$200. Robbery, Attempted Break - In At Coulonge

An attempted robbery at Colton Bros. general store in Fort Coulonge was not successful, although a window was broken and a side door pried, the would be robbers couldn't gain entry.

It is not known if these are the same persons who entered the garage owned by Villemaire and Soucie by breaking a door window and unlocking the door. They left with about $200 in cigarettes, tobacco and chocolate bars. Constables Tancrede Paquett, Lepine and Earl Bennett investigated. No clues have yet been found.

Test Alert Across Canada Next Monday

Sirens will be sounded in major centres across Canada Nov. 13 in a public test of civil defence warning precedures.

It will be part of a two-day civil defence exercise stressing the manning of emergency headquarters bases by the federal and provincial governments.

The test originally was set for the spring of 1962 but was advanced on orders of Prime Minister Diefenbaker two months ago because of the critical world situation.

A similar exercise was held last spring.

Exercise Tocsin-B 1961, as it has been designated, also will be marked by a special 90-minute radio broadcast starting at 7 p.m. EST.

During this broadcast, to be carried by every radio station in the country, the public will hear messages typical of those which would be issued in a real attack emergency.

These will be punctuated by announcements that it is only a test.

Time of the sirens has not been announced but it is belived they will be set off late in the day to link up with the broadcast schedule.

Two types of siren signals will be heard, the announcement by the emergency measures organization said.

First will be the "alert" — a steady three-minute wail which warns attack is expected. Next comes the "take cover" warning which is heard as a rising and falling wail lasting three minutes.

The idea is to make the public aware of what these sounds will mean if they are needed to warn of a real nuclear attack. EMO announcements also will stress that people should turn on their radios, preferably batery-powered sets, to receive news and instructions.

There will be no public features on the second day of the exercise. But federal and provincial overnments will send key officials to emergency quarters outside the capitals where government operations will be carried on in simulated disaster conditions.

More than 200 federal officials will head for an emergency base at Camp Petawawa 100 miles northwest of Ottawa. Reports from across the country will be received there.

New Benefits For Co-op Medical Recommended

A surplus of $5,786 will be reported at next Wednesday's Annual meeting of the Pontiac County Co-operative Medical Services to be held in the cafeteria of the High School in Shawville.

The Supervisory Directors will recommend that 5% of this be set aside to the reserve fund.

Other recommendations from the Supervisory Directors who met Tuesday night will be a cancellation of the $10 deductible on surgery, an allowance of $20 for a n assistant surgeon when necessary and an allowance of up to $20 for anaesthetist fees. These added benefits are being recommended on the strength of the very successful operations over the past nine months.

Despite the confusion over the Government of Quebec entering into the hospital insurance field the Pontiac Co-op has managed with only 4½% of income spent on administration, more than ten percent less than co-ops are allowed. 661 members avail themselves of the combined Hospital Surgical services, 13 have Hospital insurance only and one has Surgical only. In the nine months since January 1, a total of 1045 hospital days and the attending surgical expenses have been paid by the Co-op.

In addition the Co-op has paid $556 for x-rays, lab tests, cardiograms and other hospital services not paid for by the government plan.

At the Annual meeting Wednesday, November 15, a recommendation will be made to increase the allowance on semi-private accommodation from the present $3 a day to $4 a day. This will cover the entire difference now in force at Pontiac Community Hospital and will more than cover the difference in various other hospitals.

Directors eligible for re-election at this meeting are Mrs Secil Sly, Walter Kilgour and George Pirie. Clarence Dean has resigned his position in the Board of Directors and will need to be replaced. Also eligible for re-selection as a Supervisory Director is Dr S E McDowell.

7th Line Moose Now On Loose

At Everett McDowell's farm on the 7th Line, Clarendon, yesterday morning, a cow moose went to jump a page wire fence and fell ,entangling her legs. Everett and his neighbor Walter Kilgour had to cut the wire to let the moose free. She then ran with the cattle for about an hour and then successfully jumped the fence and made for the bush. Thinking at first that the moose would need to be destroyed, they called in Game Warden Bert Horner but the moose went free.

