WESTMOUNT, THURSDAY, APRIL 17, 1941

PRICE—TWO CENTS

PLANS COMPLETE FOR CARNIVAL-FAIR, APRIL 24-26

Local Rotary Club To Stage Outstanding Event At Forum In Four-Fold Charity Drive

Thirty-two Attractions of Varied Nature Will Feature Unique Community Undertaking for Funds in Aid Of the Montreal Children's Hospital, Julius Richardson Hospital, St. Patrick's Orphanage, Rotary Community Chest Fund

A mammoth Carnival Fair, with entertainment for the young and old, will be staged by the Rotary Club of Westmount at the Forum April 24-26, in aid of the Montreal Children's Hospital, Julius Richardson Convalescent Home, St. Patrick's Orphanage and the Rotary Community Chest Fund.

With the Rotary Pony as mascot, the Fair will open with colorful ceremonies next Thursday evening and will feature 32 outstanding attractions, including two fashion shows every evening, dancing in the Rotary Garden, Albert Murray's mysterious Golf-Hole-in-One, conducted by the well-known professional golfer himself, and an opportunity to buy your week's War Savings Stamps at a special booth erected for the purpose.

In its efforts to raise funds to continue its contribution towards the needy community work which it has undertaken to sponsor, the Westmount Rotary Club has organized one of the most outstanding and ambitious entertainment events ever held by a club of its size.

Old fashioned entertainment to revive the memories of oldersters and modern streamlined attractions to whet the appetites of the sophisticated will be tucked here in the booths of the huge Midway, feature of the show.

The Rotary Pony, endearing himself to the hearts of adults and children alike with his gentleness, intelligence and tricks at his rare public appearances, will be present throughout the Fair, in his capacity as Mascot. As far as the children are concerned it is predicted he will be the "star" of the show.

FASHION SHOWS

Two fashion shows will be staged each evening. Styles of the '30's and the gay '40's, modeled by professional models, will walk side by side with their modern svelte-lined sisters influenced by the latest creations from New York and Hollywood of 1941.

Another outstanding attraction will be Murray's Golf-Hole-in-One. Murray, former Canadian Amateur Champion and Open Golf Champion and professional instructor at the Beaconsfield Golf Club, who has donated his service to the Westmount Rotary for this cause, will test your eye and skill at the game in his One Hole Golf Course.

Dancing will be featured in the

Rotary Garden, while tea room will be operated by the "Rotary Annex" and a special Fish-pond with intriguing prizes will be conducted for children.

A special booth has also been designed for the sale of War Savings Stamps and it is hoped the thousands of people attending the Fair will buy their week's War Savings Stamps there in their contribution towards Canada's War Effort.

Among the 32 shows and games to be presented, will be included, such booths as "Sleepy Hollow", "Toy Town", "The Village Grocery", "Tobacco Road", "The Stork Nest", "Dart Hitler's Heart", "The Rotary Farm", "The Candy Bar", "The April Showers Umbrella Shoppe", "Silken Hosiery", "The Hope Chest", "The Superfine Shoppe" and the "Blanket and Towels Shoppe" all of whom will feature games and the latest and best in Canadian manufactured goods as souvenirs.

CAUSE IS NEEDY ONE

The cause for which the Westmount Rotary Club is organizing this event is a needy one, for it must not be forgotten that while Canada is "Carrying-On" to help win this war, she must also "Carry-On" at home for our future generations.

Authorities have stated that one of the foremost problems confronting society today is the proper care and treatment of sick and underprivileged children so that such children reach adult age in the state of health which will enable them to take their place in the life of the nation.

There are few if any cases of sickness, deformity or undernourishment among children which cannot be completely cured if given the proper attention. Rotary the world over, for it is an international organization, has devoted the greater part of its activities to the care of the underprivileged child in its community.

It is a businessmen's club and handles these problems in a businesslike way, entirely without profit. Colorful ceremonies will open this gala event and from present indications, thousands are expected to be present during the three days it will be held.

Parents are especially asked to accompany their children, while members of Canada's armed forces will be admitted free.

In helping Rotary to help others, you are doing your "bit" towards the future of our great country.

CO-CHAIRMEN

Arthur F. Cayford, top, and William F. Close, joint chairmen of the Rotary Club of Westmount's gala Carnival-Fair to be held at the Forum April 24-26, who announce plans are complete for this unique community undertaking.

Mrs. Frankowska Will Give Talk

Mrs. M. R. Frankowska, well-known Polish political refugee, will be guest speaker at the regular monthly meeting of the Young Ladies' Sodality of Ascension Parish to be held in St. Paul's Academy Monday evening, it was announced.

Following her talk, "The Spirit of Polish Women During the War," Mrs. Frankowska will be entertained by the Sodality publicity committee, as will members of the executive and chairmen of the various committees.

The meeting will start at 7.30.

FITNESS GROUP PLANS MEETING NEXT THURSDAY

Province of Quebec Physical Education Association to Hold Annual Session at Central "Y"

The Province of Quebec Physical Education Association headed by George P. Smith, physical director of Westmount High School, will hold its annual meeting next Thursday evening in the Willingdon Room of the Central Y.M.C.A. it was announced yesterday by Secretary Hugh Noble, athletic director at Westmount Y.M.C.A.

Reports from the various committees will be read while an open discussion will be held pertaining to the recent physical fitness display held at the Forum with the co-operation of Captain J. G. Lang and Capt. St. Pierre, supervisors of physical education for the Protestant and Catholic school boards respectively.

Another feature of the meeting will be an entertainment program arranged by Stan Rough, supervisor of parks and playgrounds for Montreal.

LEARN-TO-SWIM CAMPAIGN HELD GREAT SUCCESS

Class Under Instructor Ed Smee at Westmount "Y" Makes Good Progress in Short Time

Under the direction of Instructor Ed Smee, Westmount Y.M.C.A.'s "learn-to-swim" campaign is experiencing great success, according to Secretary Ernie Taylor who said close to 20 youngsters have been taking the course since the start of the Easter holidays and have made remarkable progress.

Aided by two or three of the "Y's" senior members, Smee has been conducting his classes daily and is convinced that by the time school starts again, all of his charges will be able to keep themselves afloat unaided.

"Our greatest trouble," Smee said yesterday, "is to rid these youngsters of their fear of water. Sometimes it takes a little while to accomplish but once done, the rest is easy. There are only four of these kids who are unable to swim across the pool at least once and it won't be long before they'll be able to do it as well."

Housing the only swimming pool in Westmount, the local "Y" feels duty-bound to do all it can in helping every Westmount youngster to become a swimmer. "Thus," Taylor said, "we have started this class, open to all Westmount youngsters wishing to learn how to swim and I believe it will prove one of the most successful campaigns we ever have instituted."

Names and ages of the youngsters in the present class are as follows:

Jim Brodeur, 8; John Stanbro, 11; Ian Campbell, 11; Otto Robinson, 11; Ken Pyne, 10; Lorne Diner, 11; Eric Parker, 10; Will Taylor, 10; John Stuart, 9; Ed Stockhouse, 9; Bliss Cartmel, 11; Pat Broden, 10; Dan McLean, 11; John McTavish, 10; Ken Hale, 10; Iram Malcolm, 10; Geoffrey Goacher, 10.

AUSTIN WRIGHT NAMED TO POST

Westmount Man Made Assistant Director of War-time Bureau of Technical Personnel

L. Austin Wright, of 376 Metcalfe avenue, Westmount, has been appointed Assistant Director of the War-time Bureau of Technical Personnel, it was announced by E. M. Little of Quebec, Bureau Director.

Mr. Wright is general secretary of the Engineering Institute of Canada.

Said to be still in the organization stage, the bureau was established recently by Hon. Norman McLarty, Minister of Labor, with the aim of providing machinery for obtaining technical men who might be needed by wartime industry.

THE CHILDREN'S FAVORITE

The Rotary Pony, Rotary Club of Westmount's attractive mascot, donated by Tom Bignell, who will be present throughout the entire Carnival-Fair at the Forum April 24-26. The Westmount club is staging the event in aid of the Montreal Children's Hospital, Julius Richardson Convalescent Home, St. Patrick's Orphanage and Rotary Community Chest Fund.

F.-O. Jess Baldwin Has Narrow Escape In Fire

Well-Known Westmount Tennis and Squash Star Is Carried Unconscious From Officers Quarters at Dunnville R.C.A.F. School, Overcome by Smoke And Burned Severely — Is Reported Resting Comfortably

Flying Officer Jess Baldwin, of 4216 Western avenue, Westmount, narrowly escaped death early yesterday morning when fire of undetermined origin razed the officers' quarters of the Royal Canadian Air Force School at Dunnville, Ont.

One of the Dominion's leading tennis and squash racquets players, Baldwin was borne unconscious from the flaming building by P.O. F. H. McNeill, who found the former Westmount High and McGill University student lying on the floor, overcome by smoke and burned severely.

Baldwin was rushed 40 miles to a Hamilton hospital where he was reported to be resting comfortably last night. Baldwin's mother, Mrs. M. Baldwin, and a son, R. D. Baldwin, left here yesterday afternoon for Hamilton where they will join another son, Herbert, who hurried to his brother's bedside from Kitchener shortly after the mishap.

According to a report issued by the No. 6 Flying School at Dunnville, the popular Westmounter was overcome by smoke while attempting to salvage some of his possessions.

