EUROPE GETS NO RELIEF; 325 DEAD

World News In Brief

Istanbul, Turkey — (AP) — Military investigators Saturday indicted 15 leaders of a private citizens' organization called "Cyprus Is Turkish" as responsible for the disastrous anti-Greek rioting in Turkey last September.

The rioting caused millions of dollars in property damage and was responsible for a deep rift in Greek-Turkish relations. The Turks ordered martial law in Istanbul, Ankara and Izmir for six months, and expressed regret to the Greeks for the violence.

Ottawa — (AP) — An external affairs department official said Sunday night Canada has no objection to private organizations or persons inviting Russians to Canada.

The official was commenting on a Penticton, B. C., report that a sports committee had voted to invite the Russian Olympic hockey team to meet last year's world champion Penticton V's in a three-game series at Penticton in May.

Hinton, Alta. — (AP) — Three men died after a car crashed into the side of a Canadian National Railway freight Saturday night at a crossing eight miles east of here. Hinton is 168 miles west of Edmonton. It was believed two of the men died in the demolished car. The third died Sunday in a hospital at Edson, 46 miles east of here.

Seoul. — (Reuters) — President Syngman Rhee today ordered the death penalty for anyone caught stealing coal in South Korea. He orders guards to draw lines around the coal dumps and shoot if necessary at anyone crossing them. South Korea is trying to increase coal production to save dollars spent on imports.

Dekernes, Egypt. — (AP) — A ferryboat turned over in a canal here Sunday and 22 students, varying in age from 12 to 18 years, were drowned. Ten of the victims were girls. The boat carried 45 passengers and a load of donkeys and cows. All the animals and the remaining passengers reached the canal bank safely.

London — (AP) — A Canadian movie, "Blinkity Blank" by Norman McLaren of Ottawa, has won the British Film Academy award as the best animated film of 1955.

The film, an abstract exercise of persistence of vision, was produced by the National Film Board of Canada. A bronze trophy, British equivalent of Hollywood's Oscar, will be presented to a Canadian representative at a special ceremony March 1 in a London cinema.

Los Angeles — (AP) — A flaming bluish-white meteor with an orange tail streaked across the California sky early Sunday, observed from cities 600 miles apart.

Fragments of the meteorite appeared to fall on the army's Camp Irwin on the Mojave desert near Barstow, where it was seen by many observers.

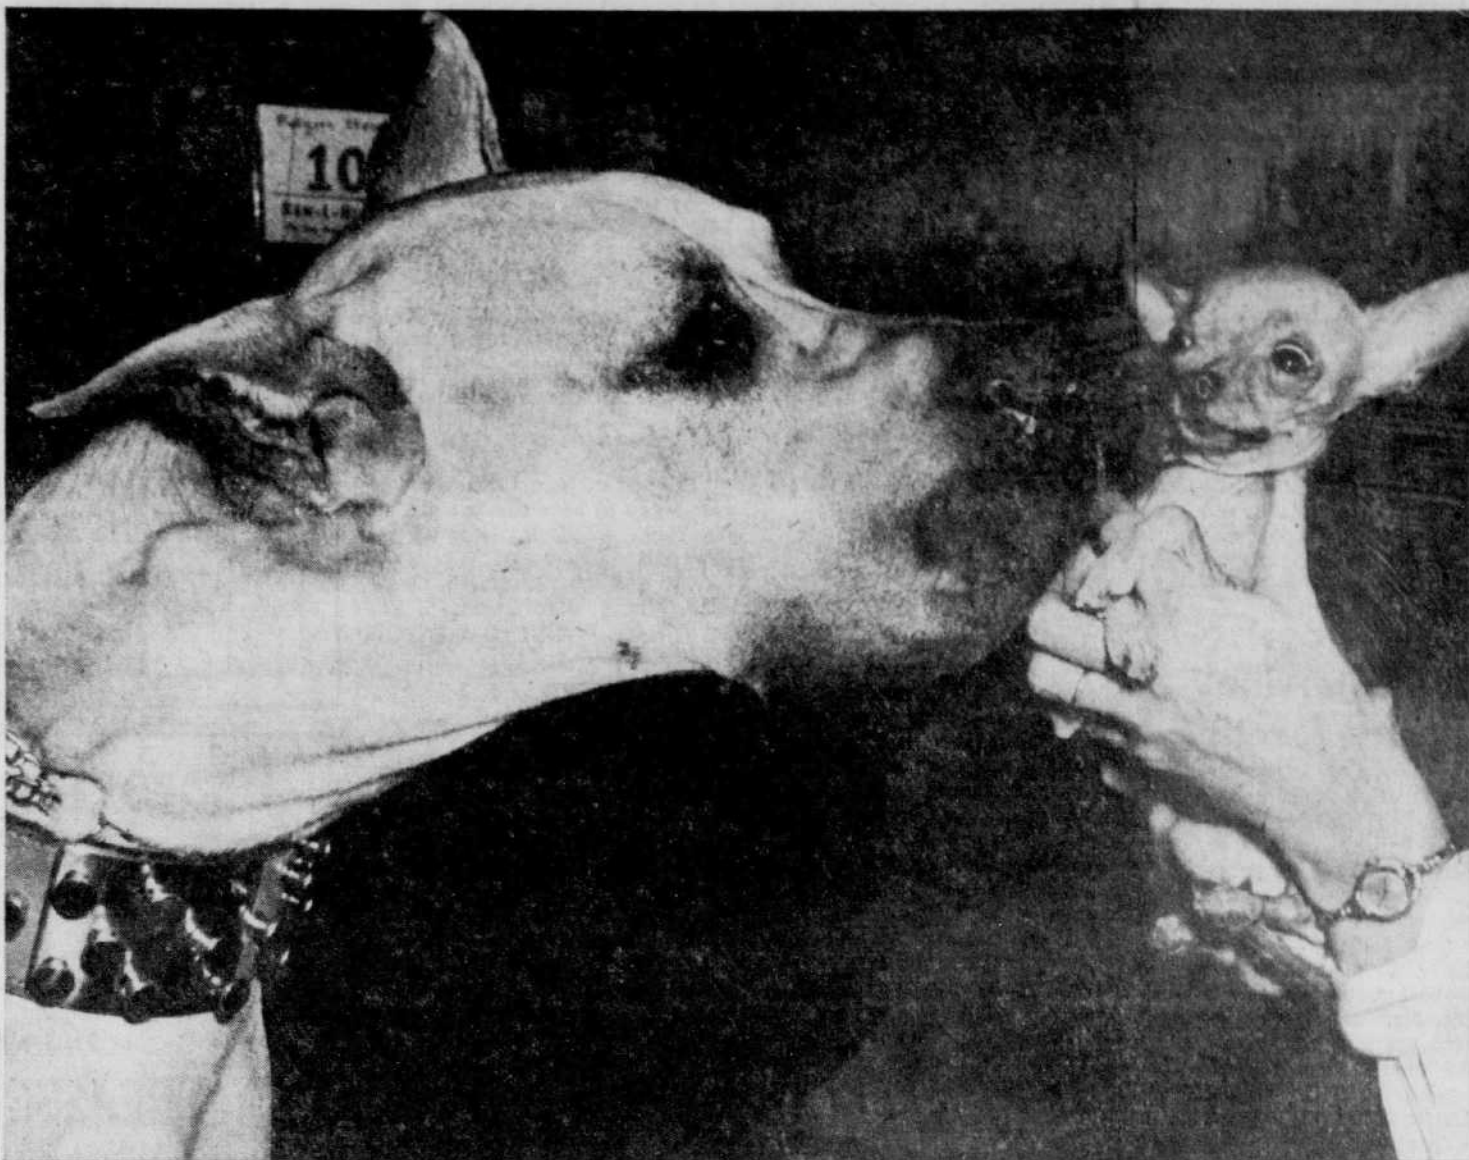

Montreal — (CP) — James A. Heighon, 31, native of St. John's, N.S., was killed Saturday when his car collided with a streetcar on downtown Notre Dame street.

Police said acetylene torches were needed to free Heighon's body from the wreckage of his car.

The impact derailed the streetcar, which carried no passengers. The motorman was uninjured.

Regina — (CP) — A railway fireman was killed Sunday in a collision involving three trains on the CPR main line at Pense, 10 miles west of Regina. There was no immediate report of other injuries.

An eastbound freight train was reported here to have crashed into the caboose of another eastbound train stopped at the siding. At the impact, several box cars and the engine were then hurled off the tracks and crashed against a third train on the siding.

And In This Corner — On the left is Major of Jacar of Montreal, weighing 140 pounds. His opponent is Wee-Mile El Ricardo of Fruitland, Ont., tipping the scales at a little more than two pounds. Fortunately, there were no paws thrown at this meeting of the Great Dane and the Chihuahua during the National All-Pets Exhibition in Montreal. (CP)

The Burgess-Maclean Affair

Lloyd Recalls Red Denials

London. — (Reuters) — Foreign Secretary Selwyn Lloyd told the House of Commons today the Burgess-Maclean affair brought into clear relief the lack of candor of the Soviet authorities in their statements about these men.

Referring to the previous disavowals by Soviet spokesmen of any knowledge of the missing British diplomats, Donald Maclean and Guy Burgess, who reappeared in Moscow Saturday, Lloyd said:

"This kind of conduct shows you how difficult it is to establish the relations of mutual trust which the Soviet Union professes to seek."

Lloyd said that the statement Burgess and Maclean made to newspaper men in Moscow Saturday was designed "to be used for propaganda purposes."

He declared: "No credence can be placed in their words."

Burgess and Maclean, who vanished in May, 1951, came out of hiding in Moscow Saturday at a five-minute meeting with two British and two Russian reporters. In a prepared statement, the two denounced British and U.S. foreign policy while denying they had ever been Soviet agents.

Lloyd said it has also been suggested the timing of the former diplomats' appearance was to "clear the air" for the visit to Britain this spring of Soviet Premier Bulganin and Communist party chief Khrushchev.

"That may be so," the foreign minister said.

He said Maclean, who was head of the American department of the foreign office, had been suspected as a Soviet spy before he fled. However, no suspicion had been aroused about Burgess.

Lloyd recalled that last October, Harold Macmillan, then foreign secretary, had asked Soviet Foreign Minister Vyacheslav Molotov in Geneva for information about Maclean and Burgess. Molotov said he was quite unable to provide any information.

On Jan. 12, Harold Wilson, a former Labor Minister who was visiting Moscow, asked Khrushchev the same question. Khrushchev was reported to have replied: "Are these men in this country? I have heard nothing of them and I have not met them."

"The house must be prepared to draw its own opinion about the veracity of these statements," Lloyd said.

"It brings out in clear relief the constant lack of candor of the Soviet authorities in their statements about these men."

The Burgess-Maclean case jumped back into the headlines here as a major political issue, following the press statement and brief interview given by the two men.

