Shawville Chamber of Commerce Rejuvenates Memorial Park

The Shawville and District Chamber of Commerce has produced activity again among its members in another Park Project. If one happened to drop by the Memorial Park this week, you will likely see several of them wielding a 'mean' paint brush. They have tackled the seemingly hopeless job of painting the wire mesh fence which surrounds the Park. Although having just begun, they hope to finish this week, working only in the evenings, and hoping the members will find an hour or two to get in on the project.

If anyone thinks that he can't paint, there are a lot of flower beds which require a thorough cleaning before the addition of fresh plants.

Ken Hodgins has a project of his own, working on an historic stone in one corner, the history will be written as soon as project is completed.

The grass is now being cut regularly and 500 gallons of water (filled from the creek) was poured on it from the fire truck hoses during the dry spell.

It is also hoped that the fountain will be repaired and in operation before the year ends. This at one time, was the chief attraction in the park, and the presence of its spurting spray of water would be a welcome sight again!

For many years, an interested couple, who lived near the Park, spent hours indeed days, cutting grass, weeding and tending the flowers. Because the job was just more or less left for them to do,

ghlin.

Among those attending were John Hodgins of South Porcupine, Mr. and Mrs. Lyle Hodgins of Shawville, brothers of Kenneth, and his sisters Mrs. Sophia McKinley and Mrs. Bill Hanna with Mr. Hanna, all of Shawville, Mrs. Ken Hodgins' half-brother Eldon McDowell and Mrs. McDowell, sister Mrs. Eddie Finnigan of Ottawa and Mr. Finnigan, sons Alex of Ottawa and Bob of Kitchener, and daughter Gwen.

Among relatives of the Caldwells were cousins of Vibert's Mr. and Mrs. Ted Brookfield and Mr. and Mrs. Milton Caldwell of New Liskard, son Cpl. Gilmore Caldwell of Karp and Mr. and Mrs. Mel Caldwell of Noranda.

and a bit of ill health intervened, they had to retire for the most part from the job. But no one took up where they left off. For the last few years, the Park has become a controversial subject. Instead of being the pride, joy and beauty spot of the town, it became a question as to who should look after it, who had ownership rights to the ground, and furthermore, most ridiculous question was who had the right to start to take steps to improve it, after its relapse. The C.G.I.T. used common sense, and each year they worked tediously cleaning up the leaves which fell each season. Finally after several organizations of both men and women local Councils, and the Chamber of Commerce sat down and discussed the issue, something evolved. Financial help is forth coming for repairs, but the most needful of all is the presence of those interested, who will help keep this little green corner on the East end of Main Street, "The Beauty Spot of Our Town".

Presently Allan Black and Dr. Wallace Hodgins are in charge of the committee for Park improvements and any assistance will be greatly appreciated.

Tigers Win Two At Bryson

The Shawville Tigers swept a pair of games from the Bryson Elks over the week-end winning the first game 10-6 and then coming on strong to take the second 13-3.

Bryan Murray returned to the mound for the Tigers after a four week layoff and won his fourth game of the year, although tagged for 9 hits, he struck out 5 and walked two. Jackie Thomas gave up 10 runs on 11 hits in a losing cause.

In the second game, a 13-3 win, Earl Powell hurled a fine four hitter and struck out 8 in gaining his third win of the year.

Bill Murray slugged a three run homer in the first inning to give Powell a lead he never lost. For Murray it was his first homer as a tiger and signs of good things ahead for the 15 year old rookie. He also drove in a run in the eighth, Royce Richardson and Harvey Smith each collected four hits while Bryan Murray, Chamberlain, Yemen and Garrison picked off two hits each.

Next week, the tigers play at home against Sheenboro. Game time 2:00.

William Ferguson Chats with Queen

A 16 year old Cornwall Sea Cadet has had a series of thrills in the past year — his latest was a chat with the Queen Mother.

It all began on a Sunday afternoon in May of last year when William Ferguson was sitting on his front verandah.

Dressed in his cadet uniform in preparation for a special Sea Cadet parade, he heard someone yelling that two children had fallen into the Cornwall Canal about 100 yards from his home. Without hesitation he went into action. He reached one child from the edge of the canal and dragged him to safety before he dived in to rescue the second.

