Trailermen Trample Pontiacs

In the 3rd UOVHL game played in the Agricultural rink by the Shawville Seniors, they were defeated 4-2 by the Pembroke Trove Trailermen before a crowd of about 300 on Friday night, January 19.

In the first period goals were scored by F. Radke and T. Lesnick of Pembroke. The first one was a rather odd one as well as lucky, when it flew off the stick at the moment of the face off to the right of the Shawville net. Second goal left a look of bewilderment on the face of goalie Therien as he realized that the black object was in behind him again. Two penalties were handed out, one to each team, to Pembroke's A. Plummer and to Shawville's Bert Cavanagh. Thus ended a none too exciting period, Shawville trailing the score 2-0.

The second period began with both teams very enthusiastic Pembroke because they were leading, Shawville because they had to get cracking in this period. But there wasn't any amount of enthusiasm that could get any goals into Pembroke's net. Shawville's goalie Therien was bombarded about every minute and a half so he was a busy boy. Pembroke continued successfully to score two more in this period, by Tom Edward and T. Lesnick with his second to make the score 4-0. This period was cleanly played with no penalties. But clean or otherwise Shawville team and its supporters were more than a little bit disgusted with themselves at the end of this period.

Third period began as though everyone playing had just had a blood transfusion. The battle began and Shawville went out bent on the fact that they were not going to be skunked. They got started off with hopes high and

New Democrats Met last night

A small group greeted Harold Winch, MP for Vancouver East, last evening at the Agricultural Hall in Shawville but enthusiasm made up for the lack of number and his address was well received. Mr. Winch is Vice President of the New Democratic Party and former leader of the opposition in the British Columbia Legislature. He is a carpenter.

Mr. Winch said people should do some serious thinking before they cast their ballots in an election and if they did, he felt they would naturally vote for democratic socialism ie the NDP.

He showed examples to prove that what people call the impossible is only that which has not yet been done. Examples included the out-patient system with people from mental institutions which was considered impossible until tried and proved eminently successful. Decent low cost housing proved another example, also oldage pensions, family allowances and unemployment insurance all of which were introduced and campaigned for by CCF minorities in Parliament since the 30's.

The NDP has been called revolutionary, said Mr. Winch, and they arer in the sense that revolution is a part of evolution. As capitalism has evolved out of feudalism, the next step in the historic sequence will be when social democracy succeeds capitalism, he said.

Also on hand was Major Harry Pope, NDP, organizer of Western Quebec to bring the local members up to date on the picture in this area. Elburne Bean presided at the meeting which was attended by about twenty interested people including three ladies.

proved themselves by getting 2 goals, these by Earl Powell and Ivan Saunders. About midway in the period, fans were on their feet for about two minutes during which time every attempt possible was made to get the puck

into Pembroke's net in one of the most exciting episodes seen in front of the nets this season. But in spite of it all, a Pembroke player succeeded in stealing the puck away from the Shawville lads. Pembroke didn't score but succeeded in getting two penalties, one to L. Lewis and one to O. Kranz. So ended the game 4-2 for the visitors, which wasn't too bad considering the tough opposition and of course Shawville again have been good hosts!

Post mortem showed that our team had gained 3 new recruits

IN THE CHAIRMAN'S SEAT

Wearing the braided suit, wing collar and flowing white tie which is customary for Deputy Speakers, Paul Martineau is seen occupying his seat as Chairman of all the committees of the whole of the House of Parliament. During those times when the Speaker, Roland Michener, is

Dave Still's body Found near bridge

The drowning accident in which Dave Still the underground superintendent at New Calumet Mines lost his life here when he drove his car into open water near the Bryson - Calumet Island Bridge Saturday night, January 20, cast a gloom over the whole community. Mr. Still has been with New Calumet Mines since its opening here and he and his family were held in great esteem. To Mrs. Still and daughter Anne goes our heartfelt sympathy. Mr. Still was a native of New Hampshire. His body was found at 9 o'clock this morning about 300 feet below the bridge by Ernie Montpetit of Gatineau Power.

The car was located by scuba divers from Eastview, raised by Ron Hodgins, drawn to shore by Pilon Garage. Also helping in the operation were divers from Pembroke and Petawawa and a crane and crew from Hilton Mines.

Funeral arrangements are by Hayes Funeral Home, Shawville.

