THE PAPER OF THE EASTERN TOWNSHIPS

Established 1897. PRICE 3 CENTS SHERBROOKE, QUEBEC, TUESDAY, JULY 9, 1946. Fiftieth Year

World News In Brief

Vancouver, July 9.—(C.P.)—A. J. McDonnell, member of the McDonnell Metal Manufacturing Co. Ltd., said last night that A.F.L.-affiliated employees in 17 city foundries will return to work this morning despite C.C.L. picket lines. Last week, the men signed an agreement with the plants calling for a 10 cents an hour increase and a 44-hour week. Mr. McDonnell, acting as spokesman for the operators, said five plants resumed operation yesterday after A.F. of L. Moulders' Union members crossed picket lines. He challenged a statement made earlier by John Frame of the C.C.L. union which said that 95 per cent of the A.F.L. unionists had refused to cross the picket lines.

Buffalo, N.Y., July 9.—(AP)—The Canadian dollar was worth only 97 cents at Buffalo banks yesterday, despite the fact the Canadian Government has revealed it to put it on a par with the United States dollar.

Buffalo, N.Y., July 9.—(AP)—The Canadian dollar was worth only 97 cents at Buffalo banks yesterday, despite the fact the Canadian Government has revealed it to put it on a par with the United States dollar.

Trieste, July 9.—(AP)—Order returned to Trieste today after a violent counter demonstration staged yesterday by approximately 1,000 British troops in protest against indignities offered at the hands of Italian rioters last Saturday.

London, July 9.—(C.P.)—Soviet News, publication of the Russian Embassy here, denied last night as "malicious nonsense" a report by a news agency that Russia is seeking fishing concessions in the South Atlantic Ocean as compensation for supporting Argentina's claim to the Falkland Islands.

Russia Promises To Outline Policy Toward Germany

Foreign Ministers' Council Anxiously Awaits Declaration From Soviet in Regard to Attitude to Be Adopted in Reich—Peace Parley Fixed for July 29 as Deadline Broken by Compromise.

By JOSEPH DYNAN
Paris, July 9.—(AP)—The Foreign Ministers' Council, turning to the German question after finally breaking a four-day deadlock on the calling of a 21-power conference, anxiously awaited today a promised "important declaration" of Russia's policy toward Germany.

The log-jam ended last night with the adoption of a French compromise providing that only a few suggested rules of procedure be sent out with invitations to the peace conference, scheduled to open July 29 in Luxembourg Palace.

Under the compromise, France was authorized to send out invitations today to the countries which will draft peace treaties with Italy, Hungary, Romania, Bulgaria and Finland.

THREE DIE IN TRUCK SMASH-UP
Baie St. Paul, Que. July 9.—(CP)—Three employees of the O'Brien Gold Mines Company in the northern mining district of Abitibi were killed almost instantly near this Charlevoix County town last night when the truck in which they were riding crashed 100 feet down St. Antoine Hill.

USSR Seizes Nazi Plants From Austria

Claims Transfer of Properties Sanctioned by Potsdam Agreement—Warns Against Any Frustration of Order.

Vienna, July 9.—(AP)—Maj. Gen. Ivan Zinovy of the Russia High Command in Austria said today a Russian order transferring German-man-owned properties in Austria to the Soviet Union would not injure Austrian interests, and warned that any efforts to frustrate the order would "lead to a deterioration of the Austrian economic system."

In an interview distributed by Tass News Agency, Zinovy said transfer of the properties was in accordance with an agreement reached at Potsdam and would only partially compensate Russia for damage inflicted on her economy by the Germans.

Zinovy said Russia would consider cases in which the property relationships were not clear, and would satisfy Austrian demands if they were well founded.

The general said factories taken over would remain in Austria, would function on the same legal basis of other concerns here, and would pay regular taxes to Austria.

"On the other hand, efforts to hamper the accomplishment of the order and requests that a waiting attitude be adopted can only lead to deterioration of the Austrian economic situation," he said.

The Austrian Government issued a communique Sunday urging its citizens to adopt a waiting attitude.

Defeat The By-Law

The by-law upon which Sherbrooke citizens are voting today is one of those legal formalities the defeat of which would result in material benefits to the city. The original agreement calling for a renewal of the \$434,000 loan maturing in New York in United States funds was made superfluous by the decision of the Dominion Government to restore the parity between the Canadian and United States dollar, but the City Council, having concluded negotiations with their bankers, felt morally compelled to carry out their side of the agreement which called for the submission of the proposal to the ratepayers.

The prime purpose of the contract, the saving of some \$47,740 in exchange premium, having been achieved through the decision of the Dominion Government, the sole result of approval of the loan would be to commit the city to the payment of interest on the new issue for a two-year period, this cost amounting to slightly over \$16,000. The funds are available for the redemption of the loan and now that dollar parity has been restored, should be used for the purpose to which they are earmarked.

Property-owners who have not already cast their votes on this measure should do so before the polls close at eight o'clock and should vote against the measure in the general interests of the city. The defeat of the by-law will be no criticism of the actions of the aldermen. Rather it will serve to ease them out of an uncomfortable situation.

No criticism can be offered against the aldermen or civic officials for effecting the original agreement. They acted in the best interests of the citizens in seeking to effect a saving of \$47,740 in exchange rates. Circumstances alter cases, however, and the restoration of exchange parity certainly altered the circumstances surrounding the by-law, but legal formalities compelled the authorities to proceed with the referendum, at the same time hoping for its defeat.

Trouble Foreseen In U.N. As 5 Nations Seek Entry

New York, July 9.—(AP)—A potential source of conflict in the United Nations Security Council appeared to be taking shape today as pending applications for membership in the United Nations were swelled to five by receipt of a petition from the Kingdom of Transjordan.

Some new applicants have deep partisan interest in issues which the council may be called upon to consider in the near future, and it seemed possible that this fact might provoke differences over the question of their admissibility.

The applications must be considered by a special sub-committee of the council before they are presented to the general assembly meeting scheduled to open here September 3. It is possible that additional applications may be received before the July 15 deadline on petitions to be presented to the forthcoming assembly session.

In addition to Transjordan, countries thus far seeking membership are Albania, Siam, the Mongolian People's Republic (Outer Mongolia) and Afghanistan.

One conflict looms between Russia and the western powers over Albania, which has the nominal sponsorship of Yugoslavia and the behind-the-scenes support of the Soviet Union.

France is expected to oppose the application of the Bangkok government—at least until border difficulties between Indo-China and Siam are settled.

Murder Wave Sweeping UK Sees 21 Dead

Two More Added to List of Unsolved Homicides—Scotland Yard Issues Appeal for More Recruits.

London, July 9.—(AP)—Scotland Yard appealed today for recruits to combat one of Britain's heaviest homicide waves as the number of unsolved deaths in recent months was boosted to 21 by the finding of two more bodies.

One of the newly discovered bodies was that of a woman—believed to be Miss Doreen Margaret Marshall, 21, a former Wren, of Middlesex. The death was listed tentatively as a homicide, thus boosting the number of feminine victims to seven in the last four weeks. The seven have been either unusually attractive women or young girls.

The body tentatively identified as Miss Marshall's was discovered yesterday half hidden by bushes at the foot of a hill three miles from Bournemouth. Miss Marshall, missing for five days, had been staying at a hotel in the fashionable seacoast resort, and was last seen clad in an evening gown at a swank champagne supper with a male escort.

A few hours before the Bournemouth discovery, the partly burned body of William Lucas, 50, was found in an isolated cottage near Knighton, Radnorshire, North Wales. He was believed to have died several weeks ago, and was last reported seen by a neighbor April 19.

The last available Chief Inspector of Scotland Yard's understaffed homicide squad was assigned to the Lucas case.

Meanwhile, George Neville Heath, handsome former R.A.F. pilot who was arrested last Saturday at Bournemouth, was charged yesterday with murder in connection with the death of pretty Margery Gardner, movie extra whose nude body was found in a London West End hotel June 22.

Police searched a wide area of Southern England for the stranger of little Sheila Martin, 11-year-old Fawham schoolgirl, who was killed near her home Sunday.

U.S. Tourist Dead In Car Collision

Ste. Therese, Que., July 8.—(AP)—An American tourist was killed and five others were injured yesterday when a taxi crashed into an automobile on the outskirts of this town, about 20 miles north of Montreal.

Dead: Benjamin Hudes, 41, of New York City, who was travelling to St. Jovite to spend a holiday. Injured are his wife and daughter, Martha, and three passengers in the taxi, Fraser Jenke, 58, his son, Fraser, Jr., and his daughter, Joan, all of Mount Vernon, N.Y.

The two vehicles were proceeding northward from Montreal when a blowout brought Hude's car to an abrupt stop. The following taxi ran into it.

An inquest, opened last night at nearby St. Jerome, was suspended sine die.

The injured, who were taken to hospital at Cartierville, were reported in "favorable" condition.

30,000 Workers On Strike Canada-Wide Survey Shows

By JACK WILLIAMS
Canadian Press Staff Writer
Canada's troubled labor picture was further darkened today by strikes involving more than 3,000 Ontario electrical workers who went on strike late yesterday and during the night to boost the country's total of workers idle in walk-outs well over the 20,000 mark.

The latest strikes, called by the United Electrical Workers of America (C.I.O.) over demands for a 25-cent-an-hour wage increase, the 40-hour week and vacations with pay, affected plants in Toronto and Welland, Ont., and increased the number of industrial disputes now affecting the Dominion from Quebec to the Pacific Coast.

At 4 a.m., E.D.T. today, 1,200 workers went on strike at the Canadian Wire and Cable Co. plant in Toronto, only a few hours after 1,300 walked off their jobs at the Electro Metallurgical Company of Canada's Welland plant.

Earlier, at the Amalgamated Electric Corporation plant at Toronto, about 700 members of the same union struck, joining 4,000 already on strike at the Hamilton plant of the Canadian Westinghouse Co.

Cardinal Stated To Be Improving

Quebec, July 9.—(AP)—Cardinal Villeneuve, Archbishop of Quebec, "passed a very good night," Msgr. Paul Nicole, the Cardinal's secretary said today. Msgr. Nicole said he visited His Eminence this morning and was told by sisters of the Hotel Dieu Hospital that the Cardinal passed a very good night.