The children were Bruce and Bryan Campbell aged ten and eight years.

Later last year William learned he would be awarded the Tri-Service Award for Bravery. It was awarded him by Admiral Budge. He is a grade nine student at Cornwall Collegiate Vocational Institute, and is the son of Mr. and Mrs. Robert Ferguson (nee Patsy Chabot, formerly of Bristol Mines; grandson of Mr. Telesphore Chabot; nephew of Mrs. Albert McBane of Quyon and Mrs. Francis Bourgeois of Wyman.

Baseball Ft. Coulonge Vs Vinton

In a doubleheader game of the UOVBV Linton dropped two games to Fort Coulonge on the Vinton field Sunday, June 24th to bring Fort Coulonge from the cellar up to 4th place in the league standings. The first game Georges Gagnon was credited with both wins and Gerry Hearty charged with the losses. Three home runs were recorded, two by Gagnon and one by Muldo Francoeur.

The first game 3-0, showed Coulonge had five hits, 3 runs and one error with Vinton having 6 hits, no runs and 3 errors.

Second game 16-7, showed the winning team having 16 hits, as many runs and 3 errors with Vinton having 7 hits, 7 runs and 1 error. It was an all-out effort on the part of all Fort Coulonge players with some striking even a little better. P. Laroche, A. Titley and G. Gagnon all had three hits, with Marcel Romain and Shannon Doyle showing some nice defensive play.

Fort Coulonge: Ken Rose, P. Laroche, Don Marion, George Gagnon, Jr. Soucie, R. Titley, A. Titley, Jerome Romain, Marcel Romain, Shannon Doyle and M. Francoeur.

Vinton: F. Hearty, A. Hearty, D. Hearty, Jerry Hearty, G. Cavanagh, S. Hearty, Glenn Carswell, D. Sauriol, P. Cavanagh, K. Whalen, P. Kelly, P. Sloan, F. Wrinn; coach, McGuire.

Farther west in the Pontiac and in the same league, Campbell's Bay defeated Sheenboro 1-0 in the first and tied the second 2-2. Gerry Labelle was credited with the Campbell's Bay win.

9th Annual Graduation At Shawville

By Sandra Horner

On Friday, June 8 the Ninth Annual Graduation Exercises were held for the 1962 Graduating Class. Chairman of Clarendon School Board, Mr. Walter Kilgour acted as chairman for the evening.

Mrs. M. Young played the processional "The War March of the Priests" and the graduates marched slowly towards the front of the auditorium. The graduates and their guests rose for the singing of "O Canada". Reverend E. Johnston delivered the invocation. Sandra Horner, a member of the graduating class, then read the class prophecy. Anna Hamilton and Lois Mee then offered a piano duet "Rippling Waters".

Mr. G. T. Hagen then delivered the principal's report to the parents. Mr. G. Stones introduced the individual members of the graduating class. Rev. E. I. Johnston then presented prizes to deserving members of the class. Sandra Horner received a prize of ten dollars for the greatest improvement in French during the year. Joan Armstrong received a year's subscription to the Readers Digest for her position as Valedictorian of the

Graduating Class. Other prizes of ten dollars were given to Margaret Rusenstrom for improvement in Chemistry; Derek Hagen for the highest average mark in English; Charlie Dale for Algebra and Joan Campbell for History. Charlie Dale received the Birks Silver Medal for scholastic achievement and Nicholas Elson the Birks Bronze Medal for leadership in student affairs. Ron Richardson presented the William Hodgins Trophy to Dave Wilson. This trophy is awarded annually to the boy of the graduating class who is outstanding in both academic and athletic work.

Mr. Robert Bouchard introduced the guest speaker Mr. Harold Young, Inspector General of Protestant Schools. He gave a very worthwhile and interesting talk to the graduates. He was properly thanked by Mrs. Henry McCord.

Joan Armstrong then gave the Valedictorian speech on behalf of the graduates. Reverend Johnston then gave the benediction. Following the assembly rose for the singing of "God Save the Queen" and then the graduates marched slowly from the gym. Group and individual photos were then taken.

