Dr. Giles Officially Opens New Campbell's Bay School

Campbell's Bay played host to Quebec's number one man in Protestant Education last Friday night, when Dr. E. S. Giles officially opened the new Public School on Campbell's Bay's main Street.

On the platform of the spanking new auditorium of the school were Dr. and Mrs. Giles, winding up a two day visit to the County of Pontiac; Emcee Ken Musgrove, secretary to the Central School Board, Rev R. Percival of Campbell's Bay; Ray Johnston, Quebec member from Pontiac in the recently dissolved parliament; Arthur Dagg, Chairman of the Central School Board; Aso Smith, Chairman of the Campbell's Bay Protestant School Board; Dr. S. E. McDowell, member of the Protestant Committee of Quebec on education; Mr. Paul Martineau, M. P; representing the federal constituency of Pontiac - Temiscamingue at Ottawa; Mel Andrews, principal of the Campbell's Bay School; William S. Wilson, of Cascades, contractor who built the school; Malcolm McLean, architect, who supervised construction of the school; Loren Hodgins, chairman of the Litchfield School Board; Mrs. L. R. Quaile, secretary-treasurer of the Campbell's Bay Protestant School Board.

The evening got off to a good start when Miss Shirley Letts mounted the platform and most graciously presented Mrs. Giles with a bouquet, and Dr. Giles with a boutonniere.

This act evoked a most enthusiastic response from the large crowd which by this time nearly filled the auditorium.

Rev. Percival of Campbell's Bay delivered the Invocation; greetings were brought by Ray Johnston from the provincial government; from the Campbell's Bay School Board by Asa Smith; from the Central School Board by Arthur Dagg; from the federal government by Paul Martineau.

Mr. Mel Andrews, principal was called on for his remarks and welcomed Dr. and Mrs. Giles on behalf of the school staff and the pupils. Welcomed by him also were the parents and members of the various local boards from around the County most of which were represented at the opening. Espcially noteworthy among the latter was Mrs. Gordon Gibbons, chairman of the Portage du Fort school Board, and Warden of Pontiac County. Mr. Andrews extended an invitation to the parents to visit the school as often as passible, and discuss their children's problems with the staff.

Dr. Giles was introduced by Dr. E. McDowell, who pictured the guest speaker as " a man of very quite movements, but one who gets things done".

Dr. Giles, on rising, thank-Dr. McDowell for the introduction and expressed his appreciation for the work he is doing on the Protestant Committee, especially in matters relating to rural problems. Dr. Giles contrasted the school at Campbell's Bay as he first saw it twenty years ago ,and its situation today. He recalled that at that time the five teachers at the school earned a total of $3,050, and revenues amounting to a total of $3700 were derived solely from taxes and school fees. How different the picture today, when substantial assistance is received from the province, and locally a special rate of 80 cents is levied an an assessment of over $400,000 just to cover the annual cost of the new building.

Touching on the subject of the teacher supply in Quebec, Dr. Giles stated that there was a need for the training

Lucille Hodgins Does It Again

At the largest competition ever sponsored by the Ottawa Highland Dancing Association of which Lee Hodgins is the president, a record of 96 contestants danced last Saturday at the Teachers College, Ottawa.

The highest aggregate score was won by Lucille Hodgins, who finished first in five competitions, Highland fling, sword dance, Sean Truibhas, jig and hornpipe. For this unique achievement Lucille was awarded the Allan Quinn Jewellers Trophy. Mrs. Molly McGregor of Toronto was the judge.

28 Pontiac Boys Study Renfrew Forest Program

Mr. James McCuaig of Bryson, chairman of the Reforestation Committee of the County of Pontiac organized and supervised a tour for a group of 28 boys of grade 7-8-9 from the various schools in the County of Pontiac on Friday of last week. They were accompanied by the Warden Mrs .Elsie M. Gibbons representing the County and by Mr. Gerald Hayes, Mayor of Sheenboro, Que.

The group was transported by bus at 9 a.m. to visit plantations and reforested tracts in the County of Renfrew at Forresters Falls, Beachburg, Cobden, Golden Lake, Eganville and Townships of Westmeath and Wilberforce.

They were met at Beach's Lake by Mr. R. Groves, Timber Supt. and Mr. C. R. Busko of the Ontario Dept of Lands and Forests who led the party on a tour, in the townships of Westmeath, to a farm that had been purchased by the County ,through an agreement with the Dept. of Lands and Forests for reforestation, for a period of 30 to 50 years.

They visited a plantation of some 225 acres of Red Pine in its 8th year growth and more land is being purchased for this purpose.

Mr. Groves told of the insects and grubs that infest and damage these trees, such as the "Red headed pine soft fly" and the "White Pine Weavel" and explained the spraying program that is carried out to combat these distructive pests. He also stressed the importance of not smoking which in the woods and its danger.

Lunch was enjoyed under the shade of the beautiful pines. The group then journeyed on to the Township of Wilberforce where they viewed another project with about 10 men with spades planting the nursery pine on hills and stoney land filling in wherever there was a space of about 6 feet. They are all local men and are paid at the rate of 90c per hour.

The trees are shipped from Kemptville, Ont in bundles of 25 and these bunches are plac-

Liberals Have A Plan "To Save Quebec Millions"

Mr. Jean Lesage and his Liberal government, if elected on June 22, plan to save the people of this Province millions of dollars, according to Dr. Rodolphe Leduc, Gatineau M. P.