The 62-year-old Quebec Archbishop was taken to hospital Saturday and administered the last rites of the Roman Catholic Church, following his return Friday night from Ile a la Crosse, Sask., where he participated in religious ceremonies. Nature of his sudden illness was not made known officially, but His Eminence is believed to have suffered a heart attack.

The Cardinal's condition yesterday was said to be the same as Sunday when reported apparently out of danger and on the road to recovery.

Msgr. Nicole said an official communique may be issued by the Archbishop's Palace later today "if believed necessary."

May Suspend Meat Supply For Overseas

Removal of O.P.A. Hampers Government Buying for Famine Relief—To Resume Purchases in Fall.

Washington, July 9.—(AP)—Unless price controls over meat are re-established, the government may suspend its famine relief buying until fall when livestock marketings normally are greater.

This possibility was disclosed today by an aide of Agriculture Secretary Clinton P. Anderson, who said the administration does not want to bid against American consumers. The official said privately the government feared such buying would boost meat prices in the United States far above present levels.

Before the Office of Price Administration expired July 1, the government bought an average of more than 25,000,000 pounds of meat weekly during the first half of 1946 to help fill a foreign commitment of about 1,500,000,000 pounds for the full year.

Heretofore, federally-inspected slaughterers were required to set aside a portion of their output for the government at ceiling prices. The government was taking between 10 and 15 per cent of the beef, about 40 per cent of the pork and 50 per cent of the lard.

The set-aside requirement was suspended when price controls expired. The government had hoped, however, that O.P.A. would be re-established soon and the set-aside orders re-instated.

2 Non-Confidence Motions Follow Debate In Commons

Ottawa, July 9.—(AP)—Two opposition want-of-confidence motions in the government, backed up by a wealth of verbal criticism, were before the Commons today as the budget debate swung into its second day.

Party spokesmen held the floor yesterday as the debate got under way and the Progressive Conservative and C. C. F. groups moved amendments to the main motion criticizing failure to provide more taxation relief and stimulate all-out production.

The Progressive Conservative amendment, moved by J. M. Macdonnell (PC Muskoka-Ontario), opposition financial critic, expressed regret that the budget provided no tax relief until 1947 and gave no indication of any serious attempt to eliminate extravagance and that government policies were discouraging production.

The C. C. F. motion, moved by Angus MacCrimmon (C.P.—Vancouver East), criticized the government for failure to increase income tax exemptions sufficiently, to provide for public investment to assure full employment, to provide for social security measures in its offer to the provinces and to recognize cooperatives as non-profit making organizations.

Solon Low, Social Credit leader, said there was no hope that high taxation could be avoided for years to come unless the government was jarred "loose" from the money monopoly system it had persisted

Rubber Plant Huge Success, Howe States

Government-Owned Sarnia Factory Producing More Than Designed Capacity—100 Million Pounds Annually.

Ottawa, July 9.—(AP)—Polymer Corporation, the government-owned synthetic rubber plant at Sarnia, Ont., now is producing 100,000,000 pounds of rubber annually—18 per cent more than its designed capacity, Reconstruction Minister Howe announced today in a review of the company's annual statement for the year ended March 31.

Mr. Howe's statement said the corporation during the last year "proved itself as a successful enterprise, capable of standing on its own feet without government subsidy," and added the plant was preparing long-range plans for reduction of costs, expansion of markets and additions to its facilities.

Demand for Sarnia-made rubber was at "the highest level in the history of the company, yet all essential Canadian demands are being met.

Although the plant a year ago was producing only one type of Buna-S rubber, it now was turning out four types, plus three types of Buna-S latex. Meanwhile, further research at Sarnia, at the National Research Council and at seven Canadian universities, indicated the plant "will be able to produce tailor-made types of synthetic rubber for specific purposes."

Production during the year ended last March 31 totalled 22,392,000 pounds of Butyl—the type of rubber used in manufacture of inner tubes—78,268,000 pounds of Buna-S, and 1,050,000 pounds of Buna-S latex. Cumulative total for Buna-S in all forms from the formation of the company to the end of March was 179,475,000 pounds.

In the year ended March 31, the corporation spent \$65,196 for new facilities. Additional commitments for such facilities total \$291,772.

HONORED ON 85TH BIRTHDAY On the occasion of Charles W. Libby's birthday his daughter, Miss Grace Libby, entertained his neighbors in his home. Games were played and a very pleasant evening spent, after which a birthday cake accompanied by delicious refreshments and all joined in wishing Mr. Libby many more healthy, happy years.

The friends who went in for the evening were the ones with which he is daily associated, as he goes to the post office daily, about one-half mile, for the Sherbrooke Record and on his way down delivers that and any other mail to six families living on this side of his home, and takes five papers for families below him, which saves the people from the far end of the village having to come to the office. Therefore, at the post office his home is known as the Record's sub-office. When Mr. Libby does not appear at about six o'clock the staff know that he is ill or away, as the weather is never too stormy for him to make it.

The entire community join in wishing him "many returns of the day."

LODGE ELECTS OFFICERS FOR COMING YEAR

Coaticook, July 9.—District Deputy Grand Master Leonard Akhurst and suite installed the following officers of Victoria Lodge No. 16 I.O.O.F. on Tuesday evening last:

Junior Past Grand, Russell Baldwin; Noble Grand, Rodney Hoyt; Vice-Grand, Frank Smith; Recording Secretary, Frank S. Hansford; Financial Secretary, J. J. Forest; Treasurer, S. A. Meade; Warden, Henry "Bob" Edwards; Conductor, Wallace Samson; R.S.N.G., William Wallace; L.S.N.G., Gordon Bellows; Chaplain, Morton Bowen; R.S.S., Charles Williams; L.S.S., Ross Edwards; I.G., Walter Knowles; O.G., Edward Hyatt; R.S.V.G., Ralph Hayes; L.S.V.G., Gilbert Aulis.

The newly-installed Noble Grand is one of the youngest ever to assume this office in Victoria Lodge, being not quite twenty-one years old.

The retiring Noble Grand thanked the lodge and especially his officers for their support during his term of office. Mr. Arthur Jones and others expressed the great loss which the lodge and community would sustain when Rev. Mr. Stafford left town for his new field of service in Drummondville as he expects to do the end of the week. Brother Stafford thanked the lodge for their kind words and spoke to the newly admitted members, giving them good advice and the promise of much happiness in their lodge work, if they followed up the principles of the order.

General Notes Miss Beatrice Meade and Mr. Cecil F. Meade are spending the week at Lake Lyster at the "Shack."

Mr. and Mrs. Henry Dutra, of Middleboro, Mass., were calling on Mrs. Myrtle Pyne and family, Mr. and Mrs. Felix Walker and other relatives and friends this week.

make a test case out of picketing activities of members of the International Mine, Mill and Smelter Workers (C.I.O.) on strike at the Canadian American Brass Co. in nearby New Toronto. It was expected the case would determine the length to which picketing might be legally carried on in the province.

Apart from a clash at the Anacostia plant there has been little indication of trouble in the current outbreak of labor disputes, but yesterday in Toronto 400 striking fur workers had differences among themselves about the viewpoints of the A.F.L. union which called the strike and a C.I.O. union which had obtained a new contract. Four strikers were arrested after a scuffle.

In a Vancouver foundry dispute, affecting 32 plants and now 54 days old, there was some hesitancy on the part of members of the A.F.L. foundry workers union to cross picket lines of the C.C.L. metal and chemical workers after the A.F.L. union had obtained an agreement. Some workers crossed the picket lines but others held back.

There was no sign of a break in the dispute between the International Typographical Union (A.F.L.) and newspapers of the Southern group.

Tomorrow the Canadian Congress of Labor wage committee meets in Hamilton to map further plans in the congress drive for higher wages and shorter hours. One of the top subjects will be the situation in steel.

Mr. Justice W. D. Roach yesterday received from Steel Co. of Canada at Hamilton, one of the three basic steel plants which faces a strike threat, an offer of a wage increase of 10 cents an hour. The union, United Steelworkers of

America (C.I.O.) is seeking 19 1/2 cents and says unless satisfactory progress is made by July 12 when its advisory committee meets a strike date will be set. A basic steel strike would affect 14,000 workers.

LODGE ELECTS OFFICERS FOR COMING YEAR

Coaticook, July 9.— District Deputy Grand Master Leonard Akhurst and suite installed the following officers of Victoria Lodge No. 16 I.O.O.F. on Tuesday evening last:

Junior Past Grand, Russell Baldwin; Noble Grand, Rodney Hoyt; Vice-Grand, Frank Smith; Recording Secretary, Frank S. Hansford; Financial Secretary, J. J. Forest; Treasurer, S. A. Meade; Warden, Henry "Bob" Edwards; Conductor, Wallace Samson; R.S.N.G., William Wallace; L.S.N.G., Gordon Bellows; Chaplain, Morton Bowen; R.S.S., Charles Williams; L.S.S., Ross Edwards; I.G., Walter Knowles; O.G., Edward Hyatt; R.S.V.G., Ralph Hayes; L.S.V.G., Gilbert Aulis.

The newly-installed Noble Grand is one of the youngest ever to assume this office in Victoria Lodge, being not quite twenty-one years old.

The retiring Noble Grand thanked the lodge and especially his officers for their support during his term of office. Mr. Arthur Jones and others expressed the great loss which the lodge and community would sustain when Rev. Mr. Stafford left town for his new field of service in Drummondville as he expects to do the end of the week. Brother Stafford thanked the lodge for their kind words and spoke to the newly admitted members, giving them good advice and the promise of much happiness in their lodge work, if they followed up the principles of the order.

General Notes Miss Beatrice Meade and Mr. Cecil F. Meade are spending the week at Lake Lyster at the "Shack."

Mr. and Mrs. Henry Dutra, of Middleboro, Mass., were calling on Mrs. Myrtle Pyne and family, Mr. and Mrs. Felix Walker and other relatives and friends this week.

Mr. and Mrs. T. Lester Taylor have returned from North Hatley where they spent a few days' holidays and are now living at Dawson College, Que., where Mr. Taylor is continuing his studies in engineering until the end of August.

City Health Department Being Flooded With Complaints On State Of City's Water Supply

City Health Inspector J. Masse stated this morning that there has been no let-up in the number of complaints which have been pouring into his department from local residents regarding the poor state of the local drinking water as well as the water being used commercially. He felt, however, that the condition was steadily improving and that "things would be back to normal very soon."

