president, Bob Haslett, treasurer and Judy Tyner; Second row, Jack Annesley, Jenny Palmer, Mickey Brown, Sandra Ross, Noreen Murphy, Lois Doig, Betty Menzer. Top row, Beverley Archibald, Joan Scharfe, Sandra Bennett, Richard Bolton, David Titt and Leonard Bois.

Message Of Condolence Sent To Royal Family By Westmount Council

At a special meeting of the City Council of Westmount, called at 5 p.m. on Wednesday, the following Resolution of Condolence was adopted and forwarded to the Secretary of State of Canada for transmission to Her Majesty:—

Local Counsellors Will Participate In Camping Meet

Counsellors of summer camps residing in Westmount have been invited to the Conference For Camp Leaders held today and tomorrow in Sir Arthur Currie Memorial Gymnasium, it was announced by Miss Ruby Smith of 501 Claremont avenue, president of the Quebec Camping Association.

The list of speakers include such names as Robert Rourke, Headmaster of Pickering College, speaker, Ron Perry, Headmaster, Ashbury College, an expert in tripping and Drs. Caplan and MacLeod and Nathan Markus on the subject of child development.

"WHEREAS the receipt of the sad news of the death of Queen Mary on Tuesday, the 24th March 1953, has filled each one of us with a sense of loss and regret; and

"WHEREAS Queen Mary during her long life has constituted a fine example of devoted womanhood, motherhood and the perfect Consort of a reigning Sovereign; and "WHEREAS over the years she has occupied a place of love and respect in our hearts;

"THEREFORE BE IT RESOLVED

"THAT this Council desires on its own behalf and on behalf of all the citizens of Westmount, to convey to Her Most Gracious Majesty, Queen Elizabeth II and to the other members of the Royal Family, its deepest sympathy in this their hour of bereavement, and to reaffirm to our Sovereign our loyal devotion and humble duty."

Heather Wins Edinburgh Trophy For The Eighth Time

The historical Edinburgh Trophy has been won for the eighth time by Heather Curling Club. The trophy which has been in competition for 29 years was presented to the Club by Msgr Gerald McShane, a trustee of the award. Four of the skips who

played a prominent part in returning the Trophy to Heather are shown above: Dr. Johnston Abraham, W. J. Peeling, Dr. Harold Griffith and Bruce Adair. Highest plus was scored by W. J. Peeling's rink.

Montreal Aviation Capital Of World, Rotary Club Told

"Montreal is known as the Aviation Capital of the world," G. R. Wilson, Director of Passenger Sales for Trans Canada Airlines, told Westmount Rotary Club at its weekly luncheon.

"Although many Montrealers are unaware of this fact," he added, "it is considered the most con-

genial city in which to live."

Mr. Wilson said that Montreal became the Capital of World Aviation because Canada has taken a predominant interest in aviation "since its transition from what was considered to be the fabulous schemes of a few dreamers, to the present when it has reached the

stature of an exacting science."

Elaborating further, Mr. Wilson told of the merits of the International Transport Association and the International Civil Aviation Organization. He said that I.A.T.A. and the World Organizations are trying to standardize the gauge of air transport on a world wide basis

just as the railroad standardized the gauge of rails.

"When you run an airline, you are working in three dimensions, space, time and altitude — and when it comes to an international airline — you add a fourth — internationalism," Mr. Wilson said.

Annual Sappers' Ball To Be Held April 10

The Annual Sappers Ball will be held Friday April 10 at 2130 hrs., at the Engineer Armoury 1-3 Hillside avenue. The Ball this year is under the patronage of Brig. G. Walsh, CBE, DSO, the Director General of Military Training of the 3rd Field Engineer Regiment RCE

... That Frank Kenwood, head man of Kenwood's Westmount Transfer, is enjoying the beauties of Florida. The trip is not entirely holiday, however, as Frank is also attending a convention of Moving Company executives which just happens to be taking place in Florida this month. Very nice timing.

... That Miss Grignon, accountant at Girard Automobile, was slightly injured and severely shaken up when she was struck by an auto as she stepped from the safety zone in front of Steinberg's at Victoria. She was crossing to the south side of Sherbrooke at the time.

... That Mrs. William Burnett, 88, Arlington Avenue, had a visit from a pair of welcome strangers on Monday morning. Mrs. Burnett was the first of several people to report the arrival of the traditional Westmount Robin this Spring.

... That Hy Ellis, Macy's Prescriptionist with Personality, has been sipping his afternoon tea at the Queen Mary Veteran's Hospital these last few days. Nothing

serious, just a check-up to try and locate the source of a chronic ailment which he brought home as a souvenir from the war. He is being looked after by Dr. Charlie Pick, one of Canada's foremost diagnosticians and a grandson of Mr. Pick of the old local contracting firm of Hand & Pick.

... That Ken Willock is supervising the assembling of materials and the manufacture of a record

album which will be presented to Queen Elizabeth by the Canadian Association of Broadcasters. The C.A.B. searched throughout Canada for someone to do the job and our Mr. Willock was the only person who felt that he could find suitable materials and who was capable of designing the album. It will contain recordings of speeches made by the Queen on her recent visit to this country and will cost in the neighbourhood of \$500.

... That a familiar figure will be missing from the window of the Hazeldine Shoppe for Timmy was struck down and killed by a hit-and-run driver at the corner of Sherbrooke and Victoria. The little, brown spaniel was actually Timmy the Second as his predecessor died a couple of years ago. However, the two dogs were so much alike in both looks and disposition that many people did not notice the replacement. Timmy 2 will certainly be missed.

... That George Bishop, former CJAD announcer and erstwhile Examiner editor, is doing alright for himself in Hollywood. Is now a scripwriter for comic Alan Young's TV show and sometimes does a bit of writing for "Broadway Is My Beat" as well as several other radio shows.