After learning Baldwin was in the building, McNeill climbed through a window and, "holding my breath," ran the few steps to Baldwin's room. "He was lying in the centre of the floor," McNeill said, "one side of the room was on fire."

McNeill completed his heroic act

by lifting Baldwin over his shoulder and making his way back to the window where he handed the unconscious victim to fellow flying officers.

At the hospital, Dr. Miles G. Brown stated Baldwin's condition was fair; that he was suffering second-degree burns and did not recover consciousness until shortly after his admission.

Raised by F.-O. J. C. L. Henderson, the alarm sounded in time to allow the 60 officers quartered in the building to flee. They were forced to leave the structure in night attire, however, so quickly did the flames spread. Virtually all their clothing and personal belongings were destroyed.

A member of Mount Royal Tennis Club and the Montreal Badminton and Squash, and also a well-known skier with the St. Margaret's Club, Baldwin was home on leave last week-end, returning to Dunnville Sunday.

Heading his own chartered accountancy firm until he enlisted last July, Baldwin is well known across Canada and in the United States for his prowess as a tennis and squash exponent.

He played No. 1 on the Canadian team facing the United States in the recent Lapham Cup squash match in Toronto, while just a little more than a week ago, he reached the semi-final round of the Ontario indoor singles tennis championships at Hamilton, losing to a former Mount Royal clubmate, Bobby Murray.

SPEAKS TONIGHT

J. L. Pickering, who will speak at Calvary United Church tonight in aid of Unit No. 8 of the Overseas Parcel League, taking as his subject, "Minesweeping." Pickering was commander of a British minesweeper in the last Great War, seeing most action off Gibraltar and Africa.

He Finally Got It Rolling But...

Clifford S. Fortier finally got his car rolling after it had stalled on Cedar avenue Monday but he did such a competent job, with help from a passer-by, the auto wheeled away without him.

The car had stalled east of Mount Pleasant avenue, running at right angles to Cedar, and Fortier attempted to push it back and then down Mount Pleasant to get it started.

The vehicle left him behind, however, and went off on a tangent down the hill, zig-zagging for some distance and moving down a fire hydrant and a few bushes before coming to a halt against a fence, a short distance off the road.

MISS C. MUSSEN BURIED FRIDAY

Resident of Westmount for Many Years, Miss Mussen Was in Her 80th Year

A resident of Westmount for many years, the late Caroline E. Mussen of 21 Stuyvenant avenue was buried in Mount Royal cemetery Friday following a funeral service in her home.

Born at Farnham, Que., 79 years ago, Miss Mussen was the only child of Rev. Canon Thomas W. Mussen, rector of St. James Anglican Church, Farnham, for 40 years. The family moved to Montreal when Canon Mussen died in 1901.

Miss Mussen, a grand-daughter of the late Thomas Mussen of Montreal, was a life member of the Women's Auxiliary and of the Montreal Municipal Chapter, Imperial Order Daughters of the Empire. She attended the Church of St. James the Apostle.

Capt. T. W. Jones To Address Club

Capt. Rev. T. W. Jones, pastor of Calvary United Church who returned a little more than a month ago from England where he spent more than a year as head of the Y.M.C.A. Overseas Services, will be guest speaker at the Rotary Club of Westmount's weekly luncheon next Wednesday in Victoria Hall.

Falling on St. George's Day, the meeting will be more elaborate than usual, with the Rotarians' wives being special guests. A usual President Bert Cathbert will preside.

TO STAGE PLAY AT EMANUEL THIS WEEK-END

Temple Players Will Present Three-Act Comedy, "Green Stockings", Saturday, Sunday

A. E. W. Mason's famous three-act comedy, "Green Stockings," will be presented by Temple Players Saturday and Sunday evenings, commencing at 8.30 p.m. in the Temple Emanuel Community House.

The large cast includes Edna Freedman, Shirley Berovitch, Ellen Snyder, Isobel Weinrauch, Ethel Perlman, Murray Bornstein, John Adelstein, Nat Druay, Ben Lazoff, Buddy Sheffer, Dan Morris and Hershel H. Lewis.

Mason is the famed author of "Four Feathers," and in "Green Stockings" has provided a comedy equalling for sheer drollery, the heights for which his heavier vehicles are noted, for beauty and sincerity of speech.

Temple players have functioned periodically since 1923, their outstanding productions being "The Spring Maid" and "The Chocolate Soldier," and more recently Campus Kicks.

But with the presentation of "Skidding" last season, a real effort was made to re-organize the group, and it is felt that this production of "Green Stockings" will definitely re-establish the Temple Players in local amateur circles.

On Wednesday, April 23, the Men's Club of the Temple will hold its final meeting of the season at which time annual reports will be submitted and election of officers will take place.

The ladies will be guests and a splendid program of an educational and recreational nature has been arranged. David G. Jansky, Ph.D., a past-president of Brotherhood will speak on "A Commentary on the Economic Life of Canada." Dinner will be served at 7 p.m.

After the regular meeting, the ladies and gentlemen will adjourn for a social hour.

Capt. W. M. Parkinson Resigns W.V.R.C. Post

Captain W. M. Parkinson has resigned from the Women's Volunteer Reserve Corps in order to devote more time to war work, it was announced last night.

Captain Parkinson, a resident of Westmount, was chairman of the Spirit of Montreal Spitfire Fund which concluded two days ago.

FIRST COMPANY BOYS' BRIGADE TO ENTERTAIN

Westmount Group Will Have 18th Company Members as Guests at Tomorrow's Meeting

Boys of the 18th Company will be the guests of the Westmount First Company, Boys' Brigade on Friday evening for the recreation period, as well as sitting in on the rest of the evening's program. This unit is in charge of Capt. W. Bush and is making rapid progress since its inception nearly two months ago. Captain Richardson is making arrangements for a special evening's programme.

The Life Boy Team will take part in the annual Life Boy Display, to be held in the 1st Presbyterian Church Gymnasium, Prince Arthur and Jeanne Mance Streets, this Saturday afternoon at three o'clock. A group of the boys will demonstrate their ability in tumbling and pyramid building, and will have a final rehearsal at 6.30 Friday night.

Every team in the Battalion is taking an active part and have drawn up a most interesting programme, depicting the various (Continued on Page 2)

Plans Progress For Stamp Sale

Plans for the proposed War Stamp Auction to be held sometime in May or June at Victoria Hall under the joint sponsorship of Westmount service clubs, are progressing favorably it was announced yesterday, and some more definite announcement will be forthcoming shortly.

Staged by the Business Association of Westmount, the first such auction was a huge success and this time with the various other organizations co-operating with the Business Association, an even greater sale is anticipated.

St. Matthias' Group To Hold Spring Tea

Members of the Intermediate Women's Association of St. Matthias' Church will entertain their mothers and friends at a spring tea in the parish hall this Saturday from four to six p.m.

Guest speaker will be Mrs. C. Major Wright, recently returned from Europe, whose remarks are certain to prove interesting. Proceeds will go to the Women's Association funds, it was announced by Constance Kingsland, Intermediate W. A. leader.

St. Stephen's Women To Hold Rummage Sale

A rummage sale under the co-operation of St. Stephen's Women's Association, senior branch of the Women's Auxiliary, will be held tomorrow morning in St. Stephen's Parish Hall, starting at 10.30, it was announced.

The hall is on the corner of Dorchester street and Atwater avenue, the entrance being on Atwater.

Parent-Teacher Group Will Meet

The Parent-Teachers' Association of the Shaar Hashomayim Synagogue, Westmount, will hold an open meeting for parents and friends in the board room of the synagogue Wednesday evening, April 23rd, at 8.30.

The meeting will be addressed by Dr. Mattie Rotenberg, well-known Jewish educator of Toronto. She is the founder and director of the Hillcrest Progressive School in Toronto and the Editor of Toronto's "Hadassah Reporter."

She is also a regular contributor to the talks for women broadcast from coast to coast by the CBC. Dr. Rotenberg will speak on "The Progressive Jewish School."

WESTMOUNT, THURSDAY, APRIL 17, 1941

TRUE REFORM IS MODERATE

It is fair to say, that of all the social reforms that have ever been tried and failed, prohibition of the manufacture, importation and sale of alcoholic beverages in the United States will go down in history as the most ill advised example of a statutory enactment, having as its object the imposition by law of a moral standard upon the people, which is something that has never been done, and probably never will be done. As an experiment it was illuminating. Many sincere people lent their support to the passage of the bill, making prohibition the law of the land, and it is significant, that it was largely these genuinely

sincere people, who were among the first to frankly admit the impracticability of the measure and urge the repeal of the law.

Prohibition however served one good purpose; it showed very clearly that men and women cannot be made moral by law. It revealed the fact also that there is only one road to reform and that is by education. A sane view of the situation indicates very clearly that there is only one safe method of obtaining changes in our laws, which will be advantageous to all. If a reform is necessary, it must not be prematurely forced upon the people before they are ready to accept it. Prohibition in the United States was an example. There are many who claim that the cause of true temperance in that country was set back a half century by the Volstead Amendment.

Just now, in the Province of Quebec, a campaign is in progress designed to greatly limit the use of alcoholic beverages. Whether the campaign has as its objective the cause of true temperance or is simply another effort to force upon the people another reform for which they are not ready, is a highly debatable point. However, from a practical point of view, the proposed new laws will harm, economically, a large class of the population — those dependent upon the restaurant trade and those dependent upon the tourist trade. Great care should, consequently, be exercised in making changes in the present liquor laws.