The 12th successive Class in First Aid started on Tuesday last with 22 enrolled. Dr. G. R. Green is giving the Lectures and Dr. Frank Cowley will be giving the exam. Mr. and Mrs. Lawrie Moore are again instructing in proper use of the bandages and dressings along with Artificial Resuscitation, including the new mouth to mouth method. This is not only mighty interesting, but a good thing to know. You don't need fire insurance until your place catches fire and then — you

Parliament Acclaims Pontiac's Member

When Paul Martineau stepped onto the floor of the House of Commons Friday afternoon wearing the uniform of Deputy Speaker everyone on both sides and in all corners applauded and cheered, in spite of the previous day's division on the issue.

It was a history making Opening of Parliament in that the motion to name the Deputy Speaker was opposed and a vote had to be taken. As Hazen Argue said to Paul, it was "in no sense a personal reflection on him, but merely a criticism of the government and its method of using this position . . . as a stepping stone to the cabinet". But nevertheless the bells rang, the Members rushed in from the ante-rooms, the vote was taken and it went 179 to 9 for the motion.

The nine were the little CCF — NDP bloc which sits under the left elbow of the Speaker and which, if this week is any indication, will be much heard from even at the risk of extending this

The Class meets at the High School every Tuesday at 8:00 P.M. through the courtesy of the Principal, and there is no charge for the course, other than you have to supply your own text book and bandages. Both the Doctors give their time absolutely free as also do the Instructors; they are all anxious to pass on to others what they know. Whatever being Deputy Speaker is a stepping stone to, whether to the cabinet, to being Speaker or whether to nowhere (if the PC's lose the coming election) Paul Martineau is enjoying the position and giving it his best effort. Whatever a person's politics in this county one can be proud of Paul.

In nominating him, the Prime Minister said Paul was "a young man with a distinguished record of war service and of public ser-

HONOUR TO THE RIDING

Residents of the constituency of Pontiac-Temiscamingue can justifiably feel pride in the most recent achievement of federal Member Paul Martineau, last week elected Deputy Speaker of the House of Commons. Whatever one's political sympathies, it must be agreed that our Member brings honour to the riding, and will serve all sides of the House of Commons with distinction.

Paul's election as Deputy Speaker is yet another mark of the regard in which he is held by his colleagues on Parliament Hill. Having held no previous political post, he carried Pontiac-Temiscamingue for the first time in the Conservative sweep of 1958, and two short years later was brought to national prominence when named parliamentary secretary to Prime Minister Diefenbaker.

During his first two years in the House Paul distinguished himself for his work on Committees and in debate alike. He was a member of the Mines, Watercourses and Resources Committee; the Library Committee; the Rules Committee; and perhaps most important of all, the U.S. Canadian Interparliamentary Committee, on which he was retained as a member even after becoming assistant to Mr. Diefenbaker. Paul was also appointed a member of the Canadian delegation to the United Nations in 1960 when he accompanied the Prime Minister to New York on the occasion of his historic address before the General Assembly.

Active in debate virtually from his first day in the House, Paul has made national headlines on several occasions because of his vigorous opinions relating to measures coming before the House. We recall in particular his deep concern and support for the opening of the Ottawa River for deep sea navigation (a subject on which the last word has not yet been spoken); his support of the Bill of Rights; of technical and vocational training as a means of increasing productivity and reducing unemployment; and on behalf of the creation of a National Productivity Council. The list is almost unending, for he has actively concerned himself with most important measures coming before the House.

Now Paul has been elected Deputy Speaker. This new office not only honours the man for his ability and popularity on all sides of the House, but pays tribute to the constituency of Pontiac-Temiscamingue; and brings to it a national prominence not previously achieved.

The position Paul now occupies is a difficult one for he must, while in the Speaker's chair, cast from him all partisan prejudice, to the end that he may rule fairly on all matters within his jurisdiction, regardless of the political source from which they emanate. For the remainder of this Parliament his voice will not be heard in debate, but will be heard even oftener than before, as he presides on the floor of the House.

We wish our Member well in his new and onerous position, confident that he will perform it zealously and without bias; and emerge at the close of this Parliament broadened in experience and ready for new worlds to conquer.

Silver Anniversary At Calumet Island

Mr. and Mrs. John Lawrence Maheral, residing at Calumet Island observed their silver wedding anniversary on Saturday, January 13th.

