Home And School Hears Talk On Survival

A motion to inform Shawville Council that some people in this district are interested in survival in the advent of a nuclear attack was passed at Home and School meeting last night. This followed a talk by Charles L. Smith, Commandant of Canadian Civil Defence College, Arnprior and a short film.

Col. Smith strongly recommended that people in this area should build Fall Out Shelters, plans for which could be obtained by writing to EMO, Ottawa, he said.

He believes that war is possible and that our way of life after a nuclear war won't be very different, in fact he feels it might be better because we would know that we would never have another nuclear war.

Col Smith's opinions proved very interesting to a small but intent audience. In the question period it was revealed that nobody knew how this district would be warned in the event of an approaching attack, nor what monitoring devices were at hand to advise people when to leave their shelters, if they had them and know enough to go into them.

Bucky McKay B of M Manager

Dalton (Bucky) McKay has been appointed Manager of the new Bank of Montreal branch at 1300 Carling Avenue, Ottawa, opposite the Westgate Shopping Centre. The new branch was opened Monday morning, January 15.

A reception was held last Saturday afternoon for about 200 people at which time the guests were shown through the new branch and given afternoon tea. Bucky and his wife, the former Freida Schrankler and their children Suzanne and Leslie were on hand to receive the guests who included a number of friends and relatives from the Shawville area.

The son of Mr. and Mrs. Allan McKay of Shawville, Bucky is a graduate of Shawville High School. He joined the Bank of Montreal here in 1950 and moved to Pembroke two years later. In May, 1953, he moved to Ottawa Rideau Street branch and remained there until 1957 when he transferred to the main Ottawa branch. He was appointed assistant Accountant of Rideau Street office in July 1959, eight months later he became Accountant there. He left that post to be come manager of the new branch.

With The Curlers

The ladies from Shawville beat Renfrew at Fort Coulonge last Thursday in the Lady Tweedsmuir first round. Then they went down to Arnprior where they beat out Campbell's Bay for the second round.

If the winning streak holds up our gals will take out a strong Arnprior rink at Eganville this afternoon and then go on to Ottawa. Good luck Freda, Berta, Pat, Jessie, Mary, Gladys, May-fred and Doris.

Rosaleen Dickson

For encouraging and assisting all the organizations and every worthwhile cause in the area through the pages of The Equity and for doing a valued public relations job for the district through the Press and Television, Mrs. David Rutherford Dickson was named "Citizen of the Year" by the Shawville and District Chamber of Commerce Tuesday night.

Rosaleen was born in Halifax Nova Scotia, attended schools in France, Switzerland and the United States. She obtained her BA in Psychology and Sociology and a Teacher's Certificate at the age of 19 in North Carolina, and took a post-graduate course at the Neuro-Psychiatric Institute in Hartford, Connecticut.

In 1942 she was married to David Rutherford Dickson, of Westmount, Que and the advent of their first child cut short her brief teaching career in a New York High School.

David was in the Royal Canadian Air Force, attached to RAF bomber command overseas. After the war the family moved to Kingston, Ontario where David obtained his B Comm degree at Queen's University. Upon graduation the family then numbering six, moved to Ottawa where David worked for the Department of Internal Revenue.

In 1952 they bought The Equity in Shawville, moved it to larger quarters, expanded it into the Pontiac Printshop and have been working steadily ever since to bring as much printing and publishing into this district as possible.

The family now consists of three boys (Ross at Carleton University, Charlie in Kindergarten and Andrew 2) and three girls (Jennifer, Elizabeth and Marjorie all at Glebe Collegiate). Aside from her work for The Equity and in the publication of the North Renfrew Times of Deep River, Rosaleen also writes photo features for the Ottawa Journal, is on the staff of the magazine "Canada Month", has contributed scripts to the CBC and interviews guests for CJOH on the television show "Valley Weekly" every Sunday at one o'clock.

She is on the executive of the Canadian Women's Press Club, Ottawa Branch, and is editor of their news sheet "The Galley".

Agronomist Speaks At Shawville Rotary Meeting

Neil Drummond gave an interesting talk on the changing conditions in this district at Rotary Monday evening in Pontiac House. Pontiac, he said, is leading the way in the control of such things as Warble Fly and Brucellosis.

