Rev. J. D. Wilkie Lashes Out at Pressure States

Rev. J. D. Wilkie, Minister of Stanley Presbyterian Church, Westmount, said on Sunday that the inability of the Protestant churches to fuse into one great church able to exert political pressure was "the saving grace of God."

Preaching at the morning service in Dominion Douglas United Church, Westmount, which was also attended by the congregation of Stanley Presbyterian, Mr. Wilkie said that the Christian task is not to support or maintain any social or political system, but is "to witness whole-heartedly to the truth of God's Word, to the judgment of God, and to the saving grace of God."

Power Worshipped

"The great cult of the 20th century is the worship of power and of power politics" said the Rev. Wilkie. "The church itself is not free from this idolatry. We bemoan the weakness of the Christian church, especially in its Protestant form. We want cohesion and solidarity. So we welcomed in 1948 the formation of the World Council of Churches. Yet the remarkable thing seems to be that God has always kept his people as a politically unimportant minority or remnant."

"A minority can by the persistence of its appeal, in time become a dominant minority," he warned. "From a dominant minority it soon becomes a domineering minority. Hitler showed us that, and the Christian church as a dominant power can become just as domineering as any secular power."

"It changes from its rightful position of a shepherd at the head of the flock giving guidance with a crook, to that of a tyrant at the rear of the flock driving with a lash. Therefore God, in his mercy, has kept His Church, both in the Old Testament and in the New, a minority, lest just for power should be its undoing."

"The Christian church has never saved any political power or social system" Mr. Wilkie contended. "Our present political and social order may stand for centuries, or it may go to pieces. It is not the duty of the church to preserve it. But it is the duty of the church to witness to the judgment of God and to the saving grace of God in

Westmount Man Slugged by Two Youthful Thugs

Melville Bocking, 27, of 191 Selby Street, Westmount, was the victim of a slugging attack by two teen-age youths on Tuesday afternoon.

Bocking, who is employed as a truck driver by the American News Co. Ltd., 1481 B'eury St., told police he parked his truck opposite 6430 25th Avenue Rosemount, shortly after 4 p.m.

After making a delivery at a nearby home, he returned to his truck and found a youngster about 15 years old sitting in the driver's seat. Before he could say anything, another youthful thug hit him from behind with a black-jack.

Bocking put up a struggle, however, and both assailants fled empty handed.

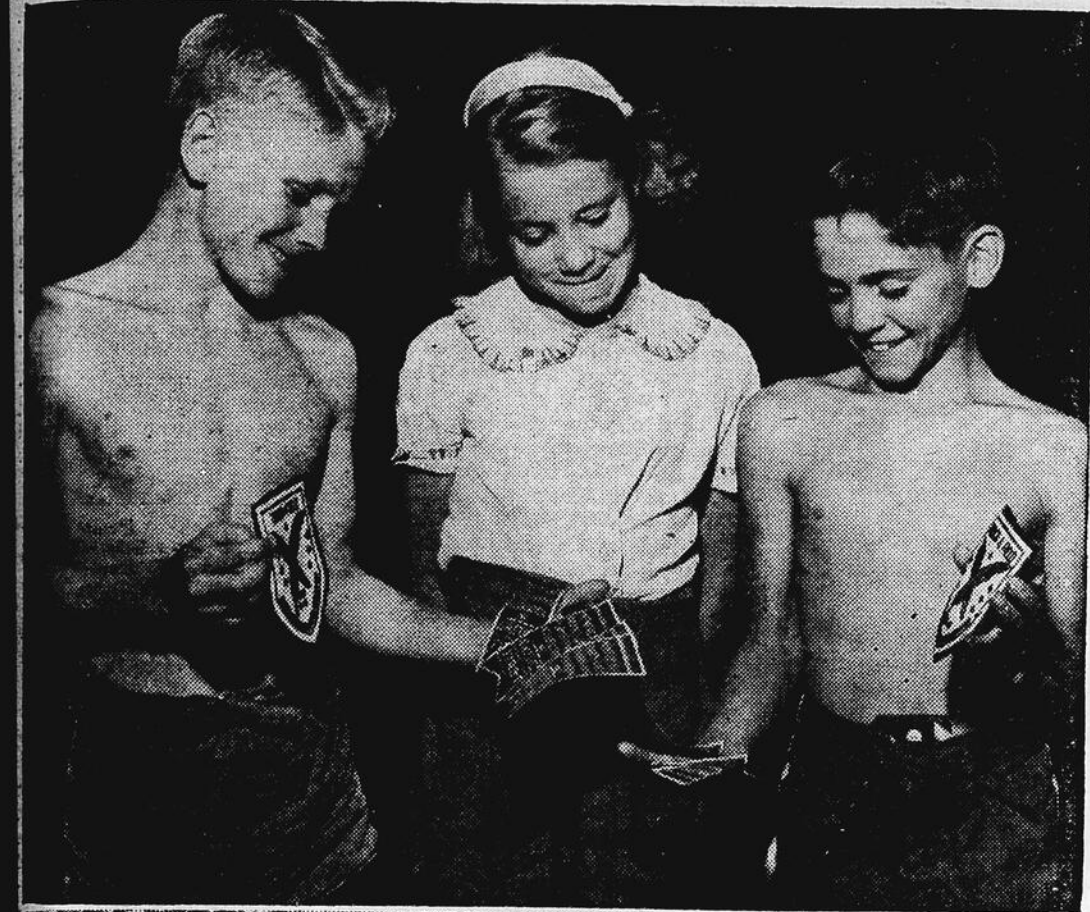

Montreal police who are searching for the two youthful desperados said that Bocking was taken to St. Luc Hospital but was released after treatment for minor head injuries.

Band Programme On Monday Night At Westm't Park

The Band of the Royal Montreal Regiment, under Bandmaster Captain T. E. Jackson, will play the following programme in Westmount Park on Monday night, August 7, commencing at 8.15 p.m.

March, On The Mall, Goldham; Overture, Mountain Majestic, Yoder; Cornet Solo, Napoli (Soloist, Ruttick), Bellstedt; Descriptive, The Teddy Bears Picnic, Bratton; Selection, The New Moon, Romberg; Spanish March, El Charro, Tarver; Characteristic, Mexican Hat Dance, Bennett; Serenade, From The Student Prince, Romberg; Moresque, A Musical Switch, Alford; March, Invercargill, Lithgow.

God Save The King.

The three youngsters in the top picture starred on Friday in the Red Feather Invitation Track meet held at Westmount Athletic Grounds. Bobby Hamilton, 13 years old, on left, collected three firsts, one second; Sarah Isene, centre, two firsts; right, Paul Hamilton, 12 year old brother of Bobby, four firsts in the juvenile class. All are from Staynor Park track team, Westmount, and have been coached by Lionel Fournier, whose Westmount Department of Recreation were joint sponsors of the meet along with the Montreal Parks and Playgrounds Association. The lower picture shows a line of juvenile girls set and ready to go. Staynor Park team placed first in the final standing with 118 points, Westmount Park placed second, and Town of Mount Royal third.

Compulsory Retirement Plan is Taken to Task

The problem of retirement for people in good health and over 65 years old, was fully aired by Jack Smith, a past district governor of Rotary International who spoke at the Westmount Rotary Club at their weekly meeting, Wednesday.

He pointed out that the added life span of the average citizen over the past 100 years has greatly increased the importance of such a problem, pointing out that 27 years difference in the average life expectancy of a person has resulted since 1848.

Citing a number of eminent authorities on the subject, Mr. Smith said that the worst thing for a man to do is retire without

having some sort of planned retirement activities before him. "It is a sure way to die if you have not," the speaker said in citing the number of people who have died a short time after being retired.

He said that the person with the most interests outside of his job is the one who will make the adjustment to retirement easiest and claimed that any retired man in good health must feel that he is still a useful person to society and to himself.

