob Bourget reported that the Consolidated Paper Mill is donating $250 to the Municipal Centennial Committee

Mrs. Gladys Sly reported that Mrs. Gibson, Mrs. Paui and Mrs. Corrigan of the Shawville Women's Institute would convene the Pancake and Sausage breakfast for the Confederation Picnic in Shawville on July first and would be selling tickets in advance for this throughout town. This breakfast will be the start of festivities on the fairgrounds on that day and will be served from 8:30 until about 10.30.

An announcement was made at the meeting that any person who will fly a flag during Centennial on non-commercial premises may have their flags dry cleaned free of charge at the Pontiac Dry Cleaners. This is a special Centennial project of all members of the Canadian Research Institute of Launderers and Cleaners of which the plant in Shawville is a member.

## Four generations

On June 8th, Stephen Smith sr (Murray) will celebrate his 96th birthday at his home in Maryland where he has always lived. Here he is seen with three generation of his women. On the right is his daughter, Mrs. Kathleen McCann. At left is granddaughter Mrs. Cathy Velker, while in his lap Mr. Smith holds his great grand-daughter Kelli Jane Velker. Though Mrs. McCann was born and raised in Maryland, the three ladies are all now living in Calgary, Alberta.

# Pontiac Nancy wins at Rideau Carleton

Pontiac Nancy, a five year old brown mare, owned by Sterling and Marian Hobbs of Shawville made her 13th start of the 1967 harness racing season a winning effort at Rideau Carleton Raceway, Ottawa, on Saturday, May 13th.

Driver Wayne Turcotte of Montreal, forgetting that the 13th is supposed to be unlucky, moved the Shawville trained mare from fifth position at the head of the stretch to gain a neck decision over the heavily backed Hi Widower at the wire, and set a new lifetime record of 2.09 and 2 for the game pacer on a very chilly evening.

Sterling brought Pontiac Nancy home from Toronto after ten starts there this year and sporting one win. Of her three starts at Rideau Carleton, Nancy has one second and two wins. In horse racing talk one might say Sterling "has the key".

This Saturday, May 20th, the Shawville Driving Club is holding its first harness racing afternoon of the 1967 season when everyone can have an opportunity to see Pontiac Nancy and Sterling in action.

## Pony type important for Centennial Horse Show

The Centennial Shawville Horse Show, coming to the Shawville Fair Grounds on June 10, will include a number of classes with enough variety to suit the taste of any horse interests. All the way from the formal jumping classes for Hunters to the gay and colorful Western horses and including harness classes for the proud carriage beauties and also the little pony carts.

The Secretary, Everett McDoweli has informed The Equity that the Horse Committee intends to adhere as closely as possible to the rules as laid down by the Canadian Horse Shows Association but in the case of special breeds the show will specify "types" rather than breeds, which leaves enough leeway to include all the local ponies. Entries wishing to acquire points for the Canadian Horse Show zone will be awarded these with relation to only registered entries but all ohters will receive ribbons according to the placement by the judges, regardless of registrations.

However, there will be an attempt made to judge the animals according to certain rules in the blue book about type and conformation, and in the case of Child's Turnout, it might be noted that the book specifies a two wheeled vehicle, no race or roadster carts, and the appointments are a blanket, water pail, halter, halter shank, body brush, curry comb, hoof pick, umbrella, rain coat and rubbers, and no other appointments are allowed. Performance and manners count 50%, quality 20%, and turnout and appointments 30%.

Quality is judged according to type.

The Shetland pony type: ears should be short and fine, set well on head; eyes prominent, gentle, set wide apart; face straight or slightly concave; nose, rather broad and flat bridge carrying width to muzzle; mane full and rather wide at the top of the neck. Ponies with Roman nosed appearance or over all prominent weakness of the above points of breed character must be disqualified.

The general conformation should be that of a strong attractive stylish pony blending the original Shetland type with the refinement and quality resulting from selective breeding. Ponies should be well-balanced, symmetrical, and show vigor and animation, having masculinity in stallions and femininity in mares.

The head should be refined, smooth and expressive, carried high on a refined, well-arched neck. The body should be strong with refinement; high withers and sloping shoulders; full and deep through girth; well-rounded barrel with well-sprung ribs; short back, strong loin; long, wide, nearly level croup. Legs should be muscular with fine, flat bone, (not cow or sickle-hocked). Ponies should stand squarely on feet which should be wider at the base than at the coronary band. Hair coat should be fine and glossy. No discrimination should be made because of the color of the coat or eyes.