Mrs. Maheral is the former Eugenie LaSalle. The couple have seven daughters, five sons and one grand child. Following a mass said by the Rev. Father Breard and sung by the Sister of Ste. Mary, dinner was served

at the Ottawa House Hotel in Campbell's Bay.

Mr. and Mrs. Irvin Shea and Mr. and Mrs. James Maheral acted as sponsors for the couple on this occasion. Congratulatory messages were received from friends and relatives near and far.

A buffet supper was served at the home of Mr. and Mrs. John L. Maheral, followed by a reception at the Parish Hall.

Out of town guests were Mrs. Mary and Katie Robinson; Desmond Maheral, Mr. and Mrs.

AT THE OPEN DOOR

Just after he was named Deputy Speaker, Paul Martineau MP opened his office door to welcome his friends who had come to witness the opening of Parliament. This door will always be open, says Paul, to the people of Pontiac to whom he owes a great debt of gratitude for having placed him in a position to achieve his present honour.

Grains of Sand

If a hockey team isn't dressed and on the ice when the game is scheduled to start, the game should be forfeited to the other team. This rule should be followed now especially with such a tight schedule and so many fans coming to see hockey — on time!

* * *

To answer various queries (mostly from men): Yes, those new stretch pants the ladies wear to the curling rink stretch only one way — up and down. And, Yes, they do depend upon an extremely tight fit to stay up. And, No, we don't expect them to pop any minute. We worry about it but we sure don't expect it.

Lester Pearson, Liberal Leader, in the House of Commons, Monday congratulated Paul Martineau on his appointment "in a very sincere way" and said he felt sure he would "discharge his important and honourable function with fairness, impartiality and intelligence".

The Senior Hockey game scheduled previously for Saturday, February 3 is cancelled. We think we'll just leave out the Senior schedule until it is revised so the best way to know if the Seniors are playing is to ask them.

Another suggestion to occupy the new councillors is in rounding up the roving dogs.

Letters To The Editor Faith In God

January 24, 1962

Editor, The Equity:

Of all the fantastic statements I have read in your paper the following in last week's issue takes the prize. Advocating local Fall-out Shelters a speaker said: "He believes that war is possible and that our way of life after a nuclear war won't be very different, in fact he feels it might be better because we would know that we would never have another nuclear war".

I am sure that the few crippled survivors of Hiroshima would die laughing at this remark.

David said in Psalm 61:3 "For thou hast been a shelter for me, and a strong tower from the enemy". I believe that most Canadians will pray that sanity will prevail and like David will put their faith in God for survival.

Dear Mrs. Dickson:

On behalf of the Waltham Parish Council of the Catholic Womens League I wish to extend to you sincere congratulations on being named "Citizen of 1961" by the Shawville Chamber of Commerce.

We wish to thank you for the generous coverage you have given our meeting and social events in the Equity during the past year.

Best of wishes for 1962 to you and your staff.

The Early History of Pontiac Families

from the files of Rev. Jos. E. Gravelle

It is some weeks now since we made an appeal for general information. Today we ask the readers of this column to send in whatever details they might have, that we might complete the following families.

GALBRAITH JOHN, born in Scotland, came out to Canada in 1827. In 1841 he was in Clarendon and his family consisted of six members, according to the census returns. His wife **ELLEN** was born in Scotland in 1809 and they had a son **David** born in 1842. Living at their home were a number of Telfer children, which would tend to indicate that the wife Ellen had been married before to a Mr. **TELFER** and that these were John's step-children. Back in 1885, my father entered in his files that on June 28th of that year a Mrs. John Galbraith died and her maiden name was **ELLEN STEWART**. The birth date of **ELLEN** here is given as 1798 and not 1809 as given in the 1851 census.

The **TELFER** children living at the home of John Galbraith in 1841 and 1851 were: Jean, born in 1831, **ELLEN** 1835, **ANDREW** 1837 and **MARY** 1841.

It is thought that the **DAVID GALBRAITH** mentioned above could be the one who later married **EUPHEMIA CUTHBERTSON**, daughter of Lewis and Elizabeth Reid, and who moved to Renfrew. The Renfrew David is said to have had a sister, born in 1836 who married William Hynes and died at Mathewson on May 5, 1924. According to the census of 1851, David was the eldest child, born in 1842. Any sister born in 1836 therefore must be a half-sister perhaps Ellen Telfer. Would any of the family or of the older people solve this difficulty for us?