Claiming that many psychologists and medical authorities are against the idea of retirement at

Penny Circus at Local "Y" Big Success

Over 500 boys and girls attended Penny Circus, held at the Westmount Y.M.C.A. on Friday, August 28. The boys and girls from the Y.M.C.A.'s in the City were guests of the local branch for the evening circus.

The boys of Camp Westmount organized the circus and arranged the booths.

The program included everything from a shooting gallery and ball throw to turtle races and swimming.

Some of the features of the afternoon was the showing of movies, and two films describing the work of the Y.M.C.A. in other countries.

All Lavoie and Bruce Jones won the prize for the best booth in the circus.

Proceeds from the circus have been sent to the World Service Work of the Y.M.C.A. This year, sent by the boys of Westmount Y.M.C.A., will help boys in China, Greece, and other countries, to enjoy the fun and games which the boys of the Y.M.C.A. have in this country.

R. N. Watt, Tramway Head Studying Deisel Buses

R. N. Watt, of 626 Sydenham avenue, Westmount, president of the Montreal Tramways Co., who recently returned from a visit to Holland, Belgium, France and England, states that London had made great progress in diesel bus development and now favored them exclusively for its bus routes.

He said "we will look very carefully into the matter when we study our program for next year."

Mr. Watt also noted several other features about London's traffic situation. "Horn blowing is kept to a minimum; any driver who honks his horn while his vehicle is stopped is immediately hailed by traffic policemen."

By contrast he added "Parisian drivers usually have on hand on the wheel and the other on the horn."

No Parking in London
"Downtown parking in London was almost entirely eliminated and truck deliveries were avoided during hours when traffic congestion was at its peak, Mr. Watt said.

Like Montreal, London is making increasing use of the one-way street system. An advantage many large European cities have over similar North American cities, he said was the use of diagonal thoroughfares which permitted traffic to move quickly from one corner of the city to another.

London is also using many

bombed-out lot for parking purposes. Most of the bombed areas in London have not been rebuilt, Mr. Watt said, and plans to use such areas for park and playground developments in crowded London districts were still being debated.

Explaining London's trend towards Diesel-powered buses, the tramway head said the Diesel engines had been greatly improved over there during the last three years, providing increased economy and greatly decreased fumes as well as other improvements.

Mr. Watt further noted that most of the cities he had visited had not the traffic problem to contend with which Montreal has in Mount Royal.

Commander of Thunderbirds

Wing Commander C. H. Mussells, D.S.O., D.F.C., Westmount, commanding officer of 426 Transport Squadron, the "Thunderbirds", to fly in support of the United Nations in the Pacific airlift. Wing-Comdr. Mussells flew as a Pathfinder pilot during the last war. A graduate of the R.C.A.F. Staff College, he took over command of 426 after serving as a staff officer at air force headquarters.

Hon. D. C. Abbott Honored At Bathurst, N.B., Ceremony

Hon. D. C. Abbott, member of Parliament for St. Antoine-Westmount, and Finance Minister in the Federal Cabinet, speaking at Bathurst, N.B., on Monday, said that Canada's dollar position is greatly improved, and her reserves are at the highest level since about the end of 1946.

Mr. Abbott received the freedom of Bathurst, and was presented with silver keys, symbolic of this freedom by Mayor E. G. Byrne who acted as host at a luncheon tendered to the heads of the town's three largest industries — C. G. Eddy, president of the George Eddy Co. Ltd.; Mearle Smith, president of Northern Machine Works Ltd.; and R. L. Weldon, president of the Bathurst Power and Paper Co. Ltd.

Westmount YWCA Worker to Return Here on Furlough

Miss Estelle. Amaron of 4129 Dorchester Street, Westmount, who is general secretary of the Y.W.C.A. in Rangoon, will shortly return home on leave after serving in various overseas posts since 1925.

Miss Amaron began her tour of service in 1925 as general secretary of the Y.W.C.A. in Rangoon. In 1938 she was assigned to Ceylon and spent six years there before proceeding to Italy for war service, after which she returned to Rangoon.

She says that when she first arrived in Rangoon she started the first physical training classes to be held in the east and that the classes proved highly popular.

During the war the Y.W.C.A. headquarters in Rangoon were badly damaged and when Miss Amaron returned there five years ago she started a complete plan of reconstruction and now the buildings are completed.

Miss Amaron is presently attending the 24th biennial conference of the British Y.W.C.A. in Oxford, England. She stated that before she left Rangoon, 50 years of Y.W.C.A. work there was celebrated.

Miss Amaron expects to return to the foreign field after her furlough which she will spend here.

Mayor Byrne said that this tribute to Mr. Abbott was in appreciation of his services to Canada.

Dollar Position Improved
The Finance Minister in his address stated that the improvement in Canada's dollar position has been the result of many factors—some internal, some external.

"In some respects we have been fortunate" he said. "In other respects the improvement is due to the efforts of the Canadian people to produce goods that could be sold for American dollars, and the acceptance by the Canadian people of temporary restrictions necessary to conserve American dollars."

The Canadian pulp and paper industry was by far the largest earner of American dollars and could take a share of the credit for what had been accomplished.

H. H. Stikeman New Director Ronalds Agency

H. Heward Stikeman, prominent Westmount lawyer, who lives at 48 Aberdeen avenue, has been appointed to the directorate of Ronalds Advertising Agency Limited, Montreal, Toronto, and London, England.

Mr. Stikeman is a partner in the law firm of Foster, Hannon, Watt and Stikeman.

He is well known as an expert in legal and taxation fields, and is a director of several other companies.

Westmount Man Drowned in Fall From Bridge Here

Fred Janson, 29, of 322 Victoria Avenue, Westmount, was drowned at 4 a.m. Saturday when he fell into the aqueduct from Jolicoeur Street bridge.

He was with his two brothers, Francis and Reginald, when the accident occurred.

The body was recovered three hours later.

The Canadian National operated 24,149 miles of main track, and a total trackage of 33,046 miles.

whatever political system we may find ourselves."

Church States Criticized

"The church has existed under every form of government and social order" the minister said. "The church in its Protestant form is probably freer in Communist China than it is in capitalist Spain," he added. "It is probably freer under Stalin's Communism in Russia than under Peron's capitalism in Argentina."

"We must live in whatever political system or social order God in his wisdom sees fit to place us. And then we must out-think, out-live and out-love all systems and 'isms' that are offered to mankind, and prove by this our right to the allegiance of all men over all else that is offered."

Mr. Wilkie warned against any tendency for the World Council of Churches to exert greater influence upon the governments of the world" and to play the game of power politics" as it would then be in imminent peril.

Mrs. F. Johnson, Hit by Car, Died On Way to Hosp.

Mrs. Frederick Johnson, 60, of 168A Selby Street, Westmount, died in an ambulance of the Western Division of the General Hospital, at 11.30 p.m. Saturday after being struck by a car at Greene Avenue and St. Antoine Street near her home.

The driver of the car, Gerald Seymour, 36, of 1941 Maisonneuve Street, Montreal, and Sergeant W. Smith, of the Westmount Police, gave first aid before the arrival of the ambulance.

The body was taken to the morgue.

Y. M. C. A. NOTES

... Young Adult Section ...
Tonight's the night for a trip on one of Montreal's famous observation cars. We will all be meeting at the Westmount "Y" at 9:00 sharp, and leaving from there in a group. The plans are to take the eastern city observation tour, getting off at Lafontaine Park. After

that it's up to you how you spend the evening, for the park offers boat rides, animals to visit, and many other things of interest to all. Be sure to come and bring your friends — that's tonight at 9:00 o'clock in the "Y". If it rains, come anyway, for your social committee will have an indoors program ready.

Next Friday, August 11, a special games party is scheduled, where the theme will be "fun for all and all for fun." This is an event you won't want to miss, so put an X on your calendar of August pleasures.

