

REV. DR. CARMAN SPOKE ON UNION OF THE CHURCHES

Movement Should be Allowed to Take its Course. Would Like Presbyterians to Feel That Methodists Would Not Perish if There Were no Union. Advised Conference to go on With Work of Church Building. Methodist Church Ought to be Leading Evangelical Church of the Dominion. Temperance and Moral Reform. Increase in Membership.

At the conference meeting this morning reports were received from the Committee on Memorials, the Conference Board of Trust Committee, the Epworth League, the Treasurer of the Superannuation Fund and the Book-room.

The report of the State of Work Committee was submitted by Rev. D. D. Elliott, and gave rise to a long discussion. The figures showed a total increase of only 358 in membership, of which Ottawa represented 234, and considerable disappointment was expressed that in the other ten

districts the total increase was only 124. The cause was attributed to the lack of a proper immigration policy, and the matter will come up for further consideration this afternoon.

CHURCH UNION.

Rev. Melvin Taylor incidentally mentioned the matter of church union. He said the Methodist Church had been brought into existence to arouse and enthuse the other branches of the Christian church. He fancied the mission was not yet finished; they had opportunities and responsibilities still, and he was thankful for the solemn undertone that was evident in the conference.

TO-DAY'S PROGRAMME.

In addition to the debate on the "state of work" report, which is to be continued this afternoon, the Sunday School and other reports will be submitted, and also a resolution seeking provincial legislation in connection with the deed for the Trustee Board.

The conference temperance-anniversary takes place to-night. Chairman, B. C. Howard, Esq.; speakers, Rev. D. Mick and Dr. W. D. Lambly.

THE GENERAL SUPERINTENDENT SPEAKS ON CHURCH UNION.

At the afternoon session, yesterday Rev. Dr. Carman, the General Superintendent, delivered an address. He had been to the Toronto and other Conferences and was on his way to the Eastern Conference. Referring to the propositions for Union before the Church, he hoped that what would transpire would emanate from the counsels of God, and not from human wisdom. If they came together in their annual Conferences they would have a larger assembly than they were having in Toronto. He did not think it wise to allow this agitation to move on beyond the next Annual Conference. If the brethren of the Presbyterian Church in their interests of harmony, did not think they should move forward, they should give them time and call the present assembly would make some pronouncement upon it. It was not the province of Methodists to interfere. The evangelistic and spiritual church of John Wesley preferred to go on with its work. He should feel very sorry if there came any justification for an imputation that the church composed of the leaders of the Bible Christian work, The New Connexion, The Wesleyan Methodists, The Primitive Methodists in this country and the leaders of the Methodist Episcopalians were not able to go on with the aggressive work of the church one would feel they had sagged in power. He would like the Presbyterian brethren to feel that they, the Methodists, were not going to perish if there were no union. The Methodists could not help it by manifesting too great an anxiety, but they must go on with their work and not

CITY BRIDGES WERE DISCUSSED

Council Making Arrangement to Improve Them

SCHOOL TAX RATE FIXED AT FIVE MILLS, WITH SPECIAL OF TWO MILLS FOR PROTESTANTS.

The safety of the Magog bridge was the most important question before the Council at the adjourned session held last evening. Every Alderman was in his seat, and His Worship Mayor Hebert presided.

The bridge question was brought up by Ald. Thompson, Chairman of the Road Committee. First dealing with the proposed repairs to the Aylmer Bridge he stated that an estimate of \$15,000 for improving and putting permanent flooring in this bridge had been received. This was out of the question, so it was practically decided to drop the proposition and renew the floor with pine. The question of replacing the present approaches with permanent approaches was discussed, and in all probability will be carried through.

There was considerable discussion on the Magog bridge proposition. Ald. Thompson drew the attention of the Council to the report of Engineer Chase Thompson, and also to the fact that Engineer Evans, of Quebec, had looked the bridge over and expressed surprise that it was still standing. Notwithstanding the reports of both these men Ald. Simon, Ald. Brault and others thought the bridge was all right, and refused to agree to Ald. Thompson's proposition to ask for plans and estimates for a new bridge. They wanted another inspection made.

Ald. Ewing became disgusted with the proceedings, and stated that it was nothing but humbug to spend money for reports from competent engineers if the Council would not agree with them. If the Council thought the bridge was in good shape well and good, but if they did let them call a halt in getting the advice of efficient men only to have their report turned down by men who knew nothing of bridge building.

Ald. Jenckes drew the attention of the Council to a report on the bridge sent in some time ago by Ross and Holgate. This report urged upon the Council the advisability of putting this in shape. In view of the expert advice given the Council he thought it was the duty of the Council to immediately take steps to put the bridge in shape. When a bridge goes down it goes down in an instant, and until the time of the crash has every outward appearance of being solid.

A vote was then called on the motion to call for plans and specifications for a new bridge, resulting as follows:

For—Jenckes, Thompson, Genest, Ewing, Darche, Forest.

Against—Denault, Prunier, Simon, Brault.

TROUBLE OVER SEWER PIPES.

The Council is in difficulty with a Quebec firm over a shipment of concrete sewer pipes. It appears that a large number of pipes have already been placed in the trench and covered over, and have crushed in with the weight of earth. The company was notified and sent two or three experts up to look the pipes over. It was found that they were inferior in many respects and could not stand the test which was made when the order was placed.

The Council left the matter in the hands of the Road Committee with power to act. There is a possibility that the committee will refuse to accept the pipes and will remove those already laid, and charge the entire expense to the Company.

The City Attorney states that according to the order the city is not bound to accept them.

TOO MANY BOSSES.

Ald. Brault read a letter from one of the city's employees protesting against the manner in which the city's work was being handled, and asking that the matter be looked into. He considered that there were too many bosses.

Ald. Denault stated that he heard considerable criticism, and also heard it said that there were almost as many bosses as men. He asked that the letter be referred to the Civic Board and Road Committee.

SCHOOL TAXES.

A letter was read from the Board of Protestant School Commissioners and the Catholic Commissioners relative to the tax rate for the coming year. Both rates were fixed at five mills, but the Protestant Board asked for a special of two mills.

Ald. Thompson wanted to know why the Protestant Board should require more money than the Catholic Board and asked that the matter be left over until the next meeting, and in the meantime the secretary be instructed to secure a statement from the Protestant Board.

While willing to leave the report on the table, and furnish all the information required, Ald. Jenckes, Chairman of the Protestant Board, stated that the Council had no choice in the matter, as the Commissioners imposed this tax by permission of the Legislature.

Ald. Ewing said the Schools must be supported even if streets and sidewalks are allowed to go. The city can do without walks far better than during the Convention to study these

CATHOLIC ORDER OF FORESTERS

Bi-Annual Convention Opened Here This Morning

REPORT OF CAMILLE DE MARTIGNY, PROVINCIAL CHIEF RANGER.

The bi-annual Convention of the Provincial Order of Foresters, opened at the Monument National, this morning. Two hundred and forty delegates from the various Courts throughout the Province are present, a large number arriving at ten o'clock by special train from Montreal.

The following officers of the Provincial Court are in attendance: J. Camille De Martigny, Chief Ranger; J. A. Comeau, Vice Chief Ranger; Rev. J. Chas. Beaudin, Chaplain; F. X. Bilodeau, Secretary; E. J. Brossard, Treasurer; Dr. J. U. Lalonde, Medical Adviser; J. B. Bissonnette, Legal Adviser; N. U. Lacasse, Dr. L. E. Lessard, C. E. Olivier, H. C. McCallum, Jos. Lamoureux and W. Guilfoyle, Provincial Directors.

ATTENDED HIGH MASS.

Early this morning the delegates gathered at the Monument National, and accompanied by the members of Court St. Jean, of this city, attended a solemn high mass at the Cathedral. The special preacher for the occasion was Rev. Father Beaudin, Provincial Chaplain, who delivered sermons in French and English. After the service the delegates were formed into a procession and headed by the Harmony Band, marched over Grove, King, Wellington and Marquette streets, back to the Monument National where the meetings are to be held.

PROVINCIAL CHIEF RANGER'S REPORT.

Mr. Camille de Martigny, Provincial Chief Ranger, presented the annual report of the Provincial Court, which was in part as follows:

FINANCIAL STATEMENT.

On the 1st May, 1911, we had a cash balance of \$11,455.27 and on the 5th of May, 1913, the Treasurer, all bills being settled, had in bank the sum of \$11,764.12.

The Provincial Court has to collect, at present, from the Local Courts, a sum of \$2,810.06 which shall have to be paid before the Convention; we draw the special attention of the delegates upon this question of Courts in arrears. It is pleasant for us to state and it may be agreeable for you to learn that our financial condition is unusually good.

You will notice by the Officers' Reports that your Executive Board without neglecting any of its obligations, has succeeded in not spending entirely the revenue placed at its disposal either through the By-Laws and Rules or by the Sorel Convention.

MEMBERSHIP.

There has been but four new Courts organized during the last two years, but these with a membership of 216. Five Courts have disappeared, their members, however, joining other Courts. On the first of May, 1913, our membership was of 21,929 members, compared to 22,357 members at the same period of 1911, the increase being of 749 against a decrease of 1177 members; which makes a net decrease of only 428 members.

INCREASE IN RATES.