Here is a clipping, cut out from a local newspaper in March 1905. It is most important as it concerns the very early history of Clarendon and moreover it challenges our statement that "Black" Tom Hodgins was thought to be the first child born in Clarendon. Here is one, born in 1825, five years later than Tom, who claimed to be the first.

MARCH 1905: "Mr. David Galbraith last week received word of the death of his cousin **JOHN HALL** in New York State. He was 80 years old and was the first white child born in the Township of Clarendon, Pontiac County. (Perhaps that is why Tom is called "Black Tom") the eldest of a family of 15 boys. The family removed to New York State in 1844. Eight of the boys went through the American War, three were wounded, but none were killed, and all are yet alive."

Does anyone remember this Hall family and could tell us how they were related to David Galbraith? It does not say that all the boys went to the United States. Could our **DAVID HALL**, who married Jane Dougherty, born 1838 at Aylmer, married 1855 at Shawville, be one of these boys? He lived at Shawville and at Masham and is the father of Mrs. Robert Moffatt of Shawville, Mrs. Samuel Moffatt of Ottawa, Mrs. Samuel Kennedy of Wakefield, Mrs. Ferguson Pritchard of Ramsayville and George H. of Aylmer, who married Elizabeth Edey.

In checking over the Halls, we came across the family of McDonald Hall of Bloomington, Ill. who had twenty children. He was most patriotic. Perhaps our readers would like to know the names he gave to his children: George Washington, Thomas Jefferson, Patrick Henry, Victoria Regina, Abe Lincoln, Lucretia Borgia, Victor Emmanuel, Susan B. Anthony, Ulysses Grant, Will-

iam T. Sherman, Philip Sheridan, Cassie Chadwick, Grover Cleveland, (but this was later changed to Benjamin Harrison), William McKinley, Henry Ward Beecher, Shields Blaine and finally, his youngest, born in 1906, he called Margaret. Apparently he did not believe in The Communion of Saints and of placing his children under a saintly protector. He went rather to that other Hall of Fame for his patrons, judging that Inspiration was of more value to his children than Protection. Did he finally repent or suddenly recall the fourth last article of the Creed, as 1906 grew nigh, and so chose Margaret as the name of the last to be listed in this "HALL" Hall of Fame.

GIBSON JAMES. This name appeared in the 1841 Census for Clarendon. He is not shown as having any family and it is stated that he came to Canada in 1826. The 1851 census does not list at all. Yet in 1835 James Gibson took up land in Clarendon by grant, one of the very first to do so. A James Gibson lived at Rupert Corners, the father of William, John and Hugh, the two latter ones residing at Shawville. In Bristol, at the time of the 1851 census, we find **HUGH GIBSON** b. 1798 and his wife Elizabeth 1796 but no children are listed. Could they be the parents of James? Perhaps someone can tell us more about this family and if they are related to John, Sam and Ben of Campbell's Bay and Walter of Shawville. Under the name of **JUDGSON** or perhaps **Gibson**. We have a **THOMAS, JOHN** and **GEORGE**, brothers.

Shawville

Mrs. Merlin McKee has returned home after spending two weeks in the Ottawa Civic Hospital recently.

Rev. W. H. Krause, formerly minister of the Pentecostal Church in Shawville, visited in Shawville briefly on Monday and Tuesday of this week from Osoyoos, B. C. His father, of Pembroke, passed away at the Cottage Hospital, Pembroke, on Wednesday, Jan. 17.

While in St. Mary's, Ont. last week, Messrs. Arnott Hynes and John F. Hodgins stayed overnight at the home of Mr. and Mrs. Jason Brownlee.

Get well wishes are extended to Mrs. Robinson Hodgins who is presently in the Pontiac Community Hospital.

Mr. and Mrs. Syd Barclay and Beth visited Mr. and Mrs. Jas. Horner last week.

Names omitted from the list of donations to Maple Grove cemetery last week were Mr. and Mrs. Archie Storey and Mrs. Jim Judd.

