MANY DIRECT HITS SCORED ON ROME RAIL YARDS

Rolling Stock, Tracks And Warehouses Struck As Allies Attack Rome

Italian Campaign Enters New Deadlock Following Breakdown of Third German Attempt to Smash Allies' Anzio Beachhead.

By EDWARD KENNEDY, Associated Press Staff Writer, Naples, March 4.—(P)—Heavy bombers struck a new blow at the enemy's railway communications through Rome today as the Italian campaign entered a new deadlock following the breakdown of a third German attempt to smash the Allies' Anzio Beachhead.

Despite bad weather which blanketed much of the peninsula, United States four-engine flying bombers spread wreckage through the Littorio and Tiburtina rail yards in outlying sections of the capital, while others bombed Viterbo airfield 35 miles North of the city, which has served as one of the Nazis' main military air bases in Central Italy.

Bombardiers of the heavy bombers reported they caught Rome's main rail yards crammed with German supply trains and scored many direct hits on rolling stock, tracks and warehouses. The attack was made in perfect visibility. The fliers followed strict instructions to avoid all risk of damaging cultural and religious treasures. The Germans threw up heavy anti-aircraft fire and some Nazi fighters challenged the raiders.

This was the fourth time Rome was bombed by the Allies. The yards hit are along the main rail route for German military traffic from Northern Italy to the battle areas. They are several miles from Vatican City.

After a single day of brilliant sunshine Thursday which permitted some 1,600 Allied planes to deliver the coup de grace to the routed Germans with heavy blows at troop concentrations and gun positions, more spring rain poured down today and deepened the Italian mud.

Extremely heavy casualties again were inflicted upon the attacking German forces, and the weaknesses incurred by such efforts may eventually move the unending of Field Marshal Albert Kesselring's army.

Events on the Cassino front, where 5th Army troops are being held up by a fanatical defence, and the determination with which the Nazis threw a containing ring around the beachhead, are evidence of the German attitude.

Thursday's aerial pounding of enemy gun positions around the beachhead had the immediate effect of reducing German artillery fire. A small number of prisoners were taken when a German patrol entered the Canadian lines on the British 8th Army front.

Revision Of Wage Control Order To Come As Aftermath To Conferences

By JACK WILLIAMS, Canadian Press Staff Writer, Ottawa, March 4.—(P)—Revision of the wage-control order is expected shortly as a result of conferences now being held among officials of the Labor, Finance and Justice Departments.

Representations made by labor organizations opposed to the new order are being studied at these inter-departmental meetings and the expectation is that modifications will be made in an effort to overcome at least some of the objections.

The order was passed last December 9 and became the subject of increasing criticism with all the major union organizations—the Trades and Labor Congress, Canadian Congress of Labor, Standard Railway Brotherhoods and Canadian Catholic Confederation of Labor—making representations to the Government for repeal or drastic modification.

Criticism centred on five main points:

1. Tightening of the restrictions under which War Labor Boards can allow wage increases;
2. Placing the onus on a striker to prove a strike in which he participates is not illegal under the order;
3. Reduction in the proportionate labor representation on the enlarged National War Labor Board;
4. Making all decisions of Regional

\$1,200,000,000 WILL BE SOUGHT IN SIXTH LOAN

Individuals Will Be Asked To Loan \$525,000,000 and "Special Names" Groups \$675,000,000 in Campaign Opening April 24.

Ottawa, March 4.—(P)—Canada's Sixth Victory Loan campaign, to open April 24, will have an objective of \$1,200,000,000, Douglas Abbott, Parliamentary Assistant to Finance Minister Lesage, announced in the Commons on behalf of the Minister yesterday.

The \$1,200,000,000 target is the same as that of the Fifth Victory Loan last autumn which yielded \$1,337,887,850. In the approaching campaign, as the last drive, individuals will be asked to loan \$525,000,000 and "special names" groups—insurance companies, life insurance companies and other investment funds—\$675,000,000.

"Borrowing needs for the continued prosecution of the war remain at very high levels and the Minister of Finance is confident that once again Canadians everywhere will show their determination to support their fighting forces by a financial achievement greater than on any previous occasion," Mr. Abbott said.

A similar press statement was issued a few minutes before the House assembled.

In the Fifth Victory Loan campaign cash applications numbered 3,008,936 and in addition 24,715 applications, representing a total of \$188,086,350 in bonds, were received for Fifth Victory Bonds in exchange for other Dominion of Canada bonds which had matured or were called for redemption.

The \$1,337,887,850 raised in the last campaign set a record for Dominion Government borrowing. The fourth campaign, yielding \$1,308,985,500, had established the previous record.

Subscriptions in the third victory loan were \$991,389,050; the second \$996,705,900 and the first \$836,820,250.

The total of the First Victory Loan included \$106,444,000 par value of conversion sales while the Second Victory Loan subscriptions included \$155,759,000 par value of conversion sales. Before the Victory Loan there were two war loans, one for \$200,000,000 and the other \$300,000,000—both oversubscribed.

Conclusions of the report were issued after Premier Godbout had received telegrams from Paul Marquette, Provincial organizer of the C.C.L., and six Montreal locals of the United Steel Workers of America, asking that contents of the report be issued "in the shortest possible time."

"We recommend," continued the conclusions, "that they (C.B.R.E. officials) emphasize to and instruct their members regarding the absolute necessity for strict observance of law and discipline if the confidence of the Company and the public is not to be lost by the organization."

The conclusions said that "the unsettled contractual relations" existing between the Company and the Union largely contributed to the recent cessation of work and unruly the state of tension existing between the Company and its employees" and suggested that a board of

Continued on page 2, column 3.

al Boards subject to review by the National Board;

Under the previous order wage increases could be granted on a comparative basis with similar jobs in the same locality or in a comparable locality. Considerable difficulty was experienced by the Boards in reaching a comparative basis in many cases.

The new order provides authority for increases "to rectify a gross inequality and also consistent with the ability of the employer to pay the increase in cost... without increasing the price of the product... or services."

The labor organizations have argued that lacking access to employers' books they are unable to present evidence in answer to claims of employers that a wage increase would necessitate a price increase.

In cases under the previous order the National Board has frequently taken into consideration the ability of the employer to pay and in such cases has required the presentation of financial statements to show an actual loss would be suffered by the company if the increases applied for were granted.

The strike section against which

Four Appointments To Senate From Province Of Quebec Are Announced

Ottawa, March 4.—(P)—Prime Minister Mackenzie King last night announced four Quebec appointments to the Senate:

Hon. T. D. Bouchard, St. Hyacinthe, Que.; Armand Daigle, Montreal; J. A. Lesage, Quebec; and Hon. Cyrille Vaillancourt, Lévis, Que.

Mr. Bouchard, Quebec Roads Minister, is to be Senator for Laurentides Division, formerly represented by the late Hon. P. E. Blondin.

Mr. Daigle, Chairman of Daigle and Paul Lumber Co., will represent Millie Isles Division, formerly represented by the late Hon. J. E. Prevost.

Mr. Lesage, Assistant General Manager of the Quebec Liquor Commission, will represent Gulf Division, formerly represented by the late Hon. D. O. L'Esperance.

Mr. Vaillancourt, General Manager of La Fédération des Caisses Populaires and member of the Quebec Legislative Council, formerly represented by the late Hon. Georges Parent.

The four appointments announced last night leave the 96-seat Senate standing: Liberals 50; Conservatives 35; vacant 11.

The vacancies are divided as follows: British Columbia one; Manitoba two; Ontario four; Quebec three; Prince Edward Island one.

Mr. Bouchard is 62; Mr. Daigle 51; Mr. Lesage 62, and Mr. Vaillancourt 51.

Mr. Bouchard was born in St. Hyacinthe, attended school there and became editor of the St. Hyacinthe newspaper, Le Clairon. He was elected an alderman in 1905 and has been Mayor since 1917.

He was first elected to the Quebec Legislative Assembly in 1912, was made Speaker in 1930, and Minister of Municipal Affairs and Trade and Commerce in 1935. He resigned his portfolio with the defeat of the Godbout administration in 1936 but was re-elected in 1939 and appointed Minister of Public Works and Roads.

Mr. Daigle holds office in a number of companies and is a Governor of Notre Dame Hospital, Montreal, Verdun General Hospital, Verdun, Que., Jeanne D'Arc Hospital, Montreal, and Ste. Justine Hospital, Montreal.

Mr. Lesage was formerly a member of the insurance brokerage of Lesage, Proteau, Ltd. He served as a Quebec City Alderman from 1918 to 1926 and since 1940 has been Assistant General Manager of the Quebec Liquor Commission.

Mr. Vaillancourt is Manager of the Maple Sugar Producers' Cooperative of Quebec and President of La Conférence St. Vincent de Paul at Lévis.

