County W.I. Public Speaking Contest Winners Chosen

Finals Held at Howick High School on Wednesday Evening

A very successful Public Speaking contest, sponsored by the County Women's Institute, was held in the beautiful auditorium of the Howick High School, on Wednesday evening, May 4th. Mrs. J. D. Laif, County President, presiding.

Ten girls and one boy competing in the finals, the results of which are as follows:
Group A—
Denise Robertson, Huntingdon, Topic, "Progress in Manufacturing."
Eva McFarlane, Howick, Topic, "The Seeing Eye Dog."
Irene McAdam, Hemmingford, Topic, "The Seeing Eye Dog."
Katherine Sault, Ormstown, Topic, "The Seeing Eye Dog."
Group B—
Shirley McEwen, Ormstown, Topic, "Making Money During the Summer Holidays."
Marjory Martin, Huntingdon, Topic, "Finding or Building a House in 1949."
Gebbie Howick, Topic "Attracting Tourists to Quebec."
Mildred Kyle, Hemmingford, Topic, "A Prominent Political Figure of the Day." (Louis St. Laurent).
Group C—
Florence McDougall, Ormstown, Topic, "Nursing as a Career."
Marjory Ness, Howick, Topic, "A Prominent Political Figure of the Day." (Louis St. Laurent).
Basel Kelly, Huntingdon, Topic, "A Prominent Political Figure of the Day." (George Drew).
Special Prizes for Howick School were won by the following pupils:
Group A—Eva McFarlane, Dorothy White, Mary McKell.
Group B—Jean Gebbie, Hazel Elliott, Doris Reddick.
Group C—Marjory Ness, Margaret Ann Mess, Phyllis Black.

This year a list of topics was given the pupils to choose from. There was a slight repetition of subjects chosen, but as the entrants each had a different angle to the subject, the talks were quite different.

In Group A, three contestants chose "The Seeing Eye Dog", while in Groups B and C, three spoke of "A Prominent Political Figure of the Day." For a while we almost thought it was the opening gun of the election campaign, which commences so very soon.

Banquet, Distribution of Prizes Huntingdon Bowlers

1948-49 Season Brought to Close With Banquet at Chateau

Like everything else, all good things must come to an end, thus it was on Thursday evening, members of the Huntingdon Bowling Leagues wound up the 1948-49 season with a banquet at the Chateau and the distribution of prizes to the various winners. About 150 sat down to the banquet tables and spent a very enjoyable evening together.

Mr. D. Galpeau, President, in his remarks to the gathering, spoke of the fine cooperation among the various teams of players during the season and stated that there were thirty teams this year in place of their twenty-six last year. The sixteen men's teams were divided into two leagues and the fourteen ladies' teams were divided into two sections, A and B. Many closely contested games were played during the season and throughout there was enthusiasm and friendship. He offered thanks to all who had helped to make the season a success in any way at all, including the banquet.

The following are the prize winners:
Commercial League—Men.
Ideal Cafe: Lucien Monique, Capt.—Sugar and Cream Set to each player, donated by Huntingdon Bowling and Restaurant.
Ladies' League—Men.

The prizes donated by Leach Textiles Ltd. were presented by Mr. Tom Vine for the company.

Frozen Foods Talk Topic

8,000 Pounds Food Per Year For Family Of Five

Monday's Rotary Meeting was made quite interesting through the presence of Mr. W. Levine of the agricultural branch of Shawinigan Water & Power Co. Mr. Levine spoke on "Frozen Foods". He amazed his listeners when he opened his remarks by stating that the average family of five people consume 8,000 pounds of food a year. Two-thirds of the food consumed is of a perishable nature, being made up of meats, vegetables, fruits, etc. The sharp freezing of perishable foods preserves the fine qualities of the food, tends to preserve flavour and colour. A slow freezing method does not produce these good features but will tend to impair the qualities of the foods.

Mr. Levine went on to explain how lockers operate in communities such as Huntingdon and how successful they have been for the welfare of the general public and at the same time sufficiently remunerative to the owner to warrant the big financial investment.

It is to be noted that only a few weeks ago Mr. Moore sent out circular letters to feel the pulse of the general public here as to whether they might be interested in renting space in such a public locker and food service business in Huntingdon. We believe Mr. Moore plans to erect a Locker Plant on the site of what was the Ross property on Chateauguay Street.

AUCTIONEER DIES
MELFORT, Sask. (CP)—H. E. Keddy, old-timer of Melfort, an auctioneer was found dead beside his car on No. 3 highway near Birch Hills recently. Death was attributed to a heart attack.

As part of the evening's celebration, a Chinese Auction was held on goods donated by the Huntingdon Chateau, which realized a sum of approximately \$400. Much fun was had during the auction before it was finally known who had made the purchase.

Jaycees Sponsor Clean-up Week May 16th to 21st

An announcement appears in this issue of the Gleaner to the effect that the Huntingdon Junior Chamber of Commerce is to conduct its annual Clean-up Campaign during the week of May 16th to May 21st. The campaign will open on Monday evening with a parade of the streets of town led by officials of the town and the Chamber. Included in the parade will be a number of trucks and these will be used following the parade to pick up all rubbish that people will place in readiness to be taken away. This pick-up will not affect the ordinary and regular garbage pick-up, but is meant to clear that rubbish which is not ordinarily taken by the garbage collectors.

Enrolment Ceremony Girl Guides

District Commissioner Visits Huntingdon

The Enrolment Ceremony for Huntingdon Girl Guides was conducted at the Academy on Thursday in the presence of Mrs. Spencer of Beauharnois, District Commissioner. Captain Nancy McCrimmon and Lieutenant Goodall, local officers, were in charge. The whole group of Guides entered an amusing game "Catching the Five O'clock Train" as a recreation demonstration.

