MERCANTILE AGENCY.

Established in New York thirty years ago on June 21st, 1841 and in Canada in 1857, for the promotion and protection of trade; Union buildings, St. Francois Xavier st., Montreal.

Our object, and that of our thirty branch and associate offices in the large cities of the United States of America, Canada, Melbourne, Australia, and London, England, is to give information to subscribers, of the standing of those who purchase goods on time, or otherwise require credit.

We are supported by fully three-fourths of the merchants, bankers and manufacturers of every community where our advantages are known.

"This institution, established in the city of New York many years ago, for the promotion and protection of trade, was the first organized effort ever made to relieve the merchants and manufacturers of the country from the insecurity of credit operations, and to substitute for the tardy, expensive, and unsatisfactory results of individual investigation, a system that should be alike prompt, economical, and reliable—whose purpose it should be to supply (to subscribers only) all necessary information as to the standing and responsibility of merchants, traders, manufacturers, public companies, &c., throughout the United States, their Territories, and British North America."

Collections of past due debts particularly attended to for all, whether subscribers to the Agency or otherwise.

Terms of subscription will be made known at the office, where we shall be much pleased to afford information as to the system pursued and to give (free of expense) to those who contemplate joining the institution, a reasonable test of the correctness of our reports.

Postal Regulations.

Mails are conveyed twice each way every day, except Sunday, over the principal lines of railway in Canada. Over the less important lines of railway they are carried only once each way every day, except Sunday.

Mails are also conveyed once each way every day, except Sunday, over the principal lines of common road; and once, twice, or three times per week over the less important lines of common road.

The postal communication between Ontario and Quebec and the Lower Provinces is six times per week each way *via* Quebec, Rivière du Loup and Edmundston, and once per week each way by steamers from Quebec to Pictou. Also three times per week each way in summer by steamers between Portland and St John, N.B., and daily by way of Bangor, Maine and Calais to St John, twice per week by steamer between Portland and Halifax.

The most speedy and direct postal route from Canada to almost every portion of the globe (with the exception of the Continent of North America, the Isthmus of Panama, New Zealand,

China and Japan and the West India Islands,) is by way of England, whence mails for the several British Colonies and Foreign Countries are regularly despatched.

The most speedy and direct postal route from Canada to all parts of the Continent of North America, the West Indies, Central and South America, is *via* New York.

The most direct postal route to New Zealand, China and Japan is *via* Detroit and San Francisco.

Mails for England are despatched as follows: By mail Steam Packets sailing from Quebec in summer and Portland in winter every Saturday; and from Halifax, Nova Scotia, every alternate Friday. By Steamer from New York every Thursday.

The following post offices in the Dominion of Canada make up mails direct for certain post offices in the United Kingdom, viz.:

Hamilton,	Fredericton,
Toronto,	Sackville,
Kingston,	St John,
O tawa,	St Stephens,
Montreal,	Chatham,
Quebec,	Dalhousie,
Halifax,	Newcastle,

Mails are exchanged daily with the United States post offices at all the principal frontier points, and closed mails are exchanged daily between the principal cities of the Dominion and New York and Boston.

Montreal exchanges Mails direct with the following American Offices:—Boston, Buffalo, Burlington, New York, Plattsburg, Portland, Rouse's Point, Rutland and Whitehall.

Mails for Bermuda and Newfoundland are made up at Halifax, Nova Scotia, whence steamers sail once a month to Bermuda and St Thomas, and once a fortnight to Newfoundland.

Rules of Postage on Letters.—The rate of postage on *prepaid* Letters between any one place in Canada and any other place in Canada, is regulated by weight, irrespective of distance, and is as follows:—

On a letter not more than $\frac{1}{2}$ an oz.,	3 cents.
" more than $\frac{1}{2}$ oz. but not ex. 1 oz.,	6 cts.
" " 1 oz.	1 $\frac{1}{2}$ " 9 cts.
" " 1 $\frac{1}{2}$ "	" 2 " 12 cts.
" " 2 "	" 2 $\frac{1}{2}$ " 15 cts.

And so on, 3 cents being charged for every additional $\frac{1}{2}$ oz., or fraction of half ounce.

If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to an additional rate.

Letters posted in and addressed to any place within the Dominion of Canada, if sent unpaid, are liable to a charge of 5 cents per $\frac{1}{2}$ oz.

In applying the 5 cent unpaid rate to letters passing within the Province posted unpaid or not fully pre-paid—it should be observed that a letter passes either as pre-paid at 3 cents per $\frac{1}{2}$ oz., on condition that the whole postage due be fully pre-paid—or at 5 cents per $\frac{1}{2}$ oz. if posted unpaid, or only partly pre-paid—in the latter case the full rate at 5 cents per $\frac{1}{2}$ oz. will be marked, and a deduction made therefrom of the amount which may have been paid—thus on an ounce letter pre-paid 3 cents only—the rate will be 10 cents and crediting the 3 cents paid—7 cents will remain to be charged, and collected on delivery.

The object of the 5 cent unpaid rate is to induce pre-payment, and thereby relieve the Post Office from costs and trouble of account and collection, but this object is equally defeated whether the letter be wholly unpaid, or but partially pre-paid—and therefore the 5 cent rate applies to the whole charge upon the letter in both cases.

The charge on local or drop letters, viz. letters posted at an office in Canada for delivery from that office is one cent for each letter, which *must* be pre-paid, or the letter will be sent to the dead letter office for return to the writer.

The charge on letters delivered by letter-carriers in Canada, is two cents for each letter in addition to the ordinary postage.

The rate of postage on letters to Prince Edward Island is 3 cents per $\frac{1}{2}$ oz. if pre-paid, and 5 cents if not prepaid.

