ELDERLY PEOPLE'S CLUB

At the regular weekly meeting of the Elderly People's Club held last Thursday, an election of officers took place and the following were elected for the balance of the current season. Mrs. Wilkinson, president; Mrs. McGaw, vice-president and Miss Cameron, treasurer.

By majority vote it was decided to name the group — The Unity Social Club.

The Unity Social Club is co-sponsored by the Women's Voluntary Services and the Unity Boys' Club.

A special highlight of last week's meeting was the presence of the Hon. Countess of Minto.

New Group Club Formed

A Junior Teen-age Group Club was formed by Ruby Squires, Donald Laviolette, Marilyn Bulmer, Douglas Rowland and Kenneth Armour. At the initial meeting it was decided to have a nucleus of six boys and six girls. At the second meeting an additional seven boys and girls were added by a special vote. At this meeting an election of officers took place with the following slate elected to the Executive Committee: Douglas Rowland, president; Dorothy Laviolette, secretary; Marilyn Bulmer, treasurer.

After a general discussion, it was decided to name the Club "The Friendship Club", and that they would meet twice-weekly, one meeting for programming and the other for social activities. Dancing and cooking classes were suggested as future activities. A suggestion to secure a Club crest was tabled until the next meeting which will be held on Monday at 4 p.m.

Short Items

A Shell Craft class will meet regularly every Thursday evening at 7 p.m. New members for this class are urged to register as soon as possible. The name of the Band which will supply the music at the Carnival Dance on Friday, April 6th, is: "The Three Beats". Although the Knitting and Scrap Book Clubs continue to function despite the absence of Mrs. Anderson and Mrs. Morrison, members of both groups wish to extend best wishes for a speedy recovery for both ladies who contribute such valuable service to the Club.

Plans are nearly complete for Boys' Week to be held April 3rd to April 7th. A series of special events will take place. Parents are invited to attend the "Open House" on Wednesday, April 4th. Other attractions include the

Michael F. Larratt In Singing Group At Easter Service

Michael F. Larratt, son of Mr. and Mrs. Arthur E. Larratt, of 502 Grosvenor Ave., is to sing at Radio City Music Hall, New York City, in the United Easter-Dawn Service to be held there Sunday.

Mr. Larratt is now a student at Brown University, Providence, Rhode Island.

The Brown University and Pembroke College choirs will provide the music for the hour-long service starting at 7 a.m. and broadcast over the NBC coast-to-coast radio network.

Dr. Ralph W. Sockman, pastor of Christ Church, New York City, will give the sermon.

Under the direction of Prof. William Dinneen the Brown and Pembroke choirs numbering 100 students, will sing seven selections including the Hallelujah Chorus from Handel's "Messiah", Garden Hymn for Easter (American Folk), Christians to the Paschal Victim (Williams) and Now Sing Your Songs of Easter (Bernais Carol).

The Radio City appearance is sponsored by the Protestant Council of the City of New York. Ashley Miller, organist of Radio City Music Hall, will accompany the choristers.

The choirs will also appear Saturday (March 31) at 8.30 p.m. over CBS television on the program "Stage Show" featuring the Dorsey Brothers. On television they expect to sing the Hallelujah chorus from Handel's "Messiah", and another short selection.

Penny Carnival on the 5th, and the Carnival Dance on the 6th. . . . As a fitting climax to a big week, eighty Unity members will visit Ottawa on Saturday, April 7th — the group will be guests of the new Ottawa Boys' Club.

Cricket Club Plans Meeting On April 3

Cricket enthusiasts are beginning to make plans for the coming season and the Wanderers Club has scheduled its annual meeting for Tuesday, April 3, in the library of Lower Canada College. It will get underway at 8.15 p.m.

Any players unable to attend the meeting should contact Mike Wolstencroft at HU 9-1075 or Keith Tissshaw, ME 1-6697 as soon as possible.