The increase in rates which we had foreseen in June, 1911, and which became effective in August, 1911, through the action of the Cleveland Convention, has had much to do with this decrease in membership. This increase of rates, which your delegates, upon division, were not able to prevent, has not, however, caused as much harm to our Order in this Province as we could have anticipated. Amongst nineteen Catholic Fraternal Societies, selected from the most important and the most developed in Canada and in the United States, our Order is the twelfth, by the date of its organization, on May 24th, 1883, but it actually possesses the largest membership, and its management's expenses are less than all other societies—except one.

APPORTIONMENT OF FUNDS.

It cannot be denied that the funds invested in Canada, more especially in the Province of Quebec, are not in proportion to the number of members of our Jurisdiction. This is a question which the Convention will have to study and upon which it will have to give definite instructions to its delegates.

THE CHAPLAIN.

You are all aware that during January last, our worthy and respected Chaplain, the Reverend Canon Lepailleur, owing to his numerous callings, has thought proper to send his resignation to His Lordship the Archbishop, who has appointed in his place the Reverend Father Charles Beaudin, curate of the Parish of Hochelaga in Montreal.

SUGGESTIONS.

The condensed form of this report does not permit an elaborate statement of the seasons which militate in favor of the following suggestions, but we shall have an opportunity

HOME RULE BILL FOR SECOND READING

Great Interest is Being Manifested in the Measure

SCANDALS IN CONNECTION WITH WIRELESS CONTRACTS CAUSE UNEASY FEELING.

London, June 10. — When Premier Asquith rose in the House of Commons yesterday afternoon to move the second reading of the home rule for Ireland bill, the House presented an animated and crowded appearance greatly in contrast with the lethargic condition which had characterized its recent sittings.

The scandals connected with the Government's wireless contracts and the ill-success of Liberal candidates at the bye-elections had caused an uneasy feeling that things were going badly for the Government and strong "calls" had been issued by all the parties to secure the unremitting attendance of their members so as to insure the Government against the possibility of defeat by a "snap" decision. The verdict on Saturday afternoon Cecil Chesterton on a "charge or criminal libel relative to the Marconi 'deal'" to some extent rehabilitated the cabinet ministers in the eyes of their followers and silenced the attacks of the Opposition newspapers, but a large section of the Radical party is extremely dissatisfied with the lack of frankness on the part of the ministers regarding the Marconi affair. Some of them also consider Premier Asquith too lax in his attendance in Parliament.

A division on the home rule bill is expected to-day. Both Premier Asquith in moving the second reading of the home rule bill, and Arthur J. Balfour in moving its rejection on behalf of the Unionists, dealt largely with the question of Ulster. The Premier was conciliatory and said he respected the motive of Ulster's opposition, and if it could be proved that the proposed safeguards were inadequate he was prepared to discuss any suggestions that might be made.

SUFFRAGETTES BEFORE COURT

Charged With Setting Fire to Race Track Stands

DAMAGE WAS CAUSED TO THE EXTENT OF ABOUT \$70,000 NEAR RICHMOND.

London, June 10.—(Special)—Two women were charged to-day at Richmond Police Court on suspicion of having set fire to the stands on Hurst Park race course yesterday and causing damage to the extent of \$70,000.

They gave names of Kitty Marson, who described herself as an actress, and Clara Elizabeth Given, who is a well known militant suffragette and has undergone several terms of imprisonment for outrages.

They were remanded for further hearing but were released on giving bail for their appearance.

50 DROWNED WHEN FERRY BOAT SANK

St. Petersburg, June 10.—(Special)—About fifty people were drowned by the sinking of a dilapidated ferry boat while crossing the River Tcheptsa on Russian Ascension Day, June 5th according to reports reached here from Xyatska. The people were proceeding to the town of Glazev, 98 miles from Xyatska.

A riot ensued among populace of the district owing to their indignation about the laxity of police supervision of ferry.

WORLD'S Y.M.C.A. CONFERENCE. Edinburgh, June 10.—(Special)—Delegates from many countries, including England, Canada and the United States, have arrived in Edinburgh to attend the world conference of the Young Men's Christian Association. The conference will have its formal opening to-morrow and the sessions will continue until the end of the week.

THE WEATHER

LOCAL FORECAST.
Fine; not much change in temperature.

MANY SERVANS WERE KILLED

Serious Encounter Took Place With Bulgarian Troops

CLASH IN THE BALKANS IS BECOMING HOURLY MORE IMMINENT.

London, June 10.—(Special)—Many Servans were killed to-day in a serious encounter between the Servian and Bulgarian troops near the small town of Makro to the north of Istip, according to special despatch to Belgrade Mali Journal, forwarded here by exchange telegraph company.

MORE CONFLICTS EXPECTED.

Further conflicts are expected in the same vicinity as Servians on Monday sent a note to the Bulgarian commander giving him until 7 o'clock in the evening to evacuate the small town of Votodan, failing which the Servian general declared he would bombard Istip now occupied by Bulgarians.

NO CONCESSION MADE.

London, June 10.—With both sides stubbornly refusing to make the slightest concession, war between the Balkan states is hourly becoming more imminent. If Bulgaria sends a negative reply to the Servian note—and nothing indicates that she will answer otherwise—Servia and Greece will proclaim the annexation of the occupied Macedonian territories, thereby establishing a definite casus belli.

The only hopeful feature of the situation consists in the belief that Bulgaria is lacking in the sinews of war. Servia and Greece are not only better situated in this respect, but also occupy superior strategic positions. These facts probably account for the calmness with which Servia apparently regards the prospects of war.

YOUNG BEDFORD MAN DROWNED

Murray Jamieson Lost His Life In The Cedar Rapids

LEFT HOME ONLY LAST THURSDAY TO JOIN CONSTRUCTION COMPANY.

Bedford, June 10.—(Special)—Word was received last evening of the accidental drowning of Murray Jamieson, son of Mr. and Mrs. C. B. Jamieson, of this place. Full particulars have not yet come to hand, but from what can be learned it seems that young Jamieson and three others, who were employed by a construction company, were crossing at a point near the Cedar Rapids, on the Ottawa River, when the boat was upset. Two of the occupants seized hold of the cable and succeeded in getting ashore.

Young Jamieson and his companion were not so fortunate, and their bodies were carried down the rapids. Up to noon to-day they had not been recovered.

The death of Murray Jamieson is a particularly sad one. He had just finished his first year at McGill University, and left home only last Thursday to join the construction company.

He was a popular young man, and his untimely end has cast quite a gloom over a wide circle of friends.

MORE ANTARCTIC WORK.

London, June 10.—Sir Ernest Shackleton, presiding at Commander Evans' lecture at Queen's Hall last night said:

"The warfare of the south is not yet over. Science demands it as surely as I am standing here. There will be other expeditions going forward soon, I hope, to those in the far-away south."

These words are interpreted as an indication that Shackleton himself is contemplating another Antarctic expedition.

DAILY NEWS SPECIALS FROM ALL PARTS OF THE EASTERN TOWNSHIPS

\$1,200 FOR HOUSE AND LAND.
West Shoford, June 10.—(Special)—Mr. Hiram Hayes has purchased a house and nine acres of land from S. B. Hayes. The price paid was \$1,200.

NORTH HATLEY CREAMERY RETURNS.
North Hatley, June 10.—(Special)—The amount of butter made in May at the North Hatley Creamery was 28,905 lbs. which brought \$7712.09. On the twenty-first and twenty-third of May, two men churned, printed and wrapped four thousand and two hundred pounds of their butter, besides the regular work of the creamery.

ROAD MAKING AT LA PATRIE.

La Patrie, June 10.—(Special)—The macadam road making plant has arrived. It took two days to bring it up here from Scotstown. The machinery will be installed immediately. There is already hundreds of tons of stone hauled on the Ditton road just a few acres north of this village. Some five miles of gravel roads have been built in the "Little Quebec" district.

ANOTHER CREAM ROUTE OPENED.

Glen Sutton, June 10.—(Special)—The third cream route has been opened here since the factory went under the management of the Lyndonville Creamery Association. The new route is via Dunkin and is in charge of Mr. Freeman Sargent. This makes three regular routes now contributing to the pasteurizing station here. Good prices and a square deal is the cause of a steady increase of patrons to this station which is under the local management of Miss M. Logan.

ST. FRANCIS DISTRICT LOCAL HAPPENINGS

Daily Reports From Correspondents Of What Is Going On.

BURY.
Mrs. Overing and child of Montreal are the guests of Mrs. J. B. Greenleaf for a time.
The Guild belonging to St. Thomas Church (Bown) which was suspended during the winter months reopened again on Thursday, the first meeting being held at the Rectory with the President (Rev.) Mrs. Lewis. A goodly number were present.
Mrs. Groom has returned to town after spending the winter in Sherbrooke.

A very pleasant meeting of the Ladies' Guild was held at the home of Mrs. John Manes on Wednesday, June 4th., where a goodly number of the members had assembled. Considerable work was disposed of. It was decided to have a Lawn Social on the Rectory grounds in the early part of July, proceeds to go towards defraying the debt on new cemetery. The Ladies' Guild also donated \$50.00 towards this debt. A dainty lunch brought a pleasant afternoon to a close. The next meeting will be held at the home of Mrs. Alf. Roe.