The rate of postage on letters to Newfoundland is 1 $\frac{1}{2}$ cents per $\frac{1}{2}$ oz., which *must* be pre-paid.

The rate of postage on letters to British Columbia and Vancouver Island is 10 cents per $\frac{1}{2}$ oz., which *must* be prepaid. This rate covers the letter to San Francisco only; there will be an additional charge on delivery.

The rate of postage on letters to Manitoba *via* the United States, is the same as to any other part of Canada, but all postage *must* be pre-paid by postage stamp.

The rate of postage on letters between any place in Canada and any place in the United States, is 6 cents per $\frac{1}{2}$ oz. if pre-paid, and 10 cents per $\frac{1}{2}$ oz. if not prepaid.

Upon a letter or packet, of any weight, addressed to the *United States* the *whole* postage or *none at all* should be pre-paid. If anything less than the whole is pre-paid no account is taken of it, and it is *entirely lost to the sender*.

The scale of weight under which the above letters are charged is the same as the scale under which letters, passing between places in Canada, are rated.

The single rate of postage on letters between any place in Canada and any place in the United Kingdom, is as follows:

By Canadian Steamer, sailing every Saturday from Quebec in summer, and from Portland in winter, and from Halifax fortnightly, 6 cents per $\frac{1}{2}$ ounce.

By steamer, sailing from New York every Wednesday, 8 cents.

Letters addressed to the United Kingdom, and forwarded by either of the above routes, will be charged according to the following scale:

Letters not over $\frac{1}{2}$ an oz., 1 rate.
Letters more than $\frac{1}{2}$ oz., and not ex. 1 oz. 2 rates.
" " 1 " " 1 $\frac{1}{2}$ oz. 3 rates.

And so on, adding one rate for every additional half ounce or fraction of a half ounce.

The postage on all letters posted in Canada for the United Kingdom, and in the United Kingdom for Canada, should be prepaid by postage stamp.

If sent unpaid 3d. sterling will be charged on each letter, on delivery, in addition to the ordinary postage rate.

Letters posted in the United Kingdom, for Canada, unless specially addressed "By Canadian Steamer," or "By Cunard Steamer," are despatched in the first mail that is made up—whether for Canadian or Cunard line—after the

letter is posted, so that letters intended for the Canadian packets must either be posted on the proper days for the Canadian Packet Mails, or bear the words "By Canadian Mail Steamer" on the address. In like manner letters posted in Canada for the United Kingdom should be addressed "By Canadian Packet" or "via New York." If for the latter route the additional postage 2 cents per half oz. should be added to the ordinary rate of 6 cents.

Two cents will be charged on the delivery of letters which have been forwarded as above by Cunard Steamer, but, on which 3d. sterling or 6 cents only per ½ oz. have been pre-paid.

The charge on dead letters, returned to the writers, is five cents on each letter in addition to the postage.

Soldiers' and Seamen's Letters.—Non-commissioned officers, embodied pensioners, seamen and soldiers, and army school-masters of all but first class, while they are employed in Her Majesty's Service, can send and receive letters at the rate of 2 cents each, under the following regulations:

1. The two cents must be paid by postage stamp at the time the letter is posted.

2. The name of the soldier or sailor, his class or description, and the name of his ship, corps, or detachment to which he belongs, must be specified in the direction of the letter; and in the case of letters sent by soldiers or seamen, the officer in command must sign his name and specify his rank, and the name of the ship or regiment, corps or detachment, which he commands. 3. The letter must not exceed half an ounce in weight. 4. The letter must refer solely to the private affairs of the soldier or seaman.

All the foregoing descriptions must be fully written in the address in the following form, the initials of the name of any ships or regiments being insufficient:

SEAMAN.	SOLDIERS.
From A. B.—Seaman of H. M. S. _____ (Insert direction of Letter.)	From A. B.—Sergeant. _____ Regt. (Insert direction of Letter.)
C. D., Captain or other commanding officer. H. M. S. _____	C. D.—Colonel, or other commanding officer. _____ Regt.
To A. B.—Seaman, H. M. S. _____ (Direction to be finished.)	To A. B.—Private, Sergt. or Corp'l. _____ Regt. (Direction to be finished.)

Letters for soldiers or seamen may be forwarded at the above rate to or through any country requiring the payment of any foreign or transit rate, but subject to the payment of such foreign or transit rate as may be chargeable thereon.

Soldiers' and seamen's letters are not liable to any additional rate on re-direction.

All soldiers' and seamen's letters are conveyed between Canada and the United Kingdom by the Canadian line of steamers.

Letters sent by commissioned or warrant officers, midshipmen or masters' mates, engineers, gunners, boatswains or carpenters in the navy, captains, clerks, or first class school-masters, or commissioned or warrant officers in the army, are not included in the privilege attached to letters of soldiers and seamen, but are chargeable with the same rates as ordinary letters.

Soldiers' and seamen's letters posted in Canada without a compliance with the above regulations are liable to full postage. If posted in accordance with the above regulations, but without pre-payment of 2 cents, they are liable to a charge of 2d. sterling on delivery in the United Kingdom.

Soldiers' letters, and those of non-commissioned officers and privates of the Volunteer Militia of Canada when on active service posted and addressed to places in Canada, pass under the above regulations at the reduced rate of 2 cents.

Rates of Postage on Newspapers.—The law declares that for post office purposes a newspaper shall be held to mean a periodical published not less frequently than once in each week, and containing notices of passing events, that is to say, general news.

Although provision is made for forwarding newspapers through the post, it is not compulsory on any one to employ this mode of transmission; everything except letters may be sent in any other way.