Get Your Entries in Now For Ormstown Exhibition

Closing Date For Entries May 18th—Opening Date of Show June 7th

Time is fast drawing near for the opening of Ormstown Exhibition and naturally the closing date for making entries is much nearer. Entries for the exhibition will close on May 18th, the exhibition will open on June 7th, one day earlier than previously. There will be two evening shows on Tuesday and Wednesday, but on Thursday, Friday and Saturday the grounds will be open all day and all evening. The reason for the change is to allow more time for the horse classes to be run off and they also allow patrons to leave the Horse Show earlier each evening.

Speaks well for the success of the exhibition, even at this early date. The judges for the various classes are as follows: Harness Division—Dr. W. J. Fowler, Ontario Veterinary College, to place the awards; Hunter and Jumper Classes—Mr. W. A. Maybury, Draft Horses—John Torrence, Markham, Ont. Ayshire Cattle—Wm. Gibson, Spencer, Mass. Holstein Cattle—D. A. McPhee, Vankeek Hill, Ont. Jersey Cattle—Arden Baker, Brockville, Ont. Canadian Cattle—Pierre Labruque, Livestock Branch, Quebec Dept. of Agriculture. Dual Purpose Short-horns—Prof. A. J. Ness, Macdonald College. Sheep and Swine—Prof. L. H. Hamilton, Macdonald College. Domestic and Handicraft—Miss Joy Guild, Macdonald College. Flowers—Robt. Reid, Hemmingford. Official Starter for the Races—Roger Laroque.

Dr. Paquette, Prov. Minister Of Health Taken With Huntingdon County Hospital

Sees Much Activity at Hospital Before Attending Sixth Annual Meeting

Dr. J. H. Albiny Paquette, Provincial Minister of Health, visited Huntingdon on Monday and inspected the Huntingdon County Hospital, attended the 6th Annual Meeting of the Hospital and saw the Hospital in action, almost as if it was a pre-arranged programme of activity. He was accompanied by Mr. J. G. Rennie, M.L.A., and the Huntingdon doctors. It was to be just a visit of inspection after which the minister would have a visit and discuss various medical problems that were of general interest. It so happened that close to 4 p.m. a baby was born. Dr. Clouston was anxious to be ready for 4:30 o'clock, but behold another maternity case and he was taken to the hospital with Mr. J. G. Rennie, M.L.A., and the Huntingdon doctors. It was to be just a visit of inspection after which the minister would have a visit and discuss various medical problems that were of general interest. Pass By-law Church St. Job

Electric Power Rates Too High

On Friday evening an adjourned meeting of the council was held for the purpose of reading and passing the by-law which authorizes the loan of \$10,000 for the work on the Church Street annexation. The By-law was duly read and passed.

The power rates for the Filter Plant were discussed when the bill was read and it was considered too high. The general opinion was that the rates charged by the Shawinigan Water and Power Co. to the Town Council for power supplied were too high. It was learned that Diesel power would be much cheaper to operate, when a firm of engineers was working here and they evidenced surprise it was costing so much for electric power. The council was of the opinion it would pay to convert to this type of power unless some adjustment in electric power rates could be obtained.

The building permit for Honore Picard, which has been hanging fire for some weeks was finally granted.

Child Age 5 Years Drowned at Valleyfield

VALLEYFIELD—A drowning fatality occurred at Valleyfield, on Tuesday afternoon at about three o'clock, when the five year old son of Mr. and Mrs. Jean-Paul Lalonde, Rene Lalonde, fell into St. Francis Bay. The child was supposed to have been trying to get a drink when he overbalanced and fell in the water. The happening took place in front of the Chateau in Park Saive. The boy was an only child and he was with two other children of about the same age. One of them ran to a policeman nearby and told him what had happened. Immediately a search was made for the body and it was recovered about 50 feet from the spot about 4 p.m. Artificial respiration was engaged in from 4 to 5 p.m., when Dr. Ivan Bassard pronounced that the child was dead.

Two Highway Accidents

Cars Damaged No One Injured

An accident occurred about half a mile from Dundee Lines, at about 11:30 on Saturday night, when a car driven by Mr. Rowat McGibbon, of Dundee, took the ditch and turned over. The car was being driven from the Chateauguay when an American car was met coming from the opposite direction. Proceeding in the same direction as the McGibbon car was a bicycle with no lights showing. In order not to run into the bicycle, Mr. McGibbon swerved toward the ditch, the soft dirt on the shoulder of the road caused the car to take the ditch, roll over and slide along with the wheels up in the air. The car struck a good sized tree, near a creek before it came to a stop.

Maple Leaf Grange Entering Grange Community Contest

Decide to Sponsor County Community Park as Project

MAPLE LEAF GRANGE ENTERING... The Maple Leaf Grange at Kensington is entering wholeheartedly into the Grange Community Contest for 1949, conducted in co-operation with the Sears-Roebuck Foundation. Numerous prizes are offered. The Grand Prize is a fully equipped Grange Hall. A community with a Grange Hall may choose as an alternative, (a) A Community fire-fighting truck with equipment and shelter of equivalent value; (b) A community land terracing and grading outfit. Second National Prize—Grange Kitchen Equipment or other furniture to value of \$1500. Third Prize, value of \$1000. Fourth Prize, value \$500. Fourth to 10th Prize, value \$500 kitchen equipment. State prizes are offered also for prize winners.

ed community projects is "Sponsored and Improved County Parks". Already the Maple Leaf Grange has made a move in this direction by proposing a resolution at the January County Council meeting, which was adopted and forwarded to government representatives. The Grange knows that this is a popular project and is keenly anxious for the co-operation of other influential groups and individuals. Housecleaning operations and other needed improvements were discussed at the last meeting and are now under way. Recently community parties have been held and the Master, Russell McDonald will be glad to make the Hall available for local groups, amateur players, or others planning good entertainment during the coming months. He will be glad also to get suggestions and ideas from any groups or individuals interested in the County Park Project. An available site on Lake St. Francis is the most popular demand. The increasing industrial life of the community points to this solution for general recreation. The Grange invites the public to attend the Farm Safety Programme, on Tuesday, May 17th, at 9 p.m.