A very large party of friends gathered at the home of Mr. and Mrs. G. McIntosh one evening recently to give them a send off before their departure to Gould Station, where Mr. McIntosh has accepted the position as section foreman. This gathering was a surprise given by the L. O. O. F. and Rebekahs, Mr. and Mrs. McIntosh being members of the above orders. During the evening a well filled purse was presented to Mrs. McIntosh from their Bury friends wishing them success in their new field of labor and a final return to their pretty home here. The evening was spent in cards and other games, and a delicious lunch furnished by the invaders brought a pleasant evening to a close.

Let everybody get after the caterpillars. They are a pest and spoil the pleasure of summer life, as one cannot with safety sit down upon the grass, or piazza event, without being covered with them.

There was no service in the Methodist Church on Sunday 8th., owing to the absence of the Rev. De Grouchy at Conference.

Mr. and Mrs. H. Taylor and little son of Cookshire, spent Sunday with her parents here.

A few ripe strawberries have been found. Potatoes are up and ready to hoe. This is not too bad even if it does snow and hail.

Miss Clara Batley of Brookbury the week-end with Miss Violet Manes.

Mrs. A. Whitehead, Jr., has been called to Bishop's Crossing by the illness of her sister, Mrs. F. C. Bishop.

Mrs. James Locke and Mr. Frank

Maskill were united in marriage at Angus one day recently.
The town seems deserted and very quiet. Most of the men have gone to camp at Levis.

WATERVILLE.
The Anniversary Services in connection with the Congregational Church will be held next Sunday and Monday, June 15-16. Rev. G. Ellery and evening and at 3 p. m. children's day will be observed. Monday evening supper will be served from 6 to 8 followed by a platform meeting. Rev. Leland Edwards of Newport, Vt. will give an address. Special music at all services.

Mr. August Anderson has returned from the Sherbrooke Protestant Hospital, much improved in health.
Miss Alice McFadden entertained a number of her Waterville girl friends at tea Saturday evening at her home in Lennoxville. The party left here on the 3 p. m. express and were escorted to Sherbrooke to view the inspection of the 53rd Regiment on the Parade Ground, arriving at the home of their hostess at the tea hour. Miss McFadden was assisted in serving by her mother, Mrs. McFadden and his sister, Mrs. F. Johnston. The evening was made especially pleasant by music, instrumental and vocal. The party left for home at 8 o'clock having fully enjoyed the event. Those present were: Misses Edith Wells, Ethel McDonald, Maud Wyman, Laura Robert, Christina Swanson, Amber Moy, Mae Johnston, Dorothy Severight, Etta Munroe and Annie McGovern.

Miss McGovern who has been on the teaching staff of the academy here for four successive years, is leaving this term to take a similar position at the Richmond Academy. Her departure will be much regretted by all, and she will be greatly missed in musical as well as social circles.

SAWYERVILLE.

The Oddfellows Hall was filled to the doors last Thursday evening some even having to be satisfied with standing room, when the concert and play entitled "An Old Maid's Wooing" under the auspices of the Anglican Club was heard by a most appreciative audience. The entertainment was short but of a very good quality. A couple of readings from Drummond were given by Rev. F. C. Le Gallais of Johnville. As Mr. Le Gallais is exceptionally good in the rendering of the habitant, it is needless to say that he was thoroughly enjoyed and encored. Mrs. Alger of Eaton Corner, who is a brilliant pianist, was heard to advantage in an instrumental solo. Miss Nina Inkster gave a reading which was much applauded. These were interspersed with lively selections by the orchestra which is certainly to be congratulated on its excellent rendering of the various numbers. Lastly came the play "An Old Maid's Wooing," and if laughter and applause is any sign of appreciation the play was certainly a great success from that standpoint. All the parts were well taken and the costumes were exceedingly good, some of them being over a hundred years old. In the first act, Mrs. Bartholomew and Miss A. Stevenson, as the two old ladies, earned much amusement by their splendid make-up, quaint costumes, old fashioned speeches and good acting. The part of Steve Muchmore, a country bumpkin afflicted with stammering was ably filled by Mr. W. Masters. Dr. Tom Law took the part of Rev. Mr. Brown most acceptably. Mr. Chas. Baker, as John Hopkins, Sally's baseful admirer, who had been courting her for 20 years, as usual was thoroughly appreciated, and in his various love scenes with Sally Ann caused much laughter. Mrs. H. S. Laws as Sally Ann, a plain unsophisticated old maid of 39 was kept busy throughout the play proposing to her various men callers in order that she might be eligible to inherit her uncle's fortune. She is at last successful in capturing John Hopkins. In the second act the parts of Dan Jeffers, Deacon Smith's nephew, Mrs. Jeffers, Dan's spirited wife and Richard Dunn, the lawyer were very well done, and were taken respectively by Rev. H. S. Laws, Miss Gladys Taylor and Mr. A. Hunt. Candy was sold during the evening, those in charge being, Misses Shirley Bowen, Blanche Elliot, Ruth Loveland and Pansy Ord. The total receipts amounted to \$90.75.

The following Methodist Ministers were in town on Sunday: Rev. Mr. Ellis of Montreal; Rev. Mr. Allnatt, Rev. Mr. Bridgette and Rev. Mr. Shorten.

EAST ANGUS.
The Ladies' Aid of the Methodist Church will meet at Mrs. J. A. Planché on Wednesday afternoon.

Orr; Mrs. Price, to Ascot Corner, after a week at Mr. S. B. Somers'; Mr. M. L. Lotherp, Sherbrooke, in town on Monday; Mrs. H. D. Willard and little daughter, visiting her sister, Mrs. C. E. Bailey, Spring Road, Messrs. Clayton and Percy Knights, North Hatley, and Crescent Johnson, Sherbrooke at Mr. Wm. Johnson's, Sunday; Mr. L. Stewart Planché, of Cookshire, with relatives in town; Messrs. H. J. Labonte, and C. H. Chester, to Sand Hill, Sunday; Miss Annie Lotherp, home from North Woodstock on Saturday; Mrs. Todd, Miss A. Davis, and Mr. J. Westgate, in Lennoxville, Sunday; Mr. Geo. Caswell, in Cookshire, Monday; Mrs. J. P. Woodrow, from a visit to her daughter, Mrs. A. M. Barbeau, Montreal; Mrs. A. A. Burns, in Sherbrooke, Friday; Mr. Frank Peppard, in South Dudsell, Sunday; Mr. H. Sawyer, from Cookshire, Monday.

The Methodist Church was filled at both morning and evening service on Sunday to welcome their former Pastor, the Rev. W. R. Johnston, who with Mrs. Johnson has been visiting their many friends for the past week; In the evening the annual children's service was held and was very much enjoyed by the congregation, the children all taking their parts in a very creditable manner.

A very enjoyable dance was held in the Parish Hall Friday evening, and a large number were present. Lennoxville, Cookshire, Bulwer, Marlton, and Bishop's Crossing being represented. Excellent music was furnished by Bourgeois's Orchestra and a nice lunch was served.

Miss Alice Porter is spending the month of June at her home in Dudsell. Rev. Donald Nicholson left last week for Toronto where he will attend the Congress and General Assembly of the Presbyterian Church of Canada. Dr. and Mrs. Yonston are also in Toronto attending this Congress.

Miss Myrtle Currier, of Ives, Que., is staying with her aunt, Mrs. W. B. Hodge.

Mr. Raymond Woot returned last week from the Protestant Hospital, Sherbrooke, where he was obliged to have his fingers on his right hand amputated as the result of an accident while cleaning his shot gun.

COATICOOK.
Dr. E. A. Tomkins of Richmond spent the week-end in town the guest of his parents, Mr. and Mrs. E. F. Tomkins. Mrs. Tomkins and children are guests of Mr. and Mrs. Tomkins for a few weeks.

Dr. A. E. Thompson and Mrs. Wm. Thompson have returned from Montreal where they spent the past few days.

Mr. O. H. E. Webster spent Sunday in Montreal, the guest of Mr. Turner Webster.

Mrs. Carter of Toronto, who has been the guest of Mrs. Thomas Brennan, leaves this week on a visit to friends at Canaan and Lancaster, N. H.

Miss Jennie McKee is the guest of her parents, Mr. and Mrs. George McKee.

Mr. and Mrs. A. O. Norton and Miss Helen Norton have returned home after spending some time in Boston, Mass.

Dr. Charles Durand and the Misses, Durand have returned from their late residence to their home at the end of Main St.

Dr. Ryckman of Kingston was the guest of Mr. and Mrs. E. F. Tomkins during his stay in town.

Mrs. A. A. Dutton who recently sold her residence at North Coaticook has removed to town and is occupying a flat in the Oddfellow building on Main St.

Mrs. Howard B. Lovell was the hostess at a pleasant children's party on Monday afternoon in honor of her little daughter, Miss Ruth Lovell, it being the occasion of her fifth birthday. About twenty young people were present to spend the afternoon in various games, after which a delightful tea was served by the hostess. The dining room was prettily decorated with profusion of honey-suckle and the table decorations were carried out in pink and white. Miss Ruth was the recipient of a number of dainty and useful gifts.