... That there were several exasperated pedestrians at the corner of Victoria and Sherbrooke on Monday morning when, after waiting patiently for the signal to change to "Walk", attempted to cross the street only to be effectively blocked by a street car which came up Victoria and deliberately stopped across the pedestrian's right of way. Funny how there seems never to be a policeman in sight at times like that.

... That our shoe repair specialist, Reuben Berger, was wearing a strip of sticking plaster on his forehead Monday morning. Was positive that there was no connection with the fact that he had attended his son's wedding the day before. Said the wound from that was in his pocketbook, not on his forehead. Claimed to have struck his head on a new shoe-stretching machine he has just had installed. Stretches a point, too, maybe.

... That Mrs. Peter of Peter's Home Cooking is back on the job after her illness.

... That Russ (Electrolux) Grail is getting more sleep now that his latest girl friend is not keeping him awake so much at night. Russ says she's some baby — small, blonde and just 11 weeks old.

... That the building on the northeast corner of Sherbrooke and Prince Albert, next to duBois, has been purchased by Mr. Walter of Walter's Hairdressing.

... That the Hon. D. C. Abbott will be present as usual at the closing ceremonies of the Westmount 'Y' Hobby Show on Saturday, April 11th. The show opens on the preceding Wednesday.

... That Miss Eva Labelle of Miss Herring's Beauty Salon has returned to work after an enforced absence of 3 weeks due to a severe attack of 'flu.

... That Mr. Roberts of Roberts Provisions thinks that the City should install traffic lights at the Dorchester-Greene Avenue intersection. Says that the tremendous volume of traffic at that point makes it too dangerous for both the traffic policeman and the school children's crossing guardian.

... That Mr. Gleeson of Milady Ann Millinery has recovered from his recent illness but has been advised to take things easy for awhile.

... That the man who could grow an Easter lily as large as the artificial one in Ohman's window would make a fortune.

Entries Now Being Accepted For Show

Entries for the Westmount Boys and Girls Hobby Show will be accepted at the Hobby Show Office in the Westmount YMCA beginning Monday afternoon. The Hobby Show Office will be open every afternoon after school next week except Good Friday.

Any boy or girl 19 years of age or under living in Westmount, going to school in Westmount, or belonging to a club or organization in Westmount is eligible to enter the Hobby Show.

The purpose of the Hobby Show is to encourage Hobbies amongst the youth of our City. This year's show will be held from April 8 to April 11.

The Committee of forty-five boys and girls, from the Westmount Boys and Girls Hi-Y Club and representing all schools in Westmount have been planning this year's show since November.

Unity Boys' Club Members Turn Out En Masse For Apple Pie Treat

Wherever there's apple pie you usually find youngsters. More than 400 members of Unity Boys' Club were treated to the biggest apple pie they had ever seen last week. Nathan Steinberg, of Steinberg's Limited, cuts the giant pie as a group of hungry youngsters look on. The pie weighed 150 pounds, was 54 inches in diameter and contained 500 apples, 10 pounds of flour, seven pounds of shortening and 20 pounds of sugar. Standing to the right of Mr. Steinberg are Donald B. Ross, President of Unity Boys' Club and Maurice Mariasine, executive secretary of the Club.

New School Extension Cause Of Roslyn's Early Closing

Elementary classes at Roslyn School will wind up in May, but pupils who need extra coaching to qualify for a higher grade will receive the required time and attention; the Home and School Association was informed last night at its annual meeting.

Only children who automatically qualify for a higher grade will be released early.

Leeds Nelson, a Roslyn graduate, was elected president, succeeding Prof. J. W. Boyes who becomes honorary president.

Chairman G. L. Vickerson, of the Westmount School Board explained the purpose of closing the elementary classes early this year was to enable contractors to proceed with the work of adding an extension and overhauling the old section of the building at an estimated cost of \$450,000.

Children in kindergarten and Grade I will be released May 15, and those in Grades II-V, inclusive, will be released May 29. Pupils in all other grades are expected to be able to continue until the end of the usual term.

Mr. Vickerson did not think it practical to shift the pupils to King's and Queen's Schools to finish the term, nor did he think anything would be gained by shortening the Easter holiday.

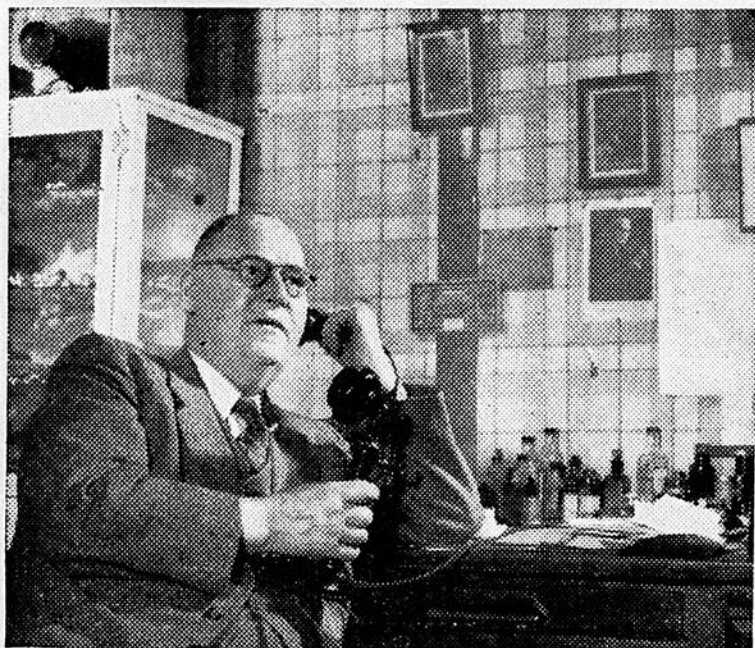

A financial report was presented showing cash in bank at \$755,72.