25th Annual Convention W.I. Held at Ormstown Friday

Work of Year Reviewed—Officers Elected—Guest Speaker, Mrs. Kerr

The Chateauguay-Huntingdon Counties' Women's Institute met in Convention in the Ormstown Presbyterian Church on Friday, May 6, 1949. There was a good attendance at both sessions. Mrs. James Lang of Howick, County President, presided. Meeting opened with the Ode, followed by the Club Woman's Creed in unison.

Child Welfare and Public Health, Mrs. Janet Reddick reported. Doctors addressed many meetings. Roll calls were many and varied. Papers given showed great interest taken in all matters. Donation were sent to Cancer Fund; Hospices; T.B. seals sold; school and covers donated to couch; Sunshine showers to sick and cards to shut-ins. Hospital beds in use.

Publicity Convener's report by Mrs. J. Gruer, showed that the branches had reported their meetings in the Gleaner and that she sent reports of all meetings reported to her, to the Prov. Con. for publication in the Macdonald College Journal.

The County Food Parcel is to be tackled by the Franklin Branch and sent to the Westcott Women's Institute in England. County Convener were again reminded to send in their reports early to Prov. Con. Mrs. Lang thanked the canvassers who helped in the Y.W.C.A. Building Fund and hoped we would reach for \$400.00 mark, also thanked Mrs. Bernhardt for auditing books.

Miss Guild, demonstrator from Macdonald College, brought greetings from the Provincial Board. She also read a letter from Mrs. Thomson, Prov. President, extending best wishes from the Prov. Executive. Mrs. Thomson thanked the branches for their loyal support of the many projects. We have worthwhile contributions to make, also remember the Quebec Service Fund should be first. Mr. Verge, of National Film Board, assisted by Mr. Leon Beaudin, Huntingdon, agronomist, showed the film, "Let there be Light." This film afforded valuable publicity for the Women's Institute.

By Mrs. S. Walsh's report for the Home Economics Dept., it was evident that great interest was being taken by the members as home-makers' demonstrations and exhibits seem to have been very popular.

Get Your Exhibits In

THE time for the annual Ormstown Exhibition is fast approaching and already the exhibits are commencing to come in. May 18th is the closing date for the entries for this biggest of the little fairs and this year it will commence on Tuesday evening, June 7th, and continue until Saturday evening, June 11th.

Several changes were made last year which were intended for improvement of the grounds, but unfortunately rain came prior to the opening of the exhibition and there was considerable difficulty in getting cars into the grounds.

This is the time to be making your list of entries for the Ormstown Exhibition and as this exhibition belongs to the people of Beauharnois district, local interest is particularly sought.

A Park For Huntingdon

A MOVE has been started by the Grange Lodges of which Maple Leaf Grange, Kensington, is a member, for a contest that will promote Community Service.

Both governments are interested in attracting American tourists to Canada and it is such things as parks which provide recreation of various sorts that tend to attract them.

having natural hazards to make the game more interesting to the enthusiast. Fishing abounds in almost all rivers and there are lots of opportunities for hiking.

Already the Maple Leaf Grange has made the recommendation to the Huntingdon County Council, which has adopted it and sent it in the form of a resolution to the government representatives.

Four Years After

MAY 7th marked the fourth anniversary of the war's end, that is as far as Germany was concerned, but still no peace treaty has been signed.

No great changes have taken place in the four years since warfare ended. There have been demands for all kinds of concessions, wages, taxes, controls and so forth.

Germany is like the conquered being with the conqueror still standing with his foot on the body and sword upraised.

True, business is once again on a peacetime footing, our men of the armed forces have been rehabilitated, and government is almost on a peacetime basis.

There was probably never a time in all history of man that such a situation existed. Internally in all countries of the world there exists a restlessness that cannot be fathomed.

Canada is perhaps one of the most fortunate countries of the United Nations in that it enjoys the greatest era of prosperity it has ever known.

Better by far you should forget and smile Than that you should remember and be sad. —Christina Rossetti.

Farewell Party

On May 5th, at St. Joseph's Parochial Hall, a group of friends and relatives gathered and gave a farewell party for Mrs. Wilfrid Saumier, who has taken up residence at Herdman. The hall was gaily decorated with mauve and pink paper streamers with a matching chair of the same. While waiting for the guest of honour, Mrs. Lucien Gailpeau gave musical selections on the piano. Mrs. Saumier arrived about nine thirty and was escorted by Mrs. Alfred Lefebvre to the decorated chair. Mrs. George Collum read an address in English in honor of the occasion, followed by the same in French and read by Mrs. Charles Lalonde, Jr. upon which Mrs. Alfred Lefebvre presented Mrs. Saumier with a beautiful rhinestone necklace with matching earrings and bracelet, also a lovely Rosary. Mrs. Saumier thanked everyone in an appropriate manner in both languages and invited all to visit her in her new home. Cards were played for an hour at eleven tables and delicious refreshments were served to all. The winners for cards were: 1st prize, Mrs. Jack Kerby; 2nd prize, Mrs. Ernest Lefebvre; 3rd prize, Mrs. Mabel Wattie and consolation prize, Mrs. Fernand D'Aoust.

Building Still Going on

Much building is presently in process in Huntingdon and upon making some inquiries of building supply firms we are given to understand Huntingdon will have another boom year of home building. At the present time digging operations are going on at the Leach Textiles Limited and Spinners Limited plants where a building representing 6,000 square feet will be built this summer.

Masons Hold Big Night

Chateaugay Lodge A.F. & A.M. has a membership of around 185 but the number who attend the regular meetings is never very large. Last evening's meeting saw a big change take place when the official visit of the District Deputy Grand Master, R. Wor. Bro. Wm. H. McAlister took place. A large delegation from several Lodges in Montreal accompanied the Grand Master and something like 140 men attended the Lodge meeting. The meeting was very successful and all speak well of the programme arrangements that were made for the occasion. The Lodge dining room was

of course much too small to cater to such a number so an adjournment to the dining room of St. Andrew's Presbyterian Church was made and there all were able to sit down at one sitting. The catering was done by Mr. Wm. Tedstone.