Dr. Leduc, speaking at the Quyon Liberal banquet last Thursday evening, said the plan is to call tenders for all public construction thus saving 20% of such costs over the present system, and to accept all federal grants which the Union National government has been steadfastly refusing.

Dr. Leduc said a change in government now would be to the advantage of all Quebec citizens.

Refused Grants

In expanding on the subject of refused grants, Dr. Leduc said Quebec's refusal to enter into any Provincial-Federal tax sharing agreement, refusal to allow the TransCanada Highway to cross our province, refusal to establish hospitalization insurance. and refusal of university grants have all harmed Quebec seriously.

The occasion was what candidate Wallace MacDonald called the campaign kick-off banquet. It was chaired by S. Wyman MacKechnie and ornamented by songs and stories by Gervase O'Reilly, Manager of the Quyon Fair and Quyon's talented young dancer, Charlene Mulligan, accompanied by Francis Daley and Mrs. Harland Rowat.

Quyon Mayor Billy Burke welcomed the guests to "the Gateway of Pontiac", Mayors McBane of South Onslow, Bertrand of Fort Coulonge, Herrault of Mansfield and O'Brien od Litchfield were introduced as were Pontiac's grand old Liberal Mr. Murray Smith, the candidate's wife, Mrs. Wallace MacDonald wearing a blue lace sheath and white flowered pixie hat) campaign manager Edgar Lance and secretary treasurer Clifford Lawn.

J. Oscar Laflamme introduced Dr. Leduc.

On the Trans-Canada Highway Dr. Leduc said that every other province was sharing in this project which gave employment to hundreds of people and would, if brought through Quebec, bring in hundreds of millions of dollars.

Hospital Insurance

Sixty million dollars annually was being passed up, said Dr. Leduc, by the present government's refusal so far to establish hospitalization insurance as all other provinces have.

Concert of Sacred Music Raises Funds For Home

The widest variety of sacred music was presented at Shawville High School Auditorium last Saturday evening when the weekly non-denominational rally was turned into a concert to raise money for the Pontiac Protestant Home for the aged.

A total of sixty dollars was realized beyond expenses and this was turned over to the Lions Cub of Shawville which is sponsoring the campaign for funds for the Home.

Twenty six performers took part with the accent on youth but sustained by such reliable talent as that displayed by Miss Kay Woodley, soloist of the Shawville United Church choir and Miss Ruth James, billed as "the sister of Homer" but whose singing rates praise in her own right.

Also singing solo numbers were Jennifer Dickson, Mr. Brent Smith and Bob Clifford.

Duets were offered by Dorothy Elliott with Doreen Beattie, Vene Shillington with Doreen Beattie, Sandra with Sammy Towell, and Vivian Hobbs with Jennifer Dickson, and Bob Clifford with Lowell Smith.

Two family trios were heard being first the three little Annett boys, Allen, Ronnie and Melvin, and later the three Dickson girls, Jennifer, Elizabeth and Marjorie.

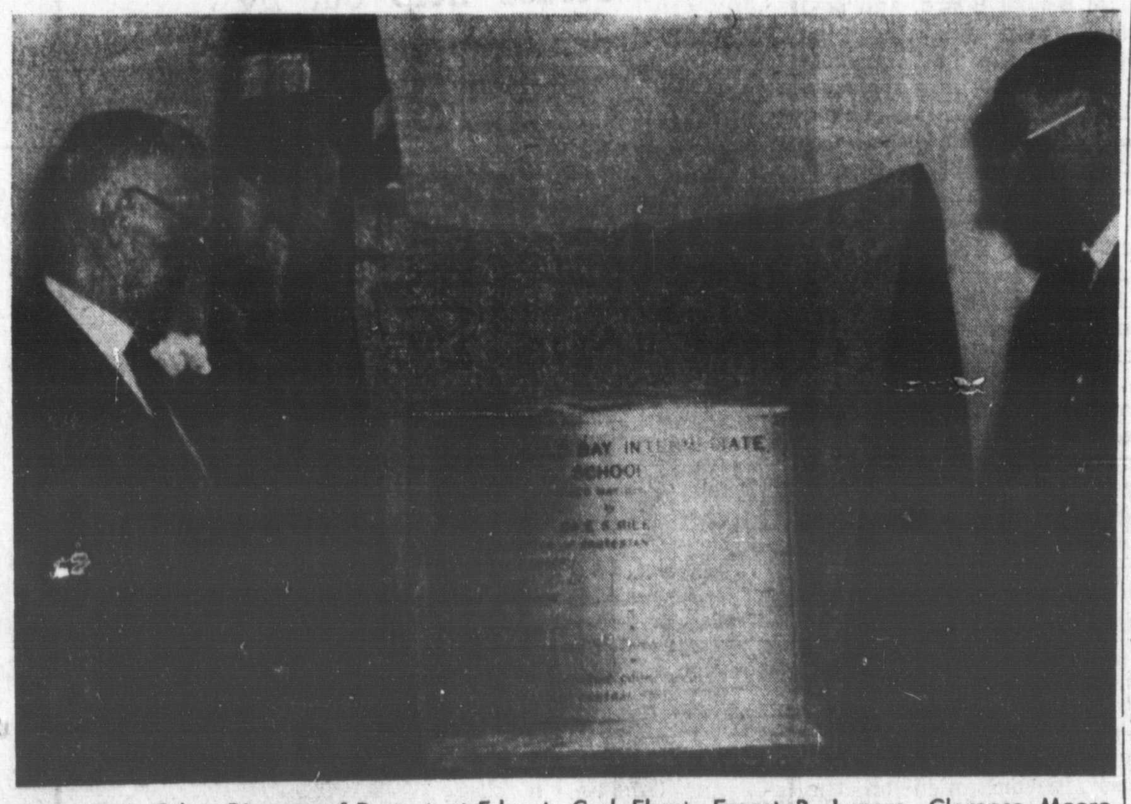
Piano solos were performed by Joan Smith and Linda Brown and a mouth organ and piano duet was played by Mr. Asa Smith and Miss Carrie Smith.