United Steel Workers Banquet and Dance

On Saturday, June 16th the members of the United Steel Workers of America Local No. 5656, held a banquet with the UCW catering to a crowd of 300 consisting of members and their wives or lady friends.

Head table guests were introduced by the chairman James Dunbar, who has been President of Local 5656 for the past two years. Mayor Orla Young, accompanied by his wife, welcomed the guests on behalf of the town; Emile Boudreau, who is assistant director of District 5 of the U. S. W. with headquarters in Montreal, was guest speaker. He was thanked by vice-president Terrence Mulligan of Quyon. Also present at the head table was the treasurer of the Union Chas. Schmidt and Mrs. Schmidt; Re-

cording Secty. Vertel Smiley and Mrs. Smiley; Vice-Pres., Terrence Mulligan and Mrs. Mulligan; Financial secretary Merton Glenn and Mrs. Glenn, shop steward Earl Cooney and Mrs. Cooney.

After the banquet, a dance was held in the Agricultural Dance Hall where members and their escorts danced to the music of an Arnprior orchestra. Door prizes and spot prizes kept the evenings entertainment even more interesting. A very enjoyable evening was recorded and a great deal of credit must be given to the success of this event. Committee consisted of these members: Francis Devlin, Dalton Elliott, Francis Bell, Kemis Elliott, Lorne Catherwood and Llyal Bean.

Doug Parks Addresses Shawville Rotary Club

Doug Parks of Kemptville Agricultural School gave Shawville Rotary a pictorial tour of the fields and farms of Europe last Monday night. Mr. and Mrs. Parks had been on a seed growers tour and attended a Grasslands Society meeting in Scotland. Their color slides illustrated the way European farmers make use of every square foot of land, planting within seven inches of the roads.

Concentrating mainly on Sweden, Mr. Parks described their excellent housing for farm work-

ers with more capital going into housing than into labor saving devices.

60 acres in Sweden is an economical farm unit and a land board determines the acreage which a farmer can buy, disallowing the purchase of too little land for economical results.

Plant breeding is by private firms heavily subsidized by the government. The neatness and orderliness of the countryside impressed them.

Mr. Parks was introduced by Neil Drummond and thanked by Claude Elliott.

WHY?

That's the question we have heard more than any other this week as we trudged up and down Main Street, Shawville soliciting memberships in the Shawville and District Chamber of Commerce. It was a "joe" job and we were "joe" this time and it wasn't easy because of all the "Whys".

To make it a lot easier for the next "joe" here are some of the answers.

"Why", you ask, "join the Chamber of Commerce?" Well here's why.

In the first place the Chamber has tried to do its very best for Shawville in various directions and its committees have worked many hours purely for the good of all.

Members have planned and built the lovely picnic grove at the west end of town and are now devoting summer evenings to installing waterworks there and sanitary facilities. Others, and some of the same members, are giving their free time to keep the memorial park in decent shape, a place for Shawville to be proud of.

Our Chamber of Commerce has drafted and circulated a resolution which was passed through every municipal council in Pontiac requesting an improvement on the road from Quyon to Aylmer. This was not easy and took a lot of time and good will on the part of a few.

Our Chamber of Commerce has drawn up and published a map of Shawville and District indicating for visitors the roadside tables and sandy beaches with pictures of the area and descriptive literature and enclosed with the map a leaflet containing information for every tourist. This includes the names of garages and what kind of car they service, names of hotels and a complete dossier of facts for visitors to the area. The map has been distributed in tourist information centers in Ottawa and Hull.

Our Chamber of Commerce holds meetings at which every effort is made to bring some speaker who can both interest and encourage us to greater efforts for the benefit of Shawville and District.

These small efforts are only a good start in the right direction. The future of the Chamber of Commerce depends solely upon the membership. If everyone joins who should join, the Chamber can embark upon greater and greater things. One of these greater things which must be faced soon is to attract to this area a number of small industries.

Ask any student seeking summer employment here or any young man or woman leaving high school or returning from advanced training elsewhere? Where do they go for employment? They have to leave home or work at the mine and nobody is unaware of the fact that the mine can't go on forever.

