PRICE TWO CENTS

NEW BARCLAY ELEMENTARY SCHOOL BUILDING OPENED AT PARK EXTENSION

Named in Memory of Rev. James Barclay, Peer in Protestant Education—Son Declares School Formally Opened.

Last Friday afternoon the formal opening of the new Barclay Elementary School on Wiseman Avenue, Park Extension, took place in the school gymnasium. The school was named in memory of Rev. James Barclay, D.D., L.L.D., one of the great figures in the annals of Protestant education in Montreal, and the honor of declaring the school open was accorded his son, Gregor Barclay, K.C. Malcolm D. Barclay, also a son of Dr. Barclay, was present.

Hon. Walter G. Mitchell, K.C., chairman of the Protestant Committee of Public Instruction, attended and all the members of the Board of Protestant School Commissioners of Montreal, with the exception of the chairman, J. Arthur Mathewson, whose office was filled by Very Rev. Dean Arthur Carlisle.

"I can assure you that I and the other members of our family are deeply sensible to the honor that has been done our father in the naming of this fine school," said Mr. Barclay. "The training of the young was always dear to his heart. It is a deep satisfaction to me to be chosen to declare this school opened."

"The future of the school depends largely on you, the pupils. The school board has given you a fine building, equipped with all possible facilities. Your teachers are doing all they can for you. Now it rests with you."

Fine Building
 "This is indeed a fine school building," said Mr. Mitchell. "It is an honor not only to this district but to the whole city. The Board of School Commissioners is to be highly congratulated. They could not have chosen a name better calculated to bring honor to the school than that of 'Barclay'. The name recalls, to those of us who knew him the memory not only of a great orator, a renowned educator and chairman of the Protestant Committee of Public Instruction, but of a great-souled, fine man. He did a great work for education in Quebec, devoting to it much of his time for years."

Continuing, Mr. Mitchell stated briefly his intention of taking up fully in the near future the co-ordination and centralization of all the Protestant school boards on the island of

EDITH CAVELL I. O. D. E. PRESENT WAR MEMORIALS

Mrs. J. J. Creelman Makes Presentation to Strathcona Academy

W. A. WALSH PRESIDED

Local Daughters of Empire Composed of Nurses Only

Last Thursday afternoon, the Edith Cavell Chapter of the I.O.D.E. officially presented to Strathcona Academy a group of War Memorial Pictures. These pictures are similar to those presented to the Guy Drummond School by the Guy Drummond Chapter of the I.O.D.E. eight years ago. The official presentation was made by Mrs. J. J. Creelman, Regent of the Municipal Chapter which is the parent chapter of all the I.O.D.E. branches in this district.

The chair was occupied by the principal, Mr. W. A. Walsh, B.A., and a suitable programme was arranged by the girls' choir of Grade VIII under the direction of Miss Freda Racicot, B.A. and Prof. Jas. Small. The speaker was introduced by Miss Frances Upton, Regent of the Edith Cavell Chapter. In a few well-chosen words she pointed to the fact that the Edith Cavell Chapter was composed entirely of nurses, many of whom had seen active service overseas and were decorated for such service. She also pointed out the many services that Mrs. Creelman was interested in and her keen interest in social service work. Among her many interests was that of the I.O.D.E.

Mrs. Creelman briefly explained the work and attitude of the I.O.D.E. and the object they had in view in presenting these pictures to the various schools. On behalf of the school board trustee J. H. A. MacKay officially received the pictures and thanked the Edith Cavell Chapter of the I.O.D.E. for their thoughtfulness in presenting these pictures to the academy. He complimented the chapter and the organization on the wonderful work that they were doing and on the keen interest they were taking in Empire problems. He assured the chapter that the pictures would be suitably hung in the hall of the new third storey now being erected and that these pictures would occupy a place along with pictures of the graduating class as taken from year to year. He invited the members of the Chapter to visit the school during the course of next year in order that the pictures might be seen to better advantage than they could be to-day.

Mrs. W. S. Hodgson, Regent for the Province of Quebec branch of the I.O.D.E., also addressed the gathering and alluded to the pleasure that she had in being present and of officially presenting the pictures to the Guy Drummond School some eight years ago. She felt happy in again having the privilege of participating in an official presentation of similar pictures for a second time in Outremont. She hoped the pictures would serve the purpose for which they were intended and help promote the instinct of patriotism and the desire for peace and preparedness.

Trustee J. H. A. MacKay on behalf of the board and on behalf of the teaching staff of the High School Department invited the ladies present to enjoy the hospitality of the Board in the nature of afternoon tea which was served in the board room. This gave all members of the I.O.D.E. and teachers an opportunity to become acquainted and discuss the nature of the work in which they were mutually interested.

