Eastman Bank Loot Found In Clothing Of Woman's Baby

By NICK POWELL

EASTMAN — A \$1,400 holdup at a branch agency of the Canadian Bank of Commerce here yesterday afternoon resulted in the dramatic arrest of a man and his sister only three and a half hours later. Most of the money was recovered from the clothing of a small baby with the couple.

Arrested and taken to Montreal were: Adelard Riendeau, 28, of Montreal and his sister, Mrs. Gaetan Lafond, also of Montreal. Police said Riendeau would be charged with armed robbery.

More than 40 police swooped on the area shortly after the alarm was given. The pair was arrested on a mountain road near Magog.

Police said Riendeau had previously spent three years in prison on a burglary charge.

At 2:30 p.m. yesterday, police said, a man walked into the Canadian Bank of Commerce in Eastman. At that moment the only man present, manager

Second E. T. Bank Robbed

MANSONVILLE — (Special) — A break-in at the Canadian Bank of Commerce here was reported today.

Police were notified at 9 a.m. when Mr. Bell, the manager, noticed the break-in. Sgt. Det. Paul Prevost, of Cowansville is investigating the case.

It was the second bank robbery of the day in the area.

According to police, the thieves broke in through a window in the rear of the bank and cut their way through two vault doors with acetylene equipment. In their escape, they left their equipment behind.

The hole in the vault was about a foot square. Police say whoever broke in knew what they were doing and did a thorough job.

This morning police were unable to say the extent of the loss. There were no further details.

Sherbrooke Man Hurt In Montreal

MONTREAL — Reginald Cote, 30, Sherbrooke, was in critical condition in hospital here today after his car was demolished in a collision with a truck.

A woman companion, 23-year-old June Suiter of Montreal, was reported in satisfactory condition.

The collision occurred at an intersection in the northeast Rosemount district.

Russians Warn Of H-Attack

LONDON (P) — The Russians, continuing their warnings to the NATO allies, have threatened devastating retaliation for any nuclear attacks from bases in Britain, The Netherlands, and West Germany.

Moscow radio made the warnings Thursday night in broadcasts beamed to the three countries.

They followed recent letters from Premier Bulganin to the governments of Norway and Denmark, only Scandinavian countries in NATO. Bulganin told both countries Russia wants peace but would retaliate with "great destruction" for any atomic attack.

The broadcast commented on the visit of The Netherlands defence minister, Cornelius Staf, to the United States for talks on military aid. The broadcast said the Dutch people should be told "the grave truth that the Soviet Union would, in the event of an attack, not shrink from destroying the springboards used for aggression against it."

The broadcast to Britain said that in any nuclear war Western European countries would be "hit, and hit hard, all over their length and breadths."

One Way To End A Conversation

GRAND RAPIDS, Mich. — (P) — A telephone conversation between two women ended abruptly Thursday—one of the women fell asleep.

Patrolman Delbert Mehrlay said he was asked to investigate by Mrs. Roland B. Urban who had been talking on the telephone with Mrs. Scott and suddenly got no response but could hear breathing.

Mrs. Scott said she had spent several nights without sleep with an ailing daughter.

Flying Lizards

LIVINGSTONE, Northern Rhodesia — (Reuters) — Motorists arriving here reported seeing a flock of flying lizards, each about 30 inches long. It is the second report within a few days of animals similar in appearance to the prehistoric pterodactyl.

'Gas' Bomb Kills Six In Bar

LOS ANGELES — (P) — Three youths threw a gasoline bomb into a crowded neighborhood bar early today, killing six persons, firemen said.

At least 15 customers were inside when the bomb was tossed in the middle of the room.

The dead have not been identified. Three others were injured.

Police said witnesses reported seeing three persons flee from the scene shortly before the explosion, which shattered the front of the Club Mecca, erupting broken glass and debris onto the street.

There was no fire, but the entire inside of the bar was blackened by the blast which was heard blocks away.

Witnesses said the bar's interior immediately was turned into a white-hot inferno as the highly volatile gasoline spilled across the floor.

Three youths had been ejected from the bar earlier, police said.

Medical Journal Warns

Radiation Nearing Danger Point

LONDON. — (Reuters) — The leading British medical journal, The Lancet, says the radioactive accumulation from H-bomb explosions "may be near the danger point."

Commenting on the statement by Prime Minister Macmillan this week that the government will carry out its planned H-bomb experiments in the South Pacific this year, The Lancet says:

"For those who fear, as we do, that the radioactive accumulation from thermonuclear explosions may be near the danger point, there can be little lasting comfort in the news that British bombs are small bombs, while the action of other countries remains in doubt."

"The only course that does not involve risks, which in relation to mankind as a whole are utterly unjustifiable, is for the three governments so far concerned to stop thermonuclear explosions of all kinds."

SMALL ONES BAD

"Putting the risks at their lowest, continued explosions of megaton bombs can hardly fail in the end to kill a certain number of people by giving them bone tumors that they would not otherwise have had. At worst, accu-

Defence Ends Without Adams Taking Stand

LONDON (P) — Counsel for Dr. John Bodkin Adams brought the defence case to a sudden end today and began his final appeal to the jury trying the 58-year-old physician for murder.

Geoffrey Lawrence, chief defence counsel, called only two witnesses — a medical expert and a nurse — to counter the prosecution charge that Adams drugged to death a rich old patient to gain a chest of silver and Rolls Royce car from her estate.

The resting of the defence came at the opening of the 15th day of the trial, the longest murder trial in the history of the famed Old Bailey Court.

Lawrence decided to put the fate of the Irish-born bachelor society doctor in the hands of the jury of 10 men and two women without Adams himself taking the witness box to tell his story of the strange case.

The stocky, bespectacled defendant generally had maintained a stolid composure. At the beginning of the trial he pleaded not guilty to the accusation that he killed Mrs. Edith Alice Morrell, an 81-year-old widow he was treating for a stroke.

The defence lawyer told why he did not put Dr. Adams into the witness box to tell his own story.

Emphasizing the "strain" which he said Dr. Adams had been living under since his arrest five months ago, Lawrence declared he had declared against requiring him to "endure the ordeal" of testifying.

Lawrence said Dr. Adams' records on the Morrell case had been destroyed and that by taking the stand he would have been asked "to cast back his memory over the gulf of six years."

"At every stage there would have been the terrible realization that one failure or recollection, one inaccuracy, however innocent, would be seized on and might well be put before you as an indication of his guilt."

Anti-Strike Law Repeal Asked

MONTREAL — The Montreal trades and labor council has decided to again seek repeal of a provincial statute making strikes illegal in public services.

Some 50 delegates to the council—the city's central labor body—voted unanimously to ask the Quebec Federation of Labor (CLC) to press the Quebec government for repeal of the law.

Horror And Revulsion

US Asked To Stop Character Smears

OTTAWA — (P) — Contempt, horror and revulsion Thursday prompted Canadian appeals to President Eisenhower, the United States Congress and Protestant religious leaders in that country to halt character assassination — words that had just acquired new meaning in the death of a Canadian diplomat.

Egerton Herbert Norman, 47, scholarly Orientalist and Canadian ambassador to Egypt, took his own life in Cairo earlier in the day in a nervous collapse after the U. S. Senate subcommittee on internal security heard renewed allegations that he was linked with communism.

Mr. Norman jumped from the seventh-floor apartment of the Swedish ambassador. Notes he left indicated his collapse had left him desperate of hope that his name would be cleared of allegations — rejected by the Canadian government — that he had been a Communist.

The Canadian government, which investigated the allegations in 1951 — when Mr. Norman was acting chief of the Canadian delegation to the United Nations — rejected them as unfounded. The question was thought disposed of.

From the four corners of the House of Commons the bitter denunciations of his accusers' methods came Thursday as Mr. Pearson read a statement he had issued moments earlier to the press.

In its tribute to the man who had been his colleague when the minister was a serving diplomat, the statement said bitterly that the reasons "for these renewed attacks may be obscure but the tactics used degrade only those who adopted them."

Opposition Leader Diefenbaker said the statement was "a masterpiece of understatement."

ALGIERS. — (P) — Twenty-five French soldiers were killed and 13 wounded by rebel bands in a wild, mountainous area of north-east Algeria, the French military command said Thursday.

OTTAWA. — (P) — The RCAF's third squadron of CF-100 jet fighters assigned to NATO duty in Europe will fly the Atlantic in May, the air force announced.

MONTREAL. — (P) — With Montreal's harbor a blaze of lights, the British freighter Manchester Mariner made a tricky night docking to open the 1957 navigation season into the world's largest inland port.

CANBERRA, Australia. — (Reuters) — The Montebello Islands and territorial waters off the northwest Australian coast, scene of British atomic test explosions 10 months ago, still are a danger area, the official Commonwealth Gazette reported Thursday.

TRIVANDRUM, India. — (Reuters) — India's first Communist state government took office today in the southern coastal state of Kerala. The Communists won 60 seats in the 126-member assembly in last month's election.

NICOSIA, Cyprus. — (Reuters) — Emergency regulations involving the death penalty were relaxed in Cyprus Thursday. Henceforth the death penalty is abolished for all offences under the emergency regulations except for discharging or carrying a firearm and throwing a bomb with intent to cause death or injury.

OTTAWA. — (P) — CBC chairman A. D. Dunton Thursday released texts of letters exchanged with Premier Frost of Ontario in which he denied charges by Mr. Frost that the CBC "very heavily weighted" its news coverage in favor of the Liberal administration in Ottawa.