Other officers elected: Vice-presidents, Mrs. G. Maughan, Mrs. H. M. Gall and M. H. Blakely; treasurer, T. A. C. Sinclair; secretaries, Mrs. W. Y. Soper and Mrs. W. P. Carr.

Book Club To Hold Meeting On Monday

The Westmount Park-Emmanuel Book Club will hold its monthly meeting on Monday, at 8.15 p.m., in Webster Hall.

Guest reviewer will be Mrs. Walter J. Scott who will review "The Cloud Above the Green," by Phillip Gibbs.

Save the Children

Canadian Fund Needs Money To
 Continue Work for Destitute

A renewed appeal for funds has been made to carry on the fine work of the Canadian Save the Children Fund, an organization with its headquarters in Toronto.
 The organization channels out the funds

to needy children in many parts of the world under a unique sponsorship plan. Children have been helped throughout Europe, in Malaya, Korea, Africa, and right here at home in Canada.

Under the sponsorship plan, a Canadian donor takes a personal interest in one specific child. The plan does not take the child away from home, but provides "extras" where home conditions are unsatisfactory due to financial difficulties.

Each child to be helped is investigated and the names placed on sponsorship lists, regardless of race, creed or nationality. A photograph and short case history of the sponsored child is sent to the donor when he makes his payment of \$25 for six months or \$50 for one year.

In many cases this money provides essential items such as clothing, food and medicine for the unfortunate child.

It's a worthy cause which has the support of many important international organizations. Why not give it your support too?

Christian Science

"Reality" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday, March 29th, 1953.

This Lesson-Sermon explains that health and happiness emanate from God, hence are real; while sin, sickness and death are aspects of the false belief that God allows His creation to be invaded by elements He never made.

The Golden Text is from Isaiah: "Since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him."

Bible citations include the following from Acts: "Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he leaping up stood, and walked, and entered with them into the temple, walking, and leaping, and praising God."

Correlative passages from the denominational text book "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "Inasmuch as God is good and the fount of all being, He does not produce moral or physical deformity; therefore such deformity is not real, but is illusion, the mirage of error. Mortals will some day assert their freedom in the name of Almighty God. Then they will control their own bodies through the understanding of divine Science. Dropping their present beliefs, they will recognize harmony as the spiritual reality and discord as the material unreality."

Shaar Hashomayim

YOUTH GROUP

The closing meeting of the current year will take place this Sunday at 10:30 a.m. The program will feature a discussion on "What Are Minority Rights in a Democracy?" Plans are also being discussed for the informal dance to be held Saturday evening, May 2.

SIYUM HABECHOROS

A special Service for the First-Born is taking place on Erev Pesach, Monday, following the regular morning services which commence at 7:15 a.m. The brief ritual will include a special Siyum, which consists of the actual concluding of a portion of the Talmud. This will be followed by a light breakfast which will be served to those who attend, as a "Seudath Mitzvah."

Open School Night

The Parent-Teachers' Association has announced an innovation for the current year in the form of a Second School Visiting Night to be held on Monday evening, April 13 at 8 p.m. This will provide an opportunity to all parents, especially those who were not able to attend the previous occasion last October, to visit the classrooms and to discuss their children's progress with their teachers. A most interesting program in the Community Hall will follow.

St. Andrew's Church Westmount

Next Sunday, will be a significant day in St. Andrew's Church. The Sacrament of Holy Communion will be celebrated at both the morning and evening services. Rev. D. M. Grant will speak on the theme "Broken For Me!" at the morning service. In the evening Rev. H. W. Reid will preach on "The Cup We Bless."

On Good Friday there will be a service of public worship in St. Andrew's at 11 a.m.

Palm Sunday Services will be observed in Westmount Baptist Church over the weekend. These services will be broadcast, that of the morning over Station CBM and that of the Evening over Station CJAD. Dr. Johnston will preach at both services.

The morning subject will be entitled:—"The King Enters the City". It is a very significant thing that He entered "lowly and riding upon an ass".

At the evening service the theme of the address will be: "Signs that God is Around". For many people God seems to be the "Divine Absentee". The secret of happy and effective living may lie in the consciousness that God is never absent, that God is always around.

Parents Of Abandoned Baby Probably Won't Be Punished

Chief Robert Byford of the Westmount Police Force said today that he doubts if any charge will be laid against the parents of a 10 month old baby girl abandoned in a Westmount apartment lobby last Saturday.

The 20 year old grief stricken mother of the baby girl "who wanted so much to keep the baby" admitted abandoning her 10 month old child.

Chief Byford said that when the woman couldn't find a job "she had to leave little Margaret, with the hope she'd be given a good home."

Westmount was shocked on Saturday night when the baby was found abandoned in the lobby of a Dorchester st. apartment house. A note pinned to her clothing read "Please care for my baby. I have no home for her and no food."

The baby was placed in the hands of the Children's Service Centre a Red Feather agency. Police said the father was illiterate and was out of a job. The mother, after searching fruitlessly for a job, finally became discouraged Saturday and abandoned the girl.

Mr. Wilson said that to standardize the gauge of air transport between all countries is a very great task: "It has substantially been accomplished through co-ordinated efforts, but it is a ceaseless and never ending job, for the art and science of flying never stands still.

Society Discusses Further Plans To Protect Women And Children

A few bouquets — with reservations — were tossed to the Province of Quebec Government at the recent annual meeting of the 74-year-old Society for the Protection of Women and Children. The Society is one of Montreal Red Feather's 26 welfare agencies. It exists to "obtain the enactment of suitable laws for the protection of women and children and the proper enforcement of same; and to provide legal assistance to the worthy indigent poor".