Among those present on the platform were Mrs. W. S. Hodgson, representing the I.O.D.E. in the Province of Quebec, Mrs. J. J. Creelman, Regent of the Municipal Chapter, Miss Frances Upton, Regent of the Edith Cavell Chapter, officers and members of the Municipal Chapter, the Edith Cavell Chapter and the Guy Drummond Chapter. This latter chapter is peculiarly associated with Outremont, and is composed largely of women from this district. It was a pleasure to have members of this chapter present and on the platform.

M. Tetreau New Magistrate

Mr. Maurice Tetreau, K.C., of Hartland Avenue, was appointed district magistrate for the district of Montreal, and Police magistrate at the same time, by an Order-in-Council signed by the Lieutenant-Governor in-Council, according to a report from Quebec last week. It is stated that Mr. Tetreau will probably replace Director of Police Dufresne in the Recorder's Court.

GUARDS PARADED TO ST. MICHAEL'S ON SUNDAY LAST

Brig.-Gen. F. S. Meighen and Mayor Beaubien Inspected Regiment

The Canadian Grenadier Guards paraded to St. Michael's church and were later inspected by Brig.-Gen. F. S. Meighen, C.M.G. honorary colonel of the regiment, and Mayor Joseph Beaubien in St. Viateur Park, Sunday afternoon.

Headed by Major R. Peiler and accompanied by the band under Lieut. J. J. Gagnier, the company filed into church where the service was conducted by Rev. Father Francis Singleton, pastor.

The address was delivered by Father William Byrd, curate. "When St. John the Baptist was in the desert preaching the baptism of repentance for the remission of sins, many people came to him asking him to show them the way to Heaven. Among the number were soldiers. John the Baptist did not tell them to abandon their honorable profession, but to avoid all temptations that lay in their manner of living."

"From St. Luke, it is easy to conclude that the military profession is in no way incompatible with religion," Father Byrd said.

After the Benediction of the Blessed Sacrament, the parade marched to St. Viateur Park, where Brig.-Gen. Meighen, Mayor Joseph Beaubien and Ald. J. D. Hudson inspected the regiment.

ACTIVE RAILWAY CAREER FINISHED AFTER 57 YEARS

J. Daly Never Had a Serious Accident During Lengthy Rail Service

Dartmouth, N.S.—With a continuous service from September 15, 1873, Conductor John J. Daly terminated his active railway career of 57 years when he retired on pension, March 31.

In all his years of service he never had a serious accident and when asked "Why did you choose railroading as a career?" he replied, "Well, it somehow seemed to be just my job." He is very fond of horse racing and whenever the opportunity offers he always makes it a point to be a spectator. Possibly his love of horses commenced in the days when as a mere youth he drove a horse used for hoisting purposes for a coal company at Pictou Landing a short distance from Stellarton.

In the course of his career, he has seen the small sixty-ton locomotives replaced by the huge modern monsters in use by the Canadian National System weighing upwards of 325 tons, freight cars from 20 tons capacity to 40 and 60 tons, and ten car freight trains grow up to the mile long caravans of today.

He has also witnessed a great improvement in sleeping cars and the introduction of parlor and dining cars, also observation cars, radio equipped, which are in service on the Canadian National.

SCOUTS ATTENDED FAIR.—ST. GILES LAST SUNDAY

Wolfs and Boy Scouts Combine for Church Parade

TOOK SALUTE

Ministers and Officers Receive Salute at Corner of Bernard and Dollard

A great service was held at this church last Sunday morning. The 44th Troop of Boy Scouts, and the 64th Pack of Wolf Cubs of Fairmount-St. Giles were present in goodly numbers with their Scout-master David Anderson; the 5th Troop of Strathcona Academy, and the 48th "Pack", under the leadership of Mr. Magnusson and Mr. Wallace, the 58th Troop of All Saint's church, and the 42nd "Pack" with Officers Humphrey and Livock, representatives of the church of the Ascension Troop with Mr. Dendy, and the "Pack" of "MacVicar" with Mr. Dudgeon. On the platform with Rev. Dr. Dobson and Rev. Mr. McFarlane were, Mr. T. Wardleworth, District Commissioner, and Mr. Allen Field, Scoutmaster of St. Lambert.

The boys presented a fine appearance as they marched up the aisle. The congregation received them standing. After the doxology and invocation the congregation sang "Lord of the Lands" to music of "Oh Canada." The chair under the leadership of Mr. A. R. Binnie led the singing, and special anthems. Mr. Flower sang a solo with a Scout message.

The address was given by Rev. Dr. Dobson, in which he pictured "David," the shepherd boy of Bethlehem, working out Scout laws, and Scout pledges. He spoke of the great growth of the movement, so that now there are 50,000 Scouts in Canada, 600,000 in U.S.A., and two millions and a half in the world. After the service the visiting officials, and the ministers took the salute, as the troops marched past the corner of Bernard and Dollard avenues.

