

It may be a "christmas present"

"Green light" given for County ice project

The Thursday night meeting of the Huntingdon County War Memorial Arena artificial ice committee was reminiscent of a child taking his first steps. The committee hesitated, stood up and fell down a few times but the end result were firm steps taken in regard to artificial ice for the arena.

motion to give the "go ahead" on the ice project was unanimously approved by the committee. Consequently, if no major setback occurs there will be artificial ice in Huntingdon this year.

A lackluster tone earmarked the earlier part of the meeting. Some people who were expected to attend were absent or show-

ed up an hour or more late. Public interest was at a bare minimum. Only two spectators were on hand at the county building to watch the workings of Huntingdon's "biggest yet" project. It seemed that the project that once roared like a lion was about to go out like a lamb.

Finances were the main concern and the greater part of the discussion dealt with "how are we fixed for money." At present, the committee has \$18,662 available to them over a period of two years. This cash has been allotted to the project by the councils of Huntingdon, Ste. Barbe, Hinchinbrooke and Godmanchester.

NOW OR NEVER
A point of contention between committee members was whether to go ahead with the project and raise the money after or wait until sufficient finances were available.

Bob Marshall Chairman of the

committee felt that the time was ripe "if people put their money where their mouths are" and that waiting would possibly lead to cancellation of the project entirely. Huntingdon representative Gerry Brisebois suggested that waiting was more feasible because entering upon such a costly enterprise should not be done without adequate financial backing.

Jon Proudfoot contended that he was all for the "go ahead" if the bank would agree to back them. Bob Marshall pointed out that the bank would most likely be willing and if not it would be an easy enough task to find suitable backers to support the cause.

GOVERNMENTS GRANTS
As far as this year is concerned, a government grant is out of the question. Ken Fraser, M.N.A. for Huntingdon County told the committee that money from the provincial government had

been allotted for sports and recreation was already spent. He said however, that the new budget would be in effect before too long and that he was hopeful that the province would give a grant to the ice project. He was not certain what amount or on what terms a grant could be made available but he said he was certain something could be arranged.

MONEY RAISING
Numerous ideas for raising money were round tabled. Public subscription is to be the mainstay but marches, dinners and various other fund raising propositions are being considered. It was mentioned that once the project is realized and under construction fund raising projects can go into effect and the financial committee should have no difficulty realizing the sum needed.

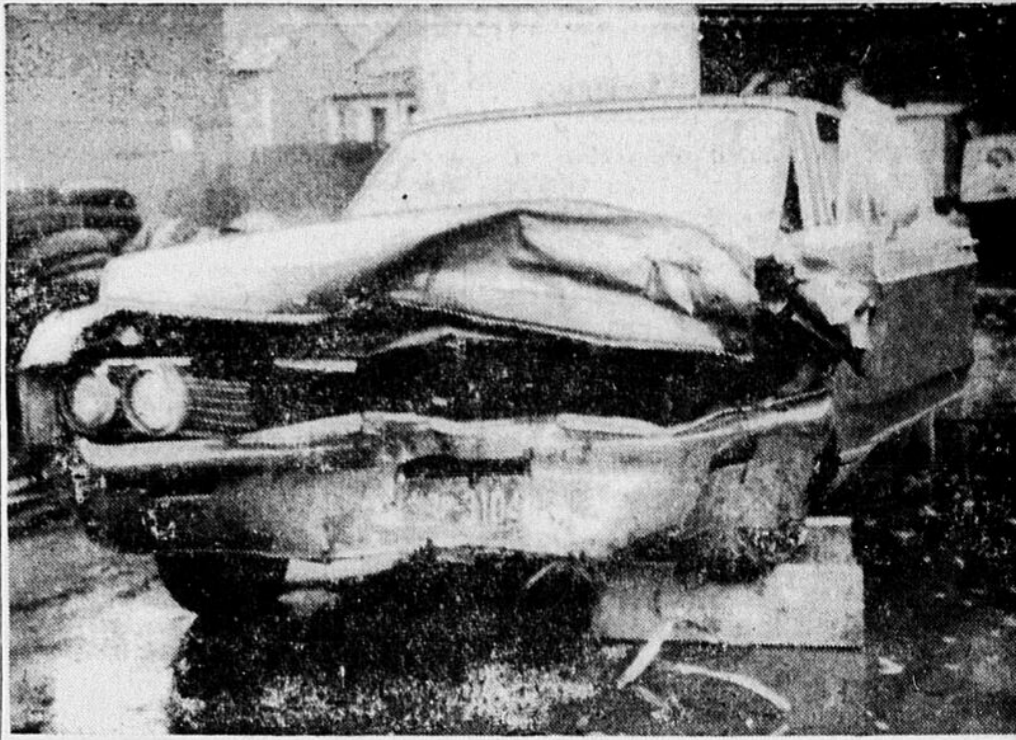

TENDERS
Two price quotations were received in reply to inquiries

made by the commission, R. Carmichael and Sons Ltd. and Simcoe Ltd. each submitted plans and prices to put the "icing" on the arena.

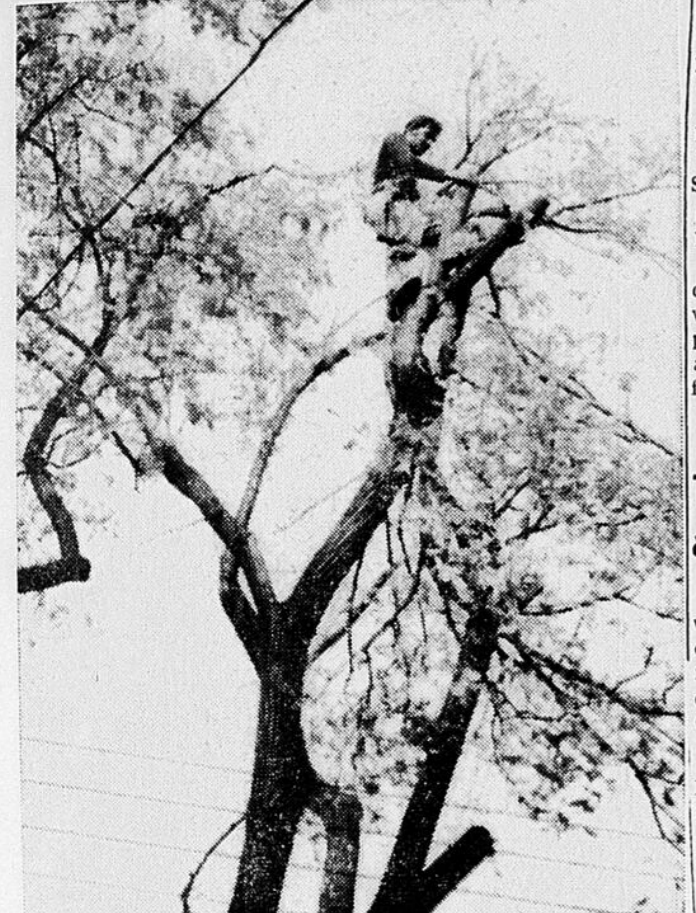

The lowest tender (Carmichael) was accepted but not for purely monetary reasons. Chairman Marshall had showed the plan to a Huntingdon man well-versed on the subject of machinery and told the committee that the Carmichael plan provided for better equipment at a lower price: \$46,631.

It would be wishful to say that the aforementioned price covers the whole project. The cement floor, excavation, electrical and drainage work will constitute a separate bill. The total cost is an estimated \$75,000.

Speculation is still involved concerning exactly when the ice will be installed. The committee is relatively certain that it's going to be a "Christmas present."

The Gilles Lussier late-model sedan involved in the accident which caused young Normand Beaudway of Ormstown to be paralyzed is shown above. Mr. Lussier was accompanied by his wife and four-month-old son Jean Francois. Mr. and Mrs. Lussier escaped with minor injuries but their little boy was more seriously injured and is a patient at the Barrie Memorial Hospital in Ormstown.

If one is planning to open a 'branch' office in the near future the man in the tree is the one to see. A branch-to-branch birdsitter? No, an employee of a Valleyfield firm that was contracted to topple twelve trees in Huntingdon last week.

The young man in the tree is definitely a frustrated high wire artist. He jumped from limb to limb and performed numerous other antics that convinced passersby that under his human exterior lurks the spirit of a squirrel.

Thieves net cigarettes and \$150 in Cazaville

A thief or thieves made off with \$150 and numerous cartons of cigarettes during a Saturday night break-in at Robidoux Builder's Supply, in Cazaville on October 3.

The theft was discovered by Mrs. Robidoux and her brother-in-law when the two entered the store Sunday noon to pick up some paint. The first sign that something was amiss were packages of cigarettes strewn about on the floor. A closer check revealed that most of the store's cigarettes had been "cleaned out" and that the till was \$150 lighter.

Entrance into the building was gained by forcing a back door. The screen was torn and the two hooks holding the door from the inside had been pulled out.

Grist mill goes from father to son

H'don firm changes hands but not family

A business transaction was finalized on Saturday whereby the long-established J. C. Renaud Grist Mill and Feed Store in Huntingdon was transferred from father to son, Alain, age 25, is the third generation of the Renaud family to be sole owner of the Lake Street landmark.

The late Hormisdas Renaud purchased the business in 1938 from the late Allan H. Dawson. Previous to moving his family to Huntingdon, the senior Renaud had operated a similar business at Notre-Dame de Stan-

bridge in the Eastern Townships which he sold when he acquired the mill from Allan Dawson. Ten years later, Mr. Hormisdas Renaud sold the business to Jean-Claude, his oldest son. "J. C." was not new to the milling business as he had worked at his father's Notre-Dame de Stanbridge mill from the age of 15 and for eleven years had worked at a similar mill at Sutton.

Until Saturday, Jean-Claude Renaud was sole proprietor.

Hinchinbrooke firemen practice preparedness

The Hinchinbrooke Volunteer Fire Brigade believes in being prepared for all emergencies, and a good portion of the last regular meeting was spent in discussing ways and means of covering nursing and convalescent homes in the area. These institutions generally involve special circumstances and consideration.

Brakeless dump truck lands in cemetery

The old cliché "enough noise to wake the dead" was applicable to a mishap that occurred at the Franklin Cemetery in Franklin Centre Tuesday. A dump truck loaded with rocks was proceeding down Covey Hill Road when the driver found that his brakes had failed. The truck smashed through the stone wall of the cemetery and came to rest on its side a few hundred feet further on knocking over numerous gravestones in the process.

The truck, owned by J. B. Guérin Excavation of Ormstown was extensively damaged in the 1 p.m. accident. The driver sustained only minor injuries

had rushed back into the building in a state of panic from where they again had to be rescued.

The system employed by the Fire Brigade to prevent these problems is known as pre-planning. This involves the study of a particular building, business or hospital, and making an actual mock fire call on the spot. Building construction and floor plan layouts are studied, as well as availability and source of water supply, mechanical equipment required to successfully control a fire etc. It is in fact a full scale dress rehearsal. Programs such as this prevent the terrible disasters we read about involving loss of life and property damage. Already one major nursing home in this vicinity has had a pre-planning exercise and another is now being studied for the same treatment.

ELECTION OF OFFICERS

After the meeting had been called to order, the minutes of the last meeting read and the treasurer's report submitted, Donald Rennie took charge as Chairman of the Nominating

New minister for area churches

The Reverend J. H. MacGregor

The Central Canada District Committee of the Church of the Nazarene has appointed a new minister to serve the congregations of Huntingdon and Franklin Centre. The appointment comes as a result of the resignation of Rev. Harley Bye. Mr. Bye teaches in Ormstown and was hard pressed to keep up with both commitments.

Reverend J. H. MacGregor, a 40-year ministerial veteran of the church, has assumed Mr. Bye's position and will serve in a full time capacity. The former Pefferlaw, Ontario resident's list of appointments is impressive. For five years he was District Superintendent of the Manitoba and Saskatchewan area and served in the same capacity for twelve years in the Maritimes. He also pastored in the Main Street Church in Toronto. Huntingdon is his "first go in Quebec."

Mr. MacGregor has been officially retired since '63 but has been called upon to fill in at various churches in his retirement years. "The Central Canada Committee (Ontario and Quebec) was looking for someone for the area's appointment but was unable to find anyone. This led to his "retiring from retirement."

He is assigned in this region as a "supply pastor" which in affect means that it could be a temporary job. He said however that "I'll be here as long as they want me."

NOT A STRANGER

He and his wife are not complete strangers to this area. They spent two weeks here in July while he "supplied" for three Sundays in the two churches.

Highway accidents mar holiday week end

TWO-CAR CRASH

Francois Yelle, age 24, of St-Isidore collided his '70 vehicle with a 1963 vehicle owned by Jean Pierre Boyer of Longueuil driven by 19-year-old Jean Francois Toupin of St-Isidore. No one was hurt but both cars suffered considerable damage.

LOSES CONTROL

Lucien Primeau of Howick lost control of his 1964 truck near Ste. Martine on route 4 about six o'clock Monday evening. Damages were of such a nature that the truck had to be towed to a garage nearby. Primeau was not injured.

\$150 DAMAGE

On Sunday October 11 an accident occurred at the corner of routes 36 and 4. Jean Giroux, 42, of Chateauguay driving a '64 car collided with a '69 vehicle driven by Eugene Faillie of Beauharnois. There were four passengers in the Faillie car. No one was injured, damage to both cars was \$150.

MINOR ACCIDENT

On Monday October 12 at 12:10 p.m. John McAllister age 59, of Riverfield, was involved in a collision with Ronald Tennant, 35, of Howick. Damage amounted to \$50, no injuries.

This car which was involved in a two-car collision on Route 4 between Dewittville and Huntingdon early Sunday evening carried five passengers, none of whom were killed. The doors of the 1963 Studebaker were strewn in all directions, the roof twisted and torn, the steering wheel pushed up inches from the roof and even the floor and seats were buckled. When the Guerin tow truck from Ormstown arrived to take the vehicle to a scrap yard, the operator sent for a truck with a flat rack and the pieces were piled onto it.

The driver, Norman Beaudway of Ormstown, walked around after the accident but later became paralyzed. Reports at time of writing are that he suffered a stomach injury and that a nerve was pinched, causing the paralysis. He was taken to a Montreal hospital.

Donald Tremblay, son of Mr. and Mrs. Geo. Tremblay of Huntingdon, suffered concussion and is a patient in the Barrie Memorial Hospital at Ormstown. Danny Dooling of Huntingdon, who estimates he was thrown and rolled almost 35 feet from the car, suffered a cut on his head which required eight stitches.

Alan Thurston of Ormstown, a passenger in the front seat with the driver, is also in the Barrie Memorial. Among his injuries is a cut under his chin, reportedly from ear to ear.

Gerald McDowell, also a Huntingdon lad, escaped with cuts and bruises less serious than the other four.

The three Huntingdon youths were hitch-hiking a ride to Ormstown and were picked up by Beaudway and Thurston. They report the car they were in momentarily left the road and then went sideways into the path of a car owned by Gilles Lussier of St. Antoine.

C.V.H.S. holds first annual show and sale

Riverfield Curling Club was the ideal site for the first Annual Antique Show and Sale, sponsored by the Chateauguay Valley Historical Society. The al fresco decor used for the club smorgasbord provided an "airy-fairy" background for the booths, and the club facilities were more than adequate for

Books, anyone?

The Bookmobile of The McLenan Travelling Libraries will be in the area served by this newspaper the week of October 19, 20, Monday and Tuesday.

Ormstown man dies in crash

A tragic accident occurred in attempting to pass, the near St. Stanislas late Saturday evening when an Ormstown resident, Lucien Bolduc, died en route to the Barrie Memorial Hospital and his daughter, 17-year-old Dianne, was seriously injured.

