Westmount Units in Army Week-End Exercises

In the above picture the drum and fife band of the Third Division, Royal Canadian Army Service Corps, with barracks at Hillside avenue, Westmount, is about to lead a number of reserve regiments from Westmount Park to the Forum to attend the Army Day ceremonies held on Sunday. Lower left, Brig. J. B. Weir, D.S.O., officer commanding the 9th Brigade, is seen kicking off at the R.M.R.-Lakeshore football game at Westmount Grounds on Saturday. Major J. M. Coupland, sports officer of the R.M.R., is holding the ball.

Annual Open House Week At Westmount "Y" Planned

The Board of Management of Westmount Y.M.C.A. has announced the dates for their Annual Open House Week, which is to take place the week of October 2 to October 7. John F. Lewis, Chairman of the Board, stated that a cordial invitation is extended to all members, friends and residents of Westmount to drop into the "Y" anytime during the week and look over or participate in the activities that will be presented.

There has been extensive redecorating throughout the summer months, and an entirely new colour scheme will greet those who have not seen the building for some time.

Every department will be in operation each evening from Monday to Friday, a complete program of which will be mailed on request. Although special events are arranged, the main emphasis will be on getting acquainted with the regular program, which will be functioning as usual. Individual booths will be set up in the lobby,

where guests may get further information about the groups in which they are most interested.

The opening night of Monday, October 2, will have most of the program groups represented in the lobby and leaders to conduct the guests to the various activities. For those wishing to register in any of the groups for the fall and winter months they may do so any evening throughout the week. The groups represented each evening will be: Square Dancing, Bridge, Effective Speaking, Crafts, Weight-lifting, Fencing, Boxing, Gymnastics, Swimming, and So-Ed (advanced registration.)

Together with the registration and information booths, there will be a basketball game in the gymnasium, featuring the senior boys. Shortly after the basketball game is under way, the Bridge Club will be holding their weekly bridge in the auditorium, while the Bachelor Club will be presenting a program of movies in the Club Room. At 9:00 o'clock, the swimming pool will be open for all those who wish to swim, both men and women, and at 10:00 o'clock refreshments will be served in the dining room for all guests. Examiner Item Brings Action At Wood Avenue

The suggestion made in The Examiner of September 15 that the platform in the roadway at the corner of Wood avenue and Sherbrooke street should be lengthened, apparently has borne fruit.

It is pleasing to note an addition of some four to five feet has been added to the platform.

This addition will ensure that passengers descending from all trams will be able to take advantage of the platform instead of running the risk of taking a bad tumble.

A word of thanks is due to Leo Burns who first came forward with the suggested alteration. The responsible authority who authorized the lengthening of the platform is also to be commended for his timely action.

Gen. C. B. Price to Address Royal Empire Soc. Monday

The first meeting of the Royal Empire Society, for the season 1950-51, will be held in the Blue Room of the Ritz-Carlton Hotel at 8.30 p.m. on Monday, October 2nd, when Major-General C. B. Price, C.B., D.S.O., D.C.M., will be the speaker.

His subject will be: "The 13th Biennial Canadian Legion Convention and its Repercussions on our National Life."

General Price has just returned after attending this convention which was held in Winnipeg.

The meeting is open to the public.

Rev. Dr. Smith Honoured Church Discusses Union

Rev. Dr. A. Lloyd Smith, of Dominion Douglas Church, Westmount, was paid high honor at the 14th General Council of the United Church of Canada in Toronto on Thursday.

Dr. Smith who has acted as chairman of the Board of Home Missions for many years received special commendation for his unremitting work throughout this long period.

The General Council of the United Church approved a motion to pay suitable recognition to Dr. Smith, and the matter was referred to the committee on resolutions. This is the committee which in the stages of each general council will present formal messages of thanks and congratulations.

One of the most delicate matters to be dealt with yet by the church was the subject of lengthy discussion. It concerned the overtures initiated by the Anglican Church in 1943 to consider the possibility of union of these two great communions.

Since then there have been joint discussions by committees of both churches. These discussions have been marked by great cordiality and cautious proceeding. One of the major snags in the process has been the problem of the ordination of ministers. The history of these proceedings were set forth in the agenda of the 14th Council.

Dr. Gordon A. Sisco, general secretary of the United Church, gave a masterly review of the difficulties involved and impressed the commissioners with his wise statesmanship in the councils of the church.

He made it clear that this momentous vision of future union brings together two quite opposite views of the ministry.

The Anglican tradition is that of the episcopacy with religious authority being transmitted through the clergy. The United Church, on the other hand, contained three former denominations all of whom stressed the virtual equality of the laymen in the authority and discipline of the churches concerned. In effect this means that the United

WHS Scholarships Will Be Awarded This Afternoon

This afternoon at 2.30 a brief ceremony is being held at Westmount High School in which all deserving students, graduates of Westmount Senior High, 1950, will be awarded scholarships, prizes and bursaries in recognition of their prowess in their particular field of learning.

These awards are presented annually by various organizations and the Westmount Board of School Commissioners to top students, both boys and girls, who are intending to continue their studies at a college or other institution.

The ceremony is taking place before some 300 present school pupils and friends and relatives of the prize-winners. The school board is of the opinion that in this way the boys and girls who are at present studying in Westmount High will have an added incentive to attain better marks when they take their matriculation examinations this year and the next.

There will be a detailed and illustrated account of the above next week.

Seven Crossings Fully Protected in Westmount

The appeal for crossing guardians carried in The Examiner of September 8 resulted in twenty-four applications being received by N. T. Dawe, personnel officer for the City of Westmount.

Mr. Dawe states that he has now been able to man all seven points at which the crossing guardians are stationed.

He however requests that any man or woman who might wish to become a guardian make application to have his or her name placed on the reserve list as during the course of the year some of the regular guardians may be unable to serve due to sickness or other causes, and it is therefore necessary to have reserves to draw on.

The system is working out very well and many parents have expressed their thanks for the action of the City Council in protecting the children at dangerous crossings on their way to and from school.

Westmount is the only local municipality to employ crossing guardians, although the plan is much used in Ontario cities as well as in the United States. Toronto has over 150 school crossing guardians on duty every day.

Intersections at which guardians are posted are Roslyn and Western Avenues, Lansdowne and Sherbrooke Street; Cote St. Antoine and Roslyn Avenue, Western and Clarke Avenues, St. Catherine Street and Lansdowne Avenue, Olivier and St. Catherine Street, Roslyn and Western Avenues.

Westmount's New Building By-law Has First Reading

The Westmount City Council approved the first reading of a new building by-law based on the National Building Code, it was announced following its meeting, Monday.

"Under the new plan, the best features of the National Code, together with the proven features of the present Westmount Building By-law are being amalgamated", a spokesman of the City announced.

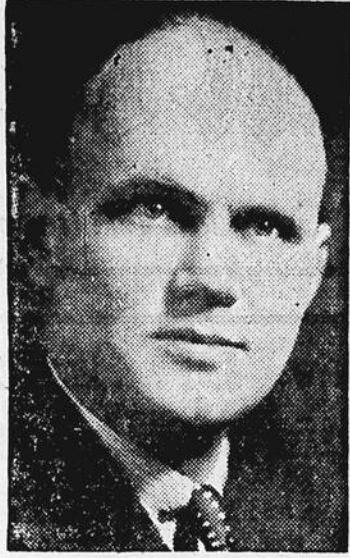

He pointed out that all phases of building would be covered under the new by-law which will have its second reading in the near future.

Church is managed by the Presbyterian form of church policy. Both of these systems, Dr. Sisco pointed out, have both merit and tradition on their sides. If pressed too far they tend to be mutually exclusive. The final union, if it is ever consummated, will involve a compromise of practice but not of principle. "We cannot look for union until the Anglicans themselves unite amongst themselves on the question of what constitutes a bishop. There is a very valuable minority known as high churchmen who might look with disfavor on the amalgamation of the two systems. It was clearly pointed out that the question is not one of brotherly feelings that have long existed between the two major Protestant churches in Canada, but rather a technical and perhaps a theological problem of the diverse forms of ordination and church government.

One thing which impressed observers at the Council meeting was the high level at which the discussion was conducted. The views of the Anglicans were frequently presented in such a favorable light by leading United

Colin Webster Elected To Mont. Gen. Hosp. Board

Colin W. Webster, 52 Gordon Crescent, Westmount, has been elected a member of the board of management of the Montreal General Hospital.

Mr. Webster replaces Herbert J. Symington, C.M.G., K.C., who has resigned his position on the board.

The board in accepting "with regret" the resignation of Mr. Symington, described him as "a valued member of the board of management since 1932, bringing to his duties experience gained from a long connection with the Winnipeg General Hospital as well as wide business experience."

Church speakers that it was sometimes difficult to realize that this was a meeting convened for members of the United Church. It did seem that the United Church will make every effort to arrange union with any responsible denomination.

The general feeling was that the next move in the matter of church union must come from the Anglicans who are confronted by perplexing domestic issues. The United Church committee on union was continued with a change in name to that of committee on union.

The 15th General Council will be held in the First United Church, Hamilton, Ontario, in 1952.

