World News In Brief

Ottawa, Feb. 28.—(P)—More than 100 building officials from across the country will begin a two-day probe of Canada's building regulations today, to knock out impediments to the Dominion's building progress.

Municipal representatives from Vancouver to Moncton, provincial government officials and federal government officials are attending.

Brockville, Ont., Feb. 28.—(P)—Police picked up a 17-year-old Cornwall, Ont., youth and charged him with murder, just nine hours after a retired gardener died of a severe clubbing in this eastern Ontario town Saturday.

The jobless youth, Leo Daniel Parent, was picked up at his Cornwall home at two a.m. Sunday. The murder victim, Michael (Mike) Skelton, 73, died in hospital.

Tehran, Iran, Feb. 28.—(P)—Official sources said last night martial law has been declared and curfew imposed on all localities where army garrisons are stationed. (The dispatch gave no reason for the decrees).

Guam, Feb. 28.—(P)—Guam police reported today one of two Japanese stragglers—holdouts since Japan's surrender—was shot and killed by Guamanian villagers in the island's Laguna district. The other Japanese escaped.

Los Angeles, Feb. 28.—(P)—Howard Hughes today disclosed that his giant flying plane—the world's biggest—had been "fairly extensively" damaged but did not elaborate further. The eight-engine plywood cargo ship is dry-docked here. A spokesman for Hughes estimated that \$27,000,000 has gone into the plane.

Ottawa, Feb. 28.—(CP)—A Resolution was passed by the directors of the Canadian Weekly Newspaper Association, it was learned last night, to lodge formal protest against removal of the government's printing bureau from Ottawa to Hull.

The resolution, which was adopted Saturday, was passed along informally to Prime Minister St. Laurent when he addressed the association Saturday night. Main reason for the resolution, it was believed, was because of proposed enlargement of the bureau at its Hull site, which may deprive weekly newspapers of their traditional "backlog" of government printing.

Madras, Feb. 28.—(Reuters)—Three hundred Communists, including six women, are under detention in Madras province, K. M. Menon, minister in charge of prisons, said today in reply to a question in the Madras assembly.

Paris, Feb. 28.—(Reuters)—The French Socialist party yesterday decided to continue participation in the middle-of-the-road coalition government of Premier Henri Queuille.

The national council of the party voted the decision, 2,855 to 589.

London, Feb. 28.—(P)—The Labor party have decided to expand their program for government ownership of basic industry in Britain, reliable informants say.

Party leaders and cabinet officials, headed by Prime Minister Attlee held a week-end meeting at Shanklin on the Isle of Wight. The meeting was closed, but reports of the discussions came from reliable sources.

The informants said the sugar refining and water supply industries already are on a tentative nationalization list to be offered in next year's general election program.

The chemical industry "quite possibly" will be added to the list, the informants said.

It was understood that trade union objections resulted in leaving the shipbuilding industry off the nationalization list. Flour mill-

Standard Of Food Rises In Europe

By ERNEST AGNEW

London, Feb. 28.—(P)—Nearly all Europeans are eating better than they did a year ago, but by North American standards they still have a long way to go.

This year Belgium and Poland ended all rationing. Russia and Switzerland dropped rationing earlier. The Netherlands has announced it expects all food could go on free sale before the end of 1949. France is considering similar action.

In a majority of other countries, rationing has lost its stringency and rationed foods now are almost always available. That wasn't true a year ago.

Europe's second successive mild winter probably means crops as favorable as those of last year and a further relaxation of the food restrictions, officials cautiously predict.

In a few heavily industrial countries which for centuries have had to import much of their food—most notably Britain—rationing is still stiff. There is no sign that it may end within the next year or two. It is stiff, too, in Czechoslovakia and relatively so in agricultural Yugoslavia, due to poor distribution.

Officially, Britain is the only European country where the average consumer is getting fewer daily calories than when the war ended. The food ministry estimates the average Briton now gets 2,850 calories a day compared with 2,910 in 1945.

British housewives say the overall position is "easier" than it was a year ago. Fruit is relatively plentiful and there is a somewhat better variety of other unrationed foods.

An Associated Press survey showed the most extensively rationed food in eastern Europe is fat. Thirteen countries limit the amount sold to each consumer. The normal weekly allowance varies from 190 grams (seven ounces) in France to 350 grams (13 ounces) in Norway.

Sweden and Norway are the only two countries in Europe with the exception of Eire where the entire ration may be taken in butter. Sugar is rationed in 11 countries.

In most countries the level of meat rations is down. Meat is not rationed in France, Italy, Eire or Portugal although it is not necessarily in plentiful supply in those countries.

Bread, flour and cereal rations have been relaxed in virtually every country in the last 12 months. But coffee and soap usually are tightly rationed.

Paris, Feb. 28.—(Reuters)—The French Socialist party yesterday decided to continue participation in the middle-of-the-road coalition government of Premier Henri Queuille.

The national council of the party voted the decision, 2,855 to 589.

London, Feb. 28.—(P)—The Labor party have decided to expand their program for government ownership of basic industry in Britain, reliable informants say.

Party leaders and cabinet officials, headed by Prime Minister Attlee held a week-end meeting at Shanklin on the Isle of Wight. The meeting was closed, but reports of the discussions came from reliable sources.

The informants said the sugar refining and water supply industries already are on a tentative nationalization list to be offered in next year's general election program.

Government Announces Confession That Numerous Documents Were Turned Over to Unidentified Military Attache.

Paris, Feb. 28.—(P)—The French government said today a Communist army major has confessed turning army documents over to "a foreign military attaché."

The attaché was not identified, nor was the country he represents named.

A communique issued by the interior ministry said an army captain was questioned about his "relationship" with the major and about "defence documents" he is charged with turning over to a Communist magazine.

The officers, turned over to military authorities, were identified later only as "Major Teulery" and "Captain Azema."

Teulery was reported to have been on active service in the French army. Azema was described as an instructor of airborne troops.

The communique said he admitted handing over "numerous documents" which he had been able to collect in his jobs in the offices of the ministry of munitions and national defence.

The ministry said the case was connected with one against Robert Penillaut, business manager of the Communist weekly France d'Aujourd'hui (France First), who was arrested Friday.

The major was identified as a stockholder in the weekly. Another officer, a captain charged with giving defence secrets to the paper, also will face a court-martial, the ministry said.

The announcement came as Frenchmen wondered nervously how far their government would go in present moves for a purge of Communists.

The campaign against Communists on the parliamentary front continued today with an official request for lifting the immunity of Florimond Bonjean, one of the Communist leaders in the National Assembly and the party's press spokesman.

Friday the National Assembly is due to debate a similar request in the case of Marcel Cachin, 75-year-old editor of a Communist daily, L'Humanite. As in most countries, members of the French parliament are protected by law against arrest while the house is in session.

Washington, Feb. 28.—(P)—The Truman administration advised Congress today that the proposed \$940,000,000 in new aid to Britain is a "tight fight"—the absolute minimum.

"Any reduction in it," declared Paul Hoffman, head of the Economic Co-operation Administration, "would adversely affect continued recovery in both the United States and western Europe."

He and a group of advisers from various branches of the government appeared before the Senate foreign relations committee as the aftermath of a trans-Atlantic discussion of the state of Britain's economic health.

Because of varying official British statements as to how far Britain has recovered from the strains of war, the committee called in Hoffman to justify Britain's share of the new \$5,800,000,000 European recovery program.

That was the sole purpose of today's hearings.

"Until Great Britain's earnings of dollars through exports and services to the United States and other hard currency areas are sufficient to pay for the essential imports she must have, she will still need American aid," Hoffman said in his testimony.

"We are convinced," he asserted, "that the salvation of western Europe depends upon joint economic effort of all the participants and can only be achieved by mutual aid and closer economic co-operation."

"Any set-back to a country so important as Britain would be bound to have the most serious consequences."

Fourteen Are Feared Lost In Two Fires

Morden, Man., Feb. 28.—(P)—A sorrowing mother went ahead today with plans for the burial of five of her daughters, victims of an early morning fire that also snuffed out the life of a sixth person.

Mrs. Kathleen Neufeld, 46, whose husband died 14 years ago, hurried back here yesterday from a visit to Winnipeg to face the tragedy that took the lives of daughters ranging in age from eight to 21. The girls were Nettie, 21, Annie, 19, Helen, 14, Sadie, 10, and Marjorie, eight.