P. D. MacARTHUR NEW PRESIDENT OF P.C. PARTY

Ottawa, March 4.—(P)—P. D. MacArthur, of Howick, Que., was elected President of the Dominion Progressive Conservative Association at its annual meeting here yesterday.

John Bracken, National Leader of the Party, was named Honorary President. Gordon Graydon, Leader in the House of Commons, and Maj. M. MacPherson, of Regina, were elected Honorary Vice-Presidents.

Other officers: Vice-Presidents—Mrs. Hugh Mackay, Rothesay, N.B.; Gustave Motte, Montreal; Lt.-Col. L. D. M. Baxter, Winnipeg; and Christie McDonald, Ottawa.

Executive officers—George Black and Mrs. George Black, for Yukon; A. E. Jukes and Mrs. A. S. Dennis, both Vancouver, for British Columbia; W. H. A. Thomas, Olds, and Mrs. Douglas Hardwick, Armadale, for Alberta; George H. Jones,

V.D. RATE IS AT RECORD LOW IN AMERICAN ARMY

27 Cases Per 1,000 Compared with 37 in 1943, 38 in 1942 and 42.5 in 1940 — "Collaboration" Said Responsible for Drop.

By FRANK CAREY, Washington, March 4.—(P)—The venereal disease rate in the United States Army reached a record low of 27 cases per 1,000 men or one man in 37 during 1943, according to preliminary figures, and the use of penicillin in extensive trials on gonorrhea cases resistant to the sulfa drugs affected cures in 96 per cent of them.

Retreatments of failures in these gonorrhea cases raised the percentage of cures to nearly 99 per cent. This is announced in the new bulletin of the army's medical department.

Declaring the low rate for 1943 for gonorrhea, syphilis and other venereal diseases compared with 38 per 1,000 men in 1942, 40.5 in 1941 and 42.5 in 1940, the bulletin said:

"The 1943 figure is even more impressive when the rates in past wars are considered, for in other wars in which this country engaged, the incidence of venereal disease skyrocketed with mobilization and remained high after hostilities had ceased.

The Medical Department credited the achievement to "collaboration between the army, navy and civilian health and law enforcement agencies."

The Defence Department in Ottawa was announced last week that the incidence of venereal disease among Canada's armed forces has been halved from one man in every 18 in 1940 to one in every 35 in the first six months of 1943. The figure for the first Great War period was one in every six.

SGT. THOMPSON ADMITS HE IS QUADS' FATHER

U.S. Soldier Says He Has Written His Wife in Pittsburgh and Asked for Divorce So He Can Marry English Girl.

By WILLIAM SMITH WHITE, Associated Press Staff Writer, London, March 4.—(P)—Red-haired Staff Sgt. William Thompson, Jr., 26-year-old United States soldier from Pittsburgh, Pa., announced publicly last night that he was the father of the quadruplets born this week to Norah Carpenter, an English girl, and declared that "we always will stick together and do all we can for the children, because we understand each other and are not ashamed."

"Norah and I are not married but we hope to be," he said, adding that he had written his wife in Pittsburgh about Norah and had asked for a divorce.

"My wife must understand it was all a mistake and that our marriage, which occurred soon after I joined the army, was hasty and thoughtless under the stress of wartime excitement," Thompson said.

"I think my wife will understand," Thompson said he wanted to register the babies in his name and "support them and their mother from this day onward." He learned only after he had come to London to make his announcement that the youngest of his four babies, MacDonald, who weighed only three pounds, had died earlier yesterday.

"I have applied for dependent's allowance for each of the children," he said, "and on top of that they can have all my pay."

Sgt. Thompson was pale and tense as he made his announcement at U. S. Army Headquarters, where it was stressed that he had appeared voluntarily and without official connection. He handed out a written statement which had been typed for him but which he said was wholly his own.

"I hope Norah and I will be left alone now so that we can together work out our problems and destinies," his statement concluded, "and so that I may be able honestly to work out my problem with my wife."

The first thought of Norah Carpenter at Heaton in Derbyshire was that she was told of the death of baby MacDonald today was that Thompson must be informed immediately.

NEW TRIAL FOR LONERGAN MAY OPEN MARCH 15

New York, March 4.—(P)—Grim-faced Judge John J. Freschi yesterday abruptly terminated Wayne Lonergan's dramatic murder trial "because of the conduct of Defence Counsel" and ruled that no legal action could be brought to prevent the young man from being tried again.

The Toronto-born Lonergan, accused of murdering his wife, Patricia, to death in the bedroom of her New York apartment last October, appeared crestfallen as he was led back to city prison—"The Tombs."

A spokesman at the District Attorney's office said it was unlikely the new trial would start before March 15th "at the earliest."

Judge Freschi, in reading his decision, said that Defence Counsel Edward V. Broderick had attempted to turn the trial into "a farce and a mockery."

Pointing out that a jury had not

WAR BULLETINS

Washington—War Secretary Henry Stimson said today that failure to extend the Lend-Lease Act for another year "would prolong the war and increase the cost to our people in lives and dollars." The Lend-Lease Act expires June 30th unless renewed.

Chungking—Allied air and submarine action which has sunk nine ships totalling 75,000 tons has forced the Japanese to suspend shipping service between Formosa and Hong Kong and disrupted service between Japan and Formosa, a Japanese war prisoner has informed the Allied command.

London—Ten trains with Finnish children have crossed the frontier to Sweden, the Finnish Radio said today, and a total of 5,000 children now have been sent to Finland's neutral neighbor.

Red Forces Five Miles From Pskov

Russians Have Swept Up Seventeen Towns and Four Railway Stations — More Than 800 Germans Killed On this Front Alone.

By TOM YARBROUGH, Associated Press Staff Writer, London, March 4.—(P)—A Red Army column closing in on Pskov from the East drove to a point only five miles from that key communications centre yesterday.

This represented approximately a six-mile advance in the area and put Soviet troops in the city's outskirts in two directions.

Moving along two railroads, the Russians swept up seventeen towns and four railway stations, bringing their lines to a point eight miles Southeast of Pskov with the capture of Pokhvalshchina. Another locality reported captured, Sysaeva, seventeen miles Southeast of Pskov, was only six miles from the Pskov-Ostrov Railway, which the Russians seek to cut.

The Russians were already six miles from Pskov in the North.

More than 800 Germans were killed on this front, the late communiqué said.

Farther South, in the Russian attack toward Ostrov and the Pskov-Warsaw Railway, Soviet troops were slogging through difficult terrain and the communiqué said three companies of German infantry—perhaps 600 men—were killed and "positions of great importance" captured.

Other troops further North continued to enlarge their Estonian bridgehead Southwest of Narva and in two days more than 2,300 Germans were killed in the forests and marshes of the area, Moscow said.

Although a terse Soviet communiqué gave no details of the fighting at Narva, unofficial Moscow reports said Narva was almost surrounded and the only German escape route appeared to be by sea.

German reports mentioned fighting in three other sectors which failed to receive mention in the Soviet communiqué. Berlin said that in White Russia the Soviets were attacking North of Rogachev and around the bastion of Vitsebsk. It also spoke of fighting Northwest of Nevel where the Red Army was driving on the Pskov-Polotsk Railway.

BRACKEN SAYS DISTRIBUTION MAJOR PROBLEM

Ottawa, March 4.—(P)—John Bracken, National Progressive Conservative Leader, last night called for a new national policy based on a system of rewards and profits but unfettered by restrictions of the past.

Speaking at a dinner attended by delegates to the annual meeting of the Dominion Progressive Conservative Association, Mr. Bracken said the major problem of today was one of distribution rather than production.

He said the answer he presented to this problem was the "use of the capitalistic system as the instrumentality whereby we can give the people the full benefit of all they are capable of producing and desire to use."

The job faced by the Progressive Conservative Party was to convince the people of Canada that the party was a new one which had kept all that was worth saving from the past and discarded all that was obsolete and useless.

Mr. Bracken's recommendations for a national policy to fit present day needs included these points:

"We must seek prosperity today by the full development of whatever resources we desire and can use or trade for others."

"We must not forget that work fairly rewarded is still the best way to provide security."

"With the increased risks of modern days society must find ways of assuring security to the sick, the injured, the unemployed, the needy and the aged."

Beyond this there must be an effort to regain true unity.

"Labor must no longer feel neglected, agriculture forgotten, Quebec deceived, Ontario overtaxed or the geographical extremities of Canada overlooked," he said.

Mr. Bracken said the decision on when an election will be held rested with one "whose temper is rather uncertain these days and whose moods are quite unpredictable."

"Unfortunately the Prime Minister is apt to regard his power to call an election or prolong the life of the Government as a convenient instrument with which to confound his political opponents."

"Neither his temper nor his discretion, however, are being improved by his constant examination of the political barometer."

