Associations

The Montreal Board of Trade is a voluntary association of businessmen founded in 1822 which provides a wide range of services and facilities for its membership. Membership is drawn from the commercial and industrial community of Montreal and surrounding area and includes manufacturers, wholesalers, retailers, professions, financial institutions, transportation and other service industries.

Services available to members include the following:

- *A reference library* which contains numerous publications such as trade directories, almanacs, statistics, telegraphic code books, encyclopaedias, and other material of interest and concern to businessmen.
- *An International Trade Section* which, through receiving foreign visitors and directing import/export trade inquiries to members, is actively involved in the promotion of increased trade with other countries.
- *An Employee Relations Section* which undertakes surveys of wages/salaries and working conditions in the Montreal area and prepares special releases on various personnel matters, all designed to provide businessmen with up-to-date information respecting trends and practices in this field.
- *An education programme* which includes the organization of courses and seminars for the local business community, as well as the developing of a close liaison with the various elements of the educational community with a view to having the "story" of business presented to those who are involved in the education of our youth.
- *An information service* which includes a monthly bulletin providing current information on such matters as taxation, election procedures, Municipal, Provincial and Federal legislation/regulations, trade opportunities, and related day-to-day business information, as well as special publications released on a periodic basis.
- *Club facilities* in Commerce House, 1080 Beaver Hall Hill, and the Board of Trade Building, 300 St. Sacrement Street for the use of members in connection with social and/or business functions where meeting facilities and meal and/or bar service is required.
- *Representations* to governmental authorities concerning proposed regulations or legislation where it appears that the effect of these developments would be unduly restrictive or burdensome to the business community.

The Board of Trade offices are located on the 6th Floor, Commerce House, 1080 Beaver Hall Hill, Montreal H2Z 1S9 (telephone 878-4651) and the permanent staff is headed by Mr. E. Lorne Tracey, the General Manager.

"La Chambre de commerce du district de Montréal a pour but de contribuer à l'essor économique et à la prospérité du milieu dans le respect des valeurs humaines et sociales de la communauté.

"La Chambre centre son activité sur le développement et l'éducation économiques des citoyens du milieu métropolitain, ceux de langue française en particulier. De plus, à cause de sa position au sein de la communauté, elle s'intéresse aussi à des questions économiques et sociales de plus grande envergure. Elle touche donc au développement des intérêts de toute la collectivité québécoise dont Montréal constitue le noyau essentiel. Par son action communautaire, la Chambre contribue au progrès de tous les Canadiens, qu'ils soient membres ou non de la Chambre."

Fondée en 1886, la Chambre de commerce du district de Montréal compte quelque cinquante employés et près de 4,000 membres dont 700 entreprises.

LA VOIX DES HOMMES DE L'ENTREPRISE

Par ses études, ses recherches, ses mémoires et ses prises de position publiques, la Chambre contribue à créer un climat favorable au développement de l'entreprise. Elle suit l'actualité, écoute les avis des hommes de l'entreprise et se fait leur porte-parole toutes les fois que l'intérêt commun le commande.

LES SERVICES AUX MEMBRES

Le service de renseignements

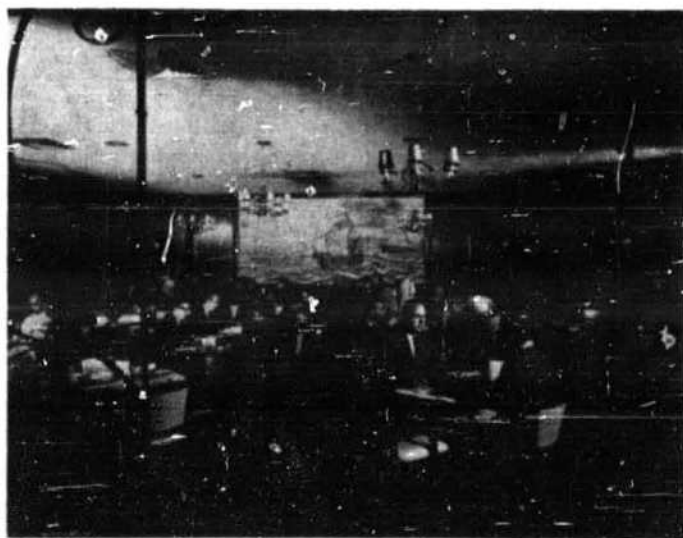

Ce service traite les demandes de renseignements qui parviennent à la Chambre (plus de 25,000 en 1972). Il est équipé pour donner une réponse personnelle à toutes les questions sur la région de Montréal. Maintenant lié au Service d'analyse de l'information technologique du Québec (S.A.I.T.), il répond à la plupart des questions techniques des entreprises, à propos des producteurs et des distributeurs, des matières premières et des produits manufacturés, de l'outillage disponible et de l'état des recherches industrielles. D'autre part, il est lié au réseau international des Chambres de commerce et peut aider les importateurs et les exportateurs, aussi bien que les voyageurs.

