WESTMOUNT, THURSDAY, JULY 20, 1939

PRICE—TWO CENTS

EXAMINER WILL SPONSOR KIDDIES' DAYS AT BELMONT TUESDAY AND WEDNESDAY

Free Bicycles Will be Offered as Prizes in Drawings — Coupons in This Issue Will Permit Youngsters to Attractions at Greatly Reduced Prices — Well-Filled Program Has Been Arranged

Next Tuesday and Wednesday, July 25 and 26, will be Examiner Kiddies' Days at Belmont Park and all youngsters of the community are invited to enjoy all the attractions of the fine Cartierville amusement centre at greatly reduced prices.

A bicycle will be awarded to the lucky winner of a drawing to be held each day.

Elsewhere in this issue are coupons which will admit children to the various rides and other attractions at the park for three cents. Full details regarding the outing, which is keenly looked forward to by Westmount youngsters, and grown-ups, too, will be found on this page.

BUSINESS MEN RECEIVE MANY "LAST LINES"

More Limericks Appear on Full Page Advertisement In This Issue

Everyone, it is entering the limerick contest being conducted in the Examiner by the Business Association of Westmount and which offers to the lucky winner a free trip to the New York World's Fair and a gala stay in New York City.

Merchants whose names appeared on the full page advertisement in last week's issue announcing the competition, report that they have received many entries.

They also state that the competition has brought them new customers and that it has created a great deal of good will between residents and the firms sponsoring the "ads." It is largely for this reason, to better acquaint local residents with business firms here, that the contest is being conducted.

This week the full page advertisement on the back page appears for the second and last time and carries the advertisements of a number of leading Westmount business firms who are sponsoring the contest.

A limerick appears in each ad and all that is necessary to enter the contest is to complete the missing last line in any one of them. Participants, can of course, fill in the missing line to as many limericks as they wish. The more entries submitted the better the chance to win.

The following piece of poetry, which has the contest as its theme, was submitted by a local resident:

BUY—WESTMOUNT! ! !
 By Myrtle Boa Armstrong
 When you happen to have some money

Which you've wrested from fate these days,
 Don't rush out to spend where fast pastures lend
 Greener hues, but just make a date

With yourself to shop at home
 In the stores that around you stand—
 They've got all you need, and are void of greed,
 Though far fields appear so grand.

So please become home-store conscious,
 And patronize your home town.
 For there's nothing elsewhere that you can't buy here.

In this city of proud renown,
 Whose ancestors were the good people
 Who ploughed the land of yore,
 And their banner is "Service with honor!"
 And "Quality down to the core!"

So let your eyes look around you
 And see all the stores so fine,
 Go inside, look around, view with pride—
 They've worked hard so you'll fall in line.

When you've tested their satisfaction,
 For gladly your needs they'll fill.
 Let it be a "BUY—WESTMOUNT" summer.
 And you'll keep on buying there still.

Motion Pictures Will Feature Sing-Song

An excellent selection of motion pictures will feature the municipally-sponsored sing-song scheduled to be held at the Westmount Athletic Grounds this evening.

Over two thousand residents are expected to participate in the event, one of a series being held throughout the summer months as part of the city's recreation program.

Max Ford will, as usual, lead the mass outdoor singing and motion pictures will be flashed on the large screen set in place for the sing-songs at the grounds each Thursday night.

The sing songs follow the regular weekly handicaps which are held earlier in the evening commencing at 8.45 p.m.

COUNCIL PLANS EXTENSIONS TO SEWER SYSTEM

Municipal Governing Body Approves Plans at Regular Meeting

Necessary extensions to the sewer system in certain parts of the municipality were approved by the Westmount City Council at a regular meeting held in the City Hall Monday night. The City Manager, Percy Jarman, was instructed to draw up the necessary by-law and this will come before the Council at an early session.

Extensions will probably be made on Western, Metcalfe, Oliver, Churchill, Kennington and Mountain avenues and Cote St. Antoine Road.

Reason for the extensions is to make possible connection of the sewer pipes to the St. Pierre collector sewer. Council made no estimate of the cost of the project.

A by-law giving the health department of the municipality more control over sanitation matters with regard to beauty parlors, barber shops and massage parlors, was given second reading.

It was noted a drive on the part of the police department to check speeding has brought a reduction in the number of accidents in the municipality during the past month.

Mayor Walter A. Merrill presided.

CHURCH TO HEAR REPORT ON RALLY

In Calvary church, Dorchester St. at Greene avenue, Westmount on Sunday evening at 7.30 p.m. Protestant and Hebrew delegates who were in attendance at the Canadian Youth Congress held recently in Winnipeg, will speak on the Vital National and International issues dealt with by the Congress. The service will be conducted by the Minister of Calvary Church, the Rev. T. W. Jones. Addresses will be delivered by Max Shvemar, B.A., representing the Y.M.H.A., and R. Gwilym Edwards, president of the Montreal Youth Congress. At the morning service Dr. Jones will speak on Brooks in Bible stories, the series of Bible Study sermons announced for the summer season in Calvary.

visit as many attractions as they wish additional coupons are available at the office of the Examiner, 2191 Hampton avenue, and at local merchants, and may be had upon request.