He said the census showed that in 1930 there were 3112 farm units in Pontiac and that today there were only about 1200. The horse has almost disappeared and when you realize that it takes four and a half acres to feed a horse you can estimate the acreage released for food for human consumption when the horse is replaced by the tractor.

Neil showed a very interesting film on tobacco growing and said we have many acres north of here that will be ideal tobacco country.

Larry Moore accepted chairmanship of the Easter Seal Campaign and asked Claude Elliott, Pierre Bilodeau and Edgar Schwartz to assist.

A new member, Hugh Middleton, was inducted by Harland Rowat who gave an enlightening talk on the meaning of Rotarian fellowship. Harland said he was sure Hugh would find many opportunities to display this fellowship.

Protestant Principals Form a Council

An organization to coordinate Protestant educational policies within the County of Pontiac has been formed with the name of Pontiac Principal's Council. The group includes all Protestant principals, vice principals and principals' assistants in the County.

The Council was organized in December and has received official recognition from the Pontiac Protestant Central School Board. They plan to meet on the second Wednesday of each month, initially in Shawville and later in

other centers. There are at present about 10 members.

This Principals' Council is hoping to plan the educational objectives toward which the Protestant school system of the County should move and recommend procedures deemed necessary. They will foster a closer cooperation among the Protestant schools here, consider and develop experiments in teaching, promote professional improvement working in conjunction with the PTLA and the Boards.

Schamehorn Achieved The Impossible

The Clarendon and District Ministerial Association held its monthly meeting in the Hall of the United Church in Shawville with the new President, the Rev. Ronald D. Ellis presiding. The host, the Rev. E. I. Johnston, led in the opening devotions.

The Rev. W. R. Schamehorn read a paper on the denomination of which he is a member, the Wesleyan Methodist Church. A very interesting discussion followed. Mr. Johnston at the request of the members had prepared a tribute to Mr. Schamehorn for his work as President of the Association and read it.

The Rev. W. R. Schamehorn A Tribute

Managing a household is an art. Managing a nation is a feat. Managing ministers is an impossibility.

This impossibility has been most skillfully achieved by the Rev. W. R. Schamehorn.

THE GOOD SPORTS

Municipal elections are over for another session and whether the best men won or not will be disclosed in the months to come. But win or lose, a lot of good men got themselves involved this time and it is to the credit of everyone of them.

The ones who won are actually the losers because now they have to work hard and long hours outside their regular jobs and without pay. They will be blamed for whatever goes wrong (there's always something that goes wrong) and given no credit at all for the smooth running of their towns. When things go well nobody ever notices.

The ones who lost the elections are the lucky ones. They showed their willingness to serve their communities. They volunteered for the mission but didn't have to go. They can hold to their principles without getting involved in details while the elected ones will doubtless find that many of their cherished projects get washed away in the waters of practicality.

Now is the time for us all to stand behind the guys who got in, to wish for them the strength to withstand the criticism of their friends and neighbors. Now is also the time to thank those who ran and lost for providing a true contest so that the real will of the people could be demonstrated.

Married at Quyon, Que., on December 23, 1936, Amy Margaret Hutchison, daughter of the late Mr. and Mrs. C. C. Hutchison of Wyman to John Ernest Keon, son of Mrs. Michael Keon and the late Mr. Keon of Wyman.

Many friends and neighbours called at the home of Mr. and Mrs. John Connolly, 7th Line, Clarendon on December 27, to extend best wishes on the occasion of the 50th anniversary of marriage.

The installation of officers for 1937 of Pontiac Lodge, No. 40 installed: WM, J. W. Peever; was held and the following were SW, C. H. MacLean; J. W. C.W. Schwartz; SD, G. G. McDowell; JD, H. Storey; Secretary, H. Imison; Treasurer, J. M. Argue; Chaplain, Rev. D. Andrews; SS Geo. Russell; JS, W.J.W. Gibson; IG, Dr. D. J. Campbell.

Miss Idena Brownlee, Ottawa, visited her parents, Mr. and Mrs. John H. Brownlee for the holiday season.

Prof. SRN Hodgins of Macdonald College, spent New Years day with his father, Mr. E. T. Hodgins and other relatives in town.

Messrs. John McMillan, Port Arthur and Gordon McMillan, Noranda, spent their vacation with their parents, Mr. and Mrs. Jas. McMillan, Bristol.

Manager Finnigan had the rink in fairly good condition for skating New Years day.