3 Active Forums

Anxious to Develop Resources of Pontiac

The three Farm Forums meeting Monday evening of this week discussed subjects pertinent to the development of this area.

It was agreed that the development of our resources would help solve a problem common to a good many agricultural areas, that of the migration of young people from farm to city during the past few decades. Rural development would ensure a reasonable return for labour by "connecting the individual with governments serving him", as the Farm Forum Guide pointed out.

Some of these projects which might be developed by co-operation between Forums, Chambers of Commerce, Governments, etc., could include re-organization of butter and cheese factories; production of such specially products as fish and game, honey, maple syrup, camps, historical, ski and park sites, the reforestation of marginal farm lands, and numerous other projects. These are just a few of the undeveloped resources of our area.

An idea mentioned was the establishment of a bird sanctuary, a project which is in its initial stages in Litchfield. This would serve as a focal point of tourist interest. Members of the Chamber of Commerce are hoping to develop a fish hatchery on the Mill Creek it was reported.

The Forums, further to this, pledged co-operation with other groups in any development schemes slated for Pontiac. They agreed that they needed the help and advice of Government, Chamber of Commerce and any others who would be interested in Pontiac's future well-being. This the Radford Forum advised by Ray Johnston MPP could be best achieved by small groups co-ordinating in an overall program, thus working from the grass roots up to Government level, which is a true democratic system.

A resurgence of spirit is evident in the Pontiac Farm Forums this year. Monday 19 members of Seventh Line Forum with Dr Roland Armitage and Mr Larry Lamb, executive members of the Chamber of Commerce met at the home of James Tracey, Shawville West Forum met at Louis

Kingdom Hall Dedication Saturday

The presiding minister of the Shawville Congregation of Jehovah's Witnesses, Adam Dmytryshyn, will hold a dedication ceremony Saturday November 11, to officially inaugurate their recently completed Kingdom Hall situated on Highway 8 east of Shawville. This Kingdom Hall is one among some 900 throughout Canada. The purpose of these buildings is to provide a center for ministerial training for each individual associated with the congregation.

There are 5 meetings held weekly. Among these weekly gatherings is a public speakin class where young and old, men and women are invited to enroll. An instructor offers constructive counsel to the student upon the completion of his assignment. Jehovah's Witnesses desire to make visitations on the homes of all people as a part of fulfilling their ministry so their public speaking class and their weekly Bible study classes offer tremendous aid in helping them accomplish this most effectively.

The reason for the designation, "Kingdom Hall", is to emphasize God's Kingdom as the only hope for humanity and referring to their meeting centers as Kingdom Halls helps to advertise this all-important theme.

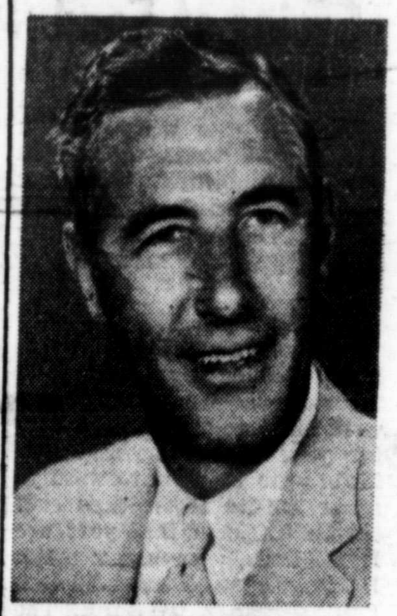
The dedication program for this coming week end will include a brief history of Jehovah's Witnesses in the Shawville area by Adam Dmytryshyn Saturday evening commencing at 7 o'clock. This will be followed by a dedication discourse by Clarence Poitras, visiting minister from Ottawa and at 3 p. m. Sunday afternoon Mr Poitras will deliver a talk on "How Can One's Future Be Secure."

March of Dimes Drive By Canadian Legion

The Pontiac Branch of the Royal Canadian Legion is sponsoring a drive for the March of Dimes Campaign in Pontiac County and the main purpose of this drive is for the help given by the March of Dimes to Dawn Bottrill of Quyon, who is in hospital in Montreal suffering from multiple scherosis.