Union Pact Said Smooth

Vancouver — (AP) — A top labor official said here Saturday the merger of Canada's two union organizations is proving to be a smoother operation than anyone dared hope for.

Donald MacDonald, secretary of the Canadian Congress of Labor, said the merger of his group with the Trades and Labor Congress is going to be "an amalgamation in the true sense of the word."

He said the compromise worked out regarding political activities of the new Canadian Labor Congress is typical of the spirit which has accompanied plans for the merger which will come into being in May.

The CCL has been affiliated with the CCF since 1943, while the TLC has always insisted that it won't interfere in matters concerning politics.

Quebec Accidents Kill Two Men; Ten Are Injured

St. Hilaire, Que. — (AP) — One man was killed and five others injured Sunday when two automobiles crashed head-on near this town, some 30 miles east of Montreal.

Provincial police said Jean Marc Cusson of Montreal died when the car he was driving collided with another driven by Claude Sylvestre, 24, of St. Hyacinthe, Que.

Donnacona, Que. — (AP) — One person was killed and five others injured Saturday when their car crashed into a tree near this town a few miles west of Quebec.

Dead is Paul Henri Aspirot, 25, of Quebec. Injured were Bertrand Lachance, 21, Mrs. Jean-Marie Boudreau, 23, Antoine Racine, 27, Jean-Marie Sivret, 23, and Achille Rheault, 30, all of Quebec. Mrs. Boudreau and Lachance were reported to be in serious condition.

Fresh Snowstorms Boost Death Count In Freezing Europe

LONDON — (AP) — Fresh snowstorms heaped more misery today on freezing Europe with 325 recorded deaths and scores of missing as the worst cold wave of the century went into its third week with only temporary relief in sight.

A Greek Air Force Dakota plane with 17 persons aboard was reported missing on a mercy flight to drop emergency supplies to snowbound villages in Macedonia. The plane had reported engine trouble after it took off from Salonika airport Sunday.

In Yugoslavia, an avalanche buried workers in a hydroelectric power station. Details of the disaster were skimpy.

The known death toll by countries:

France 84, Britain 45, Italy 52, Germany 22, Greece 26, Turkey 16, Denmark 19, Holland 12, Austria 9, Switzerland 4, Sweden 4, Yugoslavia 20, Spain 2, Belgium 4, Cyprus 2, Tripoli 2.

United States military forces on the continent were mobilized for mercy work.

The U. S. Air Force sent Flying Boxcars loaded with relief supplies for Italy, where more than 100 communities are snow-bound.

An army spokesman at European headquarters in Heidelberg, Germany, said that if the weather should ground the planes, convoy trucks or trains probably would speed the supplies to Italy.

The sun broke out over most of Britain bringing some winter warmth but temperatures still were well below freezing in Scandinavia and on the Continent—especially in the remote regions.

An icy storm blowing across the Baltic sent the temperature to 41 below zero in Muodoslompolo in northernmost Sweden. It was zero in Stockholm.

The Brenner pass separating Austria and Italy recorded 31 below.

Key To Canadian Economy

Population Growth Essential

Montreal. — (AP) — Continued expansion of Canada's economy is largely dependent on population growth, the president of the Canadian Lumbermen's Association said today.

Roy Halliday told the association's 48th annual convention that a faster-growing population would give the country "a broader market for goods and services . . . thereby reducing the cost of production and providing the necessary labor for the development of our natural resources."

Mr. Halliday said immigration dropped more than 30 per cent last year, representing a decline of 54,000 immigrants from the 1954 total.

He told some 2,000 delegates the 1955 influx of slightly more than 100,000 Canadians was the lowest in four years.

"If the trend goes on," he said, "the pace of our economic expansion will slow down . . . a policy of aggressive, selective immigration is needed; selective so as not to disturb our present working force. These new Canadians have brought new skills and industries to us and have

made possible a rate of economic expansion we would not have achieved without them."

Mr. Halliday also urged the government to give railways more freedom in setting freight rates.

Completion of the St. Lawrence seaway, he said, would bring about "substantial changes" in rail rates between eastern and western Canada.

CLA manager W. J. LeClair said Canada's current economic success "is due to a world-wide surge of employment."

Unfortunately, he added, a degree of inflation is worrying all countries.

"The curse of inflation," Mr. LeClair said, "is that it needs continued inflation to perpetuate its benefits. And the evidence of history against such a future is all too patent."

He suggested greater expenditures on trade promotion and on research as means of offsetting the inflationary trend.

The federal government must recognize it has responsibility to the forest industry from which it draws "vast taxation revenues," Mr. LeClair said, adding that

Ike Gets Report Tomorrow

Washington. — (AP) — President Eisenhower's doctors will give him a new medical report tomorrow which he will study in deciding whether to seek re-election.

In advance of reporting to the president, the physicians who examined him Saturday will be joined by Dr. Paul Dudley White for a analysis of results of the tests.

White, Boston specialist who has been chief consultant on the case since Eisenhower's Sept. 24 heart attack, is scheduled to arrive here late Tuesday morning from the west coast. There he has been trying to record the heart beat of great grey whales—for comparison with human heart performance.

White said at San Diego, Calif., Sunday the experiment hasn't succeeded thus far, but that he will try again at a time not yet fixed.

After Eisenhower receives the doctors' report, their findings will be made public, either late Tuesday or Wednesday morning.

About mid-week the president will fly to Thomasville, Ga., to spend several days at the 600-acre plantation of Treasury Secretary George Humphrey.

Eisenhower told a press conference last week he should have enough information by March 1 to make a decision on whether to seek a second term.

The medical tests he completed during a 70-minute stay at the army's Walter Reed Hospital Saturday were his first on an exhaustive basis since mid-December. His pulse and blood pressure are checked daily, however.

Both White and the president's personal physician, Maj. - Gen. Flower M. Snyder, have said they feel they should not advise Eisenhower whether to bid for a second term. They have taken the position he must make that decision on his own after being briefed on his condition.

provincial governments "must be made commercial-minded."

Montreal. — (AP) — Canada's lumber production hit a record high of 7,750,000,000 board feet in 1955, the 48th annual convention of the Canadian Lumbermen's Association was told today.

CLA manager W. J. LeClair told the opening session of the three-day convention that last year's total output was 848,000,000 board feet higher than the 1954 figure.

Canada's lumber exports also set a record last year, totalling 4,893,721,000 board feet in 1955, compared with 4,049,452,000 the previous year.

In his annual report the CLA manager said this country's lumber industry may not find 1956 as lucrative as last year because of mounting production costs and increasing competition from lumber substitutes.

However, Mr. LeClair termed the 1956 prospects "good" on the basis of projects such as the St. Lawrence seaway, the Quebec-Labrador railway, oil development in western Canada and cross-country pipeline construction.

Successful Party Sponsored By Rock Island Lodge

Rock Island — A delightful flower garden party was held in the I.O.O.F. hall in West Park sponsored by the Crystal Rebekah Lodge, No. 14, for benefit of the Rebekah Assembly President's project of a freezer for the Edith Kathan Home.

Prizes were won by Mr. and Mrs. Douglas Johnson, Raymond Curtis and Leo Demick for highest score, and to Mrs. Florence Sevrigh, Mrs. Cora Curtis, Miss Mildred Blake and Mrs. Fred Baker, the consolation. Refreshments were served after the game.

The party was under the co-sponsorship of Sister Madeline Curtis, and Sister Ida Haselton, with Sister Ida Haselton and Sister Avis Muir, donating the prizes.

The lodge plans another flower garden party in the hall, on Monday evening, February 27.

In addition to the proceeds of the party, donations of money was received, one from a friend in Montreal.

Film Version Of Noted Opera At Rex Tomorrow

The perfect wedding of a great love drama and exquisite music has found new expression on the screen in Columbia's "Faust and the Devil," which opens at the Rex Theatre tomorrow. Telling the dramatic story of a man who sold his soul for the love of a maiden against a background of gorgeous spectacle and impassioned music, "Faust and the Devil" emerges as a thrilling sensational experience on the screen.

Famed Metropolitan Opera star Italo Tajo, whose golden voice is unsurpassed, beautiful Nelly Corradi and handsome Gino Matterna are starred. In "Faust and the Devil," Tajo takes the part of Mephistopheles, man's evil genius, who strikes a bargain with Matterna, as Faust, to restore to him the joys, thrills and love of youth in return for his soul. Miss Corradi is the beauty who inspires Matterna's love. The powerful drama, whipped on by the frenzied and hauntingly beautiful music, reaches its peak of intensity when Miss Corradi is condemned to die at the stake for committing infanticide, but escapes the powers of darkness although she perishes in the flames. Matterna, too, escapes eternal damnation, after suffering terrible consequences.

Tajo gives a superb performance as the malevolent Mephistopheles who makes his devilish pact with Matterna. Miss Corradi, who is familiar to American audiences for her impassioned performance in "The Lost One" (La Traviata) shines in her present role. Matterna, who also was in "The Lost One," is excellent as the hapless Faust.

"Faust and the Devil" is also distinguished by a lavish production, with a giant cast and superb voices. The movie was inspired by Goethe's drama and Gounod's opera, "Faust" and has added musical interpretations of

Arrigo Boito. The libretto was written by Michel Carre and Jules Barbier. The orchestra of the Accademia di Santa Cecilia recorded the beautiful music. Leopold Marchand's screen play, supplied with English titles by Herman G. Weinberg, was directed by Carmine Gallone. Gregor Rabinovitch produced the film for Columbia Pictures.

Fine Reports At Waterville Vestry Meeting

Waterville — The annual vestry meeting of St. John's Church was held in the Jubilee Hall. The Rev. Mr. Harrison opened the meeting with prayer.

Following the election of a vestry clerk the financial accounts for the parish were read by the people's warden, Mr. Robert Grey, and for the hall by Mr. M. Barter, secretary-treasurer. Mr. Harrison expressed thanks on behalf of the parishioners and himself to Mr. Barter for his good work.

The rector gave a detailed account of the progress of all three parishes, "Eustis, North Hatley and Waterville" and explained his reasons for acceptance of his call to Sillery, Que.

Following the reading of Canon XI the election of officers for 1956 took place. The rector appointed Mr. Lindsay Pocock as rector's warden; Robert Grey re-elected, people's warden, and Mr. B. J. Hopcraft as auditor.

In connection with the vacancy occurring in the parish, when Mr. Harrison leaves, the following were elected to a board of concurrence: Mrs. Fred Ayer, Miss MacMaster, Mr. R. Grey, Mr. Barter, Mr. L. Pocock.

Mrs. Fred Ayer read the report of the Ladies' Guild and a very encouraging report of the Sunday School was read by Mrs. S. Deacon.

The meeting closed with prayer by the rector. Refreshments were provided by the Ladies' Guild of St. John's Church.

