Pontiacs finally tie with Embrun

The Shawville Pontiacs have finally taken over the role of true challengers in the Intermediate "A" Hockey League. Last season and for the early part of this year the Pontiacs were lucky to stay close to the Embrun Panthers.

Embrun was Canadian runner up in Intermediate playdowns in 72-73 and this years collection of players may even be stronger than last seasons.

However, the Pontiacs have been steadily improving and on the weekend they lost once and tied the second in a home and home series with the same Panthers. This record may not appear to be outstanding but the fashion in which the locals played proved that parity has been reached.

Friday night, November 16th in Shawville the Pontiacs played solid positional hockey in the early going and grabbed a 2-0 first period lead. At this point Embrun changed their strategy and tightened up their checking game forcing some local mistakes which resulted in a 2-2 tie after the two periods.

The third period provided good entertaining hockey and a 3-1 scoring advantage to Embrun resulting in the 5-3 win for the visitors.

Pontiac scorers were Ivan Saunders, Keith McKinnon and Charlie Taylor.

On Sunday afternoon, November 18th, the Pontiacs moved to Embrun for the second game of the series and walked out with a 4-4 tie.

The Pontiacs have been playing well on the road and in this contest they came from behind on three occasions to even to count. Trailing 4-3 late in the game the Pontiacs applied good pressure which resulted in a Valiquette goal from a goal mouth scramble and a 4-4 tie. Other goal getters for Shawville were Charlie Taylor, Carson Ryan and Keith McKinnon.

BLUE LINE CHIPS:

Richard Simson played an outstanding game in goal for the Pontiacs on Friday. Time after time he made two or three saves in a row to keep the Pontiacs close.

Friday the Pontiacs played Wendover in Rockland.

Because of the Grey Cup game, the Pontiacs will play at home on Tuesday, the 27th instead of Sunday.

Embrun will again be the visiting team.

Quebec Agriculture announces changes in 4 H club grants

In the past Junior Farmers Division Program has emphasized the showing of a calf at the fair as the major division project! Members of the Young Farmers Clubs are requested to note that changes have been made in this program. Under the new program grants will not be made available to Young Farmers Clubs unless the members participate in one of new three competitions, that the Department has established for Young Farmers Clubs. These competitions are:-

1) The Farm Establishment Competition.
2) The Young Future Farmers Competition.
3) The Young Rural Peoples Competition.

The Farmers Establishment Competition is for young farmers 20 to 25 years of age in the process of establishing themselves in farming. It is an exercise in which the contestant must complete a farm management planning project on his future farm. The prizes for the 1st, 2nd, and 3rd, place competition in this class for the Western Quebec Region is set at $200 $150 and $100 respectively. The aim of this project is to instil good farm management methods in young farmers.

The Young Future Farmers Competition is open to boys or girls 16 to 20 years of age who in groups of 8 to 10 prepare a farm plan for a particular farm in their district. This program is to help young farmers develope skills which they can use in their farming career. The prize is $150 for the group who wins first prize in the region, $100 for the group placing second, and $75 for the group placing third.

The Young Rural Peoples Competition for 1974 is a livestock project. It is open to groups of boys and girls in rural Quebec who are 14 to 25 years of age. This project includes a written report on what the group accomplishes in the carrying out of their project.

For further information on this competition see your local office of the Quebec Department of Agriculture or write to the regional office in Buckingham at 390 rue Principale.

Shawville Lions Charter Night

On Saturday, November 17, 1973, the Shawville Lions Club celebrated its Charter Night Anniversary with a banquet and dance at the Shawville Community Centre.

District Governor, John Dunning from Cumberland, Ontario, was the guest speaker for the evening.

Governor Dunning spoke of the many accomplishments of the Lions Clubs in the past year, and encouraged those present not only to continue with existing projects, but to seek out and pursue new challenges.

Present at the head table were Lion President Mac Hayes, District Governor Dunning, Rev R D Ellis, and Mayors Orla Young and Stirling Hodgins, all accompanied by their wives.

To help the local club celebrate its birthday, visiting members and their wives were present from Kemptville, Quyon, Perth and Arnprior.

A dance, complete with spot prizes, followed a most enjoyable smorgasbord style banquet, and provided all present with a very pleasant and sociable evening.

Quyon Fair Board annual dinner - dance

by: S Wyman MacKechnie

The Shamrock Room in Gavan's Hotel, Quyon, was the scene of a dinner-dance sponsored by the Quyon Agricultural Society, Saturday evening.

250 guests sat down to partake of the sumptious banquet provided by the Quyon CWL and to hear the guest speaker, Mr Ainslie Berry, of Dunrobin, relate some of his experiences in farming and in the show ring. Mr Berry, a veteran of the Second World War and at one time on the lecturing staff at Kemptville Agricultural College, delivered his address in a humerous style which thoroughly delighted his large audience. Mr Berry, a past president of Carp Fair, a most successful annual event, gave several useful hints on conducting a rural fair.

He was introduced by Mr Gervaise O'Reilly and thanked by Mr Ken Bronson, president of the Quyon Fair Board. Mayor James Stewart introduced the head table guests, which included Mr Tom Lefebvre, MP, for Pontiac and Mrs Lefebvre. Mr Lefebvre spoke briefly on behalf of all the guests. Rev Max Preisler said the Grace and S Wyman MacKechnie was Master of Ceremonies. Music was supplied by the Blue Ribbon Melodiers.

Austin Clarke crowned at annual TOPS banquet

The Second Annual Tops (Take Off Pounds Sensibly) Banquet was held at Riverview Inn with special guests Drs Margo and Louis Morissette.