Special School Programme Monday

The pupils of Grades 1, 2 and 3 at the Huntingdon Academy are holding a varied programme of activities and a display of their work in the auditorium, at 1:30 on Monday afternoon. Special invitation is extended to the friends and parents of the children to attend and especially to the mothers of the children who will attend school for the first time next year. This will provide an opportunity for all to become acquainted with the work being done in these grades and it is hoped that as many as possible will take advantage of it.

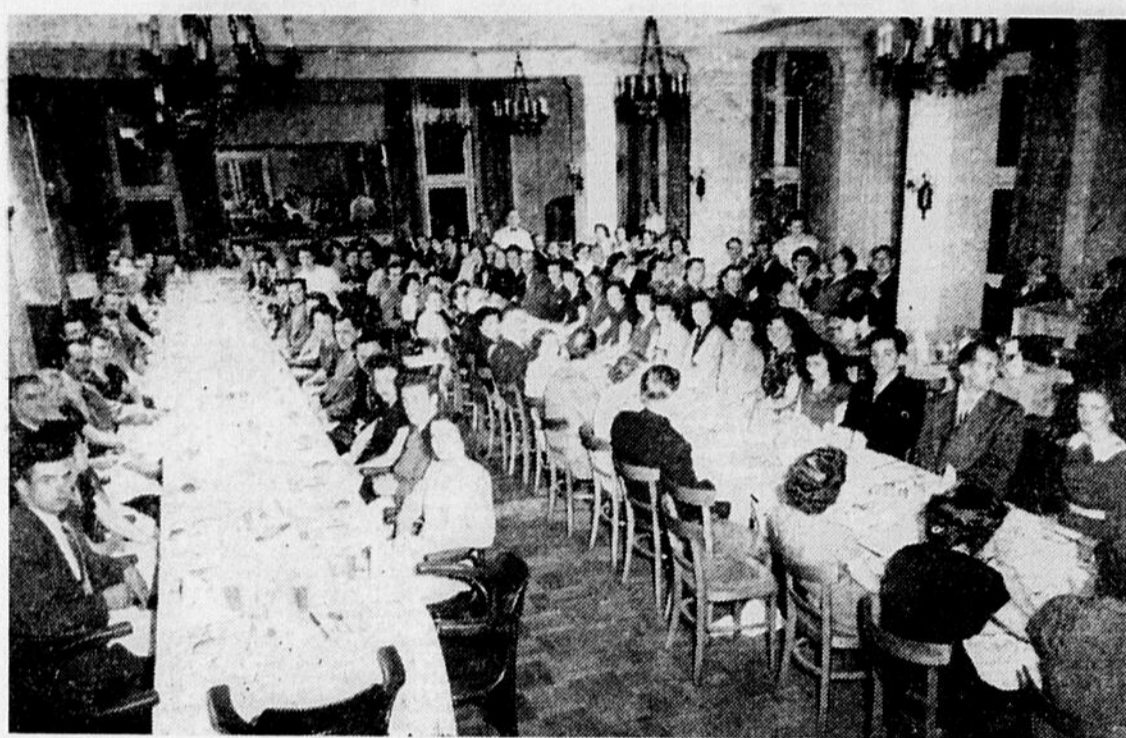

On Monday afternoon, Mr. Young, Inspector of High Schools, visited Huntingdon High School and addressed the students of Grades 10 and 11. In his address he made an urgent appeal for the students to consider taking up teaching as a career. He pointed out that there are much better opportunities in the teaching profession today and furthermore there is a great shortage of trained teachers. The three pupils are cordially invited to be present and to consider this announcement a personal invitation. An affirmative or negative notification to Sister Superior is solicited.

Magician at Huntingdon Theatre

There was a fair attendance at the show sponsored by the Junior Chamber of Commerce at the Huntingdon Theatre, on Tuesday evening. The main feature of the show was a magician who put on a real good performance lasting for about two hours. The act was in three parts and many feats of magic were performed to the astonishment of the audience. The magician spoke mostly in French with a few words in English but his tricks were both comical and outstanding. He went down the aisles among the audience and convinced them that his tricks were quite genuine. All thoroughly enjoyed the performance. Shown also were some feature movies which rounded a full evening's entertainment.

\$1,200 Needed For Ormstown Red Cross

The committee in charge of the Red Cross Campaign in the Ormstown district is very disappointed with the response made by the people of this district. An objective of \$2,000. was set and to date only \$800. of this has been subscribed. Other points around have at least met their objective and some have passed it—the results obtained in Ormstown so far do not maintain the favorable reputation this district has always had.

The Gleaner has been asked to make an appeal to all persons in Ormstown district to really support the drive by sending in their contributions at once; or, if there are some who feel they can afford to give more than they have already, it would be appreciated. It must not be forgotten at this early date after the war and on the fourth anniversary of the war's end, that the Red Cross did much for our fighting men and much for relatives of the fighting men when such occasion arose. The Red Cross is still doing much for all humanity and it may be that some people in this district may need Red Cross assistance in the very near future. It is good if such assistance is ever needed, to feel that a person has supported the cause whenever possible.

The Committee is anxious to see that Ormstown's previous good record is kept up and they hope that all people of the district who have not yet contributed will do so now. \$1,200. is still needed to meet the objective, it would not take much effort if all rallied to the cause and made the contribution they have intended to make. Don't delay any longer, call your Red Cross canvasser today.

The following few lines might serve to remind all that there is still a debt to be paid:
Proudly our soldier marched,
Bravely he died;
All that he had
He gave to stem the tide
Of human wickedness and greed.
What did he give?
His hopes — his plans — his talents —
— Then — his life.
No more had he to give.
Freely he offered all
That we might live.

