Farm Price Spread Probe Promised

Diefenbaker Outlines Agricultural Policy

BRANTFORD, Ont. — Progressive Conservative Leader John Diefenbaker said today that if his party is elected June 10 the government will set up a royal commission to investigate price spreads on farm products.

In a statement issued aboard his campaign train, Mr. Diefenbaker said the royal commission would be asked to provide consumers with "full and complete information" on what happens to food prices between the farm and the table.

He said farmers now receive a little more than 50 per cent of what is paid by consumers for food products, compared with a 50-per-cent share a few years ago.

Aboard the train with the PC leader was John A. Charlton, the party's farm spokesman in the Commons seeking re-election in Brant-Haldimand.

3rd Party 'Ruining System'

BROCKVILLE, Ont. — John Diefenbaker says the CCF or Social Credit parties have no hope of forming the government at Ottawa and are contributing to undermine the parliamentary system.

Third parties had set up regional groupings in the Commons and ruined the two-party system, the Progressive Conservative leader said here Wednesday night.

"No parliament divided in that way can function. Unity can only be maintained by preservation of the two-party system."

World News In Brief

LONDON. — (Reuters) — Malta Governor Sir Robert Laycock conferred Wednesday with the colonial office on the threat of the Mediterranean island's premier to seek political independence instead of integration with Britain.

MADRID. — (Reuters) — Twelve of 14 passengers were killed and two others severely injured Wednesday when a Spanish paratroop transport plane crashed at Sidi Ifni, Spanish possession in northwest Africa. The plane was on a training flight for paratroopers.

NEW YORK. — (AP) — Sailing of the liner Queen Mary was delayed 20 minutes Wednesday as police searched the ship following an anonymous bomb threat. No bomb was found.

SYDNEY, Australia. — (Reuters) — Canadian Pacific Airlines early next year will connect Canada and Australia with fast trans-Pacific service, the Australian manager of CPA said Wednesday. Using turbo-prop, 100-passenger Bristol Britannias, the air line plans to fly planes from Vancouver to Sydney in 22 hours.

LONDON. — (Reuters) — The British Handley Page Aircraft Company Wednesday announced production of a twin-turbo-prop air-liner to carry 43 passengers over a range of 600 miles at a cruising speed of 275 miles an hour. The plane is called the Dart Herald.

TOKYO. — (AP) — Russia told Japan today that she is ready to agree with the United States and Britain on ending nuclear tests, and asked Japan to join them in urging a ban on the West.

PORTAGE DU FORT, Que. — (CP) — Mayor Elsie Gibbons, Quebec's only woman mayor, returned to office unopposed for another two-year term as chief magistrate of this village of 500. Then she promptly left town to help fight a district bush fire.

No Threat To Eden St. Laurent Accuses Solon Low Of Lying

OTTAWA — Prime Minister St. Laurent has accused Social Credit Leader Solon Low of uttering a "downright lie" about undisclosed contents of telegrams Mr. St. Laurent sent to then British Prime Minister Sir Anthony Eden during the Suez crisis last fall.

He also offered — though it was more in the nature of a challenge — to have another Privy Council member, after reading the classified telegrams, assure Mr. Low that the prime minister is telling the truth when he says there was no threat in them.

He made his statements to reporters Wednesday night on his return by air to the capital from a 12-day campaign for the June 10 federal election that took him

Reds Reject Notice For Bomb Tests

LONDON (AP) — The Soviet Union rejected Wednesday a Western proposal that the United Nations be given advance notice of all nuclear weapons tests.

The Russians have conducted 11 unannounced nuclear tests since August.

Valerian Zorin, Soviet delegate on the sub-committee of the UN disarmament commission, blasted the proposal as "taking us no farther towards even a temporary suspension of H-bomb tests."

Zorin then read into the record of the six-week disarmament committee lengthy statistics and information on effects of fallout from nuclear tests.

Despite Soviet rejection of the British plan, some members of the U. S. delegation were mildly optimistic.

"The atmosphere in the committee is more businesslike," one of them said.

US Reported Ready To Resume Tito Aid

WASHINGTON (AP) — The United States is reported about ready to resume military aid, including jet planes, to Yugoslavia after banning any weapons shipments for nearly a year.

"A top-level decision to end the existing embargo is understood to be near, subject to President Eisenhower's final approval."

Senate Republican Leader William F. Knowland, a vigorous foe of major military aid to Yugoslavia, is reported to have been advised by administration leaders that they are sympathetically considering such a move.

Under the ruling now taking shape, however, Yugoslavia would not get the full backlog of about 300 American jet fighters previously earmarked for delivery.

The Yugoslavs would receive an undisclosed number of them a few at a time over a period of several years. Shipments of American tanks, howitzers and other heavy military hardware would be renewed pretty much according to previous delivery schedules.

Under congressional pressure, the U. S. banned all military aid to Yugoslavia last Aug. 15, mainly because of suspicion that President Tito might be patching up his eight-year-old quarrel with Moscow.

Assembly Re-Elects President

BOGOTA, Colombia — (AP) — More turbulence appeared in prospect today for Colombia following the re-election of President Gustavo Rojas Pinilla by the government-picked constituent assembly.

Ignoring widespread demands for a popular election, the assembly voted Wednesday night — 76 to 1 — to give Rojas another four-year term beginning in August, 1958.

Violent protest demonstrations and strikes have kept the country in an uproar since Friday. Troops and armored cars guarded the capital as the assembly met.

The assembly, which Rojas wanted to rewrite the constitution, voted two days earlier to suspend constitutional articles requiring popular election of the chief executive and forbidding a president to succeed himself. Rojas took power in a military coup in 1953.

Before and after the assembly meeting police broke up several scattered demonstrations with tear gas. Reports reached Bogota that from 15 to 50 persons were killed and more than 100 injured Tuesday in anti-Rojas riots in Cali, 185 miles southwest of here. Unconfirmed reports said police used bayonets and gunfire against the crowd.

Five persons were officially reported killed in Bogota and Cali during the weekend.

About 1,000 poorly dressed pro-Rojas demonstrators took to the streets before the assembly meeting and demanded the reopening of all banks and industries.

The government radio claimed "some agitators are coercing stores to oblige them to close" but declared police "will guarantee property with force." Another broadcast said banks that participated in the business strike would be punished by having the interest rates on their deposits reduced.

There were food shortages in Bogota as shops remained closed through a second day.

Murdochville Tempers Strained As Company Plans To Re-Open Mine

MURDOCHVILLE, Que. — Strike-frayed tempers strained towards the breaking point today as workers waited to see if Gaspé Copper Mines Limited could resume operations Friday.

Earlier this week the company said it could, and would resume operations if it does, trouble could be expected from some 800 United Steelworkers of America (U.S.A.) members who have kept the mine strike-bound since March 11.

The company has said it will have enough workers, both union and non-union, to start production on a restricted scale. The union maintains the company is bluffing.

Another friction point was discussed by this Gaspé Peninsula community's five-man municipal council. Council was scheduled to consider the possibility of cutting off water supply to 50 homes for non-payment of water taxes.

PAYABLE QUARTERLY
Municipal Secretary-Treasurer Gabriel Bernard said some of the tenants in company-owned homes already have received a notice, and notices are pending in other cases. The tax, payable quarterly, varies from \$6.88 to \$8.15.

Telephone communications with this community were disrupted Wednesday night.

In Ottawa Wednesday, President Claude Jodoin of the Canadian Labor Congress accused the company of "obvious distortion," in an advertisement carried in several newspapers.

In a statement, Mr. Jodoin described the strike as unnecessary and said the company's tactics have been "out-dated and foolish."

In the advertisement the company contended the strike is illegal because the union has not been certified as bargaining agent for the workers.

Broadway Met Star Pinza Dies

STAMFORD, Conn. — (AP) — Ezio Pinza, Metropolitan Opera bass who became world-famous through his singing role in the Broadway musical South Pacific, died early today at the age of 64.

Pinza had suffered two heart attacks and a stroke.

At Pinza's bedside when he died were his wife, the former Doris Leak; their two daughters, Celia, 15, and Gloria, 6, and their son, Peter, 13. Pinza also is survived by a third daughter, Mrs. Claudia Bolter, born to his first wife, who is dead.

After 25 years atop the opera world he successfully made a difficult transition into popular music and became a matinee idol of Broadway musical comedy.

Princess Needs A Breadwinner Too Says Swedish Royal Family

STOCKHOLM (AP) — The Swedish royal family believes even a princess must have a breadwinning husband and Princess Margaretha's suitor isn't winning enough.

That, Baron Carl Reinhold von Essen said, is the basis of her family's objection to the romance between the princess and the British nobleman - pianist Robin Douglas-Home.

Von Essen is lord chamberlain and spokesman for the royal household. He explained Margaretha has little money of her own. If she married the 25-year-old Briton, they would have to live on his income and she "would have to go to market, cook her own food and keep house for her husband," he said.

NO SOCIAL OBJECTIONS
"If and when these practical obstacles are overcome, the Swedish royal house has no objection to a union-provided the Princess still is interested."

"This is not the first time she has been in love. Please remember that youth is youth."

Douglas-Home's income is said to be \$126 a week from a day-time job at a London advertising agency and a night job as pianist in a hotel bar.

The lord chamberlain said: "The Swedish royal family is very democratic, and there have been no objections, whatsoever as regards the social status of young Robin Douglas-Home. I want to make this perfectly clear."

The latest story printed here is that a Stockholm hotel is trying to hire Douglas-Home for a summer piano-playing engagement.