John Storey, a 19-year-old Morden youth who had for the last two months boarded at the two-story, frame dwelling occupied by the Neufelds, also perished in the fire.

All six young persons apparently were overcome by smoke or fumes of some description from the fire, whose origin still has not been determined.

Gambier, O., Feb. 28.—(P)—Kenyon College today listed six students missing in a \$1,000,000 dormitory fire that killed two others and injured 26 yesterday. Firemen searched the ruins for bodies.

Towering above the helmeted searchers were the giant, four-foot-thick gray stone walls of "Old Kenyon," the oldest building on the campus of the college for men.

That was all that was left of the 122-year-old dormitory that housed 120 students.

Missing were: Ernest Ahwajee, 18, of Akron, O.; Albert J. Lewis of Hazelton, Pa.; George Pincus of Brooklyn, N.Y.; Stephen Wood of New York; Colin Woodworth of Jamaica, Plain, Mass.; and Martin E. Mangle, 18, son of a New York retail store executive.

Dead were: Edward Brout of Mount Vernon, N.Y., 19-year-old pre-medical student who tried to jump from the window of his room to a nearby fire escape, missed and plunged three stories to his death.

Mare S. Peck of Fenton, Mich., who died of burns in hospital where two other students were in critical condition.

He was Rev. Georgi Chernov, 46, Pentecostal pastor.

Like the others who preceded him on the stand, he launched into a long public confession of espionage for the United States and Britain.

Chernov had written a 250-page "confession" while in jail—the longest preliminary deposition taken from any of the defendants. All are charged with treason, spying and black market money dealings.

Chernov said he had been ordered to collect espionage by Cyril Black, former United States political mission secretary here. He claimed he had talked with Black during the period from November, 1944, to the middle of 1945.

105 Years Old Today

MRS. EMMA TRYON MOIR of Beebe, who is today celebrating her 105th birthday. The Sherbrooke Daily Record joins with Mrs. Moir's many friends in wishing her "many happy returns of the day."

"Don't Worry" Is Mrs. Moir's Advice On Her 105th Birthday

By PENNY DAVIDSON
Sherbrooke Record Staff Writer
Beebe, Que., Feb. 28.—Mrs. Emma Tryon Moir intends to blow out the candles on her birthday cake today. And a hearty puff it will have to be, Mrs. Moir is 105 years old.

This grand old lady of the boundary line weaves the mantle of her years lightly. To a Sherbrooke Record reporter who visited her during the week-end she reacted, appropriately, the poem, "I Am Not Growing Old," and she completed the eight long verses without a slip.

She reads her newspaper daily, her Bible twice a day. And to one who was born before the American Civil War and who is by now accustomed to man's strange inability to keep on good terms with his fellow men she finds more comfort in her latter reading.

This wonderful book contains very fine stories, she says. Mrs. Moir's hearing is slightly impaired but apart from this she has full command of all her faculties. Since the New Year she has written, in her firm, legible hand, 18 letters and several postcards.

She still personally looks after her two rooms in the home of her son-in-law and daughter, Mr. and Mrs. J. A. Boulais, where she lives. She goes up and downstairs several times a day.

Knitting remains one of her favorite pastimes and her small souvenir mittens are known far and wide. She completed more than 150 pairs during the last year, sold them and gave the proceeds to her church.

Of a cheerful, optimistic disposition, Mrs. Moir has enjoyed remarkably good health during the last year. She escaped colds this winter. But she is looking forward

to the summer, when she can get outside, and to the two months when she will take her annual "vacation" beside the water at Lake Park.

Her routine rarely varies from year to year.

"I don't usually get up much before 7 a.m. and I retire at 8 p.m.," said Mrs. Moir.

Her policy is not to worry and she attributes her longevity to this wise principle.

Born in Claremontville, the daughter of Mr. and Mrs. Daniel Tryon, Mrs. Moir moved to Stansfeld in 1859 and four years later was married to John W. Moir of Granville. Mrs. Moir died in 1905.

She was postmistress for a number of years in Granvilleville and also operated a boarding house there and purchased a new home in Beebe Junction.

Her mother made her home with her until her death at the grand old age of 101 years. Mrs. Moir is now the last surviving member of a family of seven, all of whom lived beyond the age of 80.

Maritime Provinces Swept By Winter's Worst Storm

Halifax, Feb. 28.—(P)—With temperatures hovering around zero, Maritimers groped their way today out of the winter's first man-sized snowstorm.

It took old man winter a long time to get around to visiting the Maritimes. But he made up for past neglect with interest during the week-end. And snowflurries continued today.

Worst hit was Cape Breton, where 15 inches of snow fell. Operations were almost at a standstill at the big steel plant in Sydney because the snow disrupted outside plant transportation.

Coal mines in the area were also affected and some did not hoist to day. The coal could not be moved after it reached the surface.

The shipping and mining town of North Hatley was cut off from the rest of the province as the thick blanket of snow, whipped into huge drifts by strong north winds, choked highways and played hob with telephone and telegraph communications.

All plane traffic through Reserve airport near Sydney was halted. Snowplowers could not cope with the fall.

Highway crews worked throughout the night to clear roads both in Cape Breton and on the Nova Scotia mainland. A bus and a number of cars were marooned and their occupants whiled away their time in farmhouses waiting for the roads to be cleared.

Vancouver, Feb. 28.—(P)—British Columbia's worst winter in 47 years received an emphatic "good-bye" today as balmy weather heralded the long-awaited spring—at 53 degrees above.

The strange winter ushered out February in strange ways:

A thousand golfers belted their way over four playable Vancouver courses. Two hundred skiers roamed over a golf course at Nelson, B. C. Thousands of Vancouverites strolled and clicked cameras in Stanley Park. Fifty fishermen sought out the elusive rainbow trout in Kootenay Lake. Hundreds of lower mainland residents sat on lawns.

To add to the contrasts, an R. C. A. F. Dakota dropped two tons of snow.

Triple Slayer Is Killed By Police

Phoenix, Ariz., Feb. 28.—(P)—The vicious triple slayer, Bill Ray Gilbert, made good his boast he never would be taken alive.

Surprised while taking a shower in a tourist camp cabin, the Arizona ex-convict fell dead before a blaze of police gunfire last night. His naked body was riddled with 12 bullet holes.

Gilbert almost made good his second boast—"I'll take two officers with me when I die." He shot a policeman three times in the leg.

The 28-year-old ex-convict killed a woman and two men near Needles, Calif., last Wednesday.

The gun battle will, police ended a crime foray in which Gilbert and a prison pal, George Adolph Schmid, 22, kidnapped a Phoenix woman, killed the three California men, and returned to Arizona with a plan to kill the state prison warden and other officials.

Schmid was captured without resistance by two city policemen late early yesterday as he tried to reach his mother's home. He was armed with two pistols.

People in the United States, too, know, or know about Mrs. Moir. Two of the birthday cards she received came from the Women's Association of the South Presbyterian Church of Dobbs Ferry, N.Y., and bore a total of 100 signatures.

Mrs. S. M. Hauser, of Dobbs Ferry, made Mrs. Moir the subject of a talk she gave before the association. The text of this address is given below:

"My lovely new friend, 'The Record's Digest often carries an article on 'My most unforgettable character'."

"In the summer of 1948 I met my 'most unforgettable character,' in Beebe. I was spending the summer at Big Timber Camp at Georgeville and on a lazy restful afternoon a friend from Beebe said, 'I know the loveliest, most interesting little woman who would inspire anyone. Don't you want to go with me on one of my visits? She is 104 years old!'"

"I couldn't believe my ears and rousing myself said, 'Did you say 104? I was at once alert and ready for the trip.'"

Grady The Cow Is Freed From Silo Prison

Yukon, Okla., Feb. 28.—(P)—Knock-out drops, cup grease and a strong push-and-pull freed Grady the cow from her silo prison on Saturday.

It was a triumph for the Denver Post, which invaded Oklahoma to rescue this bovine damsel in distress.

Grady's captivity ended just five days after she bolted into the silo through a feed door 17 by 25½ inches in size.

She was running away from Dr. L. J. Crump, the Yukon vet who was treating her.

She left the silo with great squealing and clatter of hoofs with Ralph Patriege, farm editor of the Post, pushing her from behind with the help of three others.

Dr. Crump was pulling, along with Bill and Charles Mach, Grady's owners.