ST. ARMAND—Church Group Plans Activities

St. Armand — The regular monthly meeting of the Woman's Association of the Philipsburg United Church was held at the home of Mrs. G. L. Kidd. Rev. F. Duncan opened the meeting with Scripture reading and prayer.

The minutes were read by the secretary, Mrs. R. S. Grevatt and the financial report was given by the treasurer, Mrs. E. I. Piche, who reported having sent the yearly allocation to the Bedford Parsonage Fund. Several items of business were brought before the meeting and discussed.

It was decided to hold a card party in the Church Hall, Philipsburg on Friday evening, February 24th.

At the conclusion of the meeting lunch was served by the hostess and a social hour enjoyed. The next meeting will be held in the Church Hall on Wednesday, February 29.

Knowlton Mothers Organize Guild Association

Knowlton — Several ladies met at the home of Mrs. H. L. Parkes for the purpose of organizing a local Girl Guide Association.

Mrs. Parkes acted as chairman for the election of officers which resulted as follows: president, Mrs. Douglas Flewelling; secretary, Mrs. Albert Needham; treasurer, Mrs. Dan Mullins; publicity convener, Mrs. Elton Bockus. Mrs. Lawrence J. Crandall was appointed delegate to the annual meeting of the Provincial Association taking place in Montreal in March.

Mrs. Flewelling then took the chair and after a short discussion the membership fee was voted as 50c per year.

It was decided that the uniform committee would consist of the officers of the association.

At the conclusion of a pleasant afternoon, Mrs. Parkes served tea.

absence of the leader, Mrs. Carl C. McClay.

The president, Ann Northrup was in the chair and conducted the opening devotions.

The minutes were read by the secretary, Joan Northrup and Mrs. Gray led the study period after which games were enjoyed.

The meeting closed with the singing of Taps.

REBEKAH LODGE
Colfax Rebekah Lodge No. 29 met in regular session with the Noble Grand, Sister Irene Hamilton in the chair.

The minutes were read by the secretary, Sister Pearl L. Windle and communications on hand, were also read.

The Financial secretary, gave her report and all outstanding bills were moved paid.

Final arrangements were made for the card party. Lodge was brought to a close in ritual form after which a pleasant social hour was enjoyed and refreshments served.

Warped Patriotism

Seldom has the name of France suffered such disgrace as was heaped upon it by Frenchmen on the occasion of Premier Guy Mollet's arrival in Algiers.

He came there to seek a solution to the troubling problem of Algeria's future relations with France. Ruled by a relative handful of French residents, the region's predominantly Arab-Moslem population seeks a substantial degree of self-government.

Mollet gained power as premier partly on the strength of his pledge to tackle this issue. His quick trip across the Mediterranean was in fulfillment of that promise.

When he landed in Algiers he went immediately to Algiers' war memorial. There he found a mob of hooting, catcalling Frenchmen. With difficulty, a path to the monument was cleared for him.

Mollet tried to observe a moment of bareheaded silence, but it was broken by crude jeering and whistles. He placed a wreath at the foot of the memorial. The yelling crowd promptly tore it to pieces. As he drove off, the rioters pelted his car with rotten fruit and vegetables.

By this means, Frenchmen living in Algeria attempted to show Mollet and the world that "Algeria is French."

What they really showed was their own degradation. One may be permitted to wonder how long Algeria will

be French if those Frenchmen who live there imagine that mob violence is the answer to native peoples calling for self-determination.

We may brush aside as of secondary consequence the advantage this episode gives to Communist propagandists the world over. Of greater importance are these things:

The rioting Frenchmen have made extremely difficult Mollet's task of seeking a fair solution to the Algerian problem. His new minister resident, Gen. Georges Catroux, already has resigned, bowing to the tomato-throwers and the defilers of monuments.

If Mollet now should fail to produce a solution that will bring at least some measure of satisfaction to the restless Arabs, his brief regime in Paris may topple speedily.

Standing by greedily to pick up the pieces will be the newly strengthened French Communists, who believe any future governments must include their party.

Moreover, failure at Algiers may convince the Moslem population that their only hope lies in open rebellion, aided perhaps by Communists ever ready to profit from nationalistic ferment on whatever front.

The men who shouted insults at the memorial as Mollet stood silent did more than dishonor the war dead. They dishonored themselves, and France.

All Aboard

She was a study in graceful slow motion; a long-legged girl with pink fresh cheeks and a faint air of embarrassment.

She wandered to the window that led to the kitchen, and addressed an invisible cook. "Two burgers," she said.

And then she drifted toward another customer of the restaurant, hovered in front of him, and very, very slowly moved aside to pour a cup of coffee.

A voice from the kitchen said: "Two burgers ready." The girl didn't seem to hear.

She was drifting from one customer to another, making out bills. She mused a long time over each bill, as though she might be writing a sonnet to a ham sandwich.

Every now and then she paused and gave her hair a short beauty treatment, smoothing it into place.

Meanwhile the other waitress bustled about like a clockwork mouse.

But our waitress mooned along in slow motion, still inscribing those bills, each one of them certainly a work of art.

Sometimes she stood for ten seconds fondling a cup of coffee, submerged in goodness knows what

dreams of romance. Was she in love with a movie star?

Hungry for hamburgers and impatient to get back to the office, the two of us watched her with fascination.

At last she floated to the kitchen entrance and wafted herself to our table with part of the order, which she placed in front of the wrong person.

Then she made her leisurely way back, returned with the other half of the order, and went in search of the drinks.

Ten minutes later she brought one of the drinks, by which time we had finished our cold hamburgers and were chafing to go.

The last we saw of her, she was hovering beside the cash register with an absent stare aimed clear through the west wall of the cafe and 1,000 miles or so beyond.

Some day she will make a devoted wife and mother, an ornament to any man's house. But her husband will come home every night to find that she has burned the dinner or forgotten to put it on the stove. She is just pretty enough that a man wouldn't care about that, for the first ten years or so.

BAD BEGINNING, GOOD ENDING

Some nice defensive plays arise out of poor beginnings. In today's hand West could have defeated the contract by opening and continuing diamonds. But West opened a club, and this unfortunate choice got declarer off to a good start.

Doug Steen, playing the East hand, finessed the jack of clubs at the first trick, hoping that his partner had led from K-10-8 or from K-9-8. South won with the king of clubs, drew three rounds of trumps, and then went back to the clubs.

Steen, one of the leading players of the West Coast, refused the second club but had to take the third. He then had to find the right return.

The bidding made it clear that West had at least five hearts. Hence South had at most a singleton, almost surely the singleton king. (West would have led the king of hearts from ace-king or from king-queen.) Steen could see that a heart return would be fatal, so he returned a diamond.

West took the ace of diamonds and led the queen of diamonds to drive out dummy's king. Now South couldn't get back to his hand to discard losers on his good clubs. (He could get back with a trump, but then the discards would do him no good.)

Declarer led a heart, hoping for a miracle, but West took the ace of hearts and cashed a diamond trick to defeat the contract.

If Steen had led a heart instead of a diamond, West would take the ace of hearts and shift to diamonds. Now, however, South could get to his hand by ruffing a heart, and he could then discard a diamond and a heart from dummy on his good clubs, thus making the doubled contract.

"The Greatest of Great Americans"

ABRAHAM LINCOLN
Born, Feb. 12, 1809

One hundred and forty seven years ago.

In the State of Old Kentucky.

On a February morn', in a cabin there was born . . .

A boy most remarkable, witty and plucky.

He grew on U.S. soil, on his native land did toil.

Though schooling, more schooling he was wanting.

Few books had he to read, yet they seemed all he did need . . .

Being blessed with good sense and understanding.

'Twas Abe Lincoln, son of the soil was he . . .

Who to the Slaves, in America gave liberty.

For this did he labor, for this he did plan . . .

Lincoln our greatest American.

As a lawyer he was honest, witty, clever.

Soak a client rich or poor, never, no never.

If any he could aid, never pressing to be paid . . .

One of many reasons, he was called Honest Abe.

The secret of his wisdom and his strength.

Though religion he did not spout at length.

No matter what the problem, riches did not count.

He followed the teachings of "The Sermon On The Mount."

When his country did resound with noise of war.

With enemies behind him and before.

His great heart was on fire, he had but one desire . . .

'Twas liberty and Union Evermore.

In a letter to a mother long ago.

Who had lost five sons, while fighting the foe.

The beauty of Lincoln's language written there.

Could be printed in a holy book of prayer.

Charity for all, malice toward none . . .

Was true of this great American.

Noble thoughts he did unfold, in language pure as gold.

In his Gettysburg address. . . Where the Gallant lay at rest.

Though being fore-warned in a dream . . . tried not his life to save

But as Commander-in-Chief carried on, till . . .

Shot by an assassin's bullet, as the tide of battle turned . . .

In favor of the Union and the Slave.

The Stars and Stripes fly at half-mast, our republic is re-born.

As 'round the world, and Lincoln's grave, many millions mourn

"But see! The dawn is breaking light, the Flag of freedom waves."

O'er all the homes of black and white, and all the soldiers' graves.

TOM GORDON.

QUEBEC AND MR. DUPLESSIS

(The Ottawa Journal)

It is to be hoped that some English language newspapers outside Quebec have noted that Quebec has just had presented to it a budget with a substantial surplus and one which shows that on a per capita basis Quebec's debt is the lowest of any of our provinces except Newfoundland, which started with no debt at all at the time of union.

We mention such a hope because there are too many English-language newspapers in Canada who seem to regard Mr. Duplessis as an ogre, a political adventurer out to undermine Confederation and our liberties, the while bankrupting his province.

The truth of course is that Mr. Duplessis has given Quebec the most progressive and business-like government it has known in generations, has done more for education, for social services, for good roads, for all the civilized amenities, than any of his predecessors, and that to speak of him as an enemy of Confederation and the Commonwealth reveals little except ignorance or malevolent partisanship.

The use of microfilm for keeping permanent records in a small space was developed by Rene Daguerre, French chemist, in 1870.

OBITUARIES

FREDERICK ADELBERT CONNER, OF NORTH HATLEY
North Hatley—Frederick Adelbert Conner passed away suddenly at his home here on January 26, following a heart attack.

A son of the late Wright Conner and his wife, Flora Digby, he was born at Minton on September 9, 1888, and had spent all his life in Minton and North Hatley.

Mr. Conner was a member of the Holstein-Friesian Association of Canada and owned and operated a farm at Minton, where he kept purebred Holstein cattle until ill health forced him to retire. Since then, he had lived in North Hatley. Mr. Conner had been a semi-invalid from arthritis for the past two and a half years.

He was a staunch member of Minton United Church for 30 years and a member of the Canadian Order of Foresters for the past 45 years. A good neighbor and kind friend, he was ever ready to lend a helping hand.