The Province of Quebec, by creating a law providing for the enforcement of maintenance orders against males who use their absence from the Province as an excuse to avoid helping to support their wives and or children here, has taken a step in the right direction. However, we now need an accord with the other provinces as to how actually to give everyday effect to the laws, says the report of the Society's re-elected president, H. Walton Blunt, C.A.

After 30 Years

"This Society has worked and waited patiently for almost 30 years to get this statute on the law books of this province. Our thanks are especially due to the Hon. J. R. French, Minister of Mines, who piloted the bill through", Mr. Blunt said. He also paid tribute to Mrs. J. E. Openshaw, honorary secretary of the Society, to George H. Corbett, executive secretary and to the Society's limited but loyal and diligent staff. The Montreal Rotary Club and the Snowdon-Mount Royal Kinsmen's Club were mentioned in the president's account of specially appreciated help. He also thanked the Church of the Messiah for the use of Channing Hall and its pastor, the Rev. Angus deMille Cameron for chairing the meeting.

The Society last year was outstandingly successful, said the president, in collecting money from absconding husbands and other males remiss in their support of their wives or of children.

The executive secretary's report also stressed savings through pursuit of delinquents. It showed the Society extended its services to 1,063 cases, involving directly 4,132 persons, which was 241 persons more than assisted in the preceding year.

Need For New Court

"There is a crying need for a Family Court in this (the Montreal) district. We receive the most sympathetic and patient cooperation from our Sessions and Municipal Courts in attempting to adjust family problems. However, we believe that a properly constituted Family Court is imperatively necessary and that it should be a branch of the court of gen-

eral jurisdiction of first instance. It should have the same dignity and status as the court of general jurisdiction.

"Although the Family Court may deal in dimes (compared with other branches dealing in large sums) . . . it cannot fail to have a greater impact upon the sum total of human welfare and happiness than perhaps all other branches of the court combined", said Mr. Corbett, adding that such a Court should have psychiatrists and other specialists at its disposal, and be headed by a specialist judge or judges.

Some of Montreal's large number of fires that have recently taken the lives of many women and children could have been avoided by proper dwelling precautions, inspections, standardizations and legal enforcement of proper safety measures, Mr. Corbett concluded.

Re-elected vice-presidents were E. A. Macnutt and Robert E. Cameron. W. H. Campbell, C.A., was re-elected honorary-treasurer. New directors include: Miss Joan Gilchrist, Ludlam Hawkins, Rev. A. McIlwain, Walter B. Potter. Retiring directors are: Mrs. Oliver Smith, Mrs. W. L. Jamieson, Mrs. C. K. Lally, O. W. Dettmers.

Catholic Women's Organizations Urged to Help Rehabilitate Girls

The need for recreational therapy is just as urgent for girls who have the same craving for entertainment as have boys of the same age group and who share the same social background, Mrs. John C. Kelly, chairman of the Catholic Girls Rehabilitation service, said recently the first annual report of the service today. The report condemned the lack of interest on the part of local English-speaking Catholic women's organizations in the work of the rehabilitation of girls who have been committed to protectorate schools.

The unit, an agency of the Federation of Catholic Charities, has been in operation for the past year as a new service to the community on the part of the Federation.

Mrs. Kelly paid particular tribute to the work done in the rehabilitation field by the men's service clubs, and other organizations of Montreal, and said: "They have an unmatched record for their splendid work towards the prevention and cure of delinquency among our teen-age boys." She reported that the service has approximately 25 clients spread over three French-speaking protectorate schools, and that it is the hope of the agency that some time in the near future there will be an English-speaking protectorate school for girls committed by the Court of Social Welfare. At the moment, she said, every effort is being made to have the girls kept together in one institution, the Maison Lorette. In the meantime, the Provincial Government has agreed to the appointment of a well-qualified English teacher to teach classes at Maison Lorette.

Mrs. Kelly said that a special study commission had been formed by the service bureau and that this had conducted an investigation into St. Mary's Training School for Catholic Girls in Toronto and that this resulted in the preparation of a good plan which "we hope will become effective at the time it is decided to build a similar school here." The report concluded with a vote of thanks to Judge Emmett McManamy, president of the Federation. Mrs. John Corgett is vice-chairman, Mrs. B. Handfield, hon. secretary and Mrs. J. McMahon, hon. treasurer.

Committee Named For Torah Luncheon, At Shaar Hashomayim

The committee for the Torah fund luncheon which the Women's Auxiliary of Shaar Hashomayim is giving in honour of members of Torah fund for 1953, are busy putting the finishing touches to what promises to be one of the most splendid affairs of this season. Members of the committee are as follows: Mrs. M. A. Brown, president; Mrs. Alex Shulman, convener; Mrs. F. V. Elkin, Mrs. Philip F. Vineberg, Mrs. D. M. Notkin, Mrs. Jos. Cohen, Mrs. Jerry Segall, Mrs. M. Shuchat, Mrs. L. Goldschleger, Mrs. H. Lazar, Mrs. Ralph Cummings, Mrs. Philip Levy, Mrs. Fred Packer, Mrs. B. Fogle, Mrs. A. Usher, Mrs. R. L. Bercovitch, Mrs. M. Kirk, and Mrs. M. M. Lazare. This event will be held on Wednesday, April 8, at 12.30 p.m., in the Community Hall. The program will feature a dance recital by Max Mikser, internationally famous interpretive dancer, who will be accompanied by Karl Steiner, brilliant former Viennese pianist.

Torah fund members may enroll by contributing \$6.11 or by joining the "Chai Club" by donating \$18.00. Contributions should be sent to Mrs. R. L. Bercovitch, 4732 The Boulevard, Westmount. Further information may be obtained from Miss Galaman, WE. 8408, at the synagogue office.

