No. 14, WATERLOO PLACE, PALL MALL, LONDON.

This Society is established on the tried and approved principle of Mutual Assurance. The Funds are accumulated for the exclusive benefit of the Policy-holders, under their own immediate superintendence and control. The Profits are divided ANNUALLY, and applied in reduction of the current premiums. Every person assured to the extent of £1000, will be entitled, after the payment of Five Annual Premiums, to attend and vote at all general meetings of Policy-holders, held annually, for the purpose of receiving the Report of the state of the Society's affairs, and sanctioning a division of Profits.

When required, credit will be given to persons affecting Assurance, on their own lives or the lives of others, for HALF THE AMOUNT OF THE FIRST FIVE ANNUAL PREMIUMS: at the end of which period they participate in the Profits, which may be applied towards the liquidation of the debt thus accumulated. At the Annual General Meeting of the Society, held on the 26th of May last, it was resolved, that a reduction of 31½ per cent on the premiums payable on all policies on the participating scale be made for the past year.

The following Table exemplifies the effect of the present Reduction:—

Age when Assured.	Amount Assured.	Annual prem. origin. paid.	Allowance of 31½ per cent.	Annual prem. now payable.
20	£1000	£20 17 6	6 11 6	£14 6 0

All Profits divided among the insured at the end of every five years.

Mr. J. A. Page, cashier of the Vermont Bank at Montpelier, under the date of March, 23rd, 1853, concerning this Company, writes:—

"It is now about three years since the Company commenced business during which time they have issued 1022 policies, as appears by their books. All losses incurred, have invariably been paid promptly—all expenses to this date are paid, and they have now a cash capital of over \$150,000, well and securely invested—\$34,000, of which is the accumulated earnings, over and above expenses, losses and interest, on capital paid in. The affairs are, as far as I can judge, conducted with safety, economy and regularity, and I cannot conceive of any reason why the Company is not on a good and sure basis to be as permanent in its business as any other Company whatsoever. I think it entitled to the fullest confidence."

BRITANNIA MUTUAL LIFE ASSOCIATION,

No. 1 Prince's Street Bank, London.

Empowered by Her Majesty's Royal Letters Patent.

DIRECTORS:

(Same as the Britannia Proprietary Branch.)

This institution was originally established under a different title in the year 1839, on the plan of admitting the Assured to participate in four-fifths only of the profits; but the Society has since been remodelled so as to become a strictly "Mutual Association."

The whole of the funds and property belong to, and are accumulated for the exclusive benefit of the Assured.

The profits are divided annually among the Policy-holders, and applied in reduction of the current year's premium; thus constituting, in effect, an immediate cash payment to the Assured.

Half-Credit Policies are granted on terms unusually favorable to the holders,—the amount for which credit is given being, gradually, liquidated out of the profits.

Two Tables of Rates have been computed; one entitling the Assured to participate in the profits after payment of five annual premiums; the other considerably lower, in which the period of participation is deferred two years longer; the premium ultimately paid by the Assured is, however, precisely the same, whichever Table of Rates may in the first instance be selected.

General Meetings of the Members are held annually; to whom full and complete statements of the affairs and funds of the Society are submitted, and by whom the divisions of the profits are declared.

At the Annual General Meeting held on the 27th April last, a dividend of 30 per cent. upon the current year's premium was awarded to all Members who had made the requisite number of payments on their respective policies.

By order of the Board of Directors,

E. R. FOSTER, Resident Director.

ANDREW FRANCIS, Secretary.

(Local Agents in Canada, same as Proprietary Branch.)

The "Britannia Mutual Life Association" is altogether distinct from, and independent of, the Proprietary Office transacting business under the name of the "Britannia Life Assurance Company." The only connection between the two establishments is, that their affairs are conducted on the same premises, and by the same officers, by which means the entire disbursements of the Mutual Association are reduced to a small per centage on the receipts.

The liability of the Proprietors is declared by the Company's Acts of Parliament to be unlimited.

It is also provided that all premiums, which may be received on sale of the unissued Shares of the Company, shall be carried to the credit of the Reserve Surplus Fund, and form part thereof; so that, as the £2 10s paid on each Share, now sells at £7 10s, This Reserve Fund is continually increasing, without taking into account accumulations from other resources: and by the first Act of Parliament obtained by the Company it is expressly provided: "That it shall not be lawful for the said Company, or any person on behalf of the said Company, in any manner to stipulate, contract, or agree, with any person or persons to limit or restrict the liability of the Proprietors of the said Company, or any of them;" so that in the *unrestricted liability* of a large and wealthy Proprietary, and the readiness with which just rights can be established in the event of their being questioned, the security which it affords is of the most undeniable kind.

The subscriber is now prepared to effect Fire Insurance Risks on as favorable terms as any respectable Company doing business in Montreal.

This Company was organised in August, 1847, and so successful has been its operations, and economical its management, that it has been enabled to declare at each of its Annual meetings, Bonuses to the assured of sums equal to 18 and 25 per cent of the amount of Premiums paid up.

This being the only native Institution for Life Assurance originated in the Province, and now carried into prosperous activity, it may safely lay claim to a large share of Colonial patronage.

The following is an example of the rates of Premium demanded by this Company for the Assurance of £100, upon a single life, the assured being entitled to participate in the profits realized.

Age next birth day.	Annual Premium.	Semi-Annual Premium.	Quarterly Premium.