NEW C.N.R. FERRY SERVICE RAPIDLY BEING COMPLETED

Railway Officials State That Cars Will be in Operation in July

Moncton, N.B.—The new Canadian National Railways' Car Ferry for the service between New Brunswick and Prince Edward Island, across the Strait of Northumberland, which is now under construction at Levis by the Davis Shipbuilding and Repair Company, will be ready about the middle of July. It will be considerably larger than the ferry at present in service and will burn oil fuel.

Large fuel oil tanks have been erected at Borden, the Prince Edward Island terminal, and the work of installation of the piping from the oil tanks to the dock is nearing completion. On account of the larger dimensions of the ferry it has been necessary to enlarge the terminals at Cape Tormentine, N.B., and Borden, P.E.I., and this work is being rushed forward to completion.

The second car ferry has been made necessary by reason of the increased traffic which has developed across the strait. During the summer season the automobiles are transported between the mainland and the island and this traffic has been increasing since the service was inaugurated.

With the opening, during the early part of April, of the new hotel at Charlottetown, "The Canadian National", a large increase in tourist travel to Prince Edward Island is expected. The hotel will be run on the American plan and contains all outside rooms, each equipped with bath.

GUY DRUMMOND SCHOOL ADDITION SHOWS PROGRESS; WILL BE READY FOR AUTUMN

Twelve Classrooms Are Being Added to Present Institution—Over One Thousand Students Now Enrolled at School.

Work is progressing steadily on the new north wing to the boys' section of Guy Drummond School.

According to figures of the enrollment of pupils at this school, for April, there were some 1061 boys and girls attending the school. It was estimated that on completion of the extension to the school, space for over twelve hundred pupils would be provided. The new addition will be three storeys high, and will house twelve classrooms in the two upper floors.

A lunch room has been planned for the ground floor, recreation hall and store room.

If plans are successful in the way of sharing the lunch room with the girls, this will be done. For the present when the extension has been completed, it will be for use by the boys only.

The new section will be completed about August 18.

Father Singleton Gives Opening Address

On Sunday May 10 the Rev. Father Singleton took up his duties at St. Michael's Church. Father Singleton spoke at all the masses and after praising the great works of the late Canon Callaghan he continued as follows:

"The communication of His Excellency the Archbishop, my dear friends and parishioners of St. Michael's makes known to you officially the change that is taking place in the administration of your parish, and introduces to you in my humble person, your new pastor.

It seems but a few short hours since we were assembled in this holy place to pay our last respects to your saintly and devoted pastor, the late Canon Callaghan, to pray for him and to beseech the Divine Master in His mercy to receive his soul into the kingdom of His glory and to give him the reward He has promised to good and faithful servants.

Coming in your midst to assume this important charge, I feel that I am doing God's holy will, expressed in the commands of my superiors, yet I cannot but experience a sense of responsibility, for I am well aware of the extent of the task and the mission confided to me, and well aware of my personal unworthiness.

The care of souls, the administration of a parish means in every case very serious obligations before God and men. The direction of your important parish of St. Michael carries with it more than ordinary responsibilities.

I come back to you today after an absence of twenty-five years. For on the 26th of September, 1905, His Excellency, our beloved Archbishop Bruchesi, appointed me as assistant to the devoted Father Kiernan, your first Pastor, whose name is still fresh in the memory of many who were parishioners of St. Michael's at that time. St. Michael's was the second parish I came to as assistant, it is now my second parish as pastor.

But what a wonderful change has been effected since the very happy year that I spent in your midst during the early pioneer days of your parish. Our services were then held in the hall of the fire station at the corner of Laurier Avenue and St. Denis Street, while we, Father Kiernan and myself, were in residence in a flat at the corner of St. Denis and Boucher Streets, as neither this church, nor the rectory adjoining were in existence at that time.

But today you have a beautiful church in which to worship, while the residence of the priests is most comfortable and cheerful. All this was brought about firstly, by the devotedness of the two saintly and devoted priests who have been my predecessors here, but who have been called to their eternal reward. Secondly, to the wonderful co-operation on the part of priest and people and to your well-known generosity.

Profound indeed, then, are my emotions, in ascending today for the first time this pulpit; but at the same time let me vow that I have been deeply

(Continued on page four)

Y.W.H.A. MUSICAL ON SUNDAY NEXT

On Sunday, May 31st, at 4 p.m., the season of musicals at the Y.W.H.A. will terminate, when outstanding talent will be heard. Miss Dora Levine, who has created a favorable reputation in Montreal for her vocal talent, will render several selections. Miss Levine has a very pleasing and well-developed voice. She will be accompanied on the piano by Miss Irene Shapiro. Miss Beatrice Rubinovitch, member of the Y.M. and Y.W. dramatic class, who recently appeared in "Mary the Third", will give several readings. Her various interpretations have won her audiences at all times. The Tziere Tziou Mandolin Orchestra will conclude a well-balanced programme. Samuel E. Cohen is the leader of the orchestra. Mrs. D. H. Ballon will act as chairman.