BOOK REVIEW

BY HOWARD S. ROSS

MEDICINE AND HUMAN WELFARE

by Henry E. Sigerist, M.D., D. Litt
Professor of the History of Medicine in The Johns Hopkins University
Yale University Press, New Haven, Connecticut, London and Toronto, Oxford University Press.

Dr. Sigerist is one of the foremost authorities on the history of medicine. In this book he tells not only what medicine has been from antiquity on, but where its greatest present achievements and disadvantages lie, and what its future is likely to be. The controversies over socialized medicine, he claims, have not changed the fact that many

The Examiner's Hidden Titles Contest

The Westmount Examiner's Hidden Titles Contest is run with the kind co-operation of Mr. Godel, manager of the Westmount Theatre. Each week twelve passes are given to the six lucky winners who comply with the following requirements:

Simply find the two "ads." in the current issue of The Westmount Examiner in which the names of the two feature pictures being shown at the Westmount Theatre during the first half of next week are hidden.

Submit all answers to The Contest Editor, The Westmount Examiner, 2191 Hampton Avenue, using the special coupon provided in each issue for the purpose.

Contestants must be over 16 years of age. Residents of Westmount, only, are eligible. All answers must be in this office not later than Wednesday, and the names of the winners will be published in Thursday's issue.

A convenient coupon will be found elsewhere in the paper.

The winners are drawn from among those who submit the correct answers, as, unfortunately, it would be impossible to give passes to every one submitting the right answers.

The winners of last week's contest are as follows and their passes will be received in Monday's mail.

Mrs. J. Turner, 463 Grosvenor Ave.; Kathleen Burgess, 464 Mount Stephen Ave.; Owen Owens, 788 Upper Belmont Ave.; Mrs. H. C. Shaw, 148 Abbott Ave.; Betty Riddell, 513 Claremont Ave.; J. D. Scythes, 793 Upper Belmont Ave.

THE FORUM

Conducted by HOWARD S. ROSS, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper and it does not accept responsibility for them.

Indianapolis newspapers frankly state that the city's real estate board is fighting public housing. The board's president states that much is going on "behind the scenes" to head off a government-financed housing project to take care of new families brought to the city by the defense industries. Freezing of rents is opposed as having brought "disastrous results" in Canada. Owners of rental property are urged to keep it in better shape, lest it be condemned and plans made for slum clearance projects. Already many citizens live in condemned property. In a single hour's walk one can survey hundreds of Indianapolis dwellings which would not be tolerated in Stock-

ton. An Indianapolis news item stated that a highly respectable and prosperous lady was recently heard to say to a friend who was deploring a dearth of good investment opportunities: "Why, don't you know what to do? Put your money in negro houses. The rent is good and you almost never have to do anything for them."

Only one in four in the U.S.A. is well fed notwithstanding the vast food producing facilities of that great country.

The British Malvern Conference attended by about 500 men and women, many of whom were Anglican church dignitaries and laymen with national and international reputations, decided that one stumbling block which is contrary to Divine Justice is the fact that the structure of our modern society places the ultimate ownership of the principal resources of the community in

the hands of private owners. The Conference said that so long as this is so, the economic motive will be supreme and that this is contrary to God's plan for mankind. Have you a book called Man the Master of Women? Librarian: The fiction department is on the next aisle. It is not enough to grind our teeth — we have an Axis to grind — and there is no time like the present to start — Neil MacNeil, Editor, Co-operative News, St. John's, Newfoundland.

During Prohibition in the U.S.A. it was unlawful to sell buttermilk because it contains more than one half of one per cent alcohol. Premier Churchill at a luncheon in honor of the Ambassador from the United States Hon. John Winant praised British Trade Unions. He repeated that he was "a bit shy of defining war aims" and expressed the hope that when victory is won "our aim will be to build a society in which there will be wealth and culture but where wealth shall not prey on the Commonwealth, nor culture degenerate in class and pride." He hopes "there will be an electric atmosphere in the world which may render possible an advance toward greater and broader social unity and justice."

Reconstruction and The New Order in Great Britain. There will be important work before the group of ministers studying reconstruction. The chairman is Mr. Greenwood, Labor party minister without portfolio in the war cabinet. The group will have to prepare ahead for deaerolization, re-employment, rehousing and, most important of all perhaps, the return of industry to peace conditions. But along with all these urgent and practical concerns, these men must be preparing for an attempt to make effective in the life of this nation whose very principles of social order which it wishes to commend to others. Whether or not the party divisions which obtained before the war will be restored we cannot tell. Some believe that there will still be parties, since there is bound to be tension in any human society, but certainly the parties will take on a new character.

Dr. Edward Shillito of London, G. B.

The editor of Metropolitan Church Life focused the attention of its readers on H. J. R. 59, introduced in both houses of Congress, which reads "that there is hereby established a national commission on unemployment and present and post-war economic adjustment." Robert W. Searles, executive secretary of the Greater New York federation of churches, said of it: "We must not overlook the importance of this bill. For ten years this nation has been plagued with the vast human problem of unemployment without any long-range thinking. The human waste and the weakening of our social structure have been enormous. Defense industrial ac-

CALVARY CHURCH NOTES

The preacher in Calvary Church at both services on Sunday will be the Rev. Colin R. Rudd, B.A., B.D., the Interim Minister, who will preach at the morning service on the theme "The Ministry of Faith" and at the evening service on "Revelation."

At 3 p.m. Calvary Men's Own Brotherhood will hold its annual St. George's Day Service. The Sons and Daughters of England Benefit Society will be guests at this service. The Sunday School will be held at the same hour.

Monday, at 7.15 p.m. the Boy Scouts will meet in regular session.

Tuesday from 10.30 to 4.30 the Red Cross will meet and at 7.30 p.m. the evening branch will hold its regular work session. The Girl Guides will meet at 7.15 p.m.

Wednesday at 8.15 p.m. the Midweek Devotional Service will be held.

On Thursday at 7.15 p.m. the Wolf Cubs meet, and on Friday there will be movies for the children.

Westmount Baptist Church Notes

The services in Westmount Baptist Church on Sunday will be of an unusual character. In the morning the Speaker will be Rev. Harold E. Bridge, B.A., B.Th. Mr. Bridge is a preacher of unusual ability, and will have a virile message.

In the evening, the congregation will be addressed by Miss Ruth Baxter, who has just returned from her first term as a missionary in Africa. Miss Baxter was aboard a vessel which was bombed and sunk by a German plane. She will not only tell of the triumphs of grace among the people whom she served, but she will also recount the heart-moving story of God's faithfulness through the experiences of being bombed, rescued, and finally brought safely home. The people of the community are cordially invited to hear these addresses.

On Friday evening, at 6.15, the McMaster Alumni of Montreal will hold a supper meeting in Murray's Restaurant, Sherbrooke and Claremont. At 8 o'clock the same evening, technical films of McMaster University and Moulton College will be shown in the Assembly Hall of the Westmount Baptist Church. The commentators on the films will be Rev. Harold E. Bridge, B.A., B.Th., and Principal Marjorie Trotter. This last meeting will be under the patronage of Montreal City Baptist Young People's Union.

forms of Life Boy Craft. Parents and friends are cordially invited to attend and are asked to be in their places by not later than 2.45 P.M.

The following enrolments took place during the week: Privates Benfield Inglis, Ian Campbell, Junior Robinson and D. Lyle, all of whom have completed their "landyard tests and been awarded same."

The Company was pleased to hear from Trooper P. Lamb, one of their former Sergeants, now on Active Service, who sends his greetings to his former associates. He is looking forward to going abroad shortly and to looking in on the B.B. in the Homeland.

The Brigade has mobile canteens throughout Great Britain and welcome those who have served in the organizations, in all parts of the Empire. When on leave, there are always invitations from B.B. Battalions to our boys to spend their vacation in the homes of the officers.

CHRISTIAN SCIENCE SERVICES

"Doctrine Of Atonement" is the subject of the Lesson-Sermon to be read in Church of Christ, Scientist throughout the world on Sunday April 20th.

The Golden Text is from II Corinthians 5:18. "All things are of God, who hath reconciled us to Himself by Jesus Christ, and hath given to us the ministry of reconciliation."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Blessed are the pure in heart: for they shall see God." (Matthew 5:8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Though demonstrating his control over sin and disease, the great Teacher by no means relieved others from giving the requisite proofs of their own piety. He worked for their guidance, that they might demonstrate this power as he did and understand its divine Principle. Implicit faith in the Teacher and all the emotional love we can bestow on him, will never alone make us imitators of him. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us." (Page 25).

The colleges, while they provide us with libraries, furnish no professors of books; and I think no chair is so much needed.—Emerson.

Board Of Revision Hears Assessment Report Changes

In the midst of the continued hearings of the complaint of the Dominion Textile Co. against the assessment of its various properties in Montreal, Mr. John Hackett K.C. attorney for the company, rose to say that the company had just received an official notice from the Chief Assessor, Mr. Hulse, that the land valuation of the Hochelaga plant had been reduced to \$1.00 per sq. ft. for the year commencing May 1, 1942. This land was assessed at \$1.50 per sq. ft. a figure which was strenuously objected to by Mr. Hackett in the early days of the hearing, which commenced March 31st.

The Board could offer no explanation as to why the notice was sent and the company has now filed a protest against the \$1.00 per sq. ft. valuation for 1942.