It isn't generally considered a year-round sport but it is possible to ski in summertime in the Rockies where snow and ice are eternal.

Mr. Symington will continue to serve the hospital as a member of the advisory board of management.

Mr. Webster is president of the Canadian Import Company and a director of the Royal Bank of Canada, and of several leading industrial companies. He is also chairman of the McGill Alma Mater Fund, president of the Old Brewery Mission, and treasurer of the Verdun Protestant Hospital.

UNNECESSARY EYESTRAIN

Protect your eyes against unnecessary strain and possible injury by making sure the light is always bright enough and properly positioned. The light should be strong enough to give adequate seeing without casting stark shadows or creating a glare. Reading too much fine print is another way to cause serious damage to the eyes.

Westmount High Current Events Club Is Active

Outside, the noonday sun was shining as cheerful as ever, but 123 Westmount High students preferred to remain in school to witness the opening session of this year's Current Events Club recently. This is a unique organization which has the full support of the student body. As its name suggests, the activities of the club consist of the interpretation of the news.

Also the members examine closely such governmental functions as the Canadian Parliament itself. Sometime ago, the club journeyed "en masse" to the Parliament Building at Ottawa to see how Canada is run, and to investigate current happenings in the political world.

At the first meeting, the President, Danny Usher, succeeded in rounding up four distinguished members of last year's graduating class. Herb Liverant, the first speaker, gave a clear picture of the growth of the German Problem, and its importance in the cold war. John Cleghorn followed with a report on the Korean situation up to the actual outbreak of hostilities. Then Donald Savage gave a very informative oration on the background and rise of Tito with reference to his present situation in world affairs. Mike Fish rounded out this "voyage around the world" with a detailed description of the strategic importance of Japan in any future world conflict.

The Current Events Club, with a large enthusiastic membership, is looking forward to a grand season in 1950.

Quota Attained By Homoeopathic

The Homoeopathic Hospital campaign for \$84,000 has gone over the top. Report of the success of the drive was given by J. M. McConnell, Jr., general chairman, who announced that though final figures are not yet ready it is assured that the total received to date, plus outstanding pledges and promised cheques, will send the total well over the quota set.

The campaign which opened on September 6, closed at midnight on September 23. At that time only about 95 per cent of the objective had been attained. But the books were kept open to allow remaining contributions to be received, and from those pledged

it was clear that the objective would be topped.

Mr. McConnell, G. B. Puddicombe, K.C., territorial divisions chairman, and Col. John Lewis, chairman special names, all expressed their gratification at the outcome of the drive and thanked all those responsible for its success.

"Montrealers have never proved wanting when it comes to supporting a worthy cause", said Mr. McConnell. "And the worth of the cause of the Homoeopathic Hospital could never be doubted. Here is a hospital, set in the centre of Notre Dame de Grace, which, for the past 56 years, has been doing a great humanitarian task. Its doors have never been closed to a sick or injured person so long as a bed was available and never was there an inquiry as to color, race or creed.

"I cannot say enough in praise of our canvassers. It was purely a labor of love with them for they were all volunteers — and I think, perhaps, their greatest satisfaction will come in knowing that they have been instrumental in aiding those who cannot aid themselves".

Construction Costs Within Economic Structure—Clark

Pointing out that the construction of living quarters has been a basic essential since the beginning of civilization, Robert M. Clark of the Westmount Rotary Club told fellow members that while present construction costs were high, he did not believe they were out of line with the rest of the nation's economic structure.

Mr. Clark, who gave his classification talk on "Construction" hinted that the present prices would go still higher, but defended the general feeling that "construction isn't what it used to be."

"There are some buildings made today that will last a good many years," the speaker said, "and we must remember that only a few of those prominent old buildings are standing today. He claimed that they too, were major projects of the period in which they were built, and that it was economically unsound for such buildings to be constructed by the average property owner.

Mr. Clark warned against contractors who wanted so much down before starting a project, pointing out that such a procedure is not usual and should be checked into thoroughly in case the contractor is one without the proper experience or necessary qualifications to hold such a position.

He pointed out that the relatively new system of hiring a general contractor, who in turn awards individual contracts, for wiring, heating, windows, etc., was a good one, since less than 50 years ago, a great deal of friction often arose between the various groups working on the same building.

The speaker, who was introduced by W. Borden Empey, also main-

Scotty Brottman Speaks at 'Y' Banquet Tonight

Scotty Brottman, who has just recently returned from his famous canoe trip, from Montreal to New York, will be guest speaker at the annual opening banquet of the Westmount Y.M.C.A. Boys' Division, being held tonight at Westmount Y.M.C.A. Mr. Brottman, who for the past three years, has been on the staff of Kamp Kanawana, organized the voyage of eight men who paddled to New York in a large nineteen foot canoe. It took twelve days from the time they last saw the cross atop Mount Royal until they caught first glimpse of the "Statue of Liberty".

J. S. Atkinson chairman of the Boys' Work Committee of Westmount Y.M.C.A., will chair the meeting while members of the Girls Hi-Y Club will act as waitresses at the banquet.

Mr. Claire Buckley, recently appointed physical director at the Westmount Y.M.C.A., will be present to say a few words about the physical activities this year.

Christmas cards will be given out tonight, and the fall open house week and membership drive will be outlined.

Rabbi Stern Says Spirit Of Free Men is Needed

Dr. Harry J. Stern told members of his Temple Emanu-el congregation at the solemn Yom Kippur Day of Atonement services, that mankind's greatest resources are those of the spirit.

"In the rush for material armaments in defense of freedom, let us not forget that our greatest resources are of the spirit. It is the spirit of free men that will decide ultimately whether we can come through the present crisis", Dr. Stern said at the service which ushered in the most sacred day in the Jewish calendar.

"World disturbances lie ahead. We shall need the courage that comes from faith in God's sovereignty. That faith will free us from fear and keep us steadfast", he said.

The Yom Kippur observances which mark the end of the 10 days of penitence ushered in by the Jewish New Year, are characterized by fasting, abstinence from worldly pursuits and extensive public worship.

Square Dancing Club to Hold Special Event

The Square Dancing Club of Westmount "Y" seems to be much in the limelight these days. One of the many clubs of its kind in North America, it is in keeping with the trend set by these groups, of making square dancing one of the most popular recreational activities today. For the past year this club has been one of the most active groups in the community, teaching square and folk dancing, training callers for their own club and assisting other groups throughout the city.

The Club has been visited by such well-known callers as Tiny Clark, of Normandie Roof fame and Jack Lang, of the Montreal Protestant School Board.

They are already underway this year with three dances to their credit, and the fourth and most important one coming up next Tuesday night. At this time radio station CJAD will broadcast a fifteen-minute special broadcast of the Square Dance Club from the Assembly Hall of the Westmount "Y." This broadcast will be recorded and played on the air Thursday night, October 5. The committee has announced that all club members and guests who wish to be in on the broadcast should be at the "Y" no later than 8:15 Tuesday night. This will be the major event of the Westmount Y.M.C.A.'s Open House Week for Tuesday night.

St. Antoine Street Now Speedway is Complaint

Mr. and Mrs. Laurence Abbott, of 3255 St. Antoine street, Westmount, phoned The Examiner to complain of the speeding drivers on St. Antoine street.

Mrs. Abbott stated that she and her husband narrowly missed being knocked down on Sunday morning by a reckless driver opposite their residence. One more step, she said, and the car which was on the wrong side of the street would have sent them both either to the morgue or the hospital.

Mrs. Abbott also reported that a neighbour had a similar experience on Saturday. This lady complained to the Westmount police regarding the speeding on St. Antoine Street, west of Atwater Avenue. The officer, who interviewed this lady, is reported to have told her that it is permissible for automobiles to pass each other on the curve between Brewster and Belair Streets.

As there is only room for two cars on the roadway, Mrs. Abbott points out that the car which cuts in to pass must, of necessity, get on the wrong side of the street, which makes it very hazardous for persons trying to cross the street.

If the facts are as stated, it would seem that some corrective action is needed to curb fast and dangerous driving by motorists on this section of St. Antoine Street.

Guest Speaker For Phiat Club

Miss Gretta Lett, girls work secretary of the Notre Dame de Grace Y.M.C.A. will be the guest speaker at the second meeting of the Westmount "Y" "PHIAT" club, on Monday evening at 7:45 p.m., at the Westmount Y.M.C.A. The Phiat club which is an international "Y" sorority, is a club for girls 18 to 25 years of age. There are at present nine "Phiat" clubs in Canada. The club in Westmount is the 10th in the country.

Miss Elspeth Jewett, who has a wealth of experience with girls work in the Y.M.C.A. has gladly consented to act as advisor to this newly organized club. Miss Mary Robertson and Miss Cecily Palmer, past president and past secretary of the Westmount girls Hi-Y club, are the founders of the new sorority.

Circular Letter To Be Distributed In Westm't Area

City Hall officials have authorized the distribution of a circular to all residents of the area, regarding the present "Garbage Collection and the Suppression of Rats".