The 42-year-old father of six children who was employed at the Barrie Memorial Hospital and who was also a part-time taxi driver drove his eldest daughter Dianne and a friend to St. Stanislas. Returning to Ormstown with Dianne allegedly driving, a vehicle following behind owned by a Mr. Schink of St. Chrysostome attempted to pass the Bolduc car.

Both father and daughter suffered serious injuries and Mr. Bolduc expired en route to hospital. His daughter suffered fractured ribs and head injuries and at time of writing is reported still to be in critical condition.

Funeral service for the accident victim was held at St. Malachie's Parish Church, Ormstown, Tuesday afternoon.

TRUCK and CAR COLLISION HEAD-ON COLLISION

No injuries were sustained on Monday at 3 p.m. when a two-door late model hardtop owned and driven by Paul Awzaria of Montreal collided at the corner of Arthur and Bridge Streets in Ormstown with a 64 pick-up truck belonging to Gilles Goyette of Ormstown and driven by his 17-year-old son Gaston. No car. No one was hurt. It is assumed the condition of the roads caused the accident.

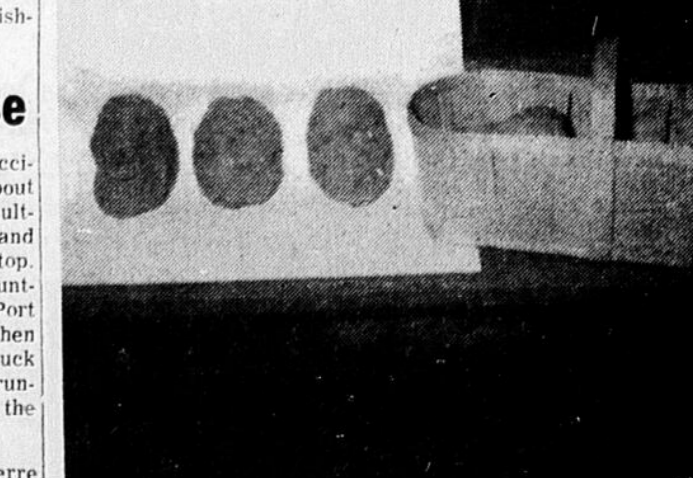

Intersection crash injured 2

Two people were injured, one aged to the extent of \$1000 while the other was written off and another sustained \$1,000 in damage during a Saturday afternoon accident at the intersection of the Gore and Dewittville Side Roads known as Anderson's Corner.

A car driven by Denis Remillard, 21, of St. Antoine Abbe and one driven by Rene Godreau, 25, of Huntingdon were involved in the intersection collision. Remillard's '67 sedan was damaged to the extent of \$1000 while the Godreau '62 imported sedan was written off.

Mr. Godreau and passenger, Janine Godreau required hospital attention in Valleyfield for minor cuts, Mr. Godreau to the face, and Janine Godreau to the face, hands and legs.

Provincial Police Agent Bledau investigated the 4 p.m. accident.

The Gleaner has paid photographic tribute to "high flying" tomato plants, oversized squash and enormous pumpkins. We now doff our hats to Mr. Willard Caldwell who grew these two lb. 3 oz. potatoes. These "monsters" were grown, hoed and dug in Mr. Caldwell's Huntingdon garden.

Why Survival Day?

WHEN the Survival Day project was first started, it had two criteria, one to try to get people involved throughout Canada, and the other to focus on environment.

The Anglican Church gave \$10,000 with no strings attached. Part of this money is used for field trips and making contacts with groups from coast to coast. It was the American Earth Day project which was instrumental in getting things rolling for Survival Day. Naturally because of Canada's temperment, situation, and extreme urgency, a band wagon spectacle was omitted. Ecologically "clued in" groups have been invited to submit findings, outlining the problems in their area and stating what they think should be done about it.

Today, October 14 The Survival Commission will present its briefs to Ottawa. It is hoped that local groups will have sent in findings to municipal governments or authorities.

Most persons are apathic about pollution and say they are not too worried and anyway, what can I do? is the question often asked.

Pat Doran of the Commission says, (quote) "I can only argue that during World War Two, when death and destruction clearly threatened, Canada and most of the other countries of the world had no difficulty in settling difficulties. Resources were recycled like crazy. Not a bottle was smashed down some ravine, paper and steel scrap were continually being collected for reuse. The world is still gravely threatened. Death might not come suddenly, but it WILL come unless pollution is checked."

Survival people are asking two things of you and me. If there is the slightest hint of water pollution, send a sample to be tested, for raw sewage, pulp mill liquor or any other infection. Get together, a group so that not more than one sample from the same spot is sent. The container should be labeled with river or lake, time and presumed source

of pollution and any other pertinent information.

Form groups and list everyone in the wildlife, clean up groups, etc. There are no dazzling gimmicks, there is nothing new, there is only the cold hard facts that each one of us must do something about pollution NOW.

The sad fact is that Survival Day Commission has seen fit to use an emblem and that emblem is a replica of our Canadian Flag with the "dead maple leaf" falling. We must not let Canada die.

THIS IS SURVIVAL DAY

The pollution Probe at Carleton University has issued a list of 16 ways you and I can help fight pollution.

1. Use low phosphate detergent.
2. Don't use your car for short trips.
3. Don't leave your car running when it is not necessary.
4. Use public transport instead of private transportation if possible.
5. Install a nanti-pollution device on your car exhaust system.
6. Use a hand operated or an electrical lawn mower instead of a combustion type.
7. Never burn garbage or refuse, dump it in allotted areas.
8. Have your furnace checked to insure that it is not discharging unnecessary fumes or particulate matter.
9. Dons overload your municipal sewage by wasting fresh water from the tap, unnecessarily.
10. Buy goods in returnable containers, milk, beer, soft drinks, etc.
11. Break or crush all containers after use to cut down on garbage volume.
12. Keep all newspapers and give them to a charitable organization for re-use.
13. Don't be a litterbug and teach your children not to be litterbugs.
14. Complain to your elected representatives about pollution, by letter writing or by phone.
15. Join an anti-pollution group and get active.
16. DO IT.

What is Ormstown doing?

✓ We apologing for a typographical error in last week's column. The number of meals served at Ormstown Presbyterian Supper was not 750, but a few less than 650.

✓ Bell Telephone will soon lay underground communication wires at Terrasse Bruno Beaulieu.

✓ UNICEF children will collect for the children of the world, while hoping for a few treats for themselves on October 31.

✓ The grass which was sown on the newly levelled part of the park has shot up, beautifully green, thanks to our warm fall weather.

✓ Did you know that Thursday garbage pick up has been suspended as of October 1 until May 1? Most householders have been putting out garbage on Thursday for the past two weeks.

LESS TAX

✓ At Tuesday's Parish Council meeting, it was resolved that parish garbage tax will not be imposed from September through December 1970, but will be absorbed through accumulated surpluses. Any householder who has paid for the four months will be reimbursed.

✓ A study was made by Hydro Quebec for street lights for the parish. The plan was tabled until a subsequent meeting.

PROPERTY TAXES NOW DUE

✓ The collection roll is now completed and has been registered at the town office. All municipal property taxes are now payable.

✓ Two loads of crushed stone were sold to the village for 1st Avenue, sometimes known as Chatiny St. A letter has been sent to the Ormstown Department of Roads requesting the ditch on the west side of highway 14.

ORMSTOWN PARISH ACCOUNTS PAYABLE

✓ Receiver General of Canada \$5.60; Minister of Revenue \$8.88; Hydro Quebec (lights) \$91.50; Form. Municipal Ltee \$83.75; Form Municipal Ltee \$10.84; Beauchamp Frères \$8.10; Boyer Metro \$20.11; La Lacoste \$561.80; — Total \$790.58.

ORMSTOWN VILLAGE ACCOUNTS PAYABLE

✓ Mrs. J. Burlington \$30; Bell Telephone \$102.75; A. H. Bessner \$99.36; R. Brunet \$209.02; La Corp. du Cte: Chateaugay \$2,145; R. W. Cottingham \$36; Crest Hardware \$15.68; Daigle & Frère \$240.15; Sylvio Galipeau \$83.20; Garage L. Gingas \$8.08; Guerin Excavation \$248.64; Ernest Guilbeault \$280; Robert Guerin \$3.50; Bill Hooker (compressor) \$104.50; Gleaner \$37.44; Hydro Quebec \$710.74; Jasper Lamb and Son \$60.05; Lawrence Hardware \$19.22; D. Leboeuf \$74; Bert McCartney \$144.44; Donald Primeau \$240; Eldas Primeau \$9.20; Regional Construction \$128.30; Rennie Plumbing and Heating \$38.63; White Insurance \$125.1; Guy Phenix \$32.52; Roland Bergevin \$1035. — Total \$7,386.40.

Ormstown couple celebrate Anniversary

More than 250 friends, neighbors and relatives of Mr. and Mrs. Wesley Cairns of Ormstown attended a party at Robitoux's Hall on Friday evening. The occasion was to help that happy couple celebrate their twenty-fifth wedding anniversary.

A very touching tribute was given to Mr. and Mrs. Cairns by their son Alan, who thanked his parents for their understanding and love. A presentation was made from the family by Miss Sharon Cairns.

Mr. and Mrs. Wayne Cairns were not present at the celebration as they had not arrived home from their honeymoon. Mr. William Frost as master of ceremonies introduced the Sybil McMullen, as bridesmaid, speakers, Mr. W. Craig, kept in now Mrs. Wilbur Gruer. Mr. Bert Cairns was not able to be present, (his home is in Vancouver) his duties were ably carried out by his brother, Mr. early morning.

Ormstown Social Notes

Mr. and Mrs. Alan Hooker spent two days during the past week in St. Columbin.

Mr. Tom Petersen and Mr. Stephen Sharron of New Bedford, Mass. were weekend visitors at the Ken Aldridge home.

Mr. John Moore of Halifax spent Thanksgiving with his parents Mr. and Mrs. Clifford Moore.

Mr. Jack Campbell of Ottawa and Miss Jane Campbell of trip and the autumn scenery Maxville were weekend visitors at the home of their parents Thanksgiving Day. Points of interest were Santa's Workshop.

Mr. and Mrs. Gordon Elliot North Pole, N.Y., Whiteface and family of Niagara spent Mountain and Lake Placid.

Dundee

Mr. and Mrs. Alderic Leblanc accompanied their son-in-law and daughter, Mr. and Mrs. ham, Ont. They also motored blanc's.

Jack Warren of Brockville, Ont., (to Detroit Mich. where they visited the Thanksgiving weekend) and family of St. Lambert spent the week-end with Mrs. Olive Arnold and Harold.

Ormstown W.I.

The Ormstown Branch of the Women's Institute met on Tuesday afternoon October 6 at the Senior Citizens' Club when "Education" was the theme of the meeting.

Mrs. A. Hooker, vice-president, conducted the meeting and Mrs. J. Bruce replaced the secretary. Mrs. J. McKel who was unable to be present due to an accident.

Following the customary opening with the Ode, Collect and O Canada 18 members and 4 visitors were called upon to answer the roll with the name of a famous educator.

Correspondence included Christmas card notices from Save the Children and UNICEF and Mrs. Hooker announced that the cards sold by the Association for the Mentally Retarded were available.

Mrs. J. McCaffrey reported a balance of \$83. The October collection as in previous years, will be given to UNICEF.

Reports from the various conveners were heard. For Agriculture, Mrs. Greer read a seasonal poem on nature entitled "Thanksgiving, Mrs. M. McNeil, convener of Agriculture read an article entitled "A Two Language Country is a Two-Way Street," closing with a short poem entitled "A Teacher Is —" Mrs. Wallace Younie selected information on Cookware of all materials and types for her Home Economics Department. For Welfare and Health, Mrs. Ethel Anderson reported on "Water, a Natural Medicine." Mrs. W. Kilgour contributed an amusing poem entitled "A Grandfather."

The Principal and members of the staff of the Ormstown Elementary School were entertained by the members of the W.I. at tea time. The guests were welcomed on their arrival

ELGIN COUNCIL

Elgin council held its regular meeting at Elgin Town Hall on Monday, October 5 at 8.30 p.m. all councillors were present except Leduc. Mayor Graham Salter presided.

The following accounts were ordered paid: E. James \$7.00, J. Tallon \$25.00, County Rate \$486.67, County Health Unit \$100.09.

Moved and agreed that R. Carrigan be hired to sand roads with his truck at the rate of \$5.00 per hour with a \$400.00 guarantee, for the winter 1970-71.

It was moved and agreed that this council sign contract with the Constable Volunteer Fire Department for three years at the rate of \$2000.00 per year.

Moved and agreed in order to balance the difference between Revenues and expenditures it is necessary to pass a general tax at the rate of 10 mills on the dollar \$1.00 on \$100.00 valuation.

Barrie Memorial Notes

This and That in Town

Dundee

THIRD GENERATION — on Saturday Alain Renaud purchased the J. C. Renaud Grist Mill and Feed Store in Orntown from his father who had operated the business since 1948. In 1938, the late Hormisdas Renaud became the successor of the late Allan H. Dawson.

ORMSTOWN — a two-car collision early Sunday morning claimed the life of Lucien Bolduc, employee at the Barrie Memorial and part-time taxi driver (See elsewhere).

ALBANY — speed on highways in New York State has been increased to a maximum of 55 from 50 m.p.h. on roads where other speed limits are not posted.

DUCKS — aren't too plentiful according to Lake St. Francis hunters. A few high-flying flocks of geese have been sighted but of course it's probably a bit early for them yet. Muskies have been hitting but Doré catches are smaller.

FALL FOLIAGE — was probably at its prime over the holiday weekend. Gleaner photographer Ken McNair and party travelled to New Hampshire to visit friends and he reports that while the colors were magnificent throughout the 700-odd mile trip, he saw nothing to surpass the beauty of scenic Route 52.

FIVE OCCUPANTS — in a car thoroughly demolished in a Saturday evening two-car collision on Route 4 between Dewittville and Ormstown, can consider themselves lucky to be alive. All who saw the black sedan after the accident marvel that all weren't killed.

ON GOOD AUTHORITY — we're told that 37 men temporarily laid off last week at Huntingdon Woolen Mills Ltd. will be returning to work in a short time.

ARTIFICIAL ICE — in the Huntingdon County War Memorial Arena, became a step closer to reality on Saturday when the ice-making equipment was ordered.

AND — the first unsolicited cash donation for artificial ice has been handed over to Bob Marshall.

OUR PROVINCE — will be years older before recovering from the black marks caused by terrorists.

JON PROUDFOOT — of Huntingdon, was honoured by the Malone Golf Club last Saturday evening at the club's annual meeting when he was presented with the Dr. Kenneth Tulloch Memorial Trophy. The trophy, which is donated by the Tulloch family in memory of the late Dr. Tulloch, was presented to Jon as the outstanding member of the club in connection with Men's Night activities.

SURVIVAL DAY — today (Wednesday) is Survival Day. Readers of Mrs. Bernie Cullen's columns will be aware that students at CVRHS as well as the population as a whole are deeply concerned about the pollutants which threaten human health and even life.

