

Geneva talks

Discuss export trade

OTTAWA (CP)—Marathon international trade talks which could have a major influence on Canada's future export business open at Geneva today.

Forty nations will be represented at the fifth post-war negotiations of the General Agreement on Tariffs and Trade.

One of the big goals for Canada will be to preserve—and if possible improve—access for Canadian goods to the six-nation European Common Market in the face of a pending tariff shuffle by the six to form a customs union.

The six—West Germany, Belgium, France, The Netherlands, Luxembourg and Italy—buy around \$500,000,000 worth of Canadian goods annually, especially key exports like wheat, metals, wood pulp and chemicals.

MCKINNON IS BACK

The Canadian negotiating team at Geneva is headed by Hector B. McKinnon, Canada's "Mr. Tariff" for many years, who came out of retirement to handle this tough, demanding job.

Mr. McKinnon, 70, retired last year after 20 years as chairman of the Canadian Tariff Commission. He has been Canada's top man at all big post-war international tariff negotiations.

The Geneva meetings are regarded here as perhaps the most important trade conference since the war. Predicted to last six or nine months, they might even stretch out to a year.

Not only will they follow the past GATT practice of bargaining for tariff reductions on a tit-for-tat basis, but they'll also be dealing with the thorny problem raised by the creation of the European Common Market.

Official government statements haven't spelled out in any detail the position Canada will take. But the government has made clear it wants the Common Market countries to come to the GATT bargaining table before making any tariff changes that hurt Canada.

Crux of the Canadian concern is the method by which the six Common Market countries proposed to create a common tariff against goods from outside. Generally speaking, it's to be done by averaging existing tariffs of the six.

This would involve a raising of tariffs by Germany and the three low countries, Belgium, Luxembourg and The Netherlands, and a reduction in the higher tariffs of France and Italy.

That could put the squeeze on Canada, since about three-quarters of Canadian exports to the area go to the low-tariff countries.

Canadian accused by Czechs

VIENNA, Austria (Reuters)—Czechoslovak police have accused a Canadian citizen of espionage and held him incommunicado since July 31, diplomatic sources said today.

The Canadian's name was given as Miloslav Cop, 38, a Czech by birth but now a Canadian citizen. Cop studied economics in Montreal and worked at one time for Radio Free Europe, sources said.

Czech authorities claim Cop is still a Czech citizen. His arrest was discovered after his Yugoslav-born wife, now a Canadian citizen, asked for help from the Canadian Legation in Prague, capital of Czechoslovakia.

Mac on vacation

LONDON (Reuters)—Prime Minister Macmillan left by train Wednesday night for a two-week vacation in Scotland. First stop for Macmillan was Glenageary, where the premier planned a few days of golf. He will be joined there by his wife.

Reds want all Belgians out of Congo

Demand U.N. yields bases

Charge Congolese civilians

UNITED NATIONS, N.Y. — (CP) — Russia demanded Wednesday night that Secretary-General Dag Hammarskjöld turn over the two big Belgian bases in the Congo to Premier Patrice Lumumba's government as soon as possible.

In the Congo itself, a number of Congolese civilians face military trials for starting the panic that resulted in a mob attack on two Canadians and eight Americans connected with the UN operation at Stanleyville last weekend.

Independent confirmation was still lacking for a claim by Albert Kalonji, self-styled president of the "mining state" within Kasai Province, that his soldiers had recaptured his capital of Bakwanga and forced Lumumba's troops to withdraw from three other towns.

Kalonji admitted his information was scanty but came from "known and friendly voices" over Radio Bakwanga.

In Washington today, U.S. officials expressed fears that the Soviet Union is attempting to make the Congo a base for increased activities in Africa.

CHARGES AGGRESSION
And in Peking, Chinese Vice-Premier Po I-po in turn accused the U.S. of stepping up its "aggressive and expansionist activities" which are designed to "subject the Congolese people to enslavement and extortion."

Soviet Deputy Foreign Minister Vasily Kuznetsov called on Hammarskjöld at UN headquarters, protested the continued presence of some 600 Belgian combat troops in the Congo and also demanded that the secretary-general abandon his plan to let an equal number of Belgian army technicians stay on to maintain the Kamina and Kikona bases just taken over by UN forces in Katanga Province.

Kuznetsov insisted that the Belgian technicians be replaced by personnel from other countries.

Driver's licence good as new

DETROIT (AP) — Police asked Mrs. Olga Hutchinson, 73, for her driver's licence after she was involved in a minor traffic accident. She unfolded a document the size of a handkerchief. It had been issued to her in 1919 in Bay City, Mich.

"It's still good," Mrs. Hutchinson said. "There's no expiration date on it."

No ticket was issued.

Catches falling girl

DUBLIN (Reuters)—A 12-year-old boy caught a 20-month-old girl in his arms when she fell four stories from an apartment Wednesday night. Elizabeth McDermott was taken to a hospital with shock but recovered later. She crawled out onto a window ledge and fell just as Liam Burke was passing below. The boy said he put out his arms instinctively.

Exhibits at Fair for sixty years

By CUTHBERT JONES

(Record Staff Writer)

The seventy-fifth edition of the Sherbrooke Exhibition, billed as the Diamond Jubilee Exhibition, has brought forth many memories of bygone days, but few are as vivid as the tales of earlier years recounted by John D. Stalker, of Kingsbury, believed to be the oldest exhibitor at the fair.

Mr. Stalker did not exhibit at the first exhibition. He was born in 1884, the year the Eastern Townships Agricultural Association was founded, and was only one year old when the first Eastern Townships Fair was held in 1885—on the present fair grounds.

Prior to that date, the Sherbrooke Fair was a strictly county institution operated by the Sherbrooke County Agricultural Society which was held in tents

and other temporary buildings on the site of the present bus terminal and public market near the Aylmer Bridge.

But his father was one of the original exhibitors and John D. Stalker himself made his first appearance at the age of 16 in 1900—sixty years ago—with entries of Shorthorns and Clydesdale horses.

Shorthorns and Clydesdales are still his favorites and this year he has both classes of livestock in the show.

"In those days our horses served a double purpose," he said. "They were entered in the exhibition classes and won some cash as prize money. But more important, they served as a source of motive power. We travelled from Kingsbury to Sherbrooke by horse-drawn wagons, which carried not only the

Motel business is looking up

OGDEN, Utah (AP)—Motel operator Lawrence Paulson heard a whirring noise overhead, looked up and saw a helicopter pilot waving for permission to land.

"I motioned him in because I don't care which direction my business comes from just so long as it comes," said Paulson.

Pilot Gene Wallace landed the machine in a couple of auto parking spaces and spent the night at the motel.

Conclusion seen inescapable

Fear Red 'beach-head' Russ aim in Congo

WASHINGTON — (AP) — U. S. officials think Russia is trying to establish a Communist beachhead in the Congo while appearing to help the United Nations restore order there.

The officials said today this conclusion appeared to be inescapable in view of the amount of Communist military, technical and transport aid sent to the African republic in the last two weeks.

The state department despite a flood of confidential reports on Russia's operations, has so far declined to comment on the development.

These sources said Russia's goal apparently is to make Premier Patrice Lumumba so heavily dependent on Soviet advisers and material help to keep his nation from collapsing that he will be a willing tool afterward for further Communist penetration of Africa.

TRANSPORTS MOVE IN

More than 200 Soviet bloc technicians—some of them military and intelligence officials—are reported to have moved into the Congo. Twin-engine Soviet IL-14 transports with double crews are understood to have begun landing in Stanleyville Tuesday to back up nine four-engine IL-18s there.

Confidential dispatches also reported the Soviets have smuggled small arms and ammunition into the country along with 100 trucks and technicians landed from a Soviet ship eight days ago.

Russia soon is expected to announce an arms deal with Lumumba's government, similar to the shipment being provided the Guinea government. Authorities believe this will be followed with sizable economic credits.

Two Soviet ships are known to have arrived. One docked in early August carrying as listed cargo 9,000 tons of wheat, 1,000 tons of sugar and 300,000 cans of milk. The other arrived Aug. 23 with 100 trucks, spare parts and other equipment.

Strike causes CNR changes

MONTREAL — Canadian National Railways has been informed that the Brotherhood of Railroad trainmen in the United States has called a strike on the Grand Trunk Western railroad, effective 11:00 a.m. Thursday, September 1.

Because of this action, CNR announces that its trains operating from Montreal-Toronto to Chicago, which normally operate over Grand Trunk Western lines from Port Huron, Mich., will be terminated at Sarnia, Ont., starting with trains Nos. 5 and 15 leaving Montreal and Toronto yesterday.

Canadian National was informed the last passenger train to operate from Chicago would be train No. 6 leaving Chicago for Toronto and Montreal at 1:00 p.m. August 31.

Sets new channel record

DOVER, England — (CP) — For Helge Jensen, swimming a choppy channel in the world's fastest time appeared today to be just a matter of course.

In flat, heavily-accented English, the amazing Danish-Canadian swimmer spoke of his speedy crossing without apparent emotion.

"I just had to do it, I couldn't give it up after going so far," said the husky, fair-haired athlete from Toronto. "I knew all the time I could do it."

The 23-year-old Jensen, who had spent the last few weeks in Britain alone and without publicity waiting for suitable weather conditions, left Wednesday from Shakespeare Beach, west of Dover, and reached Cap Gris Nez in France 10 hours and 23 minutes later.

The time sliced 2 1/2 hours off the England-France record and also beat the France - England time of 10 hours 50 minutes, set up by the Egyptian Hassan Abdel-Rheem in 1959.

HAZARDOUS CONDITIONS

In France, channel swimming experts tended to cast doubt on Jensen's reported time, saying it would be almost an unbelievable achievement. Conditions on the French side of the channel were hazardous, with high winds and 10-foot waves.

But Col. William Hammond, the Briton who accompanied Jensen and acted as observer for the Channel Swimming Association, laughed away all doubts. "Of course, there is no doubt about it at all. Jensen is simply an amazing swimmer, the best I have ever seen."

He expects to return to Toronto in a week or two to look for a job. In Maple, Ont., and Toronto he has worked as a decorator, spray painter and at various odd jobs.

He made his first attempt to swim the channel Aug. 3 but the boat accompanying broke down when he was about halfway across.

Begin to resign as U.N. organizer

QUEBEC (CP) — Opposition Leader Antonio Barrette announced Wednesday that J. D. Began, colonization minister in the former Union Nationale government, wishes to resign as chief organizer of the party.

Mr. Barrette told a press conference he had asked Mr. Began to stay in his post for a few more days.

Mr. Barrette indicated he will take over the post himself. "I believe that the opposition the chief of the party should also hold the post of chief organizer," he said.

Integration

Would slow up progress

WASHINGTON (AP) — Three requests to halt or slow public school integration were due to come before the United States Supreme Court today.

The Houston school board pinned its last hopes on the high court after Governor Price Daniel of Texas refused to intervene in a federal court order integrating the first grade next Wednesday.

Louisiana's governor, Jimmie Davis, seeks to regain control of New Orleans schools, ordered to integrate their first grades Nov. 14. A federal court told Davis to keep hands off after he took over the schools under a state law in an effort to forestall integration. In the third case, Delaware is protesting an order to speed the state's grade-a-year integration plan. A lower federal court ruled that all grades be integrated by next fall.

NO TROUBLE REPORTED

Eight schools in Knoxville, Tenn., opened today with the first grades integrated. Superintendent Thomas Johnston reported no trouble when 28 Negroes enrolled in the formerly all-white schools Wednesday.

Dollarway School in Pine Bluff, Ark., has one six-year-old Negro girl registered for first grade classes beginning next Tuesday. One Negro student each is assigned to two North Miami Beach, Fla., schools, but the Dade County school board in Miami Wednesday turned down requests to assign six more Negro children to white schools.

Roman Catholic spokesmen in New Orleans said parochial schools will not be integrated until the public schools are.

Lawyers for the National Association for the Advancement of Colored People failed Wednesday in an attempt to have the Nov. 14 integration date moved up to Sept. 8, when New Orleans schools open. The federal court of appeals refused to set aside the nine-week delay granted by a district judge.

Ban travel to W. Berlin

BERLIN (AP)—East Germany rigorously enforced its travel ban on West German visitors to Berlin today.

Communist police massed at main crossing points between the two parts of the divided city to prevent West Germans who do not live in Berlin from visiting the eastern sector.

Guards along the East German frontier turned back West German travellers seeking to visit the city, isolated 110 miles behind the Iron Curtain.

The Communists imposed their travel restrictions Wednesday and the ban is supposed to continue through Monday—the day meetings here of former residents of East Germany end.

The convention of ex-prisoners of war and relatives of missing soldiers is one of the meetings that has aroused Communist ire.

Show Business

By BOB THOMAS

SAN DIEGO, Calif. (AP) — Here in this warm, seaside metropolis, Wall Shakespeare is being played much the same as when he was originally presented 3½ centuries ago.

Now as then, he's doing great business.

The old Globe Theatre in Balboa Park is booming through its 11th summer of producing the bard.

San Diego used to be a lively show town. But the legitimate theatre dwindled with the rise of movies. Fewer shows went on tour, and all but the biggest hits bypassed the town.

The Globe was born as an attraction for the exposition of 1935. Patrons were treated to 50-

minute versions of Shakespeare's plays in authentic atmosphere. The building was as close as possible to the Elizabethan theatre—octagonal in shape with jutting stage, tiers of boxes for the nobility and a pit where the groundlings mingled.

BUSINESS FAIR

The structure was saved from demolition after the exposition by theatre enthusiasts and converted to a more normal playhouse with a roof. During the war, it was used as a navy lecture hall, then resumed as a community theatre under the direction of Craig Noel.

Business was fair to middling. The summer Shakespeare festival was strictly amateur, drawing from San Diego State and other college students supported by locally-financed scholarships. Last season, the Globe took a giant step toward professionalism by signing a nucleus of New York actors.

