Westmount City Council Elected by Acclamation

The entire Westmount city council took office by acclamation Monday as the slate was unopposed when nominations closed, returning officer A. W. D. Swan announced.

The slate was put forward by the Westmount Municipal Association.

The last time an election in Westmount was necessary was 23 years ago.

The council headed by Mayor James S. Cameron, composed Alderman J. S. B. Pemberton, R. H. Dean, R. L. Campbell, R. Panet-Raymond and Mr. Blachford. They will hold office for two years.

This will be Mayor Cameron's third term as mayor.

The office of public library trustee was also filled by re-election by acclamation of Mrs. R. Grant Reid.

Only change on the council was election of H. Lloyd Blachford to succeed W. Allan Kennedy as alderman.

A native Montrealer, Ald. Blachford graduated from Montreal High School and later attended McGill University where he graduated as a chemical engineer in 1918. He operates an industrial chemical firm bearing his name, which he started in 1921.

Resident Since 1921

He is a former president of Westmount High School Home and School Association and served on the executive of Westmount Municipal Association as chairman of the education and library committee. He has lived in Westmount since 1921.

His wife is the former Grace Trenholme, granddaughter of the late Mr. Justice Norman Trenholme, once dean of McGill law faculty, who lived for many years on Rosemount avenue. They have two sons and two daughters.

During the First World War, Mr. Blachford joined the Royal Flying Corps and was stationed at Longbranch and Borden camps before going overseas.

Board Members

Other members of the board are J. A. De Lalanne, G. L. Vickerson, Mrs. M. L. Tucker, Donald A. Baillie and T. W. Gilmour.

Mr. Fenwick, new member of the board, was born in 1897 and served two years with the R.C.N.V.R. in the First World War. He graduated in engineering from University of Toronto in 1922 and is superintendent of the telephone contract division of Northern Electric Company. He is a past president of Westmount Municipal Association and chairman of the Scout group committee of Dominion Douglas Church.

A new chairman of the board to replace Ross R. Hutchison will be elected at the January 18 meeting.

J. R. Fenwick was elected by acclamation to the Westmount Protestant Board of School Commissioners, succeeding Ross R. Hutchison, retired chairman. J. G. Hutchison was re-elected to the board members who serve for three year terms and are expected to retire after two terms. Chairman and vice-chairman of the board will be named at a meeting of the board January 18.

Westmount's new city council will be sworn into office Monday night, when its first meeting will be held.

Westmount Lady Living in Japan Donates to Fund

Mrs. Dougall Cushing, a Westmount lady now living in Tokyo, Japan, was the first person to forward a donation to the School for Crippled Children Fund, in the current mail campaign.

Only 1,986 responses have been received to date from the 15,000 Christmas letters of appeal which were sent out, which is 234 less than last year.

Little more than half the objective of \$43,000 has been realized, the amount collected so far being \$23,185, which is \$880 less than the figure at this date in the 1949 drive.

This week some 13,000 reminder cards will be sent out to appeal to letter recipients, stressing the need for further donations. It is hoped to at least reach the total of the objective set for this most deserving cause.

Putters Club Program Resumes

Until further notice the club will hold its meetings every Monday night at 8 o'clock in Victoria Hall.

Westmount Man Held Up And Attacked on Street

Jack Deslauriers, 21 Winchester avenue, Westmount, was admitted to the Homoeopathic Hospital for treatment and observation on Thursday, following an attack by two men who hit him with an unknown object and robbed him of \$6.

Deslauriers told police that he was opposite 1427 Drummond street, when the two men attacked him around 3:20 a.m.

Police are investigating this case, as well as several other hold-ups which occurred the same night.

Legal Wills Avoid Expense, Hardships, Rotarians Told

"To save needless expense and hardships the making of a will should be carried out carefully," R. G. M. Gammell, manager of the estates department of the Charter Trust Company, told members of the Westmount Rotary Club at its luncheon meeting, Wednesday.

Citing several examples where difficulties and hardships have been felt by the heirs to an estate, the speaker maintained that it was almost incredible to witness how leading businessmen will fail to carry out this phase of life on a strictly businesslike principle.

"They will take more time choosing a new automobile than in making and planning the future of their entire life's savings," he said.

While the speaker did not have time to develop the procedure of making legal wills, he did maintain that they should be made with the aid of a competent legal authority, preferably a notary, and should not be left until old age since many people are killed suddenly in accidents.

He outlined some of the details which any will has to go through by virtue of the various Dominion and Provincial by-laws governing the passing on of estates from generation to generation.

In making a will, he suggested that it should be as simple as possible, and that at all times it should cover the entire estate. "The basic questions one should ask oneself in preparing a will are, who, why, when, what, and how" Mr. Gammell maintained, claiming that it must be dealt with on a

pure and proper businesslike manner.

The speaker also suggested that once a will is made it should not be changed by the individual himself, but should be taken to the notary for any changes. He said that it was a good idea to have a will changed every five years or so, which would insure it being a relatively new document covering all phases of the estate.

Mr. Gammell was introduced by Alec Williamson and thanked by Robert M. Clarke following a number of questions asked him by the members. Frank Kenwood presided and announced that there would be a club assembly on Wednesday, January 24th, at 8 p.m.

All parents and members of the "Association" are asked to attend the meeting.

Impressive Service Held for Westm't Girls' Hi-Y Club

On Sunday, January 7th, a candlelight induction service was held at Dominion Douglas Church to induct the new members of the Westmount Girls' Hi-Y club, and to give them a fuller understanding of the ideals of the club.

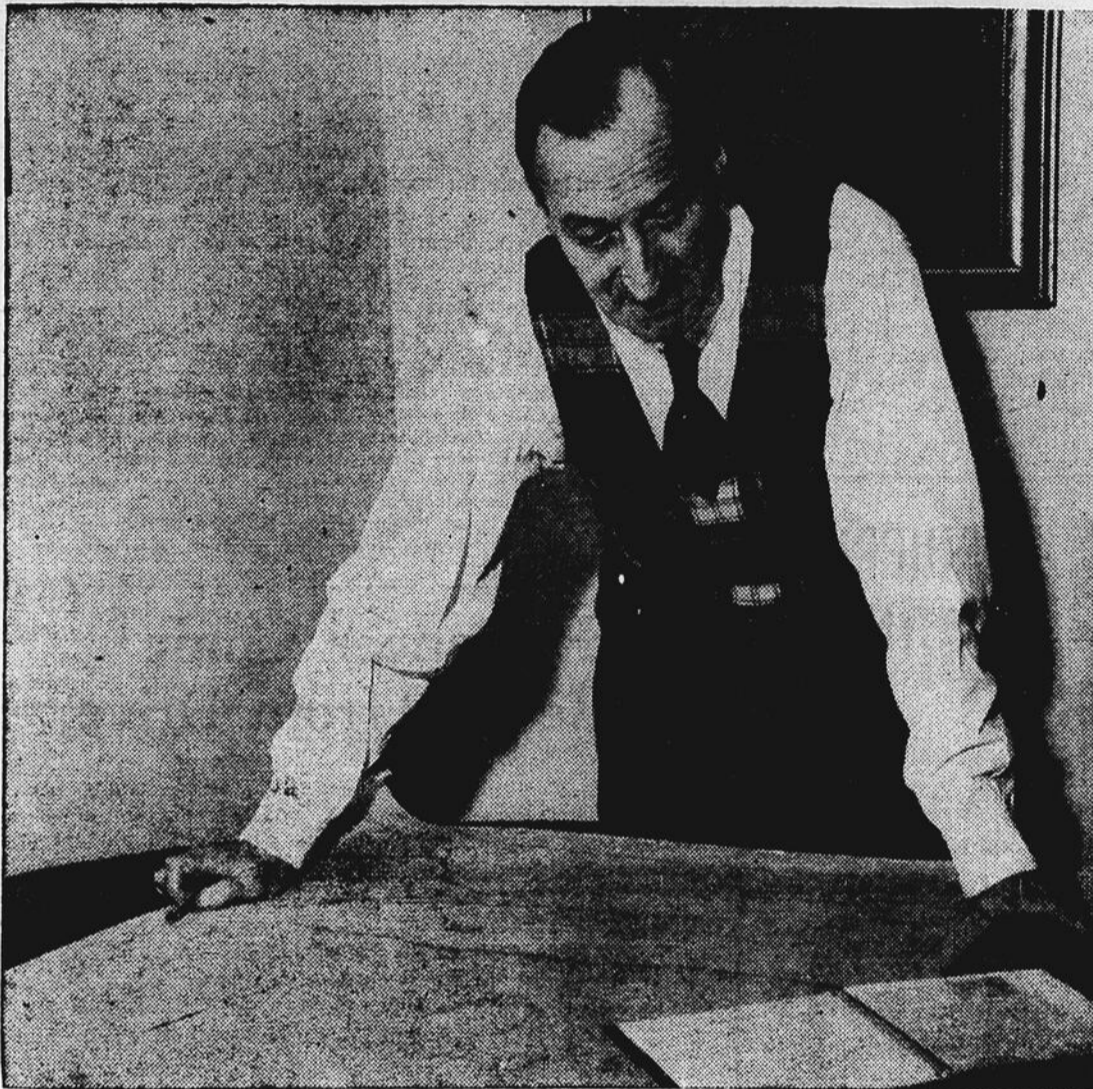

At four o'clock, the ceremony began with a procession of both old and new members of the club down the aisle. The old members carried lighted candles, while the new members' candles were unlit. Marilyn Smith president, led the service by inviting all present, members and friends, to join in the singing of a hymn, "O Worship the King." This was followed by the enunciation of the Purpose, its explanation, and repetition. The club's Y.M.C.A. advisor, Miss Phyllis Wood, then introduced four girls who represented the four clauses of the motto: High Ideals by Liane Norkett, Honest Thinking — Margaret Tucker, Pure Words — Isabel Hamilton, Constant Action — Louise Tollsam.