With letters being sent to all home owners in the City, an official at the city pointed out that it was not being sent because any new outbreak of rats have been noted in the area.

He said, however, that it is a well known fact that rats are in the City, and that the letter would serve to give some instruction on what to do when the rodents are discovered.

New U.S. Head Tax At Border Points Causing Trouble

Westmounters planning to visit the United States would be well advised to check with the United States Consulate before starting out in regard to the new regulation on United States border crossings which is causing embarrassment to both visitors and officials.

The reason for the introduction of the new regulation, which became effective this month, is rather obscure, but the effect is that residents in Canada for a period of less than 12 consecutive months, whether or not they hold British citizenship, must pay irrecoverable head tax of \$8.00 for every border crossing.

One complaint against the new ruling came from a schoolgirl now resident in Canada who crosses the boundary line every day to school in the United States. She has become liable to a daily charge of \$8.00 each day of the school term.

Officials on being questioned at various border points seem stumped and most of them say that they do not like the new ruling as it gives them extra work and trouble.

One local man was told at Windsor, "It's to keep out communists." Previously the head tax was applied only to immigrants into the States and to those who intended to make an extended stay. U.S. authorities in Montreal did not apply to casual crossings from Canada for a short stay, while not making a statement on the new regulation, did say that they could see no possible relationship to any anti-communist drive.

Ascension Parish Observes Rosary Crusade Program

With the announcement of a Family Rosary Crusade throughout the Archdiocese of Montreal, Monsignor Wilfrid E. McDonagh, Pastor of the Ascension of Our Lord Parish, sent forth an appeal which was well received. A special meeting of the men of the Parish was held recently in St. Leo's School Hall at which a large representative group were present to discuss the ways and means for a successful Family Rosary Crusade within the Parish. The Holy Name Society of the Parish under the direction of J. W. Fox have accepted the major portion of the work in this Family Rosary Crusade. A large group of women have been organized under the chairmanship of Mrs. R. Carson.

The Chairman of the English-speaking section of the Archdiocesan organization for the Crusade, — Honorable Justice F. T. Collins, — is a member of the Ascension Parish.

Westmount Men Head Appeal For Cripples

Harold Crabtree, 58 Forde Crescent, Westmount, Allan Bronfman, 4363 Westmount Blvd., and Air Vice Marshall Adeland Raymond have been appointed joint-chairmen for the "Forget-Me-Not" appeal sponsored by the Province of Quebec Society for Crippled Children which opens October 15. The objective of the appeal will be \$100,000 to help carry on the society's work among handicapped children.

The Society which arranges treatment and supplies orthopaedic equipment for needy children is marking its 20th anniversary of service October 8 and is hoping to build a much needed convalescent home in Montreal.

Mr. Gardner Joins Joint Hosp. Board

B. C. Gardner, 6 Murray avenue, Westmount, president of The Royal Victoria Hospital and G. B. Gordon, one of its governors, have been appointed representatives of the R.V.H. on the Joint Hospital Fund committee.

Mr. Gordon was already a member, representing the general public.

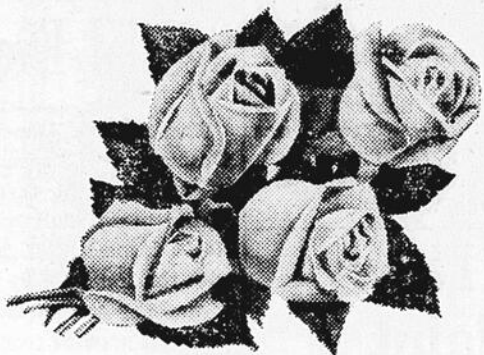

With Hartland deM. Molson as chairman, other members of the committee are: Ross Clarkson, G. S. Currie, John H. Molson, Aird Nesbitt, R. F. Sise, S. C. Noseworthy and Howard Murray.

The committee is a continuing body to disburse collected funds and to assist its participating hospitals in their financial and public relations programmes.

DORMANT BUT NOT DEAD

Because of the dramatic decrease in diphtheria in recent years many patients hold the mistaken belief that diphtheria is practically extinct. This is not the case. While diphtheria is much less common than some years ago, it is by no means defeated. It is merely held in check. Only by immunization can we protect our children from the dangers of this disease.

Westm't Immune No Complaints Re Peace Stickers

Westmount Police Department reports that so far no complaints have been received regarding the sticking of subversive stickers on windshields of automobiles, or in street cars, public telephone booths, and store windows.

Montreal police department has issued orders to all members of the force to be on the look-out for persons posting these stickers, following numerous complaints from irate shopkeepers and car owners, who reported they were having a hard time scraping off the pesky stickers. The four-by-two inch stickers read: "Stop war from Spreading, Sign the Petition for Peace, Montreal Peace Council".

Although the Westmount Police have had no complaints regarding the stickers, they will also keep their eyes open and will take action against anyone found posting the stickers, the officer contacted said.

LETTERS to the Editor

Letters are reproduced as a public service. They do not reflect editorial opinion and the paper does not accept responsibility for their contents.

The Editor, The Examiner,
Sir,

I wish to congratulate "Disillusioned" for his letter which appeared in last week's Examiner.

When your correspondent referred to the great grab hunt now being waged by those with goods to sell, he certainly hit the nail on the head.

Just why our government has sat back all these months since the war in Korea commenced with prices of commodities getting higher and higher without taking remedial action is something which I will never understand.

Continually we read in the newspapers about this and that Cabinet Minister saying that the policy of the government is to curb inflation, while on the next page is an announcement that such and such a trade is increasing its prices to the consumer.

The recent increase in taxes announced by Mr. Abbott when he brought down his supplementary budget had hardly appeared in print before those controlling prices of the various items mentioned in the budget increased the cost to the consumer, not only by the amount of increased tax but took a healthy bite themselves as additional profit.

Labor councils have just finished several conferences and from reports it would seem that wage increase demands will be made by workers in practically every industry right across the Dominion.

If this is not leading to inflation, I don't know what is. If past experiences are any guide the government will probably act when prices have reached an all time high.

This is not a very good selling argument for Government Bonds which will soon be issued to finance the present defence expenditures.

Consumer

The Editor,
The Examiner.

Sir,

I have read with utter disgust that three Baptist lay preachers have again been arrested at Val D'Or, Quebec, on Saturday, for daring to hold a prayer meeting on the streets of that town.

I, with many others, had hoped that the authorities there had decided to discontinue their most unchristianlike campaign against these men of God who have demonstrated by their courageous actions that they are worthy followers of Christ.

Much has been written about the meeting of the provincial premiers at Quebec this week, and about their efforts to write a new Canadian constitution.

I sincerely trust that if, and when, they can agree on a new document to replace the British North America Act, which has served us well to-date, that there will be written into the constitution a Bill of Rights, and that such Bill of Human Rights will safeguard us all against such acts as are now being perpetrated against workers of Christ in several Quebec towns.

Justice.

The Editor,
The Examiner,

Sir,

May I be permitted through your columns to endorse the remarks of the Rev. H. M. Little as quoted in your issue of September 22 condemning the practice of religious institutions to resort to gambling and games of chance in order to raise funds.

It is quite true, as Mr. Little said, that those buying lottery tickets or paying admission to

sporting or other events run in the name of charity, are not actually giving when they pay out their money, rather are they seeking to win something cheap or looking for entertainment.

Scarcely a day passes, but that I am asked to buy a lottery or tombola ticket for this or that cause, many of them church or charitable organizations, with the selling talk being not about the worthiness of the cause, but the big prize I might win dangled as the bait.

Too often I am afraid the organizers of the drawings get more out of the total take, than the institution named as beneficiary. To my certain knowledge, a sporting event arranged by a local service club a few years ago practically handed over most of the receipts at the door to the participants.

Let us, as the Rev. Little suggests, give to the church in a

Forces of Inflation In Ascendancy, Report Shows

"The forces of inflation are again in the ascendancy," concludes the Bank of Montreal, after analyzing the government's new interim budget in its latest Business Review. Whether these forces are aggravated or mitigated will depend as much on public attitudes as on any steps government can reasonably be expected to take.

For the majority of Canadians, the report begins, the budget was "an unexpectedly painless operation." However, the budget speech demanded consideration, for it disclosed the government's plan to fit additional expense expenditures into an economy already in a condition of virtual full employment, and doing so without aggravating inflationary pressures. "Moreover, while the proposals appear to offer the first instalment of the program at low initial cost, the taxpayer is, by implication, warned that the second instalment may well be

*in higher figures.

"On a budgetary basis, therefore, the stage is set for 'pay as you go' for the present fiscal year. No estimate is made, however, of the probable size of any extra-budgetary items which may effect the gross debt." A major factor here, the bank adds, may be changes in official holdings of gold and U.S. dollars, which increased by \$128 millions (U.S.) in the first four months of the fiscal year. This and any later additions must be financed in the same way as accretions to any other government-owned "stock pile".

Speaking of the Minister of Finance's warning about inflationary dangers, the B of M stresses that in recent months both wholesale prices and living costs in Canada have been steadily rising and are now at all-time peaks. Into this picture there now come increased military demands plus any additional net exports of Canadian war materials.