This outing gives boys and girls an opportunity to have the time of their lives at practically no expense.

Parents also can share in the fun and many set the date aside for a family outing.

The reduced prices for the youngsters, moreover, is not the only attraction, a well-filled program of games and contests has also been arranged and excellent prizes are to be awarded.

Youngsters, and grown-ups too, will get thrilling enjoyment, on the Thriller, Lindy Loop, Motor Boats, Kiddie Hand Cars, Merry-Go-Round, Miniature Railway, and Rapids and many other attractions.

So be sure and cut the coupons out of this issue of the Examiner and apply at the office and at merchants for additional ones.

Why not make up a picnic party of friends and spend an entire day at the park? Excellent picnic facilities are available there. Go both days if you can.

Don't forget the dates — Tuesday and Wednesday, July 25 and 26. You've never had the opportunity for more fun at so little cost!

Victoria Hall Bookings Drop Off During Summer

Definite indication that the "dull" summer season has arrived is reflected in the book at Victoria Hall listing events scheduled to take place there during the next six weeks.

During the months when club and social activities are at their height the main auditorium and smaller rooms are almost continuously occupied. However the only function which will occur with regularity throughout the summer is the weekly luncheon of the Westmount Rotary Club.

The other groups that convene at regular periods during the fall and winter months have discontinued activities for the vacation season and in the majority of cases will not hold meetings again until the fall.

Among the organizations that make Victoria Hall their headquarters are the Westmount Women's Club, Notre Dame de Grace

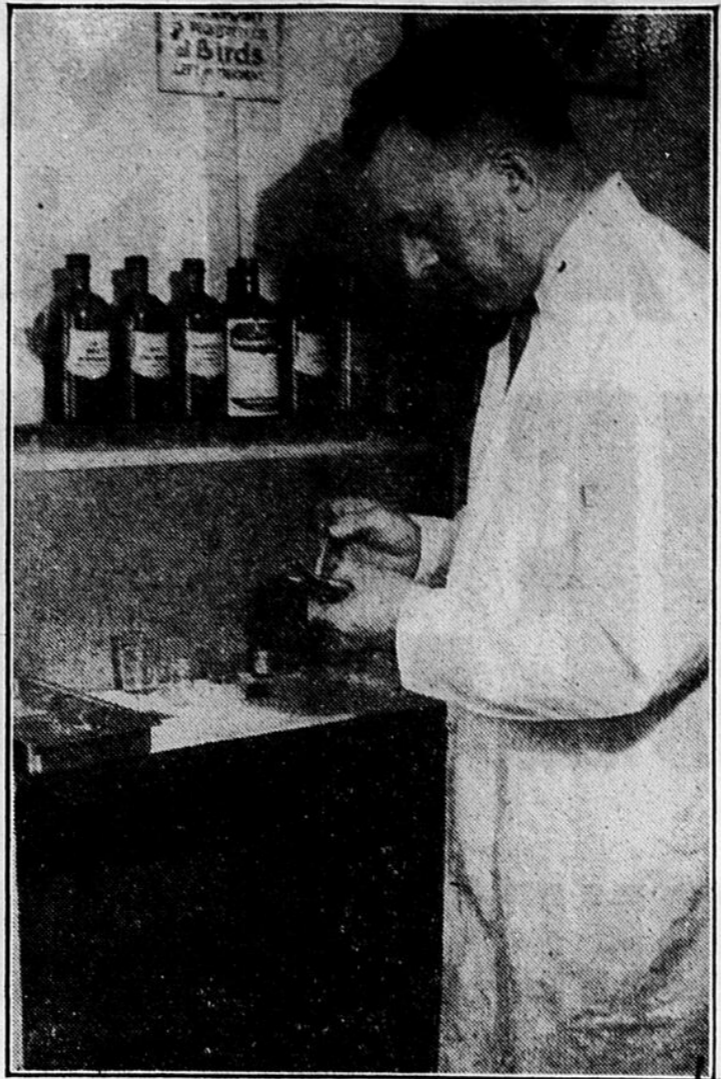

Women's Club, Daughters of the Nile Lodge, Alherbreen Club, True Kindred Lodge, Victorian Order of Nurses, Masonic Choir, Royal Arch Masons, and the Westmount Chapter, Order of the Eastern Star.

A number of unusually successful meetings by various bodies were held during the past winter and early spring, the most notable probably being the open sessions sponsored by the Business Association of Westmount.

Meanwhile the staff is busy putting the building in good condition for the fall. The entire interior of the building is being given a thorough cleaning and all fixtures showing signs of wear are being repaired.

Gold-colored paint is being applied to a number of chairs in order that they be uniform in appearance with those so painted early in the year.