Aubrey - Riverfield

AUBREY-RIVERFIELD — The May meeting of the Aubrey-Riverfield W.I. was held on Thursday afternoon, May 5th, at the home of Mrs. John Milne, with twenty members present. The meeting opened with the usual Opening Ode and Creed, and the roll call was responded to by "my worst weed". One new member was added to the Roll. The minutes were read and approved. Seeds have been received from Macdonald College and distributed to the pupils at Howick School in preparation for the School Fair in the fall. Several other items of business were discussed. Current events included National and International Relations: Election on June 27th; old age pension increased from \$30 to \$40 a month; India became a Republic and will remain in the Commonwealth; the sad state of China, Agriculture; a mouse's nest and several coconuts on view; plant onions among seeds to keep insects away; two boys from Howick won the Animal Scrapbook Contest at Macdonald College, namely Donald McKell and Bob Ness; a humorous paper on "tails" Home Economics; to freshen a lace veil press it under a wax bread wrapper; how to bleach out a coloured dress; and several other useful hints. Education: Canada lacks 10,000 teachers; three staff members retired from Macdonald College this year; Public Speaking Contest held in Howick school auditorium on Wednesday evening, May 4th. Publicity:

an article "With the W.I. in Britain", telling of the work there, and the joy and pleasure when they receive food parcels from the Canadian W.I.'s. A Quiz Contest "naming 12 different kinds of seeds", was carried on by Mrs. Easton and Elizabeth Robison, the winners being Mrs. Arnold McKell and Mrs. Andrew Bennie. Mr. R. J. M. Reid, of Hemmingford, was present and gave a very interesting talk on some of the new introductions into the horticulture field. These include a new type of rhubarb which is much sweeter, better color and quality than the old type — more rhubarb goes into drugs than any other plant. Rhubarb juice blended with apple juice improves its value greatly. Others which have been improved are asparagus, strawberry, black currant, raspberry, apples and tomatoes. Mr. Reid suggested that, when ordering seeds, we should ask for the kind we want and it would be wise to stick to the early or medium variety for this section of the country. He also warned us to be careful of D.D.T. It does not destroy all insects, as some are resistant to it. A vote of thanks was tendered to Mr. Reid for his splendid address, which everyone enjoyed. The meeting closed with the National Anthem, and refreshments were served by the hostesses, Mrs. Milne, Mrs. Gordon Easton and Mrs. Wm. Robison.

a get-together before they leave the old home, which has recently been sold. A few games of progressive euchre were played, the winners being Mrs. John Milne and Mr. Aubrey Reddick, the consolation going to Mrs. Donald Templeton and Mr. Stewart Carmichael. Following this the gathering came to order, and Mr. Robert Templeton, in a few timely words, expressed regret at having to bid farewell to these lifelong neighbours and good friends, but wished them the very best in their new venture, and hoped they would come back to visit their old friends often. Mr. Finlay Milne then presented to Mrs. Cullen a lovely genuine leather handbag, and to Mr. Cullen a Ronson lighter. Mr. Cullen responded and thanked everyone for the gifts and kind thoughts, saying they would certainly come back as often as they could to visit the old surroundings and friends. Mr. and Mrs. Cullen plan to leave this week for their new home at Monte Bello.

Several members of the W.I. attended the convention at Ormstown, on Friday, and report a very successful day.

Mr. and Mrs. Calvin Orr and Wendy spent a few days the past week at the home of Mr. and Mrs. Everett Orr.

Mr. John Haley, of Macdonald College, was a guest on Thursday of Mr. and Mrs. Gordon Easton.

Miss Myrtle Cullen, of Waterloo, spent the week-end with her parents, Mr. and Mrs. Howard Cullen.

Life Underwriters Meet in Valleyfield

VALLEYFIELD — Recently a meeting of the Valleyfield Local Life Underwriter Association was held in Valleyfield and a number of insurance agents were present to take part in the proceedings. In the elections for officers held, the following were named: J. A. V. Seguin, President; Medard Chartrand, Vice-President; Lucien Prevost, Sec.-Treas. Mr. Philippe Boyer was elected chairman of publicity and reception with Messrs. Jean Raymond and A. C. Dobbelaer to assist him. The subject of the conference was "The Law of the Beneficiaries of the Province of Quebec, the Will and Successions". It was suggested that if anyone of the public is advised to discontinue a policy for any reason, advice should be sought from a competent insurance authority before so doing. Any of the members of the Valleyfield Local would be pleased to advise on this matter or any other matter pertaining to life insurance.

Cards of Thanks

The family of the late Margaret Marshall wishes to thank all friends and neighbours for spiritual and floral offerings and kind expressions of sympathy shown us during our recent bereavement.

We wish to express our most sincere thanks to our friends and relatives for the splendid farewell party given in our honour on April 28th. We also appreciate very much your generous donation.

Mr. and Mrs. Wilfred Saumier

I wish to express my deep appreciation to my friends and neighbors for their kindness in sponsoring the party and presentation to me on the evening of May 5th. All is greatly appreciated.

Mrs. Wilfred Saumier.

Cards of Thanks

I wish to thank the doctors and nursing staff of the Barrie Memorial Hospital for their kindness during my stay there; also my friends for flowers, gifts and cards.

Eileen McCallum.

I wish to express my sincere thanks to my friends, neighbours and relatives for their messages of sympathy, floral offerings and the many acts of kindness, in my recent sad bereavement.

Mrs. Lorne Drysdale.

OVANS — In loving memory of our son, Ronald Ovans, who departed this life May 13, 1948 —
One sad and lonely year has passed
Since our great sorrow fell,
The shock that we received that day
Will always with us dwell.
Ever remembered and sadly missed by his
Mother and Father.

OVANS — In loving memory of our dear nephew, Ronald Ovans, who departed this life on May 13, 1948 —
What would we not give to clasp his hand
His dear, sweet face to see,
To hear his voice, to see his smile
That meant so much to us.
You left behind aching hearts
That loved you most sincere,
We never did and never will
Forget you Ronny dear,
Just when your life was brightest,
Just when your years were best,
You were called from this world of sorrow
To a home of eternal rest.
Always remembered by
Uncle Dave and Aunt Grace.