A newspaper to pass at the undermentioned rates is subject to the following restrictions:

1. It must have no cover, or a cover open at both ends.

2. It must not contain any enclosure.

3. It must have no writing or mark thereon but the name and address of the person to whom it is sent, nor anything on the cover except such name and address.

Newspapers which are not posted in accordance with these regulations are not forwarded but are sent to the Dead Letter office and destroyed.

An extra newspaper, or a supplement to a newspaper, is deemed a distinct newspaper, and charged accordingly.

Newspapers published in the Dominion may be sent by post from the office of publication to any place in Canada at the following rates, if paid quarterly in advance, either by the publisher at the post office where the papers are posted, or by the subscriber at the post office where the papers are delivered.

A paper published 6 times per week, 30 cts. per quarter.

"	3	"	15 "
"	2	"	10 "
"	1	"	5 "

When the above rates are not paid in advance by either the publisher or subscriber, the papers are charged 1 cent each on delivery.

It is not necessary that the commuted rate on newspapers should be paid absolutely on the first day of each quarter. The regulation is intended to be carried out with all due consideration for the convenience of the public, and it will be sufficient if the person desiring to pay the commuted rate declares his intention and offers the payment when first calling at the office within a reasonable time after the commencement of the quarter; but after having made his

option to pre-pay the commuted charge, or to pay for his papers as received at 1 cent each, as the case may be, postmasters are not expected to alter their newspaper accounts to allow of a change until the commencement of the next quarter.

The commuted rate of payment *cannot* be accepted from new subscribers during a quarter for any unexpired period of the quarter.

Newspapers published in Canada, which are not posted from the office of publication, must be pre-paid 2 cents each by postage stamps, otherwise they will not be forwarded, but be sent to the Dead Letter office and destroyed. Papers of this class are termed "Transient Newspapers."

Publishers of newspapers in Canada are allowed to enclose in copies of their papers sent to subscribers, subscription accounts and receipts for the same without rendering them liable to any additional postage.

Packages of unbound newspapers published in Canada may be returned by a subscriber to the office of publication at the rate of 2 cents per 8 oz. or fraction of 8 oz., which must be pre-paid.

Transient newspapers addressed to the United States must be pre-paid 2 cents each newspaper by postage stamp, otherwise they will not be forwarded, but be sent to the Dead Letter office and destroyed.

Transient newspapers posted in the United States and addressed to Canada, are liable to 2 cents each on delivery. The stamp paid on these papers indicates that the United States postage only has been pre-paid, the Canadian rate of 2 cents remaining to be collected.

American newspapers posted or re-posted in Canada except by news agents to regular subscribers must be pre-paid 2 cents each by stamp, otherwise they will not be forwarded.

The option of paying the commuted rate on newspapers does not apply to papers published in the United States; papers addressed to regular subscribers must be paid for at the full rate of 1 cent each.

Canadian news agents and booksellers may post American newspapers unpaid, when addressed to regular subscribers in the Province; but such newspapers are chargeable, on delivery, with 1 cent each.

Newspapers posted in Canada and addressed to the United Kingdom must be pre-paid by stamp, 2 cents each newspaper.

It is forbidden by the regulations of the British Post Office to send through the post, at newspaper rate, any newspaper bearing more than one address. Persons sending newspapers to the United Kingdom from Canada should be careful to cut off the ordinary printed address pasted upon newspapers sent to subscribers in Canada from the office of publication, as any paper having thereon such printed address in addition to that of the party for whom it is intended will be sent to the English Dead Letter office.

When two or more newspapers are enclosed under one cover, postage must be pre-paid by stamp at the rate of 2 cents for each newspaper, or the package will be detained and sent to the Dead Letter office.

Newspapers forwarded by Canadian Steamer are delivered in the United Kingdom without additional charge.

Newspapers forwarded by Steamer from New York are liable, on delivery, in the United Kingdom, to one penny each, being the American transit rate.

Newspapers posted in the United Kingdom for Canada should, if forwarded by Canadian Steamer, be pre-paid one penny each, by stamp. They are subject, on delivery, to no additional charge.

If to be forwarded by Cunard Steamer they should be pre-paid two pence each, or they will be kept for the Canadian Packet.

British newspapers re-posted in Canada must be pre-paid 2 cents each by stamp.

British newspapers distributed to regular subscribers by Canadian booksellers or agents, pass free in the same way as if received by the Canadian Steamers.

Canadian newspapers addressed from the office of publication to subscribers in the United States, the United Kingdom, Lower Provinces, &c., may be forwarded on pre-payment of the commuted rate applicable to subscribers within the Province; but they cannot be forwarded if unpaid. Care should be taken to see that such newspapers are properly stamped at the Post Office where posted "Prepaid by Publisher," as they are in the absence of such stamp liable to be mistaken for unpaid papers, and to be detained accordingly.

Exchange papers passing between publishers in Canada and between publishers in Canada and publishers in the United States, are carried free through the post.

No newspaper, properly so called (except exchanges), whether devoted to education, temperance, agriculture, or to any branch of science, is entitled to exemption from charge.

Newspapers addressed to Newfoundland must be pre-paid 2 cents each, by stamp.

No United States newspapers of any kind or description (with the exception of exchange papers) are on any ground entitled to pass through the Canadian mails free of postage.

In cities and towns where newspapers are published, the printers and publishers should send them to the post office put up in a manner to admit of their being readily counted, and, if necessary, withdrawn from their covers for examination. The newspapers for each office also should be made up in strong paper in a separate parcel, which should be plainly addressed.