REOUNDING SUCCESS — the 1970 Annual Antique Show and Sale sponsored by the Chateaugay Valley Historical Society on Wednesday and Thursday of the past week was excellent from start to finish. Briefly: unofficial report is that the Society cleared close to \$1000 and that exhibitors, the public and the executive of the Society are all highly satisfied. The ten booths were artistically decorated and displays were well worth seeing; several of the exhibitors have reserved space for the 1971 presentation; the wine and cheese party Wednesday evening attracted a large crowd to the Riverfield Curling Club, site of the '70 show; the only disappointment was that because of dense fog the Thursday evening dance was cancelled; the buffet luncheon and supper served both days at noon and in the evening respectively delighted everyone and reflects credit on the lady members of the CVHS. Among the ten booths: Ormstown's Wheat and Chaff, Black Kettle Handicrafts, Mrs. Eric Wesslow of Chateaugay Mrs. Kennedy of St. Timothée, (Mrs. Crawford's personal observations of the '70 Antique Show and Sale on the front page are a pleasure to read and an official report from Mrs. Nicholas, the Society's publicity convener, is expected for next week).

ANTIQUÉ SALE — antique enthusiasts are reminded of the Friday and Saturday sale of antiques and other treasures at Beaufort United Church from 10 a.m. to 10 p.m. on the 16th and 10 a.m. to 6 p.m. on the 17th. Beaufort U. C. is located at 25 Fielding Ave., Beaufort. As will have been noted in the advertisements, antique dealers from a number of areas will be displaying exciting treasures. A 'country store' featuring homemade preserves, beans and other goodies is an added attraction. Refreshments, of course, will be available and tickets may be purchased at the door. Sounds good enough to go!

Visitors from Holland at the home of Mr. and Mrs. Jos Nieuwenhos are Miss Maria Leyten, Miss Agnes Custers and Mr. Adrianus Leyten. The Leytens are sister and uncle of Mrs. Nieuwenhos. They are enjoying their stay and find Canadians friendly and easy to talk with. Until coming to Canada, they never realized it was such a vast country.

Mr. Leyten, a farmer in southern Holland, is surprised to see so many stones. These there are no stones in the fields. He thinks farmers here have a great opportunity to expand. One can start with a small farm and gradually increase the acreage, while in Holland, these are no vacant farms to buy. All are in production. Farm land is also gradually being used for road construction and town expansion.

Mr. Nieuwenhos, Miss Leyten, Miss Custers and Mr. Leyten left Thursday for Niagara Falls. They expected to return Saturday.

Mr. and Mrs. William White of St. Laurent, are spending two weeks at the home of Mr. and Mrs. Earl McNicol, Mr. Jack MacDonald, brother of Mrs. McNicol, his daughter Dawn and her little friend, Peety Van Tegelen of McMasterville were overnight guests.

Callers at the same home Saturday were Mrs. Alex MacDonald of Dollard des Ormeaux, Mrs. D. Jackson of Kirkland, Miss Rae Church of Montreal and Mrs. George Church of Beaconsfield. Mr. and Mrs. George Church own the former Cameron McNicol farm in St. Anicet.

Mr. Earl McNicol recently won \$250 at bingo in the Notre Dame School, Malone.

Dr. and Mrs. Malcolm Marston and family of Iroquois, Ontario, spent the Thanksgiving weekend with Mrs. Marston's father, Mr. William Ferguson. The Marstons recently moved to Iroquois from Greenfield Park.

Dr. John Ferguson and family of Pointe Claire visited his parents, Mr. and Mrs. Peter Ferguson Sunday. They also called on Mr. and Mrs. Dan Fraser. Dinner guests last week of Mr. and Mrs. N. D. McPhee were Mrs. John Wallace and son Jackie of N.D.G. Mrs. Amy Scott and Mr. Harold Scott of Massena N.Y. also visited the McPhees.

Mr. and Mrs. Vim Van Der Heyden and family of Castleton, Ontario were weekend guests of Mr. and Mrs. Frits Van Der Heyden and family. Vim, a brother of Frits, is a tobacco farmer. The crop has been very good this year.

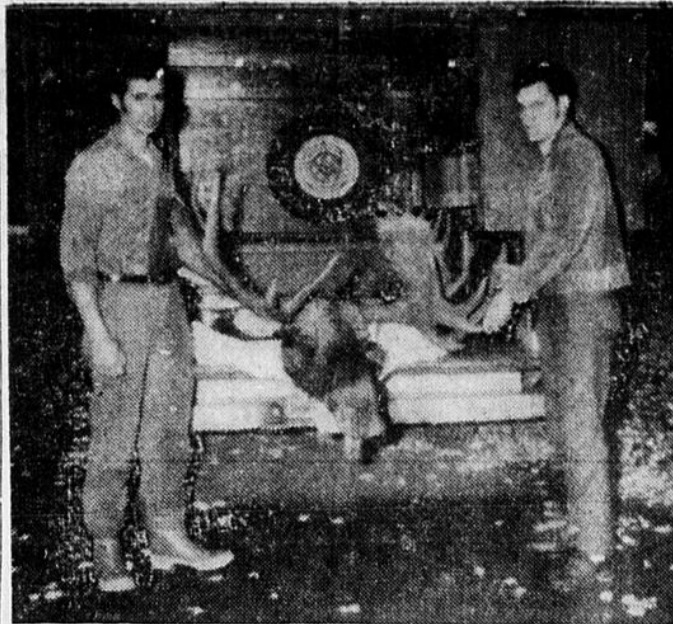

Athelstan

BIRTHDAY PARTY

On Saturday evening, October 3 a family group assembled at the hotel in Chateaugay, N.Y. to pay tribute and extend good wishes to Mrs. Ida Stark, the occasion being her 80th birthday.

The dinner in her honor was strictly a family affair and was attended by 48 guests, among same were a number of grandchildren.

Those who attended were: Mr. and Mrs. Maitland McCracken and family of Cornwall, Mr. and Mrs. Wm. Hutchings and family of Cornwall, Mr. and Mrs. Robert Harrigan and Mrs. Vincent Johnson and family, Mr. and Mrs. Dalton Stark Mr. and Mrs. William Baird all of Huntingdon, Miss Vera Stark of Montreal, Mrs. George Guerin and family of Syracuse, N.Y., Mrs. Myrtle Stewart of Huntingdon, Mrs. Annabel Elliott of Huntingdon and Mr. and Mrs. Lyall Stark

Messrs. Claude Caza and Gaston Menard travelled to La Verendrye Provincial Park on Thursday and on Friday morning bagged a 1400-lb. moose. The head of the huge animal is pictured with the Huntingdon men. As Gaston showed a Gleaner photographer, the antlers have 25-points and game wardens at the park estimate the huge moose was between 9½ and 10½ years old.

H'brooke firemen...

(Continued from page 1)

Committee for the election of new Officers for the coming year. The following were nominated, seconded, and approved by acclamation of the members present. President, Ernest Maither. Vice-President, Richard Panunzio. Treasurer, Doug Fortune. Secretary, Gordon Ferry. Ass't Secretary, Lorne McNaughton. Fire Chief, Dan Tully. 1st Ass't, Donald Grant. 2nd Ass't, Donald Erskine. Captain, Bruce Maither. Lieutenant, Stanley Myatt. Directors: Doug McNaughton, Wesley Jameison and Jim Hutchings.

After a six months probation period, Tommy Quinnell was appointed as a full member of the Fire Brigade.

A discussion took place concerning the annual banquet, and a tentative date of Oct. 17 was set.

NEW AWARD

Consideration was to be given to a new award, which would be called "Fireman of the Year Award," also certificates were to be prepared for non-active firemen. A re-arrangement was to be made for some of the work programs which would better suit the schedules of some of the volunteer firemen.

AID CHATEAUGAY

An interesting bit of information came to light during the meeting. On Oct. 1st about 12 members of the Hinchinbrooke Brigade had been attending a pre-planning session at Chateaugay N.Y. The subject under study was a local lumber yard. During the exercise an emergency call was received for a fire at a vacant house in the area. This turned out to be quite a blaze and it took about two hours to get it under control. The Hinchinbrooke members were asked to pitch in and lend a hand, which they gladly did, and this was the first time on record of Canadian help for a Chateaugay fire. Our firemen were to go back and finish the interrupted pre-planning course at a later date.

HOSPITALIZED

Mr. Edmond Galipeau is again a patient at the Huntingdon County Hospital, Mrs. Muriel Hamilton is at the Barrie Memorial Hospital and Mr. Alex, Duheme is still at the Montreal General.

LADIES AID

The Ladies' Aid met in the church schoolroom on Thursday afternoon, October 8 with seven members present. Quilting was

Dundee

THANKSGIVING SERVICE

The Thanksgiving service at Dundee's Zion United was well attended. Mr. Carpentier, who delivered a timely message on Thanksgiving of yesterday compared with that of today, was happy with the large congregation the full choir and the attractive display of fruit and vegetables at the front of the church.

Mr. Carpentier reminded the ladies of the congregation of the Harvest Supper which will be coming up in two weeks time. He also stated that anyone wishing to have their food donation picked up, should contact the Manse, or the Clerk of Session, Mr. Fred Armstrong, who will cheerfully look after this service. It is asked that food arrive at church in time for early serving, and it is for this reason that all contributions should be in prior to 5 o'clock.

SOCIAL

Mr. and Mrs. R. A. Fleming and family of Ottawa also Mrs. Forrest Dawson of Ottawa spent the Thanksgiving holiday with Mrs. Elizabeth Fleming. Miss Hazel Vass also accompanied the folk from Ottawa and enjoyed the week-end with her brother-in-law, and sister, Mr. and Mrs. Gordon McHardy in Huntingdon.

Mr. Herbert Burbank is visiting for a few weeks with his son-in-law and daughter, Mr. and Mrs. Lester Fraser.

Mrs. J. B. Quenneville has

returned home from the Royal Edward Chest Hospital in Montreal where she had been a patient for a few weeks. It is the hope of her many friends that she may enjoy better health in the days ahead.

Mrs. Emerie Leblanc is presently a patient in the Hunting-

don County Hospital. Best wishes for a speedy recovery go out to her.

Mr. and Mrs. Albert Leger and Mr. and Mrs. Edmond Leger motored to Maniwaki on the holiday week-end and visited with relatives there.

Quebec march of dimes

From the 11th to October 31st., 1970. "The March of Dimes" Campaign will endeavor to raise \$2,000.00 in the Huntingdon region. Your contribution will help to alleviate the suffering of needy cases of polio and other crippling afflictions.

Editorial Notes

A unanimous decision

THE new directors of the Huntingdon County War Memorial Arena Ltd. artificial ice committee took a giant step forward on Thursday evening when they unanimously voted in favour of ordering the ice-making equipment.

Their decision was a giant step not only because youngsters in the community will no longer be saying "There's nothing to do in winter here" but because they shouldered responsibility for something young and old alike will be proud of.

Few, if any, responsible local folk are against the artificial ice project but there are those who would prefer to have seen the committee raise the required funds before placing the order for the equipment.

The "those" recommending full cash on hand before ordering far outnumbered the one or two in favor of the signing of the order with only the 20% down payment promised by the councils, but discussion and reasoning ensued. It was pointed out that hopes for artificial ice had been elevated on previous occasions but had never materialized because nothing was ventured or too few were willing to share responsibility.

Now, when people are sympathetic to the cause and while economy is still good, was felt to be the time to start the project. If the decision was shelved until March when government grants for such purposes would be made public, another year would go by without artificial ice

in the War Memorial Arena and people would lose interest and confidence.

It was further pointed out that the desire for artificial ice is practically unanimous and that many have signified their intentions to dig deeper into their pockets than they had ever done for any previous cause.

The decision reached Thursday night wasn't what might be termed a victory because there has never been any opposition... it was an achievement, by and for the community at large.

Reputable men are spearheading the project and they will be joined by more. Everyone will be invited to help financially and many will be called upon to give more than dollars. It is an opportunity for all to pull together to realize a common ambition without further delay. Putting the project off until enough money is collected might appeal to some of us but down deep each and every person knows that to have done so might well have postponed the realization of ice for possibly three years. We say three because even if a provincial government grant worth the wait was granted in March, it would probably be made over a period of two years.

We doubt if the men willing to assume responsibility for the giant step on Thursday night would show the same enthusiasm in 1973.

The step has been taken and we congratulate those responsible. Let's all show our appreciation of their efforts in every possible manner.

And now to wait---

WITHIN a few weeks the Town of Huntingdon will receive a report from the Province of Quebec Police Department which may well cause some lifted eyebrows. Conversely, it may cause some to be lowered.

At the request of Mayor Leo Cappiello and the six Aldermen who comprise the Huntingdon Town Council, a survey has been completed with regard to the police department here. The request was originally made about a year ago but it seems that even this branch of the government is taxed with overwork and a long wait is in store for both policemen and town fathers.

Just when a Mr. Trudeau from the provincial police department made his survey hasn't been disclosed any more than the recommendations he will undoubtedly suggest, but it was some time after the October 5 council meeting.

Reports that various businessmen and residents were interviewed are coming to light but what they said to Mr. Trudeau is classified information and will never be made public, which is understandable.

From time to time one hears opinions expressed that individuals on the local police force aren't around when they're needed. Again we think that's understandable. How can one chief, two regular officers and two part-time men be Johnny-on-the-spot 24 hours daily and 365 days of the year? Almost an impossibility we'd say.

On the other hand is protection needed 24 hours per day and every day of the year?

That we would think might be difficult for even the investigating board to determine.

Huntingdon has been comparatively free of major crime for many years and we hope it continues to be but rashes of burglaries occur from time to time. Extensive property damage has been caused and victims have lost varying amounts of money in these cases. Because of this most people, including businessmen especially, appreciate police protection and would welcome the thought of more hours of patrol work.

If this was the solution, there would still be complaints though. We can remember one alderman suggesting that the police should walk on their patrols and not use a car. That would be just ducky if the town could afford a dozen or more men on the force but that's out of the question. Few ratepayers would want their taxes to skyrocket.

What recommendations Mr. Trudeau will make at Quebec and what changes the provincial commission will suggest or dictate aren't known yet but we hope that when the town fathers receive the report they asked for that they will make a public, irrefragable, heads roll.

We say that because in all fairness we believe heads are going to roll. An expert wouldn't come to Huntingdon without finding some faults or making some recommendations for improvements. We say the police are going to be criticized and we say the town fathers are going to be censured... but we also say that taxpayers are going to be affected because, as mentioned, Mr. Trudeau is an expert and usually experts' recommendations cost money. Maybe fairly big money at that.

One must bear in mind however that those suggestions will undoubtedly be for the eventual benefit of Huntingdon and the people who live here.

tent and purpose of the traditional Christmas celebration. When Government can cynically spend our tax dollars issuing a variety of children's paintings of (a) a Christmas child on a kindergarten cat (d) something that looks like a cross between a little red schoolhouse and a fire-hall, it's time we began examining those people at the helm of our Ship of State. Just as we have seen the "phasing out" of the Queen, proud old Canadian regiments, the Royal coat of arms and so many other Canadian traditions, so this latest farce of "celebrating" Christ's birth day without even a token religious significance on our postage stamps is a mockery and a monstrous indignity being foisted upon an unsuspecting public.

HUNTINGDON COUNTY HOSPITAL NOTES

The Huntingdon County Hospital gratefully acknowledges the receipt of Annual Memberships from Miss Hattie Shearer, Mr. Raymond MacFarlane and Mrs. Lily McConville and the following donations: \$10.00 from Mr. and Mrs. Lyford Parker; \$10.00 from Mr. George Murphy; in memory of Mr. Willard Allen \$10.00 from Mrs. Ivan Heath and Mr. and Mrs. H. G. Bickford; in memory of Mrs. J. A. Boisseau \$10.00 from the Ladies Auxiliary, Branch 81, Royal Canadian Legion; in memory of Mr. Lionel Blanchette \$4.00 from friends and neighbours on King Street. Generous donations of jams, jellies, etc. have also been received from Huntingdon W.I. and St. Paul's Anglican Church Women, Herdman.