Christmas In The City

A letter has been received from Mrs. Keith Smith of 151 Norice Street, Ottawa. She is the former Doreen Hodgins. As Doreen is confined to home with multiple sclerosis and Keith with rheumatic fever, her parents visited them at Christmas and were impressed with all the fun and visitors these young people had, despite their illnesses. Mrs. Hodgins has written a long poem about it. Here are the last two verses:

*You see, we were confined to home,
And so we could not go,
To call upon our neighbours,
As we'd often done before.*

*But this year, it was different,
And the neighbours came to call,
Christmas time in the city,
Is the most wonderful time of all.*

Campbell's Bay

Mr. John Elliott of Ottawa spent a few days in town visiting friends.

Miss Catherine Smith of Ottawa spent the weekend with her parents Mr. and Mrs. William Smith.

Miss Gail Lett of Ottawa is home for a few days recuperating from an appendectomy.

Mr. and Mrs. Ernest Kluk spent last weekend in Montreal.

Paul Martineau, M.P. and newly appointed Deputy Speaker was chosen Citizen of the Week on CFRA last week and Mrs. Martineau was given a dozen red roses. More honors for our talented Paul, "Congratulations".

Merland J. Bennett, 36, of Breckenridge, Que., a CPR switch tender, who saved three-year-old Robert McKenzie from being killed by a train at Ottawa West station, Feb. 14 last year, is a brother of Mrs. Jos. Stewart of Campbell's Bay. Mr. Bennett will receive a bronze medal and \$500 cash.

Charteris

A farewell turkey dinner was given by Mr. and Mrs. D. E. Kilsby for their daughter and son in law Mr. and Mrs. R. M. Angus before their return to Goose Bay Labrador. Mr. and Mrs. H. R. Kelley of Wyman and Mr. and Mrs. Nathan Dagg were in attendance.

Mr. and Mrs. D. E. Kilsby attended the christening of their granddaughter Beth Ann Angus on Sunday in the Westminster Presbyterian Church in Ottawa by the Rev. Currie F. Creelman.

Beechgrove W.I.

The regular meeting of the Beech Grove W.I. on Friday Jan. 12 took the form of a social evening at the home of Mrs. Allen Mohr with her daughter, Dorothy as assistant hostess.

At a short business session the president Mrs. Lloyd Hobbs reported on and then had the brief completed for the Royal Commission of Education.

Following this the evening was given over to the members, their husbands and guests, who enjoyed games of euchre and bingo. The euchre prizes were won by Mrs. George Steele and Lloyd Hobbs as the winners and Mrs. Elwood Hamilton and Bob. Overton as the losers. The bingo winners were Miss Dorothy Mohr and Mrs. Hazel Taber. The short play with four acts put on by Edey Campbell and Keith Mohr titled "Patience Jackass" took a slight twist ending with only three acts and Mrs. Hazel Taber as the goat. Would anyone having the opportunity to talk with Edey or Keith mind asking them what happened to the fourth act?

After a delicious lunch was served everyone went home with the idea that this was great fun and should be repeated again. Why don't we?

On Thursday afternoon Jan. 18 the Beech Grove W.I. held a special meeting at the home of Mrs. Everett Steele with eight members present. The President was in charge. All were in favour of having an exhibit at the Quyon Fair again this year. Mrs. Kay Carswell, Mrs. Allen Mohr and Mrs. Hilda Hamilton were appointed to buy and look after the material for the articles of the same.

It was also decided to hold the annual fall Bazaar again this year. Mrs. Lloyd Hobbs, as household conv. read an article on making duster mitts from old towels.

Mrs. Steel's table groaned with a delicious lunch served by herself and her assistant hostess Mrs. A. Olm.

namely Doug Thomas, Joey Keon and Bert Cavanagh. But we missed seeing four of the former ones Kelly, Young, O'Donnell and injured Desi Keon. (Des was a spectator for this game but hope to see him back next week). We know that shift work does play its part in accounting for the absence of some of the players. We feel that the chaps who threw themselves into the game and deserve star credit are Doug Thomas, Goalie D. Therien the two goal getters and their assistants. But no discredit to those not mentioned. You were all in the game and certainly the stars mentioned would not have been stars had you not played as you did. We feel everyone played a good game in spite of loss, it was good stiff competition which always helps teach the boys some new tricks in the game.

... Did you ever stand in different locations at a hockey match and hear the comical remarks? How they do differ! Overheard at Friday nights match was this "That fellow hasn't slowed down one little bit since the first time I saw him playing". From the opposite side came this remark from another conversation concerning the same

Shawville Beats Last Year Champs

In the Pontiac League Hockey, Shawville defeated Fort Coulonge 4-1 and Quyon defeated Campbell's Bay 6-2 on Monday January 22 in the Agricultural rink.