Nearly half the full year's yield from the new imposts is expected to come from higher corporation taxes, the report says. Apart from the possibility that increased rates may deter new capital projects, it is "difficult to see that this new levy will have any specific contra-inflationary effects." Indeed if higher taxes result in increased prices, the consequence may be the reverse.

The bank is not convinced that the various consumption taxes will be "wholly anti-inflationary". To the degree that they fail to reduce consumption the most likely result will be an increase in cost to the consumer. But insofar as they reduce demand the government foregoes revenue. However, if declining demand should bring cutbacks in output, some material released for the defense program and productive facilities would be released for the defense program. But, the review points that it is difficult to see how surplus capacity for making such things as candy, chewing gum, soft drinks or jewellery could quickly be turned to defense account."

Commenting on the government's request that public authorities and businessmen confine themselves to construction and investment projects that are "within the limits of immediately essential undertakings", the bank suggests that the individual businessman will wonder what "criteria he should apply in deciding whether or not his own expansion project is 'essential'."

"A review of the official policy as a whole impresses one with its

essentially interim nature. The new taxes do not ensure a balanced budget in the next fiscal year, while on the economic side the anti-inflationary impact of the program as a whole does not promise to be great."

But it would be unrealistic, the B of M states, to leave the whole problem in the government's lap. "The forces of inflation are again in the ascendancy. Whether they are aggravated or mitigated will depend as much on the attitude of the public as on any steps which government can reasonably be expected to take." Any formal anti-inflationary defences would be weak in the face of "scare buying" or prices kept spiralling by wage demands outrunning the rise in living-costs.

Churchman From Sweden Preaches Here October 1

One of Sweden's most distinguished church leaders Rev. Gunnar Rosendal, D.D., rector of St. Peter's Church, Osby, will arrive in Montreal this week, to begin a lecture and preaching tour of some 15 cities in the United States and Canada. He will be the preacher at Trinity Memorial Church, 5220 Sherbrooke street, on Sunday evening, October 1, at 7.30. The public is cordially invited. He will preach at Christ Church Cathedral in the morning.

Dr. Rosendal is the acknowledged leader in the Church of Sweden in the liturgical revival of that country. His influence extends far beyond his own country, however, for he has contributed articles to church periodicals in France, England, and the United States. He is the author of several books on the devotional life. He has lectured in France, Italy, Switzerland, Belgium, the Netherlands, England and Scotland. This is his first trip to North America. He was recently made a Knight of the Order of the North Star by King Gustav of Sweden.

The reunion of Christendom is a matter of keen interest and concern to Dr. Rosendal, and he was a member of the Swedish Commission that met last summer with Bishops of the Church of England at Whitby. Evidence of this interest will be a meeting of all the non-Roman Catholic clergy of Montreal on Monday, October 2, when Dr. Rosendal will speak informally, with opportunity for discussion.

C. Sommer Died in Fall Was Prominent Resident

Charles Nathaniel Sommer, well known Westmount resident who resided at 757 Lexington avenue, was killed on Sunday when a sudden gust of wind blew him over the edge of the 11 storey Sommer building, which he managed at 423 Mayor street.

The roof of the big building was undergoing repairs, and Mr. Sommer had been inspecting the work when the strong wind caused him to lose his balance and plunge 11 floors to the sidewalk.

Mr. Sommer, who was 64, was president and general manager of the Queen Dress and Waist Company Limited, and was associated with other dress manufacturing concerns. He was general manager of Strandwear, manager of the Sommer Building Corporation, and a director of the Canadian Association of Garment Manufacturers.

Born in New York, April 18, 1886, Mr. Sommer came to Canada at an early age. He arrived in Montreal in 1903 and later became a naturalized Canadian citizen. He was well known for his association with various charitable enterprises as well as in the field of business.

Mr. Sommer was an honorary trustee of Temple Emanu-El, Westmount, a member of the Montreal Board of Trade, a life governor of the Montreal General Hospital and of the Verdun Protestant Hospital, a governor of the Children's Memorial Hospital, a director of the Young Men's Hebrew Association and a member of several clubs, including the Montefiore Club, the M.A.A.A. (life member) and the Elm Ridge Golf Club. He was also a member of St. George's Society. He was a member of the executive committee of the Canadian Association of Garment Manufacturers and honorary president of the Montreal Dress Manufacturers Guild.

He is survived by his widow the

former Harriet Rhoda Aronowitz, and by two daughters, Mrs. Monroe R. Rovins, Montreal, and Mrs. Kenneth Rotenberg, Toronto, and two grandchildren.

The funeral service was held at Temple Emanu-El on Wednesday, and was largely attended.

Rabbi Dr. Harry J. Stern conducted the service.

Burial took place in Mount Royal Cemetery.

Game Laws Book For 1950 Issued

Westmount game hunters may now obtain the 1950-51 version of the game laws of the province which has just been issued by Hon. Camille Pouliot, M.D., Quebec Minister of Fish and Game.

The booklet, complete with maps of hunting zones in the province, is a must to all hunters, whether residents of the province or not.

The 1950 hunting season which opened September 23 with permission to bag partridges until November 20, carries several restrictions.

In big game hunting, caribou is protected year round in the whole province, while the killing of moose (one moose per person per season) is allowed in the whole province, from October 15 to 31 inclusive.

Deer is protected all year round in Vaudreuil and Soulanges counties, while it may be hunted on certain dates, and under certain conditions, in other zones.

Bears and foxes may be hunted all year, except in provincial parks and reserves.

As a means of keeping track of the killing of deer and moose in the province, the game laws force any hunter to obtain a special permit to transport deer or moose.

The booklet lists those departmental officers authorized to issue

such permits in each county. There is no change in the price for hunting licenses, whether for residents or non-residents.

RCAF Recruiting Second War Vets; Young Men Scarce

Westmount Second World War pilots may get a chance to get back into service with the R.C.A.F., according to an announcement in Ottawa on Wednesday.

The R.C.A.F. are not getting enough qualified young men who want to fly and already it has begun to dip into the reservoir of veteran pilots to fill the gap.

The first group of 27 veterans under 27 years of age reported to the R.C.A.F. base at London, Ontario, on Tuesday, for eight weeks indoctrination training, air

force headquarters said in a statement released.

They were selected from among hundreds of veterans who replied to a letter asking men to accept short-term — five to six years — commissions.

Depending on how many younger men come forward who were too young to have served in the last war, will be the number of World War II veterans called back into service, said the spokesman for the department. The age limits for the younger men are 18-25.

With fighter plane production slated to move into the big figures next year, the lack of pilots is looming as a potential bottleneck.

The R.C.A.F. is trying to eliminate this bottleneck by using war pilots it would rather keep available as a reserve force in case

WHO SAYS WE CAN'T SAVE?

We Buy Over 300 Million Dollars Worth of Savings Bonds per Year

There may be something in what the viewers-with-alarm are saying about this generation's desire for personal security at the expense of someone else. Maybe Canadians do want to live like the grasshopper in the summer and yet share all the perquisites of the ant when winter comes. But there is plenty of evidence to the contrary.

It can be found, for instance, in the record of national experience with Canada Savings Bonds which go on sale this month for the

fifth successive year. Every year since their introduction in 1946, nearly a million Canadians have bought them to the tune of more than a quarter of a billion dollars. Last year's figure was \$314,100,000, saved by 994,358 persons.

That's big money — almost as much as the \$394,099,497 Canadians spent on new automobiles last year. As such, it's also big news. Particularly when it is realized that two out of every three bond purchasers were wage earners, who bought them by regular instalments through the Payroll Savings Plan.

Granted there are special attractions in the purchase of a Canada Savings Bond. For one thing, it can be bought only by individuals — and not more than \$1,000 to any one member of a family. For another, it is one of a very few savings instrument in the world which guarantees the purchaser full face value plus interest at any time with no concern for market fluctuations. It's like dollar bills bearing interest.

But the important fact is that people are buying bonds — and buying them regularly, in increasing numbers and increasing amounts. To us it sounds like the kind of thrift and self-reliance that some people would like to insist are disappearing from our culture.

Westmount Baptist

"Gone Fishing" will be the title of Dr. J. A. Johnston's morning sermon in Westmount Baptist Church. The story that is the background to this sermon records Peter's last fishing trip.

The Communion of the Lord's Supper will be observed at 12 noon.

A new feature of the Church Bible School is the establishment of an attractive Young People's Class. This is under the direction of George Adam, the chairman of the deacon's board. The sessions begin at 10 a.m. and the theme of the course is "Great Epochs in Sacred History". Young men and women are cordially invited.

The evening congregation will be addressed by Rev. "Bob" Munro. Last Spring Mr. Munro had the privilege of conducting a one-man campaign in a number of prisons and penitentiaries of Ontario. As a rule he spent two weeks in the various institutions and had the closest contact with the men who were inmates.

The Mission Circles and the Mission Band, have made excellent starts. The Young People's department is attracting a large number of young men and women. The choir, under the leadership of J. W. Neale, its new director, gives excellent promise of an inspiring co-operative ministry with the pulpit. The nursery, beginners and primary Departments of the church school meet at 11 o'clock.