These girls spoke a few words about their respective clauses. Following, was a repetition of the Motto and a talk on the same by the advisor. The president of last year's club, May Robertson spoke on the work of the new members, ending with a wish of good luck. Then came the bestowing of the pins of membership. Each new girl was called up to receive her pin and to light her candle from that of the past president — a signal that they were now fully-fledged members. The new members were: Elizabeth Alexander, Margaret Cragg, Betty Jones, Joan Lawton, Bonnie Lawton, Carolyn-Macfarlane, Brydon Macarthy, Ann Redfern, and Patsy Smith.

Dr. Lloyd Smith, minister of Dominion Douglas then gave a prayer of blessing for the club and the hope of its continued progress. This ended the induction service and all members, their candles lit, filed from the church.

The ceremonies were followed by refreshments served in the Sunday School Hall. Robin Wright was convenor.

Westmount's Civil Defence Director

Lt.-Col. Philip Cook, recently appointed director of civil defence for Westmount, is leaving no stone unturned in his efforts to perfect the best possible defence organization for the city. Westmount will co-operate with the other municipalities on the island of Montreal in a scheme now being worked out by the committee appointed by the Metropolitan Commission. Mayor J. S. Cameron, of Westmount, is a member of the central committee.

Col. Cook, Civil Defence Director, Stresses Radar

Lt.-Col. P. W. Cook, E.D., whose appointment as Director of Civil Defence for the City of Westmount, was announced in last week's Examiner, states that two things are of the "utmost importance" in planning civil defence.

Col Cook says that the "two firsts" in any defence scheme, are "an effective radar screen for all target areas, which will provide us with an early warning system; and adoption of the principle of mutual aid."

It will be recalled that Mayor Cameron pledged the co-operation of Westmount to other municipalities in the event of help being needed as a result of attack by bombing, at a recent meeting of the Metropolitan Commission, at which the question of civil defence was thoroughly discussed.

At that meeting Mayor Cameron pointed out that if an atomic bomb fell, nothing could be done for those within a mile of the spot where it dropped, but much could be done for those outside the one-mile radius.

In pointing out necessary steps to be taken in civil defence precautions, Col. Cooke said: "It is useless to think in terms of spotters with binoculars on rooftops. Attack, if it comes, will be so swift that the maximum warning we can hope for is 30 minutes. To obtain that for vital areas requires considerable radar screening, the responsibility of the federal government. Then, the idea of mutual aid must be drummed into people's heads. If community A is directly atom-bombed you can presume its civil defence organization is knocked out. Then community B

Gerard Leblanc Suffers Burns In Saving Woman

Gerard Leblanc, 38, of 378 Elm avenue, Westmount, was treated for burns to the hands at Notre Dame Hospital, in Sunday, sustained in helping to put out flames which enveloped an elderly lady when her dress caught fire, when she was lighting her kitchen stove.

Mr. Leblanc was visiting at the home of Mrs. Ovila Bedard, 64, at 5681 Cartier street, when the fire occurred. Together with Mrs. Paul Leblanc who lives at the Cartier street address, both went to the aid of Mrs. Bedard and were successful in extinguishing the flames but not until all three had received painful burns.

The three victims were released from hospital after treatment.

Westm't U.N. Assn. To Hear McGill Debating Teams

G. F. W. Kuhring, 4323 Montrose avenue, Westmount, president of the Westmount Branch, United Nations Association in Canada, advises that a meeting of the branch will be held on Thursday, January 25 at 8:15 p.m. in the Auditorium of the Westmount Junior High School, Academy road.

This meeting will take the form of a debate, the subject being "Resolved that the United Nations is Accomplishing the Purpose for Which It Was Established."

Both teams participating in the debate are from McGill University, and as the subject provides wide latitude for these skilful debaters, an interesting and instructive evening is in prospect.

The meeting is open to the public, and it is hoped that Westmount residents will take advantage of the invitation to attend the debate which in view of the present unsettled state of world affairs is a timely topic.

Westmount Author Featured in Book Of Week Selected

"The Tower And The Town" by Grace Campbell, was the book of the week featured by The Standard last week.

The author, Mrs. Grace MacLennan Grant Campbell, is the wife of the Rev. Harvey Campbell, B.D., D.D., minister of Westmount Park Emmanuel United Church.

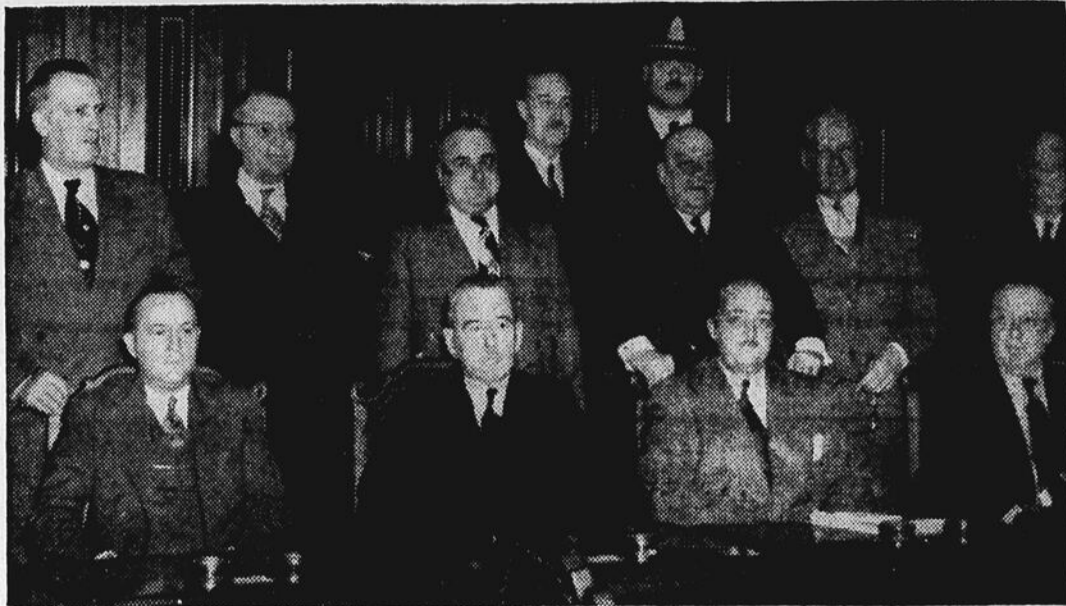

Mrs. Campbell bears by birth and by marriage, three names as illustrious in the Scottish-Canadian sections of eastern Canada as they have always been in the Highlands of her ancestors.

She was born on a farm in Glen-garry, Ontario, a community at one time entirely Gaelic-speaking which still retains the lilt of it in everyday speech.

Mrs. Campbell divides her writing time between her home in Westmount and her summer home near the Vermont border.

Besides the "Tower and the

Metropolitan Civil Defence Provisional Committee

Town" which tells of the life and parish problems of a new minister to his first city charge, after having been an air force pilot during the war, Mrs. Campbell has also authored "Thorn Apple Tree" "The Higher Hill" and "Fresh Wind Blowing."

Mayor J. S. Cameron of Westmount, is shown second from left front in the above picture which was taken in Mayor Houde's office in Montreal City Hall following a meeting of the provisional civil defence committee named by the Metropolitan Commission to formulate plans to co-ordinate a defence organization for the island of Montreal. Others in the picture are, seated, left to right: Mayor R. E. Schofield, Mount Royal; Mayor Cameron; L. A. Lapointe, K.C., director of services, Montreal; Mayor Nap. Courtemanche, Montreal East; second row, left to right: Director of Police Albert Langlois; H. A. Gibeau, director of public works; E. Brisebois, secretary Metropolitan Commission; Mayor Camillien Houde; Chairman J. O. Asselin, and Vice-Chairman Gordon MacL. Pitts of Montreal's executive committee. In rear, Claude Choquette, K.C., chief city attorney; and in uniform Police Inspector Ernest Pleau. Mayor Edward of Verdun, who is a member of the defence committee, arrived too late for the photograph.

which may have escaped must concentrate its resources to come to A's aid."

