131 Industry Canada 1995

2 min 00 s

MOV TXT EN

Design and production of the web site "The role of communications and information technology in education."

Client: Industry Canada

WEB TXT EN

This site, commissioned by Industry Canada, was created to inform educators about the use of communication technology in the classroom.

132 Surf'n Shop St-Rémy Cogéco (prototype) 1995

0 min 32 s

WEB TXT EN

St-Rémy Multimédia and Cogeco commissioned ECHO to produce the visual design for a virtual shopping center. The innovative character of this project was the use of a high bandwidth network thus allowing the integration of 3D imagery and animation.