No appreciable improvement in the color and amount of foreign matter in the local water supply has been noted by either of this city's two leading laundries which resumed work yesterday following a week-long lay-off during the holidays. The Crown Laundry and Sherbrooke Laundry and Dry Cleaners registered complaints before the City Council at their last regular meeting, the former demanding reimbursement for about 200,000 gallons of water and the latter and amount of \$100 for cleaning of the plant's filtration system, both demands resulting from the unsatisfactory condition of the local water for laundry purposes.

Nelson Lothrop, manager of the Sherbrooke Laundry, stated to the Record this morning that the filtration system at the laundry was still clogged with foreign matter from the local water system.

The condition of the local water supply is still far from satisfactory, he said, and aside from receiving numerous complaints from customers, a great deal of extra work has been necessitated to bring the clothes up to color.

William Richardson, of the Crown

Laundry, expressed similar complaints stating that while a slight improvement has been noticed, "the water is still not clear and entirely satisfactory for our purposes."

In the meantime, neither company has received a reply to their demands from the City Council although some form of reimbursement is expected to be forthcoming.

A check by a Record reporter this morning of the report from the Provincial Ministry of Health on the amount of bacteria contained in recent samples of local water showed that for the first few weeks in June the water was potable with no bacteria being registered. However, towards the latter half of the month, some bacteria showed but still not sufficient for the water to be contaminated.

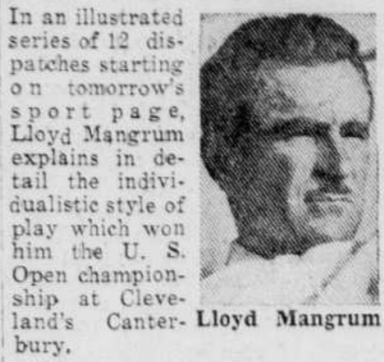

Reports for the first week in July have not yet been received. Mr. Masse said, "but it is expected that they will not be commendable due to the amount of sediment which has been picked up from the bottom of the mains recently."

VISITS FAMOUS SITE

The old saw about a postman's holiday seems to hold good for telephone employees also. At any rate, it does for Miss Hazel Latimer, a local employee of the Bell Telephone Company, who recently visited the site in Brantford where Alexander Graham Bell invented the telephone in 1874. It was from Brantford to Paris, Ontario, seven and a half miles that the first successful long distance call occurred just 70 years ago, August 10. On the anniversary, in Paris, a bronze plaque will be unveiled commemorating the historic event.

Lloyd Mangrum

In an illustrated series of 12 dispatches starting on tomorrow's sport page, Lloyd Mangrum explains in detail the individualistic style of play which won him the U. S. Open championship at Cleveland's Carter-Campbell's Club.

Although one of the superior shotmakers for several years, Mangrum was grossly under-publicized until he flashed to victory in a triple play-off with Vic Ghezzi and Byron Nelson for the crown. Being twice wounded and badly hurt on European battlefields and winning two Purple Hearts didn't stop S/Sergeant Mangrum from winning the golf championship of the ETO. Lloyd Mangrum has a game all his own. His lessons will help you improve your score.

Light Voting Today On City's Referendum For Loan By-Law

Despite adjustment of the Canadian dollar at par with American currency eight polling stations located in the five wards of the City opened at nine o'clock this morning to accommodate local property owners who are today casting ballots to decide upon a loan of \$434,000 as renewal on a municipal bond issue sold in New York.

Purpose of seeking a renewal of the bond, payable in American funds, was to effect a saving for the City of Sherbrooke with the contemplated lowering of the premium on American money in the future. However, when word came last Friday night that the Canadian dollar had been stabilized at par with the American dollar, it was no longer to the advantage of the City of Sherbrooke to renew the issue, but rather to redeem the bond immediately with funds already on hand in the municipal coffers.

Reason for the referendum being carried out despite the altered exchange condition, given by City Treasurer Maurice Cormier, was that negotiations had already been completed between the city, the Bank of Montreal and the New York banking concerns.

At the same time it is expected that citizens may oppose, rather than uphold the referendum in which case the municipal authorities will proceed to redeem their obligation.

Should the issue be turned down by the ratepayers today, the City of Sherbrooke will realize an immediate saving of \$47,740, it has

IN RECORD EMPLOY 40 YEARS

JOSEPH ARTHUR BLAIS, make-up man in the mechanical department of the Sherbrooke Record Company, who today completes forty years of continuous service with the company.

A native of Warwick, Que., Mr. Blais joined the Record staff on July 9, 1906, after serving a three-year apprenticeship with Le Pontier, a four-page Sherbrooke weekly, and after working with a job printing firm in Montreal for four years. From 1906 to 1912 Mr. Blais set ads by hand. From 1912-1920 and from 1934-1940 he was foreman of the mechanical department, working as a make-up man from 1920-1934 and from 1940 until today.

7 NEW LIONS CLUBS FORMED IN DISTRICT

Tribute was paid yesterday to Ernest Gaboury, Governor of Lions Clubs in District A.4, by J. E. Caron, president of the Sherbrooke Club, who pointed out that during the past 12 months the efforts of Mr. Gaboury had resulted in the creation of seven new clubs in his district with a membership of 400.

Mr. Caron included the praise of the district governor in his report of the recent district convention held in Niagara Falls to which he had been official delegate from the local branch—delivered at the luncheon meeting in the New Sherbrooke Hotel.

It was also through the forceful addresses of Mr. Gaboury that the convention had decided in future to open the annual oratorical contest, sponsored by Ontario and Quebec clubs, to French-speaking students. Mr. Caron said, literature in connection with the contest will henceforth be printed in both languages and judges will be appointed in accordance with the new ruling, the congress decided.

President Caron's report included activities of the first three days of the five-day convention, the balance will be given at a future meeting.

A letter of condolence was received from the Ottawa Club expressing regret at the death of past president Donald Elliott, of Sherbrooke, who passed away recently.

In addition to Mr. Caron who held the chair, those at the head table included Cecil Dunn, Joseph Dupuis, A. Charpentier, O. Smith, Joseph Bégin, Percy Francis and Alec Allard.

Mr. Justice Dalma Landry is leaving Sunday for Philadelphia, to attend the international convention to which he is official Sherbrooke delegate, it was noted.

TWO KILLED IN ACCIDENTS DURING JUNE

Two persons were killed and four injured in auto accidents in June as against six injured during the previous month, it was noted in the monthly report issued today by the Sherbrooke Police Department.

There were 497 police calls and 107 Recorders' court cases as compared with 488 and 83 in May of this year. Thirty stray animals were picked up in June, 47 dangerous places in roads and sidewalks were reported to the road department, fifteen lost children were returned to their parents, protection in the form of a bed in jail, was given to 22 individuals who found themselves in town without funds and 91 street lights were reported out.

A total of \$900 was collected in 86 fines, three individuals were jailed, twelve cases suspended. In May \$364 only was collected in fines in Recorders' Court.

DIES AFTER BRIEF ILLNESS
 Seven-year-old Carmen Felteau, daughter of Mr. and Mrs. A. Felteau, died at her home, 31 Gillespie Street, yesterday afternoon after an illness of five weeks.

Besides her parents, she is survived by a brother, Henri Paul, and two sisters, Marie Marthe and Monique.

Funeral service will be held at the Cathedral on Thursday morning at ten o'clock, with interment at St. Michael's Cemetery.

Sherbrooke Airways Continue Negotiations With Municipal Authorities On Airport Deal

The City of Sherbrooke will definitely have an airport in the very near future to be operated by the Sherbrooke Airways Limited, a recently incorporated airline company comprising local businessmen, providing negotiations, which have been underway for the past week between the City Fathers and company officials, prove satisfactory to both parties.

It is understood that the City Council is in favor of sub-leasing the Windsor Mills flying field to the local organization and will meet within the next day or two to study a contract drawn up by the airline corporation and received at the City Hall today.

City Clerk Antonin Deslauriers stated that the company is willing to assume all the obligations stipulated in the government contract to the City of Sherbrooke and intends to operate an air route between Sherbrooke and Lake Mégantic where the company already

has a flying field and training school in operation.

The Sherbrooke Airways Limited, is asking to have the name of the Windsor Mills Airport changed to the Sherbrooke Airport and to date have four aircraft ready for operation.

Nothing more of the contract terms were available today, but a full report is expected to be tabled at the next Council meeting.

POLICE CHIEF AT CONVENTION

Chief Joffre L'Heureux, of the Richmond Police and Fire Departments, is attending the 14th annual Provincial Police and Fire Chiefs Association convention, now in session at Chicoutimi. The meet, a four-day affair, brings together the heads of all municipal police and fire departments throughout the province.

C. D. FRENCH'S MAJORITY IS 2,605 VOTES

Recapitulation of votes cast in the Compton County by-election of last Wednesday, as announced today by returning officer A. Whitehead, gives C. D. French, Union Nationale candidate, a majority of 2,605 votes over his nearest opponent in the three-cornered contest.

Mr. French polled 6,146 ballots as against 3,541 by Wayner Labere, Liberal standard bearer, and 623 by Aurelien Quintin, the Bloc Populaire representative, who lost his deposit.

A total of 82 per cent voted and 123 ballots were rejected. The report showed that Mr. French obtained majorities in all but six polls, while Mr. Quintin failed to obtain any votes in eight of the 61 polls.

NEW OFFICERS ARE INSTALLED BY ODD FELLOWS

District Deputy Grand Master Ronald MacMillan, assisted by an installing team, inducted the new officers of Unity Lodge No. 8, I. O. O. F., last night at the Oddfellows' Hall, 66 Wellington Street.

Officers installed were: Noble Grand, Kenneth Kinder; Vice Grand, Percy Bliok; recording secretary, R. MacMillan; financial secretary, Charles Varney; treasurer, Reginald Quine; R.S.N.G., C. Campbell; L.S.N.G., J. C. Mead; R.S.V.G., J. Johnson; L.S.V.G., C. Bruygom; warden, E. Cook; L.S. S., F. Drennan; inside guard, D. J. Bouchard; outside guard, Leo Green; chaplain, Angus Parsons.

Members of the installing team were Grand Marshal Brother Leo Green; Grand Warden Bro. C. Campbell; Grand Recording Secretary Lawrence Parker; Grand Financial Secretary, C. Bruygom; Grand Treasurer, W. Oldfield; Grand Chaplain, C. Varney.