When the numbers of a newspaper published in Canada, or in any other of the British North American Provinces, or in the United States, and issued daily, shall have remained in a post office in Canada uncalled for during two weeks; of a newspaper issued semi-weekly, or tri-weekly, during three weeks; of a newspaper issued weekly during one month; and of a monthly periodical during two months, or when such newspapers and periodicals have been refused to be taken by the party to whom addressed, the postmaster is instructed to notify the respective publishers in the proper form, which is to pass free of postage. If the newspaper or periodical continue to arrive after the notice has been sent, the postmaster is instructed to notify the publisher in the same way a second time, specially calling his attention to the first notice.

To enclose a letter, or any writing, or to make any written marks to serve the purposes of a letter, or to enclose any other thing (ex-

cept publishers' accounts and receipts, as before mentioned) in a newspaper posted to pass as a newspaper is a misdemeanor. Postmasters are requested at once to transmit all newspapers containing such writing, marks and enclosures, to the Postmaster General.

Periodical Publications.—Periodical publications are publications issued at regular intervals, but less frequently than once per week. An Almanac or any work of a like character published at stated periods and containing matter of general interest is deemed to be a periodical.

Periodical publications can be transmitted by post to any part of Canada and the United States at the following rates:

Periodicals passing by Mail in Canada.—The rate on all periodicals, other than newspapers, passing by mail in Canada, save such as may be addressed to or received from the United Kingdom, is 1 cent per 4 oz. weight of package containing periodical matter, whether the package contain one or more numbers.

Any fraction of 4 oz. to be charged as a full rate.

Transient periodical matter posted in Canada must in all cases be pre-paid by postage stamps.

The above rate is payable on delivery on all periodical matter received from the United States except that Canadian editors may receive exchange periodicals from the United States free of Canadian postage.

Canadian Periodicals posted for United Kingdom by Canadian Packet.—Periodicals, printed and published in Canada, may be posted, addressed to any place in the United Kingdom by *Canadian Packet*, on pre-payment by postage stamps of 2 cents each number.

This rate is applicable to all classes of Canadian periodicals posted as above for the United Kingdom.

No periodical of any kind or description can, upon any grounds claim exemption from Canadian postage, except such as are received in the mails from the United Kingdom.

Periodicals to pass at above rates must be put up in covers open at the ends or sides; and if these regulations are not complied with, or if such periodicals are found to contain any writing other than the address, they are liable to full letter rates of postage.

No packet of periodicals can be forwarded through the post if exceeding the weight of four pounds.

Bound volumes of any periodical published in Canada may be forwarded at the rate of 1 cent for every 4 oz., if pre-paid by postage stamps.

Book post.—British Provinces and United States.—Books bound or unbound posted in Canada, and addressed to any office in Canada, British North America and the United States, are chargeable with a rate of 1 cent per oz., which must be pre-paid by postage stamps.

Books addressed to places in Canada can be sent through the mails in closed packets at the rate of postage applicable to parcels sent by parcel post.

Bound volumes of any periodical or newspaper published in Canada, if bound in a form to come within mailable dimensions, that is to say, not exceeding two feet in length, breadth or thickness nor exceeding 4 lbs. in weight, may be sent

from the office of publication to any place in Canada at a charge of 1 cent per 4 oz. or fraction of 4 oz. if pre-paid.

Letters, whether sealed or unsealed, or any enclosure found in a book parcel, are liable to be rated as unpaid letters, and the packet in which it is enclosed to an additional rate of 12½ cents as a penalty for a breach of the regulations.

Book Post.—United Kingdom, France, &c.—Book Packets are forwarded by post from Canada to the United Kingdom, and vice versa, at the following rates:—By Mail steamers sailing from Quebec to Portland and Halifax: For each packet weighing not more than 1 oz., 2 cents; exceeding 1 oz. and not exceeding 2 oz. 4 cents; exceeding 2 oz. and not exceeding 4 oz. 6 cents; Not more than 4 oz. 6 cts.

Exceeding 4 oz. and not exceeding ½ lb	12 "
" ½ lb	12 oz 18 "
" 12 oz.	1 lb 24 "
" 1 lb.	1 ¼ " 30 "

And so on, the scale progressing throughout by a single rate for every four ounces.

By Cunard and other steamers sailing from New York, as above: 4 oz. 9 cts.; 8 oz. 17 cts.; 12 oz. 25 cts.; 1 lb. 33 cts.; 1 ¼ lb. 41 cts.

Book Packets addressed to the United Kingdom may in future be registered upon payment of a registration fee of 8 cents, in addition to the ordinary rate of postage.

Book packets, printed matter, or single newspapers can be forwarded from Canada to France, or vice versa by *Canadian Steamers only*, at the following rates:—

If not exceeding 2 oz. in weight	4 cts.
If exceeding 2 oz. and not exceeding 4 oz	8 "
" 4 "	8 " 16 "
" 8 "	12 " 24 "
" 8 "	1 lb. 32 "

And so on adding 8 cents for each additional 4 oz. or fraction thereof.

The following conditions must be carefully observed:

1. Every book packet must be either without a cover or in a cover open at both ends or both sides.

2. It must not contain any letter open or sealed or writing to serve the purpose of a letter, or any sealed enclosure whatever.

3. It must not exceed two feet in length, breadth or width.

4. The postage must be pre-paid by stamp.

A book packet may contain any number of separate books, publications, works of literature or art, almanacs, maps or prints, photographs, daguerreotypes, when put on glass or in frames containing glass, and any quantity of paper, vellum, or parchment (to the exclusion of letters); and the books, maps, paper, &c., may be either written, printed, or plain, or any mixture of the three, and may be either British, Colonial or Foreign.