The Comrades, one of the oldest Intermediate Clubs in the "Y", holds its 8th Annual Social and Dramatic evening, Sunday, May 31st, at 8.15 p.m. Joe Schwartz, "Tambo" of the Y.M. Minstrels, will be Master of Ceremonies for the evening.

◆ ◆ ◆ ◆ ◆
POLICE AND FIREMEN HAVE EASY WEEK
 ◆ ◆ ◆ ◆ ◆
 The Outremont Fire and Police station was quiet last week.
 ◆ ◆ ◆ ◆ ◆
 A few cases of motorists passing stop signs and speeders were the only cases reported.
 ◆ ◆ ◆ ◆ ◆
 There were no fires or false alarms.

MRS. J. F. CALLAGHAN MOURNED BY MANY

Mrs. J. F. Callaghan, nee Annie Burke, died suddenly last Sunday morning at her residence, 430 Wiseman Avenue, Outremont, in her 71st year. Born in Montreal, Mrs. Callaghan was predeceased by her husband 18 months ago. She is survived by two daughters, Mrs. George Mathew and Mrs. George Beauvais, and one son, Frank Callaghan, K.C.

The funeral which was largely attended took place to St. Raphael's Church where solemn requiem Mass was celebrated by the pastor, Rev. Father O'Rourke, assisted by Rev. Father Flood, Pastor of St. Brendan's as Deacon, and Rev. Father Cooney, Chaplain of St. Patrick's Orphanage as Sub-Deacon.

Following the service at the church the remains were taken to Cote des Neiges Cemetery for interment.

MACVICAR MEMORIAL CHURCH A COMING EVENT

Fun for all. A fishpond for the kiddies, a cup of tea for the ladies, home-cooked food stuffs for the mothers, cool drinks for the gentlemen, and a novelty and candy booth for all if you will come to the MacVicar Young People's Society "Country Fair" on Saturday, May 30th at 3 o'clock in the church hall. Remember the date.

YOUNG PEOPLE'S SOCIETY
 Miss Agnes Dickson, B.A., of China will be the speaker at the young people's society meeting on Monday night, 8 o'clock in MacVicar Hall.

Aviation Progressing In Canada

Aviation continues to register advances in Canada. According to J. A. Wilson, Controller of Civil Aviation in the Department of National Defence, the next step to be taken will be the linking of centres of population and industry, and he predicts an aerial transportation service providing a 30-hour journey from coast to coast in the near future. One of the essential directions to which attention has been directed recently has been the preparation and maintenance of regular routes. Already 1,350 miles have been lighted for cross-Canada traffic—a fact which led Mr. Wilson to remark recently that flying conditions are actually better at night than during the day.

The latest development in connection with aviation in this country is the approval given by nearly 100 members of the War-Time Pilots' and Observers' Association to a proposal made by Lieut.-Col. Bishop, V.C., the Canadian "ace" that the Government should establish an Air Force Reserve to enable the older airmen to maintain their association with aviation and advance its interests. The air, as Colonel Bishop put it, is "the great highway of peace."

No nation in the war had as fine a record in aviation as did Canada. At the end of hostilities, considerably more than one-third of all the officers in the Royal Air Force were Canadians. We have followed up our fine war record with an enviable civil programme; at the present time we lead the world in the use of airplane for scientific purposes. It is gratifying to note the further progress contemplated.

Canadian Wood Or Russian Wood?

Among the problems which will inevitably engage the attention of the Canadian Timber Commissioner when he takes up his duties at London is the competition given the Canadian product in the British market by Russian imports. Like the Canadian grain grower, the Canadian lumberman has been severely hit by the inroads into Great Britain made by the Russian product cut and trimmed under conditions of forced labor. Reports from Great Britain indicate, however, that the Commissioner's task will be lightened by a dislike shown by the British importer for the Russian product. Nobody would mind if imports of Russian wood were prohibited by the British Government; but the difficulty will be to get the Government to prohibit such imports. The Government has been consistently friendly to the Soviet and its principles. Canadian lumberman can do a lot toward winning back the British market by cutting their product to sizes peculiar to the British trade.