The Welsh pony type: general character is hardy, spirited, and pony-like. The pony should be any color except piebald and skewbald; head small and clean cut, well set on and tapering to the muzzle, a slight dish is desirable; eyes bold, set wide apart, ears well-placed, small and pointed, well up on the head; nostrils prominent, jaws and throat clean and finely cut. The neck shall be lengthy, well-carried, and moderately lean in the case of mares, but inclined to be cresty in the case of stallions; shoulders long and sloping well back; withers moderately fine, but not "knifey" the humerus upright so that the foreleg is not set in under the body. Forelegs should be set square and true, not tied in at the knees, with long, strong forearms, well-developed knee and short, flat bone below. Back and loins should be muscular, strong, and well-coupled; girth deep and ribs well-sprung; hind quarters lengthy and fine, not cobby, ragged, or goose rumped, with tail well set on and carried gaily; the hind legs should have large hocks, flat and clean with points prominent, to turn neither inwards or outwards, the hind legs not to be bent, hocks not to be set behind a line from the point of the quarter to the fetlock joints. Pasterns should have medium slope and length, feet well-shaped and round, hoofs dense.

## Pulp mill nears completion

The new pulp mill in Pontiac County for Consolidated Paper Corporation is fast taking shape, both inside and out.

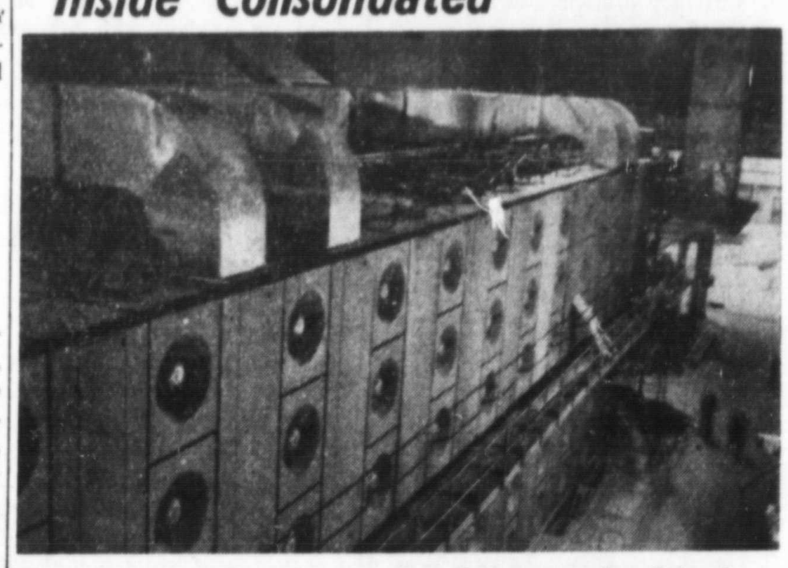

45,190 cubic yards of concrete, about 98 per cent of the estimated total, has now been poured.

Inside the woodroom, erection of the steel work to support the conveyor is progressing. The steel work is 70 per cent erected.

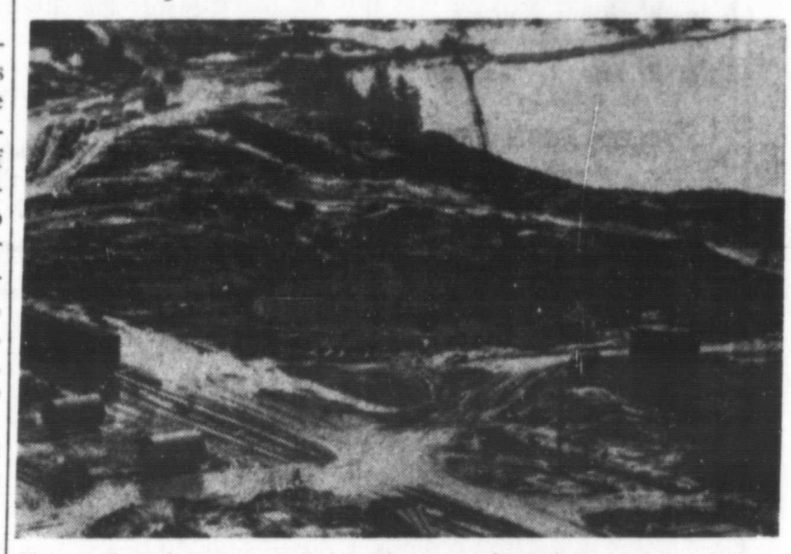

Inside the mill, erection of the wet end of the plup machine is now in its final stages. The pulp dryer is substantially complete, and there is good progress reported on the erection of the washer, the digester, and the water treatment plant.