Other instruments on the program were the electric guitar of Mrs. McCorriston and other guitars by Hugh Horner, Ronnie Horner and George Towell, to the accompaniment of which these boys also sang.

A recitation of the Twenty Third Psalm by Donna Black formed one of the more quiet parts of the program and Miss Anna Smith's story with a puppet was the most amusing. This last number was followed by a number of Sunday School songs sung by an adorable group of tiny tots.

Master of ceremonies for the evening was Rev. R.W. McCaw who also made a number of announcements concerning the Missionary Convention May 20 21 and 22, the Camp Meetings July 20 to 31, the Youth Camp at Stittsville in July.

Weekly Youth Rallies on Saturday nights will be suspended during the summer months and will resume next fall.



Dr. E. S. Giles, Director of Protestant Education and Mr. Asa Smith are seen at the unveiling of the plaque at Campbell's Bay School. Inscribed are the following names: Dr. E. S. Giles, Board Members Asa M. Smith, Dr. J. Bradshaw, Carl Ebert, Ernest B. Lunam, Clarence Moorehead, Elmer Sturgeon, Raymond Johnston M.P.P., G. L. Rothney, Inspector, M. L. Andrews, Principal, W.S. Wilson, Contractor, J. M. McLean, Architect and Mrs. E. Quaile, Sec.-Treas. Equity Photo.

CONGRESS AT BAY

The annual Congress of Chambers of Commerce of Western Quebec will be held at Campbell's Bay this coming Saturday and Sunday.

The various Chambers, numbering about twelve, assemble each year to exchange ideas, and to adopt resolutions to be presented to government with the hope that their adoption will improve the lot of those living in Western Que.

The importance of the Congress cannot be overemphasized. Its deliberations are important to all residents of this end of the province.

We take this opportunity to congratulate the Campbell's Bay Chamber of Commerce for its enterprise in arranging for the Congress to take place there; and to wish all participating delegates successful conclave this weekend.

UPPER OTTAWA TELEVISION

Just as we are in high hopes that CFRA will get the license to operate the private TV station in Ottawa, we are also rooting for CHOV to get the nod in Pembroke.

In Ottawa the battle is between nine contenders and it is our firm belief that of the nine, the CFRA family is the one which will do the best job for the lower Ottawa Valley and the city of Ottawa.

In Pembroke, the only contenders are the CBC and the privately owned CHOV. There we are convinced that CHOV will do the best job for the upper Ottawa Valley and the city of Pembroke.

CHOV has been interested in television for the Pembroke area, which includes western Pontiac, for thirteen years. Through their efforts a channel has been designated for Pembroke.

If the CBC uses this channel for a satellite station, as they propose, it will merely retransmit what is already over CBOT. If Gordon Archibald and the gang at CHOV get the channel, they will be using as much local material as they can, providing a useful additional advertising medium for businesses in the area and generally fufil the needs of a community television station.

One interesting aspect of having a local TV outlet in the Upper Ottawa Valley is the possible use which could be made of local talent of which there is an unusually great supply centered around Deep River. In this one town alone there are probably more well trained choral groups, soloists, instrumentalists, dancers of every description (ballet, scottish, square) as well as experts of every possible subject such as the gathering and cookery of local herbs, proper methods in photography, ceramics, and other arts and crafts ad infinitum.

Such a fund of culture is found nowhere else in Canada and what better way could these well travelled, well educated people enjoy to share their advantages than a television station right next door?

When these private TV stations get going, and that could be very soon (CHOV by Christmas — CFRA by March), Mr. Archibald foresees a possible alliance between the private stations of Toronto, Montreal, Ottawa and Pembroke. He would also be in a position to use what programs he wished from the CBOT and thus could assure listeners of a well balanced TV diet.

Every way we look at it, we like the idea and do hope that the Board of Broadcast Governors will recognize that fact when they make their decision.

Johnston At Joliette

Ray Johnston, Union National candidate for Pontiac in the forthcoming election, and M.P. at Quebec since 1948, attended the opening rally at Joliette on Sunday on behalf of Party Leader Barette, who opened his campaign for re-election this week in Joliette. Ray represented the English speaking voters of the province.

Entering The High School in Shawville the other day, just as the entire school was in the process of moving from the class rooms to the auditorium, we were impressed by the orderly conduct of every student seen in the hallways. The student body moved with purpose to the auditorium; there was no chattering or horseplay enroute; what we saw was, in fact, a complete businesslike operation which speaks volumes for the discipline and esprit de corps so obviously in evidence at the school.