Boys' Department

The boys of Westmount Y.M.C.A. had a most exciting and interesting time during the last week. The feature of the week was the Penny Circus, which was held on Friday, July 28, in which the boys of Camp Westmount raised \$64.00 to send towards the work of the Y.M.C.A. with boys of other countries.

On Tuesday the boys visited the Indian ship, Jala Kala, met Mr. Rajahai, the National Boys' Work Secretary for India, Dr. Das from Calcutta, and took a trip around the harbor on the "Villa Marie" as the guests of the Chester Steamship Company.

On Monday afternoon the boys were the guests of the Westmount Public Library at a story-telling period, held in the Children's Library. The boys were thrilled with the stories they heard, and were impressed with the facilities and books at their disposal. For many of these boys it was the first time they had visited the Westmount Library.

Leo Burns Warns Watch Your Step At Wood Avenue

Leo Burns, of 474 Wood avenue, Westmount, draws attention to the fact that some tramway car drivers are not stopping opposite the platform which has been constructed in the roadway at the corner of Sherbrooke street and Wood avenue.

Mr. Burns points out that serious injury might be sustained by anyone stepping off a car expecting to put his or her foot on the platform, but finding that it is not there.

There is a considerable height to the platform, and anyone missing it might very well suffer a nasty fall.

In daylight hours the danger is somewhat lessened, but at night, the risk of injury from such a happening needs little explaining.

Passengers should draw to the attention of the tram driver the necessity for coming to a stop at the platform, Mr. Burns thinks.

Putters Play Twice a Week

Last Friday in Westmount Park, the Putters again played one of their bi-weekly tournaments with both the Sodens coming out on top. For the men, M. Soden came up with a score of 85 and Mrs. M. Soden an 89 for the ladies.

On Tuesday evening Percy Min-to walked home with the silverware and Mrs. W. Jones did likewise for the women.

Anyone residing in Westmount should take advantage of this interesting sport in the park and bring their clubs out of the mothballs to finish off the season.

Prizes of silver spoons are given for the tournaments of which there are two a week.

Westmount Men Honored by France

JACKSON DODDS, C.B.E.

DR. WILDER PENFIELD

Two Westmount residents have been honored by the French Government, according to an announcement by the French Embassy, in Ottawa, on Friday. Jackson Dodds, C.B.E., 58 Belvedere Road, has been awarded the Cross of "Officier de la Legion d'Honneur." Dr. Wilder Penfield, 4302 Montrose avenue, has been awarded the Cross of "Chevalier de la Legion d'Honneur." The awards were given for services by the recipients considered outstanding in their various fields of endeavour, but details were not given. Altogether nine residents of Quebec Province were awarded decorations by France.

Westm't Valuation Roll Open for Inspection

The new Valuation Roll is now deposited and is open for inspection by all interested persons, during a period of thirty days from July 28. Those persons who may wish to appeal the valuation placed on their property must do so in writing, and appeals must be filed with the Secretary-Treasurer during the said thirty days delay. Appellants must state the reasons for their appeal, and indicate what they consider is a fair valuation for the property in question.

The Valuation Roll is the basis for the levying of the Municipal and School Taxes for the ensuing year.

The City of Montreal is supplied with a copy of the roll and the annual values shown therein determine the amount of water taxes for the year commencing 1st May 1951.

Weredale House Boys Praised at Fine Summer Camp

Boys of Camp Weredale at Lac L'Achigan, summer headquarters of Weredale House located at 6 Weredale place, Westmount, a Red Feather agency, were congratulated on their spirit and activities by John J. F. Bancroft, president of the Rotary Club of Montreal, during a visit to the camp by Rotary members.

James H. Webb, a past president of Weredale House, thanked the Rotary members for their interest.

Prizes were presented by Herbert F. Vickerson to the following boys: Robert Johnston, M. Duchene, A. Bourgeois, A. Weston, R. Boyer, John Dubinke, Garry Hanco, Robert Searle, E. Weston, Ian Moore, Ross Holland, M. Crompton, N. Robinson, B. Holmes and David White.

All reasonable effort has been made by the Assessors to secure correct information as to tenants and rents of property they occupy, in order that a fair annual rental value may be established.

The religion of proprietors is shown in order that their properties may be entered on the Protestant, Roman Catholic or Neutral Panel for School Taxes as the case may be.

The Municipal Voters' List and the list of jurors are prepared from the information shown in the Roll.

The City Council will consider appeals submitted within the thirty days delay at a meeting to be held in the City Hall at 8 p. m., September 5th, 1950, after which the roll will be homologated and remain in force until a new roll is prepared.

(C. W. Houston,
 Secretary-Treasurer.)

Archery Program In Westmount Proves Popular

A new phase of the summer recreation program is the archery practice which is being handled at the Westmount Athletic Grounds.

With Hugh Stratton and Pat Griffiths teaching archery, supervised groups are allowed to partake of this sport from the various playgrounds and it has proven a popular part of the summer program.

Starting with small groups, it is anticipated that many youngsters will be able to compete in this sport safely.

Two Westm't High Boys Excel in Prov. Exams.

Two Westmount students were included in a list of 15 highest ranking candidates especially mentioned in results of Quebec Department of Education high school leaving examinations written last June and released on Tuesday by Dr. W. P. Percival, director of Protestant education for the province.

Greater Montreal students took all but one in the special list of fifteen. Evelyn Petruska of Baron Byng High School leads this year's high school graduates in the province with 947 marks out of a possible 1,000. She is followed by Gerald Burke of the same high school with 922 marks.

Donald Cockfield Savage, Westmount Senior High School came sixth with 896 marks. Timothy G. Collinge, Westmount Senior High School was eighth with 892 marks.

Of the 1,852 students who wrote the complete examinations 1,353 were successful or 73.1 per cent. With the exception of 1947 this is the largest percentage of successful candidates during the last six years, and is two per cent higher than the average of the past ten years.

Successful Westmount candidates are as follows:

Westmount Senior: Abramowitz, A. L., 2; Arnold, R. P., 2; Bacal, H. A., 1; Bercovitch, S. B., 2; Brereton, R. E., 3; Brooks, E. A., 3; Brow, J. R., 2; Carlaw, D. N., 3; Caswell, C. Camp Westmount Boys Pay Visit To Mtl. Harbour

The boys of Camp Westmount, the Westmount Y.M.C.A. City camp, were guests of the Chester Steamship Lines on Tuesday afternoon, August 1, when they toured the Montreal Harbour on the good ship "Ville Marie." Leaving Victoria Pier at 2:30, the boys were taken up and down the harbor while points of interest and ships from all over the world were pointed out and explained to them.

While on the ship the boys met

ALL MEN NOT EQUAL

Some More Civilized Than Others

I received a letter from a Gold Star Mother the other day which, I think, stated some thoughts that are in the hearts of many women today, writes Eleanor Roosevelt.

"My grandson is returning from the Valley Forge Jamboree where boys meet each other as friends and are learning to live with each other. Why can't the armies do the same? I am not writing this for any publicity nor for any selfish reason, but it seems to me you are in a position to plant in the minds of different nations our longing for peace, real peace."

I think the people of every nation in the world would echo this woman's cry, and there are no members of our administration, from the President through the whole list of our official government representatives, who would not say that peace was the all-important objective for which they strove every day of their lives.

The trouble is that men throughout the world are not all in the same stage of development. Some have reached the point where they might have the patience to reason out the problems that face nations, but others will tend to think only of settlement through force. And, so long as there is this difference in background, we cannot bring about universal agreement. We are obliged to resign ourselves to taking certain actions, which we hope will give us time to achieve mutual understanding and a similar level of development. At the same time, prevent war during that period of development.