DANVILLE.
Mr. E. H. Findlay, son of Mr. and Mrs. B. H. Findlay, has recently graduated as a civil engineer from Columbia University, New York City. Rev. and Mrs. J. N. Brunton were in town Monday renewing old friendships. Mr. Brunton who was Pastor of St. Andrew's Presbyterian Church here for several years, is now located at Birtle, Man., where he has a pastorate. Mr. Brunton returns tomorrow to his home. Mrs. Brunton will make a visit to relatives in different parts of the Province for a week or two longer.

Miss Esther Smith, who has been in Toronto for the past week or so, returned to Danville Monday, and resumed her duties at the academy the same day. Miss Smith's trip to that city was primarily to make arrangements for her trip to Korea, where she goes as a Missionary in September next.

NOTRE DAME DES BOIS.
Mr. Samuel Boy from Scotstown, secretary of the Scotstown Manufacturing Co., was in town last Friday looking after the interests of this new industry. A number of the people of this town became shareholders of the Scotstown company.

The farmers in this section have not finished their planting yet. It looks as though the season is later here than in some places, and for that reason the frost which ruined the fruit trees in other places will not affect them so badly here, as they are only now in bloom.

Mr. E. Roberge has nearly finished his cut of timber in his mill this year. The mill is now planning clappboards and sawing shingles.

Mr. Alpha Goudreau has recently erected a new house opposite the E. Roberge place of business.

The country roads in this section are still very rough, as no tax work has been done on them this season.

TO CALL RECTOR TO COOKSHIRE.

Cookshire, June 10.—(Special)—A
special meeting of the vestry of St.
Peter's Church was held Friday night
in the Parish Hall, Mr. F. E. Halls,
Rector's Warden occupying the chair.
The chairman stated that owing to
the much lamented death of our late
Rector, the Rev. Rural Dean Robert-
son, it became necessary to take
steps in accordance with the Canons
of the Church towards the appoint-
ment of a successor to our late Rector.
A Board of Convenience was ap-
pointed consisting of nine members of
the congregation including the Ward-
ens. The Board will confer with the
Lord Bishop of the Diocese in regard
to this matter and will accept or re-
ject the names given by His Lord-
ship, as they may deem best.

DUNHAM ODD FELLOWS AT
CHURCH.

Dunham, June 10.—(Special)—On
Sunday afternoon the members of
Century Lodge, with visitors from
sister lodges, attended divine worship
in All Saints' Church. About fifty
members were present. The Rev. H.
Naylor, Rector of Bishop Stewart
Memorial Church, Fredericburg,
preached the sermon, taking for the
subject of his remarks the words,
"Friendship, Love and Truth," which
form the three links of their noble
order. Special hymns were selected
by the brethren and the service was
very impressive. The hymns sung
were, "Onward, Christian Soldiers,"
"Lead Kindly Light," "Nearer My
God to Thee," and "God Save the
King," with the additional Canadian
verses, and the Doxology as the offer-
tory.

PRESENTATION AT COATCOOK.

Coatcook, June 10.—(Special)—At
the conclusion of the meeting of King
Edward Chapter of the Eastern Star
on Friday evening, Mr. and Mrs.
Harry Shurtliff were pleasantly sur-
prised by the members of the order
by a presentation of a case of silver
spoons given them on the occasion of
their departure from town for Leth-
bridge, Alta. In the absence of Mr.
Shurtliff, Mrs. Shurtliff thanked
those present for this kindly remem-
brance, and expressed their regret at
leaving. Later in the evening re-
freshments were served and a social
hour spent. Mr. Shurtliff is leaving
for Lethbridge on Thursday next,
having been transferred to the branch
of the Bank of Commerce at that
place. Both Mr. and Mrs. Shurtliff
have lived in Coatcook practically
all their lives and are leaving a host
of friends who regret their departure
and wish them all success in their
new home.

NORTH TROY TO HAVE LIBRARY,
TOO.

North Troy, Vt., June 10.—(Spec-
ial)—Eight towns and one incorpo-
rated village in Vermont have voted
to establish town and village librar-
ies respectively, and to apply for
State aid to the extent of \$100 in
books from the Free Public Library
commission. They are: Bolton,
Bridgewater, Elmore, Monkton, North
Hero, North Troy, Plainfield, St.
George and Stratton.

This will make 137 towns and in-
corporated villages which have re-
ceived "first aid" in establishment
and 169 free libraries. Ferrisburgh
and Berlin ladies have recently started
association libraries, the former being
free. The total of free and other
libraries, excluding high school col-
lections, is now 212. There are 56
towns which have no library.

"Grand Isle" is the only county in
which every town has a library. Cal-
donia, Chittenden, Franklin and Win-
dward counties each have one town
without a library. Stannard, South
Burlington, Berkshire and Baltimore,
respectively.

HON. GEORGE WYNDHAM DEAD.

London, June 10.—The Right Hon.
George Wyndham, who was chief sec-
retary for Ireland, from 1900 to 1905
in Arthur J. Balfour's Conservative
cabinet, died yesterday in Paris, ac-
cording to private dispatches received
here. He was in his 50th year, and
had been Conservative member of Par-
liament for Dover since 1889.

FARNHAM.

The funeral of the late Adrien D'Ar-
tois took place on the arrival of the
Montreal train at 10:30 a.m. on Mon-
day. Over two hundred residents of
Farnham, as well as many friends
from outside, were in attendance. The
funeral service was rendered by the
Rev. Cure Ladame, assisted by other
members of the clergy. The town secretary,
Mr. Lefebvre, acted as manager, and
Messrs. Lennox, Audette, Choquette,
Jutra, Dupont and Wilkins, jr., as
bearers. Very much sympathy was
manifested towards Mayor D'Artois
and his bereaved family.

WEST BOLTON.

There will be a Lawn Social at Mr.
Rufus Blunt's Wednesday evening,
June 11th.

Miss Sarah B. Church and Ernest
E. Ladd were quietly married Mon-
day, June 9th, driving directly to the
old Whitcher Farm where they
have entered the employment of Mrs.
James Wright of Montreal.

A special meeting of the Council
will be held on Thursday evening,
June 12th.

Arrivals and departures: Mrs.
Goder of Montreal at Mr. W. M.
Whitcher's on Thursday; Mr. and Mrs.
P. Robinson and Master Gleson at
P. E. Miller's; Mr. and Mrs. L. Mc-
Farlane at Mr. H. Goddard's; Mr.
and Mrs. C. Getty of South Stukely,
recent visitors at Mr. Peter's and A.
Getty's; Mr. Leslie Durrell to Knowl-
ton Saturday evening; Mr. and Mrs.
W. M. Whitcher expect to leave June
17th, for their extended trip. All
wish them a pleasant trip and safe
return.

Mr. Alfred Turner who is in a poor
state of health to Waterloo to con-
sult his physician.

Mrs. R. McLaughlin remains very
poorly. Mr. McLaughlin is also on
the sick list.

Mr. Rough of the Knowlton Home
preached a splendid sermon Sunday.

BRIGHAM.

Arrivals and departures: Mrs. Perry
of Gilman, visiting her daughter,
Mrs. J. Hawkins; Mr. Henry Perry
visiting his sister, Mrs. J. Hawkins;
Mr. and Mrs. Fred King, Farnham's
Corner, at Mr. J. Hawkins; Mr. Al-
bert King to Cowansville; Mr. and
Mrs. Albert King at East Farnham
recently.

Pigs are very scarce around here.
Farmers paying from \$4 to \$5 apiece
for pigs four weeks old.

It seems a pity that farmers do not
take more interest in their apple or-
chards. The trees in quite a number
have been destroyed by caterpillars.

FINANCIAL AND MARKET NEWS

COUNTRY PRODUCE

MAPLE PRODUCTS STEADY.

Montreal, June 10.—A steady feeling prevails in the market for maple product owing to the continued fair demand for small lots and the fact that supplies on spot are not large. Maple syrup in three quart tins is selling at 85c to 90c per tin, and in wood at 7c to 8c per lb. The demand for maple syrup is good of which the offerings are light and prices rule firm at 11c to 12c per lb.

EGG MARKET IS FIRM

Montreal, June 10.—Receipts of eggs were 1,969 cases, making the total for the week 13,446 cases, as compared with 12,963 for last week, and 12,848 for the corresponding week last year. The arrivals since May first to date have been 83,207 cases, as against 87,845 for the same period a year ago. The receipts this week show an increase of 483 cases as compared with last week, and an increase of 1,398 with the same week a year ago, but the total quantity received since May 1st to date shows a decrease of 4,638 cases as compared with the corresponding period last year. The tone of the market remains very firm, and prices show no important change on account of the fact that the quality of the goods arriving are in far better condition at this period than in previous years, which is attributed to the comparatively cool weather prevailing and the new arrangements dealers have put in force as to buying conditions. An active trade is doing with sales of selected stock in a jobbing way at 25c, receipts at 23c, and the latter in round lots at 22c per dozen.

HONEY PRICES MAINTAINED.

Montreal, June 10.—There were no new developments in the market for honey, prices being well maintained on account of the limited supplies available of some grades, but the volume of business doing at present is only moderate.

We quote prices as follows: Clover,

TRENTON PARK —LOTS—

Buy lots in this subdivision. They should have a big advance in values within two to three years. They are well located. Write for further particulars.

Improved Realities Limited

179 St. James St., Montreal

white honey, 16c to 17c; dark grades 14c to 15c; white extracted, 11c to 12c; buckwheat honey, 8c to 9c.