Those who have wondered what has been going on towards the rear of the grocery department of W. A. Hodgins store in Shawville need wonder no longer. Now nearing completion is a new meat department with three new refrigeration units for the storage display of cuts of all varieties. "Grand opening" date will be announced shortly, and is planned for later this month.

Planning a fall opening is the Bristol Separate School Board for their new school at Maryland, now being built by Russell Judd. The School Board expects to have the school in operation in time for the start of the school year in September.

Gleaning from the opening of the new school at Campbell's Bay. . .the school will shortly be accorded the rating of Intermediate school. . .next Fall, grades 4 to 7 from Portage du Fort Protestant school will attend school at Campbell's Bay, and along with the pupils from Portage will move Mrs. Rusenstrom, now the senior grades teacher there. . Arthur Dagg, chairman of the Central School Board, and associated with education in Pontiac for the past quarter century, forecast his replacement on the Central School Board at the forthcoming elections to be held in Shawville on May 16. His comment was that if "the new Central Board receives the cooperation in the next twenty years that we have received in the past twenty, then the younger generation will be living in Utopia". . .the initial program of school construction in Pontiac is now complete, reported Arthur Dagg, but there are signs of new needs for expansion in existing schools, notably Shawville, where at the moment there is a need for at least five more rooms, and the expansion program "will have to be undertaken in the very near future". . . a most suitable note was introduced into the proceedings when Miss Kay Woodley sang "Bless This House", accompanied on the piano by Mrs. Edgar Hodgins. . .the entire proceedings moved rapidly, but smoothly through the full range of speakers, thanks to the expert direction of Ken Musgrove.

Only 66 Donors In Shawville

Despite wide advertising and numerous phone calls made to past donors, the blood clinic at Shawville last Thursday was not an outstanding success. Quite a number of people were turned away on account of colds, a low blood count, arriving too late, having had previous conditions of jaundice or malaria or chest infections or having too recently given birth. These people were being refused either for their own protection or for the protection of those who would be receiving the blood.

The total number of donors was 66.

Chairman of the Clinic was Dr. Gerry Green, Convenor was Mrs. C. F. Jacques, Registrars were Mrs. C. Schwartz, Mrs. Nellis Hodgins, Mrs. Bronson, Mrs. L. Dale, Mrs. L. Lamb & Miss Katie Elliott. Assisting the Red Cross team from Ottawa were nurses Mrs. Zacharias, Mrs. Glenn, Miss D. Cuthbertson, Miss N. Paul and Miss S. Horner. Hostesses were Mrs. R. Smith, Mrs. Wm. Shaw, Mrs. A.C.F. Winslow, Miss Shaw, Mrs. Drummond, Mrs. M. Hayes, Mrs. Wm. McKinley and Mrs. C. Schwartz. Harwood Argue helped to unload and set up the equipment, assisted by Bill Hodgins. Capt. A. C. F. Winslow and Mr. Jack Argue were largely responsible for recruiting those who donated their blood.

At CWL Meeting

"Propagate Legion of Decency" Advises Father M. Tardiff

Propogate the Legion of Decency for Movies and the National Organization for decent literature was the advice of Reverend Father M Tardiff, Mattawa, Guest Speaker at the fifth Pembroke Diocesan Regional Meeting held at Deep River on Sun, May 1st.

Father Tardiff left two thoughts — The first was expressed by the Mother of God herself at Fatima in 1917 — If my requests are not granted, Russia will scatter her efforts throughout the world, provoking wars, and persecution of the Church".

The second was expressed by Edmond Burke — For the triumph of evil, all that is necessary is for Good people to Do Nothing.

Father Tardiff was introduced by Mrs. Lloyd Brewer and appreciation was voiced by Mrs. Greg Gervais.

The spacious auditorium of St. Mary's School was the meeting place of six Parish Councils representatives from Chalk River, Deep River, Matawawa, Rapides des Joachims, Rolphton and Stonecliffe.

Guests were welcomed by Rev. Father Burke P. P. and Mrs. Hugh Walsh Deep River C. W. L. Pres.

In addressing the meeting Rev. Father T. G. May Dioc. Director emphasized the fact that the C. W. L. is a National Organization mandated by the Hierachy with the Nat. Pres. speaking for all members across Canada. Interest should be taken in the works of the League on all levels, National, Provincial, Diocesan, and Parochial, doing the task assigned to the best of one's ability. Mrs. William Ringrose Dioc. Pres. chaired the conference.

St. Mary's, girls sang several hymns to Our Blessed Lady Three young girls placed a crown of flowers on her statue during the singing.

Mrs. H. Clawson, accomplished pianist rendered two piano solos.

Mrs. N. Gleason, Spiritual Convenor and Mrs. Clifford Lawn Convenor of Resolutions and Reports spoke on their work.

Mrs. Gleason urged members to be absolutely convinced that she can be an influence for good. As the Christopher Course teaches "You can change the world". Join the Blue Army and pray for Russia and for World Peace.

Let us get the most out of the C. W. L. by putting our very best into it. Let us be on the move for "God and Canada" was one of the messages delivered by Mrs. Lawn who stressed that everyone must have a goal. To Christianize its enviroment and to make the Community, the Diocese and even the country as a whole healthier places in which to live good Christian lives and practice virtue is the goal of the C. W. L. of Canada.