Guests and members were welcomed by Leader Mrs Helen MacKechnie. She congratulated all who lost weight and asked them to give encouragement and moral support to those fighting the battle of the bulge.

Last year's chapter Queen, Mrs Donna Lapierre, crowned this year's Queen Mrs Gene Huckabone, who lost 41-1/2 pounds in the past year.

In coming King Austin Clarke, who lost 28 pounds was crowned by Chapter King Lester McCann, who is also Tops King of Quebec.

Other division winners were Mrs Helen MacKechnie, Mrs Mary Johnston, Mrs Georgina O'Connor, Mrs Lorraine Despres, Miss Marilyn Tubman and Miss Cindy O'Connor. Mrs Edith Tubman and Mrs Donna Lapierre were recognized for perfect attendance for the past year.

Dr Louis Morrissette congratulated the people who had lost weight and encouraged the others to try to do better.

by: Jean McCann.

Doug MacKechnie honoured at banquet

At the time of the Royal Winter Fair an interesting event, sponsered by the Ayrshire Breeders Association of Canada, was staged in the Canterbury Room when about 300 friends of J Douglas MacKechnie assembled at a testimonial dinner in his honour. Doug, who for the past seventeen years has been Secretary-Manager of the Ayrshire Association and Editor of the Canadian Ayrshire Review, has recently accepted a post with the Canadian Dept of Agriculture.

It was fortunate that a large group of Ayrshire breeders from Scotland and England who came over to see the Royal were on hand and able to attend, as many of them knew him in his capacity as Canadian Secretary of the breed. These, as well as breeders and exhibitors of all breeds were present to do him honour on this occasion.

Following the dinner, the president of the Ayrshire Association of Canada, R. Roy Simmons called on Arnold Stansell of Selwood Ayrshires, Aylmer, Ontario, to act as M.C. a duty he carried out with rare ability and humour.

Doug was presented with a handsome engraved wrist watch and his wife, Helen, with a dozen roses and, what would be a more lasting momento of a fine evening, two matching paintings.

Noticed at the dinner from Pontiac County, in addition to Doug's father and mother, Mr and Mrs S Wyman MacKechnie, and his brother Ronald, were Mr and Mrs Melvin Younge, Mr and Mrs Lee Hodgins, Mr and Mrs Eason Russell, also Mr and Mrs Harry Wilson of Pembroke.

Bonnieshade Whistful and Robert MacKechnie

93 year old lady has 264 descendents

by: S Wyman MacKechnie

A party of special significance took place in Quyon on November 18th where descendants and friends of Mrs Xavier Chevrier met at the home of her daughter and son in law, Mr and Mrs Michael Desebrais to help her celebrate her 93rd birthday. Mrs Chevrier the former Alexandrian Bourgouis is the only surviving member of the family of eleven children of Joseph Bourgouis and his wife Elizabeth Rose.

Mrs Chevrier and her husband who died seventeen years ago, were the parents of sixteen children. Lucy (Mrs A Derouin), Delia and Wilfred, both deceased, George, Moses, Clifford deceased, Jennie (Mrs J Kerfoot), Dora deceased, Letitia (Mrs M Gallagher) Thomas deceased, Bella (Mrs M Desabrais), Manuel, Wesley, Francis, Ivan, Nellie (Mrs N Trudeau).

In addition Mrs Chevrier has seventy-seven grandchildren, one hundred and fifty-five great grand children and sixteen great great grand children. Surely a record not often surpassed. Geneologists please take note !

Mrs Chevrier is a resident at the Sacred Heart Home in Fort Coulonge and is in excellent health. She frequently visits her family taking part in the house work while doing so and delights in hearing family and community news.

Five generations headed by Mrs Chevrier(seated centre) Left to right- Mrs Tony Scott great grand daughter, Mrs Roland Trudeau grand daughter, Mrs A Derouin daughter, Tony Scott Jr great great grandson.

Shawville awards centennial workers

A Centennial social was held in the Shawville Community Centre on Saturday night.

Its purpose was to reward those who, during the year's many Centennial activities, devoted their time and a great deal of work to insure its success.

The evening's entertainment started with skating from 7-9 pm.

Promptly at 9 pm, Rev Ron Ellis, Centennial Chairman, welcomed those who had come despite inclement weather, and also thanked them for their work throughout the year. He then presided for the announcement of awards to the Chairmen of the various committees, these being presented by Mayor Orla Young.

Mayor Young also presented the Municipal Councillors and their wives with gifts. Also recipients of tokens of appreciation for extra work done during a very busy year were all town employees. Special thanks was tendered to Mrs Evelyn Dale, Secretary-Treasurer of the Municipality, who did much extra bookwork and exhibited a great deal of patience and understanding throughout Centennial arrangements. She was presented with a beautiful Veneer Provincial Jewellery box. Rev and Mrs Ellis and Mayor and Mrs Young also were presented with watches and jewellery at the close of this part of the program.

It is interesting to note that a resident of the town, John Beattie, talented especially in the field of woodworking, was commissioned to make the gifts which were presented to the chairmen and councillors. These were a special design of a double pen set with inserted enamelled medallion of the Centennial crest in the centre of a pine setting. Their wives each received a coloured enamelled medallion on a gold chain.

The hall was suitably decorated for the occasion by Mrs Sylvia Hodgins and her committee while Mrs Doris Hodgins and Mrs Nancy Alexander convened a lunch of tea, coffee and assorted doughnuts.

At 10:15 pm a very fine orchestra provided music for those who wished to dance until one.

Councillor and Mrs Keith Bean examine enamelled medallion on a gold chain, a gift received by each of the councillor's wives. Andai Photo.