R. A. Irwin, President of Consolidated, says that cost escalation and work stoppages, as well as design changes, will result in a capital cost which will materially exceed the originai estimate, and that every effort is being made to contain these continuing pressures.

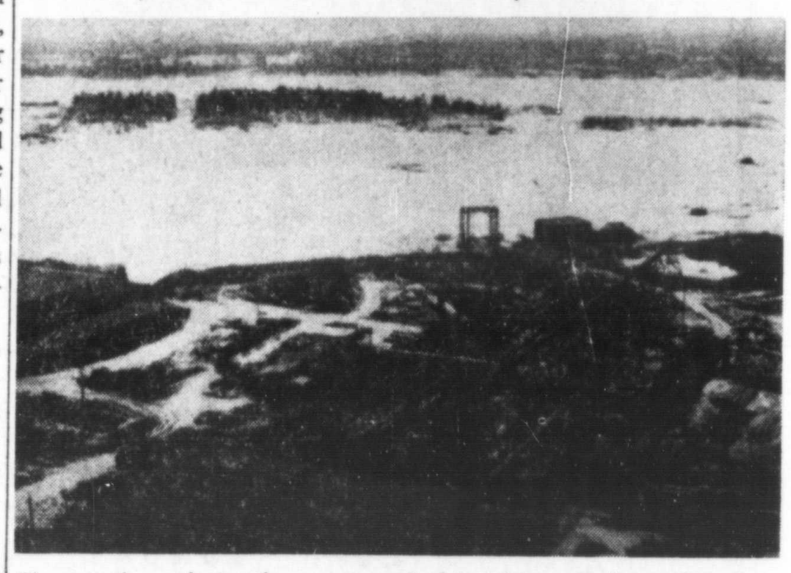

## Inside Consolidated

The structure in this photograph is known as the flakt dryer installation, the pulp dryer. In the background on the right is the finishing area of the mill.

The wall in the center of this photograph is the completed clarifier wall. The clarifier and the screen room to the left of the wall are part of the effluent treatment plant.

The steel work in the center of this view of the mill taken from the top of the digester is the log handling craneway. The logs are fed by this craneway into the wood preparation plant in the foreground. The water treatment plant is the building on the left. On the shoreline, beyond the craneway, can be seen the jack ladder and the water pumphouse.

## Waltham

A surprise reception was held at the home of Mr. and Mrs. Floyd Robinson on Saturday evening April 29 in honor of Mr. and Mrs. George Perry who celebrated their twenty-fifth wedding anniversary that day.

Among the sixty-five guests present were four generations on both Mr. and Mrs. Perry's side. Their parents Mr. and Mrs. Henry Way of Shawville attended also Mrs. Matthew Perry of Aylmer.

Mr. and Mrs. George Perry (formerly Elsie Way) were married in Bristol Ridge April 29, 1942. They are the proud parents of Wayne, of Macdonald College, Ellard of Shawville, a teacher in Renfrew, Walter who is studying for the ministry at Peterboro, one daughter Cheryl at home and two granddaughters Sheila and Tina.

Returning home after celebrating at a dinner with their children they came to the Robinsons for a quiet get together and were greeted by a houseful of relatives and friends.

Revell Robinson gave an address and a gala evening of singing rendered by the Waltham Gospel Trio (Walter Perry, Bryan Popkey, of London and Larry Mack of Newington) and Elizabeth Popkey sang "Seal Them".

Mr. and Mrs. Perry were presented with a dinette suite by their parents, brothers, sisters and family.

They also received many more lovely and useful gifts.

The rooms were pretty with pink and white streamers and Mr. and Mrs. Perry cut a beautifully decorated three tier cake flanked by white tapers in silver holders.