Evidence concerned the building value of the Hochelaga and Mount Royal plants and shows the City's witnesses to be far apart in their estimates. The Hochelaga buildings have been valued by the engineers and architects of the Technical Staff at approximately 11 cents a cubic foot, as replacement cost, the Assessors' values ranging from 14 to 20 cents, or an extreme difference of 80%.

These figures represent net cost before any allowance for depreciation. Efforts by Mr. Hackett to ascertain from some of the witnesses, the reason for this big difference met with no success.

Five Assessors, Messrs. Dakin, Lynch, Lascelles, Vernot and St. Denis all based their calculations and valuations of the buildings on their experience and training, either as contractors and builders, engineers, architects, and assessors and not on the theories, tables, charts or classifications of

buildings as shown in The Montreal Real Estate Assessment Manual, as published by the City.

The Technical staff has based their values on index figures of material, labour costs, etc. and the classification of buildings and tables given in the manual.

What action the City Administration or the Quebec Municipal Commission may take to remedy this complex situation is a matter of surmise. The case will probably continue for some days yet.

Calvary Women's Group To Hold Rummage Sale

A rummage sale, under auspices of the Women's Association of Calvary United Church, Dorchester and Greene avenues, will be held Saturday afternoon in the Church Hall, it was announced.

Donations of clothing or other articles may be left at the Hall until starting time for the sale two o'clock Saturday.

Girl Injured As Car Strikes Pole

Louise Farrell, 19, 2015 Grey avenue, suffered cuts about the head when the car in which she was a passenger struck a telephone pole on the Upper Lachine Road recently. According to Mrs. M. Mains, 365 Metcalfe avenue, Westmount, driver of the vehicle, the car was travelling at a moderate speed when she lost control and the machine careened into the pole.

Passersby saw the accident and immediately notified the Homoeopathic Hospital who dispatched an ambulance to the scene. Miss Farrell was given first aid treatment on the scene and later taken to the hospital.

It was reported that considerable damage was done to the car and that the pole was totally demolished.

No race can prosper until it learns that there is as much dignity in tilling the field as in writing a poem.—Booker T. Washington.

MUSICIANS TO PRESENT NEXT CONCERT SOON

Victoria Hall Again to be Scene of Musical Entertainment — "Poet and Peasant" Overture to be Presented

A group of young Montreal musicians presented a concert in the form of a "jam session" at Victoria Hall recently which consisted of two hours of popular music with the individual feelings of the musicians interwoven with the original theme.

With admission by invitation, the audience numbered at least two hundred and fifty young men and women as well as a few rather amazed parents.

Even the more reserved gave way to the pulsating rhythm of the music. There was no dancing and the audience spontaneously applauded in time with music without breaking into the movement that followed.

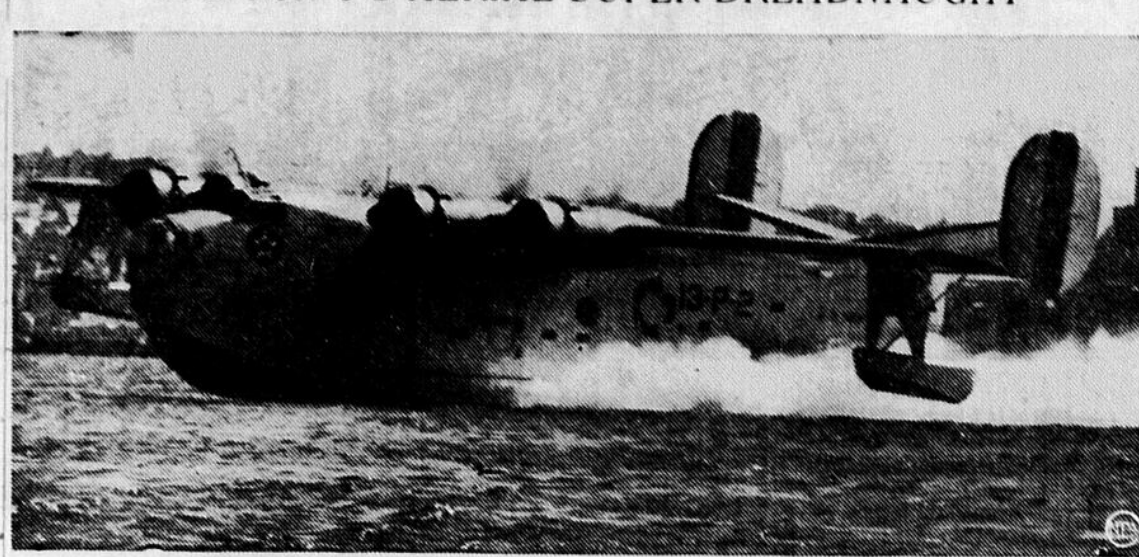

It would seem reasonable that ventures such as this should be welcomed, not only by those who desire new interest in music generally, but also by the parents who wish to see his or her children seeking recreation in good surroundings.

So successful was the recent concert that the organisers have decided to repeat the performance on Saturday evening, again in Victoria Hall. This concert will include the "Poet and Peasant Overture." Whether or not the arrangement of this selection conforms to the conventional music lover's idea of good music, it should at least prove to be a musical adventure for Montrealers.

To cover expenses there will be a small admission charge and in addition there will be an hour or more of dancing following the concert. Tickets may be obtained from the "Record Shop."

U. S. NAVY'S AERIAL SUPER-DREADNAUGHT

Like some terrifying winged monster of the sea, the Navy's newest, hugest bomber—the Consolidated PB2Y—alights on San Diego Bay after a successful test flight. The giant ship has a wing span of 115 feet and is 79 feet long. It carries a crew of nine, has a large bomb capacity and a cruising range of approximately 5000 miles.

"What," we asked Colin Graynor, of C.C.A., "happens when you meet girls every day on the airlines? Does Cupid get busy? And are girls still expressing a yen to be stewardesses?"

"Cupid isn't as busy as you might imagine," he said in answer to the first question, "and, yes, it's surprising how many girls are air-minded," in reply to the second. "The offices of the big airlines are continually receiving a steady stream of applications from young ladies who wish to take to the air. Only two of the major airlines on this continent employ male stewards — Pan American with their Atlantic, Pacific and South American hops, and Eastern Airlines, who have always shown preference for the 'all male' crew. The other airlines, United, American, Canadian Colonial, TCA, TWA, Delta, North Western and others show a definite predilection in favour of the young ladies."

"Requirements on most lines are that the girls either be registered nurses or have had training as nurses. The reason for this is not that they have to do any nursing or to know anything about nursing, but the airlines feel that a girl who has gone through a nursing course successfully has a fine foundation for the responsibility and discipline of an air stewardess."

Canadian Colonial Airways, however, diverge from this practice, and their stewardesses are selected on the basis of their capability, personality, and ability to carry out the careful instructions as to procedure. Each girl is selected after consideration of her education, her background, her hobbies and interests. In addition, Canadian Colonial Airways stewardesses (all Canadian girls) are noted for their combination of both beauty and brains.

TCA select their young ladies from the holders of nurses certificates. They, also, are noted for the charm of their manner and their efficiency in carrying out their instructions.

And by the way, TCA a couple of months ago did run one trip with an all-male crew—but they couldn't help themselves! icy roads following a storm held up the car carrying the stewardess to Malton Airport. The plane's time schedule had to be adhered to, so the airport passenger agent gallantly stepped into the breach and served the meals and looked after the travellers in the air.

"But what about the romantic angle?" we again asked Mr. Graynor.

"Sorry," he said, "but one of the big airlines conducted a survey and found that out of over 100 girls married, not one had married a passenger. Nor was the percentage of marriages high between stewardesses and other airline employees such as pilots, mechanics, etc. The survey showed that when the little girl dropped her wings she went back to the favourite boy friend right in her own neighbourhood or to some one she had met socially."

A stewardess's work is well paid, is very interesting, sometimes runs to long hours, and carries important responsibility. A would-be stewardess must measure up to strict physical requirements. Five feet four inches seems to be the preferred height, and 110 lbs. is close to the ideal weight. Being bi-lingual is essential on Trans-Canada and Colonial. On the American routes, of course, it is not necessary. So there you have the low down on a high-flying job.

"Peanut Specials" Popular

The Brewster Buffalo and the Grumman Martlet, which are ship-board fighters in the United States, are being operated from land bases in Britain. "These fat little devils," says "Flight" are affectionately termed "Peanut Specials" in the Service, and they are universally admired for their fighting qualities. Also popular are the Mohawks (Curtiss

P36A's) and the Tomahawks (Curtiss P40's), which are going over from the States in convoy and being erected in multiple rows in enormous hangars. "The fuselages of these fighters," says "Flight," "arrive in easily knocked down crates, each one containing a complete body with engine already installed. The wings, which arrive in separate cases, are in two sections, which bolt together down the centre line. The complete span is then offered up under the fuselage and the top surface of the centre section becomes floor of the pilot's cockpit. Nearly all the machines arrive with self-sealing tanks already in place."

Rushing Things

New connecting services between Canadian Colonial Airways and United Airlines will further expedite the great amount of business connected with the war that is being transacted between us and our Good Neighbour, pilots, technicians and so forth are constantly on the go between the two countries, and according to L. A. Collins, United's representative in Montreal, passengers, mail and express leaving here on Canadian Colonial's 8 p.m. plane can connect at New York with United's "Overland Flyer" with arrival in such cities as Chicago shortly after midnight, Omaha at the breakfast hour, Denver in mid-morning and Pacific Coast cities in the afternoon. This new service will make for speedy cargo handling too, as Canadian Colonial's trip also connects with United's all-cargo plane service leaving New York at 11.30 p.m. with mail and express for points throughout the country.