Your School, Your Child, and You

ART AND ELEMENTARY SCHOOL (II)

By D. W. J. Dare

Parkville Junior High School, B.C.

How, then are we to achieve the aims for which this period exists? We must recognize, firstly, that the young child has little or no skill, manipulatively, though he is quite willing, in fact, eager, to rush in where angels fear to tread, and secondly, that his outlook on life, his way of seeing things, his unique combination of visual experience and knowledge, his perceptions of important aspects, and his emotional reactions are radically different from those of an adult. They are different, also, at different ages, developing and

changing throughout the period of growth, and they are different even amongst individuals of the same age level.

It is the teacher's function to interest, encourage, and stimulate the children, to guide and sustain them, to be sympathetic and understanding of their difficulties, and to be truly appreciative, not of the visual aspect of their work according to adult standards, but of the urge and force with which the work has been achieved. The teacher, then, must be able to see with children's eyes, must be able to understand what the child is trying to do, before he can be of any help to the child. The child, like the artist, is never simply making a representational drawing or painting, (unless, which Heaven forbid, the teacher has told him to); he is always saying something in his own way. Just as his vocabulary and power of verbal expression is limited, so, too, is his creative, visual expression and, in the same way, the teacher can try sympathetically to understand what the child is expressing. Without understanding how, indeed, can the teacher know the child?

Eager Attitude

In the lowest grades we find few, if any, inhibitions about drawing, painting, modelling, papercraft, or any other medium of expression. Children are eager to talk, eager to sing, eager to dance or paint or express themselves in any way at all, and it is the teacher's job to see that conditions and materials are available and suitable, that opportunity and encouragement are given, and, above all, that only sufficient guidance is given that the children will not handle such implements as crayons and paint brushes, large paper exclusively should be used in picturemaking, a minimum size being 18 x 24 inches, and the brushes and crayons, too, should be large. Large hog-hair brushes are entirely suitable, both round and flat, up to one inch, the paper being laid flat on tables or on the floor, or, for chalks, fixed to the walls with gummed tape.

Young children delight in paint, chalks, and coloured paper, and should be given ample opportunity to work with them. Colours should invariably be opaque, the liquid poster or powder tempera colours being ideal for children up to at least grade eight, and, in order to avoid confusion in the young children's minds, it might be wise to start with black and white with two colours of their own choice, increasing the number of colours available as the children become more confident in their use. Since opportunity must be given for both light and dark tones to be used, a neutral grey paper is to be preferred. White paper restricts children to the use of darker colours and tones. Chalks, in sets of five or six colours with black and white, should be available, as should coloured papers, ribbons, pieces of cloth, silks, scissors, paste, cardboard, plasticene, and many other manipulative items which the resourceful teacher will devise.

Chance to Experiment

In the early days children will love experimenting with the various media and should be given free opportunity to do so. It must not be expected that they will stay very long with one medium, and, so long as they are happily en-

gaged in their experiments and absorbed by the new discoveries they are making, little direction will be needed from the teacher. In fact, the teacher who does not allow them to discover the potentialities of the medium for themselves, and misguidedly shows them how to do things, is not helping the children in their normal development. A time will come, however, when the experimental period will run dry, although individuals will reach this stage at different times, and the teacher must be prepared to provide the minimum stimulus to further expression. A short conversation with a child, a few questions will soon set the child's interest in a definite direction; perhaps a local fair, on May Day celebrations, or simply going shopping with mother; in any case, just sufficient for the child to want to say something, and say it in colour or in form. Perhaps a new kitten will stimulate an experiment in modelling clay, or a story about Indians will suggest a paper teepee. Nowhere will the teacher be directing; only suggesting and stimulating, and the choice of medium will come from the child. Perhaps two or three would work together on a model farmyard, with paper fences and silver paper ponds. If so, we have an opportunity to stimulate co-operation.

(To be concluded)

Millinery this season is feminine and flattering, sometimes with soft drapes. Flowers, ribbons, and jewels have replaced other trimming, while fruit trim has virtually disappeared.

Planked Salmon
Take salmon from 2 1/2-pound cans, and split in halves. Space evenly in center of well-greased baking plank or oven platter. Baste with 2 tablespoons cream to keep moist. At the same time, heat 1 can string beans and mash and season potatoes for four. Remove salmon from oven, drain beans, and surround salmon. Then circle with peaks of fluffy potatoes. Pour two tablespoons melted butter over potatoes and brown. Serve piping hot.

Proper Handling Of Sewing Machine Gets Best Results

Cultivate the habit of treating the mechanism of your sewing machine with as much loving care, say the experts, as your husband lavishes on his car. Singer Sewing centers who conduct sewing lessons all year round for thousands of women, and who have been in the field longest with quality sewing machines, say that the new quicker and easier sewing methods they teach have been developed from experimenting to find out how to get more out of their machines.

Taking a sewing course before using a sewing machine for the first time has a good deal in common with taking a driving course before first getting behind the wheel of a car, they observe. Your best results come from the way you handle your machine.

Consider speeding. No traffic officer regulates the home dressmaker's speed. But breakneck speed on the sewing machine is just as fatal to good seams as speeding is to life and limb in driving a car.

Smooth starting and stopping, rounding curves without jerking are the marks of a good home-dressmaker as well as a good motorist. Knee or foot control should be used at the sewing machine with the same care to effect smooth changes of speed or direction as one would use driving a car. Curved seams at shoulders, neck or collars will improve one hundred per cent from smooth control of the sewing machine.

The wrong thread for the material can cause as much damage to seams as the wrong oil can impede driving. Sewing centres supply charts showing the right kind of thread for varieties of fabric.