# WQEC names petunia as official flower

Development of the Fort William Beach in Pontiac County is one of the projects to be presented to Quebec Provincial departments for approval and financing by the Western Quebec Regional Economic Council. This is to include the preparation of a picnic ground, restoration of the Hudson Bay Company original buildings, renovation of the Indian cemetery and the first phase of a small camping ground.

The Economic Council has many long term policies but the above is listed among their short term plans. Another is the development of a municipal park at Coulonge Falls with picnic ground, trails and observation points, monument and plaque to commemorate Nicholas d'Ailleboust, sieur de Coulonge, who came to the area in 1694.

Also planned is development of the Cadieux Monument site on Calumet Island with larger picnic ground, trails and observation points, a more appropriate monument and plaque to commemorate Cadieux and widening of the road from the bridge to the site.

A survey and preparation for development of the Pontiac Reserve is also listed, with camping there as one of the priorities, also survey and development of the Dumont Lake for outdoor recreation, again with camping as a priority.

The Economic Council is also requesting standard signs to be installed by the Provincial Road Department indicating 38 points of interest in Pontiac County. Similar plans are being made with respect to Papineau, Gatineau and Hull Counties, all of which are included in the Western Quebec Economic Council territory.

The immediate project of the Council is the Western Quebec Petunia promotion, the petunia being the official flower of Western Quebec. As there are 500 varieties of petunias there is a wide choice for those wishing to use them in decorating their premises. Petunias should be planted between May 29 and June 3.

The Economic Council intends to crown a Petunia Queen in each of the four counties of West Quebec and one for the region as a whole. They have a thousand dollars in prizes for their Petunia Beautification Campaign with $250 going to each of the four counties, and there are also trophies to be awarded in the commercial, industrial, institutional and municipal categories.

They say petunias will provide a brilliant display of colour from June until frost and the hope is that mass planting of these beautiful flowers will transform the general appearance of the whole regions .

There are plans for a Petunia Ball and Festival in September. In the meantime there should be fine plantings in evidence of the many colored flowers. They come single or double with various shaped petals, wavy, fringed or dentated and in pure white, bright pink, crimson red, scarlet or purple with a million shades in between.

The Economic Council's long term plans include the appointment of permanent committees for outdoor recreation and tourism, agriculture, forests and industry, as well as publication of briefs on means of communication and water pollution and continuance of the studies of the border town's problems.

Also projected and now being prepared are a 1968 calendar of regional events which will include whatever items are sent to them in time, a 1968 panoramic map of the region which will include whatever places are sent in, the petunia promotion described above and a "Jos Montferrand" festival on the four rivers of the region.

The Equity does not want to establish itself as an authoritative source of information about horticulture but a note from Armand Turpin, General Manager of the Western Quebec Regional Economic Council says planting petunias is a very simple operation. All you have to lo he says, is pick a sunny location, place your plants in good soil and remove a little grass around them in order to give them a chance to produce as many flowers as possible. It sounds simple enough. Gardeners and nursery men have been advised to stand ready for increased demand for petunias this year and Mr. Turpin suggests those planning to use them extensively get their orders in early to reserve the plants they need and not be disappointed at the last minute.

# Moose hunters drawn by lot

Quebec hunters will get another chance this year to bring down a moose in La Verendrye Park.

Controlled hunting will be permitted from September 16 to October 20. For the third consecutive year, hunters will be selected by electronic draw at the Treasury Board's Data Processing Centre.

600 sportsmen will be admitted to La Verendrye.

Registration forms will be left with game wardens and at eleven district Protection Service offices.

Controlled moose hunt applicants may register just once, for one park only. The four-day outing, including services of a guide will cost $60 per man. No shelters will be provided, so successful hunters should bring their own tent or trailer.

# COURT REPORT

Court was held at Campbell's Bay on May 3rd with Judge Orville Frenette in attendance.

Merlyn Moore 20, of Campbell's Bay was sentenced to 3 months in jail when he appeared before District Judge Frenette and pleaded guilty to a charge of car theft. The accused took a car in Campbell's Bay, the property of the Postmaster. He apparently jumped the wires to get the car started and in the company of another young man proceeded towards Aylmer where he was arrested by the Town police after being involved in a hit and run accident.

Guy Lance, 19 of Grand Calumet Island who was with Moore when the latter was arrested for car theft also pleaded guilty to this same charge. Seeing he had no previous record he was sentenced to the time already spent in jail namely 3 days and ordered to post a personal bail bond of $100 to keep the peace for one year.