In the game between Shawville and last year's defending champions, namely Fort Coulonge. With an increasing number fans. It was the usual fast game and maybe a little roughed-up with 14 penalties handed out.

Shawville netted the first goal at 8:18 of the stick of Lorne Wilson who was assisted by Laird Murray and Bill Pirie. Frank Pirie was retired to the penalty box at 8:15 for stick slapping. So ended the first period 1-0 for Shawville and only one penalty, a rather unusually civil first period.

At 8:24 of the second period Fort Coulonge's Tom Soucie scored assisted by Frank Bertrand. From 8:26 to 8:33 — 5 penalties were handed out two to Shawville's Hewitt McCredie and N. Sly and three to Coulonge's Bert Cavanagh, Grant Cahill and Wayne Laporte. Lorne Wilson scored again at 8:39 assisted by Laird Murray to end the second period 2-1 for Shawville.

About two weeks ago, an Equity subscriber requested more news concerning Fort Coulonge because they knew Fort Coulonge was a lively town. We firmly agree as spectators at a hockey match featuring Shawville and Fort Coulonge that there are certainly some lively people up there too and a few of them play hockey and many more are their supporters. To prove their liveliness Fort Coulonge tied with Shawville in the last period just in the penalty box however, each receiving 4 penalties. Jackie Romain, Grant Cahill and Ray Belanger each received 2 minutes and Belanger received another 5 minutes for fighting. Shawville's bench warmers were N. Sly and L. Wilson, 2 minutes each with Doug Young and Ted Lance each taking 5 minutes for fighting. At 9:14 in the third period 5 players already mentioned above were dismissed to the box for a cooling off. Laird Murray appeared to be the star of the night netting 2 and assisting with two. His helpers with the last two were Bill Pirie and H. McCredie twice. Final score 4-1. Impression of a spectator at that game — A genuinely good old fashioned hockey game like we used to see 10-15 years ago!

Linup was as follows: Shawville, Goal, Ron Thomas, Defence Pat Corrigan, Ted Lance and H. McCredie. Forward, Brian Corrigan, L. Wilson, Elson Smiley, Laird Murray, Bill Pirie, Frank Pirie, Bruce Smart, Neil Sly and Doug Young.

Fort Coulonge: Goal, N. Boisvert, Ken Rose, Raymond Ward, Roy Soucie, Don Marion, Jackie Romain, Wayne Laporte, Grant Cahill, Clifford Amyotte, Tom Soucie, Ray Belanger, Frank Bertrand, Ronald Soucie, Doug

player "You know Luke, that guy has the makin's of a good player if he'd only pull out the lead..." Oh well that's what keeps the game interesting, everybody's opinions. But we were wondering just what Luke and his friends could do out on that ice as probably we could arrange a good exhibition game (spectators vs team) at the end of the season.

Shawville: goal D. Therien; Doug Thomas, I. Saunders, Joey Keon, E. Powell, B. Findlay, R. Richardson, G. Fraser, B. Cavanagh, Barry Murray, B. Murphy and R. Bohen.

Pembroke: goal, Garry Ryan; D. Morrissy, B. Griesse, F. Radke, D. Benoit, T. Lesnick, Edwards, F. Plummer, L. Lewis, O. Kranz, T. Quigley, R. Mitchell, T. McDermid.

Referee, Chas. Lemenchick; linesman, L. Murray.

Campbell and Bert Cavanagh. Referees were: Ray Young and Glenn Morrison.

Last night Bryson and Calumet Island tied 4-4 in the first game and the second game Shawville beat Quyon 2-0. Goal scorers for Shawville were Neil Sly and

Elson Smiley. The games were played at the Richardson's Arena with a wonderful crowd of fans mostly from out of town.

Tonight, Thursday, at the Agriculture Arena Coulonge meets Bryson in the first game and Shawville meets Campbell's Bay

in the second. Shawville and Bryson are tied for first place and tonight both teams will be trying to win. Campbell's Bay will try to win also, because they have not won a game yet this year. Come out and see your favourite team play.

vice, a member of the bar, a student of the rules and one who I think the house will agree has been fair and reasonable in his relations with the members generally in the house and who will be able to discharge the duties of deputy speaker with honour to himself and in keeping with the traditions of this chamber".