LETTER TO THE EDITOR

Nov. 22/73

The Editor,
Pontiac Printshop.

Dear Sir:

I wish to bring to your attention and to the attention of the public something that I consider a flaw in the legal system in Quebec, (this may not apply to all of the province, but it is the system carried out by our police system in Pontiac).

The matter that I wish to discuss is the administration of the breathalizer test. First of all I agree very much with it in principle and its deterrant effects on the public. I believe that this system has contributed much to improve our safety on public highways. I believe that if the ordinary individual is caught and convicted once, he will never forget it, because he is ever aware of the consequences if he is caught the second time.

What I object to is the way that it is carried out by our police in Pontiac County. First of all a person may be stopped for a number of reasons, such as a burnt tail light, a burnt headlight, failing to dim his lights, or possibly crossing the white line (which on our Highway No 8 is very easy to do), or in some cases he may be stopped at the side of the road. If the police smell beer, they automatically call for a tow truck to tow away your car (because in our legal system you are not allowed to drive an automobile when impaired, which is correct and rightly so) and you are rushed to the nearest office where the breathalizer test may be given. If the car is towed away you must be considered guilty or they wouldn't tow it away in the first place. I always thought a person was never guilty until proven so. I wish to suggest a possible example: A person might be coming from work and stops for one beer, and on a curve he accidently crosses the white line while meeting a police car. Of course this is an infraction in itself, no one should cross the white line therefore that person must be drinking. He is stopped, the police smell beer, a tow truck is called to tow his car away, he is taken for the breathalizer test, despite his protest, despite his normal physical capabilities, despite his sober talk. He takes the test and blows .03, which is allowed by law. The police apologize and drive him home, but he must still pay for the tow truck and more important suffer the humility of being taken away in a Police Car.

The point that I am trying to make here is that in Ontario before a person is charged for impaired, he is normally given a physical on the spot, and must show some very visible signs of being impaired. Then he is taken to the station and given a physical again, if he can not carry this out, he then is given the breathalizer test. In Quebec he is given his physical after he has taken the test. The law states that a person cannot operate a motor vehicle if he has over .08 in his blood stream. A person weighing 150 pounds who has had four pints of beer will be over .08, yet he may be still more capable than a person who has 2 pints of beer.

In Pontiac this year according to reliable information over two hundred people were charged with impaired driving. This is great, but how many were under .15 on the test. Sure the laws says .08, but in Ontario most of these people would never be brought in for the test, because they seem to realize the lasting effects of a person being charged.

What happens to a person being charged with impaired driving, both economically and socially? First if it is his first offence, and there is no accident he might be charged $75.00 plus costs. His insurance rates will double and he is normally considered a bad risk. If he does not have insurance he must get it or he will lose his licence and many agents or companies are reluctant to take a risk of this nature. The total cost of the insurance surcharge could run as high as five hundred dollars over the next five years depending on his class of rating from an insurance viewpoint. Socially he might be considered a drunkard by some people even though they had 4 or 5 pints of beer in their day. But more important if he should ever be coming from a party and caught again at .13 the penalty is much more severe the second time.

I hope that some of our men of the law read this and the next time they stop someone, at least look at that person and see if he has any visible signs of impairment, because under this system just about anyone in Pontiac who enters a hotel on a Saturday night will be charged if stopped. And I will say there are very few in Pontiac who will have a clear slate if this practice is allowed to continue. All the people of Pontiac County ask is that we receive the same shake as the rest of the province.

If what I am saying is untrue ask our provincial member to check into this. Let them get those who are actually drunk, but not those who are physically capable, because it is something a person will never forget.

I wish to remain anonymous because after this letter I might end up taking the breathalizer drunk or sober and I can't really afford those $15.00 tow bills.

Grist and miscellaneous items

There seems to be an interest in a Senior Citizen's Drop in Centre for Shawville. The Shawville Rotary Club has offered to organize such a facility if there are enough people who want it. Anyone interested should phone Rotarian George Roos Van Cittert at 647-2254, or any other Rotarian soon. They aren't looking for anything but names to discover whether there is a real need. Twenty names will get them going to provide the Drop In Center.

The Centennial Committee for Shawville still has some unfinished business. One of these matters concerns all residents of Shawville who have had a baby during Centennial year. Each of these babies is supposed to receive a gift from the Centennial committee, but this can only be done if the committee knows about the baby. So please, parents and friends, let the committee know. Phone Mrs Gwen Armstrong at 647-2507 if you know about a baby born this year to Shawville residents.

Mrs Fred McCagg, secretary of the Pontiac Christian Education Council, has asked anyone having old Christmas Cards, used crayons or small toys to package them and mail to the Children's Department, Ottawa General Hospital, Ottawa, where they will be greatly appreciated by the young patients.

Serge Cardin of Fort Coulonge and Archibald Ellison of Shawville are the Adult Education officers in Pontiac this year. Any requests should be channelled through them.

Maybe everyone in Shawville wasn't watching the Ottawa Rough Riders win the Grey Cup on Sunday, but we can be quite sure almost everyone was eating chicken. Bob Bowen sold one hundred and eleven (111) barrels of fried chicken before the game, during half time, and just after the game for a total of over 1400 pieces of chicken !!

About that grade 9 course offered at Shawville: As of Wednesday afternoon last week the number of registrants had diminished from 13 to 9 (because four people changed their minds) so the course was cancelled. However, since then there have been 25 enquiries about the course at the Manpower office in Campbell's Bay and the Manpower Councillor, Danny Ryan, states that if the interest remains high it is possible the course may be commenced in January. Another similar course planned for Fort Coulonge was also cancelled for the same reason, lack of interest.