The appointment of Col. Cook, formerly a general staff officer attached to National Defence Headquarters in Ottawa and senior intelligence officer on the Canadian Army staff in Washington from 1942-45, is the latest move among Montreal's 12 municipalities towards a co-ordinated civil defence scheme. Coinciding with his appointment was the announcement of the formation of a civil defence committee in Westmount headed by Mayor J. S. Cameron with Ald. R. H. Dean as vice-chairman and including all members of the city council.

Survey Planned

First action of the new committee will be to survey the facilities available in Westmount. Emergency shelters for bomb victims, fire fighting and the evacuation and treatment of casualties will be included in the committee's program.

Plans for the civil defence of Montreal as a whole have been discussed by the Metropolitan Commission and Westmount's plan will be one of many co-ordinated into the district-wide organization. Until the organization has reached a more complete stage neither Col. Cook nor the mayor will comment further on Westmount's plans.

Says Col. Cook: "You can liken the municipalities to a man who has built a house with all conveniences installed and is just waiting for sewage and power to be connected up and roads and sidewalks built."

Certain aspects of civil defence planning for Montreal have not been divulged for security reasons. It is known, however, that Montreal Police Director Albert Langlois, who also holds honorary rank in No. 1 Radar and Communications Unit, has been working for some time with Ottawa through Maj.-Gen. F. F. Worthington, director of civil defence for Canada. Nature of this work is on the secret list.

Dr. Meakins and Mrs. Caplan added that the step had been taken "after considerable consideration" and expressed the hope that Montrealers would understand the need and give the utmost support to the joint campaign.

Reddy Cancer Clinic To Benefit from Drive

The new diagnostic cancer clinic in the Herbert Reddy Memorial Hospital, Tupper street, Westmount, will benefit from moneys to be raised in a joint campaign for funds by the Canadian Cancer Society, Montreal Area, and the Cancer Research Society, which will be held in March.

Announcement concerning the forthcoming drive was made by Dr. J. C. Meakins, C.B.E., president of the Canadian Cancer Society, Quebec Division, and Mrs. Philip Caplan, president of the Cancer Research Society.

The appeal will be known as the Joint Cancer Fund Campaign.

Decide to Unite

Dr. Meakins and Mrs. Caplan explained that the two organizations had decided to unite in the campaign "as a matter of economy and to overcome public confusion which has acted to the detriment of both societies."

They added that since there is no overlapping of services, the funds collected jointly will be allocated to each on the basis of budgets, thus assuring "a well-planned approach" to the cancer problem in the Montreal area.

The funds to be allotted to the Canadian Cancer Society will be used to meet the Quebec division's

share of the National Cancer Institute's requirements for cancer research and fellowships, to fulfill its obligations to the national program of the society, including 12 fellowships for postgraduate studies in the various phases of the cancer problem; and to defray the cost of greatly expanded educational and welfare programs within Quebec.

To Expand Clinical Work

The Cancer Research Society will use its share of the funds to further implement its program at the new diagnostic clinic in the Herbert Reddy Memorial Hospital;

Trinity Wolf Cubs Plan For Hockey

The first meeting of the New Year was attended by 24 Wolf Cubs — John Florence also was present for his first meeting with Trinity, being a transfer. Sixer Peter Lindsay led the Grand Howl. Charles Bolton was presented with his Swimmer's Badge which he passed just before the holidays.

Following a games period, F. H. Newman, our hockey coach, arrived on the scene to outline our plans for this winter. Practices will be held every Tuesday evening commencing at five o'clock, and then on Saturdays from 1:30 to 2:30, a game with another Pack will be played each week, weather permitting. As in the past, our hockey program is for each and every cub — it is a means of getting all boys on the ice together, and although we hope cubs will by the end of the year be more proficient with skates and a stick, the main idea is to have fun.

During instruction period, Peter Thackray passed his Cleanliness test with Raksha.

The balance of the meeting consisted of games and a sing-song, and the meeting closed as usual with prayers and the Grand Howl.

Yes, indeed, there are two Ottawas — one in Illinois, U.S.A., and one in Ontario, Canada.

Similarly, there's a FOUR ROSES Whiskey in the United States and FOUR ROSES Canadian Whisky in Canada... but they're quite different whiskeys.

In the United States, FOUR ROSES is an American Whiskey.

But, in Canada, FOUR ROSES is a Canadian Whisky, distilled, blended and bottled in Canada under the supervision of the Canadian Government.

It's one of the finest Canadian Whiskies you can buy.

Westmount Writer Has Quebec Story In U.S. Magazine

Local atmosphere which has been giving pleasure to thousands who visit the Province of Quebec is finding its way more and more into a new literary trend which, in turn, is serving to acquaint still more people with a part of North America that is unique and distinct in every way.

Latest Canadian writer to combine a sure talent with a sound knowledge of "La Belle Province" is attractive Phyllis Lee Peterson of 39 Windsor avenue, Westmount. Mrs. Peterson's mother, Mrs. W. Lee, also lives in Westmount at 4410 St. Catherine street.

A McGill graduate and one of the early skiers in the Laurentian Mountains, Mrs. Peterson sees in her native domain the background for charming stories that concern both rural and city life of French Canada.

After only three years of serious writing, the enthusiastic mother of two lads, aged six and nine, has found time to grind out highly readable and entirely authentic stories with Quebec backgrounds for the major magazines of Canada. Recently she has begun to "make" the "tough-to-crash" big-time U.S.A. periodicals.

January issue of American Magazine carries one of a series of stories set in and about a ficti-

Stores in Westmount Say No Demand for Lewd Ties

Enquiry at several Westmount haberdashery stores failed to reveal any of the ties bearing nude mermaids or bathing beauties scantily clad, which brought a Mount Royal avenue storekeeper, into court last week.

Police Counsel L. P. Mercure, K.C., told the court "These ties were never intended to be an aid to art. They are definitely obscene". Continuing he said, "The images on the ties are obscene and constitute a corruption of public morals."

Defense counsel Jack Bogante, K.C., pleaded that "Some of our leading ladies attend functions at which they expose just about as much as appears on some of the ties. If these ties are obscene, then I suggest that some of our art galleries and museums should be closed."

Westmount haberdashers spoken to stated that there is no demand by Westmount males for ties of this "arty" kind although gaudy designs seem popular.

tious little Quebec village which Mrs. Peterson calls "Ste. Angele." This particular story is called "The Wooden Wings of Ste. Angele" and is a ski yarn, based in large part upon the true life story of a young French Canadian from the Laurentian district around Ste. Adele.

Followers of the competitive ski sport will find a striking similarity in this charming tale to the experiences of Viateur Cousineau who won the Quebec Kandahar ski race back around 1937. The "Ste. Angele" locale is a permanent creation around which Mrs. Peterson, wife of a one-time outstanding ski jumper, Millar Peterson, has already told much and seemingly has much more to tell.

teams and clubs. These clubs will hold regular meetings with "Y" leaders and compete in sport activities on the gym floor and swimming pool throughout the year. Following the banquet at 7:00, a moonlight dip will be held in the pool.

Found Articles Stored At Westm't Police Station

Locked up in a vacant cell at the Westmount Police Department (for want of a better place to put them) are a number of found articles that the Police now wish to dispose of by finding the rightful owners.

The articles include a variety of items picked up by the police during the past year. Evidently left out over night, the police brought these items to the station and registered same in a log book.

To start with, there is an aluminum or silver colored child's auto found on Victoria avenue about the end of June or the beginning of July. This piece of equipment has some distinctive markings on it, which should make it easy for the owner to identify if he is interested in getting it back.

It is one of two child's autos, the second being a peddle type. Painted a bright blue, this auto was found on Sunnyside avenue on December 6th. A bright red tricycle, found on Victoria avenue November 22, is another of the articles stuck away in the basement of the Police Department on Stanton avenue.

The oldest piece on record is a wooden sleigh picked up in front of the Steinberg's Groceria on Sherbrooke street February 27 of last year, while a girl's bicycle is probably the most expensive item on record, it being found in the laneway back of St. Catherine street near Hallowell avenue on September 2.

Children's wagons are also a part of the list; a bright red metal one being picked up by the Fire Department during the summer and turned over to the Police Department for their records. Others include a wooden one discovered May 13 at Grosvenor and Sherbrooke streets and another wooden vehicle was found on November 29 on Montrose avenue. The fourth wagon on record was found on Sherbrooke street between Prince Albert and Victoria avenues on July 22.

There is also a black tricycle on hand, found on the Roslyn avenue lookout, December 3, while the most unusual and latest item picked up by the Westmount Police is

a bag of potatoes found at the corner of Victoria and Sherbrooke streets since the New Year.

It was pointed out by an official of the department that residents who feel they might own one of these items, may call the Police Department. Certain clues or identification marks have been left out at the request of the officials, so that it can be relatively certain that the true owners will regain these lost possessions.