The Branch will shortly be mailing a write up on this case to all residents in Pontiac. Residents are asked to forward donations for the March of Dimes in the envelope provided to the Royal Canadian Legion at Campbell's Bay.

Chairmen of the campaign are WT Mousseau, president of the Branch and Andre Audet, District Commander.



New B of M Manager

Hugh Middleton, formerly manager of the Bank of Montreal's branch at Almonte, Ont., has been appointed manager of the bank's Shawville office. He succeeds Gilmour H. Dowe, who moves to the head office in Montreal.

Born and educated in Glasgow, Scotland, Mr. Middleton joined the B of M at a branch in Montreal. He subsequently served at a number of offices in the same city and at Renfrew and Ottawa, Ont.

In 1947, he was appointed accountant of the Rideau street branch in Ottawa and, six years later, was named manager at Finch, Ont. He left Finch in 1956 to become manager at Almonte, which he now leaves to come to Shawville.

During his five-year term at Almonte, Mr. Middleton participated in a number of community organizations. He was a director and chairman of the finance committee of the hospital board; treasurer of the Lions Club; vice-president of the Almonte Chamber of Commerce and a member of the local golf club.

DANGER SPOT

Everybody is familiar with the spur line railway crossing at Highway 8 in Wyman. We all know it is there and half consciously watch for it when driving between Quyon anad Shawville. There is hardly ever a train on the track and the pace of traffic rarely slows up at that point.

Its just a curve in the road and a curve in the track and the two curves happen to cross, almost casually. Its only when you happen along at one of those rare times when a caravan of railway cars is ambling across that you suddenly realize just how casually you could drive into the train.

So far, nobody has done that but from all reports it has often been very nip and tuck. The chances of a terrible accident there are none the less strong just because it hasn't happened yet.

If a man with a red flag in the daytime and a man with a swinging lantern at night would just stand guard at the intersection of track and highway while the train is making its way across, the oh so likely likelihood of calamity there would be avoided, or at any rate lessened.

It may not be required by law but it is certainly suggested by common sense.

Grains of Sand

The annual Remembrance Day service at the Memorial Park, Shawville will begin at ten minutes to 11 o'clock, on Saturday morning, November 11. At 3 pm in Campbell's Bay at the Legion Hall another ceremony will be held.

Fall meeting of the Shawville Mens Curling Club was held Thursday at the rink. Plans were made to make this a better year of curling and new ideas were brought forward to make the ice better than ever before. Officers this year are Don Dodds, president; Bill Hannia vice president and Don Paul secretary treasurer. The ice is expected to be ready shortly.

Twenty three men spent five days at Lake Dumont trying to find a deer without success last week. Meanwhile, in the bush back of Caldwell, at least three deer were taken by local rsidents within walking distance of their kitchens.

HM Turner, we hear, has a good hinge to donate to the hospital for their front door. If its true what they say about the squeak there, he should get it donated and installed before Clarence Wilson's next visit home from Hamilton.

—o—

Farm Forum November 20 is going to wonder if family life is out dated. This should be most interesting. By the way, since Floyd Griesbach's visit to Pontiac there has been a renewed interest in Farm Forum here which was all but dying out.

Royal Canadian Legion oyster party at Campbell's Bay last night was without precedent. Beaupre scored again with an assist from Tanguay and everyone went home happy.

Clarendon Parish Fellowship Group

Friday evening, November 3 saw the best turnout of members of the Fellowship group in St Paul's Parish Hall in over a year. The event was the annual Hallowe'en party. Election of officers for the new season was held at the close of the evening. The new president is Cyril Dagg. Mrs. Hubrt Dale is secretary and Mrs Charlie Schock continues as treasurer. Louis Judd is vice president. Lloyd Atkinson, Ron MacKenzie, Carmen Bretzlaff will be in charge of the programme, and Mrs. Lennis Barr, Mrs John T Dagg, Mrs Charles Schock and Mrs. Russell Judd are the members of the refreshment committee.