DUNDEE—The Dundee W.I. held their monthly meeting at the home of Mrs. Lyle Currie. A change I would like to have made in my kitchen was the roll call for May. A highlight of the meeting was a handicraft exhibit. Many beautiful articles were shown, including crocheted work, embroidery, sewing, weaving, woodwork and a picture. The article judged most suitable to exhibit in the handicraft display at the annual convention held in June was a lovely green and ecru crocheted table runner done by Mrs. N. H. McNeil.

leaves from the branches that were cracking beneath the pot fell in the water, imparting to it a delicate and exquisite aroma. Investigation showed the branches were those of the wild tea plant. But not until the middle of the 17th century did the English begin to use tea and for many years it was a luxury possible only for the wealthy. Vessels specially designed for the rapid carrying of tea from China to England via the Cape of Good Hope were introduced. Competition was keen as to which ship should make the most rapid progress. The most celebrated of all tea races was that of 1866 when three of nine ships that sailed from Foochow almost simultaneously made the long voyage of 16,000 miles in 91 days, all docking in London within two hours of each other. The opening of the Suez Canal in 1869 soon made the transporting of tea around the Cape of Good Hope a thing of the past. The emigrants from the British Isles who peopled the Dominions took their taste for tea with them. In Canada, tea was included in the early shipments by the Hudson's Bay Company to their forts and posts. Tea became the favourite beverage in Canadian homes, as well as the standby of the hunter and trapper in the far North, from whom the Eskimos derived a taste for tea which makes them among the world's greatest tea drinkers. A discussion "How to make winter evenings in the farm home interesting" brought forth numerous ideas. As some new dishes, suitable for use in the Community Hall, are needed, it was decided to have a dish shower at the next meeting. The sum of \$5 was voted to go toward the Y.W.C.A. Fund.

Miss Florence Ferguson of McGill University spent the week-end with her parents Mr. and Mrs. W. C. Ferguson.

Kensington

KENSINGTON—The April meeting of the W.A. was held in Kensington Church on April 13th. A pleasant afternoon was spent. The work of cleaning the church was taken in hand, after which the meeting was conducted by the President, Mrs. E. Salter, opening with a hymn and Scripture reading. Business was discussed concerning the booth which is to be held in the Fall. It was decided that each member donate a towel towards it. Next meeting to be held at the home of Mrs. D. L. Brown. Meeting closed with the hymn, "Take Time to be Holy", followed by prayer.

Easter Sunday service was held in Kensington Church, the congregation of Athelstan and Powerscourt uniting. The church was well filled. The Easter anthem, "Easter Bells" was well rendered by a full choir. The sermon was delivered by the pastor, Rev. W. Conrad, after which the Sacrament of the Lord's Supper was administered.

St-Chrysostome

ST. CHRYSOSTOME—The christening of the infant daughter of Mr. and Mrs. Lambert Deneault, (née Madeleine Lefort), took place last Sunday. The baby received the names of Mary Diane Nicole. Sponsors were Mr. and Mrs. Gerard Deneault, uncle and aunt. The baby was carried by grandmother, Mrs. Jos. Deneault.

Mr. J. A. Bonnier, M.P., Mrs. Bonnier, of Ville Emard, were Sunday guests of the Atkinson family.

Mr. Victor Beaudin returned from Hospital much improved in health. Miss Therese, Ubald and Francois Beaudin of Montreal visited their father recently.

Miss Desneiges Bourdeau, Mr. Clermont Lacroix of Sherbrooke, Mr. and Mrs. Jean Simon of St. Martine accompanied Mrs. Albert Bourdeau and son Roger, Raoul and Maurice to Hotel Dieu Hospital at Valleyfield to visit their father, Albert Bourdeau.

Athelstan

ATHELSTAN—A special Mother's Day programme was used at the Sunday afternoon service of the United Church, in keeping with Christian Family Week. This order of worship for a Family Day in the Church School, was issued by the Religious Education Council of Quebec, the theme being "In every Home—Jesus Christ". The special reading was given by Mrs. T. J. Graham, while the address by Rev. W. W. Conrad and the choir voluntary was in keeping with Mother's Day. The offering received would help sponsor the work of the Religious Education Council in this province.

The sympathy of this community is extended to Mr. Percy Chauvin in the loss he has sustained by the sudden passing of his brother, the late Henry N. Chauvin, R.C., whose death occurred on Saturday in the Western Division of the Montreal General Hospital. The deceased had practised law in Montreal since 1901 and at the time of his death was the senior partner in the law firm of Chauvin, Walker and Martineau.

Mr. Selby Dunlop, of Montreal, was a week-end guest at the home of Mrs. Jessie Hampson. Mr. Morley Rowat, of Montreal, spent the week-end with Mr. and Mrs. George Elder and family. Mr. Robert McKell, of Riverfield, was also home over the week-end.

Mr. and Mrs. H. C. Bridcut, of Valleyfield, and Miss Elizabeth Shearer, of Franklin Centre, were week-end guests of Mrs. George Shearer and Miss Hattie Shearer.

Mrs. Robert McKell, of Riverfield, recently spent a few days at the home of her cousin, Mrs. James Knox.

Mrs. C. R. Green, of Calgary, Alberta, Mrs. C. L. Oliver, of Montreal, were guests of Mr. and Mrs. G. Green the past week. Mr. and Mrs. Allen Beck, of Verdun, are also spending some time at the same home.

Miss Elizabeth Grant was a guest of honor at a recent get-together of a number of her teacher associates in Montreal when Misses Longeway, Drew and Kilton entertained for her at a crystal shower. Fifteen guests were present on this very pleasant occasion.

Mr. and Mrs. George Jesty and children, of Como, spent Sunday at the home of Mrs. Myrtle Stewart. Mr. J. Elliott returned with them and he will spend a couple of weeks.

MacFarlane \$19.40; W. E. Barrie \$80.26; Lyall Stark \$55.60; Minister of Roads, \$52.35. Carried. Moved by Coun. Steele, seconded by Coun. Elder appointing Walter Cairns pro-Mayor for three months.