All legitimate binding, mounting, or covering of the same, or a portion thereof, will be allowed as part of the packet, whether such binding, &c., be loose or attached, as also rollers, in the case of prints and maps, and whatever may be necessary for the safe transmission of literary or artistic matter, or whatever generally appertains thereto, and the postage is rated upon the gross weight of the packet.

The name and address of the sender may also be written or printed on the envelope or cover

of the packet, in addition to the name and address of the person to whom it may be forwarded.

Book and Newspaper, Manuscripts and Printers' Proofs.—In Department Order No. 65, dated 24th Nov., 1863, permission was given for Book-Manuscript, and Printers' Proofs, whether corrected or not, to pass at the printed matter rate of one cent an ounce, and it now appears to be necessary to explain that by Book-Manuscript was meant the written sheets of any Book intended for publication, and the intention was to encourage literary productions, by affording facilities for Authors to send and receive such matter to and from their Publishers by Post. Printers' Proofs are the printed impressions taken by a printer, for correction or examination, of any matter passing through his Press. By Newspaper Manuscript is meant written articles (not including advertisements) intended for insertion in a newspaper or periodical, and addressed to the editor or publisher thereof for insertion. Under former regulations the written marks correcting such proofs rendered them liable to letter postage when sent by mail, and the intention of the Department Order referred to was to relax the rule in favor of such proofs, and allow them when corrected, to retain their character as printed matter, and pass at printed matter rates of charge.

PRINTED PAPERS, CIRCULARS, PRICES CURRENT, HAND BILLS, &c.—Printed circulars, prices current, hand bills, and other printed matter of a like character, posted in Canada, and addressed to any place in the Dominion, British North America, or the United States, are chargeable with a rate of 1 cent per oz. (one cent each when sent singly), which must be pre-paid by postage stamp.

The half-yearly School Returns made by School Trustees to Local Superintendents of Schools, may, though the printed form be partly filled up in writing with the names of the pupils and days of attendance, be transmitted by post in Canada at the rate of 1 cent per oz. to be pre-paid by stamp.

When not filled up the above forms are printed matter, and liable as such to 1 cent per oz. postage.

Military returns, states, and rolls, policies of insurance, containing written figures and signatures, may be forwarded as printed matter on pre-payment of 1 cent per oz.

Printed circulars are transmitted by post to the United Kingdom under the regulations and charges of the Book Post. They must be forwarded, however, open at the ends or sides. If sent in envelopes, sealed or unsealed, they are liable to letter rates of postage.

Prices current, posted in Canada and addressed to any place in the United Kingdom are liable to a rate of 2 cents each, which must be pre-paid by stamp, when sent singly; when, however, sent in packages to one address, they pass at book rates.

Prices current enclosed in envelopes sealed or unsealed or by the regulations of the Imperial post office liable to letter postage.

Lithographed letters and circulars are allowed to pass through the Post at the same rate as printed circulars.

Printed votes and proceedings of the Imperial Parliament and Colonial Legislatures pass to and

from the United Kingdom at the ordinary book post charge.

Parcel Post.—Parcels closed at the ends and sides, and not exceeding 3 lbs. in weight, may be posted at any post office in the Dominion, addressed to any other post office in Canada, at the following rates:

For each parcel weighing not more than 8 oz.....	12½ cents
Exceeding 8 oz and not exceeding 1 lb.....	25 "
Exceeding 1 lb. and not exceeding 1½ lb.....	37½ "

and so on up to the limit of 3 lbs.

The following conditions must be carefully observed:

1. No letter or letters shall be enclosed.
2. The parcel shall not contain any explosive substance, glass, liquids or other matter likely to injure the ordinary contents of the mail.
3. The weight of the parcel shall not exceed 3 lbs., nor the size exceed one foot in length or breadth, or six inches in thickness.
4. The postage must be pre-paid by stamps.
5. The parcel should have the words "By Parcel Post" plainly written on the address. It should be well and strongly put up, and be legibly addressed to the post office address of the intended receiver, the name of the County in which the said office is situated being added. If the name and address of the sender be written on the parcel, it will, if delivery should fail from any cause, be returned from the Dead Letter office unopened to the sender on payment of an additional rate for the return conveyance.

If the number of stamps affixed to a parcel be insufficient to pre-pay the proper rate, the amount deficient will be rated unpaid, with a fine of 12½ cents in addition.

Parcels may be registered, on pre-payment, by stamps, of five cents in addition to the postage. When registered, the postmaster should give a receipt to the party posting the parcel.

Parcels sent by post may contain books, daguerreotypes, photographs, printers' proofs and copy, military returns, statements and rolls, containing written figures and signatures; returns, deeds, legal papers, and all transmissions of a like character not being strictly letters.

To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel intended for the Parcel Post, is a misdemeanor.

Should it be ascertained that a packet posted for the parcel Post contains a letter or letters, the stamps it may bear will be cancelled, and the parcel rated as a letter with full unpaid rates.

Parcels cannot be transmitted by post at the above rates to any place beyond the limits of the Dominion of Canada.

The following is an example of the address recommended:

By Parcel Post.

Mr. Thomas Jones,

Paisley,

County of Bruce.

Sent by William Smith, Toronto.

Franking and Free Letters.—The following matter is exempt from Canadian Postage:

All letters and other mailable matter ad-

dressed to or sent by the Governor General of Canada.

All letters or other mailable matter addressed to or sent by any department of the Government at the seat of Government at Ottawa, under such regulations as may from time to time be made by the Governor General in Council.

All letters and other mailable matter addressed to or sent by the Speaker or Chief Clerk of the Senate of the House of Commons, or to or by any member of either House at the seat of Government, during any Session of the Parliament; or addressed to any of the members or officers in this section mentioned, at the seat of Government as aforesaid, during the ten days next before the meeting of Parliament.