HITLER STRATEGY

Let us hope that last week-end was the last of what the world derides as the English week-end. Hitler began to build his Greater Reich on this habit of ours, and he continues to make capital out of it. He went into the Rhineland on a Saturday and Sunday, and into Austria on a Friday night and Saturday. The attitude of Britain was his chief concern in both invasions. He knew when we were out of town in peace and he calculates that he knows in war. Week-ends are his favorite times for firing our cities. We cannot afford our week-end habits, and still less our week-end absence of mind.—(Daily Express, London.)

McCONNELL NURSERY CO PORT BURWELL ONTARIO

Scouts And Cubs To Present Play

The St. Leo's Boy Scout Group's production of "Spring Fever '41" has been profoundly influenced by the "Helzapoppin" school of entertainment. The entire show is subordinated to humour... the most unexpected things keep right on happening throughout the whole performance.

The producers have taken their idea from the Hurst-Castelloux fight burlesqued the managerial haggling and finally the fight itself. This act, the longest of all, is said to be the funniest. A ring is to be erected on the stage and the two "pugs" will actually "go to it." The weight of the fighters is not exactly equal, one being 180 lbs. and the other 85 lbs. The humorous content of the ensuing situation may well be imagined.

Another skit, performed in the dark, takes on hilarious proportions as the actions may only be heard and not seen. This particular scene is under the able direction of Charlie Phelan.

The entire talented cast is taken from the Troop and Pack. Even the public address system has been made by the Cubmaster, John O'Reilly.

The production, "Spring Fever '41," will be presented on Monday evening, April 22nd, in the St. Leo's School Hall.

CERTAINLY DOES

No cheering crowds, no bands met the Belgrade boys when they got back from their huddle with Hitler. They drove by circuitous routes to their homes and now peer anxiously out from behind closely drawn curtains. It's what is known as the "new odor."

It would save time for passengers if each person boarding a tram paid his or her own fare.

If the passenger who is paying for others would precede his party and clearly indicate those for whom he is paying, it would not be necessary for the conductor to delay other passengers.

Such co-operation will speed service and benefit all travellers.

P. S. C. POWLES TO PREACH AT TRINITY CHURCH

Well Known Missionary Leaves Japan After Break in Churches—Has Been in Japan since 1916

Only just returned from serving as a missionary in the Diocese of Mid-Japan, Rev. P. S. C. Powles, will preach at Trinity Memorial Church on Sunday.

The congregation will remember Mr. Powles' talk last September before he left to return to the Mid-Japanese Diocese where he has been since 1916.

The diocese comprises four provinces west of Tokyo and Yokohama, with an almost entirely farming population of about 7,000,000 people. When he first went into the field, the Missionary Society of the Church of England in Canada were meeting 98 per cent of the expenses. Last year Canadian contributions were down to 70 per cent. Now the Japanese are carrying the whole burden.

Discussing the first evidence of a break in the Churches in Japan on the advice of the Nazis, Mr. Powles mentioned the fact that the Japanese House of Bishops promised the military authorities that the Holy Catholic Church would be free from foreign supervision and financial support. Bishop Sasaki asked all the Canadian clergy to resign.

Mr. Powles and two other Canadian clergy stayed in the district to clear up the business of the diocese and settle property questions. Under Japanese ruling they were only allowed to take \$500 each out of the country when they left.

There are about 250,000 Christians in Japan, not counting the Roman Catholics. Mr. Powles estimated, and of these about 30,000 are Church of England. The discussions are being carried on between the military police and the clergy without much reference to the parishioners.

Army Service Corps Asks For Skilled Tradesmen

If you are a chauffeur, mechanic, fitter, motor cyclist, turner, welder, coppersmith, body trimmer, clerk or painter, then the Royal Canadian Army Service Corps has a place for you and an important role for you to play in this war, according to a statement made by Lt.-Col. G. A. Greig, M.S.M., E.D., commanding officer, Third Divisional Royal Canadian Army Service Corps.

Prospective recruits must be between the ages of 18 and 45 and in sound health. Recruits may apply at headquarters, 2334 St. Antoine Street, any time during the day or evening; or, at the recruiting depot, 4712 Wellington Street, Verdun, in the evenings.

The R.C.A.S.C. is a supply unit in the field. Due to the change in tempo of modern warfare, each vehicle has become a self-dependent unit capable of providing its own protection. Instead of the camel, the dog, or the horse, one sees today light trucks and lorries, streamlined in design and capable of considerable speed in carrying the supplies to the front line trenches.

DR. DOROTHY ROSS TO ADDRESS MEETING

Dr. Dorothy Ross will be the speaker at the annual meeting of the Westmount High School Alumnae Association, to be held on Saturday, April 26 at 3 p.m. in the Westmount Intermediate School.

Dr. Ross graduated from Westmount High School in 1927, heading the girls of her year. When at McGill, she won the Moyse travelling scholarship, and studied in England. She will take as her subject, "Some Simple Sinners Four Centuries Ago."

The Alumnae Association was started four years ago under the presidency of Miss Margaret MacNaughton. Miss MacNaughton held office for two years, and was followed by Mrs. Harry Rowlands. This year, a new committee will be elected. The membership fees go towards a scholarship and bursary.

The meeting will be followed by tea, and all past students are invited to attend.

Mrs. Herbert Liersch, of Toronto, with her two guest children from England, Greta and Evelyn Smith, are spending the week with Mrs. E. Liersch.

Mr. and Mrs. J. M. R. Fairbairn have returned from Ottawa where they were the guests of their son-in-law and daughter, Mr. and Mrs. M. B. Hamilton.

Mrs. L. A. Neate and her son George, of Toronto, arrived last week-end and are visiting Mrs. Neate's parents, Mr. and Mrs. George A. Attridge. They will be joined by Mr. Neate at the end of the month, and will return to Toronto shortly after.

Among those who have entertained in honor of Miss Dorothy Estelle Callan, whose marriage to James A. Williamson will take place on Saturday, are Miss S. Humphreys, who gave a kitchen shower, Miss E. Williamson, who entertained at a personal shower, Mrs. J. Williamson, who gave a miscellaneous shower, Mrs. Harry Flowers, who was hostess at a crystal shower and Mrs. E. Williamson, who gave a linen shower.

ENGAGEMENTS

Major and Mrs. R. L. Tindall announce the engagement of their daughter, Cynthia, to Lieutenant Harold L. Carstairs, the Black Watch (R.H.R.) of Canada, A.C.A., son of Mr. and Mrs. D. L. Carstairs.

The engagement is announced of Audrey Isabella, eldest daughter of Mr. and Mrs. Albert Patterson, Beaconsfield avenue, to Douglas Heath Gray, son of Professor and Mrs. P. H. Gray, Macdonald College.

Mr. and Mrs. William T. Anglin announce the engagement of their daughter, Erma Lillian, to Donald Austin Hodges, son of the late Mr. and Mrs. William G. Hodges. The marriage will take place quietly in May.

WEDDINGS

ATKINSON-CAMERON

The marriage of Marguerite May, daughter of Mr. and Mrs. T. L. Cameron, to Geoffrey Atkinson, son of Mr. and Mrs. Frank Atkinson, took place on Saturday morning in Melville Presbyterian Church, the Reverend William Orr-Mulligan officiating.

The bride, who was given away by her father, wore a gown of romance blue crepe, a coronet of matching blue flowers, with a shoulder-length veil and a corsage bouquet of pink roses.

The bridesmaid, Miss Muriel Young wore a frock of dusty pink crepe, a matching pill box hat trimmed with blue flowers, and a corsage of sweet peas.

James Atkinson acted as best man for his brother, and the ushers were Ronald Henderson and Don Cameron, the bride's brother.

Following the ceremony, a reception was held in Victoria Hall, and later Mr. and Mrs. Atkinson left for Ottawa, the bride travelling in a navy blue crepe frock under a grey wool coat, a black straw hat with white trimming, white accessories and a corsage of roses.

Upon their return they will reside in Toronto.

A STRIKING EVENING GOWN

The luncheon will take place on Wednesday, April 23, at 12.30 p.m. in the assembly hall of the Synagogue, Kensington avenue, Westmount. Mrs. Edward Solomon, president, will be chairman and will present her annual report.

The out-of-town guests included Miss Eileen MacLean, of Ottawa, and A. P. Cameron, of Riverfield, Que.

Picard - Gutheridge

The marriage of Elizabeth Hope (Betty), only daughter of Mr. and Mrs. D. S. Gutheridge, to Robert Ian Cameron Picard, of Toronto, eldest son of the late R. F. L. Picard and of Mrs. Picard, of Westmount, took place quietly on Monday afternoon in the Church of the Messiah, the Reverend Angus deMille Cameron officiating.

The bride, given away by her father, wore a gown of white jersey silk, fashioned on Grecian lines, a turban of the same material with a finger-tip length veil of tulle illusion, and carried a bouquet of pink roses.

Miss Mary Turnbull was her cousin's only attendant, and wore a frock of turquoise blue sheer with a hat to match. She carried a bouquet of sweet peas.

Leonard Picard acted as best man for his brother. The ushers were Horace Picard, also a brother of the bridegroom, and Dr. Errol Cliff.