PARLIAMENT REJECTS TERMS

Stockholm, March 4.—(P)—The Finnish Government has won over to its position of declining the Russian armistice demands for internment of German troops now in Finland and restoration of the 1940 boundary, the Stockholm paper Dagens Nyheter said today.

By ALEX H. SINGLETON, Associated Press Staff Writer, London, March 4.—(P)—Anglo-American discussions in London in which Edward R. Stettinius, Jr., United States Under Secretary of State, will take part are expected to embrace post-victory problems concerning not only a liberated Europe but the economic future of Britain and the United States.

Recent development of diplomatic as well as military significance are believed to have hastened the talks, in which Foreign Secretary Eden, Stettinius and other experts will participate.

It is expected here that the talks will cover the progress of the European Advisory Commission, which is gathering data on how to deal with a defeated Germany, a subject which could scarcely avoid the consideration of the affairs of the Nazis' European neighbors.

Equally important topics are expected to be: International use of airplanes; world trade and shipping; U.S. interest in Pacific bases it has developed; joint interest in relief and rehabilitation work.

There seemed little likelihood, Russia would be invited to the talks, for, as one American put it, there are many questions involving only British-American affairs. If issues concerning the Soviet Union arose, the Russians would then be notified.

Says Canada Given Opportunity Of Building Up Post-War Beef Market

My JAMES MCCOOK, Canadian Press Staff Writer, Ottawa, March 4.—(P)—Agriculture Minister Gardiner said yesterday in the Commons that Canada has a double opportunity in supplying surplus beef to the United Kingdom at present: to meet urgent needs and to build up a market there for the post-war years.

The Minister said Canada may need a market for 300,000 head of cattle a year after the war. There might be pressing need for sales in the United Kingdom. If high quality beef were shipped at present, the prospects of holding the market when competitors appeared would be improved.

Speaking in discussion on Agriculture Department estimates, Mr. Gardiner said the suspension of meat rationing announced this week had been discussed with both British and United States authorities. There would be no point in opening up beef cattle shipments to the United States at a time when plants there were having as much trouble handling heavy marketings as those in Canada.

Speaker J. A. Glen tabled at the opening of the sitting a report of the Committee on Standing Orders which considered means of speeding the business of Parliament.

The report, which will be discussed

GIVE GENEROUSLY TO THE RED CROSS

Revision Of

Continued from Page 1.

unions have voiced criticism specifies that in the prosecution of an employee for striking in contravention of the order, when it is proved the worker actually participated in the strike "the burden of proof that such was not in contravention... shall be upon the employee."

The employee is, however, entitled to the benefit of "any reasonable doubt." The criticism has been that placing the onus of proof on the accused is contrary to the fundamental principles of British justice which regard a man as innocent until he is proved guilty.

In opposing the set-up of the new six-man board, labor representatives have said that while on the present three-man Board they have one member they will still only have one on the six-man body. The order provides that the new board is to comprise a chairman, vice-chairman, two representatives of the public, and one each of labor and employers.

No additions have been made to the board membership to fill the quota of six and it is presumed appointments are being intentionally delayed pending revision of the order.

Children grow most rapidly in height during the springtime and put on weight most rapidly in the late fall and winter.

BLOOD CLINIC NEEDS TEMPERATURE WATCH

A watch for taking temperatures is needed by the Sherbrooke Red Cross Blood Donors Clinic on Dufferin Avenue, officials said today.

Anyone having a watch to sell or loan is requested to contact the clinic as soon as possible.

The telephone number of the clinic is 2424.

THREE PERSONS ARE OVERCOME BY GAS FUMES

Three members a well known Sherbrooke family narrowly escaped asphyxiation from seeping coal gas fumes shortly after ten o'clock last night as a result of the prompt arrival of members of the Sherbrooke Fire Department who revived them.

Overcome were J. W. McKee, aged seventy-five; his wife, Anna, seventy-nine, and their son, Lloyd McKee, fifty. The McKee family resides at 38 Montreal Street.

They were attended by Dr. S. H. Ellis after being revived. The three were reported out of danger today.

According to police, they found the son lying in the cellar where he is believed to have gone to fix the furnace for the night, while Mr. and Mrs. McKee were sprawled on the second storey hallway of the dwelling.

Police opened the doors and windows of the house and immediately notified the City Gas Department.

An inspector was unable to find any trace of illuminating gas and authorities traced the fumes to the furnace in the cellar.

A neighbor telephoned police headquarters and Fire Captain Ernest Renaud was accompanied by Lieut. Arthur L'Heureux and Constables Lachance and O. Roy.

NATIVE OF SHERBROOKE DIED IN LYNN, MASS.

Mrs. Frederick Bent, a native of Sherbrooke, and daughter of the late Mr. and Mrs. Michael Meehan, passed away at her home in Lynn, Mass., February 25.

She leaves to mourn her loss three sisters, Mrs. E. Andrews, of Lynn, and twin sisters, Mrs. Anne Trudeau and Kathleen Meehan, of Montreal, and a brother, John Meehan, of Lockport, N.Y.

MRS. L. A. DAREY PASSED AWAY IN MONTREAL

That Mrs. L. A. Darey entered into rest yesterday morning, at the Royal Victoria Hospital, Montreal, will be a shock to hosts of friends in Sherbrooke, who until two weeks ago, when she was removed from the Sherbrooke Hospital, for condition, did not fully realize the seriousness of her illness.

Mrs. Darey, widow of L. A. Darey, who predeceased her many years ago, has resided at their residence, 211 Victoria Street, until several weeks ago, when she entered the Sherbrooke Hospital, for condition, becoming gradually worse after she was removed to Montreal.

Mrs. Darey was a prominent and devout member of St. Peter's Church, and at the time of her death, was Treasurer of the Woman's Auxiliary. She will be mourned by many friends, and especially so by her only son, Captain Darel Darey, who is on active service Overseas, and the only relative present at her passing was a nephew of her husband's, Mr. Matheson, and his wife who reside in Montreal.

Several close friends of Captain Darey's, including Colonel Bertram Lyon, visited her during her last illness at the Royal Victoria Hospital and at the last Mrs. Robert Newton, an almost life-long friend was at her side.

The funeral service will take place this afternoon and interment made in the family lot in Mount Royal Cemetery, where her husband, and her mother, the late Mrs. Murphy, were laid to rest.

Montreal Tram

Continued from Page 1.

arbitration set up under the Public Service Employees' Dispute Act is established immediately to consider these relations.

(The Act mentioned was passed recently by the Provincial Legislature, and under its terms the ruling a Board set up under its provisions is binding on both parties.)

The conclusions referred to "the rivalry and propaganda of other labor organizations desirous of representing the employees as having 'contributed to the unrest' and that 'the tactics of these minority groups will continue to affect labor relations adversely while contractual relations between the Company and the majority group are unsettled.'"

New Trial

Continued from page 1.

been impeached or sworn, the jurist said.

The defendant may legally and properly be put to trial by State without fear of a possible successful claim of double jeopardy.

In reference to the new trial, Judge Freschi told the Court: "In view of what has happened I hope it will not be before me as presiding judge."

"I saw Amen to that," snapped Broderick.

On top of his stinging rebuke to Broderick, Judge Freschi ordered him to appear at a hearing Friday to show cause why he should not be adjudged in contempt of court for going to Canada and delaying the start of the trial. Broderick was in Toronto seeking evidence on behalf of his client, an R.C.A.P. aircraftman, the day the trial was scheduled to start.

Says Canada

Continued from page 1.

trade agreement with the United States Canada could ship a certain number of beef cattle yearly, but shipments had been halted in 1942 when all available supplies were needed at home.

If cattle might be sold in the United States at the prices prevailing there, there would be no beef for shipment to the United Kingdom and there would not be enough for home consumption if the price ceiling were maintained. The decision had been made that Canadian surplus beef should be sent to Britain, after discussions with United States and United Kingdom representatives.

The United States took the natural attitude that if Canadian beef were to be sent to the United Kingdom under mutual aid arrangements, it should be Canada's duty to send it, not that of the United States.

Mr. Gardiner said the Canadian Meat Board buys meat when it comes close to the floor price and holds it for shipment to the United Kingdom. But none of the higher beef grades had been far below the price ceiling and only cow meat had been available for Overseas shipment.

An attempt was being made to work out a plan under which high-quality beef might be sent to the United Kingdom, on a basis similar to that under which contracts are made for shipment of bacon. The contracts would assure that the necessary shipping was available.

Considerable money had been spent before the war in an effort to convince the United Kingdom that Canada could place high quality beef on the market there.

"Now that we have an opportunity during wartime of doing two things at one time, namely, doing a patriotic act and supplying beef to Great Britain at a time when she needs it, I believe we should demonstrate to the British people that we can supply good meat—the very best of it," the Minister said.

"Because when the war is over, if we are producing as many cattle as we are producing today—and all of us hope we will be—we will be requiring sooner or later a market for about 300,000 head of cattle."