If any one believes that force can settle problems, then those of us who want peace, must have force to avoid becoming the slaves of those who would use force in order to control the minds and lives of other men. This puts a very heavy load on the more highly developed people of the world, because they must constantly watch themselves so they only use their force to prevent war. They must remain open to negotiations and ready to discuss agreements of any kind, even with the people who seem at present

unable to trust exclusively to reason for the ultimate settlement of difficulties.

THE PROSPECT OF WAR

Lord Vansittart Talks on Communism

Lord Vansittart, who has had more experience in international affairs than any living contemporary, recently made an important speech on Communism in the House of Lords.

On the prospect of a shooting war, here is what Lord Vansittart had to say,—

"We are facing years of increasing grimness, and none can tell whether they will culminate in a Soviet war of aggression. I can only say that, in my considered judgment, the odds are on such a development rather than against it. In all my life I have never seen any nation preparing for war quite so overtly as the Soviet Union, and I would add that I have in the past proved a fairly accurate prophet in such matters. Therefore, it seems to me that democracies are bound to take some elementary precautions."

Lord Vansittart dealt also with the Dean of Canterbury,—

"On February 12th there was a Communist rally at Harringay, addressed by Mr. Harry Pollitt (leader of the Communists in the U.K.). He said — "You must learn to hate, hate, hate, and if you don't hate you know nothing of Communism." He was followed by the Dean of Canterbury who said, — "This is the Gospel of Jesus Christ."

I thought that if there was one thing on which we were pretty well united, it was this: that we have regarded Christianity as something in the nature of what Whittier called,—

"The silence of eternity interpreted by love."

But along comes the Dean and says it is hullabaloo interpreted by hate. It is hard on us Protestants to be saddled for keeps with that evil charlatan and his acolytes."

The editor of a trade paper visited Oil City near Titusville where the first Pennsylvania well was drilled. He stopped at the Arlington hotel where he found a comfortable rocking chair parked in the middle of a ten-by-twelve bathroom. Apparently it was standard equipment.

It occurred to us that the room might make a nice retreat for a husband who was wakeful in the hours before daybreak and wanted to finish a murder mystery without disturbing his wife.

Writers have no compunction in putting into print thoughts that they wouldn't dare utter to their dearest friends.

St. James United

Dr. William E. Dudley will continue his ministry at St. James United Church on Sunday, where he is occupying the pulpit each week until the end of August. The church office announced today that both his forthcoming sermons will be broadcast over local stations.

In the morning, when Dr. Dudley speaks on "Through Despair to Hope", the address will be broadcast over CBM; the evening address, "The Best is Now", will be broadcast over CJAD.

Christian Science

"Spirit", is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from Galatians 5: 22, 23.

"The fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance, against such there is no law."

Among the citations which comprise the Lesson-Sermon is the following from the Bible:

"God is a Spirit; and they that worship him must worship him in spirit and in truth. And when thou prayest, thou shalt not be

as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward. But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly." (John 4:24 and Matthew 6:5 and 6.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science & Health with Key to the Scriptures" by Mary Baker Eddy:—

"When thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret, shall reward thee openly." So spake Jesus. The closet typifies the sanctuary of Spirit, the door of which shuts out sinful sense but lets in Truth, Life and Love.

In order to pray aright, we must enter into the closet and shut the door. We must close the lips and silence the material senses. Spirit, God, is heard when the senses are silent. The Master's injunction is, that we pray in secret and let our lives attest our sincerity". (Pages 14, 15, 89, 15.)

Charles W. Dean, Retired Banker, Buried Wednesday

Charles W. Dean, of 345 Metcalfe Avenue, Westmount, died at his residence on Monday, at the age of 92 years.
 Mr. Dean was formerly manager of the head office branch of the Bank of Montreal, but retired in 1930.
 He was born in Quebec City, and graduated from the Quebec High School, after which he followed his father, William Rodger Dean, in the banking business. He began his career in 1874 in the Belleville Branch of the Bank of Montreal, two years later transferring to the Montreal branch. In 1892 he was appointed accountant at Hamilton and four years after returned to Montreal as accountant of the main branch.
 He became assistant manager in 1903, and manager in 1911, a position he held until his retirement July 1, 1930.
 Mr. Dean maintained a keen interest in athletics. He was once an active member of the Montreal Racquet Club, was the oldest member of the Royal Montreal Curling Club and one of two surviving members of the original Montreal Cricket Club. He attended Melville Presbyterian Church, Westmount.
 His wife, the former Jane K. Lewis, died in 1931.

Well, two days from now, on Saturday, August 5th, the third period of Camp Tamaracouta will close and the fourth and final period for the 1950 summer season will commence. The third period has had a total attendance of approximately two hundred and twenty-five Scouts and Scouters, including a few weekend guests. These numbers do not, of course, include the camp staff.
 Among those in camp for the third period: Bronx Park Troop: A. Anelunas, Scouters W. Bryce and D. W. Eve, Scouts E. Eve, A. Hammerton, T. Hannan, K. Hellman, B. Hollingworth, A. Lamoureux, G. Lehtola, T. Meacham, A. Miller, R. Otto, Paul Bruce, R. Porter G. Ross, D. Scott, J. Scott, E. Spalch, R. Ulley, D. Ulley, D. Vardin and B. Wakefield. Calvary Troop, H. Anderson, Scouter T. Alexander, Scouts J. F. Beasant, Joe Bielecks, John Bielecks, T. S. Gray and T. R. Lonsdale. Iona Troop: A. Bramson, Scouter; Scouts A. Easton, B. Prince, J. Scott, B. Sims, A. Silverstone, J. Trudeau and A. Turnbull. St. Aidan's Troop, Scouter M. Haynes; Scouts J. E. Brannen, R. Dean, David Devito, B. Fewtrell L. Fewtrell, A. E. Graham. Holy Cross Troop: Scouts A. Pirro, A. Gibbs, E. Kulin, J. Kulin and J. Veretta. Connaught Troop, H. Kessler.
 Individuals and small groups of Scouts, camping in the staff campsite in Fort Churchill, Cumberland House, include: J. Aszewski, E. Idziak, R. Pomkoski, Z. Stanczyk and P. Vaine, all of Holy Trinity Troop; Pierre Clement, and Clarke Leverette, of Willingdon; Ronald Dalglish, Douglas de Savoye and John Knubley of St. Matthews; Jack DeHaire of Rosedale (who returned home after attending the second period and one week of the third period); A. Flack, G. Foley and R. Holt of St. Laurent Troop; Robert Gilliland and Barry Montgomery of St. Columba and Tony Wilson; Michael Jones of Lower Canada College; Philip Reidford of 2nd Westmount; Allan Rainford, Jim Lowson, A. Vergil and G. Rejohn of Crawford Park; Richard Dendy of St. Luke's United; Scouter Eugene Gordon and Troop Leader Gerald Shalinsky, both of Shaar Hashomayim Scout Troop.
 Camp so far this summer has been excellent. There have been the usual number of trials and tribulations to be taken care of but, on the whole, the 1950 season thus far has been eminently satisfactory.
 The actual number of boy campers may turn out to be slightly under that of last year, but it is expected that the number of boy weeks spent in camp, including those counted up by stay-overs (boys who remain more than one period), will exceed the figures from last year.
 Last week, the chairman of the Camp Tamaracouta Committee, R. G. Talbot, together with our Provincial Executive Commissioner, Cyril J. Dendy, paid their official visit to the third period of camp. Each period during the summer, they make at least one visit to see how things are running. Both Mr. Talbot and Mr. Dendy extended hearty congratulations to the Camp Factor, Leslie C. Houldsworth, who many remember as Trader at camp for some years past. Mr. Houldsworth is also Field Commissioner for Montreal, and Assistant Provincial Executive Commissioner.