"We lost \$12,000, which is a large deficit for a community theatre," said production manager William Eaton. "But we decided to try it again this summer. The gamble paid off. Last week we played to 99.5 per cent capacity."

It has been that way through most of the two-month schedule. Before each performance, theatregoers witness the procession of Queen Elizabeth (the first one) and her court and dancing on the green. Booths sell tarts and spiced tea.

VERSATILE COMPOSER

Known as "the father of Italian comic opera," Baldassare Galuppi, who died in 1785, also wrote sacred music.

Shower Is Held At Cowansville

COWANSVILLE — Miss Phyllis Benoit, whose marriage has been arranged to take place on Sept. 10 was feted with a miscellaneous shower at International Rest at Selby Lake.

The guest of honor's chair and other decor were in blue, yellow and white. Miss Benoit received many beautiful and useful gifts. Lunch was served, including a bride's cake and the evening was spent in playing bingo. Several of the guests won gifts. Miss Benoit in thanking all for their kindness invited them to visit her in her new home near St. Johns in the near future.

Guild Sponsors Flower Show At Farnham

FARNHAM—The annual flower show sponsored by the Ladies Senior Guild of St. James Church was held in the Parish Hall on Aug. 18 and 19. There was a sale of home cooking and afternoon tea was served both days. There was also a sale of fancy work and novelties.

During the last evening the drawing took place for the quilt, which had been pieced by Mrs. T. E. Jackson, of Noyan, and quilted by the members of the Guild, Romeo Bessette, of Farnham held the lucky ticket.

A drawing also took place on a doll and wardrobe. The doll was donated by Mrs. Maurice Mayhew and the wardrobe was made by Mrs. Raymond Jol. Mrs. George A. Smith held the lucky number on the doll.

There was a fine display of flowers. The judges were Mrs. J. R. Berton of Farnham, and Mrs. Myrtle Vincent, of Sutton. The T. Eaton Co. Trophy was won by O. Gobeille.

The members of the Guild wish to extend their sincere thanks to the merchants of the town and all those who helped in anyway to make the event a success.

Bedford Council To Issue Bonds

BEDFORD — At the monthly meeting of the municipal council a by-law was adopted, authorizing a loan by bonds to the amount of \$90,000. These bonds will be redeemable in series in 20 years.

The loan will be used for the following projects. Building a new dam at the west end of the town, to repair the cement retaining wall at the pumping station, for the building of new side walks, aqueduct and sewers, for the purchase of a piece of land, and for the purchase of a new car.

A meeting of the rate payers was held Aug. 22 in the Town Hall, at which the new by-law was unanimously approved. Permission for the loan will now be requested from the authorities at Quebec, after which tenders will be called from brokers. The interest rate is not to exceed 6 per cent.

WATERLOO --

Mr. Howard Hanna spent a week of his holidays at Old Orchard Beach, Me.

Mr. and Mrs. Ernest Tetreault and family, of Pointe Claire, spent a day with Mrs. George Tetreault.

Several members of Victoria Rebekah Lodge were in Granby to attend the regular meeting of Riverside Lodge, with president, Sister Edith English, of Ormstown, visiting.

Mr. and Mrs. Roger McKergow spent a few days at Old Orchard Beach, Me., and also a day in Scotstown.

Mr. and Mrs. Arnold Plowright, of Sherbrooke, spent the weekend with Mr. and Mrs. Roger McKergow.

The Kiwanis' weekly meeting was held on August 23rd in the National Hotel at the Luncheon hour. During the next two weeks Kiwanians will be collecting to aid the Les Hopperton Memorial Little League. Regret was expressed at the death of George Racicot, who was a good worker and who will be greatly missed.

Mr. and Mrs. Harley Bannister, of Milden, Sask., visited their brother-in-law, Mr. Fred Jacobs, and Stanley Jacobs, while visiting relatives in the East.

Mr. and Mrs. Roger McKergow, accompanied by Mrs. A. H. Cowling, spent a day in St. Johns visiting Mrs. McKergow's brother, Mr. Borden Parsons, and Mrs. Parsons.

Mr. and Mrs. O. T. Pickford have returned home from a week's holiday at Cape Cod.

Mr. and Mrs. Al Thompson have arrived from Glace Bay, N.S., and taken up residence in Mrs. Bailey's apartment. Mr. Thompson will be teaching in the High School.

Mr. and Mrs. Roger McKergow motored to Frontier Lodge on Lake Wallis to get their sons, Roy and John, who have been camping there for two weeks.

Mr. Fred Jacobs and daughter, Mrs. E. Poulin, have returned home after visiting relatives in New York State. Master Larry Poulin is a patient in the Brome-Missisquoi-Perkins Hospital.

Peter White Wins Price Cup Series At Knowlton Club

KNOWLTON — Owing to the decision of the race committee of the Brome Lake Boating Club to count the Fisher cup race as the final race in the Price Cup series, the Price Cup this year went to Peter White, who showed a reduction in his handicap of 8.58 minutes, or 7.42 per cent.

Runner-up was H. W. Johnston with 1.95 per cent improvement. Col. Johnston was last year's winner. No other boat showed any improvement in handicap.

Philip Fisher won the Stairs Cup. The only other two boats to complete enough races to qualify for the cup were two Lightnings, L. Eden and D.

BURY —

Mr. E. Anderson, of Sherbrooke, was guest speaker in the United Church on Sunday. The service next Sunday, Sept. 4, will be a joint service of the three churches and will be held in Cookshire at 11 a.m. It is expected that Rev. Mr. Breen will have returned from his holidays.

Miss P. Taylor Feted At Shower In Austin

AUSTIN — Mrs. Arthur Bryant and Mrs. Wilfred Stone entertained at the home of the latter, at a miscellaneous shower in honor of Miss Peggy Taylor, of North Hatley.

Miss Taylor, completely taken by surprise, was greeted by the hostesses and presented with gaily decorated parcels. The bride-to-be, assisted by her mother, Mrs. L. Taylor, and the groom-elect's mother, Mrs. M. Tetreault, opened the gifts.

Miss Taylor thanked the guests after which lunch was served by the hostesses, assisted by some of the other ladies.

Covered wagon trek reaches the city

CHUCKWAGON NEGOTIATES TRAFFIC IN LENNOXVILLE

Lennoxville to Sherbrooke becomes real rough journey

I'm no pioneer, but I know what it's like to travel in a covered wagon, 100-year-old style.

That's what I did yesterday and I can tell you it's rough, real rough, even on a modern highway and even at the three to four-miles-per-hour pace set by the horses.

But a pioneering spirit is certainly something that Hertel Boisvert and his petite wife Margaret had as they have travelled all the way from Danville, Vermont to Sherbrooke in their 132 mile trek to Danville, Quebec.

And I was tired from just the trip from Lennoxville to Sherbrooke.

Hertel showed no signs of fatigue though, and he stopped every few yards on the road to wave to well-wishers and shout his friendly "Allo there." Everyone seemed to want to wave and chat for a moment with the trekkers and the Boisverts were more than pleased to comply with the many requests.