An announcement by Robert Andras, Minister of Manpower and Immigration, about job banks to be located in various big centers is nothing new here. At Campbell's Bay there has been a registry of jobs available for the public for some time now. "It's just like a corner store" says Danny Ryan who administers the Manpower Office for Pontiac County. "You just come in and look through all the jobs available and apply for any you think you could fill". Furthermore, Mr Ryan is willing to take his job lists to the high schools in the spring and let the students look through them and follow up with job councelling wherever it would be useful. Any school principal is invited to contact him about this free service of the Federal Government.

PR–CSSSO

Le directeur général du Conseil de la santé et des services sociaux de l'Outaouais, M Jean-Bernard Guindon est heureux d'annoncer la nomination de Madame Maryse B Lalonde au poste de Directeur des Communications du Conseil.

Infirmière de profession, Madame Lalonde a occupé en 1972, un poste à la Direction de l'Action socioculturelle du Secrétariat d'etat du Canada et, de février à Novembre 1973, elle était secrétaire général adjoint en charge des activités culturelles à l'Association Canadienne française de l'Ontario (ACFO)

Son travail au CSSSO lui permettra d'associer son expérience dans le domaine médical à celle dans le domaine de l'information.

Entrée en fonction au début de novembre, ses principales fonctions au sein du Conseil porteront sur les relations publiques, l'information et la publicité et sur les relations avec les établissements de santé et de services sociaux de l'Outaouais.

Assemblée générale spéciale

C'est dimanche le 2 décembre prochain au CEGEP de Hull qu'aura lieu la grande assemblée générale spéciale du Conseil des loisirs de l'Outaouais. L'on sait que plus de 75 comités ou organismes de loisirs de la région de l'Outaouais seront représentés à cette réunion qui a pour but principal d'établir un plan d'action pour la prochaine année. Bien que cette assemblée est réservée aux organismes-membres du C.L.O., les portes seront ouvertes à quiconque désirera assister aux délibérations ainsi qu' aux différents ateliers. Il en coûtera cependent $2.00 pour chacun des observateurs.

OFFICIALISATION

Cette assemblée servira également à rendre officiel, le nom du Conseil des Loirirs de l'Outaouais qui à Québec, est reconnu sous le nom de Fédération des Loisirs de l'Outaouais. Il y aura également présentation d'une nouvelle série de règlements généraux qui seront appelés à être adoptés par l'assemblée générale.

Tel qu'annoncé antérieurement, quatre ateliers de travail seront mis en branle au début de la journée du 2 décembre. Il y aura atelier sur les sports de même que sur le socio-culturel, le plein air, le développement communautaire en matière de loisirs ainsi qu'un atelier couvrant un peu de tout mais animé en anglais.

Lors d'une réunion plénière, trois rapport seront lus dont celui du président, M Léandre Mercier; celui du directeur général, M Jean-Pierre Houde; et celui du trésorier du C.L.O., M Herb Stevens.

L'agent au développement communautaire, M. Marquis Malette, est actuellement en tournée dans la région de l'Outaouais afin de sensibiliser les organismes de loisir sur l'importance de cette assemblée générale spéciale. Inutile de dire qu'elle conserve un cachet tout à fait particulier.

SHAWVILLE COUNCIL MINUTES

Minutes of Shawville Council meeting held on November 20, 1973. Present were Mayor Young and Councillors Allan Black, Carson Hodgins, Allan McKay, William Orr, Keith Bean and Edgar Schwartz.

Edgar Schwartz subscribed to his oath of office and took his seat.

The minutes of the previous meeting, as circulated, were approved on a motion by Edgar Schwartz, seconded by Allan McKay.

Mr George Roos-Van Cittert visited council as a representative of the Rotary Club, concerning a project they are contemplating- the establishment of a Senior Citizens Drop In Centre, if there is sufficient interest and a suitable place is available for such a meeting place. The council agreed to co-operate in any possible way.

Council committees were appointed as follows:

ACTING MAYOR- Allan Black
HEALTH AND SANITATION - Dr Grant Rogers
WATER AND SEWERAGE- Keith Bean, Carson Hodgins and Edgar Schwartz.
STREETS AND LIGHTS- Allan Black, Bill Orr, Allan McKay.
FIRE- Allan Black, Edgar Schwartz.
GARBAGE AND DUMP- Allan McKay, Carson Hodgins.
BUILDING BY LAW- Keith Bean, William Orr.
PARKS - Allan Black, Edgar Schwartz.
POLICE COMMISSIONER- Keith Bean.
DEPUTY POLICE COMMISSIONER- Allan Black
INDUSTRIAL PROMOTION- Carson Hodgins, William Orr, Allan Black.
COMMUNITY CENTRE- Edgar Schwartz, Carson Hodgins, William Orr.

The first named is chairman of each committee.

Moved by Keith Bean and seconded by William Orr that the secretary effect the changes in the Valuation Roll, as made at the meeting of November 13, 1973.

Mr Llyal Bean visited the meeting as a representative of the Lions Club, expressing their concern over the fact that there is not a dentist in Shawville and seeking means whereby a dentist might be encouraged to set up a practise here in the near future. Edgar Schwartz and Carson Hodgins were appointed to work with the Lions Club to this goal.

Rev R Ellis joined the meeting and expressed his concern over the fact that our young people must go to Hull for examination to obtain a licence to operate a snow machine and also that drivers' tests are given locally only in the summer.

Moved by William Orr and Carson Hodgins that the secretary write to the Minister of Transport, with a copy to Mr Jean-Guy Lariviere, requesting that these examinations be given locally and also a letter to County Council and the Minister of Transport that driving tests be conducted periodically during the winter as well as during the summer.