Mrs. Eldon Keon Prov. 3rd Vice-Pres. and Mrs. John P. Conway Convenor of Organization and Membership addressed the Meeting briefly.

The Highlights of the represented Councils were given by the respective Presidents.

A buffet supper followed, Deep River Parish Council were hosts.

ANNOUNCING

the BANK OF MONTREAL

Canada Centennial Scholarships

A SEVEN-YEAR PLAN

To commemorate the Centenary of Canada's Confederation and the 150th anniversary of Canada's First Bank ... in 1967

124 SCHOLARSHIPS of $750 to $5,000 in VALUE

... Every Starter Eligible for Final Awards

If you are a high-school student — well up in your studies and confident of graduating next month — here is a great opportunity for you.

If you are a parent, with a son or daughter ready for university this year, here is important news.

We are searching for 50 top high-school students graduating this June . . . young men and women ready for intensive university training in the Arts or Sciences.

From these 50 students, we hope to find eight outstanding young scholars for Canada's Centennial in 1967. They will be young Canadians of exceptional scholastic attainment — well-equipped and anxious to blaze new trails for the benefit of Canada . . . in scientific research, in the social sciences or in the humanities.

One of the winners could be *you* . . . or *your* son or daughter.

50 SCHOLARSHIPS OF $750 . . .

In a nation-wide competition opening this week, 50 of the most promising young Canadian men and women, graduating from high-school this June, will be awarded Bank of Montreal Scholarships, valued at $750 each, for entrance to first-year University next autumn.

These young Canadians will be drawn from all of the ten provinces according to population, with a minimum of two scholarship students from each province.

They will be judged by independent University Selection Committees on the basis of academic standing and character. They will enter a Canadian university of their choice as Bank of Montreal Scholarship Students to pursue studies in Arts or Science. Professional courses, such as law, medicine and engineering, are not included. *B of M Scholarship Students may hold other monetary scholarships for the first year only.*

48 SCHOLARSHIPS OF $1,500 . . .

In the Spring of 1961, the top 16 of these 50 students will each be awarded a B of M Scholarship of $1,500 for second-year university training.

In 1962 and 1963, provided at least good second-class grades have been maintained, these same students will each be awarded a B of M Scholarship of $1,500 per annum . . . leading to graduation in 1964.

24 FELLOWSHIPS OF $3,000 . . .

In the Spring of 1964, the top eight of these 16 students will each be awarded a B of M Scholarship of $3,000 for one year's study anywhere in Canada or abroad.

In 1965 and 1966, provided a satisfactory standard of work has been maintained, these same students will each be awarded a B of M Scholarship of $3,000 per annum for further study leading to their Doctorate.

2 BANK OF MONTREAL CANADA CENTENNIAL AWARDS OF $5,000 . . .

In 1967, to culminate this seven-year plan, the two top students — one in Arts and one in Science — will be chosen, from *all* 50 participants in the plan, to receive the Bank of Montreal Canada Centennial Awards of $5,000 each for a further year of study anywhere in Canada or abroad.

Thus, to each of these two winners — if they have been participants throughout the plan — the Bank will have provided financial assistance amounting to $19,250.

HOW SCHOLARSHIP STUDENTS ARE CHOSEN . . .

Scholarship students are chosen on merit alone — academic standing and character — by independent Selection Committees of faculty members of Canadian universities. *The Bank will have no part whatever in the decisions taken by the Committees.*

In developing the plan, the Bank of Montreal is in no way seeking personnel for its own staff, but men and women who — through scientific research and pursuits in the public service — will contribute in some notable way to the common good of the nation in the years ahead.

SEE YOUR BANK OF MONTREAL BRANCH AND MAKE YOUR APPLICATION WITHOUT DELAY . . . DO NOT WAIT UNTIL YOU HAVE RECEIVED YOUR EXAMINATION RESULTS. ACT NOW.

HOW STUDENTS IN QUEBEC SHOULD APPLY . . .

Interested Quebec students, graduating from Fourth Year High School this June with College Entrance Junior Certificate, should visit their neighbourhood B of M branch and ask for the "Handbook for Candidates" for the Bank of Montreal Canada Centennial Scholarships. This booklet explains the Scholarship Plan in detail and outlines the simple steps required to register your application for consideration by the Selection Committee of Quebec for one of the 13 scholarships available in 1960 to students of this province.

If there is no branch of the Bank in your district, then — and only then — you should address your request to: The General Manager, Head Office, Bank of Montreal, 119 St. James Street West, MONTREAL, Que.

Makes a man feel ten feet tall! What does? Why, having money in the bank, of course! When you've got a nice pad of savings behind you, you can take advantage of sale prices. And when you spot something you want, you can pay cash for it. Or, if someone in the family gets sick, it's nice to know the money is right there to look after him. The fact is, everything in life looks better when you've got cash in the bank. And it doesn't take long to run up a nice sum when you make small but regular deposits. Yes sir, money in the bank really does give a man that ten-feet tall feeling. Do you know where I save my money?

Forest Visit

(Continued from Page One)

ed in a low swampy soil to keep moist during the planting process.