When I boarded the wagon and hopped behind Hertel and his wife in Lennoxville, it was just as though the years had melted away and I was back with the original pioneers, starting on a journey. Everything in the wagon, with the exception of food and clothing for the Boisverts, was exactly as the old-time settlers would have known it.

A huge old trunk dominated the items carried by the Boisverts while boxes of food and blankets lay at my feet as I settled myself for the trip.

In the back of the wagon, an ancient and battered lantern hung, swinging back and forth, and giving me even more the

feeling that I was with some-pioneering family a hundred years ago.

Looking closer at the interior, I noticed an old yoke used for carrying water buckets, several time-worn iron pots, and a wooden bucket which held Hertel's tools.

Strapped on the outside of the vehicle was a water-filled barrel while, on the opposite side, was an old hatchet and Hertel had just what was needed to top off the pioneer atmosphere — an old musket which was near at hand if 'Indians' attacked.

The Boisverts were garbed for a century ago, too. Hertel wore a thick red shirt, broad brown leather belt, high leather boots, and gray, almost shapeless-pants. His wife Margaret looked just the part of his pioneer wife, with a long black dress and white bonnet.

Plans made for blind fund drive

At a meeting of the Sherbrooke City and District Board of the Canadian National Institute for the Blind, held at the office of the Institute, 10 Wellington North, on Tuesday, plans were made for the 1960 campaign.

The opening of the campaign has been set for Monday, September 19 in Sherbrooke and Lennoxville.

District campaigns will be held on dates following as soon as possible at the convenience of the county boards. An objective of \$15,000 was established for Sherbrooke and Lennoxville.

Joint chairmen elected at yesterday's meeting were Mr. R. D. Rice, Manager of the Dominion Bank and Mr. Andre Langlais prominent lawyer. Headquarters of the campaign will be established at the local branch of the Toronto Dominion Bank.

8,000 more needed to top modern record

The 75th Sherbrooke Exhibition enters its final day today, and attendance figures are up 15,000 higher from last year, but still nearly 8,000 short of the record for recent years set in 1958 when 75,094 people paid their way through the gates.

Attendance up to last night was 67,149 with 7,561 people passing through the gates yesterday.

Today will be another Children's Day with special prices on the midway's children's rides for kiddies under 12.

Last night, for the second night, the grandstand show was climaxed by a brilliant fireworks display which could also be seen by a large number of Sherbrooke residents in every ward.

Inverness fair opens today

INVERNESS — (Special) — An Old-Time Fiddlers' Contest, Square dancing competitions and a baby contest are all part of the program this year as the annual Inverness Fair got underway today.

Today judging started in the Heavy horses and registered beef cattle while during the afternoon the judging of the exhibits in the ladies handicraft and the cooking department is taking place.

Tomorrow's judging includes sheep, swine and poultry. Later the light horses, dairy cattle, in the day there will be judging for the Young Cattle Breeders Association.

The program for Saturday, the final day of the Fair, is to be held in front of the Grandstand, with contests for babies, children, and an old-time fiddlers step dancing and square dancing competition.

Saturday night in the main building, there is to be a Barn Dance. As added attraction Saturday there is to be a bingo and a grandstand show by the Rivard Amusements.

Thetford man freed in death

MONTREAL (CP) — Ian Gregor Cunningham of Thetford Mines, Que., Tuesday was freed of criminal negligence in the traffic death of Simone Biron of nearby Dorion Aug. 14.

Miss Biron was injured in a three-car crash and died two days later in hospital.

Testimony disclosed the victim was awaiting police to investigate an accident in which she was involved, when her car was hit by Cunningham's vehicle.

The jury accepted Cunningham's testimony that his visibility was reduced by rain and poor lighting conditions.

HAS WITNESSED

exhibitors but the exhibits. "The distance was more than 20 miles and with road conditions as they were then, we were lucky if we made the trip in a single day."

Discussing the quality of the livestock exhibits, Mr. Stalker admitted that the advent of the automobile had cut down on the horse entries, which were the pride and joy of the exhibition 60 years ago.

But, despite the fact the Sherbrooke Exhibition has been relegated from the class of a provincial to a regional fair, he believed cattle exhibits had improved in quality and quantity.

THE FIRST AUTOMOBILE

"There were no automobiles when I first exhibited," Mr. Stalker commented. "The first car entered the gates in 1904 and the excitement cannot be described. Now, I suppose, if a family entered the main gates with a horse-drawn rig, there would be as much ado."

When he first exhibited, he said the Exhibition was just recovering from a bad fire which had swept the grounds a few years previously and had destroyed hundreds of prize cattle and horses.

This, he said, almost wrecked the Sherbrooke Fair, but co-operation between the government, ETAA officials and the exhibitors had permitted the replacement of the buildings and the continuation of the fair.

FOR THE FUTURE

Mr. Stalker was none too certain of his future plans. "Ten years ago when the directors honored me on my 50th anniversary, I decided to retire. But for some reason or another I kept on coming."

"This year, I wonder if it will be worth the effort to come again next year. But whether I come or not, my sons will be here to follow me just as I followed my father — I hope with Shorthorns and Clydesdales."

No more of this...

But years of this...

With NEW A-100 Latex House Paint

For all outside surfaces—Clapboard, Shakes, Shingles, Stucco, Cement or Brick

BOTH WOOD and MASONRY
Imagine... you "keep right on going" from one surface to another — are sure of a perfect match — don't need a cupboardful of different finishes, solvents, "fixings."

COLORS STAY BRIGHTER
Modern pastels, bold accent colors, gleaming white... all stay clean and rich looking, permanently, uniformly bright years longer. No more fading worries.

PAINT ANY TIME
You can go ahead and paint even when the weatherman predicts rain for later in the day. "Sets" fast so that rain won't harm it. Dries dust-free, bug-free in just 30 minutes.

If your house shows checks, cracks, peeling or blisters, you have extra cause to cheer this revolutionary new house paint. As you know, these conditions are caused mostly by moisture, poor paint or improper surface preparation. Now, with A-100 just prepare the surface according to instructions, and watch how this new paint gives your home a degree of protection and beauty it never had before.

A-100 Latex House Paint is made by the makers of the world-famous interior paints, Super Kem-Tone and Kem-Glo. A-100 is new in its ease of application, new in its amazing durability — tested under toughest conditions for years. New in its resistance to blistering, and new in the way it dries bug-free, dust-free in 30 minutes. Be sure you get all these advantages... ask for A-100 LATEX HOUSE PAINT by name.

Fuller And Indians Meet Tonight In Second Playoff Tilt

Orioles Go Against Yankees In Big American League Series, Trail By One Game, Yanks Split With A's

One of the most exciting week-ends in Baltimore's baseball history since the days of Ned Hanlon's champion Orioles of 1894-96 figures to get away winging Friday night.

The youthful Birds engage the league-leading New York Yankees in an all-important three-game series.

A sweep would lift the Orioles into first place in the American League and establish them as the team to beat.