Mr. Marvin Milne is presently a guest at the home of his parents, Mr. and Mrs. Arnold Milne. He plans to return to his home in Calgary in the near future.

Mr. and Mrs. Willard Kellett of Plattsburg spent the weekend at the home of Mr. and Mrs. Martin Beattie.

Mr. and Mrs. Bill Robb, Allen and Duncan of Willowdale, Ont. spent the weekend at the home of his parents, Mr. and Mrs. A. G. Robb. Sunday guests at the Robb home were the Misses Muriel and Irene Martin of Montreal and Mr. and Mrs. George Robb of St. Jean.

Mr. James Bouchard of Montreal and Miss Diana Fleming, a student at McGill University spent the weekend at the home of his grandmother, Mrs. Dan Faubert.

Miss Deborah Gaw of Ste-Agathe spent the Thanksgiving weekend at the home of her parents, Dr. and Mrs. J. S. Gaw.

Mr. and Mrs. Booth and their family of Montreal spent the weekend at the home of Mr. and Mrs. John Telfer.

Mr. Donnie McCoy, a second year Arts student at Carleton University spent the Thanksgiving weekend at the home of his parents, Mr. and Mrs. David McCoy.

Miss Leona Jones of Montreal spent the weekend at the home of Mr. and Mrs. Gordon McLean. Miss Gertrude Cagney of Montreal and Mr. and Mrs. Roy Goodfellow of Ottawa were callers Thanksgiving Day.

Holiday guests of Mr. and Mrs. Charles Reid were Mr. and Mrs. Campbell Murray, Sandra and Dale of Martintown, Ont. and Miss Heather Reid of Montreal.

Mrs. Murray Ryan of Welland, Ont. Mrs. Elizabeth Donnelly and daughters, Mary and Viola, of Hamilton spent the weekend visiting their many friends in Huntingdon.

Miss Jessie N. Pitt has left town to attend the yearly conference of the Ontario Spinners and Weavers to be held in Windsor, Ont. October 16 and 17. She will visit friends in Oakville and Toronto before returning.

Sunday evening supper guests of Mrs. Wilfred Kelly were Mrs. Winston French of Halifax, N.S., Mr. and Mrs. Brian Marshall and family of Lacolle and Mrs. Helen French and Linda of Ormstown, Mr. and Mrs. Gerald Henderson and family, Mrs. Lucy Kelly of Huntingdon and Mr. Basil Kelly of Belleville, Ont., Basil will be spending this week in Huntingdon.

Weekend guests of Dr. and Mrs. F. G. McCrimmon were Miss Janice Fraser of Lansdowne, Ont. and Miss Carolyn McLean of Chatham.

Mr. and Mrs. Wm. R. Wilson have returned recently from a two-week holiday which took them to visit their sons and their families, Mr. and Mrs. Carl Wilson at Halifax and Mr. and Mrs. Ross Wilson at Ormoco, N.B. This town, part civilian and part government

owned, was formerly known as Camp Gagetown. Their trip also took them along the Cabot Trail before they returned home.

Mr. and Mrs. Willard Kellett of Plattsburg spent the weekend at the home of Mr. and Mrs. Martin Beattie.

Mr. and Mrs. Bill Robb, Allen and Duncan of Willowdale, Ont. spent the weekend at the home of his parents, Mr. and Mrs. A. G. Robb. Sunday guests at the Robb home were the Misses Muriel and Irene Martin of Montreal and Mr. and Mrs. George Robb of St. Jean.

Mr. James Bouchard of Montreal and Miss Diana Fleming, a student at McGill University spent the weekend at the home of his grandmother, Mrs. Dan Faubert.

Weekend guests of Dr. and Mrs. F. G. McCrimmon were Miss Janice Fraser of Lansdowne, Ont. and Miss Carolyn McLean of Chatham.

Hadon couple celebrate 50th anniversary

An enjoyable "at home" party for Mr. and Mrs. Ord Taylor on the occasion of their 50th Wedding Anniversary was held in St. John's Church Hall, Huntingdon on Saturday afternoon and evening, October 10. The hall was decorated with potted plants, streamers, bronze and yellow cut flowers and autumn leaves. The table where the ladies poured tea was set with sandwiches and squares and was centered by a three-tiered anniversary cake, with vases of bronze mums on either side. Members of St. John's Guild capably catered to this event.

The bride and groom of 50 years along with their family, greeted the guests as they entered the hall and two of their granddaughters, Heather and Holly Taylor, had charge of the guest book.

Ord and Mina were married at the Henderson home on the Gore Road by Rev. H. Godard, on October 6, 1920. They resided on the Gore until they moved to their present residence at 12 Lake St. Huntingdon in 1954. Their family consists of three sons and one daughter. They are Billy and Gladys (Robb) of Montreal, Harold of Huntingdon and Reggie of the Gore. There are also four granddaughters, Heather, Holly, Brenda and Bonnie of the Gore and one grandson, Stephen of Huntingdon.

One highlight of the event was the receipt of a congratulatory telegram from the Right Honourable Pierre Elliott Trudeau.

Among those present were Mrs. Ethel Henry of Toronto, Mrs. Hazel Ogilvy of Lachute, Mrs. Arnold McKell, Mrs. Pearl Kerr both of Howick and Mrs. Olive Elliot of Ormstown, who along with four other ladies belong to a group who graduated from Macdonald College with Miss 53 years ago. Others from a distance who attended the celebration were Mrs. Vera McRae of Sudbury, Mr. and Mrs. Ken Lusk of Brampton, Mr. and Mrs. Ernie Roseaver and family from Hamilton, Mr. Andrew Taylor of Ottawa, Mrs. Leland Webster of Rome, N.Y., Mrs. Jessie Henderson of Canton, N.Y. and from Montreal, Mr. and Mrs. W. C. Henderson, Mr. and Mrs. Tommy Barrington, Mrs. Lucy Robb, Mr. and Mrs. John Daly, Mr. and Mrs. Paul Turcotte, Mr. and Mrs. John Kapitsky, Mr. and Mrs. Ken Baxter, Mrs. Margaret Mundy, Mr. and Mrs. Bill Taylor and Mr. and Mrs. Ron Robb.

One highlight of the event was the receipt of a congratulatory telegram from the Right Honourable Pierre Elliott Trudeau.

Among those present were Mrs. Ethel Henry of Toronto, Mrs. Hazel Ogilvy of Lachute, Mrs. Arnold McKell, Mrs. Pearl Kerr both of Howick and Mrs. Olive Elliot of Ormstown, who along with four other ladies belong to a group who graduated from Macdonald College with Miss 53 years ago. Others from a distance who attended the celebration were Mrs. Vera McRae of Sudbury, Mr. and Mrs. Ken Lusk of Brampton, Mr. and Mrs. Ernie Roseaver and family from Hamilton, Mr. Andrew Taylor of Ottawa, Mrs. Leland Webster of Rome, N.Y., Mrs. Jessie Henderson of Canton, N.Y. and from Montreal, Mr. and Mrs. W. C. Henderson, Mr. and Mrs. Tommy Barrington, Mrs. Lucy Robb, Mr. and Mrs. John Daly, Mr. and Mrs. Paul Turcotte, Mr. and Mrs. John Kapitsky, Mr. and Mrs. Ken Baxter, Mrs. Margaret Mundy, Mr. and Mrs. Bill Taylor and Mr. and Mrs. Ron Robb.

Ord and Mina were married at the Henderson home on the Gore Road by Rev. H. Godard, on October 6, 1920. They resided on the Gore until they moved to their present residence at 12 Lake St. Huntingdon in 1954.

Their family consists of three sons and one daughter. They are Billy and Gladys (Robb) of Montreal, Harold of Huntingdon and Reggie of the Gore. There are also four granddaughters, Heather, Holly, Brenda and Bonnie of the Gore and one grandson, Stephen of Huntingdon.

One highlight of the event was the receipt of a congratulatory telegram from the Right Honourable Pierre Elliott Trudeau.

Cards of Thanks

We wish to express our sincere thanks to Dr. Cameron and the nurses of Huntingdon County Hospital for their efforts to relieve the sufferings of Mr. Alcide Leduc, to Father Gosselin and Father G. Quenneville for spiritual aid, to the Sisters of C.N.D. for their spiritual encouragement, to all who rendered aid at the scene of the accident, to Mr. and Mrs. Guy Riel for all their kindnesses, to our many kind neighbours, friends and relatives who assisted us at home during these grief-filled days, to Mrs. Nelson Brunette for help at the hospital, to the Ladies of Ste. Anne for taking charge of the buffet lunch after the funeral Mass and to Mr. Gordon McIntyre for his kindness to us all. The Mass offerings, sympathy cards, floral tributes, visits to the funeral parlor and the large attendance at the funeral Mass were all very deeply appreciated. A very special "thank you" to the Staff and pupils of St. Joseph School for their beautiful prayer ceremony at the funeral home.

Mrs. Ola Leduc and family

I wish to extend my sincere thanks to all my relatives and friends for the lovely gifts and cards received on the occasion of my birthday. A special thanks to my family for the pleasant surprise party. It was all much appreciated.

Mrs. Angus Stark

In Memoriam

BARRIER - In loving remembrance of Naomi (Bunnie) who passed away October 17, 1962.

"Memories are like threads of gold. They never tarnish or grow old."

Mother

CALDWELL - In loving memory of a dear mother who passed away on October 13, 1962.

"We were not there to see you die. To hold your hand or say good-bye. But we will remember, our whole life through, The last few words we had with you. Treasured memories are all we have left Of a mother we loved, and will never forget."

Always remembered by Eva, Jean, Walter and all her family

CARSON - In loving memory of a dear Dad, Ross Carson, who passed away Oct. 14, 1960.

"You never failed to do your best. Your heart was true and tender. You worked so hard for those you loved. And left us to remember." His loving daughters, Diane and Wendy

DONNELLY - In loving memory of Grandma, Dora B. Donnelly, who passed away Oct. 22, 1960.

"Softly we speak of the ones we love. Tenderly we think of the past. Memories grow deeper as time travels on. But love and remembrance last." Always remembered by granddaughter, Mae Paul and children

Born

MURRAY - To Bryan and Geri (nee Sutton) at the Lakeshore Hospital, Pointe Claire, on Sunday, September 27, 1970, a daughter, Heide Alicia.

REID - Stan and Muriel (nee Waldie) are happy to announce the birth of their first child, a son, on October 5, 1970, at the Barrie Memorial Hospital. Many thanks to Dr. Sutton and a wonderful staff.

SMITH - Brian and Helen of Val d'Or, Quebec are happy to announce the arrival of their son, Oct. 5, 1970, Christopher Sidney, grandson for Mrs. Sidney Smith of Huntingdon and Mr. and Mrs. Tom Calder of the Town of Mount Royal, Que.

I wish to express my sincere thanks to Dr. McCrimmon, nurses and staff of the Huntingdon County Hospital for the excellent care and treatment while I was a patient there; also my thanks for cards and visits from relatives and friends.

Miss Merle McCatney

We wish to thank our family for the lovely party they gave for us on the occasion of our 50th Wedding Anniversary, our relatives and friends for the many gifts, cards and good wishes received; also a big thank you to St. John's Guild for doing such a splendid job of catering for this event.

Mr. and Mrs. Ord Taylor

The family of the late Mrs. Robert C. Whyte wishes to express their most sincere thanks and appreciation to relatives, friends and neighbours for their kindness during our recent bereavement.

Jerry and Wendy

In Memoriam

FARQUHAR - In loving memory of a dear Dad, Alton Farquhar, who passed away Oct. 21, 1968.

"We had a Dad with a heart of gold who was worth more to us than wealth untold. We have lost, but God has gained One of the best Dads, this world contained." Sadly missed by,

Jerry and Wendy

LETTERS TO THE EDITOR
1030 Nanton Avenue Vancouver 9 British Columbia
Oct. 15th, 1970
Editor: Dear Sir:
The newly designed "Christmas" stamps issued by the Canadian Post Office Department are an insult to the in-

tent and purpose of the traditional Christmas celebration. When Government can cynically spend our tax dollars issuing a variety of children's paintings of (a) a Christmas child on a kindergarten cat (d)

Howick

Mr. and Mrs. Maynard Motheral of Princeton Ont. are guests of Mrs. Albert Hope while they visit Mrs. Motheral's relatives in this district. Her grandmother Mrs. Creasey, was a Hope, born and raised at Beechridge. It is almost 50 years since Mrs. Motheral visited here.

Mr. and Mrs. Motheral have farmed in the Woodstock district for many years, and only last week sold their herd of Holsteins. They will live in the old farm house but have time now to travel about the country.

Mrs. William Stewart suffered an injury and is now a patient at the Montreal General Hospital. Best wishes go to her for a speedy recovery.

Miss Flora Currie and Mr. Norman Tebby accompanied Mrs. Clifford Brown and Gerald on a trip to upper Canada Village one day last week. This was a real treat for Miss Currie who had been hoping for a long time to see the sights of that village.

The old Glengarry School was of special interest to her. A cousin's aunt and her husband, Dr. Campbell, lived in Glengarry and were friends of Ralph Conner when he wrote his book about school days.

More than 1,000 school children were on the grounds the day of Miss Currie's visit and some of them were in the school at the same time, and heard about and saw the slates that were used, the old desks, etc. with which she was so familiar as a child. The group had a ride with oxen and another on a small train. All were thrilled with their day at this interesting place.

Thanksgiving weekend the Crawfords go to Covey Hill for their regular supply of the wonderful apples they grow there. Two people in the family, four cartons of apples! Why not buy these gorgeous chompy goodies instead of so many fruits from abroad at much higher cost. Apple pies, apple puddings, apple sauce and best of all raw apples.

Chateauguay Minor Football

The first Bantam House League game was played on Saturday October 10 at Colonia Park as the late organized teams finally got the show on the road for the 1970 season. The teams have been holding nightly workouts over the past several weeks and the action was a welcome change for the boys who have awaited the opening.

Many problems faced the section as the boys failed to heed the call for registration, and this led to incision on the part of the league as to whether or not the Bantams could be organized. Following the opening game in which the Argos downed the Alouettes 18-6, a large group of players approached the coaches of the teams involved with a request for the admittance of another team to the league, and this matter must now be decided upon by the executive of the minor football organization.

OPENING GAME

In the opening game Michel Allard, Jean Marc Chartand and Pierre Cole each scored touchdowns for the Argos as Glen Finerty's long run accounted for the only Alouettes score. The game was well played for an opener and both teams put a great effort into the contest.

POINT RUNDOWN

In games reported up to Sunday October 11 in the Atom section, the Argos one wide edge has been reduced to a mere two points over the second place Roughriders with each team having one game left to play before the schedule winds up.

The Argos were downed by the Roughriders in a Saturday contest, although the score sheet has not yet been turned in to the league, and this put them hot on the heels of the league leaders. The Argos have 14 points on 7 wins and two losses, while the Roughriders record stands at six victories against three defeats. While the Roughriders breathe down the Argos necks, the Lions are two points back with 4 wins, 3 losses and two ties after playing to a standoff with the Tiacats in Saturday's play. The tie leaves the Tiacats with nine points on four wins, three losses and a tie, and they own a game in hand over the Lions. The Bombers eased into fifth place by beating the Alouettes 15-13 on Friday night dropping the big red machine into the league cellar with three points, made up of a single win and a tie along with six setbacks. The Bombers have won a pair and dropped six others.