Other organizations assisting with this work are the Boy Scouts who have a program of tree identification and tests in forestry, and the Kiwanis Club of Pembroke who have a project of planting Xmas trees for sale to assist with the work for under privileged children. The Ontario Land and Forest Department visits the schools and lectures to the students on the importance of reforestation and conservation. The 4-H Forestry Clubs also assist in tree planting.

During the day the Pontiac group visited a project of Christmas tree production by a resident of Pembroke. He pays the cost of tree transportation, approximately $14.00 per 1000 trees and has to keep them trimmed each year in the months of June or July and protect them from fire and insects for about 5 or 6 years before they are large enough to go on to the market.

The idea of this tour was to create more interest in the County of Pontiac both through County Council and the High Schools of the importance of reforestation on our many acres of waste land in our County and to save the County from erosion by wind and water.

Expressions of appreciation and thanks were extended to Mr. Groves on behalf of the Pontiac County Council and the students for the very interesting and educational tour in the County of Renfrew. It had been very beneficial.

Mr. Groves then extended an invitation to the parents of these students and the other County of Pontiac Councillors to visit these areas in the near future and said he would be pleased to be their host for the tour, and would try and have representatives of the County of Renfrew Council present to meet the delegation.

This completed a full day, the visitors returning home about 5:30 p.m.

On this tour were:

From Calumet Island, Thaobert Dufour and Oscar Tomangeau;

from Ladysmith, Gary Bretzlaff, Bobbie Dale, David Dahms and Dennis Shepherd;

from Sheenboro High, Gerald Tallon, Pat Sullivan, John and Joseph Smits;

from Campbell's Bay, Bobbie Lance, Douglas Sloan, Dean Moodie, Howard Hodgins, Ritchie Moore and Allan McGuire;

from Vinton, Mike Sloan, Bobbie Sloan, Nelligan Desjardine, Richard Broisbois & Allan Hearty;

from Fort Coulonge, Jackie Jewell;

from Shawville, Murray Graham, Brent Schock, Gary Schwartz, Bill Smith, Ross Campbell and Albert Armstrong.

These boys were chosen by the interest they have taken in Reforestation and to qualify had to have a certain percentage in grade standing.

They will be asked to write an essay on the subject of reforestation and a prize will be awarded for the best paper.

WALTHAM CWL

May Meeting And Membership Party

Thirty-four members assembled in the school auditorium for the May meeting and Membership Party which was held on May 3rd.

Rev. D. Donahue Director opened the meeting with prayer Mrs. Labelle Pres., was in the chair. Among the correspondence read were letters of appreciation from Rev. Father Walsh for a donation to the Sacred Heart Radio Program and Mrs. R. St. Pierre a member; to whom the C.W.L. had given a Missal on her taking up residence in Val D'Or.

Preparations were discussed for His Excellency Bishop Smith's visit for Confirmation on May 28th; also for first Communion breakfast in early June at which, besides the 1st communicants and their parents, will be invited the members of the choir, Altar boys and the Sanctuary Girls.

Gifts are to be purchased for Normal and High School Graduates of the Waltham Mission. Flowers for the forty hours and two dozen nesting chairs for use at social events.

Rev. Father Donahue addressed the meeting, congratulating the members on the splendid turnout and the spirit of cooperation and interest. The president welcomed Fr. Donahue and the new as well as the old members, inviting them to bring in new ideas and suggestions, thus creating greater interest. In concluding Mrs. Labelle gave a brief outline of the history of the CWL from its origin to the present time.

The meeting closed with prayer and the director's blessing.

Immediately following this games were played and tne winners were eligible for prizes.

Refresnments were served. Hostesses were Mrs. Len Dupuis, Mrs. Leo Etnier, Mrs. V. Gagnon and Mrs. L. Becnamp.

Campbell's Bay School

(Continued from Page One)

annually of between eight and nine hundred new teachers. At present time only about six hundred are enrolled for that training. Consequently, he said parents are asked to encourage their sons and daughters to take up teaching. People are needed, he said, who are willing to accept the challenge of being teachers; and, the need is most urgent for teachers who will encourage pupils to think. Continuing this theme, Dr. Giles pointed out that the school can never supplant the home as a source of training; and that the home is the sphere of greater influence. The primary aim of the school he said, is to cultivate the ability to think to a purpose, so that graduates at our schools can enter the free world able to make a positive contribution consequent on conclusion reached through independent thought.

At the conclusion of his address, Dr. Giles moved to the side of the stage and, removing the covering cloth, unveiled the bronze plaque bearing the name of the school, the date of opening ,and the names of the school board members. In so doing, he declared the school officially opened.

It has been planned that school board member Dr. Bradshaw would thank Dr. Giles, however, Dr. Bradshaw was unavoidably absent, and the speaker was thanked, most suitably, by Ray Johnston.

The benediction was pronounced by Rev. R. W. McCaw of Shawville.

Refreshments were served by the Campbell's Bay United Church W. A.

Court Report

The following appeared at Court in Campbell's Bay, P. Q. April 29/1959.

Three months in jail for theft

Rudy Chartrand, 25 yrs, of Petawawa, Ont. pleaded guilty before District Judge Avila Labelle on two charges of having stolen from two cars parked in front of the Moorhead Island Lodge at Demers Centre, on the 27th day of February 1960, clothing, tools, and hockey equipment of an approximate value of $425.00; He was sentenced to three (3) months in jail from the time of his arrest. Most of the articles stolen were recovered by the police.