Some of the members of the J A and the GA were demonstrating a dance they had learned during the afternoon. This was one of the results of the presence of Miss Joan Skew, Diocesan Youth Worker, from Montreal, at the afternoon meetings. Miss Skew was the dinner guest of the members of the GA, who prepared and served the meal in the Parish Hall. She was also present at the annual service and party of the Little Helpers on the following day.

Remembrance Day will be silent at the Legion Hall this year. No band has been available. Now is the time for every able bodied Legionnaire to take up an instrument and learn to play. It could be done, and next year at least one tune might be played to parade to.

The Track and Field Day for the Kemptville Agricultural School was held on Saturday, October 14th and Albert Armstrong who is a student at the school won the champion award by taking 5 first and one second.

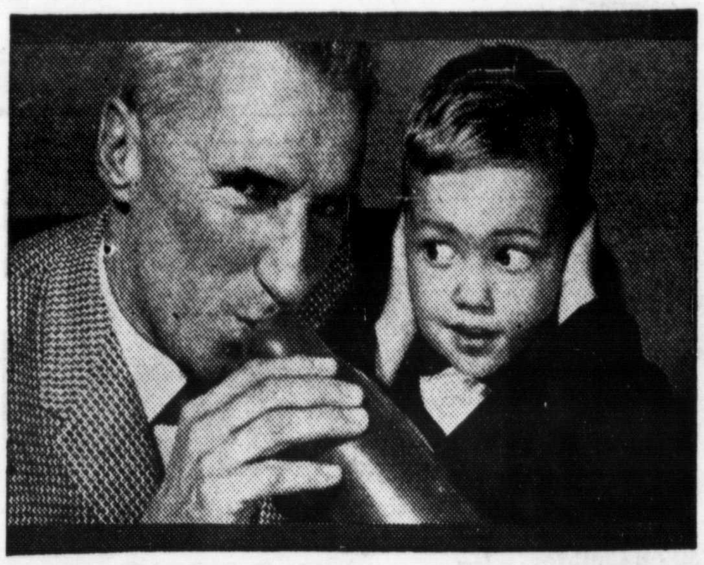
How do I save?

When it comes to saving here's a trick worth knowing. Avoid writing cheques against your Savings Account. Impossible? Not at all! Just open a *Personal Chequing* Account at the "Royal" and use it for paying bills.



Then you can keep your *Savings* Account strictly for saving. The bank calls this the *2-Account Plan*—a sure-fire way to save. It makes sense. It's business-like. And it's easy... Why don't *you* give it a try?

Lions

Shawville Club Is Active Many Ways

The local Lions Club were very active and have done much in the community during the past summer. The Club sponsored the Doc. William's show; donated to the Recreational Association a slide for the childern and placed three picnic benches at Green Lake. They approached a number of needy families. Some required no aid, others were grateful for what little the Lions could do for them. A donation of $50. was made to the Shawville Baseball team; $50. to the Boy Scouts Association and they are now working on a $200.00 Scholarship for the High School. $6000.00 has been placed in bonds for the Home for Aged. The Home is still to be built when full clearance is obtained from the Government.

The Club approached the Town Council concerning the placing of names on the streets and numbers on the houses in Shawville.

On October 26 the Gatineau Power Company, represented by Mr. Phil Watier, showed two of their films entitled, "That They May Live" and "Electricity and Common Sense". These were extremely interesting and educational.

If there are any needy families in our area, the Lions would appreciate greatly if someone would notify them.

Bible Society Canvass Volunteers Required

Tuesday evening, November 7th., the Shawville Branch of the Ottawa and District Bible Society met in St Paul's Parish Hall, under the chairmanship of Russell Elliott. Though attendance was sparse, arrangements were made for the distribution of receipt books to canvassers, and for the beginning of the canvass early next week. The secretary, H.I. Smith would be glad to hear of men or women willing to assist with the canvass.

Some who are asked to support the work of the Bible Society may not be aware of what its work is. Since 1805, the Bible Society, spreading from its beginnings in England, has tried to place the Bible in the hands of people — in their own language — at a price they can afford. This has involved publishing and printing, translating and revising all in addition to the monumental task of distribution.