PERRY-CAPSTICK

The marriage of Miss Christine Elizabeth Capstick, daughter of Mr. and Mrs. Edmund Capstick, of Toronto, Ont., to Mr. William Clarke Perry, son of Mr. and Mrs. Thomas Perry, of Westmount, took place on Saturday morning, July 29, in the Church of St. Augustine of Canterbury, with Rev. Father Gerald Britt, officiating. Mr. William Doyle was the organist, and Mr. Henry Gosham, soloist, sang "Ava Maria" and "The Lord's Prayer." The church was decorated with multicolored gladioli.

The matron of honor was Mrs. Frank Larsen, sister of the bridegroom, and bridesmaids were Miss Joyce McCaw, and Miss Marie Cogswell. Miss Gail Diane Perry acted as flower girl. Best man was Mr. Frank Larsen, and ushers were Mr. Michael Perry, brother of the bridegroom, and Mr. Terry Cunningham.

Given in marriage by Mr. John Vandette, the bride wore white slipper satin, with her full length veil held by a sequined halo. She carried a cascade bouquet of roses.

The matron of honor wore a baby blue gown, with a picture hat, and carried a cascade bouquet of pink gladioli. Miss Joyce McCaw wore yellow Swiss muslin, and carried a Colonial bouquet of gladioli and yellow roses, while Miss Marie Cogswell wore pink Swiss muslin, and carried a Colonial bouquet of gladioli and pink roses. The flower girl was in a baby blue dress and carried a basket of summer flowers.

Mrs. Thomas Perry, mother of the groom, was attired in cocoa brown, with black accessories, and had a corsage bouquet of Talisman roses.

The reception was held at the Rialto Hall, where gladioli formed the floral decorations. Later, the newlyweds left for a wedding trip by plane to Boston, Mass., the bride travelling in a pink gabardine suit with navy blue

WEDDING

LAVIGNE-LEMARQUAND

In the Church of St. Augustine of Canterbury, on Saturday morning, at nine o'clock, the marriage took place of Shirley Maria, daughter of Mr. W. P. LeMarquand and of the late Mrs. LeMarquand, to Mr. Frank A. Lavigne, son of Mr. and Mrs. A. Lavigne. The Rev. Father Healy officiating. White gladioli were used to decorate.

The bride, who was given away by her father, was in a gown of white lace and tulle, with a lace bodice having a stand-up collar and long, fitted sleeves and a full skirt of tulle falling into a slight train. Her fingertip length veil of tulle illusion was held by a bandeau of orange blossoms and she carried a bouquet of red roses.

Miss Lucy Lavigne, sister of the bridegroom, as maid of honor, Miss Frances MacDonald, as bridesmaid, and Miss Barbara Lavigne, also sister of the bridegroom, as junior bridesmaid, were in frocks of brocaded taffeta, the

maid of honor and junior bridesmaid being in pale green and the bridesmaid in mauve. They wore poke bonnets of net to match their frocks and carried bouquets of pale yellow and green gladioli blossoms.

Mr. Patrick Boland acted as best man for Mr. Lavigne and the ushers were Mr. John Chouinard and Mr. Elwin Urquhart.

Mrs. LeMarquand, the bride's stepmother, was gowned in grey crepe with a jacket of matching lace and wore a hat of emerald green felt and a corsage bouquet of pink roses.

Mrs. Lavigne, mother of the bridegroom, wore a gown of navy blue crepe with a crimson hat, and a corsage bouquet of roses.

The reception was held at the Berkeley hotel.

Later Mr. and Mrs. Lavigne left by plane for Atlantic City and New York, the bride travelling in a suit of pale pink gabardine and wearing cocoa-colored accessories.

McNEAL — HOEY

A quiet but pretty wedding was solemnized on Wednesday, July 12th, in the United Church Manse at Red Lake, Ont., when Rona Audrey, daughter of Mr. and Mrs. Dan Hoey, of Montreal and sister of Mrs. Howard Bowman, of Westmount, was united in marriage with Roger, son of Mrs. D. R. Cameron of Gold Pines, Ont., and Mr. Roy McNeal of Transcona, Man. Rev. J. Freeman, of the United Church at Red Lake, officiated.

The bride was attended by Miss Vivian Dufault, and Mr. Gene Galvin was best man for the groom.

The bride wore a grey gabardine suit, with contrasting accessories and carried a bouquet of American Beauty roses.

Following the ceremony a wedding breakfast was served in the Red Lake Inn for thirty-six guests. The dining alcove was beautifully decorated for the occasion with peonies and pink and white streamers.

Mr. and Mrs. McNeal left on

a wedding trip by car to Winnipeg and points west and on their return will make their home at Ear Falls.

Claudette Lacaille and Her Brother, Returning From European Tour

Miss Claudette Lacaille, daughter of Mr. and Mrs. E. Z. Lacaille, of Arlington Avenue, accompanied by her brother Bernard, have been travelling in Europe since June with the Educational Tour of "La Jeunesse Etudiante". They are at present in England where Claudette will skate in Richmond, the guest of Jacqueline Du Bief, champion of France. She will also attend the "Rose Marie" Operetta

on Ice where Barbara Ann Scott is the star performer in the title role.

While in Italy they visited Naples, the Isle of Capri, Florence, Milan, Venice, and many other cities. In Rome, the group was received by His Holiness Pope Pius XII in a private audience. In France they were at Tours, Lourdes, Lyons, where they were

received by the city and met a group of students. Also, in Paris, they attended a reception for the students at Versailles.

Before sailing on the 5th of August they will visit Switzerland.

On her return Claudette will attend the Championships at Lake Placid where she will stay until September.

Make it Yourself
 by PAULINE ROY

Some women can turn an inexpensive dress or suit into an elegant outfit. They have the knack of using accessories cleverly. The proper accessories, you know, can change the entire appearance of an outfit. Well-chosen household accessories can do exactly the same for a room.

Because of their importance in your home, you should plan your accessory touches just as carefully as you do the rest of the room.

They are an important part of the total effect. Household accessories not only express your personality, but are the "pick-up" notes intensifying the color scheme. If your accessory is of a solid color, usually it is one of the colors of the room scheme. Of if multi-color, it is a blending of all the room's colors. There are two types of accessories; the purely decorative which includes pictures, wood carvings or figurines, and utilitarian such as lamps, ashtrays, book-

ends, table doilies and scarves.

Don't necessarily be guided by the opinions of friends and so-called "experts" when choosing arti-

cles for your rooms. You're the one who has to live within those walls week after week, so you are the logical one to do the choosing.

D.V.S. Now in 38th Year
Westend Girls Play Active Part

"I am a Canadian", fifteen hundred children have been reminding themselves for the past month.

Each weekday the pupils of the Daily Vacation Schools of Montreal have been meeting in their local classes under competent supervision and learn to sing, play, work, and even pray with companions of many different races and creeds. Mrs. Walter J. Scott has for twelve years directed the "D.V.S.", a Red Feather agency now in its thirty-eighth year of active operation.

The half-day begins at nine o'clock with the singing of God Save the King and O Canada, a salute to the Flag, and a call to worship. The central theme for the year is enlarged upon each week, as "I would be a healthy Canadian," or "I would help other Canadians," and discussed by the teachers and children. Stories, songs, and games follow.

Highlight of the morning is the handicrafts hour. Here the boys do wood and leather work, basket weaving, etc., while the girls make simple clothes, towels and pot holders. The kindergarten group works with paper doilies, pie plates and crayons. The Agency supplies all materials, and the finished products may be brought for a few cents. The grand finale to the month's fun and education is an exhibition and amateur show for parents and friends.

Among local girls who have assisting in the Daily Vacation Schools are the following:

- School: Margaret Almond and Pat Wilson.
- From Westhill High School: Mary Clark (McGill Student), Jessie Brownlee, Ruth Margo, Lois Holden, Joan Sargent.
- Westmount High School: Helen Johnston, Sandra McDougall, Sherrill Dowd and Dina Stanway.
- St. Laurent High School: Mary Theule.