CURES SICK BIRDS

The above picture shows G. A. James, proprietor of the Westmount Gold Fish and Bird Supplies Store, 357 Victoria avenue, in the act of putting a cast on the broken leg of a canary. The little bird was singing 20 minutes after the cast was fitted. The cast was removed two weeks later and the bird's leg was as good as ever.

LAST TRIBUTE PAID TO LATE A. E. DUGGINS

One of Westmount's Oldest Residents Laid to Rest On Tuesday Afternoon

Final tribute was paid to one of Westmount's oldest residents on Tuesday afternoon, when funeral services for Albert Edwin Duggins, 19 Selby street, were held at the chapel of D. A. Collins, Rev. W. L. Tucker, of Calvin Westminister church officiated. Mr. Duggins died in the Royal Victoria Hospital on Saturday following a long illness. He was in his 74th year.

A native of England, he came to Canada in 1885 and settled in Westmount, where he lived until the time of his death. Well known around the campus of McGill University, where he was employed as groundsman for over a quarter of a century, Mr. Duggins was retired on pension about five years ago. A member of Calvin Westminister church, he was also a member of the Ancient Order of Foresters, Court St. Jude and of the de Jersey Tent No. 10, Knights of the Maccabees. He was married to the former Louisa Millward in England 54 years ago.

Besides his wife, he is survived by one son, James G. Duggins, of Marcell avenue, one daughter, Mrs. A. M. Bowker, of Regent avenue, four grandchildren, Betty Snow of Denmark, James, Ted and Dorothy Bowker, Mr. and Mrs. E. B. Hyde, of Chazy, New York, came to Montreal to attend the rites.

Interment took place at Mount Royal Cemetery.

FUNERAL HELD TUESDAY FOR MRS. A. M. CHILD

Final tribute was paid to Mrs. Annie Mary Child, widow of Gen. Frederick Child, when funeral services were held on Tuesday afternoon at the home of her daughter, Mrs. Brooke, 4254 Westmount avenue. Rev. J. A. Johnston of Westmount Baptist Church, officiated. Mrs. Child died at her daughter's home Saturday after a short illness. She was in her 81st year.

Formerly Annie Mary Tuffin, she was born in Southampton, England. She had been a resident of Montreal since 1894, and was actively connected with Westmount Baptist Church.

She is survived by her daughter, Mrs. Brooke, a son, Harold, also of Montreal, and several grandchildren.

TO ADDRESS CLUB

Howard S. Ross, K.C., prominent in the legal profession and Examiner columnist, will address the regular weekly luncheon meeting of the Westmount Rotary Club in Victoria Hall on Wednesday. His topic will be "Why Not Abundance for All?"

AUTOMOBILES ARE DAMAGED IN COLLISION

Accident Occurred at Corner of Atwater Avenue and Selby Street

Two automobiles were badly damaged in a collision which occurred on Friday evening, at the corner of Selby street and Atwater avenue. The accident happened when the car driven by David Handelman, 3993 Wellington street, was driving south on Atwater avenue collided with another car turning north from Selby street.

Mr. and Mrs. H. M. Stanley, of 1210 Greene avenue, in the second car were uninjured, while Handelman was taken to the Western Division of the Montreal General hospital, where he was treated for abdominal injuries. He returned to his home later, but reported to the hospital on Saturday for further treatment.

Both cars had to be towed away, according to the Westmount Police, who investigated.

MAN ARRESTED AND BOOKED ON THEFT CHARGE

Apprehension Followed Complaint That Purse Was Stolen From Church

A man giving the name and address of Napoleon Labbe, 47, 182 Lagache street east, was arrested early Sunday morning by Constable McAleer and booked on a charge of theft.

Labbe was arrested following complaints that a purse containing money was stolen during a service at the Church of the Ascension.

Labbe was the second man arrested in the past fortnight for thefts in the Church of the Ascension. Last week, a man was sentenced to three months in the penitentiary by Recorder C. A. Hale.

CANADIAN MISSIONARIES DOING OUTSTANDING WORK IN CHINA, SPEAKER SAYS

Rev. E. Bruce Copland Addressed Regular Weekly Luncheon Meeting of Westmount Rotary Club in Victoria Hall Yesterday — Thousands of Sick and Wounded Refugees to be Cared for in Many Areas

Rev. E. Bruce Copland, who is a missionary of the United Church of Canada at Hwaiking, Honan, China, spoke to the Westmount Rotary Club at its regular weekly luncheon meeting in Victoria Hall on Wednesday. He said that he spoke as a missionary, about the work of the Church, and that he did not claim to speak with full knowledge about the political situation. It is the task of a missionary to declare Christian truth by word and deed, and missionaries are doing this now in all parts of China unless they are actually shelled or bombed out of their homes.

Canadian missions are located in North, South and West China and Canadians are members of British and American missions all over the country. Mr. Copland quoted from a letter from a friend in Chengtu, the capital of Szechuen Province. This city is a great educational centre, 1500 miles from the sea. Over a hundred Canadians live there and the city was recently bombed by a fleet of 26 bombing planes.