The Strand, Margaretha's favorite dancing spot in Stockholm, was reported awaiting a reply from Douglas-Home as to whether he would be available to play in its nightclub bar.

Prince Charles Loses His Tonsils

LONDON — (Reuters) — Prince Charles underwent an operation at Buckingham Palace today for the removal of tonsils and adenoids.

An official bulletin described his immediate post-operative condition as "very satisfactory."

Townships Situation Dangerous

The forest fire threat has become serious in the Eastern Townships and throughout Quebec province as hot weather and high winds threatened to spread a rash of fires in tinder-dry woods.

Provincial government officials said that restrictions would be imposed on forest travel unless the situation improved.

A spokesman for the St. Lawrence Corporation, East Angus, holders of one of the largest forest areas in the Townships, said

One major forest fire is raging in the Little Lake Magog area today, another smaller one near St. Denis de Brompton has been brought under control.

At Little Lake, some three square miles of Crown timber is burning after a blaze started in the isolated region yesterday afternoon. The fire is spreading between Beauville and St. Elie d'Orford on the 11th and 12th ranges. No fire-fighters have yet been called out to fight the blaze, and water is not available.

There are no houses in the vicinity of the blaze.

At St. Denis, a small bush blaze started yesterday about 4 p.m. on land owned by Laroche Garage.

Yesterday that if no rain is forthcoming within the next 48 hours, the forest situation will be extremely dangerous.

Ernest Dupuis, inspector in charge of fire protection for the corporation, said yesterday low spring rainfall and high winds are responsible.

Referring to the 125 square miles of timber in Compton, Wolfe, and Richmond counties held by the Corporation, he said: "Our forests have been closed for the past three days. We received word from our forestry station at Garlby that the inflammability index has risen to the danger point."

Polish Cardinal Greeted In Rome

ROME — (Reuters) — A huge crowd, including more than 2,000 priests and nuns, gave an enthusiastic welcome Wednesday night to Stefan Cardinal Wyszyński, primate of Poland, as he arrived for his first meeting with the Pope in six years.

Wyszyński is the first cardinal to come to Rome from a Communist-ruled country since the war. He will report to the Pope on the crucial role he is believed to have played in saving Poland from the same fate as Hungary last fall.

Doukhobor Move 'Publicity Stunt'

VANCOUVER — Dean Geoffrey Andrew of the University of British Columbia says the proposal of Sons of Freedom Doukhobors to move to Russia may be just a publicity stunt.

Dean Andrew said: "No country will take them until they accept the responsibility for having their children educated for such (peaceful) purposes within their religious beliefs as any other citizens."

Former Resident Of Gould Marks 90th Birthday

MRS. J. D. MCRITCHIE

GOULD — Mrs. J. D. McRitchie, of Montreal, formerly of Gould, is celebrating the 90th anniversary of her birth today. Born in Coaticook, the fifth daughter of the late Major J. S. Molony and Rosa Wood, Mrs. McRitchie has spent almost her entire life in the Eastern Townships.

After graduating from Coaticook High School, she taught for several years in various schools of the Township of Lingwick. In 1898 she married John Duncan McRitchie of Gould, where she lived for over 50 years.

Mrs. McRitchie has one daughter, Maude, Mrs. P. A. Pickard, of Montreal, with whom she has made her home since the death of her husband in 1950. She also had an adopted son Bernard Atkin, who passed away in 1948.

Mrs. McRitchie is well known in Compton County, where she took a great interest in community and civic affairs. She is a member of the Gould Anglican Church and was active in the work of both the Anglican and United churches here.

Until the past year, when she has been confined to the house, she was a regular attendant of St. Paul's Anglican Church in Montreal, and took a keen interest in the theatre. Now, although her sight is failing, she is still a great reader of the Sherbrooke Record and enjoys radio and television.

Her many friends will join in extending good wishes.

Eastman Car Thief Ends Up In Local Police Cells

Eastman— (Special)—An 18 year-old youth was finally arrested last night after he stole a station wagon from the A. B. Ticehurst garage here, followed an erratic course along a back road and smashed the machine into a telephone pole.

Raymond Comeau, of Eastman, is in a Sherbrooke Provincial Police cell today; on a car-theft charge after he was brought from Eastman.

Sgt. Eugene Morin of the Provincial Police said this morning Comeau would be taken to the Sweetsburg Court House for arraignment.

Declares Radio Still In Excess Of Television

MAGOG. — (Special)—Radios still outsell television by far John David, of station CHLT, Sherbrooke, told members of the Magog Lions Club last evening. Now in its 37th year, radio is still gaining popularity Mr. David said. The introduction of television had threatened radio advertising, but the latter had regained its loss, and was continuing to prove more popular among advertisers he said. Mr. David traced the climb of the radio industry, saying that today there are 55,000,000 homes in America with radios compared with 7,000,000 in 1927.

Mr. David was introduced by Roger Choquette and thanked by Howard Foyer.

President Allan Channell spoke of the service club fair to be held during Magog Tourist Week, and called on Albert Goggin for a report on the sale of Easter seals. A substantial gain over last year was shown.

On Wednesday, May 22, District Governor Robert E. White will pay his annual visit to Magog, his home club.

into the pole. Comeau's sister notified of the accident, sought help from several Eastman residents. When they arrived on the scene the youth, slightly injured, attempted to escape.

Chief Gaston Larramee of Eastman detained Comeau until Provincial Policeman Richard Blais of Sherbrooke arrived.

Conciliation In Textile Dispute Underway Today

Conciliation in the dispute between the Dominion Textile Company and the weavers, members of the Sherbrooke Textile Workers Syndicate (CCCL), opened at the Court House yesterday morning.

The difference concerns a change in the working arrangements put into effect on March 25 whereby the union claims the weavers have from 15 to 25 per cent more duties to perform.

The union maintains that the new arrangement constitutes a full-fledged increase in the work burden and that consequently a salary not inferior to the one paid four weeks before the change will be in effect 16 weeks after the change.

The company asserted that it was up to the foreman of the particular department affected to hear any employee claims.

A claim was filed with the foreman of the weaving department but the union was dissatisfied with the results. The union then applied for settlement to the good relations committee, composed of company and union representatives.

This procedure failed so the union sought a settlement through a conciliator. If no agreement is reached at conciliation, the dispute will be submitted to arbitration.

The conciliator is Leopold Roger, of Montreal, while the company is represented by Raymond Charlebois, the superintendent, Derek Atkins and Fernand Pepin, personnel manager.

On the union side there are Rene Gosselin, president of the Textile Workers Federation, Armand Marquis bargaining agent and Roland Bolduc, president of the Textile Workers Union in Sherbrooke.

Magog Electors Show Approval Of Loan By-Law

MAGOG — (Special)—Magog proprietors yesterday approved a \$215,000 loan by-law to complete the laying of sidewalks and streets in the city. This measure, defeated last year, was passed comfortably yesterday. Not only did the majority of the electors feel in favor of the measure, but property valuation votes showed approval.

When the ballots were counted, they showed 439 electors in favor of the loan and only 188 against. Property valuation in favor of the loan was \$2,760,000 and against \$1,992,500.

Miner Dies In Rockfall At Weedon

WEEDON — (Special)—Twenty-seven year old Jean Claude Dufresne, of Gould, former resident of Magog, was killed early today by falling rock at the Weedon Pyrite and Copper Corp. mine.

Dufresne had been working with two other men at the 1,000 foot level on a 45 degree incline shoring up a weak spot in the roof of the shaft. Both of the other men were able to escape with minor scratches. Dufresne was killed instantly. It was previously noted that the ceiling of the shaft in the new section had become dangerously loose.

This accident was the first of its kind at the Weedon mine.

1,300 Diesels For CPR Lines By '61

OTTAWA — (Special)—The CPR will have about 1,300 diesel locomotive units in service by 1961, R. A. Emerson, CPR vice-president of operation and maintenance said Wednesday.

He was testifying before the Kellock royal commission set up to investigate the union-company dispute over the CPR's proposal to reduce its diesel firemen.

During cross-examination of Mr. Emerson, David Lewis of Montreal, counsel for the Brotherhood of Locomotive Firemen and Enginemen (CLC), said the CPR issued a May 2 bulletin on safety on diesel engines for the commission's benefit.

The bulletin, distributed among engine crew members, warned of dangers involved when firemen patrolled diesel road switchers looking for possible defects in the engine room.

"All of this alleged danger of patrolling switchers was taken notice of for the benefit of the commission," Mr. Lewis said.

Mr. Lewis also criticized issuing of a similar bulletin last October when the conciliation board was sitting. He asked why the company had not warned of the dangers earlier, since it already had operated diesels for seven years on the road.

Two Local Universities Return Federal Cheques

The University of Sherbrooke and Bishop's University, Lennoxville, have returned to the National Conference of Canadian Universities cheques amounting to \$194,174 they received from the Federal government. The cheques, amounting to outright grants from Ottawa, were issued a month ago.

Two other Quebec universities — Montreal and Laval — have also returned payments. McGill University, and Sir George Williams College in Montreal accepted the cheques.

Dr. A. R. Jewitt, principal of Bishop's University, said that Bishop's had been returning these grants for the last four years, and accepting only provincial payments. The cheque returned was for \$57,521.

Secretary-general of the University of Sherbrooke, Msgr. Maurice O'Brady, said that their cheque, for \$136,653, was the first payment offered to the new university by the federal government. "It is with great regret that we return it," he explained, "we could have used the money." Such payments have been discouraged by Premier Duplessis as an encroachment on provincial rights.

McGill University accepted a cheque for \$1,184,683, while smaller Sir George Williams' received \$177,001.