"And if we are not able to find that market on this continent, there is only one other place we can find

a market and that is in Great Britain."

Harry Leader (L—Portage la Prairie) said there should be no criticism that the Wheat Board price of \$1.25 a bushel for wheat, basis No. 1 Northern at Fort William, was too high when the United States price was \$1.70. He had not favored the wheat-acreage reduction programme, which is being dropped this year, since it was "wrong in conception and inequitable in administration." A "fair price" for wheat earlier would have been a better system.

CHURCH NOTICE

FIRST CHURCH OF CHRIST SCIENTIST
Montreal and Island Sts.
Sunday Service: 11 a.m.
Subject: "Man."

Testimonial meeting, Wednesday evening at 8 o'clock.
Reading room open daily from 3 to 5 except Saturday, Sunday and Holidays: Fridays, 7:30 to 9 p.m., at His Majesty's Building.

"Man" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday, March 5th.

The Golden Text is from Genesis 1:27. "God created man in his own image, in the image of God created he him; male and female created he them."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Know ye that the Lord he is God; it is he that hath made us; and not we ourselves; we are his people, and the sheep of his pasture." (Psalms 100:3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Scriptures inform us that man is made in the image and likeness of God. Matter is not that likeness. The likeness of Spirit cannot be so unlike. Spirit, Man is spiritual and perfect; and because he is spiritual and perfect, he must be so understood in Christian Science. Man is idea, the image of Love; he is not physique." (Page 475).

ANGELICAN
ST. PETER'S CHURCH
The Second Sunday in Lent

BIRTHS—MARRIAGES—DEATHS

Death and Funeral Notices, Card of Thanks, In Memoriam without poetry, \$1.00 an insertion. Poetry included in In Memoriam, 25c per line extra. Engagements, 75c. Weddings and Birth Notices, \$1.00. List of flowers included in obituary reports, 5c per word, 25c extra when charge account is opened. Reader notices in the City Journal, 15c per line, five words to a line; Lennoxville and City Brieflets, 25c per line, minimum charge of 50c for two lines.

BIRTHS

BRADFORD.—At the Royal Victoria Hospital, Montreal, Wednesday, March 1st, 1944, to Mr. and Mrs. Clifford Bradford, of Foster, Que., a daughter.

DONAGHY.—At the Sherbrooke Hospital on March 1st, 1944, a daughter, Ruth May, to Mr. and Mrs. Cecil Donaghy, of Thorford Mines, Que.

DEATHS

BRADFORD.—Passed away at the Royal Victoria Hospital, Montreal, on Thursday, March 2nd, 1944, the infant daughter of Mr. and Mrs. C. C. Bradford, of Foster, Que.

DAREY.—At the Royal Victoria Hospital, Montreal, on March 3rd, 1944, Adella E., beloved wife of the late Lawrence A. Darey, of Sherbrooke, Que. Funeral service at the Chapel of Trees & Co., St. Luke and Towers Streets, Montreal, on Saturday at 3 o'clock. Interment at Mount Royal Cemetery.

CORBIERE.—The funeral of Paul Corbiere, aged 47 years, husband of Laura Turberfield, will take place from the hospice on Tuesday, March 7, at 8:45 a.m. for service in St. Patrick's Church at nine o'clock. Interment in Lacolle, Que.

LEPAGE.—At the Sherbrooke Hospital on March 2nd, 1944, David Lepage, of 91 Laurier Avenue, beloved husband of Ida Simoneau, aged 59 years. Remains resting at Brézin's Undertaking Parours. Funeral will be held at Christ Roi Church, Monday, March 6th, at 8:15 a.m., thence to Quebec by 10 a.m. C.N.R. train for interment.

CARD OF THANKS
We wish to express our sincere thanks to all our kind neighbors and friends for their kindness to us during the death of our dear little daughter and sister, Frederica May Bryan; also thanks to those who sent flowers, to Rev. Bedford, the undertakers, and the bearers.

MRS. ELIZABETH GUY BRYAN
FRIDA AND ROBERT
Way's Mills, Que.

CARD OF THANKS
We wish to sincerely thank all those who were so kind during the illness, death and burial of our dear wife and mother, Eva; especially do we wish to thank Francis Thornton & Co., Mr. and Mrs. J. A. Fraser, Mr. C. C. Fraser, Mrs. J. Wilkinson, Mrs. W. T. Gray, St. Peter's choir, Mr. and Mrs. R. Grant and Mr. and Mrs. A. Morow for their kind sympathy; also all friends and neighbors who helped in any way.

Signed: **GEORGE ORD**
MARION ORD AND FAMILY.
Cookshire, Que.

CARD OF THANKS
We wish to thank the Nurses and Nuns of St. Francis Hospital; also Mrs. R. Shelton, Mrs. W. Whitehead, the undertakers, Rev. Grey, of Cookshire, and the bearers for their kindness to us during the sickness, death and burial of our daughter and sister, Mrs. G. A. Ord (nee Eva Louise Garneau), of Cookshire.

MRS. ELIZABETH GARNEAU, Sister.
Lennoxville, Que.

CARD OF THANKS
We wish to express our sincere thanks to our kind relatives, friends and neighbors who helped during the illness, death and burial of a loving husband and father, Cyril H. Smith; especially do we thank the Rev. W. T. Gray, the organist and quartette, the bearers, Mr. George Hart and Mr. Joseph Rousseau, those who loaned cars and teams, those who sent flowers, telegrams, letters and cards of sympathy, all those who sent in food and helped in any way. This kindness will always be remembered.

MRS. DELLA SMITH, Wife.
GORDON AND BERTHA SMITH.
Daughters of the Deceased—Law, CLINTON AND DOROTHY SMITH.
Son and Daughter.
Sawerville, Que.

IN MEMORIAM
In loving memory of my father, Martin Van Buren Pickett, who passed away at Farnham on March 4th, 1938.
Though much is taken from us,
As down life's path we wind,
The joy of sweet remembrance,
Goes with us to the end.

ALBERTA G. PICKETT
Farnham, Que.

IN MEMORIAM
In loving memory of our son and brother, Roy W. Morse, who departed this life nine years ago, March 3rd, 1935.
Ever remembered by
MRS. H. MORSE, Mother.
MRS. GEORGE COBURN, Sister.
Rock Island, Que.

IN MEMORIAM
In loving memory of our dear husband and father, Mr. Never Asker, who departed this life March 4th, 1942.
Farewell be thy sleep, dear Father,
It is sweet to breathe thy name,
In life we loved you dearly,
Oh, this would be heaven,
In death we do the same.
Oft we think of you, dear Father,
And our hearts are sad with pain,
Oh, this would be heaven,
Could we hear thy voice again,
You are gone but not forgotten,
Never shall you—memory fade,
Sovereign thoughts still enter linear,
Around the grave, where you are laid,
CORA ASKER, Wife.
PEARL AND MACK MORRIS.
Daughters of the Deceased—Law, LORNE AND FLORENCE ASKER.
Son and Daughter-in-Law, HARLEY AND CORINE ASKER.
Son and Daughter-in-Law.

Bracken Says

Continued from page 1.

The Progressive Conservative Party was being built up to serve Canada and deserve the confidence of the Canadian people rather than merely to win elections.

"We do not believe that our successful men are all thieves or enemies of society. They won their success under rules man laid down. To the extent that the rules are unsocial, let us change them; that is not only our prerogative but our responsibility."

"Neither do we believe that wage workers should be treated as chattels in our industrial system; they must be looked upon as what they are—partners in the task of serving society. Nor do we believe that farmers must be perpetuated in the unfair economic position in which they find themselves."

"The State must co-operate with its population to assure to each member of it the maximum of essential needs and whatever additional our total production makes possible; and by co-operative insurance measures in the nature of social welfare projects we must see that fear of want never again darkens the door of the man or woman who is willing to carry his or her weight in the community."

Mr. Bracken said his visits to various parts of Canada had given him conviction that the party was "moving steadily along the road to victory."

The people of Canada now were suffering from a feeling of "imense frustration." They wanted neither the tyranny of reactionary capitalism or of feudalism, but rather economic security accompanied by political and economic freedom.

No Word
Continued from page 6.

Longpre had fewer shots to handle than Dion, play was quite even all the way through, except for the second period, when the Paper Makers edged in territorial play. Longpre was called upon to handle forty-five shots, compared to twenty-five by Longpre.

The Army got off to a fast start when Boileau scored after a play with Blanchard at 3:06 of the opening frame. Taking the puck in front of the net, Boileau drew Longpre out and slid the puck under him into the net. Two minutes later, Ernest Leblanc raced in to pick up Pee Wee's pass and rifle the puck past Dion with a backhand shot to tie the score at 1-1. Near the halfway mark, Lacroix beat Dion after a solo rush during which he neatly rounded the Army defence to close in on Dion.