'Y' Hobby Show Committee Meets

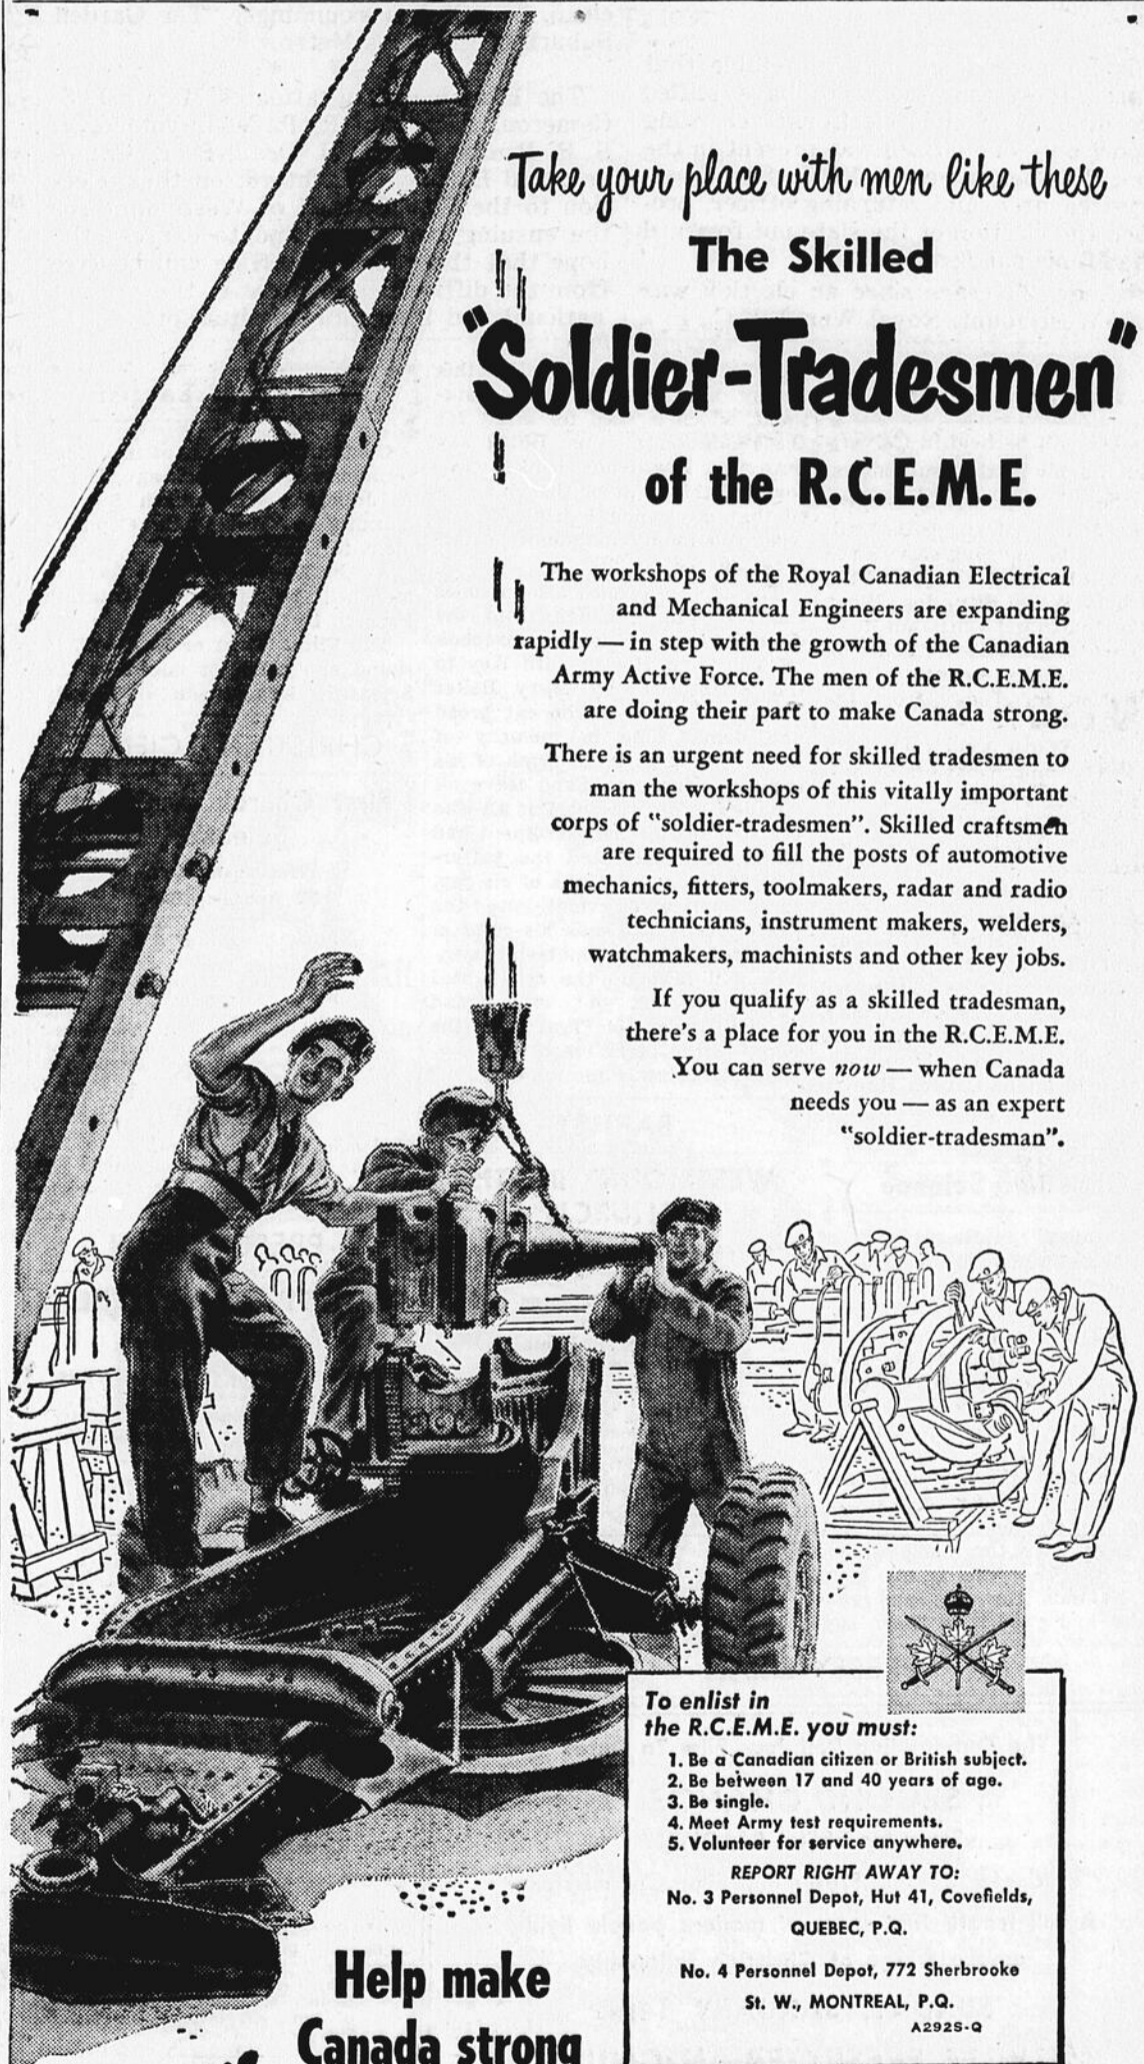

The first Westmount Hobby Show Committee meeting was held last Friday, January 5, at the Westmount Y.M.C.A. The committee consists of Hi-Y members and representatives from all the schools in Westmount. At the first part of the meeting each person had to introduce another Hobby Show member to the committee. The Hobby Show was then explained to the new committee members by the president and Mr. Taylor, the Hobby Show advisor. The new Hobby Show members were placed on the committee they wished to work on.

Most of the committee chairmen have been elected and the different committees shall be busy planning their program at the next meeting. Next week the committees will also be sent out canvassing for adds for the Hobby Show booklet. 3,000 booklets will be printed to distribute among the different schools which participate in the Hobby Show.

This year the Hobby Show will be held during the Easter holidays

WET WATER

A new-type "wet water," manufactured by Hydra-Clene Corp. of Canada, can put out fires a lot faster with a lot less water. Because of its reduced surface tension, "wet water" penetrates burning surfaces instead of running off in puddles. But it's no good for ducks — they can't swim in it.

of the R.C.E.M.E.

The workshops of the Royal Canadian Electrical and Mechanical Engineers are expanding rapidly — in step with the growth of the Canadian Army Active Force. The men of the R.C.E.M.E. are doing their part to make Canada strong.

There is an urgent need for skilled tradesmen to man the workshops of this vitally important corps of "soldier-tradesmen". Skilled craftsmen are required to fill the posts of automotive mechanics, fitters, toolmakers, radar and radio technicians, instrument makers, welders, watchmakers, machinists and other key jobs.