CHAIN REACTION

LONDON, Ont., (CP)—Lightning caused freak damage here in a recent electrical storm. Striking a tree, a bolt travelled through the roots, smashed a concrete sidewalk and threw chunks of cement 50 feet.

ELGIN COUNCIL. A regular session of the Municipal Council of Elgin was held in Town Hall, on Monday, May 2nd, with Mayor and Councillors present.

Wm. Cooper attended the meeting enquiring about a culvert which he considered needed repair, bordering his property. It was moved by Coun. Elder, seconded by Coun. Cairns that the road engineer Mr. Lecavalier be notified about said culvert. Carried.

"It Pays to paint with Flo-glaze" The top-quality all-Canadian paint made for Canada's Climate

Canada's first self-levelling paint - Flo-glaze - continues to be the finest, in the opinion of many painters. It's made by an all-Canadian company, by practical chemists who know the punishment paint has to take in this climate.

Flo-glaze costs no more than other first-grade house paints, and is truly economical in the long run. Properly applied, Flo-glaze lasts for many years, and saves several re-paintings. Use Flo-glaze - it pays!

Delicious CRUMB COFFEE CAKE Recipe: Measure into bowl, 1/4 cup lukewarm water, 1 teaspoon granulated sugar, stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Royal Fast Rising Dry Yeast. Let stand 10 minutes. THEN stir well. Scald 1/2 cup milk and stir in 1/2 cup granulated sugar, 1/2 teaspoon salt, 3 tablespoons shortening, cool to lukewarm. Beat in 1 cup once-sifted bread flour. Add yeast mixture and 1 beaten egg; beat well. Work in 2 1/2 cups once-sifted bread flour. Knead lightly; place in greased bowl and brush top with melted butter or shortening. Cover and set in warm place, free from draught. Let rise until doubled in bulk. Punch down dough and divide into 2 equal portions; form into smooth balls. Roll each piece into an oblong and fit into greased pans about 7" x 11". Grease tops, cover and let rise until doubled in bulk. Pierce tops with fork and brush with 2 tablespoons melted butter or shortening. Sprinkle crumble on top of cakes. Let rise about 1 1/2 hours. Bake in hot oven, 400°, about 20 minutes. Serve hot, with butter.

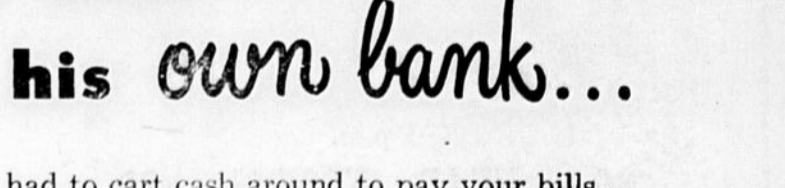

FLEISCHMANN'S ROYAL FAST RISING DRY YEAST

Stays fresh and full-strength on your pantry shelf for weeks! Here's all you do:

- 1 In a small amount (usually specified) of lukewarm water, dissolve thoroughly 1 teaspoon sugar for each envelope of yeast.
2 Sprinkle with dry yeast. Let stand 10 minutes.
3 THEN stir well. (The water used with the yeast counts as part of the total liquid called for in your recipe.)

if every man were his own bank... SUPPOSE you had to cart cash around to pay your bills. Pretty risky business. Hard on shoe leather, too. You don't do it that way, of course. Like everybody else with a bank account—there are seven million of them—you simply get out your pen, write cheques and leave all the bookkeeping to your bank. That's the modern way... easy, simple, safe. Handling and recording your chequing transactions is an important job. Your bank must do it right—or a competing bank will. You'll see to that! Suppose there were no competition... Could you expect the same efficiency, courtesy, eagerness to earn your goodwill?

State monopoly of banks would wipe out competition and would open your bank account to the eye of the state official.

and the Herd Sire

Pinetree Fancy Spotlight

A beautiful show two-year-old bull by the Superior Sire, **Brampton Spotlight Sport**, out of a tested daughter of another great Superior Sire, **Pinetree Magic Standard**, with a junior 3-year-old record of 499 of fat.

All the females in the herd that are bred are in calf to the service of this sire — the calves they are carrying will be worth having.

This is a beautiful herd — in wonderful health — bred along the best of blood-lines — the producing ability and refinement of all the animals in the sale is most pronounced.

Cockshutt drill seeder, Cockshutt binder, N.H. bale loader, 2 furrow gang plow, spring tooth harrows, disc harrows, horse rake, double wagon, 2 mowing machines. Machinery is all in excellent condition and is to be sold before the cattle. Farm located four miles East of Huntingdon on the Montreal highway.

TODAY WE LIVE IN A GREATER CANADA

IRON from Ungava
FOR THE WORLD OF STEEL

HUNGRY FOR IRON, the world's steel industry looks to Ungava as the immense new source to supply its increasing needs. There, in the wilderness of rocks and stunted trees stretching north to Ungava Bay, lies one of the richest, purest deposits of iron ore the world has ever known.

The vast area is now being actively explored. Already over 300 million tons of ore have been outlined; camps have arisen; airfields and roads have been built, and the route is being surveyed for a 350-mile railway from the St. Lawrence at Seven Islands. In another section, inland from Havre St. Pierre, what promises to be the world's richest source of titanium has been discovered and is being developed. Our one-time wasteland proves to be a treasure-house.

This new northern expansion is but one of many examples of Canada's tremendous modern development. Never before, here or elsewhere, have there been such opportunities as those which await the energy and initiative of young Canadians in our own country today.

"NEW OPPORTUNITIES..."

"Never before have there been so many new fields and opportunities for young Canadian men and women who, through hard work and persistence, will be able to achieve success and prosperity in the years to come. The continuing development of our industries will be due in large measure to the true spirit of progressiveness of the young Canadian of today", says **LUCIEN BOUGIE** of Montreal.