Deslongchamps was penalized for crosschecking at the start of the second frame, and Morey took Lacroix's rebound to make the count 3-1 while Deslongchamps was in the cooler. Four minutes later, Pee Wee Leblanc picked up Jack Vitkuske's pass and drilled a hard shot past Dion to make the count 4-1. Near the end of the frame, McLeahan, Morey and Guilbault executed a nice passing play in front of the Army net with Buster McLeahan finally bulging the twine behind Dion.

Army went all out in the last frame and held a decided edge in the play, but were unable to get anywhere near to tying it up due to the excellent work of Roger Longpre in the Windsor nets. The little goalie spread every which way, and succeeded in stopping all but one of the Army shots. At 7:48 of the stanza, Pee Wee Leblanc got his second goal when he took Lacroix's pass to rush in and beat Dion with a shot from close-in. Army tried desperately to score but were unable to do so until one second before the game ended when Deslongchamps, out of a scramble in front of the Windsor net, slid the puck past Longpre to bring the final score of the game to 6-2 in Windsor's favor.

The teams:
Army
Dion.....goal.....Longpre
Dugan.....defence.....Lacroix
Woloch.....defence.....Vitkuske
David.....centre.....Guilbault
Brosseau.....r.wing.....McLeahan

Public Warned To Mail By Monday
Easter Mail For Overseas Forces

The earlier Easter mails are posted this year the better chances they have of being delivered in time, because war conditions dictate that fair time elapses between posting and delivery, it was explained today by local Post Office authorities. Easter Day falls on April 9 this year, while next Monday—some five weeks previous has been set as the latest date on which Easter mail can be posted with a reasonable expectation of delivery for Easter Day. The public is urged to post all mail at the week-end at the latest.

Postmaster C. E. Soles again draws attention to the fact that the postal service is still confronted with a tremendous volume of mail, with problems of pressure on transportation facilities, the dangers of trans-Atlantic crossings, to say nothing of adverse winter weather to be faced in flying mail to the United Kingdom and the Mediterranean.

Mail is recognized as one of the greatest factors in keeping the troops in good spirits—Easter or any other holiday, birthday or anniversary should not be allowed to pass without sending a special message or gift to that relative or friend on active service, it was stated.

Proper addressing of all mail and secure packaging of parcels assist the post office in expediting mail to Overseas Forces.

It was announced at the same time that mail service for civilian correspondence between Canada and cer-

tain parts of Allied-occupied Italy, including Sicily and Sardinia, has been permitted.

Letters and post cards will be accepted for Sicily, Sardinia and the following Provinces in Italy: Bari, Brindisi, Catanzaro, Cosenza, Lecce, Metra, Potenza, Reggio di Calabria, Salerno and Taranto.

For the present, correspondence will be confined to letters and post cards up to the maximum weight limit of two ounces. Only personal communications will be permitted. No communication of business, financial or commercial character can be accepted until additional shipping can be provided.

No registration, money orders, air mails or parcel post services will be available. Postmaster Soles pointed out, and all correspondence will be subject to censorship.

AGRONOMIST AT
LENNOXVILLE
PASSES AWAY

J. David LePage, an employee of the Provincial Department of Agriculture and engaged at the Lennoxville Experimental Farm for over twelve years, passed away Thursday afternoon after a sickness of several weeks.

The deceased was taken to the hospital eight days ago, and had previously been on sick leave for the past few weeks. Mr. LePage was fifty-nine years of age.

He had acted in the capacity of an irrigation expert at Lennoxville for the last twelve years. Previous to this, he had been in the employ of the Provincial Roads Department at Quebec. Mr. LePage had been in the service of the Government for the past twenty-two years. He arrived in this region in 1931.

The deceased leaves to mourn him his wife, the former Ida Simoneau, six children, Jean and Andre, both in the R.C.A.F., Jules Gertrude, Pauline and Madeleine, all of Sherbrooke, his adopted father, P. R. Plamondon, of Quebec, three sisters, Mrs. P. Lantot, of Quebec, Mrs. J. O. Kirouack, of Quebec, and Mrs. R. Manning, of Minnesota; a sister-in-law, Mrs. A. Plamondon, three brothers-in-law, Pierre Lantot, J. O. Kirouack, and R. B. Manning, as well as many nephews and nieces.

The deceased lived at 91 Laurier Street. His remains are resting at the parlors of Les Freres Funeraires, Ball Street. The funeral will be held Monday morning at the Christ-Roi church at 8:15 o'clock. Interment will take place at Quebec.

Additional subscriptions to Cigarette Fund:
\$5: Mr. and Mrs. E. A. Baldwin;
W. E. Hodges, Dr. and Mrs. A. W. McCabe, Richmond.
\$1: Miss Helen Porter, R.N.
Mrs. G. M. Robins.

Bad Coughs Yield Quickly
To This Home Mixture

Surprisingly Quick Relief.
No Coughing. Saves Money.
Here's a medicine for coughs due to colds, that you mix in your own kitchen. It's so easy to prepare that anyone can do it. Once tried, you'll never again be without it in your home. Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments, until dissolved. No cooking needed. No trouble at all. Or you can use corn syrup or liquid honey instead of sugar syrup. Then get 2½ ounces of Pinex from any drugstore, put it into a 16 oz. bottle, and add your syrup. This gives you 16 ounces—a family supply—of really excellent cough medicine. It's thirty, too—about four times as much for your money. And children take it willingly, because it tastes so good. This home mixture takes right hold of a cough in a way that really satisfies. It loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Eases the soreness, and lets you rest at night. Pinex is a special compound of proven ingredients, in concentrated form, a most reliable agent for soothing throat and bronchial membranes. Money refunded if it doesn't please you in every way.

Sale For Municipal Taxes

PUBLIC NOTICE is hereby given by the undersigned, Antonin Deslauriers, Clerk of the City of Sherbrooke, that the following immovable property shall be sold by Public Auction, in the Council Room, on Monday, the 27th day of March 1944, at ten o'clock in the forenoon, to satisfy to the payment of municipal, school and other taxes, unless the said taxes, with interest and costs, are paid before the sale.

NAME OF PROPRIETOR
Estate C. H. Price
Estate G. R. Bush

DESCRIPTION
Lot No. 389 of the East Ward
Lot No. 181-4 of the East Ward

The above immovables form part of the plan and book of reference for the City of Sherbrooke.

GIVEN AT SHERBROOKE, this 28th day of February, 1944.

ANT. DESLAURIERS, City Clerk.

FIVE EMPLOYEES
OF KAYSER FIRM
TO BE HONORED

Julius Kayser and Company, now celebrating their 64th year as the world's oldest manufacturers of "branded" gloves, underwear and hosiery, will tender a testimonial luncheon to five of their employees who have each been with the company for more than fifty years.

The luncheon, scheduled to take place at the Waldorf Astoria, New York, on Tuesday, March 14, will be attended by Kayser executives, managers of U.S. and Canadian plants, and department heads. The employees to be honored come from many walks of professional life: Mrs. Ellen W. Decker, seventy-eight year old (and probably the greatest living fabric glove expert) who has been with Kayser for sixty years; Mrs. Elizabeth Harvey, cashier in service for 58 years; Walter Gamble, doorman, with a service record of 56 years; Miss Catherine Macdonald, supervisor of Kayser fabric finishing for 54 years, and Lewis Allen, warping foreman, junior member of the group with merely 50 years to his credit. All of these long-term members of the Kayser organization work in the Brooklyn plant with the exception of Mr. Allen, who is employed in one of Kayser's plants in Walton, New York. Mrs. Decker, despite her 78 years, continues to travel several times each season to the Kayser Sherbrooke plant to supervise glove production. She has been making these trips since the plant's inception in 1918.

Mr. T. H. Muller, President of Julius Kayser and Company, will present each of the five with a \$1,000 award and a specially designed dedication book commemorating their devotion to duty.

Among the speakers will be a U.S. Army Paratrooper who will discuss the scientific importance of G.I. clothing. Kayser plants are now engaged in the extensive manufacture of clothing for the armed forces of the U.S. and Canada, in addition to their civilian output. They make gloves for the Army, Navy, Coast Guard and Merchant Marine; underwear for the Army, Coast Guard and the WAAC; human parachutes, parachutes for fragmentation bombs and flares, Canadian plant employees not only furnish aviators' gloves, but also make gloves, underwear and hosiery for all three women's branches of the Canadian Army.

FEBRUARY WAS
COLDER MONTH
THAN IN 1943

According to statistics issued at the Dominion Experimental Farm February was colder this year than last. The average temperature for the month was 12.68 degrees as compared with 16.21 last year. Despite this fact there was quite a variation of temperatures during the month, the highest being 40 degrees and the lowest 34. The highest February temperature in thirty years was 53 degrees in 1925 and 1930. The lowest temperature registered over the same period of time was 47 degrees in 1920.