Following the ceremony, a reception was held at the residence of the bride's aunt, Mrs. T. G. Turnbull, on Madison ave., where spring flowers were used to decorate.

Later, Mr. and Mrs. Picard left on their wedding trip, the bride travelling in a red and white printed frock with a small Dutch cap of the same material, a navy blue coat and matching accessories.

Two Meetings

A board meeting of the Westmount Women's Club will be held in Victoria Hall on Tuesday, April 22 at 10 a.m.

The annual meeting of the Westmount Women's Club will be held in Victoria Hall on Friday, April 25, at 2.30 p.m.

"Spirit Of Montreal" Fund Joins "Wings For Britain"

Mrs. W. M. Parkinson, chairman of the "Spirit of Montreal Spitfire Fund," was requested by Dr. E. W. Stapleford, Director of National War Services, to turn over the collections of her organization to the major fund committee and to cooperate with them from now on. The reason for this move was given as the desire to consolidate all individual "Spitfire Funds" directly under the one major "Wings For Britain" Fund.

An announcement was made to this effect by Mrs. Parkinson on Tuesday who stated that the "Spirit of Montreal Spitfire Fund" has been officially closed and its certificates of registration cancelled.

Collections of the Fund amount to \$4,320.63 all of which has been raised since the commencement of the campaign a short time ago.

In a letter to Mrs. Parkinson, Dr. Stapleford said he was "glad to know that you have been able to raise the amount you mention... As you have now come to the end of your financial year, I think it might be a good time to ask you to operate under a permit from the 'Wings For Britain' Fund rather than have your own registration."

Transfer of the funds to the general fund makes the money contributed to the "Spirit of Montreal Spitfire Fund" immediately available for the aid of Britain, Mrs. Parkinson indicated.

KARNAK LADIES CLUB GIVES ANNUAL REPORT

The Karnak Ladies Social Club held its annual meeting at the Mount Royal Hotel on Tuesday. Reports show active participation in aid of the Montreal Unit of the Shriners' Hospital for Crippled Children. Much time was given by the members of the club in sewing and knitting new garments for the children, as well as repairing other hospital garments and in raising funds for various hospital needs and the purchase of new equipment.

The little patients were entertained on many occasions by being taken for motor rides.

The sewing committee, with Mrs. Alex Peden as convener, reported that 485 new garments and other articles had been made. Mrs. F. R. Driver, knitting convener, reported that 127 new garments were made by members and friends.

Mrs. A. L. Pomeroy, mending convener, kept the mending up to date for the children. These mended articles amounted to 1675, and 151 pieces of new linen such as sheets, towels and pillow cases were made up.

Mrs. K. W. Matheson, convener for the Needle Work Guild of Canada, reported that 187 pieces had been donated to the hospital.

The sum of \$200 was raised and donated for the All Masons Fund. An increase of 11 members was reported by the membership convener, and regrets were recorded for the loss by death of one member of the club, the late Mrs. P. Murphy.

The sum of \$203.90 was raised by means of dime cards filled by members throughout the year.

Officers elected for the ensuing year are as follows: Honorary president, Mrs. J. H. Spence; president, Mrs. F. B. Nixon; vice-president, Mrs. E. W. Francis; secretary, Mrs. W. G. Critchley; treasurer, Mrs. C. A. Pickett; convener for committees: sewing, Mrs. A. J. McGill; knitting, Mrs. H. C. Call; mending at the hospital, Mrs. Alex Leslie; press and flowers, Mrs. A. L. Pomeroy; social, Mrs. W. J. Stephenson; music, Mrs. Colin S. Forrest.

Proceeding the annual meeting, a luncheon was held, attended by seventy-five members of the club. Mrs. J. H. Spence, the retiring president, was presented with an attractive piece of jewelry, in recognition of her services. The presentation was made by Mrs. T. S. Currie.

Vocal numbers were rendered by Mrs. Florence Mackie, accompanied by Mrs. Colin Forrest.

'One-Arm Lunch' Goes Feminine

A refined, feminine version of the speedy one-arm lunch is the latest help to the busy shopper. Service in four minutes flat is pledged by a downtown department store in Chicago which has launched this high-speed—but very quiet—lunching place.

Soft gray walls and rose-upholstered seats provide a restful setting for the mid-day snack. Tables are just simple trays, attached to metal frame chairs at comfortable angles.

WONDER WHY?
Senator William Duff of Lunenburg, Nova Scotia, urges Canada to build wooden corvettes, wooden mine sweepers, wooden patrol boats, small wooden cargo carriers, which could be completed in half the time and at half the cost of steel ships. "If practical men took charge," declares the Senator, "they could have 50 shipyards open between River John and the Parrsboro shore within a month. They'd be ready to lay the keels in 50 yards with in 30 days." Practical men, did the Admiral of Parliament Hill say? Ottawa hasn't been so keen on signing up that sort.

CHOIR EXCELS IN HANDEL'S MESSIAH

by Frances Goltman
Handel's Messiah was given an excellent performance last Friday evening in Stanley Presbyterian Church under the able direction of Walter Clapperton with an augmented choir of capable singers. No section of this body was overpowered by uneven strength for the sopranos, tenors, contraltos, and basses were equally balanced throughout and gave a splendid account of this Good Friday music. Mr. Clapperton, who has given this work before got everything he could out of his singers, who numbered nearly one hundred, and the instrumental parts were in complete accord. This consisted of a small but good string orchestra which had the assistance of Miss Doris Killam at the piano and George M. Brewer at the organ.

The soloists, Harold Gillingham, tenor, was in his usual good form, and Mrs. Barbara Patterson sang the beautiful soprano parts with clear bell-like tone; Miss Marion McGregor's diction was especially good and the deep timbre of Mr. A. McMillan's fine voice was most effective in the bass part. The whole performance ran smoothly and was a tribute to Handel's music.

Hollywood
Gossips**"Virginia" Now
Showing at York**

Once in a long while a picture comes along so completely satisfying that one feels like getting up and cheering. Such a picture is now playing at the York United Theatre until Friday night. We're referring to Paramount's "Virginia," done in Technicolor, and it is not to be facetious that this reviewer calls it one of the brightest feathers in the cap of the current motion picture season.

Presenting Madeleine Carroll and Fred MacMurray as a starring team for the third time, Paramount has brought them to us in an original story of modern Virginia. It tells of a woman who chooses a life of reality on her plantation, with its genuineness and homespun realities and unselfish consideration for other people's needs, rather than the life of meaningless gaiety she would lead married to a rich, handsome Northerner. The film is alive with powerful drama, and yet, in proper places, it is touched with bright comedy.

Miss Carroll as Charlotte Dunterry, the Virginia-born girl who has lived most of her life in the North returning home unaware of the obligations to her Southern heritage, and MacMurray as Stonewall Elliott, who awakens in her the slumbering love for the South, are both splendid in their roles. As Norman Williams the rich, gay Northerner, Stirling Hayden, tall and handsome screen newcomer, who forms the third point in the romantic triangle, turns in an extremely impressive performance.

Unusually fine performances are also given by the rest of the brilliant cast, Helen Broderick, adorable Carolyn Lee, Marie Wilson, Tom Rutherford, Paul Hurst and Louise Beavers.

The story concerns the last member of a proud, old Virginia family, Charlotte Dunterry, played by Miss Carroll, who returns to her home from up North, where she has spent most of her life, to sell the home and plantation. She has no thought of the great traditions they represent. Northerners have been buying up "places" in

the South. Stonewall Elliott (Fred MacMurray) who lives with his small daughter on the plantation owned by his family for generations, next to Charlotte's place, is opposed to her selling to the Yankees, and offers to help her work the plantation. They fall in love with each other, but complications follow when "Stoney's" estranged wife writes she is returning home from the Riviera. Norman Williams (Sterling Hayden), one of the wealthy, playboy Northerners, almost gets Charlotte on the rebound. But when "Stoney's" wife returns home—in a casket—troubles melt away for "Stoney" and Charlotte, who awakens to her responsibilities to the faithful old former slaves still occupying her place and all the deep feeling for the South returns to her.

Edward H. Griffith produced and directed and Virginia Van Upp wrote the screen play.

**"This Thing Called
Love" at Westm't**

"This Thing Called Love" is something wonderful!

One of the merriest, maddest, outrageously howling comedies of the season, the film which opened yesterday at the Westmount United Theatre playing until Saturday night, is in splendid keeping with so delightful a galaxy of Columbia hits as "The Awful Truth," "It Happened One Night," "The Doctor Takes a Wife," etc.

Starring Rosalind Russell and Melvyn Douglas as newlyweds with ideas — she wants their marriage to be a platonic one until they get used to each other; he simply has ideas! — "This Thing Called Love" joyfully moves from one laugh situation to another, accompanied by a wealth of delightful dialogue and an abundance of comedy characterizations. The film was directed. It should be noted, by Alexander Hall, the man whose deft, sure treatment made "He Stayed for Breakfast," and "The Doctor Takes a Wife" the screen sensations of last year. Under his expert guidance, Douglas and Miss Russell comport themselves with a suave surety, so that their performances top anything they have ever before given the screen.