Investigating and making the arrest was Sgt. Detective Andre Audet, QPP of Campbell's Bay.

Edward Lair of 327 Somerset St., Pembroke, Ont, an accomplice of Rudy Chartrand, had his preliminary inquiry on the same two charges, and was committed for his trial at the next term of the Criminal Assisses to be held in Campbell's Bay on the two charges as laid, and District Judge Labelle also ordered that he be committed for trial on two additional charges of having in possession property obtained by crime. He was released on a $100.00 cash bail-bond.

Royal Rochon of Lac Cayamant, P. Q. pleaded guilty and was sentenced to 18 days in jail for assault on his wife. He also was ordered to furnish a personal bail-bond of $300.00 to keep the peace for a period of two (2) years.

Ronald Gagne of Pembroke, Ont., pleaded guilty of having caused a disturbance at the Moorhead Island Lodge, and was sentenced to pay the Court Costs or spend 8 days in jail.

On a second charge of having caused damages to property, he was ordered to pay for the damages caused, or spend an additional 8 days in jail.

Pierre Tremblay, of Chapeau P. Q. pleaded guilty and was sentenced to the time already spent in jail (9 days) for assault on his wife. He also was ordered to furnish a personal bail-bond of $200.00 to keep the peace for a period of two (2) years.

Garry Hawthorne of R. R. number 1, Cobden, Ont. pleadded guilty on several charges, and was sentenced as follows:

a) for having caused a disturbance at the Village of Portage du Fort, $25.00 fine, ordered to pay the Court costs, or spend 8 days in jail.

b) for having caused damages to property, ordered to pay for the damages caused, or spend 8 days in jail non-concurrent.

c) for resisting arrest, $10.00 fine, or spend 8 days in jail non-concurrent.

d) on a charge of assault causing bodily harm to Mr. Robert Wilson, $25.00 fine, ordered to pay the Court Costs or spend 8 days in jail.

Investigating and making the arrest on the first three charges was Cecil Orr, Chief of Police of the Village of Portage du Fort.

On the 4th charge, investigating and making the arrest was Constable Earl Bennett, QPP of Campbell's Bay, P. Q.

Closed Circuit TV At Connought Park

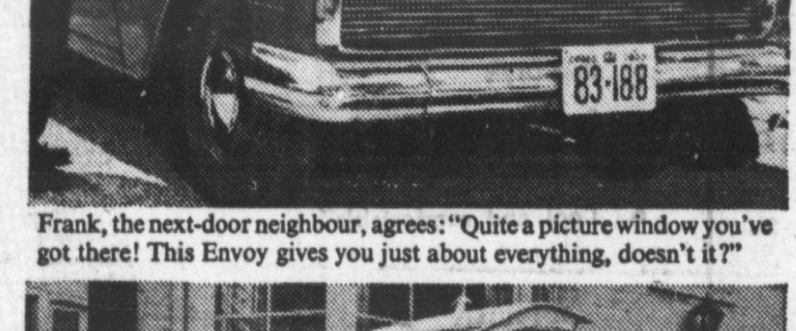
Connaught Park patrons will receive still another thrill when the big Summer Race meeting gets underway Saturday of this week, May 14th, In addition to the big lights, the mobile gate, the Pari-Mutuel Totalizator and other recent inovations, Connaught Park has arranged for the installation and production of another attractive feature. This is Closed Circuit Television, through which people in the Pari Mutuel Pavillion and the Clubhouse will be able to follow every race from start to finish on television screens. Connaught Park has closed a contract with the Telautovision Company, of Los Angeles, for the installation and operation of the Closed Circuit Television and the equipment is now being hooked up at the local track. Its paraphanalia includes several hundred miles of cable and wiring; photographic reproduction cameras and screens, all of which will be manipulated by two expert technicians from the Pacific Coast.

The parades for each race; the starts and finishes and possibly the entire half mile heat will be reproduced on the various screens, so that in the event of unfavourable weather, patrons will be able to see each contest without going outside. The probable odds, final wagering; the payoff prices and other photographic incidentals will all be shown.

Pete, the serviceman, agrees: "Yes, sir . . . 100 per cent! This new Envoy of yours sure checks out! That's your 2,000-mile inpection, and it's really in top shape!"

Frank, the next-door neighbour, agrees: "Quite a picture window you've got there! This Envoy gives you just about everything, doesn't it?"

Mr. Thompson, the antique dealer, agrees: "Sure we can get all the chairs in here easily! There's all the room you'll ever need in this wagon!"



Parking lot attendants agree: "There's all kinds of power in that four-cylinder engine ma'am! Came up the ramp like a breeze!"

George, our first passenger agreed: "This Envoy is the best ride going . . . nice to see that standard shift up on the steering column!"

Dave, the fly-fishing fan, agrees: "This Envoy station wagon got us in here so smoothly, I hardly knew we'd left the highway! Rough roads don't seem to bother it a bit!"

We—and our friends—all agree: "Envoy's a standout for color, style and class!"

Everyone agrees:

"ENVOY GIVES YOU A GREAT DEAL MORE—FOR A GREAT DEAL LESS!"