The British and Foreign Bible Society in Britain, the American and Canadian Bible Socities on this continent, and sister societies throughout the world consider themselves to be missionary arms of the church. Whoever considers the Bible worth reading will surely consider this work worth supporting.

Miss Arminta McDowell of Ottawa visited recently at the home of her brother Mr Dwight McDowel land family.

There was condiderable exsitement on Wednesday Morning when a cow moose became entangled in a fence at Everett McDowell's. Lucky for the moose that the hunting season was over as more than one good hunter was out to see the sight. However it was unlucky for Everett as the fence had to be cut to let the animal free. Everyone present had a good look as the moose left at his own leisure.

Mr and Mrs Allen Tubman and baby son Bruce of Ottawa visited on Sunday evening with the Walter Kilgours.

Bears Can't Phase Major James McCuaig Nor Skunks, Partridge etc.

By Len Coyne

James McCuaig (Major to you) has a telling story about a bear — a large black bear — that paid him a visit one morning 2 weeks ago (Oct. 21 to be exact). Mr Bear came unannounced, other than the Major was awakened by his dog barking at what he thought could be Racoons as there were two families in the nearby bush on his property, near the Bryson-Calumet Island Bridge in Bryson. Jim on awakening thought the noise was some one walking on the verandah but going to the back door. So he opened the door, switched on the light and there stood Mr Bear Jim said "How did you get here" in such an abrupt manner that the bear turned about and left — took to the mountain, vamoosed. The Major says he has numerous wild animals about his home on the river bank. its a real sanctuary as he never uses a gun, there is a family of beavers, some mink, numerous muskrats, racoons, skunks, flying squirrels etc. a great variety of Canadian birds from humming birds to the orioles, Partridge, ducks, cranes, gulls, blue jays and whippoorwill's, with flowers in profusion, a real natural paradise, right here in Bryson. A well known sportsman formerly of Ottawa. Jim McCuaig now lives a retired life in his natal village.

Starting with those whose names began with the letter A, we have now come to those beginning with the letter F. If you did not see the name of your family pass by and it is from A to F, look up the previous numbers of THE EQUITY and send in whatever information you have yourself.

Today we start our list with a family that lived in Clarendon, but which spread to Calumet Island, as the records of that parish shows. It was one of the few Catholic families that settled in Clarendon.

Today's Enquiries

FAHEY DENIS, b. in Ireland in 1798 and his wife MARY KENNEDY, born in Ireland ten years later, Their children were: CATHERINE 1834, born in Canada and possibly married to Daniel Delaney, JEREMIAH 1836, MARY 1838 (Our records show a Mary born that year who died in Ottawa in 1928, single, and being a sister of a Mrs. Cody and an aunt of Mrs. D. Coleman. Then NICHOLAS 1843, married 1881 at Calumet Island to Arthemise Robillard, daughter of Alex and Marie Louise Edward, and lastly ELLEN or HELEN 1847 and baptized in 1848 at Calumet Island The mother Mary Kennedy died in 1892.

FAHEY NICHOLAS and ARTHEMISE ROBILLARD had the following children: MARGUERITE 1881, TERESA JANE 1884, NICHOLAS 1886, MICHAEL JOSEPH 1888 and ANNA VICTORINE 1893, all baptized on Calumet Island.

FISHER THOMAS or WILLIAM born in Ireland in 1813, Episcopalian and his wife Catherine Teresa, a Catholic, born 1815 in Ireland and their children all born in Canada: Sarah Jane 1834, Isaac 1836, Hannah 1838, Eliza 1839, Caroline 1840, Catherine 1842 and Emily 1845. This is likely the same family that was in Clarendon in 1841, with five children then, having come out from Ireland in 1826. A THOMAS FISHER, married to Catherine Byrnes lived at Portage du Fort. Their daughter Anna (possibly the Hannah mentioned above) was married May 5, 1863 at Portage to John McEneigh or perhaps McKenny. There was a Mary Fisher born in 1824, the wife of Patrick Sheehan of Portage who died in March 1854 and an Elizabeth Fisher of Arnprior who married Rev. Charles McKillop in June 1881. This could be the Eliza mentioned above.