New Blind Stitch Attachment Eliminates Tedious Hand Hemming

Tedious hemline stitching by hand is eliminated successfully for the first time with the new Blind Stitch Attachment for the sewing machine developed by the Singer Sewing Machine Company. This practical, easy-to-use sewing machine attachment produces invisible hemming with perfect blind stitches, saving hours of laborious work on home sewing assignments such as dresses, skirts, lingerie, children's clothes, curtains, slip-covers, towels, sheets, tablecloths, dressing table skirts, etc.

The Blind Stitch Attachment can be quickly attached to the sewing machine in place of the presser foot. It can be used on hems that are folded, pinked, seam-bound, bias-bound or edge-stitched. This new attachment can be used on light and heavyweight fabrics and has an adjustable edge guide for regulating stitching depth.

Bahama Pudding
 (Eight servings)

- 1 tablespoon butter
- 1/4 cup dark brown sugar
- 4 cups mashed bananas
- 2 tablespoons flour
- 1/4 cup milk
- 1 cup cream, whipped

Cream butter and sugar until light and fluffy. Add bananas and mix well. Stir in flour and milk. Pour into a well greased 9-inch pie pan. Bake in a moderate oven, 375 degrees, for 45 minutes. Cut into wedges and serve hot, topped with whipped cream.

That doesn't mean, of course, that you shouldn't be guided by certain basic decorating rules. But many homemakers mistakenly plan their homes picture for picture and color for color to copy an illustration in a magazine or the home of a friend. They fail to realize that what is right and comfortable for others may not suit their own needs or way of living. And after they've finished their decorating they are disappointed with the results. So, what you should do is look around for ideas, accepting only those that you personally like and would like to see in your home day after day.

Table decor is a very important part of fashions for the home. Today color is coming into its own in this regard. Cloths and mats of all shades and fabrics are used extensively and with great effect. Pictured is an attractive place mat with a contrasting napkin of plain percale. Although some readers find that the rustic place mats used so frequently today are a little too informal, this pretty mat is delicately embroidered and suitable for the most formal of table settings. If you would like to have instructions for embroidering this STRAWBERRY PLACE MAT, send ten cents and a stamped self addressed envelope to the Make it Yourself Dept. of this paper, 2191 Hampton Avenue, Notre Dame de Grace, and request Leaflet No. PC 5315. This item probably would be a best seller at your church bazaar.

Combine Seasonable Blueberries, Avocado

Blueberries and avocado are a combination that will bring joy to the hearts of hot-weather diners.

Cultivated blueberries are a joy in themselves. In muffins and griddle cakes they rate big, too. But here's a combination to get even more excited about.

Blueberry Avocado Ring Mold (Makes 8 to 10 servings)

One envelope unflavored gelatin, 1/2 cup cold water, 3/4 cup boiling water, 1 teaspoon sugar, 2 tablespoons lemon juice (divided), 1 cup mashed avocado (1 large), 1/2 cup sour cream, 1/2 cup mayonnaise, 1 teaspoon salt, 1/2 teaspoon pepper, 1 pint box cultivated blueberries.

Soften gelatin in cold water. Dissolve in the hot water. Add juice. Chill until consistency of unbeaten egg whites.

Mash avocado with remaining tablespoon lemon juice, sour cream, mayonnaise and seasonings. Combine with gelatin mixture. Turn into a 4-cup ring mold. Chill.

When firm, unmold on salad greens. Place the washed and drained cultivated blueberries in center. Decorate with mayonnaise.

Party Cheese Pie

Graham cracker crust: 16 graham crackers, finely rolled (1 1/2 cups crumbs, 1/4 cup softened butter or fortified margarine, 1/4 cup sugar.

Blend together graham cracker crumbs, softened butter or margarine and sugar. Pour crumb

mixture into 9-inch pie plate; press firmly into an even layer against bottom and sides of plate.

Cheese filling: Two eggs, 1 pound cream cheese, 1/2 teaspoon vanilla, 1/2 cup sugar. Beat eggs in electric mixer at low speed, adding cheese, vanilla and sugar. Pour into graham cracker crust. Bake in moderately hot oven (375 degrees F.) 20 minutes. Sprinkle with cinnamon; cool.

Topping: One-half pint sour cream, 2 tablespoons sugar, 1/2 teaspoon vanilla. Using an electric mixer, beat sour cream, sugar and vanilla at low speed. Spread on top of pie. Bake in moderately hot oven (375 degrees F.) 5 minutes. Cool; chill thoroughly in refrigerator before serving. Garnish with cranberry sauce or jelly cutouts, if desired.

Make Extra Shelf For Linen Sorting

Linen closets never have an empty shelf on which to lay down a pile of clean linen when the housewife wants to sort it and put it away. She has to balance the pile on her left arm, hoping it will not fall, while she puts away the clean linen with her right hand. If she can have an extra shelf just to use at these times, the job is far easier.

Such a shelf can be easily made by the home craftsman by hinging it to the lowest shelf in the closet, fastening it, when not in use, to the bottom of the shelf above.

Speirs-Miller Models Parade At Successful Fashion Show

Progress of pupils in modelling was noted at the recent interesting monthly Fashion Show held at the Speirs-Miller Dance Studio, the benefit of the principles of the class training applied to correct faulty posture, etc., being evident in the models' easy grace and meticulous grooming.

Betty Speirs, who has trained many of Montreal's outstanding models, feels that the secret of poise is in training young ladies how to walk and carry themselves

well so that the figure is moulded into beautiful lines by corrective exercises. Being on the slim side, according to Betty, is not good from a manufacturer's point of view. The majority prefer their models to be either perfect 12-14 or 16's, but the size most in demand is a perfect 14. The figure can either be reduced or filled out by exercises and diet. Many of the young ladies taking the course are not interested in modelling as a career but wish to develop poise and personality as well as to learn beauty care. Others are interested in commercial photography when, after having taken the test, find that they are photogenic. They are then taught to relax completely in front of the camera. Most of the young ladies are self conscious when they start, says Betty, who feels that the only way to overcome shyness is to have them appear frequently in front of an audience. She had a special runway built in the studio so that a Fashion Show could be presented each month. Almost every girl loses her shyness and awkwardness in time and many of the young ladies who were most embarrassed in the first Fashion Show came to enjoy being in front of an audience later on. It takes only practice and time to remove any trace of self consciousness, thus helping to equip them to mix with others through life and be able to appear and feel natural at all times.

Four outstanding models chosen to appear in the next large Fashion Show were: Helen Goodfellow, Manon Brodeur, Jeanette Chaille and Giselle Lavemodiere. Many of the others (mostly newcomers) will probably take part in other performances from time to time, according to how they progress, as well as the monthly shows held at the Studio.

Those who took part were as follows: Claire White, Anne Phaneuf, Giselle Lavemodiere, Ann Malec, Noreen Craig, Barbara Schnick, Irene Piastynska, Beverly Banister, Charlotte MacPhail, Pat Doran, Jean Vogue, Joan Hawkins, Helen Goodfellow, Alma Plouffe, Manon Brodeur, Jeanette Chaille, Rosa Guettell.

Miss Waite, the studio pianist, played while Betty Speirs acted as Mistress of Ceremonies.

A doctor who had a tough time paying his way, thru medical school has left a million dollar fortune to make it easier for other needy students. Dr. Joseph Collins, who recently died at 84 in New York, provided that his estate be used to aid youngsters "wanting to study medicine but not having enough money".

RCMP Denies Any Connection With New Publication

Westmount residents should take notice of the fact that officials of The Royal Canadian Mounted Police have issued a statement denying any affiliation between their force and the publishers of a proposed publication

called the "Mounted Police Guide".

The announcement was made as a result of innumerable enquiries from local firms and individuals who had been asked to purchase advertising space in the magazine.

Most people were under the impression that it was going to be an official publication of the R.C.M.P.