Clr Schwartz inquired once more about the naming of a street this year in honour of the first Mayor of Shawville. Due to difficulties encountered, it was resolved to drop the subject.

Six transfers of property were noted and duly recorded.

Correspondence was read and discussed.

Following investigation it was decided that another light on Dufferin Street is not necessary, as compared with other streets.

There was discussion about the salting of Clarendon Street, the access to Pontiac Community Hospital. As this hospital serves a great area outside of Shawville and is administered by the government, it is felt that the government should maintain the street. A letter is to be written to Pontiac Community Hospital and to Mr Jean Guy Lariviere, with a copy to the Department of Roads, requesting the government to salt this street from the highway to the hospital.

There was discussion about garbage collection and the dump.

Mrs Andai, by request of the mayor, came to the meeting with numerous pictures she has taken during the course of the year of Centennial celebrations. Another meeting will be held on November 29, at 8:00 pm, to select a number of pictures to be placed in the archives of the municipality.

Allan Black moved adjournment at 11:00 pm.

25th Anniversary

Mr and Mrs Beverley Palmer of Ottawa celebrated their 25th Wedding Anniversary recently.

They were married in Shawville United Church on October 16, 1948, by Rev A F Fokes.

A reception was held at the Chateau Laurier in their honour given by their family, Marilyn, Denzil, Donald, Mavis and Gayle.

Taken much by surprise, they were presented with a Silver Tea Service along with many other lovely gifts.

Their attendants of 25 years were Mrs Alan Puady of Pointe Claire, Douglas Palmer of Brampton and Ardley Elliott of Ottawa were among their many friends and relatives that travelled from Sydney, N.S., Hampton Georgia, Toronto and Shawville areas.

Mr and Mrs Denzil Palmer have recently been transferred from Sydney, N.S. to Windsor, Ontario, where he has been appointed as the Food and Catering Manager of the Wandlyn Viscount Motor Hotel.

Québec vous informe

Les comités d'école et de parents

QUEBEC — D.G.C.G. — Tout le monde ne peut pas être élu commissaire d'écoles. Pour 189 commissions scolaires, il y a un peu plus de 2,000 commissaires.

Un autre mode de participation, cependant, est accessible aux parents qui veulent jouer un rôle actif dans le système scolaire ; il s'agit des comités d'école et des comités de parents.

Q. : Qu'est-ce qu'un comité d'école ?

R. : C'est un organisme consultatif et un lien officiel entre les parents et la direction d'une école, qui permet aux parents de collaborer à améliorer la vie de l'école. C'est aussi un organisme qui permet aux parents de comprendre ce qui se passe à l'école et d'avoir des contacts avec les diverses personnes qui y sont chargées de la formation de leurs enfants.

Q. : Comment sont formés les comités d'école ?

R. : Avant le 15 octobre de chaque année, le directeur de chaque école doit convoquer une assemblée générale des parents qui ont des enfants dans cette école. Au cours de cette assemblée, les parents élisent un certain nombre d'entre eux pour les représenter au comité d'école.

Q. : Qui fait partie des comités d'école ?

R. : Des parents, dont le nombre pourrait vraisemblablement varier selon le nombre d'élèves qui fréquentent cette école, le directeur d'école et un représentant désigné par les instituteurs de l'école.

Q. : Quelles sont les fonctions du comité d'école ?

R. : Le comité d'école a la responsabilité d'informer les parents, d'étudier les problèmes et les besoins au niveau de l'école et de conseiller la direction de l'école.

Q. : Qu'est-ce que le comité de parents ?

R. : C'est un organisme consultatif et un lien officiel entre les parents et la commission scolaire qui permet aux recommandations des parents d'être entendues et étudiées au niveau de la commission scolaire, en vue d'améliorer l'administration et la gestion des écoles dans l'ensemble du territoire d'une commission scolaire.

Q. : Qui fait partie des comités de parents ?

R. : Les présidents de chaque comité d'école sur le territoire de la commission scolaire.

Q. : Quelles sont les fonctions des comités de parents ?

R. : Le comité de parents doit aider les comités d'école, promouvoir la participation des parents et conseiller la commission scolaire.

Q. : Les comités d'école et les comités de parents ne sont que consultatifs ; est-ce que ce n'est pas là de la pseudo-participation puisque finalement, ces comités n'ont aucun pouvoir décisionnel ?

R. : Les comités d'école et les comités de parents sont des organismes de collaboration auprès des directions d'école et auprès des commissions scolaires pour l'amélioration de la vie de l'école.

Dans cette perspective de collaboration à laquelle ils sont conviés, les comités d'école et les comités de parents constituent un lien officiel, une voie de communication entre les parents et le milieu, d'une part, et l'école ou la commission scolaire, d'autre part. Les recommandations de ces comités doivent aider l'école et la commission scolaire à prendre les décisions les plus éclairées et les plus susceptibles de répondre aux besoins du milieu. Dans la mesure où les membres des comités d'école et des comités de parents seront actifs, engagés, dynamiques, leur action auprès de la direction de l'école ou de la commission scolaire sera efficace et prise en considération.

Un gibier de « potence » qui s'ignore

Par Félix VALLEE

Parce que les animaux sont plus petits, les amateurs de chasse au petit gibier s'imaginent souvent qu'ils ont plus de droits que les fervents de la chasse au gros gibier et qu'ils peuvent ignorer ou transgresser la loi à leur guise. Rien n'est plus faux. La loi et les règlements de la chasse s'appliquent à eux comme aux autres s'ils sont trouvés coupables d'infraction.