Left to mourn his loss are his wife, the former Grace Jenkin, and five children, Gordon F. of Larder Lake, Ont., Muriel G. of Lansing, Ill., Verna E. South Porcupine, Ont., Hubert R. and Douglas W., at home; a daughter-in-law, Mrs. Gordon Conner; a son-in-law, Ross Monahan; four grandchildren, Frederick and Richard Peterson and Susan and Peter Monahan; two brothers, Garland J. North Hatley, and Ray W. Minton; a sister, Hazel, Mrs. Thomas Carroll, North Hatley; two brothers-in-law, Thomas Carroll, North Hatley, and Alvin Coates, Lennoxville; two sisters-in-law, Mrs. Garland Conner and Mrs. Ray Conner, and cousins, nieces and nephews.

The funeral, held from his late residence, was conducted by Rev. Dr. J. E. Boucher, of Sangster Memorial and Minton United Churches, assisted by Rev. F. C. Amery, of North Hatley Baptist Church. A favorite hymn of the deceased, "The Lord's My Shepherd," was sung by Miss Thelma Crawford, of Lennoxville, accompanied by Mrs. Glen Bennett, of North Hatley.

The bearers, all close friends of Mr. Conner, were Leroy Bean and Henry Parker, of Suffield; Lewis Johnston and Kenneth Macrae, of Minton; Simon Kazar and Roland Reed, North Hatley. The many floral tributes were silent tokens of the esteem in which he was held.

Interment took place in Reedsville cemetery.

Miss Lillian Gilbert underwent an appendectomy at St. Vincent de Paul Hospital in Sherbrooke. Mr. and Mrs. Thomas Cook, Mrs. Robert Sargent, Miss Sadie MacKenzie, and Mr. Fred Ducharme, spent the week-end in Lewiston, Maine, and Groveton, N.H.

Mr. and Mrs. Edwin Norway and son, Marvin, of Lisbon, N.H., were week-end guests of Mr. and Mrs. Bruce Sargent and family. Mr. and Mrs. Roland Clark, of Montreal, were visiting relatives here over the week-end.

Bills all paid with HFC aid

That "well-budgeted" feeling is nearer than most folks think! Usually as near, in fact, as the nearest HFC office! At HFC thousands of men and women yearly find that Household's prompt, friendly loan service is just the lift they need to put their finances back on a sound, budgeted basis.

You see, Household Finance is in the business of helping folks to help themselves by providing money when it's needed and also expert advice on better budgeting.

At HFC you can borrow \$50 up to \$1000 promptly for any worthwhile reason at all. If you have a steady income and can make regular monthly payments you meet the principal requirement for borrowing at HFC. Service is prompt—usually in one day or less. Why not drop your money problems off at HFC today?

Following the ceremony, Mr. and Mrs. Maher entertained at their home, on Denault St. for the christening party.

Homemaking

The rubber or plastic seal around a freezer door or lid must be kept clean if it's to do its job well. Wipe it often with a sudsy cloth, rinse and dry.

Now on the market is a product that protects carpets and rugs against soil. It's made of liquid silicone.

Worn table covers can be turned into new-looking linens by dyeing them a new color and cutting them into place mats.

The rubber rings used to seal fruit jars are ideal for the bottoms of ash trays, vases or other ware that might damage the finish of furniture.

In winter, keeping windows open a crack at top and bottom will prevent moisture from condensing on the panes.

Mrs. R. M. Loughheed Re-Elected Regent Of 53rd Chapter I.O.D.E.

Mrs. R. M. Loughheed was elected regent of the 53rd Chapter, I.O.D.E., at the 41st annual meeting held at I.O.D.E. headquarters.

Prior to the meeting, a minute's silence was observed in memory of the late Mrs. F. Cutler, a faithful member of the Chapter for some thirty odd years.

In the absence of the secretary, the regent summarized the year's activities, showing a membership of 37, with 12 business meetings and six socials being well attended. The largest financial project of the year was the tea room at the Sherbrooke Fair. Other sources of revenue were tag days, variety parties and donations.

The report of Mrs. William Coupland, treasurer, showed total receipts of the year \$1,432.18; disbursements for the year \$1,324.99.

Mrs. P. R. Blick, educational secretary, reported \$84.00 contributed to municipal, provincial, bursaries and scholarships; five prizes (books) presented to the East Ward School for pupils showing the greatest improvement; five additional books to the Junior Library; two framed pictures of H.R.H. Queen Elizabeth and the Duke of Edinburgh were given to the school, and three I.O.D.E. calendars placed there. A total of \$140.49 spent on educational work.

Miss Jean Irving, Echoes secretary, reported 37 subscribers to Echoes. Chapter notes appeared along with other Sherbrooke and Eastern Canada Chapters in the article, "Eastern

Provinces Show A Splendid Year's Record."

Mrs. P. R. Blick, services at home and abroad secretary, reported hospitalized veterans were remembered at Christmas with gifts; and clothing, food and milk were supplied to needy children, a total of \$263.94 spent on this branch of work.

Mrs. C. Varney, film convener, reported on the showing of British films in a local theatre. One dollar donation was sent to the National I.O.D.E. Film Fund.

Mrs. M. Singleton, convener of Empire and World Affairs, reported 15 minutes had been spent at five meetings, reading the "Life of The Right Hon. Vincent Massey", and other interesting works.

Mrs. H. Maskell, membership convener, stated 37 members, and one new member enrolled during the year.

Mrs. L. Humphries, Immigration and Canadianization convener, reported members had made 75 scrap books for children emigrated to this country, and \$2.00 donated to the "Canadian Scene" journal.

Mrs. W. R. Bell, convener for the Cancer Dressings Service, stated 108 hours spent working at the clinic by members, making bed pads and dressings. Material and thread was also donated by many members.

Miss Fannie Knapp, Commonwealth relations, reported \$5 contributed to this, which is used to sponsor an Indian nurse-in-training.

The publicity report by Mrs. M. McHarg, expressed the Chapter's appreciation to the Sherbrooke Daily Record for the write-ups pertaining to the tea room at the Fair, and to the CRTS "Town Crier" for meeting notices.

Mrs. Loughheed thanked the

officers for their support during the year.

The new slate of officers was accepted as follows: Honorary Regent, Mrs. G. O. Keefe; honorary vice-regent, Mrs. A. Crossley; regent, Mrs. R. M. Loughheed; first vice-regent, Mrs. H. Maskell; second vice-regent, Mrs. P. R. Blick; treasurer, Mrs. W. Coupland; educational secretary, Mrs. M. McHarg; Echoes secretary, Miss Jean Irving; services at home and abroad secretary, Mrs. E. Buck; standard bearer, Mrs. C. Varney.

In new business which followed, Mrs. E. Buck, services convener, reported five dozen diapers completed and one child's sweater for municipal welfare.

Mrs. C. Varney, film convener, reported the film "Churchill, Man of the Century", would be shown at I.O.D.E. House February 21 at 9 p.m.

It was voted that \$36 to Myrtle V. Loomis' bursary be sent, and \$5 to Canadian Institute for the Blind.

Conveners were appointed as follows: Mrs. C. Varney, films; Mrs. P. Blick, press and publicity; Mrs. G. Barfield, Canadianization and Immigration; Miss F. Knapp, Commonwealth relations; Mrs. M. Singleton, Empire and world affairs; Mrs. L. Humphries, membership; Mrs. I. Cathcart, Empire correspondence; Mrs. W. R. Bell, cancer dressings service; Mrs. G. Sterling, tea convener.

Plans were made to have a social evening on February 23 for members and friends.

The meeting adjourned with the National Anthem.

Refreshments were served by Mrs. Loughheed, hostess, with Miss F. Knapp assisting.

Women's Groups

SENIOR BAPTIST MISSION CIRCLE

The Senior Baptist Mission Circle held its regular meeting at the home of Mrs. Ernest Wheeler, Elgin Ave., Wednesday afternoon.

In the absence of Mrs. F. C. Amery, president, Mrs. H. Sunbury, presided, and the Devotional period was conducted by Mrs. N. Peverill.

During the business session, correspondence was read and usual business transacted.

The topic was taken by Mrs. Sunbury, who read several interesting articles regarding the circle's missionaries in India and Bolivia.

The meeting closed with the Mizpah Benediction repeated in unison, after which refreshments were served by Mrs. Wheeler, assisted by Mrs. Herbert Mills.

Mrs. Mills invited the circle to gather at her home, Montcalm St., for the next meeting.

A vote of thanks was extended to the hostess for her hospitality.

PLYMOUTH W. M. S.

Plymouth W.M.S. February meeting was opened by the president, Mrs. Z. W. Griffith, with prayer. An invitation was read from the Salvation Army League to a lecture by Mrs. (Col.) Pennich on February 15; and from Grace Chapel Mission Group to a rally with speaker on March 5 — both of which were accepted.

A letter from Mrs. Milcent House was read acknowledging a parcel from the group, for use in Africa. A list of contents was given by Mrs. W. Smith, supply secretary.

The roll call by Mrs. J. K. Edwards, secretary of Community Friendship, was responded to by the number of calls in homes and hospital, etc., made by each member. Flowers were ordered for a member in hospital.

"The Song of the Shining Mountain" is to be shown in Plymouth Hall on March 8 — first showing for children at 7:30, the other at 8:15.

Reference was made to catering for Men's Club of United Church, on February 20.

Readings in the worship service were given by Mrs. A. H. Cross and Miss L. Seymour, and prayer by Mrs. J. K. Edwards.

The topic for the day was Temperance and the speaker was Mrs. R. C. Tait, who referred to the alcoholic as a "sick man" suffering from a preventable disease, partly self-imposed, which affects 250,000 people in Canada. She stressed the fact that numerous preventive measures are taken to save people from dread diseases, the victims of which are far outnumbered by alcoholics. Every individual, she said, must ask himself how far he is directly or indirectly responsible by positive example or a negative attitude to this whole question.

Mrs. W. W. Gibson, Christian secretary, read an enlightening article from the Quebec Temperance League, showing figures quoted by church officials that Canadian women are far heavier drinkers than U.S. women; the adoption of prohibition and sale of all alcoholic beverages as a National programme by the Indian National Congress; and changes of drinking habits in Britain, showing vast reduction in consumption of alcoholic beverages.

Refreshments and a social hour followed.

Dr. Mercier Describes FOA Aims And Meeting At Rome At W.I. Co. Meeting

Dr. Ernest Mercier was guest speaker at the quarterly meeting of the Sherbrooke County Women's Institutes held recently in the Assembly Hall at the Lennoxville Experimental Station.

Dr. Mercier, superintendent of the Lennoxville Experimental Station, who recently returned from a trip to Rome, where he attended a meeting of the Food and Agriculture Organization, as representative of the Experimental Farm Service, described his trip and highlights of the meeting as follows:

F. A. O. was founded in 1946 in Quebec City. Its aim is to feed the people of the world, as two thirds of the population are underfed. He said 71 countries are members of the F. A. O., and technical assistance is what the "have-not" countries require. All member governments contribute funds, Canada's share being \$300,000. Headquarters staff in Rome, numbers 250. Dr. Mercier also showed beautiful colored slides of the F. A. O. Building, Co-operative Farms, and gardens, and said that modern buildings as well as ancient ones were visited.