POTATO MARKET STRONG

Montreal, June 10.—The tone of the market for potatoes is strong owing to the light stocks on spot and the small arrivals of new potatoes from the American market. The demand is good for small lots, and a fairly active trade is doing. We quote: Green Mountains, in car lots, at 90c to 95c, and Quebec grades at 75c to 85c, and in a jobbing way at \$1.10 to \$1.15 per bag.

PROVISION MARKET

GOOD DEMAND FOR DRESSED HOGS.

Montreal, June 10.—According to cable advices received from London a weaker feeling has prevailed in the market for Canadian bacon during the week and prices show a decline of 1c to 2c per cwt, owing to increased supplies from other exporting countries, and sales were made at 66c to 67c. On the other hand the tone of the market for long cut hams continues strong on account of the scarcity of supplies and prices since this day week have advanced 1s per cwt to 86c to 90c.

The tone of the market for dressed hogs is very firm under a good demand for abattoir fresh-killed stock at \$14.50 to \$14.75 per 100 lbs.

DAIRY PRODUCE

BUTTER PRICES DECLINE

Montreal, June 10.—A weaker feeling prevailed in the country for butter, and prices showed another decline, which to some extent was expected in sympathy with the tendency of the local market during the earlier part of the week.

The trade during the week with Vancouver and other Western points has been rather quiet, but these lower prices should be an inducement to buyers during the coming week.

Receipts of butter for the week were 23,601 packages, showing an increase of 6,968 packages, as compared with last week, and an increase of 2,034 with the corresponding week last year, and the total quantity received since May to date shows an increase of same period a year ago.

We quote prices as follows:

Finest creamery 25½c to 26c

Fine creamery 25½c to 25½c

Second grades 24½c to 24½c

Dairy butter 22c to 23c

CHEESE MARKET EASIER.

Montreal, June 10.—According to cable advices received from London the tone of the market for old Canadian cheese has been firmer during the week, and the inside price shows an advance of 1s with the range now at from 60s to 64s, but on the other hand the market for new Canadian cheese is weaker with prices 1s to 2s lower than a week ago at from 56s to 59s.

An easy feeling prevails in the local market owing to the accumulation of stock which is attributed to the somewhat limited demand from Eng-

lish buyers on account of the old stocks of old Canadian cheese carried over this year in the three principal markets, and until these are reduced to some extent no great activity is expected.

Deaths Reported

ALEX. BUCHANAN, DUNBORO.

Dunham, June 10.—(Special)—Mr. Alex. Buchanan, an aged resident in this vicinity, died at his home in Dunboro on Saturday. He is survived by his widow and five children, Mrs. Horace Giltart, Mrs. D. Ingalls, and Miss S. Buchanan, Mr. Miles Buchanan and one son who resides in the Northwest.

The funeral service was held on Monday afternoon in All Saints Church at 2.30 o'clock.

MRS. GEORGE FRENCH, DUDSWELL CENTRE.

Dudswell Centre, June 10.—(Special)—The death took place in Montreal on Wednesday, the 4th, of Mrs. George French (nee Adeline Lothrop). The remains were brought here for burial. Rev. Mr. McDonald, of East Angus, conducted the service and spoke from 1 Cor., xv, 20. The interment took place in the family lot in the Episcopal Cemetery. Deceased was 70 years of age, and for many years was a resident of this place. She leaves a husband and one daughter and one son, of Brighton, Mass.

HORACE METCALFE, FORMERLY OF COOKSHIRE.

Cookshire, June 10.—(Special)—Mr. Horace Metcalfe, an old time resident of this vicinity died at the home of his daughter, Mrs. David Morgan, Pittsfield, N. H., on Monday last. Mr. Metcalfe had reached the advanced age of 96 years. For over 60 years he resided in close vicinity to Cookshire and was a very prominent figure years ago. Many of the men of his time have long since passed away, but there are still some living who will remember Mr. Metcalfe in his younger days. He was acknowledged to be one of the best teachers of his time. He was a highly intellectual man and his lectures on scientific and other subjects were always thoroughly enjoyed and highly appreciated. Mr. Metcalfe was a man of splendid character and stood very high in the esteem and regard of his fellow townsmen. He leaves one son, Mr. Edward Metcalfe and two daughters, Mrs. Lawson and Mrs. David Morgan, all of New Hampshire and Vermont, and a number of other relatives. The body was brought to Cookshire for interment which took place from the Methodist Church on Thursday.

HENRY W. MCKINNEY, RICHFORD.

Richford, Vt., June 10.—(Special)—The death of Henry W. McKinney took place on May 5th after an illness of several months. The immediate cause of death was hemorrhage caused by cancer. The funeral took place on June 8th at 1.30, at his late home, and was largely attended. Nearly his whole life was spent in this village. For 33 years he had been an employee on the old S. E. Ry. and the C.P.R. Many years ago he lost an arm while acting as brakeman. After getting better from the injury he was appointed yardmaster, which position he had since filled. A later injury to one leg proved in time so bad that it had to be amputated. But with an ambition worthy of imitation he procured a cork leg and again resumed his work as yardmaster. The second operation, however, proved too much for even his robust strength and manly ambition to withstand, and after a painful illness of several months the well known and worthy yardmaster passed away as above stated. Several years ago deceased lost a dearly beloved son who was a fireman, by the engine he was on going through the Eastman trestle into the Eastman lake. His wife survives, a daughter, Eula, and two sons, William and James, also a brother, James McKinney, of Lincoln, Neb., and three sisters, Mrs. Wm. MEMORIAL CHURCH OF WOLFE

Sacred Structure Proposed by Canon Scott of Quebec

SOMETHING WHICH CHURCHMEN MIGHT DO TO MARK PEACE CENTENARY.

Rev. Canon Scott, of Quebec, has sent out the following in connection with the proposed memorial church to Wolfe. He says:

Sir—Next year we are to celebrate the Peace Centenary. One has been thinking of the best way in which we could mark that event in Quebec, for Quebec must not be left out in this celebration. There is something which churchmen might do which would mark the event in a unique way. James Wolfe was a churchman, and a man of sincere and devout habits. In an age of licence, he lived a pure life, and the victory he won was a victory of character.

On the Avenue des Braves, that magnificent new avenue built by the Battlefields Commission to connect the Plains of Abraham with the battlefield of St. Foye, is a slight rise in the ground. From this eminence, when the trees are leafless, one can see the monument which marks the very spot where Wolfe breathed his last. In another direction one can see the monument to Levis and Murray. To the south one catches a glimpse of the great St. Lawrence, and to the north stand "the everlasting hills!" The little plateau is the highest piece of ground overlooking the Plains. The situation is superb, and, as I saw the sunset from it last evening, the grandeur of the hope, which has long been mine, of seeing on that spot an architecturally exquisite church—a true angel of peace—rise to the memory of the great hero who, possessed me, and I thanked God for the privilege which was ours, if we chose to use it, of coupling the honor of the hero with the honor and worship of the Lord whom he faithfully served. The idea is one which appeals to all those who in their minds know that the truest knighthood is founded in religion. It is my privilege to be able to say that Mr. William Laurie, the owner of the site, has offered to sell for this purpose as much ground as should be needed at the exceedingly low figure of thirty cents a foot. The particular location on that Avenue is worth double or treble that value. This offer is conditional upon the erection of the Memorial being undertaken within a twelvemonth. I would propose to raise a sum of about \$50,000 for the building, and some further sum for maintenance. The manner and details of the collection will have to be thought out, but one feels confident that Churchmen in England and Canada and all over the Empire, and in fact many others who, though not churchmen, admire the character and life of the great general, would gladly subscribe and feel privileged in doing so. The church would be known as St. James' and could be under the charge of the Bishop and Chapter of the Cathedral. These details can be arranged without difficulty. The great thing is for churchmen to grasp the unique opportunity afforded them in Quebec of honoring on the very field where he died, one of England's greatest generals, in a way which would impress upon future generations of men the lessons of a noble life, a life of duty and courage, the life of a young man who, dying at the age of thirty-three, changed the destinies of a continent. The idea is sublime.

FREDERICK GEORGE SCOTT.

CHESTERTON FOUND GUILTY

LIBELLER OF GODFREY ISAACS SCORED BY THE PRESIDING JUDGE.

London, June 10.—A verdict of guilty was returned against Cecil Chesterton, a brother of G. K. Chesterton the author, at the Central Criminal Court on Saturday, on a charge of criminal libel.

Accused had charged Godfrey Isaacs, managing director of the Marconi Co., in articles written in the Eye Witness, the New Witness, with corruption in connection with the British Government's wireless control.

Some of the most prominent counsel at the English bar were engaged in the case.

Chesterton was fined \$500 and all the costs of the prosecution, which will be exceedingly heavy, as the trial lasted ten days. He is to be kept in prison until his fine has been paid.

On sentencing the defendant, the judge said that when he considered the cruelty of Chesterton's conduct and how he might have rendered Mr. Isaacs a beggar by driving him from his employment, it was extremely difficult to refrain from sending Chesterton to prison. The jury's verdict, the judge added, was a complete vindication of the prosecutor's honor.

SPECULATION AS TO VENEER PLANT

Not Yet Know Whether Company Will Rebuild at Sutton

RESIGNATION OF VILLAGE COUNCILOR—VACANCY FILLED AT REGULAR MEETING OF COUNCIL.