A million and a half dollars is being paid out in wages at the mine each year. Whether it goes on for six years or ten years or twenty years, it must come to an end. What will it be like with a million and a half less dollars? Our Chamber of Commerce, if it is strong enough and has the prestige associated with membership of every responsible citizen in Shawville can do something about this.

One of the nicest ways of showing the real spirit of cooperation associated with membership in a Chamber of Commerce would be to obviate the necessity of appointing another "joe" and just rush in with your membership fee to Edgar Schwartz, treasurer or, if it would be more convenient, you could give it to Mrs. Dickson at the Printshop or anywhere you happen to see her.

The next dinner meeting of the Chamber of Commerce will be July 10 at the Agricultural Hall in Shawville and an opportunity will be

LETTERS TO THE EDITOR

Dear Editor: Friend do not fret;
We are all sound Canadians yet.
More than half don't agree with our present M.P.
And we tell him so, lest he forget . . .

Our Parliament now is all set
For a government freemen should get.
With the help of S.C., Prime Minister D.
Can lead Canada out of debt . . .

His friend Destiny now he's met
And it's Cash versus Bonds for the net.
If the road he can't see to the land of the free
Then Canada'll call in Caouette.

With kindest regards,

Fred Coyne,
Bryson, P.Q.

Editor's Note:

"Go to our banks to get
Those very same banks out of debt
Isolationist be, monetarily!"
Says Caouette, but he's not P.M. yet.

If those are the plans they have set
For the reign of Réal Caouette,
Be thankful that he never P.M. will be.
He's not even SC leader — yet.

Words From Ireland

Napanee, Ontario
Box, 688

To The Editor,
The Equity,
Shawville.

Dear Mr. Editor,

Having spent a little over two years in your beautiful Pontiac County I am inclined to agree with your own Dr. S. E. McDowell that the scenery of Pontiac is hard to beat.

Nevertheless, being a native of Good Old Ireland where I lived for twenty four years and have been privileged to visit again some four times in the past thirteen years I must say I am at a total loss to know where your good Doc's travells took him in the Emerald Isle. I am certain he did not see Ireland in its true perspective. No man having travelled in the Island, who wanted to be fair to it, could honestly describe it as he apparently has done.

While it is true, that some of the farms are small and hilly, certainly not all are such. In the County of Down, where my home is, we have some of the best farm land to be found anywhere in the world. A number of these farms are by no means small; Kidd's farm is over 300 acres, Shannons 280 acres, Gibneys 280 acres, Bullers 500 acres, Brysons 400 acres, Ledlies over 250 acres, Mooreheads over 300 acres and my own sisters husband who is none other than Cecil McDowell owns one of the largest farms in the Downpatrick area. This is only one county. County Antrim has many large farms as has Armagh and Tyrone. Then when we take into account the fact that one acre in Ireland produces approximately two and one half times that of an acre in Canada, even the small farms are not so small. As for waste land, I have lived in Ireland and I have travelled all over this beautiful little Island. I have also lived in Canada and have had the wonderful privilege of travelling extensively in this land and accordingly Ireland has very little waste land. Speaking of living conditions as somewhat less than salutary, I am afraid our good friend the Doc. must have had more than was good for him at that Paris night club or he would have been seeing differently.

As for things having changed little in the past few decades, how can your own honored and re-

vered gentleman of Pontiac County make such a statement. Things in generally have been completely revolutionized since the war years.

Farming alone, according to a team of experts who no later than last year travelled Europe is said to be twenty five years ahead of Canada and fifty years ahead of the U.S.A. in Ireland.

Housing, in Northern Ireland, is for the most part modern and up-to-date. No later than Tuesday May 15th, 1962, The Ministry of Health and Local Government of Northern Ireland announced that ninety eight thousand, three hundred and eighty new permanent homes were completed in the North since June 1, 1944. This little corner of the Emerald Isle is not nearly as large as Pontiac County, in fact I doubt if the whole of Ireland is much larger than Pontiac.