From bank clerk to president and owner of the largest baby shoe company in Canada, selling La Farsette Mr. Bougie's career is an example to all ambitious men. His training in banking and accounting has enabled him, through conservative methods of finance, to keep his finger on the pulse of his business, thus avoiding the pitfalls and difficulties attendant upon the establishment and growth of a business venture.

NICHOLSON SASH

Nearly forty years of experience in the specialized manufacture of sash assures you of the best product the industry can produce.

Particular emphasis is placed on the following important features in the making of "NICHOLSON" sash.

- Precision machining.
- The meeting rails of all double-hung sash are rabbetted (or checked) to eliminate drafts.
- Blind mortise and tenon construction prevents rot at the joints and gives a neater appearance.
- The dove-tailed putty anchor is run on an angle in the putty rabbet, giving added holding power to the putty on glazed sash.
- Toxic dipping — a threefold treatment given "NICHOLSON" sash combines a prime coat and protection from moisture and rot.

Lacolle

LACOLLE—The meetings of the W.M.S. and W.A. of the United Church, were held on Friday, at the home of Mrs. Nelson VanVliet. The programme as outlined in the Missionary Monthly was carried out, and some interesting and enlightening articles on the work of our missionaries were read. The W.A. decided to give ten dollars towards sending a parcel of food for overseas relief. Miss Myrta Fosburg has a quilt pieced and this they plan to quilt in the Sunday School room.

Mr. Ray Derick was called to Clarenceville on Sunday because of the death of his mother, Mrs. Molt Derick. Mrs. Derick had been living for some time with Mr. and Mrs. Lloyd Bullock.

Mr. and Mrs. Lyman VanVliet, Meg and Dirc and Miss Jean VanVliet were Sunday visitors at Mrs. L. VanVliet's.

On Sunday afternoon, Mr. and Mrs. Edgar Standish and Ruth, of Roumont, visited Miss Daggett. They brought with them Rev. Harry Naylor, who has had charge of the service there in the morning. He visited with his cousin, Mrs. Ray Derick, and her family.

Mr. and Mrs. Nelson VanVliet.

Twenty-fifth Annual.

(Continued from page 1)
 The afternoon session opened with "Salute to the Flag", followed by the singing of "O Canada", after which Mrs. Gardner introduced Mrs. Maude Kerr, Editor of the Woman's Page in the Family Herald and Weekly Star, who was the guest speaker. Her address told of her work in connection with the Woman's Page, which she said was most interesting. Miss F. Turner extended thanks to Mrs. Kerr. A solo, rendered by Mrs. L. Cullen, accompanied by Mrs. Corkran, Ormstown, was much enjoyed. Any member wishing to attend the Short Course at Macdonald College, commencing June 4, must contact Miss Guild by May 14. Miss Guild spoke on her work in connection with the Women's Institutes in the Province of Quebec, which includes demonstrations, Short Courses, semi-annual and annual County meetings and Provincial Conventions. We have 3000 members, 100 branches, approximately 30 members to a branch. The Dept. of Agriculture gave 500 packages of seeds, which did not cover the orders. Get your order in early, January or February. Each branch is requested to send in one article for exhibit at Provincial Convention. In addition, if

they have had a handicraft course, please send article from that. Any branch planning a course, write Miss Birch immediately and let her know what you want and when. All essays are to be in to Miss Guild by Sept. 1. If you haven't a typewriter, it will be typed for you at the College.

A motion by Mrs. Gardner that the County give \$50.00 to the Quebec Service Fund was carried. The Cercles des Fermieres receive \$100 per members from the Quebec Department of Agriculture. It was asked why was the Institute not receiving this grant. Mrs. Smallman spoke to this, explaining that if we accepted this grant we would also have to accept a program outline with some rulings we were not prepared to accept. Therefore we were better to stand on our own feet and pass up the grant. Grants to the branches will be discussed in June.

In the Hand Book, Article 6, read The Officers and Directors last Convention—Mrs. A. N. "Form a Provincial Board", omit (of Directors).

The hymn, "O God, Our Help in Ages Past", was sung and a moment's silence observed, in memory of those members who passed on since last Convention—Mrs. A. N. Mrs. J. McKell, Mrs. P. Adams, Mrs. W. Ferns, Mrs. Marshall.

As regards the W.I. booth at Ormstown Fair, there will be only two days of sale, Thursday and Friday. Time allotted to branches is as follows:—

Thursday morning until 1 p.m.—Aubrey-Riverfield; Thursday afternoon—Howick and Dundee.

Friday morning until 1 p.m.—Huntingdon and Franklin; Friday afternoon—Huntingdon and Ormstown. The decorated Wednesday 1 p.m., all help welcome. No exhibit this year. Home cooking and candy stressed, anything saleable will be acceptable.

Mrs. Boldovitch of Huntingdon gave a message on Cancer Research, also asked for members, membership fee \$2.00. The President read a story entitled "A Farmer and his Family". The singing of God Save the King brought the 25th Annual Convention to a close.

The following is a list of Chateaugay-Huntingdon Officers for 1949-50, with Mrs. Gardner in the chair and read by Mrs. Sadler:

President: Mrs. J. D. Lang, Brysonville; 1st Vice-Pres., Mrs. Earl Gardner, Dundee; 2nd Vice-Pres., Mrs. Frances Turner, Huntingdon; Secy-Treas., Mrs. Ale. Robb, Huntingdon; Agriculture, Mrs. Roy Blair, Ormstown; Child Welfare and Public Health, Mrs. Janet Reddick, Aubrey; Home Economics, Mrs. S. Walsh, Hemmingford; National and International, Mrs. Allan K. English, Ormstown; Education, Mrs. Mason Greig, Ormstown; Publicity, Mrs. J. Gruer, Riverfield; Convention of 1949-50 will be held in Riverfield, in the Presbyterian Church.

Resolutions
 1.—Whereas the members of Chateaugay-Huntingdon W.I. realize that health protection is a very vital part of our organization. Be it resolved: That the Convention go on record as supporting the present Cancer Campaign, morally, financially and educationally.