Several visitors attended. Refreshments were served in the banquet hall following the installing ceremonies.

WALES HOME OFFICERS

In its account of the annual meeting of the Wales Home at Richmond on Saturday, the Record inadvertently omitted the names of L. M. Thomas, of Coaticook, who was elected second vice-president, and Dr. C. E. Manning, of Richmond, appointed to the post of secretary.

INSTITUTE AT LENNOXVILLE ENTERTAINED

Members of the Lennoxville Women's Institute journeyed to Bacon's Bay on Saturday, where they were entertained by Mrs. McClary, Mrs. Mosher and Mrs. B. Hill at the former's cottage. During the morning the guests enjoyed themselves around the grounds, some taking advantage of the swimming facilities and others of the beach. At noon a chicken-pie dinner was served by the hostesses.

Mrs. McClary, Mrs. Mosher, Mrs. Hill and Mrs. Larrabee, to about twenty-five members and guests.

After the dinner hour Mrs. H. L. Wallace presided over the regular monthly meeting. During the business session reports were read from the different departments. The three month war service report showed that a 70-pound box of clothing had been sent to the Unitarian Relief Society, three dollars worth of seeds sent to Scotland and two members had sewn 145 garments for the local Red Cross.

The sending of personal parcels overseas was fully discussed and as soon as the address is received this branch will take up this work. This will take the place of filling ditty bags as they are not needed in such numbers as before.

A bridge marathon is being planned for September to aid in raising funds for the branch. There will be no meeting in the month of August.

Mrs. B. Hill, who represented this branch at the annual convention at Macdonald College, gave a splendid report in detail which was fully discussed.

Mrs. W. T. Pearson, county president, who was present, gave the highlights on the board meetings she attended during the convention at Macdonald.

Another pleasing feature of this meeting was the presence of several ladies from Stanstead County Women's Institutes who joined in the discussions and exchanged views on the work.

After the meeting adjourned, several games were enjoyed and the prizes, which were donated by Mrs. R. E. Mosher, were won by Mrs. Aveling, Mrs. E. M. Smith, Miss B. Lever, Mrs. McClary, Miss Kezlar and Mrs. N. Smith.

To conclude a most enjoyable day lunch was served.

Mrs. H. L. Wallace extended a vote of thanks to Mrs. McClary and the hostesses for their generous hospitality.

Three branches were represented, Lennoxville, Ascot and Ayer's Cliff.

ROBERT EADIE SUCCUMBED TO HEART ATTACK

Robert Eadie, a native and former resident of Sherbrooke, died suddenly as a result of a heart attack at his home in Needham, Mass., on Sunday morning, June 30.

Mr. Eadie was born here in March, 1884, the son of the late James Watt Eadie and Mrs. Eadie (Jane Selbie). He left Sherbrooke in 1912 and for the past twenty-five years had operated a goods and bakery store in Needham.

He is survived by his wife, Grace Tucker Eadie; a daughter, Mrs. Margaret Bouchet; three sons, Robert A., David G. and Richard, all of Needham; a brother, Fred Eadie, and two sisters, Mrs. Roger Peck and Miss Helen Eadie, of Hanover, Conn.

Mr. Eadie always maintained an active interest in Sherbrooke affairs and remained a subscriber to the Record until his death.

LAST TRIBUTE TO MRS. PERRY, LENNOXVILLE

Funeral service for Mrs. Graham Perry, of Riverbend, Que., who passed away in her thirty-first year following a short illness last week was held in the Lennoxville United Church on Friday, July 6th, at two o'clock in the afternoon. The service was conducted by Rev. Norman McLeod, with burial at Huntingville.

Mrs. Perry was formerly Edith Margaret Titcomb, youngest daughter of the late Mr. and Mrs. Frank Titcomb, of Lennoxville. She was a graduate of the Lennoxville High School, Bishop's University and the Mont Notre Dame Business College, in Sherbrooke.

Before her marriage she was employed in Montreal and Lennoxville.

She is survived by her husband, their only child, Eleanor Anne, aged two months, two sisters, Mrs. Leo McGill, of Lacolle, and Mrs. Francis Kent, of Ottawa, a brother, Gordon, of Three Rivers, and a sister-in-law, Mrs. Bertram Titcomb, of Montreal. She was predeceased by her parents and her eldest brother, Bertram.

To Get Atomic Treatment

The case of 10-year-old Aronette Rubin is a historical one in medical annals, as she is one of the first to receive the new atomic energy treatments for leukemia, wasting blood disease. Above, actress Betty Grable cheers her up in the Los Angeles hospital to which the child was flown for treatment in which may result in great fields for peace time use of atomic energy.

CANADA COMES OF AGE FINANCIALLY

The blunt, unexpected announcement of Finance Minister Ilsley that the Canadian dollar was now on a par with the United States dollar, and the ten per cent difference would from henceforth be wiped out, undoubtedly came as a shocking surprise to many individuals and businesses.

There is no doubt that Canada's export trade to the United States will suffer. Northern Ontario, with her many rich gold mines, will be hurt greatly, and certain of the mines may be forced to close down. The Canadian newspaper industry, single greatest exporting industry in the country, will be badly buffeted by this edict, and Canadian newspapers can expect a still further rise in the cost of newsprint to offset the loss.

The Department of Trade and Commerce has been undertaking an extensive advertising campaign to show the importance of Canada's export trade, stressing the fact that a third of the average man's earned dollar came from exports. The ten per cent difference in Canadian and U. S. funds acted as a subsidy to Canadian manufacturers competing in the U. S. market, and helped them to compete successfully against the mass production methods of U. S. industry. This advantage is now gone.

There is a strong argument in favour of the theory that Mr. Ilsley might have reduced the ten per cent difference in two bites of five per cent each—but if he had done this it is possible that speculators would have realized what was coming after the first reduction, and undue gambling in U. S. funds would have resulted.

The finance minister took a bold stroke, and in spite of the criticism he is bound to receive, it is this paper's opinion that he took a stroke that ultimately will be to the benefit of Canadian business. Foreign exchange control, to be effective from a long term point of view, must be based on real financial conditions as far as possible.

Real financial conditions as they existed between the Canadian and U. S. dollar were that there was nothing like a ten per cent greater value in the U. S. money. Canadian funds could be bought on the free market in New York at a better rate than the official exchange.

As to the purchasing power of the two dollars, considerably more can today be bought in Canada for a dollar bill, than can be purchased in the U. S. The fact is that, due to the war, Canada has financially come of age. Since the decline of the value of the pound sterling after the first world war the U. S. dollar has been the basis of international money values. Now the Canadian dollar has achieved equal value with it.

If the U. S. is swept by an uncontrollable inflation, which can be kept out of Canada, it is possible that this country's dollar will, in reality, be worth more than the U. S. dollar, although it is doubtful if this will be recognized in international exchange. In the meantime Canada has taken a step forward toward full economic maturity.

THE SCHOOL BOARD ELECTIONS

The return by acclamation of the retiring members of the Sherbrooke Protestant and Roman Catholic School Boards is a well-deserved tribute on the part of the taxpayers to the valuable work done by these men in one of the most important fields of civic activity. In many ways the operations of a school commission do not offer an opportunity for the spectacular. The commissioners are called upon to decide upon many routine problems which, when their answer results in progress, bring nothing in the way of public praise or acclaim, but when the decision runs counter to the opinions of even a small group of the taxpayers the complaints are loud and long.

The school commissions are called upon to establish a balance between the new ideas and developments which are continually occurring in educational practices and the funds available for carrying on their operations. These often compel fine decisions. Sherbrooke has reason to be proud of its educational progress and the re-election of the commissioners by acclamation is an assurance that these policies will be continued.

PREMIER DOUGLAS THROWS OUT A CHALLENGE

Frequently charges have been heard that the Co-operative Commonwealth Federation leaders are prepared to ignore the law and the constitution when these instruments threaten to hamper them in the carrying out of their pet theories and policies. And these charges have been met with the claim that they were inspired by capitalists and reactionaries in an effort to discredit the movement. Now Premier Douglas has put the views of his group in clear perspective when during a discussion of the Saskatchewan Farm Security Act he is reported to have said: "Even if thrown out by the courts, if you want the government to use its powers to protect your home and farm, let us know by voting for the CCF candidate."

This is a direct statement by the Saskatchewan Premier that he is all in favor of civil discord. Perhaps the particular piece of legislation is of comparatively little importance, but if Saskatchewan could get away with defying the constitution in this instance it could set aside the law of the land in any instance. And if Saskatchewan could do it, so could Alberta and Ontario and Quebec and every other Province. Carried to its logical conclusion the attitude of Premier Douglas means that before long there would be no Canada but a lot of little Balkan states each with a little dictator backed by a little army.

Canadians must appreciate the challenge that has been presented to them. In too many cases responsible citizens have adopted the attitude that perhaps it would not be a bad idea to give the Socialists a term of office and then throw them out at the next elections if their policies were not suitable. The C.C.F. manuals, however, have made it clear that once they seize power by any means, they intended to retain it, any provision of the constitution to the contrary notwithstanding. This view is fully supported in the statement of Premier Douglas.

Washington Column
Peter Edson writes on

HOW MUCH DO YOU MAKE?
Those who remain of the New Deal politicians and the Progressive Republicans are now worried because the people seem to be too prosperous. The line is that when voters are well off financially, they tend to go conservative.

Put it the other way around. Voters are not interested in progressive movements or liberal reforms when they have money in their pockets and food in their bellies. The great reform movements always seem to follow depressions, when things have gone wrong.

If these are political truths, the amount of money in the pay envelope becomes an important factor in the November elections. They're four months away. That's not very long, but a lot of things can happen in the meantime.

Bureau of Labor Statistics figures just released put the average earnings of the nearly 12 million factory workers in the U. S. for May at \$1.07 per hour for a 40-hour week. That's two cents higher than the wartime peak reached in January, 1945, in spite of the fact that most of the war production overtime at premium rates has now been cut off.

It sounds like a lot of money. In terms of weekly earnings, the U. S. average for factory workers for May is given as \$42.67. Compare that with the average weekly earnings of \$35.25 in 1939. Compare it with the \$25.03 average weekly earnings in 1929, or with the \$22.08 of 1919.

FACTORY PAY HAS ALMOST DOUBLED SINCE 1919

Factory earnings have practically doubled in the 25 years since the end of the World War I. The all-time peak in weekly earnings was the January, 1945, average of \$47.40.