FRAZER THOMAS b. 1790 in Ireland and his wife Elizabeth b. 1800 Ireland. Their children ELIZA ANN 1836, IAE ALEX 1834, WILLIAM 1829, SAMUEL 1833 and GEORGE 1834, all born in Ireland.

FRAZER THOMAS Jr. b 1815 in Ireland (likely a son of the other Thomas) and his wife Isabelle b. 1821 in Ireland. They lived in Scotland for a time where their two children were born: Elizabeth in 1837 and Thomas in 1840.

FULFORD JAMES b. 1801 Ireland and a former storekeeper in Clarendon, his wife Susannah b, 1811 in Ireland. Their children: ROBERT 1831, THOMAS 1837, EDWARD 1838, JOHN 1841 and SUSAN 1845.

FULFORD JOHN Jr. b. 1816 in Scotland and his wife MARION 1821 in Scotland also. Their children were: JOHN 1842, ELIZABETH 1844 and AGNES 1848, all born in Canada. This John is too old to be the son of the James given above and they were born in different countries. John came out to Canada in 1825 and married about 1840. James was still in Ireland at that time. If we are not mistaken this John died in 1900 at the home of his son James of Starks Corners at the age of 84. He had two daughters: Mrs. Robert Dodd of the 12th Concession McNab and Mrs William Lockhart of Edmonton. He had two other sons besides James Living in Clarendon. The fact that Jr. is affixed after his name would indicate that his father's name was John also, and this latter John, John Sr., might be a brother of James, listed above. One of these must be the ancester of Earle P. and his sons, Duncan GE, John, Donald and Douglas of Shawville and Ingleside. Earl's parents we believe, were Stewart Fulford and Mary Booth, and STEWART born 1855 would likely come into one of the pioneer families.

An interesting note that might be added is that J. Marshall, the son of HM Fulford, and living near Ottawa, was married to the daughter of FREEMAN WALLER, who gave his name to Waller Street. Both these families are listed as the Pioneer Families of Ottawa. Marshall's son in law, John Delaney, faught in the North West Rebellion and was killed by BIG BEAR in 1855. John was an Indian Agent.

For those who wish to go deeper in their searchings, J Fulford, a cousin of John of Starks Corners, married the daughter of WJ McBride of Fitzroy Harbour.

The following are from clippings made sixty one years ago from the local papers, which really carry us back into the past:

1900

The death took place on Sunday night last at the residence of his son James of Starks Corners, Mr John Fulford, at the patriarchal age of 90 years. The deceased was born in Scotland ,and came to this country with his parents when only 4 years of age and has been a resident of Clarendon for about 80 years — probably the oldest resident of the township. He was in what may be called robust health until the Friday evening before his death, when he sustained a slight fall, in which he had one leg hurt. He was carried to bed, where he remained till death occurred on Sunday, as stated. Funeral took place to Lower Litchfield cemetery on Tuesday afternoon. The late Mr. Fulford had a family of three sons and three daughters, of whom one of the latter has predeceased him.

Mrs. Robert Dodd of the 12th concession of McNabb township was summoned to Starks Corners in Clarendon township on Saturday on account of the serious illness of her father, Mr. John Fulford. On Sunday evening Mr Fulord passed away. His death was caused by the infirmities of age, he having reached his 90th year. Interment was made on Tuesday in the Litchfield cemetery, where the remains of the pioneer wr laid beside those of his wife, who died seven years ago. Among those from this section who attended the funeral were Mr and Mrs Robert Dodd and Mrs (Dr) McGregor. Deceased is survived by three sons and two daughters. The sons live in Clarendon; one of the daughters is Mrs Dodd of McNabb ;the other is Mrs. Wm Lockhart of Edmonton. The Fulfords of Fitzroy Harbor and Torbolton are related to the deceased.