Mr. Dunton in replying to Mr. Frost, suggested "that a representative of yours and a representative of the CBC examine the relevant CBC news coverage of recent months, sitting with an independent and experienced newsman, say a top official of The Canadian Press, as chairman."

RIOTS KILL 18

SANTIAGO, Chile. — (P) — Troops, tanks and armored cars maintained order in Chile Thursday after two days and nights of destructive riots over rising living costs. There were 18 deaths.

Hospital Bill Approved

Fast Second Reading

OTTAWA — (P) — The Commons has approved in principle legislation enabling the federal government to enter into share-the-cost agreements with the provinces for a national hospital insurance plan.

The measure received speedy second reading—all parties agreeing on the principle of the bill—but came under close clause-by-clause scrutiny by the Opposition which urged changes in certain details.

For example, Stanley Knowles (CCF—Winnipeg North Centre) said the government should revise its policy-written into the bill—that the national plan will come into effect only when six provinces representing a majority of Canadians agree to sign.

So far, five provinces—British Columbia, Alberta, Saskatchewan, Ontario and Newfoundland—have agreed to enter the plan. They represent more than 50 per cent of the population.

Dag Thinks Egypt May Ease Ban

UNITED NATIONS — (P) — Secretary-General Dag Hammarskjöld has indicated he believes Egypt may let Israeli ships use the Suez Canal.

Hammarskjöld was asked at a press conference Thursday about President Eisenhower's statement earlier this week that "we should not assume that Egypt will violate the 1888 convention" by barring Israeli ships from the canal.

"I think it is a wise assumption," the UN chief replied.

Egypt, however, has given no public indication that its bar to Israeli shipping will be lowered. Egypt in the past has refused to let Israeli ships go through the canal on the grounds that a technical state of war still exists between the two countries.

Fine Program At Cookshire Amateur Show

COOKSHIRE.—A very successful amateur hour was presented in Victoria Hall under the auspices of the town band committee. D. J. Macmillan acted as chairman for the evening, and explained the purpose of this amateur hour was to raise funds to carry on a town band.

Judges for the varied program of vocal, instrumental numbers and dancing were Mr. Longchamp and Mr. Gauthier of CHLT, Sherbrooke. There were three guest artists, Mrs. Lois Blanchette, Mr. H. C. Wright and Father Labrecque.

The judges' decisions were as follows: first and second places, the prize being an appearance on TV Thursday afternoon, April 4, over CHLT, Lizotte's Orchestra, Miss Diane Lizotte and Francoise Dumas; gifts were presented to those in third and fourth places, Miss Betty MacRae, Don Wright, Sally and Edith Bake tied for fourth place.

The president, Mrs. J. A. Frazier, thanked those who had participated in the evening's entertainment, the guest artists, TV scouts and all who had helped in other ways. She invited the young people to join the band and receive instruction from the band leader, Mr. Wright.

The program was as follows: piano duet, Francoise Dumas and Miss Ducharme; baritone solo, A. Maskell; popular songs, Bury High School girls; vocal solo, Mrs. C. Phillips; violin solo, Miss Betty MacRae; vocal selections, Mrs. Lois Blanchette, with Miss Thibault as accompanist; Ukrainian dance in costume, Misses Sally and Edith Bake, with Mrs. Dawson as accompanist; vocal solo, Lionel Blouin, accompanied by Miss Ducharme; Lizotte's Orchestra starring little Diane Lizotte as tap dancer; Sunshine Boys, McBurney and Garneau, singing with banjo and guitar; trombone solo, Don Wright, accompanied by Miss Betty MacRae; vocal solo, Miss Francoise Dumas, accompanied by Mr. L. Kinnear's Mills Church Groups' Joint Meeting

KINNEAR'S MILLS — The W.A. and W.M.S. met at the home of Mrs. George Rothney. The W.A., under the presidency of Mrs. Lewis Eager, opened its session with the Lord's Prayer.

It was decided to hold the regular meetings in the Church Hall, commencing in May.

With Mrs. Edgar Nugent presiding, the W.M.S. meeting was opened by following the Easter program, with the Scripture reading given by Mrs. Lyall Simpson. A program was given by three ladies, Mrs. A. A. Frizzell, Mrs. Murray Nugent and Mrs. George Rothney, which was most interesting.

The business meeting then took place. Minutes were read and the roll was answered by nine members and three associate members.

A vote of thanks was extended to Mrs. George Rothney for use of her home during the winter. Donations of prints were received from Eaton's and Simpson's. Quilting was done during the afternoon.

Million Dollar Public Works Loan Passed By City Council

Local Businessmen Speak

Airport Necessary For Development

By GERALD McDUFF

Local businessmen feel that in general the proposed Sherbrooke airport would be a decisive factor in attracting prospective industries for the further development of the area, but would not be much benefit to existing companies.

This was the result of a survey held in the main industries in the City yesterday in an effort to obtain a cross-section of opinions about the new airport.

NECESSITY

Ald. Leo Cadorette, chairman of the Industrial Relations, Town Planning, Transport and Tourist committee at the City Hall,

said "I think the airport is a necessity. Transportation made Sherbrooke. Here we have the centre of three railroads and if it were not for that Sherbrooke would still be just a village today."

"As communications must be made quicker for new industries and existing industries, we will find that we cannot do without an airport, for purposes of passenger and freight transportation."

"I know by experience that many contacts made in the United States have asked me that question—Have you an airport in Sherbrooke?"

"One prospective industry is withholding a decision to move here until they see if the project is realized. This industry alone would employ about 200 men."

"Sherbrooke is the third largest city in the Province. If we want to maintain our position we must keep in step with other cities in Canada. If we have an airport, there is no limit to the prosperity and growth of Sherbrooke."

He added that if there are no industries, the population has no buying power and the city will eventually stagnate. "People," he said, "will move out. You must have industries."

Ald. Cadorette was one of the original instigators of the airport movement several years ago.

CHAMBER OF COMMERCE
 In the civic delegation that conferred with aeronautics experts in Ottawa this week, Robert Belisle, manager of the local Chamber of Commerce, was one of the representatives.

Mr. Belisle had this to say: "The Chamber of Commerce for several years has brought up the subject of an airport. We feel it can help industrial growth. Industries think of Sherbrooke as a possible location but they very often ask if we have an airport. This trend is part of industry."

He said that the Chamber was studying revenue reports from communities across Canada with airports that have the same population as Sherbrooke. He cited Medicine Hat, Alta.; Fredericton, N.B.; Timmins, Ont.; Sudbury, Ont.; St. Johns, N.B.; Prince Albert, Sask.

Referring to the stipulations in the agreement between the municipal and Federal governments, he noted that the City would build a temporary terminal and then expand it to meet the increase in traffic. The Federal Government would pay 75 per cent of the public service costs in the construction of the terminal.

Subsidies, he said, would be given to Sherbrooke according to the airfield surface. Ottawa would build two air strips, 6000 feet long, at a cost of \$3,000,000.

Although there were a few adverse opinions, businessmen in general believe the project is worthwhile.

H. J. Moffatt, manager of the Hall Machinery Company said Continued on Page 5

Women's Canadian Club

Canada's North A New World In Making — U.S. Journalist

Canada's North is a new world in the making, an area of tremendous importance and a vital security of the North American continent, Mrs. Tania Long Daniell told members of the Women's Canadian Club of the Eastern Townships last night at their meeting in the Hotel Sherbrooke.

Mrs. Daniell, member of the Canadian Bureau of the New York Times, chose the topic, "Canada's Exciting North," having recently returned from a trip to the vast area above the 60th parallel and the site of the new Aklavik.

This area, covering one-third of Canada, and with a population of only 25,000, was opened first by the fur traders and whalers, then after World War II, by prospectors and mining companies, the speaker said. There is intense mining activity going on now, she added, the past 10 years having seen an increase in mining production of 1200%, and there is a great deal of mineral wealth in as yet unexplored recesses below the ice and snow.

TRAVEL DIFFICULT
 Travel in the north is difficult, Mrs. Daniell said. The main avenue, apart from the waterways in summer, is the air. Roads, when built at all, only serve the immediate community.

The expense of building roads in the north is almost prohibitive, Mrs. Daniell pointed out but they are badly needed for exploration and to serve as a link between north and south. The climate is not the barrier she said, it is the lack of communication.

The north is being tamed to serve as a first line of defence, Mrs. Daniell explained, and she described the life that is being lived by the workers on the DEW line. It is not as one might imagine, she pointed out. The men have brought their own way of life with them. They live in air-conditioned, well heated houses, enjoy the same food and movies. It is a barracks-like existence but the compensation in pay is well worth it. With room and board provided and nothing to spend it on, the salary of from \$800 to \$1200 a month, which a skilled worker draws, can soon accumulate.

NATIVE INTEGRATION
 Naturally this opening-up process is having its effect on the native population and is hastening their integration with the rest of the Canadian community.

The Eskimo civilization is seeing the beginning of the end of its days the speaker said. They have little alternative but to adopt the white man's way of life.

Until recently the Eskimo depended for his livelihood on the caribou and the fur trade. But with the fur trade no longer providing the living it once did, many of the Eskimo are learning to work with the white man on the DEW line. The Eskimo is a very intelligent, polite person and has a wonderful memory, Mrs. Daniell said, making him

a good mechanic but he has much to learn about the use of money. The possessions that he is acquiring with his new wealth are changing his former nomadic life into a more settled existence, but in many cases he encounters himself with useless articles. Being exposed to many new germs brought in by the white man

Appointment In Divinity Faculty At Bishop's

A further appointment in the Faculty of Divinity is announced by Bishop's University. The Rev. Gordon Frederick Ellens, A.K.C., B.D., of London, England, will take up duties as Lecturer in New Testament and Systematic Theology in September of this year in succession to Professor Lewis H. Clarke who will return to the United Kingdom at the end of the current academic year.