This \$1.07 an hour, \$42.67 a week, isn't the top, either. Recent increases given coal miners and workers in a few other basic industries don't show in these figures. Averages for June and July will be higher.

Radicalism can't flourish on earnings like that. No wonder the liberals are politically worried, and no wonder the conservatives are cocky.

If you look ahead a little, however, there's another angle to this thing which can't be ignored. Prosperity can't be measured just by the number of dollars you have to jingle in your pocket, purse, or piggy-bank. It's what they'll buy that counts. So take a good look in terms of the purchasing power of today's dollar, as compared with that in past years, and see where you come out.

According to the Bureau of Labor Statistics, the goods and services that \$42.67 will buy today could have been bought for \$23.86 in 1939. Or put it the other way around. It takes \$56.35 today to buy what \$42.67 would have bought in 1939.

In other words, a \$23 wage in 1939 was just as good as a \$42 wage in 1945, and a \$56 wage today is no better than a \$42 wage in 1939.

DOLLAR'S VALUE HAS FALLEN ONE-THIRD SINCE 1939

The point of this is that the purchasing power of the dollar was high in 1939—higher than in any recent year save 1932—for those people who had money to spend. If a family of four people spent \$40 on food in 1939, today that family would have to spend \$60 on food. For every \$12 spent on clothing in 1939, \$18.50 would have to be spent today.

Here is a simple BLS table that anyone can apply to his own income to show him where he stands in terms of today's purchasing power:

For every \$10 spent on food in 1939, about \$15 has to be spent today.
For every \$10 spent for clothes in 1939, \$15.50 has to be spent today.
For every \$10 spent for furnishings in 1939, \$15.50 has to be spent today.
For every \$10 spent for fuel and light in 1939, \$11.14 has to be spent today.
For every \$10 spent for rent in 1939, \$10.39 has to be spent today.
What this adds up to is that for every \$50 spent on these main cost-of-living items in 1939, \$67.07 has to be spent today.
For the politician, the importance of these figures becomes apparent when they are taken into consideration along with what may happen to price levels between now and election. Now that OPA price controls have been removed, sharp increases in the cost of living are unavoidable. These increases are political dynamite. What seems now to be a lot of dollars in the pay envelope will become very few dollars in purchasing power. And today's prosperity—which isn't prosperity in terms of 1939 purchasing power—will be quickly transformed into depression conditions that could easily reverse the present political trend.

Press Comment

Following is the last in a series of editorials taken from other Canadian papers and published by the Record to show the press reaction to Finance Minister Ilsley's budget. Today's most interesting comment from a political point of view is the attack on the budget by the Vancouver Sun, which more often than not supports the Federal Government.

A DISAPPOINTING BUDGET
Vancouver Sun

Mr. Ilsley's 1946 budget has a great deal of surface promise about it, but it is definitely disappointing in immediate performance. The increase in the exemption for income taxpayers, automatically relieving about 500,000 Canadians from any part of the burden of paying taxes, is good news for them. For the generality of taxpayers, whose federal taxes will be reduced a minimum of 10 to 15 per cent, the news also is welcome. The big disappointment, is that none of this is tax relief at all for 1946 for payers of personal income, corporation or excess profits taxes. Business and industry throughout the Dominion had hoped that reduction in corporation and excess profits taxes would provide new incentives for the volume production that the reconversion period demands. The essential spur is deferred until a new year.

The worst of it is that even after waiting six months for the promised reductions, the taxpayer is not guaranteed he will pocket the savings handed him by Mr. Ilsley. For the Federal Finance Minister tosses the sinister hint that these reductions will enable the provinces, if they so desire, to resume the collection of local income taxes. It may be open to question whether any of the provinces will embrace the opportunity at this time. Probably Mr. Ilsley made that statement with his tongue in his cheek, daring the provincial governments to take back from the common taxpayer the bounty which he is handing them.

Taxpayers will need more information before they understand fully what the changes in family allowances and deductions for dependent children will mean to them. But it appears that it will now pay everyone, rich and poor alike, to get on the family allowance bandwagon. On the whole, the relief to the individual taxpayers is only a short step along the road to a bearable peacetime level. A return to the pre-war incidence of taxation, which seemed so infinitesimal in comparison, probably is forever unattainable. The war is over but we continue to pay for it, and we have undertaken great new burdens as well.

NO RELIEF THIS YEAR
St. Thomas Times-Journal

The most remarkable feature about Finance Minister Ilsley's budget which he brought down on Thursday night is that the reduction of taxes which he proposed will not come into effect until the next financial year. We will continue this year to pay the same income taxes as last year, half of which was a war year, and so far as the income taxpayer is concerned, there might just as well have been no budget at all. Next year about half a million people earning less than \$12,500 a year will be exempt from having the little bit of taxation taken from them. In the aggregate that amounts to a very small sacrifice on the part of the Minister. The single man or widow with no dependents will get the maximum exemption of \$90 a year, which will also amount to next to nothing. The married man with dependent children is more generously treated, his exemption being boosted \$300, and a larger allowance being made for his family. The Minister will have the advantage of what will be practically a new source of revenue this year—the hundreds of thousands of veterans returned to civilian life who will again be subject to taxation of their earnings which will more than make up for some of his tax exemptions. So far as 1946 is concerned the taxpayers, including business firms can say: "Thank you for nothing."

As on most occasions there is a complexity of adjustments on other taxes. Corporation taxes and excess profits taxes will be reduced, but they will not help business very much. The reaction of the business world to the new taxes was reflected in the stock exchange prices on Friday—quotations went down. There is consolation in the thought, however, that reduction of taxes could not help business to any great extent while there is a shortage of materials and labor.

Another angle to the budget is the proposition to offer the provinces a five-year contract with the Dominion Government for the collection of taxes, the provinces having the option of accepting the plan or remaining outside. This was a suggestion mentioned early in the week by Premier Garson, of Manitoba, who will possibly accept. Premier Drew, of Ontario, expressed opposition to Mr. Garson's idea, and other premiers have been non-committal. We believe, however, that it would be better if the provinces did come to an amicable arrangement with the Dominion. Nobody likes double taxation, and if a province reserves fields of taxation all to itself it is liable to spend more, and therefore needs to tax more. Mr. Drew stated a few days ago that he believed the Dominion and provinces ought to get together again. We hope they do so in the light of Mr. Ilsley's offer.

ILSLEY WAVES A CLUB
Vancouver Sun

It didn't take long for J. M. Macdonnell, Progressive Conservative financial critic in Commons, to spot the "big stick" brandished over the heads of the provinces by Finance Minister Ilsley. Premier Hart, of British Columbia, apparently can see the stick too. He says that he will reserve comment until he can give "very careful study" to the Isley offer of a five-year optional agreement covering income and corporation taxes.

To call the Isley offer "optional" is misleading. It can be assumed that Mr. Isley deliberately framed his proposals in such a way as to present the provinces with a Hobson's choice. Whether he will succeed in forcing them to bow to the Federal wishes will depend upon a lot of close figuring in the provincial capitals.

For the poorer provinces at least, the \$15 per capita payments in lieu of provincial taxation will undoubtedly represent a greater yield to them than they could collect from their own citizens as an offset against the Federal taxes. Mr. Isley could say how much he will allow as an offset and he has fixed the limits at a low level. British Columbia will co-operate with Ottawa if it is reasonably possible, but in no event will there be duplicate taxation. Mr. Hart has the promise of Mr. Isley that Ottawa will supervise a joint collection if it comes to that. Last April the premiers of Manitoba and Saskatchewan were told that provinces could not make separate deals with Ottawa because the proposed Federal social services required the aid of the wealthy provinces of Ontario and Quebec. Now it is proposed to permit individual acceptances but without the benefit of the accruing social services. Premiers of Ontario and Quebec may gnash their teeth at the smart move of the Ottawa brain-trust but they may decide to hold out.

SO THEY SAY

There are today very few people so naive as to imagine that when Russia gets atomic energy in amounts adequate for military use, the rulers of Russia will be restrained by the same considerations which make it unlikely that we will ever use the atomic bomb except in retaliation, and then perhaps too late.—Dr. William Y. that it would be better if the provinces did come to an amicable arrangement with the Dominion. Nobody likes double taxation, and if a province reserves fields of taxation all to itself it is liable to spend more, and therefore needs to tax more. Mr. Drew stated a few days ago that he believed the Dominion and provinces ought to get together again. We hope they do so in the light of Mr. Isley's offer.

Looking at the budget as a whole we are inclined to criticize the reduction of spending compared with the previous year—a mere \$550,000,000. Peacetime savings ought to be more than that if it were not for the lavish schemes which the Government has committed itself to, or proposes to introduce. However, with the taxes in the 1946 budget due to come into effect in 1947, Mr. Isley will find himself in the position of being able to propose further reductions in the 1947 budget to come into effect the same year. Thus, with two lots of reduction in 1947, they should present a unique opportunity for a favorable general election in 1948.

PLUNGE TO SIX HEARTS STOPS A SACRIFICE

Generally speaking in any good pair event you can select 10 of the pairs in advance, and probably eight of them will finish in the first 10 places. It has to be assumed, therefore, that it would not be too difficult to pick the winners of a pair event, but it is almost impossible to select the winner of the world championship Masters Individual before the start of the contest.

Virtually every player in the field has an even chance to win and in the history of the event no one has won it twice. Of course we all try to pick the winner and this year I managed to do it. During the course of the first session I told Robert McPherran that I figured he was this year's individual champion.

Most players would class McPherran's bidding on today's hand as tricky and risky. In the tournament the majority of the South players opened the bidding with a forcing two-heart bid, and in almost every case West took a good sacrifice at six spades, which was down only 500 points. Six hearts was made, as the losing clubs were discarded on the diamond. A diamond shift by West might have defeated McPherran.

McPherran's reasoning was that with his own freak distribution, his one-heart bid would not be passed. When North bid four diamonds over three spades, McPherran felt that he must have the ace of diamonds. He knew that if he progressed slowly with the bidding, West in all likelihood would take a sacrifice; but if he plunged to six hearts, East and West would probably think they had a chance to defeat the contract.

Women's Societies Hold Meeting At Private Residence In Melboro

Melboro, July 9.—The regular monthly meeting of the Women's Missionary Society and Women's Association was held at the home of Mrs. George Barrington recently, with an attendance of twenty members and three visitors present.