England's Thames River is pronounced "temz" for the reason that prior to the 15th century it was spelled Temze, says the National Geographic Society.

THE POCKET ATLANTIC

Those far from discerning souls who look upon the Atlantic Monthly as a literary brew designed solely for those with elevated foreheads can have their eyes opened — and it will be a pleasant operation — by perusing the contents of one of the latest additions to the realm of pocket books: "The Pocket Atlantic."

As Edward Weeks, editor of the tome, puts it in his introduction, "When I hear people who have not read it say that the magazine is austere and high brow, I see red and feel like spitting. They simply don't know."

After reading the Pocket Atlantic you'll feel the same way. Sure, there are articles which can be classified as serious, but they are written in language which the layman can understand. In The Pocket Atlantic you can learn of Albert Einstein's views on the atomic bomb, and of Dr. Vannevar Bush's opinions on the role of the scientist in times of peace. Dr. Bush is the gentleman who headed up a team of 6000 American scientists during World War 2.

But there is real variety in this Pocket Atlantic. You'll find an engrossing article by a versatile lawyer and former big league baseballer Moe Berg entitled "Pitchers and Catchers." At Princeton Berg was Phi Beta Kappa and a star on the baseball team. He graduated from the Columbia Law School with honors. He is fluent in five languages. For twelve years, up until the time the government needed him for war work, major league baseball was his first love. He caught for the Chicago White Sox; he was on the All-American team which Muggsy McGraw took to

the Orient; he caught for the Boston Red Sox; and when at last his legs began to slow him up, his knowledge of pitchers and his lightning intelligence made him one of the wisest coaches in baseball.

There is also an interesting piece by Raymond Chandler, the fabulously successful author of a shelf of whodunits, appealingly entitled "The Simple Art of Murder." In it Mr. C. analyses the detective story in a way that murder lovers will find most fascinating.

Fiction is well represented with no fewer than nine stories. Personally, I liked best Stephen Vincent Benet's "All Around the Town," an engrossing picture of the Irish side of Manhattan.

By this time you can gather that I like the Atlantic. I think you will too after investing your fourth of a dollar in this pocket-sized morsel of first grade literary ore and, if reading it whets your appetite for more, just get in touch with me. I've gone into the magazine subscription business!

Compulsory . . .

(Continued from Page 1)

65, the speaker said that "we hire selectively; we should retire selectively." He said that many at 65 should not be retired, because they are still in good health and are experienced members of a company who can be of invaluable service.

In suggesting three ways to face the problem, he said the first was to let the man carry on working until he actually takes ill or wishes to retire; taper off the activities so that the heavier problems of any profession are placed more solidly on a younger partner, and third; if there is compulsory retirement at a certain age, to turn to other hobbies, and interests to take up the leisure time.

As a Rotarian, he stressed the idea of carrying on community service work, pointing out that a man's invaluable experience of the business or professional world might stand him in a favorable position to help in community projects.

The speaker was introduced by Wally Rowat and thanked by Bill Moxley of the Westmount Rotary Club.

Westm't-Verdun Make Trade in Sing-Song Talent

Last Wednesday evening, the talent from the weekly sing-songs in Westmount entertained the residents of Verdun at Woodland Park with a very high calibre show.

Working together with M. M. Maricine of the Kinsmen's Club of Verdun, H. Linder, Supervisor in the Westmount Recreation Department engineered the proceedings.

With young stars like Joey Gallagher, Eric Endersby, Donna Dawes, Hal and Peter Stocker, dancers Dianne Brown, Maureen and Carol Walsh, Johnny Belanger and his trio, Alex Gordon and his quartette and Arlene Dale, and Ronnie Brown, the show proved highly successful with one of the largest audiences this year.

On Thursday night at the Westmount Athletic Grounds, the Verdun show proved to be highly successful also, with Danny Jarmish one of the M.C.'s really entertaining at his best. Gus McFarlane, leading the sing-song and doing a couple of numbers himself kept the crowd entertained.

Apart from the strong competition from the trains going by the grounds when the sing-songs are in progress at the Athletic Grounds, these nights, a big crowd is taking advantage of the new location and the entertaining shows.

Game of Hurley To Be Staged At W.A.G. Tonight

The Montreal Gaelic Athletic Association is tonight sponsoring a game of hurley at the Westmount Athletic Grounds. The teams participating in this very rugged sport are the Innisfail Shamrocks and the Wolfe Tones.

For the benefit of those persons not acquainted with this Irish game, it would be of interest here to outline the basic rules which are as follows:

The game is played on a field 140 yards long and 80 yards wide. A team consists of 15 players. The ball used is of rubber, 9 to 10 inches in circumference, and in weight it ranges between 3 1/4 and 4 ounces. Generally, it has a cork center, with a cover of horsehide. The stick (hurley) is something like a hockey stick — curved, with a rather broad blade. There is no standard as to the weight. The stick is 4 inches wide at the widest part tapering off toward each end, so the minimum width is 18 inches. The stick is 3 feet long.

Two Ways to Score
Scoring can be accomplished in two ways: if the ball, hurled by the stick, lands in the net strung between the goal posts, it counts three points; if over the crossbar between the goal posts, one point. The goal posts are 16 feet high, the crossbar 21 feet wide, and is placed 8 feet from the ground.

The trick of the game is for the player to catch the ball on the stick, run with it, if he can, and then hurl it. The player is not permitted to pick the ball off the ground with his hand: he must do so with his stick. The player may pick the ball off his stick; but he cannot run with it, or throw it with his hand. Throwing the ball with the hand is barred.

Yards Top First Place Police and Fire 21-14

The bottom-place Yards shook a surprise into the top-place Police and Fire Monday night when they walloped them 21-14. Ernie Bolduc had his charges red hot, while the 'protection men' were a bit bewildered over the heads up ball the Yard were playing. Spearheading the attack for the winners was Raymond Paradis who had two home runs and also played a terrific game at shortstop. Guy Bonnier had 4 hits as did Beaucage. Rodger Guilmette, pitching for the winners, was touched freely but his mates played unbeatable ball behind him. For the Police and Fire, James Smith, John Dalgleish and Leo Fitzgerald each had home runs.

In the other game Monday night, the Colonials, fighting for that number two spot in the league, defeated the Bombers to the tune of 20-8. Dave Binnmore had a perfect night at the plate collecting a home run, a triple, two doubles and two singles. Team-mate Gordon MacLeod was not far behind having two doubles and three singles. Marcel Nadon, pitching for the Colonials only allowed the Bombers 8 hits, but gave up seven walks which netted them seven runs. Ron Morrow had a home run and a single for the Bombers.

Bombers Tops Plymouths
On Wednesday night the Bombers took the Gerard Auto Plymouths by the score of 17-11. Plymouths found themselves at game time without a pitcher and had to put third baseman Stuart Knott on the mound. The Bombers found the alternative for 12 runs which the Plymouths could not get back after regular pitcher Jack Groombridge arrived in the fifth inning after most of the damage had been done. MacDonald hit two home runs and McFadden one, for the winners while Taylor had three hits and Barnard two. Walks played an important part in the Bomber win. Manager Bob Grant seemed to be the only one of the Plymouths who could cope with Mike Barnard's offerings, having a perfect night at the plate.

In the other game played Wednesday night, Police and Fire defeated the Kenwood Shamrocks, 14-0. Roger Dore threw 11-strikeouts; three-hit ball for the winners while his mates got to Con Forey for 20 hits. The 'Movers', a peppery ball team, just couldn't get going against the league leaders, but are a fast improving ball team with an eye toward one of

Westmount Rugby Practice Planned For Tonight

Co-coaches Roy Chesley and Mac Parsons have announced that the first official Intermediate practice of the newly named Westmount entry will take place tonight at 6:45 in Westmount Park.

It is expected that a number of players from the folded Navy squad will be on hand for the practice, but the coaches intend making all positions open at the beginning of the season, so that they might line up the top talent possible.

