DO YOU CATCH THE IDEA?

A journal published exclusively for your own trade is more valuable to you and more entitled to your favor than any other. In supporting it you simply benefit yourselves, because it is working in your interest.

Such a paper is the

CANADIAN JOURNAL OF FABRICS,

the only Canadian Journal entirely devoted to Textiles. A sample copy will be mailed FREE, and a year's subscription will only cost you \$1.00. Not much, is it? You may find a single number a bit of information that will be worth ten times the subscription price.

Are you buying or selling machinery, or do you want mill hands? If so, write for advertising rates to

E. B. BIGGAR,

WITH **NINE MAPS** AND SUCH **ILLUSTRATIONS** AS MAY BE CONTRIBUTED.

In such a work every Professional Man, every Public and Private Citizen, every Well-Wisher of this Country should send his Name for either Lines, a Province volume, for the complete set of Eleven volumes; or for a PORTRAIT of an Eminent Canadian, or of a former notable resident; a VIEW of a City, Town or Village, of a Lake, a River; a PICTURE of a Church, a Private Residence, a Public Building, a Factory, a Manufactory, a Mill, an Ocean Steamship, or a Lake and River Steamer, towards the embellishment of the pages in each Province volume.

As a beautiful specimen of what the Eight Provincial Maps are to be, the Publisher has issued LOVELL'S MAP OF THE DOMINION, now sold for \$2.

In the event of satisfactory encouragement, this work will be placed in the hands of the Editor-in-Chief, the Assistant Editor, the Editor of Statistics, Eight Superintending Revising-Editors and of One Hundred Province-Editors. The Eleven volumes to be completed and issued in about two years from date of beginning.

Unwearied research can be relied on in putting on record all that can possibly be learned concerning the Provinces.

The work will portray the past, from the landing of the first white man to time of publication of LOVELL'S GAZETTEER AND HISTORY OF CANADA.

Let us strive to secure and leave on record a faithful foundation for historians of the future.

I do not hesitate to say that the entire work will be a true and reliable history of this Canada of ours; it will reveal the grandeur of our Country as England's leading Colony, and an ample home for millions.

Let us tell the people abroad the wonderful progress that is being made in our Cities, Towns, Villages, and in our entire country.

When the full history of the places throughout the Dominion is written, Canadians, the people of Great Britain and Ireland, our good neighbors across the line and the people of the outside world will look on our record with amazement.

The following statistics, taken from Government records, are given as a foreshadowing of some of the information which will be carefully gathered for this work, from reliable sources, from the lips of early pioneers, and from gentlemen of unquestioned veracity and literary standing throughout the Dominion.