Mr. Ellens, who is thirty-one and unmarried, was born in London and on leaving school received training as draughtsman in structural engineering. On reaching military age and receiving his call-up for service

REV. G. F. ELLENS, A.K.C., B.D.

with H. M. Forces, he obtained a commission in the Royal Engineers and was subsequently attached to the Indian Army. Returning to civilian life in 1948, Mr. Ellens held for some time an executive post in iron and steel reclamation at Southampton and later entered King's College, London, to embark upon his training for Holy Orders.

In the course of his studies he obtained the McCaul prize for Hebrew, and on graduating with the Associateship of King's College and the B. D. with Honors of the University of London he was ordained in St. Paul's Cathedral to the curacy of St. Luke's, Old Street, East London, where he served for two years prior to taking up his present appointment at Chiswick Parish Church. A large part of his work has been with young people in the upper grades of grammar schools.

makes the control of diseases and epidemics the more difficult but the Eskimo is a sensible patient and a curious one too, the speaker added.

AKLAVIK

Mrs. Daniell told the members about the new community of Aklavik and the reason for the necessary move from the former site, 35 miles west. The buildings in the old settlement, the largest in the Arctic, were gradually sinking; bounded by lake, river and marshes, there was no room for expansion and no site for an airport. On the new well-planned location, there are already 50 houses built and business and commercial establishments.

The large buildings are constructed on stilts with a breeze-way underneath to act as an insulator from the permafrost; the smaller ones on pads of gravel and moss. The pipes for steam, water and sewage, are enclosed in a box-like "utilidor", running above the ground till it reaches a street when it travels up and over allowing plenty of room for transportation. The airport to be constructed there will be among the largest in the north, Mrs. Daniell said, and the road to it is already done.

The frontier life will soon be disappearing, the speaker said in conclusion. It may not be Canada's "exciting" north much longer, but it will be more a part of Canada.

Mrs. Daniell was introduced by Mrs. Pierre Beaudry and thanked by Mrs. A. N. Langford.

Seated at the head table were: Mrs. Robert Dunsmore, Mrs. E. T. Harbert, Miss Ann Boright, Mrs. Daniell, Mrs. Jan Piek, president, Mrs. Beaudry, Mrs. Langford, Mrs. A. R. Jewitt and Mrs. J. A. York.

To Pay For Largest Project In History

The City Council, sitting in special session last night, approved a loan by-law for \$1,715,000 to cover the costs of the largest public works project in the history of Sherbrooke.

Carried by unanimous decision of the aldermen, loan by-law No. 930 was only slightly changed to exclude paving, sidewalk and sewage works on Bethune St., after a request by Ald. Leo Cadorette.

Last year's cost of public works amounted to \$972,000, in accordance with the first step of the program.

According to estimates prepared by Director of Services Charles Langlois, \$679,600 will be used for paving and \$360,500 will be spent for sewage and water main works while another \$172,400 will be for street intersection improvements. He said \$150,000 was earmarked for street openings and \$101,200 for sidewalk building.

The by-law was presented for third reading by Ald. Felix Thibault, chairman of the public works committee.

TAXES

In discussing the by-law, Ald. Gerard Berard demanded to know whether there would be an increase in taxes.

Ald. Carrier Fortin, chairman of the general administration committee, said "Thanks to our new way of assessment under by-laws No. 934 and No. 935, it is highly improbable that we will increase the mill rate to finance our public works program."

"Although the loan is almost two million, one of the highest in the history of the city, the debt service will not be increased more than \$54,000 when we include amortization and the interest on this loan in 1958."

"We can foresee," he said, "that the natural increase in the city's revenues will overcome easily this amount."

Main point of the by-laws Nos. 934 and 935 is that the property owner will pay all the costs of constructing a new street.

The clause reads that "the property owners will be called to defray all the costs necessary to have streets, properly speaking, that will serve as public streets."

as well as the embankment work, foundations, paving, sidewalks, cesspools and works in connection with these purposes."

Youngster Hit By Car, Dies

An eight-year-old youngster, Bertrand Gravel, of Valcourt, died on way to the Hotel Dieu Hospital in Sherbrooke yesterday from a fractured skull suffered when he was hit by a car, driven by Camille Robidoux, on a street in his hometown.

Son of Jean Gravel, the boy was returning from school with four of his playmates when his cap fell from his head and he attempted to retrieve it.

Robidoux told police he was travelling slowly along the street and did not see the youngster jump in front of his car.

Hospital authorities notified Provincial Police of the accident. The investigation was made by Detectives Rene Coupal and Rene Simard.

CPR Witness**"Changed Mind"**

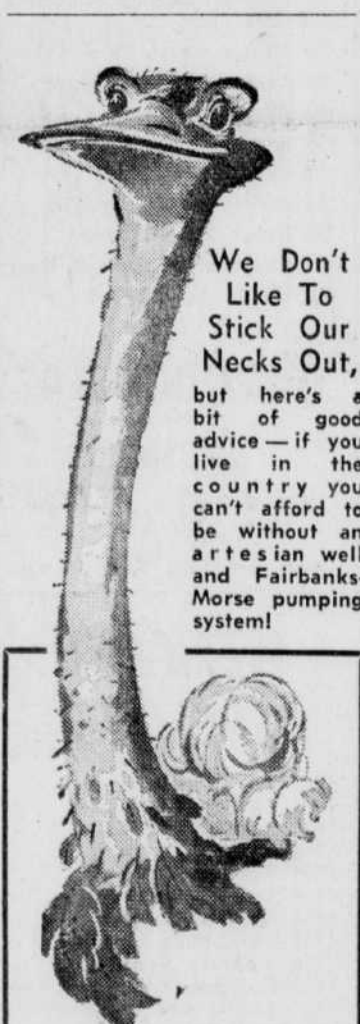

OTTAWA — A CPR witness contended Thursday before the Kellogg royal commission that firemen are not needed on diesel engines in yard service. But he admitted he had written a letter in 1948, when he was a union representative in Calgary, stating that yard engineers there relied on firemen for look-outs.

George Russell, assistant superintendent of the CPR's Medicine Hat division, testified that he first became aware in 1945 that firemen were not necessary on yard diesels.

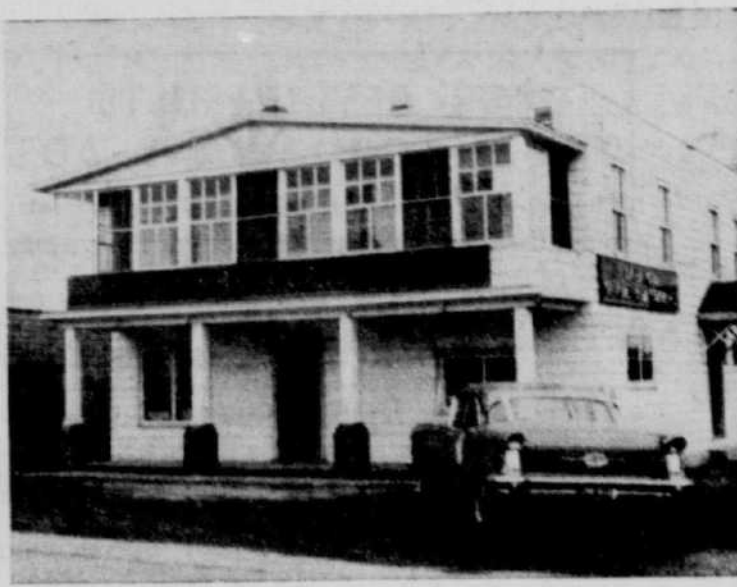

Mr. Russell testified that he wrote the letter as a union representative and not as an indication of his own personal observations or conclusions.

CPR Rail Revenues Exceed \$500 Million But Costs Up

MONTREAL — President N. R. Crump of Canadian Pacific Railway said Thursday in the company's 76th annual report that revenue from rail operations in 1956 exceeded for the first time the \$500,000,000 mark but increased operating costs kept the return on railway net investment to "only 3.15 per cent."

While a portion of the general freight increase of 15 per cent sought in 1956 was granted by the Board of Transport Commissioners, "the total addition to railway revenue from freight rate increases was \$12,000,000, an amount not sufficient to offset the impact of higher wage rates and material prices, which added \$16,200,000 to operating expenses."

The board granted an interim increase of seven per cent, effective last July 3, and after later hearings a further four-per-cent interim increase effective Jan. 1, 1957, postponing judgment on the remainder sought.

Mr. Crump reviewed the previously issued financial statement which showed net income at \$55,617,988. After provision of dividends on preference stock, this was equal to \$3.76 a share of 13,949,169 shares of ordinary stock compared with \$3.28 on 13,878,173 shares the previous year.

PASSENGERS DOWN

Mr. Crump said passenger traffic volume was down slightly due to unfavorable summer weather in eastern Canada and decreased military traffic, but patronage of the transcontinental trains continued to show improvement.

While ton-miles freight volume increased 18 per cent, average revenue on the same basis was lower because of a 31-per-cent increase in movement of low-rated grain.

Higher maintenance charges accounted for almost half the increase in total railway expenses.