All public documents and printed papers sent by the Speaker or Chief Clerk of the Senate or of the House of Commons, to any member of either House, during the recess of Parliament.

All papers printed by order of either House, sent by members of either House, during the recess of Parliament.

Petitions and addresses to either of the Provincial Legislatures of Ontario, Quebec, New Brunswick and Nova Scotia, or to any branch thereof, and votes, proceedings and other papers printed by any such Legislature, or any branch thereof, during any session thereof, provided such petitions and addresses, votes, proceedings and other papers, are sent without covers or in covers open at the ends or sides, and contain no letter or written communication to serve the purpose of a letter.

Letters and other mailable matter (except that provided for as above) addressed to or sent by the Provincial Governments or Legislatures of Ontario, Quebec, New Brunswick and Nova Scotia will be liable to the ordinary rates of postage.

Public documents and printed papers sent under the foregoing clauses, should bear, as part of the address, the *bona fide* superscription of the Speaker, Chief Clerk, or officer specially deputed for this purpose, to act for those functionaries, or of the member sending the same.

All letters and other mailable matter to and from the Postmaster General and the Deputy Postmaster General; and all official communications to and from the Post Office Department, and to and from the Post Office Inspectors are to pass free of Canada postage.

Abating and Refunding Postage.—Postmasters in Canada are allowed to refund postage in the following cases, only:—

Letters originating and for delivery in Canada, charged as weighing more than the actual weight.

Postage incorrectly charged on editors' notices addressed to publishers and editors, and exchange papers, which should legally pass without charge.

All other claims for the return and abatement of postage must be specially referred to the Postmaster General for his decision, with the letter or packet on which the return is claimed.

Undelivered and Dead Letters.—All letters remaining undelivered in the post office on the first of each month, excepting drop letters and such letters as are daily called for, are advertised in a list posted at the office door for the information of the public.

If a newspaper is published in the neighborhood, the Postmaster is, at the discretion of the Postmaster General, directed to insert this list therein, provided the proprietor will give it insertion at the authorized rate.

Parties applying at an office for advertised letters should always ask for them as such.

Letters and papers after remaining undelivered in an office for two months are sent to the Dead Letter office, as also are all letters refused by the person to whom they are addressed, or letters addressed to persons deceased.

Letters are opened in the Dead Letter office in order that they may, when necessary, be returned to the writers; but no Postmaster is at liberty to return a letter to the writer direct. All undelivered correspondence must be sent to the Dead Letter office.

Registration.—By the pre-payment of the following fee, in addition to the ordinary postage, letters and parcels can be registered at the office at which posted:

On letters addressed to any in place Canada or the other British North American Provinces.....	3 cents.
On letters addressed to any place in the United States.....	5 "
On letters addressed to any place in the United Kingdom.....	8 "
On books addressed to any place in the United Kingdom.....	8 "
On parcels to any part of the Dominion.....	5 "

The registration fees on letters to British colonies and foreign countries will be found in the tables.

Every letter or parcel containing value should be marked for registration and presented to the Postmaster or his clerk, and a receipt obtained therefor. On no account should it be dropped into a letter box.

When letters are registered, both the postage and the registration fee must in all cases be pre-paid.

Books, periodicals, newspapers, circulars, and other printed matter cannot be registered (except books addressed to the United Kingdom) unless pre-paid the full letter rates, in addition to the ordinary registration fee.

Registered letters and packets can only be delivered to the parties to whom they are addressed or to their order, and a receipt must be given on the delivery of each registered letter in a book kept by every postmaster for that purpose.

It should be clearly understood that the post office is not responsible for the safe delivery of a registered letter or parcel. The registration simply makes its transmission more secure, by rendering it practicable to trace it, when passing from one place to another in Canada, from its receipt to its delivery; and when addressed from any place in Canada to any place in the United States, the United Kingdom, or parts

abroad, if not to its delivery, at least to the frontier or port of despatch.

Postage Stamps.—Every Postmaster is required to have on hand a sufficient stock of postage stamps, and to sell them to the public at ½ cent, 1 cent, 3 cents, 6 cents, and 12½ cents each.

The Department has discontinued the supply of stamped envelopes.

Under the authority of the Postmaster General, postage stamps are sold to certain dealers in the principal cities to retail again to the public, but no person other than a Postmaster, can sell postage stamps unless duly licensed to do so by the postmaster General under a penalty of \$40 for each offence.

Pre-payment of letters should, in all cases where practicable, be made by postage stamps.

A mutilated stamp, or a stamp cut in half, is not recognized in pre-payment of postage.

A medallion stamp cannot be accepted in pre-payment of postage separate from the envelope of which it may have formed a part.

No British stamps, or stamps of a foreign country, can be received in pre-payment of postage in Canada.

In affixing the stamp to the letter, wet slightly the corner of the envelope and the gummed side of the stamp and gently press the stamp until it is firmly fixed. Stamps should be placed on the front or address side of the letter, and on the right hand upper corner.

Letters cannot be pre-paid partly in stamps and partly in money; the postage must be pre-paid either wholly in stamps or wholly in money.

If the stamps affixed to a letter addressed to any place in British North America be not adequate to the proper postage, the letter is rated with an amount equal to the deficiency; the whole postage being calculated at the *unpaid rate*, e.g. a single letter pre-paid 1 cent would be rated 4 cents additional; a double letter pre-paid 5 cents only would be rated 5 cents additional.

Letters addressed to the United States, on which stamps are affixed representing less than the amount of postage to which the letters are liable, are rated with full unpaid postage.

Postage stamps are received at all post offices in payment of postage on unpaid letters delivered therefrom.