If you qualify as a skilled tradesman, there's a place for you in the R.C.E.M.E. You can serve now — when Canada needs you — as an expert "soldier-tradesman".

To enlist in the R.C.E.M.E. you must:

1. Be a Canadian citizen or British subject.
2. Be between 17 and 40 years of age.
3. Be single.
4. Meet Army test requirements.
5. Volunteer for service anywhere.

ACCLAMATIONS FOR CITY COUNCIL

Westmount Fortunate in Type of Men In Control of Our Civic Affairs

That the Westmount City Council was again elected by acclamation on Monday, must be regarded as an expression of continued confidence in the civic administration presided over by Mayor Cameron.

It is also an endorsement of the policy of the Westmount Municipal Association in their careful selection of suitable candidates for city council.

It is however somewhat regrettable that the present system seems to have stifled public interest in civic elections: according to report only one citizen was present in the council chambers when A. W. D. Swan, secretary-treasurer, and returning officer, proclaimed the election of the slate put forward by the Municipal Association.

It is now 23 years since an election was held in Westmount. Royal Werry, K.C., in a

letter published in a Montreal daily newspaper, questions whether these continued acclamations are good, and suggests that it is a reflection on our democratic way of life.

Whether the holding of elections would improve our city administration is open to argument, as over the years Westmount has been blessed with a fine type of council member, and the present council is no exception.

The new council takes office at a time which is fraught with difficult problems — civil defence, transportation, commodity shortages, high prices, and the threat of another war hanging heavily over our heads, making their task for the next two years anything but an easy one.

That leading business men are willing to devote a great deal of their time to running the affairs of the city without remuneration of any kind, other than the honor and prestige which goes with the office, is something for which the citizens of Westmount should be most thankful.

Westmounters enjoy many benefits not enjoyed by other municipalities in Quebec, not the least of which is the absence of serious crime, and the pleasure of living in clean, beautiful surroundings. "The Garden Suburb of Canada's Metropolis."

The Examiner congratulates Mayor J. S. Cameron, Alderman R. Panet-Raymond, J. S. B. Pemberton, R. H. Dean, R. L. Campbell, and H. Lloyd Blachford, on their election to the City Council of Westmount for the ensuing two years, and to express the hope that their term of office will be free from the difficulties inherent in the present national and international situation.

Christian Science

"Sacrament" is the subject of the lesson-sermon to be read in Churches of Christ, Scientist, Sunday. The Golden Text is from John 6:33. "The bread of God is he which cometh down from heaven and giveth life unto the world."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: — "And as they were eating, Jesus took bread, and blessed it, and broke it, and gave it to the disciples, and said, Take, eat; this is my body. And he took the cup, and gave thanks, and gave it to them, say-

ing, Drink ye all of it; For this is my blood of the new testament, which is shed for many for the remission of sins. But I say unto you, I will not drink henceforth of this fruit of the vine, until that day when I drink it new with you in my kingdom." (Matthew 26: 26 to 29)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: — "Are all who eat bread and drink wine in memory of Jesus willing truly to drink of his cup, take his cross, and leave all for the Christ-principle? If all who ever partook of the sacrament had really commemorated the sufferings of Jesus and drunk of his cup, they would have revolutionized the world. If all who seek his commemoration through material symbols will take up the cross, heal the sick, cast out evils, and preach Christ, or Truth, to the poor, — the receptive thought, — they will bring in the millennium."

Flower grower John Woolman, of Dorrige, England, has found a way to put scent into chrysanthemums.

Normally these flowers have no perfume. Mr. Woolman, a leading

chrysanthemum exhibitor, found his formula after five years' experimenting.

There is only one odd thing about the scent in Mr. Woolman's chrysanthemum — it smells of violets.

C. A. C. Reports

... on N.B. Milk Situation
... Madelene Hodgson Branch

Members and friends of the Canadian Association of Consumers in the Province of Quebec are by now quite familiar with the newsy Provincial Newsletter. Coloured blue, to distinguish it from the National newsletter it goes out four times a year to over 1500 women in the Province, and has brought much comment (all of it favourable too) and many queries to the Executive. But did you know that Quebec is only one of the provinces which issues its own newsletter? As their organizations are perfected, we are hearing more and more of what is being done in other parts of Canada.

Milk Question Discussed

Limitations of space do not permit more than extracts, but to hand we have copies of newsletters originating in New Brunswick and Saskatchewan. New Brunswick C.A.C. is much concerned over the price of milk and bread in that province. Their milk is also marketed through a Provincial Board as in Quebec, and during the fall the Executive of C.A.C. arranged to send a delegation to meet with government officials to discuss the milk question. The request of the C.A.C. delegates was for consumer representation on the Dairy Products Commission of New Brunswick and for public hearings to be allowed whenever price increases were sought. Other suggestions made by this delegation was for a lower price on pints of milk, that skim milk should be on sale, and that large families who bought milk in quantity be allowed to buy in special containers at special prices. The delegates had a lively exchange of views with the N.B. Government officials, especially on costs and methods of distribution. They left with assur-

ances that the points which they had brought up would be considered.

Well, there is a beginning. We talk an awful lot about our problems, let's learn something of the whys and wherefores, and then be prepared to offer fair and concrete suggestion for improvement.

C.A.C. in Saskatchewan reports two interesting features in promoting public interest. A series of Radio Programs, twelve in number, were broadcast each Tuesday morning from September 19 to December 4 through the courtesy of Station CFCQ in Saskatoon. The program dealt with all kinds of consumer problems, two of the titles being "Shoes and how to buy them" and "Textiles and how to use them."

Their newsletter asks for comments on the programs and expresses their thanks to CFCQ as well as to Mrs. D. G. Blair of Saskatoon who wrote and produced the series.

This active Provincial Branch also held a "School for Consumers" in four sessions last Fall, and is now planning a "Consumer's Fair" as the opening move in their January membership drive.

Good luck to you both, New Brunswick and Saskatchewan and thanks for your interesting newsletters.

Nile Queen, Mrs. Davies, Returning This Weekend From U.S. Ceremonial

Mrs. J. W. Davies, Queen of the local Oasis Temple No. 46, Daughters of the Nile, joined the Supreme Queen of the D.O.N. in Evansville, Indiana, and, she adds in a personal note to the social editor, Evansville next day had the worst fire in its history! At the D.O.N. Ceremonial held later, 20 candidates were initiated, Mrs. Davies having the honor of helping to christen several of the candidates. Mrs. Davies reports that she has toured a good deal of Indiana and Kentucky on sightseeing trips and is looking forward to revisiting some of these places

at the D.O.N. Supreme Sessions in June.

On the return trip Mrs. Davies stopped off in Toronto to spend a few days there with her husband and also to attend the Ontario Temple Session in Toronto. She is expected to return to her home in Verdun over the weekend.

Lunch Interest In New Filling For Sandwiches

Something different for a sandwich filling is always welcome, particularly if it can be made in quantity, kept for a time and used occasionally. The home economists of the Consumer Section, Dominion Department of Agriculture, have recipes for sandwich fillings that will go over well with the child who carries a lunch. Adults will like them too.

Liver Spread

- ½ pound sausage
- 1 pound pork liver, sliced
- ⅓ cup onion, finely chopped
- ½ teaspoon salt
- ½ cup dry bread crumbs
- ⅓ cup water
- 1 egg

Cook sausage in a hot frying pan 15 minutes, add liver and continue cooking 15 minutes. Put meat and onion through the food chopper. Add salt, bread crumbs, which have soaked in the water, and slightly-beaten egg; mix well. (No further cooking is required). Store in a covered container in a cool place. To use as sandwich spread, mix with enough salad dressing to moisten. Yield: about 3 cups.

Cheese Sandwich

- 1½ cups or ½ pound grated cheese
 - 3 tablespoons finely chopped green onions
 - 2 chopped, hard-cooked eggs
 - ½ teaspoon celery salt
 - 3 tablespoons pickle, chopped
 - ½ teaspoon spicy meat sauce
 - 3 tablespoons chili sauce
 - 1 tablespoon butter, melted
- Combine all ingredients, mixing well. This mixture may be used with bread in sandwiches or spread generously in split buns. Yield: filling for 12 large sandwiches or 6 buns.

The individual stamp of Lamp-blown glass is seen on the newest scatter pins. The pins may resemble a shiny black seal balancing a golden ball, big-eyed owls, fishes, perky penguins, classical horses' heads, and old Greek coins.

Combine Apples With Cabbage For Crisp, Healthful Salad

Tart apples and crisp cabbage are abundant. So what are we waiting for? Let's make a salad that dances with flavor and health. Let's resolve to eat at least one crisp salad a day in 1951.

Wintertime Apple Salad (Serves 6)

Three tart red apples, 2 cups shredded cabbage, 1 teaspoon salt, ½ to ¾ cup mayonnaise or salad dressing. Core apples, dice without peeling. To prevent darkening (if the apples are the darkening kind), sprinkle the cut fruit with lemon or grapefruit juice. Combine the apples with shredded cabbage, salt and salad dressing or mayonnaise. Mix well.