More than 40 early risers gathered in the raw, gray dawn to watch the solution of a problem that stirred North America. Suggestions for freeing Grady, a purebred Hereford worth \$1,000 had come from most of the States and Canada.

The liberation was a lot easier than expected. To get Grady ready, they pulled her fore feet through the door and the dog gave her a massive shot of nembutal—the same stuff they use in sleeping tablets.

Then they gave Grady a tentative heave.

There was a sudden scraping of hoofs on the greased wooden ramp underneath her and the Hereford burst out much as she had burst in.

Negro Guild Wins Drama Festival

Montreal, Feb. 28.—(P)—A stirring, magnificently-acted production of "Emperor Jones" climaxed the week-long western Quebec regional drama festival here Saturday night and the Negro Theatre Guild of Montreal carried off top honors.

Adjudicator Robert Spaight described the production as "impeccable." He termed the acting of Percy Rodriguez, in the role of Brutus Jones, the American ex-convict fleeing from the vengeance of the A'trian tribe he had ruled and cheated for two years, "beyond criticism." He had, in the adjudicator's opinion, "something extraordinary in a Negro actor, something that not even Paul Robeson had—he had royalty."

Mr. Spaight spoke of the actor's extraordinary dignity of the first act and the way it dropped off as the play progressed through its jungle flight, of the actor's consistent beauty of voice and movement. He summed up the playing as "a technically armor-proof performance."

Racine's "Phedre" presented by Le Conservatoire Français took top honors among French plays, winning the X're Dame de Grace Women's Club Shield, given for the first time this year for the best production in the alternative language.

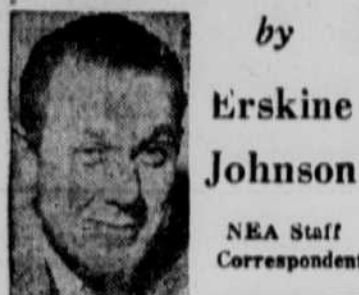

Both groups will compete for Dominion honors in the finals at Toronto next week.

Senators Tounce Shawinigan 10-2

Ottawa, Feb. 28.—(C)—Ottawa Senators rode roughshod over Shawinigan Falls Cataracts to their 41st victory of the Quebec Senior Hockey League season here Saturday night, defeating the visitors 10-2. A crowd of 4,948 fans watched the Senators boost their first-place lead over Sherbrooke to eleven points.

The victory practically assured the Senators of finishing the regular schedule at the top of the league. Bill Robinson and Emilie Dagenais shared scoring honors for the winners, each getting three goals. Dagenais completed a regulation hat-trick, scoring three consecutive goals for the home team. He tallied the only two markers of the second period, and opened the third-period scoring with his third goal.

Nils Tremblay, Alex Smart, Eddie Emberg and Lude Check added singles to make up the Ottawa total, the latter being high point-scoring mark of the evening when he added three assists for a total of four points.

Eddie Dartnell, the league's leading scorer, failed to increase his total of 50 goals at this point, but drew three assists to raise his season's total to 105 and increase his lead over Sherbrooke's Tony Demers who occupies the runner-up position.

Both Shawinigan goals came from the stick of the former Ottawa junior star, Hugh Riopelle. He scored the first with a left-wing shot on Gerry Bergeron's pass, and beat Bill (Legs) Fraser for the second one with a drive after taking a pass from playing-coach Leo Lamoureux.

Royals Defeat Braves in Overtime

Valleyfield, Que., Feb. 28.—(C)—Montreal Royals made a clean sweep of their day-night twin-bill with Valleyfield Braves here Sunday night when they won a 5-4 overtime decision in a Senior hockey League game before 3,500 fans, one of the largest crowds to ever jam into the Arena here. Royals won the first game yesterday afternoon 5-2 at Montreal.

A goal by winger Lude Denis, on a breakaway at the eight-minute mark of the overtime period, gave Royals the nod after the two teams had battled on even terms for the first three regular periods of play.

Valleyfield took a 3-2 lead in the first period on goals by Ike Goegan, Johnny Murelich and Klouton Jeanette.

In the second period, Jean-Paul Bisailon increased Valleyfield's advantage to two goals when he converted passes by Corriveau and Joannette after six minutes of play. Jimmy Orlando scored Royals' third goal with less than a minute of play left in the period.

In the third frame, Royals were still trailing 4-3 with less than three minutes of play left when Malone sent a blazing shot past goalie Cliff Dobson to tie the game.

When the teams came back for the ten-minute overtime period both appeared tired and play bogged down to a slow pace. During a scramble in centre ice, Denis grabbed the puck and rushed all alone toward the Valleyfield goal.

When a few feet away he drove a shot that hit the post. The puck dropped to the ice and slowly rolled behind Dobson over the goal line to give Royals the game.

Walloped 10-2 in Ottawa Saturday night.

Ottawa drove from behind to knot the contest three times before Carthy deflected Jimmy Galbraith's shot from the blueline for the winning marker at 18:39 of the finale. With 25 seconds remaining, coach Buck Boucher removed Goalie Legs Fraser and sent on six attackers, but the Cats held out until the final siren.

The other Shawinigan marksmen were Galbraith, Bernie Li, Delvecchio, Bucky Buchanan, Eddie Theberge and Matt Delvecchio.

Conny Tudin and Lude Check knotted the Ottawa offensive with two goals apiece, while Eddie Dartnell fired the other counter.

Estonians Hold Celebration Marking Country's Independence Anniversary

In honor of Estonia's 81st anniversary of independence, the newly arrived group of Estonians held a celebration on Saturday evening in the Sangster Memorial United Church.

The hall was attractively decorated for the occasion with evergreen and the Estonian colors and emblems were prominently displayed on the stage. Uno Iives, president of the Estonian committee, was in charge of the celebration and, with Mrs. Iives, received the numerous guests, who included members of the clergy: Alderman Paul Hamel, representing the Mayor; K. C. F. Mills, superintendent of the Dominion Textile Plant, with Mrs. Mills, and other officials of the company.

Upon entering the hall each guest was presented with a tiny boutonniere of ribbon in the Estonian colors, by the youngsters whose graceful curtsies and charming manners evoked many a favorable remark from the audience.

J. E. Short, secretary of the Y.M.C.A., led the gathering in prayer, after which addresses were given by Daniel Kalias and Uno Iives, Miss Irene Paulsen and Mrs. Hedy Boltow acting as interpreters.

Both speakers referred to the intolerable conditions under which they had been living in Europe, saying that the Estonians were a

F. E. Thibault Files Papers For Election

Sherbrooke's municipal election campaign was formally launched this morning when the first set of nomination papers was lodged with City Clerk Antonin Deslauriers. These were presented by the supporters of Felix E. Thibault, Bowen Avenue garage owner, who is seeking election for Seat No. 2 of the East Ward, now held by Ald. O. Deziel.

The official nomination paper, accompanied by the deposit of fifty dollars required by law, contained twenty-four names of East Ward residents and named Leo Thibault—no close relation to the candidate—as election agent.

During the week-end a delegation waited upon Ald. Deziel and requested him to present himself again and the veteran representative of the East Ward acceded to their requests.

A contest has already been announced in the South Ward where the retiring Alderman, Norbert Bergeron, will be opposed by Carl Camirand. In the West Ward, no opposition has been yet forthcoming to the return of Ald. Armand Fiset, leader of the Council, while in the North Ward, expectations are that the retiring Alderman, Wesley H. Bradley, will receive an acclamation.

Nominations for these seats are scheduled for March 15 with elections where necessary on March 22.

In the centre ward, the nomination for the seat rendered vacant by the resignation of Ald. Albert Charpentier, nominations will be held March 9 and elections March 16. So far there have been no papers taken out but two candidates have unofficially entered the lists—Eugene Thibault, a former alderman, and Thomas Tremblay, who was defeated by Ald. Charpentier two years ago.

Those signing Felix Thibault's papers in the East Ward were: A. Rault, L. W. Dixon, P. E. Brazeau, E. Lafontaine, George Sylvestre, Maurice Delorme, J. A. Rechambault, G. A. Fortier, J. L. E. Blais, T. Beauregard, Pierre Desjardes, Arthur Desautels, C. Cyr, Georges Roy, Lorenzo Pelletier, J. J. Janelle, J. E. Choquette, Willie Roy, Dr. J. O. Noel, Henri Jacques, A. Mr. Justice C. D. White Is Honored By Members Of St. Francis District Bar

A record of 28 years on the Bench of the Superior Court for the district of St. Francis and over half a century connection with the practice of law in this district was suitably honored on Saturday when the members of the Bar of the District of St. Francis tendered a luncheon to Mr. Justice Charles D. White, who recently retired from the Bench.