And opposition spokesman Lionel Chevrier said he was "pleased to support the recommendation . . . thanks to his past experience as parliamentary secretary to the Prime Minister, the hon. member for Pontiac Temiscamingue will be able to perform his new functions with efficiency . . . (we) offer the hon. member for P-T . . . warmest congratulations and best wishes in the exercise of his new duties".

A move downstairs to room 203S and provision with a full time "man" are just parts of the new position. The "man" Forbes Craig is officially a receptionist but also adopts the duties of steward, valet and errand boy. He's also a good guy to know because he knows all the short cuts around the Parliament Buildings.

Paul's secretary, Miss Lemieux, had moved on with him to the new office which is just a few steps from the door to the Commons.

With respect to being named Deputy Speaker, Paul was honoured by CFRA as their Citizen of the Week. In the citation he is called the Pride of the Pontiac and a bouquet of roses was sent to Helen in Campbell's Bay.

Far more important things than those related above have taken place in this, the first week of the fifth session of the 24th parliament, all of which are amply reported in the dailies the radio and TV, but for Pontiac, the wholehearted acceptance of a native son into such an important position is the big news.

As part of his duties, Paul is

Witnesses Will Assemble Feb. 9

Sixteen congregations of the Jehovah's Witnesses throughout the Ottawa Valley will assemble for their 3-day semi annual circuit assembly in the Coliseum, Ottawa from Feb. 9 to 11.

The theme chosen is "Assist One Another to do God's Will." This they feel, is a most appropriate theme when one considers how the nations of both Eastern and Western blocks are endeavoring to impose their will upon each other rather than seeking to do or conform their thoughts and conduct to that of the divine will.

The highlight of the circuit assembly will be the public address "Uniting Men in a Split-Up World" on Sunday afternoon Feb. 11 at 3 p.m. delivered by Mr. John MacPherson, district supervisor of Jehovah's Witnesses in Eastern Ontario.

Forests And Water

By A. P. Matiee

Water has always been considered a primary forest product. Forests not only produce timber, wildlife and recreational values, but also a very important part in helping to reduce the intensity of floods by stabilizing stream-flow and by control of surface run-off.

Research all over the world has indicated that a well forested watershed will hold more and release clearer water than open fields or pastures. Under the influence of forest cover forest soils retain and store more water thereby beneficially governing water movement both on and under the surface.

Protected against sun and wind, the snow cover remains on the forest floor from one to five weeks longer than on open fields. While the total spring run-off from melting snows may be as great as in open fields, it is stretched out over a longer period of time. This accounts in many cases for the fact that spring flood conditions are much more common in agricultural than in forested areas.

The runoff from summer rains is also reduced in forested areas. Since the upper layer of forest soils are composed largely of decomposed organic material, larger amounts of moisture can be absorbed and held in such soils than in those of open fields. The shade from the overstory of trees keeps the ground cooler and reduces loss from evaporation. Plants and shrubs, fallen leaves, twigs and the generally uneven surface of the forest floor provide mechanical obstructions and reduce the speed of runoff. Open fields by contrast are generally smooth and free from obstructions. This allows water to run freely and quickly over the surface carrying soil particles with it. Eroded slopes and silted streams serve as evidence of the results of rapid runoff from areas where open fields are the chief characteristic land pattern.

We cannot ignore all the evidence in existence, both in this country and in others, regarding the value of forests in water flow control. Our forests can and must be managed not only for timber, wildlife and recreation but for water control as well.

Municipal Organization

There was one misprint the last piece relative to Quyon's Mayor Fred A. Davis whose term of office was really from 1911 to 1923. Already reports of interest are coming from the four corners of Pontiac about this outline of organization also grateful tributes to The Equity for making it available to the public.

You know, in many aspects a municipality resembles a family — especially a homesteading family — all of whose members are more or less imbued with zeal for its welfare and development; with joy for its accomplishments; with sympathy for its misfortunes.

Actually municipal government is most intimate to families. Since electors in families give governments at all levels their mandates it would seem logical that the most precious mandate be reserved for the most intimate government.

Records of Pontiac County relative to its municipal organization indicate that our pioneer parents were more fully aware of this concept of responsible government than are we. That is just one glimpse of the engaging drama behind these lists of persons who received our mandate for municipal government in Pontiac. . . Let us proceed with it:
