Gray's Creek Dairy,

CORNWALL.

MILK DEPOT,

No. 179 St. Bonaventure Street,

CORNER OF CEMETERY STREET.

The Proprietor of this Dairy aims at supplying the City of Montreal with one of the most important necessaries of life—

Pure Fresh Milk,

OF THE BEST QUALITY.

It is clear this valuable article of domestic consumption cannot possess the quality it ought, unless it is obtained from cows free of all disease, breathing pure air, and receiving a sufficient supply of wholesome and nutritious food. For this purpose an extensive estate, three hours by rail from Montreal, has been converted into an exclusive dairy farm. Well ventilated stables to accommodate 300 cows, and all the appliances necessary for a large dairy have been constructed on the latest and most improved principles.

Experienced dairy maids have been carefully selected, and the most minute cleanliness is insisted on.

It is not the proprietor's intention to distribute in small quantities, but to supply hotels, public and private institutions, milk men, and parties contemplating the establishment of milk depots wholesale, in 10 gallon sealed cans.

The milk will only be delivered in its natural state; cream, if required, must be separated by the parties purchasing.

Applications for quantities required, and other particulars, will be received and promptly attended to by addressing