Housewives' Opportunity To Save Money

Many of the things that we call necessities to-day were luxuries yesterday. Our forefathers were forced to eat freshly killed or cured meats during the warmer months of the year. Then came manufactured ice, a truly important achievement. To-day it is surprising how few realize the important part that manufactured ice plays in this modern age. The housewife who depends upon using all the perishable goods she

purchases at one meal is following an expensive programme. It means either limiting her table or wasting her food. Perishable foodstuffs even after cooking are susceptible to mold or decay. She must hold over to the next meal what was not consumed at the last and run the chance that it will not be fit to eat. Business firms could not run their establishments on such a hazardous plan. The housewife who does is surely a waster of foodstuffs and of money. The cost of ice and refrigerators is small compared to the saving in doctor's bills caused from eating decayed food. Also, the saving in being able to use for another meal goods that would otherwise have been thrown out. Then again to purchase only enough of perishable food to supply one family meal means buying in such small quantities that the very highest prices must be paid by the housewife. When a good refrigerator is filled with good ice it means that a supply of goods may be stored away to meet the demands of the table for many days. The thrifty housewife is thus able to buy quantity at lower prices.

Let us follow this programme of economy here in Outremont. Model City and the North End. Our communities are served by the Ice Manufacturing Company, Limited. Their ice is ready for your refrigerator, for the chilled drink of the invalid or sick room. It is safe and pure for the milk of the infant or the iced coffee of the grandmother.

Ice Manufacturing Co. Limited have always exerted every effort to give prompt and peerless service to their many customers in Montreal. We hope that you have been directly benefited by their conscientious methods of retailing. If you have not been, it is time you were making use of their healthful, economical and efficient programme in your home. Telephone Fitzroy 6311 and tell the Ice Manufacturing Company, Limited you want their ice delivered to your home at once.

OUTREMONT SCHOOLS HOLD FIELD DAY

BERNARD LATT CAPTURES SENIOR AGGREGATE AND TAKES E. W. SAYER TROPHY

Boys and Girls Hold Dual Meet at Percival Molson Stadium—John Poplosky Takes Robert Neville Cup.

Last Friday afternoon the Outremont Protestant Schools held their fifteenth annual field day at the Percival Molson Memorial Stadium on Pine Avenue, and many honors for various field events were divided by the boys and girls.

Stratheona Academy contributed to the principal senior events, and other schools participating were: Alfred Joyce and Guy Drummond.

The E. W. Sayer Senior Aggregate Cup, for annual competition was won by Bernard Latt for making the most points.

The aggregate medal donated by Ald. Sayer also went to Bernard Latt, as winner of the trophy.

John Poplosky took the Robert Neville Junior Aggregate Cup, and a special medal also, as winner of this prize.

Old Boys' Cup, donated by Old Boys, went to Gordon Lambert.

The Principal's Cup, with the names of team and class winning senior relay race, grade IX, was awarded by Bedford Harper, Roger Griffith, Douglas Reid, Wm. Stanton, Douglas McFarlane, Gordon Rollo, Jack Hancock and Leo Midnad.

Grade nine took the inter-class cup donated by the staff.

The C. E. Ployart Cup went to Ken Smith, as scorer of the most points in the public school grades.

The Jr. R. W. Barry cup and medal was won by Miss G. Martin scoring 15 points.

Rose Miller took the Int. R. A. Eaton cup and medal with 15 points.

Next with 10 points came Y. Balfry who was awarded the Sr. Riley Hern cup and medal.

Eleventh grade made the highest aggregate score, with 29 points.

Grade nine relay team with 49 1-5 captured the J. H. A. MacKay cup.

Results of the various boys and girls events were as follows:

Girls
Juvenile races, finals.

40 yards, 6 and 7 years—First, Sybel Wittes; second, Dorothy Hayes; third, Marjorie Scott.

40 yards, 8 and 9 years—First, Silna Scherer; second, Nellie Bacal; third, Ruth Josephson.

60 yards, 10 years—First, Mildred Cohen; second, Muriel Ganten; third, Audrey Patterson.

Track

Junior, 60 yards, 11 and 12 years—First, Grace Martin; second, Jeanette Slabotsky; third, Gwen Swinburne.

Junior, 75 yards, 11 and 12 years—First, Grace Martin; second, Peggy Lovelace; third, Lorne McCormack.

Intermediate, 75 yards, 13 and 14—First, Rose Miller; second, Anita Mendel; third, Ruth Macklaier.

Intermediate, 100 yards, 13 and 14 years—First, Anita Mendel; second, Ruth Macklaier; third, Gwen Pherrill.

Senior, 100 yards, 15 years and over—First, Yvonne Balfry; second, Eileen Henderson; third, Olive Purcell.

Senior, 220 yards, 15 years and over—First, Agnes Hamilton; second, Yvonne Balfry; third, Eileen Henderson.

Fifty yard dash, open—First, Yvonne Balfry; second, Agnes Hamilton; third, Eileen Henderson.

Field

Junior High Jump—First, S. Saxe; second, M. Seidel; third, L. McCormack.

Junior Running Broad—First, Grace Martin; second, Peggy Lovelace; third, Vera Noades.

Intermediate High Jump—First, Rose Miller; second, Francis Astroff, Helen Muir.