Variations: On the fruit side, add ½ cup raisins or other dried fruit; or ½ cup grape halves. To add protein and pungent flavor at the same time, include cheese. Add 1 cup of shredded American or Swiss cheese with the basic ingredients. Or try celery instead of cabbage, and add ½ cup cranberries to the combination. And for still another variation, use French dressing in place of mayonnaise.

Here are two recipes for dressings for cabbage:

Cooked Salad Dressing (Makes about ¼ cup)

Three tablespoons vinegar, 1 egg or 2 egg yolks, beaten, ½ cup milk, 1 tablespoon table fat, ½ teaspoon salt, ½ teaspoon sugar, ½ teaspoon dry mustard and paprika each, celery seed if desired. Add vinegar to egg and beat. Stir in rest of ingredients. Cook over boiling water. Stir constantly until thickened.

Use the following rough measure as a guide to cabbage pur-

There are plenty of ducks waiting to help you cut a little on food costs. Here's a recipe every duck fancier is going to like.

Mandarin Duck

Five- to six-pound Long Island duckling, dressed weight, 2 tablespoons kitchen bouquet, 1 tablespoon sugar, 1 teaspoon salt, 1 teaspoon ginger, 2 tablespoons salad oil, 1 clove garlic, minced, 1 cup water, ½ cup sherry wine, or orange juice, 3 tablespoons cornstarch, 3 tablespoons cold water.

Cut duck in serving size pieces, cutting out backbone, using a sharp knife or poultry shears. Save backbone and neck to cook with giblets to make soup stock. Place serving pieces of duck in bowl and sprinkle with kitchen bouquet, sugar, salt and ginger. Toss lightly with fork to coat all pieces evenly. Cover and let stand 15 minutes.

Heat salad oil in frying pan or chicken fryer over moderate heat. Add garlic and let cook a few seconds. Add pieces of duck, skin side down, and brown lightly on all sides. Add the water and sherry.

Cover and bring to boil. Let cook over low heat until the duck is tender, about 45 minutes. Remove pieces of duck to warm serving platter. Pour off fat, reserving broth.

Return broth to frying pan. Blend together and add the cornstarch and cold water to the broth. Cook, stirring constantly, until the sauce thickens. Correct seasoning if necessary and pour some of the sauce over the pieces of duck to glaze them.

Serve with fluffy hot cooked rice and garnish with preserved kumquats. Accompany with the remaining sauce. Yield: 4 generous servings.

You may want fluffy mashed potatoes instead of rice. Here's a recipe that puts extra food value at low cost into the potatoes and adds color with green peppers.

Fluffy Potatoes (Makes 6 servings)

Six to eight medium-sized potatoes, peeled, 6 tablespoons butter, melted, 6 tablespoons non-fat dry milk, 1½ teaspoons salt, ¼ teaspoon pepper, 1 tablespoon minced green pepper.

Cook potatoes in salted water until tender. Drain. Beat until smooth and fluffy. Mix in butter, non-fat dry milk, salt and pepper. Fold in green pepper. Serve hot with Savory Meat Sauce.

JELLIED VEAL LOAF

- 2½ lbs. veal shank
 - 2 quarts boiling water
 - 1 teaspoon salt
 - ¼ teaspoon celery salt
 - 1 teaspoon chopped parsley
 - A pinch of thyme
 - 2 tablespoons gelatine
 - ¼ cup cold water
 - 1 teaspoon chopped onion
 - 1 hard-cooked egg
- Simmer veal shank in water with salt, celery salt, parsley and thyme until meat falls from the bone, about 1½ hours. Strain liquid and save (there should be about 2 cups). Chop meat (there should be about 2 cups). Soak gelatine in cold water for 5 minutes. Add to hot, strained veal stock and stir until dissolved. Set aside to chill. When it begins to stiffen, add onion and chopped meat. Slice egg and place slices in bottom of a wet or greased mould. Pour meat mixture over egg. Chill until firm. Unmould and serve on lettuce. Yield: eight to ten servings.

Food Experts Suggest Unique Apple Sauce Pie

Apple juice is fast becoming a popular beverage in Canada today and rightly so because it is the juice of Canada's finest fruit. This juice with its delicious flavor has a variety of uses in any home. Aside from being a favorite breakfast juice, with young and old, it makes an excellent appetizer before dinner or it can be used as a juice base for jellied salads, frozen desserts or sauces for puddings. Here is a new recipe from the files of the Consumer Section, Canada Department of Agriculture for apple juice pie. It is simple to make and is a welcome and different dessert after any meal.

Apple Juice Pie

- ¼ cup cornstarch
- ½ cup granulated sugar
- Salt
- ¼ cup cold apple juice
- 1¼ cups hot apple juice
- 2 egg yolks
- 1 teaspoon butter
- ¾ cup grated unpeeled apple (1 large apple)
- 1 baked 9-inch pie shell
- 2 egg whites
- 3 tablespoons sugar, fine granulated or fruit

Mix cornstarch sugar and salt and blend with the ¼ cup apple juice. Gradually stir into the hot apple juice and cook in double boiler until thick, about five minutes. Beat egg yolks slightly and add a little of the hot mixture. Add to remaining mixture in double boiler and cook, stirring constantly, for 2 minutes. Remove from heat and add butter. When cool add grated apple. Fill baked pie shell. Top with a meringue made from the 2 egg whites and 3 tablespoons sugar and brown in a moderately slow oven, 325 degrees F. Yield: one 9-inch pie.

Canned infant foods were virtually unknown 20 years ago but from a small beginning they have developed into a business estimated to return more than \$5 millions annually to Canadian farmers and food processors, says the American Can Company.

Tangerines Puts New Zip in Winter Dishes

Tangerines, on the plentiful list, make sharp salads

Oranges, grapefruit and tangerines, all first-grade sources of essential vitamin C, are way up in the January plentiful list of foods. Therefore, this is a good time to make the wise resolution to get adequate amounts of citrus fruit into your family menus EVERY DAY of the year.

Serve citrus fruit juices, citrus fruit sections or citrus fruit salads at least once every day.

Serve citrus fruit juices, citrus fruit sections or citrus fruit salads at least once every day.

Here are some fresh ideas using tangerines, the kid-glove fruit from Florida. Being members of the vitamin C family in first-rate standing, they can play an important role in family pleasure and nutrition.

Tangerine Dessert Cups (6 servings)

Six tangerines, 1 grapefruit, 2 tablespoons sugar, optional, 6 pitted dates, cut.

Cut tangerine peel into 8 sections; peel about 3/4 of the way. Carefully remove tangerine sections from tangerine "cup". Cut sections in half with scissors. To section grapefruit, cut off peel in strips from top to bottom. Go over fruit again, removing any remaining white membrane. Cut along side of each dividing membrane from outside to middle of core. Remove section by section. Cut sections with a scissors into thirds. Combine with tangerine section; sprinkle with sugar if desired. Arrange fruit in tangerine "cups"; top with date pieces.

Tangerine Slaw (6 servings)

Three tangerines, 4 cups shredded cabbage, 2 tablespoons chopped green pepper, 1/2 teaspoon celery seed, 1/2 teaspoon salt, 1/4 teaspoon dry mustard, 2 tablespoons vinegar, 1/2 cup mayonnaise.

Peel tangerines; remove white membrane. Cut sections in thirds; combine with cabbage and chopped pepper. Add celery seed, salt, mustard and vinegar to mayonnaise; blend. Pour dressing over salad and toss well.

Better Reading Recommended By Mgr. Reid At N. D. G. Club

"Filthy fiction" and comic books form too large a part of current literature in the western world, Rt. Rev. Msgr. Martin P. Reid, P.P., D.P., of the Church of St. Augustine of Canterbury, declared ruefully at Friday's meeting of the Notre Dame de Grace Women's Club in Victoria Hall.

This weakness is quickly exploited by communists as evidence of corruption, the speaker pointed out, and should be viewed with alarm by clearer-thinking readers. He proposed a greater appreciation of the works of such gifted writers as Agnes Repplier, Mrs. Anne O'Hare McCormick, Barbara Ward, Jane Austen and George Eliot. These women had produced works of highest literary quality and ageless appeal, he said, citing illustrative passages from the "Repeal of Reticence" and the "Dozy Hours" by Agnes Repplier, the late American essayist. Barbara Ward's "Faith and Freedom" in the December Atlantic Monthly was also given as an example of worthy literature.

Msgr. Reid extended New Year's wishes to all the members, expressing hope that "all of last year's joys be repeated, and all of this year's plans be completed." He was introduced by Mrs. K. E. Norris, president of the club, and thanked by Mrs. M. R. Murray.

Club Choir Performs

Mrs. R. Uden, L.R.A.M., directed the Notre Dame de Grace Women's Club Choir, now numbering 35 members, in Malin's arrangement of "The Carol of Birds"; The Flowering Manger, by P. C. Buck; Evening Prayer, from Hansel and Gretel, by Humperdinck; The Sleigh, by Coultis; The Butterfly, by Charles Jenkins, and for an encore, Wassail Song. Mrs. S. S. Beamish was accompanist.