On With The Parties, Off With The Pounds!

Remember Helen Fraley, who dieted away 160 extra pounds. Recently, an acquaintance of Helen's attending a club meeting, heard a number of women exclaim over Helen's reducing achievement. Helen's friend replied airily, "any woman can lose weight if she wants to stay home and become a recluse with a box of rye wafers." But according to April Ladies' Home Journal that was the classic misstatement of the year. Helen Fraley says she never once turned down an invitation to a social event during her reducing days. In fact, all the gay card parties, church suppers, luncheons and buffet dinners made the time go by more quickly for her.

Helen Fraley naturally has home wonderful suggestions on how to be the life as well as the lightweight of every party... and how to avoid temptation and extra calories. Her own menus and refreshments for many different occasions listed in the April Journal are sure to make a hit in solving a very real problem for women who are dieting. You'll find that entertaining can be just as gracious, and just as flavorful, with this diet plan.

Rummage Sales

The Women's Auxiliary of Catherine Booth Hospital will hold a rummage sale in St. Stephen's Church Hall, Atwater and Dorchester, at 1.30 p.m. today.

The Ladies Auxiliary, Canadian Pacific (Quebec 96) branch of the Canadian Legion will hold a rummage sale at Calvary United Hall, corner Greene Ave., and Dorchester Street, tomorrow opening at 1.30 p.m. Proceeds of the sale will be used to provide entertainment facilities for veterans' hospitals in the Montreal area.

The hats featured this season will be coquettish sailors, draped toque turbans with or without crown and velvet skullcaps with an extreme point in front almost between the eyebrows.

Shorty For Easter

Easter is the time when men think of new automobiles and women of new clothes. Mother or daughter could try sewing this smart shortie coat for the spring. There are courses in local sewing centers for both adults and teen-agers where simple tailoring can be learned. Sewing centers advise using the blind hemming foot to save hours of precious time in stitching and lining coats when you want to have almost invisible stitches.

St. George Curlers Present Trophy, Prizes, At Club Tea

The St. George Ladies' Curlers entertained at afternoon tea recently, in honor of the winners of the Jackson Trophy, runners-up, and the Executive Committee of the Ladies' Curling Association. The winning rink was skipped by Mrs. J. P. Day of St. George. Guests were received by Mrs. Gilbert Layton, president, and pouring tea were two past presidents, Mrs. W. A. Ralston and Mrs. W. E. Thompson. Mrs. John Barker, President of the Ladies' Curling Association, assisted by Miss Olive Rogers, first vice-president, presented the trophy and prizes.

Runner-Up, Royal Montreal: Mrs. A. McPherson, Mrs. G. R.

Hospital Auxiliary Plans Renovation Offers Scholarship

Monthly meeting of the Women's Auxiliary of the Queen Elizabeth Hospital of Montreal was held recently in the Memorial Hall, Mrs. C. N. Knowles presiding. Reports were submitted by conveners of committees and a resolution was passed to renovate the public waiting room of the hospital at an estimated cost of \$250.00.

A discussion took place regarding the urgent need to encourage high school graduates to enter the nursing profession, and it was decided to help a student having the necessary qualifications but needing financial assistance, by offering a scholarship, tenable at the Queen Elizabeth Hospital School of Nursing, for the class starting in September. This would cover initial fees and uniform expenses, plus \$10.00 a month for two years, amounting to \$375 in all.

A color film shown by the Dominion Textile Company called "One Third of Your Life" and depicting trends in household linens, was enjoyed by the members. Tea was served by Mrs. H. Thompson and her committee.

Mrs. Hugh C. Fetterly, Convener of the annual spring bridge, reported that this year it would be a dessert bridge, to be held at 1:15 p.m. in Trinity Memorial Church Hall on Tuesday, April 28. Ticket chairman is to be Mrs. R. W. Pearman.

The new line in suits and coats from Paris carry out a collar effect which seems to slide off the neck and shoulders. There are many silk afternoon or evening coats. Some coats are slid off almost to the shoulder caps, then wrapped and held to the side like stoles.

Cristan, Mrs. G. K. Hodges, Mrs. G. E. Cheese, Skip.

Runner-Up, Outremont: Mrs. Hencke, Mrs. Lightbound, Mrs. Bussiere, Miss Olive Rogers, Skip.
Runner-Up, Heather: Mrs. D. R. McFarlane, Mrs. B. Adair, Mrs. T. Doran, Mrs. T. R. Fisher, Skip.

onds in the world, but once I climb through the ropes, there's no one to help me.

"There's another guy in the ring. And it's either me or him."

"Me or him" explains the enigma of Marciano—the mild, almost meek man whose only training camp diversion is an occasional game of ping pong transformed into a wildly aggressive fighter in the ring. Even with his sparring about it after this next big one," partners he's relentless.

Being the champion of the

world has had little effect on him gotta come and get it from me. It makes a big difference.

"I'm not the kind of a guy that lets it go to his head," explains Rocky earnestly. "In the gym it doesn't seem to make any difference."

"Sure it's great to have people call you champ, but I'll let you know more how I really feel

He was referring, of course, to the Walcott joust. Rocky's not the kind to pop off with predictions.

He will say, "I had to go get the championship from him. Now he's

"You know, I've never seen the full pictures of that fight. But, gee, there was a lot of action in it, huh."

That awed detachment is basic. Rocky Marciano the man can't quite get over being Rocky Marciano the fighting champion.

SPORTS

at St. Leo's

GOALO BALL, a new game to the students at St. Leo's is becoming popular with the formation of a high school intermural league that will play regularly in the school hall. The rules of this game combines the regulations of Basketball and Hockey.

Paul Ramsey is on his way up the Golden Glove Trail, winning his first bout by the T.K.O. route.