Postage Rates on certain Miscellaneous Matter passing within the Province of Canada, or to and from the United States.

1. Packages of seeds, cuttings, bulbs, roots, and scions, or grafts, may be posted in Canada for delivery within the Province or to an address within the United States, on pre-payment by postage stamps of a rate of 1 cent per ounce; and when received from the United States to any place in Canada, such packages may be delivered on payment by the person addressed of a like rate.

2. The limit of weight for such packages will be one pound. No communication, whether written or printed, must be enclosed in them; and they must be so put up as to be easy of examination, for the purpose of verifying the alleged contents. If put up in bags the bag must be simply tied at the neck, so as to admit of in-

spection; and in the case of such package, mailed in Canada, the nature of the contents, such as "seeds," "roots," &c., as the case may be, must be marked on the package by the sender, as a statement of the claim to pass at the reduced rate above mentioned.

3. Book manuscript, and printers' proof sheets (whether corrected or not) maps, prints, drawings, engravings, photographs, when not on glass, or in cases containing glass, and sheet music (whether printed or written), may pass in covers open at the end or sides, and provided that no letter or other communication intended to serve the purpose of a letter, be enclosed therein, on pre-payment, when posted in Canada, by postage stamp of the ordinary printed matter rate of 1 cent per ounce; or upon payment of that rate on delivery of such matter when received in the mails from the United States.

Transmission of Patterns of Merchandise and Samples between Canada and the United Kingdom, and certain other countries.

4. Patterns of merchandise and samples may be forwarded between Canada and the United Kingdom, and Denmark, France, Italy, Belgium, and the German States by the Canadian packet mails, at book-post rates, and subject to the following conditions:

A. The patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Department Order, appears as follows:

B. It has hitherto formed part of the Imperial post office regulation that "*samples or patterns must not be of intrinsic value*," but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter nor enlarge in any way, the character of the transmission permitted to pass by pattern post.

The special prohibition as to intrinsic value has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by pattern post is a genuine commercial sample (or pattern) or not, but because as a general proviso it could not well be enforced; inasmuch as every article, whether properly a pattern or sample or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C. The patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck; or, provided in-

that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

D. The rule which prohibited the transmission through the post, as patterns, of articles of cutlery, &c, has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined; and it is made a rule that any packet containing such articles, which may be found to be insufficiently guarded, shall not be forwarded through the post.

The limits of weight are as follows :

If for Canada.....	24 oz.
“ United Kingdom.....	24 “
“ France.....	36 “
“ Germany.....	8 “
“ Kingdom of Italy.....	36 “
“ Belgium.....	8 “
“ Netherlands.....	16 “
“ Portugal, Azores, and Madeira.	16 “
“ Denmark.....	48 “
“ Switzerland.....	48 “

A packet of patterns or samples sent to France or Portugal must not exceed 18 inches in length, or 12 inches in width or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

None of the articles named in the rule D. may be sent as patterns or samples to any place abroad, except Germany, Belgium, and the British colonies, and not to these places when addressed “*via France*.”

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturers or trade mark and number, and the price of the article.

Any infringement of the above regulations will render the packet liable to be treated and charged as a letter.

MONEY ORDERS.

Every money order office in Canada issues money orders on every other money order office in Canada as well as on every money order office in the United Kingdom. Every money order office in the United Kingdom also issues money orders on every money order office in Canada.

MONEY ORDERS IN ONTARIO AND QUEBEC.

All the money order Post Offices in Ontario, Quebec and New Brunswick are authorized to draw money orders on each other for any sum up to \$100, and for as many orders of \$100 each, as the applicant may require, upon the following terms, viz., in Ontario and Quebec :

On Orders up to \$10.....	5 cents.
“ over \$10 and up to \$20.	10 “
“ over \$20 “	\$40. 20 “
“ over \$40 “	\$60. 30 “
“ over \$60 “	\$80. 40 “
“ over \$80 “	\$100. 50 “

MONEY ORDERS ON THE UNITED KINGDOM.

The money order offices throughout the Dominion also draw upon all the money order offices in England, Ireland and Scotland, and the Channel Islands, for any sum up to £10 sterling, and grant as many orders for £10 sterling each as may be needed to make up the amount to be remitted. The terms are as under

On Orders up to £2.....	25 cents.
“ over £2 and up to £5....	50 “
“ over £5 “	£7.... 75 “
“ over £7 “	£10...\$1.00.

MONEY ORDERS ON THE LOWER PROVINCES.

The money order offices in Ontario, Quebec, and New Brunswick draw also upon all money order offices in Nova Scotia, New Brunswick, Prince Edward Island, and Newfoundland. The orders, like those of the United Kingdom, are made payable in sterling money, and for sums up to £10 sterling. The terms are :

For orders on Nova Scotia the same rates of commission as upon money orders drawn by Ontario or Quebec upon offices within those provinces.

For money orders on the other provinces the terms are :

For orders up to £5, 25 cents.
“ over £5 and up to £10, 50 cents.

No half cents can be introduced into orders.

No Money order exceeding \$100 in amount can be granted on any office in Canada; but Postmasters are at liberty to grant two or more orders for \$100 or for any lesser sum.—They cannot, however, grant two or more orders for sums of or under \$30 on the same day to the same applicant in favor of the same payee.

Tables showing the amount of Provincial currency required for money orders issued in Canada upon the United Kingdom, in addition to the commission, and for money orders issued in the United Kingdom upon Canada will be found subjoined.

Applicants for money orders should always use the printed application forms, in which they should fill up the particulars of the order required. These forms are supplied gratuitously at all money order offices.