Sutton, June 10.—(Special)—The burned Veneer Mill is still one of the chief topics of conversation here. Though the big plant went down in less than one hour and a half from the time the fire was first discovered the cords of paper boxes and the car loads of finished boxes pins continue to burn, and the ruins were the objective point for hundreds of curious visitors on Saturday and Sunday, many driving in from miles around to see the ruins of the former noble plant of which only the barn which stood at a distance, was saved.

No new developments as to the future of the plant has yet come out, and while many are interested all are yet in the dark as to the future of the works here.

TRAIN STALLED BY CATERPILLARS.

Conductor S. R. Yates' train from Drummondville to Sutton was stalled by caterpillars on the rails at Savage's Mills and the trainmen were obliged to procure brooms and sweep the crawling worms from the rails for some rods before they could proceed. Even then for a longer distance brooms had to be dragged on the rails in front of the engine to clear the rails of worms that otherwise would have greased the rails sufficient to stall the train.

SUTTON VILLAGE COUNCIL.

At a regular meeting of the Village Council held on Monday there were present E. B. Greeley, Mayor, and Councillors J. H. Smith, L. E. Dyer, C. M. Bright and F. L. Spaford, and Sec.-Treas. C. U. R. Tartre. It was moved by Councillor Dyer and seconded by Councillor Bright that the resignation of Hector Valliancourt, a member of this Council as now submitted in writing, be and is hereby accepted, and that William H. Gendron be elected Municipal Councillor in his stead. This motion was carried. Bills were approved and ordered paid as follows: Wire & Cable Co., \$28; W. H. O'Regan, Jr., \$41; Co., \$25; W. H. O'Regan, Jr., \$4; Canadian Allis Chalmers, transformer \$59.85; G. N. Thompson, bridges, \$58.12; Sutton Printing Co., printing and stationery, \$14.20; J. W. Kemp, roads, \$106.26; J. W. Kemp, sidewalks, \$93.76; J. W. Kemp, roads, \$29.25; J. W. Kemp, electric lights, \$3.05; J. W. Kemp, park, \$2.47.

SHOOT CALLED OFF.

The rifle shoot announced for Saturday failed to come off on account of Mrs. B. G. Hicks protesting against the same, for the reason that the bullets for a distance of 150 yards or so find a lodgment on grounds of complaint. Some new arrangement will apparently have to be made for the range before the arranged for series of shoots can come off.

NOTES.

Mrs. Ernest Ring, of Nashua, N.H., has been visiting her friends at Glen Sutton. Miss Pearl Porter who went to Essex Jct., Vt., to spend a few weeks with Mrs. Harley Burnap, to the Glen.

Mrs. Lena Thomas, of Newport, Vt., died on May 31st, aged 33 years. She was the eldest daughter of Mr. E. E. Johnson, of Sutton. The funeral took place at the house her late home on June 2nd and the body was brought to Abercorn and buried in the Johnson cemetery near the Pinnacle.

Mrs. Stella Phelps, of L'Assomption, was called here by the death of her sister, who died at Newport, Vt. Mrs. Phillips is spending a few days with her parents, Mr. and Mrs. E.E. Johnson.

MARRIAGES

BABINEAU—ST. JEAN.

A very pretty wedding took place yesterday at the parish church of St. Jean Baptiste, East Sherbrooke, when Miss Gilberte St. Jean, daughter of the late Mr. A. St. Jean, of Northampton, Mass., was married to Mr. Oliver Babineau, of Richmond.

The nuptial mass was sung by the Rev. Eugene St. Jean, of Rock Forest, uncle of the bride, who was accompanied to the altar by Mr. Casimir St. Jean, of Montreal, her uncle. The groom was supported by his brother, Mr. J. Babineau, of Richmond.

The bride wore a tailor-made costume of navy blue cloth and pale blue silk blouse with garniture of lace and a hat of fine white straw trimmed with black velvet and pink roses. The bridal bouquet was of white roses. The Bridal March from Lohengrin and the Mendelssohn Wedding March were finely rendered on the organ by Prof. Oscar Cartier, who also played softly during the mass.

The wedding breakfast was served at the home of Mrs. A. St. Jean, 69 Bridge street, the table decorations consisting of vases of roses, and the wedding cake.

Among the guests present were Mrs. Babineau, of Richmond; Mr. J. Babineau, Mr. and Mrs. Casimir St. Jean, Montreal; Miss Jeanne Gauthier, Misses Alice and Gertrude, Messrs.

Monday from St. Johnsbury, Vt., with his parents, Mr. and Mrs. Jas. Poirier; Mr. C. U. R. Tartre to Sherbrooke on Monday to the meeting of the C.O.F., which holds in that city on Tuesday and Wednesday.

Mrs. (Rev.) W. H. Nicholson, of Glen Sutton, continues in poor health and her daughter, Miss L. Nicholson, who is a trained nurse, has come to see her mother and will take her back to St. Jerome where the two sisters, daughters of Rev. and Mrs. Nicholson, live. The invalid will probably spend a good part of the summer with her daughters.

Mr. Fred Sisco went to Farnham on Saturday where he purchased seven pigs at the rate of \$3.25 each.

Extra special feature in moving pictures Wednesday night, "A Drama in the Air," thrilling race between two aviators, one of which falls 1,000 feet. Don't fail to see this in Sutton Wednesday evening, June 11th.

AUSTRALIA WINS BOMBAY CONTRACT.

Melbourne, Vic., Aust., June 10.—A contract amounting to over £226,000, for the supply of about twenty miles of locking bar steel pipes to be used in duplication of the water main of Bombay, has been secured in tender open to the world by Mephan Ferguson Proprietary, Limited, whose works are at Footscray, Melbourne. The pipes are the invention of Mephan Ferguson and the machinery to make them has been manufactured by Footscray and will be shipped to Bombay for production of the pipes on the spot.

The bride was the recipient of many pretty and useful gifts.

COME UP WHERE YOU BELONG!

In the human body, "man-power" comes from food. But the food must be right.

The gray tissue cells of Brain and Nerves are composed principally of water, albumen and Phosphate of Potash. The first two exist in every-day food, but phosphate of potash is frequently lacking.

This necessary element is supplied in

Grape-Nuts

FOOD

Made of choice wheat and barley, it contains all the vital mineral salts of these grains, including the phosphate of potash so essential for proper nourishment of Brain and Nerves.

Grape-Nuts food is thoroughly baked, digests easily (in about one hour), and thus forms a perfect complement to ordinary food in the dietary of the average person.

Grape-Nuts—more than any other one factor—supplies both body and Brain with nourishment up to the standard of Nature's requirements.

If health and the efficiency which comes with it appeal to you, try Grape-Nuts!

Ready to serve direct from the package with cream and sugar—and wonderfully appetizing.

Mr. Moritz Hauptmann Emery "The mature poet of the Piano," is coming to Stanstead this week and will give a free lecture in Pierce Hall on Friday at 4 p. m. and a recital at 8 the same evening.

His manager, Mr. W. T. Ruggles, spent last week-end at the College, other guests were Professor Robinson of the Wesleyan College, Montreal; Mr. and Mrs. Wm. Perry, also from Montreal, and Mrs. Cahill from Knowlton.

The Rev. C. S. Clendinnen, who preached at the Methodist Church on Sunday morning, was the guest of Mrs. Colby at Carrollcroft for the week-end.

A game of baseball was played on Saturday on the College campus against the Beebe team. The College team won by 13 to 5.

ENGLISH BIRTH RATE FALLING

COUNTRY IS ALSO THREATENED WITH PROBLEM OF DEPOPULATION.

London, June 10.—A Blue Book issued last night shows that England's birth rate is steadily falling, and that the country is now threatened with the problem of depopulation that has been troubling France.

England contains a larger proportion of young adults than France, Germany, Sweden or Holland, but has fewer children than any of those countries except France.

In 1881 there were, for each million of all ages, 135,551 children under five years old. In 1891 the fall in the birthrate lowered that proportion to 122,523, and since then has further reduced it to 114,262 in 1901, and to 106,857 in 1911.

LALIBERTE—COUTURE.

This morning at the Church of St. Jean Baptiste the marriage was solemnized of Miss Amanda Couture, daughter of Mr. Francois Napoleon Couture, St. Michael street, to Mr. Leo Laliberte, of this city. The handsome edifice was brilliantly lighted for the occasion and beautiful music was furnished by the organist, Prof. Cartier, who also sang a solo, "Ave Maria." The bride, who was given away by her father, was gowned in corded taupe silk with Eton coat, cream lace collar and garniture, and white chip hat trimmed with small pink roses, and foliage. She carried a bouquet of bridal roses. The ceremony was performed by the Rev. Alfred Chasse, and the witness for the groom was his father, Mr. George Laliberte.

After the wedding breakfast, which was served at the home of the bride, the newly married pair left for a wedding trip to Boston and New York, and will live in Sherbrooke on their return.

Among the friends present at the church and the house were Mr. and Mrs. Geo. Laliberte, Mr. and Mrs. Joseph and Mr. and Mrs. Emile Laliberte, Miss Maxima Laliberte, Messrs. Edward, Antonio and Emile Laliberte, Mr. and Mrs. Couture, Messrs. Laure, Yvonne and Helene Couture, Mr. Charles Bertrand, Messrs. Albert, Henri, Emile and Jules Couture.