A nod of thanks to the French-Speaking Parents Association for coming forward unsolicited and contributing twenty-five dollars to be used for awards in Pee Wee and Bantam Intermural Hockey. Merci beaucoup!

A Pee Wee Track and Field Club is in the process of formation in the school. Lionel Fournier, Director of Westmount Athletic Grounds, was present at the first organizational meeting and outlined a mighty attractive program for the youngsters.

Congratulations are in order to D'Arcy McGee's Senior 'A' Hockey Club in winning the Senior School Hockey Championship. Brother Paul's Double Blue crew got off to a slow start in the schedule but came thundering home in the last few games, by far and wide the best team in the league.

A senior school tennis tournament is scheduled for the month of May and a large entry is expected, and with a good break in the weather, the Academy's bantam intermural softball league should be able to get underway in a few weeks.

Under the expert coaching of Mr. E. W. Connolly, the curlers are making good progress in learning the fundamentals of the

school colors in regular competition in interscholastic curling.

Westmount Stars Take Opener

Regents Face Elimination With Two Men Sidelined

The Westmount Avenue Stars will be out this Saturday to try and repeat their clean sweep of the final playoffs in the St. Laurent Intermediate Hockey League. Last year the Stars took Royal Pharmacy into camp in two straight games. This year the Stars are up against the N.D.G. Regents.

A 4-2 win for the Stars last week has the Regents with their backs to the wall. They have to win or else. The Regents will have to come up with something! They'll be missing two of their star players with Jack McMullan and Bud Doray, out of action for one week.

However, Tony Malo, a fleet forward from Brown University in the States, will be in town for the game as one replacement. As far as the Avenue Stars are concerned, why break up a winning combination? Kev Kennedy will stand pat with his line up.

Starting time is 2 o'clock at the St. Laurent Arena, Saturday afternoon.

Scoreless Period

Last week's encounter saw the two teams battle through a score-

combining with Simmons, finally blinking the red light, gave the Stars their winning marker with just two minutes left in the game.

The Regents' last minute effort to get back into the game failed and then Ronnie Brambell let fly with a long shot to make the mount 4-2 with only one second left in the game. The puck was in the air when the second hand of the clock stopped but the siren was a second late in sounding and the puck was in the net.

less opening frame, but Mighty Mickey Bourassa shot the Stars into a brief lead on Jim McCarthy's rebound after four minutes in the second period. Two minutes later, however, Charlie Garneau knotted the count on Syd Griffin's set-up pass. Before the second session came to a close, Al Cotter moved the Westmounters ahead once more and the score remained 2-1 until the ten minute mark of the final period, when Paul Gallagher tied the count for the Regents with Garneau also in on the play.

Arthur Penny Elected Chairman

At a meeting of the Parents and Leaders' Club, Arthur Penny was elected Chairman of the Planning Committee which consists of Robert Vaux, J. C. Wilson and Mrs. D. Barr who also holds the position of Social Convener and Treasurer. The next meeting and social evening of the Parents' and Leaders' Club takes place Saturday, April 18 at 8.30 p.m.

Talent Club Have Busy Week

The Unity Boys' Club Talent Parade under the supervision of Fred Pennell entertained approximately 1000 adults and children during the past week. Last Friday night the group presented a benefit performance for the Ladies Parish Guild of the St. Ignatius Church in the Town of Montreal North. On Saturday afternoon 425 members of the Club saw the Variety Show as a preliminary to the gigantic pie, ice-cream and coke special event and on Saturday night some of the youthful entertainers travelled to Valois where they again sang and danced their way in to the hearts of some 300 parents and children at a father and son, and mother and daughter banquet sponsored by the Lakeshore Lodge of the Masonic Order and which was held in the Valois High School.

Last Wednesday night, the entire group entertained the patients at the Queen Mary Military Hospital. The cast included: Julia Whims, Walter Sobolta, Ellen Ford, Stewart Mitchell, Norma Craig, Gordon Hachey, Ellen Hamon, Doreen Thornhill, Gary Stevens, Eleanor Cumberbatch, Sylvia and Lorraine Thoun, Ray Filiatrault, Barbara Skelton, Reggie Wilkins, Andree Hebert, Lois Alum, Lucy Snell, Helen Craig, Yvon Larocque, James Foley, Anna May Green, Dawn Meating and Joanne and Dorothy Bragger.

Last Wednesday evening the inaugural meeting of the Unity Girls' Club was held with the following attendance: Barbara Nye, Phyllis Chapman, Dorothy Gallagher, Joan Driver, Christina Gallagher, Alice Gibson, Carol Goudreau and Alice Beasant. Tentative plans were made to hold an Easter Party and also the making of Club Slogans. The newly-formed Club is under the leadership of Miss Julia Rivet.

Staff Additions

Three new workers have been added to the Unity Staff — They are: Mrs. Margaret Furness, Miss Doreen Sovenko and Miss Julia

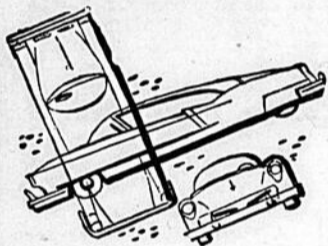

Rivet, the two former as games room attendants and the latter as a club leader. There are still vacancies for people who wish to assist in the Games Room.

Sports

Unity's Juvenile Girls and Boys basketball teams won a double-header from the Griffintown Boys' Club 50-9 and 59-32 last Friday night. High scorers for Unity were:

Why the beer with the heart of gold?

Deep within its golden goodness is a mellow smoothness that no other beer can equal.

That's because Carling's Black Label is brewed a little slower, to give you every bit of good taste . . . aged a little longer, to give you a real honest-to-goodness heartiness.