Intermediate Running Broad—First,

R. Miller; second M. Taylor; third, G. Pherrill.

Senior High Jump—First, Joan Hancock; second, Aileen Moore; third, Tobba Myerson.

Senior Running Broad—First, B. Greenbank; second, Y. Balfry and J. Hancock; third, O. Purcell.

Baseball Throw, open—First, Annette Eliasoph; second, G. Pherrill; third, W. Wormald.

Boys

75 yards, 6 years and under—R. Booth, S. Lancaster T. Reid.

75 yards, 7 years and under—M. Bryant, K. Macintosh.

75 yards, 8 years and under—M. Stober, M. Bacal, O. Schwartz.

880 yards, open to school—R. Griffiths, G. Bacal, D. Pane.

75 yards, 9 years and under—A. Stephenson, J. Raven, L. Carrel.

100 yards, 14 years and under—J. Poplosky, G. Olden, L. Michael.

100 yards, open to school—B. Latt, B. Hayser, D. Paul.

Inter-school (junior) relay race—Stratheona Guy Drummond, Alfred Joyce.

75 yards, 10 years and under—B. Rothwell, F. Deriver, R. Harper.

One mile, open to school—G. Lambert, V. Parnass, B. Wilmot.

220 yards, 14 years and under—J. Poplosky, J. Rother, J. Hancock.

220 yards, open to school—B. Latt, D. Wynd, D. Pane.

220 yards, 13 years and under—J. Hart, E. Boosamra, N. Cuke.

440 yards, 14 years and under—J. Poplosky, J. Rother, K. Smith.

440 yds, open to school—B. Harper, L. Cloutier, D. Wynde.

220 yards, open to school—J. K. Puttee, R. Griffiths, B. Staten.

100 yards, 11 years and under—S. Moscovitch, A. Raven, W. Stevens.

220 yards, 12 years and under—J. Beckow, A. Duguid, H. Berell.

Senior relay race—Grade IX, Grade XI, Grade X.

Long jump, open to school—B. Harper, B. Latt, L. Cloutier.

120 yards, low hurdles—B. Latt, B. Ziff, H. Hayes.

12 lb. shot put, open to school—B. Latt, L. Cloutier, B. Harper.

High jump, open to school—B. Ziff, B. Harper, B. Staten.

Long jump, 14 years and under—J. Poplosky, K. Smith, B. Whyte.

High jump, 14 years and under—L. Shabotsky, J. Hancock, Hodgson.

Javelin throw, open to school—B. Ziff, D. Paul, L. Cloutier.

Pole vault, open to school—B. Ziff, A. Ecclestone, L. Jack.

OUT. LACROSSE TEAM CONTINUE WINNING STREAK

Down St. Anthony Aggregation to Tune of 13 to 5

(By H. W. Sylvester)

The Outremont lacrosse team rallied to their highest score this season in defeating St. Anthony's 13 to 5, last Sunday afternoon at the North avenue grounds.

The game was well-played, with many hard encounters. Swift combinations and an abundance of aggressiveness were the outstanding factors of this week's game.

Raymond was again in the limelight to add another six goals to his credit, hence a big part of this victory for his team.

The visitors displayed smart stick-handling and though most of them were only beginners in the game, their performance in this game was nothing short of "well done." Jacques Dussault was on the line-up with the Outremont team this week, having found time enough from his college team to lend a helping hand to the local boys. He is a clever player who holds no bid for popularity, though if he keeps up, he'll get all that's coming to him.

Raymond played opposite the lanky forward and through intercepting passes netted a few goals.

Second Period

It was the result of this period that probably offset any possible hopes of the visitors to even the score, when the Outremont team had added three more tallies to their seven to bring the score to ten, losing but one from St. Anthony's.

The latter goalie made many sensational saves during this period to keep the score down and suffered two sore ankles in the bargain.

Raymond tempered these bruises after wild swings at the net. But, the ball dampened heavily to the ground only to be stopped by the fearless goalie.

The game kept up a steady pace to the end, with Bohemier and Osborne starting frequently. Both scored five between them to which were added Dorais and McDonough's one each.

Out. Lady Bowlers Start

At the semi-annual meeting of the Outremont Ladies' Lawn Bowling Club, held in the club rooms on Tuesday, May 12th, it was decided that, weather permitting, the first match of the season for the tray competition will be played on May 23rd, and on the afternoon of May 25th, a mixed tournament will take place.

As a result of last week's game, the Outremont team have added another notable victory to this season's venture for lacrosse honors.

The line up:

Line-up:
Outremont (13) St. Anthony's (5)
McCartan.....goals.....Gauthier
Charbonneau.....defence.....Martin
Mulcair.....defence.....Greene
Dorais.....forward.....Greene

CARLTON SOFTBALLERS DOWN FORESTERS

The Outremont Carltons, local softball team which has just sprung into popularity in this section of the city, scored a decisive victory last Sunday morning over the Independent Order of Foresters' Boosters Club team at the North Avenue grounds.