Proportion of total transportation work by diesel power in the year averaged 48 per cent in freight service, 72 per cent in passenger service and 68 per cent in yard service. A total of 113 new diesel units were acquired at a cost of \$25,000,000, bringing to 668 the number in the fleet.

service at the year end. For the coming year \$32,238,323 has been appropriated for purchase of an additional 157 units.

Mr. Crump reported net earnings of steamships at \$3,800,000, an increase of \$3,100,000. Freight revenue from ocean steamships was substantially higher because of an increase in freight carryings, particularly grain and flour, and generally higher cargo rates. Volume of passenger traffic increased and there was also an increase in net earnings from coastal operations.

Senay shouted for help as soon as the bandit left and then telephoned the main branch in Magog which notified police. Roadblocks were thrown up on every road leading away from Eastman.

Police said that the occupants of the escape car saw the block on the road leading to the United States and tried to reach Magog, in the other direction, over a road on Mt. Orford. The road they took was a dead-end and barricaded. Police found that the car had smashed through the barrier and continued up the hill.

YOUTHS HELP

The car was finally spotted by two Magog youths, Denis Cusson and Alfred Benoit, who told police.

Three detectives, Rene Coupal, Rene Simard and Guy Charbonneau made the arrest shortly afterwards.

Neither the holdup weapon nor the money was found on the man when he was taken to the Magog police station and searched. According to police he denied having anything to do with the robbery.

However, police said Reindeau later told them he had thrown a weapon away, but could not remember where.

SCORES WATCH

At the Magog police station, scores of people watched outside.

Andre Senay was brought from Eastman, nine miles away. Police said he identified the suspect in the lineup.

Mrs. Lafond, Reindeau's sister, was brought in a few minutes later, a Provincial policeman carrying the baby. Money was found in the baby's clothing.

Police said Mrs. Lafond said she had tried to talk her brother out of the attempt. They had left Montreal ostensibly for a drive.

The car was leased to her husband for use as a taxi.

Two hours after the arrest, Reindeau, Mrs. Lafond and her baby were on the way to Montreal in police custody.

The hunt, a joint effort of Cowansville, Magog and Provincial police, was headed by Sgt. Det. Paul Prevost of Cowansville and Montreal Detective Charles Nadeau.

The money found in the baby's clothes amounted to about \$1,400.

SYMPATHY

In Cairo, expressions of sympathy continued to pour into the Canadian embassy.

In Japan, birthplace of the Canadian who went to his parents' homeland to embark on a distinguished diplomatic career, the big national daily Yomiuri, which is usually pro-American, termed the recent committee summons to Prof. Shigeto Tsuru, school friend of Norman as "insolence... that can develop into a major thorn in Japan-U.S. relations."

In Britain — and even Washington itself — similar reactions were registered. The Times of London refers in an editorial to "the terrible consequences of the committee's recklessness," and even State Secretary Dulles sent Pearson a message of regret and condolences.

Many Attend Open House At Rock Island

DERBY LINE — The 200 friends who attended the open house at the Racine and Cass Funeral Home were received by Harold Cass, Rudolph Racine and Mrs. Racine and Mr. Joseph Racine and were escorted through the newly remodeled and redecorated rooms.

Refreshments were served from a table arranged with a white linen cover centered with a bowl of spring flowers, the compliments of Lewis Insurance Co., with Mrs. Joseph Racine and Mrs. Cass presiding.

The Family room, Chapel, Slumber room and office were decorated with baskets and bowls of lovely spring flowers and gladioli, the compliments of Caswell's and O'Rourke's Company. Converse Funeral Home, Mr. and Mrs. Hector Gilbert, Newport; Mr. and Mrs. James Harper, Newport; Northern Eastern Casket Co., W. Taylor, agent; Farant's Greenhouse, Newport; Spates Greenhouse, Newport.

Friends came from Montpelier, Newport, West Charleston and vicinity in Vermont, Colebrook, N.H., Ayer's Cliff, Lennoxville, Sherbrooke, and the Three Villages.

A few months ago, Racine and Cass purchased the property of the late Mr. and Mrs. Harry Rickard on Derby Line's Main street to renovate into a Funeral Home.

Rudolph Racine is a graduate of the Boston school of Embalming of Boston, Mass., upon graduation he entered the employ of Converse Funeral Home where he received considerable experience. Harold Cass has been in the Funeral Home in Rock Island for the past 25 years, and both are known for their courtesy and efficiency in the time of sorrow, and their dependability in times of illness through the ambulance service.

Mr. Racine is married and has three children, a daughter and two sons. Mrs. Racine, a former stenographer, plans to be the bookkeeper.

CANTERBURY —

At the successful supper sponsored by Christ's Church Ladies' Guild, little Miss Judy McKee drew the winning ticket on a quilt, which was won by Mrs. F. G. Bennett.

Mr. N. G. Bennett was in Toronto, where he attended the annual meeting of the Wool Growers Association.

Miss Edith Goodin and Anne McLeod, of Sherbrooke, spent the week-end at their respective homes.

Mrs. Hazel Stevenson, who has been the guest of her parents, Mr. and Mrs. Russell Rudd, has returned to her home in Beebe.

In The Women's Sphere

Social And Personal Notes

Mr. and Mrs. Paul Fortin with their children, Charlotte, Andre and Carol, are guests of Mrs. Fortin's parents, Mr. and Mrs. D. Pechie, Heneker St., en route to their home, in Sillery, following a holiday spent in Florida and Mexico.

Friends of Mrs. Walter H. Wood, Montreal St., will regret to know that she is a patient in the Sherbrooke Hospital.

Mr. and Mrs. Clifford K. Tate, of Toronto, are staying with Mr. and Mrs. R. C. Keeler, White St., while here to attend the interment of the former's mother, Mrs. J. A. Tate, which took place this afternoon, in Elmwood Cemetery.

Hon. J. S. Bourque, Minister of Lands and Forests and Hydraulic Resources and Mrs. Bourque, left yesterday from Dorval for a week's holiday at Charleston, South Carolina.

Mr. and Mrs. Harry Fraser, Mr. and Mrs. Andre St. Pierre, Mr. Jean Louis St. Pierre, Mrs. Lucien Fortier, Mr. Paul St. Pierre, Mr. Robert Graton, Mr. and Mrs. George Delrue, Mr. and Mrs. Luc Vaillant, Dr. and Mrs. Maurice Thibault and Mr. Leo Thibault, of Montreal were in town to attend the funeral of Mr. Raymond Thibault, Wednesday morning.

Mr. and Mrs. Wesley Billing, Wyatt Ave., spent the week-end with their son and daughter-in-law, Mr. and Mrs. Winston Billing, at Notre Dame de Grace.

Following the business meeting of the Lennoxville Past Noble Grand Club held on Tuesday, at Elmwood Manor, the winners of bridge prizes, for the month, were announced.

Mrs. M. Bown won the first prize; Mrs. M. Lane, second and Mrs. C. Waite, third. The door prize was won by Mrs. Lane and the floating prize by Mrs. E. Warnes.

Mrs. Charlotte McGill, of St. Johnsbury, Vt., who spent a week with Mr. and Mrs. E. McGee, Reed St., Lennoxville, has left to visit Mr. and Mrs. Rufus Patterson, of Richmond.

Mrs. W. H. H. Crump, of Calgary, Alta., arrived yesterday to spend two weeks with her sister, Mrs. Gilmore Graham, and Mr. Graham, Victoria St. She will be joined there by her daughter, Miss Margaret Ann Crump, who is attending Chamberlain College, at Boston, Mass., and will be the guest of her uncle and aunt for her mid-term holidays.

Mrs. Grace Macdonald has returned to Granby, after having visited friends during the week-end.

Mrs. Carl Huxtable, of Toronto, who has arrived to be present at the interment of her mother, Mrs. J. A. Tate, in Elmwood Cemetery, is the guest of Misses Kate and Leslie Fales, London St.

Mr. F. E. S. Shelley, Queen Blvd., No., left this morning for Montreal, where he will attend an army reunion of the 48th Training Centre, taking place today in the 6th Hussars Armoury.

Capt. and Mrs. W. H. R. Bradley have returned from a week's visit with Mrs. Olive Bradley, of Ormstown, and Mrs. R. L. MacIver, of Lachine. Mrs. MacIver is leaving tomorrow for Winnipeg, Man., to attend the marriage of her son, Mr. Wayne MacAulay, to Miss Catherine MacNaughton, taking place on Thursday, April 11.

Mrs. Frank Lafferty and Mrs. Jean Cartier have returned to Montreal, after having visited the former's aunt, Miss Lora St. Laurent, a patient in the Hotel Dieu Hospital.

Mr. and Mrs. James Donaldson and daughter, Ann, of Town of Mount Royal, were recent guests of Mr. Donaldson's parents, Mr. and Mrs. D. Pechie, Heneker St.

Friends of Rev. Father Pierre Labrecque, Pastor of St. Louis de France Church of East Angus, will regret to learn that he is a patient in the St. Vincent de Paul Hospital.

Mrs. Donald Howard and Mrs. Beatrice Bishop entertained at tea at Rockcliffe, Wednesday afternoon. A large bouquet of pink snapdragons and bronze and yellow chrysanthemums embellished the living room for the occasion.

A centre-piece of pink carnations in an aqua pottery bowl with pink tapers in pottery candlesticks highlighted the dining table and knob glass accessories in matching blue, lent a finish to the setting.

The pouters were, Mrs. J. G. Armitage, Mrs. P. M. Robins, Mrs. H. S. Armstrong and Mrs. Guy Marston.