As a sort of prelude to the marriage of Mr. Albert Corrigan ghter of Mr. W. H. Armstrong and Miss Merle Armstrong, dau- which occurred at Ebenezer church last Wednesday, the groom was presented with a handsome clock on the Friday previous by his fellow boarders at Miss Jessie Stark's in Renfrew. Mr. W. A. Morrison preached

Grains of Sand

Someone has suggested that on some of Shawville's streets grains of sand are badly needed and furthermore that the new councillors should see to it. New councillors, let's see now, that would be Frank and Brent. Well, get sanding boys, apparently that's part of the job!

Correction, correction. Rotary tells us the free skating for children is from 1:30 to 3 p.m. Saturdays, not as published last week. (We foolishly copied what we saw on the rink black board which all goes to prove ou can't believe everything you read).

After eleven years in banking Bucky McKay is managing a branch. Not bad at all, in fact Shawville can be very proud. Congratulations Bucky and all the best for a long and useful future with the B of M.

Happy Birthday to Mrs. John Stewart who celebrates her 83rd birthday Thursday, 18th.

The most surprised person in Shawville last Tuesday night was the lady who rushed into Chamber of Commerce meeting to take a picture of the new Citizen of the Year and had the camera turned on her. Even though someone had tipped her off earlier at the curling rink, she had just tossed it off as a big joke. Seems everyone in town knew it was going to happen except me.

Pontiac House, Shawville has finally become one of the chosen few — i.e. — a fully licenced Hotel. Nobody still knows how these things happen!

Later the meeting decided to have the address put in a more permanent form for Mr. Schamehorn.

The Auditor's report showed a fair balance on the treasurer's books. The following disbursements were made: The Canadian Council of Churches \$25.; The Brookdale Farm Orphanage \$50. L.O.L. Orphanage, Rosemere, P. Q. \$50.; Canadian Bible Society \$25.; Pontiac Community Hospital \$25.; Hull Social Service \$10.; A severely ill invalid \$5.

A sum of \$250. is held in trust by the Association, the gift of a friend, for any young person from the County who wishes to study for the Ministry.

The Rev. Bruce Small said the closing prayer.

Schamehorn

(Continued from Page One)

During the years when he has been President of the Clarendon Ministerial Association, Brother Schamehorn has, with gentle hand, genial manner and genuine kindness, helped bind and direct this association of ministers of all the protestant denominations.

Now, at his retirement from that office, we, the members of the Clarendon Ministerial Association, gratefully thank him for his leadership and fellowship; we wish him well through the years ahead.

Mr. Schamehorn thanked the members for these words and for the cooperation all had given him during his tenure.

Letters To The Editor

Information Please

January 15, 1962

The Editor, The Equity,
Shawville, Que.

Dear Sir:

During the past year The Equity has published the history of some of the early families who settled this area, we of the Pontiac Historical Society are most grateful to you.

We have received some complaints that some of the information published is not correct, and that there are omissions. This we are aware of, and have been considering the best means of making these corrections.

The errors are not the fault of the publisher. These histories have come mainly from the files of Rev. J. Gravelle of Otter Lake, Que. others have been contributed by various individuals connected with the family concerned.

We must all realize the immense task it is to collect this information and process the same, it would be impossible to do this amount of work and not have a few mistakes show up, sometimes the information received is not correct and rather difficult to verify.

Here is our suggestion to remedy mistakes and omissions; please forward corrections and information which you believe to be true facts to Rev. J. Gravelle or to the Pontiac Historical Society, Shawville, Que.

Another suggestion, in the case of large families, a committee of that particular family connection could be set up to make corrections and gather further information. Those wishing to help with the Hodgins history please contact me.

May we of this society ask your help and indulgence in setting down the history of our community. If we can be of any help to you with your own family history do not hesitate to call on us. Thank you.

Yours truly,
Wallace Hodgins, D.D.S.
President, Pontiac Historical Society.

Mrs. Doug Tait, entertained the Bridge Club this week at her home New Calumet Mines. Prize winners were Mrs. Dave Still, Miss Liz Crawford and Miss Madeleine Craig.