Driving a car while disqualified to do so by a court order prohibiting him to drive a motor vehicle in Canada for a period of six months Gerald Girard 21 of Arnprior was sent to jail for 15 days. Judge Frenette told the accused that since he did not know enough to obey a Court Order he had no other alternative but to set an exemplary sentence and that besides the time he would spend in jail will give him a chance to think about his conduct.

A 24 year old Arnprior man Michael A. Deschenes of 165 St John St who appeared before Judge Frenette on charges laid against him in August 1965 for making a false statement accusing another person of having committed an offence, driving a motor vehicle while unqualified, and of dangerous driving was sentenced to the time already spent in jail namely 7 days. The Court was told that the accused having had an accident in Campbell's Bay told the Investigating officer that his car had been stolen since he did not want him to know that he could not drive himself his driver's licence being suspended under the Provisions of Ontario Highway Traffic Act

Wayne Laporte 24 of Fort Coulonge who was found guilty of transporting a loaded rifle in his pick-up truck was fined and paid $25 as well as Court costs. The rifle was confiscated by the Court.

Yvan Mihelic, 28, Toronto, who was arrested by QPP when they nearly hit him with their cruiser was fined $10 and costs for causing a disturbance. The accused when arrested was drunk and walking all over the road causing a traffic hazard to the motorists.

A 32 year old Chapeau man, William Bertrand was fined a total of $150. when he pleaded guilty to charges of hit and run and driving his car while impaired. He was also prohibited from driving a motor vehicle in Canada for a period of 3 months

Rheal Pilon 30 of Vinton was found sleeping at the wheel of his car in a ditch near Bryson and while impaired was fined $50 plus court costs.

Gordon Hallam 33 of Foresters Falls pleaded guilty to a charge of hit and run was fined $75 plus court costs.

An 18 year old Chapeau man Loyola Joseph Jerome Allard who bought beer for himself in a hotel while under age and who declared himself to be over 20 years of age in order to be served was fined a total of $50 plus court costs.

* * *

Court was held at Campbell's Bay on May 10 with District Judge Arthur Labbe in attendance.

Sterling Bruce Hobbs 21 of RR 2 Aylmer East was found guilty of obstructing a QPP officer engaged in the lawful execution of his duty and was fined $25. He was acquitted on two other charges of dusturbing the peace and dangerous driving. Evidence at the trial revealed that Constable Jean Ippersiel of Campbells Bay who was investigating a breaking and entering at the village of Shawville around 1.00 a.m. on the 23rd of March '67 spotted a car driven in the village without its lights on. The QPP officer immediately pursued this car to ascertain that this driver was not implicated in the breaking and entering under investigation. He finally caught up with the car in question when its driver drove it into a house yard. Mr. Hobbs was driving from his father's apartment in the Post Office building to his father-in-law's home one black away at the corner of Center and King Streets- When Constable Ippersiel tried to get the accused to identify himself the latter simply refused to and further told him that he had no business to search his car. In no time the noise brought a crowd around and to make the matters worse a number of persons present there, urged Hobbs not to co-operate with the Police officer. It was only on the advice of his brother-in-law that Hobbs finally decided to follow the officer who took him to Campbell's Bay on a charge of dangerous driving. Later on charges for assault of an officer of the Peace and one for disturbing the peace were laid.

In his remarks Judge Labbe said the officer was only doing his duty and if the latter had only co-operated with him in all probability there would have been no criminal charges laid. Nevertheless Judge Labbe said he was obligated to consider the manner in which the accused acted and had to find him guilty of obstructing a peace officer in the lawful execution of his duty.

A 24 year old Wolf Lake man Aldege Beausoleil who was caught by the QPP while driving his car at speeds up to 80 mph in the village was charged with dangerous driving and fined $100 and was also prohibited from driving a motor-vehicle in Canada for a period of three months.

Georges Lefebvre, 46 of 1040 Louise St-Francois de Laval and presently employed at the Consolidated Paper Mill Construction at Portage du Fort was fined and paid a total of $150. plus Court costs as well as paying $30 damages caused to a Police cruiser. Evidence revealed that the accused when found drunk at the wheel of his car by a QPP officer assaulted him when he tried to arrest him and when taken into the police cruiser damaged the radio transmitter.