The speaker was introduced by the president, Mrs. Bertrand Turner, and thanks for his informative talk, were expressed by Mrs. Wallace Wingate, county convener of Agriculture.

The president opened the business meeting with the usual formality and welcomed members and guests. The roll call proved that all 47 branches were represented.

Reports were given by conveners as follows: Welfare and health, Mrs. William Coupland, who congratulated the members on their help at the Cancer Dressings Service and for Christmas gifts sent to the sick, which were gratefully acknowledged.

Home Economics, Mrs. Cecil Skinner, reported on the fall handicraft shop, under the direction of Miss Bridget Altamas and Miss Janet McQuat, attended by 29, where classes taught making leather articles, gloves, millinery and slippers during the period of 4 weeks. She also gave notice of two short courses — millinery, from May 7-11; and cooking and jewelry, October 29-November 2. Mrs. Skinner asked that branch conveners forward applications to her as soon as possible.

Mrs. L. Clark, new convener of the handicraft booth at the Sherbrooke Fair, urged all members to take advantage of this privilege to stimulate this work.

The treasurer reported that the sum of \$50 had been forwarded through UNESCO for the "Aid in India" project, and it

was decided to adopt another child in the same manner through the Children's Fund, as the former adoptee had finished school and was at work.

The invitation to visit the Sherbrooke Hospital was accepted.

Mrs. Turner drew attention to the various pamphlets, helpful for drawing up programs. She also stressed that work done at handicraft classes and follow-up work, be sent to Macdonald College, to be displayed at the convention.

Members were also asked to consider a home for aged Women's Institute members. Mrs. George Wells, county convener of citizenship, was named chairman of the nominating committee with branch conveners forming the committee, to draw up a slate of officers. All branches were asked to use the installation ceremony and forward all annual reports promptly.

Mrs. Turner, reporting on the January board meeting held in Montreal, noted the following: The annual convention will take place June 23-28, which Mrs. Berry, A.C.W.W. president, is expected to attend; the need of children's books for the McLennan Travelling Library; and that every branch should have at least one membership in the Canadian Association of Consumers and attend its meetings; the leadership trip course to be held at Macdonald College, May 28-June 1; the suggestion for more pen pals; and that branches raise funds for F.W.I.C. Leap Year Fund.

Mrs. Parsons, home economic convener, urged every rural woman to practise thrift.

Mrs. G. Harvey, incoming Q. W. I. president, who will attend the annual meeting here at the A.C.W.W. conference in Ceylon, in December, 1956.

Mrs. Turner spoke of the projects of the Montreal Council of Women (with which the Q. W. I. is affiliated), such as the abolition of crime comics, equal pay for equal work, conditions in the Fullum Jail, etc.

In her closing remarks on the highlights of the convention, Mrs. Turner thanked the branches for having sent her to represent them. She was accompanied by Mrs. William Coupland.

The president touched on the progress already made in the School for Retarded Children, recently opened in Sherbrooke. Mrs. Ray Little, a new member, is the teacher, assisted each day by other women.

Mrs. A. Coates and Mrs. W. T. Evans, in turn, congratulated all who had taken part in this project.

Hostesses were the Ascot branch members, who served a hot meal, the table being decorated with spring flowers, the gift from Vaudry's Greenhouse.

Plymouth W.M.S. Holds Tea

Under the auspices of Plymouth Church W.M.S., a largely attended tea was held at the home of Mr. and Mrs. W. W. Gibson, for Associate Members and friends.

The guests were received by the President, Mrs. Z. W. Griffith and the Associate Members secretary, Mrs. A. H. Cross.

The following delightful program was rendered by Mrs. A. V. Ottwell, pianist and accompanist, and Mrs. Elsie Hough, soprano: "Retrospection Op. 102, No. 2 by Mendelssohn; Air for G. String by Bach, and "The Song of the Tillingbourne" by Leonard Butler. The songs were "Jeanie With The Light Brown Hair," by Stephen Foster, "Cradle Song" by Johannes Brahms "Love sends a little Gift of Roses" by Open Shaw, and "Smilin' Through" by Arthur A. Penn.

The dining table and buffet were adorned with red roses in the soft light of ivory candles in crystal holders.

Mrs. R. C. Tait and Mrs. N. S. Lothrop poured, and the latter thanked the artists and all others who had contributed to this enjoyable event.

The hostesses were Mrs. Z. W. Griffith, Mrs. N. S. Lothrop, Mrs. J. K. Edwards, Mrs. W. W. Gibson, Mrs. R. Burroughs and Mrs. A. H. Cross.

Those serving were Mrs. G. McClintock, Mrs. W. Smith, Mrs. G. Spafford, Mrs. J. Wright and Miss Ruth Elkas.

To freshen hard rolls or muffins, sprinkle them with water, place in a brown paper sack and warm in a hot oven for a few minutes.

Refreshments and a social hour followed.

What's the difference between spices and herbs? Spices are roots, stems, leaves, bark, buds or fruit of tropical plants. Herbs are the leaves of plants that grow only in the temperate zone.

How To Prevent Pancakes From Sticking To Pan

If you have this difficulty, simply add to your pancake batter a small quantity of melted shortening (liquid shortening or cooking oil is ideal). Add about two tablespoons of melted or liquid shortening to the standard recipe for making 14 to 16 pancakes. You'll find that it makes your pancakes easy to lift from the griddle without sticking.

And here's another tip. Don't be in too much of a hurry to turn your pancakes. If you try to turn them before they are ready, the batter will stick to your spatula and to the griddle. After bubbles have appeared on the top of the pancake, gently insert the spatula underneath. If the spatula does not move freely under the pancake, with draw and allow the pancake to cook until it can be turned freely.

Don't scour your griddle before you make pancakes. If you have scoured your griddle, use wax paper to rub on some shortening. When the griddle is heated, this should help season it.

Another tip is heat your griddle to the right temperature — 380° F. On a regular griddle you have no means of checking this temperature, but here is a test which works out very well: A drop of water poured on the heated griddle should bounce for a moment before dissolving in steam. If it turns to steam instantly the griddle is too hot. If it stays more than a second before going up in steam, the griddle is not hot enough.

To steam-iron a velvet dress, hold the steam iron one-half inch above the pile side of the fabric and let the steam penetrate thoroughly.

February 14th Is Pancake Day

Here's a tradition that grows more popular in Canada every year. Shrove Tuesday — or Pancake Day — is now as much a part of the Canadian scene as Christmas or July 1st.

Of course everybody loves pancakes and, with the modern method of using a pancake ready-mix, Mother's task has been made so much easier. In fact, some wise housewives even enlist Dad or the youngsters to make the pancakes for this special occasion — and it's a rare husband who can resist such a flattering tribute to his culinary skill.

Aside from the traditional pancake feast at home, more and more churches and other organizations are staging pancake suppers as fund-raising events in their own communities.

Whether at home or at a pancake party, Canadians tomorrow will celebrate Pancake Day in real old-fashioned style. Tables will groan with tempting stacks of delicious pancakes, topped with butter and glistening with syrup. It's the kind of friendly custom that should never become out-dated!

Sherbrooke Beavers Tie Magog 5-5, Edge Waterloo 7-6 In Overtime

Bishop's Gators Salvage A Tie With Royal Military College 4-4 After Being Blanked By Sir George

In their toughest weekend schedule of the season, Bishop's University's hockey Gators had to settle with a single point in two contests.

On Friday evening in Montreal Sir George William's College edged the Gators 2-0 while Saturday night's home game against Royal Military College at the Sherbrooke Arena ended in a 4-4 tie after ten minutes of overtime. Both games were regular Ottawa-St. Lawrence Valley "B" Section intercollegiate tilts.

In Friday's game it was nip and tuck until the final four minutes. Both goalies, Stan Alexander of Bishop's and Alex Gibeault of Sir George played standout hockey. Bishop's had the edge in territorial play until 15:19 of the final frame. Then Don Duffy took a pass from Earl Laviolette and put the Georgians up 1-0. Less than a minute later at 15:47 Murray Johnson put the game on ice for Sir George when he converted passes from Johnny Gelliffe and Hee Willis.

Gibeault in the Sir George William's nets was the star of the evening. He turned aside the Purple and White sharpshooters time and time again with spectacular diving saves and kept the Georgians in the game single-handedly until the last few minutes.

For Bishop's, Stan Alexander played his usual fine game in goal. The markers, which beat the 19-year-old junior were not his fault but caused by lapses on the part of the Bishop's defenders. The win lifted the Sir George club into a first place tie with College Militaire Royale in the Ottawa-St. Lawrence Valley league. Bishop's are in last place.

On Saturday night the Gators came close to winning their first intercollegiate game of the season against the Royal Military College cadets who had beaten Bishop's 6-3 earlier this year.

Lou Abbott drew first blood when he combined with Duke Hinich on a fine passing play to

put the Gators ahead at 12:30 of the first period. R.M.C. got this goal back two minutes later when Yates scored on passes from McClure and Roberts. The period ended with the two teams tied 1-1.

Hinich broke away midway in the second period and blasted the puck by Sexsmith in the R.M.C. nets to put the Gators out in front again at 10:35. Andre gave Bishop's a two-goal lead at 15:55 of the same period with a marker assisted by Mitchell and Ferrabee. Then the Cadets bounced back late in the period to make the score 3-2 when Law scored from Cutler.

At 11:19 of the final frame Dexter Jolly gave Bishop's what appeared to be their insurance tally when he scored unassisted. "Pit" Pitore put the soldiers back in the game at 16:36 with a goal from Roberts. Then with 20 seconds remaining Pitore counted his second goal of the evening on a play with Yates to give the Cadets a tie, 4-4.

In the 10-minute overtime both teams were obviously tired and play was ragged. The Cadets came close on several occasions only to be thwarted by the fine goalkeeping of Bishop's Stan Alexander.

Coach Lynn MacDougall of the Gators was obviously dissatisfied with his team, especially their blowing of the two two-goal lead. He plans to work them hard in preparation for next week's game at Loyola.

Jr. Beavers Wallop Richmond 14-6 And Windsor Edges Rock Island 3-1 To Win E. T. Junior Semifinals; Meet For Title

Sherbrooke Jr. Beavers and the Windsor Jr. Paper Makers will meet in the final of the E.T. Junior "B" Hockey League. This was decided yesterday afternoon when the Ovide Gaudette squad ran wild and pasted a 14-6 trouncing on Richmond Phantoms while Windsor squeezed by Rock Island 3-1.

It was the second game of a best-of-three semi-finals. Sherbrooke and Windsor each won the opener. The finals will open as soon as ice is available.