That's what makes Carling's Black Label the beer with the heart of gold. If you haven't already made its acquaintance, there's no better time to do so than today.

You'll be glad, very glad, you did.

CARLING'S Black Label LAGER

Interschool Volleyball Boys' Tourney Tomorrow; "B's" Lose Last Cage Do

By ALLAN SANDZELIUS

Tomorrow morning at the Junior High gymnasiums, the annual boys' interschool "A" volleyball tournament takes place with the starting whistles scheduled for an early nine a.m.

Coach Ron Sharp reports his "A" and "B" teams in top form for this do even though practices have been hampered somewhat by the recent exams.

The senior "B" rounds will also be carried off at the High School of Montreal at the same time.

It will be remembered that in the past few years, the local volleyballists have edged up to the final wire only to be defeated at the post by such narrow margins as 15-13 and 16-14 all without any moral support from any fans.

Surely it wouldn't be too difficult to round a few of the gang and traipse down to the Junior school for a few hours of exciting entertainment to start the day right, and perhaps see one more championship ushered into the Purple and White trophy rooms.

On Tuesday last the senior "B" cagers under mentor Sharp, finished a bitter season of straight defeats by dropping a close 42-35 match to Montreal West at home. Do not condemn these hard fighting fellows, however, as they gave their all throughout the whole term and lost a goodly percentage of games by way of the one and two point margins under considerably weightier odds. Full team line-ups next week.

Elsewhere in the WHS sportive scene we are hearing rumours to the effect that a possible Athletics Nite will soon be forthcoming with a feature probably being a return match between Cornwall and the local "A's" basketballwise! This would take place somewhere about the end of April.

On the Girls' athletic front we find but one interschool sports to be contested, that being the annual badminton round robin coming up April 13 at the Arthur Currie gym. This is another sport that Westmount girls have found.

in the past, to their liking with quite a number of city titles to prove it.

With such a lineup of shuttlecock stars in this year's roster, including Heather Doig, Martha McDougall and Cairine Gilmour and with championship coach Joan MacMillan, their chances this year to cop the silverware look bright indeed.

With important exams just concluded at the little school below the fire station, there have been few doings to record in our regular (syndicated?) column so we'll content ourselves with a few meagre notations herewith . . . there'll be a big inter high school Hi-Y conference on April 6, 7 and 8 at Cornwall at which Westmount will be represented by the following — Barb Wilson, Pres., Girls' Hi-Y, Trudy Cornell, Jan Buzzelli, Mickey Brown, Liane Roberts, John Brierley, John Nourse, Paige Fairchild, Eddie Fox and Dave Smith . . . on the entertainment front, the Westmount Hi-Y are holding a Sadie Hawkins shindig tonite at the Westmount 'Y' with all sorts of prizes for the most original corsage made by a gal for her pal . . . finally, happy birthday greetings to the guys and gals who celebrated this week and who will be present-unwrapping (!) in the semaine to come . . . on the 21st instant — Norm Schacter and Sandra Ross; on the 23rd Sue Christmas and Rhett Lawson, while Mike Larratt hit on the 25th, Dolce Narizanno (we hope we got that spelling right, Dol!) filled out yesterday and Diane Dick gets many happy returns today . . . On Sunday Ted Hough has his day, Johnny Murphy hoping he won't get fooled on April Fool's as Bonnie Brideaux and John Black celebrate on the second and third.

Rotary Carnival Planned In June

The Westmount Rotary Carnival, one of the oldest institutions of its kind in Montreal, will once more stage all the fun of the fair in Westmount Park this summer. The carnival, one of the chief attractions on the Island of Montreal will open on Tuesday, June 23, and continue each evening until Saturday, June 27.

The announcement was made this week by Frank Kenwood, chairman of the Rotary Club of Westmount Carnival Committee. Proceeds of the carnival will, as usual, go to the various charitable projects the club has built up in Montreal. These include the Unity Boys Club and High School scholarships at Protestant and Catholic schools in Westmount.

Nebraska ranks fourth among states of the Union in production of creamery butter.

This Week And . . .

(Continued from Page 15)
Pat Baker, Chummy Carter, Cookie Giblin, Kay Noorse, For Griffintown, Joe Harte, John Reese, Don Weiss and Marty MacNar were tops.

Unity's Biddy Basketball Team bowed out of further competition last Saturday afternoon when they lost the final game to University Settlement 40-17—However, three

members of the team were chosen to play in the All-Star game tomorrow afternoon — They are: Keith Gavin, John McDonough and Bryn Wakely. — One or all three players may be chosen to represent Montreal in the Biddy Playdowns in Scranton, Pennsylvania.

the Queen's beasts

Visitors to the Coronation this year will have a chance to see the Queen's beasts. They will form a line of sculptured animals, sitting upright, six feet in height, in the Annex of Westminster Abbey. Here they are:

The Lion of England, the Unicorn of Scotland, the Falcon of the Plantagenets, the Griffin of Edward III, the Bull of Clarence, the White Lion of Mortimer, the Greyhound and the Dragon of the Tudors, the Yale of the Beauforts and the White Horse of Hanover.

The study of Heraldry is an ancient art and a fascinating one. For example, we learned from an expert that a Yale hasn't anything to do with a university, or the boys that play the "Princetons" and the "Harvards". A Yale, or Jall, or Eale is a fabulous creature with horns and tusks. It's white with yellow spots and used to support the arms of the Lady Margaret Beaufort, who was the mother of Henry VII. And we'd rather see than be one.

Another ancient art is brewing. It's ancient right here in Quebec, where the ale that's preferred over all other brands combined has been brewed by one family on the same site since 1786. For that's the date when Quebecers first began using the amiable phrase: "Make Mine Molson's". And you don't have to travel to the Coronation to find the interesting evidence.