Assisting in serving, were, Mrs. Neil Dinning, Mrs. J. A. MacLeod, Mrs. E. A. Cooper, Mrs. K. L. Halpenny, Mrs. Ross Hunting, Mrs. Don Watson, Mrs. Russ Neville, Mrs. Walter Laflamme, Mrs. H. R. Vine, Mrs. L. T. Keeler, and Mrs. R. A. Badger.

Mrs. J. H. Gilbert, wife of Lieut. J. H. Gilbert, Governor of District 28 of Optimist Clubs entertained informally at tea at her home on St. Francis St., Lennoxville, Saturday afternoon for the wives

MISS MURIEL JEAN LOKE, of Montreal, eldest daughter of Mr. and Mrs. S. W. Loke of Way's Mills, Que., and MR. JAMES CLAUDE SCRINGER, R.C.A.F. Station, Lachine, son of Mr. and Mrs. Thomas C. Scrimger of Sherbrooke, whose engagement has been announced by the former's parents. The wedding has been arranged to take place at the Way's Mills United Church on Saturday, May 4.

Marriage

BLANCHETTE — LUSSIER
KINGSBURY, Que. — The marriage of Miss Madeleine Lussier, daughter of Mr. and Mrs. Adrie Lussier, to Mr. Paul Blanchette, son of Mr. and Mrs. Roderick Blanchette of Roxton, took place in the Church of St. Malachie on Saturday morning, March 30, at half past nine o'clock, Rev. Father Leveille officiating.

Mrs. Reginald Stevens played the wedding marches and Mrs. A. Croteau accompanied the soloists. Mrs. Renie Bolduc, of Greenlay and her sister, Miss Jocelyne Cadorette, who sang Ave Maria as a duet, assisted by the choir.

This was the first wedding to take place in this church for 20 years.

A reception was held at the Warden Hotel for over 70 guests.

MANNERS MAKE FRIENDS

If you are invited to an adult party don't take a child along, unless the child is specifically invited. The guest who arrives with a child and the explanation that "It's just so hard to get a sitter" is taking advantage of her hostess' hospitality.

If you can't avoid taking an uninvited child, better telephone your hostess to say you won't be able to go to the party.

of district presidents and governors, in honor of Mrs. Leese Busard, of Frederic, Md., wife of the president of Optimist International, who is accompanying her husband on his tour of clubs. Mrs. Norbert Keenan poured at the coffee table, in the living room, where African violets were used to decorate.

Mrs. George Garand assisted the hostess in serving. The guests included the wives of past, present and future presidents of all clubs in District 28, and of presidents of the Montreal Clubs, Mrs. Hugh Crochere, Mrs. John Aylen and Mrs. Maxie Wicks.

BRAN MUFFINS

Folks! Here are muffins to really butter up to. The old-fashioned kind, with wonderful All-Bran flavor. Make 'em tonight!

- 1 cup Kellogg's All-Bran
- 1/2 cup milk
- 1 egg
- 1/4 cup soft shortening
- 1 cup sifted flour
- 2 1/2 teaspoons baking powder
- 1/2 teaspoon salt
- 1/4 cup sugar

- Combine All-Bran and milk. Let stand until most of moisture is taken up. Add egg and shortening; beat well.
- Sift together flour, baking powder, salt and sugar. Add to the first mixture, stirring only until combined. Fill greased muffin pan 3/4 full.
- Bake in moderately hot oven (400°F.) about 30 minutes.

Yield: 9 muffins.

Feet Will Suffer Terribly But Glamor Marches On

For seven years a shoe manufacturer has been trying to get people to be kinder to their feet.

I doubt that he has made much headway with women or even will, so long as men prefer a neatly turned ankle above a high, slender heel, to the happy look of a woman whose feet aren't killing her.

I don't think a comfortable shoe has ever been designed that has even a smidgen of sex appeal. So the only choice a woman has is to teeter along in little scraps of leather attached to spikes, miserable but proud, or to turn up her nose at fancy shoes and settle for a pair of boots that show she is no longer interested in men.

WORTH THE PAIN

That's no choice at all. Breathes there a woman under 60 with soul so dead she is more interested in comfort than in the trappings of femininity?

Those high heels may be so tiring that a shopping expedition leaves us exhausted. The highlight of an evening of dancing can be the moment we get home where we can kick our high-heeled sandals off and wiggle our toes. But so long as they make us feel glamorous, we'll go on wearing them.

True, a really sensible woman ought to buy her shoes with nothing in mind but comfort — and a few sensible women do.

But "sensible" isn't a word that appeals to most women. Who wants to be known as a "sensible woman" — if there is any way of being known by a more glamorous term?

Canada To Be Well Represented At International Nurses' Congress

Canada's delegation to the 11th International Council of Nurses' Congress in Rome, May 27 to June 1, will be the fourth largest of 60 participating nations. Close to 250 delegates representing 43,355 members of the Canadian Nurses' Association will travel to the Congress by sea and air to join 3,000 nurses from around the world. Miss Clara Aitkenhead, Director of Nursing of the Sherbrooke Hospital, will be among the delegates. A Canadian nurse will speak at one of the principal sessions

being held during the Congress. Miss Helen Carpenter, Assistant Professor, School of Nursing, University of Toronto, will team up with speakers from Sweden and Italy to discuss "Responsibility for the Education of Nurses." Miss Carpenter is 2nd vice-president of the CNA.

Canada's full allotment of 250 places at the Congress has been taken up by CNA members. The delegation will be led by CNA President, Miss Tenna Hunter, Vancouver, and Miss Pearl Stiver, Ottawa, General Secretary.

Canada is the fourth largest professional nurses' association in the I. C. N. whose combined individual membership now totals approximately 450,000. Only one national association in each country may become a member of the I. C. N.

Oldest international association of professional women, the I. C. N. was founded in 1899. Its aim is to maintain the highest standards of nursing education, nursing service and professional ethics. At present, 37 national associations, including Canada, have full membership in the I. C. N., while a further 19 countries have associate member status.

Together with its educational division, the Florence Nightingale International Foundation, the I. C. N. acts as an international clearing house of information on nursing and nursing education from all parts of the world. The CNA joined the International Council in 1909.

HATLESS CHURCHGOERS

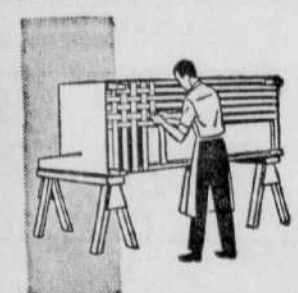

ENFIELD, England — The "prevailing fashion" for young women to go to church hatless is attacked by Rev. Gordon Gilling, vicar of St. George's church, in his parish magazine. Urging reverence, he says however old a scarf over the head will suffice.

Chuck Spieser And Tony Anthony Clash Tonight For Right To Meet Archie Moore; Spieser Is Favored

DETROIT — (P) — The slam-bang style of Chuck Spieser will be pitted against the quick-fisted counterpunches of Tony Anthony when the two light heavyweights battle tonight for the right to meet champion Archie Moore.

Spieser is a heavy favorite in the scheduled 12-rounder which will be televised nationally (NBC-TV, 11 p.m. AST) from Detroit's Olympia Stadium. It's Spieser's first "big" fight in his home town, and a victory would mean an opportunity to take on Moore in a June 7 battle in the same stadium.

But Anthony, who has 22 knockouts to his credit in his 29-4 record, is confident almost to the point of being cocky.

"Where do they get that business of 13-to-5 odds?" he asked the day before the bout. "Who did Spieser ever beat, anyway?"

Anthony, the quicker of the two and a capable puncher with either hand, feels he can elude the rock-hard body punches with which Spieser has been so successful.

Spieser, 27, and Anthony's teammate on the 1952 Olympic boxing team, is regarded as the No. 1 contender for Moore's crown. Anthony is third-ranked.

Saul Silberman Loses His Licence To Operate Tropical Park At Miami

MIAMI, Fla. —(AP)— Lifting of Saul Silberman's licence to operate Tropical Park startled the horse-race world but reaction set in swiftly.

Silberman's counsel said after the verdict was announced Thursday that the Florida State Racing Commission's decision would be appealed immediately to the State Supreme Court.

Silberman declined to comment on the ruling and quipped: "The track is now for sale for \$14,000,000."

There was quick action among possible purchasers — though none at such a figure—as soon as the news was out.

Donald C. Lillis, investment banker who is co-owner of the Bowie track in Maryland, said, "I want them to know I'm in the running."

Frank Hobbs, Tampa lawyer and a co-owner of Sunshine Park at Oldsmar, said he and associates were "keeping an eye on the Tropical situation."

Sam Schiller of Miami Beach, who last February offered \$4,300,000 for Silberman's track, also was viewed as a likely bidder.

Dressing Room Comments

MONTREAL — (P) — Rocket Richard, happy over his goal that gave Montreal Canadiens a 4-3 overtime win against New York Rangers Thursday night — and entry into the Stanley Cup final — was the most photographed player in the dressing room of the jubilant Canadiens.

The Rocket said a shot by his brother Henri struck him either in the stomach or side and dropped to the ice. Goalie Lorne Worsley of the Rangers went down fast but the Rocket, from a few feet out, "lifted it over him."

The goal was Richard's 66th in all his Stanley Cup play.

Coach Blake moved amongst his players, shaking each by the hand. "Now it's the next one, gang," he said of the coming meeting with Boston Bruins in the cup final. Blake said not only he but his players were a bit nervous after the Rangers had overcome a three-goal lead to tie the score in the third period. "We let down on the face-off when Parker MacDonald got their first goal," he said.