A great deal of credit is due to McGuire for his excellent work on first base, and pitcher Johnson.

While all bases were full in the sixth inning, a terrific ball was struck into outlying territory by Johnson and as a result, three men were sent home and the batter scored a home run.

At this stage of the game Carltons forged ahead to lead by a score of 11-6.

The Boosters finally went to defeat after fanning in rapid successions,

Autoists Needs Demand Specialists

This is indeed an age of specialists. With motor-driven vehicles becoming more common each year, the necessity for specialists to keep them in proper running order becomes more evident.

We have the battery expert, the motor expert and various other experts. For many years one of the most essential features of the proper performance of an automobile was given very little attention. We refer to the radiator. Although your motor be in perfect running order, the other parts of your car in the best condition, if you do not have proper circulation for the water, your car is soon out of commission.

In the past when your radiator showed signs of leaking, you poured in a few handfuls of flax seed meal or other preparation and thought you had overcome the trouble, little realizing that the meal would clog the pipes or be pumped into the engine. The first thing you knew your car was overheating very easily and you couldn't understand what the trouble was.

With the advent of the radiator expert, it is a very simple thing to have your radiator permanently repaired in such a way that instead of damaging your car it will improve its working qualities.

P. T. Milton at 3906 Clarke street is fully equipped with all the necessary machinery for the scientific and correct repair of radiators, radiator cores, and is well equipped to

re-core your old radiator, which does away with the expense of getting a new one.

P. T. Milton has made a thorough study of the needs and wants of motorists. He has many friends among our readers.

P. T. Milton has goods in stock for all makes of cars—at your service. The radiator business is a specialty with him, and when one leaves the work to be done at this firm, he is assured of expert workmanship and most reasonable prices.

That is why we are glad to refer you to this establishment that makes a specialty of radiator work and this work they guarantee. We would suggest that if you are having trouble with the radiator on your car that you take it to P. T. Milton and take advantage of his expert service.

Radio Pictures strike the highest keynote in mammoth spectacles of the season in "Cimarron" showing at the Outremont theatre, Saturday until Tuesday.

The picture is a striking example of

the superiority of the talkie over the silent drama.

Written by one of the world's greatest screen writers, Edna Ferber, it has all the characteristics, suspense, emotion, and stirring drama of the original novel by that name.

Spectacular scenes abound in this production, but they are a new kind. Through the wizardry of Wesley Ruggles, director, they transcend mere spectacle and become inspiring flashes which punctuate and make the production as realistic as early Oklahoma itself.

Father Singleton Gives Opening Address

(Continued from page one)

To your first pastors, Fathers Kieran and Callaghan, to their zeal and devotedness, you as parishioners, owe all that you have.

Far be it from me that I should allow you for one moment to forget the memory of the devoted priest and pastor, Father Callaghan, who for twenty-one years labored untiringly for your souls, who sacrificed his life for you, young and old whose devotedness to duty brought him to an early grave. His good example, his saintly life, his eloquent and instructive sermons, will ever remain fresh in the memory of those who were privileged to be parishioners of St. Michael's parish.

In the Grand Seminary of Montreal, as a parish priest, as a school commissioner of our city, his advice was always sought after; wise in his counsels, prudent in his judgments, charitable in all his words and actions, he has set an example that will be difficult to follow.

I come in obedience to my superior's command, not to replace dear Father Luke, for that I am not able to do; I must confess my weakness and inability to follow the pace he has set, but I have accepted the will of God. I have come here to endeavor, in my own humble way, to continue the work he has been doing so nobly and so successfully during the period of twenty-one long years.

The care of souls is indeed a heavy burden, and terrible indeed is the account that shall one day be asked for such a change at the tribunal of God's judgment. Yet, great as are these responsibilities and pastoral duties, no

less great are the assurances of help and blessing given by our Lord to the man and priest who would do his duty honestly and conscientiously before God and his fellowmen.

There is first of all the grace of God and the assistance of His Blessed Mother, then the help of St. Michael, the patron and protector of your parish, and the prayers of the soul of your beloved Father Luke who, I am sure, is now before God and whose spirit still lives amongst us.

There is to re-assure me, the knowledge that I have your good wishes, your fidelity and loyalty to your priests, your co-operation and good will, which I, in all earnestness ask you to give me with the assistance of your prayers, and the prayers of your little children.

I have requested all these favors, but, dearly beloved brethren, rest assured in my appeal for your prayers, I included my devoted assistants. I do not intend to sound their praises today, as time will not permit me to do so. You know, perhaps better than I, how devoted they have been in looking after the interests of the parish during the past few years, and especially are you aware of their big heartedness, the devotion and sympathy that they showed to your late beloved pastor, Father Luke, during his lengthy illness.