MOSQUITO PLAY

Two Mosquito games were reported in the past week with the Lions scoring a one-sided 24-1 win over the Argos and the Roughriders topping the Bombers 18-6. In the standings, the Tiacats remain undefeated with six wins in a row for 12 points, and the Als trail with five wins and a single loss for a ten-point total. The Bombers have won four and lost three for eight points, while the Lions and Roughriders have identical records showing two victories and five setbacks for four point totals.

The Pee Wee Alouettes have emerged on top in eight of their nine games for 16 points and a six point bulge over the second place Argos who have five wins and three defeats. The Roughriders are in a return engagement.

(Continued on page 8)

AA teams top Lachine in best of 4 contests

Three of the four Chateauguay Minor League Double A teams got into their first real competition of the season at Lachine Arena on Sunday afternoon. The venture was a successful one as the local teams emerged with two wins and a tie.

In the opener the Chateauguay Cougars Midget team came through with a 5-1 win over Lachine, in spite of being shorthanded due to the loss of several boys to action with the Chateauguay Browns football team. The Bantams also lost four regulars to the football wars, and still managed a 2-2 tie in the second of the three game set.

The final of the afternoon saw the Pee Wees score a 5-3 win and as with the other teams, the Cougars were left

minus a few players with some of the boys involved in the Hamilton football tourney.

The showing by the Cougars was an excellent start to the season for the double A section of the league especially considering the fact that the teams had lost practise time due to the shut down of the arena in Chateauguay following the extremely warm weather of the past week.

If cooler temperatures prevail during the next several days the arena is set to re-open for business and Lachine will return for action on Thursday, October 15, with the Mosquitos and Bantams in action, and on Monday, October 19, it will be the Pee Wees and Midget entertaining Lachine in a return engagement.

Local man named as delegate

Upcoming Federal Liberal policy conference

A November Convention of the Federal Liberal Association is expected to be three days of "serious work and no socializing", to quote a spokesman for the Federation. The policy making convention will be held at Ottawa's Chateau Laurier Hotel, on November 20, 21 and 22 will get down to brass tacks and it is presumed that outcome will be

the basis for the party's next election platform, possibly two years from now.

It is also expected that a resolution will be made on the desirability of holding a leadership convention. The Federation has issued complex rules of the policy formulation game, when 2,500 delegates from all across Canada assemble for the three day conference.

Local Delegates

Representing the immediate area at the sessions will be Mr. John Lankree, one of six chosen by the local Federation. Others include, Miss Revilla R. Sauvè of St. Lambert; Bjorg Lavoie of Greenfield Park; Messrs. Claude Tessier and Leo Thibault of St. Lambert and Mr. Jean Paul Fabry of St. Constant.

Left to Right: Miss Cornelia Wesselow, Mr. Fred Bate with acrylic painting "The City" (which he purchased at the opening of the Art Show, Miss Barbara Allen, local artist and Mrs. Edith Bate.

Barbara Allen gives first show

Local artist exhibits paintings

A most successful "vernissage" of works by Barbara Allen was held recently at the Georges P. Vanier Cultural Centre. The exhibition of paintings included acrylics, pastels, watercolours, charcoal, india ink and pencil and a most interesting set of batiks which were continuing all this week and those interested will be most impressed with this young artist's work. There are a total of 38 works shown, including the batiks.

Barbara Allen is no stranger to Gleaner readers. She was our H.S. Billings High School correspondent while in Grades ten and eleven there and wrote some thought provoking editorials while editor of the school paper "Kaleidoscope" which were reprinted in this newspaper. Now in her second year at McGill University, Barbara has been preparing for this show for many months.

She has been painting and writing since elementary school age and we have always said here are great things in store for this young lady. Barbara is the elder daughter of Mr. and Mrs. John Allen of McLeod Ave., and has a sister Beverly, who is also very interested in art. May we take this opportunity to congratulate Barbara Allen on her first public exhibition of paintings.

Installation of the new executive of Chateauguay Toastmasters. From l. to r.: Nelson Weippert, educ. V.P.; Karl Burkhardt, Adm. V.P.; Clarence O'Connell, president; Tom Kavanagh past pres.; Bert MacLauchlan, area governor; R. Robichaud, Sgl. at Arms; Aime Dufort, treasurer; absent: Stan Armstrong, secretary.

Chateauguay Toastmasters

Communications, a worthwhile investment

Everybody wants secured investments with high returns, but has difficulty finding them. It is, however, generally agreed that the best investment today is in communications.

Only through this asset of mankind were the achievements of our generation made possible. All technological advances are a product of man's ability to communicate, although they are only devices to help him with his skills.

If there were no communication through speech or writing, we would still be living in trees and caves. There would be no medical help for the sick, no law, no order, and no society. Since an individual by himself is helpless and he needs society or his community to achieve a goal, it is only by communication that he will be successful. The success greatly depends on the person's ability to express himself to his fellow man and motivate him towards a common goal.

In our search for communication we should speak a common language, with the same meaning for all. This is especially important in our world of today where we read and hear constantly about violence, demonstration, and force. We should realize that progress depends on understanding through effective communications. And in these communications everybody should participate, whether he be president of a company or errand boy, salesman or buyer, executive or serviceman. Each has a need to express himself, a desire for achievement, an obligation for help to his fellow man. Nobody can sit back and wait for retirement. When retirement comes the need for help will be there, too.

It is therefore necessary to realize the necessity for investment in communication NOW. Every man can get the highest return for his effort by joining Toastmasters International. There he can participate in effective conversation. He will be able to serve his community better through his own efforts and through the efforts of others. The ideas he will communicate to others could well be great help to solve a problem.

(Continued on page 8)

ST. GEORGE'S NOTES

Last Sunday's Harvest Thanksgiving gifts of fruit, vegetables and tinned foods were taken to Caughnawaga's Kerei Hospital after services were over for the day. The children of the Church School had made posters illustrating the theme of Thanksgiving; these were used to decorate the side and rear walls of the Church.

Last Minute Call

The Rummage Sale will be held this Friday at the Shopping Centre and donations are still welcome, with pick-ups arranged. Please call any of the following ladies: Mrs. J. Mitchell, 691-2263; Mrs. M. Richardson, 692-2213; Mrs. H. Airlie, 692-6388; Mrs. S. Gaston, 682-6122.

Articles may include good clean clothing of all kinds, preferably fall and winter, chinaware, small household articles, games and books etc.

(Continued on page 8)

-Perspective-

A TIME TO DIE

It had to happen, of course. It was one thing to suffer through the political agitation, the demonstrations and even the bombs. It is an entirely different thing to face kidnapping and the very real threat of violent death.

It heralds a new era for Quebec. An era of terror, perhaps of anarchy. At the very least, of political uneasiness never before experienced in this corner of the world. It has been difficult enough to find able men for public life, how now when one's life may be the price for such service?

Perhaps some will be even "proud" to find that Quebec and Canada have entered the world community where terror is a way of life. Frankly, I am proud. At least of the fact our leaders seem to be facing up to their overall responsibility by refusing the terrorists demands. Hard and heartless as it may sound, I sincerely believe that the kidnappers must win, no matter the immediate cost. Even at the price of human lives, the answer must be a firm, no!

Somehow, I am sure, that

most of the population will agree that to give in now would be fatal. If not for the Messrs. Cross and Laporte, then for the others that would be sure to follow.

And there would be others, make no mistake about that. Terrorists all follow a pattern of success. If a plan produces the results requested, it is repeated. The demands become only more daring, more costly, until the breaking point is reached. Like all blackmail, the victim never gets off the hook as long as he has something to give. On the other hand, nobody milks an empty cow.

This particular episode may be over by the time you read this, ending I hope, without loss of life. But I guarantee the play will be repeated and eventually resulting in death for some. That fact is inevitable. Surrender will only increase the number of lives involved. The limit depends only on the time and firmness of government refusals to cowardly demands.

The poet has said, "... there is a time to live and a time to die. Must we always ask when or why?

that puzzled them.

What will you do at Toastmasters? You will be invited to express your opinion on a subject and also to criticize others. This is an opportunity you may seldom have, either at work or at home. All these reasons are definitely in favour of your investment in a Toastmasters club. Make it a point to investigate your possibilities of a high return for a small investment in communications. Attend a meeting of the Chateauguay Toastmasters club at the RUSTIK restaurant in Chateauguay next Monday night, at 8 p.m. See and hear for yourself what Toastmasters can do for and with you before you invest your time elsewhere.

LETTER FROM SEIGNIORY PARK

by FERGUS HORSBURGH

A DISGUSTING SMELL

Last Thursday evening, Seignior Park suffered probably the worst sustained attack of air pollution since the new garbage dump on Caughnawaga territory was established about one year ago.

This dump is located south of Highways 3 and 4, between St. Francis Boulevard and the quarry. Apparently it is being used as a disposal area for a dozen or so truckloads of garbage from Montreal daily. Apparently some Seignior Parkers have been offended by the disgusting smell for some months, though this was the first time I personally had a whiff of it. It seems that unless corrective action is taken, this will become an ever-increasing problem to our area. Perhaps Mr. Ian Watson, M.P. could intercede on our behalf?

Incidentally, Mr. Watson left recently on a five day tour of Northern Quebec Indian communities. Ian is Committee Chairman of the House of Commons Standing Committee on Indian Affairs and Northern Development and was accompanied by subcommittee members Gérard Laprise, M.P. for Abitibi, René Matte, M.P. for Champlain and Raymond Rock, M.P. for Lachine.

The subcommittee visited Lac Simon, Mistassini Post, Caché Lake, Eastmain, Point Hills, Fort George, Great Whale and Schefferville. The object of the visit, Mr. Watson stated, was to have a first hand look at the living conditions and at the same time to inquire into the employment situation and the results of the Indian Affairs education programme, two matters which have been given special attention by the Indian Affairs and Northern Development Committee during the past year.

PARKVIEW NURSERY SCHOOL

The earliest co-operative school in the United States began in Chicago in 1916 through the efforts of twelve University of Chicago faculty wives who

Perambulations around Billings

Continuing our observations in the "halls of learning", I visited the high school cafeteria one (by bus) week during a late lunch hour. This is one of the times when the 800 seat dining room is usually less than one quarter full. (I've been advised to have a look at a really busy time). There are always three monitors on hand, one gentleman (retired from business world) and two ladies, the latter both with children attending Billings. One of the reasons I decided to see for myself what sort of mayhem went on in the cafeteria was a report given to me that students "threw food all over the place".

I found nothing of the sort. There was no rudeness, no pushing or shoving, no loud voices, and above all there was certainly no food going anywhere but into hungry mouths. True, once in a while a french fried potato occasionally dropped on the floor, but this was no doubt caused by extra-full containers. The monitors made sure all lunch papers and bags were put into the rubbish bins placed in strategic areas all over the cafeteria. I found the big room very warm, but this is to be expected when well over a thousand students have just lunched there.

Once a student enters the cafeteria he or she is not permitted to leave with food in their hands, however many students eat outside in the halls and I did see a lot of litter lying about. There are also those who eat outside of the building and they leave their sandwich bags and other debris just anywhere they happen to be standing at the time.

Smoking is not permitted on school property, so all those who wish to puff away, must go across the street or find some other corner to enjoy their cigarette. This seems to be posing some problems especially traffic-wise on McLeod Avenue however we believe some solution will no doubt be found before the advent of cold weather.

I talked with more students and some staff members and they too, deplore hearing the wild rumours that are so freely circulated all over the two Chateauguays about various dreadful things that are supposed to be going on at the school. Admittedly there are problems, and they certainly won't cease right off the bat.

Maplewood Presbyterian Notes

Baptisms

Three infants were received into the Church of Christ through the Sacrament of Holy Baptism, on Sunday, October 11, 1970. They are: — Sheena Mary, daughter of Donald and Anne Barr; Carolyn Jane, daughter of George and Jean White; and Christopher Kyle, son of Wolfgang and Helène Zur Nedden.

Tyndale Neighbour House

A special pew leaflet on this project in the Little Burgundy district of Montreal was distributed to the congregation at last Sunday's services. There are many underprivileged residents in the area and Maplewood has a continuing campaign for tinned foods, which are needed on an all-year round basis. The Harvest of ferings of last Sunday were to aid Tyndale House.

Reminders

1. Guest Preacher at both services on Sunday, October 25th, will be Father Victor Dionne, the Roman Catholic Chaplain at H.S. Billings High School.
2. A "Work Bee" will be held tonight at the home of Jean Taylor, the articles to be sold at the Annual Christmas Fair, November 7th, in the Hall.
3. Fall and Winter clothing is being collected during the whole of this month.
4. Laity Sunday, October 18th, guest speaker at both services: Mr. William Hoogenboom.

(Continued on page 8)

just because we would all like to have a Utopian type school complete with little angels for students, and a staff with the wisdom of Solomon. The spreading of ugly rumours harms the whole community, besides all those involved in the school, so it would be wise to check the facts first, before passing on a piece of gossip.

Although I am something less than an authority on the subject, I feel we, (of our generation) haven't a thing to worry about, when the time comes to hand over the reins to our present day kids.

New coach enlisted for Wings

The Chateauguay Junior B Wings have announced the appointment of Art Rioux to the post of coach of their Richelieu League entry following the resignation of Bill McKenzie who had held the position since midway through the 1969-70 campaign.

Mr. MacKenzie turned in his resignation last week for personal reasons, and the new mentor of the Wings will take over behind the bench in the next regular Wings outing.

The scheduled Sunday home game of the Wings was cancelled due to the closing of the arena, as warm weather played havoc with the ice and the opening gave the Wings Ken Murphy a chance to recuperate without losing too

many games. The young net-minder was felled by a shot on the mask at last week's practise and was taken to hospital suffering a concussion from the impact. Ken is to take a couple of week's rest before setting back into action.

The new coach of the Wings is well known in Quebec hockey circles having held the identical post with some of the province's top teams. Included on his reference sheet is time served with Nationale, Rosemont, Verdun, Maple Leafs, Ste. Hyacinthe and Victoriaville. An is a resident of the Town of Chateauguay, and the Wings are extremely pleased to have located a man of such high qualifications for their organization.

Chateauguay News Notes

by Edith Bate

TOWN COUNCIL STUDIES NINE BIDS

A total of nine bids were received by Town Council for a tractor/loader all equipped, the lowest \$14,609.81 and highest \$19,953.91. The machine is of course for the public works and all those offered in the tenders are capable of various sorts of practical jobs required by this department. At present no decision had been made on which choice and the matter is under study.

This same department has been authorized to rent a compressor and accessories from Labege et Frère, Ltee from Nov. 1, 1970 to April 30, 1971 at a flat rate of \$500 for the period. During winter, if digging is necessary, the ground is too hard for the present equipment.

SNOW CRUISER FOR POLICE

Two additional bids have been opened by Town Council for a "snow cruiser" for use of the Police Dept. Finally, after study, decision was made to purchase one from Chateauguay Muffler Reg'd, at a cost of \$825. A double trailer has been ordered from Robert Morin Marine, price: \$179.

After completing the usual six month probationary period, Rene Leonard is now a full constable with Town Police. Promotion of Cst. Jean Jacques Gauthier to the rank of detective has now been confirmed. Det. Gauthier has been an acting detective for some months.

Town Clerk Jacques Rivard presented his report to Council on the public meeting held on Sept. 28th on by-law C-53. Thirty signatures for a referendum on the rezoning on lots 43 and 44, have resulted in stopping procedures on the by-law. In another public meeting on Oct. 6th, no opposition was made to rezoning on part of lot 278-33, making the by-law now effectual.

DELEGATE TO JUDGE'S CONFERENCE

Judge Maurice, Trudeau has been authorized to represent the Town at the upcoming Municipal Judges Conference of P.Q. to be held at Montebello, Oct. 23 to 25th.

TREES TREATED TO TRIM

A bid from Ideal Tree Service Reg'd has been accepted for pruning and trimming of some of the Station areas huge trees. Cost of this project has been set at \$300, and considered a necessity because of the danger of dead branches falling, besides being a traffic hazard in certain places.

Back to the area of lots 43 and 44 in the Heights — Councillor Lavigne has given notice of motion for preparation of a by-law to complete water, sewer and paving in this sector. Some work has been completed for a while now, but remainder will now have to have the necessary facilities before construction begins on homes.

Another notice of motion: this one by Coun. Hebert to pass a by-law to extend water and sewer services on Salaberry Blvd., from the existing line to the limits of Chateauguay North and the reservation (Caughnawaga). This Council meeting resumed sessions last night, Tuesday, Oct. 13th, the details of which will be available in our next issue.

NO OPPOSITION TO CENTRE BY-LAWS

Three public meetings held last week in the Centre saw three by-laws passed, with no complaints or opposition from taxpayers. Bylaws 877-878 and 881 will now go through. The only other item from the Centre this week was a session of the Industrial Park Committee on Oct. 6. Next Council meeting will be on Thursday, Oct. 22nd.

SURVIVAL WEEK

Are any of us really doing something to combat pollution in its many forms? The younger element of this area are going all out with a special program at Billings High School. One event is a "Pollution Probe for Chateauguay Valley" a round table discussion this coming Thursday evening, Oct. 15 at 8 o'clock in the school auditorium. Officials of offending industries are expected to be there. Read further details in this issue.

HOME AND SCHOOL

While we are on the subject of Billings High, may we remind parents and any others interested that a panel discussion will be held next Tuesday night, Oct. 20th at 8 o'clock, sponsored by the Home and School Association. Details are scant as to who will be on the panel, but the topic is "Drugs".

OCTOBER 7th, 1970.

Cullen's Lannish Column

If one tried to attempt the history of Douglas, the result would be a very concise history of Scotland itself.

In "Ye olden days" the Douglas surpassed or equalled the Royal Power in everything, even to marrying into royalty eleven times. The first recorded William de Douglas witnessed a charter in 1174 or later, and it is in Douglasdale in Lanarkshire that many of the clans chiefs are buried in Kirk Douglas. It was James who died in Spain, defending the heart of Bruce, which he hoped to carry to the Holy Land as the request of Bruce on his death bed.

Perhaps this great family were kinsmen of the Clan Murray. It was in Dumfriesshire and Galloway that the Black Douglases originated. The term was first applied by the English

to Sir James. Not until the next century did the Red Douglases establish themselves in Dalkeith. It was from this branch that the Earls of Norton sprang. Septs of the Clan Douglas are Cavers, Drysdale, Forrest, Kirkpatrick and others. The dark green and blue tartan is sometimes worn by the Cameronians, or Scottish Rifles. The two clan seats are at Douglas Castle in Lanarkshire and Tantallon Castle in East Lothian. Clan Music is Dumbarton Drums and the slogan is "A Douglas, A Douglas."

DAVIDSONS
Since the bloody battle of North Inch in Perth in 1396, the Davidson Clan have figured briefly in history. The clan associates itself with the Clan Chattan, having taken protection under the Macintoshes prior to 1350. Their first known leader was David Du or Dhu of Invernahaven. Well known for bravery in battle, Davidsons are now represented by the Davidsons of Tulloch in Cromarty. It is said that the MacKays

of Invernesshire are really MacDhais, or Davidsons. The green tartan may be worn by Davids, Days, Dawsons, Dows, MacDade and MacKays. Pipe music is "Tulloch's Salute."

ELLIOT

The Elliots were an important part of Southern Scotland's history. The surname appears in 13th century records both in England (Elwald) and in Scotland at Arbrilot, whence the name Aber Eliot.

In 1395 the chiefs were persuaded by the Douglas to strengthen the border in Liddesdale and from that time on the clan became widespread. Spelling changed as time went on thus we have the Elliots of Minto, and the Elliots of Stobs.

It was from Stobs that the celebrated warrior Gilbert Eliot was known as "Gibbie wi' the golden garters. John Eliot M.D. was physician to the Prince of Wales in the 1700's. General George Eliot defended Gibraltar for three years, from 1779-83 against the power of Spain and France. Gilbert Eliot became Earl of Minto after having been Governor General of India in the early 1800's. It was Jane Eliot who wrote "The Floorers O' the Forest."

The chief is Eliot of Stobs, the tartan is blue and clan seats are at Redheugh in Roxburghshire and at Larriston Tower.

FARQUHARSON

The family of Celtic origin is a branch of the Clan Chattan as were the Davidsons. Some of them were originally named Shaw, their clan county is Strathdee in Aberdeenshire. They descend from Shaw of Rothiemerch, who took the name Farquharson or MacFarachers from an ancestor who was awarded lands in Braemar by Bruce. The clan was well represented in the army of Prince Charlie in 1745. The Farquharson battle history is a proud one.

Perhaps their most celebrated member of history is the "Black Colonel" famed in a Dee-Side Legend.

From Farquhar's grandson comes the Finlay and MacKinley. Other sept's are Findlayson, Hardy (Le) Lyon, MacCaig, MacCartney, MacCaig, Paterson, Barrie, Bowman and Coats. Tartan is blended Blue and Green.

Dundee Women's Institute

The monthly meeting of the Dundee Women's Institute was held in the home of Mrs. Jos. Nieuwenhos October 7. The meeting opened with the singing of the Ode and repeating the Collect. Ten members were present.

Miss T. McMillan, President, welcomed the members and thanked Mrs. Nieuwenhos for hosting the meeting. A collection for Pennies for Friendship was taken. Previous minutes were adopted as read. Treasurer reported a balance of \$100.40.

A thank-you note was read from the Unitarian Service Committee for the used clothing which had been delivered to Pte Claire Mrs. Currie suggested a quilt might be made and tied at a meeting. An invitation from the International Salon of Food and Agriculture, Montreal, on November 2, had been received. Seven members plan to attend so arrangements were made accordingly.

Mrs. J. Platt thanked the group for the sympathy card sent her from the Dundee W.I. at the time of the death of her sister.

The Semi-Annual County Convention will be held October 23rd in the home of Mrs. A. E. Burgess, Huntingdon at 1 p.m.

The disease of the maple tree, now spreading rapidly was discussed. One member said that in their bush in Dundee she had noticed one particular spot under two large maple trees where several evergreens (balsam, hemlock and pine) were already dead and others were dying. This seemed to be in an area overgrown by the branches of the maples. This disease was also noticed in the summer, throughout this bush, where the leaves of the young maples, even the tiny ones, appeared to be blighted. It is hoped that something can be done to save our Canadian emblem, the maple. This blight has also been noticed in the Huntingdon area.

Conveners reports: Agriculture — (Mrs. T. Stowell) Spreading Rank Discrimination, Citizenship — (Mrs. L. Currie) Quebec doctors and government still apart on Medicare. Education (Mrs. W. Stowell) Teacher exchange interest ebbs. Welfare and Health (Mrs. J.

Nieuwenhos) Drug offers normal life to hyperactive child.

Home Economics: (Mrs. J. Platt) use large envelope to hold all electrical appliance literature for easy reach. Rubber sink mats won't slip if paste wax is applied to the black. To keep costume jewellery from discoloring skin, brush well with warm soapy water, rinse, dry, then coat with colorless nail polish.

Mrs. W. Stowell then gave the highlights of a recent trip they had made to Nova Scotia and Prince Edward Island. She said the people were very friendly.

The meeting was adjourned by Mrs. G. Leslie. Miss McMillan then read the following bit of humor: taken from the Montreal Star:

Chrome On The Range
"Edna Nichols, of London, says every car dealer should be told this story of the farmer who bought a new car after spending a lot of time pricing them. By coincidence, a few days later, the dealer who sold him the car appeared at the farm and said he'd like to buy a cow for his small country place.

The farmer quickly wrote the following, and handed it to the dealer.

Basic cow \$200. Two-tone exterior \$45. Extra stomach \$75. Product storage compartment \$60. Dispensing device (4 spigots \$10 each) \$40. Genuine cowhide upholstery \$125. Automatic fly swatter \$35. Dual horns \$15. Total (plus tax and delivery) \$595.

Lunch was then served by the hostess, Mrs. Nieuwenhos.

Hinchinbrooke Council

The regular meeting was held Tuesday, October 6 at 8 p.m. Mayor Wilson presiding and all members present. The secretary read minutes of the previous meeting which were adopted. J. K. Dickson presented reports on his ditch projects — moved and seconded the Quebec Roads Dept. be asked to lower a culvert opposite Bruce Maither's property range 1 and also lower a culvert on Boyd Settlement road at the line between Messrs. Dybka and Oumet.

Moved and seconded D. O. Taylor be appointed to arrange for cleaning of a ditch in Atelsthan which concerns Mrs. Gladys Green, Norman Kerr and others. Moved and seconded building permits be issued to Messrs. George Simpson and Allan Davignon.

Moved and seconded the sum of 10.00 be sent to Blind Institute.

Moved and seconded Bruce McGregor be appointed a Director to Huntingdon County War Memorial Ltd.

The Secretary was instructed to request Hydro Quebec for a quotation on improved lighting.

Mrs. W. A. Walsh spent two days in Ingleside, Ont. visiting at the home of her cousin, Mr. and Mrs. M. Gagnon.

Miss Christina Gaece of Hemmingford was a week-end guest at the home of her friend, Miss Shelley Smith.

Miss Nancy Molyneux and Miss Ti King of Montreal were week-end guests at the home of Mr. and Mrs. Allan Molyneux.

Miss Lyn Riley of Montreal was a visitor at the home of her uncle and aunt, Mr. and Mrs. G. Evans, for the Thanksgiving holiday.

Mr. A. Chaplin, Kenneth and Lynn spent Thanksgiving Day in Perth, Ont. visiting his mother, Mrs. B. Chaplin. Mrs. Chaplin's mother, Mrs. G. McGinnis returned to Perth with them after spending a few days in Valleyfield.

Tres St. Sacrement Council

The regular meeting of the Parish of Tres St. Sacrement was held on Tuesday, October 6, 1970. Mayor Barrington presiding, and all Council members were present, except Jean-Aimé Parent. The minutes of the regular meeting of September 1 were read and approved.

Tenders for the erection of snow fences were opened, and the contract was given to Mr. Eugene Bourcier, whose tender at \$1,000 was the lowest. There was discussion of the problem of stray dogs being a nuisance, and the Secretary was directed to warn certain interested parties that the existing by-law in the Parish must be respected. \$25.00 was voted to support the appeal being made by St. Justine Hospital, Mayor Barrington reported on the recent convention of the Union of County Councils. The main topic of the Convention was the fusion and the grouping of Municipalities throughout the Province. This project will require the careful consideration of the Municipal

The following accounts were presented and their payment was authorized: County Council dues \$2,255.00, Hydro-Quebec \$167.76, Laberge & Freres \$127.93, Telephone Lussier \$54.00, Roger Lazure \$50.11, J. A. Dandenais \$35.00, Chas. Turcot \$18.16, L'Information Regionale \$9.00, Laura Robertson \$5.00, Registry office \$1.50, Petty cash \$3.25.

On motion of Donald Templeton, the next meeting was set for Tuesday, November 3, 1970.

POSSIBLE POLLUTION SOLUTION?

Relief may be in sight for pollution plagued fishing fans and summer residents in this area. In a recent address in Langley B.C. Hon. Jack Davies, Minister of Fisheries and Forestry, came out with a strong attack against those guilty of pollution.

According to Mr. Davies, "We have new teeth in the 100-year-old Fisheries Act legislation. They will put more bite into our federal laws dealing with pollution."

These laws are to be enforced uniformly throughout Canada and if they are as hardline as they appear they may be a boon to our ecology.

Political "hot air"? Maybe, but if the government pursues the policy as may see the Chateaugay River flow clean again (unbelievable isn't it?) berton \$5.00; Registry office \$1.50; Petty cash \$3.25.

The Baltimore Orioles crossed up the experts on the weekend by taking two games from the Cincinnati Reds on sheer power. They had been given the pitching edge but in each game gave off 3 or 4 runs before coming in with hitting and home-run power.

The first game was unfortunately marred by one of the most stupid umpire errors we have ever seen. Of course the series always has at least one blunder but this one was for the books. Can you recall, in any type of game, a player being called out by an umpire whose back was to the play? It doesn't matter that the TV films showed clearly that the runner was not tagged, there should be some automatic rule to cancel a play when an umpire interferes. It is the kind of thing that hurts more than the losing team, it holds the whole game up to ridicule. It will be interesting to see if any sort of action is taken in this "boo-boo".

Aside from that, both games were thrillers with the Reds going off to good leads before the birds uprising. In both games, Cincinnati pounded Oriole pitching for three innings and then fell victim to "Bird Power". We still think the Reds can pull it out but it may be all over by the time you read this.

The National Hockey League did not get off to an auspicious start last Friday as Los Angeles opened the season in Vancouver with a 3-1 victory. Those of you who braved the late hour must agree that this was just about the dulllest hockey game ever played under the National League banner. On the other hand, Vancouver came back on Sunday and pounded Toronto which pretty well indicates where the Leafs will end up this year. It must have handed a giant laugh to Punch Imlach whose Buffalo Sabres won their opener by 2-1 over Pittsburgh. Gilbert Perrault scored the winner and that's a name you will not have to memorize. You'll hear it hundreds of times in the months to come.

On the eastern front, the big news is the retirement of John Ferguson. It is a loss to the entire league, not just the Habs. Big John was one of those who put the people in the rink. He also put the puck into the net. Even more important, he showed the way. He led the club, on and off the ice. In only seven years with the Canadiens, Ferguson developed in their most indispensable employee. He was not just a policeman, more than a tough guy. In every game, he came to play. His loss will drop the Habs from second to at least third place.

Of course, he will be replaced. Montreal has a number of good prospects such as Guy Lapointe and Guy Charron coming up. Larry Pleau will be given first chance at Fergie's spot while Pierre Bouchard will be asked to supply the muscle at the blue line. Off their Sunday performance, the kids will lead the way.

In football, we had best hold off comment until Wednesday's game with British Columbia. After all the least said about those western losses, the better. Still the pattern has been three wins and two losses twice so far. If we take the next

three it will be enough. We owe Sam and the boys at least that much.

Hotshots
Saskatchewan Roughriders pretty well wrapped up first place with a 19-10 win over the hapless Blue Bombers. It was a poor game featured only by an Argo bounce when Lancaster dropped the ball which bounced right back into his hands and went for a completed pass. The last time the Canadiens won the Stanley Cup was on a goal against St. Louis, scored by John Ferguson and assisted by Ralph Backstrom. Shades of winter, the football teams have started their Miss Grey Cup run-offs and Blue Bonnets held a Grey Cup Handicap last weekend. Ed Giacomin of the Rangers finally gave up. The New York goalies wore a mask on the weekend. It's now admitted by Montreal brass (as reported here weeks ago) that Serge Savard is far from ready to play. It may be quite a while. Jack Nielaus won the World Match Play Championship in a rousing match with Lee Trevino. Minnesota have only two players left from their original expansion club. St. Louis Blues have given up too much in losing Jacques Plante. Phil Goyette and Al Arbour, Toronto gained Plante but Buffalo are the big winners with Goyette, Donnie Marshall and Gilbert Perrault. In the end it should be Chicago; Minnesota on Worsley, Harris and Rousseau; St. Louis slipping badly; Pittsburgh with Andy Bathgate back for one more try; Philadelphia with little else than Bernie Parent followed by Oakland and Los Angeles, take your pick. And please, don't bet on it.

From Farquhar's grandson comes the Finlay and MacKinley. Other sept's are Findlayson, Hardy (Le) Lyon, MacCaig, MacCartney, MacCaig, Paterson, Barrie, Bowman and Coats. Tartan is blended Blue and Green.

Journée Mondiale des Missions
Dimanche: 18 octobre 1970

De nos jours, d'innombrables organismes travaillent dans les pays du Tiers-Monde, pour aider ces populations à atteindre un niveau de vie plus humain. L'Eglise catholique ne néglige pas ce devoir: plus de 131.000 missionnaires se livrent à un travail constant de promotion humaine en son nom. Ils combattent la faim, la pauvreté sous toutes ses formes, fournissent habitation, instruction, soins médicaux à des milliers de personnes. C'est pour que les missionnaires puissent continuer à l'édification d'un monde meilleur que partout, aujourd'hui, la quête sera versée à l'œuvre de la Propagation de la Foi, qui se chargera de la verser aux missionnaires.

Il en sera ainsi partout. Le but de cette quête est de soutenir les missionnaires qui, pour la plupart, travaillent dans les pays les moins favorisés travail apostolique, les missionnaires se consacrent à la promotion humaine sous toutes ses formes. Ils ont besoin de notre appui.

Contribuons généreusement à l'œuvre humanitaire de l'Eglise

7-Publication:
Promesse de mariage entre Yves Provost, de St-Jean, fils majeur de Jean-Paul Provost et de feu Alice Gadois, d'une part; et Ginette Taillefer, de cette paroisse, fille mineure de Marcel Taillefer et de Simone Boucher, de cette paroisse, d'autre part.

Cette voiture de modèle 1965 s'arrêta sur un arbre longeant la route près de St-Stanislas tard samedi soir après être venue en collision avec une autre voiture qui tentait de la dépasser. Lionel Bolduc, 42 ans, d'Ormstown mourut en route vers l'hôpital Barrie Memorial et sa fille, Denise, est grièvement blessée. L'autre véhicule impliqué dans cet accident est la propriété de M. Jean-Denis Schink de St-Chrysostome.

Un homme d'Ormstown perd la vie dans un accident tragique

Un accident tragique est survenu tard samedi soir, quand un résident de Ormstown, Lucien Bolduc, succomba à ses blessures avant son arrivée à l'hôpital Barrie Memorial et sa fille Diane, âgée de 17 ans, fut grièvement blessée.

M. Bolduc était âgé de 42 ans et père de six enfants. Il était à l'emploi de l'hôpital Barrie Memorial et travaillait aussi comme conducteur de taxi à temps partiel. Il venait de conduire sa fille aînée et son ami à St-Stanislas. Sur la route du retour une auto, propriété de M. Schink de St. Chrysostome voulut dépasser l'auto supposément conduite par Diane Bolduc. Comme il dépassait, la droite de l'auto de M. Schink vint en contact avec la partie arrière gauche de l'autre voiture. Le conducteur perdit contrôle de son véhicule et frappa un arbre. Le père et sa fille subirent des blessures graves et M. Bolduc mourut en route vers l'hôpital. Sa fille subit des fractures aux côtes, des blessures à la tête et au moment où nous allons considérée critique.

Les funérailles de M. Bolduc ont eu lieu en l'église St-Malachie d'Ormstown mardi après-midi.

M. Gaston Parent fut nommé responsable des salles pour les œuvres bénévoles.

N.B. Lorsqu'il s'agit de faire une demande à la Commission scolaire il est préférable de la faire par écrit afin qu'elle soit lue en présence de tous les commissaires.

Ste-Barbe 6 classes — 168 élèves.
St-Anicet 7 classes 1/2 (mat) 224 élèves.
Ste-Agnès 3 classes 1/2 (mat) 101 élèves.

Il y a donc dans notre région environ 2,491 élèves, 80 professeurs, 3 professionnels d'éducation physique et 7 jardiniers.

Le congrès diocésain des Commissions Scolaires aura lieu dimanche le 18 octobre à St-Polycarpe assisteront à ce congrès: M. Sylvio St-Michel, M. Jean-Guy Barrette, Mme Thérèse Gailpeau M. Serge Moreau, M. Gérard Pinsonneault, M. Roch Montcalm et M. Victor Laurendeau (Dir. gén.).

Réunion de la commission scolaire, section élémentaire

Mercredi le 7 octobre à l'École Notre-Dame, avait lieu la réunion des commissaires représentant les différentes régions de Huntingdon, accompagnés de M. Le Directeur général.

Premièrement ce fut l'approbation des minutes du 16 septembre et des comptes à payer. M. Serge Moreau, secrétaire-trésorier fit lecture des minutes de cette réunion.

Rapports du Directeur Général, M. Victor Laurendeau. Parmi les différents item nous pouvons souligner que l'Association des enseignants catholiques anglais tiendra ses journées pédagogiques le 6 et 7 le novembre.

Voici en bref le nombre de classes et d'élèves dans nos écoles. La section anglaise comprend 8 classes.

À l'école Notre-Dame 23 classes 1/2 y compris la maternelle 670 élèves.
St-Antoine 8 classes — 232 élèves.
Ormstown 15 classes — 402 élèves.
St-Louis 9 classes — 257 élèves.
St-Stanislas 6 classes — 170 élèves.

La police avise les voyageurs

C'est maintenant le temps le plus dangereux de l'année pour les conducteurs de véhicules à moteur, d'après les policiers de la région. Les feuilles tombantes rendent la route dangereuse et si les conducteurs n'apportent pas la prudence requise et l'attention, plusieurs autres accidents qui pourraient avoir une fin tragique s'en suivront. Non seulement les routes glissantes sont devenues dangereuses mais à cette saison il y a aussi le brouillard et la brume. La Police demande votre coopération, s.v.p., prenez garde.

AVIS

A partir de cette date, je ne serai aucunement responsable des dettes de Mme Nicole Girouard.

VILLE DE HUNTINGDON
AVIS

Les corporations, les sociétés commerciales et associations sont aussi inscrites sur la liste électorale si elles sont portées au rôle d'évaluation en vigueur dans la municipalité, depuis au moins douze mois avant le 1er septembre de l'année où se tient l'élection, comme propriétaires ou locataires d'un immeuble imposable ou comme locataires d'un magasin, d'un comptoir, d'une boutique, d'un bureau ou d'une place d'affaires, pourvu qu'elles aient payé leurs taxes ou redevances municipales exigibles au 31 décembre précédent; elles votent par l'entremise d'un représentant autorisé à cet effet par une résolution du conseil d'administration dont copie doit être déposée au bureau du greffier de la municipalité entre la date de la publication de l'avis de l'élection et le 28 octobre suivant. Ce représentant doit, au moment de voter, être majeur, posséder la citoyenneté canadienne et être employé, administrateur ou membre de la corporation, société, commerciale ou association au nom de laquelle il vote.

RICHARD ALARY
Président d'élections.

Conseil de Très St-Sacrement

Le Maire Barrington présidait et tous les membres étaient présents, à l'exception de Jean-Aimé Parent, à la réunion du conseil de la paroisse de Très St-Sacrement, qui eut lieu équilibrément mardi le 6 octobre 1970. Les minutes de la réunion du 1er septembre furent approuvées telles que lues.

Des soumissions pour l'érection de clôtures à neige furent ouvertes, et le contrat fut donné à M. Eugène Bourcier, ayant la soumission la plus basse, soit à une somme de \$10,000.00. Une discussion s'éleva au sujet de la nuisance de chiens errants; le Secrétaire fut donc chargé d'aviser certaines parties intéressées que la loi existante dans la Paroisse devrait être respectée. Une somme de \$25.00 fut votée pour répondre à l'appel venant de l'hôpital de Ste-Jusine. Le Maire Bar-

ington fit ensuite un rapport de la récente convention de l'Union des Conseils de Comté. Le principal sujet à la convention fut la fusion et le groupement des municipalités à travers la Province. Ce projet demandera la prudence considération des Conseils municipaux dans notre région.

Les comptes suivants furent présentés, et leur paiement fut autorisé:

Comptes du Conseil du Comté, \$2,255.00; Hydro-Québec, \$167.76; Laberge & Frères, \$127.93; Téléphonie Lussier, \$54.00; Roger Lazure, \$50.11; J. A. Dagenais, \$35.00; Chas. Turcot, \$18.16; L'Information Régionale, \$9.00; Laura Robertson, \$5.00; Bureau d'enregistrement, \$1.50; Petty Cash, \$3.25.

Sur une motion de Donald Templeton, la prochaine assemblée fut fixée à mardi, le 3 novembre 1970.

La vente d'un établissement bien connu à Huntingdon

ALAIN RENAUD

La vente du Moulin à farine et magasin de moulées J. C. Renaud, bien connu dans Huntingdon, a été effectuée samedi dernier. En effet, M. J. C. Renaud, propriétaire de ce commerce depuis 22 ans, le vendait à son fils Alain, âgé de 25 ans. Alain devient donc la troisième génération de Renaud à appartenir ce commerce situé sur la rue du Lac.

Jusqu'à samedi dernier, M. Jean Claude Renaud était le seul propriétaire de l'établissement. Durant ses nombreuses années au service du public, M. Renaud se fit de nombreux amis chez les cultivateurs de la région et son commerce fut très prospère. Depuis trois ans, il était aidé de son fils Alain qui, comme son père et son grand-père, est très intéressé dans le commerce des grains et moulées.

Jeune d'allure et encore très actif, M. J. C. Renaud n'a nullement l'intention de prendre sa retraite. "Je vais continuer à travailler au moulin, a-t-il dit, la seule différence, c'est Alain qui sera le patron et je serai son employé."

Conseil de Hinchinbrooke

Lors de la réunion du Conseil de Hinchinbrooke, qui eut lieu régulièrement mardi, le 6 octobre 1970, à 8.00 p.m., le maire Wilson présidait et tous les membres étaient présents. Le Secrétaire fit la lecture des minutes de l'assemblée précédente qui furent approuvées.

M. J. K. Dickson présenta alors ses rapports au sujet de ses projets de fossés. Il fut donc proposé et secondé qu'on demande au Département de la voirie du Québec d'abaisser le niveau d'égouts qui est situé en face de la propriété de Bruce Mather, rang 1, et aussi d'abaisser celui qui se trouve sur la route Boyd Settlement à la ligne entre MM. Dybka et Oulmet.

Il fut proposé et secondé que D. O. Taylor soit nommé pour voir au nettoyage d'un fossé à Athelstan, concernant Mme Gladys Green, Norman Keer et autres; que des permis de construction soient émis à MM. George Simpson et Alan Davignon; que la somme de \$10.00 soit envoyée à l'Institut des Aveugles; et que M. Bruce McGregor soit nommé directeur au Huntingdon County War Memorial Ltd.

Le Secrétaire fut chargé de demander à l'Hydro-Québec un estimateur sur les améliorations du système d'éclairage du village de Rockburn.

Il fut approuvé et secondé que M. J. K. Dickson soit nommé Superintendant Spécial pour intervenir au sujet du problème de drainage qui existe entre MM. Léo Legault et Harold Stark.

Il fut proposé et secondé que Camille Booth soit avisé par lettre enregistrée que la portion de clôture de ligne entre sa ferme et James Jamieson doit être reconstruite, et si le travail n'est pas complété pour le 1er mai 1971, le Conseil devra reconstruire la clôture à ses frais.

Le règlement no. 225 fut approuvé permettant la vente de bière dans les épiceries de cette municipalité, et sera présenté aux électeurs pour approbation ou désapprobation, un scrutin aura lieu samedi, le 21 novembre.

Les factures suivantes furent approuvées:

Bureau d'enregistrement, \$13.00; Clarence Moore, \$762.00; Receveur Général du Canada, \$12.00; Bell Canada, \$74.72; Ministère du Revenu, \$6.30; Conseil du Comté, \$1,657.31; Herbert Simpson, \$4.00; D.O. Taylor, \$76.75; Hydro Québec, \$143.79; Equipement de Feu de Huntingdon (Huntingdon Fire Equipment), \$16.25; D. L. Tully, \$9.85; Service Brunette, \$3.55; Earl Pringle, \$3.75; K. M. Ferns, \$64.19; W. Saumier, \$11.19.

Des voleurs ont visité Cazaville

Un volcur ou des voleurs prirent la fuite avec une somme d'environ \$150.00 et plusieurs cartons de cigarettes, lors d'un cours arrêté à Robidou Builders Supply, à Cazaville, le 3 octobre dernier.

Le vol fut découvert par Mme Robidou et son beau-frère, lorsque ces derniers entrèrent dans le magasin dimanche midi, pour chercher de la peinture. En voyant des paquets de cigarettes répandus un peu partout sur le lancher, ils étaient convaincu qu'il y avait eu des voleurs. Ils firent donc une vérification pour constater que la plupart des cigarettes du magasin avaient été "nettoyées" et que le tiroir caisse contenait une somme de \$150.00 de moins.

Les voleurs (ou le voleur) avaient effectué leur entrée dans le magasin en forçant la porte située à l'arrière. Le grillage était déchiré et les deux crochets tenant la porte d'intérieur avait été arrachés.

De nombreux accidents sont survenus dans la région

Un accident de voiture survenu vers 3 heures dimanche matin sur la route 14. Les dommages à la voiture de M. St. Yves sont évalués à environ \$1500. et à un montants égal à l'autre véhicule. Personne n'a été blessé. On présume que la condition de la route fut la cause de l'accident.

Dommages à deux véhicules. Une auto conduite par François Yelle, âgé de 24 ans vint en collision avec une autre appartenant à M. Jean Pierre Boyer de Longueuil et conduite par Jean François Toupin de St-Isidore. Les deux voitures subirent des dommages considérables mais heureusement personne n'a été blessé.

\$150. de dommages Dimanche, le 11 octobre un accident se produisit à l'intersection des routes 36 et 4. Jean Giroux, 42 ans de Châteauguay conduisant un modèle '64 vint en collision avec un modèle '69 conduit par Eugène Faillé de Beauharnois. M. Faillé avait avec lui quatre passagers mais heureusement personne ne fut blessé. Les dommages aux deux voitures s'élevèrent à environ \$150.

Accident mineur Lundi le 12 octobre un peu après midi, John McAllister 59 ans de Riverfield fut impliqué dans une collision avec une auto conduite par Ronald Tennant, 35 ans de Howick. Les dommages sont évalués à environ \$50. et il n'y eut pas de blessés.

Huit personnes à l'hôpital Un accident près de Dewittville dimanche soir vers 9 heures envoya huit personnes à l'hôpital pour traitements diverses blessures. Une voiture conduite par Gilles Las-

Mlle Francine Bergevin, Mlle Basepail '70-71 lors du tirage du prix de \$50. dans le concours Miss Baseball. A la surprise de tous, l'heureux gagnant était nul autre que le maître de ceremonies, Daniel Langevin debout près de Miss Basball.

L'assistance était très nombreuse à l'école Arthur Pigeon pour la présentation des trophées et le couronnement de la nouvelle reine et de ses duchesses.

De nombreux accidents sont survenus dans la région

Un vol fut découvert par Mme Robidou et son beau-frère, lorsque ces derniers entrèrent dans le magasin dimanche midi, pour chercher de la peinture. En voyant des paquets de cigarettes répandus un peu partout sur le lancher, ils étaient convaincu qu'il y avait eu des voleurs. Ils firent donc une vérification pour constater que la plupart des cigarettes du magasin avaient été "nettoyées" et que le tiroir caisse contenait une somme de \$150.00 de moins.

Les voleurs (ou le voleur) avaient effectué leur entrée dans le magasin en forçant la porte située à l'arrière. Le grillage était déchiré et les deux crochets tenant la porte d'intérieur avait été arrachés.

Collisions frontales

Un accident de voiture survenu vers 3 heures dimanche matin sur la route 14. Les dommages à la voiture de M. St. Yves sont évalués à environ \$1500. et à un montants égal à l'autre véhicule. Personne n'a été blessé. On présume que la condition de la route fut la cause de l'accident.

Les activités reprennent à la boîte à chansons de H'don

La boîte à chansons, consciencieusement organisée des loisirs pour les jeunes de la région, recommence ses activités par une danse qui aura lieu samedi soir, le 17 octobre 1970, à la salle paroissiale. Pour la réussite de cette soirée, il leur faudrait la participation de trois couples de parents qui joueraient un rôle, non pas de gardiens, mais de parents bénévoles et quittes à aider leurs adolescents.

Les organisateurs ont eu la permission des marguilliers d'utiliser cette salle pour leurs loisirs, à la seule condition qu'il y ait trois couples de parents présents à ces activités. Donc, c'est pour eux une soirée très importante, car si elle réussit, ils pourront par la suite en organiser d'autres plus divertissantes, dans le but de ramasser des fonds à l'organisation leur permettant, par la suite, d'inviter un chansonnier renommé.

La réussite n'y va que de la compréhension et de la collaboration entière des parents de la région. Ces parents sont chargés de penser à leurs enfants et de leur aider pleinement au lieu de s'assoier et de les regarder travailler d'arrache-pieds et ne rien vouloir faire pour les aider.

Ces jeunes ne demandent que la participation de trois couples de parents pour la réussite de leur organisation et de leurs danses à venir. Au moment d'impression (mardi), nous ne sommes pas au courant du compte-rendu de la réunion qui avait lieu hier soir, mardi le 13 octobre, réunion qui avait pour but de rassembler les parents intéressés afin de leur exposer ces problèmes et de leur demander leur aide.

Aux parents intéressés donc répondez en leur faveur et non négativement à l'appel qu'ils vous lancent. Il n'en tient qu'à vous de la réussite de cette soirée qui est d'une très grande importance pour ces jeunes qui veulent s'occuper, qui veulent former une organisation, celle de la "Boîte à chansons" pour les adultes comme les adolescents. Le rôle d'une boîte à chansons est d'inviter des artistes, c'est dans ce but qu'ils veulent s'amasser des fonds pour cette entreprise qui divertira par la suite de nombreux résidents de la région et des alentours.

Samedi soir, des autobus partiront de différents endroits Ormstown, St-Antoine Abbé, St-Louis de Gonzague et St-Stanislas de Kostka. La danse débutera à 9.00 p.m. et se terminera vers minuit. A la salle paroissiale, samedi soir, c'est là qu'on vous attend nombreux. Bienvenue à tous.

La Protection Civile du Québec est composé des gouvernements fédéral, provincial et municipal et dépend du Ministère de la Justice du gouvernement provincial du Québec. M. J. Norbert Labbé est le Directeur Général pour la province, M. Georges C. Gouin est le Coordonnateur de la Zone 8, et M. Pierre Loranger est l'officier de Planification pour le territoire Méro-Sud 820, situé à 3150 Montée St-Hubert, St-Hubert, Qué.

M. Roger Constant, un ex-militaire (25 ans Armée Canadienne) ayant son bureau à Dorion, Qué., est l'Agent de Liaison pour les Comtés de Beauharnois, Châteauguay, Huntingdon, Napierville et Vaudreuil-Soulanges.

Le but de cette organisation est d'assister les municipalités participantes à organiser les Services essentiels en cas d'urgence tel que l'hygiène, le Bien-être, la police, l'incendie, le génie, les communications, renseignement au public, transport, main-d'oeuvre, approvisionnement, sauvetage, garde civile et défense radiologique (retombées nucléaires), pour les désastres naturels, ou en temps de guerre.

Des cours sur la majorité des services ci-haut mentionnés, sont donnés gratuitement aux auxiliaires des municipalités, tel que programmés par le gouvernement provincial.

Conseil du Village de Howick

La réunion du Conseil du Village de Howick eu lieu le 10 octobre 1970. Le Maire Meunier présidait, et les Conseillers suivants étaient présents: Paul Thellier, Léo Rose, L. A. Slevan, Allister Rorison. Les minutes de la réunion du 8 septembre 1970, furent approuvées telles que lues.

L'assemblée consistait surtout à des causes de routine. Une motion fut passée pour rendre officiel le nombre de sièges des Conseillers. Une somme de \$25.00 fut votée pour l'Hôpital Ste-Jusine pour la recherche des maladies en fantines. Le Maire Meunier fit un rapport sur la Convention de l'Union des Conseils de Comté. Il souligna l'importance pour les conseils municipaux d'apporter une prudente considération à ce projet proposé, ayant à grouper les municipalités de la Province pour l'administration.

Les comptes du mois furent considérés, et leur paiement fut autorisé. La prochaine réunion sera lundi, le 2 novembre 1970.

—Howick Council—

VILLAGE COUNCIL NEWS:
The regular meeting of the Council of Howick Village was held on Monday, October 5, 1970. Mayor Meunier presided, and the following Councillors were present: Paul Tellier, Léo Rose, L. A. Slevan, Allister Robinson. The minutes of September 8, 1970, were read and approved. The meeting consisted mostly of routine matters. A motion was passed to make official the numbering of seats of Councillors. \$25.00 was voted to the Ste.

Justine Hospital for research on children's diseases. Mayor Meunier reported on the Convention of the Union of County Councils. He underlined the importance of local municipal councils giving careful consideration to the project being put forward to group municipalities in the Province for administration. The accounts for the month were considered, and their payment was authorized. The next meeting will be Monday, Nov. 2, 1970.

Howick

The October meeting of Howick W.I. was held in the United Church hall on Tuesday, October 6 with Mrs. Huntley Greig presiding, and Mrs. Bruce Ness taking the minutes in the absence of Mrs. W. McKell. Twenty members answered the roll call by naming an agriculture product we export and to where. This was made more interesting than usual as many answers included local products

such as honey, apples, vegetables and even cows and colts which eat our grass and grain. Considerable business was discussed and money voted towards Save the Children and Northern Extension Funds. Mrs. Greig read the 46 annual report of county meeting held at Rockburn. Conveners' reports: Mrs. A. Kerr. Publicity reports taken from Winnipeg papers interesting than usual as many answers included local products held there while Mrs. Gallie was

Le 18 octobre 70:

Journée mondiale des missions

6,300 missionnaires canadiens en action avec 2,103 missionnaires dans les pays du Tiers-Monde. Quel que soit le pays du Tiers-Monde que vous visitez, vous pouvez être sûr d'y rencontrer des missionnaires catholiques canadiens. En effet, dans 89 pays du monde, environ 6,300 missionnaires travaillent à l'expansion de 808 diocèses de missions. A leur tâche missionnaire, ils ajoutent d'importantes responsabilités dans le domaine de l'éducation, de la santé et du développement communautaire. D'après une récente étude, c'est l'Amérique latine qui compte le plus de Canadiens en compte le plus de Canadiens est qu'à ses débuts.

Les religieuses forment le gros des effectifs: elles sont au nombre de 2,779 dans les pays en voie de développement. Pour sa part, le personnel masculin compte 1,865 prêtres et 1,044 frères. Enfin, l'effort missionnaire grandit rapidement et produit beaucoup: on compte plus de 370 missions nouvelles. Et pour ce qui est des Canadiens, on compte plus de 2,103 missionnaires. Puis, viennent par ordre d'importance l'Afrique, l'Asie et l'Océanie.

me ou enfant, handicapée par la maladie, les infirmités ou les accidents si ces derniers ne reçoivent pas une aide suffisante de d'autres organisations. Dans bien des cas la marche des dix sous travaille en coopération avec d'autres organisations.

deux physiothérapeutes et une clinique mobile de physiothérapie pour les sections rurales. A Huntingdon, la classe de thérapie occupationnelle tenue à la salle de la Légion tous les mardis de 1 heure à 4 heures est subventionnée par la marche des dix sous.

L'argent recueilli sera au soin des patients, à leur transport aux cliniques, à procurer des prothèses, des chaises roulantes et à maintenir un personnel de

Les activités à Saint-Anicet

Environ 300 personnes assistaient dimanche dernier au tournoi régional de Volleyball de l'Hôtel Lake View Inn à St. Anicet. C'est à proximité de l'Hôtel, à la plage Conrad Pilon qu'eut lieu cet événement sportif. La grande finale opposait la salle de Pool "Chez Claude" de Huntingdon et l'équipe du Lake View Inn de St-Anicet. L'équipe du Lake View Inn a du baisser pavillon. Les trophées graciellement présentés par ce dernier aux 2 équipes finalistes. L'organisateur de ce 1er tournoi, M. Roland Tremblay, profite de l'occasion pour remercier sincèrement tous ceux qui ont bien voulu y participer Ray Caza et ses Oiseaux Blancs ont fait les frais de la musique. Un souper à la dinde fut servi par le chef Rolly assisté du Chef Sylvio Laflamme.

CERCLE DES LOISIRS

Voici le nouvel exécutif du cercle des loisirs de St-Anicet: M. Royal Quesnel, président; M. Bernard Cousineau, secrétaire;

les directeurs sont, MM. Gilles Leblanc, Maurice Benoit, M. Gaétan Dupuis, M. André Quenneville, M. André Mailoux et M. Roland Tremblay. Les réunions régulières se tiendront le premier mercredi de chaque mois.

N.B. Le deuxième Carnaval d'hiver de la paroisse St-Anicet aura lieu le 19-20 et 21 février 1971.

Samedi le 31 octobre 1970, 8 heures p.m., à l'école Centrale de St-Anicet un Bal Masqué a été organisé par le Cercle des Loisirs pour tous ceux qui ont plus de vingt ans. Orchestre — Rafraichissements etc.

\$75,000. Reste à savoir quand, à juste nous aurons la glace artificielle. D'aucuns prétendent que ce sera un "cadeau de Noël."

De la glace artificielle bientôt à Huntingdon

Le comité du War Memorial Arena tenait une réunion jeudi soir dernier. Après quelque hésitation des résolutions furent adoptées au sujet de la glace artificielle pour l'aréna. Après une étude approfondie, il fut décidé à l'unanimité d'aller de l'avant avec le projet. En conséquence à moins de délais imprévus nous aurons la glace artificielle à Huntingdon cette année.

L'assemblée commença sur un ton plutôt lent. Certaines personnes qui étaient attendues étaient absentes, d'autres arrivèrent avec une heure de retard. L'intérêt public était au minimum, deux spectateurs seulement étaient présents pour se rendre compte de ce qui serait décidé au sujet du projet tant attendu de la glace artificielle.

La question d'argent semblait être le principal souci des personnes présentes. L'on entendit quelqu'un demander: quel est notre état financier? En ce moment le comité peut réaliser la somme de \$18,662 au cours des deux prochaines années. Ce montant a été attribué par les conseils de Huntingdon, Ste-Barbe, Hinchinbrooke et Godmanchester.

Maintenant ou jamais Un point de dispute entre les membres du comité était de décider si on devait procéder avec le projet et se procurer les fonds plus tard ou attendre d'avoir en mains les fonds nécessaires.

Bob Marshall président du comité était d'avis qu'il vaut mieux agir maintenant. L'attente voudrait probablement dire l'annulation du projet. Gerald Brisebois représentant la ville de Huntingdon suggéra qu'il vaudrait peut-être mieux attendre, une telle entreprise causera des dépenses assez considérables.

Jon Proudfoot se dit en faveur d'aller de l'avant si la banque leur consentait un prêt. Bob Marshall remarqua que la banque consentirait probablement un prêt ou sinon peut-être pourrait-on trouver l'argent ailleurs.

Octrois du gouvernement Pour cette année, il est trop tard pour recevoir un octroi provincial, l'argent voté par le gouvernement pour fins récréatives ou sportives ayant déjà été attribué, mais M. Ken Fraser M. A. N. se dit confiant que le projet serait favorisé par un octroi pour l'an prochain.

"La marche des dix sous"

"Grâce à la "Marche des dix sous" dans le passé, les épidémies de polio dans la province de Québec ont été pratiquement enrayerées," dit Kenneth Pollard, président provincial de la campagne. Mais nous avons encore besoin de l'aide du public, par l'entremise de la marche des dix sous, pour aider les victimes de la polio et autres maladies semblables. Un objectif de \$160,000 a été fixé pour 1970 par la Légion Canadienne, (division du Québec) qui commande la marche des dix sous. Etablie en 1946 pour combattre la polio, la marche des dix sous étend maintenant ses services pour aider toute personne, homme fem-

in that city. Mrs. Tolhurst read one of these reports. Women were asked by one of the speakers to revive the art of nagging which is necessary in some cases to get action.

Mrs. A. Kerr, Citizenship, gave her delegate's report on the annual convention at Macdonald College covering everything briefly but clearly.

Mrs. Gallie, Education read a thank-you note from Chris Ness, now studying music at McGill University. He had received a delayed prize.

Mrs. Jones, Agriculture, read an interesting article on the cultivation of the poppy plant for opium which may be used in a useful drug. Some is side-tracked to the black market and used for heroin which causes so much harm.

Mrs. L. West Welfare and Health spoke on the use and abuse of Drugs. This was followed by a question and answer panel which focused on the things most necessary to remember.

More time was given to the last two conveners as the theme of the meeting was a combined program on drugs and agriculture. Mrs. Greig thanked Mrs. West and Mrs. Jones for their interesting and useful information.

Six members entered the non-floral Thanksgiving Centrepiece. All were attractive and included ideas which everyone could use the following weekend. All the members marked their first choice ballot after viewing the numbered entries. Mrs. Huntley Greig received the most votes, Mrs. Jas Crawford second, Mrs. May Jones third.

Dundee

Mr. and Mrs. Wilbur Stowell accompanied Mr. and Mrs. Claude Quenneville to Burlington, Vermont, Sunday. They visited Mr. and Mrs. Archie St. Onge and family. Mrs. St. Onge is Claude's aunt. The St. Onges have a large dairy farm equipped with milking parlor, automatic feeders, and a milking herd of 94.

Miss Elizabeth Stowell spent the weekend with her parents, Mr. and Mrs. Wilbur Stowell. She attends the Cornwall Collegiate Vocational School in Cornwall, Ont. Elizabeth plans to

be a teacher.

Mr. Raymond Wattie underwent major surgery, Friday, in the Montreal General Hospital. He has been hospitalized for the past four weeks. Mrs. Wattie visited him Sunday and found him improving satisfactorily.

Miss Fay Ferguson left Dorval Airport, Thursday, October 8 for a visit to Europe. A college friend, Miss Cuca Gonzalez, was flying from the Panama Canal Zone the same day. The girls planned on meeting at the Luxembourg Airport and spending some time travelling in Europe.

The weather we were experiencing must indeed have been Indian Summer. String beans were picked Saturday from a patch planted in June. It is unusual that there has been no killing frost so late in the season. It has been advantageous to farmers, as late planted corn has had time to reach maturity.

The Thanksgiving weekend brought to this area more than the usual number of hunters, who hunt on private property without permission. This creates a serious problem to local citizens and a threat to cattle pasturing in wooded areas.