When the war broke out two years ago, I was in Canada on furlough," Mr. Copland said, "but I returned to China as soon as I could at the request of my friends there." The speaker told of his work as secretary of the International Relief Committee at Kai-feng, the capital of Honan Province. He went there in the spring of 1938 and helped to organize safety zones for some twenty thousand women and girls who fled to neutral properties on the capture of the city by the Japanese. He also told of the care of over forty thousand wounded Chinese soldiers at the Kai-feng railway station, when the work was done at night because of air raids in the daytime. Mr. Copland emphasized the cooperation of Catholic and Protestant missionaries and people of different nations in all kinds of relief work.

Since July of last year Mr. Copland has been acting as Superintendent of the Mission hospital at Hwaiking, Honan. There are thousands of sick and wounded refugees to be cared for and conditions are very difficult as there is constant fighting between the Japanese who garrison the town and nearby guerilla units.

The speaker said that it would be rash to make any predictions as to the outcome of the war. Guerilla warfare goes on unabated although large scale operations have largely ceased. The situation in China is closely related to the European struggle for power, and also to the Russo-Japanese antagonism. Mr. Copland declared his faith in the ultimate victory of good over evil, and pleaded for continued support of missionary and relief work in this time of chaos.

Mr. Copland is a native of Montreal, a son of Mr. and Mrs. J. P. Copland, and a graduate of McGill University. He expects to return to China immediately, sailing from Vancouver with his family on August 5th.

Other local doctors taking an active part in the school are Dr. Arthur M. Vineberg, 1 Douglas avenue, who helped organize the school, and who reads a paper Friday on tuberculosis epyema. Dr. A. O. Freedman, 4154 Marcell, speaks tomorrow on tuberculosis of the larynx.

Other well-known medical men who participated in the school include Dr. J. H. A. Paquette, Quebec, Minister of Public Health in the provincial government, who delivered the address at Monday's opening session, and Dr. Grant Fleming, of McGill University. Drs. Edgar Mayer, Eli Rubin, Max Pinner and Sydney Greenberg of New York, Dr. E. R. Foley of Quebec and Dr. G. J. Werrett of Ottawa also delivered papers, as did many other Montreal medical men.

VACATION CLUB AT LOCAL YMCA

The Westmount Y.M.C.A. Vacation Club has proved more popular than ever this year and a record enrolment is reported by Ernie Taylor, Boys' Work secretary. The schedule for the remainder of the current week, including today, is as follows:

Today: 9.30 a.m., guest speaker, Rev. E. C. Royle, St. Matthias Church; 10.00 a.m., hobbies and sports; 10.30, life saving; 11.00, beginners swim; 11.30, advanced swim; 2.00 p.m., visit to the Viau Biscuit Factory. Tomorrow: 9.00 a.m., Chrysler movies — "Wheels Across Africa" and others; 10.00, hobbies and sports and checker tournament; 11.30, general swim; 2.00 p.m., educational trip to Angus Shops. Saturday: 8.00 a.m. (standard time), fifth party of Westmount "Y" Boys leave for Camp Kanawana.

Old Range Wars Of Western Days At Westmount

The old range wars of western frontier days have long since become history, but the fences that led to many of the bloody battles between rival cattle factions have not ceased to give trouble of an entirely different nature.

In the days when the west was at its wildest and wooliest, some cattlemen would object and there would be a fight.

Today the range fence stands by right of legally-established ownership but it is still a pain in the neck when a motion picture company decides to film an old time western production.

That was the case when Warner Bros. decided to film scenes for "Dodge City," now playing at the Westmount United Theatre until Saturday on a location between Modesto and Sonora, Calif. "Dodge City," which was filmed in Technicolor and stars Errol Flynn, is laid in 1872, when range fences hadn't even been thought of in southwestern Kansas, locale of the story.

Unfortunately, though, the rolling prairie between Modesto and Sonora, where the film company worked, is covered with range fences. There was only one solution for the problem: eliminate the fences.

As a consequence, studio laborers with the permission of the property owners, tore down approximately twelve miles of barbed wire fence.

And when it was all over, the company packed up its special train for the return to Hollywood every one of those 6348 fence posts had to be stuck back in the ground, and then the entire forty-eight miles of barbed wire was re-strung on the posts.

LONG TUNNEL BUILT

A tunnel nearly 6,000 feet long is being constructed through the Widderstein mountain to connect the three German provinces of Swabia, Tyrol-Vorarlberg and Upper Bavaria.

Construction of France's 35,000-ton warship La Gasconne will begin at once.

"HUCKLEBERRY FINN"

A scene from the film "Huckleberry Finn" starring Mickey Rooney, which opens Sunday at the Westmount United Theatre for a three day engagement.

"LET FREEDOM RING"

Victor McLaglen, Lionel Barrymore, Virginia Bruce, Nelson Eddy and Edward Arnold, in a scene from the musical "Let Freedom Ring" which is now playing at the Monkland United Theatre until Saturday.