University of Montreal returned a \$1,789,439 payment — the largest offered. Laval returned \$1,274,169.

Lay-Off Facing Forty Workers At Magog Plant

MAGOG. — (Special)—Some 40 employees of the Dominion Textile Co., face the possibility of a one-week lay-off some time in the near future according to Normand Belanger, bargaining agent for the textile union in Magog.

The company had decided that the employees will work for four weeks and then spend one week off. This method, proposed by the union, was brought up so that the employees might collect unemployment insurance for the week during which they will not be employed. According to the agent, this will oblige the company to lay off a part of their working force, some 40 employees.

However, according to W. E. S. Greene, of the Industrial Relations Department of the Dominion Textile Co., in Montreal, the lay-off may not come for some weeks. This is due to the fact that while it is necessary to have enough work for the workers, they cannot get ahead of themselves, and rather than work only four days a week as have the cotton mill workers for some time, the union would rather have them work full time and then take one week off with unemployment insurance compensation.

According to Mr. Greene, the work will carry on until the employees have got one full week ahead of themselves and then the lay-off will come. He added that it may not necessarily come for some weeks though, depending upon the amount to be accomplished.

Correction —

Sergeant J. C. E. Dubord, who was named yesterday as staff sergeant of the Sherbrooke detachment of the RCMP, is officer in charge of the Sherbrooke detachment, and not second in command, as was reported in the Record yesterday.

Sgt. Dubord was promoted to sergeant in 1954, and stationed at Drummondville, until August, 1956, when he was transferred to Sherbrooke, he was in charge of the Rimouski detachment, comprising Riviere du Loup, Carleton, Bersimis and Seven Islands.

The Sherbrooke detachment covers Sherbrooke, Bedford, Rock Island, Drummondville, Granby, Knowlton, Coaticook and Megantic.

Let's Have More Heckling

Reports of the Prime Minister's Western election tour indicate that he ran into some hecklers. Although some people may deprecate this as showing disrespect for the political head of our nation, most will agree that heckling is a healthy sign. Canadian politics have a reputation for dullness and it is a bad thing. A little more spirit in our election meetings would be most welcome.

Fortunately, in the province of Quebec, politics have been more lively than in other parts of the country. Nevertheless, there is even here a tendency for meetings to be entirely too well run.

Some Canadians have taken a rather peculiar pride in our cult of national political dullness. They point scornfully to the circus-type convention and campaign in the United States, contrasting this rowdiness with the gentility of Canadian public life. When we do try a bit of whoop-de-do, those waving the placards and wearing the hats inscribed with slogans have a hang-dog air, especially if television cameras are pointing their way.

But heckling is something different. Proper heckling is a skill which can only be developed through practice. In Britain, politicians from the prime minister on down accept it and thrive on it.

As the Ottawa Journal points out, Macdonald, Laurier, Borden, Bennett and Meighen were adept at handling hecklers. Meighen once told a meeting in Quebec City, where he received few votes, that he would answer questions rather than give an address. Then he handled a torrent of questions for two hours. The crowd loved it.

In recent years in Canada, the techniques of the Montreal and Toronto advertising men have been applied to political campaigns. Baby-kissing and whistle-stop handshaking have replaced debate. The gimmick and the slogan have replaced the cracker barrel.

But these slick techniques are designed to stop the voter from thinking. Heckling stimulates thinking. Let's have more of it.

Disturbing Reading

Disturbing reading is contained in several recent news items.

A boy dies in Ottawa after being beaten by a gang of teen-agers, several of them under 16.

The American Federal Bureau of Investigation reports that major crimes in the United States are up 13.3 per cent in 1956 over 1955 and altogether have soared four times as fast as the population since 1950. Youths under 18 have played a major role in this increase.

A U.S. Senate committee predicts that, again in the United States, one million juvenile delinquents will be before the courts in 1965 if the present trend continues.

The picture is not all black, however. Another recent news item revealed how teen-agers saved 25 people from a burning hotel by pounding on doors and walls to give the alarm.

Nevertheless, the increase in crime among young people in North America is alarming. It has reached the point where it can no longer be laughed off with the comments that "boys will be boys" and "I was young once too."

Teen-agers as a whole are being blackened by the foolishness and irresponsibility of a few. This is unfair and regrettable. The instances in which young people act as responsible and helpful citizens are many. Unfortunately, they are not brought to the public attention with the same dramatic effect as a crime of violence.

The solution to the problem of increasing delinquency will not be easy. Its causes are equally complex. But first it will require good will and interest on the part of all sections of the community — and not the authorities alone.

This And That

A local office manager complains that customers are alarmed by the screams of girls being tickled in the ribs by office Beau Brummels. What does he expect? It wouldn't be proper for the girls to look too flattered by the attention.

We have always admired the European's love of tradition and it appears that the Iron Curtain has not changed things much. Warsaw city

council has banned a new fizzy drink called Pola-Cola because its caffeine content is bad for the heart — but nothing was said about that old standby vodka.

Prime Minister St. Laurent said during his Western tour that he believed the main issue of the campaign was good government. Some people believe it should be less government.

The Derby — A Classic Of The Turf

By DAVID HUW JONES
One evening in 1779 a group of England's leading sportsmen dined at The Oaks, the Epsom home of the twelfth Earl of Derby.

They met to discuss the success of a horse race they had planned and held earlier that year on Epsom Downs. The race had been called "The Oaks" after the house in which the idea had been born, and it was revolutionary in the extent that it had been run by three-year-old fillies over a distance of one-and-a-half miles flat. Up to then it had been the custom to hold races in four-mile heats.

With dinner over, Sir Charles Bunbury, a steward of the Jockey Club and an acknowledged leader of turf reforms, had another idea to put to his colleagues: a race for three-year-old fillies and colts "to be run over one mile straight... to start at the Parish of Banstead, half mile east of Tottenham Corner, and to continue thence to the winning post."

All were in favor of the idea and the full conditions of the race were drawn up. But then came a problem: what should they call it?

One of the group declared that it should be named after Sir Charles Bunbury. Another suggested Lord Derby. A coin was tossed and Sir Charles called "heads" and lost. "The Earl of Derby Stakes" it shall be," he said. "No," replied the Earl. "We'll call it, simply, 'The Derby'."

Even though he lost the gamble of having the race named after him, Sir Charles Bunbury got some consolation in being the first man to win what Benjamin Disraeli later described as "The Blue Ribbon of the Turf." With jockey Sam Arnall in his colors, he saw his chestnut colt, Diomed, pass the post a clear-cut winner of the first Derby on May 4th, 1780.

Neither Lord Derby nor Sir Charles Bunbury could have dreamed of the consequences

of their efforts when the first Derby was run before a handful of spectators on that Spring day in 1780. It was the first step towards making Epsom the centre of the world's greatest racing carnival.

Today the Derby, which is on the first Wednesday in June, draws over half a million spectators. The wide open spaces of Epsom Downs are soon filled with a colorful throng. If you want to see the true Cockney at his richly exuberant best, there is no better spot than Epsom on Derby Day.

Here are the Pearly kings and queens and their families; here are the gaudy tipsters — "I gotta 'orse." Here are the fortune-telling gypsies and their brightly-colored caravans; here, too, is the "top-notch" of world society — kings, queens, princes and princesses who annually make the trip to Britain to see the Derby.

In the past 177 years there have been many sensational Derby Days and first place has often been gained by a rank outsider. Take the victory of Mr. Henry Chaplin's Hermit in 1887. The story was circulated that Hermit had broken a blood vessel in the head on almost the very eve of the race. The result was that the horse started at the long odds of 66 to 1, took the lead just before the post and won his owner a fortune of nearly £150,000.

But if Mr. Chaplin made a fortune with Hermit's win, the Marquess of Hastings lost one — £100,000 in fact. Mr. Lord Hastings never recovered from this blow. He committed suicide the following year at the age of 26.

The situation takes on added interest when it is learned that a few years earlier Lord Hastings had eloped with Mr. Chaplin's fiancée.

With the passing of the years, Epsom and the Derby have become well-known words in almost every language of the world.

Perhaps it is a good thing that the coin which spun into the air nearly two centuries ago did not land head-side up. Somehow "Epsom and the Bunbury" does not sound quite right!

Bygone Days

THIRTY YEARS AGO
From the Record of Monday, May 9, 1927.

Fourteen Taschereau Government candidates were returned by acclamation at provincial general election nominations today, there being 85 seats in the Legislature. The Conservatives nominated A. C. Crepeau for Sherbrooke, and the Government candidacy went to J. C. Morin.

An international search is being conducted on both sides of the Atlantic for two French fliers, Nungesser and Coli, who are overdue on an attempted flight across the Atlantic.

TEN YEARS AGO
From the Record of Friday, May 9, 1917.

Several Japanese soldiers who refused to believe that the war was over, were finally convinced that after having holed up for 33 months, they had no chance of winning the war. They were talked into surrendering by one of their old commanding officers who spoke to them using a powerful megaphone from a low-flying plane.

Current developments in the Soviet radio, press and stage were widely interpreted in Berlin yesterday as evidence that an organized program has been launched in Moscow against the press of the western powers.

EXTRA TRICK GREED COSTLY

South looked over the dummy complacently. The spade opening was most favorable and it was just a question of how many overtricks he would make.

He played low from dummy and won East's eight with his nine. He continued by leading a low club to dummy's king and taking the diamond finesse.

West made what turned out later on to be fantastically successful play. He let South's queen hold.

Declarer now played ace and jack of clubs, discarding a diamond and a heart from dummy. East won with the queen and led the deuce of spades. South went right up with the ace.

At this point he could count nine tricks off the top but he wanted ten. He led a heart to dummy's ace and led and finessed the diamond for the second time. It had worked once; it would surely work again.

This time West was ready with the king. He proceeded to cash his two high spades.

It was necessary to make a discard from dummy and South, who was now rather demoralized, let the remaining small heart go. Now West led a heart and it did not matter what was played from dummy. East made the last three tricks with the king, jack and nine of hearts.

South lost game, rubber and 300 points merely because he wanted to make one extra trick.

PRODIGAL SONS

Time and time again, news stories refer to celebrities of stage, screen and radio as "Canadian boys" who have even gone so far as to renounce their Canadian citizenship.

Time to abandon hollow, useless types of patriotism—or are we wrong? Perhaps after all one should keep, as it were, a foot in the door, a fattened calf in the barn, just in case some celebrated deserter decides to return to the fold for a royal welcome as another prodigal son.

PERIL OF HITCH-HIKERS

(Edmonton Journal)
Police forces all over Alberta are cracking down on motorists, especially speeders. There is another hazard which could stand a good deal more attention that it now receives. This is the hazard posed by the hitch-hiker.

Hitch-hiking apparently is impossible to eliminate and with balmy weather approaching the number of hitch-hikers on the roads, particularly on weekends, is bound to increase.

A campaign to ticket or summons hitch-hikers who stand on the pavement as traffic approaches—as a good many do—is long overdue. The practice is serious enough in daylight; at dusk, or at night, it is positively insane, yet there is no provincial regulations to cover hitch-hiking.

ELECTION PROBLEM

TOAST TO THE QUEEN

(Toronto Financial Post.)
Pakistan, though a member of the Commonwealth, is a republic with a president, like India. But at recent social affair for visiting diplomats the Pakistani Prime Minister, Mr. Suhrawardy, began ceremonies by proposing a toast to the Queen.

The other day Mr. Suhrawardy said: "Let me acknowledge our indebtedness to the British for lessons they taught us in administrative integrity, constitutional procedure and proprieties."

The Western countries have learned a lot from the Asians about philosophy and art. It's equally undeniable that the Asians learned the art or science of democratic politics from the West.

The British have done particularly well in this service, as Vice-president Nixon said during his recent visit to Africa. The French, the Dutch and the Americans (in the Philippines) have also contributed. It's notable that the Asian lands still holding out against communism all came under Western influence.

With Mr. Nixon and Mr. Suhrawardy now in the same camp, this might be a good time to stop referring to "colonialism" as if it were a satanic invention.

New Offering To Shareholders By Montreal Bank

MONTREAL — (Special) — Shareholders of the Bank of Montreal are being offered rights to subscribe to an additional 900,000 shares of capital stock at \$30 per share in Canadian currency, on the basis of one new share for each five shares held. Announcement of the offer was made yesterday by Gordon R. Ball, B. of M. president, who said that the contemplated enlargement of the capital stock was made desirable at this time because of the continued growth of the bank's business.

Upon completion of the new issue, the bank's capital account would be increased by \$9,000,000, on the basis of \$10-par-value shares, to make its paid-up capital \$54,000,000, which will be the highest in Canadian banking history. At the same time its rest account would be enlarged by \$18,000,000 to a total of \$118,000,000.

The announcement indicated that the offer was being made to shareholders of record at close of business on May 17, and that as usual, it was being addressed only to those "whose recorded address is not in the United States or America or any territory or possession thereof." This is due to the fact that the share-

holders will not be registered under the U.S. "Securities Act of 1933" and amendments thereto. It is the case, however, that the shareholders to whom the offer is not made will receive transferable rights which may be sold by them.

In describing the offer in a communication to shareholders, G. Arnold Hart, B. of M. general manager, points out that, since the Bank Act prohibits the offer, or the provision of rights in respect of, a fraction of a share, rights will be provided only for each five shares held by each shareholder.

Warrants evidencing the right to subscribe for the new shares will be mailed on or about May 31 next by the Royal Trust Company, which is acting as subscription agent for the bank. The rights evidenced by the warrants may be transferred by executing the assignment-form printed on the warrant.

Although subscription rights are transferable, they must be exercised by August 9, the expiry date, and warrants not used in making subscriptions before the close of business that day will be "void and of no value."

The price of each share subscribed for has been called and made payable in ten calls of \$3 each, to be paid at intervals of about 30 days, from August 9, 1957, to May 20, 1958. Payment, in full or in part, may be made in advance, following the despatch of warrants at the end of the month, and subscribers can make payment through any branch of the bank without charge.

The announcement indicates that each share subscribed for will, on the record date of any dividend, rank in respect of that dividend in the proportion which the total amount of payments made on or before that date on account of the subscription price bears to the subscription price of \$30.

It is pointed out that the Bank Act provides that the amount or value of any money, benefit or advantage received by a shareholder as a result of this offer "shall not be included in computing the income of the share-

TOWNSHIPS SITUATION

to aid their one full-time ranger.

A spokesman for the Canada Paper Co., Windsor Mills, said that every precaution was being taken to protect the company's 39 square miles of timber holdings in Richmond County.

SITUATION BAD
J. B. Campagna, district engineer for the provincial lands and forests department, described the situation as "very bad" and said heavy rain is needed to remove the danger of new forest fires breaking out.

Approximately 100 volunteers and fire rangers were fighting a fire along a five mile front near St. Alexis des Monts, 150 miles north of here. Officials said there was some danger the wind would blow flames onto lakeside tourist homes and summer cottages.

NO VILLAGE IN DANGER
At St. Didace, about 100 miles northeast of Montreal, fire ripped through a woodlot valued at \$5,000.

A number of fires were also reported burning around the villages of St. Alexis des Monts, St. Charles de Mandeville and St. Gabriel de Brandon - all in the same general area.

Provincial police at Lavallée said two houses and a store near the community of l'Assomption are in danger.

But Forest Warden Alphonse Julien said that so far none of the villages is in danger.

Meanwhile, the tiny Laurentian community of St. Gerard de Magella, 30 miles from here, was reported threatened by fire.

COTTAGES RAZED
A bushfire broke out late Wednesday in the resort town of Boischatel, 15 miles east of Quebec City and destroyed six summer cottages before being brought under control.

Surprise Kiss

BRISTOL, R.I. — (AP) — A Bristol woman begged for a kiss from a boxer dog here Tuesday and got a honey—a nose wound that required three stitches. Wilhemena Buswick, 38, met the boxer at a restaurant and, after being warned to give him clearance, leaned down for a kiss.

Cards Of Thanks

HENDERSON — I wish to express my sincere thanks to my friends and relatives for the flowers, cards and letters I received while I was a patient in the Sherbrooke Hospital and for the gifts of food brought into my home. To Dr. Wells, Dr. MacLeod and the nurses on the second floor at the hospital, I also extend my appreciation for the wonderful care given me. Your kindness will long be remembered.

MRS. ARTHUR HENDERSON,
Beebe, Que.

WILKIN — We would like to express our sincere appreciation to our relatives, friends and neighbours for their kindness in our time of sorrow when our dear Gwendolyn was taken from us so suddenly. To all those who sent flowers, cards and letters of sympathy; those who brought in food and to anyone who offered or loaned cars, also to the organist and bearers and to anyone who assisted in any way, our thanks.

Your kindness is greatly appreciated.

THE WILKIN FAMILY.

Talk On Ungava At Meeting Of Thetford Group

THETFORD MINES— A regular meeting of the local branch of the Canadian Institute of Mining and Metallurgy was held at the Thetford Golf and Curling Club, at which 125 members and guests were present.

Highlight of the evening was an informative talk by Dr. Robert Bergeron, geologist of the Quebec Department of Mines, describing the recent low grade iron ore developments in Ungava, the ore body extending to the present mining areas in the vicinity of Knok Lake. His talk was accompanied by a few colored slides showing the way of life of the inhabitants living in this rugged part of the province and of the animal life there.

The guest speaker was introduced by vice-chairman R. J. Merrill, in the absence of Chairman L. C. Pluize, and thanked on behalf of the branch members by Dr. Peter Riordon, exploration manager, of Asbestos Corporation, Limited.

The meeting was followed by light refreshments.

CONFIDENTIALLY YOURS

—by Byrne Hope Sanders

MONTREAL, May 9th—I just have to tell you about my latest discovery! It's a completely new kind of coconut—**BAKER'S ANGEL FLAKE COCONUT**. Not shreds—but tender, thin, light, dewy-fresh flakes that melt in your mouth. As for flavor—Baker's Angel Flake Coconut tastes fresh—as if you'd picked the ripe coconut and grated it yourself. Makes ordinary cakes enchanting. And here's more enchantment! An exciting new "Cut-Up Cakes" book that tells how to make unusual party cakes without special pans. The Baker's Angel Flake Coconut package tells you how to get yours. I'd suggest you get a package of Angel Flake right away and send for your book. I already have mine!

EVERYONE KNOWS THAT DOGS COME IN MANY BREEDS, shapes and sizes . . . but there is one thing every dog has in common—the need for a complete, nutritionally balanced diet every day. Poor feeding is the major cause of dog illnesses. Like humans, a dog must have a daily supply of vitamins, minerals, proteins and other essential food elements to keep healthy, happy and in good condition. DR. BALLARD'S CHAMPION DOG FOOD is the BEST way I know of providing your dog with all these things. This veterinarian prepared formula was developed to give your dog the best diet possible and nothing but the best is good enough for your best friend. So, next time you shop, better get Dr. Ballard's Champion Dog Food . . . Regular, Chicken and Liver flavours.

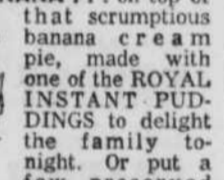

ONE-THIRD OF A HOME—WASTED! That's what we've all seen time and again with an old-fashioned basement and out-of-date heating equipment. It's truly surprising how inexpensive it is to install a modern heating unit—and then modernize this valuable area of the house—for a recreation room, workshop and an attractive laundry. You can "live modern" right where you are—thanks to today's developments in heating and plumbing. I've written a book, which has been beautifully and colorfully illustrated, for the CANADIAN INSTITUTE OF PLUMBING AND HEATING which they will send you FREE. I really think you'll find it most helpful. Just write C.I.P.H., Dept. 10, 550 Sherbrooke St. W., Montreal.

OUR COMING HOME is always a lively occasion for our beautiful budgie, Sir Isaac. He never fails to chirrup with delight and swing on his perches frantically. **BROCK'S BUDGIE SEED**, one of the 5 Basic Brock Products, keeps Sir Isaac in perfect condition, always. I wish every home could know the joy of a budgie!

PREVENTION may well be the best cure, but for many of us it's just a phrase that is more easily said than practiced. Unfortunately, the truth of it is fully realized only after misfortune has struck. "If only I had done this, that, or the other thing . . ." is the all-too-familiar substitute for lack of foresight. Suppose your own family income was suddenly cut off due to accident or sickness. If you're smart you have insurance to cover such emergencies. But what about the hundreds of other expenses that crop up when the breadwinner isn't earning? That's when money in the bank could spell real peace of mind, and that's why thousands of far-sighted Canadian families today have special "emergency" Savings Accounts at the BANK OF MONTREAL. Start your "rainy day" savings fund today, at "My Bank". You'll like saving at Canada's First Bank.

LUCKY, LUCKY US! What a satisfaction to be able to have a pantry array of the pure fruit jellies made by SHIRRIFF . . . ready to give the final touch of perfection to meats . . . and desserts . . . gran on toast and crackers. Look at this tempting lineup of fresh-fruit flavors—each one so very clear, so very bright, and flavorsome . . . Crabapple, Grape, Red Currant, Black Currant, Strawberry, Snow Apple, Mint and Cranberry Sauce. Each flavor is packed in an attractive drinking glass containing 9 fluid ounces of the purest jelly—no added pectin or flavoring. Shirriff's have long held women's admiration for the true, fresh-fruit flavor of their fine jellies. Order some today, do!

IT'S REALLY STUNNING! I'm writing about the new Royal Dutch Stainless Steel Flatware, that you can get at a wonderful saving, through LIPTON SOUPS. Save your packages from all the delicious varieties of these delectable soups—and ask your grocer about the big offer! You'll find that Lipton Chicken Noodle will become the favorite soup of your family—and your guests. It has the most delicate flavor—yet a hearty appetite appeal, too. It's a dream served "straight"—or you can use it as the base for chicken sauces, and vegetable casseroles. Get some today—and ask your grocer about that exciting offer!

C. W. L. Diocesan Convention to be Held in Magog

Mrs. E. J. Wolfe, president of the Sherbrooke diocesan council of the Catholic Women's League of Canada, has announced that the 31st annual convention of the C.W.L. will be held in Magog, on Saturday, May 18, under the distinguished patronage of His Excellency, Most Rev. Georges Cabana Archbishop of Sherbrooke. It is expected that Monsignor J. R. Moisan, c.s. C.W.L. diocesan director will be present.

The business session will open at 10.30 a.m. in the Sacred Heart Convent, 95 Merry St., North. The luncheon will take place at 1 p.m. in the Chateau du Lac Hotel, when the guest speaker will be Rev. Arnold Toner, C.S.C., of Montreal, Provincial of Holy Cross Fathers.

The Convention Theme will be: "That Christian Unity be realized by prayer and example of Catholic womanhood and that mankind respond to the love of Christ through penance of Catholic Women, insisting for themselves on modest garb." Delegates from Sherbrooke, Richmond, East Angus and Rock Island, will attend.

Bringing Up Baby

HINTS COLLECTED BY Mrs. Jean Gerber (MOTHER OF 8)

Mother of a 15-month-old is concerned because her son shows no inclination to walk. Says she: "All the other children in the neighborhood about that age toddle like mad." Two reassuring suggestions offered by an expert in child development:

1. When baby's feet, muscles and "spirit" are ready, willing and able, you won't be able to hold that little Gulliver down.
2. "It's unfair to compare" either to baby's advantage or disadvantage. Children have a way of catching up with each other, all on their own.

Appreciation unlimited. Three treats for bright-eyed, snack-begging toddlers—all made possible with those good-tasting Gerber Junior Fruits. (1) Swell as spreads on bread. (2) Delightful brighteners for milk shakes. (3) Luscious

"upper crusts" for sundaes. Your choice of 8 heavenly varieties.

Match trick. More than one tot in the house? Try initiating little socks on the bottoms with indelible ink. Makes it easier to match and mate socks when sorting clean laundry.

This from a clever mother: "Wearing Janie from bottle to cup was easy. I just used a small bouillon cup. Janie grasped the little handles easily and tilted nicely. Perhaps were at a minimum almost from the first."

Deliciously grown-up dish! Toddlers love "grown-up" foods and here's a main dish with "grown-up" quality. Gerber Junior Beef and Noodles with Vegetables is a flavorful combination of lean tender beef, tender egg noodles and carrot morsels for good protein content and high vitamin-A value. Gerber Beef and Noodles makes an ideal transition dish between strained and family foods. Gerber Baby Foods, Niagara Falls, Canada.

Asbestos Safety Program Sponsored By Lions Club

ASBESTOS — Safety Week is being held in Asbestos, May 5th to 12th, sponsored by the local Lions Club. Sunday afternoon a parade of cars, led by the Asbestos Harmony Band and Mayor George Tardif, drove to the Canadian Johns-Manville parking grounds on Boulevard St. Luc,

where the cars were blessed by Father Romeo Demers. Lorenzo Dallaire, of the Department of Transport and Communications, addressed the gathering asking their co-operation in observing "Safety Week" and urging them to continue using the highways in a safe manner. The Committee points out that in 1956 there were 82,051 highway accidents, with 803 persons killed and 17,163 injured. It is only through the co-operation of young and old that this figure can be reduced to a minimum. Starting June 10, the Automobile Club of Quebec is giving a

"SEAL OF APPROVAL" — During Safety Week in Asbestos, the town trucks and police cars were inspected. Above, Edgard Belanger, driver of the town truck, shows the inspection "Seal of Approval," which has been affixed to the windshield of the cab. Others, from the left, are: Henry Lodge, Lion Club president; Mayor George Tardif; Chief Adrien Larivee, vice-president of Safety; Lionel Bachand, mechanic, and Lion Gabriel Blouin, president of Safety. (Record photo by Wm. H. Lunan)

Drivers' Course in Asbestos, which will consist of 12 hours of lessons in theory and 4 hours of practical road driving. Persons interested are asked to contact Gilbert Rosenbrier or Gabriel Blouin.

Mr. Dallaire is spending the week in Asbestos, giving safety lectures and showing films at the schools. He is also supervising the inspection of automobiles, checking brakes, lights, etc., for all car owners who re-

quest this service. The inspection is being held on John Street, near the market, at 2:00 p.m. to 3:00 p.m. and the evenings, 7:00 to 8:00 p.m., until Friday. The Safety Week program is under the direction of Lions Henry Lodge, president; Gabriel Blouin, publicity; L. Paul Lambert, John Travers, Norman DeValois, parade committee; Chief Adrien Larivee, vice-president of Safety, and Gerald Smith, secretary.

SHERBROOKE DAILY RECORD, THURSDAY, MAY 9, 1957 11

It Costs Money Not to Lime

Recently a prominent agricultural experiment station published some figures that opened our eyes.
 Based on 26 years of experimental results, it was stated that a 180-acre farm which used lime and clover had an average annual income of \$950 more than the same farm would have made without lime and clover. Here are the figures, based on 40 acres per crop:

	FARM A No Treatment	FARM B Lime and Clover
CORN	1440 bu.	2320 bu.
OATS	1560 bu.	2000 bu.
WHEAT	800 bu.	1120 bu.
HAY	60 tons	72 tons
Total value of crops	\$2826	\$3876
Difference		\$1050
Annual cost of lime		100
Annual cost to Farmer A \$950 for not using lime		

If you are Farmer A, let us help you become Farmer B. If you are Farmer B, we want to keep on furnishing limestone as you require it.

Richmond-Melbourne W. A. Groups Report Activities Of Past Month

RICHMOND — The regular meeting of the W. A. of Richmond and Melbourne United Church was held in the church parlor with Mrs. Arthur Galbraith presiding.

The opening devotional service was conducted by Mrs. A. MacRae.

The minutes were read by Mrs. H. W. Dapp, secretary, who also gave the treasurer's report in the absence of Mrs. MacNaughton.

The Marjorie Group have had a new covering put down on the church parlor floor. The W. A. will continue this covering over the remaining portion.

The Melbourne Group held a meeting at which they completed plans for their May time tea and sale, to be held in the church hall on Wednesday, May 15th.

Miss McCourt reported that the Ruby Group held a meeting at the Wales Home, which included an auction sale.

There were no reports from the Edith and Emerald Groups.

Mrs. W. J. Ewing, reported having sent sympathy and baby congratulatory cards. One fruit box had gone out.

In the absence of Mrs. Manning, Mrs. K. G. Nourse reported a suitable rug has now been purchased for the Manse.

Correspondence consisted of thank-you-notes. A letter was also received from the C.G.I.T., asking for the support of the W.A. members in a food sale which they hope to hold shortly.

The president reminded members of the May time tea, and the Edith Group that May is their visiting month and the group will be responsible for flowers in the church on Mother's Day.

Mrs. Nourse told the members about an interesting visit her daughter Nancy had had with Rev. and Mrs. S. G. Wolfrey now in Hamilton, Bermuda.

A card was sent to Mrs. MacNaughton, who was absent due to illness.

At the close of the meeting refreshments were served by Mrs. Basil Hayward, Mrs. John Hawker, Jr., and Mrs. Stanley Bushey.

VISITORS NIGHT

At a visitors night for the Brownies in recognition of the tribute to Baden-Powell, the Brownies received their Baden-Powell Centenary Stars at the Legion Hall recently.

Commissioner, Mrs. A. D. Tector, of Asbestos, and Mrs. R. McMorine, of Danville, were guests for the evening.

Three Brownies received their Golden Hands Badges, Sandra Hughes, Trudy Ginn and Seimy Stelwagen, and proficiency Badges were presented by Mrs. Tector.

The House Orderly Badge was received by Sandra McKeage, Susan Bayne, Sandra Hughes, Trudy Ginn and Seimy Stelwagen.

Thrift and Needleworker Badges were awarded to Sandra Hughes

and Seimy Stelwagen.

The Guides took part in the Flying-Up Ceremony in which Trudy Ginn and Sandra Hughes received their Wings. Trudy Ginn was received into the Robin Patrol and Sandra Hughes into the Poppy Patrol.

The Brownies gave a display of some of the work they had accomplished.

Mrs. Kenneth Beattie Guide Leader was presented with her Captains Warrant by the Commissioner, Mrs. Tector.

The Brownie Guiders and the Guide Guiders attended a meeting in Windsor Mills to plan for the Rally of Brownies and Guides of this district to be held on June 1st in Windsor Mills. Those present from here were Tawny Owl, Mrs. Ken McLeod; Grey Owl, Mrs. Maurice Davis; Brown Owl, Miss McQuat; Guides Captain, Mrs. Kenneth Beattie; Lt. Miss H. Davidson.

General Notes

Mrs. Pearl Driver has returned from several weeks stay at Uxbridge, Ont., where she was the guest of Mr. and Mrs. J. Watson.

STANBRIDGE RIDGE —

Mr. Carl Vaughan accompanied his daughter, Mrs. Eugene Davis and family, of Richmond, Vt., to Burlington, Vt., where they attended the Music Festival.

Mr. Maurice Montagne is making extensive repairs to the Moise Meunier homestead.

Burial took place in the local cemetery recently of George L. Kidd, of St. Armand and Leonard H. Sornberger, of Frelighsburg.

Mr. Merlin Corey journeyed to Thetford Mines, recently.

A former resident, Mr. John Holloway, who passed away in a Montreal Hospital, was brought here for burial in the local cemetery.

Miss Margaret Jess, of Montreal, spent the weekend in town.

The home of Mr. and Mrs. Frank Corey was the scene for an executive meeting of the Horticultural Society when plans were made for a Spring Flower Show. Arrangements were also made for a general meeting in the Arena Hall, at Bedford, when Mr. L. Terrill will give a talk on "Bird Life."

WARDEN —

Mr. Ira Marcotte, of Russell, Mass., spent a weekend with Mr. and Mrs. J. C. Marcotte. He was accompanied by his father, Mr. Nelson Marcotte, who is spending a few weeks with his brother, Mr. J. Marcotte and Mrs. Marcotte.

Mr. and Mrs. Roy Duboyce and Mr. and Mrs. Robert Jennings of South Natick, Mass., were recent guests of Mr. Eric Newton and Miss Olive Newton. The card party held recently in the church hall proved a successful and pleasant evening. Cards were played at thirteen tables and the small quilt drawn for was won by Miss N. Kilton. Refreshments were served and prizes given.

Miss Joyce Talbot, of Johnson Vt., spent several days with her parents, Mr. and Mrs. K. Talbot and family. Mr. and Mrs. Bob Lasalle of Swanton, were weekend guests at the same home.

Mrs. Claude Mairs entertained a well attended meeting of the W.I. at her home. Hostesses at the tea hour were Mrs. Young, Mrs. H. Jones, Mrs. C. Bowker and Mrs. Mairs.

SWEETSBURG —

Mr. and Mrs. Ivan Maine of Manchester, N. H., and their daughter, Dawn, spent a few days with Mr. and Mrs. Clarence Perrott. While in town they accompanied Mr. and Mrs. C. Perrott to Lachine to attend a 21st birthday party for Miss Betty Perrott. Mr. and Mrs. E. E. Perrott, of Cowansville, with their son and daughter-in-law, Mr. and Mrs. C. Perrott, were also party guests.

Christ Church Woman's Auxiliary and Parish Guild were entertained by Mrs. C. M. Weddell and Mrs. E. J. Persons, respectively, at afternoon and evening meetings in the church parlors.

Cpl. Ronald Cousens and Mrs. Cousens of London, Ont., spent a week-end with the former's parents, Mr. and Mrs. G. B. Cousens. Mrs. Ronald Cousens is spending three weeks at the Cousens home while her husband is training at the Ordinance Depot in Montreal.

PINNACLE —

Mrs. Kendall Gallup accompanied Mr. and Mrs. Arthur Paige, of Richmond, to Sherbrooke, where they visited her niece, Little Donna Hodges and Miss Edith Greer.

Mrs. Joe Saffin entertained at supper in honor of her husband's birthday. The guests included Miss Carol Saffin, of Sherbrooke, and Mr. Saffin's sister, Mrs. Howard Dyson, and Mr. Dyson.

Friends of Mrs. Nettie Evans, of Danville, will be sorry to hear that she is a patient in the Sherbrooke Hospital, where she underwent major surgery.

SAWYERVILLE —

Recent overnight guests of Mr. and Mrs. Lewis Farnsworth were Mr. and Mrs. Everett Kerr, Mr. and Mrs. Clifford McNeilly and two children, Cheryl and Wayne, all of Verdun, and Miss Luvia Farnsworth, of Sherbrooke. Mrs. Kerr remained for a few days with her sister.

and Melbourne United Church here.

Miss May Davis has returned to Montreal after visiting Mr. and Mrs. Gordon McMorine, Laurier Ave.

After Nine-Year Famine Memorial Cup Returns To Western Canada

Despite All Ted Williams Is Still "Mr. Big" As Far As Boston Red Sox Is Concerned; Clouts Three Homers

Love him, despise him, cheer him, boo him — but no baseball fan can ignore Ted Williams, nor the fact that "the kid," after 18 years, is still "Mr. Big" of Boston Red Sox. Williams has been the heart and soul of the Red Sox attack since he joined them in 1939. But not since 1946, when he led the team to its only pennant in 38 years — and won the league's most valuable player award to boot — has he demonstrated his importance to the Sox cause as he has this season.

Wednesday was a typical example when Ted smashed three home runs and drove in all the runs as the Red Sox trounced Chicago White Sox 4-1 for their fourth straight win. The victory boosted Boston to within 11 percentage points of second place and only half a game from the American League — leading New York Yankees, who dropped a 10-4 decision to Cleveland.

Another red-hot team, the Cincinnati Reds, stretched their National League winning streak to nine with a 7-6 triumph over Brooklyn. A grand slam homer by sizzling Don Hoak and a pair of four-baggers by substitute first-baseman George Crowe furnished all the runs.

The Reds' second straight in Ebbets field zoomed them into second place in the National League, half a game behind Milwaukee Braves, who bowed 2-1 to Philadelphia Phillies. Rookie Don Cardwell was responsible for the Braves' third straight loss with a seven-hitter.

St. Louis Cardinals pounded four New York pitchers for 19 hits to defeat Johnny Antonelli and the Giants 13-4, while Chicago Cubs pushed Pittsburgh deeper into the National League basement with a 7-1 victory over the Pirates.

Cleveland battered four Yankee pitchers for 13 hits for its second successive success against the world champions. Early Wynn, supported by three-run homers by Vic Wertz and Gene Woodling and a two-run blast by rookie Roger Maris, earned his third victory.

Detroit inflicted the 10th consecutive loss upon Washington, drubbing the Senators 11-3 for the Tigers' sixth success in the last seven games. Baltimore shellacked Kansas City 11-2 behind a

Aces And Regals Having Trouble With Weather

QUEBEC. — Quebec Aces and Brandon Regals agree on one thing—this may weather is for golfers, not for hockey players. While the weatherman forecast a high of 80 for Quebec today, the two teams prepared to battle again in what could be the windup of the best-of-nine series for the Edinburgh Trophy. Quebec leads the series 4-1.

Although playing coach Don Raleigh of the Regals says his team is not out of contention yet, players and officials of both teams give the impression they're happy to have the whole thing over with.

Raleigh says the season now runs "far too late." He feels the Quebec Hockey League and the Western Hockey League should arrange to get the series under way earlier in future years.

Both general-manager Punch Imlach of the Aces and Art Leader, WHL president, favor a seven-game series in future.

"This is the last time we'll play in any series longer than a best-of-seven," says Leader.

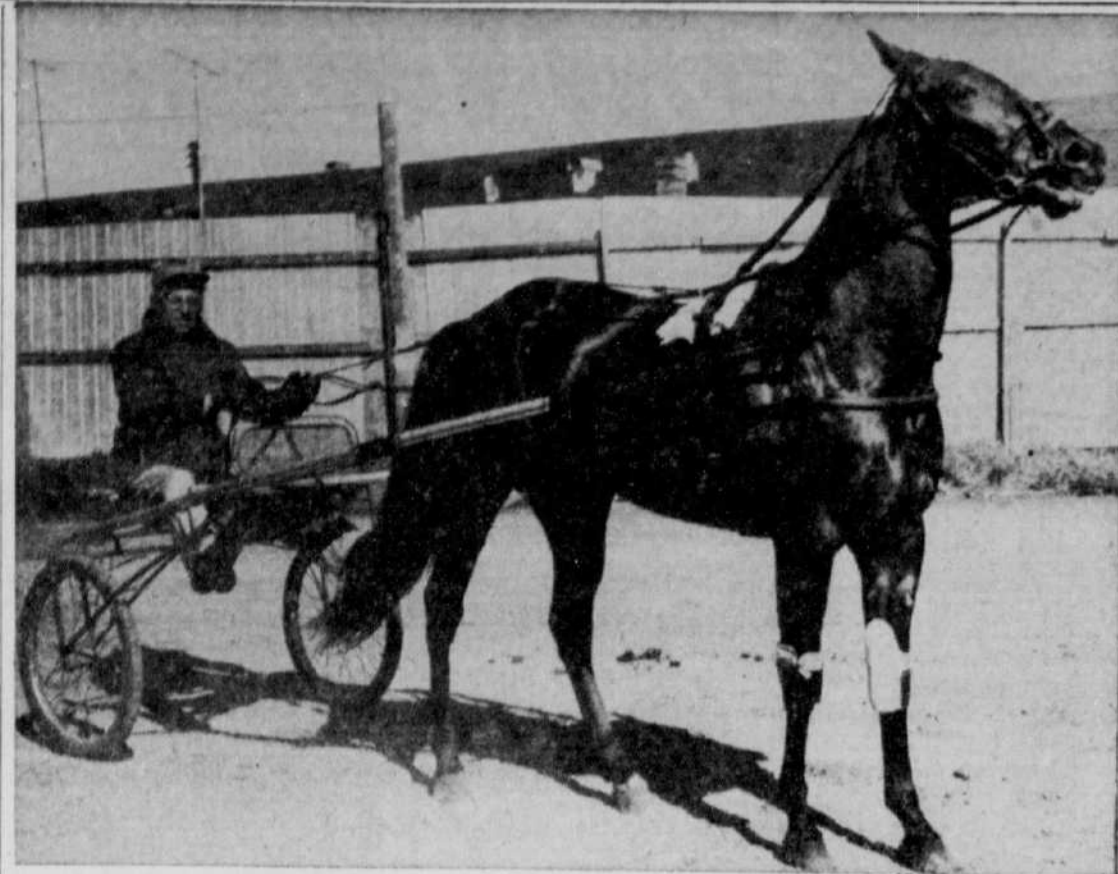

Robinson Rejects Proposed Basilio Fight in July

NEW YORK. — (AP) — Middleweight champion Sugar Ray Robinson rejected Wednesday a proposal to defend his title against welterweight king Carmen Basilio in July. He said he would rather fight in September.

Jim Norris, president of the International Boxing Club, told Robinson he would like to promote the fight at Yankee Stadium in early July.

"It could be real hot then," said Robinson, who regained the middleweight crown from Gene Fullmer May 1. "I have a mental block about fighting on hit nights ever since the Joey Maxim fight. If we make the fight, it will have to be in September."

Robinson collapsed from heat prostration in the 14th round of his light-heavyweight title fight with Maxim at Yankee Stadium, June 25, 1952. He had been far ahead when he collapsed from the 104-degree heat.

Sherbrooke Athletic Commission Names Judges And Referee For Boxing Card; Armand Savoie Arrives In City

The Sherbrooke Athletic Commission, comprised of Aldermen Everett Nicol and Gerard Berard, Ivan Dugre, and H. O. Routhier, held a special meeting last night to study the final plans for the coming boxing program which will be held at the Sherbrooke Arena next Thursday.

President Nicol and his committee named the judges and referees for this all-important card, the first to be staged in the City for several years. The names of the officials weren't released but Dr. Ovilva Noel will act as doctor for the commission.

The main bout will bring together Armand Savoie, who is at present training in Windsor, and Pat McCoy of Galway, Ireland. At the same time several of the top officials of the boxing association have been invited to attend the program, Charles Mayer, Gene Letourneau and Elmer Ferguson.

Savoie is making his first trip to this district and has formed a favorable impression of the Townships. He is all set to post a win over McCoy as it is very important to him. A victory is a "must" as he is seeking a bout against Joe Brown, world champion.

McCoy is slated to arrive in Sherbrooke at the beginning of the week and will finish his training at the Y.M.C.A. The weighing of the fighters will take place Thursday at 1.00. Savoie's present weight is 137 while McCoy tips the scales at 134.

55 Entries Already Received For Windsor Summer Bonsel; Closing Date Saturday; Finals On June 1

WINDSOR. — Fifty-five entries have been received for the annual summer bonsel sponsored by the Canada Paper Curling Club of Windsor Mills which will commence on Saturday May 25. The closing date for entries is Saturday May 18.

Everything is in readiness for what appears to be the largest summer bonsel yet staged by this club. Every year, beginning with the original Coronation Bonsel, about the end of May, the "die hard" curlers gather at Windsor Mills for one last fling before moving to the golf links.

The bonsel, this year, is being run a little differently from previous years. Sixty-four entries will be accepted. These will be divided into 8 groups of 8 teams each. A percentage winner will be declared in each group. These winners will return on June 1 for the final playdowns which will have Main and Consolation events with prizes awarded to the finalists of these rounds. Games are scheduled on Saturday, May 25 at 2, 4, 7 and 9 p.m., Monday to Thursday May 27-30.

at 7 and 9 p.m., Friday May 31 at 4, 6, 8 and 10 p.m. This latter day is reserved for rinks having a great distance to travel.

Entries include 8 from Windsor, 6 from Sherbrooke, 5 from Danville, 4 each from Lennoxville and Magog, 3 from Victoriaville, 2 each from Valleyfield, Richmond, Laurier, Shawinigan, Wabasso and Caledonia. Single entries are from Drummondville, East Angus, Granby, Hudson, Pt. Claire, Montreal West, Lachine, LaCelle, Mt. Royal, Border, Chanteceler, Quebec and a team coming all the way from Renfrew, Ontario.

Last year's champions, M. Houle of Victoriaville and D. Doucet of Windsor, will be back to defend their laurels. Ken Weldon of British Consols' fame is entered. Entries may be sent to Canada Paper Curling Club or to Art Smeltzer, Match Committee Chairman. There are only 9 more empty places, hence curlers should hurry if they wish to participate in this last bonsel of the 1957 season or their first bonsel of the 1958 season.

McDougald To Quit Game If Score Loses Sight

NEW YORK (AP) — Gil McDougald, New York Yankee shortstop whose liner felled Herb Score at Cleveland Tuesday night, is quoted as saying he will quit baseball if the pitcher loses the sight of his right eye.

Joe King, writing in the New York World Telegram and Sun, says McDougald sat in the clubhouse talking to Hank Bauer after the game and said: "If he loses his sight and you hear me, Bauer, I am going to quit this game. It is not that important when it gets to this."

Red Wings' Deals Will Hinge On Terry Sawchuk

DETROIT. — (AP) — Detroit Red Wings said Wednesday they will consider no deals, trade or cash, until they either obtain goalie Terry Sawchuk from Boston Bruins or the proposed acquisition of Sawchuk is discarded.

General manager Jack Adams, vacationing in Florida, has expressed interest in obtaining Sawchuk, a one-time Detroit star who quit the Bruins during mid-season.

Fred Hiber, publicist for the Red Wings, said Adams told him via telephone at noon that Boston has not yet advised what it would want in the matter of player rights, players or cash for Sawchuk's contract.

Huber added that the Red Wings wouldn't consider, much less make, other deals until the Sawchuk acquisition is completed or discarded.

Cherif Hamia Not Available For Bassey Fight

NEW YORK (AP) — France's Cherif Hamia won't be available for a title fight with Nigeria's Hogan Kid Bassey at Syracuse June 7, the International Boxing Club said Wednesday.

"We don't know just when the fight will be held," said Harry Markson, IBC managing director. "I just spoke on the trans-Atlantic telephone with Philippe Filippi, Hamia's manager, and he said his fighter has to go visit his family in Algeria about that time."

Markson said Tuesday the IBC had received acceptance from George Biddle, Bassey's English manager, for June 7 in Syracuse. Biddle said he would not have Bassey fight Hamia in either Paris or Montreal.

Flin Flon Bombers Edge Ottawa 3-2 In Seventh Game To Give West First Cup Since 1948; Penalties Costly

REGINA. — (CP) — For the first time in nine years the Memorial Cup has found a resting place in Western Canada. Flin Flon Bombers edged a fighting Ottawa Canadiens club 3-2 Wednesday night in the seventh and deciding game of the Canadian junior hockey championship series to give the west its first cup since 1948.

Bombers, in bringing the first junior title to the small Northern Manitoba mining town, scored two 3-1 and a pair of 3-2 victories. The Canadiens won the second, third and sixth games by scores of 4-3, 5-2 and 4-2.

It was the first time since 1946, when Winnipeg Monarchs took the trophy, that a prairie team has been able to take the decision. Port Arthur Bruins won for the west in 1948.

Last year Toronto Marlboros defeated Regina Pats for the title. Captain Ted Hampson was the Bomber hero, scoring the winning tally in the third period. Hampson's linemates, Patty Ginnell and Mel Pearson, scored the first two Flin Flon goals in the first period while Ottawa played short-handed.

Centre Mike Lagace, who arrived in the Saskatchewan capital by plane after the game started, scored both Ottawa goals, his second coming just as the bell sounded to end the game. The game's end touched off wild scenes as Flin Flon fans poured over the boards to cheer their players. It was Bombers' 88th game of the year and their 72nd victory.

It marked the 17th time the Memorial Cup has been won by a western team since the Canadian junior title was first played for in 1919.

Penalties killed the Canadiens who did not play in any eastern league but competed against Quebec Hockey League teams, Ontario Hockey Association Senior A clubs and OHA Junior squads. Ottawa drew seven of the 10 penalties.

Ginnell and Pearson each scored during an Ottawa manpower shortage. Ginnell's goal, his sixth of the series, came while Ottawa was two men short.

Both goalies performed spectacularly throughout, but the standout was Ottawa's Claude Dufour. He was forced to make many breakaway saves, especially in the late minutes, as Canadiens opened up in a desperate effort

to get back into the game. Dufour made 28 stops while George Wood, former Lethbridge junior, turned away 18.

The Bombers will arrive home Saturday and plans are already being made for the team's reception.

Bombers whooped it up in their dressing room and drank champagne to celebrate their victory. "It's the greatest thrill of my life," said Flin Flon coach Bobby Kirk. "We won the cup because an inspired, determined hockey club fought when the chips were down and never gave up."

Hampson had praise for Canadiens. "They fought us to the end," he said. "I didn't think we had them beaten until I looked up and saw only four seconds left in the game."

The Ottawa dressing room was deserted except for the trainer and two or three players and coach Sam Pollock.

A reporter suggested that Canadiens had a rough deal penalty-wise. "Yeah," said Sam, "I guess it had to be that way."

Social Activities In Magog

The Diocesan President of the Catholic Women's League Mrs. V. Wolfe, was in Magog recently to make plans for the Diocesan Convention which is to take place on May 15.

The business session of the convention is to take place at the Sacred Heart Convent at 10:30 a.m., and the luncheon will be held at the Chateau du Lac, with Father A. Toner as the guest speaker.

Mrs. Wolfe met with Mrs. Buzzell, president, and Mrs. Pott, past president, at the home of Mrs. Lepine in order to draw up the program.

After the meeting tea was served.

ST. LUKE'S AUXILIARY
St. Luke's Women's Auxiliary met at the home of Mrs. John Connor, Abbott St., recently.

Mrs. John Comfort opened the meeting with the usual devotions. The president, Mrs. A. Cotterell was unable to attend owing to illness and the members wish her a speedy recovery.

Several business items were dispensed with and the coming June sale was discussed.

The W.A. Manual was read and it was interesting to note that the first W.A. was founded in 1887.

The meeting adjourned and afternoon tea was served by Mrs. Connor assisted by Miss Joan Smith, bringing to a close an interesting and enjoyable meeting.

ST. MARGARET'S GUILD
St. Margaret's Guild met at the home of Mrs. George Corbiere, St. Catherine St. The regular business meeting took place and the results of the Tea and Sale which was held recently in the Church Hall was given.

On Wednesday evening May 8th the members visited the Cecil Memorial Home in Austin, after which they held their regular meeting in the Church Hall with Mrs. Albert Dingman as hostess.

Mr. and Mrs. Roy E. Allen have returned home after spending several weeks in Barrington, guests of their daughter, Mrs. Peter Ross, Mr. Ross and family.

Mrs. Jesse Allen has returned after spending a week in Prince Rupert, B.C., guest of Mr. and Mrs. Herbert Allen.

Mr. and Mrs. Allen Strange, of East Farnham, were recent guests of Mr. and Mrs. E. L. Strange.

Contracts Authorized By Town Council For Point d'Iberville Road

A regular meeting of the Magog Town Council was held last Thursday evening at the Town Hall. Forming a quorum under the chairmanship of the Mayor, Maurice Theroux, were Aldermen R. Urwick, C. Gaudreau, A. Pouliot, A. Simard and A. Gagne.

It was decided that in order to finish the procedures for expropriation, the City of Magog offered the sum of \$1,100 to Mrs. Rose Descoeurs, in order to purchase a piece of land 30, by 141' on lot 73 so that the road which is planned to Point Iberville may be opened.

For the same reason the Council saw fit to offer Mr. Forest Humphrey the sum of \$1,440 for

lot 30, by 197' on the same lot. Both offers were accepted and Power was granted the Mayor and the contracts according to the terms already mentioned.

During the meeting, a letter was read from the President of the Canadian Highway Safety Conference, complimenting the City on having been awarded a Certificate of Honor for having completed the entire year of 1956 without a single highway or traffic fatality.

Children's Fish Derby May 12 At Seth Blake Pond
COATCOOK — Seth Blake's Pond, situated at the East end of Lake Lyster, will again be the scene of a gathering of enthusiastic young fishermen, as the Lake Lyster Fish and Game Club sponsors its second annual fish derby for children up to 12 years of age on Sunday May 12th.

Still fishing with worms only will be allowed and children must be accompanied by an adult. The Club will not be responsible for accidents.

PIGEON HILL

Mr. and Mrs. P. Martin and family of St. Lambert were at their summer home here for the weekend.

Misses Ruby and Lila Primmerman have returned to Brownsburg, after visiting their parents, Mr. and Mrs. Calvo Primmerman.

Mrs. Owen Patterson and son and Mr. and Mrs. W. Mahannah of Frelighsburg were guests of Mr. and Mrs. Walter Ling.

"Tourist Week" To Be Observed June 29 - July 6

MAGOG (Special) — The week commencing June 29 and ending July 6 is to be observed as Tourist Week here. This week will feature special sports and social events. Each day will spotlight a different attraction: there will be a fishing derby, a three-day service club fair, golf tournaments, and a regatta on July 1. The week will end with the crowning of the Tourist Queen. The Queen will be chosen from among four candidates representing the Magog Retailers and Service Association; the Service Clubs; the Mount Orford Ski Club; and the Conservation Association and the Chamber of Commerce.

A special drawing is to be held during the week for a grand prize, a 1957 Chrysler, 1,000 tickets are to be sold at \$10 per ticket, the proceeds going to the Regional Mount Orford Development Association.

Following the above proposal, made at the executive meeting of the Magog Retail and Service Association held last Monday evening, the group decided to refuse support of the Junior Chamber of Commerce brief on city improvements, but it did approve a resolution asking the city council to give careful study to all municipal improvements, especially the local city-owned electric power system. The resolution insists that when the time presented itself, the citizens of Magog be given all the facts regarding the circumstances and then a decision on what should be done with the system be decided on by a public referendum.

It was decided last Monday that social service groups will also receive aid from the MRSA when they request assistance from the group. Already, the inter-parish workers of St. Vincent de Paul have asked assistance, and the local merchants have decided to contribute funds.

The annual meeting of the Magog Retail and Service Association will be held soon, when a resume of the group's achievements during the past year will be heard, and plans for the forthcoming term will be made.

Invitation Extended By Magog Merchants To Prov. Government

MAGOG — (Special) — The Provincial Government engineer in charge of plans for the proposed new Sherbrooke-Montreal highway is to be invited by the members of the Magog Retail and Service Association to visit this city to see how by-passing this city would deprive motorists of the scenic beauty of Lake Memphremagog and Mount Orford. The suggested highway would leave the present route East of Omerville and rejoin it near the Austin turnoff, two and a half miles west of this city.

This new section would be built to avoid two railway crossings, but the local businessmen state that this can be done by routing

the new thoroughfare through Magog's North end, and in doing so, much expense would be saved.

Following the above proposal, made at the executive meeting of the Magog Retail and Service Association held last Monday evening, the group decided to refuse support of the Junior Chamber of Commerce brief on city improvements, but it did approve a resolution asking the city council to give careful study to all municipal improvements, especially the local city-owned electric power system. The resolution insists that when the time presented itself, the citizens of Magog be given all the facts regarding the circumstances and then a decision on what should be done with the system be decided on by a public referendum.

It was decided last Monday that social service groups will also receive aid from the MRSA when they request assistance from the group. Already, the inter-parish workers of St. Vincent de Paul have asked assistance, and the local merchants have decided to contribute funds.

The annual meeting of the Magog Retail and Service Association will be held soon, when a resume of the group's achievements during the past year will be heard, and plans for the forthcoming term will be made.

Feeling headachy and miserable because you need a medicinal regulator?

DO AS MILLIONS DO! Chew FEEN-A-MINT

Why not ask your druggist today for FEEN-A-MINT — a modern regulator in chewing form? It's pleasant to take... it's dependable... and thorough. Yet FEEN-A-MINT is gentle in its action — gentle enough for little children. FEEN-A-MINT has a candy coating — refreshingly flavoured with mint. You'll never have to coax your children to take FEEN-A-MINT. You'll never have to force yourself to swallow ill-tasting potions. You'll discover as millions of other people have — that FEEN-A-MINT is safe — effective — and pleasant to chew. FEEN-A-MINT is as handy as your nearest druggist. So — next time you know you need a medicinal regulator — try FEEN-A-MINT. Do — as your friends and neighbours do — as millions do... chew FEEN-A-MINT — and feel fine again!