In the cast, in addition to the stars, are such splendid players as Binnie Barnes, Allyn Joslyn, Lee J. Cobb, Gloria Dickson, Gloria Holden and Paul McGrath. The film is based upon Edwin Burke's stage success, as produced by Patterson McNutt. George Seaton, Ken Englund and P. J. Wolfson penned the screen adaptation. "This Thing Called Love" hecatically describes the domestic

**HILDA GALT'S
REVUE IS GREAT
SUCCESS AGAIN**

Stars and Starlets of Montreal Dancing Realm Perform — Difficult Numbers and Routines Excellently Performed

In Miss Hilda Galt's fifth annual dance revue, the entire proceeds of which went to the Lion's Boy's Club, appeared many stars and starlets of the dancing stage in Montreal. The program was a fast moving revue in all aspects of the word and scenes and costumes were reminders of many varied phases of life from the opening of "An 18th Century Drawing Room" to the finale, "Hands Across the Sea," in which appeared portrayals of Canada, United States, and Great Britain with Britannia and John Bull.

Among the exceptionally clever numbers interspersed throughout the show were Peggy Jane Rabad, who opened the Revue and appeared later in tap and toe dance, Helen Rae Miller in rhythmic tap; a lovely toe dance by Joy Schwartz; tiny Maureen Gallagher again delighted the audience with her rendition of "Rhythm Baby"; Marilyn Cumming was an outstanding success in "Hula Rhythm", and later appeared in an unusual novelty number, "Waltz in Springtime"; Dorothy Reed proved her versatility in tap, toe and beautiful acrobatic numbers.

Young Terry Goodwin in smart song and tap routine won the applause of all. Moira Cumming appeared in a most difficult toe number, and an unusual acrobatic number called "Radium Dance"; Margaret Ruth Shacter was truly a "Dancing Darling" as she emerged from a huge cellophane box to perform a dainty toe dance; Gloria Fine presented her wonderful tap numbers; Julie Anne Holden then appeared in musical comedy song and tap routine. Among others were Shirley Elkin in ballet-tap, "Rhythm Rhythm"; Gloria Way in "Miss Personality"; tiny Bernice Brown performed a difficult acrobatic control dance and Bayle Shulman rendered "Speedy Feet." Joan Streen showed rhythmic par excellence in "Tempo Tap" while Taifa Hoffman appeared in the vividly dressed jazz number "La Conga."

The accompanists were Miss Alice Dickinson, Mr. Harold Norris, Mrs. G. Moffat and Miss Hilda Galt.

life of a mining engineer who hurried home, after five years in the South American jungles, to marry the woman he loves. And the girl, just as much in love, is anxious that their marriage continue forever; she therefore proposes that they try living together in the same house, for three months after the wedding, before they attempt to share the same room. The idea isn't a very happy one, but the bridegroom-to-be accepts the conditions and then embarks upon an ingenious campaign to smash them.

His efforts are complicated by the fact that he is engaged in "selling" a million-dollar proposition to a South American millionaire, whose ideas of honesty and integrity are encompassed in the question: "How many babies have you?" Mel hasn't any, but he claims one is on its way. And Rosalind, who knows better, also pretends.

The laugh-packed story, the brilliant cast, the ingenious finale, all contrive to make "This Thing Called Love" is director's finest picture, and the crowning comedy achievement of its stars. We heartily recommend "This Thing Called Love."

A chemical preparation which will save South African troops from infection by malaria-carrying mosquitoes has been produced by Dr. Botha de Meillon, entomologist of the South African Institute for Medical Research.

Be as careful of the books you read, as of the company you keep; for your habits and character will be as much influenced by the former as by the latter.—Paxton Hood.

BRITISH COMEDY HIT AT SNOWDON

George Formby, England's leading comedian, as he appears in a scene from his latest hit, Let George Do It, which is now playing at the Snowdon United Theatre.

**"Let George Do It"
Now at Snowdon**

In the midst of depressing war clouds and gloom the English movie makers have come through with one of the finest comedies, "Let George Do It," with their ace of comedians, George Formby, in the role of a music hall performer who gets mixed up with the British Intelligence Service and is sent off to neutral Norway as a ukelele player in a band of musicians suspected of being German agents.

In this picture, which is one of the most rollicking to hit the screen in some time, blitzkrieg or no blitzkrieg, we have such grand songs as "Count Your Blessings and Smile," "Oh! Don't Let the Wind Blow Cold," which in the film is used to send code messages to U-Boats. Both of these have become widely popular where "Let George Do It" has been shown, and for sheer comedy and toe tapping swing time, "Mr. Wu is a Window Cleaner Now" is probably the best number.

Aside from its music, "Let George Do It" is ninety minutes of the fast, dizzy adventures of a toothy likeable fellow who falls into the hands of spies. And from here on, the fun and action is fast-and-furious, right to the time when George punches Hitler in the nose.

Suspenseful drama, intriguing romance and superb acting are skillfully blended in "The Ware Case," starring Clive Brook, Jane Baxter and Barry K. Barnes, which is presented as the second feature on this excellent double

and Eve Arden. The production was directed by King Vidor, the noted director of "Northwest Passage," and was produced by Gottfried Reinhardt, son of the famous Max Reinhardt.

Ginger Rogers, Dennis Morgan and player are seen in this shot from the picturization of Morley's popular novel, "Kitty Foyle," in which Ginger is starred as Kitty and Morgan plays her sociable boyfriend, the film opens at the York United Theatre on Saturday, playing until Tuesday night.

**Navy League To Present
Royal Bank Players**

The Royal Bank Players, under the able direction of Mr. George Simpson, who also takes the leading male role, will present an outstanding comedy production entitled "The First Mrs. Fraser," at Victoria Hall next week. Total proceeds of the play will be contributed to the Quebec Division of the Navy League of Canada.

In the play "Mrs. Fraser" will not be bullied into again accepting the man who had divorced her and she maintains her independence but surprises the rest of the cast at the end of the production. Dorothy Innes gives an excellent portrayal of Mrs. Fraser and Helen Barnard is outstanding as the second wife while the other members of the cast are excellent in their separate roles. Those who attend this performance will not only be contributing to a

worthy cause but will enjoy an evening of fine entertainment. The player's orchestra, under the baton of G. R. Markowski will render selections between acts.

The work of the league incorporates the distribution of articles of clothing, magazines, etc., to merchant seamen and naval ratings at ocean ports in Canada. Apart from this a new building was erected in Vancouver and a new one is hoped for in Halifax.

**"Comrade X" Is
Monkland Show**

In "Boom Town," Hedy Lamarr romanced with Clark Gable, but lost him, which prompted thousands of fans to request Metro-Goldwyn-Mayer to put them together as hero and heroine in another picture. The result is "Comrade X," an hilarious, adventure-some comedy, which is now playing at the Monkland United Theatre until Saturday night.

New Field for Hedy

This is Gable's first real rollicking comedy since "It Happened One Night," and again presents him as a newspaperman, this time a foreign correspondent in Russia. It also opens a new field for Miss Lamarr, who goes comedienne, with no puns pulled, as a Moscow lady street car "motorman."

The film opens with Gable wearing a beard and uncovering scoops about Russian revolts and famines. It is climaxed by a dizzy, funny-tickling escape in a Soviet Army tank, after the Ogpu has discovered that he is the guilty reporter.

Miss Lamarr not only joins Gable in his dareddevil escapades, but often tops him. She has a rough-and-tumble fight with him and with another girl, operates a street car and drives a tank.

Featured in the supporting cast are Oscar Homolka, Felix Bressart, one of the three comedy Russian commissars in "Ninotchka."

WAR SAVINGS COMMITTEES TO RENEW EFFORTS

Over \$10,000,000 Received by Bank of Canada for March — Hon. J. L. Ilsley Expects Increase This Month

Officials are expressing pleasure over the results of the War Savings movement. During the month of March the amount of cash actually received by the Bank of Canada for War Savings Certificates was \$10,053,796, an amount greater than the monthly objective set before the February drive was undertaken.

The interesting point in connection with this announcement is that this ten million dollars does not reflect the full result of the February drive. Hundreds of thousands of industrial employees who have signed war pledges had not had their cash remittances sent to Headquarters before the end of March. Their participation will be properly reflected in the April total. This month's total is now expected to be well over ten million dollars.

The Hon. J. L. Ilsley, Minister of Finance, in commenting upon the results said, "Although the volume for the month of March is gratifying, it must be remembered that our problem of war finance is a very heavy one and I am confident that the Canadian people will respond with ever increasing purchases of War Savings Certificates. The War Services Campaign ended on April 7, at which time War Savings Committees made a renewed effort to increase the number of regular War Savers and also to increase the amount of subscriptions by individual War Savers who are already pledged for the duration."

MUSICAL SHARPS, FLATS AND NATURALS

by FRANCES GOLTMAN

APRIL BIOGRAPHY

Our choice this month in the celebrity series is a great pianist who has visited Montreal on several occasions. Known as one of the greatest Beethoven exponents alive today, ARTUR SCHNABEL was born April 17th, 1882 in Lipink, Austria, and his parents decided his career for him. They knew that their son was extraordinarily gifted musically and his education was therefore centered upon his becoming a virtuoso. The great LESCHETIZKY, teacher of PADEREWSKI, GABRILOWITSCH, BLOOMFIELD, ZEISLER and many others, taught young Schnabel for many years. Schnabel made his debut as a concert pianist at fourteen and wherever he played his fame and popularity grew. His performances of Beethoven's music have been acclaimed so often that he has become associated with the pianistic works of that composer whenever his name is mentioned.