The bride was the recipient of many pretty and useful gifts.

The Cash Value of System

OTIS-FENSOM Freight Elevators are extensively used in automobile garages throughout the country, and particularly in cities where prohibitive rents necessitate a limited ground floor area.

square foot of selling space is extremely valuable. The upper floors are used for offices, store rooms and repair shops, leaving the ground floor free for purposes of display.

OTIS FENSOM FREIGHT ELEVATORS

This necessitates the use of a modern Freight Elevator, capable of taking a heavy car and safely conveying it from level to level. When repairs are necessary, the car may be run onto the elevator on the ground floor, and run off at the repair shop on its own power. Demonstration cars may be lowered to the ground in this way, when required, and promptly returned to the proper floor when the demonstration is over. There is, perhaps, no other business in which the cash value of system is so clearly apparent.

An automobile agency, or public garage without an Otis-Fensom Freight Elevator is the exception to-day. And for this reason we would like to hear from every automo-

bile dealer in Canada who feels that he is paying for too much ground space, or who would care to know of a certain means of doubling his present floor area, and increasing his profits, at a trifling expense.

Write TODAY for free booklet "Freight Elevators and Their Uses." It will give you priceless information relative to a Freight Elevator suited to your particular needs.

SENATE ACCOUNTANT DEAD.

Ottawa, Ont., June 10.—Charles T. Gibbs, accountant of the Senate, died last evening after a brief illness, following a paralytic stroke. He was in his 66th year and was born in Ottawa, Ont., a son of the late Hon. T. Gibbs, P. C.

AUSTRALIAN ELECTIONS IN BALANCE.

Melbourne, Australia, June 10.—The result of the federal election is still hanging in the balance, and the result may not be definitely known for several weeks. Returns from the interior are slow, as many districts get only one mail a fortnight, and some less than that. Present figures indicate the defeat of the Labor Government by a close vote.

PUBLISHERS VISIT MINING CAMPS

Inspect Great Mines at
Cobalt and Porcupine

DESCEND TO UNDERGROUND
WORKINGS AT HOLLINGER
AND DOME MINES.
VISIT ALGONQUIN
PARK.

The trip of the Canadian publishers and their wives to Northern Ontario and the mining towns of Cobalt and Porcupine, following the annual meeting of the Canadian Press Association, was concluded Saturday evening. The Ontario and western members of the party proceeded south to Toronto from Algonquin Park, while the eastern newspaper men, who occupied car No. 1 of the excursion special, proceeded east over the Grand Trunk to Ottawa and Montreal.

The Eastern Townships publishers who attended the convention and subsequent trip enjoyed the courtesy of the Grand Trunk Railway. On the homeward journey, Ottawa being reached too late to connect with the regular Montreal express, a special was at once made up and the run to Montreal of 130 miles made in two hours and forty minutes, enabling the publishers from the Townships and other eastern points to reach home Sunday morning.

The excursion train to the north comprised six Pullmans and carried about 175 persons.

Messrs. Charlton and Smith, of the G.T.R., and Commissioners Murphy and Dane, of the T. & N.O. Ry., were present to look after the comforts of the travellers.

LAKE TEMAGAMI.

The first stop was made at Lake Temagami, on the T. & N.O. Ry., and about 22 miles south of Cobalt. A three hours' trip up this beautiful lake was enjoyed by the party on the steamer Belle, of the Temagami S.S. Company. This northern lake is very picturesque, being dotted with hundreds of islands. These are owned by the Ontario Government and leased to persons who will agree to build cottages on them. Lake trout, pike and bass abound, and quantities of the first mentioned are now being caught. There are several comfortable hotels on the lake, and a large number of people spend their summers here. Hunters follow in the fall, and many fine moose are secured every year in this region.

IN THE MINES OF COBALT.

On arrival at Cobalt the excursionists were divided into twelve parties, each being taken in charge by guides from as many mines. The wonderful plants of the various mining companies were thus visited.

Most of the Eastern Townships members were assigned to the Kerr Lake mine, which adjoins the Crown Reserve and Drummond properties. An opportunity was given to inspect the underground workings, a descent being made to the third level, two hundred feet below the level.

Plans are now about completed for draining Kerr Lake, the Crown Reserve and Kerr Lake companies joining in the enterprise. It is expected this will open up important new deposits. Already the drifts extend under the lake in several places.

The great plant of the Nipissing mine was visited by the entire party, where the whole process of milling the ore was explained in detail.

The publishers were entertained at lunch at the various mines, and in the evening a reception was held in the Masonic Hall at Cobalt.

The appearance of Cobalt, both as regards mines and town, has greatly changed since the last press trip to this region, four years ago. Permanent and well constructed buildings have taken the place of temporary structures in the town, and at the mines millions have been spent in the fine milling plants.

It is said that \$85,000,000 worth of silver has already been taken from Cobalt.

The town of Cobalt has a population exceeding 5,000, with several schools and churches. It has an assessment of 23 millions.

While there are about 40 mines in operation in the Cobalt camp, only some 20 may be regarded as regular producers.

AMONG THE GOLD MINES.

About 100 miles due north of Cobalt, as the crow flies, lies the mining town of Porcupine, known as Golden City. The publishers' train pulled into this interesting region early Friday morning. After a brief stop at South Porcupine the train proceeded to Timmins, a short distance farther on and the terminus of the railway.

AT THE HOLLINGER MINE.

Here the forenoon was spent in an inspection of the great Hollinger gold mine. Nearly every member of the party descended the mine and was conducted through the underground workings. The new plant was visited, and the wonderful process of extracting the gold followed from the ore to the gold brick. The new mill, which replaces the one burned in the great fire two years ago, is equipped with 40 stamps and treats about 500 tons of ore per day. The present mill was started June 15th, last year, and has treated 93,829 tons of ore. The total value of the ore has been \$2,654,208, from which \$1,968,208 has been extracted. In dividends \$720,000 has been paid, and the mine has a surplus of \$650,000. About 450 men are employed.

THE DOME MINE.

After being entertained at dinner at the Hollinger Mine, the publishers proceeded to Porcupine and spent the afternoon in a visit to the great Dome Mine. They were privileged here to descend into the mine, the company having refused this to all previous visitors. The great milling plant, built of brick, on the site of the one destroyed in the Porcupine fire, was also inspected.

The Dome Mine is considerably different from other mines of the district in as much as much of the ore to date has been secured through open quarrying. There is no shaft as

MINISTER OF INTERIOR TO RESIGN

Report From Ottawa Says
Dr. Roche Will Leave
Portfolio

STATED THAT HE WILL BECOME
LIEUTENANT-GOVERNOR OF
MANITOBA.

Ottawa, June 10.—Word has been received by Hon. Dr. Roche, Minister of the Interior, that he expects to sail from England to Canada on June 20. The doctor is considerably improved in health as a result of his trip, but it is considered very doubtful whether he will be able to undertake again the strain of administering such a heavy department as that of the interior. He may not resign at once, but it is thought likely that once he will be compelled to do so within the next year. Arthur Meighen, of Portage la Prairie and R. B. Bennett of Calgary are regarded as the most likely to succeed the doctor, if his health is such that he is compelled to drop out of politics.

It is stated that Hon. Dr. Roche will succeed Lieut. Gov. Cameron of Manitoba, when the latter's term expires.

THE CRIME.

Doncaster, England, June 10.—While examination of a servant girl charged with an attempt to set fire to Westfield House was proceeding yesterday, May Dennis, alias Lillian Linton, who was wanted by the police in connection with the Kew Garden suffragette outrages last February, caused a sensation by entering the court and acknowledging that it was she who had tried to burn the house.

The servant girl was discharged and Miss Dennis was arrested. Harry Johnson, a young newspaper man, implicated in the same case, was committed for trial.

CANADA'S FOREIGN TRADE DOUBLED

Large Increase is Shown
During The Month
of April

MOST NOTABLE INCREASES ARE
IN AGRICULTURAL PRO-
DUCTS, WHICH HAVE
DOUBLED.

Ottawa, June 10.—During the month of April the trade of Canada maintained the buoyancy which has characterized it for so long a time. The total trade increased by over 18 per cent. from \$59,284,490 in April, 1912, to \$70,595,160 in April, 1913, while the exports of domestic merchandise increased by no less than 60 per cent. from \$13,076,989 in April, 1912, to \$22,016,880 in April, 1913. The imports increased from \$45,607,491 in April, 1912, to \$48,488,280 in April, 1913, or by six per cent. The duty collected increased from \$7,860,759 to \$8,468,576.

The most notable increase in exports is in agricultural products, which have nearly doubled, from \$5,336,313 to \$11,355,018. Manufactures also went up from \$2,601,537 to \$3,478,538.

at the Hollinger, the entrance to the lower level being on an incline. The famous golden stairway was visited and a few specimens of ore as souvenirs secured.

Substantial brick buildings gave an appearance of permanency to the Porcupine gold fields and judging from the activity of the mining operations the mines are good for many years to come.

AT ALGONQUIN PARK.

Saturday forenoon was spent at Algonquin Park, the Ontario Government reserve, on the Grand Trunk Railway, 180 miles west of Ottawa.