Leur supériorité ne leur donne pas plus de droits. Sans doute y a-t-il plus de petits que de gros animaux mais par contre, la chasse aux lièvres est moins onéreuse et dure plus longtemps que la chasse à l'orignal.

Quand et quoi chasser

Pour certaines espèces les plus recherchées comme le faisan, le lièvre et la perdrix, la chasse est ouverte depuis la mi-septembre et se terminera à des dates différentes à partir de la mi-novembre jusqu'au 30 avril, selon les zones.

D'autres espèces d'oiseaux comme la corneille américaine, l'étourneau sansonnet, le moineau domestique etc., peuvent être chassés sans aucune restriction partout au Québec.

Par contre, les oiseaux insectivores sont protégés à l'année partout dans la province.

Loi et sanctions

Les règlements généraux de la loi de la conservation de la faune (transport des armes, calibres et autres), de même que les règlements particuliers à chaque espèce (zones, saisons de chasse, limite de prises) s'appliquent pour le petit comme pour le gros gibier. C'est pourquoi les adeptes de ce sport feraient montre de prudence en consultant aussi souvent que nécessaire le « Résumé des règlements de la chasse ». Ils doivent se rappeler que dans tous les cas où un chasseur est trouvé coupable, non seulement peut-il être condamné à l'amende ou à la prison, mais, en plus, il perd son droit de chasse pour une période de 15 mois à compter de la date de sa condamnation. Le chasseur qui récidive dans les deux ans et qui est trouvé coupable, est passible d'amende et d'emprisonnement dans certains cas.

Dans plusieurs cas en outre, les objets ayant servi à commettre une infraction peuvent être confisqués par le Tribunal.

Voici quelques-unes des infractions les plus courantes et les sanctions qui y correspondent :

I - a) **Certificat et permis de chasse**

La loi dit qu'aucune personne ne peut se procurer un permis si elle ne détient pas son certificat du chasseur. De plus, toute personne qui chasse doit porter ces documents sur elle (certificat et permis appropriés), les exhiber à tout agent de conservation qui lui en fait la demande et lui faire connaître son nom et son adresse.

Sanction

La personne qui se rend coupable de ces infractions est passible, en outre du paiement des frais, pour une première infraction, d'une amende de $25 à $100 et, pour tout récidive dans les deux ans, d'une amende de $100 à $200.

II - a) **Possession illégale de petit gibier**

Après le 31 janvier 1974, il sera interdit **d'avoir en sa possession** de la viande de perdrix (gélinotte huppée et gélinotte à queue fine), de perdrix de savane (tétras des savanes), de perdrix hongroise (perdrix européenne).

- b) **Achat et vente de petit gibier**

Il est strictement défendu d'acheter ou de vendre de la viande de perdrix (gélinotte huppée et gélinotte à queue fine), de perdrix de savane (tétras des savanes), de perdrix hongroise (perdrix européenne) et de perdrix blanche (lagopède).

La vente du lièvre est permise seulement pendant les périodes suivantes :

a) dans les zones O1 et O2, du 18 septembre 1972 au 15 avril 1974 ;

b) dans le reste de la province, du 18 septembre 1973 au 15 mars 1974.

- c) **Limite permise**

En période de chasse, il est défendu de tuer plus d'animaux faisant partie de la catégorie du petit gibier que la quantité fixée par règlement. Les quantités permises n'étant pas les mêmes pour toutes les catégories d'animaux, le chasseur ferait bien de consulter le tableau I du « Résumé des règlements de la chasse ».

- d) **Moyens illégaux**

Il est défendu :

— de se servir d'un collet, d'une corde, d'un filet ou d'une trappe pour chasser la perdrix ;

— de capturer le lièvre au moyen de pièges ou de collets :

a) à l'année dans les zones A4 et cette partie de la zone E située à l'ouest de la route 43 ;

b) avant le 15 novembre, dans les zones autres que C, D, G, H, K, M, N et O.

- e) **Armes prohibées**

Il est interdit de chasser le petit gibier avec des carabines autres que celles dont les cartouches sont à percussion latérale, tous les pistolets ou revolvers, cartouches à fusils munies d'une seule balle ou de plombs ou chevrotines d'un diamètre plus grand que 0.180".

- f) **Opérations forestières et minières**

En règle générale, aucune personne employée dans une exploitation forestière ou minière ou dans une autre exploitation de semblable nature ne doit avoir en sa possession, sur les lieux de l'exploitation, un chien, tout engin de chasse, de la viande de perdrix, d'orignal, de caribou ou de chevreuil.

Sanction

La personne qui contrevient à ces règlements (a, b, c, d, e et f) commet une infraction et est passible, en outre du paiement des frais, d'une amende de $50 pour chaque infraction ou d'un emprisonnement d'au plus 10 jours ou de ces deux peines à la fois.

III - a) **Temps permis-temps défendu**

La chasse est interdite :

— entre une demi-heure après le coucher du soleil et une demi-heure avant son lever ;

— pour certaines catégories de gibier à certaines périodes de l'année, selon les zones ;

— dans certaines régions.

Dans ces deux derniers cas, il vaut mieux consulter le « Résumé des règlements de la chasse ».

- b) **Autres moyens illégaux**

Il est défendu :

— de localiser ou chasser le gibier en se servant d'un projecteur ou d'une lumière artificielle ;

— de faire usage d'un dispositif qui relie une arme à feu à un traquenard ou à un mécanisme à télécommande ou à retardement ou qui provoque la décharge d'une arme à feu sans que le chasseur n'appuie lui-même sur la détente d'une telle arme ;

— d'utiliser un poison, un explosif ou une substance délétère, aux fins de la chasse.