EDDY EVERYBODY

wants to know

IN THE PLAINEST OF TERMS

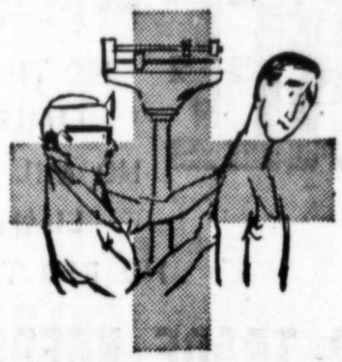
what are the basics of
our Hospital Insurance plan

THE POLICY HERE...

Sickness is a universal hazard. And regaining health frequently calls for extensive and expensive hospital treatment. Since last January, our Provincial Government sees to it that you receive — free — the required hospital care every time your doctor deems it necessary. This includes standard ward accommodation, the usual meals and the agreed hospital services. That sums up our Québec Hospital Insurance Service.

...AND ELSEWHERE

In several other provinces, you must register and then pay a monthly premium in order to qualify under their hospital insurance systems. In Ontario, for instance, the monthly premium is $2 per person or $4 per family. Here, nothing of the kind. Québec supplies you with *free* hospitalization, providing you fulfill two prerequisites.



1st condition: **BEING A RESIDENT**

Firstly, you must have lived here at least three months. In which case, your children qualify from birth. But if you are just getting settled in this province, you must wait three months before being entitled to free hospital treatment.

THE CASE OF TRANSIENTS

Transients — such as tourists, visitors and relatives from other provinces — do not qualify under our Hospital Insurance Act. Services received by such persons in a Québec hospital are charged to the patient, or to the hospital insurance of his own province.

PROVING YOU'RE A RESIDENT

The hospital may request at any time that you prove your residency, namely, that you have been permanently established in this province for over three months. You can perhaps handle this by showing the usual identification papers: birth or marriage certificate, driving licence, credit cards, hunting or fishing permit, passport or what have you. If you are too weak or ill to comply personally with this formality, the person with you must attend to it.

2nd condition: **THE DOCTOR'S RECOMMENDATION**

Free hospitalization is conditional on your doctor considering it *medically necessary*. If he deems that your case can be handled satisfactorily elsewhere, you are not entitled to free hospital care. But if you are sent to the hospital on his recommendation, you may remain there as long as required from a medical point of view.

IN CASE OF ACCIDENT

If you ever require *urgent* admission — for instance, as the result of being injured in a serious accident — the person in charge at the hospital may authorize your admission, without waiting to check with your own doctor.

A COSTLY OPERATION

As you can see, our Hospital Insurance plan provides every resident of this province with the required full-range hospital care — on a free and efficient basis. A truly colossal and costly undertaking: the assignment is to supply, as needed, free hospitalization to over 5 million insured residents — entailing this year a governmental expenditure of more than $140 million!

HELP US HELP YOU

Plain common sense suggests that each one of us fully cooperate with our Hospital Insurance Service. Never ask your doctor for hospital treatment unless it is *absolutely needed*. Never remain at the hospital *one day too many:* this is an unfair and costly practice. Don't stretch a fine prerogative. Your conscience . . . and your taxes . . . will feel all the better for it!

St. Andrews Knox WMS

The evening of Nov. 2nd the members and friends of St. Andrews Knox were entertained by Rev and Mrs Small at the manse. There were twenty present. Mrs. Garth Graham the president presided opening with a hymn and prayer. Mrs Walton McCorriston read the scriptures. Rev. Mr. Small conducted the program. The theme Sacrament of the Lords supper and baptism with the questions and answers made a very thoughtful program, something to remember. Miss Sarah Campbell read a paper on Stewardship. The roll call was answered with a verse with thanksgiving in it. Offering received. Last minutes read and approved. The treasurer's report was given and was very satisfactory. A number of birthdays paid. A number of sick visits were made.

Quite a discussion was held on the new organization coming and the observer cards to be sent to members and friends who have been bereaved and the sick ones.

Roll call for our next meeting is to have the word Christ in it as its the Christmas meeting and will be held at the home of Mr and Mrs Walton McCorriston and will be the last WMS meeting. But let us hope and pray that down through the years God has blessed many efforts for the welfare of his causes and kingdom. The meeting was closed with a hymn and prayer followed by tea served by Mrs Small assisted by Mrs G Graham and a pleasant hour was spent.