The Christian and surnames in full, and residences, both of the remitter and payee, should be furnished to the issuing postmaster. When a married woman is either the remitter or payee, her own Christian name should be given, and not that of her husband, thus—

“ Mrs. Mary Smith,” not “ Mrs. John Smith.”

If the remitter or payee be a Peer or a Bishop, his ordinary title is sufficient. If a firm, the usual designation of such firm will suffice, such as “ Baring Bros,” “ Smith & Son,” “ Jones & Co.”

Parties procuring money orders should examine them carefully to see that they are properly filled up and stamped. This caution will ap-

pear the more necessary when it is understood that any important defect in these respects will throw difficulties in the way of payment.

Money orders, which, in consequence of misapprehension of the name of the remitter or place of payment, have been erroneously made out, can be returned to the postmaster and a correct order given in exchange; a new commission, however, will be charged on the corrected order.

Parties obtaining money orders on Canadian offices, can procure re-payment thereof on presentation of the order at the office at which it was issued, signing the receipt at the foot. No order, however, can be re-paid without the authority of the superintendent, unless presented for re-payment on the day on which it is issued. Neither can orders on the United Kingdom be re-paid without his special authority.

When a remitter desires an order on the United Kingdom to be paid through a bank, it is left to his option to give or withhold the name of the payee, or to substitute for the name of the payee any other designation or modification, such as "the Cashier of the Bank of England," "the chief Clerk of the Foreign Office." Such orders must, however, be crossed by the issuing postmaster with the name of the bank through which the order is to be paid.

The issue of money orders on credit, or for cheques not marked "good" by the bank drawn upon, is strictly prohibited.

If a payee is unable to write, he must sign the receipt at the foot of the order, in the presence of the paying postmaster, by making his mark, to be witnessed in writing; as for example

His
Witness—John Kenny, Joseph † Allen.
Queen Street, Toronto. Mark.

In cases of money orders issued in Canada, postmasters are at liberty to accept the written order of the payee on the order itself in favor of a second person, if through illness or insuperable difficulty the payee is prevented from presenting the order in person.

When a Canadian money order has been lost, either by the remitter or payee, the circumstance must be made known to the superintendent, who, under certain precautions, will issue a duplicate.

Duplicates of sterling orders can only be granted by the paying country. Thus the British post office issues duplicates of orders drawn in Canada on the United Kingdom, and the Canadian Head Money order office grants duplicates of orders drawn in the United Kingdom on Canada.

Money orders which are not presented until one full year after their date are considered as lapsed orders, and cannot be paid without the special permission of the superintendent. In all such cases satisfactory reasons should be given explanatory of the delay in the presentation of the order.

The Deputy Postmasters General of Malta and Gibraltar are authorized to issue money orders on the several money order offices in Canada. Money order offices in Canada do not, however, grant money orders on Malta and Gibraltar.

Amount in Currency to be paid in Canada for Money Orders drawn in Canada on the United Kingdom, and for Money Orders drawn in the United Kingdom on Canada, from 1d. Sterling to 5s. Sterling.

A letter delivered to the wrong person in consequence of his name being the same as that of the person for whom the letter is really intended, should be at once returned to the postmaster from whom received, the party writing on the cover "opened by me through mistake," and signing his name thereto.

Letters posted without any direction, or addressed so imperfectly that they cannot be forwarded to their intended destinations, and also unpaid or insufficiently paid letters addressed to countries to which letters cannot be sent without the postage is pre-paid, are returned to the writers through the Dead Letter office.

No information can be given respecting letters which pass through a post office except to the person to whom they are addressed.

Parties desiring their letters and papers to be re-directed should send an intimation to that effect, in writing, to the postmaster of the office from which letters and papers are to be re-directed.

Postmasters are allowed to re-direct letters to the known places of residence of the parties to whom they are addressed, after allowing a reasonable time to elapse without their being called for.

Letters and papers are not subject to any additional charge when re-directed from one post office in Canada to another post office in Canada.

Postmasters are instructed not to receive any letter or packet which there is good reason to believe contains glass or anything likely to injure the contents of the mail bag or the person of any officer of the post office.

The transmission of indecent photographs or prints, and immoral books, papers or publications through the Post is strictly prohibited, and all packets containing such articles should be stopped and sent to the Postmaster-General.

A postmaster is not legally bound to furnish change; but may require that the exact amount of postage on any letter or packet be tendered to him in current coin, or in Canada postage stamps.

Postmasters and their assistants in the above matter, as well as in all their official intercourse with the public, are expected to afford every accommodation, and to treat every person having business at their offices with the utmost courtesy.

Letters cannot be delivered at any intermediate office *en route*, but must be conveyed to the office to which they are addressed.

N.B.—The Currency amount to be added for any broken sum between the pounds Sterling, viz., from £1 to £5, will of course be taken from the scale above. Thus for an Order of £3 18s. 11d. Sterling: £3 is \$14.60; and, for 18s 11ds. \$4.60, which will give the full value of the Order, viz., \$19.20.

BILL STAMPS.

Bill Stamps—Are distributed for sale very generally throughout the Post Offices in the Province: these stamps are of various values from 1 cent upwards. Bill stamps cannot be used in pre-payment of postage.

Law Stamps—Are also for sale at the principal Post Offices in Lower Canada.

General Regulations—Postmasters and certain other officers of the department are exempt from serving on juries or inquests. This exemption applies to mail carriers, but not to assistants appointed and paid by postmasters.

Postmasters are not authorized to give credit for postage, if they do so it is entirely at their own risk.

A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded according to its direction. On no application, however urgent, can it be delivered back to the writer, or to any other person.

A letter addressed to a firm may be delivered to any member of the firm. If addressed to several persons, it may be delivered to any one of them.