This great natural park comprises about 200 square miles of territory. It has hundreds of lakes, most of them connected so that nearly every part of the park can be reached by canoe. Fish and wild animals abound. Mr. Bartlett, the superintendent of the park, has a remarkable collection of stuffed birds, animals and fish, all taken from the park. Beaver are very numerous and even wolves are not a rarity, though the open war upon the latter is reducing their number.

The Highland Inn at Algonquin Park is a commodious and comfortable hotel, and there are, also, several smaller hotels and camps where guests are received on lakes back from the railway.

The Canadian publishers returned to their homes with a very favorable impression of the resources of Northern Ontario. Gold and silver, agriculture and lumbering, beautiful lakes and a great natural park are all included in this northland of Ontario.

NO. 6 ARMY SERVICE CORPS

Arrangements Being
Made For Annual
Training

OPENINGS FOR MORE YOUNG MEN
IN THIS UNIT.

One of the important units that will go to Farnham Camp this week is No. 6 Canadian Army Service Corps, under the command of Major J. B. Keating. Major Keating took command of No. 6 at a time when it looked as though Sherbrooke would lose the unit, and since taking it over has spared neither time nor expense to make it a credit to the city.

There are still a number of vacancies for men and horses, and those wishing to join should call at the Armory.

No. 15 Company, of Montreal, under Major Sadler, will be with No. 6 at Farnham, and there will also be a permanent army service corps, instructors, officers and non-coms., the whole to be under command of Lt.-Col. Stewart. Arrangements are being made for joint Army Service Corps sports, and it is expected that those who go to camp with No. 6 will have a pleasant and profitable outing.

Clothing is being given out at the Armory every night this week.

CANADA CAN FULFILL ALL PROMISES

Sir Edmund Walker In
Address Before Colonial
Institute

UNTIL EXPANSION STOPPED DO-
MINION WOULD ALWAYS BE
BORROWING NATION.

London, June 10.—Earl Grey presided over the Royal Colonial Institute's luncheon to Sir Edmund Walker yesterday. In an address which received close attention, Sir Edmund Walker declared, regarding Canadian financial propositions, no country had ever been called upon to assimilate new arrivals to the same extent as Canada. He did not see Canada as blameworthy for wanting money. There were no promises made in responsible quarters regarding Canada, which would not be fulfilled and until the policy of expansion showed a tendency to lessen it was impossible that Canada could be anything but a borrowing nation. The decline of speculation in real estate was a source of great satisfaction in Canada.

SHIPWRECKED SAILORS PICKED UP.

Sidney, N. S., June 10.—The two sailors from the French fishing schooner Larochiere, which was sunk in collision with the American fishing schooner Stiletto ten days ago off Scatarie, who were reported lost, have turned up.

Shareholders Meet and
Elect Officers For En-
suing Year

CHAIR COMPANY HAS BEEN IN-
CORPORATED WITH CAPITAL
OF \$50,000.

Scotstown, June 10.—(Special)—There was a large and enthusiastic meeting of the shareholders of the Scotstown Manufacturing Company last evening at its office on Ditton Street.

Mr. N. G. Scott, M.L.A., was in the Chair. The meeting was called for the purpose of choosing the regular directors for one year. As the former organization was only provisional until a charter had been granted by the Dominion Government Letters Patent were granted on the 30th of May 1913. The incorporation is limited to \$50,000.

The new directors who were chosen last night were: Messrs. A.M. McKenzie, F.G. Roy, N.G. Scott, Joseph Langlois, William Mayhew, Leo Roy, R.A. Scott, E. Robarge, Payson Sherman, G. Beauchene and F. Leblanc.

After the shareholders meeting was over the directors held a meeting to choose the officers of the Company and to discuss other matters.

The officers elected were: President, Mr. Angus McKenzie; Vice-President, Mr. F.G. Roy; Manager, Mr. L. H. Couillard; Secretary Treasurer, Samuel Roy.

The manager reported work begun on the company's shops also the purchase of several machines. The Secretary reported that the work of selling shares were continually being carried on and that the people in general were much interested in the new industry.

READY FOR THE FAR NORTH

Stefansson and Party Ex-
pect to Sail Next
Week

ONE WOMAN WILL ACCOMPANY
THE PARTY AS FAR AS
NOME.

Victoria, B. C., June 10.—When the Stefansson exploration party sails north next week, one woman will be on board, the wife of Dr. Anderson, zoologist for the expedition. Mrs. Anderson will accompany the party to Nome, where she will say good-bye to her husband for three years. She and her husband were schoolmates at the State University of Iowa, she being a freshman in the year he was junior. The romance started and ended in marriage in 1912.

Stefansson said yesterday morning that the Karluk would be ready to sail Saturday, but he did not expect to sail until the following week.

SHOOTS VERMONT LEGISLATOR

H. A. STATEN SERIOUSLY
WOUNDED AT VERNON STA-
TION, RAILWAY STATION.

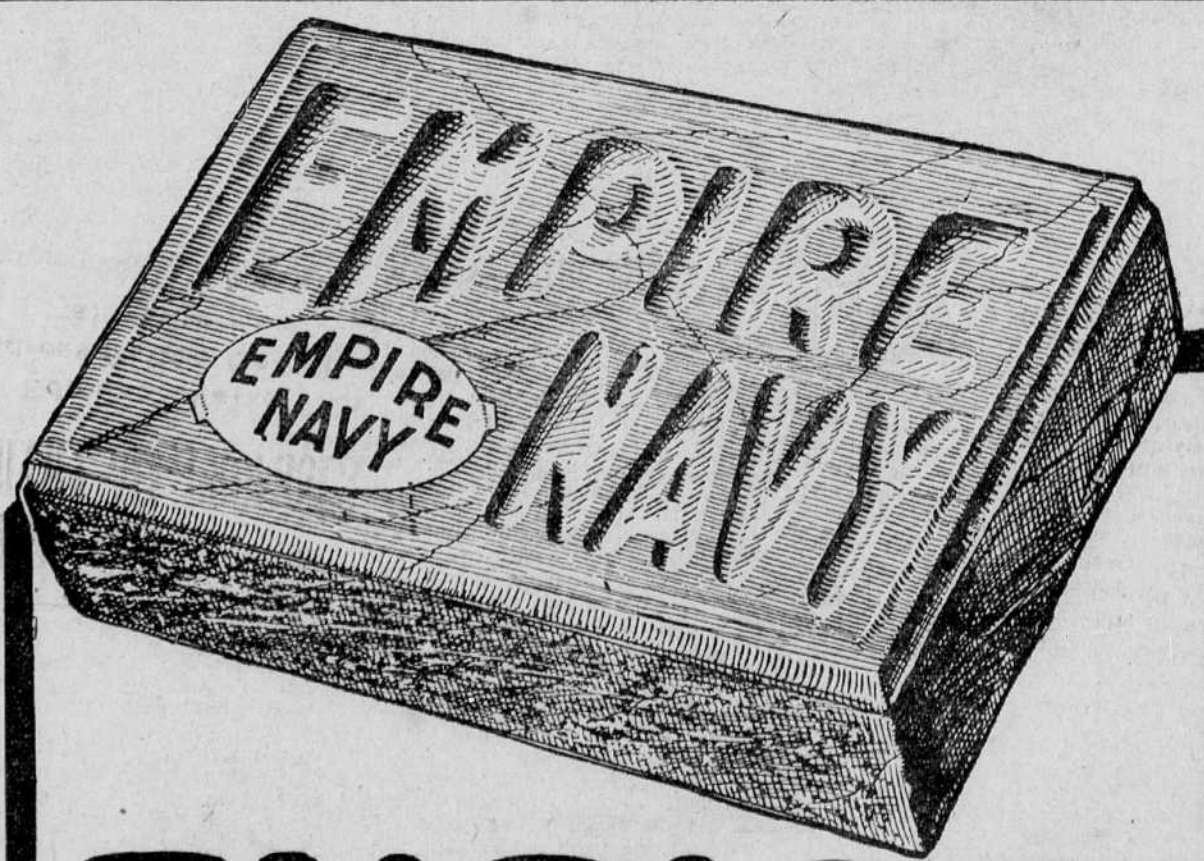

Vernon, Vt., June 10.—Herbert A. Staten, a representative in the last State Legislature, was shot and seriously wounded Sunday while he was seeing a friend off at the Central Vermont Railway station here. Hugh Collins, a substitute station agent, is under arrest, charged with having done the shooting. The fact that Staten testified against Collins when the latter was arrested for intoxication is believed by the authorities to have furnished the motive for the shooting.

Staten was born in Beverly, Mass., and is fifty-one years old. He is a farmer and came to Vernon nine years ago.

REBELS ARE IN CONTROL

HOLD THE BIGGEST PART OF
MEXICO AGAINST THE FED-
ERALS.

Washington, June 10.—Reports to the State Department from Mexico continue to state that the rebels are in control of all the country with the exception of the Federal District and two or three southern States. Everything north of the Federal District is in control of the rebels. With the exception of the State of Tamaulipas American and other foreigners are not being molested, according to last reports. No despatches have been received from Tampico in the last thirty-six hours. The State Department has not received the demand three hundred Americans are reported to have made on President Wilson for a definition of his attitude toward Mexico in order that they (the Americans) might know what to do to protect themselves. Secretary Bryan said he had not received any such message.