SCORCHING DRAMA!

Featured players in the picture "Let Us Live" which opens at the Snowdon United Theatre Sunday are Henry Fonda and Maureen O'Sullivan.

ROMANCE! LAUGHTER! SONG!

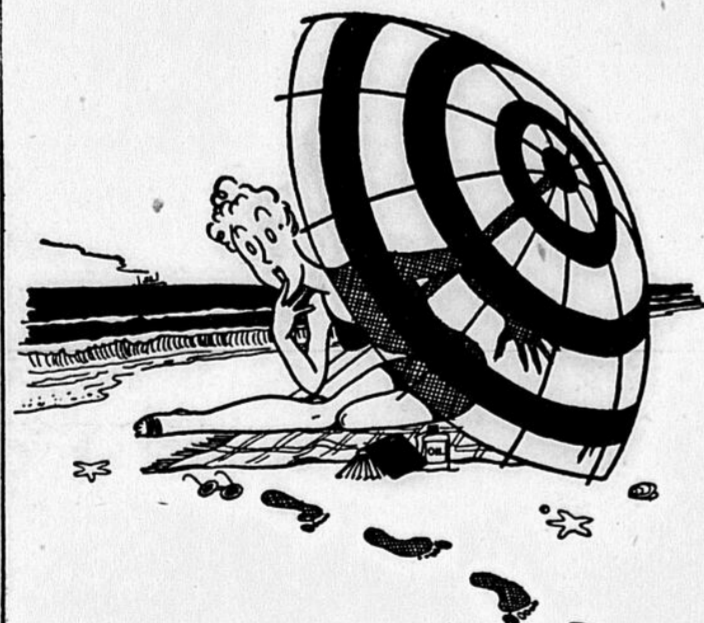

A scene from the film "East Side Of Heaven" starring Bing Crosby, Joan Blondell and Mischa Auer, which is now playing at the York United Theatre until Friday.

Assemble Hollywood's Ugliest Men For Film

Seventy-five of Hollywood's homeliest men, whose broken noses and cauliflower ears are their fortune, recently were assembled for a motion picture scene depicting as ugly a group of polyglot railroad "hunkies" of the 1860's as ever scared a Western heroine.

There was Luis Alberni, reading a pioneer newspaper in an Italian dialect, and Billy Bevan taking it away from him to read aloud in a Cockney accent. There was Adia Kuznetsoff, the Russian musician, and bald Constantin Romanoff, former professional wrestler. Also Emery Parnell, Victor Potel, Tenen Holtz and Lionel Royce. These had speaking parts in this sequence of the new Nelson Eddy starring picture, "Let Freedom Ring," now playing at the Monkland United Theatre until Saturday.

Odd Props Used In "Pygmalion"

Bernard Shaw's "Pygmalion" tells the story of a phonetics expert who transforms a Cockney flower girl into a lady by teaching her correct speech. Therefore, for the film version of "Pygmalion," now playing at the Snowdon United Theatre until Saturday, the private laboratory of Professor Higgins, played by Leslie Howard, was completely decked with phonetic apparatus.

Prof. Edmund Tilley, London University's phonetic expert, supervised the installation of elaborate equipment from the University department of the University of London. The equipment included diagrams of the organs of speech, charts, dictaphones, recording machines, microphones, loud speakers and dozens of wax cylinders.

"Queens of the Sky," the free outdoor attraction at Belmont Park starting Monday.

"Union Pacific" Stars Stanwyck, Joel McCrea

Barbara Stanwyck, in a role completely different from any she has previously attempted, and Joel McCrea, as a character strongly reminiscent of the one he portrayed last season in "Wells Fargo," are co-starring in "Union Pacific," Cecil B. DeMille's grand-scale interpretation of the building of America's first transcontinental railroad.

Although the popular Miss Stanwyck has played roles as varied as Middle Western farm woman, New England factory wench and Park Avenue debutante, her Mollie Monahan in "Union Pacific," which opens Saturday at the York United Theatre for a four day engagement, marks something totally new in the Stanwyck repertoire. She is a daring, warm-hearted, fiery girl of the West, the daughter of the "U.P.'s" first engineer, the postmistress of "end of track" and little sister of the husky railroad-builders. She is equally at home outwitting Western sharpers, comforting the homesick Irish laborers, battling

ing machines, microphones, loud speakers and dozens of wax cylinders. One table holds models of the speech organs; another holds sections of the human head showing the larynx, its functions, and the movements of the vocal chords. In one shot of the picture Leslie Howard is shown accompanying Wendy Hiller on a xylophone. This, according to Professor Tilley, is the recognized method of teaching correct intonation. In another shot variations in Miss Hiller's speech are traced on a large, revolving drum called a Kymograph.

Roller Derby on Skates Proves Fast Spectacle

Time was when roller skates, in most people's vocabulary, were a synonym for "signs of spring" — in the most people's vocabulary, something for young ladies to take along on an automobile ride.