Richmond was no match for the more experienced Sherbrooke team and they were outplayed in all departments. Murdoch, Richmond's goalie, gave a good account of himself but he had very little support from his mates as the Jr. Beavers roamed at will in front of him. There was always one standing on his doorstep waiting for a loose rebound and there were plenty.

Yvon Baril was the big gun for the Beavers with five goals while Beaudoin posted a hat-trick with

Gagne and Thibodeau each getting two apiece with Fournier and Robidas notching the others in the onslaught. For Richmond, G. Beaudoin posted a hat-trick to lead the way while W. Crack got one with Gauthier getting the others.

At Windsor it was a different battle as the home club had to go all out in order to down the Rock Island crew. Only tough luck held the Border club to one score as time after time they swarmed all over Windsor and kept them bottled up in their own zone.

Gregoire got the only goal in the first period and then in the middle stanza Houle and Couture came through to give the home club a comfortable 3-0 advantage. In the final period B. Lacasse saved his team from a shutout when he tallied with a shot when he tallied with the sin-bins. The boys from the Bordertown kept driving but Lady Luck just wouldn't smile on them and they were obliged to settle with a 3-1 decision.

SIGNS GOLDEN BOOK — The above photo shows Michael Normandin, one of Montreal's outstanding sportscasters and executive director of the Montreal Amateur Football Club, signing the golden book at the City Hall yesterday afternoon, on the occasion of the annual reunion of Amicale Racine. Dutton Blames Parents For Hockey Plight

Lethbridge, Alta. — (P) — Mervyn (Red) Dutton of Calgary, once a standout hockey player and later president of the National Hockey League, says "there is nothing whatever wrong with the game itself."

But Dutton, now the head of a large construction firm, blamed parents for being "primarily" responsible for "what is wrong with our national sport today."

He was one of a panel of five who discussed the game Saturday at a public meeting sponsored by the Lethbridge recreation department and the Lethbridge Hockey Booster Club.

Dutton said: "Parents today don't care enough about their kids to even go down to the rink and see them play. Don't organize hockey until juvenile ages and then maybe parents would shoulder more responsibility in the game, like they did in the old days. Give hockey back to the kids and parents."

Bishop's Cagers Edged 50-46 By Macdonald College And 63-58 By CMR In Weekend Conference Tilts

Bishop's University Gators dropped both of their weekend games in the Ottawa-St. Lawrence Valley Conference "B" Section intercollegiate basketball league to extend their current losing streak to 11 games. The Bishop's squad were edged 50-46 by Macdonald College in the University's Memorial Gymnasium on Friday and lost 63-58 to College Militaire Royale in St. John's Saturday.

In Friday's tilt the Gators lost a heart-breaker. They were leading by two points with less than a minute to go in the game. Then three quick field goals pulled the game out of the fire for the Macdonald Aggies. Bishop's were behind 32-21 at half-time but a second-half drive saw them gain the lead from the Aggies in the dying minutes of the game only to lose it again.

The leading scorer in the contest was Bishop's diminutive freshman star, Mike Tejada. The native of Dominican Republic scored 15 points on seven field goals and one foul shot. Jubert and Green of Macdonald were next in the scoring with 14 and 13 points respectively.

Saturday against the College Militaire club, the Gators again dropped behind in the first half when the Cadets built up a 20-point lead. In the second half the Purple and White squad hammered steadily away at the soldiers'

lead until, with a minute left, they were behind by a mere three points. But a final second field goal put the game on ice for the Cadets.

High scorer for the game was the Cadets big center Pete Aichenger. The six-foot-four star who had set an intercollegiate individual scoring record of 38 points in a single game the previous night against the top team in the league, Sir George William's College, counted 25 points against the Gators. Bishop's Jack Wood stood out defensively in the second half when he held Aichenger to eight points. Mike Tejada was Bishop's leading scorer again with 20 points.

Andy Davis, playing his best game of the season, was one bright spot in the Bishop's picture. The slender center who has ridden the bench most of the year counted 12 of the Gators points and played a very sound defensive game. Williamson of the Cadets with 14 points and Stringer of Bishop's with 12 points also played well.

Coach Clark Kemp was pleased with his team's performance over the weekend in spite of their two losses. He felt that the squad was showing a definite improvement over the first games of the year and is hoping to snap the losing streak in the final game of the season next weekend when the Gators travel to Quebec to take on the University of Laval.

Windsor Paper Makers Upset Asbestos 7-2; Desrosiers And Laporte Tally Two Each To Lead Way In Surprise Win

Asbestos — Windsor Paper Makers registered an upset Saturday evening when they ran roughshod over the league-leading Meteors and posted a 7-2 victory. It was the worst setback of the season suffered by the pace-setters of the Mac Wilson circuit.

Desrosiers and Claude Laporte paced the winners with two goals each while Jean-Guy Houde, Pee Wee Leblanc and Cloutier accounted for the others. For the home club playing-coach Richard Champagne and Gaston Pelletier potted the Meteors' markers.

The Paper Makers swung into high gear from the opening faceoff and just before the half-way mark they potted their first goal. Desrosiers got his first to start the visitors to victory. Two quick goals by Houde and Laporte, within eight seconds of each other, gave the Windsor crew a comfortable 3-0 lead at the end of the period.

The second stanza was a repetition of the first as the Paper Makers added three more

goals. Desrosiers and Laporte tallied two each to lead the way in the third period.

St. Antoine Wins Pee-Wee Fixture

A strong St. Antoine team slaughtered Lennoxville High School A's 7-0 in a Lennoxville Optimist Pee-Wee game Saturday.

Claude Chailier was leading scorer with a hat trick and assist and B. Harrison scored two goals with one assist.

Other scorers were Matthson with a goal and assist, and Gilles Roy with one goal. Serge Proulx and Denis Langevin acquired assists.

St. Antoine: Chailier, Roy, Langevin, Matthson, Ruel, Proulx, Levesque, Pare, and Harrison. Lennoxville High School: Cathcart, Montgomery, Crosby, MacLean, Lane, Winslow, Rediker, Etem, Bessal.

Bobby Coates Stars As SHS Dumps LHS Twice

Bobby Coates paced the Sherbrooke High School Bantams with four goals in their two game semi-final against the Lennoxville High School Bantams. Coates got the only two goals in the first game and added two more in the second encounter. The High School Bantams won the first game 2-1 and the second by a 5 to 0. High School will now meet the B.C.S. Bantams in the next series.

Optimists Down LHS "A" 3-1 In Playoff Fixture

Sherbrooke Optimists took the first playoff game, downing Lennoxville High School A's 3-1 Saturday, as Sherbrooke took a two-goal lead in the home-and-home total points series.

Sherbrooke scored one in the first and two in the second while Lennoxville High School's lone goal was scored in the third.

Steve MacIntyre scored Sherbrooke's first on a pass from Marshall and in the second period, Coates scored on a pass from Rosenbloom to make it 2-0.

Soon after Don McElvie batted in Sherbrooke's final goal on a pass from Marshall. Jimmie Harrison scored Lennoxville's only goal after Lawrence Maurice's shot had been stopped by Larry Levick, who was brilliant in the Sherbrooke nets.

Sherbrooke: Levick, Davidson, McKelvie, MacIntyre, Marshall, Coates, Evans, Cooper, Rosenbloom, Evans, Lohrop and Peck. Lennoxville: MacLeod, Maurice, Parker, Bray, Loveland, Klinck, Turner, Harrison, Bennett and Hadlock.

First Period

S.H.S. MacIntyre (Marshall). Penalties: Bray, McKelvie.

Second Period

S.H.S. Coates (Rosenbloom). S.H.S. McKelvie (Marshall). Penalties: Harrison, Savage.

Third Period

Len'ville Harrison (Maurice).

Weinmeister Quits Football

Oakland, Calif. — (P) — Arnie Weinmeister, tackle for British Columbia Lions of the Western Interprovincial Football Union for the last two seasons, says he has quit the game to work for the Teamsters Union as an organizer.

Weinmeister, who moved here from Seattle last week, said Sunday night he is working as the union's San Francisco bay organizer.

"I enjoyed playing for the Lions very much but when this opportunity came along I thought I'd better take it and settle down," said Weinmeister, who has a wife and four children.

Waterloo Fans Attack Referees In Fist-Swinging Melee; Both Hurt As Crowd Goes Wild; Suspensions To Follow

WATERLOO — Sherbrooke Beavers won the hockey game here yesterday afternoon when they edged the Waterloo Maroons 7-6 in overtime but the home town fans won the general battle after the game when they attacked the two referees immediately following the final whistle.

On Saturday evening Coach Murphy's Beavers battled to a 5-5 tie with Magog Aces which enabled them to pick up three points out of a possible four over the weekend. They moved to within a point of the Windsor Paper Makers, who won their game Saturday evening when they knocked off the Meteors to the tune of 7-2.

Two goals within a minute, in fact it was in the last minute of the regulation time, that the Beavers tallied to even the count and send the game into overtime. Coach Murphy yanked his goalie for an extra forward and this move paid off as Guy Proteau batted home the equalizer.

Bob Bedard tallied the winner in the overtime which gave Sherbrooke the decision when he completed a two-way passing play with Bert Morin and Jean Dumas after three minutes and 35 seconds of play. It was the only goal registered in the overtime.

Ross Planché and Bernard Cote gave the Beavers a 2-0 lead but Brodeur and Cote evened the count before the end of the period. In the middle session Cote made it 3-2 for the Beavers but Auger squared it off once again.

In the final frame Proteau put the Beavers out in front for the third time but three goals by Reid, Auger and Dufresne gave the Maroons a 6-4 lead with only two minutes left. Forty-one seconds after Dufresne's marker Bert Morin came up with Sherbrooke's fifth goal. Menard was in the cooler at the time.

Following the faceoff Coach Murphy pulled his goalie for the extra man and this paid off as Proteau got the equalizer to send the game into overtime. Bedard then came up with the winner before a parade to the cooler commenced. Six penalties were dish-ed out, all overlapping each other. Neither team was at full strength for the balance of the overtime.

Immediately following the end of the game a group of fans displeased with the refereeing proceeded to take matters into their own hands by refusing to allow the referees to leave the ice. When the umps moved back to the ice to await the police they swarmed over the boards to get at them and proceeded to beat them up. Punches were flying in all directions and the trainer of the Maroons hit one official in the eye cutting him very badly.

The two police finally got around but the fight continued in the umps' dressing room with the Waterloo trainer and Lefty Auger of the Maroons leading the attack on the other ump. Finally the room was cleared and referees were escorted to their car by the police.

In Magog Saturday evening the Beavers pulled another out of the fire when they rallied in the dying minutes of the game to knot the count and sent the tilt into extra time.