Easter Story Graphically Told By Rev. MacKay To Rotarians

"Our life is our one chance and we can do two things with it. We can save it, spare it and live for ourselves and we will abide alone or we can do as the farmer did with his seed — lose it — give it into God's hands and reap a harvest."

Speaking on the Easter theme before the Westmount Rotary luncheon this week, Rev. Clifton MacKay, minister of Knox Crescent and Kensington Church, drew a parallel between leading a true Christian life and the quotation "Except a grain of wheat falleth into the ground and die, it abideth alone, but if it die, it bringeth forth much fruit."

Emphasizing the necessity of "dying" first, Dr. MacKay said it is a process that may not be popular but it is the only way "to a harvest."

"Jesus put the cross at the centre and by some unerring instinct of the spirit, the Christian has kept the cross as its abiding symbol — the atoning, redeeming process. It is all tied up with the law of the seed — the principle of sacrifice, the giving of life to get life."

A great sorrow of life, he said, is the sight of people not "losing" their seed. It is the heartbreak of parents to watch their children waste a heritage and the heartbreak also of the preacher who sees the Christian neglect his chance and prepare to meet "the Lord of the harvest, with nothing in his hands but an unplanted seed, clutched tightly and lost."

"In this world," said Dr. MacKay "the selfish man is the

shrinking man. His world grows smaller and smaller until he abides alone. Why are we afraid to let ourselves love . . . widen our circle? Here is the chance God is putting into our hands to help shape the world.

"We in Canada have that chance now and we cannot help our nation . . . without the infusion of the Christian spirit. A Godless democracy will be no better than Godless communism."

"There is enough hate in the world, enough racial misunderstanding and animosity, enough pettiness and selfishness without our adding to it. The world needs people with bigness in their

REV. DR. J. A. JOHNSON'S RETIREMENT after 23 years as their pastor was marked recently by friends and members of Westmount Baptist Church at a farewell reception. Dr. Johnson was presented with a gift of money by Douglas Morrell,

right, chairman of the board of trustees, on behalf of the congregation. At left is reception chairman, Albert E. Smith, and Mrs. Johnson.

Flower Show Opened Officially Yesterday

The flower show at the Westmount Greenhouse was officially opened at 5 p.m., yesterday. G. Cooper, Westmount's superintendant of parks said that the show is up to its usual standard quality.

The show is opened to the public from 10 a.m. to 10 p.m., daily and on Sunday from 10 a.m. to 6 p.m.

Westmount Baptist Church Honors Retiring Minister

A farewell reception was held Sunday night honoring the retirement of Rev. Dr. John Alexander Johnston who has been minister of the Westmount Baptist Church for 23 years. Members of his congregation expressed their gratitude for his pastorate.

George Adam, chairman of the deacon's board, bestowed on him the title of minister emeritus. Dr. Johnston was presented with a money gift for an extended trip to the west coast by G. Douglas Morrell, chairman of trustees, on behalf of the congregation.

Greetings from their respective groups were carried by Rev. Walter Spence, past-president of the Westmount Ministerial Association; Rev. Ernest Vincent, president of the Montreal Ministerial Association; Rev. Stanley S. Stock of the Madison Baptist Church, and others. A. E. Smith presided.

A native of Dunblane, Perthshire, Scotland, Dr. Johnston was reared at Stirling within the shadow of the ancient castle there, and received part of his education in the old country.

Soon after he graduated from the Moody Bible Institute in Chicago, he enlisted in the army and served overseas with the 2nd Canadian Field Ambulance, winning the Military Medal. In the Second World War he organized the Baptist Chaplain Service.

After the First World War he studied theology at McMaster University.

His first pastorate was at the Talbot Street Church in London, Ont., and he later went to Calvary Church in Toronto. Once at Westmount he declined many invitations from other leading churches, preferring to remain in Montreal.

The people here were so kind and co-operative that there was never a ripple to disturb things," he commented last night.

In the Baptist Church he has held many offices and was president of the Ontario-Quebec Convention in 1941-42. During his ministry here seven members of the Church left to serve in various foreign mission fields, including Ethiopia, India, Bolivia and Hawaii. He is also a member of the evangelistic committee of the Baptist World Alliance.

When he arrived at Westmount Baptist he found the church sadly in debt. This has been liquidated and the church has given more than \$200,000 for missions and benevolent work. He described these as the "lovely things that have happened during our union."

He recalled the church was built in 1925. Rt. Hon. Lloyd George former Prime Minister of Great Britain, turned the first sod in 1925 and Hon. Albert Matthews, of Toronto, later lieutenant-governor of Ontario, laid the foundation stone. The steel and concrete fireproof building was designed by Architect Sydney Comber.

Easter I

By Rev. Canon R. K. Naylor
Rector, Trinity Memorial Church

The great drama of history rises to its climax in the events of this week. Never was there an event which made so little impression on its contemporary world, and at the same time has so deeply affected the world that was to follow. Never was there so great a reversal of values as took place from Palm Sunday to Good Friday and from Good Friday to Easter Day. On the first day of that week the crowd of Galilean pilgrims brought the Prophet of Nazareth — the Son of David — in triumph into Jerusalem. Their shouts of acceptance meant that they regarded Him not only as Prophet, but as Messiah, and if Messiah then the King of Israel — the heir of David. It was Kingship and something more — the fulfilment of many an ancient promise. And we cannot forget that there was the hidden reality and power to make those shouts come true.

Jesus, however, would not allow them to come true. He knew what was in man, and he was quite aware of the kind of king-

dom those pilgrims had set their hearts upon. There was in them a love for Him — an awe in His Presence — but still more there was a hatred of their enemies, the Romans, and a desire for earthly power on their part. He knew that the Kingdom of God which He came to establish could not be built on that kind of

foundation, for His Kingdom was not of this world. That would have had to be fought for, and He would not have His servants fight for Him. So He checked the movement to the great disappointment of His followers, and to their puzzlement as well. From there on He played into the hands of His enemies. He gave bitter offence to the authorities in the criticism implied in His cleansing of the Temple. He carried the war into their camp by His deliberate criticisms of their policy and of their rejection of Him. This was expressed in His parables, which they knew to be directed against themselves. At the same time He did nothing to protect Himself against them.

After the great controversies of the Tuesday of that week Jesus withdrew to Bethany and

Easter Greetings

Easter is the time of beginning and of hope. How many of us eagerly watch for the first spring thaw; the first crow or robin; the first tiny snowdrop to push its way out from under the snow; and in the country for the tiny wobbly lambs and young life to make its debut?

It is assuredly true to say that the greatest event that ever occurred in the history of the world was the resurrection of Christ Jesus from the dead on the first Easter morning of the Christian era.

At this season of the year Christians the world over commemorate this resurrection. Its importance lies in the fact that not only one individual overcame death, but that the way of salvation was opened for all who will accept the Master's teachings.

Easter means to us eternal hope and the promise of a new life.

N.C.W. President Issues Special Message Re Visit of Russians

The President of the National Council of Women of Canada, Mrs. A. Turner Bone, has issued a message to all Local Council Presidents with the request that it be read to members at a general meeting.

Following is the text of Mrs. Turner Bone's message:

"Apropos the visit of the six Russian women to Canada in May, your Council may quite likely be asked to show them some hospitality in the form of a welcome. Much as we would like to do this, we are bound to consider the effects of infiltration of communist organizations into the Council. These women are not coming on the invitation of the Government of Canada or any of our nationally federated organizations, but under the

sponsorship of the Canadian Congress of Women. The Canadian Congress of Women has no connection whatsoever with the International Council of Women but has a parent body with headquarters in East Berlin.

"Any association or affiliation in any degree can be adversely interpreted and can result in unfavourable publicity for the National Council of Women of Canada."

How can YOU benefit from having a Current Account?

You'll find it much easier to keep an accurate record of your current expenses when you have a Current Account.

When you pay all bills by cheque on your Current Account, you receive back, at the end of each month, all your cancelled cheques as well as a bank statement showing every withdrawal and every deposit you have made. The cancelled cheques serve as receipts—and are accepted in court as evidence of payment of the amount shown. Furthermore, they are much easier to file away than receipts and take less room to store. With them and your bank statements, you'll find it far easier to get an exact picture of how you spend your money.

So it's a good move to use a Current Account for paying all current bills—and keep your Savings Account for actual savings.

Tricycles, Piano Needed To Help Convalescents

The Julius Richardson Convalescent Hospital needs tricycles, a piano and an electric record player for its child therapy program.

Spring seems to be the time when one gets the urge to dispose of unused articles around the house. This year, if you are disposing of any of these three things, will you think of the Julius Richardson Convalescent Hospital?

Tricycles are needed for therapy. When small feet are strapped onto the pedals with specially applied blocks and the patients can go whizzing up and down the corridors as fast as their crippled legs can move them, then the therapy is fun!

If you will call the Hospital at WALnut 0641 these articles will be called for and the children most grateful.

Westmount Woman Wins Prize For Cake Recipe

Mrs. John Olsen, 231 Kensington avenue, was awarded first prize and a cheque for \$50 for a taste-tempting cake recipe called "Bachelor Bait" printed in the Sunday Mirror newspaper for the month of March. The following is the recipe for cake and frosting:

BACHELOR BAIT Cake:

- 1/2 cup butter
- 1 lb. dark brown sugar
- 2 eggs, unbeaten
- 2 squares (2 oz.) unsweetened chocolate, melted.
- 1/2 cup buttermilk or sour milk
- 1 tsp. vanilla
- 2 1/2 cups sifted cake flour
- 1/2 tsp. salt
- 2 tsps. baking soda
- 1 cup boiling water.
- Rich Chocolate Frosting**
- 4 squares unsweetened chocolate, cut in pieces.
- 2 tbsps. hot water
- 2 eggs, well beaten
- 1 cup confectioners' sugar
- 1/2 cup butter, washed in cold water to remove salt.

For Cake:

Cream butter with wooden spoon, until soft. Add the sugar gradually, creaming until light and fluffy. Add eggs, one at a time, beating well after each addition. Stir in melted chocolate, vanilla and buttermilk (or

sour milk). Gradually add the sifted flour and salt.

Add the soda to the boiling water and stir into the batter, which will be very thin. Pour batter into three lightly greased and floured 8-inch pans. Bake in 375 deg. F. oven until a cake tester comes out clean (about 25 minutes). Invert on racks and let stand five minutes. Then, remove from pans; cool. Put layers together with frosting.

For Frosting:

Melt chocolate in double boiler, add water and blend. Add eggs and sugar. Remove from fire but allow mixture to stand over hot water, stirring constantly until slightly thickened (about 3 minutes). Cool quickly to lukewarm. Add butter, 2 tablespoons at a time, stirring and blending after each addition. Recipe makes enough frosting to frost cake generously. Cake makes 8, or more, servings.

Rever Sets Track Mark, Taylor 2nd In 500 Bid

While name runners came through as featured in last Friday's Eastern Canada Indoor Track and Field Meet, it remained for an unheralded little lady from Regina to provide one of the evening's biggest thrills.

Maureen Rever, an 18-year old speedster, set a new Canadian Women's open mark in the open 50 yard dash with a time of 5.9 seconds, 1/10 of a second better than the old mark set in 1928 by Olympic sprinter Myrtle Cook.

In the next race, she triumphed handily over the juvenile girls in the good time of 6.1.

Local resident Paul Taylor failed in his bid to wrest the juvenile boys 500 yard run title from defending champion Ken Clegg, of the Olympic AC.

Besides Miss Rever's effort, double victories were chalked up by distance men Fred Dwyer and junior Jim Irons. Dwyer, one of the featured runners in the meet, won the mile handily, and decided to make a last minute entry in the two mile. Here he was fought right down to the stretch by Toronto's Reg. Darley and Michigan State's Crawford Kennedy. A final sprint gave Dwyer the race by an eight yard margin.

Irons was a standout in the junior mile and 1000 yard run, winning both by handy margins and in good times. Tom Camp-

bell, another westender running for Mount Royal, came second in the 1,000 event.

Dick Harding, of Toronto's East York aggregation, put on a fine showing by winning the men's 50 yard dash, and then almost giving his relay team an upset victory over the New York Pioneer Club in the men's one mile relay.

Dick Maiocco, who finished second to teammate Frank Bowens in the open 500, ran the opening leg for the Pioneers, and opened up a healthy lead. This was promptly lost by number two runner Jim Tucker, against Toronto's B. Scott, but Reg. Pearman, second in the open 1,000, regained the lead and handed on a three yard margin to Bowens.

Harding, running anchor for the Toronto crew, pulled even and the duo ran neck and neck until the stretch, when Bowens won by a foot.

Mike Carattis, a well built member of the New York Athletic Club, pulled out a win over Pearman in the 1,000, taking the lead midway through and staying there. He previously finished third in the open 500. In the last two years, neither Maiocco nor Pearman have lived up to their advance billing.

Entries Received For Swim Classes

Registrations for the Westmount "Y" Learn to Swim Campaign are rapidly coming in. At the present time half the classes are filled and some of the more popular classes have only a few vacancies left.

The instructions begin on Monday, April 9, so there is only one week left for latecomers to make their registrations.

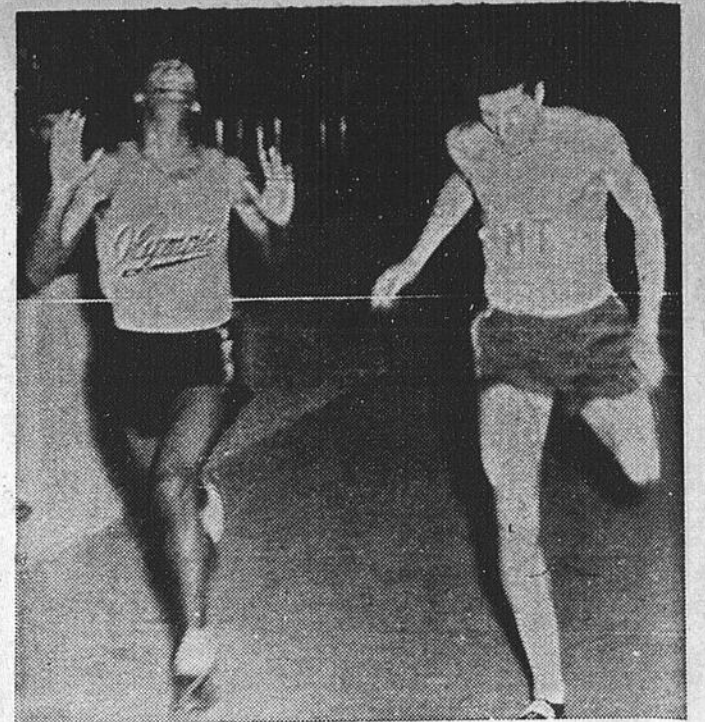

Classes this year are being instructed by Miss Nellie de Vos, who was the instructor last year, and by Miss Carol Galling, who is well known for her swimming ability among Montreal "Y" members.

Unity Hoopsters On Playoff Trail

Dick McGrail's Unity Boys Club juvenile basketball team, currently trying for top honors in the City of Montreal basketball league, trail by one game in their best of three series against the East End Boys Club. Second game of the series will be played at UBC this week.

Ian Campbell's midget hoopsters, league champions, take on the Point St. Charles Boys' Club in a two out of three series for the M.B.A.A. Championship.

A junior and senior spring house league will get underway early in April.

Westender Paul Taylor, right, just falls short in his attempt to beat defending champion Ken Clegg in the juvenile 500 yard run.

Capacity Crowd Views Annual Y Gym Revue

A capacity crowd watched the Gym Revue, the Westmount Y.M.C.A. annual gym display last Friday evening. One hundred "Y" members, boys, girls, young men and women took part in the demonstration.

Opening the show 50 youngsters performed the grand march and formed intricate patterns on the floor including the letters Y.M.C.A.

Clowns Peter McGregor, Guy Kronstal and Paul Ranson kept everyone in a humour with trick telescopes and cameras and impromptu stunts on the apparatus.

Junior fencers Peter Kingston and Royal Moulton showed that youngsters are quick to learn the art of fencing. Misses Agnes Feketa and Carol Laws presented a foil match full of action and Prof. Vamos demonstrated sabre fighting with S. Kerekes.

Senior Gym Club members who performed on the high bar and parallels were Fritz Besslich, Raymond Gagnier, Richard Montpetit and Valorie Walendowski.

The adagio lifts, entitled "Beach Acrobatics" performed by Mary Dunbar and John Beyer were an unusual novelty seldom seen in a gymnastic show. Five year old Johnny Waller showed real confidence in his dad, Lew, as he showed his mastery of a pleasing balancing routine.

Trampoline tumbling, wampus board stunts, mat tumbling, pyramid building as well as games, exercises and a Judo exhibition helped to round out an evening that will be long

remembered by the youngsters taking part in the show.

Penalties Hurt MacRae

Wheelers Need Point To Grab Puck Title 3rd Game Saturday

Wheelers are only one point away from their first St. Laurent Intermediate Hockey League title, going into the third game of their final series against MacRae Electric this Saturday.

In two games last weekend, they edged the Electricians 2-1 Friday and then battled to a 2-all draw on Saturday. Both tilts were reeled off at the St. Laurent Arena.

Heavy checking and several penalties featured the two tilts, and the same type of play is expected to dominate the third game this week. It starts at 2 p.m., also at the St. Laurent Arena.

If MacRae wins, a fourth game will be played the following week.

The three goals in the first game were evenly divided throughout the periods, with Wheelers going into a 2-0 lead. Peter Mitchell put the pennant winners ahead at 14:14 of the first session, taking a pass from Gary Gagnon. The teams were each a man short at the time, with Robertson of Wheelers and Ross Murray of MacRae both off.

White put Wheelers ahead by two goals at 4:36 of the second canto, breaking loose for an unassisted tally against the hard-pressing Electricians.

MacRae put on the pressure in the final period, but couldn't beat goalie Roy Scurrah until the 13:23 mark, when Al Turner converted Pat Lomasney's pass. The Electricians themselves were shorthanded at the time, with Bob Painchaud sitting out a tripping penalty.

It was a rough contest, with 16 penalties being handed out. Murray took the brunt of the time, getting hit with a five minute major at 13:00 of the first period for fighting, and then arguing himself into a misconduct and then a game misconduct. Peter Mitchell of Wheelers also got tagged with a misconduct midway through the second period.

MacRae seemed to have the second tilt in the bag, holding a 2-0 lead with less than three minutes left to play. But penalties in that time gave the Wheelers a chance to pour home two quick markers, and leave them needing only one more point to cop the Dr. Rondeau Trophy for the league championship.

Stu McCowan gave MacRae the lead on a power play at 6:51 of the first period. Wheelers' Mitchell was in the penalty box, and Lomasney and Turner set up McCowan.

Al Turner boosted the count to 2-0 at 13:42 of the second stanza, converting passes from Murray and Jim Beasant.

Lomasney went off at 10:29 of the final period for charging, and just before he returned Pete McManaman drove home Mitchell's pass for Wheelers' first score.

They continued to apply the pressure after Murray went off at 13:53, and with only 14 seconds remaining, White banged home McManaman's pass to knot the count.

McManaman had missed a golden opportunity to tie the score in the first period, when Bud Selby was given a hooking penalty and the Wheelers were awarded a penalty shot. McManaman was foiled by goalie Doug Brambell.

Murray kept up his argumentative ways in this tilt too, receiving a misconduct on top of his minor late in the third session.

Rifle Competition Starts April 9

The seventh annual indoor tournament of the Province of Quebec's Rifle Association will take place in the armoury of the 17th Duke of York's Royal Canadian Hussars at 4185 Cote des Neiges Road.

Nearly 1000 pistol and rifle marksmen will compete during 8 days starting April 7.

The competitions, which bring U.S. competitors into shoulder-to-shoulder matches against the cream of Eastern Canadian marksmen, will include an international match and a sharpshooter match to wind up the eight-day event.

The opening day will be reserved for cadets firing in individual and team competition, and pistol shooting will take place only on the following day, Sunday, April 8. Thereafter, there will be a variety of competition among men and women armed with match and sporting rifles, and with a variety of weapons used for hunting.

Individual entries must be mailed to the PQRA, PO Box 68, Rosemount, Montreal 36, not later than Monday. Team matches entries, however, may be made at time of the event.

"Don't let other people's attitude determine ours. Let us call the signals and seize the moral initiatives for good and set an example for others."

Citing the worldly belief that generosity is an invitation to people to take advantage of us, Dr. Mackay used the betrayal of Jesus by Judas to show that, in a material sense, this may be true but "to build bridges between people... no power on earth can stand against it."

"The seed is not divided," he concluded, "it yields itself to the law of the universe and when it yields itself, it brings forth a harvest. There is no other way. We would have a harvest in God, we must follow that way — a heart that has come to rest in God and a will fully surrendered."

NOW!! The 1956 JAGUAR

Some candid questions and answers about an unusual motor car... the Jaguar Mark VII

Is the Jaguar Mark VII a "sports" car? No. The Jaguar sports car is the famous XK series. The Mark VII is essentially a "family" car... a spacious, four-door, six-seater.

Is the Mark VII a "luxury" car? Yes. Appointments in the Mark VII are by any standards luxurious... hand-rubbed rare walnut instrument board and door panels... hand-fitted, British glove leather upholstery... double fuel tanks for maximum luggage space... sliding sun roof. Yet dollar for dollar the Mark VII offers more car luxury at less cost than any car in the world. **Prices from \$4325.**

Is the Mark VII a "safe" car? In the field of safety, the Mark VII is very likely supreme among automobiles. It is, perhaps, more strongly made and more accurately controllable than any car that you have ever driven. The brakes are designed to accommodate the full potential of power and speed of which the car is capable. Employing 12 inch drums with servo-assists these brakes give the Mark VII a stopping power which is literally astonishing. Torsion-Bar suspension, long a Jaguar specification, delivers a ride that is not only level and comfortable but is firm, certain and safe at all speeds. This suspension, coupled with the sports car precision of Jaguar steering, makes the experience of driving a Mark VII as secure as it is exhilarating.

Is the Mark VII a "powerful" car? In owning a Mark VII you will possess a power plant that is second to none. It is the same world-famous XK-140 engine that has powered Jaguar racing and sports models to victories in virtually every major motor car competition in the world. It produces an honest 190 horsepower with ease. Of particular importance to you is that this engine was designed to cruise at speeds near 100 mph for literally days on end. This means that under normal driving conditions you will be subjecting the engine to only a portion of the wear and strain for which it was built. Inherent, too, in this fact is an immense reserve of power to meet any road emergency.

Is the Mark VII a "distinctive" car? Since the Jaguar Company at Coventry, England produces but 10,000 cars of all models annually, the Mark VII will never be a car that you will misplace on a parking lot. As to appearance, the car speaks for itself... relying in its design on the inspired use of line and mass to achieve a look that at once bespeaks grace, elegance, and authoritative power. (Indeed the very physical characteristics of the jungle king for which the car is named.) Naturally—the best way to appreciate the pleasures of owning a Mark VII is to drive one. We hope that a Jaguar Dealer may soon have the privilege of showing you this superb car in action.