Looking to the past and outlining plans for the immediate future, Lord Brookeborough, the Premier of the North on addressing a large gathering in Belfast on May 18th, 1962, said "Northern Ireland's achievement in so many fields since 1921 have been the admiration of the entire world. Never in human history has a small state accomplished so much in such a short period of time, our country today is at the pitch of prosperity." In outlining the plan for the future, the Premier set the goal for the North in the next ten years at, one hundred thousand new homes, the next five years, one hundred and fifty new schools and one hundred major extension schemes, with three new hospitals and four major extensions, one of these being to The Famous Royal Victoria Hospital at Belfast. This plus an expenditure of one hundred and sixty eight million dollars on new and improved highways and thirty millions on industrial developments bids fair to make Ireland, the North at least inhabitable.

Today the average working man earns a weekly wage of approximately thirty eight dollars which exchange wise is equal to our sixty dollars in this land. No my friends, Ireland is not the back end of nowhere, Ireland is an up and coming little country, and while I personally love Canada, I hope to retire in Ireland.

Yours from a native of the Old Sod, R. W. McCaw.

afforded at that time for new members to join and others to renew.

Now — we've had our turn at soliciting memberships. We've heard all the "why's" we have to listen to. Over to the next "joe."

St. Edwards Annual Picnic

Two bus loads of excited children left St. Edward's school on Thursday morning for McCoy-Beaupre Lake where the grounds had been prepared by Mr. Beaupre for them to hold their annual picnic.

The day began with a roll call followed by a program which had been prepared by Rev. D. J. Harrington. He was assisted in conducting the sports by Messrs Harold Muise, Andrew Dagg and John Tollman. Prizes donated by the parents were distributed by the teachers Mrs. Stanton and Miss Dumas.

The children enjoyed treats of

Grains of Sand

A rumour is circulating that Keith Horner, coach of the Shawville Tigers, betrayed his team two weeks ago, when his team played against Fort Coulonge in that town. How? He was seen applying Absorbine Jr. (or was it Sr?) to the pitching arm of George Gagnon, a pitcher of the opposing team. Results? Fort Coulonge won the second game of the doubleheader 10-8, which happened to be only the second game they won since the season opened. Now they have found the twist of the game and won both last Sunday. Maybe you'll be sorry Keith, for giving that rub down. Oh well, sportmanship like that is rarely seen and is invaluable.

Starks Corners Community Center gets active Tuesday July 3 with a Strawberry Festival supper complete. The ladies of the community will provide some of the best baking in Pontiac and all are promised a grand meal altogether. Proceeds go to refurbishing the kitchen which needs it badly.

You will all be happy to know that Willie got a new home at Lloyd Cartman's. Mr. and Mrs. Smith drove up from Ottawa to inspect the premises first and were delighted to find such a fine welcome for their pet.

Every week we receive a few more subscriptions for the french paper "Le Réveil" which we publish on Thursdays. We are surprised to find there are some who don't even know there is a french weekly in Pontiac. In its eighth week, "Le Réveil" is still tiny but still going strong. It's greatest need is the same as The Equity's great need — more news from Fort Coulonge.

Our apologies to the Bryson United Church Women for omitting their name from the Strawberry and Salad Supper notice in last week's paper. It takes place tonight (Wednesday) at the Bryson Town Hall from 5 to 8.

John and Beulah Telford of R. R. 1 Shawville have purchased the store operated by Edey Campbell at Beech Grove and will be taking over on July 3rd. Edey has been hired as a Park Ranger in Gatineau Park and will be living at Norway Bay for the summer and plans to build a new home in the Beechgrove area.

25 Years Ago In THE EQUITY

June 24, 1937

The engagement was announced of Iva Winnifred, daughter of Mrs. Mabel Langford and the late Stanley George Langford of Shawville, Que., to John Hugh only son of Mr. and Mrs. A. G.

Proudfoot of Campbell's Bay.

A very pretty wedding was solemnized on Friday afternoon, June 18, 1937 in the parsonage of St. Andrew's United Church, Bristol, when Miss Lois Dorothy youngest daughter of Mr. and Mrs. Wamie Richardson of Yarm became the bride of John, youngest son of Mr. and Mrs. Thomas W. Hodgins. Rev. F. W. Taylor officiated.

Removal of telephone poles from the north side of Main Street in the east end of the village of Shawville makes a great improvement in the appearance of this part of the thoroughfare.