Mrs. Norris received at the door, assisted by Mrs. J. M. Purcell, first vice-president; Mrs. F. R. Murray, second vice-president, and Mrs. C. A. Camirand, third vice-president. Ushers were Mrs. S. A. MacSween, Mrs. R. G. Bain, and Mrs. H. L. Taylor.

Refreshments followed the meeting, with Mrs. H. M. Greenleaf

Chocolate Devil's Food Cake Returns for a Curtain Call

Here's the recipe for a velvety rich, fresh-staying chocolate cake. It rates No. 1 on the homemade cake parade. We've had many requests to reprint this recipe:

Brazil Nut Devil's Food Cake

One-quarter cup shortening, 2 cups firmly-packed brown sugar, 2 eggs, 4 squares (4 ounces) unsweetened chocolate, melted, 1/2 cup chopped Brazil nuts, 2 cups sifted cake flour, 2 teaspoons baking powder, 1/2 teaspoon soda, 1/2 teaspoon salt, 1 cup plus 2 tablespoons milk, 1 teaspoon vanilla.

Cream shortening; add sugar gradually and cream thoroughly. Add eggs, one at a time and beat until light and fluffy. Add melted chocolate and beat well.

Mix in Brazil nuts. Sift together flour, baking powder, soda and salt; add flour mixture alternately with milk to batter. Stir in vanilla. Pour into 2 deep greased 8-inch layer pans and bake in moderate oven (350 degrees F.) 35 to 40 minutes.

Let stand 5 minutes and remove from pan. Cover with glossy chocolate frosting and garnish with Brazil nut petals. Yield: 2 8-inch layers.

Glossy Chocolate Frosting

Three squares (3 ounces) unsweetened chocolate, melted, 1 1/4 cups sifted confectioner's sugar, 3 tablespoons hot water, 3 egg yolks, unbeaten, 1/4 cup butter.

Pour melted chocolate into mixing bowl. Add sugar and water; mix well. Add egg yolks, one at a time, beating well after each addition. Drop 1 tablespoon of butter at a time in the mixture and mix thoroughly.

Brazil Nut Petals

Place whole Brazil nuts in cold water. Bring slowly to a boil. Simmer 2 to 3 minutes. Drain and cut into thin lengthwise slices about 1/8 inch thick.

C.W.L. Resolution Asks Continuance Of Rental Controls

The following is a copy of a resolution passed by the Catholic Women's League of Canada, Montreal Archdiocesan Council, in regular monthly executive meeting.

WHEREAS new construction has mainly been in the class of rentals \$65.00 and over or in housing plans for those in a financial position to purchase their homes either outright, by Federal Government loans or term payments;

WHEREAS it is reported that the Federal Government is considering the restriction of the construction of new houses owing to defense requirements of building materials and labor, which will further aggravate the shortage of housing;

WHEREAS landlords are presently frankly discussing the increasing of rentals after the "control" has been lifted and in some cases where tenants have been obliged to relinquish their homes owing to the heavy rental the rental has been increased for the incoming tenant who being without a house has felt obliged to pay it;

WHEREAS rentals have already in too many cases passed the "saturation" point and with food products are responsible for the present "high cost of living" increases would cause constriction and terror and create an economic burden beyond the capacity of the low-income group and young people desirous of getting married and establishing a home of their own, which groups form the major portion of the population;

The Catholic Women's League of Canada, Montreal Archdiocesan council, therefore, wishes to go on record as being strongly opposed to the removal of rental control as at April 31/51 deeming that the time is not yet propitious, that it would be disastrous to many, especially people living on a moderate pension, a serious blow to family unity as many homes would have to be broken up due to the economic pressure and that the governments — municipal, provincial and federal be notified accordingly.

Kaui, greenest of the Hawaiian Islands, is the "Garden Island". With pineapple fields sloping to the sea at Kapaa, and a vividly colored gorge at Waimea Canyon, it well lives up to the travel-agent description of a Pacific paradise.

Is it appropriate for your room? Is it a good companion for your other accessories? Does it fit in with the color scheme of your room?

The colorful doily shown here answers "yes" to all three questions. It is certainly a thing of beauty and will fit in with almost any type of room and most color schemes. The doily is inspired by the black-eyed susan daisy and has a center motif and a border of the yellow-petalled flowers with their black centers. Are you a crochet enthusiast? If so you'll be interested in hearing about the Canada-wide Crochet Contest that is being featured in the stores during the month of January.

This is the type of Contest that's fun for all. You don't have to write twenty-five words, finish a jingle or name the Seven Wonders of the World. All that's necessary is that you do what you most enjoy — in this case, crocheting.

A total of \$1200.00 in cash prizes is being offered to winners and you may enter in one or more of these eight classifications: tablecloths, bedspreads, luncheon cloths and sets, doilies, household items (such as curtains, coasters, pillow cases, pot-holders, chair backs, hot plate mats), fashion accessories, teen-age girls and men only.

The contest is being introduced in January but that doesn't mean you have to complete your entry in one month. You have until Oct. 1st, 1951 to send in your crochet work. So be sure to ask at the Needlework Department of your favorite store for an entry form and rules leaflet giving you complete information about entering this Canada-wide Crochet Contest.

Color in crochet is particularly attractive and is becoming more and more popular. Not only in fashion accessories but also in articles for the home. With new building going on in all sections of the country, many families are busy turning houses into homes. There's a difference between a house and a home, you know, and it's an important difference. A house is made of bricks and plaster, cement and shingles but a home is built on love and understanding, mutual interests and family pride.

Children's Theatre Production of "Pollyanna"

Shown above is a scene from "Pollyanna," a Children's Theatre production, directed by Dorothy Davis and Violet Walters, at Victoria Hall,

Saturday afternoons, Jan. 13 and 20. Dianna Johnson, Sally Rayner, Helen Liberman, Gerda Rother, Eileen Lerner and Sally Schneckenburg are included in the cast.

MRT To Present Broadway Comedy

In contrast with its recent highly successful production of Jean Cocteau's "Infernal Machine," dealing with Greek legend, the Montreal Repertory Theatre has chosen for its third major presentation this season "The Silver Whistle," Robert E. McEnroe's charming, whimsical comedy which the New York Theatre Guild introduced on Broadway a couple of seasons ago. The play will open on Thursday, Jan. 25, at the Guy Street Playhouse and will run through to Saturday, Feb. 3, except Sunday.

The Silver Whistle is a gentle

and humorous comedy about old folks in an old people's home who think that they are back numbers and have nothing else to do but to live out the rest of their lives in day-to-day monotony. But they have reckoned without the coming of Oliver Erwenter. Oliver convinces them that life really begins at sixty.

Thomas McBride, gifted MRT and radio actor, has been chosen to play the key role of Oliver. Mr. McBride will be recalled for his performances in the MRT productions of "This Way to the Tomb" and "I Remember Mama."

Vernis Christie, who appeared in the MRT Studio production of "Right You Are," will play the leading romantic role as Miss Tripp, the pretty nurse and Louis Burggraf, the amusing professor, Dingley of "Good-Bye My Fancy," will be seen as the Rev. Watson, in love with Miss Tripp.

For the remaining roles the MRT has assembled seven of its best character players. These are the old people whose trials and tribulations form the background of the action. The include Ramer Henry, Winifred Dennis, Sally Stark, Edward Wilson, Janet Campbell and Alfred and Beryl Dann.

Trinity Players To Stage "The Bridge" Jan. 24-27

Trinity Players will present as their third production of the season, Joseph Schull's "The Bridge". The play will be given on the evenings of Jan. 24 to 27.

The production will be under the direction of Charles Rittenhouse, C.D.A. and the scenic artist will be Bruce LeDain, whose set for Trinity's first production of the season drew favorable comment.

Noted Baritone Directs Section

The Hon. Omer Cote, provincial secretary, has announced that the section of Vocal Art of the Conservatory of Music of the Province of Quebec will open, Jan. 22, under the direction of Martial Singher, baritone of the Opera of Paris and the Metropolitan, and Roger Filiatrault, outstanding Canadian singer.

Students should register for the courses from Jan. 10-19, at the secretary's office of the Conservatory of Music of the Province of Quebec, 1700 St. Denis Street, Montreal. At the same address the examinations for admission to this course will be held on Monday, Jan. 22, from 10 a.m. until noon; and from 2 p.m. until 6 p.m.

To be admitted to these courses, one must be a Canadian citizen who has lived in the Province of Quebec for at least three years.

The candidates must have their senior high school leaving certificate, or its equivalent. As an exception granted this year only, the age of candidates must be of 25 years complete for women, and 27 years complete for men.

Only 12 candidates will be accepted and these will be the first twelve in the contest, which will be based on: (a) Sight-reading in the treble and bass clefs; (b) Elements of music; (c) Musical dictation; (d) Ear test, including the chord of Dominant seventh.