That's Envoy—talk of the town! This outstanding new car value from General Motors offers everything you want in a car... at a price so low you'll be surprised! Styling, performance, amazing gasoline economy, comfortable riding... all yours in an Envoy! There are four outstanding Envoy series... three superb sedans and the dashing Sherwood station wagon! See and drive Envoy—the car designed especially for Canadians... manufactured for General Motors of Canada, Limited, by Vauxhall Motors Limited, Luton, England.

Mom and Dad agree: "It's a comfort to find a car you can get in and out of so easily! This Envoy of yours is the best yet, son!"

Liberals Have A Plan

(Continued from Page One)

Education Grants

The Union National governments refusal to accept university grants in this province has lost us over eight and a half million dollars, said Dr. Leduc.

Quebec, said this Liberal Member for Gatineau, is over taxed — the most taxed of all provinces, and the Union National, he said is not making any gifts when it provides certain grants, it is only returning to the people a part of their tax money.

Everyone, urged Dr. Leduc, should take an interest now and work for the defeat of the Union National. All the ministers in the Union National cabinet, said Dr. Leduc, are just as responsible for the current situation as was Mr. Duplessis.

Lower Taxes

"There's a way to lower taxes" concluded this ardent party member, "and that is to put the Liberals into office."

Hugh Proudfoot, introducing the next special speaker, let off a few well aimed volleys against the Provincial Police whom he insistently calls, "the Gestapo".

"This Province", said Hugh, "has become the laughing stock of the country."

The Honourable Paul Earl, Liberal Member for N.D.G., Montreal, brought the regards of party leader Jean Lesage and commended the Pontiac Liberal organization on their spirit and interest.

Six Hundred Million

He said the actual loss to Quebec for refusing the above mentioned federal-provincial arrangements was $629 million which can never be reclaimed. However, pointed out Mr. Earl taxpayers in Quebec still pay the federal taxes to support like amounts which go to the other nine provinces.

He said the reason Quebec wouldn't have Trans-Canada Highway construction within our borders was that "it would mean allowing a member of the federal Public Works Department to sit in on the opening of tenders with respect to such construction and this was against the Union National principles".

"These principles" said Mr. Earl, "cost Quebec a lot. A Quebec highway costs two million dollars a mile to build where a highway in Ontario costs four hundred thousand." And this, said Mr. Earl, is because in Ontario they use the tender system.

Commercial Failures

On another subject, N.D.G. Member Earl said that the largest number of commercial failures in all Canada, 75% of the total, occur in Quebec and that the Union National Government has done nothing to help or to stop it.

Farm Income Down

He felt the Union National Government had no concern for the province's farmers as it had never called together its Agricultural Committee. A 52 million dollar decrease was reported in farm income since 1952, according to this speaker.

He then took his turn to blast off at a number of what he termed scandals involving the ministers of fish and game and agriculture.

Less Money Per Pupil

Dr. S. E. McDowell thanked the major speakers and added a few thoughts of his own about what he considered the deplorable lack of hospitalization insurance in Quebec. He also said that this province spends less money per pupil on education than any province in Canada.

Dr. McDowell further said that Wallace MacDonald's father, who served fifteen years in the Provincial parliament and three terms in the Federal parliament, was the most honest politician out of this County and that his son would be the same.

Standing Ovation

When Wallace MacDonald stood to speak, everyone else in the hall stood too and cheered him roundly. He had lots to say about his chairman for the evening, S. Wyman MacKechnie,, than whom, he said, there is no better, no truer and no more sincere Liberal.

The candidate warned his campaigners not to be over-optimistic and yet said he felt very confident that the government would change on June 22.

read this carefully

Drivers must lower their head-lights 500 feet away from oncoming traffic and at least 200 feet away from vehicles in front of them.

All lights must be kept clean and must function properly.

All vehicles must be kept in perfect working order. Every policeman is authorized to stop any vehicle not operating normally.

Never forget that the double white line or the solid white line constitutes a barrier which must never be crossed.

Obey signs prescribing speed limits and stops. To do otherwise is to endanger your life and the lives of others. You also expose yourself to severe sanctions.

It is forbidden for more than three persons to sit in the front seat of a vehicle.

It is forbidden for a passenger to sit in such a way as to obstruct the vision of a driver or to impede his control of the vehicle.

It is forbidden to open the door of a vehicle on the traffic side before all possibility of danger has been eliminated.

No vehicle may park during the night on a public highway, except when absolutely necessary. In the latter case, parking lights must be kept on to indicate the vehicle's presence. If lights are defective, lanterns or other lighting equipment must be used.

It is strictly forbidden for all vehicles to pass a school bus, duly identified, which is stopped to permit passengers to get on or off.

Speed must be reduced to 30 miles per hour at level crossings as well as in school zones at the hours when pupils are entering or leaving school.

At night or in bad weather, speed must be reduced.

Vehicles are prohibited from travelling at excessively low speeds.

In Memoriam

BURROWS— In loving memory of a dear sister, Mary Burrows who passed away May 25, 1959.

Remembrance is a golden chain
Death tries to break but all in vain.
To have, to love, and then to part
Is the greatest sorrow of ones heart.
The years may wipe out many things
But this they wipe out never.
The memory of those happy days
When we were all together.

—Sister Pearl b

SMITH—In loving memory of a dear husband and father, Lewis Leonard Smith, who passed away, May 15, 1959.

Time has passed since that sad day,
When one we loved was called away,
God took him home it was His will,
Within our hearts he liveth still.

—Wife and family. x