The W.M.S. opened the meeting with Mrs. D. J. Stevens, the president, in the chair. The theme was "The Home Mission Work of the Women's Missionary Society." The worship service was opened by the president, Mrs. Stevens, followed by music played softly, "O Canada," by the pianist, Mrs. Ernest Beers. Hymn, "From All That Dwell Below the Skies," was sung. Scripture reading "Happy is that people whose God is the Lord," was read by Annie Stevens. "Blessed is the nation whose God is the Lord" was read by Mrs. Stevens.

Offering envelopes were taken up as each one repeated a bible verse. Hymn, "Bless Be the Tie That Binds," was sung in memory of a beloved member who has passed on. Prayer was offered by Mrs. Stevens. "From Ocean Unto Ocean" was sung. The program was led by the president with Mrs. W. D. Frank, Mrs. Minnie Solomon, Mrs. Merrill Taber and Mrs. John Barrington each taking part. Hymn "God of the Prairie By Thy Boundless Grace" was read in unison. "Our Loved Dominion Bless," was sung followed by the Mizpah Benediction.

Mrs. Clifford Taber, the W.A. president, opened her portion of the meeting with a hymn followed by Scripture reading and the Lord's Prayer. Minutes of the last meeting were read and approved. Roll call was answered

The Young People's picnic which was to have been held Monday, July 1st, was postponed to the following day. The society decided to present a former member who has been recently married, with a gift. It was announced the next meeting would be in the Kingsbury town hall Friday, July 12. Annie Stevens, the citizenship convener, then took over and all joined in the game of pin the tail on the donkey. The evening concluded with the serving of a dainty lunch by the hostess, assisted by her daughter, Elaine, also Bernice Adamson and Gwenith Fowler.

A "Welcome" party was staged in the United Church Hall, one Tuesday evening under the auspices of the Women's Association. There was a large crowd present to honor all the new residents to the community and returned veterans. Rev. Scott Milley was master of ceremonies and gave the address of welcome. As each name was read from the list they arose and voiced their thanks and appreciation as being so honored, they received a hearty handclap from the audience.

Among the names on the honorific list were Mr. and Mrs. G. Stainthorpe and son, Kenneth, Mr. Dawson, Mr. and Mrs. J. Cunningham and son, Kenneth, Mr. Gerald Ford, Mr. and Mrs. James Wood. Mr. and Mrs. G. Johnston, Mr. and Mrs. Cecil Johnston, Mr. and Mrs. G. Setterlund, Mr. and Mrs. K.

ASBESTOS

The monthly meeting of Branch No. 141, Canadian Legion, B.E.S. L., was held in the Town Hall with a good attendance and Comrade V. Protencher in the chair. The minutes of the last meeting were read by the secretary, Comrade B. P. Mills, and were duly confirmed. The dance committee presented a very favorable report, the receipts of which were added to the general funds. The by-law committee suggested that the final draft of the by-laws held over until the reports from the Provincial and Dominion Conventions were received. The treasurer, Comrade W. Byrne, gave a general report of the finances, which has followed by the usual discussion and disapproval of the correspondence. It was proposed and agreed that the sum of \$300 be set aside as a building fund for the new "hut," and that this fund be added to from time to time. A general discussion followed regarding the Fall activities. The secretary reported the membership as being ninety-seven active and four honorary memberships making a total of hundred-one members.

Ellis, Mr. and Mrs. J. Levitt and daughter, Joan, Mr. Ralph Baker, Mr. Herbert Stevens, Mr. Robert Beauregard, Miss Margaret Frank. A short program was held which consisted of a duet by Mr. and Mrs. R. Deers, a solo by Mrs. J. Wilkins, recitations by Hazel Johnston and Donald Johnston, a monologue by Elaine Barrington and a dialogue "Xmas With the Ruggies." The evening was brought to a close by the serving of delicious refreshments by the ladies of the W.A. This was just one more instance where the people displayed their true community spirit.

Mr. and Mrs. D. J. Stevens accompanied by Mr. Lloyd Stevens, Miss Annie Stevens, Mrs. Charles Ross and Miss Glenna Wear attended the Wilkins-Dean wedding in the Asbestos United Church.

The christening of the daughter of Mr. and Mrs. Wallace M. Derry formerly of Toronto, took place at the summer home of Mrs. Derry's parents, Mr. and Mrs. Walter Sutherland, at North Hatley, on Monday afternoon, July 1. Rev. R. C. Tai officiated and the baby received the names Dorothy Jean. Following the ceremony there was a reception for members of the family.

Among those who entertained for Mrs. F. H. Muetze prior to her marriage on Monday, July 1, were Mrs. Wallace Derry, Mrs. Thomas Masters, Jr., and Mrs. Alex Bayne. Mrs. Muetze was the former Jean Sutherland, daughter of Mr. and Mrs. Walter Sutherland.

Mr. and Mrs. J. T. Hawkins have returned from the Maritimes, where they spent two weeks.

Mrs. Lena Beane, Jr., and Mrs. Horace Martin, Jr., hostesses at a pantry shower at the latter's home on Fulton Avenue last week in honor of Miss Frances Martin, a bride-elect. Bingo was played and the guest of honor was presented with gifts. Later, lunch was served from a lace-covered table centred with pink roses and blue forget-me-nots in a cut glass bowl and lighted pink tapers in matching glass holders. Mrs. Horace Martin, Sr., mother of the bride-elect, and Mrs. Donald Clowery presided at the table.

MASSAWIPPI

Mr. and Mrs. William Boa, Robert and Margaret of Richmond, were Sunday guests of Mr. and Mrs. P. J. Whitcomb.

Miss Charlotte Whitcomb was in Ayer's Cliff to attend the shower for Miss Phyllis Little at Mrs. Sheldon True's.

The July Christmas Club met with Mrs. L. D. Schoolcraft. A very pleasant afternoon was spent in playing cards, the prizes were won by Mrs. Helen Young, Mrs. David Young, and Mrs. Harry Armstrong. A delicious lunch was served by the hostess assisted by friends.

Miss Charlotte Whitcomb has left for Sackville, N.B., where she will enter Mt. Allison College for summer school.

Miss Agnes Taylor of Montreal, spent the holiday week-end at the home of her brother, Mr. Charles Taylor and family.

Week-end guests of Mr. and Mrs. Harry Armstrong were Mr. and Mrs. Harold Kydd and three daughters of Richmond, and Mr. and Mrs. Keith Armstrong of Stanstead.

Mrs. Percy Whitcomb and Miss Charlotte Whitcomb were in Burlington and attended the shower in honor of Miss Donna Parsons.

MARBLETON

The last regular meeting for the summer season of the Ladies' Guild was held in the Church Hall with Mrs. Clifford Weyland as guest. It was voted not to have the annual afternoon card party this year, but to have a series of evening parties. Mrs. H. H. Bishop and Mrs. William Hetherington were selected as conveneres for the first one. Work for the afternoon was making quilt blocks. Lunch was served by the hostess, assisted by Mrs. Hetherington.

Mrs. Mervin Barrington, of Ormstown, is a guest for a week of her parents, Mr. and Mrs. H. H. Bishop.

Mr. and Mrs. Merrill Bishop and little son, Ross, were week-end guests at the same home.

Mrs. A. Newkum, of Montreal, is a guest for a few days of her parents, Dr. and Mrs. Elliott.

MIND YOUR MANNERS

The Situation: You are sending a wedding gift, and, though you have engraved cards bearing your marriage name alone, you have none which contain your husband's name as well as yours.

Wrong Way: Enclose your card, and let it go at that.

Right Way: Write "Mr. and" in front of your marriage name on the card you enclose.

MARRIAGES

SPAULDING—WORBY

The marriage of Winnibelle, youngest daughter of Mrs. Emma Worby and the late Mr. G. Worby, of Sherbrooke, to Mr. Francis Spaulding, son of Mrs. Jessie Spaulding and the late Mr. J. Spaulding, of Sherbrooke, took place at St. Andrew's Presbyterian Church on Saturday afternoon, June 29, at 3.30 o'clock, Rev. E. A. Wright officiating. The wedding music was played by Mr. Wright, W. Gibson.

Given away by her brother-in-law, Mr. William Rice, Jr., the bride wore a street-length dress of white jersey with a white hat and white accessories. She wore a corsage of pink roses and baby's breath.

Mrs. Russell Foley, as matron of honor and her sister's only attendant, was in a frock of mauve crepe with a flowered hat, white accessories and a corsage of mauve and yellow fox glove.

The best man was Mr. Charles Spaulding, brother of the groom.

A reception was held at the home of Mr. and Mrs. Russell Foley, in Bromptonville, where a buffet supper was served friends and relatives. The bride's table was centred with a wedding cake and red roses.

Later, Mr. and Mrs. Spaulding left by motor for North Hatley, the bride travelling in her wedding costume under a white wool topcoat. On their return they will reside in Sherbrooke.

ELLIOTT—SOLES

Brome, July 9.—The marriage of Miss Jean O. Soles, R.N., eldest daughter of Mr. and Mrs. J. E. Soles, of Brome, to Mr. C. Arnold Elliott, of Bedford, son of Dr. and Mrs. Robert Elliott, of Marbleton, took place at St. John's Anglican Church, Brome, on Saturday, June 29, at three o'clock. Rev. F. W. Gedye officiated at the double ring ceremony. The wedding music was played by Mrs. J. C. Soles, mother of the bride.

The bride, who was unattended, was given in marriage by her father. She wore a street-length frock of rose crepe having a fitted bodice, dirndl skirt and cap sleeves with a white off the face hat, white accessories and a corsage bouquet of white gardenias.

Mr. G. E. Soles, brother of the bride, was best man.

Mrs. J. E. Soles, the bride's mother, wore a frock of turquoise crepe with brown trim, brown accessories and a corsage of cinnamome roses. Mrs. Robert Elliott, the groom's mother, wore a two

piece dress having a navy skirt and navy and white printed sheer top with a navy hat and accessories and a corsage of white gardenias. The bride's gift to the groom was a set of military brushes. The groom's gift to the bride was a gold necklace and to the best man, a silver tie slide.

A reception for the immediate families was held at the home of the bride's parents, where the bride's table was centred with the wedding cake flanked by tall white tapers in pink holders.

Later Mr. and Mrs. Elliott left for Niagara Falls, the bride travelling in an aqua suit with matching hat and white blouse and white accessories. On their return they will reside in Bedford.