An increased amount of sunshine was recorded during the month with a total of 121.1 hours being registered as compared with 64.9 a year ago. The average monthly sunshine for the past thirty years was 94.2 hours while the highest was registered at 131.4. The lowest was 64.9.

A smaller amount of rain fell during the month than last year with only .14 being registered. The rainfall last year was 1.17 while the average for thirty years was .53. The highest amount recorded over this period of time was 2.12.

The total amount of sunshine for the month was 27.8 while the amount last year was 19.2. The average monthly snowfall for the past thirty years was 18.6 inches while the highest amount recorded was 43 inches. The lowest monthly snowfall for the past thirty years was 5.7 inches.

The total precipitation for the month was 2.92 inches while the total amount for the same period last year was 3.09. The highest amount of precipitation for the past thirty years was 3.14 while the lowest was 1.02. The highest precipitation for one day during the month in thirty years was 1.47 inches.

Tin cans are made mostly of sheet steel and only a little tin.

Cigarettes Enjoyed Tremendously By
Sherbrooke Fusilier Unit Overseas

Soldiers serving in the Overseas army are in great need of cigarettes and people back home are doing their share by helping to raise funds to keep the boys supplied with them. Any smoker knows the feeling of relaxation that comes from a few puffs on a cigarette, and knows how good it tastes back here at home.

Even more so does the soldier serving on the battlefields of the world get enjoyment from these cigarettes. A drive is now in progress in Sherbrooke to send cigarettes to the men in the Sherbrooke Fusilier Regiment. So far the drive is progressing favorably and more funds are pouring in to buy tobacco and cigarettes for the boys from this city.

Periodically, a drive is launched by a group of housewives of the city and this year the need for funds is greater than ever.

The soldiers serving in England and on the far-flung battlefronts of the world are finding cigarettes harder to buy than ever in the countries where they are serving. The boys seem to find that the cigarettes they are able to buy, scarce though they are, have not the same taste and flavor as the Canadian smokes.

The boys prefer the smokes from their own country and welcome any amount they can get from home.

Cigarettes prove most popular with our fighting men, so citizens ought to do all they can for the men who are undergoing hardships for us, and we ought to be glad to provide them with all the comforts we can.

The cost of 18,000 cigarettes to the committee is \$45 and it takes this number to supply each man in the Regiment with one package each month. This certainly does not seem very much and the committee would like to double it if this were possible. They are looking to the public to give their hand in doing this small thing for the boys who are representing Sherbrooke and the Eastern Townships in the battle areas. They remind you that other women's committees are not letting their boys down and Sherbrooke should certainly keep up with the others.

All contributions, large or small, should be sent to the Sherbrooke Record office, from where they will be forwarded to the Women's Committee which has been formed to handle the sending of the smokes Overseas.

Red Cross Drive Total At \$12,500,
As Society Sponsors Tag Day Today

Subscriptions to the Sherbrooke Red Cross drive to date total \$12,500. F. A. Briggs, Treasurer for the campaign, reported this morning. The quota is \$30,000.

Mr. Briggs said that the response to the tag day yesterday was gratifying and volunteers will continue to tag today. It is expected that the response today also will be generous. Receipts of the two tag days will be turned in to the general campaign funds.

Repatriated prisoners of war attest to the absolute necessity of Red Cross parcels to those in German prison camps. They are not a supplement to the German rations, they declare, but are the staples of subsistence to the boys in enemy hands. Why, then, come have asked, must the Red Cross demand the rights, privileges and immunities granted by the Geneva Convention. So the Canadian Red Cross was of necessity excluded from the Canadian Government's arrangement to supply the funds for war service organizations.

The answer is very definite. Prisoner of war parcels are only possible through the terms of the Geneva Convention, an international agreement of a humanitarian nature.

In this convention, nations agreed to respect certain humanitarian values in times of war. It provides "immunity for the property and person" of certain voluntary aid societies in dealing with prisoners of war, and the International Red Cross is this society.

In order to carry on its humane work among prisoners, the Red Cross must be supported by voluntary subscriptions. Were the Red Cross to be supported by all the governments it would cease to be classified as a voluntary society and its international status as a link between prisoners and their home countries would be destroyed. It could no longer demand the rights, privileges and immunities granted by the Geneva Convention. So the Canadian Red Cross was of necessity excluded from the Canadian Government's arrangement to supply the funds for war service organizations.

Unaddressed magazines may now be handed in at the local post office for transmission to the armed forces, Sherbrooke postal official announced today.

The present arrangement under which the public is permitted to hand in unaddressed books at post offices for the use of the armed forces, has been extended to include unwrapped magazines. The magazines will be forwarded by the post office each week to the district director of postal services for disposal.

Zone collections and forwarding depots have been established in all principal cities and contributions from both individuals or organizations of current magazines are now acceptable.

Present plans call for shipment Overseas of 80,000 current issue magazines each month.

CONTRIBUTED TO RUSSIA FUND
The Windsor and District women's war work group are reported to have sent a 56-pound box of good clothing to the Canadian Aid to Russia Fund, contributors to this effort being Mrs. M. Varney, S. Hall, B. Quinn, C. Force, A. Noble, E. Charland, L. Stevens and L. G. Harley.

NOTICE TO KNITTERS
A shipment of wool has arrived at the Red Cross Rooms.

REQUEST FOR WOOL
Anyone having any odds and ends of wool to be knit into mittens for the poor, please call or send to Mrs. Rugg, Mrs. MacLagan or Mrs. W. J. Craig.

Female falcons are bigger, stronger, and can kill more prey than the males.

MEDITERRANEAN
WAR ZONE WILL
BE TALK TOPIC

With the trend of events in the European war theatre today centering around the Mediterranean sector, the visit of Rev. Dr. H. H. Bingham, B.A., D.D., of Toronto, to Sherbrooke this week-end is of more than usual interest. Dr. Bingham, who will speak at both services at the Sherbrooke Baptist Church on the occasion of its 72nd Anniversary,

REV. DR. BINGHAM

will deliver a special illustrated address in the Church on Monday evening, explaining his personal observation of "The Mediterranean War Zone" gleaned from a visit just before Christmas travel was curtailed. Dr. Bingham, famous world traveler and lecturer, is General Secretary of the Baptist Convention of Ontario and Quebec. He has held pastorates at various times in London, Ont., Toronto and Calgary.

Dr. Bingham will illustrate his topic on Monday evening by a series of over 120 slides. His address will carry his audience on a word-picture tour of such places as Gibraltar, Cairo, Algiers, Sicily, Italy, Greece, Turkey, Egypt and Palestine.

His address will be of more than timely interest as he will describe places where the centre of action is today engaging both Canadian and British troops, told from a personal trip through this area at a time when he could study the people and the customs of the various countries. The address will be open to the public.

Dr. Bingham will also speak at the two Sunday services, in the morning speaking on "An Anniversary Message" and in the evening on "The Grief of God." The pastor, Rev. H. E. Secord, will be in charge of both services.

Special music will be played at all services, the organist being Miss Shirley Jean Wright.

St. Pat's Shorts

Last year St. Patrick's Academy established a record by being the first school in the Dominion of Canada to have a fully qualified First Air Cadet Corps. This year it has added to that enviable record by being the first school with an accredited St. John Ambulance Cadet Division No. 117 (Senior group) and a Junior St. John Ambulance Cadet Corps. The senior group is now working hard on its stretcher-bearing display for the Cadet closing on May 1st. The Superintendent of this group is Rev. Joseph and the other newly appointed officers are: Denhard Vincent, Allen Rennie, John Martin and Adolphe Lavalliere. At the recent first meeting of the junior brigade the elected officers were Mark Gervais, Jimmy Donaldson and Gerry Walsh. Mr. Hartley will be the instructor in charge of the seniors while Mr. Rennie is always willing to give a helping hand to both senior and junior groups.

All the High School boys of St. Patrick's Academy have been formed into a Junior Holy Name League which is now an integral part of the parent sodality in St. Patrick's Church. These young members are directly under the Spiritual Supervision of Rev. Father Comeau. At the last bi-monthly meeting short talks on the aims and objectives of the Society were given by Julien Theriault and David Steele, and new officers for the remainder of the

year were elected. This Sunday being the first Sunday of the month these members are requested to receive Holy Communion with the parent body at the 9 o'clock mass in St. Patrick's Church.

Public Meeting — Monday Evening — 8 p.m.
Dr. Bingham will present his popular illustrated address: "THE MEDITERRANEAN WAR ZONE." 120 beautiful views will be shown; taking the audience from Gibraltar to Cairo, visiting Algiers, Sicily, Italy, Greece, Turkey, Palestine and Egypt. Do not miss this treat! Public cordially invited.