It was only when passers-by noticed the QPP officer was in trouble stopped and gave him a hand that the accused was taken to the Campbell's Bay jail and formally charged with impaired driving, assaulting a police officer and causing damage to a police cruiser.

Rheo Laplante owner of the Chez Charles Hotel at Demers Centre when found guilty of selling liquor after hours and to take out was fined $200 as well as court costs.

Two Calumet Island young men Leo Ricard and Louis Lacroix respectively 20 and 19 years of age who indulged in a brawl in a local restaurant while under the influence of liquor were ordered to pay $30 each for damages caused to the establishment as well as the court costs.

## Men shy in rehearsals for Campbell's Bay show

by Mrs. Piers Ebsworth

After a long winter of planning we have at last finished the costumes and final rehearsals are in full swing in readiness for Saturday's opening night. At first these were hectic, the men were so shy at taking part in a play (it is a pity that TV has taken place of the little theatre groups) but at last we have a cast. Many people have taken part helping to make the Pageant a success. I do hope that the surrounding communities will make the effort to come along on May 20 at 8 pm. Tickets are available from Mr. R. Moss, Calumet Island, Mrs. L. Quaile, Campbell's Bay and from the school.

# Bruce - Meunier wedding

St Peter's Church, Toronto was the scene of an April wedding when Marilyn Merle Emmeline Meunier and Alan Vincent Bruce were united in marriage in a double ring ceremony performed by Rev J King. The bride is the only daughter of Mr. and Mrs. Calvin Meunier, Dartmouth NS and the groom is the son of Mr. and Mrs. Augustine Bruce, Codroy Valley, NFL.

The bride given in marriage by her father, wore a long gown of white chiffon over taffeta. Her gown featured a scoop neckline, with French Chantilly lace, long sleeves coming to points at the wrists. Bouffant skirt with lace and two roses accented the back of waistline. Her shoulder length veil was held in place by a rose matching her dress. She carried a cascade of American roses edged in white ribbon.

The bride was attended by Mrs. ohn Harnibrooke, Toronto, who wore olive green, ankle-length with a train falling from the shoulders. Her headpiece was a matching rose. She carried a nosegay of yellow roses. The flower girl was little Miss Teresa Baines, Hamilton who wore lemon yellow linen, ankle length with head band to match. She carried a nosegay of yellow sweetheart roses.

Mr. Winston Kennedy was best man.

The mother of the bride chose a powder blue dress with matching three-quarter length lace coat with powder blue and black accessories and a corsage of pink roses. Receiving for the groom was his sister-in-law Mrs. Gerrard Bruce, who wore pink brocade dres with pink accessories and a corsage of pink roses.

The reception was held at the Oak Room, Toronto for about sixty-five guests where Mr. Raymond Baines, Hamilton, proposed the toast to the bride.

The couple will reside at 486 Clinton Ave Toronto.

Out of town guests were from Dartmouth, NS, Shawville, Yarm, Ottawa, Sault Ste Marie, Hamilton and Peterboro.

## CofC discusses problems of food-deficit nations

The Canadian Chamber of Commerce is concerned with the problem of world population growth and distribution of adequate food supplies.

The population of the world today is just over three billion; three-fourths of this number live in the developing nations of Africa, Asia, and Latin America. It has been estimated that by the year 2000 these nations will account for about 85 per cent of the population at that time.

More than half the world's people earn less than $100 a year, as compared to the $250 a year believed to be the point where self-sustained growth begins. The Chamber of Commerce feels that the developing countries might reach this level by the end of the century if they could increase the rate of growth of income and control the rate of growth of the population.

With this growth more food will have to be made available.

Since grain surpluses of the "have" nations have been disappearing, much of the new food will have to be grown by the developing nations themselves. Free or low-cost imported food provides little incentive to improve agriculutral output in these countries. Instead the "have" nations such as Canada, must help raise the food-deficit countries to a state of economic and agricultural sufficiency where they will be able to feed themselves. Modern farming techniques have doubled production on lands in Canada; more intensive use of these methods will make a difference in these other nations.

The problem now lies in transplanting our knowledge of irrigation, pestcontrol, fertilizer, and other methods to these people who are in need. We will first have to overcome the problem of the illiteracy of 90 per cent of these farmers.