Baltimore narrowed New York's first-place lead to one game Wednesday night, vanquishing Cleveland Indians 6-3 after Kansas City and the Yankees split a doubleheader. The A's won 6-0 after losing 1-0.

Washington stunned third-place Chicago with a 2-1 decision that dropped the White Sox four games off the pace. Detroit snapped Boston's five-game winning streak with a 4-2 triumph.

VETERANS PACE TEAM
Two of the older Orioles—outfielder Gene Woodling and pitcher Skinny Brown—carried Baltimore to victory. Woodling, who has hit in 17 straight games, walloped a grand slam home run off Dick Stigman in the third inning. Cleveland had run up a 3-0 lead against Steve Barber in the first inning. Brown, 35, pitched eight scoreless innings in relief to gain his 10th victory.

Yankee rookie Bill Stafford and A's veteran Ned Garver turned in the shutouts in the New York-Kansas City doubleheader. Stafford permitted four hits in the opener for his second major league victory. Mickey Mantle's sixth-inning triple scored Yogi Berra.

Garver also hurled a four-hitter for his seventh victory against New York in 28 lifetime de-

Dave Mann Is Leading Big Four Scorers

TORONTO (CP)—Toronto Argonaut Dave Mann, who has been quarterback Tobin Rote's favorite receiver, is leading Big Four football league scorers with 31 points in three games.

The fleet Mann gained his lead with five touchdowns and a single. He was out during last season because of a narcotics indictment, on which he was cleared.

Four other players are tied for second spot in scoring with 18 points, still a long way behind the Argo halfback.

Ottawa's Russ Jackson with three majors and Tiger-Cats' Paul Dekker with an identical score after Monday night's game moved into contention.

Bill Stribling of Toronto also have 18 points each.

Veteran signal-caller Sam Etcheberry of Alouettes is deadlocked with Toronto's Cookie Gilchrist for third position, each with 13 points. Old Sam chalked up his with two majors and a single while Cookie collected his with an educated toe for 11 conversions and two singles.

Alouettes' Hal Patterson, Toronto's Dick Shatto and Ron Stewart of Rough Riders each has two touchdowns for 12 points and fourth position in the scoring race.

HANDSOME HARDWARE FOR A HANDSOME WINNER — Al Johnston, the young pro from Kanawaki smiles over the handsome trophies he won last weekend in the O'Keefe Quebec Professional Medal Play Championship. He won the event with a birdie putt on the second hole of a sudden death playoff with Gerry Proulx of Goffland. Both had 36 hole totals of 138, in this final tournament of the 1960 O'Keefe Golf Circuit, played at Beloeil. Joe Leblanc of Sherbrooke Country Club finished tied for fifth with 142.

Ray Royer And Mrs. Patrick Henri To Meet Yves Laberge And Miss Lebrun For E. T. Mixed Title Friday Night

The finals of the mixed event of the Eastern Townships Tennis Tournament will be played Friday evening at the Fraser Street courts and will see four players from Sherbrooke battling it out for the honors.

Raymond Royer and Mrs. Betty Henri will face Yves Laberge and Miss Jeannine Lebrun for the title left vacant this year when Jean-Louis de Lesleuc and Mrs. Pierrette Guillemette, formerly Miss Emond retired.

The Royer-Henri pair attained the finals by defeating Patrick Henri and Mrs. Nicky McGuire 6-3, 6-2. In the other battle Laberge and his partner, Jeannine Lebrun, knocked over Claude Metras and Mrs. Metras but not before going three sets. The Metras chalked up a 6-4 win in the opening set but then dropped the next two, 6-0, 6-1.

This is the final event of the season and a good battle is expected. Raymond Royer, who already holds the singles crown and shares the doubles with his brother, will be running for a sweep. The event will commence at 8.00.

Olson Stopped In Comeback By Doug Jones

CHICAGO (AP)—The come-back hopes of Carl (Bobo) Olson, former world middleweight boxing king, were just about shattered Wednesday night by the "only right-hand punch" young Doug Jones tossed.

Jones, 23-year-old New Yorker, scored his 16th triumph without defeat when he kayoed Olson at 1:30 of the sixth round. Jones threw a short left and a hard right uppercut, ending the scheduled 10-round light-heavyweight match.

Olson, who weighed 179 pounds, had piled up a slight margin with an effective left hook which Jones couldn't solve. There were no other knockdowns. Jones weighed 176.

"We'll just have to lick our wounds," said Sid Flaherty, Olson's manager. "I don't know what wounds we'll lick though, because Bobo wasn't even scratched."

A bewildered Olson said: "I walked into one lucky punch. It was a right, the only one he tossed all night."

Ring Names Davey Moore Top Fighter

NEW YORK (AP)—World featherweight champion Davey Moore of Springfield, Ohio, was named fighter of the month in ratings released Thursday by Ring Magazine.

He won the honor by his successful titled defence against Japan's Kazuo Takayama, now ranked No. 9 in the division.

There were minor changes among heavyweights. Bob Clew of Montreal, knockout victor over Roy Harris, moved to eighth from ninth position. Clew recently beat George Chuva of Toronto for the Canadian heavyweight crown.

Fraser, Emerson To Miss Tennis Event At Toronto

TORONTO (CP)—Efforts to obtain Australian Davis Cup stars Neale Fraser and Roy Emerson for the Canadian tennis championships have failed, tournament chairman Douglas Philpott said Wednesday.

They can't play here because of a ruling by the International Lawn Tennis Federation which says no tennis player who receives expense money may play outside his own country for more than 150 days in one year.

Fraser and Emerson will have played 150 days as of Sept. 15, three days before the Canadian tournament ends. It starts Sept. 12.

Dorey's Redmen Face Elimination, Fuller Holds One Game Lead With 4-3 Win In Two-Out-Of-Three Duel

The second game of the Fuller-Indian semi-final Junior League series gets underway this evening at 7.30 in the Municipal Stadium on Park Avenue.

Tonight's game is a very important one as Dorey's Redmen have to win the tilt to stay in the playoffs. The Indians lost out by a close 4-3 score Tuesday evening against Emilian Hamel's squad.

The game should turn into quite a pitched battle this evening as both these teams have tremendous ability in handling the ball. As proved by the low and close score Tuesday, the Fuller-Indian series of games is chock full of ball thrills.

Both these teams boast strong hurling lineups and it is on this department that they rely extensively. For the Indians, Jean-Guy Mathieu, Billy Robinson, and Garand form the mainstay of the pitching staff, while, for Fuller, Wayne Nugent, Bobby Bourque, and Roger Fortier are the hurlers used most often.

But still, both clubs have heavy hitters and good infielders. Bob Coates, Billy Robinson, Guy Desrochers, and Francois Lemire all

are steady infielders for the Redmen while for Hamel's ninesome, such players as Gerry Menard, Bob Desrochers and Richard Doyon are tops.

All in all, spectators attending the game should see plenty of action before the evening is over. The calibre in these playoff games is really some of the best seen in this area for some time and the pace set is very high.