A Junior hockey match that created lively interest was played on the local rink Saturday afternoon between Otter Lake and Bryson, Desmond Johnson and Eric Vadenais conveyed the Otter Lake team here and Charley O'Reilly sponsored the local boys. This game was interesting from the point of effort without malice as no one was penalized and although the scoring 4-1 favored the Otter Lake team all worked like trojans. The weather was sunny and exhilarating and the game was a treat for the fans.

An exhibition game Sunday afternoon between local team was contested in a friendly manner. Johnny Lepine refereed to the satisfaction of both sides. There was some smart puck chasing on both sides, and the Brothers Lemay, Gauthier, Godin, MacDonnell and Hamelin should soon be in the upper brackets of senior hockey in Pontiac.

Our open air rink is in charge of Arthur Sicard, a veteran skater of the old school and everything is in first class order, with skating at certain hours each day, hockey and broom ball can be arranged at small cost to each team.

The Girls Broomball team here Tuesday evening carried away the victory by a score of 3-0 after an exciting game.

Davidson players were: Melinda Pleau, captain; Dorianne and Marianne Laroche; Leane Belair; Linda Paquette; Marielle,

Congratulations to Mrs. Pheobe McCord on her appearance on CJOH on Sunday. We were very disappointed that Mrs. McCord hadn't been given more time and hope that in the near future that she will be invited back to continue her interview after hearing Mrs. McCord, it is not hard to understand why the pupils look forward to their English Course at school.

The 7th Line Farm Forum met at the Dwight McDowells. The topic for the evening being farm management, which was a most interesting subject. We will be meeting next at the home of Mrs. Wilbur Horner.

For having driven a motor vehicle not registered in the Province of Quebec for the current year. Rockets Top Pontiacs

In the second UOVHL game played in the Agricultural rink by the Shawville Seniors, they were defeated 6-1 by the Deep River Rockets Saturday, January 13, before a crowd of about 300 in a fast, slightly rough game.

A post mortem showed that the Shawville team came short-handed and ended even worse. Both teams worked hard during the first period with most of the play in Shawville's end. It was easy to see that goalie Therien was a baseball catcher as well as he displayed his skill at catching the puck as well as flying sticks. In spite of his efforts, Deep River scored twice in the first period to lead our boys 2-0. Richardson made several vain attempts to beat the D. R. goalie but all failed. Excellent defense was given the visiting goalie. As the period ended, DR's Thornhill suffered a head and cheek injury which required First Aid when he, among others, crashed into the boards on the south-west side of the rink. Bert Kelly also required assistance to the bench after a collision.

The second period began at a fast pace, both sides being more than just a little anxious. Bob Bowen needed a little assistance when knocked to the ice in the midst of a mad rush. After a slight rest, he was back in the game again. Play this period was reversed to the D.R. end with Shawville's big Ivan Saunders scoring unassisted at the 9:28 mark to give our lads a little more encouragement and make the score 2-1. Keon, Saunders and Murray saved the usual amount of "almost" scores, which kept the crowd on its toes. Noted also was the absence of Earl Powell from the game. Again at the end of this period a D. R. player suffered a slight leg injury when he crashed into the boards by himself and required assistance to the dressing room.

The beginning of the third period saw Shawville trailing 2-1 but it was a sad state of affairs before the end. Deep River put on the pressure and scored four goals within 12 minutes to make it 6-1. There were a couple of other Deep River players who put on the pressure in a different manner. No. 11 as he was called by the spectators was actually named Chaput (perhaps he too is a separatist) that is, he believes in separating the bones) He was bad man of the night serving 2 two minute penalties for tripping and hooking and a major penalty for causing injury to Shawville's Desi Keon. Desi had to be removed to Pontiac Community Hospital where he was given medical attention by Dr. Bruce Horner. It was later determined that he suffered a fractured cheek and will be hospitalized until about Thursday of this week. He suffered considerably but considering the attempt that Chaput of DR made to injury Desi, which he did by holding his stick crosswise with both hands and meeting our player straight across the face as he raced towards the Pembroke net, Desi should feel lucky that he didn't suffer a well broken nose, a fractured skull or perhaps minus a few teeth. Tempers flared among the spectators as they sympathized with the injured player and several suggestions have been made to our team and management, among them being that our Seniors refuse to play another game with Deep River until Chaput is removed as it is very obvious that his idea of playing hockey is none other than to injure his opposition, instead of indulging seriously in a good game. Our team and management also wish to say a special "thank you" to Dr.