Marius Goyette notched three for the Aces with Vaillancourt getting the others. For Sherbrooke Bob Bedard led the way with two, while Gagnon, Ricard and Morin accounted for the others. The Aces led 2-1 at the end of the first period while Sherbrooke got the extra one in the second frame and in the final period each club tallied as the tilt finished deadlocked 5-5. No scoring happened during the overtime.

Magog Aces Stop Asbestos Meteors 5-3 To Gain Ground On Leaders; Ray St. Cyr And Bert Cotterell Notch Two Each

Magog — Asbestos Meteors suffered their second setback of the weekend here yesterday afternoon when the Aces knocked them over 5-3 in a closely fought battle of the Massawippi Valley Hockey League.

As the result of the game Coach Pee Wee Theriault's team gained valuable ground over the leaders. They reduced the spread to ten points and hold two games in hand over the Meteors. On Saturday evening the Aces and Sherbrooke Beavers battled to a 5-5 overtime stalemate.

Bert Cotterell was the big trigger-man for the home club with two goals and one assist while G. Goyette, Roy and Godhue accounted for the others. For the Meteors Ray St. Cyr potted two while playing coach Champagne notched the other. Twelve penalties were dish-ed out but only one figured in the scoring.

Goyette registered the first goal in the opening frame just after the five-minute mark and then Roy made it 2-0 for the Aces before Champagne potted the Meteor's initial tally. In the middle session Cotterell extended the lead when he got his two goals within two minutes and a half to put the score 4-1 for the home team. It was all the scoring in the period.

In the final session the Aces threw up a strong defence in front of Bernard, who replaced Paul Duchesne in the nets, to protect their margin. St. Cyr got his first goal after the face-off but Godhue offset this when

Canadiens Wallop Bruins 7-1 Before Sellout Crowd At Boston Gardens

13,909 See Leaders Stop Boston's Playoff Drive; Rangers Blanked By Leafs But Bounce Back To Nip Wings

There are two reasons why Detroit Red Wings are only third in the National Hockey League. One is their inability to master the second-place New York Rangers. The second is Rangers' knack of winning big games.

The latest example of this situation arose during the weekend. Rangers were thumped by Maple Leafs 5-0 Saturday at Toronto, then bounced back Sunday to nip Red Wings 2-1 at New York. Boston Bruins gave the New Yorkers a lift Saturday when they knocked off the Wings 3-2 at Boston.

In other weekend games, the leading Montreal Canadiens walloped Bruins 7-1 Sunday at Boston while Leafs and Black Hawks were battling to a 1-1 tie at Chicago.

Rangers have taken 12 out of a possible 20 points from the Wings this season. Wings, with 58 points, are three behind Rangers and a New York win at Detroit in Tuesday's only game—the next in the league scheduled—would give the Blueshirts a comfortable five-point lead over Wings.

Leafs stopped Rangers cold before 13,029 fans at Toronto Saturday as they provided a tight defence to help goaltender Ed Chadwick record his first NHL shutout.

Chadwick, a 22-year-old native of Toronto, handled only 12 shots while Lorne Worsley blocked 33.

The scoring was shared by Tod Sloan, George Armstrong, Rudy Migay, Dick Duff and Brian Cullen.

A full arena of 15,925 fans turned up at New York Sunday to give rookie Andy Hebenton a tremendous ovation when he scored his 20th goal of the season. He now is the highest goal-scoring rookie. Danny Lewicki fired the other New York goal. Defenceman Bob Gingham was Detroit's marksman.

Jacques Charland Retains His Canadian Closed Jumping Crown

Midland, Ont. — Jacques Charland, of Three Rivers, retained his Canadian closed senior ski jumping championship with an impressive performance Sunday despite weather conditions officials described as "deplorable."

Charland, 25-year-old member of Canada's Olympic team who returned home early last week from Cortina, Italy, had one leap of 180 feet on the new 60-metre jump to defeat a field of 35 jumpers.

Besides his 180-foot leap, Charland recorded a 155-foot jump.

WEEKEND STARS

Tod Sloan, Toronto, who scored one goal and assisted on two others as the Maple Leafs defeated New York Rangers 5-0 in Toronto Saturday.

Real Chevreffils, Boston, who scored one goal and assisted on two others in the Bruins' 3-2 victory over Detroit Red Wings in Boston Saturday.

Danny Lewicki, New York, who scored one goal and assisted on another as the Rangers defeated Detroit 2-1 in New York Sunday.

Earl Balfour, Toronto, who scored the tying goal as the Maple Leafs and Black Hawks played to a 1-1 draw in Chicago Sunday.

Jean Beliveau, Montreal, who scored two goals and assisted on two others as the Canadiens downed the Bruins 7-1 in Boston Sunday.

Trenholm-Rovers Win Loop Tilts

Richmond — The Trenholm Dart Club kept hold of third place in the Richmond League when they edged the second-place RDC 21-19 while Rovers won over Valcourt 26-14 at the Brunswick Hotel.

Paced by the Harvey Brock-Len Knowles duo, Trenholm played one of their best games when they beat out RDC and the top duo won five rounds. Three other teams won three-out-of-five while RDC had four teams winning three rounds and their best game was made by the Don Oakley-Danny Lynch team who won four rounds.

The loss may have been attributed to the Don Ostiguy-Wally Arnott duo who lost five straight and also were given the proverbial "skunk" in their first round by the Trenholm team of Harold Blanchard and Nelson Mastine.

In the Rovers-Valcourt tilt, four of Rovers teams won four rounds with two winning three-out-of-five. Valcourt had one four-rounder in the L. Bissonnette-L. Gregoire duo. Two other teams won three rounds. The Legion also won their postponed game over Valcourt to extend their lead and move on without a loss. They go against Rovers Tuesday night at the Brunswick Hotel in the only-scheduled game of the night. There are four remaining games.

Mrs. Richard Honored By City Of Boston

Boston — Mrs. Alice Richard, mother of Montreal hockey stars Maurice and Henri Richard, Sunday was honored by the city of Boston as "the Canadian Sports Mother of the Year."

Mrs. Richard was presented a scroll by Boston city council President Edward McCormick at a brief ceremony attended by Jean Fournier, Canadian consul general in Boston.

Later Mrs. Richard attended the game at Boston Garden and watched her sons as Montreal defeated the Bruins, 7-1. Henri, the Pocket Rocket, got a goal, but Maurice, the Rocket, was held scoreless.

Records Fall At New York Meet

New York — Charlie Jenkins of Villanova set a world indoor record of 56.4 seconds for the 500-yard run Saturday night in the New York Athletic Club games.

A crowd of about 12,000 saw Jenkins grab the lead at the start and lengthen his margin to shave two-tenths of a second off Mal Whitfield's recognized 56.6 record set in 1953.

Parry O'Brien, an air force lieutenant, set a world indoor shutput record with a mighty heave of 59 feet 9 inches and Lee Calhoun, a slim North Carolina college timber topper, equalled the world indoor 60-yard hurdles mark with a clocking of 7.1 seconds.

Laferte Muffs Record Attempt

Rumford, Me. — Lucien Laferte of Trois-Rivieres, Que., muffed a chance to break the ski jump record at the Chisholm Club course Sunday when he leaped 200 feet and then fell.

He was competing in the club's annual winter carnival in which the Maine State Class A ski jumping championship was won by Ray Roy of Rumford.

Best official jump, made under tricky conditions in a snowstorm, was 194 feet by Ken Fysh, Nansen, Me. The course record is 198 feet.

Shawinigan Still Has Big Lead

No matter how many games Montreal Royals win, they can't seem to make much headway in their attempt to overtake Shawinigan Falls Cataracts in the Quebec Hockey League.

The Royals got an overtime goal by little Andre Corriveau Sunday to edge Chicoutimi Saguenéens 4-3 in Chicoutimi. But meanwhile, at Shawinigan Falls, the Cataracts were having target practice at the expense of Quebec Aces, walloping them 9-1.

The weekend games left Shawinigan Falls still 11 points ahead of Montreal. There's another 11-point drop from Montreal to Chicoutimi in the standings. Quebec is 15 points further back and Trois-Rivieres Lions trail the Aces by eight.

Susan Christmas And Beverley Bell Figure Well In Alpine Ski Fixture

Collingwood, Ont. — Quebec's women skiers figured prominently in the Canadian Alpine ski championships held here Friday and Saturday.

Susan Christmas, 18-year-old Montreal skier who was described by officials as "a hot Olympic prospect" swept the combined and downhill and slalom races in superb form to win the women's senior amateur championship.

Miss Christmas raced to a 158.9-second victory in the downhill Friday and Saturday captured the slalom with a combined time of 240.6 seconds.

Beverley Bell, 19, also of Montreal, was second in both Alpine events and gave Miss Christmas

a close race in the downhill. She lost one-tenth of a second. Miss Christmas, however, scored a decisive win in the slalom event, defeating Miss Bell with a time of 246.0 against 251.8 seconds.

Quebec's City's Pierrette Demers took a bad spill in the first run of the downhill event which gave her only a fourth-place showing. Her second run of 74.1 seconds was the best of the day in the women's downhill.

Heli Summerauer, a former Austrian Olympic skier now instructor at the Snow Eagle Club, Que., set a new course record in the open downhill. He raced down the icy 700-foot vertical drop Dieppe trail in 54.9 seconds. He finished second in both downhill and slalom.

Swaps Not Expected To Be Back For Another Duel With Famous Nashua

Miami, Fla. — They could be wrong, but the men who surround Nashua and refer to him as "the millionaire" do not expect to see their old rival Swaps again when Gulfstream Park was ready to put up a \$100,000 purse for such a meeting.

"If they know anything," it was explained, "and I'm pretty sure they do, they know that a horse as smart as Swaps doesn't get over the kind of licking we gave him in Chicago last summer. Don't think he won't remember the horse that did it to him the next time he sees him. They said that Summer Tan had acute indigestion or something of the kind after Mickey got through with him last year. All he had was a broken heart, and we gave it to him. When we finish with 'em they don't come back, do they, Mickey?"

"Naw," came the impatient rejoinder, "read on down. While Swaps was having all that work out they also were pulling him out of another big race out there. What are they saving him for? Those fellows are too smart to match him against Mickey here again."

Not understanding quite all he

heard, this correspondent asked why the proprietors of the Kentucky Derby winner might be unwise to send him against Nashua again when Gulfstream Park was ready to put up a \$100,000 purse for such a meeting.

Pointe Claire Wins Schoolboy Championship

Quebec. — (CP) — The John Rennie high school of Pointe Claire, Que., won the provincial school curling championship Sunday, defeating the Town of Mount Royal high school 9-7 in the final game of a best-of-three series.

The team from the Montreal suburb, skipped by Gordon Garrett, won the first game of the playoff Saturday 14-10, but Town of Mount Royal fought back for a 10-5 victory in the second match, forcing Sunday's deciding game.

Pointe Claire will represent Quebec at the Dominion schoolboy curling championships in Fort William, Ont., Feb. 20. Town of Mount Royal won the Quebec title last year but skip Fred Fowler was the only member of last year's squad in this year's competition.