Roller skates today, as Montreal is currently finding out, are latest things in equipment — and a Roller Derby, as staged by Leo A. Seltzer at the Forum, a synonym for "thrilling entertainment."

The Roller Derby opened last Monday night at the Forum and will continue until August 5th, with racing from 8.30 until 11.30 o'clock. Large crowds have turned out nightly to watch Elanor Powell's Hollywood Stars race the Montreal Canadians.

A roller derby is a concentrated dose of excitement, has more falls than a hockey team, more blocking than football, as much color as a kaleidoscope, and as many curves as a bathing beach.

It has not the slightest resemblance to what the Montreal fans formerly supposed it to be, a marathon. No tired group of skaters, wheeling 'round and 'round endlessly, at the Montreal Forum. Twenty whirling dervishes, 10 male and 10 female, divided into a Montreal and Hollywood team, are pitted in a race that has speed as its only object.

The girls are on the track for only 15 minutes at a time, alternating with the boys for the same length of time during the three hours of racing each night.

'Queens of the Sky' is New Free Act at Belmont Park

"Queens of the Sky," a new creation in artistic daredevilry will be the free outdoor attraction at Belmont Park starting Monday afternoon. Performing on a rigging one hundred and twenty feet up in the air, positively the highest in the world, "Queens of the Sky," perform daring aerial feats without the use of a net to protect them, should they fall. The act is breathless and hair-raising, yet charmingly graceful. These fearless artists will be seen in death-defying stunts, performed with the easy elegance of master showmen.

The current outdoor attraction "The Victoria Troupe," England's premier trick bicyclists and unicyclists who have been delighting capacity crowds at the Park, will terminate their engagement on Sunday evening. These English lads and lassies not only do tricky stuff on their cycles and unicycles but also climax the proceedings with a brass-band Sousa finish wherein five performers actually ride the same cycle while playing on musical instruments.

Tune-in every Monday, Wednesday and Friday evenings on CKAC at 10.30 p.m. and listen to the broadcast by Stan Wood and his orchestra originating from Belmont Park. Visit the Park and dance all evening to the melodious strains of Wood's orchestra. A special concession will be granted patrons of the Park on Saturday and Sunday evenings. On presentation of the coupon appearing in your local papers, patrons will be entitled to dance all evening at a great discount.

Today, Thursday, the Mount Royal Dairies will be holding their annual picnic. Other outings during the week will be conducted by the Notre Dame de Grace Y.M.C.A. on Friday and on Saturday the Distillers Corporation.

Activities at Camp Oolahwan this week ranged all the way from an old-fashioned country fair, complete with booths, barkers and a frog-jumping contest, to a formal opening of "Matches," a play entirely written, acted, and produced by the junior campers.

On Wednesday supper cooked out-of-doors was followed by a "dusky dip" and campfire. The next morning no rising bell rang, no call to breakfast resounded over the lake. Why? Because there was a cafeteria breakfast. Campers and counsellors alike went up to breakfast in their dressing gowns and served themselves. All rules regarding places at table were relaxed, and each sat with whom-ever she pleased. That evening the girls went to a nature masquerade dressed as something she had observed around the Camp. Pine tree and mosquito, cocoon and centipede climbed the hill to the re-

DISTRICT SOCCER PLAYERS EAGER TO MEET SCOTSMEN

COMPETITION IS RIFE AMONG BOYS OF NOTRE DAME DE GRACE AND WESTMOUNT; GAME JULY 29

International Match Will be Played in Maisonneuve — Westmount Youths Reputedly Cleverest Players — West End Must Supply the Backbone of the Canadian Team — Scots Will Train During Voyage

There is keen competition among the boys of Notre Dame de Grace and Westmount to secure a place in the Canadian team to meet Scotland in the forthcoming international soccer game to be played at Maisonneuve on Saturday, July 29. The youths of Westmount are reputedly the cleverest players on the Island. Johnny Rooney has had them in hand for some time, and it is amazing, even to him, the rapid progress which they have made.

There are lads in N.D.G., however, who think they can equal the skill of their nearby Westmount friends. Dick Walker and Tom Wilson are enthusiastic in their praise of the soccer worth of several of the youths they have had under their tuition, while Alf Cadman of Glen Yards declares that there are three or four of them at least who are worthy their place in any representative boys' game.

It is realized that the west end must supply the backbone of the Canadian team. The boys in this area have been longer in training and are better equipped in consequence to stand up against the expected opposition of the Scots. Although it is recognized that they have a real man's job to hold in check the boys from the other side.

The youthful Scots are leaving Glasgow today (Friday) on board the Donaldson liner Letitia, and

Sons, Outlaws Are Now Tied

Sons are tied with the Outlaws for first place in the intermediate softball league, with the Orioles in third place. The two leaders are the remnants of the old Sons and Groves of former years and they still have a good many hits in their systems, especially Johnny Thompkins, who has been a star at bat and in the field at all the games played this month.

Score of games played this week are: Sons 10, Outlaws 6; Outlaws 6 Orioles 2; Sons 13 Orioles 2; Sons 10 Outlaws 9; Outlaws 15 Orioles 14; Outlaws 9 Sons 0.

Their methods are not stereotyped and they play as their instinct dictates.

Football is available to the boys in order that they may practice daily. Care is taken that they do not overdo it. Their enthusiasm is keen, and the value of this cannot be overestimated. It is particularly requested of parents that they take direct personal interest in the physical welfare of their boys, who, as can be readily recognized, play ever so much better when they know that someone interested in the progress is looking on.

The gala gathering of soccerites at Maisonneuve on the 29th will be a memorable one. They will assemble from all parts of the city and every boy accompanied by a guardian will be admitted free of charge. Splendid reports have been received concerning the better exponents of the game in N.D.G., and it is gratifying to know that they are taking a zealous interest in their training.

Every boy who is interested in soccer in N.D.G. should make a point of reporting to the coaches at the Glen Yards ground and there is a special request that as many as possible will attend the Carsteel-Ulster United Dominion Cup game on Saturday, at the conclusion of which representatives of the Boys Soccer League will be on hand to give them all information.

DUCK GRABS CAUCH

While attending to sluices near Doornbilit, South Africa, a farmer dropped a wallet containing \$55 and it was picked up and flown away by a wild duck.

CHARM, FRIENDLINESS

There is a charm and a friendliness about a Maine village that is quickly apparent and long remembered.

SCENE FROM ROLLER DERBY

One of the players on the line-up of the teams competing in the roller derby. It has roughness, blocking, falls and tripping for which penalties are given.

KENNEDY INTERVIEW

German Kennedy, west-end resident whose weekly personality interviews through CKAC have attracted much attention, will chat informally about tuberculosis with two of the foremost authorities on the subject, Dr. Edgar Mayer, of New York, and Dr. Reddick Byers, Westmount, Friday night at 10.15.

The doctors are attending the annual summer school for post-graduate study of tuberculosis sponsored by Mount Sinai Sanatorium, and Mr. Kennedy will question them about progress in the fight against that disease.

GRANITES TOP SENIOR LOOP

Now Have 18 Points — Royals Are Starting to Hit Their Stride

Granites lead the Municipal senior softball league with a total of 18 points. The Royals, who are starting to hit their stride after quite a lengthy staleness, are a close second with 16 points, while the Eagles have four points. The Eagles have only four points, but this team is getting remarkable experience for next year, this being their first season.

There are only nine more games to play to decide the position of the first three teams for play berths, every win means one step closer to the favored top spot.

Games played last week: Royals 20, Eagles 11; Royals 4, Granites 1; Grads 11 Eagles 2; Royals 7 Grads 3.

Point standing: Granites 18, Royals 16, Grads 14, Eagles 4.

ERROR HELPS STEINBERG'S TO WIN GAME

An error in the dying minutes of the game enabled Steinberg's to score a run and win from Borden's in a regular fixture of the Westmount Industrial league Tuesday evening.

The last inning produced some exciting play. Both clubs were tied after the Steinberg players came from behind in the fourth to get on even terms with their opponents. Both were still in this position at the beginning of the ninth. Borden's had the bases loaded and no men out, but the next three men struck out to retire the side. In the second part of the inning, Steinberg's obtained the winning run when their opponents committed an error.

Until the fourth frame, Borden's appeared to have the game well in hand, leading 6-1. They never scored after that, however, although the grocers caused four runs to cross the plate in this inning and in the next their catcher, Eddie Mailloux, knocked out a homer. The final score was 7-6.

Scores among the other teams were: Inter-City 5, Wonder Bread 1; Elmhurst 6, Harrison 5; Westmount 12, Guardian Assurance 13. The standing is as follows:

W	L	P.C.
Inter-City	10	1.990
Steinberg's	9	1.900
Elmhurst	6	4.600
Harrison Bros.	5	4.555
Wonder Bread	5	5.500
Guardian Ass.	4	6.400
Borden's	2	9.181
Westmount Police	0	10.000

WESTMOUNT CRICKET TEAMS SUFFER DOUBLE DEFEAT IN GAMES PLAYED ON SATURDAY

"A" Team Lost to McGill in the Ross Robertson Trophy Elimination Match — "B" Squad Was Downed by West Indians in a Scheduled League Fixture — Teams Were Defeated by Narrow Margins

Last Saturday was a mournful day for the Westmount Cricket teams. Both teams were losers by narrow margins, the "A" team losing to McGill in the Ross Robertson Trophy elimination match, and the "B" team to the West Indians in a scheduled league fixture.

The game on the Campus provided a finish that was equally as close as that of the week before. Westmount batted first, and were all out for the unusually low score of 66, the result of steady bowling by Casement and Gayer. Captain Jemmot, Fairley and Denison were the only ones to reach double figures. Undaunted, the Westmount team took the field, and with Captain Jemmot's and Allan Robinson's good bowling, backed up by a superb display of fielding by the entire team, they nearly emerged victors. When the McGill batsman who was last in the batting order came to the wicket, 18 runs were required for the victory. The win for McGill goes down in the records as a two-wicket one, as there was still the possibility of Smith, who was hurt earlier in the game, returning to the wicket.