Expect Sales Of Meat To Rise
20 Per Cent Without Coupons

Meat purchases will increase from fifteen per cent, as a result of the temporary suspension of rationing earlier this week, butchers predicted today in a survey by the Record. Hotel and restaurant owners, who have been using substitute dishes for meat on Tuesday, reported they were pleased that the meatless day order has been rescinded.

Heavier buying for the week-end was reported, as retailers continued to place larger orders. Storekeepers said that there were adequate stocks of all lines, with the exception of veal, and they added that no difficulty would be experienced in supplying the greater demands, which are now resulting from open purchases.

It was explained that the arrangement will enable breeders to dispose of animals which have been held, because the supply under rationing has been greater than the demand. It was pointed out at the same time that less meat is sold during the Lenten season, and meat sales are expected to rise sharply after Easter.

All butchers told a Record reporter that the decision regarding the meat order pleased the "profession" and added that there would be plenty of meat to fill all the increased orders. Although there has been but a slight increase recorded by retailers since the rationing order was lifted, butchers agreed generally that the estimated volume would increase from fifteen to twenty per cent, with the exception of veal. They explained that the demand for smoked hams and large roasts would be particularly heavy. Many small families had been unable to buy hams and roasts. The sale of steaks and chops had increased under rationing, it was learned.

Butchers have not experienced any difficulty in disposing of the unrationed meats.

Restaurants said many of their problems would be solved for regular menus could be offered on Tuesdays in future and it would no longer be necessary to prepare substitute dishes to satisfy the public.

Hotel operators, some of whom have been discouraging banquets because of the difficulties in buying supplies for large numbers of people, said that suspension of restrictions might not make any difference, for they still had the labor problem to contend with. It was reported that it was difficult to obtain experienced help to provide service.

Meanwhile, the Wartime Prices and Trade Board reminded that the order was only temporary and advised butchers to keep their charts and said ration book holders should retain their coupons, as it was not known when rationing might become effective again. Meat is still needed Overseas and as soon as it can be exported from the country Canadians would have to return to the coupon-buying system.

GRANTMEN PASTE ARMY WITH 6-2 TRIMMING

No Word Yet On Which Squad To Clash With Army Tomorrow

Dallas Grant's Windsor Mills squad moved two games ahead of the Army in the Eastern Townships Intermediate "A" League final when the Paper Makers banged out a 6-2 victory over Yvan Dugre's Army team in the second game of the series which was played at the Windsor Mills Arena last night before a crowd of over 900 fans.

The third game of the series was originally scheduled to be played at the local Arena tomorrow afternoon, but it will be remembered that the Q.A.H.A. slapped a suspension on the Paper Makers at a meeting Thursday night. They also stated that there would be a two out of three series between the Rand and the Army, with the first game to be played at the Sherbrooke Arena tomorrow afternoon.

The officials of the local circuit could not be reached to give their opinion of what teams should play tomorrow, so, at the present time, it is undecided as to what teams will be lining up at the Arena tomorrow. The public, if they wish to know which team will meet the Army, is advised to listen to the

only conclusion that can be reached is that the Paper Makers turned in a whole of a game—and they did, too. The Grantmen really deserved to win last night, for every man on the team worked his head off during the entire sixty minutes of play and what amazed the crowd most of all was that they kept coming back for more punishment from Army's two rearguards, Dugre and Woloch.

The Army goals were chalked up by Noel Boileau and Deslongchamps, while assists went to Pete Brosseau, Pat Murphy and Mario Blanchard. Starring for the Windsor team was Pee Wee Leblanc who turned in a fine game as he sniped two of the Paper Makers' tallies and drew an assist on another.

Other Windsor goals were tallied by Bob Morey, Buster McLennan, Ernest Leblanc and "T-Bone" Lacroix. Lacroix played an outstanding game for the Grantmen as he scored one marker as well as helping out on two others. He started a good many rushes last night, and was highly effective at the Windsor blue line.

Other Windsor assists were drawn by Georges Guilbeault, Charlie Duncan and Jack Vitkuske. The score was no indication of the play, for in spite of the fact that

Canadian Sport Snapshots

By CHARLES EDWARDS, Canadian Press Staff Writer.

Toronto, March 4.—(C) —Word along the Pacific grapevine is that Sacramento's hold on the Coast League baseball franchise is insecure and that the club may be transferred to Vancouver in mid-season. . . . Bob Brown, representing Vancouver interests, said in his return from a league meeting: "We'll have a franchise in the Coast League by 1945 and nobody in baseball will be surprised if we acquire the Sacramento franchise this year!" . . . Brown says Sacramento drew less than 40,000 fans last season whereas the league now has set 125,000 paid admissions as a minimum for holding a franchise. He figures Sacramento's chances of reaching their figure are negligible. On the other hand, Brown thinks Vancouver could draw at least 160,000 a season for class AA ball.

GOOD BOWLING SEEN IN Y.M.C.A. FIVE-PIN LOOP

Maple Leafs extended their lead in the Y.M.C.A. Five Pin Bowling League when they won two strings from the third-place B'nai B'rith team. Both squads rolled exceptionally well, with all the players on the Maple Leafs crew trundling over 600, and all but one of the B'nai B'rith lads also getting over 600. Three singles of over 300 were bowled.

In this match, the high single was captured by M. Math with a score of 363, while the high aggregate went to Dan Heilig, who had a three-string score of 770. In another match, the Y's Men took a two-string triumph over the Sherbrooke Machineries crew. High single in this match went to H. Dinning with a score of 229, while J. McKnight won the high three-string total with a score of 615.

Rand Will Have Strengthened Squad For Match With Royals

One of the most successful features of the Red Cross Campaign in Sherbrooke last year was the benefit hockey match between the Montreal Senior Royals and the Canadian Ingersoll-Rand hockey teams.

Following last year's success, arrangements have been made through the local branch of the Red Cross Society for another match to be played between the two teams on Thursday evening, March 9, at 8:30. The Royals have promised to bring out a complete team and the public is assured of seeing a good game with all the visiting players in action. Some of the best known hockey players in the Dominion who are of an amateur rank are playing for this team and all hockey enthusiasts are assured of a good game.

After winning the bigger percentage of their exhibition games last year, the Rand entered their team in the Intermediate loop and the success which they have had during the past season is well known to the many followers of the league. The fact that they ended up in first position several points ahead of their nearest rivals, the Richmond Flyers, is sufficient proof of the calibre of the team, and with the announcement that they will be strengthened by the addition of six players from the other entries in the league, it should do much to bolster their strength and put them in a class to give this aggregation from the Quebec Senior Hockey League a good fight.

The success of the team is in many ways due to the efforts put into its coaching by the well known "Pop" Leroux, while the group has also been capably managed by Eddie Harcourt. The team this year was well selected and many of the players had played together for several seasons. This helped considerably and with the aid of Leroux, who is a real veteran in local hockey circles, playing on the secondary line, they achieved what was the hope of all four squads by an easy margin.

Frechette, the brilliant eighteen-year-old Rand goaler, will fill the nets for the team, and lining up in front of him will be Bob Bergeron and Pop Leroux. These two defence-men have now played together for the past three years, and working as a team, they form a very definite threat to most opposing forward lines. The other defence-man will be none other than Sherbrooke's fighting Irishman, Pat Murphy, Pat has played on Eastern Townships teams for quite a number of years and his best season was doubtlessly the one which he is finishing with the Army squad in the same league as the Rand. Pat will be on loan to the Rand for this exhibition game and there is little doubt but what he will prove his worth when called on to do so.

The first line of Letarte, Allen and Roy will be up front chasing the puck and if they play the way they did all season they will keep their senior rivals moving from beginning to end. This line was not able to function as well this year as it did a year ago, but the boys have played a good series and should be in top form for Thursday. The "Kid Line" which has been the most talked about in the E.T. Intermediate Loop, will also be playing. This Lavoie, Strole and Dussault line has gone great guns for the Rand during the past couple of months, and the fact that these players all finished well up in the scoring list is proof that their scoring eye is good and that they can combine to form some tricky plays.

Charlie Duncan and the Leblanc brothers, on loan from the Windsor team, will be wearing the Rand colors for the night and anyone who has seen these men in action can vouch that they travel at a terrific speed and that it takes a lot of rearguard action to break up their attacks. The other two borrowed players are Noel Boileau, last year's league high scorer, and Buster McLennan of the Windsor team. Boileau is a valuable both as a defenceman and as a forward and since he was used in both positions this year it is felt that he will more than chase the Royals around.

Tickets for this game are now on sale at the Canadian Ingersoll-Rand Company and any who wish to buy them may do so by getting in touch with any of the plant employees or by contacting the pupils of the Sherbrooke High School and St. Patrick's Academy. A competition is going on in these schools with prizes being offered for the winners and the officials of the play point out that all the proceeds from the sale will be turned over to the Red Cross Committee.