Sanction

Toute personne qui se rend coupable de ces infractions est passible, en outre du paiement pour une première infraction, d'une amende de $300 à $500 ou d'un emprisonnement d'au plus trois mois, ou des deux peines à la fois et, pour toute récidive dans les deux ans, d'une amende de $500 à $1 500 ET d'un emprisonnement d'au plus six mois.

To aid snow plowing and removal in the Village of Shawville, no overnight street parking will be allowed from December 15th to May 1st. Motor vehicles parked contrary to the above will be towed away at the owner's expense and the same owner will be subject to a fine.

MOTORISTS ARE REQUESTED TO REFRAIN FROM UNNECESSARY DRIVING IN AREAS WHERE SNOW REMOVAL IS IN PROGRESS.

SHAWVILLE COUNCIL

Le salaire minimum au Québec

Depuis le 1er novembre 1973, le salaire minimum est de $1.85 l'heure pour la semaine normale de travail. Il sera de $2.00 l'heure à compter du 1er mai 1974 et de $2.15 à compter du 1er novembre 1974.

« Semaine normale » désigne une période de sept jours pendant laquelle le salarié effectue son travail. La semaine normale est fixée à 45 heures de travail. Au delà de 45 heures de travail dans une semaine, le salarié effectue des heures supplémentaires et doit être rémunéré aux taux supplémentaires. Le salaire minimum pour les heures supplémentaires est fixé depuis le 1er novembre 1973 à $2.78 l'heure. Au 1er mai 1974, il sera de $3.00 l'heure et au 1er novembre 1974, de $3.23 l'heure.

Les 45 premières heures de travail (semaine normale) sont rémunérées au taux de $1.85 l'heure, et les 10 heures supplémentaires au taux de $2.78 l'heure et ce, du 1er novembre 1973 au 1er mai 1974. Au 1er mai 1974, les taux augmenteront selon l'échelle déjà donnée.

Si un salarié est payé au taux horaire de $2.25 par exemple, il a droit à ce salaire pour les 45 premières heures de travail dans la semaine et à $2.78 l'heure pour les heures supplémentaires.

La Commission fixe également d'autres conditions minimales de travail tel les vacances annuelles, l'indemnité pour ces vacances, le repos hebdomadaire, la période d'attente, l'indemnité de présence, le mode de paiement du salaire . . . On peut se renseigner sur ces conditions de travail à l'un ou l'autre des bureaux de la Commission du salaire minimum.

La Commission compte beaucoup sur la participation du public pour dénoncer les infractions à ses ordonnances. Un salarié qui se croit lésé dans ses droits peut porter plainte à la Commission du salaire minimum. Celle-ci fera enquête et réclamera au nom du salarié le montant auquel il a droit. En plus des enquêtes sur plaintes, la Commission procède également à des enquêtes régulières.

snowmobile buyer's guide

When you're out looking for a high performance snowmobile, don't be taken in by size.

Most people think high performance snowmobiles are big. Simply because most of them are. But with the SS, we took a different approach. We made it compact.

There are certain advantages inherent in a compact snowmobile. First of all, it's easier to handle on a tight trail. But more important, it's light. And lightness is essential when you're after performance.

Imagine a Volkswagen with a Ferrari engine

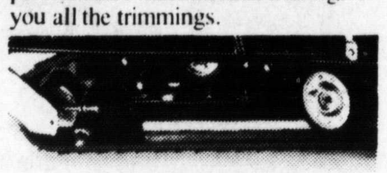
The Elan SS weighs in at a compact 330 lbs. But, instead of powering it with an appropriately compact engine, we gave it a super-tuned 293.5 cc Rotax twin. So SS moves out like a Volkswagen with a Ferrari engine. Just how hot can you get?

Less than 1/3 of a pound per square inch

But the lightness of the SS is good for a lot more than an excellent power-to-weight ratio. It also allows for an incredible ground pressure ratio.

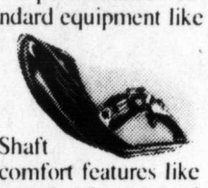
Because, although Elan SS is shorter than a full-size snowmobile, its track is a full-size snowmobile track. So, as well as being light on its feet on hard-packed snow, SS has the flotation you need to hustle you through the deep stuff. And do it safely and surely with a wide 25-1/2" ski stance and a responsive ground leveller slide suspension.

SS gives you the guts of a high performance machine. But it also gives you all the trimmings.



Extra performance features

Add in extra performance features that are standard equipment like shock absorbers, ice-gripping carbide ski runners, our new positive response Square Shaft clutch and extra comfort features like our 3-layer foam sandwich seat, and extra value features like our full one-year warranty, and you've got a complete high performance snowmobile that just happens to be a little smaller than the big ones. And a lot less expensive.



You don't have to go big to go great

So if you're looking for a high performance snowmobile, just remember one thing:

You don't have to go big to go great. See Elan SS at your Ski-Doo dealer's.

L'Hydro-Québec présente à Shawville

Shawville does get mention from time to time in the various inter-office publications, such as the Bank of Montreal magazine as reported here recently. This week we find ourselves featured in the Hydro-Quebec paper "HYDRO-PRESSE". Our readers will enjoy reading this article and seeing the pictures so we have taken the liberty to reprint it here.

M. René Latreille transmettant des informations à M. et Mme Stanley Poaps; à l'arrière-plan Mme Joan Orr, commis principal au bureau de Shawville. Sur la photo ci-haut, Mme Orr en compagnie de Mme Suzanne Malette, commis Relations-abonnés, discutent avec Mlle Diane Andai.