The Westmount "B" team travelled to St. Henry to be defeated by the West Indians by two wickets. Batted first, Westmount compiled 81 runs: Ronney, 23; Brehner, 17; Norrish, 12; and the youthful Kearney, 12; were the leading batsmen on the Westmount team. The game was interrupted by a rainstorm, before which six of the West Indians' wickets had fallen for 23 runs, but the remaining batsmen collapsed the bowling on the resumption of play.

The Westmount "A" team have no scheduled game for next Saturday, but the "B" team will be at home, on Westmount Park, opposing Wanderers I.

YOUR LAST CHANCE TO WIN A FREE TRIP TO THE NEW YORK WORLD'S FAIR

ABSOLUTELY FREE — NOTHING TO BUY — NOTHING TO SELL

— LIMERICK CONTEST — SPONSORED BY THE BUSINESS ASSOCIATION OF WESTMOUNT

The Business Association of Westmount takes pleasure in offering to Westmount Residents a chance to win this great free gift.

The lucky winner will receive the following:—

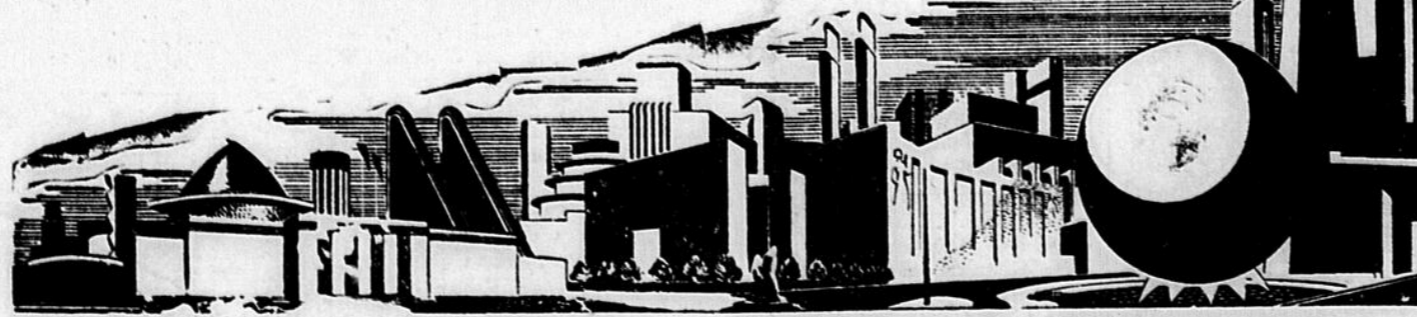

Free transportation for one person to New York City and return via Provincial Transport Co., 4 days stay at the Hotel Wellington, 7th Ave. and 55th St., one of New York's leading hotels; tickets of admission for 2 days to the World's Fair grounds; a visit to Radio City; a tour of New York City and a choice of several other tours around New York and vicinity.

This really wonderful prize is being offered through the co-operative efforts of the members of the Business Association of Westmount listed on this page, and the winner will receive the gift from the merchant whose advertisement contains the limerick which is judged to be best completed.

— THE RULES —

- (1) All contestants must be bona-fide residents of Westmount and must be over 16 years of age.
- (2) Choose one or as many limericks as you wish from the advertisements of the merchants on this page. Each limerick contains 4 lines and a space in which is to be inserted the final line. This last line must rhyme with the first and second lines and must complete the sense of the limerick. The line may be instructive, humorous or whatever you wish. Of course, the more limericks that you complete, the better your chance to win.
- (3) IMPORTANT. Place your entry in an envelope with your name and address addressed to "Limerick Contest" and take it to the place of business of the merchant in whose advertisement the limerick which you have chosen appears. If you complete more than one limerick, each one must be taken to the place of business of that advertiser. They must NOT all be left with one merchant. Under no circumstances should contestants send their entries to the office of the Westmount Examiner as they will automatically find their way to the waste-paper basket if this is done. You are not obligated in any way to buy anything from the merchant whose store or office you visit, this method of depositing your entry is merely to better acquaint you with the location and the type of business done by your local business men and women.
- (4) Neatness and legibility will be taken into consideration.
- (5) All entries must be in not later than Tuesday, July 25th and the winner will be announced in this paper on July 27th.
- (6) The judges will be a member of the Business Association of Westmount, the editor of the Westmount Examiner, and a third disinterested person to be selected. Their decision will be final.

If for Limericks you think you've a flair
Just settle in your easy chair
Take paper and pen
For there's no telling when
You may win a free trip to the Fair.

If you are thinking of taking a trip to the New York World's Fair, phone PLateau 7862 for complete information as to accommodation, etc.