S.H.S. IN 33-16 TRIUMPH OVER COLLEGE CO-EDS

The Sherbrooke High School girls' basketball team strengthened their position in second place in the Sherbrooke Girls' Basketball league yesterday when they swamped the Bishop's University squad 33 to 16 in a regular loop match at Bishop's.

The more experienced S.H.S. players were well in the lead throughout the game but the co-eds put up a stiff fight and the game wasn't as one-sided as the score might indicate. Starting for Sherbrooke High was Wilma Jackson who was top scorer of the game with eight points. Betty Wilcox and Evelyn Eastman played good games to chalk up six of five points respectively while Edith Crawford, Joyce Waldman and Margaret Dean each came through with four and Norma Cairns with two. All of the 'High' girls played well and their good passing kept them in U.B.C. territory much of the time.

Mary Harrington, playing in the pivot position, worked hard for the losing squad to bolster her team's total with five points. Miss Harrington, one of the more experienced Bishop's players, has done yeoman service for the U.B.C. team this year. Elizabeth Bryant played a good all-around game to get four points for the college girls, and Elizabeth Macdonald got two.

The game started slowly with neither team making their attacks effective. However the pace was stepped up in the second quarter and the S.H.S. girls made their shots count to end the half leading by 11 to 3. Sherbrooke High kept the offensive in the third quarter to rack up 12 more to their opponents' 3. Having two good lines, 'High' coach Harold Pye was able to keep a fresh team on the floor all the time. The fast pace was resumed in the last frame and Sherbrooke lengthened the lead by outscoring the tired Bishop's girls eight to four to end the encounter at Sherbrooke High 33 U.B.C. 16.

S.H.S.—W. Jackson, 8; B. Wilcox, 6; E. Eastman, 5; J. Waldman, 4; E. Crawford, 4; M. Dean, 4; N. Cairns, 2; A. Sjolander, 3; Mathias, A. Morrison, Total—33.

U.B.C.—M. Harrington, 4; E. Bryant, 4; E. Macdonald, 2; P. Graham, 2; L. Ladd, 2; F. McGee, 2; F. Fadden, 1; Boss, Total—16.

Officials: Referee, P. Carr; timekeeper, J. Kennedy; scorekeeper, B. Thissen.

"YES, GENTLEMEN, ALL HOMES SHOULD BE FULLY INSULATED!"

This is how to do it—
YOUR ARCHITECT IS TALKING

- "Whether you are planning home renovation or new construction, insulation will play a big part: the fuel shortage has taught people the value of conserving heat. That is why B.P. Three-Way Protection with B.P. Asphalt Shingles, B.P. Insul-Bric Siding, and B.P. Insul-Board looms so large in my specifications for present and future jobs. I know the fine work these products do when correctly applied and my clients know it too; indeed, many of them are renovating step-by-step with B.P. materials, so anxious are they for the greater comfort and fuel savings that follow full insulation."
- Get these vital insulation facts for yourself. Mail the coupon today for information and name of your nearest B.P. dealer.

BUILDING PRODUCTS LIMITED
P.O. Box 6063, Montreal, Que.

I am interested in saving fuel and in weather proofing my home and am considering the following:

☐ New Roof ☐ Siding for exterior walls ☐ Insulation for interior

☐ B.P. Tile Flooring for basement, kitchen or bathroom.

I am planning to build a new home ☐ Now ☐ After the war.

"Mug Town" Which Opens At Premier, Thrill-Filled Film

Scene from "Mug Town," which begins tomorrow at the New Premier Theatre.

The Dead End Kids and the Little Tough Guys have been united again.

The celebrated juvenile stars who introduced and popularized their own special brand of boisterous movie melodrama, appear this time in a highly exciting film appropriately titled "Mug Town."

The Universal picture which begins tomorrow at the Premier Theatre, has all the frantic action of its predecessors and, in many instances, seems to contain more violence and sustained audience appeal.

Headlining the very capable cast are Billy Halop, Huntz Hall, Bernard Punsky and Gabriel Dell.

Principal supporting roles are played by Grace McDonald, Tommy Kelly, Jed Prouty and Edward Norris.

Halop and his kid colleagues portray youthful renegades who, as freight car itinerants, escape from railway detectives only to wind up in a hijack enterprise. Much

of the film's dramatic action takes place while the lads are in this precarious situation. In the end, however, they extricate themselves with flying colors and logical heroics.

Romance has not been neglected. Halop and Miss McDonald supply this diverting element and their scenes together are sincerely effective.

In the added attraction Roy Rogers is starred in "Man from Music Mountain."

Supporting the King of the Cowboys, Republic has gathered a big cast of well-known names, among which are Ruth Terry, an old favorite with Western fans, and recently the mother of a fine baby, Pat Brady.

Paul Kelly takes the part of the chief "Meanie." Also featured are Renie Riano, Little Ann Gillis and Arthur Aylsworth. Joe Kane is responsible for the expert direction, from railway detectives only to wind up in a hijack enterprise. Much

ducing.

Johnny Weissmuller Starred As Tarzan In New Granada Film

Nancy Kelly, Johnny Weissmuller and Johnny Sheffield, in "Tarzan's Desert Mystery," which opens tomorrow at the Granada Theatre.

After months of production at the studio and on far-flung mountain and desert locations in some of America's wildest, most remote and picturesque country, "Tarzan's Desert Mystery" comes to the screen as the most ambitious picture in this popular series. The picture opens tomorrow at the Granada.

Johnny Weissmuller and Johnny Sheffield are Tarzan and "Boy" respectively. And there is Nancy Kelly, a new leading lady, to supply eye-

appeal and take part in some of the film's most breathless moments of suspense and danger. This charming brunette, who scored such a hit opposite Tyrone Power in "Jesse James," has her finest film part in this picture.

The story begins as Tarzan and "Boy," accompanied by Cheta, the chimpanzee, come down out of the Central African jungle into the edge of the vast Sahara, seeking medicinal herbs. They find the herbs—and also a fiendish plot by Nazi agents to foment trouble among the Arabs.

After an initial brush with the

Meat Sales On Lansdowne Market Up Slightly Minus Rationing

Sales of meats on the Lansdowne Market showed an increase yesterday because rationing of this commodity was lifted earlier this week. Dealers and farmers alike said their customers were "very happy" now that it will not be necessary for them to keep account of meat ration coupons. As one butcher put it, "Our headache is gone, at least temporarily."

However, features were practically lacking in the stalls as both prices and offerings remained in line with those prevailing last week. Eggs appeared in greater number yesterday, but prices did not dip from previous quotations. It was explained that the supply of eggs is heavy at the present, but the demand is much smaller.

There was a large demand for cheese, which was attributed to the Lenten season. Many of the fresh vegetables, including carrots, were in abundance, but prices remained unchanged.

enemy over a beautiful Arab station, which joins Tarzan's little group, they enter the capital city of a powerful sheik. Here they meet a lovely American girl who, in the guise of stranded showgirl and entertainer, is trying to reach the sheik with a message of warning against the subtle, cunning enemy.

She is intercepted and "framed" for the murder of the sheik's son, with whom she had a rendezvous. When tried, she cannot produce credentials from a sheik who ent her, so she is condemned to die.

At the same time, Tarzan is imprisoned, but "Boy" and Cheta speedily arrange his escape. On the great stallion, Tarzan rides through the crowd gathered to see the execution and rescues her. She later falls into enemy hands again, but Tarzan meanwhile has obtained identification for her from the neighbor sheik, and rides with the men of that desert ruler to the rescue of the other.

A big battle scene between Nazi renegades and the followers of the two sheiks forms the thrilling climax of the picture. This new Tarzan offering is jam-packed with color, suspense and breathless action. A fine supporting cast is headed by Otto Kruger, Joseph Sawyer, Lloyd Corrigan and Robert Lowery.

HOPE OF THE SUFFERING

● Since the days when Florence Nightingale set up a new ideal of service to the soldier in the field, the Red Cross has become the universal symbol of practical humanitarianism.

Today, wherever the flame of war has seared the earth, fighting man and civilian alike find hope in the Red Cross.

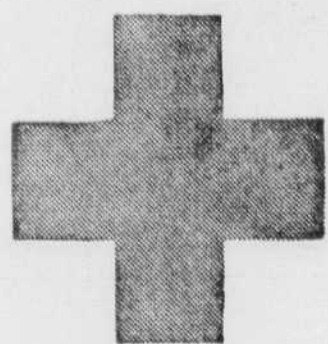

Into hospital and prison camp . . . into bombed city and ravaged countryside . . . into first-aid outpost and field dressing station . . . into the very jaws of battle . . . wherever there is human suffering the Red Cross, fearless and competent, pursues its endless work of mercy.

And now the need intensifies. The biggest tasks lie ahead. YOUR Canadian Red Cross, a vital link in this global war on pain and misery, again solicits your support. YOUR dollars are needed as never before. Give . . . and give generously!