And now, dearly beloved people, before closing, let me breathe for you a simple prayer, a prayer uttered of old by the Saviour Himself, "Holy Father, keep them in Thy name whom Thou hast given me, that they may be one, and may the blessing of Almighty God, Father, Son and Holy Ghost descend upon you and remain with you always. Amen."

New Method Employed in Home Fumigation Ends Moth Nuisance

Our civilization has passed out of the witch-burning period. The sale of rabbits' feet has slumped and the departure of the moth ball is forecast by our present leaders of thought. The dress suit will no longer proclaim itself with pungent odors. The moth has been met in the laboratory and his death sentence passed.

Like all pests, however, the moth refuses to read the mighty decree that the government has issued on his quick demise. He is still on the job eating clothing, rugs, drapes and upholstering in a manner that brings tears to the eyes of many house-

In the presence of our Divine Lord in the holy tabernacle, within the sacred altar, at the foot of this venerable altar, before which many of you have come for many years to pour out your hearts' affections, I would repeat this simple prayer and ask you to receive it as my blessing to all, "Holy Father, keep them in Thy name whom Thou hast given me, that they may be one."

May the Lord keep you and sanctify you in the ways of right and unity. May the Lord bless and protect your church, your homes and your families, bless and sanctify the devoted priests who are to labor in co-operation with me for your souls, bless your zealous teachers, men and women of God, religious and lay, who are training your children, bless and protect our aged and infirm, our sick and poor. "Holy Father, keep them in Thy name whom Thou hast given me, that they may be one, and may the blessing of Almighty God, Father, Son and Holy Ghost descend upon you and remain with you always. Amen."

wives. The overstuffed furniture that is so much in vogue is constantly furnishing a banquet for these hungry insects.

We wish there was magic enough to kill them. There isn't, however, any quick route to this accomplishment. The Canadian Government, through science, has outlined a sure method of extinction. The Acme Exterminating Co. have adopted these methods and can eliminate the moths from furniture, clothing, rugs, or whatever else is in the home that might harbor them. This system of fumigation not only kills the moth, but prevents further incubation through the destruction of the egg's fertility. The Acme Exterminating Co. are prepared to rid the home of all pestiferous insects and vermin. Mr. H. W. Roberts is a man of considerable ability, who has built up a reputation of efficiency and care for his firm.

Residents of the North End, Outremont and Model City who are going away for the summer should have their homes fumigated before leaving. The Acme Exterminating Co. make the house airtight and then turn loose a pungent tear gas. The work is thorough and the prices are reasonable. Their telephone number is Marquette 9748. The work is done at your home or in a newly installed gas chamber at their establishment, 974 St. Lawrence Blvd., where they have moved from 460 St. Catherine W., and includes the moth proofing of any article that is subject to their attack.

Mr. H. W. Roberts' home phone number for calls in the evening is Atlantic 4821.

WE CARRY ALL KINDS OF TIRES AND TUBES

To the Holders of WAR LOAN AND VICTORY BONDS

A Statement by the Minister of Finance

IN THE dark days of the War, Canadians loaned to the Government of the Dominion many hundred millions of dollars to enable the operations of the Allies to be carried to a successful conclusion.

When Canadians loaned their money to the Government, they received bonds which were promises to repay them the sum loaned with interest at the rate of 5% or 5 1/2% per annum. On the 1st of October next, \$53,000,000 of these bonds become due; on the 1st of November, 1932, the maturity will be \$73,000,000; on the 1st of November, 1933, \$446,000,000; and, in 1934, \$511,000,000 must be provided for.

It would not be prudent, either in the interest of the security holders or the country itself, to wait until these loans become due before providing for their payment or conversion. Action must be taken well in advance of the due dates to protect the credit of the country. The Government believes this an opportune time to afford Canadians the opportunity to exchange the bonds, which they own maturing in the next few years, for new bonds of the Dominion of Canada carrying interest at the rate of 4 1/2% per annum, which is a very attractive return. Prior to the maturity date of the present bonds, those who accept this offer will, of course, continue to be paid interest at the rate as provided by the bonds they exchange.

Canadians who have always shown confidence in their country are earnestly invited to exchange the bonds they now own for bonds of the new issue. By so doing, they will render less difficult the task of providing for the future finances of the country, will enhance its credit and will greatly assist the Government in the present period of worldwide readjustments.

No money will be asked for and no new bonds will be sold at this time. It is proposed to limit the present conversion to \$250,000,000, but the Government has the right at its discretion to increase the amount if Canadians indicate a general desire to continue their investments in the securities of their Dominion. The subscription books will close on the 23rd of May.

I earnestly seek the active support of my fellow Canadians in making this conversion, which is one of the largest financial operations our country has undertaken in recent years, creditable alike to Canada and its citizens.

Minister of Finance.