The mid-week fellowship of the congregation, for prayer, instruction and discussion, lies at the centre of the church's life. Visitors, strangers and prospective members are welcome to all of the church's assemblies.

Christian Science

"Unreality" is the subject of the Lesson Sermon to be read in Churches of Christ, Scientist Sunday. The Golden Text is from Jeremiah 23:28, "What is the chaff to the wheat? Saith the Lord."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: — "Another parable put he forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field: But while the men slept, his enemy came and sowed tares among the wheat, and went his way. The servants said unto him, Wilt thou then we go and gather them up? But he said, Nay; Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into the barn." — (Matthew 13)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science & Health with Key to the Scriptures" by Mary Baker Eddy: — "The temporal and unreal never touch the eternal and real, the mutable and imperfect never touch the immutable and perfect. The inharmonious and self-destructive never touch the harmonious and self-existent. These opposite qualities are the tares and wheat, which never really mingle, though (to mortal sight) they grow side by side until the harvest; then Science separates the wheat from the tares, through the realization of God as ever present and of man as reflecting the divine likeness."

Wed at Ascension Church, Westmount

Mr. and Mrs. John Alphonse Pare, pictured after their marriage which was solemnized Saturday morning at the Church of the Ascension of Our Lord, Westmount. The bride, formerly Miss Joan Loretta Kearns, is the daughter of Mr. and Mrs. James A. Kearns, of Westmount. Mr. Pare is the son of Mr. and Mrs. A. A. Pare, of Montreal.

PARE-KEARNS

The marriage of Joan Loretta, daughter of Mr. and Mrs. James A. Kearns, of Westmount, to Mr. John Alphonse Pare, son of Mr. and Mrs. A. A. Pare, took place on Saturday morning, September 23, at eleven o'clock, in the Church of the Ascension of Our Lord, Westmount. White gladioli and white candles in candelabra were used to decorate.

The bride, who was given away by her father, was in a gown of white tulle over taffeta with a softly pleated bodice having a jacket of Alencon lace, edged with tulle pleating down the front and long sleeves finished with the same pleating at the wrists, and a full skirt of layers of tulle. Her fingertip length veil of tulle illusion was held by a helmet cap of lace and she carried a prayer-book covered with stephanotis.

Miss Claire Driscoll, as maid of honor, and Miss Eileen Kearns and Mrs. Frank Kearns, as attendants, were in frocks of tulle over taffeta with pleated bodices and fitted jackets of taffeta, the maid of honor being in cinnabar color and the attendants in chartrreuse. They wore helmet caps of velvet to match their frocks and carried bouquets of Johanna Hill roses.

Mr. Paul Pare acted as best man for his brother and the ushers were Mr. David Dohan, Mr. Frank Kearns, Mr. Charles Lovett and Capt. Donald Marvin.

Mrs. Kearns, the bride's mother, was gowned in black silk taffeta flecked with gold and wore a hat of Forget-me-not blue felt, centred with brilliants, and a corsage bouquet of bronze orchids.

Mrs. Pare, mother of the bridegroom, wore a floor-length gown of midnight blue georgette with a matching tulle hat and a corsage bouquet of red roses.

The reception was held at the Cercle Universitaire where white gladioli were used as decorations.

Later Mr. and Mrs. Pare left for New York and Bermuda, the bride travelling in a Christian Dior suit of navy blue wool with a white blouse and wearing a navy blue felt hat, a cape of Russian squirrel and navy blue lizard accessories.

Among the out-of-town guests were Miss Mary Flanagan, R.N., of Buffalo, N.Y.; Mr. and Mrs. H. S. Wheller, of Elizabeth, N.Y.; Mrs. J. P. Barry, of Saint John, N. B.

WEDDING

PRENDERGAST—BROPHY

The marriage of Patricia Kate, daughter of Mr. and Mrs. Gerald D. Brophy, of Westmount, to Mr. James Bernard Prendergast, son of the late R. B. Prendergast and of Mrs. Prendergast, of Victoria, B.C., took place on Saturday afternoon in the Church of St. James the Apostle, the Rev. R. R. Latimer officiating. Mr. J. E. F. Martin played the wedding music and white gladioli, arranged with palms and candles in candelabra were used to decorate.

The bride, who was given away by her father, was in a gown of ivory satin, the fitted bodice having a neckline with a lace insert and sleeves ending in points over her hands and the full skirt falling into a train. Her veil of heirloom lace was held at each side of her head with a cluster of orange blossoms and she carried a bouquet of white bouvardia and gladioli blossoms.

Miss Mary Fisher, as maid of honor, and Miss Nancy McGill, as bridesmaid were in frocks of moss green taffeta, with fitted bodices having Elizabethan collars and three-quarter length sleeves and skirts fashioned with fullness at the back. They wore headdresses of moss green taf-

Jr. Advertising Club Outlines New Program

Activities in the Junior Advertising and Sales Club got under way Thursday evening when an opening rally was held at the Ritz Carlton Hotel.

Of particular interest to the women members this year is the "Inside Information" study group chaired and directed by Miss Del Sherman.

Guest speakers have been lined up and it is announced that Mrs. Jennifer Lindsay, of the T. Eaton Co., will open the series tonight with a Fashion Preview for Fall and Winter.

Other topics to be covered in the following weeks are: Travel and Vacations, Home Planning, Personal Appearance, Social Etiquette and Entertaining, Jewelry and Gems, and "A Business of Your Own".

Meetings are held on Thursday evenings at Montreal High School, University street, at 8 o'clock. Further details may be obtained by calling the club secretary, Mrs. Sylvia Gill.

Multiple Sclerosis Society Forms West-End Chapter

A new chapter to aid research on multiple sclerosis has been formed, and will be known as the West End Chapter of the Multiple Sclerosis Society of Canada.

Mrs. H. L. Taylor is Acting Chairman. A membership drive will be held under the co-convenership of Mrs. R. M. Macauley and Mrs. C. W. Clark.

Plans for an interesting season are in the making. A reception for new members will be held in November, at which time a talk will be given by a prominent Neurologist.

More than 100 different colors are now available to home owners who wish to use real clay tile in remodeling old bathrooms or putting in new ones.

Daughters of the Nile, Queen Visits City

Mrs. Eleanor Heitzman, Supreme Queen of the Supreme Temple of Daughters of the Nile, will make her Official Inspection of Oasis Temple No. 46, this evening in Victoria Hall. The Ceremonial for new candidates will take place at 7:30 p.m. followed by a banquet convened by Mrs. H. Bell.

Accompanied by Mrs. J. W. Davies, Queen of Oasis Temple No. 46 and the line officers Mrs. Heitzman will visit the Shriners' Hospital for Crippled Children today.

Mrs. Heitzman stresses the importance of contributions to the Convalescent Relief Fund which is used for the purchasing of braces, boots, codliver oil, and a followup service after children leave the hospital. Oasis Temple yearly send a contribution to said fund. While in Montreal Mrs. Heitzman will be a guest at the Ritz Carlton Hotel.

She will leave tomorrow for St. John, N. B., which is the next stop on her itinerary.

**NDG Club Program Includes
Noted Speakers and Artists**

Notre Dame de Grace Women's Club 1950-51 season, under the presidency of Mrs. K. E. Norris, is expected to prove popular as its program has been designed to reach a wide range of varied interests.

The opening meeting of the club will be held at Victoria Hall, on Friday, October 6, at 3.00 p.m. On this occasion the speaker will be Dr. Douglas J. Wilson, who is well qualified to present his subject "Leaves From A Psychologist's Notebook". Guest artist will be Miss Evelyn Fergus, soprano, and the tea hostess will be Mrs. R. W. Vary.

A Board Meeting will be held on October 17 and on October 20 a business meeting for members only. Tea hostess will be Mrs. A. L. Swinden and her committee.

On November 3 there will be a showing of fall and winter fashions presented by Irving of Montreal at which the commentator will be Miss Frances Robinson. Music will be supplied by Mr. Clifford Johnston, organist, and the tea hostess will be the honorary president, Mrs. J. W. Perks.

A board meeting will be held on November 14 and on November 17 a business meeting for members only. Jean Campbell, pianist, will render selections and the tea hostess will be Mrs. A. L. Swinden and her committee.

The annual fall bridge will take place on November 20 at 2 p.m. at Victoria Hall under the chairmanship of Mrs. A. Watson.

CARE States Need Is Acute for Layettees in France

Layette supplies are so scarce in France that the French Red Cross has appealed to North American organizations to help out and one relief agency, for some time, has been compelled to distribute layettes without diapers. This news comes from a CARE representative in France, in an appeal for orders for CARE Layette Packages to be distributed to needy families. Especially in need of such aid, he reports, are the Spanish refugee families living in France, under conditions of the greatest distress.

CARE's \$11 Layette Package contains a dozen diapers, as well as shirts, kimono, abdominal binders, blankets, bottles and nipples, oils, powder and other items scarce overseas. Orders can be sent to CARE, 73 Albert Street, Ottawa, Ontario, for guaranteed delivery to designated addresses or to families chosen by overseas representatives of CARE's member welfare agencies, according to any preferences expressed by the donor. CARE returns a receipt signed by the recipient.