Game time is 7.30 and fans in the district will find it well worth their while to attend the games. Unlike last year, there is no favored team in the race this season and, as a result, the teams are just about equal in all respects, thus assuring fans of some good ball action.

Canadian Junior Golf Championship Pointing To Final Between Morgan And Bob Panasiuk, Third Round Today

There's no longer any doubt. The most improved club in the National League is the St. Louis Cardinals, and the most improved manager is the Redbirds' Solly Hemus.

Only Pittsburgh's Danny Murtaugh stands between Hemus and the coveted honor of National League's "Manager of the Year."

In his first year as a big league manager, Hemus last season piloted the Cardinals to an undistinguished seventh place finish. His team won only 71 games, losing 83.

With a full month still to go in the 1959 campaign, Hemus' Cardinals already have won as many games as they did last year. They won their 71st against 55 defeats Wednesday night by squeezing out a 2-1 decision over Cincinnati. The victory, coupled with Milwaukee's split in Chicago, boosted the Cards into second place, 6 1/2 games behind league-leading Pittsburgh.

The Pirates whipped San Francisco 7-4. The Braves, beaten 5-4 in 10 innings of the opener, won the second game from the Cubs 11-7. Los Angeles downed Philadelphia 3-1.

Rookie left-hander Ray Sadecki and veteran outfielder Walter Moryn, a couple of fellows who weren't even with the Cards at the start of the season, teamed up to defeat the Reds.

The 19-year-old Sadecki pitched a six-hitter for his eighth triumph. Moryn walloped his 10th homer of the season, with one on in the sixth, to account for both St. Louis runs off Jay Hook.

When the Cards got off to a poor start last April, and it began to appear they might duplicate last year's dismal showing, Hemus got busy. With the help of general manager Bing Devine, the sophomore manager started changing faces and manipulating his lineup. Newcomers Julian Javier, Curt Simmons, Charley James, Bob Gibson, Sadecki and Moryn were added. Changes included switching Stan Musial to the outfield, and plant-

ing Curt Flood in center field.

Wednesday night's lineup showed only two players in the same position they held on opening day—Ken Boyer at third and Hal Smith behind the plate.

Roberto Clement's hot bat cooled off the Giants in San Francisco. The Pittsburgh outfielder rapped three hits, including his 12th homer, drove in two runs and scored two more as the Pirates overcame an early 3-0 deficit. Clem Labine, in relief, was credited with the victory but it took a stout relief job by Eroy Face to preserve it. The little fireman fanned six in 2 2/3 innings of scoreless pitching.

The Braves walloped five home runs in their twin bill in Chicago but a couple of Cubs' homers beat them in the opener. A four-bagger by Bob Will, off Lew Burdette in the 10th inning, was the decisive blow. Another by Don Zimmer, in the ninth, had tied the score 4-4.

In the second game, three-run homers by Bill Bruton and Eddie Mathews (No. 31), featured a 13-hit Milwaukee attack against five pitchers. First game Milwaukee homers were hit by Del Crandall, Johnny Logan and Chuck Cottier.

Roger Craig hurled a six-hitter and Junior Gilliam drove in all three Los Angeles runs in the Dodgers' triumph over Philadelphia. It was Craig's sixth victory against one defeat. Johnny Buzhardt lost his eighth straight for the Phils. The Dodgers' Maury Wills stole his 35th and 36th bases.

Canada Looks To Harry Jerome For First Gold Medal At Games

Faces Stiff Opposition In Classy American Trio In His Bid For Medal, U. S. Leads With Four Gold Medals

ROME — (CP) — Canada looked to sprinter Harry Jerome to give the country its first medal of the 1960 Olympic Games today, but his task was a difficult one as Russia and the United States duelled for the unofficial team honors.

Jerome, co-holder of the world record of 10 seconds flat in the 100-metre dash, qualified handily Wednesday for this morning's semi-finals in the event, but so did the classy American trio of Ray Norton, Dave Sime and Frank Bud.

Another to contend with was the man who shares the world mark with Jerome, Germany's Armin Hary, who broke the Olympic record in qualifying for the semi-finals.

The finals were scheduled for the afternoon. Russia was favored to pick up the women's javelin and 80-metre hurdles gold medals today. The U.S. figured it should take the metric century, and the high jump with world record-holder John Thomas leading the way.

After six days of competition, the Soviet Union had nine gold medals and 164½ points based on the traditional 10-5-4-3-2-1 point-scoring basis for the first six placings in each event.

The U.S. with four gold medals was second with 110 points. Germany had 97, Hungary had 76½ and Italy 72½ to round out the top five.

Canada still had only four points going into today's competition.

At Castel Gandolfo Wednesday Canada's eight-oared crew from the University of British Columbia qualified for Saturday's final with the fastest time of the day—six minutes, 31.8 seconds over the 2,000 metre (one mile, 427-yards) course.

The Canadians beat out the entry from the U.S. Naval Academy at Annapolis, Md., by a length. Italy was third and Russia and Spain followed in the order.

In another rowing event, the St. Catharines, Ont., Rowing Club, entered in the four oars without coxswain competition, placed fifth and last in its heat, but got a second chance to stay in competition Friday in the repechage.

In yachting at Naples Argo II, skippered by Dr. Samuel Macdonald of Montreal, dropped to third from first place in the over-all Dragon class standings after finishing ninth in the third of the seven - trial event. The Canadian yacht was first in the opening trial and fourth in the second.

Bill Nieder led the three-man American contingent into a record-breaking sweep of the shot put Wednesday.

Nieder's heave was 19.68 metres (64 feet, 6½ inches), bettering teammate Parry O'Brien's 1956 record of 18.37 metres. O'Brien settled for a silver medal when he broke his old mark with a toss of 19.11 metres. Dallas Long's heave of 19.01 metres completed the U.S. sweep.

The day's only other track and field final saw Vera Krepinkina of Russia win the women's broad jump with a record leap of 6.37 metres—20 feet, 10¼ inches—breaking the 1956 mark of 6.35 metres made by Poland's E. Krzeskowska, who finished second with 6.27 metres.

Russia and Turkey dominated the finals of the Greco-Roman wrestling, each winning three of the eight gold medals at stake. Russia also won two bronze medals.

Hungary picked up a gold medal in the wrestling and two in the rugged, five-event modern pentathlon—capturing both the individual and team honors.

In the metric century, Hary turned in the best time of the day—record - breaking 10.2 seconds in winning his second heat. Jerome won his first heat in 10.5, but did better in the second round with a 10.4 clocking. Hary also won his first heat in 10.5 and then went on to break the Olympic record of 10.3 set by American Eddie Tolan in 1932.

Canadians Lynn Eves of Saanichton, B.C., and George Short of Saskatoon were knocked out in the first round, each winding up fourth in their heats. The first three in each heat qualified for the second round.

All other Canadian track stars entered Wednesday failed to survive the eliminations.

Murray Rose and Dave Thiele gave Australia its third and fourth gold medals Wednesday, all four golds coming in swimming.

Rose broke the Olympic record for the men's 400-metre freestyle with a 4:19.2 clocking.