Blake said that just after the overtime started he heard some one in the crowd yell, "Come on Rocket, you get it."

"I seldom hear what is hollered by people in the crowd, but I heard that and then the Rocket shot the winning goal."

DETROIT PLAGUED BY INJURIES

LAKELAND, Fla. — (P) — Minor injuries continue to harass Detroit Tigers.

Outfielder Charley Maxwell was hit on the arm in batting practice Thursday. He'll be out of action a few days.

Third baseman Jim Finigan was hit by a batted ball in Thursday's game with St. Louis Cardinals and had to be yanked. His replacement — Reno Bertoia was hit on the arm by a pitched ball. It wasn't serious, however.

The annual "Bonne Entente Darts Tournament" is to be held at the Tuque Rouge Club tomorrow and will commence at 2:00 p.m. It will be a mixed doubles tournament.

The Jean Paul Perrault Trophy will again be presented to the winners. Many other prizes will be given and all are welcome to participate. The deadline will be midnight, tonight.

Chics Eliminate Royals 2-1

CHICOUTIMI, Que. — (P) — Chicoutimi Sagueniens shaded Montreal Royals 2-1 Thursday night on goals by Fern Perreault to enter the Quebec Hockey League final.

The Sagueniens, who ended the regular 1956-57 schedule in second place, eliminated the Royals 4-0 in the best-of-seven semi-final. They will meet the league-champion Quebec Aces at Quebec City Sunday in the first game of the best-of-seven final.

All the scoring Thursday came in the second period. Kelly Burnett gave Montreal the lead but Perreault squared the count. His second goal came less than a minute after his first.

Referee Len Corriveau called only two major penalties and three minors, all in the second frame.

Cleveland Edges Hershey 2-1

CLEVELAND. — (P) — Cleveland Barons mustered an invincible defence during the final 20 minutes Thursday night to squeeze out a 2-1 victory over Hershey Bears. The win gave the Barons a 3-2 edge in the best-of-seven American Hockey League semi-final.

All the scoring was in the second period. A crowd of 6,153 saw Hershey open the scoring at 9:59 when Dunc Fisher sank a 20-footer after accepting a pass from playing coach Frank Mathers.

The Barons' coach, centre Jack Gordon tied it up at 16:29 and Fred Glover scored the winning goal at 19:13.

The series continues at Hershey Saturday.

Irish Drop From Davis Cup Draw

DUBLIN, Ireland — (P) — Ireland withdrew from the 1957 Davis Cup tennis competition Thursday rather than play Hungary at Budapest.

The Irish Lawn Tennis Association said it was not prepared to send a team to Budapest in view of the "apparent state of unrest in Hungary." The Hungarians insisted the first round match be played in Budapest as scheduled.

Hungary now gets a bye and will play Belgium in the second round.

Tallies Clincher After 2:11 In Overtime; Beliveau Gets Two As Underdog Rangers Stage Fine Fight

MONTREAL — (CP) — Maurice (Rocket) Richard, the man who has scored more goals than anybody in hockey, catapulted Montreal Canadiens into the Stanley Cup final Thursday night with a typical Richard piece of artistry.

The Rocket electrified a wild, screaming crowd of 14,201 with a goal after two minutes and 11 seconds of sudden-death overtime to give Canadiens a 4-3 win over New York Rangers and end the semi-final series with dramatic suddenness.

Canadiens took the best-of-seven series 4-1 and will open the final here Saturday against Boston Bruins, conquerors of Detroit Red Wings.

Richard's goal climaxed more than 60 minutes of sensational play. The underdog Rangers, all but overwhelmed by three quick Montreal goals in the second period, struck back with startling viciousness in the third.

Two Montreal goals by Jean Beliveau and one by Floyd Curry were wiped out in the Ranger uprising by Parker MacDonald, Red Sullivan and Harry Howell.

The teams tore into each other at the start of the overtime, gambling on all or nothing, the Rangers lifted to renewed fury and Canadiens again poised and striking with everything.

Play swirled into the New York end. Henri (Pocket Rocket) Richard whipped a shot from a sharp angle. The puck struck big brother Maurice in the stomach and dropped near his skates, less than 10 feet from the Ranger goal crease.

The Rangers quickly learned the hard way it's poison for the Rocket and a loose puck to be close together. With the flair and flourish all his own, the 35-year-old veteran in a split second let fly with a backhand shot. The puck streaked past Gump Worsley, the game little New York goalie who time and again had come to the rescue of his mates.

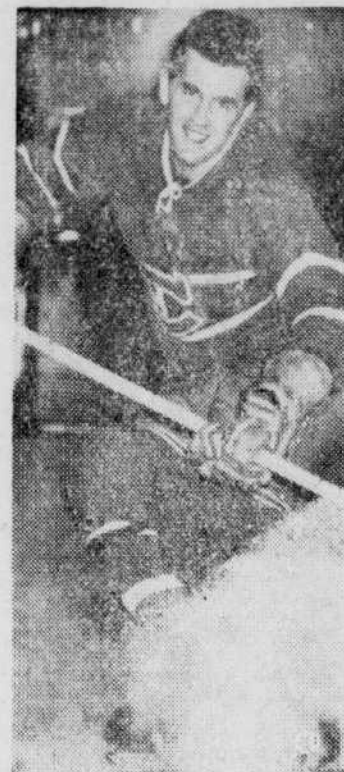

The goal meant Canadiens are in the cup final for the seventh straight season. They won last year against Detroit and in 1953 against Boston.

The goal was also Richard's 66th in 106 games of Stanley Cup competition, a series record he better every time he scores. In regular-season play of the National Hockey League the Rocket's total this season reached a

dizzy 493 for his 15 seasons of campaigning.

After the Rocket had broken up the game, coach Toe Blake told his players they can get ready "for the next one" against Boston.

Blake said he expects a tough series against the Bruins, but "our club is playing well now and we have a good chance of taking it."

Welshman Dai Dower Returns Home Following Upset At Hands Of Perez; Won't Fight Until After Army Duty

LONDON — (P) — Welshman Dai Dower arrived home Thursday from his disastrous trip to Argentina and kicked up a minor storm by declaring he did not intend to fight again until he finished 18 months of army service.