In addition to France, CARE's Layette Package can be ordered for delivery in Austria, Belgium, Great Britain, Finland, Germany, Greece, Italy, Malta, the Netherlands, Norway, Yugoslavia and Pakistan (\$12, because of higher delivery costs).

First Canadian Revue Of Watch Styles Held

Acclaimed an innovation by the Trade and Press who attended, "Fashions of the Hour," the first Canadian showing of the newest watch styles was held in Toronto recently. Mannequins appropriately dressed for the hour of day portrayed, modelled complementary watch accessories. Four "For-

mal Hours" and "The Cocktail Hour" exquisite diamond-studded and jewel-embellished model wrist watches were enchanting notes, frequently worn with matching or complementary ring watches. Reflecting the Continental vogue, ring watches (the majority designed with covered tops) were displayed for 'after Five' and with tailored costumes, in addition to the evening wear group.

Suitable and practical wrist watches shown for the business and career girls in the "Nine to Five" hours were designed on trim, modern lines. All were fashioned of gold with the popular new raised crystals covering the dials. The world's smallest automatic self-winder was suggested for the busy career woman whose natural hand movement keeps the watch wound. There promises to be a revival of lapel watches as many attractive designs appeared on suits for "Travelling Hours" and on the casual frocks of the business girl.

New and smart were the King-size (men's) watches worn over the cuff of a ski-suit in "Hours at Sport", the most novel, an alarm wrist watch to alert the tardy; the most practical, a waterproof watch with shock-resisting qualities.

Children's Theatre Planning Ambitious Season's Program

Dorothy Davis and Violet Walters, the competent directors of the Montreal Children's Theatre, have planned an ambitious program for the current season in both the north and west-end stu-

dios. The Children's Theatre was inaugurated 18 years ago, and since then has made remarkable progress, and won popularity far beyond the expectations of the founders.

The Children's Theatre has a kindergarten class with children from four to six years, which serves as an introduction to the principal course, which includes instruction in elocution, self-expression, diction, poise, deportment, mime, stage and radio work.

The radio classes are under the excellent guidance of Charles Miller, of C.B.C., well known radio personality.

An excellent programme of stage productions has been arranged, including Dick Whittington; Child Wanted, Pollyana and Old King Cole, all of which takes place at Victoria Hall.

"PERFECT" WIFE

Teresa Wright, starred in George Stevens' "Mr. and Miss Anonymus" for Paramount, is rapidly earning the title of the screen's perfect wife. She has such a role opposite Ray Milland in this romantic drama, played similar parts in "The Men" and "Pride of the Yankees."

CRACK GOLFER

Fred Astaire is at home on the golf course as well as on the dance floor. The great hooper, who co-stars with Betty Hutton in Paramount's Technicolor musical "Let's Dance," shoots in the 70's.

Two Hits At Monkland

A special repeat in Technicolor! Lee Bowman, Rita Hayworth and Gene Kelly who are featured in the gay Technicolor musical, "Cover Girl." Also on the same program, Victor McLaglen in his classical Academy Award performance in "The Informer," which starts a repeat engagement at the Monkland United Theatre on Saturday till Tuesday.

Direct From Hollywood

Hollywood Columnist Back in Montreal for Visit

By ★ JACK HIRSHBERG ★

These lines are emerging from my brother Lester's ancient Corona perched atop the kitchen table at 4994 Victoria Avenue, Montreal. You won't find any Hollywood news in the lines that follow, so if that's what you want you had better look elsewhere. However, stay with me if you're interested in the reactions of a typesetting exile returning home after 12 years covering the news from New York to Hollywood and San Francisco out into the not so peaceful Pacific.

Yes, I'm in the old fold again for a few precious days.

* * *
Values are strictly a personal matter, and some folks might say, I'm overly sentimental, but every place I visited this week in Montreal has evoked its share of memories. Ben's Delicatessen behind the Mt. Royal Hotel is now a plush joint where hot smoked meat sandwiches cost 35 cents and up. When I was 17 years old and handling publicity for the Montreal Symphony, I took Georges Enesco to Ben's for a pastromi on rye just an hour before he played his famous Rumanian Rhapsody at His Majesty's Theatre. Midway through the number experts thought they detected an unusual pizzicato effect from the violinist, but they were wrong.

It was just Enesco burping without missing a stroke on his fiddle.

* * *
I find the city more mature than when I left. The skyline seems big time, the topography has spread out like Mayor Houde's tummy and the French charm which once set the town apart as a distinct entity seems to have been somewhat dissipated. Outside of New York no city appears so overstocked with taxicabs. But the people are friendlier and more genuine than most Americans, some of whom think they are God's chosen people and the saviors of civilization. While the United States lacks national modesty, Canada manages to supply more than her quota of artists, scientists, medical men and business leaders — without boosting the national ego too much.

* * *
Do you know what an expatriate enjoyed most in his homecoming? Dinner at Drury's, a rink or three with The Standard's Jerry Clark and Stan Handman at the Press Club in Hotel Laurentien, riding up Mt. Royal on a horse drawn buggy, walking along Sherbrooke Street in the rain, oysters at Cafe Martin, chatting with Fran Robinson and Arthur Dupont at GJAD, catching a couple of dozen trout during a week end near St. Donat, tasting my grandma's apple dumplings and my Aunt Sis's chicken noodle soup.

It was nie to join The Montreal's 25th anniversary celebration

at the Queens Hotel, where many a laugh was provided by Al Foster. The old gang was all present—Hughie McCormick, Harry Houghton, Wilf Burnley, Lorne McBean, et al — most of them with a few less hairs and few more pounds. Hughie presented us with silver pocket flasks and then bought a round of drinks for everyone. Looking at the paper's swank new editorial offices, I couldn't help but remember the journal's first GHQ above the Empress Theatre and its later quarters in the AOA garage.

* * *
Goodbyes are the toughest part of a visit home. I'm skipping them so far as possible. I'll be back again next year, the good Lord and Comrade Stalin willing, for more of Grandma's apple dumplings and another fishing trip with my father. Meanwhile, this space will be filled as usual with its weekly communique from the cine city or wherever I happen to be. So, until next deadline, adios.

Tenor Star

Francois Eckhart is singing the leading tenor role of Don Jose with the Chamber Opera Group of New York's presentation of a 45 minute version of the dramatic scenes and arias from Bizet's immortal Carmen three times daily on the stage of the Seville Art Theatre. The company also stars Miss Coe Glade, "the greatest Carmen since Farrar," in the principal role.

Art Theatre To Present "Carmen" For One Week

When the Chamber Opera Group of New York present Bizet's immortal Carmen in concert form on the stage of the Seville Art Theatre for one week starting today, their 45 minute version of this great opera will include all the principal scenes and arias that have long been popular favorites.

Coe Glade as Carmen, Stefan Kozakevitch as Escamillo, Francois Eckhart as Don Jose, Alice Tate as Micaela, and Priscilla Alch as Mercedes, will sing the Habenera, the Gypsy Song, the Toreador's song, the Flower song, and the duet of Carmen and Don Jose from Act II, the dramatic Card scene and Micaela's aria from Act III, and the duets of Carmen and Escamillo, Carmen and Don Jose, and Carmen's death scene from Act IV.

Singing and acting in costume, with the duo-pianist support of Elsa Fiedler and Kenneth Hieber, these great stars of La Scala, Chicago, and San Francisco opera companies present a version that contains all the dramatic highlights of the story of the fantastic Carmen, with whom the young Spanish officer Don Jose falls in love and turns smuggler only to lose her to the dashing Toreador Escamillo.

While presenting Carmen three times daily on its stage, the Seville Art Theatre is also showing on its screen the RKO movie hit "Night Song" featuring the Leith Steven's piano concerto in C minor played by Arthur Rubinstein and the New York Philharmonic Orchestra conducted by Eugene Ormandy. The film stars Dana Andrews, Merle Oberon, and Ethel Barrymore.

Claudette Colbert is Featured in Westmount Theatre Offering

Claudette Colbert in "Three Came Home" has been announced by the Westmount Theatre as its next attraction. It opens this Sunday. Miss Colbert, whose triumphs in comedy and romantic dramas are more familiar, essays one of her infrequent straight dramatic parts in "Three Came Home."

The role is that of Agnes Newton Keith, writer, who with her family is captured by the Japanese invading North Borneo during the early days of the Pacific War. Interned in a Jap prison camp throughout the war, Mrs. Keith undergoes brutality and savagery that test a woman's mettle and try her courage. There is a happy ending in family reunion to Mrs. Keith's true, brave story.

With the long-celebrated star are to be seen a number of important players. Patric Knowles has the male lead. Also featured are two unusual players — a new face in comedienne-singer Florence Desmond, who enters films in quite a different mood; and an old face in silent screen star Sessue Hayakawa, who returns to the American screen after passing the war years in Europe to play a Japanese prison camp director. Though he will be new to be present generation, to its parents he is a legend of international renown.

Added Attraction

Anyone in the mood for uninhibited laughter will have the time of his and her life at M-G-M's ingratiating romantic comedy, "The Reformer and the Redhead," which brings June Allyson and Dick Powell (Mr. and Mrs. in private life).

With Miss Allyson cast as a zoo-keeper's daughter with spirit and aggressiveness to match her red hair, and Powell playing a crusading mayoralty candidate who routs both a crooked political machine and the zoo's most ferocious lion, this happy-go-lucky story romps along at a fast-and-furious pace to provide some of the longest and loudest laughs of the year.

The excitement and fun start at the very beginning when Kathleen Maguire, devoted to the animals in her father's zoo, slaps down a feminine big-game hunter who turns out to be the daughter of the town's political boss. Faced with a jail sentence for disorderly conduct, Kathleen turns to lawyer Andrew Hale for advice. It is an association ripe with hilarious consequences. Before she ends up in Andrew's arms, Kathleen has enlisted the aid of every orphan in town to help elect him mayor and in the unforgettable funny final sequence makes him a hero in spite of himself when he captures a man-eating lion which he thinks to be tame.

WORST SONG

Ray Evans and Jay Livingston, who won last year's Academy Award for the best movie tune, "Buttons and Bows", have been commissioned by Paramount to write the worst possible music and corniest possible lyric for a dramatic sequence starring Kirk Douglas in "Ace In The Hole". The tune is sung by a cowboy group and curious tourists watching rescue operations at scene of a major disaster.

folks seldom recognize him. It is this personal anonymity which makes him so valuable to casting directors.

Unusual Drama

Captured by the Japanese invading North Borneo during the early days of World War II, is the theme of a most unusual drama starring Claudette Colbert titled "Three Came Home," which opens this Sunday at the Westmount United Theatre.

Jean Low Offers Children's Course

Jean Low, now in her fifth season as writer of the popular radio program, "Calling All Children", and writer of both stage and radio plays, is offering a course in play-acting and dramatics for children. Miss Low is thoroughly experienced in teaching children the art of stagecraft, having written and produced many of her own plays in Ontario schools and in Montreal.

This summer she offered a summer studio course for Kenora Children, terminating the season with a two-act fantasy, "The Frog Prince". In reviewing the play, the Winnipeg Free Press says in part—"The splendid acting of artists so young made an instant and lasting appeal. With only three weeks rehearsal the young artists excelled, the excellent diction and easy stage presence being most marked." Classes will commence October 2 and registration is now open. Miss Low's studio is located at 1628 Sherbrooke St., W., Telephone WE. 6077.

REPORTER ACTS
Frank Cady, who founded the radio department at Stanford University and worked on several California newspapers, has a top role supporting Kirk Douglas in

Paramount's behind-scenes journalistic drama, "Ace In The Hole". However, he doesn't play a news man—he's cast as a key figure in operations to rescue a man trapped underground.

Westmount Soccer Club Ties Stelco In Quebec Trophy

Westmount soccer club played to a scoreless tie with Stelco in the final of the Quebec Cup at Notre Dame Stadium on Sunday.

In Sunday's bleak watery sunshine and biting wind which drove the odd flurry of sleet before it, both clubs battled manfully, but neither front rank managed to pierce the opposing defence.

The respective goalies Bill Gill for Stelco and Danny Smi in the Westmount nets played every ball flawlessly and were probably the most valuable players on the two teams.

Gill in the Stelco goal had a little more to do than Smith, especially in the first half when Westmount with the strong wind in their favor pressed for most of the period.

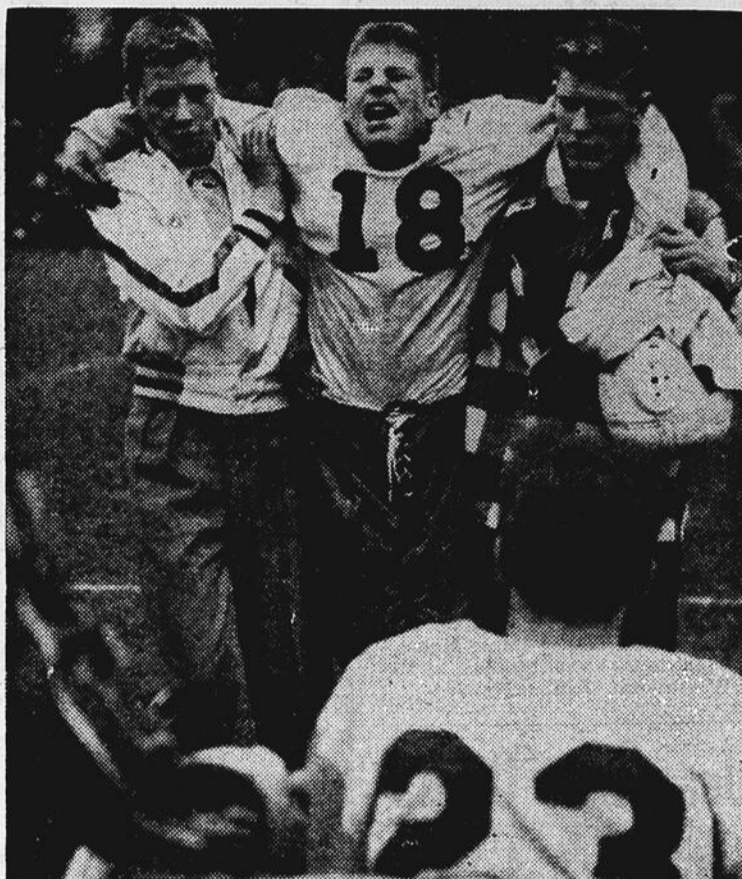

In the second stanza it was Smith who had the tough time as Stelco came close on quite a few occasions to getting a goal.

Westmount appeared to be in better condition towards the end due no doubt to the fact that Stelco took quite a lot out of themselves defending in the first half.

On the run of the play a draw was a fair result.

It is understood that the re-

play will take place over Thanksgiving week-end.

Meet Far West Enders At Local Athletic Grounds

By ALLAN SANDZELIUS

Westmount will be gunning for victory this afternoon when Jim Patrick leads his young but spirited charges out on to the Westmount Athletic Grounds to do battle with Loyola in a regular Senior A Interscholastic contest. Starting time has been announced as 4.00 o'clock.

The line-up for next week:

Senior A soccer: Westmount High vs West Hill on Tuesday at Westmount Park

Senior A rugby: Westmount vs D'Arcy McGee on Wednesday at Westmount Athletic Grounds.

WHA' HOPPEN

In the finest display put on by a Westmount High rugby team since the war years, the Purple and White lost a heartbreaker to Montreal High last Friday afternoon at the local athletic grounds. A last minute touchdown gave the visitors a 6-3 triumph.

Ray Baillie's kickoff carried 35 yards but Montreal ran the ball back smartly to their own 35 yard stripe. From there on the Blue and White were smeared for loss after loss of yardage as the scrappy, charging Patrick-coached line swept over the opposition time after time.

After about two minutes of play, WHS took a fourth down kick and ran it to the Montreal 30. From there halfback star Charlie Baillie kicked as beautiful field goal as anyone would want to see from a very bad angle. Thus the score stood at 3-0 for the locals.

The score stayed at 3-0 until the end of the third quarter when Alan Lefcourt tripped behind the WHS goal line as he was carrying the ball out after a Montreal field goal attempt to concede a point to the visitors.

TALE OF WOE

Now comes our tale of woe. With one and a half minutes to play, it was Montreal's ball, third down, 11 yards to go when Westmount was assessed a 20-yard tripping penalty. This gave Fred Urquhart's charges a first down on the Westmount 11 yard line.

As a result, with the minute flag being held aloft, two plays later a rush by husky Don Walsh through the valiantly striving Westmount line, gave Montreal a touch down which went unconverted. The final score: 6-3.

THE STARS

When it comes to picking the individual stars on each team it's extremely difficult to say anything more than that the entire local team played like stars and reflected much credit on their school and on their hard working coaches, Jim Patrick and Lew Davies.

In this reporter's book, however, the outstanding players for Montreal were Carl Hilzinger and Don Walsh while Charlie Baillie, Ray Baillie and Doug Mariasne were the cream of the Purple and White crew.

WHS LINEUP

Following is the Westmount lineup for this afternoon's game against Loyola:

Charlie Johnson (captain), left end; Doug Carlaw, left middle; Don Mercer, left inside; Ian Black, snap; Fred Hofman, right inside; Ray Baillie, right middle; Tim Burke, right end; Dave McDougall, quarterback; Doug Mariasne, left half; Charlie Baillie, right half; Warren Arnold, centre half; Eddie Kalil, flying wing.

Alternates: Fred Benn, Jim Liddell, Bob Bradley, Bob Webster, Alan Lefcourt, Doug Sellar, Bob Carruthers, Ross Southward, Gordie Clark, Charlie Davies, Andy Cote, Mitchell Klein, Jerry Apostolatos, Skip Warnock, John Petry.

Rolland Asselin Appointed Coach 'Y' Fencing Club

Rolland Asselin has been appointed as coach of the Westmount "Y" fencing club for the 1950-51 season.