Le service d'animation

En comptant sur la compétence exceptionnelle de certains de ses membres, la Chambre organise des stages de perfectionnement qui permettent la mise en commun de l'expérience des membres dans la solution des problèmes pratiques de la vie des affaires. La Chambre offre aussi des sessions d'information sur des questions d'actualité économique et sociale.

Le service des manifestations

Les déjeuners-causerie hebdomadaires de la Chambre constituent la tribune publique de langue française la plus prestigieuse au Canada. D'autres manifestations, à l'occasion des fêtes ou d'événements sportifs, favorisent l'intégration des membres et multiplient les occasions de rencontres d'affaires.

La Salle Internationale: la sculpture et les nombreuses armoiries qui ornent ses murs dotent cette salle d'une atmosphère internationale.

Le Club

Les membres peuvent utiliser le Club de la Maison du Commerce. Muni de salles à manger, de salons privés et de bars, le Club se prête à tous les genres de manifestations.

Index Cards

Lovell's *Keyloid and Plasdex

index dividers for bright, superior indexing of loose-leaf binders.

+ Add colour and efficiency to catalogues. Δ 14 sparkling contrasting colours available for better indexing.

- Subtract time waste. Catalogues are easier to read, easier to use. Information is clearly colour-coded for quick identification.

X Multiply sales. A catalogue with LOVELL'S *Keyloid** or *Plasdex** index tabs is more attractive, distinctive, looks new longer. It stands out in comparison to competitors'. Helps salesmen sell faster in customer's office.

CUSTOM MADE — LOVELL'S *Keyloid** or *Plasdex** index tabs are manufactured to best suit your requirements. Custom designing is the only way to ensure your indexing system will complement the contents and cover of your catalogue. Excellent deliveries and expert indexing counsel too.

BINDING EDGE AND PUNCH HOLE REINFORCING—Should your indexes be subject to extremely heavy use, the binding edge also should be MYLAR \dagger polyester film reinforced. This protection gives maximum strength to this normal point of greatest wear.

Δ Colour Charts available on request.

SALES PROMOTION

Most Productive Mailing List Available

- by neighbourhood, area, section of city
- by occupation, job title, income

No other source provides so much vital information about the residents of your community. Use it to compile a prospect list; also as the circulation for Direct Mail Advertising about your products, your services, your personnel and your business location. In addition, your Lovell's City Directory can provide you with names and addresses of nearby residents of a job or installation you have recently completed.

CONVERT NEWSPAPER ANNOUNCEMENTS INTO CUSTOMERS

- Births
- Retirements
- Newcomers
- Promotions
- Occupation Changes
- New Homes
- Renter to Owner
- Business News
- Engagements
- Marriages

From information you can obtain from your Lovell's City Directory and your daily newspaper, remarkable sales leads can be assembled. You'll be able to trace renters who have assumed home ownership responsibilities; individuals who have increased their buying power because of job changes or promotions; newcomers to your area who must establish new sources of supply and service; newly married couples setting up housekeeping for the first time; home owners moving into newer homes. All such moves and changes create new needs and possibly new business for you!

SAVE MILEAGE, TIME AND MONEY (Delivery Mailing etc.)

Prompt, courteous services are usually reflected in future sales. Your Lovell's City Directory can assist you in maintaining a high standard of customer services. For example, utilize your Lovell's City Directory's Street and Avenue Guide in mapping practical, quicker delivery routes; to establish exact address locations; to determine if any streets are closed; to contact neighbours of a customer who may be out. You'll save driving time, eliminate wasted mileage and better your customer services with a quick check of your Lovell's City Directory.

GENERAL OFFICE USE (Credit Reference and Collection)

The usefulness of your Lovell's City Directory in your everyday general office work is tremendous. Accuracy in all your paperwork . . . deliveries, billing, personal customer records, credit reference, special notices and advertising to new and regular customers . . . is as important as sales. You'll avoid any embarrassing experiences with new customers by checking your Lovell's City Directory for full names and their correct spelling. By knowing occupation and job title, you can decide whether to offer credit to a new customer immediately. And, in cashing a stranger's check, you can depend on your Lovell's City Directory to help. Answers obtained about "nearest neighbours" and "nearest cross-streets" can be quickly verified. It's easy to expose false identification papers.