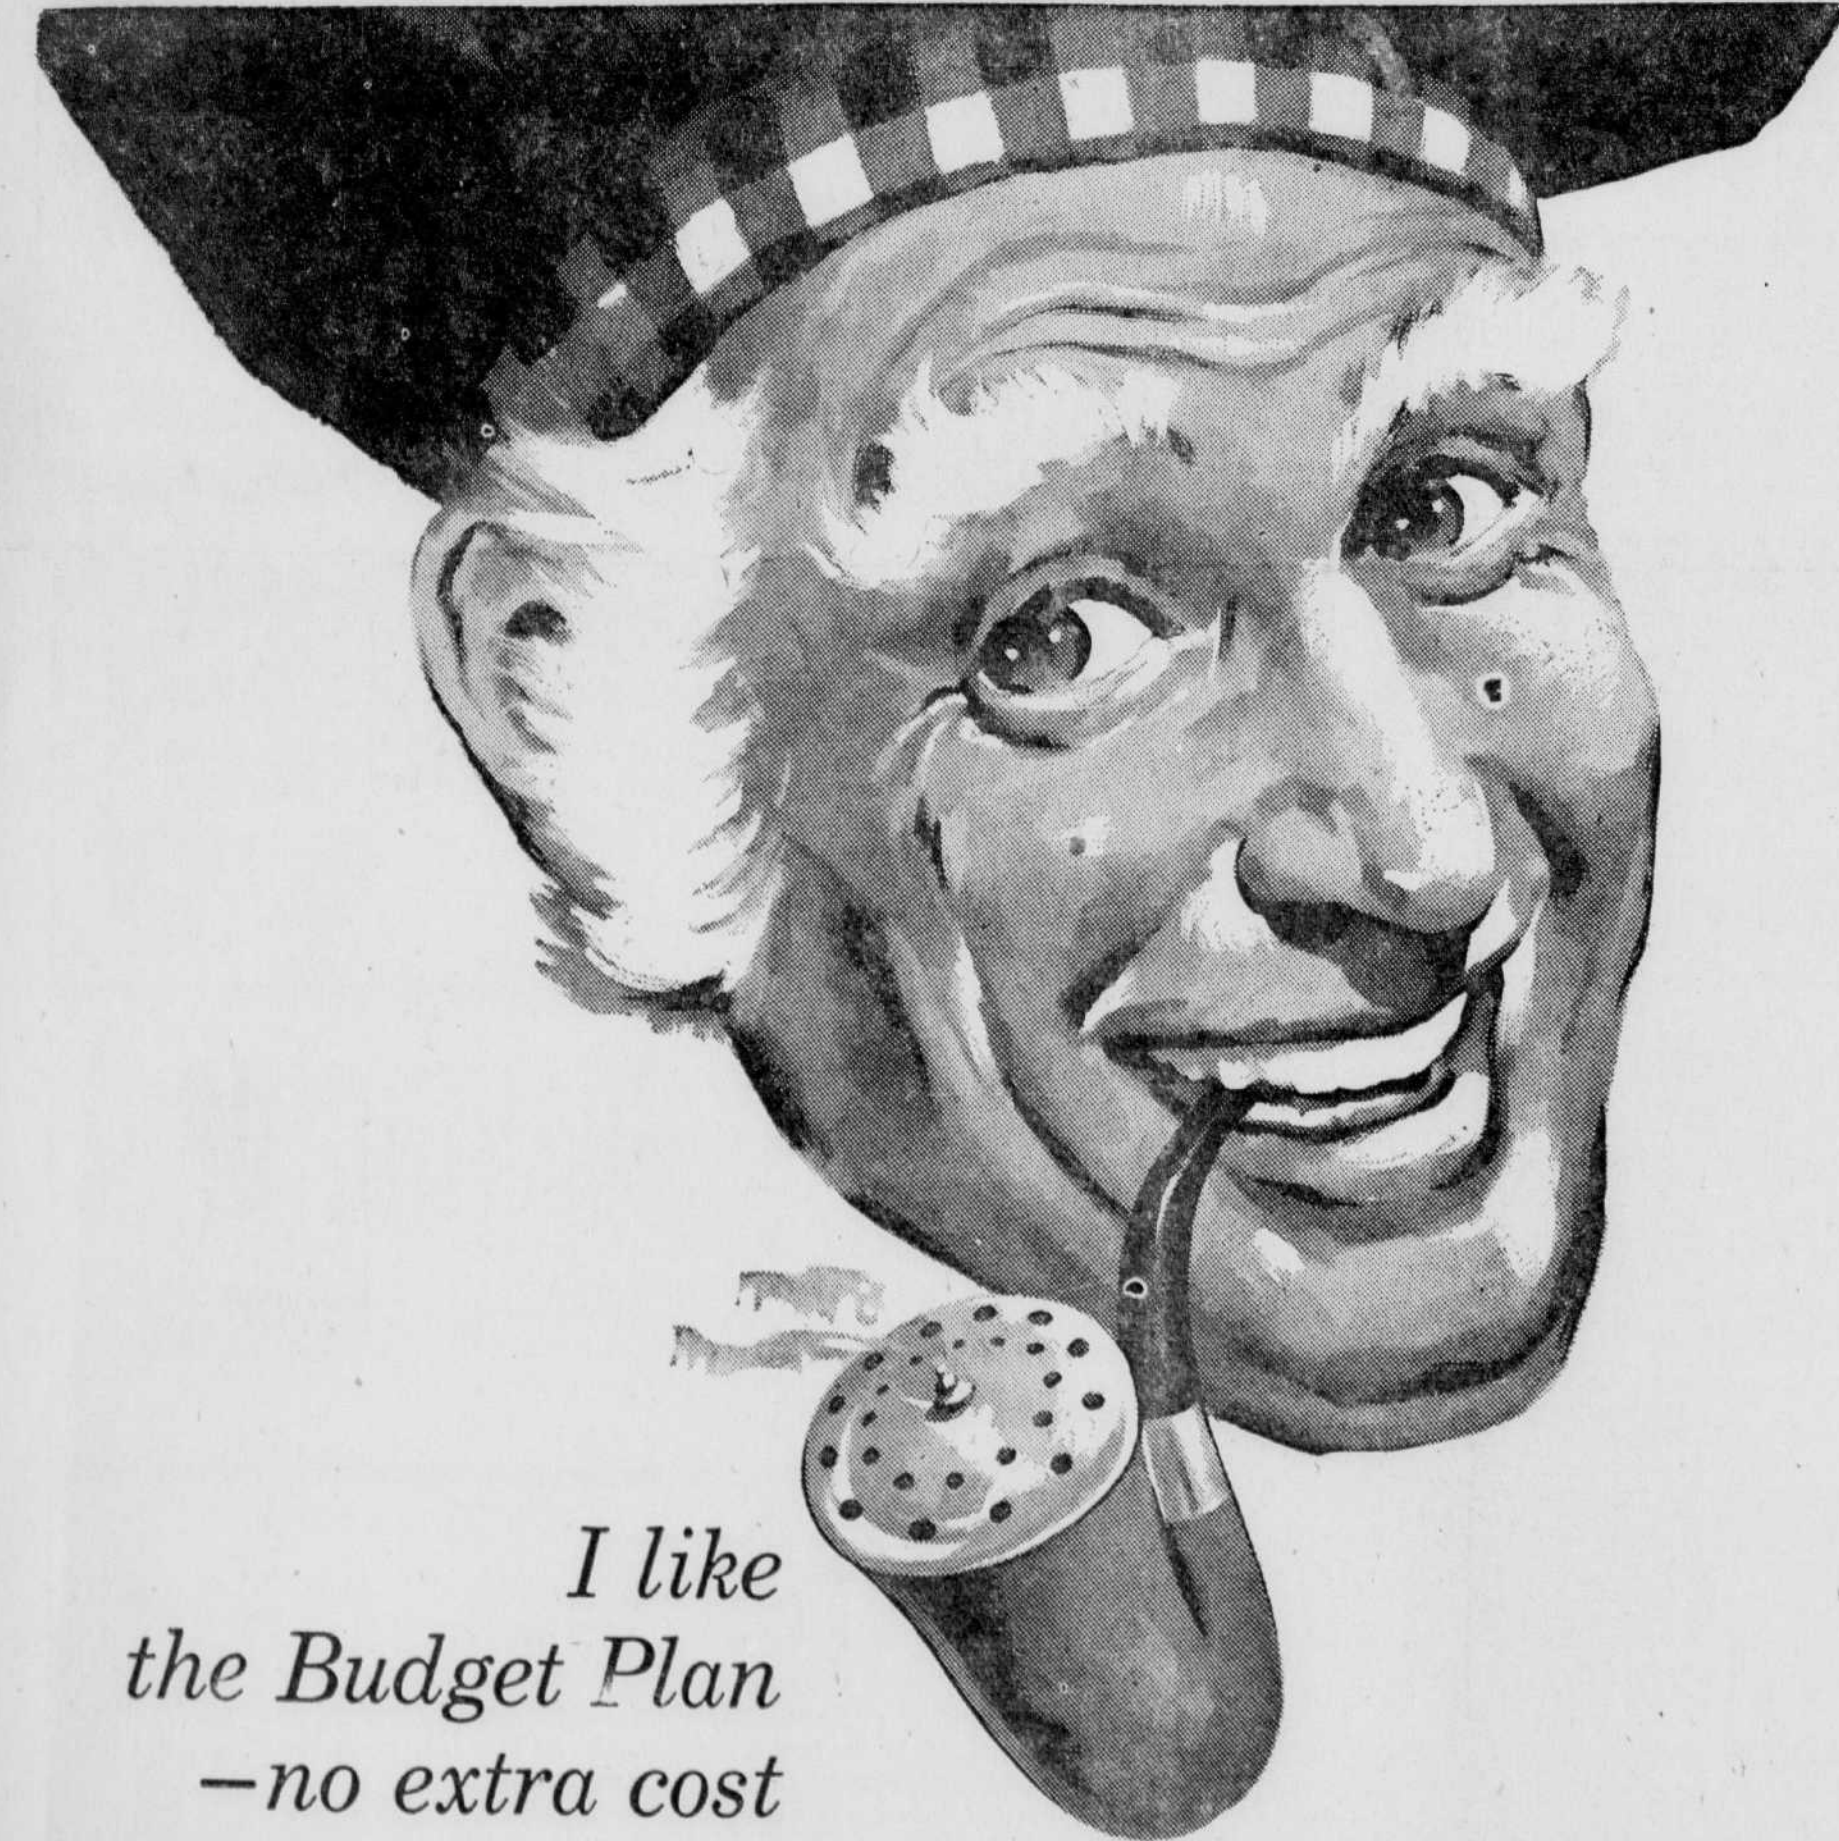

The tiny 23-year-old boxer, who was knocked out in the first round by Argentina's Pascual Perez in a world flyweight title bout March 30, said he would defend his British and British Empire 112-pound crowns when he was released from military duty.

Dower's manager, Nat Seller, asserted that his fighter had every right to "ice" the titles while in the army.

Battling Boston Bruins Come From Behind To Oust Detroit Red Wings

Bruins Edge Wings 4-3 To Win Series 4-1 With Great Display Of Fight And Spirit; Upset Experts With Fine Job

DETROIT — (AP) — Boston Bruins, picked by the "experts" last fall as the team least likely to succeed in the National Hockey League, headed for Montreal today to bid for their first Stanley Cup crown in 16 seasons.

They disposed of the NHL champion Detroit Red Wings 4-1 in the best-of-seven semi-final. The Bruins wrapped it up the hard way Thursday night, twice coming from behind for a 4-3 decision.

With the same spirited play that marked their decisive victories over Detroit during the regular season, the driving Bruins did everything the prognosticators said they couldn't do. Picked by the hockey writers and broadcasters to finish dead last in the six-team race, the Bruins wound up third despite numerous injuries. Then they blasted the club that was a 124-5 favorite when this series began.

The Bruins next meet Montreal Canadiens, defending cup champions, who eliminated New York Rangers in their semi-final Thursday night.

"We've fooled everyone but ourselves," said jubilant Milt Schmidt, who starred on Boston's last cup-winning team in 1941. "We felt all along we could do the job, no matter what the so-called experts thought. And picking one reason why we got this far, I'd have to pick that very thing: the fact that we felt we could win."

"They're real champions," he added. "We've had to come back all year, but that's the trademark of a champion. These kids never quit on me once, and they won't quit in Montreal either."

Doug Mohns, 23-year-old defenseman playing his fourth full season with the Bruins, assisted on the two goals that wiped out Detroit leads, then scored on a 60-foot screened shot midway through the final period to put Boston ahead for keeps. Cal Gardner followed with a 40-foot-five minutes later to send the Bruins ahead 4-2 and that was the insurance they needed as Metro Prystai scored for the Wings with two minutes remaining in the contest.