Practices for the Junior squad, coached by Roy Eagles and Bruce Johnson are also being prepared, but the starting date has not been announced to date.

Rypts Meet Plymouths
On Monday night, August 7th, Rypts play Plymouths, Yards take on Shamrocks, and the Bombers meet Western.

The rained-out games on Wednesday August 2nd, will be played on Tuesday August 8th. They are: Bombers at Police and Fire; Avenue Stars at Western Taxi, and Rypts at Shamrocks.

Fastball Playoffs May Start Aug. 17

There are six games remaining in the Verdun Fastball League schedule. The League will finish Tuesday, August 15, when Viau play Mackasey.

Depending on the outcome of the standing, the playoffs will probably get underway either Thursday, August 17, or on the weekend.

Clubs finishing in second and third positions will meet in a best-of-seven semi-finals, with the winner taking on the first place club in the same kind of series. It will also depend on whether a full regulation game can be played at night, if not, then the series will be played on weekends.

The remaining games are as follows:
Tonight: Tigers at Mackasey.
Sunday: Northern at Viau.
Tuesday 8: Mackasey at Northern.
Thursday 10: Viau at Tigers.
Sunday 13: Tigers at Northern.
Tuesday 15: Viau at Mackasey.

Bilodeau Wins Singles Title

On Saturday morning, Bernie Bilodeau defeated Gerry Pecknold in the finals of Westmount open singles tennis tournament. The scores were 3-6, 7-5, 1-6, 6-3, 6-4. Earlier in the week, Bilodeau reached the finals by defeating Carr by the scores of 6-2, 2-6, 6-0, while Pecknold beat out Barnard 6-3, 6-4.

The Bilodeau-Pecknold affair was just as close as the score indicates, a very good match. Both players were delivering a good brand of tennis which their fellow club members seemed to enjoy, judging from the repeated applause.

CORN FOR FRANCE
Hybrid corn will be used to increase the domestic production of this crop in France, where at the present time less than 50 per cent of the consumption is home grown.

It is planned to use American hybrids for a start and experiments are under way to determine the varieties most suitable for the various zones under consideration.

Paul and Bobby Hamilton Cop Track Meet Honours

Fresh in from their holiday in the country, the Hamilton brothers, Paul and Bobby, again this year copped top place in the annual Track and Field meet held at the Westmount Athletic Grounds by the City of Westmount Recreation Department in conjunction with the Montreal Park and Playgrounds Association, a Red Feather organization.

With four firsts to his credit in the juvenile division, Paul Hamilton of Staynor Park was the leading boy competitor. Placing first in each of the events in his class for boys under four feet five inches, and as a member of Staynor's strong relay team, he came up with the maximum 17½ points.

Gwen Lord, also of Staynor, in the Class A division, obtained the maximum number of points for girls, netting the 17½ points.

Bobby Wins Three

Bobby Hamilton won three events including the relay. Oliver Jones of Staynor tripled in the intermediate. Jones is a boy to watch in the coming years as is Sarah Isene who came in with two firsts for the girls and is showing terrific promise.

The efforts of these young stars spurred the Staynor youngsters to victory in the track meet which had ten playgrounds in the city competing, coming out on top with 118 points. Westmount Park placed second and the Town of Mount Royal third.

With a spectacular finish after leading the field in the 880-yd. open race, Doug Lindley of Westmount Park burned his way to the tape beating Charles Griffith who came up close to shadow him for the last 100 yards in the grueling dash.

Lakeshore Start Grid Practices

Lakeshore Flyers, runners-up in the Intermediate Q.R.F.U. last season, will hold their first workout Saturday, August 12, under head coach Bill Davis and assistant, Cliff McClay.

Among those who will definitely try out for the squad this year are many of last year's stars, including Jack Dudley, Gerry Labelle, Quarterback Ron Farrington, Jack Munro, Cam Lang and two speedy backfielders in Wilf O'Hagan and Jocko McKinnel.

Listed as doubtful, so far, are Jimmy Peters and Frank Latchmore of Pointe Claire, as well as Sandy Edmison of Hudson, who suffered a severe injury while skiing last winter.

The appearance of Bubs Parson and Jack West, both outstanding last year, will depend entirely on their current showing at workouts with Alouettes.

Staynor Win Trophy
Conway Jack, Westmount track and field star, donated a beautiful trophy for the park grossing the greatest number of points, and Bobby Hamilton, the captain of the Staynor crew, accepted on behalf of his team-mates.

Commissioner of Parks, Alderman R. Panet-Raymond, presented the crests and the Superintendent of Recreation L. J. Fournier gave a speech expressing his pleasure at the success of the meet.

Henry Stegmeyer of the Montreal Parks and Playgrounds organized the meet on behalf of the Red Feather organization.

AN ANCIENT ILL

Cancer has been known for more than 5,000 years. It was feared by the Egyptians 1,500 years before Christ and even today many people who think they may have cancer are afraid to face the facts of medical diagnosis. But many cancers, if discovered and treated early, may be cured.

HEY, BOB—Back turned, nonchalant Bob Elliott seems blissfully unaware of Reds' Catcher Dixie Howell rushing up to tag him in the second inning at Cincinnati's Crosley Field. The Boston third baseman was hung up between third and home when Second Baseman Gene Mauch bounced back to Ken Raffensberger. The left-hander shut out the Braves, 3-0.

Quebec to Meet Bermuda In Cricket at Westm't

Montreal and District Cricket League officials announced last night that they have selected the team that will represent Quebec against the touring Bermuda XI next month. The match is slated for the Westmount-Athletic grounds on August 6.

The select squad, virtually the same team that carried Quebec past Ontario for a second successive year in the recent inter-provincial cricket match for the Lord Atholstan Trophy, will be captained by J. C. Machan of St. Paul. G. Taylor of Westmount headed the Quebecers in the interprovincial play.

The team, in addition to Machan and Taylor, includes N. Comacho, H. Padmore and B. Thomas of Verdun; D. Barker, L. Blackman, D. Clarke and H. Lewis of West Indians; R. Croal of Westmount and R. Dujon of McGill. 12th man is Ed Ramsey of Verdun.

In view of the recent success of the Quebec team over Ontario, local cricket men are confident of another fine showing against Bermuda. Followers of the sport, who missed the match with Ontario, will receive an additional opportunity to witness an outstanding cricket game. The Bermuda team is making a tour of Canada and is reputed to be a good team.

Camp Westm't... (Continued from Page 3)

Dr. N. M. Das from Calcutta, India, who told the boys about the boys of India, and the habits and customs of the people of his country. Dr. Das for the past year has been doing research work in neurology at the University of Michigan. He is returning this week to India to resume his position as Professor of Physiology at the Calcutta Medical School.

Immediately before their trip around the Montreal Harbour, the boys visited SS Jala Kala, the first Indian ship to enter Montreal since India became an independent country. While on board the ship, the boys met Mr. Rajahal, who is National Boys' Work Secretary for India. Mr. Rajahal has been on this continent for several months, where he has been visiting Y.M.C.A.'s and Y.M.C.A. camps throughout Canada and the United States. He is returning to Bombay to resume his duties as National Boys' Work Secretary of the Y.M.C.A.'s in India.

Captain N. D. Anderson, O.B.E., captain of the Jala Kala, and Mr. Barlowe, one of the ship's officers, showed the boys around the ship and addressed them briefly. The boys were shown the ship's cargo, which included a number of automobiles and eight locomotives which were being taken to India.

Outdoor Cage League Formed on Playgrounds

Basketball players who would like to play the game outdoors, may do so, as the Verdun Playgrounds have formed a league to play on Saturday afternoons.

Those interested are asked to get in touch with any of the Monitors who work on the playground nearest your home, and the necessary information will be given.

Other information may be secured by calling TR. 6601, local 20.