Mrs. Elliott is a graduate of the Montreal General Hospital School for Nurses. Mr. Elliott was an officer in the R.C.A.P. and served in Burma and India.

Out of town guests included Dr. and Mrs. Robert Elliott, of Marbleton; Miss Madeline Elliott, of Sherbrooke; Mrs. A. Newkum, of Montreal; and Mrs. K. Elliott, of Bedford.

Officials For \$30,000 Legion Drive At Cowansville Elected

Cowansville, July 9.—A special meeting of Cowansville Branch No. 99, of the Canadian Legion was held in the Armoury Cowansville. Approximately one hundred members attended.

The branch president, Comrade F. J. Knight, informed those present that the meeting was called to plan activities in connection with the campaign for funds to erect the Canadian Legion Memorial Hall in Cowansville. He stated that the objective was \$30,000 and although the success of the drive rested ultimately with the public who subscribed, yet it would require hard work on the part of every member of the branch.

He also announced that Comrade R. L. Brault and J. N. Wood had agreed to act as chairman for the campaign, and said that he was sure that if all officers and members gave these two comrades unqualified support in everything they asked to be performed the campaign would be a success. Comrade Brault then translated the president's remarks into French for the benefit of French-speak-

ing comrades and asked Comrade Wood to take over the meeting.

Comrade Wood outlined the various things required to be done. He read the names of the trustees of the campaign: E. A. Boisvert, Mayor of Cowansville, I. I. Bruck, D. J. Barker, A. G. Scott, H. P. Vilas. He also said that he was pleased to inform the members that Maj.-Gen. C. B. Price, C.B., D.S.O., D.C.M., V.D., the Dominion president of the Canadian Legion, would attend the opening ceremonies of the campaign on Monday, July 8. Civic officials would be also asked to participate. After the formal opening a Public Street Dance would be held, weather permitting, on the Main Street, Cowansville.

At this meeting team captains were appointed and they in turn selected their canvassers from the members present. The enthusiasm shown at the meeting augurs well for the success of the campaign.

The fund is registered with the government under the War Char-

ities Act and money given is deductible from income tax.

Hollywood Highlights

By Bob Thomas

Hollywood, July 9.—(AP)—The difficulties of being married to a movie queen are described by Richard Ney.

The young war veteran has severed his connection with MGM where his wife, Greer Garson, is top star. The reason for his departure is typical of many actors who have returned from the war:

"I would have to move in on some of my contemporaries who took over during the war years.

"That would undoubtedly mean a fight. I'm one guy who likes a good fight, but I'm afraid Greer might be involved and I wouldn't want that."

So Ney is now free-lancing and currently appearing opposite Peggy Cummins in "The late George Arley."

"Even if there weren't a fight at M.G.M.," he said, "I would probably have been cast as Greer's returning husband. Supposing the script called for a bloke like 'You're not my husband any more,' the audience would roar."

When we concluded our chat, Ney remarked: "If you're over at M.G.M., don't forget to say hello to my wife for me."

See what happens when you free-lance?

Singer Helen Forrest enters hospital today for an ear operation. She was stricken almost deaf... Wayne Morris is buying an amphib plane to tour the northern lakes with his wife in late summer... Esther Williams will call her baby Nora if it's a girl... Margaret O'Brien was unimpressed about being listed in Who's Who. She thought it was a children's book about owls.

NORTH HATLEY COUPLE WEDDED FOR 25 YEARS

North Hatley, July 9. — About thirty relatives gathered at the home of Mr. and Mrs. A. H. Vance on Saturday evening in honor of their twenty-fifth wedding anniversary. Although Mr. and Mrs. Vance were taken completely by surprise, they cordially welcomed their unexpected guests.

The evening was passed in social intercourse. A delicious lunch was served in the dining room, which was decorated with a wedding bell and spirea and petunias in silver vases. A beautiful three-tiered wedding cake, made and decorated by Mrs. Sue Lebaron, of Fitch Bay, graced the centre of the table, at which the bride and groom of twenty-five years ago were seated with their son, Galen, and Mr. Vance's three sisters, Mrs. Ruth Little, of Ayer's Cliff, Mrs. Gertrude Morrisset, of Central Falls, R.I., Mrs. W. A. Lowell, and Mr. Lowell, of Waterville.

Mr. Glen Little, of Ayer's Cliff, with a few appropriate remarks, conveyed to Mr. and Mrs. Vance the best wishes of all for many more years of health and happiness, and presented them with a purse of money. Mr. Vance replied, thanking one and all who had helped to make the occasion such a happy one.

There were guests from Central Falls, Providence, R.I., Montreal, Fitch Bay, Coaticook, Ayer's Cliff, Waterville and North Hatley.

KEITH

Miss Margaret MacLeod, of Pointe-aux-Trembles, has arrived home for the summer holidays.

The Doctor Says

HEAT MAY PRODUCE SERIOUS ILLNESS

By William A. O'Brien, M.D.
Exposure to high temperatures, especially when the air is humid, may result in serious injury to the body (heat exhaustion, heat or sun stroke, or heat cramps). Heat disturbances are most apt to develop in those ill from other causes and in the very young and the very old.

When one has been overcome by the heat once, there is a greater chance of his having difficulty a second time. Heat exhaustion causes marked weakness, dizziness, pallor, sweating, and lowering of the blood pressure. In mild form, it occurs as feeling of faintness. The patient usually does not lose consciousness, and his temperature is usually normal or below normal, although fever may be present.

The onset of heat exhaustion is apparently sudden, but the patient usually says that he hadn't felt well for several days before the attack. The condition is more common in men than in women, and collapse most often follows several days of high temperature without relief.

Victims Need Cool Rest
A victim of heat exhaustion should be allowed to rest in a cool place. If his temperature is below normal, stimulants and warm sponge-baths are given.

His thirst should be quenched with water which contains a level teaspoonful of salt in every quart. Orangeade and lemonade with quantities of sugar are satisfying to conscious patients.

A physician should be called in cases which do not respond to ordinary treatment.

In heat or sun stroke, the heat-regulating mechanism of the body fails to function, too much heat is retained, and consciousness is lost as the temperature mounts. The skin is dry and hot, and the face is flushed.

The breathing is deep and full, the pulse is rapid, the pupils are dilated. Unless help is obtained, the patient's condition may grow serious and death may occur.

Rapid cooling of the body is indicated in heat stroke. The clothing should be removed and the body sprinkled with water. The hospital practice is to soak a sheet in alcohol, wrap the patient in it, and allow an electric fan to blow over him.

Stimulants may be necessary after the fever is reduced. Some victims of heat exhaustion later develop heat-stroke symptoms.

Heat cramps develop in those who work in hot places and perspire too freely. The onset is sudden, with cramps in the arms, legs, and abdomen.

The condition, which may last for 24 hours, is caused by too-rapid loss of salt and water. (Drinking large quantities of water without salt is the usual cause.)

Salt Water Helps Cramps
The proper treatment of heat cramps features rest and salt water. Sedatives may be necessary to relieve pain. A good prevention program includes salt tablets for persons exposed to high temperatures, or provides such persons with drinking water to which a definite quantity of salt has been added. The latter is a more exact method of prevention.

Heat disturbances can be forestalled by increasing the loss of heat from the body or by decreasing the body's heat production (the chief defense of the body to high temperatures in sweating). Drinking small quantities of water frequently is more apt to prevent heat disturbances than is drinking large quantities at one time.

For effective cooling, sweat should be evaporated slowly. Moisture which runs off in rivulets is not effective.

Muscular exertion should be limited during periods of extreme heat. Work should be accomplished during the cooler part of the day.

CALM JUMPY NERVES! YOU NEED MORE LIVER BILE

Science says two pints daily, yet many get only one. Liver bile helps digest your food and provides your body's natural laxative...

IF YOU SOMETIMES FIND TELEPHONE SERVICE SLOW...

There's a Reason!

When your telephone call takes longer than you think it should, please remember—

There's a critical shortage of telephone equipment all over the country—in fact, all over the world!

In order that as few applicants as possible may have to wait for service, we are connecting more telephones than our central office equipment was intended to handle...

Manufacturers of telephone equipment are working night and day to catch up on civilian needs after having had to devote all their output to war purposes...

We are confident that our subscribers will be indulgent if service is slow on some of their calls when they reflect that the prime reason is that we are trying to serve as many applicants as we possibly can.

We ask your tolerant cooperation until we are able to clean up this difficult equipment shortage situation.

A. J. WHELAN, Manager.

Four Mound Artists Toil In Vain For Ben Lady's Ponies

Baldwin, Johnston, De Luca and Bain paraded the mound in that order last night to do the chugging for the Ponies from Kingston. None had anything on the ball except a prayer.

"Moose" Zande went the full distance for the Canadians. He didn't mystify Ben Lady's Lads at all, and was clouted for thirteen singles.

But the generosity of the Kingston pitchers, the loose play of the infield and the wicked base running of "Dutch" Proechel's gang added up to an 11-6 victory for Sherbrooke in the rubber game of a Border Baseball League series.

No less than 12 bases were pilfered by the speedy Canadians. Normie Dussault and Dick Washburn swiped three sacks each, Mike Lurel and Joe Franks one each, Koller and Proechel one each. Lurel added insult to injury by stealing home plate.

Lady thought seriously of calling the Mobile Force down from the stands to bring the base stealing to a stop.

Errors ranked second to stolen bases in providing amusement for the sparse gathering of 400 faithful. Five were chalked up against Kingston, two by shortstop Walter Gubernat, two by pitcher Johnston and one by second sacker Kitchen. Joe Thompson bobbled two hits to left field, with Lurel making the other Sherbrooke miscue.

Adding to the entertainment were two wild pitches by pitcher De Luca and two passed balls by catcher Alltop.

When the Canucks pushed Baldwin off the mound and scored four runs in the first inning on only one hit, the fans knew they were in for a wild evening. Baldwin walked Koller and Lurel on eight straight pitches, and issued a pass to Dussault after Franks had grounded out. Proechel also strolled, then Washburn got the first hit. Johnston went in to walk Long, then finally got Thompson and Zande out. Meanwhile the Sherbrooke base runners had stolen six bases and Johnston had kicked in with an error, so Washburn's hit accounted for only one of the four tallies. Lurel stole one, Proechel walked to force one in, and Proechel tallied when Johnston threw wild past second base.

