Mail matter posted at a Money Order Post Office in Canada for delivery at any Post Office in Canada, or on any rural route within Canada, may be sent C.O.D. (Collect on Delivery), whereby charges due the sender up to \$100 may be collected from the addressee, and remitted to the sender by Post Office Money Order. Rural Routes are for this purpose considered as Money Order Post Offices and may be granted a C.O.D. service.

C.O.D. fees are: 15 cents, if the amount to be collected is not more than \$50.00; 30 cents if the amount to be collected is more than \$50.00 and not more than \$100.00.

Parcels for delivery within Canada, China, Germany, Great Britain (including Northern Ireland), Grenada, Holland, Hong Kong, Irish Free State, Newfoundland, New Zealand, St. Vincent and United States, mailed at parcel post rates cannot be registered, but may be insured against loss, rifting or damage. Information as to insurance fees, etc., can be obtained at any Post Office. General merchandise (parcel post), etc., may be sent to the United States at the rate of fourteen cents per pound or fraction thereof, with the proviso that the maximum charge on any package of merchandise up to 8 oz. shall not exceed one cent an ounce and the limit of weight for packages of merchandise exchanged between Canada and the United States is 15 lbs. Such matter is subject to Customs examination on arrival in the country of destination, and to the collection of any duty to which it may be found to be liable. The United States Post Office Department collects 5 cts. as a delivery fee on a parcel post parcel sent from Canada for delivery in the United States.

The United States authorities require that a Customs Declaration be attached to all parcels of general merchandise (parcel post) prepaid at parcel post rates, posted in Canada addressed for delivery in the United States, except packages of mer-

chandise weighing 8 ounces or less, paid at the rate of 1 cent for each ounce or fraction thereof, in which a Customs Declaration or invoice should be enclosed.

They further require that commercial invoices or statements of value be enclosed with books prepaid at printed matter rate, also in sealed parcels of general merchandise prepaid at letter rate, posted in Canada addressed for delivery in the United States.

Such matter when addressed to the United States should be open to inspection, in the manner described in the regulations concerning domestic Parcel Post. However, sealed packages of general merchandise (parcel post) may be accepted for transmission provided the sender has placed thereon a printed label or an impression of a rubber stamp, giving the name and address of the sender and stating in a general way the nature of the contents.

General merchandise (parcel post) addressed to the United States may be accepted for insurance under the same terms and conditions as apply to parcels posted for delivery within Canada. The scale of insurance fees is the same as for Canada.

Registration.—Every article intended for registration must be handed in at the wicket, and a receipt obtained therefor. The fee on all classes of articles (except parcels sent by parcel post) addressed to countries to which matter may be registered is ten cents.

The sender of a registered article addressed to any place in Canada or to any Postal Union country may entitle himself to a certificate as to the disposal of the said article by the Postmaster at the office addressed, on prepayment of an additional fee of 10 cents. All classes of matter except Parcel Post packages may be registered to places in Canada, United States and most other countries.