Radford Community of Clarendon lost one of its oldest farmers in the person of Almon W. Chamberlain whose death occurred on June 15 at his residence on the 8th line. The late Mr. Chamberlain was born near Portage du Fort, 80 years ago, the only son of the late Edwin R. Chamberlain and his wife, the late Nancy Hamilton of the Gatineau district.

Mr. Joseph Brownlee of Edmonton, Alta., was in town to visit his brother, Mr. John H. Brownlee, and other relatives in town and also friends in Bryson.

Mrs. S. H. Barnett of New York City visited her daughter, Mrs. Neil Drummond at Campbell's Bay and her sister Mrs. Baker in Shawville.

50 Years Ago In THE EQUITY

June, 1912

On June 16, 1912 at St. George's church, Portage du Fort, by Rev. R. Atkinson, George Alfred Dagg son of the late Robert Dagg Esq. of Shawville to Miss Sarah Seclia Corrigan, daughter of Alex Corrigan of Clarendon. The bride and Miss Edna Violetta Dagg sister of the groom.

Mr. John Ed. Barton, late of Caldwell, P. O. informed The Equity by letter that he was located at Bladworth, Sask., and purchased two adjoining quarter sections; one with the crop of 160 acres of wheat and the other in oats and summer fallow.

Very nearly half a pound is the weight of a specimen of hen fruit handed in to The Equity by Mr. Sam Woods of Bristol, who states that this is the third mammoth egg which has been presented to him during the spring. It measured 8 x 9½ inches and was the product of Rhode Island Reds.

Miss Lottie Shaw and Miss Ina Armstrong left to visit relatives in Haileybury.

Mr. and Mrs. W. F. Caldwell, Mr. J. Y. and S. B. of Ottawa took a run up to Shawville in their auto.

Mr. and Mrs. Wm. Moore were guests of Mrs. Jos. Sly and Mr. and Mrs. Robt. Armstrong.

St. Edwards CWL

The regular monthly meeting of St. Edward's C.W.L. took place in the parish school with Mrs. E. Roy presiding and opening prayers were said by Rev. D. J. Harrington.

Minutes of the previous meeting were read and approved, correspondence read and a financial statement given.

The President welcomed the new pastor Rev. D. J. Harrington and asked him to address the members.

Father expressed pleasure on his recent appointment to St. Edward's and commended the members on the splendid attendance. He said it was a great feeling of joy to have a well established C.W.L. and assured the members that he would give full co-operation to make a success in all League endeavours.

The hospital convenor Mrs. J. O'Neil reported visits to the hospital and that a box of baby clothing had been left. Hospital Convenors for the month of July are Mrs. S. Smith and Mrs. T. Gallagher.

A discussion ensued with regards to the Annual Parish Picnic, Miss Nettie Bell was appointed General Convenor and all final details were completed.

A social hour followed hostesses were Mrs. B. Hannaberry and Mrs. S. Smith.

Winners of bingo prizes were Mrs. L. Foran, Mrs. R. Burton and Mrs. M. Hahn.

Hospital Auxiliary

The regular meeting of the Shawville Ladies Hospital Auxiliary met at the summer home of Mrs. Herb Mitchum at Phillips Lake. There were 14 present and the meeting opened with prayer.

It was decided to purchase wool for knitting baby garments

Amateur Softball

The Eastern Ontario Amateur Softball Association has decided to extend its boundaries to include teams and leagues from the Province of Quebec. Any team or league within twenty miles of the Inter-Provincial boundaries will now be included in the various classifications leading to Eastern Ontario softball championships.

Further information may be obtained from the secretary, Mr. James O'Brien of Cardinal, Ont.

for the show case. Mrs. Russell Elliott gave a report from the central Auxiliary in which plans for a tea at the new Ade home were discussed as well as plans for a tag day at the fair in aid of Pontiac Community Hospital. It was decided to assist at both projects.

Mrs. Sturgeon thanked Mrs. Mitchem on behalf of the Auxiliary Ladies for a very happy time spent with her. The meeting closed with benediction by Rev. Mr. Emard and a delicious picnic lunch was served.