C. A. Buckley, head of the physical department, in making the announcement, said that Mr. Asselin has had considerable experience as a member of Canada's Olympic team in 1948. He is also a three weapon medalist in the 1948 Dominion tourney and the holder of the New England three weapon open championship for 1950.

Mr. Buckley pointed out that Westmount "Y" was a most active centre for fencing at one time, and added that the appointment of Rolland should surely revive interest amongst members.

First major event on the Westmount fencing card is the Provincial trials to select the team which will represent Eastern Canada in a match against invading Americans next month.

The International team competition takes place early next month. The U.S. members will remain over for the Canadian sabre and epee tournaments.

The site of the international tourney is the Nationale A.A., October 7 and 8. The ladies' foil will be held on the 7th at 2.30 p.m. The men's sabre at 7 p.m. the same day.

On Sunday at 10 a.m., the foil team competition begins, with the epee in the afternoon. A platform the same as used in Olympic competition will be erected for the fencers.

Last year the U.S. squad won 9-7.

Westmount C.C. Trounced Badly

Westmount cricket club took a bad lacing from Maisonneuve on trounced Westmount by 10 wickets.

Despite the fact that Taylor scored 30 for Westmount, they were all out for 52.

Fraser with 21 not out and Scruton with 34 not out led Maisonneuve to a total of 56 without loss of a wicket.

Potter took two wickets for 22 and Youngman 2 for 26 for Maisonneuve.

Verdun clinched the Montreal Amateur Cricket League title on Saturday with a victory over Adastrians. Verdun had 56 for 1 while Adastrians got 50.

RMR-Westmount Play Tomorrow

Juniors Play Rosemount In Local Doubleheader

By MEL JAMES

The R.M.R. squad and the Westmount League leading players the Senior Q.R.F.U., will tangle at the Westmount Athletic Grounds tomorrow afternoon, following a junior tussle between the Westmount Warriors and the Rosemount Bombers.

It is the second double header to be played by the Westmount clubs on their home grounds, with the senior crew out to settle two accounts with the Army team, once and for all.

In the first place, some of the players are looking on the contest as a repeat performance of the Army-Navy game which attracted thousands last year. The goat and the mule will be missing but from the spirit shown in practices during the week neither animal will be needed.

The second account to be settled regards the Westmount entry pushing in on Army territory. Before the ex-Navy squad accepted their new title, Army were the official Westmount entry from the district, but now they have had to take a back seat to a team that carries the name of the City.

All of which caused one caustic remark from an Army fan, "send Westmount back to Verdun and Rosemount, that's where they come from."

The remark had some justice at the time, but not if the Army follower had been to the Sherbrooke game with the Westmounters Sunday. Travelling home in the bus, the old locomotive yell of "Westmount" was shouted a dozen times. The boys had something to shout about; they had just swept to a 19-0 victory over Sherbrooke establishing themselves in a tie for first place and having the highest number of points for, plus the lowest number against.

There were special cheers for 18-year-old Archie Borland of the Westmount squad, who played an outstanding contest against Sherbrooke. Replacing the fleet-footed Jimmy Chambers, one of the most consistent ground gainers in the league, Borland proved ready for the senior league when he figured in numerous plays in the first half and went over for a major early in the third quarter from 20 yards out.

Claiming that blocking had enabled him to make the touchdown without a hand being laid on him he couldn't act so modest about

snaring a Sherbrooke pass a few seconds later and racing it back 20 yards to set up the second Westmount major.

This time, Bobby Pugh forced the play when he skirted around end, finally lateraling to Jack Drake who picked the pigskin up on the first bounce and romped over the Sherbrooke line. Eddy McLeod's "sure toe" made an extra point on each of the majors.

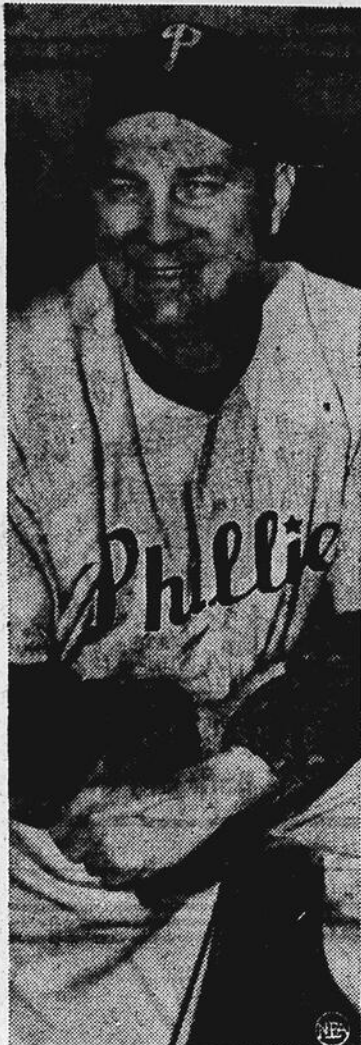

This made the score 13-0 for the Westmounters, as Jimmy Simpson had booted a single in the first quarter with his punt to the deadline. Frank Fitzpatrick added to the victory when, on three consecutive plays in the fourth frame, he moved the ball from the Sherbrooke 40 yard strip to paydirt.

Eddy McLeod converted the outstanding effort by Fitzpatrick to round out the scoring, and establish him as the high scoring ace of the team with 13 points to his credit.

The powerful Westmount line also played a prominent role in the victory.

Pin Money

R.M.R. Football Team Lose Close Game to Flyers

R.M.R. (Army) was very unlucky in losing to Lakeshore by a 11 to 5 score in a Q.R.F.U. Senior fixture played at Westmount Athletic Grounds on Saturday.

Lakeshore had to battle all the way to beat R.M.R.

They moved ahead on Bub Parsons' touchdown in the second quarter. Mike Maruska booted a single to give them the edge in the third after Jack Patterson had majored for Army.

Ray Tremblay intercepted a short pass after R.M.R. had gone to Flyers' 12 yard line completing four first downs on their march up field.

Tremblay passed to Marusko from R.M.R.'s 15 yard stripe in the dying minutes to give Lakeshore the game.

Saturday's game was certainly a tough one for Army to lose as on the run of the play they were value for a win.

Tomorrow's local derby should be a thriller when Westmount are at home to R.M.R. at the Westmount gridiron.

Westmounters Win Trophy In Sherbrooke

The Westmount Senior B, Q.R.F.U. club have already started to pick up silverware for the year 1950. Following the Sherbrooke contest in Sherbrooke Bobby Pugh, starry quarterback of the squad, received on behalf of the team, the Kiwanis Travelling Trophy for Kiddies Day.

The trophy, presented by Bill Randle, of the Sherbrooke Kiwanis Club is presented to the winning team that plays in Sherbrooke on the day nearest "National Kiddies Day" Saturday was the actual day of that celebration, and the Westmounters were the first visiting team in the area following that day.

It seems evident that the Westmount senior club is a late starter in collecting points. In their first game they made 17 of the 29 points in the second half, in the game with Eastward, all points were scored in the last quarter, and in Sherbrooke, three converted touchdowns were made in the last half with the final score 19. So far, they have had only eight points scored against them.

The junior Westmount entry will be seeking a third victory

tomorrow when they tangle with Rosemount, rated one of the better club in the league. Most observers who have watched the junior Warriors since their first game with N.D.G. have remarked on the improved type of playing presented by the club and feel tomorrow's game should be close.

Marine Vet Plays Marine in "Tripoli"

A bit of perfect type casting was accomplished when Jack Pennick, who served 16 years in the Marines and seven years in the Navy, was signed for the role of a Marine

in "Tripoli", new Pine and Thomas production for Paramount.

In this Technicolor film which co-stars Maureen O'Hara, John Payne and Howard da Silva, Pennick plays the role of a Leatherneck of the 1805 era serving under Lt. Presley O'Bannon, historic hero portrayed by Payne.

RCOC Commence Winter Training; Need Recruits

The 3rd Division Royal Canadian Ordnance Corps and the 16th Armoured Brigade Ordnance Field Park, with barracks at 3 Hillside avenue, Westmount, are seeking recruits.

The winter training schedule commenced on Tuesday. Recruits are needed for training as clerks, storemen and drivers.

During the term a non-commissioned officers' school will be held, and those qualifying will be promoted as vacancies occur.

The training period will be climaxed by the annual summer camp. Facilities for recreational activities are available.

Colonel Trott, officer commanding, said that the ordnance units were fortunate in having a group of first-class instructors, all of whom are veterans of the Second Great War.

Prospective recruits should apply at the armoury on Tuesday nights.

R.M.R. Veterans To Hold Smoker

R.M.R. Second World War buddies will get together tomorrow night (Saturday) at the Royal Montreal Armoury, St. Catherine Street, Westmount.

Ex-members of "B" company overseas, have planned a smoker to be held in the Men's Canteen.

This affair is a follow up on two successful evenings held during the spring, and is intended primarily to keep company members in touch with each other as well as providing a pleasant evening of wartime experiences.

entertainment and swapping of A cordial invitation is extended to members of B Company and of other companies who may care to attend the function.