Thiele also set an Olympic record of 1:01.9 in the 100-metre backstroke, breaking the time set in a heat Tuesday by American Bob Bennett, who wound up third in the final. Frank McKinney of the U.S. won the silver medal.

Promises of a possible U.S. gold medal today was given in the heat performance by Chris Von Saltza, who broke the Olympic record Wednesday with a 4:53.2 performance in the women's 400-metre freestyle.

Blaze Hanover Wins Hambletonian Classic In Four Heats In Record Time, Picks Up \$85,019 For Win

DU QUOIN, Ill. — (AP) — Blaze Hanover, with new shoes protecting his tender hooves, Wednesday won the Hambletonian to collect a record prize before a record crowd.

Here is how the strapping chestnut son of Hoot Mon won the record \$85,019 first prize in the 144,590 stake for three-year-old trotters, richest harness race in United States history:

First mile heat — Won by a nose over Elaine Rodney, matching the Hambletonian record of 1:59.4-5 set by Emily's Pride in 1958. Elaine Rodney, the second choice, was driven by Clint Hodgins of Cladeboye, Ont.

Second heat — Finished seventh when he clipped the wheel of In Haste at the top of the stretch. Won by Quick Song and driver Frank Erwin in record time of 1:59.3-5.

Third heat — Finished third as Hoot Frost, owned by Elgin and Ted Armstrong of Brampton, Ont., and piloted by Jim Arthur, also won in 1:59.3-5.

Fourth heat — Beat Quick Song by a head after leading all the way, with Hoot Frost third, a length back in a race-off. The time was 2:10.3-5 as the three colts sat back, but Blaze covered the last quarter in a sizzling 27.3-5 when they all let loose.

DRIVEN BY O'BRIEN

A record crowd of 25,611 watched the finish.

Blaze, trained and driven by Joe O'Brien, a native of Alberton, P.E.I., who won with Scott Frost in 1953, was the Hambletonian winter-book favorite after earning \$142,052 to take two-year-old U.S. trotting honors in 1959. But tender feet troubled him this season and he failed to win in seven starts, breaking gait in four of them.

By Hambletonian time he was backed down to a 6-to-1 underdog by the experts. There is no pari-mutuel betting at Du Quoin state fairgrounds.

But with canny, little O'Brien in the sulky, Blaze was the most feared horse among the drivers in the field of four fillies and 15 colts. By the third heat, eight of them had scratched, including the solid choice, Uncle Sam, who couldn't seem to get unbound and finished eighth in the first heat and 17th in the second. Also out was Carlen Hanover, driven by Ralph Baldwin, formerly of Oakville, Ont.

The four-heat race was the third in the 35-year history of the Hambletonian and the first since 1934. The combined times of 8:09.3-5 was the best ever recorded for three-year-old trotters, erasing the mark of 8:10¼ set at Lexington, Ky., in 1940. WORE NEW SHOES

"Blaze wore his new shoes with the leather pads and he didn't lose them as he did when I tried

Ron Delany Decides To Withdraw

ROME — (CP) — Ron Delany of Ireland, holder of the 1,500 Olympic championship, was reported Wednesday night to have decided he will withdraw from the event at the current games.

Delany finished last Wednesday in a semi-final of the 800-metre run.

A team official said the Irish middle-distance runner has been troubled by recurrence of tendon trouble he suffered earlier this year.

Ont. Seniors Take Larger Share Of Honors

MONTREAL — Ontario golfers took a large share of the honors in the Canadian Seniors' Golf Association two-ball foursomes tournament here Wednesday.

Teammates Allen Shirk and J. A. Orr of Westmount Golf Club, Kitchener, Ont., combined to win the low net at Beaconsfield Golf Club in suburban Pointe Claire.

The two covered the par-71 course in 41:39:30. Their handicap of 14½ gave them low net of 65½.

Meanwhile, at Kanawaki Golf Club in Caughnawaga, across the St. Lawrence River from the island of Montreal, H. R. McGregor and N. J. Robinson of Rosedale Golf Club, Toronto, won with 43:43:36, less a handicap of 14, for a 72 net.

LARGE FIELD

Play was on two courses because of the large field of more than 175 players.

Today, action shifted to Kanawaki, where 16 U.S. seniors are to play against a Canadian contingent for the Duke of Devonshire Cup.

Members of Canada's international team include: G. J. "Pete" Campbell, Aroostook Golf Club, Four Falls, N.B.; H. H. Richardson, Mount Bruno, Que.; W. D. Bennett, Country Club of Montreal; L. R. Lapointe, Islesmere Golf Club, Montreal; and J. P. O'Neill, Beaconsfield.

The teams will play 18-holes at Kanawaki today and will return to Beaconsfield Friday for the final 18.

LAST NIGHT'S STARS

Batting — Walt Moryn, St. Louis Cards — hit a home run with a man on base, his 10th of the season, to account for both Cardinals' runs in 2-1 victory over Cincinnati.

Pitching — Hecker (Skinner) Brown, Baltimore Orioles — replaced Baltimore starter Steve Barber in the first inning and pitched eight scoreless relief innings as the Orioles overcame a 3-0 deficit and defeated Cleveland Indians 6-3.

University Of British Columbia Crew Strokes Way Into Finals With Victory Over U.S. Naval Academy In Good Time

CASTEL GANDOLFO (CP) — The University of British Columbia eight-oared crew stroked its way into the finals of the Olympic competition Wednesday with a one-length victory over a highly-touted United States Naval Academy eight.

UBC silver medalists in the 1956 games at Melbourne, led from the start, but had to fight in the last 200 yards to preserve the margin of victory.

Canada, Germany and Czechoslovakia were the heat winners, all going into the final's Saturday. The losers got a second chance in the repechages Thursday, with the three winners qualifying for the finals also.

UBC had the best time of the day over the 2,000-metre (one-mile, 427-yard) course, six minutes and 21.8 seconds.

The high-stroking Germans whipped Britain by nearly two lengths in 6:03.34 while Czechoslovakia won by a length over Austria in 6:03.34.

The Canadian oarsmen had as their target the ending of the long American reign in the premier rowing event. Yankee crews have won eight straight times since 1920. In 1956, Yale fought back in the repechages to gain the finals and win the gold medal.

Only one member of the 1956 UBC crew is on this year's crew — Bill McKerlich of Vancouver (No. 6). The other members are: Don Arnold (stroke) Winfield, B.C.; Walter d'Hondt (No. 7) Vancouver; Nelson Kuhn (No. 8) Vernon, B.C.; Glen Mervyn (No. 4) Kelowna, B.C.; Archie McKinnon (No. 3) Cranbrook, B.C.; Dave Anderson (No. 2) Victoria; John Lecky (Bow) Vancouver and Sohen Bim (Cox) Winfield.

The Canadians were jubilant after returning to the boathouse. Even usually poker-faced coach Frank Read, a Vancouver hotel owner, smiled and acted as if he already had won the gold medal.

"It was the best the crew has done this year," beamed Read. "They looked so good I can't believe it. Sure I am happy, but only for two days. We'll wait and see what happens in the final Saturday."

We who make whisky say:

**DRINKING AND DRIVING
DO NOT MIX**

Fine whisky is a luxury and should be treated as such. And, knowing when to say "no" plays a great part in the art of sensible living.

Neither whisky nor any other alcoholic beverage has any place at the wheel of an automobile. Drinking and driving do not mix.

This conviction must be shared by every thinking person who drives a car, particularly this Labour Day week-end when many holidaying families will be travelling on Québec highways.

If you expect to be at the wheel of a car this week-end, we say to you: Think before you drink. Don't drink before you drive.

THE HOUSE OF SEAGRAM

The Doctor Says

'DISCRETION' IS WATCHWORD FOR MEDICAL PROFESSION
By HAROLD THOMAS HYMAN M. D.

One of the first lessons given student physicians and nurses about to have their first contacts with patients, is the need for caution in conversations directed to, or overheard by, the sick person or a visitor to the clinic or ward.

Even with these precautions, it is impossible to estimate the amount of mental anguish inflicted by careless remarks and loose talk.

Sometimes the damage is done by a medically correct statement, such as the fact that the listening patient is the victim of a malignancy. Or that survival is a matter of only a few days or weeks.

Sometimes the damage is done by misinterpretation of fragments of an overheard conversation. Such as a patient's linking the words "tumor" or "growth" with "cancer."

Sometimes, as in a multipatient ward, the damage is inflicted on a patient other than the listener. Such as occurs when the ward busybody and gossip learns that a fellow patient once had a venereal disease.

But it has remained for Dr. David B. Cheek of San Francisco to direct attention to a danger that many of us suspected but of which we never could be quite sure.

Writing in the Rocky Mountain Medical Journal, Cheek presents

DENNIS THE MENACE

"ALL I SAID WAS 'HERE KITTY, KITTY, KITTY!' AN' BOY!"

evidence that the surgical patient, during anesthesia, has the capacity to hear and remember meaningful sounds.

Although sufficiently under influence of drugs to register no pain or discomfort during the operative procedure, the words exchanged by surgeons, anesthetists and nurses may be heard and stored in the deep layers of the brain—much as they are in a deep hypnotic trance.

In the light of Cheek's studies, I recall many times when patients repeated to me fragments of conversations that I was certain they couldn't have heard during their stay in the operating room.

Not being as keen as Cheek, I dismissed these experiences with

Women's group holds meeting at Derby Line

DERBY LINE — The August meeting of the Foster Cosby Women's Auxiliary was held at the home of Mrs. James Palin in Newport with 15 members attending. The president, Mrs. Philip Cross presided.

Mrs. Francis Roderer reported \$5 sent to convention sales. A thank you letter was read from Miss Sondra Bedard, the representative from Derby Academy sent by this group to Girl State in Montpelier.

Mrs. Dean Palin spoke on the August polo clinic sponsored by the Auxiliary and held in the Derby Line Village hall, where 39 persons took the shots.

Mrs. James Stevens Jr. gave the report of the nominating committee, and the following were elected to office: President, Mrs. Raymond Grow; 1st vice-president, Mrs. Dean Palin; 2nd vice-president, Mrs. James Stevens Jr.; treasurer, Mrs. Francis Roderer; chaplain, Mrs. Cyril Cargill. A secretary is to be named soon.

It was voted to order new installation pins and pins for the members. The installation of the new officers will take place at the Derby Line Village hall in September, date to be announced.

Refreshments terminated the meeting.

'59 HORSE DRAWING CONTEST WINNER — Pictured left to right, Y. G. Menard of Sutton is presenting Elle Simard of Plantagenet, Ontario with the Brome Fair Trophy for the famous

4th annual rohes drawing contest. This same contest promises to be one of the main highlights at this year's exhibition.

Horse-pulling test big feature

Saturday will be opening day of the big Brome Fair, the 104th annual fall exhibition of the Brome County Agricultural and Horticultural Societies.

Judging by the number of exhibits received to date, this event should be one of the most successful yet and preparations have been underway for some time to ensure that all will be in readiness for Sept. 3.

HORSE DRAWING CONTEST

One of the fair's big drawing cards, the annual Horse Drawing Contest, is scheduled for Saturday morning starting at 10 a.m. and for top entertainment you could not do better than attend this exciting contest. Teams from New Hampshire, Vermont, New York, Ontario and Quebec will be there competing for the \$800 in prize money for each of the four and the cups and ribbons of classes.

If last year's effort is any indication, this should be one of the high spots of the four-day fair. The official weigh-in will be held Saturday morning prior to the event and come rain or shine the first contest will be staged at 10 a.m. The others will be held in the afternoon and evening and trophies will be presented following the evening grandstand performance.

LIVESTOCK PARADES

The grand parades of livestock will take place Sunday and Monday afternoons before the grandstand. Judging begins Saturday for Jerseys, Canadians and Beef breeds while Holsteins, Guernseys and Ayrshires will be judged Monday.

Horse races will be held every afternoon from Sunday on and grandstand patrons will also be entertained by the Knowlton High School Band and by featured Gastoni attractions.

CIRCUS REVIEW '60

A number of outstanding acts have been combined

BEDFORD —

Mrs. N. Laws who has spent the past months with her son-in-law and daughter, Mr. and Mrs. Russell Blinco, has gone to Toronto, where she will spend the coming months with her son-in-law and daughter, Mr. and Mrs. N. Ingham.

Mr. L. Grenier has started building operations on his new home on Elizabeth Street on the lot, which he recently purchased from Mr. Paul Charon.

Mrs. John Pope with her daughters, Nancy and Louise, have returned from Knowlton, where she joined her sisters, at the island on Brome Lake.

The death occurred on Thurs. August 18, of Mr. Herbert McCarthy, of Phillipsburg, at the advanced age of 93 years. Predeceased by his wife, the former Reina Larocque, some years ago, Mr. McCarthy is survived by two daughters and two sons, Miss Madeleine McCarthy, of Montreal, Kathleen, Mrs. D'Arcy Neville, of Phillipsburg, Clarence Neville, of Montreal, and William Neville, of Ville LeMoine. The remains rested at the funeral parlors of Joseph Dion and Son, from where the funeral were held on Monday morning, August 22, to the Catholic Church at Phillipsburg, at ten o'clock. Interment was in Clarenceville.

Mr. Billy Jones, son of Mr. and Mrs. Charles Jones, has been notified that he has been awarded a McConnell Scholarship at McGill University. Mr. Jones had the highest standing in the ten honor students taking the McGill examinations, receiving five firsts. He has been a student at Bishop's College School during the past years.

Mrs. M. Cameron, of St. Johns, N.B., is the guest for a time of her mother, Mrs. Keith Allan, and will also visit her and Mrs. W. H. Baglow at their cottage at Highgate Springs, Vt. Mrs. W. R. Simmonds has returned to her home in Montreal, after visiting her mother, Mrs. A. H. Jackson.

Mr. and Mrs. Lee Martin and son Bruce are spending a week in Montreal.

Enjoy yourself at the Brome Fair!