The runner-up award was won by Shawinigan Falls technical institute, skipped by G. Archambault. The St. Maurice valley squad had to go three games before defeating Baie Comeau, Que. Shawinigan Falls won the first match 10-6, dropped the second 12-4, and came back for a 15-4 victory in the third.

Owens Signed By Philadelphia

Clearwater, Fla. — (AP) — Jim Owens, who led the International League in strikeouts last season with 161, was signed Sunday by the Philadelphia Phillies.

Owens was up for a while with the Phillies last season and lost two games without a win before he was sent to Syracuse Chiefs where his record was 15-11.

Another rookie pitcher signing Sunday was Gene Snyder, a lefthander with Syracuse and Schenectady, N.Y., of the Class A. Eastern League last year. He struck out 111 in 21 games with Schenectady.

Jim Westlake, a first baseman and brother of Wally Westlake, former major leaguer, also was signed. He hit .262 with Syracuse.

Chill Winds And Snow Kept Fans Away But Manchester United Blanked Luton Before 20,000 To Increase Lead

London. — (CP) — Chill winds and snow kept thousands of fans away from soccer games Saturday but the bitter weather didn't bother the youthful Manchester United club which strengthened its position atop the English League First Division.

Despite the absence of three key players on army duties, United won 2-0 at Luton, treating 20,000 fans to sharp-shooting soccer on the frozen ground.

The victory increased Manchester's margin to six points over second-place Blackpool which lost 1-0 at Cardiff on a second-half goal by centre forward Trevor Ford.

With only 12 games left in the 42-match schedule, it will take something close to disaster to keep Manchester from the First Division title. It has 40 points from 30 games.

Inside forward Dennis Viollet scored a goal in the first half for the league-leaders and, although Luton had more of the game in the second half, Manchester inside right Bill Whelan got the only goal near the end.

Despite the frozen and snow-covered fields, no games were postponed. However, only 600, 600 fans turned out for the day's matches, about 200,000 fewer than usual.

Rugby Union matches were hard-hit as 31 games were postponed because of frost and snow.

In third place in the First Division is Wolverhampton Wanderers who defeated Bolton 4-2. Joe Dean, 16, became the youngest goalkeeper ever to play in the First Division when he made his debut with Bolton.

Sunderland, 4-2 winner over Portsmouth, has 33 points, the same as Wolverhampton, but trails on goal average.

In the Second Division, Sheffield Wednesday defeated last-place Hull City 4-1 and, with 37 points, is two ahead of Swansea Town which jumped from fourth to second with a 2-2 tie at Leeds.

In the Third Division (South), Ipswich Town was defeated 1-0 by Crystal Palace and had its lead over Leyton Orient and Brighton and Hove Albion cut to one point. The Palace had not won since Christmas and Ipswich that period. Leyton won 1-0 at Reading and Brighton beat Shrewsbury 3-2.

In the Northern section, Southampton defeated Chesterfield 1-0 and drew level on points with Accrington Atanley which lost 1-0 at home to Grimsby. Accrington leads on goal average over Southampton, which has not been beaten in 16 games.

Rangers, making a bid for the league and cup honors in Scotland, took a one-point Division A lead over Hearts by defeating Partick Thistle 1-0.

Observing 98th Birthday

MRS. JACKSON (ELLA) MARSH, of the Centre Road, near Sweetsburg, who will celebrate the 98th anniversary of her birth on Wednesday, is seated in the centre above, with Mrs. Errol Marsh, left, and a friend, Mrs. Guy Carpenter, of Boston, Mass. Also in the picture are two of her great-grandchildren, Robert Dalton, of Waterloo, and Shane Anthony Marsh, Sweetsburg.

Mrs. Jackson Marsh, who will observe her 98th birthday on Wednesday of this week, is in good health, follows current events and news casts and especially enjoys the visits of her many relatives and friends throughout the district. Her memory is vivid and she is an interesting person with whom to converse.

Mrs. Marsh, who is a widow, resides with her son and daughter-in-law, Mayor Errol Marsh and Mrs. Marsh, on the home farm about three and a half miles northeast of Sweetsburg, in Brome Township, of which her son has been mayor for several years. He is also warden of the County of Brome.

Farm Forum Activities

IVES HILL AND DRAPER'S CORNER

At the meeting of the Farm Forum there were father and son present who were studying the problem of father and son partnership.

Mr. Albert Cairns, chairman for the evening, brought the meeting to order, minutes, green leaf, and Voice from the Hill were read.

The delegates to the semi-annual conference held at the Mount Royal Hotel in Montreal, Mrs. R. H. Draper and Mrs. Marc St. Laurent gave reports from same.

The most important points to be taken into consideration in drawing up a father and son partnership are: 1st—The farm should be large enough to support two families. 2nd—The father and son should get along well together. 3rd—There should be separate living quarters, if the son is married. 4th—It is not so easy to draw up partnership if there is more than one son. There should be a written legal agreement between father and son.

The farm could be sold to the son and financed by government loan, so that the farm would become the son's property when loan was paid.

An agreement that son pay a specified amount each year until death of parents, when farm becomes the property of son.

One member family in our Forum have a Father and Son partnership and son arrangement legally drawn up. Four other families in the Forum, the father and son work together on farm.

The usual games of "500" were played and prizes given. This meeting was at the Stewart Cairns home. The next meeting will be at R. H. Draper's.

IVES HILL AND DRAPER'S CORNER

The Ives Hill and Draper's Corner Farm Forum met with Mr. and Mrs. W. Burton to discuss the topic, "The Family Farm."

Due to bad weather and road conditions there was a small attendance.

It was agreed that farms are larger than they used to be. That a good sound policy should be designed to ensure the existence of the family farm, and it is believed it will be a long time before the present stage of farming disappears in Quebec.

It is felt the change necessary for the family farm plan to survive would be for farmers to co-operate and use larger and more modern machinery to operate their farms, and that the government will have to help the farmer through ensuring better prices for farm products.

Mrs. R. Draper and Mrs. M. St. Laurent represented the Forum at the semi-annual F.F. Conference held in Montreal.

This Forum unanimously passed a resolution supporting the E.T.A.A. and other forum groups in this area in opposing the expropriation of the exhibition grounds.

DUNKIN

Due to the bad weather the Farm Forum divided, some meeting at the home of Mr. and Mrs. Lyle Gardner, and the others with Mrs. L. McKelvey, in the village.

The radio broadcast was followed by a discussion period.

Mr. and Mrs. Leslie Fullerton of Clashmore, Sask., who were guests of the Forum, related interesting experiences of farming in the West.

Lunch was served by the ladies and a sing-song and games were later enjoyed.

The next meeting is to be held with Mr. and Mrs. W. Aiken, when the topic for the evening will be "Father-Son Partnership."

MANSONVILLE

The Mansonville Branch of the Farm Forum met at the home of Mrs. Albert Brouillette. J. W. Young chaired the meeting and Mrs. Guy George, secretary, read the minutes. The broadcast on Father-Son Partnerships was considered good and the meeting divided into two groups for discussion, the chairmen being P. Klopfer and R. Tomuschat. The following decisions were arrived at: 1. The most important points to be taken into consideration in a father-son partnership are: (a) an adequate income from the farm to insure a decent living for all concerned, (b) clear understanding of the business arrangements, (c) a written agreement.

2. In answer to the question as to what arrangements should be made for the transfer of the

farm business to the son it was stated that circumstances alter cases and hardly any two cases are alike; so it is best to tailor arrangements to the particular conditions of the farm and family in the transfer.

3. No members in this group has father-son arrangements.

H. Steinbach, who represents the Pottion Forums for the County gave a report of the last meeting held in the Knowlton High School.

The next meeting will be held at the home of Mr. and Mrs. Hermann Steinbach on February 13, weather permitting. Refreshments were served and a very pleasant evening enjoyed.

STANBRIDGE RIDGE

The regular Farm Forum meeting was held at "The Lodge" with Mrs. Ramsey.

A short business portion was held, the broadcast, a dramatized skit on father and son partnership in farming listened to, and discussed.

Tentative plans were made for the Fourth Night, after which refreshments were served.

Mr. and Mrs. Neil Baker will entertain at the February 13 meeting.

HIGH AND LOW FORREST

Farm Forum met with Mrs. Pearl Lowry when the broadcast on "Father-Son Partnership" was discussed.

All agreed there should be a written agreement between father and son, preferably drawn up by a lawyer, and separate living quarters was an essential if the

son was already married. The agreement should state who is to do the business and how the income is to be divided, as this would vary with different families. We think the son should keep the books so he will know about the business when its time for him to take over.

There are several ways to see that the farm passes to the son who stays at home and does the work, but the arrangement should see that the father is protected as long as he lives.

The greenleaf and several other letters were read and some business left over to another meeting. Films were shown and were very much enjoyed, especially "The Musical Ride" by the R.C.M.P. Lunch was served by several of the ladies.

What's news at Inco?

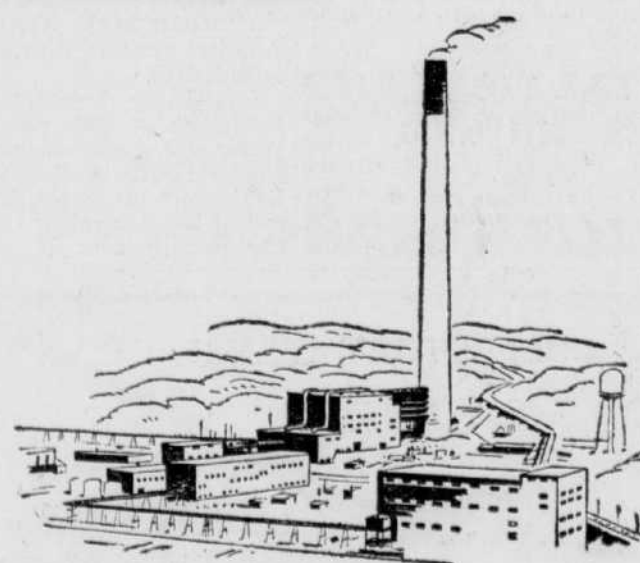

These are pellets of iron ore from Inco's new plant at Copper Cliff

This ore contains over 65% iron and less than 2% silica. This is higher in grade than any iron ore now produced in quantity in North America.

This is the \$19 million plant which, with planned enlargements, will eventually produce about 1 million tons of iron ore a year. The present unit will treat 1000 tons of pyrrhotite concentrates daily.

Inco's process for the recovery of iron ore took years of laboratory and pilot plant studies. It opens the way for increased recovery of other elements from the complex Sudbury ores when economically feasible.

This latest major result of Inco's process research is one of a series of planned, long-range developments by which its ore treatment processes are being revolutionized. It is a further step toward one of Inco's primary objectives—the maximum utilization of its ores.