In the field, Sherbrooke executed two smart twin killings, Lurel to Long, and Dussault to Lurel. There might have been a triple play in the second inning. Alltop walked, and Kitchen singled him to second. Then Gubernat hit a screamer to short left-center field. Dussault came in on the run to snag the ball, and whip it to Lurel in time to double Alltop off second. Lurel immediately tossed to first base to get Kitchen, but Long

DIXIE WALKER TOP HITTER IN MAJOR LEAGUES

New York, July 9.—(AP)—Dixie Walker carried the highest individual batting average into the major league's 13th all-star game at Boston today.

The veteran outfielder of Brooklyn Dodgers, despite dropping four points during the last week, entered the all-star contest with a lofty .398 mark.

Mickey Vernon, left-handed slugging first baseman of Washington Senators, sported a .364 average, top figure among the American League contestants in the star-studded battle at Fenway Park.

Johnny Hopp of Boston Braves displaced Stan Musial of the St. Louis Cardinals as runner-up to Walker in the National League with a .363 mark as Musial slipped to third with .350.

Thumping Ted Williams of Boston Red Sox also dropped from second to third in the Harbidge loop, yielding his former berth to teammate Dom Dimaggio. Including games of Sunday, Dimaggio was batting at a .346 pace while Williams was moving at a .347 gait.

HOCKEY SCHOOL TO BE HELD BY TORONTO LEAFS

Toronto, July 9.—Heat waves danced outside Maple Leaf Gardens yesterday as Conny Smythe went into a huddle with Hap Day to send out invitations to 22 promising Toronto Maple Leafs hockey school at St. Catharines, Ont., September 16th.

The school, a Maple Leaf innovation, is being held a week before the main training camp opens and the National Hockey League manager and his trainer hope by that time to have sized up the hockey hopefuls they have been gathering from far and wide during the off season.

Pete Langelle, pre-war centre star for the Leafs and recently discharged from the Canadian Army, has been invited to give him an extra chance to get in shape before regular training opens. Goalies Walter (Turk) Broda and Gordy Bell will act as net guardians.

11th Straight Win For Lessard In Industrial "A" Ball League

It appears that only an epidemic which would put all their players in bed will be able to stop the Lessard team in the Industrial "A" Softball League. At any rate, the opposing teams do not seem to have found the secret in eleven games against the service station squad.

Lessard blasted out an 8-1 victory over the Rand during last night's double feature at Dufferin Park, clubbing the offerings of Caunter, Rand hurler, for fourteen solid hits while their pitcher, Lamontagne, rationed six safeties out to the Ingersoll outfit.

In the other attraction the second-place Letendre aggregation scored their eighth win in ten starts by beating the cellar-dwelling "Y" lads 5-2.

Lessard started off strongly against the Rand and piled up a 5-0 edge on braces of tallies in the first, second and third innings before the single marker of the losers was scored in the fourth frame. The sixth inning saw Lessard count their last two.

Collin, the Letendre mound ace, gave only five hits to the "Y" men

ROYALS RAISE LEAD TO SIX GAMES IN I.L.

With Montreal's Royals 10½ games out in front and apparently well on their way towards their second consecutive International League pennant, interest in President Frank Shaughnessy's triple-A circuit now is centred on the squabble for the three remaining playoff berths.

At the moment, Syracuse and Newark are waging a terrific struggle for second place. The bears, by virtue of their 7-6 victory over the Chiefs last night, have moved into the runner-up slot by one percentage point.

The fourth-place Buffalo Bisons, who dropped a 5-1 contest to the seventh-place Rochester Red Wings, are only one point ahead of Baltimore Orioles, three games in front of Toronto, five ahead of Rochester and 5½ contests behind Syracuse.

The Royals stretched their winning streak to six games by beating Toronto, 4-2. Montreal broke a 2-2 tie in the eighth frame by scoring twice but manager Bill Norman of the Leafs protested the contest.

In the eighth, Les Burge of the Royals belted a long drive which centrefielder Ellis (Cot) Deal hauled down. But the brilliant rookie ball hawk of the Leafs crashed into the light tower and dropped the ball, allowing Burge to reach second.

Herman Franks then walked and Red Dutton rifled his third two-bagger of the game to right to score Burge with the deciding run and put Franks on third. Franks scampered in with Montreal's final tally a moment later as Earl Naylor fled out.

The scheduled contest between Jersey City Giants and Baltimore Orioles was postponed because of rain.

NATIONAL LOOP UNDERDOGS FOR ALL-STAR TILT

By BOB CAVAGMARO

Boston, July 9.—(AP)—An underdog but hopeful National League team took the field today against a highly favored American League aggregation in the first post-war all star baseball game between hand-picked players of the rival major leagues.

Bobby Feller, Cleveland Indians' sizzling strikeout pitcher, and Chicago Cubs' veteran righthander, Claude Passeau, were slated to pitch the first three innings.

Manager Steve O'Neill of the world champion Detroit Tigers and leader of the American League, planned to use his twirling star, Hal Newhouse, and then Surgeon (Spud) Chandler of New York Yankees for the final three innings.

Manager Charlie Grimm of Chicago Cubs and the National League, kept the Americans in the dark about who would follow Passeau, but the consensus was that Rip Sewell of Pittsburgh and Howie Pollet of St. Louis would get the call.

Boston Red Sox players dominated the starting lineups. Four-centrefielder Dom DiMaggio, shortstop Johnny Pesky, leftfielder Ted Williams and second baseman Bobby Doerr, were named from owner Tom Yawkey's gang. DiMaggio, Pesky and Williams batted in that order. They were followed by the Yankees' home run star, Charley Keller, in the cleanup spot, and then Doerr.

The National League wasn't without its sluggers and clutch hitters. It boasted a powerful long distance hitter in New York's Gene Beatty, first sacker, Johnny Mize, and its leading batter, Dodger Dixie Walker, whose timely hitting has been a big factor keeping the Brooks ahead of the Cardinals.

Some of the stars chosen for the classic won't see action due to injuries. The Dodgers' shortstop, Peeewe Reese, turned up with a chipped vertebra in the neck from a spill he took Sunday. On the same day Yankee Joe DiMaggio tore a cartilage in his left knee.

Two-Way Tie For Lead Created As Brakeshoe Spills Fairbanks

Taking the measure of Fairbanks last night by a 12-6 count, the Brakeshoe battalion in the Sherbrooke-Lennoxville Industrial Softball League climbed into a tie with the E. and T. troupe for top spot in the league race.

In the other games, Philip Carey pinned a 10-3 trouncing on the Record to hang on to the runner-up position, two points behind Fairbanks and Brakeshoe, and Sherbrooke Machineries strengthened their hold on fourth position by disposing of Union Screen Plate at Lennoxville 13-10.

A big third inning was responsible for the Brakeshoe victory over Fairbanks. After each team got three runs in the first and failed to score in the second, Brakeshoe cut loose for six counts in the third. Fairbanks got one in the same frame, to make the score 9-4. In the sixth, Brakeshoe salted it away by scoring three times more, with single tallies in the sixth and seventh being Fairbanks' only answer.

As usual, the Record hit hard but went down to defeat because of sloppy fielding. Four errors, gave the contest to the Carey crew on a platter. Home runs by Davis and Berwick were wasted by the Record team. Laramee,

MINARD'S LINIMENT
"KING OF PAIN"

SPORTS ROUNDUP

New York, July 9.—(AP)—In his comment on the N.B.A. yearly boxing ratings, president Abe Greene berated promoters for paying more attention to the box office than to "improvement of the breed" of fighters. . . . If Abe would cook up some way to employ mutual betting, like other breed improvers, the box office would take care of itself.

It must be the heat. Slightly silly sport items of last week-end: Gizmo, a racing dog, reversed his field at the Multnomah track, Portland, Ore., and caught the mechanical rabbit. Gizmo was knocked cold, either by violent contact or surprise. . . . When the last few yachts reached Bermuda in the long race from Newport, R.I., no times were recorded because all the officials were attending a cocktail party. . . . The manager of the Erie, Pa., Sailors of the Middle Atlantic League, took off his uniform and "resigned" between innings of a Saturday night game. He was back on the job Monday. . . . Gelfer Byron Nelson announced at Columbus, O., Friday that he'd shot a 68 Saturday. . . . he did, then carded 69-67 Sunday.

He got his man. John Beer, the Newark, (N.J.) sport writer, tells of visiting Tony Galento's sport recently when Tony was hemoing the fact that he never got a return shot at Joe Louis. . . . In the middle of the discussion, an inebriated visitor insisted on shaking hands with Tony himself. . . . Galento tried to brush him off with: "Tony ain't here; he's away refereeing." . . . The drunk merely eyed him and stated: "No other man could look like Tony Galento."

SHOELESS JOE JACKSON BOWS TO PSYCHOLOGY

San Francisco, July 9.—(AP)—Tyus Raymond Cobb's batting and base running feats alone would fill a volume of American League baseball lore.

One incident in the exciting career of the unmatched marvel of earlier Detroit Tigers' teams, however, apparently escaped the historians, at least Cobb cannot remember having told the story before.

That was the time he invoked the science of psychology to beat out a rival who actually was kicking dust in his face for the league hitting championship.

It was in 1911 that Cobb spun a mental web to entrap a challenger whose big bat that year was clouting the Georgia Peach into second place. The rival was Shoeless Joe Jackson of Chicago White Sox, generally regarded as the finest natural hitter baseball has produced.

"We were getting toward the end of the season when we hooked up with the White Sox in a series. We had six games to play, including two doubleheaders. Jackson was leading me in the batting race. "Joe always liked me. Whenever we met up he always wanted to be friendly. He would go out of his way to greet me. "But this was no time for friendship. I knew that Jackson would be a mark for something mysterious so when the series started it was prepared to trap him. When we warmed up for the first game, Joe came over all smiles, to say hello. "I gave him the cold shoulder, wouldn't speak and walked right by, as if he didn't exist. He was flabbergasted because our relations always had been cordial. He started to worry then and there. I ignored him all during the series. "The plot worked as I had foreseen. My behavior puzzled Joe so much he went into a slump. He wouldn't buy a hit; this fellow who was the greatest batter I've ever seen. Meanwhile, I hit in every game. "This applied psychology won me the batting title that season. In spite of the slump, Joe hit .411. I hit .420.