OBITUARIES

Lawrence R. Wilson

Lawrence Robert Wilson passed away at the Royal Victoria Hospital in Montreal on January 7 at the age of 56. He had been ill for a long time.

Born in Shawville on Sept. 8 1905, Mr. Wilson attended Shawville High School and was employed by Producer's Dairy as a Buttermaker progressing to Plant Manager which position he filled until July 1961 when the Shawville plant closed.

He was the son of the late James Francis Wilson and his wife Margaret Stephens. On October 2, 1933 he married Annie Jewel Rennick who survives along with children Robert Wayne Ronald G., and J. S. Barrie. Also surviving are grandchildren Nancy Louise and Robert Jeffery. Other relatives are Cecil Wilson of Vinton, Mrs. Clifford Walsh of Shawville, Gordon Wilson of Pembroke, Mrs. Selisley Howard, Mrs. Lottie Telford of Kirkland Lake, Earl Wilson of Lewiston N.Y. and Harvey of Shawville.

Mr. Wilson was an elder of Shawville United Church and a member of Masonic Lodge AF & FM No. 40. Funeral was January 10 with service at Shawville United Church by Rev. E. I. Johnston. Mrs. S. E. McDowell was soloist and burial was in Maple Grove Cemetery. Pall bearers were Harold Wilson, Hollis Barber, Reuben Smith, Allan McKay, Clayton Corrigan and Harold Howard.

Thomas Ed. Emmerson

Thomas Edward Emmerson, passed away on December 22, in Pontiac Community Hospital in his 68th year. Mr. Emmerson had been in failing health for a number of years.

He is survived by his wife the former Elizan Havelin whom he married on June 20, 1921, four sons Sherman and Keith, Charteris; John of Deschenes and Lennie of Ottawa; also three daughters Viola (Mrs. Lyle McDougall), Nettie (Mrs. Delmer Waite) and Leona (Mrs. Ronnie McTiernan) all of Ottawa.

The funeral was conducted by Rev. D. Rowe and Mr. A. E. Lawrence from the Hayes Bros. Funeral Home, Shawville at 1:00 p.m. December 24 for service in St. Matthew's Church, Charteris. Burial was in adjoining cemetery.

Pallbearers were Harper and Ernie Emmerson, Hilliard and Ivan Beattie, Fred Dagg and Norval McNeill.

Bruce Horner for the immediate attention he gave the injured player when he was taken to the hospital.

It would be more than a little difficult to try to pick three stars in this game, as the score would sort of belie them. We will say however, that the stars of last week worked just as hard Saturday night, but only Saunders was able to get past the Deep River goalie, although they had several close shots and just as many misses. But these kind never do win a game do they? So boys let's quit the hockey practice, you have hockey sense within you, so get down to business. No doubt you are short of players, and surely there must still be a few good recruits in Pontiac who can bolster your strength. After the attendance on Saturday night, you know that Shawville and district fans are supporting you and will continue in greater strength as the season progresses, so now don't disappoint them too, too often.

Shawville 3 Coulouge 3

In the Pontiac League hockey Shawville played to a 3-3 tie with the defending champions Fort Coulouge before over 200 fans. The game was fast and with 15 penalties handed out, it sounds a little lively. Goals were scored in the first period by Ken Rose, FC and Lorne Wilson S, with Bev. Corrigan receiving the only penalty.

In the second period the game was hopping with excitement as Shawville scored again off Brian Corrigan's stick as did B. Cavanagh FC, tying the score again 2-2. Nine penalties were allotted during this period, 4 to Coulouge and 5 to Shawville namely W. Laporte, R. Belanger, R. Ward 2 minutes each and 5 minutes to D. Campbell FC; and two minutes each to Laird Murray and B. Pirie and two 2 minute penalties to Ted Lance and a five minute rest period to Brian Corrigan all of Shawville.

Since so many of the boys on both teams had forced rests during the first two periods, everyone thought that plenty of goals would be scored in the third period, but such was not the case. B. Smart scored in this period for Shawville and F. Bertrand for F. C. tying it again 3-3.

A five minute penalty was given to FC player Gordon Cahill and a two minute penalty for elbowing to F. Bertrand as well as a 10 minute misconduct.

Two minutes were given to C. Amyotte FC and to F. Pirie and E. Smiley of Shawville. Referees were Glenn Morrison and Ray Young.