St. Matthias Pack Holds Competition

The Pack opened its 1951 meetings last Friday night. Colin Aykroyd passed his Union Jack and now only has a few more items to complete in First Star.

Roger Bellingham and Peter Gillespie ran with the verbal message one of their Second Star tests. Peter also completed his shoe shining test. It is hoped that both these Cubs will complete the balance of Second Star next Friday.

As the Sand Six did quite a good job of badge work in December, they are now leading the monthly competition with 142 points. The Red are second with 119.

Mr. Gilhooly will be up tonight and perhaps a few more badges will be passed, possibly other Sixes will close the gap by gaining points. There is still a chance to do well in the competition with three more nights for it to run.

Musical and Mystery Thriller Starting Sunday at Westmount

"Tea for Two," opens its local engagement at the Westmount Theatre on Sunday.

Starring Doris Day and Gordon MacRae, the Warner Bros. Technicolor extravaganza has been spared nothing in the way of production values, and big numbers, gay tunes and beautiful chorus lines fill the screen. The film also introduces two outstanding Broadway musical stars, Patrice Wymore and Virginia Gibson, fresh from recent successes on the New York stage.

Most of the hit songs in the film are handled by MacRae, as a singing composer, and Miss Day, in the role of a career-bent heiress who loses her money in the stock market crash.

Gene Nelson, who won acclaim for his nimble footwork in "Rosie O'Grady," is highlighted in an amazing staircase dance and unusual African rhythm number atop a huge drum, while comedians Billy De Wolfe and Eve Arden go through their respective routines to key the film's laughs.

"Tea for Two" is set in the nostalgic 1929 period, and concerns a band of vaudevillians whose efforts to produce a show are hampered by the Wall Street panic. It's the events leading up to their finding a backer that makes for the music that predominate in the story.

Among the songs heard are "Oh Me! Oh My!," "Do, Do, Do," "I Know That You Know," "Crazy Rhythm," "I Want To Be Happy," then, "No, No, Nanette" and the title song number, "Tea for Two."

David Butler directed the film for Warner Bros.

Added Attraction

As a man of ungovernable temper, given to swift and violent rages, Humphrey Bogart currently is starred in one of the most unusual, most suspenseful pictures of his career. The film is "In A Lonely Place," with lovely Gloria Grahame as the girl who tries to subdue the untamed and untameable Bogart. This picture is the added attraction.

Based upon a mystery novel by Dorothy B. Hughes, the new Bogart picture is essentially a story of suspicion and suspense. As a

Hollywood writer who is the last known person to see a murder victim alive, Bogart is faced by an increasing tension, a growing suspicion.

In vivid contrast to the darkening world created by that suspicion is his delight in the glowing presence of an attractive young actress. Miss Grahame, as the actress, is the girl who first clears the writer with the police; later, when their romance flourishes, she falls prey to tormenting doubts and questions.

WHS Pucksters to Meet West Hill

Gordon Smith Captures Ross Swim Trophy

In the recent New Year's Inter-Branch Swimming Meet, held at Central Y.M.C.A., a young 11-year old boy from Westmount Y.M.C.A. came through with flying colors to capture the coveted Ross Trophy — awarded to the winner of the Boys' 12 years and under 50-yard free style event. Gordon Smith, a member of the Junior Boys' Division of the local "Y" and a constant point getter for Westmount "Y" swim team, covered the distance in 37.6 seconds. J. Donohue and Bruce Owendun, both of Central "Y", finished 2nd and 3rd respectively.

High point man for the Westmount swimmers was a 10-year old Junior — Ron Taylor — who turned in one of the best performances of the meet. Swimming in the 10 years and under classification. Taylor captured first in the 25-yard Free Style, first in the diving, second in the 25-yard

Locals Drop Opening Game to Loyola 5-3

By ALLAN SANDY ELIUS

This afternoon at 4.00, West Hill High's Senior A hockey aggregation play host to Westmount at the Lachine Arena in what will be the second game of the season for both teams. Jim Patrick, along with his charges, feels that after the showing they made against Loyola on Monday, the local fellows should give the Red and Grey machine a good workout. West Hill were downed by Montreal High 4-1 at the Forum Tuesday.

With the first game of the winter season for Westmount's Juniors, coached by Ross Rubenstein, having been cancelled, the squad is looking forward to taking William Dawson Monday when the teams clash at the Forum.

The WHS Senior A basketball quintet play the second battle in their league on Thursday when they invade the Baron Byng.

EARLY START

The place: Loyola Stadium. The time: 4:00 p.m., Monday, January 8, 1951.

The teams: Westmount High Seniors and Loyola.

From the centre-ice faceoff, Bob Forrest flips the puck to Charlie Baillie. Baillie takes two strides to just inside the Loyola blue line. He shoots. He scores! The time: 4:03 p.m.

Thus was the start of this year's Senior A hockey festivities. But this happy state of affairs (from a strictly Westmount viewpoint)

breast stroke, and second in the 25-yard back stroke.

Other point getters for the Westmount squad were John Moffit, placing second in the 100-yard breast stroke, and Don Seller, who captured first in the 15 years and under diving event.

did not last long as three minutes later the Maroon and Green scored on a partial breakaway with WHS's Baillie putting the locals ahead again five minutes later.

SCORE TWICE

In the second frame the Loyolians scored twice to go in front 3-2. However, Rollo Bradley slapped in a backhander assisted by Don Cope for the equalizer with one minute to go.

The game blew up in the third period after action had seen-sawed back and forth for 10 minutes when Foley and Gagnon put two quickies past Johnny Swaine less than a minute apart.

Sixty seconds later the game ended with the collegians on the heavy end of the 5-3 score.

For Westmount, Bob Forrest was credited with two assists and Fred Hofman with one.

Next Wednesday afternoon at the Verdun Auditorium the local A pucksters will tangle with a fast-skating sextet from Verdun. The Verdunites opened their schedule on Tuesday by losing 2-0 to D'Arcy McGee.

On The Spot

That's where goalies all over the country are now as the hockey season rolls into its second half and the drive for playoff positions becomes something really bitter. This particular goalie is Terry Sawchuk of the Detroit Red Wings, defending National Hockey League champions.

BUS TOUR

The next bus tour will be held on Sunday, January 21, when the club will enjoy a ski outing at St. Sauveur with lunch at the new clubhouse.

A general meeting of the Westmount Ski Club will be held next Thursday at 8:00 p.m. at the Westmount Y.M.C.A. A fine program of ski movies will be shown, including Luggi Foeger's "Rhythm on Snow."

SKI TESTS

Tomorrow afternoon at 1:00 o'clock, Norrey Owens and Ragnar Hveslef have organized a ski test for junior skiers on Westmount mountain. This test will consist of several runs through slalom flags with times being recorded. It is hoped that this will inaugurate a series of weekly tests to promote better skiing and to promote the use of the new ski trails on Westmount mountains.

Doug Mitchel has accepted the chairmanship of the house committee, and all clubhouse members will be given a turn at being responsible for certain clubhouse duties for one week-end during the winter.

N.H.L. Notes

New York Rangers sprung from last place in the standings a week ago to third place. The Broadway Blue Shirts have lost only two games in their last 13 starts. They won three in a row this past week. The Rangers have 33 points, one more than Boston Bruins and Montreal Canadiens who are deadlocked with 32 points apiece. Chicago Black Hawks moved into the cellar with 30 points.

Detroit Red Wings remain in first place in the standings with a five-point edge over Toronto. The Wings have 52 points to the Leafs' 47.

Gordie Howe of Detroit added two goals and an assist during the week to bring his totals to 16 goals and 24 assists for 40 points. This is two more points than Toronto's Max Bentley. Bentley has 15 goals and 23 assists. Third highest scorer is Tod Sloan of Toronto with 32 points. One point back of Sloan is Canadian's Maurice Richard. Richard, top goal-getter among the players

Memorial Game This Saturday

Basketball fans will gather in memory of Doodle Bloomfield, who recently died after a short illness, when the fast travelling Bensonhurst Jays from Brooklyn meet the 'Y' Senior Blues Saturday evening in the Sir Arthur Currie Memorial Gymnasium. The preliminary game will bring Ottawa B'Naith Brith against the 'Y' Junior Blues.

The game that will honor the memory of one of Canada's finest cage stars will bring back many memories of the days when Bloomfield was at his peak. Bloomfield played in three national finals on the same McGill court. In addition, as a member of the Eastern half of 1948 Olympic Team, he had the satisfaction of defeating the famed British Columbia University that composed the western half of Canada's Olympic representatives.

Coch Praises Star

Coch Gold of the Bensonhurst Jays, when informed that this game would be a Bloomfield Memorial Game, expressed his opinion that the Jays feel highly honoured to participate in the program. Gold, in his first visit to Montreal three years ago, rated the late Bloomfield as one of the outstanding players in the game on both sides of the border.

Meanwhile, plans for the game are in the hands of Abe Ditzkofsky and his committee. Details of the evening will be known shortly. Tickets for the game are available at the offices of both 'Y' buildings.