Artur Schnabel has recorded the thirty-two Sonatas and in the New York concert season 1935-36 he played all of them in a series of recitals. We heard him play here at the Ladies' Morning Musical Club several years ago and this season one of his famous pupils, CHARLES NAEGELE, who is a favourite locally, played with the Montreal Symphony Orchestra in a Beethoven Concerto which he studied with Schnabel. Artur Schnabel belongs to that old school of classic masters who look to precise detail as the composer would like his music interpreted, not as some of the newer virtuosi would play, to show off their own pianistic attainments.

ESSENTIAL

Aviation has become an essential element of modern life, and the progress it has made in Canada is too real and lasting to be hampered. Whatever the cause of the crash near Armstrong, Ontario, those in whose hands the future of Canadian flying is entrusted will profit from it. — (Hamilton Spectator.)

HARDY GROWTH

Canadian radio, like Canada's part in the war, is kept strictly partisan, and so represents considerably less than half the people of this country. The situation is not, as some suggest, the thin edge of the Nazi doctrine, but the Nazi principle itself in full bloom. — (Porcupine Advance.)

Queen's Canadian Fund Is Progressing Rapidly

The Queen's Canadian Fund for Air Raid Victims, backed by nearly every daily newspaper in Canada and many of the weekly newspapers, is reported to be progressing rapidly.

Her Majesty has sent her best wishes for the success of the appeal and subscriptions are being received from all across the Dominion.

The Queen's Canadian Fund is collecting money which is transmitted to the Lord Mayor of London for distribution through his National Air Raid Distress

Fund throughout the United Kingdom. Australia has been the biggest contributor outside of the Mother Country to the extent of \$3,000,000. Canada's contribution has amounted to over \$750,000 by private subscriptions and through local funds established in different parts of the country. Many of these local groups are associated with the Queen's Canadian Fund without loss of identity.

The small administrative and publicity expenses of the Queen's Canadian Fund are covered by

FIRST COMPANY ROVER SCOUTS

At a recent meeting, Rover Squires Kirk and Brunt were invested as Rover Scouts of the Captain Robert F. Scott Rover Scout Crew. The Trailsmen badge was also presented to the afore-

mentioned Rovers and to Gordon McAuley of the same crew. During the same evening Service Stars were presented to Rover Scouts Brunt and Kirk and to Rover Squire Chatterton.

The Crew are participating in the St. George's Day Service at Scout headquarters on Sunday.

Last Monday night Gordon Scott was accepted as into the crew by unanimous declaration and was presented with his hat badge by the Rover Leader, Bert Gilhooly.

This Friday the Crew are holding a mixed party at the home of Tony Chatterton.

The crew meets at 27 Renfrew avenue each Monday evening and is still capable of handling a few more recruits between the ages of 16 and . . . well the sky's the limit.

Hospital Drive Objective \$111,000

The campaign will open April 20 and continue until May 8th. The objective is \$111,000 with which to build and equip a Hospital to be operated on a non-sectarian basis for the care of incurable patients. Construction has already commenced and it is expected that the building will be ready for occupancy towards the end of this year.

The personnel of the campaign with Mr. Peter Bercoff, K. C. M.P., as chairman includes M. M. Sperber, H. Wolofsky, George Rabinovitch, A. Raginsky Sr., C. B. Fainer, Maurice Hat, M.L.A., Moe Feldman, Councillor Max

"MITCH" AGAIN

The Citizens of Quebec Must Not be deprived of their Liberties*

*Liberty—Exemption or freedom from arbitrary, despotic, or autocratic rule or control.—Oxford Dictionary.

At this moment so-called reformers are attempting to foist upon the Citizens of the Province of Quebec measures in connection with Quebec's Liquor Laws which, if enacted, would deprive them of those liberties which are their traditional birthright.

Therefore we, the Brewers of the Province of Quebec, desire to go on record herewith and it is our belief

That, proposed drastic changes in our liquor laws will render them unenforceable, and will result in the spread of lawlessness throughout the Province.

That, experience has taught that when the privileges of the public are suppressed beyond the point, which the majority of good law-abiding citizens regard as necessary, there is created a train of evils.

The evils may be enumerated as follows:—

- (1)—A widespread establishment of "Blind pigs" and "Speakeasies".
- (2)—Demoralization of youth; widespread traffic in narcotics and white slavery.
- (3)—A breaking down of law enforcement.
- (4)—Violence, gangsterism, illicit manufacture of poisonous liquors and —
- (5)—A combination of all these social disorders undermines the public morale and is accompanied by a steady increase in disregard for all laws which is the most alarming manifestation proceeding from too drastic restriction.

Do our legislators and the so-called reform groups know that:—

- (1)—People from the earliest periods, have always offered the most strenuous opposition to unreasonable regulations relating to food and drink.
- (2)—No law designed to exercise liquor control properly is practicable, if it does not enjoy the general support of the public.
- (3)—There is, however, general agreement that the traffic in beer and spirits should be subject to control of one kind or another.
- (4)—The controversy, then, revolves around the nature of the control to be exercised.
- (5)—Any law, which is construed by a large element of society as a tyrannical interference with personal liberty, cannot be successfully enforced.

From the foregoing then, it is plain that what is needed is:—

Good, simple, reasonable laws, understood and accepted by the public, coupled with strict law enforcement.

HARRIS' SWANS FIRST CLUB TO STAGE PRACTICE; OTHER TEAMS SOON FOLLOW SUIT

Several of Last Year's Players Make Appearance, While Good Crop of Newcomers Is on Hand — Royals And Grads Will Field Strong Teams Again — League Will Meet Monday Night

By Jimmy McCormick

Normie Harris' Swans were the first Municipal Senior Softball League team to hold a practice and eighteen aspiring and sweating candidates worked out at Westmount Park Saturday afternoon.

Quite a few of last season's players made their appearance at the initial practice, Bobby Law doing some catching with George Hanson one of last year's hurlers tossing them in. Hanson was opposed on the mound by Jackie Coleman who played first base for the Swans last year. Coleman is a southpaw.

Among other players from last year's squad working out were Owen Carlson, hard hitting short stop and Manager Normie Harris, covering third base.

The Royals expect a good share of last year's pennant winning team back. Bill Willock will be available for receiving duties, while Brone Taylor who won around a dozen games last season will be out again.

Donnie Maher, Emmett Cloran and Desse Browne are the nucleus of a good infield, while Bert Dalzell, Tommie Brennan and possibly Rollie Loftus should take care of the outfield. The Royals will be without their manager, Ozzie Dalzell, now in the Air Force.

Harvey Fee feels certain the Grads will operate again. Bill Cameron, Garry Fee, John O'Connell and John Hutchison will be out and with the addition of a few younger players the Grads could make any team step.

The Westmount Municipal Senior Softball League will hold a meeting in the Greenhouse on Monday evening at seven-thirty. All teams interested in entering should have a representative at this meeting.

Minor Hardball Teams Hold Daily Practices

With the prospects of a Bantam and Midget baseball league growing brighter, the game has taken on the aspects of a revival on a large scale.

Bantam teams are practising daily and the Midgets will fall into line as soon as definite word is received on the playing field question. In the event the City Intermediate loop fades into oblivion the Atwater Park diamond will probably be available for Tuesday and Thursday afternoons, as the Senior league officials are only too anxious to see the game come along with the youngsters and will do all they can to encourage them.

Bill Dryden has his Hurricanes all ready for a season of hardball, most of the lads who played hockey will line up with the blue and white team.

Another Bantam team ready for the "go" signal is Warren Chippindale's Aces. It is reported that Jimmie deLalanne may also put a team in the Bantam league.

Charlie Lovett also has a team operating in the St. Leo's league which will probably play in the Bantam loop. Donnie Bussiere has another club which would like to play and although most of his players are on the small size they would probably give some of the

Staynor Tigers May Join Loop

A fourth team, the Staynor Tigers, has signified its intention of seeking entrance to the Westmount Municipal Senior League. The Tigers are managed by Roy McKissock and Holly Kall. Class of the Staynor league for the past few seasons, tigers have added the pick of the other players in the league to their roster and should be a valuable addition to the Munioy League.

A NEW ORDER

We, on our part, would like to underline that nations are not sacrificing their blood and life today for the preservation of the old order. This cannot happen after the war is over. We know in advance that justice will prevail and that the people will cease to be mutual enemies. Exploitation of man by man must be stopped to make the world an oasis of happiness, brotherhood and justice.

Let us be certain in advance that England will win this war and that, if the existing order is changed in England, an identical new order will then be introduced not only in Poland but in all other European countries.

"Y" Courts Close

After enjoying more than 20 years' popularity, the Westmount Y.M.C.A. tennis courts at the corner of Western and Victoria avenues will not operate this season or ever again it was announced yesterday by Hugh Noble, athletic director of the Westmount branch.

"With seventeen lighted public courts available in the city," Noble said, "we find we are no longer able to operate with even moderate success and so are closing up for good and selling all our equipment."

Pee Wee League Meets Tomorrow

A meeting of the Pee Wee softball league for players 90 pounds and under will be held tomorrow morning at the Bandstand on Westmount Park at ten-thirty. At least three teams have signified their intentions of entering this group.

Teddie Tobias will place a team in the league as will Robert Burris, a third team will be Donnie

VETERANS

The term "ex-service men" will henceforth include those who have served with the active service forces of Canada during the present war as well as veterans of the war of 1914-1918. Emphasis is placed on this fact in an instruction from the Department of National Defence to those in charge of government works under the supervision of the Department suggesting that other things being equal unemployed ex-service men receive preference on these works.