The gathering, held at the Social Club, was presided over by Redmond Hayes, K.C., Barrister of the District Bar. Mr. Hayes, in his opening remarks, paid a tribute to the sterling qualities of the guest of honor, stressing his characteristics of impartiality and sympathy.

He stressed the importance of respect for the judiciary, declaring that respect for law and for those who administer it is the very basis of civilized society. He condemned the too frequent practice of transferring what were normal judicial functions to various boards and commissions who were often appointed for strictly political purposes and who lacked the security of tenure which went with the appointment to the Bench.

On behalf of the members of the St. Francis District Bar, J. C. Samson, of Coaticook, presented Judge White with a gold desk set, suitably engraved to recall his long years of service on the Bench. Mr. Samson also praised the manner in which justice had been handed down during the period Judge White had occupied the Bench.

W. H. Lynch, K.C., senior member of the St. Francis District Bar, present at the gathering, recalled his early association with Judge White, who was a member of the same firm.

Senator Jacob Nicol, M.L.C., speaking as a contemporary of Judge White in the earlier days, lauded the long association of the White family with the legal profession in this district. He also emphasized the necessity of impartial administration of the law, declaring that when people lose their faith in the law and its application, they lose their faith in everything and that chaos and confusion were the inevitable results.

Short addresses were also delivered by Mr. Justice Cesar Gervais and Mr. Justice William Mitchell.

In thanking the gathering for the gift presented to him, Judge White stressed the growing duties which had been placed on Superior Court judges and lent his support to the demand for the nomination of additional members of the Bench to provide for the speedy dispatch of legal business in this and other districts.

He also extended an invitation to all members of the Bar of the district to come to him with their problems and receive such advice and assistance as were within his power to give.

In addition to the guest of honor and Mr. Hayes, those at the head table were Mr. Justice Cesar Gervais, Mr. Justice William Mitchell, Judge Dorais Panneton, District Magistrate, and Judge Edouard Boivin, District Magistrate.

Boy Scout-Girl Guide Week Comes To End; Patrol Leaders' Banquet Held

The annual Patrol Leaders' banquet of the Sherbrooke District Council of the Boy Scouts Association was held in the Mayfair Room of the New Sherbrooke Hotel Saturday night. Under the chairmanship of Troop Leader Robert Chapman, of the 5th Sherbrooke (St. Peter's Church) Troop, the sixty-four Patrol Leaders and Scoutmasters took part in an active and interesting program.

This event is held each year at the close of Boy Scout-Girl Guide week and is a good way of getting on the part of the sponsoring groups to the young leaders and their Scoutmasters.

Dedication of flags by the Girl Guides and church services attended by Guides, Scouts, Cubs and Brownies brought the week's observances to an end yesterday.

The Patrol Leaders' banquet opened with grace by Patrol Leader, Curtis Bishop, of the 5th Troop and this was followed with a toast to the King and to Chief Scout, Lord Alexander, by Patrol Leader Ronald Enright, of the 7th, (St. Paul's Church) Troop.

After the meal had been cheerfully tucked away, Assistant Scoutmasters Jack Lenaghan and Peter Blake led a rousing sing song which was followed with short skits presented by each of the five groups represented at the banquet.

At this point in the proceedings, Bruce Millar, President of the Sherbrooke District Council, introduced the guest speaker of the evening, Constable Romain of the R.C.M.P.

In his introduction, Mr. Millar reminded his youthful audience of the glowing record which the constable had established in the Northwest Territories and in Nova Scotia as well as in Quebec.

Constable Romain opened his address with a reminder that he was not present to give a lengthy speech but rather to bring the boys a message on good citizenship to supplement their Scout training.

"You and I have much in common," the constable said. "I have been trained to deal with human nature and you are being trained to work with human nature and to get along well with your fellow men."

Constable Romain emphasized the importance of the word discipline and all that it means to both R.C.M.P. officers and to Boy Scouts. With only three thousand men in the Scout and Gold force, many of them serving hundreds of miles from their nearest superior officer, it is essential that a high degree of self discipline be maintained.

"You in the Boy Scouts are fortunate to learn this all-important lesson early in your lives as it is essential to your future happiness," the officer said. "You are to be the leaders of our country tomorrow and we must depend on you for future successful national endeavors."

Constable Romain asked the boys to look seriously into the future and by carrying their motto, "Be Prepared," into action thus ensure our country a continued glowing heritage. "Remember your motto and in closing may I say to you all 'Good Scouting.'"

Patrol Leader Randy Goyette of the 10th (St. Patrick's) Troop thanked the speaker.

District Commissioner C. G. Blake then called upon Newman Hunter, President of the Kiwanis Club in Sherbrooke, to explain the forthcoming White Elephant auction which this Club is sponsoring to raise funds for welfare work in Sherbrooke. Mr. Hunter complimented the boys on their fine showing during the past week and assured them of the continued support of the Kiwanis. He asked for several boys to assist at the auction to be held on March 11th and 12th and then thanked the program committee on behalf of the non-uniformed guests.

The evening wound up with the various Troop yells and the Lord's Prayer.

On Friday evening between 150 and 200 Cubs attended their annual

Patrol Leaders' Banquet Held

banquet at the Chateau Frontenac. Albert Perry entertained the youngsters with feats of magic and Clarence Blake, Sherbrooke District Scout Commissioner, spoke briefly.

Following supper, Cubmaster Peter Blake led a sing song.

On Friday night, too, parents' night was held by the Lennoxville A and B packs with 10 Cubs and 75 guests present.

The Grand Howl, led by Billy Tanner opened the program and the packs then were inspected. There were games and an instruction period at which the visitors were interested spectators.

Billy Tanner was presented with his 2nd Star badge. He is only the third boy in its pack, who has received this badge in the last three years. The Grand Howl ended the rally and then refreshments, provided by the Mothers' Auxiliary of the Boy Scouts, were served.

Women's Stature Rises In India

By

By DEWITT MACKENZIE
Associated Press News Analyst

The new India continues to pursue her destiny with seven-league strides.

The latest of many striking indications of her determination to modernize her way of life is the introduction in the national legislature of a bill which would revolutionize the status of Indian women. This measure would make sweeping changes in ancient customs of the Hindu religion. For instance, plural marriage would be abolished, and women would be allowed the privilege of obtaining divorces.

It is interesting to find law minister B. R. Ambedkar sponsoring this measure. Dr. Ambedkar was born into the lowest class known as the untouchables, and has spent his life championing their cause. He has a deep feeling for any class of society which is deprived of its rights.

As was to be expected, the bill has run into a storm of opposition in parliament. The chief protest comes from orthodox Hindus and is mainly on religious grounds.

So we shouldn't assume that the bill will pass. However, we may take it as an encouraging sign of the times.

Whether the measure is adopted, the fair sex of India is coming into its own, as is clearly indicated by the fact there are women members of the Indian legislature and of the Pakistan legislature. Prime Minister Nehru's sister, Mrs. Vijaya Lakshmi Pandit, is ambassador to Russia and also is India's chief representative at the United Nations.

That's a great change from what I found on my first visit to India more than 20 years ago. The spirit of progress was in the air, but it was largely a man's world. Except for the lowest class, women as a whole were kept in purdah. That is, they were secluded from the company of men not members of their own family and were closely veiled in public.

I encountered a particularly interesting example of such seclusion when I was the guest of the late Maharajah of Bikanir, one of the greatest of the ruling princes. He was liberal and progressive, but his Maharani lived in strict seclusion.

The Prince was deeply in love with his Princess and among the things he had done for her happiness was build a beautiful garden close to the

palace. In this garden was a fine tennis court, and he used to play tennis with her most days.

But that garden was surrounded by a high wall, so that none could see into the grounds. And when the Maharani went with her ladies-in-waiting from the palace to the garden, some 25 yards away, they proceeded by a carefully curtained automobile. They reached the car through a canopy which was put between the palace door and the automobile. Still, that was custom, and nobody seemed to question it.

Purdah still exists in India. You even find purdah girls in some of the universities. But it is on its way out, and women are coming into their own.

Churchill Seeks European Unity

Brussels, Feb. 28.—(AP)—Winston Churchill made a fiery plea for European unity yesterday in a Communist-heckled speech to 10,000 in the Place de la Bourse.

He said a unified Europe was "the sole means of preventing another hideous war."

Churchill is a delegate to the council of the European Movement—an unofficial organization aiming towards a United States of Europe—which is now meeting here.

The wartime British Prime Minister began his speech at yesterday's mass meeting in English. He soon shifted to French, however, which brought a cheer from the crowd.

The leader of Britain's Conservative party ignored Communist hecklers, but not so Belgium's Premier Paul-Henri Spaak who followed him to the speaker's rostrum.

Addressing the Communists in the crowd directly, Spaak said: "At one moment in 1939 you stood idle because you said this was a capitalist war and we should remain neutral."

Brussels police arrested 150 of the hecklers, including a Belgian senator and several members of the Chamber of Deputies. Immediately after the mass meeting the 130 delegates to the convention chose French Labor leader Leo Juchaux as president of the movement.

"She reads and knits with glasses, but she didn't use them while visiting with us. She hears as well as most people and is active about the house. She is so wide awake on the interests of the day and is an interesting and delightful friend."

Kinsmen Club Is Established In Sherbrooke

At an organization meeting held at the Social Club last Friday evening, a group of Sherbrooke residents decided to form a Kinsmen Club in Sherbrooke. The Association of Kinsmen Clubs is a service organization of young business and professional men within the Dominion of Canada and Newfoundland with high ideals worthy aims and challenging objectives which are realized through the activities of the member clubs in their communities.

The first Kinsmen Club was formed in Hamilton, Ont., in 1920, with Harold A. Rogers as founder. Today, there are over 220 clubs in the Association with approximately 9,000 members. The idealistic growth of the association has more than kept pace with this numerical growth. The achievements of the clubs in all forms of service and activities both on a local and national scale have been most significant. For example, during the last war, the Association sponsored the milk for Britain Campaign. By the end of the war, over fifty million quarts of milk had been delivered to children in Great Britain and a total of over two and a half million dollars was collected by Kinsmen Clubs across Canada for that purpose.

The prime service work of the clubs is local. For example, the Montreal Club is just completing their campaign to pay for a \$250,000 Boys Club in Rosemont. The Boys Club is almost completed and will be inaugurated in the fall of this spring. The Quebec City Club has been for many years handling the anti-tuberculosis campaign.

The meeting here was arranged by two past Kinsmen, of Shawinigan Falls, Andre Duchesnay and Oscar Mallette, now residents of Sherbrooke.

After a motion was unanimously approved that a Kinsmen Club be formed in Sherbrooke, the application for charter was signed by the present officers. Officers were elected: Jim Mercier, President; Dave Wilcox, Vice-President; Al Stewart, Secretary; Jean Levesque, Treasurer; and Dick Burroughs, Registrar. The chairman of the meeting was John Rennie.

Among the special guests were: Ken Pierce, of Montreal, Governor of District Six of Kinsmen Association; Paul Dube, Deputy Governor; and Jean Paul Larose, President of the Verdun Club. The Club will meet on Tuesday evenings every first and third Tuesday of the month. The next meeting will be held March 15th, after which the charter night will be held at the beginning of April. Other local citizens who signed as Charter members were: Cliff Sutton, Edgar Strachan, Paul Triggiani, J. Fontaine, Chris Barr, John Lapierre, Rene Desautels, Ashton Hallam, Leo Gingras, John Rennie, Andre Duchesnay, Oscar Mallette, Keith S. Jackson.

11 Are Killed In Siam Clash

Bangkok, Feb. 28.—(AP)—The government today announced order had been restored after a Saturday night clash between Siamese army and navy personnel resulted in scores of casualties. At least 11 were killed.

Officially, the government said the clash was a "misunderstanding." Earlier announcements had said plotters had tried to overthrow the government of Premier Pibul Songgram and install one headed by Dirck Jayamam, resigned ambassador to Britain. The government statement indicated the army and navy fighting was engineered by plotters who seized the public department of radio Bangkok Saturday night and announced the new government had taken over. Dirck at the same time was watching a theatre performance and later said he knew nothing about the plot.

The military clash was touched off when six navy men on patrol near a bridge on the outskirts of Bangkok were disarmed by an army patrol and told to walk back. Some soldiers began shooting at the navy men, killing one.

14 More Persons Tried In Hungary

Budapest, Hungary, Feb. 28.—(AP)—The trial of 14 persons charged with being linked with Joseph Cardinal Mindszenty in alleged black market money dealings opened today before a people's court.

The defendants included Msgr. Imre Bokai, the cardinal's treasurer; Dr. Gabor Horvath, secretary to Duke Paul Esterhazy; 10 bankers and brokers and two other priests.

They are charged with illegal dealings in foreign currency and "political conspiracy" with those already sentenced. Their trial opened 20 days after Cardinal Mindszenty was sentenced to life imprisonment on charges of treason, seeking to overthrow the Communist-controlled government and illegal speculation in United States dollars.

He then would draw heavily on stocks of surplus war materials in order to provide arms quickly and in large quantities if and when Congress authorizes the undertaking. Altogether, the European countries may get between \$2,000,000,000 and \$3,000,000,000 worth of United States military equipment in the first 12 months of the program.

About Seventy Death Claims Five Return To Work At Asbestos Lockport, N. Y.

Asbestos, Feb. 28.—Approximately seventy-five men are back at work today in the Canadian Johns-Manville mine where a strike has been in effect for two weeks. Majority of the 2,200 strikers are still away, however.

Company officials said some of those men who returned to their jobs are underground while others are on maintenance work. Some 5,000 asbestos workers are on strike all told, the balance of them in the Thorold mines area. The strike has been labelled illegal by the provincial labor department.

Notes From The Farm Forums

POTTON
The Fourth Night meeting of the Farm Forums for the Township of Potton was held in the Mansville Town Hall. The North Potton Farm Forum Group were the hosts for the evening, and Ernest Bradley acted as Chairman.

The Green Leaf was read by Mrs. Guy George. Mrs. Harold Clark, of Mansville, was appointed Fourth Night Secretary for the remainder of the year. Guest speakers were Mr. Davies of Magog, who gave a summary of regulations governing Calf Club Organization, and P. Stoen, of St. Lambert, Que., who is chief organizer for Purina Stock Food. A film in connection with Mr. Stoen's address, showing methods for handling and care of livestock, was shown by Robert Moreau. This film was especially interesting and should prove of great benefit to the farmers present. Other films from the National Film Board were shown by Rupert Clark, of Mansville.

It was announced that the subject of discussion at the next Fourth Night meeting would be Co-operative Medical Service for the County of Brome, and that directors would be on hand to answer questions.

KINGS-CROFT

The February Fourth Night of the Kingscroft Farm Forum took the form of an oyster supper, held at the home of Mr. and Mrs. Freeman Sutton. The guests numbering sixteen enjoyed a three course meal, served by the male members of the group, the dessert course having been made entirely by the men. Messrs. Corey, Holmes, MacKinnon and Hunter distinguished themselves as pastry cooks and their wives had better luck to their laurels. John MacKinnon's pies deserve special mention.

After supper carols and singing were enjoyed, one of the highlights of the evening being the arrival of a very elegant lady and her escort, carrying many articles of luggage which included a parrot in a cage, not to mention an umbrella. These two provided additional entertainment for those present.

BEEBE

The Beebe United Church celebrated "Boy and Girl Sunday," on February 20, with many of the young people of the church taking part in the service. Members of the Young Peoples' Union and Junior Choir, helped in the following ways: Hymns were announced by Dawson Smith; prayer was led by Frances Grieve; and the Scripture reading was given by Jean Gustafson; the Junior Choir sang the hymn, "Saviour Like A Shepherd, Lead Us." The offering was taken by David Grieve and Douglas Henderson. The sermon theme was "Homeless Children,—at Home," by Rev. Mr. Gustafson.

Early Offerings For Livestock Are Light

Montreal, Feb. 28.—(AP)—Early offerings were light and prices were easier on all classes except where lack of offerings forced prices up 25 to 50 cents—on the two Montreal livestock markets today.

Up to 10.30 a.m. there were 351 cattle, 489 calves, 478 hogs and 24 sheep and lambs offered for trading. Trading was kept active on cattle despite a lack of offerings. Good steers were \$19.50-\$20.50, medium \$17-\$19 and common light ones \$15-\$17; good heifers \$19, medium kinds \$17.50-\$19 and common \$10 up; good cows \$15-\$16.50 with an odd sale at \$17, medium \$13.50-\$14.50, common \$12-\$13; canners and cutters \$10-\$12. A few good bulls sold \$17-\$19 and common kinds brought \$14 or better.

Veal calves were sold \$1 off in dull dealings. Buyers were reported bidding \$3 to \$4 less on veals. A few good ones brought \$30, common to medium \$22-\$28 and yearlings \$12-\$13, grassers were \$1 easier at \$14-\$15.

No early sales were reported on hogs and a weaker undertone was noted today.

Lambs offered were bucks which sold on a flat basis \$22-\$23. Sheep \$5-\$11.

OBITUARIES

MR. ARTHUR S. BURRILL, OF INDIAN HEAD, SASK.

Arthur S. Burrill, former resi-
dent of Lennoxville and well known
here, died at Indian Head, Sask.,
February 13th.

He was the eldest son of the
late Simon Burrill, and Mary
Oughtred Burrill and grew to
manhood on the Oughtred farm,
now part of the Experimental
Farm. He was one of the first
conductors when the Street Rail-
way was opened in 1897; moved to
Saskatchewan in 1909, but was of-
ten back in 1914, when he at-
tended and much enjoyed the
Ploughing Match. The following ac-
count is taken from the "Indian
Head News" Feb. 17th.
A. S. BURRILL LAID TO REST
Retired farmer and amateur
historian, A. S. Burrill was buried
at Indian Head yesterday follow-
ing a brief illness that developed
from flu into pneumonia.
He was 74 years of age. The
service, held in St. Andrew's Uni-
ted Church, with Dr. T. H. Sendall
in charge, was attended by many
friends of town and country.
Mr. Burrill passed away Sunday
at noon, having entered hospital
the previous noon.

Honorary pall bearers were
Messrs. John Millar, A. J. H. H.
Brown, J. W. Ford, and H. Wor-
den. Pall bearers were Messrs. C.
Horsman, W. L. Smith, Les Brown,
H. Martin, J. B. Thompson, and
A. Boa.

Arthur Stevens Burrill was born
in Elmwood, Massachusetts, com-
ing to Canada with his parents as
a child. He was educated at
Lennoxville, Quebec, and came to
Western Canada in the year 1903.
His first home town was in the
Francis district, later he farmed
east of town, and finally on land
south of Indian Head.

Interested in early days hap-
penings in Western Canada, he
was an amateur historian of the
Indian Head and Qu'Appelle Val-
ley areas, and was gifted in
writing about incidents of pionee-
ring days. Considerable of the
community's early lore was at his
finger tips, and he never tired of
recounting the stirring happenings
he had seen or had heard about.
Frequently he expressed himself
in verse, and only recently had a
letter of acknowledgment from
Buckingham Palace in reply to
verses he had written and sent
there on the birth of Prince
Charles.

He had been twice married, his
first wife (the former Jessie Spry
Dean) dying a number of years
ago. In February of 1946 he mar-
ried Mrs. Sarah Totten.

The late Mr. Burrill was owner
of the business premises occupied
by Drs. Davies and McDougall, and
recently had acquired the Hunter
Block. He had been active as se-
cretary of the Fair Play and Squir-
rel Hills School Boards.

Surviving, besides Mrs. Burrill,

are three brothers, Joe, of Vancou-
ver, John, Langbank; and Frank
O. of Indian Head. A sister, Abby,
predeceased him.

MR. ALEXANDER P. WATSON, OF INVERNESS

Inverness, Feb. 28. — Mr. Alex-
ander Petrie Watson, of Inverness,
passed away at the Verdun Pro-
testant Hospital, on February 13,
1949, in his seventy-sixth year.

Born at St. Sophie, on February
11, 1874, he was the youngest son
of James Watson and his wife,
Mary Ann Duff, both of McDuff,
Banffshire, Scotland; and pioneer
settlers of Montserrat County. He re-
ceived his education in St. Sophie.
After working for several years
in the lumber woods in Vermont,
he and his brother, James Watson,
purchased the Andre Soland place
in 1895.

He was married on June 24, 1914,
to Mary McKenzie in the South
Presbyterian Church, Adderley. Of
this union was born two children,
John James, later a Corporal in the
Black Watch Regiment and killed
overseas in the second Great
War, in France, and Katherine May,
residing at Inverness. His wife
predeceased him on January 4,
1946.

Always interested in church and
community affairs, Mr. Watson
was an elder of the Presbyterian
Church for many years. He was
chairman of the Adderley School
Board and a director of the Mogan-
tic Agricultural Society, also a
past president.

Seriously injured in an accident
in 1944 and later moved to the
Neurological Hospital in Montreal
for observation, he never fully re-
covered.

The funeral service was held in
the United Church, Inverness, with
Rev. J. L. Warke, officiating, on
February 15, 1949.

He is survived by his daughter,
Miss Katherine Watson, of Inver-
ness; two brothers, James, of
Scottstown, and Thomas D. of La-
chiner; a brother-in-law, John Mc-
Kenzie, of Scottstown; four nieces,
Mrs. Lewis Guy, Mrs. Clarence
Morrison, Mrs. Herbert Bell and
Miss Isabel McKenzie; eight ne-
phews.

phews, Albert, William, Andrew
and Thomas Watson, Leonard, Les-
lie and Bruce Henderson and Neil
McKenzie. Eighteen grand-nieces
and nephews and five great-grand-
nieces and nephews survive. A bro-
ther, William, and two sisters, Miss
Maude Watson and Mrs. George
Henderson predeceased him.
Rev. Mr. Warke took for his text
St. John 6: 17 and spoke comfort-
ing words to the mourners and
friends. He mentioned the fact that

Mr. Watson had been a great
church attendee and rarely missed
a Sunday.

Mrs. D. A. Appleton played the
organ and the hymns were—"For-
ever With The Lord," "The Lord Is
My Shepherd," and "Abide With
Me."

The bearers were Messrs. Guy
Little, Cuyler McGillivray, John
Watson and Howard Kerr. Inter-
ment was made in the Congrega-
tional Cemetery.

NEW DEVELOPMENTS HELP SPEED DECLINE IN TUBERCULOSIS RATE

By Edwin P. Jordan, M.D.

The death rate from tuberculosis has been coming down for many years; it is only about one-seventh of that which existed 80 or 40 years ago.

The cause of the decline in the tuberculosis rate is not a single factor, but a combination of many factors. The most important of these are: (1) the use of the BCG vaccine, (2) the use of streptomycin, (3) the use of penicillin, (4) the use of isoniazid, (5) the use of rifampin, (6) the use of ethambutol, (7) the use of pyrazinamide, (8) the use of kanamycin, (9) the use of capreomycin, (10) the use of clofazimine, (11) the use of delamanid, (12) the use of bedaquiline, (13) the use of oprevintin, (14) ...AND YOU?

Have you given your donation
to "Community Chest" yet?

Today is the half-way mark—the first week of the Community Chest Campaign is past. Have you done your part?

This week will be the big push . . . the final effort to boost the returns to the \$23,000 objective.

Your donation is important. If you are not called on by a canvasser, take or send your contribution to Community Chest Campaign Headquarters, Canadian Bank of Commerce Building, Dufferin Avenue.

Add your weight to the final push . . . help make this campaign a success!

"Community Chest" is a spirit . . . a united desire to serve. "Community Chest" is a challenge put to you by seven local agencies — agencies united by the strong bond of public service . . . and now joined together in an appeal to you for help.

The cry of "Community Chest" echoes the needs of your community. It's a cry of what is and what might be . . . mingling a sigh of despair with the gay laughter of children at play. A cry holding a glimpse of poverty, sickness and pain—but bright with the light of hope. Bright with visions of aid for the injured — warmth and comfort for the needy. It's a cry that speaks of the future — a future led by today's children . . . children whose actions tomorrow will reflect their training today. Help brighten the light of hope for those who are less fortunate than you . . . help build good citizenship and leadership in tomorrow's adults by good teachings in today's children.

Help . . . by giving now to "Community Chest".

Grace was pronounced by Mrs. N. S. Lothrop, and during the meal, Miss Beverley Parker rendered a delightful piano solo, "Cor-doba" by Albeniz. The program opened with the singing of "O Canada." Mrs. Barbara Patterson, of Aberdeen Curling Rink, in Quebec City, guest soloist, accompanied by Miss Parker, at the piano, contributed the numbers, "I'm Falling in Love With Someone," and "My Hero." DOROTHY DIX

Frankness Doesn't Pay

Husbands And Wives Do Well To Be Discreet

Dear Miss Dix: My husband feels that he is being neglected and that I am a cold wife. The reason is that I will not and cannot lie to him or to anyone. A husband has to deserve love and affection, and honor and respect are back of it, so until my husband has earned these he will not get those words from me.

I feel that a husband must deserve praise before he expects it from his wife. I believe truth should always prevail.

TRUTHFUL JANE.

DOROTHY DIX

Answer: Of course, theoretically husbands and wives should be perfectly frank in their dealings with each other and tell each other just what they think, but I doubt extremely if many marriages could stand the strain of absolute truthfulness. Most of us are poor, weak creatures who are starving for a little praise and who crave to have our mates tell us how beautiful and wonderful we are and how much they love us, and we don't look a gift horse in the mouth very closely.

Very few people are conceited enough to really believe that their husbands and wives put them on a pedestal and think they are married to pin-feathered angels. They know better than that. No man whose wife is fat and 40 and gray-headed thinks she would take a prize in a beauty show, but he makes her happy by telling her how good-looking she is. No woman has a husband who is pompous and fussy and dictatorial but who sees him as just exactly the little balloon he is; yet he purrs under her hand when she strokes his fur the right way. It takes a certain amount of soft soap to keep any marriage a going concern.

FEW THICK SKINS

This brings up the question of how frank husbands and wives should be with each other. The literal-minded say that we should speak the truth, the whole truth, and nothing but the truth; but few of us have skins thick enough to stand it. None of us want to be told of our faults and blemishes and reminded of our mistakes and, in reality, about the only time we are absolutely veracious is when we are so rip-roaring mad we don't care what we say.

The truth of the matter is that truth is strong medicine, to be handled with discretion. Sometimes a little pink lie leans to virtue's side. A little tact, a little praise, a little blindness — is there not more virtue in these than dragging out our skeletons and rattling their bones?

Dear Dorothy Dix: My brother, who is 26, is desperately in love with a sweet college girl who is equally in love with him, but the girl refuses to marry him because she is afraid of marriage. The girl's mother was a very poor wife, made her husband desperately unhappy and he finally divorced her, and that makes the girl fear that if she married my brother she would ruin his life. She loves him so much that she would rather sacrifice her own happiness than run the risk of wrecking his life.

Do you think she is right?

SISTER.

Answer: No, she is absolutely wrong. She has brooded over her father's unhappy marriage until she has gotten morbid and lost her perspective. Because a girl's mother was a poor wife is no proof that she will be one. On the contrary, the chances are that she will make all the greater effort to be a good one.

Dear Dorothy Dix: We are two very troubled school girls, ages 15 and 16 and we are very much in love with two boys who are 17 and 19. We are thinking of getting married because we are tired of going to school. What do you advise us to do?

SCHOOL GIRLS.

Answer: I advise you not to try the experiment of jumping out of the frying pan into the fire, because if you do you will surely get badly burned. You are tired of going to school. Believe me, my children, you will get a lot more tired of matrimony if you undertake it at your tender age. School lasts only a few hours, but marriage is forever, unless you go through the horror of divorce. Your school hours are short hours, but marriage is a 24-hour job, with no holidays and off days for a wife and mother.

Don't make the mistake of thinking that matrimony is a soft snap, and don't be foolish enough to ruin your life in its beginning by marrying another silly kid.

The Record will be pleased to receive any letters to this Dorothy Dix column. These will be forwarded to Miss Dix who will answer them as quickly as possible.

BLITZ ON BUGS

DDT is a household term today—but it took over fifty years for it to get that way! Its formula was worked out originally by a German student named Zeidler in 1874, but he did nothing with it other than record it. It took the second World War, a crop crisis and Swiss chemist Paul Mueller to bring DDT to light again and into use as an insecticide. Mueller's re-discovery saved Swiss crops . . . and many lives, indirectly, for DDT was extensively used in combatting insect-borne diseases during the war.

It takes a long time to "make a name"—yet one can be lost almost overnight. That is why we're so careful in everything we do for you to make sure our high standards of purity, quality and service are continuously maintained.

PONY LINE PACES SHERBROOKE 10-9-4 WIN OVER NEW YORK

Close-Checking Game Witnessed In Final Match Between These Two Clubs

By LEN O'DONNELL
Sherbrooke Record Sports Editor
New York, Feb. 28.—The Sherbrooke Saints, paced by their famous Pony Line, downed the New York Rovers 9-4 before 8,000 fans in a heavy checking regular fixture of the Quebec Senior Hockey League yesterday in Madison Square Garden.

Leclerc

Kel Burnett was top man for the Saints when he accounted for three goals with Cote, who got two, Roy, Barry and Fillion notching others. The play was easy going at times but in the final frame Evan Irwin and Ferguson staged a stand-up slugfests battle which lasted for a few moments and added a little spice to a somewhat dull affair.

Sherbrooke drove a total of 42 shots at Hal Gordon while the best the Rovers could do was to get 22 at Paul Leclerc. It was the last game of the season between these two teams.

The played opened up at a slow pace with both teams watching each other and not giving much leeway. The Saints took over the offensive and after three minutes of play drove home the opening marker, as George Roy tallied on a set-up by Gilles Dube and Tony Demers.

Following this the pace slowed down again, but the Rovers came back and for a few moments gave Paul Leclerc a few close shots. It was almost five minutes before the New Yorkers got a good chance to test Leclerc. Ed Kavanaugh knotted the score on a scramble around the local nets when he batted in Bob Manson's rebound.

Burnett Tallies Two Quick Ones.
The Pony Line took over and started to apply the pressure. After a nice passing play Burnett poked in a goal-mouth pass from his mates. Following the face-off the Ponies came right back. Marcel Fillion pulled the Rover defense out of position and slid the rubber over to Barry, who relayed it over to Burnett and the red light went on. Hal Gordon had no chance on

either goal.

The Rovers took over and Leclerc was called upon to extend himself from point blank range as the New Yorkers were applying the pressure. Fillion broke away but failed to get his shot away. On the next play the boys went right at it and Burnett registered his third marker of the afternoon on another nice passing play. Manny McIntyre got a penalty but the New Yorkers couldn't do anything. On their second try Delory counted from a gangling play. McIntyre then returned and had a clean break but the gong sounded before he could get his shot away.

In the second frame the Saints really applied the pressure and out-shot the Rovers 16-8 but the Blue-shirts got two goals to the locals one. At the start the colored boys were in time after time but Hal Gordon turned them aside as he was stopping everything that came his way. Dick Kontanen got a slashing penalty but the Saints couldn't take advantage. During his absence Bob Manson broke away from a local gangling play and beat Leclerc from close in. Cote and his sidekicks were right in alone twice, but he was stopped by the little agile New Yorker. On their next shift Cote drove the disc by Gordon when he batted in a goal-mouth pass from his mates.

Gilles Dube got a charging penalty from Red Storey when he

Barry

crashed Flynn into the plate glass, but when he was away Paul Leclerc came up with some nice saves to ease the situation. As Dube was getting ready to step back onto the ice Val Delory got his second tally of the afternoon as he flipped the rubber at Leclerc and it hepped up into the net.

The Ponies had their chances but again Gordon was hot and turned them back at the goal mouth. The bell sounded as the locals were on a gangling attack, but just as it did Bill Heindl got a tripping penalty when he pulled Flynn down on a break.

The Saints started the third frame with Heindl in the cooler but he got back before anything happened. Ossie Carnegie was in but

H. Carnegie

Gordon again came to the fore at close quarters. The Ponies returned and Marcel Fillion was on the end of a beautiful play as he cut in behind the Rovers defense and tipped in Barry's pass.

Fillion came right back and as in alone but Gordon stopped him. Demers came on and his goal post when he had Gordon beat. He came right back and with two players hanging on walked in and pulled Gordon out to push it in the

Irwin and Ferguson Stage Fight.
The play was getting a little rough in the dying minutes of the period and when Irwin checked Ferguson heavily both boys squared off and slugged it out for a couple of minutes. Following this they drew majors for their little exhibition.

Cote broke away with both teams short-handed and beat Gordon from close quarters and in the final minute of play, Ray Barry coasted in with Kel Burnett and notched the final tally of the game.

Keen Competition Witnessed In Closed Meet At Hillcrest; Several Upsets

Upsets were the order of the day in the annual Hillcrest Closed Meet held at Hillcrest Lodge yesterday. Snow conditions were ideal and some good times were recorded.

Chief upset of the day was in the veterans class when Rolland Boisvert a newcomer to local racing circles, placed first in the slalom and a close second in the downhill to give him the combined for the day. Eric Marquardt, veteran downhill star, topped the slalom in the downhill event edging out Rolland Boisvert by 3/10 of a second.

The combined honors were yesterday are not the official combined honors as the cross-country in the Eastern Townships meet will be added and there will also be another meet.

In the ladies class young Yolande Lessard won the downhill while Aurette Duchesne placed first in the slalom. Yvette Schiller was only 1/10 of a second behind Miss Duchesne in the slalom.

Rolland Lessard walked off with the honors yesterday in class "A" men's division. Rolland Lessard won both the downhill and the slalom.

There were three disqualifications in men's class "A". Fernand Robert was disqualified in the downhill while Gordon Harner and Gerry Croteau were disqualified in the slalom for missing a gate. Maurice Bolduc, E. T. champ, had some hard luck yesterday spilling in each downhill run.

Roger Therrien took the honors in class "B" for men winning both the downhill and the slalom.

In the junior division Jean Lessard won the slalom and the downhill.

Following are the results:

Class "A" men, downhill: 1 Rolland Lessard, 81.2 seconds; 2 Rodolphe Lessard, 82.1 seconds; 3

Detroit Red Wings In Slump But Still Hold 7-Point Lead Over Boston

After setting a hot pace for most of the season, Detroit Red Wings could be expected to have a letdown sometime. But not many thought the Wings would run into as bad a slump as they are in at the moment.

The Wings have gone winless in six starts, dropping both their week-end games by one goal, 1-0 to Montreal Canadiens and 3-2 to New York Rangers. Their once healthy 12-point lead over the second-place Boston Bruins has been chopped to seven points.

With eight games to go for Detroit and nine for Boston, this margin still looks mighty formidable, but if the slump should turn into a tailspin, the Bruins could take it all.

In other week-end contests, Chicago Black Hawks emerged with a pair of draws, tying Toronto 2-2 Saturday night, and being held to another 2-2 sawoff by Boston last night.

Montreal's hard-earned victory boosted the Habitan's playoff stock another notch. The Habs now are tied with Toronto for fourth place, six and seven points up on Chicago and New York respectively.

A three-goal spree in the first period was too much for Detroit to overcome as New York took the Wings into camp 3-2 before 14,616 fans at Madison Square Garden last night. All three goals came while Detroit played a man short, and the blueshirts had a fat working margin before the seven-minute mark.

Payoff men for the tail-enders were Tony Leswick, Buddy O'Connor and Allan Stanley. The Detroit markers, scored by Ted Lindsay and Sid Abel, came within 37 seconds of each other in the middle frame.

The Wings, who have found Rangers tougher to beat in the last few weeks, were outshot 20-18 by the Rangers. Chuck Rayner turned in a great netminding job when Detroit pressed for the equalizer in the last period. Square Garden's Big Roger Logers drive from the blue line which fooled Harry Lumley all the way proved the margin of victory as Canadiens upset Detroit 1-0 before a forum crowd of 11,215 Saturday.

The game was almost like a play-off preview with both teams playing it close to the vest and few chances in a close-checking affair. Goalies Bill Durnan and Lumley were afforded maximum protection by their stout rearguards. The Habitan's outshot Detroit 21-20, but actually had a wider edge in play, but bad shooting frequently cost them scoring opportunities.

Legers' game-winning drive caught Lumley out of position. The Red Wing netminder moved to cover the open side of the net when Lezer let fly, and was unable to dive back in time when he saw his mistake and the puck blazed into the inside corner.

There was little to choose between Boston and Chicago as these clubs battled to a 2-2 stalemate before 16,484 at Chicago Stadium. Roy Conacher gave the Hawks a 1-0 lead at 13:23 of the first period with a blistering, close-in shot at Frankie Brimsek after Doug Bentley and Ralph Natrass had carried into Boston territory.

—Five men and a girl, all members of the French National Ski Team, walked off with all but one of the main events in the Canadian Downhill and Slalom Championships held here during the week-end.

The flying Frenchmen dominated each of the four races in the two day meet which ended Sunday, with the exception of the Women's downhill, where Mrs. Rhoda Wurtele Eaves won out by a sizable margin.

Georges Panisset 19, walked off with top honors, winning the slalom event in 2:00.4 and placing second in the downhill run, to emerge as Canadian Combined Champion.

Jean Fazzi, 25, from Alpes Maritimes, won the senior downhill and Mrs. Lucienne Couette, Schmidt, took the Women's slalom and combined.

Bishop's University Cagers Drop 52-46 Decision To U. Of M. Here

Those last minute jitters again hit Bishop's University Saturday evening as they dropped a 52-43 decision to the University of Montreal in a regular Intermediate Intercollegiate Basketball League game played at the William Street Armoury.

The small crowd of spectators was treated to a fine exhibition of basketball as the two squads battled neck and neck from the first toss-up. In addition the many antics of referee Clarence Birchfield helped to keep the crowd in good humor even if it did at times try the players' patience.

The game marked the final contest of the season for the Montreal quintet, who finished off the year with nine victories against only three defeats. Bishop's have still three games to play and will really have to put on a spurt as they have won only two of their contests to date.

Montreal opened the scoring almost from the start and the game continued at this fast pace throughout. With only a few minutes left in the first half the Purple and White came from behind to tie the score, at 22 apiece, for the first time. A determined U. of M. effort, however, cut this rally short and the visitors ended up at half-time on a 27-22 half-time score.

The "Blue or Or" continued to press their advantage but a change in luck again moved Bishop's ahead. During the closing 10 minutes the teams went down the home stretch with only a single or double separating them at any time. Then the visitors again put on the pressure and Picard, Grenier and Charette potted the shots which were to give them the game.

Both teams put on a high class passing exhibition, working the ball in before shooting. Both relied on a zone defence and in spite of the high scoring both played it extremely carefully emphasizing possession of the ball.

Ray Grenier, who notched his 100th point of the season during the game, was high scorer of the evening. Grenier sank four shots out of the seven attempts and then added 19 field goals for a personal total of 24 points.

Team-mate Paul Chevrette also hit the century mark during the evening, though his personal total amounted to only 5 points for the night's work.

Lanky Johnny Picard, who will now line-up with the Miss Montreal aggregation of the senior Montreal Basketball League, also had a good evening, scoring 14. This brings the flashy centre's seasonal record to only 8 points short of the double century.

Others who figured in the Montreal scoring parade included Yves Girard, Roger Letour and Duffe Legare. The visitors were also credited with an additional basket when John Macfarlane hit the rim in attempting to block a Montreal score. According to the referee's ruling these points were awarded to the team as a whole, without being credited to any individual player.

All the Bishop's men hit the scoring column during the game. Spirit Johnston once again led the locals with a total of 10 points. Johnston scored eight of these in the first half and appeared all set for a torrid second session when he was banished after five personal fouls.

Gordie Dickson was only one point off this score, with 9 points, while brother Herb was two away from that number.

Both Harry Andrews and Rock Macfarlane had a particularly good night, scoring 6 points apiece, in addition to turning in their usual sound defensive game. Johnny Kuehner and Gord Bennett also performed well, coming through with 5 and 3 points respectively.

The line-ups:

University of Montreal:—Grenier, 24; Chevrette, 5; Girard, 2; Letour, 2; Legare, 3; Picard, 14; La-haye, 9; extra, 2.—52.

Bishop's:—Kuehner, 5; Bennett, 3; H. Dickson, 7; G. Dickson, 9; Johnston, 10; Andrews, 6; Macfarlane, 6; Simpson, 0; Birch, 0.—46.

Referee: Clarence Birchfield.