L'Hydro-Québec participait du 13 au 16 septembre à la foire annuelle de Shawville, petite municipalité à l'ouest de la province à environ 80 milles au nord de Hull. L'Hydro-Québec avait pour la circonstance érigé un stand d'information afin de répondre à toutes les questions de cette population largement anglophone.

Funeral was held on Monday, November 19, 1973, from Racine, Robert, Gauthier Funeral Home, 300 Olmstead, Vanier, Ontario, to St Charles Roman Catholic Church at 10: am for funeral mass.

Interment was held in Notre-Dame Cemetery in Ottawa.

Thé annuel au Manoir

by: Les Dames Auxiliaries

Les Dames Auxiliaires organisent comme d'habitude un "Thé ANNUEL"; cette année, il souligne le 5e anniversaire de l'Ouverture officielle du Manoir Sacré-Coeur.

La température idéale de ce dimanche nous favorise et les visiteurs sont nombreux.

Les personnes âgées sentent une fois de plus, que l'on s'occupe d'eux. Tant de déplacements et de dévouement en leur faveur en est la preuve.

Cette Année, Soeur Denise Plouffe, responsable provinciale répond à notre invitation avec les autres membres de son conseil, et se rend à Fort-Coulonge avec un groupe de compagnes. Trois anciennes reviennent partager la fête, ce sont: Soeur Marie-Ange Savard, Soeur Reine Boissonneault, Soeur Diana Tardif.

Parmi les membres du clergé, nous remarquons, Mgr Roland Pilon, V..G. et V..E. curé à la paroisse, les Pères André et Gaston Lassonde, vicaires, et plusieurs autres membres du clergé. Les membres du Conseil de l'administration ainsi que de nombreux parents et amis sont venus nous rendre visite. A tous nous disons "Merci" et les assurons de notre bon souvenir.

WALTHAM

Mrs George Campbell and Dillon Spence were the Euchre Prize winners at the Second Card Party held in the School Auditorium.

This party was convened by Mrs Len Perry and was very successful both socially and financially.

Sincere thanks to Mrs Yvon Amyothe who donated a beautiful hand knit dressed doll as a raffle prize.

Teachers tie policemen

Brian Baker has joined the Shawville Teacher's Hockey Team. This team tied with Campbell's Bay Policemen on Tuesday evening and won the game 5-3 on Wednesday against the Fort Coulonge Polyvalante School.

Low notes

BY: Mrs Robert Lalonde
Correspondent.

There was an accident on Lake St Marie road on Friday night . It was a fatal accident . Mrs Donald Morin of Ottawa was killed.

On Saturday there was another accident, two miles past Gracefield a car hit a hydro pole and then went into the ditch. The driver was Jean Mark Canlomb from Maniwaki. He was taken to Maniwaki Hospital and as he was not badly hurt he was then released.

On the Martindale road there was a truck hit another hydro pole in front of Bill Egon' farm. The man was not badly hurt but the wires were all over the road.

Get well wishes to Mr Glen Saye who is very sick in the Ottawa Civic Hospital. Mr Glen Sage lives in Lake St Marie.

On Friday night there was a graduation in Low. It was held in St Mikes Elementary School with a large turnout. The students marched down the aisle and took their place. The Opening Prayers were said by Rev Father Marois Parish Priest of Low. Then the Principal gave a very nice message. Mr George Singfield Principal of the school presented the certificates.

First to the 1972 graduates as follows: Francis Cruickshank, Leith Kealey, Blair Kelly, Karan Ann Lalonde, Mora Mocery, Anthony McLaughlin, Victor McSheffrey, Suzanne Noel, and then to the 1973 were given certificates to Dale Brown, Gearld Chamberlain, Irene Chamberlain, Irene Diotte, Lynn Gleason, Eloyd Hickey , Colleen Kelly, Sharon Kelly, Dianna Lyons, Jan McCambly, Joan McCambly, Dane McLaughlin, Mary Mahoney, Joan Morris, Janie Murry, Blair O' Connor, Dorthy O' Connor, Paul O'Connor, Beverley Quinn, Laurie Smith and Nancy Ann Sullivan.

Awards were presented for 1973: Nancy Ann Sullivan received five awards and came first of her class.

For 1972 Karan Ann Lalonde received five awards and came first in her class.

Valedictory was by Nancy Ann Sullivan.

Evacuation de l'école Polyvalente

Le 16 novembre 1973 il y a eu une pratique d' évacuation de l'école Polyvalente Sieur de Coulonge dans le but de vérifier notre système d'alarme à feu et par la même occasion constater la rapidité de cette évacuation qui s'est affectuée en 4 minutes et 30 secondes à comparer à 14 minutes 30 secondes de l'an passé.

Le nombre de personnes dans cette école était d' environ 1,000.

Avec l'aide des personnes ci-dessous mentionnées, cet exercice fut un véritable succès.

Bernard Lance, principal, Jean-Claude Gagnon, principal-adjoint, Roch Martin, professeur, René Guillerm, proffesseur, Alexandre Tremblay, professeur, Sylvio Masseau, professeur, Léo Laporte, professeur, Gérald Gauthier, professeur, les étudiants de mécanique-auto-section V, Gilles Girard, coordonateur des mesures d' augence, Mlle Janice Allard, secrétaire, Mlle Jacqueline Bérard, secrétaire, L'agent Michel Leduc, Sûreté du Québec, Jean Landry, coordonateur des mesures d' urgence, Gerry Amyotte, protection civile, Fernand Soucie, Hôtel du Ville, et Kenneth Rose, Hôtel de Ville.

Les étudiants de la Polyvalente ont donné une très bonne participation et aussi les organisateurs.