The Bruins had only 15 shots on goal, but sank four of them.

Legion Edges Trenholm To Win Richmond Darts Championship; To Meet Sherbrooke League Titlists

The Legion Darts Club, paced by Jim Leckie, won the championship of the Richmond Darts League when they downed Trenholm in the finals in the fourth game of the series.

Legion won the series 3-1 and retained the Roger Cameron Trophy, which they had won last year. The Richmond Darts Club held the trophy for two years when it was first put up back in 1954 and again in 1955. Legion had it in 1956 and retained it by edging the Trenholm Darts club 25-15 in the fourth game of the series.

Leckie and Cambelton won three rounds in the game with three other duos getting the same number of games. Three teams registered four-round wins. Harold Kydd with Bob Heale; Dalton, Leo Delaney; Maurice and Kay Barrie; Arnold Snowe and Howard Hills dropped four rounds.

Best for Ray Lampron's crew were Bert Lockwood with Fred Mastine and the Ken and Roy Reid duo. Five duos dropped four rounds with the Bill Brock-Jacques Gervais duo dropping three.

Legion's three-round winners were Omer Mallette and Maurice Davis; Eddie Knowles-Ted Nixon; Lorne Armstrong-Gordon Crack.

The champs led practically all the way in the game taking the first round 6-2. Tied the second 4-4 then edging Lampron 6-2 in both the third and fourth rounds. Trenholm came back in the fifth taking the set 5-3, but too late to make it worthwhile.

The Legion team, champions of the Richmond District Darts League, will compete in the round-robin playoffs against the champions of the SETDL. The first game is against RCME in Sherbrooke with the return game in the Legion Hall Saturday.

Winnipeg Signs College Star

WINNIPEG — Winnipeg Blue Bombers have signed their number one draft choice of the Canadian college draft, club officials announced today.

He is lineman Russ Thoman, 24, who played guard, tackle and linebacker with Queen's University.

The 220-pound native of Montreal started his football career in high school where he played English rugby. He attended McGill University for one year and played fullback in Canadian football. Transferring to Queen's he was moved into the line and played first-string tackle for three years.

A member of the 1956 Inter-collegiate championship team, he was named to the college all-stars.

Dressing Room Comments

DETROIT — (AP) — "Montreal will know they're in a world series, that's all I can say," beamed Boston Bruins coach Milt Schmidt.

His Cinderella hockey team had just swept the National Hockey League champion Detroit Red Wings, 4-3 to wind up their semi-final series. Boston advances to finals against the Canadiens Saturday night.

Schmidt feels his chances of upsetting the defending Stanley Cup champion Canadiens is "real good." Boston hasn't won the coveted cup since 1941 when Schmidt was a young member of the team.

"We were the underdogs when we started this series too," Schmidt said.

The Boston coach said he thought his team played about its best hockey of the season in the last period when the Bruins scored three goals to come from behind.

Wings general manager Jack Adams came into the winners' dressing room and put his arms around Schmidt and Boston general manager Lynn Patrick.

"Go all the way," he said. "They'll give Montreal a hell of a battle," Adams said. "This is Boston's year."

Stanley Cup Dates Are Released

MONTREAL — (AP) — Montreal Canadiens and Boston Bruins will open the best-of-seven Stanley Cup final in Montreal Saturday night. The second game will be played here Tuesday.

The opening date was announced by Canadiens management after Montreal had eliminated New York Rangers.

The National Hockey League has not officially announced the full schedule, but after the first two games here the series will move to Boston for the next two.

The first game in Boston Garden likely will be next Thursday and the second there on Sunday, since the Bruins prefer Sunday to Saturday dates at home.

The remainder of the best-of-seven series then will shift game by game, as necessary, with the fifth game in Montreal the following Tuesday. Subsequent playing dates, again alternating between the rinks, would be Thursday and Sunday. If the series goes the full seven games Canadiens would have the seventh game in Montreal.

Turrene Whips Jackson Brown

REVERE, Mass. — (AP) — Yvon Turrene of Montreal snapped the unbeaten string of Boston's Jackson Brown Thursday night with a smashing, two-fisted body attack which netted a unanimous eight-round decision.

Turrene weighed 155½, Brown 151½.
Brown, former U.S. national amateur titlist unbeaten in his first seven pro bouts, went down in the second round under Turrene's hammering body blows.

Robin Roberts Looks Fit After Blanking Yanks For Eight Innings; Dodgers Wallop Braves, Red Sox Lose

Robin Roberts, trim, fit and doing things with a curve, looks ready to get back into that old 20-victory "rut" again. No more of those piddling 19-victory seasons for Robin.

The big, control-conscious righthander, a basic reason for the Philadelphia Phillies being in or near the National League's first division for the last seven seasons, appears at ease again on the mound. No longer is there a sign of strain such as marked his unsuccessful bid for a seventh consecutive season of 20 or more victories last year.

Roberts, not as fast as before but changing speeds effectively on his curve, gave New York Yankees a look at the best pitching they've seen this spring Thursday. And it wasn't until Robin left, in favor of a pinch-hitter, that the world champions managed a 1-0 victory.

For eight innings, the 30-year-old Roberts permitted but one hit—a bunt single by Hank Bauer that opened the fourth. Robin faced only 26 batters, struck out three, walked none.

In the ninth, Yankee rookie Woody Held tripled off rookie righthander Dick Farrell, and Gil McDougald followed with a sacrifice fly that brought home the winning run.

McDougald had junked the Phils' bid in the ninth, stabbing a "sure" RBI hit to centre by Ted Kazanski that got reliever Bobby Shantz out of the inning. Shantz had relieved Whitey Ford, who gave five hits, walked three but struck out six in seven innings—his first work since March 23 because of a "tender" arm. Ford has allowed only one run in 21 innings for an 0.43 earned run average.

Elsewhere, Brooklyn battered Milwaukee 14-8; Chicago White Sox nipped Boston Red Sox 6-5 in 11 innings; St. Louis Cardinals defeated Detroit 5-4; Pittsburgh beat Kansas City 4-3; Cincinnati

Jackie Burke Jr. Fires Sub-par 71 To Take Lead In Masters Tournament; Al Balding Leads Canadians With 73

AUGUSTA, Ga. — (AP) — Jackie Burke Jr. is a steely-eyed Texan who laughs at the jinx that Masters champions never repeat.

"I don't let that stuff bother me," the boyish-looking 34-year-old Houston professional said after shooting the only sub-par round—a 71—of the 101 fairway stars who took a crack at the Augusta national course Thursday.

The score was the highest ever to lead the Masters event on opening day.

Today Burke tries to defend his slender lead—one stroke over five players, two strokes over eight others and only three ahead of another cluster of 13.

The leading Canadians were Al Balding of Toronto, two behind the leader at 73; Stan Leonard of Lachute, Que., at 75; Moe Norman of Kitchener, Ont., and amateur Gerry Magee of Toronto at 77.

Closest on Burke's heels going into the second day's play were two young Australians, British Open champion Peter Thomson and Bruce Crampton; Jimmy Demaret of Kiamasha Lake, N.Y., and Sam Snead of White Sulphur Springs, W. Va., each seeking his fourth Masters title; and the old workhorse of the pro tour,

Calcium Found In Erskine, Spooner Arms

BROOKLYN. — (AP) — Pitchers Carl Erskine and Karl Spooner of Brooklyn Dodgers Thursday learned the reason for their arm troubles this spring. They were blamed on calcium deposits—a condition which can be cured.

Both Erskine, the righthanded veteran who fashioned his second major league no-hitter last season, and Spooner, a 1954 rookie sensation who never has followed through, left the Dodgers' spring training routine Monday for a Brooklyn hospital.

Erskine, 30, with a 13-11 record last season, said the check-up "discovered the calcium high in the back of my shoulder, not where it hurts, but just above it. They're quite sure the pain and the calcium are related."

Spooner, 25, a lefthander, said he has "calcium deposits in my left shoulder socket."

Goalie Don Simmons, Buddy Boone And Cal Gardner Were The Key Men, Says Coach Milt Schmidt Following Win

By GERRY GREEN

DETROIT (AP) — A couple of players who were obscure minor-leaguers when the season began, plus a veteran who was supposedly "washed up," supplied the impetus that sent Boston Bruins to Montreal today and the finals of the Stanley Cup hockey series.

It was goalie Don Simmons and forward Buddy Boone, up from Springfield of the American League, and forward Cal Gardner, in his 12th National League season, who were mentioned most by Coach Milt Schmidt and their team-mates.

The Bruins had just filed into the dressing room Thursday night at Detroit's Olympia, having defeated Detroit Red Wings 4-3 to take the best-of-seven semi-final 4-1.

"How about that Buddy Boone, scoring his first goal in the big time," yelled Schmidt over the din.

The Bruins bought Boone, a former Red Wing farmhand, just before the playoffs began. He had

scored 24 goals for Springfield. Boone, his round face wearing a broad grin, sat in a corner of the boisterous room and accepted the praise of his new mates.

"It was the biggest thrill I've ever had," he kept saying over and over.

Across the way, Simmons, the "man who made them forget Terry Sawchuk," slowly shed his goalie pads. General manager Lynn Patrick walked over and put his arm around the goaltender.

"You were great all along," Patrick said.

Schmidt had difficulty quieting his cheering team to give them instructions about today's trip to Montreal.

"That win was worth 1,000 bucks to each of you," he said. "Now let's show Montreal they're in a real world series."
